Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

INDEPENDENT AUDITORS' REPORT

Helping Hands Children Services, Inc.
160 E Main Street
Huntington, NY 11743

We have audited the accompanying financial statements of Helping Hands Children Services, Inc. (the "Organization"); which comprise the balance sheets as of June 30, 2015 and 2014, and the related statements of income and retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2015 and 2014, and the changes in its stockholder's equity and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Helping Hands Children Services, Inc. (the "Organization") is presented to assist in understanding the Organization's financial statements. These financial statements and notes are representations of the Organization's management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Business Activity:
The Organization principally provides services to school districts in Nassau and Suffolk Counties. Its primary source of funding comes from fees paid by these school districts for parent training, behavioral intervention, behavioral consultation, and counseling services. Additionally, the Organization is licensed by the New York State Education Department ("SED"). The Organization provides Special Education Itinerant Teacher ("SEIT") services and receives funding from New York City and Nassau and Suffolk Counties for these SEIT services.

Basis of Accounting:
These financial statements are prepared on the accrual basis of accounting. Revenue is recorded when earned and expenses are recorded when incurred.

Revenue Recognition:
The Organization recognizes revenue based upon units of services provided. SEIT services are reimbursed according to an annual cost-based tuition rate per child promulgated by SED, subject to certain screens.

Property and Equipment:
Property and equipment are stated at cost. The cost of additions and betterments are capitalized and expenditures for repairs and maintenance are expensed in the period incurred.

When items of property and equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain/loss is included in income/expense.

Depreciation and amortization of property and equipment are provided utilizing the straight-line methods over the estimated useful lives of the respective assets as follows:

Equipment.....	3 years

Use of Estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Recruiting Costs:
Recruiting costs associated with attracting and retaining staff are expensed as incurred.

Income Taxes:
The Organization has elected tax status under "Subchapter S" of the Internal Revenue Code. Accordingly, there is no provision for federal and New York State income taxes for 2015 and 2014. Under "Subchapter S," the Organization's taxable income is taxed directly to the stockholder for federal and state income tax purposes. As such, the Organization's stockholder has reflected the income taxes associated with the Organization's earnings on her personal income tax returns. The City of New York does not recognize "Subchapter S" status for corporations for tax purposes.

The Organization evaluated its activities for uncertain tax positions and has determined that there were no uncertain tax positions for 2015 and 2014.

The Organization's policy is to classify accrued interest and penalties related to any unrecognized tax positions in the provision for income taxes. The School files income tax returns in New York State and New York City. The open years subject to examination by the Internal Revenue Service and various localities range from 2012 to 2015.

Receivables:
Receivables are based upon the amount management believes it will collect from the outstanding balances. SEIT receivables are calculated using the estimated final reimbursement rate, the number of children enrolled in the program, and the amount paid to the Organization during the fiscal year. During fiscal 2014 management reviewed outstanding receivables and established a reserve of approximately $84,000 for the year ended June 30, 2014 to cover potential uncollectible amounts. This reserve remained unchanged as of June 30, 2015.

Events Occurring After Report Date:
The Organization has evaluated events and transactions that occurred between July 1, 2015 and November 20, 2015, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Reclassification:
Certain balances reflected on the statements of income and retained earnings for the year ended June 30, 2014 were reclassified to conform to the current year presentation.

NOTE 2 - CONCENTRATIONS OF RISK

The Organization predominantly works with school districts in Nassau and Suffolk Counties. As of June 30, 2015 and 2014, the Organization's accounts receivable consisted of 72% and 74%, respectively, of amounts due from such school districts. Total program service fees consisted of 96% and 84%, from school districts in Nassau and Suffolk Counties for the years ended June 30, 2015 and 2014, respectively.

From time to time, the Organization may have cash on deposits with financial institutions that are in excess of Federal Deposit Insurance Corporation limits.

NOTE 3 - RELATED PARTIES

The Organization is related to Helping Hands Behavioral Outreach, Inc. ("HHBO"), a nonprofit organization. The stockholder of the Organization is the executive director of HHBO. The Organization owes monies to HHBO attributable to monies deposited into the Organization's bank account intended for HHBO.

NOTE 4 - DEBT

The Organization has a line of credit with a bank that is personally guaranteed by the stockholder of the Organization. The agreement allows the Organization to borrow up to $250,000 at 4.75%. As of June 30, 2015 and 2014, the Organization had an outstanding balance of $250,000 and $243,013, respectively. The line is secured by substantially all of the assets of the Organization.

NOTE 5 - CONTRACTUAL OBLIGATIONS

Contractual agreements with various governmental entities are subject to special audit. Such audits could result in claims against the Organization for disallowed costs or noncompliance with contract terms. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

NOTE 6 - COMMITMENTS AND CONTINGENCIES

Leases:
During April 2011, the Organization entered into a lease agreement for its headquarters in Huntington, New York that expires April, 2016. The lease provides for equal monthly installments of $4,100 throughout the lease term. - **Teacher Consultation:** Our behaviorists/special educators meet with classroom teachers to discuss their classroom management strategies. They then observe the teacher within the classroom and provide feedback regarding the observation. We make suggestions to modify an existing strategy, add a new strategy or remove an ineffective strategy. All in all it is an open dialogue that promotes cooperation.
- **ABA/Extended Day services:** We work directly with students within the homes and community settings. We create programs that follow the student's IEP goals as well as promote independence within the home and community. We also work with the family so that they continue to implement the programs established within the home. We ensure ongoing communication with school district teams.
- **Parent Training:** We support a true parent-training model distinct from direct service models. We meet with the student, the parents/caregiver of the student and the siblings if needed. We then provide the family with various strategies and model these strategies for the family with the student. We then have the family utilize these strategies while observing to provide feedback on the correct implementation of the strategies. Parents have been thrilled with the changes they have seen in their homes as a result of our work with them. We understand that parent training must be data based. Having measurable goals and objectives are a critical part of parent training sessions, and just like all related services, data is essential and required. We train parents to work with their children on a lifelong basis by understanding the fundamentals of ABA, as well as the specific characteristics that go along with their children's disorders. We focus on helping parents understand, and effectively manage, difficult behaviors in their homes and community settings. We always support school team driven objectives.
- **Setting up Applied Behavior Analysis Classrooms:** We have created and implemented hundreds of ABA programs. In this capacity we train classroom staff and deliver professional development workshops for the school staff. We continue to support the Autism Programs we have created by providing classroom support on a regularly scheduled basis. We have set up a communication system with classroom teachers so that we may be consulted on an ongoing basis. We teach staff the specifics of Discrete Trial, Verbal Behavior programming, as well as utilizing ABA techniques like shaping, fading, modeling, chaining, etc. to improve student learning and outcome measures.
- **Resource Room:** Our Special Educators have worked with many students in classrooms to facilitate learning along with a classroom teacher. We provide the individualized support the student needs either individually or in a small group while integrating into the classroom setting. We act as a consultant to the teacher as well.
- **Home Instruction:** Our Special educators provide direct service to the student they are working with. During home instruction they work on goals derived from the student's IEP: educational, behavioral, social and daily living skills. Our Special educators have demonstrated success with many students who present with challenging behaviors. Our Special educators always invite the parents and families to participate in their sessions to ensure consistency and follow through. We feel that communication with the parents and families is so important for the student's success and progress.

- ✓ In the 2012-13 and 2013-14 school years we worked with Wyandanch UFSD through a grant to provide hands on classroom management and behavior management trainings to the teachers within their classrooms. We provided oversight and training to our providers. Our Senior Behaviorist attended planning meetings with the school district to discuss progress and strategies utilized throughout the program.

- ✓ We co-led a middle school social skills program for the Roslyn district for several years that we created specifically for middle school students.

- ✓ We worked with the BOCES Jerusalem Avenue team to provide behavioral consultation to students with emotional disabilities and severe aggression for three school years and help revise the school wide behavior system in an effort to reduce suspensions.

- ✓ As of the 2010-2011 school year, we also began providing consultation services to the Child Development Center of the Hamptons (CDCH), which is a fully integrated charter school serving children from preschool through grade 5. We support classrooms on all grade levels in the school in addressing behavioral challenges. CDCH

- ✓ Introduced a self-contained Kindergarten-First Grade classroom, that we were instrumental in starting. We have widely accepted by the staff there.

- ✓ We have worked with BOCES in districts who were awarded grant funds to provide behavioral assistance to students while training staff.

- ✓ During the 2009-2010 School Year, we also had the wonderful opportunity to provide vocational training for a student. This student came to our office every week where she received job training. She learned to improve typing and phone skills, working on a resume and her interview skills, and acquiring valuable office skills that she will be able to generalize to any work setting.

These are just a few examples of our unique and highly individualized delivery of services. We enjoy working in all facets of Special Education Related Services!

The "website ready" paperwork shall be identical to the paperwork being submitted for consideration by the department, except that the Contractor will have the opportunity to redact all information of a private or personal nature. The "website ready" paperwork is to be attached to the contract package that is being sub mitted for County approvals. If a review of claims and payments to the Contractor by the County reveals that the amount received by the Contractor for Services during that year exceeds the amount due for provision of Services, the County shall notify the Contractor of the exact amount due to the County for overpayments during the term hereof. Immediately, or for good cause shown to the County, no later than 30 days after the notification date, the Contractor shall refund to the County by check made payable to the order of the County of Nassau, the amount due for such overpayment. If the Contractor fails to refund amounts due the County under this or any other Agreement, the County may, at its sole discretion, withhold payments due the Contractor for Services provided pursuant to this Agreement until such time that the Contractor has made all payments due the County under this or any other Agreement; or deduct from payments due the Contractor for Services under this Agreement or any renewal thereof, either in installments or in one lump sum, the amount due the County under this or any other Agreement. The Contractor's obligations under this section shall continue beyond and shall survive the expiration or termination of this Agreement.

(ii) Denial of Reimbursement. (2) Upon request for repayment by the County pursuant to above, the payment is due immediately, or for good cause shown to the County, no later than 30 days after the notification date, either by check in the amount due made payable to the order of the County of Nassau. If the Contractor fails to refund the amount due the County under this or any other Agreement, the County may, at the its sole discretion, in addition to any other remedies it may have at law or in equity, (a) withhold payments due the Contractor for services provided pursuant to this Agreement until such time that the Contractor has made all payments due the County under this or any other Agreement, or (b) deduct from payments due the Contractor for services under this Agreement or any renewal thereof, either in installments or in

one lump sum, the amount due the County under this or any other Agreement. The Contractor's obligations under this Section shall continue beyond and shall survive the expiration or termination of this Agreement.

(iii) Medicaid Claims. If the failure of the Contractor to cooperate in the processing of claims for payment by Medicaid or any other third party payor results in the disallowance of such claims, based on such failure, the County may deduct and withhold such amount that has not been reimbursed from any monies due the Contractor. The Contractor agrees to pay to the County the amount of the balance due the County that has not been reimbursed by Medicaid or any other third party payor. The County may, if appropriate, seek reimbursement from the Contractor for any expenses to the County arising from the aforesaid failure to provide such documentation and/or eligibility substantiation or the submission of fraudulent documentation.

(d) Timing of Payment Claims. The Contractor shall submit a claim to the County at the SED certified rate which was in effect at the time the claimed service was rendered no later than three months from the end of the month when the service was completed. However, when the SED rate letter is dated later than the actual term of service, the claim shall be submitted no later than three months from the end of the month on the SED rate letter. The County shall not honor claims for reimbursement at SED certified rates if not submitted in accordance with the above listed schedule. In addition, no claim may be submitted to the County after such date as the Commissioner closes its accounting of the school year in which the claimed service is provided.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

(g) Additional Payment Provisions

(i) All reimbursement for Services under this Contract shall be between the County and Contractor in accordance with the provisions of this Agreement. The Contractor shall be responsible for the delivery of appropriate Services (as specified in each Child's IEP), including the training and/or retraining of staff employed by the Contractor.

(ii) The County shall pay the Contractor only those rates which are set by the Commissioner, or the County as applicable, and only for such period as the Contractor has the Commissioner's or the County's approval. The Contractor will send to the County the letter of rate determination from SED within ten business days of its receipt. In the event that the Contractor appeals a rate determination by the Commissioner, the Contractor will submit to the County the letters and documentation in support of any appeal of the rate determination within ten business days of submission to the New York State Education Department.

The County reserves the right to withhold reimbursement until the State Education Department issues a rate for translating the summary report. Reimbursement is not applicable when a bilingual evaluation is authorized.

(v) When formal or informal assessment measures are used to document a Child's functioning, this assessment is not eligible for reimbursement.

(vi) The Contractor shall not be entitled to receive compensation for any portion of the term of this Agreement during which it fails to maintain SED approval or any Licenses required by this Agreement or any law, rule or regulation in relation to this Agreement or the Services provided hereunder. The Contractor shall reimburse the County for any compensation received for such portion of the term in accordance with the terms and conditions hereof.

(vii) In the event that the Services under this Agreement require a Contractor to serve as a Coordinator of Services, reimbursement for such coordination services shall be limited to ten half-hour Sessions during the school year (September-June) and two half hour Sessions during the summer. No reimbursement shall be available when a Child is receiving coordination services between two or more Related Services and is also receiving SEIT Services during the same time period.

The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least 90 days prior to the termination date, a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. It is understood that such visits may take place whether or not the Director of the Contractor site is present and available. If the County or the Contractor requests an exit conference, the Director of the Contractor site or his/her designee shall be given an opportunity to attend, at a time mutually agreed upon. It is agreed that if an audit is undertaken by the Commissioner, School District and/or the County, said audit shall be conducted by appropriately qualified personnel designated by the appropriate party. The Contractor shall have the right to respond in writing to any written audit report and/or programmatic evaluation issued by the Commissioner, School District and/or County within 30 days from the date of certified mailing of a copy to the Contractor. If such audit report is generated, it shall not be circulated to any persons not involved in the visit (except in emergency situations or on a need to know basis) without the Contractor first being given the aforesaid opportunity to respond in writing, and if such a report is then circulated, it shall have affixed to it the response submitted by the Contractor.

17. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least 30 days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for 30 days after presentment. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

18. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

4.2 Responsibilities of the County with Respect to Access, Amendment, Restrictions and Accounting of Disclosures of PHI. The Contractor acknowledges that the County has the right, but not the obligation, to access and audit the Contractor's security systems and programs.

e) provide the Secretary of HHS with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for compliance investigations.

b) not enter into, or permit its subcontractors or agents to enter into, any trading partner addendum or agreement in connection with the conduct of Standard Transactions for or on behalf of the County that:

i) alters the definition, data condition, or use of any data element or segment in any Standard Transaction;

ii) adds any elements or segments to the maximum defined data set;

iii) uses any code or data element that is marked "not used" in the Standard Transaction's specifications for execution or is not in the Standard Transaction's specifications for execution; or

iv) changes the meaning or intent of the Standard Transaction's specifications for implementation.

7. TERMS AND TERMINATION

7.1 Term. This Addendum shall become effective as of the date first indicated above, and shall continue in effect until all of the PHI provided by the County to the Contractor, or created or received by the Contractor on behalf of the County, is destroyed or returned to the County, and all other obligations of the parties have been met, unless terminated by the County as provided in Section 7.2. If it is infeasible to return or destroy such PHI, then such PHI shall continue to be protected as set forth in Section 7.4.

7.2 Termination by the County. As provided for under 45 C.F.R. §§ 164.504(e)(2)(iii) and 164.314(a)(2)(i), the County may (a) exercise its rights under Section 7.3 below or (b) immediately terminate the Agreement if the County, in its sole discretion, determines that the Contractor has breached a material term of this Addendum. The County may exercise such right to terminate the Agreement by providing the Contractor with written notice of its intent to terminate specifying the material breach of the Agreement that provides the basis for termination. Such termination will be effective immediately, unless another date is specified in such notice.

7.3 Opportunity to Cure. As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. If the County decides to provide an opportunity to cure in such case, it shall: (a) provide the Contractor with written notice of the existence of an alleged material breach; and (b) afford the Contractor an opportunity to cure the alleged material breach. Failure to cure within fourteen (14) days shall constitute grounds for the immediate termination of the Agreement by the County.

7.4 Effect of Termination. Upon the termination, cancellation, or any other conclusion of the Agreement, the Contractor shall, if feasible, return to the County or destroy all PHI, in whatever form or medium, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), including, but not limited to, PHI in the possession of its subcontractors and/or agents, within thirty (30) days of the effective date of the termination, cancellation, or other conclusion of the Agreement.

a) Once all PHI in the Contractor 's possession or control, including, but not limited to, PHI in the possession or control of its subcontractors and/or agents, has been returned to the County or destroyed, the Contractor shall provide a written certification to the County regarding the return or destruction of such PHI within such thirty (30) day period. Such certification shall be relied upon by the County as a binding representation; and

b) if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. Said notification shall include, but not be limited to: (i) a statement that the Contractor has, in good faith, determined that it is infeasible to return or destroy the PHI in its possession and/or in the possession of its subcontractors or agents, as applicable, (ii) identification of the PHI that the Contractor believes it is infeasible to return or destroy, and (iii) the specific reasons for such determination. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

8. INDEMNIFICATION

8.1 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor 's control.

8.2 Control of Defense. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or

any subcontractor, agent, Individual, or organization under the Contractor 's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor 's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent its interests, in which case the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

8.3 Control of Resolution. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 Survival. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. In addition, Section 9 shall survive termination of this Addendum indefinitely, notwithstanding whether the Contractor retains PHI in accordance with Section 7.4 hereto.

10.2 Amendments. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. Notwithstanding anything in the Agreement to the contrary, to the extent that the Privacy Rule or Security Rule, or any other applicable law related to the privacy or security of health information is materially amended, updated, or revised following the execution of this Addendum, the parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the County to comply with the requirements of HIPAA.

10.3 No Third Party Beneficiaries. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

10.4 Cooperation and Disputes. Each party will reasonably cooperate with the other in the performance of the mutual obligations under this Addendum. If any controversy, dispute, or claim arises between the parties with respect to the Agreement (including, but not limited to, this Addendum), the parties shall make reasonable good faith efforts to resolve such matters informally.

10.5 Regulatory References. Any reference to any part or section of the CFR shall include such part or section as drafted upon the effective date of this Addendum and as it is subsequently updated, amended, supplemented, superceded, or revised.

10.6 Conflicts. Any conflicts or inconsistencies between the terms in this Addendum and terms in other parts of the Agreement shall be resolved in favor of the terms in this Addendum.

10.7 Interpretation. Any ambiguity in the Agreement (including, but not limited to, this Addendum) shall be resolved in favor of a meaning that permits the County to comply to the greatest extent possible with the Privacy Rule, the Security Rule and Other Legal Requirements.

11. HITECH ACT

11.1

a) Contractor will comply with the requirements of Title XII, Subtitle D of the Health Information Technology for Economic and Clinical Health (hereinafter "HITECH") Act, codified at 42 U.S.C. b) Contractor will make a report to the County of any breach of unsecured protected health information, as required by 42 U.S.C. Section 17932(b), within five business days of Contractor's discovery of the breach, and

c) Contractor will indemnify County for any reasonable expenses County incurs in notifying individuals of a breach caused by Contractor or its subcontractors or agents.

d) Contractor understands it is not in compliance with the HIPAA standards set forth in Sections 164.502(e) and 164.504(e) if the Contractor knows of a pattern of activity or practice that the County engages in which constitutes a material breach or violation of the County's obligation under a contract or other business arrangement, unless the Contractor takes reasonable steps to cure the breach or end the violation, as applicable, and if in taking steps to cure or end the breach it is unsuccessful, the Contractor must terminate the contract or arrangement if feasible, and if not feasible, the Contractor must report the problem to the Secretary.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, gender, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit

evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

Vanetta LaRosa, Ph.D.
Executive Director
Helping Hands Consultation Services, Inc.
160 East Main Street
Huntington, NY 11743

Dear Dr. LaRosa:

The New York State Education Department (NYSED) has completed its preschool reapproval review of Helping Hands Consultation Services, Inc. The review was conducted pursuant to section 200.20(c) of the Regulations of the Commissioner of Education to determine whether the program provides quality services in a necessary and cost-efficient manner and in the least restrictive environment for preschool students with disabilities; to ensure that the program has a clearly defined governance structure, a strong system of internal controls and operates in a fiscally responsible manner; to ensure that the owner(s), chief executive officer(s) and/or chief administrator(s) possess the character, experience and educational background to oversee a preschool special education program.

Based upon this review, NYSED found that Helping Hands Consultation Services, Inc. has met the compliance and efficiency standards requirements of section 200.20(c) and that it has demonstrated a reasonably calculated set of internal controls. However, this determination was based on a limited sample of students as Helping Hands Consultation Services, Inc. has been operating with a significantly reduced enrollment (four students for the 2013-14 school year) in its Special Education Itinerant Services (SEIS) program. Section 200.7(c)(3) of the Regulations of the Commissioner of Education requires that an educational program approved for reimbursement provides instruction to a minimum of 16 students.

Therefore, NYSED is providing a one-year **conditional** reapproval of Helping Hands Consultation Services, Inc. to operate its SEIS program as identified on the enclosed chart. Please inform your Special Education Quality Assurance (SEQA) Regional Associate, Julia Nagle, of the date by which you can ensure that the SEIS program is operating consistent with the Regulations of the Commissioner of Education. Full approval will be granted based upon NYSED's verification that Helping Hands Consultation Services, Inc. is serving a minimum of 16 students in its SEIS program.

As a result of this reapproval, your agency must abide by all applicable laws and regulations and implement the program as approved. Please note that prior to implementing any changes to your agency's program model you are required to submit a Modification Request Application, found at http://www.p12.nysed.gov/specialed/applications/preschool-home.html, and must receive written approval from this Office before making any program modifications.

If you have any questions about the information contained in this letter, please contact Julia Nagle, Regional Associate in the Special Education Quality Assurance (SEQA) Long Island Regional Office, at (631) 952-3352, or Elina Tsenter, Associate in the Preschool Policy Unit, at (518) 473-6108.

James P. DeLorenzo

As you know, recently adopted County disclosure laws and policies now require, as a general matter, that all contract packages must include the following disclosure forms:

(i) Business History and Principal Questionnaire Forms;
(ii) Consultant's, Contractor's and Vendor's Disclosure Form;
(iii) Political Campaign Contribution Disclosure Form; and
(iv) Lobbyist Registration and Disclosure Form (if a lobbyist is utilized).

I now write to notify you that the Legislature insists that the forms must be completed in their entirety (no blanks) and all questions must be responded to appropriately. The most common errors have emerged in the responses to question 17 of the Business History Form and question 7 of the Consultant's Contractor's and Vendor's Disclosure Form. These errors are addressed below.

Regarding question 17 of the Business History Form, "not applicable" or "N/A" is not an acceptable response. If no conflict of interest exists, the individual or entity completing the form must affirmatively state "no conflict exists" in section (a) (i-iii). In section (b), the individual or entity must describe with particularity any procedures they have in place or would adopt in the future to ensure a conflict of interest does not arise or exist.

Regarding question 7(a) of the Consultant's Contractor's and Vendor's Disclosure Form, "not applicable" or "N/A" is not an acceptable response. If the individual or entity has not utilized the services of a lobbyist, the appropriate response is "no lobbyist utilized" or "none."

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Contract Summary

Description: Contract Amendment #1 to the Original Agreement between Nassau County and Milliman Inc.

Purpose: The Government Accounting Standards Board (GASB) was organized in 1984 to establish standards of financial accounting and reporting for state and local government entities. To accomplish its mission the GASB issues standards that improve the usefulness of financial reports. One such standard is Government Accounting Standard No. 45 titled" Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions." This standard was issued in June 2004. It required public agencies and entities to account for post-employment benefits other than pensions on an accrual basis, rather than a cash basis, which was formerly the case. That is, the cost of these benefits must be accounted for when the benefits are earned, not when the benefits are paid. These benefits are primarily health care benefits for retirees and their dependents. Nassau County is required by accounting standards to comply with GASB 45.

Method of Procurement:
In order to comply with the requirements of the GASB 45 standard, the County issued request for Proposal BU0928-1233 on October 3,2012, seeking a firm that could provide actuarial consulting services and meet these requirements. The RFP was designed to assist the County as a whole and certain related entities including the Nassau Interim Finance Authority, the Nassau Regional Off-Track Betting Corporation and the Nassau Health Care Corporation, in meeting these requirements. To evaluate the responses to the RFP, a committee was formed to review the responses. The committee consisted of individuals from the Office of Management and Budget. Three consulting firms responded to the RFP. These responses were reviewed by each member of the committee. The committee then met and discussed each of the responses that were received. The firms were then evaluated based on the criteria that were part of the RFP that was issued. Based on those criteria, a firm was selected pursuant to the RFP that was Issued.

Procurement History: Milliman has been providing actuarial services to Nassau County since 2012.

Description of General Provisions: The firm selected will provide the County with actuarial valuation services regarding the obligations of the County for Government Accounting Standards Board Standard No. 45. Namely the firm will provide a "roll-forward" valuation for 2012 and a "complete" valuation for 2013. The firm will develop the County's liability as required for GASB Statement No. 45 for 2012 and 2013 and related annual data. The firm will provide actuarial reports and certifications for each valuation and respond to standard auditor type requests.

Impact on Funding / Price Analysis: $80,927.

In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. MEMORANDUM

To: Tim Sullivan, Deputy County Executive for Finance

From: Robert Conroy, Deputy Budget Director

Subject: Proposed Personal Services Agreement with Milliman, Inc.
Actuarial Consulting Services in regards to the County's 2012 and 2013 GASB 45 OPEB Valuations (Post-Retirement Benefits other than Pensions)

Date: December 14, 2012

On October 3, 2012 the County issued a Request for Proposals (RFP) to provide actuarial consulting services to the County and certain related entities (Nassau Community College, Nassau Health Care Corporation, Nassau Regional Off-Track Betting Corporation and the Nassau Interim Finance Authority). The RFP was posted on the County's website and advertised in Newsday. Proposals were originally due on October 26, 2012 but due to a low response rate was extended to November 9, 2012.
The services to be provided will include, but not be limited to:

- Prepare Actuarial Valuations to comply with GASB 45 every two years and prepare estimates for intervening years
- Provide certification that the Valuation was conducted in accordance with GASB 45 standards
- Respond to any requests from the County's outside auditor
- Assist the County in responding to data requests from other government agencies and any other interested parties
- Attend meetings as requested to discuss GASB 45 and related issues

Proposals were received from the following firms: Milliman, Inc, The Segal Group, Inc and the Howard E. Nyhart Company, Inc.

An Evaluation Committee was formed to review the proposals. The Committee consisted of the following people from the Office of Management and Budget: Robert Conroy, Ann Hulka and Steven Conkling. The proposals were evaluated based on the following criteria:

- **Proposal Offeror's History and Service Background**

  This review will address the following questions:

  Does the proposal demonstrate a successful service history?
  Does the firm's organization and experience demonstrate the capacity to provide the services that are required?
  Has the firm performed successfully in the past on projects of similar size and scope?

