FIRE MARSHAL BULLETIN

To all Nassau County Fire Departments

Effective July 1, 2021 the Nassau County Fire Marshal's Office Investigation Division will handle all Investigation requests on an **IMMEDIATE** (Signal 25) Basis. All requests will be handled with a timely and prompt response from the Investigators. If there are any problems or questions at the time of the request, please advise Firecom and/or request that the assigned Investigator be contacted for further direction.

An immediate response from our Investigators ensures that scene continuity and security remain intact. This allows for the complete and correct transfer of information from the Chief/Officer in Charge to the Investigator and eliminates inconsistencies and misinformation between the Fire Department, the property owner/occupant, the Fire Marshal Investigator and the NCPD Arson Detective.

Immediate Investigations (Signal 25) require that the Chief/Officer in Charge remain on scene to provide information to the responding Investigator and to maintain control and security of the scene.

If you have any questions, please feel free to call the Investigations Division at 516-573-9970.