- **Readiness to implement the Program**

  This refers to the amount of time required for the firm to begin providing the RFP services and should answer the following questions:

  Does the firm demonstrate the ability to provide RFP services immediately upon request or within the time frames established by the County?
  Does the firm demonstrate the ability to implement the project within reasonable time frames?
  Will subcontracts be needed?

- **Proposal Conciseness, Completeness and Clarity of Presentation**

  Under this criteria, the following questions would be addressed:

  Is the proposal concise in terms of it being marked by brevity of expression and statement and free from elaboration and superfluous detail?
  Does the proposal contain all elements identified in the RFP?
  Does the proposal clearly represent the firm's capabilities?

- **Cost of Overall Project**

  This considers whether the proposed charge is financially viable as well as cost effective. Viability means that the projected costs are sufficient to allow for adequate results to be achieved. Cost effectiveness means that the costs are sufficient to ensure adequate results without being inordinately expensive.

- **Adequacy of Program Design**

  This is a review of the proposal as a whole, paying particular attention to the firm's specific approach and plans for accomplishing the work in the RFP:

  What is the firm offering to do for the County and how does the firm plan to accomplish this?
  Are the tasks consistent with the purpose of the RFP?
  Does each of the tasks or activities support the performance of RFP services?
  Is the program design complete, consistent and feasible?

- **Other Factors**

  Any other information that would assist the County in the selection process.

  Does the firm offer any other information that would help the selection process?
  Does the firm's response make it different from other firms?
  Has the firm proposed approaches and cost containment measures not included in other areas of the RFP? Are they appropriate and/or reasonable?

Recommendation

Although the proposed fee from Milliman, Inc was higher than the other Proposer's (see chart below), the Committee felt that based on recent experience the County has had with Milliman, Milliman would be best suited to handle this engagement. This firm was called in on an emergency basis to provide the 2011 valuation and did so in an extremely expeditious and professional manner given the difficult circumstances at the time.

Contract Summary

Description: Contract Amendment #1 to the Original Agreement between Nassau County and Milliman Inc.

Purpose: The Government Accounting Standards Board (GASB) was organized in 1984 to establish standards of financial accounting and reporting for state and local government entities. To accomplish its mission the GASB issues standards that improve the usefulness of financial reports. One such standard is Government Accounting Standard No. 45 titled" Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions." This standard was issued in June 2004. It required public agencies and entities to account for post-employment benefits other than pensions on an accrual basis, rather than a cash basis, which was formerly the case. That is, the cost of these benefits must be accounted for when the benefits are earned, not when the benefits are paid. These benefits are primarily health care benefits for retirees and their dependents. Nassau County is required by accounting standards to comply with GASB 45.

Method of Procurement:
In order to comply with the requirements of the GASB 45 standard, the County issued request for Proposal BU0928-1233 on October 3,2012, seeking a firm that could provide actuarial consulting services and meet these requirements. The RFP was designed to assist the County as a whole and certain related entities including the Nassau Interim Finance Authority, the Nassau Regional Off-Track Betting Corporation and the Nassau Health Care Corporation, in meeting these requirements. To evaluate the responses to the RFP, a committee was formed to review the responses. The committee consisted of individuals from the Office of Management and Budget. Three consulting firms responded to the RFP. These responses were reviewed by each member of the committee. The committee then met and discussed each of the responses that were received. The firms were then evaluated based on the criteria that were part of the RFP that was issued. Based on those criteria, a firm was selected pursuant to the RFP that was Issued.

Procurement History: Milliman has been providing actuarial services to Nassau County since 2012.

Description of General Provisions: The firm selected will provide the County with actuarial valuation services regarding the obligations of the County for Government Accounting Standards Board Standard No. 45. Namely the firm will provide a "roll-forward" valuation for 2012 and a "complete" valuation for 2013. The firm will develop the County's liability as required for GASB Statement No. 45 for 2012 and 2013 and related annual data. The firm will provide actuarial reports and certifications for each valuation and respond to standard auditor type requests.

Impact on Funding / Price Analysis: $80,927.

Change in Contract from Prior Procurement: No change.

Recommendation: Approve as submitted.

Three proposals were received and evaluated. The evaluation committee consisted of Robert Conroy, Ann Hulka and Steven Conkling. The proposals were scored and ranked. As a result of the scoring and ranking (attached), the highest-ranking proposer was selected.

III. ☐ This is a renewal, extension or amendment of an existing contract.

B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

MEMORANDUM

To: Tim Sullivan, Deputy County Executive for Finance

From: Robert Conroy, Deputy Budget Director

Subject: Proposed Personal Services Agreement with Milliman, Inc.
Actuarial Consulting Services in regards to the County's 2012 and 2013 GASB 45 OPEB Valuations (Post-Retirement Benefits other than Pensions)

Date: December 14, 2012

On October 3, 2012 the County issued a Request for Proposals (RFP) to provide actuarial consulting services to the County and certain related entities (Nassau Community College, Nassau Health Care Corporation, Nassau Regional Off-Track Betting Corporation and the Nassau Interim Finance Authority). The RFP was posted on the County's website and advertised in Newsday. Proposals were originally due on October 26, 2012 but due to a low response rate was extended to November 9, 2012.
The services to be provided will include, but not be limited to:

- Prepare Actuarial Valuations to comply with GASB 45 every two years and prepare estimates for intervening years
- Provide certification that the Valuation was conducted in accordance with GASB 45 standards
- Respond to any requests from the County's outside auditor
- Assist the County in responding to data requests from other government agencies and any other interested parties
- Attend meetings as requested to discuss GASB 45 and related issues

Proposals were received from the following firms: Milliman, Inc, The Segal Group, Inc and the Howard B. Nyhart Company, Inc.

An Evaluation Committee was formed to review the proposals. The Committee consisted of the following people from the Office of Management and Budget: Robert Conroy, Ann Hulka and Steven Conkling. The proposals were evaluated based on the following criteria:

- **Proposal Offeror's History and Service Background**

  This review will address the following questions:

  Does the proposal demonstrate a successful service history?
  Does the firm's organization and experience demonstrate the capacity to provide the services that are required?
  Has the firm performed successfully in the past on projects of similar size and scope?

- **Readiness to implement the Program**

  This refers to the amount of time required for the firm to begin providing the RFP services and should answer the following questions:

  Does the firm demonstrate the ability to provide RFP services immediately upon request or within the time frames established by the County?
  Does the firm demonstrate the ability to implement the project within reasonable time frames?
  Will subcontracts be needed?

- **Proposal Conciseness, Completeness and Clarity of Presentation**

  Under this criteria, the following questions would be addressed:

  Is the proposal concise in terms of it being marked by brevity of expression and statement and free from elaboration and superfluous detail?
  Does the proposal contain all elements identified in the RFP?
  Does the proposal clearly represent the firm's capabilities?

- **Cost of Overall Project**

  This considers whether the proposed charge is financially viable as well as cost effective. Viability means that the projected costs are sufficient to allow for adequate results to be achieved. Cost effectiveness means that the costs are sufficient to ensure adequate results without being inordinately expensive.

- **Adequacy of Program Design**

  This is a review of the proposal as a whole, paying particular attention to the firm's specific approach and plans for accomplishing the work in the RFP:

  What is the firm offering to do for the County and how does the firm plan to accomplish this?
  Are the tasks consistent with the purpose of the RFP?
  Does each of the tasks or activities support the performance of RFP services?
  Is the program design complete, consistent and feasible?

- **Other Factors**

  Any other information that would assist the County in the selection process.

  Does the firm offer any other information that would help the selection process?
  Does the firm's response make it different from other firms?
  Has the firm proposed approaches and cost containment measures not included in other areas of the RFP? Are they appropriate and/or reasonable?

Recommendation

Although the proposed fee from Milliman, Inc was higher than the other Proposer's (see chart below), the Committee felt that based on recent experience the County has had with Milliman, Milliman would be best suited to handle this engagement. This firm was called in on an emergency basis to provide the 2011 valuation and did so in an extremely expeditious and professional manner given the difficult circumstances at the time.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on December 1, 2012 and shall terminate on November 30, 2014, unless sooner terminated in accordance with the provisions of this Agreement; provided, however, the County may renew this Agreement under the same terms and conditions for two (2) additional two (2) year periods.

The

The provisions of this Section shall control over any inconsistent provisions in any appendix or exhibit to this Agreement.

(b) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the Contractor in arrears and shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance With Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of

interest, human rights, a living wage, and disclosure of information, in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Protected Information. The Contractor acknowledges and agrees that all records, information, and data ("Information") that the Contractor acquires in connection with performance under this Agreement shall be confidential, held in confidence, and used solely for the purpose of performing services to or on behalf of the County. The Contractor shall, and shall cause Contractor Agents to, safeguard such Information and not disclose it to third parties except (i) as permitted under this Agreement, (ii) with the written consent of the County (and then only to the extent of the consent), or (iii) upon legal compulsion. In the event that legal process is effectuated, the Contractor shall, if legally permissible, promptly notify the County so that the County may take such action as it deems appropriate. The confidentiality obligations of the Contractor set forth above shall not apply to any information of the County which: (i) was in the

public domain at the time of the County's communication thereof to the Contractor; (ii) enters the public domain through no breach of this provision subsequent to the time of the County's communication thereof to the Contractor; (iii) was in the Contractor's possession free of any obligation of confidentiality at the time of the County's communication thereof to the Contractor; or (iv) is developed by the Contractor completely independent from the information of the County. For clarity, these exceptions are not intended to apply to information of the County that is provided to Milliman by a third party which Milliman knows or should reasonably know to be confidential.

(e) The provisions of this Section shall survive termination of this Agreement.

7. Ownership of Records. All County Information provided to the Contractor by the County shall remain the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information shall be returned to the County, provided that the Contractor may maintain one copy of any County Information in order to comply with applicable work product documentation standards, subject to the confidentiality obligations contained in section 6(d) above.

8. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver services under this Agreement in a professional manner consistent with applicable professional standards of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. Indemnification; Defense; Cooperation. (a) Subject to the Limitation of Liability contained in Section 10, below, the Contractor shall be solely responsible for and shall indemnify, defend and hold harmless the County, its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, reasonable attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County. The provisions of this Section shall survive the termination of this Agreement.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any

judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

10. Limitation of Liability. Contractor will perform all services in accordance with applicable professional standards. The parties agree that any liability of Contractor, its officers, directors, agents and employees, to the County for services rendered under this Agreement, under any theory of law including negligence, tort, breach of contract or otherwise shall be limited to one million dollars ($1,000,000). In no event shall Contractor be liable for lost profits of County or any other type of incidental or consequential damages. The foregoing limitations shall not apply in the event of the intentional fraud or willful misconduct of Contractor.

11. No Third Party Distribution. Contractor's work is prepared solely for the use of County in connection with the audit of its annual financial statements. Contractor's work may not be provided to third parties, other than Deloitte and Touche, or as required by law, without Contractor's prior written consent, not to be unreasonably withheld or delayed. Contractor does not intend to benefit any third party recipient of its work product, even if Contractor consents to the release of its work product to such third party. For the avoidance of doubt, this Section 11 is not intended to restrict the County from sharing information generated by Milliman under this Agreement with third parties for its own municipal needs, provided that the County does not forward Milliman's complete work product and does not attribute the information shared to Milliman.

12. Dispute Resolution. In the event of any dispute arising out of or relating to the engagement of the Contractor by the County, the parties will attempt in good faith to resolve such dispute within thirty (30) days after receipt of such notice by negotiations between senior executives/officials of the parties who have settlement authority. If the dispute has not been resolved within such thirty day period, the dispute will be resolved by final and binding arbitration under the Commercial Arbitration Rules of the American Arbitration Association, at the sole cost of the Contractor. The arbitration shall take place in Nassau County, New York before a panel of three arbitrators. Within 30 days of the commencement of the arbitration, each party shall designate in writing a single neutral and independent arbitrator. The two arbitrators designated by the parties shall then select a third arbitrator. The arbitrators shall have a background in either insurance, actuarial science or law. The arbitrators shall have authority to permit limited discovery, including depositions, prior to the arbitration hearing, and such discovery shall be conducted consistent with the Federal Rules of Civil Procedure. The arbitrators shall have no power or authority to award punitive or exemplary damages. The Contractor shall bear the total cost of the arbitration.

13. Insurance. (a) The Contractor and its Agents shall obtain and maintain throughout the term of this Agreement, in a form acceptable to the County and at the Contractor's own expense: (i) one or more policies for commercial general liability insurance, which policy(ies)

shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars ($1,000,000) per claim and two million dollars ($2,000,000) aggregate coverage,, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars ($1,000,000) per claim , (iii) compensation insurance for the benefit of the Contractor's employees, which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County; and (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

14. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

15. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the

County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By The Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

16. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

17. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

18. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

19. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

20. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

21. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this

Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, that provision will be deemed to be restated to reflect as nearly as possible the original intent of the parties in accordance with applicable law and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

22. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

23. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Two Hundred Sixty-Six Dollars ($266.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

24. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

25. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a

list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

RE: ADDITIONAL INFORMATION FOR RFP NUMBER 0112-1602

Dear Ms. Landau,

As per your email of December 2, 2016, below please find the requested information:

1. Principal Questionnaire Form for Jared P. Turman – As to Question 3 therein, Jared P. Turman, Esq. has NO equity interest in Capital Resource Management, Inc. Attached to reflect this fact, please find a newly-executed "Consultant's, Contractor's and Vendor's Disclosure Form" for The Law Offices of Jared P. Turman, PLLC and "Principal Questionnaire Form" for Jared P. Turman.

2. Business History Form for Capital Resource Management, Inc. (CRM) – As to Question 6 therein, it was our intention to place our "X" next to "Corporation." CRM is a Corporation.

3. Business History Form for CRM – As to Item C on the Business History Form, below please find some relevant excerpts that speak to our capacity and reliability to perform the collection of emergency ambulance billings for Nassau County.

   Company Background

   CRM has been in existence for almost six years and currently manages more than three dozen of its own proprietary credit, collection and legal run plans for over 2,000 accounts totaling approximately $7,000,000 under current in-house management for a varied portfolio of diversified clients, ranging from local business owners to large healthcare practices to interstate energy companies. CRM operates in tandem with its sister law firm to perform debtor contacts, skip tracing, asset searches, credit reporting, account litigation, judgment enforcement and post-judgment legal action.

   Since CRM submitted its original vendor response to Nassau County, it has been accepted and named as a member agency to both ACA International and the New York State Collectors Association. As a qualified member agency of these organizations, CRM has demonstrated an impeccable compliance record and an ability to work collaboratively with both individual and large corporate clients. In this regard, many of CRM's clients are engaged in the medical sector and, as such, share with CRM on a regular basis information containing PHI. The use, governance and protection of such information is

OFFICE OF THE COUNTY CLERK
NASSAU COUNTY
RECEIVED

central to CRM's database and operations and is entirely relevant to its future collection of Nassau County emergency ambulance billings. We have developed a policy of strict adherence to privacy and security laws, such as HIPAA and the HITECH Act; a 256-bit Secure Sockets Layer encryption for all information and data uploaded through our website; encrypted email; physical locked security location(s) for our servers and 24-7 video monitoring with motion detection and night vision; multiple-password entry protection for all network access; daily-updated server with redundant hard drives and enterprise-level anti-virus, malware and firewall protection; and restrictions on the use of removable media. Additionally, our employees are required to sign confidentiality agreements at the commencement of their employment and no account is accepted with information or data that includes PHI without a duly-executed BAA on file with both parties. Additionally, we maintain a comprehensive manual that sets forth CRM's "Red Flag" Identity Theft Program that consists of Red Flag Identification, Red Flag Detection and Prevention and Mitigation of Identity Theft.

Furthermore, we provide our clients with a secure encrypted document upload portal that can be accessed 24/7 so that assigned accounts can be safely transmitted. We are also equipped to handle large CSV data files. We do not batch print, subcontract to offshore vendors of any kind or use autodialers in any capacity. Each account is reviewed and verified by a manager before the first contact is made or sent out. We are different in that we believe in individual internal reviews and protocols, as opposed to large-scale automation. This level of attention requires additional time upfront but ultimately results in cleaner accounts, better success rates and less exposure and potential liability under the current debt collection, federal credit reporting and billing statutes, including, but limited to, the FDCPA, FCRA, FCBA and TCPA.

Breadth of Medical Collection Capabilities

Upon receipt of emergency ambulance billing accounts from Nassau County's billing vendor, CRM would group them according to a proprietary matrix of characteristics that includes the applicable statute of limitations; dollar value; debtor characteristics and location; eligibility for credit bureau reporting; and documentation establishing the debt. Based on this analysis, group accounts would be assigned pre-set or customized "run plans" that delineate the exact collection plan for the specific grouping. A specific run plan would exist for accounts wherein insurance proceeds have been kept by the patient-debtor.

It is a standard practice of CRM's account managers to flag accounts that are aging out for suit as either Fast-Track collections or straight-to-legal so as not to run afoul of the applicable statute of limitations. Additionally, for medical-related health claims that were processed as out-of-network or for which the patient was self-pay, CRM has the capability to negotiate single case agreements with the various health plans based on the FAIR Health database as well as historical reimbursements. If needed and requested, we are equipped to handle the filing of insurance appeals and/the preparation, filing and management of New York State governed IDRs in respect of said claims, as requested and applicable. In this regard, I personally maintain an account with the New York State Department of Financial Services through which I handle IDR administration. The ability to perform this breadth of medical collection services is a clear distinction between CRM and its fellow collection agencies and law firms, most of which have never handled the full gamut of medical collections that involve complex FAIR Health-based insurance negotiations or high-value IDRs.

Payment Plans / Judgments by Stipulation / Judgments by Confession

Payment plan settlement agreements are an important modality for collection success in CRM's paradigm, particularly with respect to medical debt such as emergency ambulance billings. If a patient-debtor has verified financial constraints that limit his/her ability to make full payment all at once, we not only readily entertain offers of settlement by payout but also affirmatively offer such payment plans in debtor contacts. It is important to note that, prior to said settlements, validation of employment and income is requested and collected to supplement the information we gather internally from the credit bureau. Moreover, we provide a page on our website where a debtor can affirmatively send us a written request for a payment plan with a requested interval of payment. Upon receipt of such a request, if acceptable based on the information presented and verified, we send out to the debtor who made said request a settlement agreement that memorializes the agreed-upon payment plan.

All payments are tracked in our computer system and delinquent notices are regularly sent out prior to the cancellation of a settlement agreement. Payment coupons are also provided upon request as are automatic payment options by ACH/e-Check or credit/debit card. Our theory is that so long as a debtor is paying down their account in good faith, we aim to work with them so that our clients, such as Nassau County, get paid and the debtor's credit profile can be preserved.

Another very effective and efficient avenue of settlement is post-suit settlement agreements. We have instituted a policy on all legal accounts that any settlement agreement with a defined payment plan that is entered into after commencement of a lawsuit shall include a mechanic for the entry of a Judgment by Stipulation should an uncured default on any single payment occur. Moreover, Confessions of Judgment are also used in larger and more complex pre-suit settlements. These types of settlements are favored by us because they tighten the payment guarantees while at the same time providing for a cost-effective and certain means by which to obtain a judgment for our creditor-client upon a default.

And, finally, in terms of due diligence prior to entry of any payment plan, because we are a credit information furnisher, CRM is able to run TLO and bureau reports to regularly check the employment and credit history of a debtor. With this said, it is worth noting that we routinely discount these results in the context of payment plans since we have found that the more an individual debtor feels they had a cooperative say in reaching the terms of a structured settlement, the more likely they are to adhere to said terms. In our experience, this finding has held steady across income levels and, thus, we maintain that our goal of engendering cooperation and good-will in working with a debtor only serves to increase the odds of successful completion of a payment plan agreement.

Fico Score 9 and Medical Debt

FICO Score 9 is a current factor that should always be considered in the medical collections context. As such, we intentionally integrate it into our collection methodology. While most agencies reflexively view FICO Score 9 as a negative pro-debtor industry change, we believe FICO Score 9 is a clear net-positive and, as such, we effectively use it to incentivize amicable settlements of medical debt accounts. We regularly challenge potential clients to pointedly ask the agencies they currently work with about how they view and use FICO Score 9. The answers, or lack thereof, help highlight and drive home how CRM thinks creatively and offers a novel and nuanced approach in an industry that is bloated with large, automated agencies and offshore vendors that rarely stop and reassess their applied collection methodologies.

Internal Procedures

CRM maintains a comprehensive Operating Policies and Procedures manual that sets forth in detail CRM's compliance measures and regulatory adherence to laws including the FDCPA, FCRA, EFTA, FCBA, ECOA, TCPA and UDAAP. Furthermore, as part of our bid submission to Nassau County, we included a copy of our (a) Quality Control Plan and Corporate Philosophy as well as (b) a customized Conflict of Interest Policy specific to Nassau County and this RFP TR0112-1602.

4. Business History Form for CRM – As to Item A on the Business History Form, below please find some relevant excerpts that speak to my professional qualifications, CRM's ability and experience with medical debt as well as a sampling of CRM's clients and our respective collection success rates achieved to date.

My Professional Qualifications

Prior to forming CRM, I served as in-house counsel for a major surgical practice group on Long Island and continue to handle all aspects of the practice's legal, billing, management and compliance needs. Drawing on my background as a corporate attorney with the law firm of Simpson Thacher & Bartlett LLP, as well as my experience as a business and legal affairs director for the Fox Cable Networks Group, I formed CRM in 2011 to be a closely-held firm modeled by design as a strategic collections partner for clients looking for a long-term sustainable relationship with a company that could serve all of their collection needs in a highly personalized and professional manner. Vetted co-counsel relationships were formed to maintain the intimacy of the receivables management and consulting aspect of CRM while creating the bandwidth necessary to service all of the collection needs, including legal and post-judgment enforcement services, of CRM's growing clientele.

I received my Juris Doctorate, *Magna Cum Laude* and *Order of the Coif*, from New York University School of Law and my Bachelor of Science, *Summa Cum Laude*, from Cornell University. I also completed a post-doctorate fellowship at the Center on Environmental and Land Use Law at New York University School of Law where I worked with renowned faculty, including former New York University School of Law Dean Richard Revesz, on a variety of environmental economic and regulatory law matters. During my time as a fellow, I wrote and spoke extensively on the impact of data manipulation in the government regulatory arena (*for, e.g.*, see 34 *Environmental Law Reporter* 10954 (2004)).

Healthcare Collections Relevant to Nassau County Emergency Ambulance Billings

CRM is uniquely qualified for healthcare collections due to my extensive healthcare law and practice management experience. As mentioned above, for the last nine years, I have served as in-house counsel to a large private surgical practice. From its inception, I incorporated the practice and negotiated individual physician buyouts from a centralized medical practice in Westchester. I maintain legal and managerial oversight of all corporate, legal, billing, management and compliance aspects of the practice. Moreover, as an entity, CRM handles large medical debt portfolios for healthcare clients, including dialysis centers, private plastic surgical groups, home healthcare agencies and multi-disciplinary medical wellness groups that employ orthopedists, physical therapists, interventional pain management and physiatric physicians, chiropractors and acupuncturists. The services provided are dictated by the account types – age, out-of-network vs in-network status and processing, pre- vs post-appeal, IDR eligibility, elective vs emergency services, patient-issued remittance checks, etc. – and are communicated to the client as the recommended course of action. Medical debt accounts, more so than breach of contract or account stated accounts, require a nuanced approach due to the complexity of the healthcare field and laws, especially in New York. Any agency that does not employ or subcontract an attorney fluent in New York healthcare laws and regulations will likely fail to effectively issue spot and identify the correct manner in which to handle medical accounts.

CRM's experience with healthcare accounts has led to our unique paradigm that dictates how we treat such accounts upon assignment. For example, a hypothetical portfolio of 1,000 healthcare accounts would be handled as follows:

a. Data input and notation of prominent factors such as age of debt, network status of provider and specific debt characteristics, such as in-network cost sharing obligations (co-pay, co-insurance, deductible) or balance bills inclusive of the uninsured.
b. For any accounts that are (a) aging out of the applicable statute of limitations and (b) papered with sufficient documentation to support a legal suit, collection is bypassed and suit authorizations are sent to the client.
c. Run plans are assigned to each account and first-batch letters with all of the requisite Federal and New York State-specific disclosures are mailed out on each account.
d. During the 30-day dispute period, no calls are placed unless in return and time is spent skip tracing each debtor to determine qualification for credit reporting. Any account data that is not confirmed through Accurint and/or TLO is flagged for confirmation with the client.
e. Depending on the account size and debt characteristics, a certain percentage will settle outright; a certain percentage will result in the setting up of payment plans; a certain percentage will remain with no response; and a certain percentage will require dispute verification. Typically, 5-8% of well-documented and fresh first-party accounts will settle at this stage prior to any further action.
f. Second letters are issued along with select manual calls to those accounts where data and demographics support payment and settlement. Pre-notice is given prior to credit reporting on qualified accounts to provide ample time for settlement. Any accounts for which skip tracing shows bankruptcy, death or false id are returned to the client with explanation as are accounts for which dispute validation could not be sufficiently provided by the client.
g. Any qualified accounts not settled at this point in the collection cycle are credit reported with third letters issued.

h. Depending on the account size and debtor characteristics, an additional batch will be sent to the client with suit authorizations. Location and size will determine the attorney in our network who is assigned the various accounts. CRM's run plans include legal stages and report requests to assure attorney accountability. For example, upon placement of a legal suit, CRM requests that Summons and Complaints be forwarded to us for execution within fourteen days; that service be effectuated within thirty days of return of the executed Summons and Complaint; and that filing for defaults be done within sixty days if no answer was filed or settlement was reached.

i. Pre-suit collection averages range from 15-22% of well-documented and fresh first-party accounts.

j. Suits are commenced and proceed to trial or default judgment based upon debtor response or lack thereof. On average, for healthcare accounts, post-service settlements range from 20-50%.

k. Post-judgment enforcement is an integral and final piece of our collection cycle and my partner law firm as well CRM's network of firms specialize in the effectuation of financial restraints and wage garnishments.

l. During the collection process, accounts are constantly pulled based on incoming information for various actions, including, but not limited to, health plan appeals, health plan LOA negotiations and, where applicable, IDRs. CRM is fluent and equipped to handle all of these healthcare-specific settlement actions.

Client Examples

To date, CRM has collected over $1,400,000 for our clients with an average overall collection success rate exceeding 20%. A sampling of five recent CRM client contracts are:

a. Nassau Dialysis - $925,000 placed in collections since January 2015 with $109,000 recovered to date (pending suits are in litigation), thereby representing a 12% current collection success rate.[1]

b. Marathon Energy Corporation and Marathon Power LLC - $712,000 placed in collections with $329,000 recovered to date (pending suits are in litigation), thereby representing a 46% current collection success rate.

c. Advanced Plastic Surgery of Long Island PLLC - $1,600,000 placed in collections with $582,000 recovered to date (pending suits are in litigation), thereby representing a 36% current collection success rate.

d. Better Home Health Care Agency, Inc. - $37,000 initial placement into collections with $31,000 recovered to date (pending suits are in litigation), thereby representing an 82% current collection success rate.

e. SMG Mediquip LLC - $260,000 placed in collections with $50,000 recovered to date, thereby representing a 19% current collection success rate. It is noteworthy that this client's accounts are not qualified for credit reporting and, in addition, this client has chosen to not engage in any legal action of any kind. Thus, this rate of collection is based on purely pre-legal contact collection efforts.

[1] It is important to note that a substantial percentage of the debtors responsible for the delinquent accounts held by this creditor-client were found to be deceased through CRM's skip tracing. As such, those accounts placed were deemed uncollectable and, as a result, lowered the overall collection success rate.

Contract Summary

Description: Three-year contract for debt collection services; emergency ambulance billings only.
Purpose: Capital Resource Management, Inc. ("CRM") was selected to be the County's vendor for debt collection services for emergency ambulance billings.
Method of Procurement: A Request for Proposals ("RFP") was published in *Newsday* and posted on the County website. RFP # TR0112-1602.
Procurement History: This is a new contract that was awarded after a formal RFP process. Three contractors were granted the opportunity to make presentations to the Selection Committee. The Selection Committee evaluated and scored the three contractors and determined that CRM best met the selection criteria of the RFP, concerning collection of emergency ambulance billings. The Selection Committee also reviewed a Best and Final Offer ("BAFO") submitted by two of the contractors; the third contractor did not respond to our BAFO request.
Description of General Provisions: The services to be provided under this Agreement by the Contractor and the attorney selected by it and approved by the County Attorney shall consist of debt collection services and litigation services associated therewith relating to the collection of emergency ambulance billings. Specifically, the collection of debts and receivables and litigation of claims and judgments (collectively referred to as "Cases") and related services, including but not limited to skip tracing and asset location. Cases referred to the Contractor shall include, without limitation, claims for the non-payment of the collection of emergency ambulance billings.
Impact on Funding / Price Analysis: Payment is on a contingency basis. The amount to be paid to the contractor as full consideration of the contractor's services under this Agreement shall be twenty-three percent (23%) of the gross amount collected by contractor on consumer / commercial claims referred by the County; and (ii) twenty-three Percent (23%) of the gross amount recovered by the contractor on secondary placement claims referred by the County; (iii) twenty-four percent (24%) of the gross amount collected plus enforcement costs for judgment enforcement claims referred by the County; and (iv) twenty-seven percent (27%) of the gross amount collected plus suit costs for legal / litigation claims.
Change in Contract from Prior Procurement: New contract.

CONFLICT OF INTEREST POLICY

All of us at Capital Resource Management, Inc. (CRM) are committed to quality representation of our clients.

Pursuant to the Contract between Nassau County, New York (County) and CRM for the collection of emergency ambulance billings (the "Contract"), it is understood that potential conflict of interest issues may arise in the context of our performance of the deliverables set forth in the Contract. To address any such interest issues, CRM shall implement the following policy and procedures both on a global and case-by-case basis.

CRM shall send the County written notice of any substantive changes made to this policy during the duration of the Contract.

1 IDENTIFICATION OF THE PARTIES

1.1 WHO IS A CLIENT?

A. For purposes of this Conflict of Interest Policy, a "Client" (other than the County) shall be deemed to be any party that (1) is defined as a client and is active in CRM's database of clients and (2) has any account(s) in CRM's database that are tagged as "Active," inclusive of accounts for which no legal activity has been authorized but that are maintained by CRM as an active trade line with a national credit reporting agency.

1.2 WHO IS AN EMPLOYEE?

A. For purposes of this Conflict of Interest Policy, an "Employee" shall be deemed to be any individual that performs work of any kind for CRM and is on CRM's payroll, whether as a part-time or full-time status employee.

2 DETERMINATION OF WHETHER A CONFLICT OF INTEREST EXISTS

2.1 TYPES OF INTERESTS

A. CRM shall determine whether any County elected official or any person related to any County elected official, is an employee, director, officer or has any financial interest, direct or indirect, in CRM or has received or will receive any financial benefit, directly or indirectly, from CRM's performance of the Contract.

B. CRM shall determine whether any existing or future Employee has any of the following relationship(s) with the County and/or any County elected official:
   1. Financial, whether direct or indirect, with full description and disclosure;
   2. Personal (non-familial) with full name(s) and identifiers of any such relationship(s); and
   3. Familial with full name(s) and identifiers of any such relationship(s).[1]

[1] For purposes of this Conflict of Interest Policy, a "familial relationship" shall include a spouse, domestic partner, child, parent or sibling.

C. CRM shall determine if any of its existing Clients have any "Active" account(s) or potential assigned account(s) for which an Account Assignment Form has been submitted to CRM whereon the County is listed as a debtor, co-signor or co-obligor of any kind.
D. CRM shall determine if any of the County accounts assigned pursuant to the Contract lists an existing Client of CRM's as a debtor, co-signor or co-obligor of any kind thereon.

2.2 Method of Determination

A. CRM shall collect the following information from its Employees on an annual basis:
   1. Full name(s) (*i.e.*, maiden, marital, etc.), address(es); contact number(s) and SSN;
   2. Whether the Employee or any direct family member of said Employee is also an employee of the County; and
   3. Whether the Employee or any direct family member of said Employee receives any money of any kind from the County, whether through a related entity or otherwise.
B. CRM shall affirmatively obligate its Employees to inform them in writing as to any change(s) in their most-recently provided answers to the questions posed to him/her pursuant to Section 2.2A. hereinabove.
C. CRM shall:
   1. Run a system-wide check prior to assignment of the first County account to ascertain whether the County is listed as a responsible party on any "Active" account(s); and
   2. Determine on a prospective basis if any assigned account(s) for which an Account Assignment Form has been submitted, but which has not yet been accepted and worked by CRM, has the County listed thereon as a debtor, co-signor or co-obligor of any kind.
D. CRM shall run a system-wide check upon the assignment of any County account to ascertain whether an existing CRM Client is listed as a responsible party for that account.

3 Action Following Determination of a Conflict

3.1 CRM's Written Notice and Disclosure to the County

A. Within one business day following the identification of any relevant interest(s) as set forth in Section 2.1 hereinabove, a CRM officer or manager shall contact the County in writing wherein the details of said interest(s) is/are disclosed.
B. Within three business days following the initial written disclosure, a CRM officer or manager shall contact the County's point of contact by telephone to ensure receipt of the written notice of disclosure.
C. Follow-up and/or written notification(s) shall be performed as needed to ensure compliance with this Conflict of Interest Policy.

3.2 Suspension of Employee Activity

A. If CRM shall determine that an applicant for employment has a financial, personal and/or familial relationship(s) with the County and/or any County elected official, said applicant shall not be hired by CRM unless and until CRM shall have obtained informed, written consent by the County.

1. If the County consents to the hire, it is understood that such consent shall be predicated upon said applicant for employment not having access to account information of any kind that is covered under the Contract for the duration of the applicant's employment, whether as full-time or part-time status, with CRM.
2. If the County does not consent in writing to the hire, said applicant shall not be offered employment, whether as full-time or part-time status, with CRM during the duration of the Contract.

B. If CRM shall determine prior to or at any time during the duration of the Contract that an existing Employee has a financial, personal and/or familial relationship(s) with the County and/or any County elected official, any rights of the Employee to access or see any account information of any kind that is covered under the Contract shall be immediately revoked – and no new rights shall be granted – unless and until CRM shall have obtained informed, written consent by the County.

3.3 Automatic Closure or Rejection of an Account

A. Pursuant to its system-wide check, if CRM shall determine that the County is listed as a responsible party on any "Active" account(s), CRM shall notify the Client listed on said account(s) that CRM is closing said account and shall return it to its respective Client.

B. Following the Effective Date of the Contract, if CRM shall receive an Account Assignment Form from any Client whereon the County is listed as a debtor, co-signor or co-obligor of any kind, CRM shall not accept such account for assignment.

3.4 Suspension of County Account Assignment

CONTRACT

THIS AGREEMENT, dated as the date of execution by the County (the "Effective Date") (together with the Addendum, schedules, appendices, attachments and exhibits, if any ("this Agreement" or "Agreement"), between (i) **COUNTY OF NASSAU**, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the Office of the Nassau County Treasurer, having its principal office at One West Street, Mineola, New York 11501 (the "Department" and "Treasurer") and (ii) **Capital Resource Management, Inc.**, a New York domestic business corporation, having its principal office at 2005 Merrick Road, Suite 116, Merrick, NY 11566 (the "Contractor").

W I T N E S S E T H:

WHEREAS, the County requires to retain a vendor to provide debt collection services relating to the collection of emergency ambulance billings; and

WHEREAS, the County issued Request for Proposals # TR0112-1602 on January 20, 2016 (the "RFP"); and

WHEREAS, the RFP sought proposals from qualified collection firms and agencies authorized to do business in the State of New York, to provide collection services, including without limitation the collection of debts and receivables and the litigation of claims and judgments, to various Nassau County departments; and

WHEREAS, the Contractor submitted a proposal in the response to the RFP dated February 10, 2016 (the "Proposal"); and

WHEREAS, the Proposal to provide debt collection services relating to the collection of emergency ambulance billings was found to be beneficial to the County; and

WHEREAS, the County partially awarded a contract to Contractor and selected Contractor to provide debt collection services relating to the collection of **Emergency Ambulance Billings** to the County in accordance with the Contractor's Proposal and forwarded Contractor a Notice of Intent to Award on or about April 26, 2016; and

WHEREAS, the County wishes to retain the Contractor to provide the services described in this Agreement to the County and the Contractor desires to provide such services;

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter; and

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on the Execution Date and continue for a period of three (3) years, unless terminated sooner in accordance with the provisions of this Agreement. Notwithstanding the foregoing, the County may, in its sole discretion, renew the term for two (2) additional one (1) year periods under the same terms and conditions for a total term of five (5) years.

2. Services. The services to be provided under this Agreement by the Contractor and the attorney selected by it and approved by the County Attorney shall consist of debt collection services and litigation services associated therewith relating to the collection of emergency ambulance billings as more fully described in Appendix A annexed hereto and hereby made a part hereof.

1.

3. Payment. (a) Amount of Consideration. The amount to be paid to the Contractor as full consideration for the Contractor's services (the "Services Fees") under this Agreement shall be: (i) Twenty-Three Percent (23%) of the gross amount collected by Contractor on consumer / commercial claims referred by the County; and (ii) Twenty Three Percent (23%) of the gross amount recovered by the Contractor on secondary placement claims referred by the County; (iii) Twenty-Four Percent (24%) of the gross amount collected plus enforcement costs for judgment enforcement claims referred by the County; and (iv) Twenty-Seven Percent (27%) of the gross amount collected plus suit costs for legal / litigation claims.

(b) Billing; Payment Procedure. The Contractor shall deposit an amount equal to all monies collected on the assigned Cases, as defined in Appendix A, into a County account in a depository designated by the County, in a format acceptable to the County, in the County's sole discretion, weekly on the Monday following the date of such collection; secure a receipted deposit slip from the depository; and immediately mail or deliver by hand the receipted deposit slip to the Office of the Nassau County Treasurer. A manual or electronic report in a format acceptable to the County containing the details of collections shall be forwarded to the County Treasurer by the tenth day of each month for all deposits made in the preceding month. In the event that the Contractor fails to deposit the monies collected as provided above, the Contractor shall be required to pay the County, upon demand, the actual interest that the County was unable to accrue (calculated at the rate of nine percent (9%) per annum) as a result of the delay in depositing the monies. In the event the Contractor fails to deliver the receipted deposit slip within two (2) working days after it is required to do so, the County may, after providing three (3) days written notice to Contractor, impose a liquidated damage of one hundred ($100.00) dollars for each day the Contractor fails to comply with its obligation to deliver a receipted deposit slip to the Treasurer after the written notice is received by the Contractor. The aforementioned interest and/or liquidated damages shall be paid within ten (10) business days after written notification by the County, or alternatively, may be deducted from any payments due the Contractor.

(c) Direct Payments to County. In the event that the County recalls a Case from the Contractor, any payment received by the County within thirty (30) days of such recall shall be treated as though the payment and monies recovered was collected by the Contractor prior to the recall, however this paragraph shall not apply to Cases recalled

based on the County's exercise of the right to terminate this agreement pursuant to section 11(a)(ii) herein. The County shall provide written notice to the Contractor of the recall of a Case.

(d) Reimbursement; Filing Fee Exemptions. The County shall reimburse the Contractor and/or its County-approved attorney for reasonable and necessary out-of-pocket disbursements actually incurred at cost without mark-up for process server fees, sheriff or marshal fees, court costs, or filing fees in its collection and litigation efforts under this Agreement. The aforementioned fees and costs shall be advanced by the Contractor. Actions and proceedings to collect on the claims of the County commenced in New York State Supreme Court within the County of Nassau are exempt from court fees and from certain County Clerk's fees. In the event the Contractor is informed that such exemptions do not apply, the Contractor must immediately notify and obtain written consent of the County before incurring such costs. If such exemptions do not apply and the Contractor has obtained written consent from the County, the Contractor shall be reimbursed for any such approved court and county clerk costs and fees. No other costs or expenses, including without limitation credit card service fees, will be reimbursed by the County. The County will not reimburse the Contractor for any costs incurred after a Case has been recalled.

(e) Vouchers; Voucher Review Approval and Audit. The Contractor shall bill the County for the Services Fees and reasonable out-of-pocket fees and disbursements (as described in subsection (d) above) on a monthly basis by submitting a claim voucher (the "Voucher") in the form attached hereto as Exhibit "B". The Voucher shall be addressed to the Office of the Nassau County Treasurer, 1 West Street, Mineola, NY, 11501, and must include a reference to Mr. Beaumont Jefferson, County Treasurer, or any other person designated by the County, as the contact person for the services and the Contractor's Tax Identification number. All payments made by the County to the Contractor shall be contingent upon and subject to review, approval and audit of the Voucher by the Office of the Nassau County Treasurer and/or the Nassau County Comptroller or his or her duly designated representative (the "Comptroller").

(f) Timing of Payment Claims. The Contractor shall submit Vouchers no later than three (3) months following the County's receipt of money that is the subject of a particular Case and no more frequently than once a month. Late Vouchers will be honored by the County upon appropriate notice and excusable neglect on the part of the Contractor.

(g) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(h) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent, subcontractor or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement, the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) On a yearly basis, Contractor shall provide the County with any material changes to its Certificate of Compliance, attached to this Agreement as Appendix L.

(c) Non-Disclosure. The Contractor acknowledges that it may be privy to sensitive and confidential information, records and data ("Information") acquired in connection with its performance under this Agreement. As such, the Contractor acknowledges and agrees that all Information (including without limitation Protected Health Information as described in the Addendum) acquired in connection with its performance under this Agreement shall be strictly confidential, held in the strictest confidence, and used solely for the purpose of performing services to or on behalf of the County and the Contractor. The Contractor shall, and shall cause Contractor Agents to, safeguard such Information and not disclose it to third parties except (i) as permitted under this Agreement, (ii) with the prior written consent of the County (and then only to the extent of the consent), or (iii) upon legal compulsion. The Contractor acknowledges that breach of the Non-Disclosure provisions of this Agreement may give rise to irreparable injury that may not adequately be compensable in damages or at law. Accordingly, Contractor agrees that injunctive relief may be an appropriate remedy in addition to any other remedies that may lie in equity or at law. The provisions of this paragraph shall survive the termination of this Agreement.

(d) Records Access. The parties acknowledge and agree that all Information acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Section 87 of the New York State Public Officer's Law. (c) The Contractor shall ensure that any law firm to which it subcontracts to provide litigation services under this Agreement maintains professional liability insurance in accordance with Section 9 hereunder and any attorney assigned to handle County cases is in good standing with the Bar of the State of New York. Such law firm shall provide services in accordance with the best practices of the legal profession and in accordance with the Code of Professional Responsibility.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses and damages (including, without limitation, attorneys' fees and disbursements) ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligent acts or omissions of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than five million dollars ($5,000,000) per claim; (iii) workers' compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor or any approved subcontractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County and (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement, including, but without limitation, any attorney hired by the Contractor in connection with this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the County. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under any insurance required hereunder, the Contractor shall provide written notice to the County of the same and deliver to the County renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this Agreement void and of no effect. 10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor,

and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a material breach of this Agreement which is not cured by Contractor within seven (7) days after written notification from the County; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the County, at least ninety (90) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the County shall be given to the Deputy County Executive who oversees the administration of the Office of the County Treasurer (the "Applicable DCE").

(c) In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the County, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the County Treasurer and (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance with this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Cases referred to the Contractor shall include, without limitation, claims for the non-payment of: (i) the collection of emergency ambulance billings (ii) other fees and debts owed to various County departments and agencies. The Contractor will rely completely on the County to provide correct information about each Case(s) and, specifically, about any dollar amount in question. The County will promptly update and correct any information it has provided to the Contractor. In particular, the County will promptly notify the Contractor of any payment or other satisfaction of indebtedness made directly to the County or any other action affecting the amount or timing of monies owed by any debtor to the County, including notification of any debtor's retention of counsel or the filing of bankruptcy by any debtor.

2. The Contractor shall use maximum, diligent and timely efforts to attempt to effect collection.

3. All the Contractor's operations must be performed in accordance with the highest standard of legal ethics.

4. The Contractor shall comply strictly with any statute, act, law, ordinance, rule, regulation, guideline or code of conduct with respect to the collection of debts, communication with debtors and collection agency procedures, made or issued by any federal, state, city, county, town or village governmental agency in any jurisdiction or location in which any attempt to collect the debts described herein is made, including but not limited to the following: Fair Debt Collection Practices Act, 15 U.S.C. § 1692; New York State Judiciary Law Article 15, § 489; New York State General Business Law §§ 600 and 601; New York Executive Law § 63 subchapter 12.

5. All of the Contractor's employees assigned to perform work under this Agreement shall be closely directed and supervised by Contractor and shall strictly comply with all laws and regulations applicable to collection activities, and may not perform any function nor make any representation which lawfully may not, or professionally should not, be made by individuals who are not attorneys.

6. The Contractor shall assign matters requiring legal intervention to a law firm approved by the Nassau County Attorney ("County Attorney"), and that firm shall be responsible for the supervision and administration of the Contractor's performance of litigation services under this agreement and for the Contractor's coordination of its own efforts with those of the County.

7. In performing the services to be provided under this Agreement, the Contractor shall not represent that it is associated with, but may represent that it acts on behalf of, the County.

8. The Contractor may not contract out any work, including but not limited to litigation matters, without the prior express written permission of the County Attorney.

9. No Case shall be assigned to an attorney, or litigated in any way, unless the County Attorney approves such action, in the County's sole discretion, and the attorney to whom the Case shall be assigned.

B. ASSIGNMENT AND RECALL OF CASES TO/FROM THE CONTRACTOR:

1. The County will refer to the Contractor such Cases as it may in its sole discretion determine during the term of this Agreement. The County makes no representation as to the number of Cases that will be referred to the Contractor during the term of this Agreement. Referrals may be increased or decreased, without notice as the County deems appropriate. The County may attempt to make collections on Cases before they are referred to the Contractor.

2. The County may at any time, for any reason, recall any and all matters or Cases referred to the Contractor. The Contractor agrees to return to the County any and all matters recalled within 15 days of receipt of notice of any such recall. No Service Fees shall be due on any Case after it has been recalled by the County except for Service Fees earned on monies paid within thirty days of the recall and which were due to action undertaken by the Contractor prior to the County's notice to return the Case.

3. In any matter in which the interests of the County and any other client of the Contractor are, or may become adverse, the Contractor shall contact the County in writing, and provide an opinion as to the existence of, or potential for, conflict in the matter, and the Contractor's recommendation on how best to proceed.

C. COLLECTION, SKIP TRACING AND ASSET LOCATION EFFORTS

1. The Contractor shall provide skip tracing for the purpose of locating defendants and judgment debtors, and shall use skip tracing and other means available to skip trace each unverifiable or bad address, and shall document its skip tracing efforts.

2. Within a reasonable number of days of receipt of a Case, the Contractor shall mail a claim letter to each potential defendant with "address correction requested" noted on the envelope. The form of claim letter shall be subject to the review and approval of the County Attorney in his or her sole discretion. If mail cannot be delivered, the Contractor shall verify each potential defendant's name and residence address, skip tracing each in accordance with this Appendix A.

3. The Contractor's asset locating and judgment collection efforts shall include diligent and timely attempts to locate and verify each judgment debtor's address, place of employment and assets subject to attachment and execution.

D. LITIGATION SERVICES

1. All attorneys utilized by Contractor to perform services pursuant to this contract shall be members in good standing of the Bar of the State of New York.

2. The attorney shall be responsible for investigation of Cases where necessary, preparing and sending notices to debtors, drafting and serving a summons and complaint (properly verified where necessary), selecting, assuring the reliability of, and paying for the process server, providing sufficient supervision and review of the process server's actions to assure compliance with the requirements of law and to assure the validity of the affidavits of service and non-military service completed by the process

server, for commencing of and/or defending all necessary motions, unless notified to the contrary by the County, and for performing all the steps necessary in the litigation and collection of a Case, including but not limited to making maximum efforts to effect collections and following any County procedures for the settlement of a claim or judgment. The County reserves the right to direct the Contractor to instruct any attorney to discontinue use of particular process servers on Cases referred by the County effective immediately upon receipt of written notice from the County directing such discontinuation.

3. Prior to the service of any legal document by the Contractor or its attorneys acting on behalf of the County, one of the attorneys assigned by that firm shall review the particular file to determine that the criteria for legal action have been met, that the party to be served resides at the address appearing on the file, that the place of employment is verified, if necessary, and that all summonses and complaints, motions, notices, income executions, restraining notices, property executions, and all other pleadings and papers are served pursuant to law. Such attorney shall also review each legal document for its content, accuracy and lawfulness.

4. If requested by the Nassau County Attorney's Office (the "Office of the County Attorney") , litigation shall be commenced no later than six (6) months after assignment of a Case to the Contractor and shall be timely prosecuted. As agreed to by the attorney and directed by the County Attorney, attorneys shall pursue Cases, where appropriate, in all available state, federal, and local forums, including but not limited to Surrogate's Court and Bankruptcy Court.

5. Inquests shall be requested promptly after a default, where the inquest is necessary to obtain a judgment.

6. To the extent possible and as allowed by law, actions to collect judgments shall include, but are not limited to, service of income executions, property executions, restraining orders, initiation of supplementary proceedings, and where appropriate, other litigation efforts. Collection activities on judgments shall commence promptly, but no later than six months after entry of judgment.

E. ENTRY, RECORDING, AND SATISFACTION OF JUDGMENTS

1. County-approved attorneys shall cause all judgments to be entered, filed and docketed in the county where the action was brought, in the judgment debtor's county of residence, if within New York State, and in any county within New York State where the judgment debtor owns real property (as such fact becomes known), if not already so entered.

2. If a judgment has been satisfied, the County-approved attorney shall prepare a satisfaction of judgment within the time provided by law, shall file the original satisfaction with the court and shall send one copy to the judgment debtor, in accordance with applicable law.

3. The Contractor shall compute and collect interest on all judgments in accordance with applicable laws, regulations and rules, from the entry of each judgment.

F. FILES, REPORTS, AND PROCEDURES

1. The Contractor shall maintain a separate file for each referred Case. Files may be maintained electronically. Each file shall contain copies of all documents pertaining to the Case, copies of correspondence received from the responsible party, a record of all correspondence sent by the Contractor, and a record of all steps taken by the Contractor regarding the Case. All such files shall remain the property of the County. Separate records of the actions and activity occurring on all Cases that have been referred for legal action shall be maintained by the attorney's office and shall be preserved and available for inspection by the County

2. The Contractor shall maintain and utilize a computer system to track the status of all pending Cases both alphabetically and by agency of origin. The computer system shall generate the following reports which will be furnished to the County Treasurer, on a monthly basis, by the tenth working day following the month being reported: a status report for (i) pending claims and (ii) pending judgments, in alphabetical order by debtor, containing the following information: the County's claim number; the referring agency; the date of assignment to the Contractor; the date the claim accrued; the current status of each claim or judgment; the date of the last activity on each Case; a method of highlighting Cases in which no activity has occurred for two months; and totals for the number and amount of pending claims and judgments;

3. The reports described in paragraph F 2 of this Appendix A, and any other reports that may reasonably be required by the County, shall be available in both hard copy and electronically and furnished, in a format acceptable to the County, and are subject to criteria and standards to be established and set by the County. The Contractor will correct any errors in any

reports that are discovered by the Contractor or brought to the attention of the Contractor by the County. The County may, at its sole discretion, alter its reporting requirements, and the Contractor shall promptly comply with any such revised reporting requirements.

4. The Contractor shall advise the County of all of its collection procedures, and shall only employ those collection procedures explicitly approved by the County and authorized by law. The County reserves the right to require the Contractor to modify or change its procedures, and no procedure may be used by the Contractor which in the County's judgment is unfair, unethical, illegal or contrary to the best interest of the County.

5. Copies of all form "dunning" letters to be used by the Contractor shall be submitted to the County Attorney for approval prior to use.

6. The Contractor shall promptly report to the County Attorney any significant or potentially significant issue of law or fact which may arise in the course of collection of a Case. If the County Attorney agrees that a significant issue of law or fact is presented, the Case, in the sole discretion of the County Attorney, may either be returned to the County Attorney, or litigated by Contractor's attorney, subject to the supervision and approval of the County Attorney.

7. The Contractor shall promptly report to the County Attorney all counterclaims served against the County. In the sole discretion of the County Attorney, the Case may either be returned to the County Attorney or litigated by Contractor's attorney, subject to such supervision and control of the County Attorney, as the County Attorney deems appropriate. The Contractor shall not be entitled to a separate fee for defending any counterclaim.

8. No appeal may be filed without consent of the County, except to protect a statutory deadline. In such case, notification must be made promptly to the County Attorney. All Notices of Appeal served by the Contractor shall be delivered to the Office of the County Attorney.

9. All offers of settlement shall be submitted to the County Attorney on a form to be approved by the County Attorney, containing a statement of the facts and setting forth the Contractor's recommendations, and the basis for such recommendations.

10. No Case shall go without activity by the Contractor for more than three months except those Cases awaiting action by the courts, the sheriff or marshal, or Cases in which the Contractor is awaiting a response from a debtor or debtor's counsel and the Contractor or its attorney makes a Case notation that allowing additional time for a response is appropriate.

11. Each month the Contractor shall return those Cases which, after making every reasonable effort to collect, it deems uncollectible. Returns shall be made in a manner acceptable to the County. Subject to direction from the County, the Contractor may return all Cases within six months after assignment when the defendant cannot be located, or where the Contractor, in the reasonable exercise of its judgment, deems the claim or judgment uncollectible. The County may review the Cases returned, and in its sole discretion, require the Contractor to make additional collection efforts.

12. In the event that the Contractor receives correspondence, communication or payment relating to a Case which has not been assigned to the Contractor, or which has been closed and returned, the Contractor shall at no charge, inform the correspondent to contact the County Treasurer and shall notify the County Treasurer of the correspondence, communication or payment and forward such, in accordance with the County's instructions.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so

that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such

modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or

rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

In particular, the County will promptly notify the Contractor of any payment or other satisfaction of indebtedness made directly to the County or any other action affecting the amount or timing of monies owed by any debtor to the County, including notification of any debtor's retention of counsel or the filing of bankruptcy by any debtor.

3. All the Contractor's operations must be performed in accordance with the highest standard of legal ethics.

4. The Contractor shall comply strictly with any statute, act, law, ordinance, rule, regulation, guideline or code of conduct with respect to the collection of debts, communication with debtors and collection agency procedures, made or issued by any federal, state, city, county, town or village governmental agency in any jurisdiction or location in which any attempt to collect the debts described herein is made, including but not limited to the following: Fair Debt Collection Practices Act, 15 U.S.C. § 1692; New York State Judiciary Law Article 15, § 489; New York State General Business Law §§ 600 and 601; New York Executive Law § 63 subchapter 12.

6. The Contractor shall assign matters requiring legal intervention to a law firm approved by the Nassau County Attorney ("County Attorney"), and that firm shall be responsible for the supervision and administration of the Contractor's performance of litigation services under this agreement and for the Contractor's coordination of its own efforts with those of the County.

B. ASSIGNMENT AND RECALL OF CASES TO/FROM THE CONTRACTOR:

1. The County will refer to the Contractor such Cases as it may in its sole discretion determine during the term of this Agreement. The County makes no representation as to the number of Cases that will be referred to the Contractor during the term of this Agreement. Referrals may be increased or decreased, without notice as the County deems appropriate. The County may attempt to make collections on Cases before they are referred to the Contractor.

2. The County may at any time, for any reason, recall any and all matters or Cases referred to the Contractor. The Contractor agrees to return to the County any and all matters recalled within 15 days of receipt of notice of any such recall. No Service Fees shall be due on any Case after it has been recalled by the County except for Service Fees earned on monies paid within thirty days of the recall and which were due to action undertaken by the Contractor prior to the County's notice to return the Case.

3. In any matter in which the interests of the County and any other client of the Contractor are, or may become adverse, the Contractor shall contact the County in writing, and provide an opinion as to the existence of, or potential for, conflict in the matter, and the Contractor's recommendation on how best to proceed.

server, for commencing of and/or defending all necessary motions, unless notified to the contrary by the County, and for performing all the steps necessary in the litigation and collection of a Case, including but not limited to making maximum efforts to effect collections and following any County procedures for the settlement of a claim or judgment. The County reserves the right to direct the Contractor to instruct any attorney to discontinue use of particular process servers on Cases referred by the County effective immediately upon receipt of written notice from the County directing such discontinuation.

3. Prior to the service of any legal document by the Contractor or its attorneys acting on behalf of the County, one of the attorneys assigned by that firm shall review the particular file to determine that the criteria for legal action have been met, that the party to be served resides at the address appearing on the file, that the place of employment is verified, if necessary, and that all summonses and complaints, motions, notices, income executions, restraining notices, property executions, and all other pleadings and papers are served pursuant to law. Such attorney shall also review each legal document for its content, accuracy and lawfulness.

4. If requested by the Nassau County Attorney's Office (the "Office of the County Attorney") , litigation shall be commenced no later than six (6) months after assignment of a Case to the Contractor and shall be timely prosecuted. As agreed to by the attorney and directed by the County Attorney, attorneys shall pursue Cases, where appropriate, in all available state, federal, and local forums, including but not limited to Surrogate's Court and Bankruptcy Court.

5. Inquests shall be requested promptly after a default, where the inquest is necessary to obtain a judgment.

6. To the extent possible and as allowed by law, actions to collect judgments shall include, but are not limited to, service of income executions, property executions, restraining orders, initiation of supplementary proceedings, and where appropriate, other litigation efforts. Collection activities on judgments shall commence promptly, but no later than six months after entry of judgment.

2. If a judgment has been satisfied, the County-approved attorney shall prepare a satisfaction of judgment within the time provided by law, shall file the original satisfaction with the court and shall send one copy to the judgment debtor, in accordance with applicable law.

3. The Contractor shall compute and collect interest on all judgments in accordance with applicable laws, regulations and rules, from the entry of each judgment.

F. FILES, REPORTS, AND PROCEDURES

1. The Contractor shall maintain a separate file for each referred Case. Files may be maintained electronically. Each file shall contain copies of all documents pertaining to the Case, copies of correspondence received from the responsible party, a record of all correspondence sent by the Contractor, and a record of all steps taken by the Contractor regarding the Case. All such files shall remain the property of the County. Separate records of the actions and activity occurring on all Cases that have been referred for legal action shall be maintained by the attorney's office and shall be preserved and available for inspection by the County

2. The Contractor shall maintain and utilize a computer system to track the status of all pending Cases both alphabetically and by agency of origin. The computer system shall generate the following reports which will be furnished to the County Treasurer, on a monthly basis, by the tenth working day following the month being reported: a status report for (i) pending claims and (ii) pending judgments, in alphabetical order by debtor, containing the following information: the County's claim number; the referring agency; the date of assignment to the Contractor; the date the claim accrued; the current status of each claim or judgment; the date of the last activity on each Case; a method of highlighting Cases in which no activity has occurred for two months; and totals for the number and amount of pending claims and judgments;

3. The reports described in paragraph F 2 of this Appendix A, and any other reports that may reasonably be required by the County, shall be available in both hard copy and electronically and furnished, in a format acceptable to the County, and are subject to criteria and standards to be established and set by the County. The Contractor will correct any errors in any

reports that are discovered by the Contractor or brought to the attention of the Contractor by the County. The County may, at its sole discretion, alter its reporting requirements, and the Contractor shall promptly comply with any such revised reporting requirements.

4. The Contractor shall advise the County of all of its collection procedures, and shall only employ those collection procedures explicitly approved by the County and authorized by law. The County reserves the right to require the Contractor to modify or change its procedures, and no procedure may be used by the Contractor which in the County's judgment is unfair, unethical, illegal or contrary to the best interest of the County.

5. Copies of all form "dunning" letters to be used by the Contractor shall be submitted to the County Attorney for approval prior to use.

6. The Contractor shall promptly report to the County Attorney any significant or potentially significant issue of law or fact which may arise in the course of collection of a Case. If the County Attorney agrees that a significant issue of law or fact is presented, the Case, in the sole discretion of the County Attorney, may either be returned to the County Attorney, or litigated by Contractor's attorney, subject to the supervision and approval of the County Attorney.

7. The Contractor shall promptly report to the County Attorney all counterclaims served against the County. In the sole discretion of the County Attorney, the Case may either be returned to the County Attorney or litigated by Contractor's attorney, subject to such supervision and control of the County Attorney, as the County Attorney deems appropriate. The Contractor shall not be entitled to a separate fee for defending any counterclaim.

8. No appeal may be filed without consent of the County, except to protect a statutory deadline. In such case, notification must be made promptly to the County Attorney. All Notices of Appeal served by the Contractor shall be delivered to the Office of the County Attorney.

9. All offers of settlement shall be submitted to the County Attorney on a form to be approved by the County Attorney, containing a statement of the facts and setting forth the Contractor's recommendations, and the basis for such recommendations.

10. No Case shall go without activity by the Contractor for more than three months except those Cases awaiting action by the courts, the sheriff or marshal, or Cases in which the Contractor is awaiting a response from a debtor or debtor's counsel and the Contractor or its attorney makes a Case notation that allowing additional time for a response is appropriate.

11. Each month the Contractor shall return those Cases which, after making every reasonable effort to collect, it deems uncollectible. Returns shall be made in a manner acceptable to the County. Subject to direction from the County, the Contractor may return all Cases within six months after assignment when the defendant cannot be located, or where the Contractor, in the reasonable exercise of its judgment, deems the claim or judgment uncollectible. The County may review the Cases returned, and in its sole discretion, require the Contractor to make additional collection efforts.

12. In the event that the Contractor receives correspondence, communication or payment relating to a Case which has not been assigned to the Contractor, or which has been closed and returned, the Contractor shall at no charge, inform the correspondent to contact the County Treasurer and shall notify the County Treasurer of the correspondence, communication or payment and forward such, in accordance with the County's instructions.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so

that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such

modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) On a yearly basis, Contractor shall provide the County with any material changes to its Certificate of Compliance, attached to this Agreement as Appendix L.

(c) Non-Disclosure. The Contractor acknowledges that it may be privy to sensitive and confidential information, records and data ("Information") acquired in connection with its performance under this Agreement. The Contractor shall, and shall cause Contractor Agents to, safeguard such Information and not disclose it to third parties except (i) as permitted under this Agreement, (ii) with the prior written consent of the County (and then only to the extent of the consent), or (iii) upon legal compulsion. The Contractor acknowledges that breach of the Non-Disclosure provisions of this Agreement may give rise to irreparable injury that may not adequately be compensable in damages or at law. Accordingly, Contractor agrees that injunctive relief may be an appropriate remedy in addition to any other remedies that may lie in equity or at law. The provisions of this paragraph shall survive the termination of this Agreement.

(d) Records Access. The parties acknowledge and agree that all Information acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Section 87 of the New York State Public Officer's Law. Such law firm shall provide services in accordance with the best practices of the legal profession and in accordance with the Code of Professional Responsibility.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses and damages (including, without limitation, attorneys' fees and disbursements) ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligent acts or omissions of the County.

Such Records shall at all times be available for audit and inspection by the Comptroller, the County, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

At least thirty (30) days prior to seeking relief, the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the County Treasurer and (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. 14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance with this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee or Contractor employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Office of the Nassau County Treasurer, to the attention of the County Treasurer at 1 West Street, Mineola, NY 11501, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the County) at the principal address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, (iv) if to the County Attorney, to the attention of the County Attorney at One West Street, Mineola, NY, 11501, and (v) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the principal address specified above for the Contractor, and to Contractor's General Counsel at the same

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement, so if any construction is made of the Agreement it shall not be construed against either party as drafter.

Referrals may be increased or decreased, without notice as the County deems appropriate. The County may attempt to make collections on Cases before they are referred to the Contractor.

2. The County may at any time, for any reason, recall any and all matters or Cases referred to the Contractor. The Contractor agrees to return to the County any and all matters recalled within 15 days of receipt of notice of any such recall. server, for commencing of and/or defending all necessary motions, unless notified to the contrary by the County, and for performing all the steps necessary in the litigation and collection of a Case, including but not limited to making maximum efforts to effect collections and following any County procedures for the settlement of a claim or judgment. The County reserves the right to direct the Contractor to instruct any attorney to discontinue use of particular process servers on Cases referred by the County effective immediately upon receipt of written notice from the County directing such discontinuation.

3. Prior to the service of any legal document by the Contractor or its attorneys acting on behalf of the County, one of the attorneys assigned by that firm shall review the particular file to determine that the criteria for legal action have been met, that the party to be served resides at the address appearing on the file, that the place of employment is verified, if necessary, and that all summonses and complaints, motions, notices, income executions, restraining notices, property executions, and all other pleadings and papers are served pursuant to law. Such attorney shall also review each legal document for its content, accuracy and lawfulness.

4. If requested by the Nassau County Attorney's Office (the "Office of the County Attorney") , litigation shall be commenced no later than six (6) months after assignment of a Case to the Contractor and shall be timely prosecuted. As agreed to by the attorney and directed by the County Attorney, attorneys shall pursue Cases, where appropriate, in all available state, federal, and local forums, including but not limited to Surrogate's Court and Bankruptcy Court.

5. Inquests shall be requested promptly after a default, where the inquest is necessary to obtain a judgment.

6. 2. If a judgment has been satisfied, the County-approved attorney shall prepare a satisfaction of judgment within the time provided by law, shall file the original satisfaction with the court and shall send one copy to the judgment debtor, in accordance with applicable law.

3. The Contractor shall compute and collect interest on all judgments in accordance with applicable laws, regulations and rules, from the entry of each judgment.

F. FILES, REPORTS, AND PROCEDURES

1. The Contractor shall maintain a separate file for each referred Case. Files may be maintained electronically. Each file shall contain copies of all documents pertaining to the Case, copies of correspondence received from the responsible party, a record of all correspondence sent by the Contractor, and a record of all steps taken by the Contractor regarding the Case. All such files shall remain the property of the County. Separate records of the actions and activity occurring on all Cases that have been referred for legal action shall be maintained by the attorney's office and shall be preserved and available for inspection by the County

2. The Contractor shall maintain and utilize a computer system to track the status of all pending Cases both alphabetically and by agency of origin. The computer system shall generate the following reports which will be furnished to the County Treasurer, on a monthly basis, by the tenth working day following the month being reported: a status report for (i) pending claims and (ii) pending judgments, in alphabetical order by debtor, containing the following information: the County's claim number; the referring agency; the date of assignment to the Contractor; the date the claim accrued; the current status of each claim or judgment; the date of the last activity on each Case; a method of highlighting Cases in which no activity has occurred for two months; and totals for the number and amount of pending claims and judgments;

3. The reports described in paragraph F 2 of this Appendix A, and any other reports that may reasonably be required by the County, shall be available in both hard copy and electronically and furnished, in a format acceptable to the County, and are subject to criteria and standards to be established and set by the County. The Contractor will correct any errors in any

reports that are discovered by the Contractor or brought to the attention of the Contractor by the County. The County may, at its sole discretion, alter its reporting requirements, and the Contractor shall promptly comply with any such revised reporting requirements.

4. The Contractor shall advise the County of all of its collection procedures, and shall only employ those collection procedures explicitly approved by the County and authorized by law. The County reserves the right to require the Contractor to modify or change its procedures, and no procedure may be used by the Contractor which in the County's judgment is unfair, unethical, illegal or contrary to the best interest of the County.

5. Copies of all form "dunning" letters to be used by the Contractor shall be submitted to the County Attorney for approval prior to use.

6. The Contractor shall promptly report to the County Attorney any significant or potentially significant issue of law or fact which may arise in the course of collection of a Case. If the County Attorney agrees that a significant issue of law or fact is presented, the Case, in the sole discretion of the County Attorney, may either be returned to the County Attorney, or litigated by Contractor's attorney, subject to the supervision and approval of the County Attorney.

7. The Contractor shall promptly report to the County Attorney all counterclaims served against the County. In the sole discretion of the County Attorney, the Case may either be returned to the County Attorney or litigated by Contractor's attorney, subject to such supervision and control of the County Attorney, as the County Attorney deems appropriate. The Contractor shall not be entitled to a separate fee for defending any counterclaim.

8. No appeal may be filed without consent of the County, except to protect a statutory deadline. In such case, notification must be made promptly to the County Attorney. All Notices of Appeal served by the Contractor shall be delivered to the Office of the County Attorney.

9. All offers of settlement shall be submitted to the County Attorney on a form to be approved by the County Attorney, containing a statement of the facts and setting forth the Contractor's recommendations, and the basis for such recommendations.

10. No Case shall go without activity by the Contractor for more than three months except those Cases awaiting action by the courts, the sheriff or marshal, or Cases in which the Contractor is awaiting a response from a debtor or debtor's counsel and the Contractor or its attorney makes a Case notation that allowing additional time for a response is appropriate.

11. Each month the Contractor shall return those Cases which, after making every reasonable effort to collect, it deems uncollectible. Returns shall be made in a manner acceptable to the County. Subject to direction from the County, the Contractor may return all Cases within six months after assignment when the defendant cannot be located, or where the Contractor, in the reasonable exercise of its judgment, deems the claim or judgment uncollectible. The County may review the Cases returned, and in its sole discretion, require the Contractor to make additional collection efforts.

12. In the event that the Contractor receives correspondence, communication or payment relating to a Case which has not been assigned to the Contractor, or which has been closed and returned, the Contractor shall at no charge, inform the correspondent to contact the County Treasurer and shall notify the County Treasurer of the correspondence, communication or payment and forward such, in accordance with the County's instructions.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so

that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such

modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Notwithstanding the generality of the foregoing, Business Associate specifically covenants and agrees to comply with the Business Associate provisions of HIPAA in all respects. Specifically, and without limitation, Business Associate agrees as follows:

   a. Use and Disclosure. Business Associate agrees not to use or disclose PHI other than as permitted or required by this Addendum, the Agreement or required by law [45 C.F.R. § 164.504(e)(2)(ii)(A)];

   b. Appropriate Safeguards. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Addendum or required by law [45 C.F.R. § 164.504(e)(2)(ii)(B)];

   c. Reporting. Business Associate agrees to report to Covered Entity any use or disclosure of PHI not provided for by this Addendum within twenty-four (24) hours of when Business Associate becomes aware of such, including any

d. Agents. e. Access to Designated Record Sets. To the extent that Business Associate processes or maintains PHI in a Designed Record Set, Business Associate agrees, at the request of Covered Entity for access to PHI about an individual contained in a Designated Record Set, in a time and manner designated by Covered Entity, to make such PHI available to Covered Entity to enable Covered Entity to fulfill its obligations under the HIPAA Regulations respecting the provision of access to PHI [45 C.F.R. § 164.504(e)(2)(ii)(E) and/or 45 CFR 164.524]. Business Associate specifically agrees to employ multiple security mechanisms to ensure the confidentiality, integrity, and availability of the electronic data which is exchanged with Covered Entity, including but not limited to authentication controls, authorization controls, audit controls and encryption, as requested by Covered Entity. Business Associate further agrees to ensure that any agent, including a subcontractor, to whom it provides such information, agrees to implement reasonable and appropriate safeguards to protect it. The Firm has been successful in such traditionally "high risk" and "high exposure" areas in and around New York City, including the New York State Court of Claims, Bronx and Kings Counties, Nassau County, Suffolk County, the Hudson Valley as well as the Eastern and Southern Districts of the Federal Court, the four Appellate Divisions of New York State, the New York State Court of Appeals, and Federal Circuit Courts of Appeal. The Firm has also been called in to appear in other state and federal courts from New Jersey to Michigan.

The Firm has successfully litigated, tried, appealed, arbitrated and mediated literally thousands of cases in the New York Metropolitan area. We pride ourselves on meticulous attention devoted to each of our matters, and our strong record of advocacy is based on careful preparation coupled with constant communication with the client.

To implement this philosophy, the Firm has instituted a system of "Litigation Units" to ensure the flawless handling of each file within our control – from answer to trial. Each litigation unit is headed by a master trial or appellate lawyer and staffed by associate trial lawyers responsible for a designated group of matters. Each unit leader is charged with the task of daily supervision of his/her unit members and the chairing of a weekly session with those members in preparation for ongoing and upcoming matters. Additionally, the unit leader meets on a bi-weekly basis with other litigation unit leaders at a roundtable chaired by the firm's managing member and founder.

During the course of trials, each trial lawyer confers with his/her team leader and Mr. Johnson throughout and after court sessions. The careful preparation of lawsuits long before the trial of the action, early evaluation with the participation of the client, combined with the free exchange of strategies and solutions between the firm's trial lawyers and clients and their representatives has resulted in the firm's unprecedented success in the State and Federal trial courts and has established the Firm's pre-eminent position in the New York metropolitan area.

We enjoy an excellent relationship with the Judiciary at the State and Federal levels. Our involvement in bar associations and Court appointed Judicial selection panels, gives us an opportunity to have a mutually respectful relationship with the Judicial community.

The Firm's deserved recognition for having experienced and sophisticated litigators enables us to provide our clients an important advantage. New York's plaintiffs' bar who regularly bring tort claims know we are fully prepared to try these lawsuits to conclusion in State and Federal courts. This allows us to settle claims expeditiously and favorably.

Our members and senior associates have an expansive resume of bringing to favorable verdict and resolution significant and complex cases. The Firm has posted a record of success in defending so-called "full liability" and "absolute liability" cases. As the result of its emphasis on skillful presentation of engineering, physics, medical, economic, accounting and forensic evidence, the Firm has saved clients literally many millions of dollars.

One key to the Firm's success is constant preparation. The Firm is literally open for client meetings seven days a week. On weekends, the Firm's attorneys often gather in its conference rooms for symposia on such diverse topics as trial practice and technique, jury selection, cross-examination and use of expert witnesses. Additionally, prominent experts from the fields of medicine, engineering, economics, physics, chemistry and accounting valuation deliver lectures and answer questions from the staff.

Following is a discussion of some of the areas where we have extensive experience in defending the interests of insurers, insureds and self-insureds:

I. Automobile, Trucking & Bus Liability

The Firm has decades of experience in defending insurance companies and individuals in thousands of lawsuits resulting from motor vehicle accidents involving private vehicles, commercial vehicles, common carriers, bicycles and pedestrians, and brought pursuant to the New York State Vehicle and Traffic Law, Insurance Law and common law tort. The Firm is experienced in all facets of automobile litigation, such as: Automobile Accident Claims (including PIP, UM and UIM), Commercial Vehicle Claims, and Truck/Motor Carrier liability

A. Representative Automobile Accident Verdicts and Settlements

- Achieved numerous awards for summary judgment as well as defense verdicts on the issue of liability in cases involving lefts turns, rear-end collisions, head-on collisions, pedestrian knock-downs, motorcycle and bicycle accidents.

- Awarded a unanimous defense verdict at trial on liability involving a head-on collision occurring between our client, driver of a motor vehicle that allegedly crossed the double yellow line, and a motorcycle. Plaintiff motorcyclist demanded $100,000 to settle before trial alleging multiple serious injuries, including a fractured clavicle and shoulder impingement.

- Achieved numerous defense verdicts at a damages only trials after the plaintiffs were awarded summary judgment on liability as well as summary judgment awards on "serious injury", where the documentary evidence and party and medical expert testimony demonstrated that the plaintiffs failed to meet the New York State "serious injury" threshold.

- Achieved a jury verdict on liability finding each party 50% liable for the intersection collision. At the trial on damages, where the plaintiff underwent two back surgeries involving internal fixation of the cervical spine, achieved a jury verdict of $45,000, significantly below the standard award and a fraction of the plaintiff's demand for $9 million.

- Achieved a dismissal of all claims against our client, driver of the second car in a four car chain reaction rear-end collision accident, after three days of trial in federal court. The plaintiff sought $85,000 in damages at trial alleging he sustained a shoulder fracture, cervical radiculopathy, ulnar neuropathy and brachial plexopathy as a result of the accident.

B. Automobile Accident Appeals

- Won reversal of an order which denied our client's motion for summary judgment on the issue of liability and obtained dismissal of all claims and cross-claims in claim for wrongful death arising from auto accident. In this high-profile case involving criminal charges against four of the named defendants who brought claims against our client in an attempt to allay their liability, we successfully argued that the intervening criminal acts of the co-defendants were not foreseeable, and that our client did not engage in improper conduct. At the trial after the appeal, the jury awarded the plaintiffs over $10 million in damages against the remaining defendants.

- Successfully defeated the plaintiff's appeal of the order vacating the default judgment against our client and dismissing the Complaint in its entirety. Demonstrated to the motion court and the appellate court that the building where our client, who was living with the plaintiff at the time, had allegedly been served had been continuously vacant for over two years and that process could not have been effected at the address specified in the affidavit of service.

C. Commercial Vehicle & Truck Accident Verdicts and Settlements

- Obtained summary judgment on liability showing that our client, a nationally recognized utility provider, properly parked its service truck in the co-defendant construction company's work site while performing emergency repairs, and was not a proximate cause of the motor vehicle accident. Successfully achieved dismissal of all claims and cross-claims against our client in this matter where the plaintiff underwent back surgery as a result of the auto accident near the construction site.

- Represented major metropolitan newspaper in claim for wrongful death after the plaintiff's decedent ran a red light on a motorized bicycle and collided with the

side of the newspaper's delivery truck at high speed. The decedent, who was 16 years old at the time of the alleged incident, was in a coma for several months before dying from injuries allegedly sustained in the accident.

D. Commercial Vehicle & Truck Accident Appeals

- Successfully appealed an order of the lower court which denied a nationally known utility company's motion for summary judgment on liability. On reversal, the appellate court ruled that utility's commercial truck, legally parked at a corner of a "T" intersection, was not obstructing the view of those entering the intersection. If the Firm had not been successful on appeal, our client was facing trial and a potential verdict in favor of the plaintiff of up to $750,000 for serious injuries, including a cardiac incident, resulting from the accident.

E. Transportation, Vehicle & Bus Accident Verdicts and Settlements

- Represented major metropolitan area bus company in claim for quadriplegia after fire on bus and the ensuing panic caused the plaintiff to be ejected from bus front door while the bus was traveling 65 mph on major highway. Impleader of bus manufacturer caused modest settlement for our client.

- Represented bus company and driver in multiple serious injury and wrongful death claims by passengers resulting when the bus driver allegedly lost control of the vehicle and went off the road. Alternate causation theory caused early settlement below reserve.

F. Transportation, Vehicle & Bus Accident Appeals

- Won reversal of an order denying the bus company's motion for summary judgment on the issue of "serious injury." Successfully argued to the Appellate Division that the plaintiffs failed to proffer competent medical evidence of their alleged limitations in range of motion to raise a question of fact in opposition to our client's bus company's *prima facie* showing of entitlement to summary judgment.

- Represented ambulette service on appeal of a jury verdict in favor of defendant showing that the verdict was not against the weight of the evidence. Successfully argued that the ten passenger ambulette experienced an electrical malfunction stranding the vehicle in the center lane of a three lane highway, that the driver immediately and properly set-up warning and safety devices to alert oncoming traffic of the stalled ambulette, and that the plaintiff's negligence was the sole proximate cause of the rear-end collision.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent

with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this

Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six

(6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles or such other standard accounting principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for

(iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of One Hundred Sixty Dollars ($160.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal government.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim

County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Rules Committee/1-9-17

CHAIRWOMAN GONSALVES: Will my colleagues join us in the chamber.

Legislator Dunne, would you please lead us in the Pledge of Allegiance.

(The Pledge of Allegiance was recited.)

CHAIRWOMAN GONSALVES: I'm going to ask everyone to please remain standing for a moment of silence for the passing of a former legislator, John Ciotti, who most of us knew him from the first session of the county legislature for 16 years and his passing is certainly one that makes us truly think of who we are and what we're supposed to do.

I think of John Ciotti as an honorable man. Most elected officials are addressed as honorable. However, I have to say that John Ciotti was truly an example to all of us as to what the word honorable meant. He had no expectations in doing the job that he was elected to do other than being a public servant and he was truly that public servant. He made sure that whatever

he could do to make the lives of his constituents better, he was going to do, and so he did. That is a role model for all of us to follow.

I also would like to say that John had other attributes. He was a family man. He was a good husband to Mary Jane and a good father to his two sons.

He certainly knew what it meant to do the best he could to make everybody's life as best as possible.

I learned from him and I hope that we all have learned from dealing with John Ciotti, over those 16 years as a legislator, and out in the communities, that we, as elected officials, owe it to everyone that we serve, the best we can be.

So, I think John Ciotti has given us that example and hopefully we will follow that example. So, may his soul rest in peace.

Minority Leader, absolutely. We can remain standing.

LEGISLATOR ABRAHAMS: Thank you

for the opportunity, Madam Presiding Officer, and obviously to our distinguished crowd today.

I knew John from my time in the Legislature and serving with him, and, as I said before, I saw John as a consensus builder. He was always someone that -- he sat here, right next to me, in those days that we served in the legislature, and he would always reach out whether it was a tough vote or something that we were discussing in the Legislature which was a little bit -- where we were at odds and find out what would it take, or try to build a consensus in terms of trying to appease us.

You find that attribute very rare in the political world and I think John embodied that. Many times he would talk to me about his family and what was going on in his own life. He will be truly missed. People that worked to build this institution to respect this institution are always truly missed, and my condolences and sympathies on behalf of our caucus and residents of Nassau

County to his family and children.

They lost a father and a husband. We lost one of the institutional builders of this county. My deepest condolences to his family as well.

CHAIRWOMAN GONSALVES: Thank you very much.

At this point we will begin today's session with the Rules Committee. And we only have two contracts that will come before us.

After we do the two contracts, we will move on to the other committees until we get back to Rules for the rest of today's agenda.

Mr. Pulitzer, I need you to call the roll, please. I think you have been informed about Legislator Kopel, correct?

CLERK PULITZER: Yes, ma'am.

CHAIRWOMAN GONSALVES: Okay. Call the roll of the Rules Committee.

CLERK PULITZER: Thank you, Ma'am. Carrie Solages?

LEGISLATOR SOLAGES: Here.

CLERK PULITZER: Delia DeRiggi-Whitton?

LEGISLATOR DERIGGI-WHITTON: Here.

CLERK PULITZER: Ranking Member Kevan Abrahams?

LEGISLATOR ABRAHAMS: Here.

CLERK PULITZER: Laura Schaefer is filling in for the Deputy Presiding Officer Howard Kopel.

LEGISLATOR SCHAEFER: Here.

CLERK PULITZER: Vice Chairman Richard Nicolello?

LEGISLATOR NICOLELLO: Here.

CLERK PULITZER: And Chairwoman Norma Gonsalves?

CHAIRWOMAN GONSALVES: Present. Thank you very much.

MR. PULITZER: We have a quorum. And also Legislator Dennis Dunne.

LEGISLATOR DUNNE: Here.

CLERK PULITZER: Thank you.

CHAIRWOMAN GONSALVES: We begin with the first contract, A-42, a resolution

authorizing the director of Nassau County Office of Purchasing to award and execute a contract between the County of Nassau acting on behalf of the Nassau County Department of Public Works and Syosset Truck Sales.

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. Who do we have?

MR. BECKER: Madam Chair, Ken Arnold from DPW will speak on this item.

CHAIRWOMAN GONSALVES: Thank you very much.

MR. ARNOLD: Happy New Year. Ken Arnold, Public Works. A-42, this is a purchase bid for a new catch basin cleaning truck. The department uses the truck to clean out catch basins for the county to stay in compliance with our storm water permit. There were two bids and Syosset Truck was the lowest responsible bidder.

CHAIRWOMAN GONSALVES: Any

Rules Committee/1-9-17

questions for Mr. Arnold?

(No verbal response.)

Any public comment? Minority Leader.

LEGISLATOR ABRAHAMS: How are you, Ken? Happy New Year, by the way.

In our review of the backup, we were looking at the business history form in the backup that we have, there's no contact person, or phone number provided for the town of Oyster Bay and the Town of North Hempstead.

Also, has the County Attorney Office's had an opportunity to verify the information that's before us today in regards to the disclosure forms, the history forms?

MR. ARNOLD: I assume they did, it flows through their office. I can't speak for them though.

LEGISLATOR ABRAHAMS: As I said before, there is no contact person or phone number that's provided.

MR. ARNOLD: For the two

references?

LEGISLATOR ABRAHAMS: Yes.

MR. ARNOLD: The department does a lot of work with Syosset Truck so we didn't feel the need to reach out to the references, that's why we didn't catch it.

LEGISLATOR ABRAHAMS: Also, it indicates that Pam Miller, does that name sound familiar?

MR. ARNOLD: No.

LEGISLATOR ABRAHAMS: Is listed on the formal sealed bid proposal in the qualification section of secretary of the corporation. However, is Pam Miller still the secretary of Syosset Truck Sales?

MR. ARNOLD: I would need to check with purchasing on that. They would have handled that part of the vetting process.

LEGISLATOR ABRAHAMS: If she is, to my point, why is she omitted from the consultant contract and vendor disclosure form?

MR. ARNOLD: I would need to

check.

LEGISLATOR ABRAHAMS: We have another red flag. I don't know if you want to try to address them all at one time.

MR. ARNOLD: Pam Miller?

LEGISLATOR ABRAHAMS: No, this one is for Michael Metashine.

MR. ARNOLD: Okay.

LEGISLATOR ABRAHAMS: It appears that Michael or Mr. Metashine signed all three principal questionnaire forms as well as the business history form. All of those forms are included as one of the documents. The sealed bid proposal, shouldn't each of the principals be responsible for signing their individual principal questionnaire form? He signed off on all of them.

MR. ARNOLD: I will speak with the County Attorney on that.

CHAIRWOMAN GONSALVES: Are there any other questions?

(No verbal response.)

LEGISLATOR NICOLELLO: Motion to table.

Rules Committee/1-9-17

LEGISLATOR ABRAHAMS: Second.

CHAIRWOMAN GONSALVES: Motion made by Deputy Presiding Officer Nicolello and seconded by Minority Leader Kevan Abrahams. All those in favor of tabling A-42 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item is tabled.

Moving along. The next item is B-37 a contract with the Department of Public Works and Louis Barbato Landscaping, Inc.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR DUNNE: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Dunne.

MR. SCHNEIDER: Good afternoon. Brian Schneider, Public Works. Item B-37-16 is a requirements contract with Louis Barbato Landscaping Incorporated. This

contract would be for repairs, renovations, and various improvements to athletic fields, play grounds, play services, and other park related facilities.

There were four bidders on this contract and the bid received by Louis Barbato was deemed to be the lowest responsible bidder based on our review criteria.

This is a two year contract capped at $2 million and the department is recommending the Legislature approve Louis Barbato at this time.

CHAIRWOMAN GONSALVES: Any questions of Mr. Schneider? Legislator Solages.

LEGISLATOR SOLAGES: Thank you, and Happy New Year to the Presiding Officer and to yourself.

MR. SCHNEIDER: Thank you.

LEGISLATOR SOLAGES: Why can't DPW handle this work?

MR. SCHNEIDER: Well, actually, this contract is similar to other

requirements contracts that we have in the department.

This would supplement the department's current workforce. So we would use and utilize our workforce first. If there are any projects that exceed the capability of the department, then we would reach out to this vendor to provide those services.

But we would always reach out to the departmental work force to do some of these repairs and improvements in-house.

LEGISLATOR SOLAGES: How does CSEA feel about this?

MR. SCHNEIDER: Well, we have been vetting all of our requirements contracts, whether it's this particular requirements contract or buildings requirement contracts through CSEA. We have been negotiating individual work orders with CSEA. Obviously, as a CSEA employee, we feel we can do any job in-house, but there are certain situations that exceed the capability of in-house staff.

LEGISLATOR SOLAGES: Like what examples?

MR. SCHNEIDER: If there is an emergency situation that needs to take place and DPW cannot garner materials or staff to handle that type of situation, then we would reach out to the requirements contractor. There are certain situations when staff needs to be certified for certain installations, and there could be situations when DPW staff is not certified to do those installations. And we need to get outside staff in order to make those repairs and those improvements.

LEGISLATOR SOLAGES: Understood. Has CSEA formally responded to the November 28th interdepartmental memo notifying them of this proposed contract?

MR. SCHNEIDER: We did not receive a negative response from them, but typically as we've --

MR. ARNOLD: Ken Arnold, Public Works. I handle all the subcontracting with the CSEA directly. For the base contract

which is before you today, we are entering into a MOU with the union to allow the contract to move forward with the understanding that each individual work order will be brought to the arbitration table and discussed with them before any work proceeds.

LEGISLATOR SOLAGES: And this is an MOU between yourself --

MR. ARNOLD: It's being drafted right now. We expect it to be final before this contract is certified.

LEGISLATOR SOLAGES: Is it necessary that we review this and see if this -- review this MOU before we approve this?

MR. ARNOLD: No. It's between the labor relations and the union as all our agreements are.

LEGISLATOR SOLAGES: I would like to look at a copy of it.

MR. ARNOLD: Excuse me?

LEGISLATOR SOLAGES: I would like to review a copy of said MOU.

MR. ARNOLD: I would reach out to the union or labor relations.

LEGISLATOR SOLAGES: I have more questions. Usually the bid opening includes the amounts of the companies that responded to the RFP submission. Why does this list payment instead -- I'm sorry, why does this list payment instead of the bid amount?

MR. SCHNEIDER: The criteria for reviewing requirements contracts since there are no specific individual items, it's based on a percentage of the labor rate and the materials rate. So it's a percentage that you're looking at.

So in the first column of the summary sheet you're seeing their percentage of their -- what their labor -- what their markup on labor would be, and the second column would be what their markup on materials would be.

Our criteria takes a calculation based on each of those columns from each vendor and that provides us with the lowest responsible bidder.

LEGISLATOR SOLAGES: Is it based on $200,000 or $2 million?

MR. SCHNEIDER: No. It's not based on the dollar amount of the total amount of the contract. It's based on a percentage of the labor and the material breakdown.

So, for example, we sum the 75 percent of the labor markup and 25 percent of the materials markup. We sum those two numbers up and that gives us a total number that we compare to all the individual vendors and that provides with us the low bidder.

LEGISLATOR SOLAGES: Thank you.

LEGISLATOR ABRAHAMS: I have a question.

CHAIRWOMAN GONSALVES: Minority Leader, go ahead.

LEGISLATOR ABRAHAMS: I have a question but it's more of a general question. I don't know if you can address it, Brian, or I see Mr. Cleary out in the audience today.

Rules Committee/1-9-17

We received the new procurement policy and procedures. Are you familiar with the work that's been generated in regards to the new policy and procedures?

MR. SCHNEIDER: Yes, sir.

LEGISLATOR ABRAHAMS: Have you had a chance to review it in its entirety? I know it just came out on Friday.

MR. SCHNEIDER: I haven't exactly dissected it but I'm somewhat familiar with Mr. Cleary's.

LEGISLATOR ABRAHAMS: Mr. Cleary, do you mind, if you could, come to the podium.

CHAIRWOMAN GONSALVES: For the record, we received it on Friday.

LEGISLATOR ABRAHAMS: As did we. But I just have a question in regards to its implementation. I know, Mr. Cleary, you have reached out to our counsel in regards to a briefing which we are going to take you up on. I just want to make sure I have a general idea of the implementation of when this will happen.

This contract went into bid in, it looks like this was done in the quarter four of last year if I'm correct. So obviously this would not.

But how do you envision future contracts with, even though we have to read through what you have put together, how do you envision future contracts being tied to what you are able to put together?

MR. CLEARY: Robert Cleary, procurement compliance.

As you said, anything that's been in process is really grandfathered in based on the existing policy, it wouldn't make sense to retrace our work.

Going forward, any new solicitations would be applying the policy as it's been presented now. Things that are in process to the extent that steps remain in the future that have not been taken yet, that would fall within that course we would still try to apply those requirements.

LEGISLATOR ABRAHAMS: So in terms of implementation, have you spoken to the

department heads in regards to their implementation of this being in effect for January of 2017?

MR. CLEARY: An email has gone out to all department heads. Training of the basic premise of the requirements was presented a couple of months ago. So people have been trained and should be at least familiar with the general requirements of the policy.

LEGISLATOR ABRAHAMS: Well, we look forward to being briefed on the policy and I will leave that to my staff to be able to schedule that with you.

MR. CLEARY: Thank you.

LEGISLATOR ABRAHAMS: Thank you.

CHAIRWOMAN GONSALVES: Any other questions or comments?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of B-37 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The item passes four to three.

The next item is E-265, a resolution authorizing the County Executive to execute a personal services agreement between the County of Nassau and Helping Hands Consultation Services Inc. d/b/a Helping Hands Children Services, Inc.

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello.

MS. LAURAIN: Good afternoon. Mary Ellen Laurain, Department of Health. Item 265-16 is a penny contract with Helping Hands Children's Services. This is to provide mandated education and/or related special education services for Nassau County preschool students with a disability who are between the ages of three and five. The department contracts with 150 vendors to

provide this service.

CHAIRWOMAN GONSALVES: Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: I just have a question. It says the commencement date for this contract is September 1st, 2015.

MS. LAURAIN: Yes, this is a five year contract. We process 150 contracts, 20 of those contracts had to delay so right prior to the start, we contacted all the vendors and, unfortunately, one of them, this contract, somewhat fell between the cracks. We have put systems in place to prevent that. They also had some difficulty with the new forms.

LEGISLATOR DERIGGI-WHITTON: Do you know what the expense has been to date?

MS. LAURAIN: The total amount for this contract is about $25,000.

LEGISLATOR DERIGGI-WHITTON: We're responsible for 100 percent?

MS. LAURAIN: No. We get 59 and a half percent reimbursement from New York

State. This is a mandated service to provide preschool education from New York State.

LEGISLATOR DERIGGI-WHITTON: I'm going on the record again just saying it's almost a year and a half since this contract has already been moving forward. I mean, I understand if there is a short delay because of the forms or whatever, but a year and a half is a long -- it just basically doesn't give us the control as elected officials we feel we need so I appreciate it.

CHAIRWOMAN GONSALVES: Deputy Presiding Officer Nicolello.

LEGISLATOR NICOLELLO: I just wanted to follow-up. You have indicated that systems have been put in place to better monitor the contract process?

MS. LAURAIN: Yes. Our fiscal department has instituted systems along with the program to prevent this from happening again.

LEGISLATOR NICOLELLO: That's within the Health Department.

MS. LAURAIN: Yes, within the Health Department.

LEGISLATOR NICOLELLO: Do you know anything about the system created, is it computerized, is there a program developed for this?

MS. LAURAIN: I was going to ask the preschool director to come up.

MS. SCHECTER: Good afternoon, Shelly Schecter, director of maternal child health for the Health Department. Yes, fiscal in program really needed to do a better job in talking to each other. 150 contracts go out at one time and, as Mary Ellen said, 20 were late. We followed up with all 20. This one fell between the cracks, if you will. That won't happen again. We will go out for contract again in 2020.

LEGISLATOR NICOLELLO: So the next time this particular group of contracts would be three years down the road?

MS. SCHECTER: It will be 2020, we'll have another, about 150 contracts. So

the school districts can provide contractors for the children.

LEGISLATOR NICOLELLO: But are there other contracts that are processed through the Health Department that the system needs to be improved for?

MS. SCHECTER: Not that I'm aware of.

LEGISLATOR NICOLELLO: So there's no sense of delving into something that's not going to happen for three years.

MS. SCHECTER: That's correct.

CHAIRWOMAN GONSALVES: Any other comments or questions? Minority Leader.

LEGISLATOR ABRAHAMS: Thank you. Just a comment, Mary Ellen. I mean, obviously, we see what the contract is providing and obviously Helping Hands is working with the county to provide children services for those that are in our disabled community in regards to education, we are inclined to support it, even though we are concerned about the implementation of September 1, 2015. That said, we plan to

vote in the affirmative for today with the practice or the understanding that we should not see this happen again prior to 2020.

MS. LAURAIN: Understood.

CHAIRWOMAN GONSALVES: Any public comment?

(No verbal response.)

There being none, all those in favor of personal services agreement E-265 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes unanimously.

MS. LAURAIN: Thank you.

CHAIRWOMAN GONSALVES: The next item is E-280, an amendment to a personal services agreement between the County of Nassau acting on behalf of the Office of Management and Budget and Milliman, Inc.

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by

Legislator Dunne, seconded by Legislator Nicolello.

MR. PERSICH: Andy Persich, Management and Budget.

This item is a renewal of an existing contract that we have for our GASB 45 valuation that gets reported in the county's financial statements. It's done annually and it's for a no disclosure that we present.

CHAIRWOMAN GONSALVES: Any questions or comments from the legislators? Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: As per amendment number two, Section 3, it says the services will no longer be necessary for the obligation of the Nassau County Health Care Corporation.

MR. PERSICH: They are probably doing their own evaluation on their own financial statements because they are an independent, a public health corporation. So at some point they were probably reported in our numbers but now I think they are

being segregated out. But I have to check on that for you.

LEGISLATOR DERIGGI-WHITTON: Yes. I would be curious how that would be changed from the years prior to now.

MR. PERSICH: I don't know logistically when they broke apart, the hospital off the county's books, but I don't know, those disclosures that are done, but they prepare their own separate financial statements that get consolidated back into the county. So they may have their valuation from doing this on their own with their auditing firm over there.

LEGISLATOR DERIGGI-WHITTON: Would we be held responsible should there be some type of issue with their own accounting?

MR. PERSICH: I don't know specifically how it's structured as a public health corporation, who the guarantors are of these obligations or the liability, but they do get disclosed on the county wide financial statements.

So it is more of a technical question for the Comptroller than me, but this is one of those things that we have to do because it is a GASB requirement.

LEGISLATOR DERIGGI-WHITTON: But it sounds like we would be responsible, the county, meaning --

MR. PERSICH: This is not the obligation, this is just the valuation. We have a consulting firm that comes in and tells us what the outstanding liability is. That's what they're doing for the county.

LEGISLATOR DERIGGI-WHITTON: But should they be incorrect, would there be any liability on the county?

MR. PERSICH: I don't think so, but I don't know that for a fact.

LEGISLATOR DERIGGI-WHITTON: All right. Thank you.

CHAIRWOMAN GONSALVES: There being no other questions from the legislators, any public comment on this item?

(No verbal response.)

Rules Committee/1-9-17

There being none, all those in favor of E-280 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The item passes four to three.

E-281 is a personal services agreement between the County of Nassau acting on behalf of the Office of the Nassau County Treasurer and Capital Resource Management, Inc.

A motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello,

MR. JEFFERSON: Good afternoon, Beaumont Jefferson, treasurer. The item before you is a personal service agreement between the county and capital resource management for collection of police ambulance billing fees.

CHAIRWOMAN GONSALVES: Minority

Leader.

LEGISLATOR ABRAHAMS: Hi, Beaumont. Years ago I do remember this contract but, for some reason, I'm hazy. I don't remember it going to the treasurer's department.

Was this something that always went through your office or did it go through Nassau County PD at one time?

MR. JEFFERSON: This contract or the collections as always done at the treasurer's office. I shouldn't say always. Since 2012, we have been collecting and we were using MSB.

LEGISLATOR ABRAHAMS: So if I understand this correctly, this is collections for those that use the emergency ambulance service or am I understanding that correctly?

MR. JEFFERSON: It's collections for those who use the emergency ambulance service and fail to pay the fees.

LEGISLATOR ABRAHAMS: Obviously there are those that use the service that

don't have the ability to pay. Just explain to me --

MR. JEFFERSON: I think the best way to start is to tell you, these are actually delinquencies. You are correct. The fees are budgeted in the police department.

The police department uses a company by the name of McKesson to collect the fees. These are the fees that are delinquent. These are the -- and anyone who has not paid is then referred to this collection agency.

On behalf of the police department, we actually monitor this and we also do it for several other departments where we collect under the delinquencies.

LEGISLATOR ABRAHAMS: How far back do you go to try to collect the receivables?

MR. JEFFERSON: We started in 2012. In 2012, the police department also asked to participate with MSB. We have been using MSB for probation PD at the last leg

meeting I was here, and we awarded probation and some of the other departments to MSB. However, we pulled out this piece because MSB was not as successful in recouping the fees.

When we went out to bid, we had quite a few vendors. This particular vendor showed some -- actually brought some very good ideas to us as to how they could go after. They were a local vendor. They understood the HIPAA laws.

As a result, because of the low recovery rate, we thought it would be best to award a vendor that was familiar with HIPAA regulations and also had some other ideas how to increase the collections.

LEGISLATOR ABRAHAMS: Are we trying to collect these fees from incidences that happened in 2012? How far back are we going?

MR. JEFFERSON: Well, anything that's been referred to us, we then refer it to the collection department. They track and try to trace it as far back as they can

go.

So, currently we have collections with MSB that go back as far as 2012 and they continue to try to collect as far back as they can go.

LEGISLATOR ABRAHAMS: Just, for the record, I'm just going through how the $100,000 payment is made on the contingency basis.

MR. JEFFERSON: There's no -- we're not making a payment to them. This is all done on fees. They get a percentage of the collection rate.

LEGISLATOR ABRAHAMS: Thank you so much.

MR. JEFFERSON: It's just a percentage.

CHAIRWOMAN GONSALVES: Deputy Presiding Officer Nicolello.

LEGISLATOR NICOLELLO: Just a followup in terms of collections. We go after -- the delinquents that we go after are people with insurance, correct?

MR. JEFFERSON: It could be a

combination. It could be individuals who have insurance who received an insurance check and did not pay the county.

It could also be individuals who did not have insurance.

LEGISLATOR NICOLELLO: It's always been my understanding that the whole concept here was to go after the insurance companies to pay for this cost of the service and not to go after the people that don't the ability -- who are uninsured to pay for an ambulance ride to the hospital. That's always been my understanding. I don't know if it's changed some how.

MR. JEFFERSON: Joe D'Vito, who handles this in my office, just informed me that anything that we have, he's unable to tell, is anything that's referred by McKesson, it all goes over. So we would want to check on that to make sure my statement is correct.

CHAIRWOMAN GONSALVES: I'm going to call for a motion to table.

LEGISLATOR NICOLELLO: Motion to

table.

LEGISLATOR DUNNE: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Dunne. All those in favor of tabling E-281 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item is tabled. Sorry about that.

The next item is E-282, a personal services agreement between the County of Nassau acting on behalf of the Nassau County Attorney's Office and Leahey & Johnson, P.C.

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. We have?

MS. KUNZIG: Christine Kunzig, Deputy County Attorney. This is a contract

for representation of the county and such other parties as the county may be required to defend in various matters as requested by the County Attorney within areas of law in which the department has determined counsel to qualify.

Counsel has been qualified by the department in appellate casualty construction litigation, employment, insurance, federal civil rights Section 1983, meditation, medical malpractice, and Tort Law.

As of the commencement of this agreement, counsel is providing assistance to the corrections department regarding the strip search litigation.

CHAIRWOMAN GONSALVES: Legislator Solages.

LEGISLATOR SOLAGES: Thank you, Presiding Officer. Happy New Year to yourself.

MS. KUNZIG: Happy New Year.

LEGISLATOR SOLAGES: Please tell me, what matters has this law firm been

assigned?

MS. KUNZIG: The strip search litigation.

LEGISLATOR SOLAGES: Is that one case or a series of cases? How many cases are we talking about here?

MR. PODLESAK: Good afternoon. Gerald Podlesak. They were brought in on one particular matter involving the strip search litigation which was an application for certiorari to the United States Supreme Court.

LEGISLATOR SOLAGES: And I understand that this might be a specialized area of law and you might need the assistance beyond your office, however, and besides filing an answer, to what extent are we just giving these cases to outside firms, for beginning paperwork, or just when it gets more complicated?

MR. PODLESAK: This one was handled both in-house and in consultation with this firm. I know this particularly because I was the one who wrote the papers

in-house.

We did, in fact, meet extensively with this law firm. We vetted topics, we vetted arguments with them. It went back and forth. They did in fact produce valuable arguments and valuable information. It was in plain English money well spent.

LEGISLATOR SOLAGES: What was the emergency that required the firm to commence work before this contract was brought to the Legislature?

MR. PODLESAK: It was a matter of litigation. It had to be filed by a date at the end of August, and it required that we would need to move on it expeditiously.

You know as well as I that litigation does not wait and it had to be addressed immediately.

LEGISLATOR SOLAGES: Since August of last year?

MR. PODLESAK: Since August of 2016, yes.

LEGISLATOR SOLAGES: My last question is this, why now? If it happened

last August, why now?

MR. PODLESAK: It took some time for it to wind its way through the system.

The funding for this is actually coming out of the budget of the corrections department because it is a correctional issue and it took some time to move the money from one place to another.

LEGISLATOR SOLAGES: Thank you.

CHAIRWOMAN GONSALVES: Legislator Nicolello.

LEGISLATOR NICOLELLO: Just to clarify, the term beginning in August of 2016, to Legislator Solages' question, why did it take four months? I'm not sure that I understand that.

Is there a system in the County Attorney's Office to keep track of these things to try to get them to us in as timely a fashion as possible?

MR. PODLESAK: Yes, there is. In terms of this particular contract, this was as timely as possible.

As I said before, there was an

issue about funding and moving funds from corrections into the County Attorney's budget and production of the paperwork in putting the entire matter together.

So it was expeditious, not as expeditious as anybody could want, but the four months, under these circumstances, seems to be a reasonable amount of time.

LEGISLATOR NICOLELLO: Thank you.

CHAIRWOMAN GONSALVES: Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: Just to put on the record, it just seems logical that it should come to the Legislature prior to transferring funds or reallocating anything, assuming the work can go forward.

This is the kind of contract that we should really see immediately. We always transfer funds. That shouldn't have anything to do with whether or not it comes before us for approval.

MR. PODLESAK: Well, as I said before, Legislator, it's a matter that needed to be moved on. It was a matter of

litigation. It was a question of getting the work done and getting the work done in a timely fashion and getting the papers filed with the Supreme Court.

LEGISLATOR DERIGGI-WHITTON: I understand that again. But I think that we up here are frustrated with the fact that maybe a month would be reasonable, but to wait almost five months just to come before us, again, this is the same pattern that we've been seeing for quite a while which is we are like the afterthought in all this, and, as elected officials we don't appreciate that.

Our hands are tied and we're going back in time with this approval, and that is not the way the system was set up.

CHAIRWOMAN GONSALVES: Minority Leader.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer. Gerry, it's our understanding this has previously gone through the Appellate Division.

So, I'm just curious, what aspect

is Leahey and Johnson going to actually handle?

MR. PODLESAK: They're brought in as consultants and as a backup set of eyes and parties to bounce arguments and questions off of.

LEGISLATOR ABRAHAMS: You said there's a backup set of eyes and consultants. What specifically will they be reviewing?

MR. PODLESAK: Well, the work has been completed at this point. What they reviewed was, they produced a certain amount of research, a certain amount of arguments in the case.

There was a give and take between myself and other attorneys in the County Attorney's Office. Paperwork was drafted. They reviewed it. They offered their commentary on it.

After the completion of all the attorney work on this, the matter was sent to the appellate printer and it was printed and timely filed with the United States

Supreme Court.

CHAIRWOMAN GONSALVES: There being no other questions, is there any public --

LEGISLATOR ABRAHAMS: So, Gerry, I know we approve contracts usually on an annual basis. So we don't envision seeing an additional contract for Leahey and Johnson in regards to this matter even though the contract period extends to July 2017, it sounds like to me this is at the end stage so we shouldn't see additional contracts, correct?

MR. PODLESAK: Not on this particular matter, no, not on the strip search case. The strip search case is essentially concluded with the application to the United States Supreme Court.

LEGISLATOR ABRAHAMS: Has the Supreme Court ruled on it?

MR. PODLESAK: They did. They denied the application.

LEGISLATOR ABRAHAMS: Thank you.

CHAIRWOMAN GONSALVES: Any public

comment on this issue?

(No verbal response.)

There being none, all those in favor of E-282 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The item passes four to three.

Now we move on to two items that were tabled and now I'm going to ask for a motion to untable.

The two items are E-204, a contract with the Department of Information Technology and Universal Management Technology;

And E-217, a contract with the Department of Information Technology and American Communications Industries.

A motion to untable.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. Who is here to speak on this

item? I did see him. Let's go.

MR. BECKER: Sorry, Madam Chair, the director is here.

CHAIRWOMAN GONSALVES: E-204, the item with Universal Management Technology Solutions, Inc. That one, and then the next one which is American Communications Industries.

COMMISSIONER EISENSTEIN: IT Commissioner, Ed Eisenstein. How are you? UMS was used to help us with a Microsoft contract and that's what that fee is for. They helped us resolve our Microsoft Enterprise license agreement. Any questions on that one?

LEGISLATOR ABRAHAMS: This is 204, correct?

CHAIRWOMAN GONSALVES: Yes, it's 204.

LEGISLATOR ABRAHAMS: I think the issue that we had taken note to, a part of the record, was that one of the principals that was indicated on the agreement was Adam Barski, and what we were trying to confirm

was that the same Adam Barski, that is also the Chair of NIFA.

I guess at the time we did not know the answer to that. Do we know the answer to that today?

COMMISSIONER EISENSTEIN: Yes, I do. The answer is yes.

LEGISLATOR ABRAHAMS: So let me make sure I understand. So Adam Barski who is the chair of NIFA is also a principal on this contract.

Is there anything from the County Attorney's perspective that bars that relationship with the county?

COMMISSIONER EISENSTEIN: Not that I know of. Apparently there has been some paperwork that has gone back and forth that cleared him of any issues with that.

LEGISLATOR ABRAHAMS: One would have to ask the question, is this a conflict of interest of the chair of NIFA that also is a principal in a contract, do you envision he would recuse himself?

CHAIRWOMAN GONSALVES: Mr.

Cleary.

MR. CLEARY: Robert Cleary. We have it in writing that Mr. Barski has recused himself from any dealing with any contracts between UMS and Nassau County.

LEGISLATOR ABRAHAMS: Mr. Cleary, but you do see that Mr. Barski being a principal on this particular vendor is receiving a benefit from the county even though he may recuse himself. Do you envision that being a problem or an issue for the county?

COMMISSIONER EISENSTEIN: As I said, he has put in writing that he wishes to derive no benefit from any contract between the county and he wishes to have no business dealings with any issue between any contracting with the county.

It's about as clear a recusal as you can have in this kind of circumstance. I don't necessarily believe it poses a conflict.

This is a vendor that we have dealt with prior to this being an issue and

it seems to be an acceptable recusal as far as I'm concerned.

LEGISLATOR ABRAHAMS: Hold on one second. Mr. Eisenstein, if you may. What's the total cost the contract?

COMMISSIONER EISENSTEIN: It was $30,000 originally.

LEGISLATOR ABRAHAMS: Now it's $35,000?

COMMISSIONER EISENSTEIN: There was another $5,000, right.

LEGISLATOR ABRAHAMS: Has the administration contemplated rebidding this contract because of this possible conflict of interest?

COMMISSIONER EISENSTEIN: I would assume that if we go through another engagement with Microsoft in three years, we would be looking for another similar vendor to help us with that engagement at that time.

LEGISLATOR ABRAHAMS: It just seems to be that the Legislature is being asked to approve a contract to -- that

benefits the company that the NIFA chair is a principal of.

It just seems to be that -- the company is still receiving the benefit, that's the issue. It's a company that he's a part of that still receives the benefit.

It's not the recusal. I'm happy to hear that he is going to recuse and it sounds like to me from Mr. Cleary's statement that he is going to put in writing that he is not receiving any benefit from this particular contract, but the entity still receives the benefit that he's a part of.

I thought we had discussed at the previous meeting that he is not really a part of it. He was looking to remove himself from the entity. I thought that was part of the discussion from before.

MR. CLEARY: I'm not aware of any discussion of him from removing himself from the firm itself. That may be going on. I'm not sure. I haven't heard that that's completed. If that is in fact the plan.

What we need to understand is that the vendor pool is not infinite. There are only so many vendors that we are ever going to be able to work with in Nassau County.

Our job is to identify vendors that have the capacity to do what needs to be done and the integrity to do so. This is a good faith relationship. All contracts require good faith relationships.

He has put in writing very clearly through the counsel of NIFA. We did receive the letter itself from the counsel of NIFA stating that he will not benefit from any contract having to do with Nassau County.

If that is not considered sufficient, and this would apply to any firm that may or may not have relationships with the county in other ways.

It is essential to be able to satisfy the needs of the county and its constituents by obtaining services of vendors that are professionally capable and

and have the integrity to perform those services. This appears to be one of those firms and not going to benefit from it. To say that any vendor that has any relationship with any county operation is to be omitted from the pool of potential vendors. We may find ourselves in an increasingly difficult circumstance of satisfying the needs of the county.

LEGISLATOR ABRAHAMS: I understand what you're saying, Mr. Clearly, in regards to what you're saying that there's not an infinite pool. But, to me, two things. One, we're not saying that.

Two, most importantly, you have to understand and appreciate the fact that this is a very unique case.

In the time there's been a control board overseeing the county's finance for the last 16 or 17 years, and not once have we seen anyone on that particular body, nor the chair of the NIFA board, have a contract that comes before the Rules Committee.

To me, it seems a bit astonishing that in that lack of infinite pool that it's almost a complete opposite.

We found the contract that has the most unique characteristics about it. One that not only does the gentleman have a relationship with a vendor that the county is looking to contract with, he also tends to be the chair of the same body that approves the contracts in its final step. It just seems to me like we are going the complete other way in terms of the uniqueness of this.

CHAIRWOMAN GONSALVES: Excuse me, but since there are still questions lingering here regarding this particular company and the fact that Adam Barski is a member of that, I'm going to ask for a motion to table to get an opportunity for ethics to rule on whether or not this is ethical on the part of us doing this particular --

MR. CLEARY: May I just make one point?

CHAIRWOMAN GONSALVES: Go ahead, Mr. Cleary. We didn't take the motion to table yet.

MR. CLEARY: Thank you. This is an amendment to an existing contract. We already had an established contract with this vendor. This was established prior to Mr. Barski becoming the head of NIFA. So this was the continuation of the services by the vendor that we had already procured with.

LEGISLATOR NICOLELLO: We don't know when Mr. Barski was on NIFA at the time initially, number one;

Number two, rather than run into an ethical problem or conflict problem down the road, why not get an opinion from the Board of Ethics which would cover us in the event that they find we can go forward.

LEGISLATOR ABRAHAMS: Also to add to Deputy Presiding Officer Nicolello's point, one, I don't think we had the disclosure in place when the previous contract might have been out there, so we

have no idea how long Mr. Barski's relationship has been with this company.

And, two, if we have the disclosures now and they seem to be working, I don't know why we would compound the problem by voting for the contract without at least having some type of ethics review which we would strongly suggest --

CHAIRWOMAN GONSALVES: That's why we are going to move to table.

LEGISLATOR ABRAHAMS: I would suggest it comes from the state as well so we can get a clear opinion on this matter.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved to table by Legislator Dunne, seconded by Legislator Nicolello. All those in favor of tabling E-204 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item is tabled unanimously. Sorry, but, in light of the concern, I think

that we're better off.

COMMISSIONER EISENSTEIN: There was a second item.

CHAIRWOMAN GONSALVES: Yes. That's E-217, that's the contract with American Communications Industry.

COMMISSIONER EISENSTEIN: Yes. Thank you. And I believe that was tabled last time because there was a question about who John Leasey was, whether he was an employee or not.

CHAIRWOMAN GONSALVES: Do you have an answer?

COMMISSIONER EISENSTEIN: He's not an employee. He's a contractor of ACI, an employee of ACI.

CHAIRWOMAN GONSALVES: Any other issues from the legislators? Minority Leader.

LEGISLATOR ABRAHAMS: Just for the record, what's the value of the contract?

COMMISSIONER EISENSTEIN: I have to double-check. I think it's $1 million.

I have to check the exact number.

CHAIRWOMAN GONSALVES: $1 million?

COMMISSIONER EISENSTEIN: Yes.

LEGISLATOR ABRAHAMS: $4 million. A million a year.

CHAIRWOMAN GONSALVES: For four years.

COMMISSIONER EISENSTEIN: I have to get you the exact number, but it's right around a million a year.

LEGISLATOR ABRAHAMS: What exactly will this contract provide to the county.

COMMISSIONER EISENSTEIN: It's wiring and cabling. That's what they're used for. And cabling parts and cabling wiring. Those kinds of things.

We brought a lot of the wiring in-house. They are doing the wiring that can't be done by our CSEA members.

LEGISLATOR ABRAHAMS: One second, please. And this is a vendor that the county has used before?

COMMISSIONER EISENSTEIN: Yes, this vendor has been in place since before I became commissioner in 2010.

LEGISLATOR ABRAHAMS: When did they initiate this role with the county?

COMMISSIONER EISENSTEIN: When did they become a vendor?

LEGISLATOR ABRAHAMS: No. Well, a vendor to the county, yes. You said it happened before you.

COMMISSIONER EISENSTEIN: I would have to look. I think it was 2002 or it was 2004.

LEGISLATOR ABRAHAMS: It seems like to me from some of the finance sheets that we are able to look at, like the county is this vendor's largest portion of business. Is that your understanding as well?

COMMISSIONER EISENSTEIN: I didn't look into whether we're their biggest client or not. I didn't look into that.

LEGISLATOR ABRAHAMS: I mean, it sounds like they have been here with the

county for some time, but I guess the concern could be that are they up for this type of task? This seems like a very large contract for a company from what we can see here has generated a net income after taxes of about $27,476. Again, a pretty large contract. We just want to make sure and quantify that they're up for the task.

COMMISSIONER EISENSTEIN: No question about it. They do an excellent job with us. We accelerated our wiring models and how we do work and they are right stepping with us.

What they do a very good job at, for example, at the jail, it's difficult for county IT to operate the jail and they do a lot of the wiring and infrastructure at the jail. It's been a very positive relationship and they won the last RFP.

LEGISLATOR ABRAHAMS: Do you find that peculiar that something is just not adding up? To generate a net income of $27,000 and they have been around with the county since 2002, 2004?

Rules Committee/1-9-17

COMMISSIONER EISENSTEIN: I know my internal dealings and what the county used to spend with them compared to what I spend with them, and it is significantly less.

In terms of how they do business and their books, I don't know about that. I can tell you how we operate with them. I encourage them to go out and make more sales for themselves.

LEGISLATOR ABRAHAMS: I understand that we don't want to get involved in their books. I just want to make sure that we're picking somebody that is not going to cut corners or to shortchange the county.

COMMISSIONER EISENSTEIN: I have made corrections personally of how I want them to operate and they are able to do everything I need. I can go into extreme detail on that if you want.

LEGISLATOR ABRAHAMS: I don't think we need to do that. Nothing further.

CHAIRWOMAN GONSALVES: There

being no other comment from the legislators, any public comment?

(No verbal response.)

There being none, all those in favor of E-217 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The item passes four to three.

COMMISSIONER EISENSTEIN: Thank you. Happy New Year, everyone.

CHAIRWOMAN GONSALVES: Happy New Year.

MR. BECKER: Madam Chair, before you close, the treasurer has the opportunity to explain and he found some further information regarding the collection agency they use regarding insurance. If you can untable that item, he would like to respond to that.

CHAIRWOMAN GONSALVES: We are talking about E-281. A motion to untable.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

Rules Committee/1-9-17

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. All those in favor of untabling E-281 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item is untabled.

Mr. Beaumont.

MR. JEFFERSON: Thank you. We reached out to the vendor who we use for, not the collection, but who actually processed the payments.

The way it's handled, if an uninsured person is contacted or takes an ambulance ride and is contacted, they can ask for a relief letter, and that relief letter is submitted to the billing company, McKesson. McKesson would take them off of the collection.

If they do not contact them, they can get that letter at any time during the process. That's the way it works.

CHAIRWOMAN GONSALVES: This would

be in keeping to what we did in the past regarding those that did not have insurance, they would not be responsible for paying the fee?

MR. JEFFERSON: That's our understanding. We contacted them with Greg Stephanoff and we asked them, when you take an ambulance ride, then they don't have that information in hand at the time, so once they get the documentation, they send the bill out. There is an opportunity to come forward and fill out the relief letter explaining that there is no insurance in place.

CHAIRWOMAN GONSALVES: Minority Leader, you may.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer. Mr. Beaumont, so I have an emergency. An ambulance comes and picks me up, brings me to a hospital. I get care. I come back home. Then, from there, I get a bill or my insurance company gets a bill.

If I don't have insurance, I get

a bill that comes directly to me. From what I understand correctly, I have to apply for a relief letter. How is that letter generated and who does that relief come from?

MR. JEFFERSON: That letter would be generated by the company, McKesson, they would send you a letter and you would then fill out the information stating that you do not have insurance coverage.

I can go one step further to tell you that I actually tested -- obviously I have insurance, but I tested the process. If you guys remember, some of you may remember, I broke my ankle a couple of years ago. I wanted to see how the process worked. So I asked Joe D'Vito, let's check to see how this works.

I didn't know about the uninsured piece, but I waited to get a letter from McKesson, and at that point I had my check. I deposited it and waited to see when they would bill me and they billed me and they said you took a ride on this date, you owe

us X number of dollars. I then wrote my check out and forwarded it to them.

LEGISLATOR ABRAHAMS: But what you got in the bill, did it say something about the letter if you weren't then able to pay?

MR. JEFFERSON: No. I had that information. It just told me that I owed them. However, if I got the bill and I didn't have a way to pay, I believe I can go back and look at my letter, there was information on there to say that I received a check, or I was covered by insurance, and I didn't look to see if there was an uninsured piece but I understand today that there is a way to claim that you are uninsured and to submit that information back to the vendor asking them to provide you with a relief letter. You submit that to them and they remove your name from the list.

CHAIRWOMAN GONSALVES: Do you recall the letter that you received indicating that you owe X amount of dollars

for the service, was there in that particular form anything that addressed the fact that if you had no insurance, then there was room on that form to indicate that?

MR. JEFFERSON: I don't recall or I would have told you. I don't recall if it was on that form. I understand today that there is a form and you can fill that form out and you can submit it and check off that you do not have insurance and we would make sure that that information is available.

LEGISLATOR DUNNE: You just stated that there were boxes, one, I have insurance, or, two, I'm enclosing a check, or, three, I'm uninsured. If you check off uninsured, sign, and send it back. Is that accurate as to what you just said?

MR. JEFFERSON: That is accurate.

LEGISLATOR ABRAHAMS: That, in itself, is the relief letter that we're talking about?

MR. JEFFERSON: No. That's not the relief letter. It's my understanding

that you have to get this relief letter and you have to submit that because you have to actually --

LEGISLATOR ABRAHAMS: Where would one get that letter from?

CHAIRWOMAN GONSALVES: Who generates that letter?

MR. JEFFERSON: McKesson would generate that letter.

LEGISLATOR ABRAHAMS: And is McKesson the same ones that are sending you the bill?

MR. JEFFERSON: McKesson is the one sending the bill.

LEGISLATOR ABRAHAMS: So I check off the box like Legislator Dunne just said that I'm uninsured, and then they send me back a relief letter?

MR. JEFFERSON: Again, I don't want to get into what I don't know. I do know that there is a relief letter. We just verified with the company, McKesson, that if you are uninsured, there is a relief letter that you can submit to them saying that

you're uninsured, I believe, and we will check it to make sure that it's enclosed in the package if we have to change procedures.

However, I do not want to stand here and say, well, I know exactly how this whole process works for an uninsured person.

LEGISLATOR ABRAHAMS: So it sounds like to me that the individual that had the ride in the ambulance, they write their own letter.

If you get a package of documents and you check a box, why would McKesson have you submit the letter to them unless they're generating it themselves? Is it a form letter that they just sign the bottom?

MR. JEFFERSON: As I understand, it's called a relief letter. We asked them how it's handled. They said it's a relief letter that can be submitted to us and we would take that person off of the list.

LEGISLATOR ABRAHAMS: Can we get a sample of what this letter looks like?

CHAIRWOMAN GONSALVES: I'm going to suggest that we will table it, and, by

the end of the day, we can untable it if you produce a form letter or information in that regard because checking off a box on a letter, it's very confusing.

MR. JEFFERSON: I will get you that information, how it's done, and the procedure.

LEGISLATOR DUNNE: And a copy of that letter.

CHAIRWOMAN GONSALVES: Please.

MR. JEFFERSON: I will get you that information and the procedure.

CHAIRWOMAN GONSALVES: If we table it now, it can be untabled before the end of the day. Legislator Solages before we table.

LEGISLATOR SOLAGES: Thank you very much, Presiding Officer. Treasurer Jefferson, I just have one more question for you, sir.

Happy New Year, good afternoon.

My question is, how much money can we save the county if your office would send out the initial letter asking for any

unpaid fees? Has your office done that?

MR. JEFFERSON: We have not. I believe that there's over $24 million budgeted. Quite a few people who take the ambulance service, the way the process works, there is a lock box. Anyone who receives a check and mails it into the lock box is then opened by McKesson who has the staff who is able to process because they process for other companies as well.

It's a process where we would have to staff up to process ambulance billing payments. Then we also would not be able to do the collection end of it which is what we are talking about today which is delinquencies that we would actually have to do skip tracing and we don't have the knowledge or the technology, how to find people who owe us money and who we can't find pay.

LEGISLATOR SOLAGES: But do you have the staffers in your office to perhaps use a simple word processing software to do a mail merge to send out letters to

individuals stating that they owe money?

Does your office at least send out a letter asking for that?

MR. JEFFERSON: There's a process in place currently where, after you take ambulance billing, that goes to a vendor, and that vendor, like I explained, McKesson they do the collection for us.

They are in a much better position to collect the number of fees that actually come in for the police department billing.

LEGISLATOR SOLAGES: Thank you.

CHAIRWOMAN GONSALVES: I'm going to ask for a motion to table it. And, Jefferson, we can untable it if you get the information later on in the day.

Motion to table, I believe it was E-281.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. All those in favor of tabling

E-281 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The Rules Committee is now in recess and we will now move on to the other committees and join once again at the end of committee. Public Safety is next.

(Whereupon, the Rules Committee recessed at 2:22 p.m. and reconvened at 5:02 p.m.)

CHAIRWOMAN GONSALVES: Back in session for the Rules Committee. A motion to suspend the rules because we have an addendum.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. All those in favor of suspending the rules signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The rules are now suspended.

The first item we are going to call is Item 615, a resolution to confirm the County Executive's appointment of Margaret Martinez Malito to the Long Island Regional Planning Council.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. I'm sorry that you sat there so long.

MR. BECKER: Maggie gets the medal today for having the most patience.

CHAIRWOMAN GONSALVES: Yes, absolutely. But she saw us in action, it's okay.

MR. BECKER: But I promised her, Madam Chair, that we'd call her in the beginning of the regular session.

CHAIRWOMAN GONSALVES: You didn't talk to me about it.

MR. BECKER: I'm asking you now. That's all.

Rules Committee/1-9-17

CHAIRWOMAN GONSALVES: I could have called it before but that's okay. Any objections to Margaret Martinez Malito?

MS. MALITO: I'm known as Maggie to many of the legislators. Good afternoon, Presiding Officer Gonsalves and Vice Chairman Nicolello and Minority Leader Abrahams and all the legislators, how are you?

CHAIRWOMAN GONSALVES: I'm really sorry that you sat here so long. I don't know what we could have done. I guess I could have just bypassed it.

MS. MALITO: May I just say that I hope you see it as a sign of respect for this legislative body and the fact that my appointments before you and I thought it was worthwhile clearly and a sign of respect to you. Thank you.

CHAIRWOMAN GONSALVES: You are most welcome, Maggie. Are you coming back on the 23rd?

MS. MALITO: I am. I would like to, yes.

Rules Committee/1-9-17

CHAIRWOMAN GONSALVES: At the Full Leg and we will try to make it right at the beginning so we don't have you sitting there for five hours. But don't hold me to it.

MS. MALITO: Thank you.

CHAIRWOMAN GONSALVES: I have 18 others to worry about. Safe home. I don't believe anybody wants to ask Maggie questions. But does anybody really want to ask a question or two?

(No verbal response.)

No. So all those in favor of the appointment of Margaret Martinez Malito to the Long Island Regional Planning Council signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

It's unanimous. Thank you very much.

MS. MALITO: Thank you very much. See you on the 23rd.

CHAIRWOMAN GONSALVES: Next we

have 616, a resolution to confirm the County Executive's appointment of Nancy Engelhardt to the Long Island Regional Planning Council.

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR SCHAEFER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Schaefer. I don't believe Nancy is here.

MR. BECKER: She was unable to be present today but promises to be here at the Full Legislative Meeting.

CHAIRWOMAN GONSALVES: On the 23rd, that's fine, no problem. If there are no questions, no comments from the legislators or the public, all those in favor of the appointment of Nancy Engelhardt to the Long Island Regional Planning Council signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Both appointments were unanimous.

We are going to move along. I believe there are other items on the addendum.

There are several items that went through committees and, as we always request, committees' testimony be incorporated in the Rules Committee by reference as well.

We will begin with the consent items which are 584-16, 601, 602, 607, 608, 609, 610, 612, 618, 621, 624, 117, 217, 517, 717; and then on the addendum 9-17, 10-17, and 11-17.

(Whereupon, the please refer to the minutes of the Planning, Public Safety, Public Works, Health and Finance Committees pertaining to Clerk Items 584-16, 601, 602, 607, 608, 609, 610, 612, 618, 621, 624, 117, 217, 517, 717; addendum 9-17, 10-17, 11-17; dated 1-9-17.)

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by

Legislator Dunne, seconded by Legislator Nicolello. Since they were discussed in committees, all those in favor of the items just called signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The items pass unanimously.

Let's go to the non-consent calendar or agenda.

Item 417, a resolution authorizing the County Attorney to compromise and settle the claim of plaintiff, Alicia Boudouris as set forth in the action entitled Alicia Boudouris versus the county of Nassau and Michael Sposato Lawrence Shnurr Lou Cafiero, Dan Sydor in their official and individual capacities, case number 14CV-6719 pursuant to The County Law, the County Government Law of Nassau County, and the Nassau County Administrative Code.

Motion, please.

LEGISLATOR DUNNE: So moved.

Rules Committee/1-9-17

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. Any further questions or comments? Minority Leader.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer. I know this was discussed in executive session but the document that I want to make sure is part of the record for clarity was a public document filed on 8-15-16.

It was a document that specifies a portion of the disposition that was given when the alleged plaintiff said that she had spoken to the County Executive on nine occasions regarding discrimination and harassment, since Bosada memorandum regarding the sexual harassment within the family court unit.

I just want to make sure we are identifying for the record that, one, that that practice of what happened and what was discussed in executive session will never ever happen again, but it seems like if this

deposition, not to take one side, if this deposition is accurate, or even half true, to have that type of outreach on nine separate occasions, for the culture to continue just seems to me to be a bit ridiculous.

I would say, Gerry, or, Fran, if you could take this back to the County Executive before the Full Legislature, I would just want to hear, and I believe someone will come, that's what I thought was said in the back, that Ms. Locurto mentioned that she would bring it back to the administration that we just need to hear from our standpoint a response to the allegation that was made in this deposition. Again, it's a public document that Magistrate Judge Lock provided.

MR. BECKER: Minority Leader, we will bring it to his attention and you're asking for a response at the Full Leg in regards to that?

LEGISLATOR ABRAHAMS: Asking for someone from the administration to be here

to respond to this allegation which was in a public document.

MR. BECKER: Will do.

LEGISLATOR ABRAHAMS: Thank you, Fran.

CHAIRWOMAN GONSALVES: Any other comments or questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of Item 417 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Six-zero.

The next item is Item 617, an ordinance to amend ordinance 1320-16, adopting the capital budget for the year 2016 for the County of Nassau corresponding to the first year of the four year capital plan pursuant to the provisions of Section 310 of the Government Law of Nassau County.

Motion, please.

Rules Committee/1-9-17

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. Any further comment? Yes, Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: Mr. Arnold, I just wanted to ask you about the status of the Phase One Environmental Study.

MR. ARNOLD: Phase One on what?

LEGISLATOR DERIGGI-WHITTON: This item is for the capital for purchasing the OEM building, correct? It's for purchasing the OEM building this item.

Have we received any preliminary reports or the final report on the Phase One environmental study?

MR. ARNOLD: I know we asked the firm to do it. I have to go back and see the status of it.

LEGISLATOR DERIGGI-WHITTON: The auction is tomorrow.

MR. ARNOLD: That is correct.

Rules Committee/1-9-17

LEGISLATOR DERIGGI-WHITTON: I think it's an extremely important aspect as to whether or not we want to take on the liability of this property.

LEGISLATOR ABRAHAMS: I'm sorry, not to cut you off. Ken, we were told, if I remember it correctly, we were told at the time, and I wish Legislator Kopel was here, because him and I went back and forth in the back room pushing for this.

We were told that the environmental impact study was going to be completed before the auction.

MR. ARNOLD: I would have to go back and find out. I know they started the work before the holiday. I don't know what the status of it is.

LEGISLATOR DERIGGI-WHITTON: How do we okay this amount of money without --

MR. ARNOLD: Reword the capital project.

LEGISLATOR DERIGGI-WHITTON: I know, but really what is the purpose of tomorrow's auction, how do we let this go

forward? The whole idea was that we were guaranteed to have the Phase One before we had to make that type of decision.

Is the auction still on for tomorrow?

MR. ARNOLD: As far as I know it is.

LEGISLATOR DERIGGI-WHITTON: And we don't have any idea of what the environmental status is?

MR. ARNOLD: I don't have that information with me today, no.

LEGISLATOR DERIGGI-WHITTON: Gerry, is there any way to check with your office, only because they're the ones who basically guaranteed that information to us prior to this auction?

MR. PODLESAK: I will check with my office.

LEGISLATOR DERIGGI-WHITTON: Is there anybody still here?

CHAIRWOMAN GONSALVES: Is anyone around, Mr. Podlesak, to give us an answer to that question?

LEGISLATOR DERIGGI-WHITTON: So what are we going to do if we go ahead with the auction and this environmental comes up with all sorts of concerns?

LEGISLATOR DUNNE: Does it have to go to Full Leg?

CHAIRWOMAN GONSALVES: What do you have for us, Mr. Arnold?

MR. ARNOLD: We did get the report back today. It asked for some additional testing for vapor, for asbestos and lead paint, but nothing unusual that we would normally see in other Phase One investigations.

LEGISLATOR DERIGGI-WHITTON: Do you have a copy of that? Can we get that?

MR. ARNOLD: I didn't know we had it until I just made a phone call. How am I going to have a copy of it?

LEGISLATOR DERIGGI-WHITTON: Additional testing for what?

LEGISLATOR ABRAHAMS: No. Can you provide us with a copy?

MR. ARNOLD: Sure. I can talk to

my staff.

CHAIRWOMAN GONSALVES: Get us a copy of that, please.

MR. ARNOLD: Yes.

CHAIRWOMAN GONSALVES: I think, in the meantime, I think we need to move on. Sorry.

LEGISLATOR DERIGGI-WHITTON: Can you say that again, additional testing for?

LEGISLATOR SCHAEFER: You said nothing that you don't usually see. What does that mean?

MR. ARNOLD: Vapor testing.

LEGISLATOR DERIGGI-WHITTON: Vapor testing?

MR. ARNOLD: Which basically is, is there any vapors in the building associated with the groundwater contamination that's in the area. We have done that testing at a couple of county facilities. Asbestos, which we always get asked about, follow up with asbestos, and also lead paint.

LEGISLATOR DERIGGI-WHITTON: What

about the ground surrounding the building? Was there anything that was of concern? I'm almost more concerned with about the ground, the dirt than what's inside the building.

MR. ARNOLD: The vapor testing would see if there's any conduit of contamination from the groundwater and/or soil.

LEGISLATOR DERIGGI-WHITTON: So unfortunately I been through this with Glen Cove and we found arsenic, and we didn't find it until they did the test on the dirt itself. It didn't come from a vapor. We did it when we did the dirt sample which usually should be part of Phase One. There's nothing regarding any of the surrounding?

MR. ARNOLD: I just asked for the highlights. I didn't get the details.

CHAIRWOMAN GONSALVES: Who did the study?

MR. ARNOLD: I believe it was Diverka & Bartilucci. I have to double check. This all happened while I was on

vacation.

CHAIRWOMAN GONSALVES: Is that document that you are referring to available at this time?

MR. ARNOLD: I would have to go back and talk to my guys and talk to real estate. I'm sure it's available. I don't think it's a draft document but I could be wrong. I have to double check. They may be commenting on it still, so it may still be draft.

CHAIRWOMAN GONSALVES: All right, guys.

LEGISLATOR DERIGGI-WHITTON: Can you get that to us tonight, a copy of it?

MR. ARNOLD: There's nobody in the office.

CHAIRWOMAN GONSALVES: What time is the auction?

MR. ARNOLD: That would be Kevin Walsh would have to find that out.

CHAIRWOMAN GONSALVES: Do you think it's early in the morning?

MR. ARNOLD: I think there is a

standard time for these things, right?

CHAIRWOMAN GONSALVES: I have no idea. But if we can get a copy.

MR. ARNOLD: I will make some phone calls on the way home and see if anybody has it electronically.

CHAIRWOMAN GONSALVES: You have an email at home?

MR. ARNOLD: I will send it to Peter Kleins.

LEGISLATOR DERIGGI-WHITTON: You know, not for anything, but maybe the bidding, whoever is doing the bidding, should know what this says. Maybe it would just be like a good idea to know what we're bidding on.

I would hope that the person, whoever it is doing the bidding in real estate, would have a copy of it as well as us.

CHAIRWOMAN GONSALVES: Ken, is it likely that the person who is doing the bidding would receive a copy of this? I don't think so.

MR. ARNOLD: I don't know. It's not in my area of expertise.

CHAIRWOMAN GONSALVES: Sounds like pie in the sky to me, but what can I tell you.

MR. ARNOLD: I just don't if real estate people are contingent on their bid based on something they want to see done. I don't know. I can't speak to that.

CHAIRWOMAN GONSALVES: I still think that you can email.

MR. ARNOLD: If my people have it electronically, I will send it out tonight.

CHAIRWOMAN GONSALVES: Please. Thank you very much. He said tonight or tomorrow morning.

Let's go. Since there are no further comments, let's go with Item 6, the year 17, all those in favor signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

Abstain?

Rules Committee/1-9-17

(No verbal response.)

LEGISLATOR DERIGGI-WHITTON: Because we didn't get the report that we were promised, I feel like saying no.

CHAIRWOMAN GONSALVES: No. All right. Four to two.

We have one item left. I think it's Item 3, year 17, and I'm not reading this one. It went through Finance already. It's a resolution authorizing the County Attorney to compromise and settle the claim of plaintiffs, supervisor of the Town of Hempstead. I'm going to move on and see if there is anybody else beside the Town of Hempstead. Looks like there's various districts within the town of Hempstead, I believe, and, of course also it looks like the Town of North Hempstead as well. I'm not reading the whole thing.

It's a resolution authorizing the county attorney to compromise and settle the claim of Plaintiff Supervisor of Town of Hempstead versus Nassau County.

A motion, please, on this.

Rules Committee/1-9-17

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. Any questions? I know this went through Finance as well.

LEGISLATOR ABRAHAMS: This is not a question, just more that -- I mean, I know as the majority has, we received this on Friday. No. We got this today, sorry.

We're going to vote yes in the affirmative, but, obviously, we want to greater scrutinize the settlement agreement over the next two weeks, and, if we do have questions, bring those up to the administration, but we plan to vote yes today.

CHAIRWOMAN GONSALVES: There being no other comments, those in favor of Item 3 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes six to zero.

I believe that is it, am I right? Motion to adjourn, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Dunne, seconded by Legislator Nicolello. All those in favor signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

We are now adjourned. Thank you.

(Whereupon, the Rules Committee adjourned at 5:26 p.m.)

CHAIRMAN DUNNE: Will the members of the Public Safety Committee please take their seats? Will the clerk please call the roll?

CLERK PULITZER: Thank you. Public Safety Committee roll call. Legislator Siela Bynoe?

LEGISLATOR BYNOE: Here.

CLERK PULITZER: Minority Leader Kevan Abrahams?

LEGISLATOR ABRAHAMS: Here.

CLERK PULITZER: Ranking Member Laura Curran?

LEGISLATOR CURRAN: Here.

CLERK PULITZER: Legislator Denise Ford?

LEGISLATOR FORD: Here.

CLERK PULITZER: Legislator Vincent Muscarella?

LEGISLATOR MUSCARELLA: Here.

CLERK PULITZER: Vice Chairman Donald MacKenzie?

LEGISLATOR MACKENZIE: Here.

CLERK PULITZER: Chairman Dennis

Dunne?

CHAIRMAN DUNNE: Here.

CLERK PULITZER: We have a quorum, sir.

CHAIRMAN DUNNE: Thank you, Mr. Clerk. The first item to come before this committee is 608-16, an ordinance supplemental to the annual appropriation ordinance in connection with the Office of Management and Budget. We have with us?

MR. DELANEY: Thomas Delaney, Office of Emergency Management.

LEGISLATOR MUSCARELLA: So moved.

LEGISLATOR FORD: Second.

CHAIRMAN DUNNE: Motion by Vincent Muscarella, seconded by Denise Ford. Now the item is with the Office of Management and Budget.

MR. BECKER: Mr. Chairman, you might want to call all three items together. You want to do all three separate?

CHAIRMAN DUNNE: We will do it.

MR. BECKER: They're all kind of interrelated. You might want to discuss

them.

CHAIRMAN DUNNE: Good idea, Mr. Becker. We will also call Item 609-16, an ordinance supplemental to the annual appropriations ordinance in connection with Emergency Management, Public Works, Health and Medical Examiner.

And Item 610-16, an ordinance supplemental to the annual appropriations ordinance in connection with the Office of Emergency Management. Motion on those.

LEGISLATOR MUSCARELLA: So moved.

LEGISLATOR FORD: Second.

CHAIRMAN DUNNE: Again, the motion is by Legislator Muscarella and is seconded by Denise Ford.

MR. DELANEY: I was going to suggest that also because there is such a similarity between these three you could just save time.

These are three grants that Nassau County does not apply for, per se, they are not competitive is what I mean.

They are risked based grants.

The Department of Homeland Security, through FEMA, issues these grants. They are passed through New York State Department of Homeland Security.

To describe them all, they are all there so that we can prevent, prepare for, respond to, and recover from acts of terrorism. That is the main purpose of these grants is for terrorism.

They also have an all hazard nature to them too, which we said during Sandy, we are not immune from all hazard events, but terrorism is the main purpose of these grants.

The first one, 608-16, that's our UASI or Urban Area Security Initiative Grant. We receive that because of our proximity to New York City.

There are I believe about 30 UASI cities in the country. New York City receiving the large majority of funding like double -- I would say even triple of the next city down.

New York City has the highest

threat level. Being a contingent to New York City, we get some of the money, a very small portion of it, but we're very happy to get anything.

CHAIRMAN DUNNE: So that's $2,647,000 for the urban area security initiative. 609 is?

MR. DELANEY: That is our State Homeland Security Grant Program. That's awarded to every county in the state from New York State, again, based on risk. So we stand alone in our risk profiling in receiving that.

CHAIRMAN DUNNE: That's $1.4 million and change.

MR. DELANEY: Correct.

CHAIRMAN DUNNE: And 610?

MR. DELANEY: The last one, 610 is our Emergency Management Performance Grant. That allows us to maintain and sustain our emergency operations center. We use it for staffing expenses. It is a match grant. The other two grants are no match. The MPG has a 50 percent cost match

associated with it. We use it primarily for salary fringe, and a small portion of it is used for travel expenses for OEM staff to attend approved training.

CHAIRMAN DUNNE: That's half a million dollars of a grant that we're receiving. Okay. Now are there any questions from any legislators about any of these three items?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of all three of these items indicate by saying aye.

(Aye.)

Any against?

(No verbal response.)

LEGISLATOR FORD: Motion to adjourn.

LEGISLATOR MUSCARELLA: Second.

CHAIRMAN DUNNE: There being no further business coming before this committee, Legislator Ford makes a motion to

adjourn and seconded by Legislator Muscarella. All those in favor indicate by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

We are so closed. Planning, Development and the Environmental Committee is next.

(Whereupon, the Public Safety Committee adjourned at 2:31 p.m.)

CHAIRMAN MUSCARELLA: Public Works and Parks Committee is hereby called to order. I will call the roll. I am here as chairman. Vice Chairman Rhoads substituted by Rose Walker?

LEGISLATOR WALKER: Here.

CHAIRMAN MUSCARELLA: Donald MacKenzie?

LEGISLATOR MACKENZIE: Present.

CHAIRMAN MUSCARELLA: Bill Gaylor?

LEGISLATOR GAYLOR: Here.

CHAIRMAN MUSCARELLA: Ranking Member Ellen Birnbaum?

LEGISLATOR BIRNBAUM: Here.

CHAIRMAN MUSCARELLA: Laura Curran?

LEGISLATOR CURRAN: Here.

CHAIRMAN MUSCARELLA: Arnold Drucker?

LEGISLATOR DRUCKER: Here.

CHAIRMAN MUSCARELLA: We have a quorum. We have one item before us. It's Item 5 of 2017, an ordinance supplemental to

the annual appropriations ordinance in connection with the Department of Public Works. Good afternoon.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR WALKER: Second.

MR. ARNOLD: Good afternoon. Ken Arnold, Public Works.

CHAIRMAN MUSCARELLA: Can you just give us a brief?

MR. ARNOLD: Yes. The department through NYSERDA received a grant for $100,000 to do a micro-grid study for the Bay Park East Rockaway community as it pertains to the Bay Park Sewage Treatment Plant. So this study the department will be looking at ways to help the local village utilizing some of the power facilities that are at the Bay Park facility.

CHAIRMAN MUSCARELLA: If I might, there was a motion made by Legislator Gaylor, seconded by Rose Walker.

Do we have any questions on this item? Yes, Ms. Curran.

LEGISLATOR CURRAN: Could you

please explain more what this means so the surrounding community can use the power facility, the power from the facility, how does that work?

MR. ARNOLD: Bay Park produces all its own power for the treatment facilities. In addition, it's behind now a completed protected barrier.

This would look to help the local village hall, fire department or other municipal facilities within the Rockaway community whether they could utilize the excess power during an emergency.

LEGISLATOR CURRAN: So this is a state grant to make that happen?

MR. ARNOLD: To study it.

LEGISLATOR CURRAN: To study it. Got it.

CHAIRMAN MUSCARELLA: If I may, this grant went to the incorporated village or went to us?

MR. ARNOLD: It went to the county.

CHAIRMAN MUSCARELLA: To the

county specifically for the incorporated village?

MR. ARNOLD: Yes. There are other parts of the county that the villages and towns have gotten these types of grants, but in this case the county received the grant.

CHAIRMAN MUSCARELLA: It is conditioned that it be used for the village of East Rockaway?

MR. ARNOLD: The East Rockaway Bay Park community, yes, this particular grant.

CHAIRMAN MUSCARELLA: Okay. Ms. Birnbaum.

LEGISLATOR BIRNBAUM: Did the Village of East Rockaway initiate the process of this grant?

MR. ARNOLD: I believe this came out of the scoping sessions that were done by New York State as part of the community CR program when the looked at all the different problems associated with Hurricane Sandy. They met with the various

communities. They were looking for different solutions to different problems.

Micro grids were brought up at that point and I believe that's where that came from and there were village people on those review boards, review committees.

LEGISLATOR BIRNBAUM: Is that the normal process for NYSERDA to give the grant to the county to give to the village?

MR. ARNOLD: I'm not sure if that's the normal process.

LEGISLATOR GAYLOR: I have a question.

CHAIRMAN MUSCARELLA: Ms. Birnbaum, do you have more questions?

LEGISLATOR BIRNBAUM: No. No questions.

CHAIRMAN MUSCARELLA: Legislator Gaylor.

LEGISLATOR GAYLOR: So this is not just solely contained within the village of East Rockaway. Bay Park is the community that sits immediately outside the treatment facility, they would see the primary benefit

of micro grid and then I guess Village of East Rockaway then could piggyback on it as well, so it's not all within the village, it's a town or a county as well benefits.

MR. ARNOLD: Well, I was looking municipal facilities so other than maybe street lighting, the LE municipal facilities that are down there are for the village.

LEGISLATOR GAYLOR: Well, there's a railroad that runs through there as well, do they benefit from this possibly?

MR. ARNOLD: I'm not sure if that's within the study scope of what we're looking to do. I know the emergency response facilities which would include the fire department, village hall, and public works facilities, and East Rockaway are the ones that I believe are the focus of this study.

LEGISLATOR GAYLOR: Okay.

CHAIRMAN MUSCARELLA: It's my understanding, I don't know if you know if this is true or not, but I've just been told that the East Rockaway Fire Department are

the first responders for the Bay Park treatment center; is that correct?

MR. ARNOLD: That is true.

CHAIRMAN MUSCARELLA: Okay. Honestly, I don't know whether this is the way this normally happens or it doesn't normally happen this way, or if the county has to be the vehicle through which this passes, but it seems to me that if that's in fact the case, that East Rockaway is the primary first responder for Bay Park and Bay Park is a county facility, this is something that I don't have any objection to.

And, perhaps, if we have additional questions with respect to how this actually works, we can ask and get those things answered before we vote on this, but if there are no other questions -- Mr. Drucker.

LEGISLATOR DRUCKER: Just one. What other sewage treatment plants are eligible?

MR. ARNOLD: I'm not sure eligibility is the right term. I know down

in Cedar Creek, it also produces its own power, but there was no discussion of using that as a micro grid for other communities, so I'm not sure. I think this came out of the CR committee's discussion of how we can help that community that had totally lost power during Sandy and how they can keep some of their operations up and running.

So I'm not sure. This grant was given to us by NYSERDA. I'm not sure what their criteria -- why they selected Nassau County.

LEGISLATOR DRUCKER: I'm just curious if you know or if you are aware of any other treatment plants that might have to have this micro grid as well?

MR. ARNOLD: No, I'm not.

LEGISLATOR DRUCKER: So does each of the treatment plants have their own micro grids already or was the micro grid that was installed at Bay Park was the biproduct of Hurricane Sandy --

MR. ARNOLD: Let me back up. All the county sewage treatment plants produce

power. Glen Cove produces only backup power, it's primary feed is LIPA or New York Power Authority.

So this is looking at how we can utilize the power at Bay Park to support the surrounding community during an event where their first power source, which would be PSEG, was lost.

So right now this is looking at a study, is it feasible, if feasible, what would we look to connect. The second part is, which would probably be a separate grant that we would compete for, would be to supply the equipment to do that connection.

LEGISLATOR DRUCKER: Thank you.

CHAIRMAN MUSCARELLA: And would I be correct if maybe assuming that whatever this study finds in terms of the feasibility of Bay Park to provide the micro grid, that might be usable in other treatment facilities of a similar type?

MR. ARNOLD: That would be a good assumption. There would be certain parts parts of that study that would be programmed

no matter what district the facility would be.

CHAIRMAN MUSCARELLA: Any other questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor of moving this item on please say aye.

CHAIRMAN NICOLELLO: Calling the Finance Committee to order. Mr. Pulitzer, please call the roll.

CLERK PULITZER: Thank you, Mr. Chairman. Finance Committee. Legislator Ellen Birnbaum?

LEGISLATOR BIRNBAUM: Here.

CLERK PULITZER: Legislator Laura Curran?

LEGISLATOR CURRAN: Here.

CLERK PULITZER: Ranking Member Siela Bynoe?

LEGISLATOR BYNOE: Here.

CLERK PULITZER: Legislator Donald MacKenzie?

LEGISLATOR MACKENZIE: Here.

CLERK PULITZER: Legislator Rose Marie Walker?

LEGISLATOR WALKER: Here.

CLERK PULITZER: Substituting for Vice Chairman Vincent Muscarella is Legislator Dennis Dunne?

LEGISLATOR DUNNE: Here.

CLERK PULITZER: And Chairman

Nicolello?

CHAIRMAN NICOLELLO: Here.

CLERK PULITZER: We have a quorum, sir.

CHAIRMAN NICOLELLO: Thank you. Item 584 of 2016 is a resolution to increase the petty cash fun of the Office of the District Attorney pursuant to the Nassau County Administrative Code.

LEGISLATOR DUNNE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator Walker. The item is before the committee. Mr. McManus.

MR. MCMANUS: Bob McManus, District Attorney's Office. We use our petty cash fund quite a bit. We use it to reimburse witnesses for meals, to make emergency purchases of computer parts and supplies, subscriptions, ancillary expense for process severs and other items needed on short notice that cost less than $500.

We have two main locations; one

in Hempstead and one in Mineola, and there are times when we are waiting for claims to be processed that we sometimes get close to running short.

Your approval of this increase will insure that we always have petty cash on hand when it is necessary.

CHAIRMAN NICOLELLO: Thank you. Any questions?

(No verbal response.)

Is there any public comment?

All those in favor signify by saying aye.

(Aye.)

Those opposed?

Carries unanimously.

Item 602 is a resolution declaring a capital budget emergency pursuant to Section 310D of the County Government Law of Nassau County.

LEGISLATOR WALKER: So moved.

LEGISLATOR MACKENZIE: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Walker, seconded by Legislator MacKenzie. That item is before the committee. Do we have anyone to speak on this item?

MR. ARNOLD: Good afternoon, Ken Arnold. Item 601 is a capital budget emergency.

CHAIRMAN NICOLELLO: Should I call them both together or it doesn't matter?

MR. ARNOLD: Call them both together.

CHAIRMAN NICOLELLO: 602 of 2016, an ordinance to amend Ordinance 13 of 2016 adopting the capital budget for the year 2016 for the County of Nassau corresponding to the first year of the four year capital plan.

LEGISLATOR MACKENZIE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator MacKenzie, seconded by Legislator Walker. That item is before us. Go ahead,

Ken.

MR. ARNOLD: So 602 is the capital budget amendment. It is to put outside funding into five capital projects in the current approved budgeting plan.

They include funding received through the Charles Lindbergh lease which is the 90-400 capital project.

The police have indicated that they received a grant for their IT department. In addition for Silver Lake, we received a New York State grant through the Governors Office of Storm Recovery. Christopher Morley Park, this is the funding we received for the use of the property for the water district.

And, finally, the county received funding for the parking garages through a governor's office initiative for the Mitchell Field hub.

CHAIRMAN NICOLELLO: With respect to Charles Lindbergh Boulevard, the lease there, that money is being put back into the leasehold property?

MR. ARNOLD: Yes. That is for work being done 60 Charles Lindbergh as part of the lease.

CHAIRMAN NICOLELLO: Christopher Morley Park improvements, do we know what improvements we are going to make and realize the money coming from our agreement to be allowed for the park?

MR. ARNOLD: I believe that there's some minor work that we have ongoing that we're going to utilize the money for, but a great part of it we have not decided what to do yet.

CHAIRMAN NICOLELLO: The Nassau hub parking lot improvements, that's a state grant for the Coliseum property?

MR. ARNOLD: Yes, and the department currently has put out an RFP to start to look at the planning part of that project.

CHAIRMAN NICOLELLO: Now, would that cover the entire project in terms of the tiered parking or not?

MR. ARNOLD: Yes, that is our

goal is that $85 million will cover what we will build. That's part of the planning part, to find out how many spaces that actually will cover the size of the unit, the location of the unit, working with the various stake holders in the area.

CHAIRMAN NICOLELLO: Anyone else have any other questions on this item? Legislator Curran.

LEGISLATOR CURRAN: For the Charles Lindbergh building, what are the improvements?

MR. ARNOLD: I would have to go back and speak to my facilities people, but there is a long list of things that that building needs to have addressed and that would be -- the occupants would be directing us what they need to have achieved at that building.

LEGISLATOR CURRAN: You don't have it in front of you but there is a lot of basic fixes that need to happen?

MR. ARNOLD: Yes. I believe there's a flooring issue, all kinds of

different issues that need to be addressed in that facility.

LEGISLATOR CURRAN: For the police department IT infrastructure, do you know what this refers to exactly?

MR. ARNOLD: Not 100 percent sure what the grant was for. I believe it had to do with their cyber protection. But don't quote me on that. I would rather ask them exactly where they got that.

LEGISLATOR CURRAN: So we can ask them at the Full Leg.

MR. ARNOLD: Yes, I'll get that.

LEGISLATOR CURRAN: You might have covered this already, but the half a million for Christopher Morley Park comes from where?

MR. ARNOLD: That was part of the agreement with the water district, putting the air stripper power on the property;

LEGISLATOR CURRAN: Thank you.

CHAIRMAN NICOLELLO: Any other questions on these items?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Those items carry unanimously.

Item 607 of 2016 is a resolution to amend resolution 387 of 2008 as last amended by resolution 244 of 2015 to designate newspapers to publish and identify the real property listed by school district number located wholly or partly in the Town of Hempstead, North Hempstead, Oyster Bay, City of Glen Cove and City of Long Beach on which real estate tax liens are subject to sale by the county treasurer.

LEGISLATOR DUNNE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator Walker. We looked at this and it looks like this is a pared down list of some of the

newspapers, so there may be an amendment coming in the next couple of weeks to add some of our local newspapers onto this list. Any discussion? Legislator Curran.

LEGISLATOR CURRAN: I don't know if there's someone here to speak on this, but how are the local papers selected? We do it? The Legislature does it?

CHAIRMAN NICOLELLO: Yes. I think we pick the papers.

LEGISLATOR CURRAN: So the property owners, are they also contacted by mail or is it just through the papers?

MR. BECKER: Yes. The answer to the question is yes.

LEGISLATOR CURRAN: Also individually by mail?

MR. BECKER: Yes.

LEGISLATOR CURRAN: How much does this cost to advertise in all these newspapers?

LEGISLATOR BECKER: I really don't have any idea. It depends of course from year to year.

LEGISLATOR CURRAN: I guess it depends on how many ads have to be put in and that would vary.

MR. BECKER: Exactly.

LEGISLATOR CURRAN: Is there like a range?

CHAIRMAN NICOLELLO: Counsel tells me it's in the range of $300,000 a year.

LEGISLATOR CURRAN: $300,000 a year. Okay. The reason I ask this is, does it make sense to advertise in these papers?

MR. BECKER: It's required by law.

LEGISLATOR CURRAN: It is?

MR. BECKER: Yes. Required by law.

CHAIRMAN NICOLELLO: Actually, we are going take a look at this in the next couple of weeks. One of the things we're going to look at is, to the extent we have to advertise, what that advertising consists of; does it have to be the full statement which generates all that money, or can it be

an abbreviated statement directing interested parties to the county's website which may be --

LEGISLATOR CURRAN: Right. I'm thinking with technology perhaps we can save some money, fewer people are reading newspapers than they ever were.

CHAIRMAN NICOLELLO: So true. Any other questions on this item? Legislator Bynoe.

LEGISLATOR BYNOE: This is to the benefit of communities so I would hope that we would take into consideration that certain communities may not always have access to computers. So, while we look to pare down or save money, that it might be to the detriment of some communities that are underserved.

CHAIRMAN NICOLELLO: I think that's something that we would have to definitely take a look at as far as looking at this. Any other questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

That item carries unanimously.

I'm going to call several items together; 608, 609, 610, and they are ordinances supplemental to the annual appropriate ordinance in connection with the office of Management and Budget, Emergency Management, Public Works, Health and the Medical Examiner.

LEGISLATOR DUNNE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator Walker. These items just went through the Public Safety, and I ask that all committees be incorporated by reference.

(Whereupon, the please refer to the minutes of the Planning, Public Safety, Public Works, Health and Finance Committees

Finance Committee/1-9-17

pertaining to Clerk Items 608, 609, 610; dated 1-9-17.)

Any questions on these three items?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Items carries unanimously.

Item 612 is a resolution authorizing the County Executive to execute a grant agreement between the County of Nassau acting on behalf of the Department of Parks, recreation, and Museums and the Sea Cliff Chamber Players, Inc.

A motion, please.

LEGISLATOR MACKENZIE: So moved.

LEGISLATOR DUNNE: Second.

CHAIRMAN NICOLELLO: Moved by Legislator MacKenzie, seconded by Legislator

Dunne. The item is before the committee. I see Eileen Krieb approaching.

MR. PODLESAK: Mr. Chairman, I would just point out that there is a second item, 1-17, it's similar, you might want to hear both of them together.

CHAIRMAN NICOLELLO: That's fine. 1-17 is a resolution authorizing the County Executive to execute a grant agreement between the County of Nassau acting on behalf of the Department of Parks and Artists in Partnership, Inc.

A motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator Walker.

MS. KRIEB: Item 612-16 is a contract with Sea Cliff Chambers for entertainment provided through the Parks Department during the holiday season for $10,000 funded through Hotel Motel funding;

And the second 1-17 is a $5,000

grant to Artists in Partnership for their cultural advancement in their local area.

CHAIRMAN NICOLELLO: I have a question about 612 of '16. Looks like the services to be provided have already been provided.

MS. KRIEB: Yes, the contract was filed in '16 but not calendared till now, so it was delayed because of all the paper disclosure forms that were needed and it was filed -- the services had been performed during the holiday season.

CHAIRMAN NICOLELLO: So the delay was occasioned by the gathering of the --

MS. KRIEB: Disclosure and forms, yes. Very confused.

CHAIRMAN NICOLELLO: Now, the processing of these grants are done by the Parks Department, correct?

MS. KRIEB: Yes.

CHAIRMAN NICOLELLO: It just seems like they're coming to us on a regular basis after the fact. What can we do to make sure that these come before us before

they actually perform the services?

MS. KRIEB: Our procedure now is we obtain a request for the grant. We then process it to get approval. Then we make sure that they've satisfied the previous grant so that when they get to the Comptroller's Office it's not rejected.

So sometimes it's the back up process it's taking longer to get from these smaller historic or not for profit groups. So we are trying our best to proceed as soon as we give them the grant that they realize now they have to provide the paperwork backup to reconcile last years before they can start this years.

CHAIRMAN NICOLELLO: What we are looking for going forward, however, that these come to us before the services are provided.

I don't know if it requires you to start planning earlier with respect to this or develop a different process to keep track of the paperwork that's coming in, but especially with respect to these grants, it

seems like a regular basis. It's two months after they're being processed.

So it's a new year. I don't know what has to be done in the department but whatever has to be done to make these grants come to us in a timely fashion.

MR. BECKER: Mr. Chairman, as in the Office of Legislature Affairs, the new disclosure forms have created some confusion especially for the smaller groups. That used to be a pretty simple process, but now there's the lobbying form, and a whole bunch of other forms.

Sometimes, for example, they put on a lobbying form "not applicable" and we don't accept that according to the County Attorney, it has to say none.

There's has just been a bit of back and forth and confusion and you have seen this happen a few times, but as these groups are becoming more familiar with the process, we're not going to run into this situation much more.

Plus, we are on the verge of

showing the Legislature the contract routing system, the electronic contract routing system that's been developed over the last three or four years and we hope to demonstrate it for the Legislature in the coming weeks, and that is going to definitely help the process because the paperwork going back and forth will not occur anymore, it will all be done electronically, and we're excited about showing you this. This was happening when I was legislator, I didn't know it was in the process.

So I think you're going to find moving forward you're not going to see this happening that often if at all.

CHAIRMAN NICOLELLO: Actually we had a preview of that over the summer, the system that's coming, and I think that will be a tremendous benefit once it's put in place because, for our purposes, we will be able to track how it went through the process so, if there is a delay in a particular department, I think we'll be able

to see it. The sooner we can do that the better. Any other questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Thank you, Eileen.

Items 618, 621, 624 of 2016 are all resolutions to authorize the transfer of appropriations heretofore made within the budget for the year 2016.

LEGISLATOR DUNNE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator Walker. Do we have anyone to speak about these transfers?

MR. PERSICH: Andy Persich, Management and Budget.

I'll start with 618, this is a

board transfer to cover salaries between the police department and the sewer district and the Board of Elections. In the police department we would hope to achieve some attrition savings that didn't materialize and we offset it with some savings that we had in other funding sources.

The sewer district, because of the capital back charges that we charged certain personnel costs to, it didn't happen so we had a shortfall in salaries there.

And in Board of Elections we had to amend the original resolution that we did for the inspectors because we ran short a little bit in the funding source in the EL-10 line for lack of a better thing and that's what 618 is talking about.

In 624, which is the other board transfer for the police department. It's the same reason. We didn't achieve the attrition savings. There was some overtime costs. I will let Lieutenant Stephanoff jump in at any time but there was some extraordinary items that were not budgeted

like the presidential debate and some other Homeland Security items that created some overtime anomaly.

CHAIRMAN NICOLELLO: Are you able to speak to 621 also?

MR. PERSICH: 621 I can speak to too. I wanted to do those two first because those relate to salaries. 621 is the balance of the bond premiums that we are moving over to the litigation fund, that's defined by the NIFA resolution that we have to do this way. This is the balance for the remainder of 2016.

CHAIRMAN NICOLELLO: Does anyone have any questions for Mr. Persich? Legislator Birnbaum.

LEGISLATOR BIRNBAUM: On this item, 618, in order to transfer funds, you do need the approval of the Legislature but obviously it's already been done, is that correct?

MR. PERSICH: Correct. And that's because these are the paid salaries and we do a polling for this reason and

that's what this item is about but in order to move from point A to point B, whether it be one dollar or a penny we need the Legislature's approval.

LEGISLATOR BIRNBAUM: I don't remember getting polled. Who do you poll?

MR. PERSICH: I don't know the protocol. All I know is that we go to the clerk. It goes to the majority minority finance people. I'm pretty sure it does.

LEGISLATOR BIRNBAUM: I definitely know I never got polled.

MR. PERSICH: I'm just telling you but there is a process in place that it does go to both sides.

LEGISLATOR BIRNBAUM: I don't think so.

MR. PERSICH: I could be wrong, but -- it goes to the clerk's office.

CHAIRMAN NICOLELLO: Legislator Bynoe.

LEGISLATOR BYNOE: Can someone from the Clerk's Office or from the majority give us an idea as to how this occurs and

who is actually polled? I can speak for two of the finance committee members, we weren't polled.

CHAIRMAN NICOLELLO: I don't know exactly what the administration does. But we do know that the majority does get polled on these items.

LEGISLATOR BYNOE: Is somebody here from the County Attorney's Office and they can come down and speak to us and advise us on the process and what I guess legal remedies --

MR. BECKER: Legislator Bynoe, the clerk's office is asked to do the polling.

LEGISLATOR BYNOE: Yes, but I suspect that they are following something that the County Attorney's Office put in place.

MR. BECKER: Per the Clerk's Office at some point, but there is a legal process to this.

LEGISLATOR BYNOE: Yes, I want someone to explain it to us because --

MR. BECKER: We don't know what that is. We are asked to have a polling done and the Clerk's Office does it.

LEGISLATOR BYNOE: But the point is is that this item comes through Finance and Rules, and if it's not the Finance and Rules Committee members that are polled and only the majority, then I think in all actuality circumventing the committee, and what is the purpose of having the committees then look at this item if it's already been polled and approved by the majority?

This is supposed to come through the committees and I can speak for the Finance Committee that we have not been polled.

CHAIRMAN NICOLELLO: What happens if we don't approve this budget transfer?

MR. PERSICH: It's salary related. It's a common occurrence towards the end the year because of the meetings and stuff like that that there is a polling that needs to occur because people will not get paid.

Finance Committee/1-9-17

LEGISLATOR BYNOE: I'm not actually disputing the fact that there is a polling and I understand it's salaries and I understand you have to pay them. I'm disputing who they may have polled.

MR. PERSICH: Right. And let me just reiterate. We get notification that there is a shortfall and we have to react to it.

LEGISLATOR BYNOE: I totally understand.

MR. PERSICH: The process, I'm not sure -- we do go through our process of preparing the paperwork because we have to identify how we're funding this and that's what we do.

LEGISLATOR BYNOE: I totally understand. For me to be perfectly clear, I'm not in any way, shape, or form -- I'm comfortable with the idea of polling based on the situation. I just want to have clarity and be sure we are polling the correct members.

I feel as though the Finance and

Rules Committees that are part of the Democratic caucus were circumvented or we weren't included and it was only the majority.

I think this is something that should be polled because it sounds like the right process. I just think the methodology for picking the individuals who are polled from my perspective is faulty.

CHAIRMAN NICOLELLO: My understanding is that this is how the Legislature has operated since the beginning. When we were in the majority and when we were in the minority.

When we were in the minority we did not get polled. They poll the majority simply because they want to make sure there's enough votes for the item. So that's the procedure that's been followed for -- I guess it would be -- poll everybody if they wanted to, but as long as they have a majority, they are able to go ahead with what they need to do in terms of a budget transfer to make sure people get paid.

Finance Committee/1-9-17

LEGISLATOR BYNOE: Chairman Nicolello, I wasn't here when you guys were in the minority so I will take your word for it that that may have occurred.

But, honestly speaking, I don't think that that would even be fair or right.

I think what's appropriate and right should be something that we should strive for as a body at this time despite what may have been done in the past.

So, my point is, if this is something that comes through Finance and Rules, and those are the committees that these things come through, that those are the bodies that should be polled. I don't think that we should then just poll one particular caucus.

I honestly wouldn't be in favor of that if I was in the majority. I don't think that's the proper way to do things. So I'm calling for the County Attorney at some point to give us a legal opinion that that was even a justified action. Because I actually take exception that it was done

that way.

So, as far as I'm concerned, the items were already transferred. Us not voting on it today is really fruitless. It doesn't yield anything. Thank you.

CHAIRMAN NICOLELLO: Thank you. Any other questions or discussion?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

Those carry unanimously or not?

LEGISLATOR BYNOE: Yes.

CHAIRMAN NICOLELLO: Items 2 and 4 of 2017 -- I'm going to hold those for later as they are executive session items.

Item 5 of 2017 is an ordinance supplemental to annual appropriation ordinance in connection with the Department of Public Works.

LEGISLATOR MACKENZIE: So moved.

Finance Committee/1-9-17

LEGISLATOR DUNNE: Second.

CHAIRMAN NICOLELLO: Moved by Legislator MacKenzie, seconded by Legislator Dunne. The item is before the committee. It went through Public Works a few moments ago. Any questions? It's Item 5 of 2017.

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Carries unanimously.

Item 6 of 2017 is an ordinance to amend Ordinance Number 13 of 2016 adopting the capital budget for the year 2016 for the County of Nassau corresponding to the first year of the four year capital plan.

LEGISLATOR WALKER: So moved.

LEGISLATOR DUNNE: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Walker, seconded by Legislator

Dunne. Mr. Arnold.

MR. ARNOLD: Ken Arnold, Public Works. Item 6 of 2016 is a capital budget amendment to rename a capital project from land acquisitions to property acquisitions, that's project 9B-480.

CHAIRMAN NICOLELLO: There's also an increase from zero to one dollar?

MR. ARNOLD: That's correct.

CHAIRMAN NICOLELLO: Do you know what the purpose of that is?

MR. ARNOLD: As far as the building on the OEM building, it's to put a place holder in the financial system.

CHAIRMAN NICOLELLO: All right. Any questions on this item? Legislator Curran.

LEGISLATOR CURRAN: What is the purpose of this?

MR. ARNOLD: It was felt that land acquisitions may not be the appropriate name for the project if we were to look to buy certain types of properties, we want to broaden the scope to include all properties,

so we just looked to change the definition of the property acquisitions.

LEGISLATOR CURRAN: Is there a particular project or purchase in mind for this?

MR. ARNOLD: In looking at, I believe in looking at the OEM building, they felt that this is something they should do for that project if the time comes they're funded.

LEGISLATOR CURRAN: So the OEM building, as I understand, was supposed to be done with asset forfeiture money.

MR. ARNOLD: There's also some county capital, my understanding is going to cover that also.

LEGISLATOR CURRAN: Okay. So why not leave this alone -- I guess my first question would be, is there a list of land that we were looking to acquire that maybe we may not be acquiring since we're going --

MR. ARNOLD: No, there's not.

LEGISLATOR CURRAN: So, there is no list? There is no intention to buy land?

Finance Committee/1-9-17

MR. ARNOLD: That's correct.

LEGISLATOR CURRAN: So then why not keep this the way it is and open a new capital project so that the asset forfeiture money could go into that to do this transaction?

MR. ARNOLD: It's the county's -- would prefer to have capital projects that expand multiple sources. We box ourselves in quite a bit when we have specific capital projects and then we have excess funding or we don't require all the funding that was put in the project, those bond proceeds sit fallow and you guys all ask me questions about that, looking to broaden our capital projects to encompass many things so if the intent of the project does not go for one thing it's capable of covering another shortfall someplace else.

LEGISLATOR CURRAN: So you're saying it wouldn't be -- by changing the category, it could be for the OEM building and for other things as well?

MR. ARNOLD: Possibly, yes, and

we could find out later on that we boxed ourselves in for other types of issues.

LEGISLATOR CURRAN: It concerns me because it seems to me that the intent of the original project in the capital plan was for land acquisition, so we are sort of commingling this money now to use it for something else.

MR. ARNOLD: I have no answer to that.

LEGISLATOR CURRAN: Okay. There's a lot of unknowns for me on this one. Thank you. I don't have anymore questions.

CHAIRMAN NICOLELLO: Any other questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(Nay.)

Abstain?

(Abstain.)

The item passes four in the positive, one against, and two abstentions.

Motion to suspend the rules to the addendum.

LEGISLATOR MACKENZIE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Legislator MacKenzie makes the motion, seconded by Legislator Walker. All in favor of suspending the rules signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Rules are suspended.

We are going to skip the first item which is also executive session.

Item 9 of 2017 is an ordinance supplemental to the annual appropriation ordinance in connection with the Department of Social Services.

LEGISLATOR WALKER: So moved.

LEGISLATOR DUNNE: Second.

Finance Committee/1-9-17

CHAIRMAN NICOLELLO: Moved by Legislator Walker, seconded by Legislator Dunne. This item went through the Health Committee a few moments ago.

Do we have any questions on this item?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Carries unanimously.

We have two items we are going to call together, Items 10 and 11 of 2017, resolutions authorizing the County Executive to execute a grant agreement between the County of Nassau acting on behalf of the Department of Parks, Recreation, Museums and the Historical Society of Merricks as well as an agreement with respect to the Hood African Methodist Episcopal Zion Church.

Finance Committee/1-9-17

LEGISLATOR DUNNE: So moved.

LEGISLATOR MACKENZIE: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator MacKenzie. The item is before the committee. Ms. Krieb.

MS. KRIEB: The Historical Society of the Merricks is a Hotel Motel Grant in the amount of $10,000 for a restoration program they have and a traveling exhibit.

That's within the term expiring 12-31-17; and the second contract 11-17 is with the Hood African Methodist Episcopal Zion Church and it's merely an amendment because they wrote not able to complete funding their project from last year in a timely manner so we have extended it to June 30, 2017.

CHAIRMAN NICOLELLO: Any questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Those two items carry unanimously. Now we are going to go to the executive session items. They are items 2, 3 and 4 of 2017. 2 and 4 are resolutions authorizing the County Attorney to compromise and settle the claims of Plaintiff Seemona Sumuasar and Chiara McDonald as set forth in the action entitled, by the same, verus Nassau County.

And a resolution authorizing the County Attorney to compromise and settle the claim of Plaintiff, Alicia Boudouris, as set forth in the claim, the action entitled Alicia Boudouris versus the County of Nassau.

Item 3 is a resolution to authorize the County Attorney to compromise and settle the claim of Plaintiffs Supervisor of the Town of Hempstead versus

the County of Nassau.

LEGISLATOR CURRAN: Before we go into executive session, can I ask a question?

CHAIRMAN NICOLELLO: We just need a motion.

LEGISLATOR WALKER: So moved.

LEGISLATOR DUNNE: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Walker, seconded by Legislator Dunne. Both items are before the committee. Legislator Curran has a question.

LEGISLATOR CURRAN: So, since the actual complaint and the order issued by the court are public, can we discuss those in public?

CHAIRMAN NICOLELLO: Which complaint are we talking about?

LEGISLATOR CURRAN: I'm speaking about the one involving corrections?

CHAIRMAN NICOLELLO: Go ahead and ask the question and see if there is an issue with it.

LEGISLATOR CURRAN: The question

would be, has there been additional training for corrections officers in light of this?

CHAIRMAN NICOLELLO: That's a good question. But I don't know if we can have them answer that here with the case still open.

MS. LOCURTO: Lisa Locurto, County Attorney's Office. I think it would be better and more appropriate to discuss that in executive session.

After we discuss it in executive session, whatever we can put on the record we will, but I think that's a question better for executive session.

LEGISLATOR CURRAN: Thanks.

CHAIRMAN NICOLELLO: Do I have a motion to go into executive session.

LEGISLATOR DUNNE: So moved.

LEGISLATOR MACKENZIE: Second.

CHAIRMAN NICOLELLO: Legislator Dunne makes that motion, seconded by Legislator MacKenzie. All those in favor of executive session signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

We are in executive session and all members of the Rules Committee are invited to join us.

(Whereupon, the Finance Committee recessed at 3:40 p.m. and reconvened at 4:58 p.m.)

CHAIRMAN NICOLELLO: We are out of executive session. We have the items 2, 3 and 4 of 2017 before us. Is there any public comment?

(No verbal response.)

All those in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

Those items carry unanimously. Motion to adjourn.

LEGISLATOR DUNNE: So moved.

LEGISLATOR WALKER: Second.

CHAIRMAN NICOLELLO: Moved by Legislator Dunne, seconded by Legislator

Walker. All in favor signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

We are now adjourned.

(Whereupon, the Finance Committee adjourned at 5:00 p.m.)

LEGISLATOR GAYLOR: So moved.

LEGISLATOR KENNEDY: Second.

CHAIRWOMAN WALKER: Motion by Legislator Gaylor, seconded by Legislator Kennedy. All those in favor?

(Aye.)

There is one item on the addendum agenda, it's Clerk Item 9-17. It is an ordinance supplemental to the annual appropriation ordinance in connection with the Department of Social Services.

We have Mr. Paul Broderick here. Happy New Year to you.

MR. BRODERICK: Yes, a healthy and peaceful New Year. Paul Broderick.

CHAIRWOMAN WALKER: My fault. We

did not have a motion for the item.

LEGISLATOR KENNEDY: So moved.

LEGISLATOR SCHAEFER: Second.

CHAIRWOMAN WALKER: Motion by Legislator Kennedy, seconded by Legislator Schaefer. All those in favor of the motion moving forward say aye.

(Aye.)

Never mind. I'm a little rusty. It's the new year.

MR. BRODERICK: Good afternoon. Paul Broderick, Deputy Commissioner, Department of Social Services. The item before is a supplemental appropriation for $109,200 from New York State.

The monies from this grant are essentially pass-through monies that will go to the Safe Center which is one of about 65 community-based agencies that the department collaborates with to support safe harbor initiatives, which is human trafficking essentially.

The monies at the Safe Center will use it for is for subject matter

experts that will interview people who come in that are identified as victims. They will work with police department and the District Attorney to assist these individuals when they come in. Do you have any questions?

CHAIRWOMAN WALKER: Do we have any questions for Mr. Broderick? Do we have a large number who come in with this particular issue?

MR. BRODERICK: It's not a large number but I believe as more people are becoming aware, the whole idea, and it started with the youth population, the idea is that you don't want to make an individual a victim twice.

If they were committing, say crimes, but they were trafficked to, that's what started them, so they're getting victimized twice, to get penalized for some of the actions.

There hasn't been a significant number. I believe last time it was 25 individuals, if my memory serves, maybe that

was last year or the year before that were identified.

But as this comes, and it's becoming -- people are becoming aware of it, like police departments, and through community awareness to say that somebody who is maybe underage and is arrested as prostitute, that might not be the base thing, they might be human trafficking. Things like gangs and other public safety, I guess, crimes.

LEGISLATOR WALKER: And possibly they were forced into this negative behavior because of this human trafficking?

MR. BRODERICK: Without a date. And that's the awareness part. So the numbers do increase. It's always called into question what is this individual over here, are they a victim perpetuated, or what have you, so it's getting more awareness in the community. That's been assisting the Safe Center, like remediating the problem.

LEGISLATOR WALKER: Excellent. Thank you. Any other questions or comments?

Health Committee/1-9-17

(No verbal response.)

Any public comment?

(No verbal response.)

Seeing none, all those in favor of Clerk Item 9-17 signify by saying aye.

CLERK PULITZER: We have a quorum, ma'am.

CHAIRWOMAN SCHAEFER: Thank you. We have one item on the agenda for today. It is Clerk Item 7-17, a resolution authorizing the County Executive to execute an agreement between the County of Nassau acting on behalf of the Nassau County Department of Public Works and Engel Burman at Jericho, L.L.C.

Motion, please.

LEGISLATOR DUNNE: So moved.

LEGISLATOR FORD: Second.

CHAIRWOMAN SCHAEFER: Motion by Legislator Dunne, seconded by Legislator Ford. The item is before us. Anyone here to speak on this item?

MR. ARNOLD: Ken Arnold, Public Works. This is a contract with Engel Burman as a revenue contract.

This developer is putting together a senior citizen development outside the current disposal district but is

looking for sewer access at our Cedar Creek plant. The Cedar Creek Plant has sufficient capacity. This agreement will allow that facility to connect to the plant and get disposal and treatment services.

LEGISLATOR DRUCKER: Legislator Schaefer, I have a question.

CHAIRWOMAN SCHAEFER: Legislator Drucker.

LEGISLATOR DRUCKER: Do we have any idea what comparable facilities pay the county for their out of district service connections?

MR. ARNOLD: The annual fee is the same for all facilities. They pay the disposal rate of that particular rate for disposing sewage, the treatment facilities, times the amount of flow that they provide.

LEGISLATOR DRUCKER: So it's based on the flow they use rather than the size of the facility.

MR. ARNOLD: That is correct. It is based on the actual flow.

LEGISLATOR DRUCKER: Thank you.

CHAIRWOMAN SCHAEFER: What is the size of this facility?

MR. ARNOLD: I believe it says 25,000 gallons per day of sewage is projected to be discharged based on the number of people that will be living at the facility.

LEGISLATOR DRUCKER: I have one more question.

CHAIRWOMAN SCHAEFER: Sure.

LEGISLATOR DRUCKER: Once we do this connection, is the county assuming any environmental liability for any contamination at the site due to any malfunction in the connection?

MR. ARNOLD: No.

LEGISLATOR DRUCKER: Why is that?

MR. ARNOLD: We are not liable for anything on the property. We are only picking up the sewage at our sewer line.

LEGISLATOR DRUCKER: But even if it relates to the actual connection, some environmental hazards that can occur --

MR. ARNOLD: You mean something

that would discharge into the pipe?

LEGISLATOR DRUCKER: Correct.

MR. ARNOLD: They would be part of our retreatment program. We would be watching over that facility to make sure there is no illegal discharges of any material.

LEGISLATOR DRUCKER: What if it's an accident?

MR. ARNOLD: Then we would go to our sewer use ordinance and proceed as we would do with any other private entity that connects to us to a facility.

LEGISLATOR DRUCKER: So we do have potential liability then?

MR. ARNOLD: Yes. I would say yes.

CHAIRWOMAN SCHAEFER: Have we had any issues in the past relative to that question?

MR. ARNOLD: Not to my knowledge. Restaurants we do, with grease and things of that nature, but not typically of the senior centers.

LEGISLATOR DRUCKER: But would you agree that potential liability in the event of an accident, that is unanticipated of course, could be millions of dollars.

MR. ARNOLD: That seems -- I'm not sure that would be a true number of what could occur.

LEGISLATOR DRUCKER: You don't know, it's an unknown, correct?

MR. ARNOLD: Well, a small deli with a grease discharge could be millions of dollars depending on the impact.

LEGISLATOR DRUCKER: What about a nursing home like this or assisted living facility?

MR. ARNOLD: They would have to upkeep all their facilities, all their pretreatment on the property and our inspectors would be in charge of making sure they follow all the pre-treatment permits that they have.

LEGISLATOR DRUCKER: I recognize what their responsibilities are. I'm just saying, from the county's liability

standpoint, you kind of like need to have some sort of idea of what your potential liability or exposure is. Is there any way for us to know that?

MR. ARNOLD: No.

CHAIRWOMAN SCHAEFER: How about insurance? Is there insurances there that covers on their end?

MR. ARNOLD: Let me look at the agreement. Hold on. The question was regarding insurance. The contract does not call for any insurance.

LEGISLATOR DRUCKER: Can you repeat that? I didn't hear what he said.

LEGISLATOR FORD: He said that the county doesn't require insurance.

LEGISLATOR DRUCKER: So that means there would be no insurance to cover.

LEGISLATOR FORD: I guess not.

CHAIRWOMAN SCHAEFER: Legislator Ford.

LEGISLATOR FORD: Thank you. Mr. Arnold, I can understand Legislator Drucker's concern, but have we ever had any

significant problems because of nursing homes and the sewage that is being pumped into or sent into our sewage system?

MR. ARNOLD: Not to my knowledge, and if there was any type of problem it would all be handled under our sewage use permit that has all kinds of criteria and penalties associated with it.

LEGISLATOR FORD: So while there may not be an insurance policy that would be covered, there are certain requirements set in place that can potentially protect the county in case of somebody doing something illegal or being very negligent on their part?

MR. ARNOLD: Yes, there is. And we are required by the EPA to have the sewer use permits.

LEGISLATOR FORD: And when you're talking about the restaurants, because I know I have a restaurant on my corner that sometimes we think that they do pump the grease into the sewage and we are trying to always catch them, because I know they have

a separate pumping station, whatever they do, so, obviously, aside from like sometimes if you take a tour of the sewage treatment plant, which isn't always fun, you will see a lot of rags and other debris that makes its way into the collectors or whatever they're called, but we've never had any significant problems in regard to this, so we can feel rest assured that having another entity hook up to our sewage treatment plant won't pose a great risk?

MR. ARNOLD: Related to nursing homes, no, we have not.

LEGISLATOR DRUCKER: A nuclear reactor leaked for the first time and no one ever thought that was going to happen either.

LEGISLATOR FORD: I'm not dismissing what you're saying, I'm just saying that I understand your concern that we're investing a lot of money into our sewage treatment plant, and we want to make sure that we continue with the integrity of it.

But I guess on past practices -- but I think there seems to be things in place that can help protect us.

I mean, we even found out that people go into the sewer lines through -- contractors have dumped cement down into the storm drains and stuff. So there's no way of us catching it, but this can happen. I understand.

But I think if we can make sure that -- I don't want to see anything go wrong, but I think that maybe since we do have some things in place that maybe it will help protect us from something devastating.

LEGISLATOR DRUCKER: That's the idea but you always feel a lot more secure when you have insurance backing you up and we don't have any insurance here.

LEGISLATOR FORD: But I think because of the regulations and requirements, I think that in the absence of an insurance policy, we can go after people that knowingly or, even by mistake, we can go after them for something like that.

MR. BECKER: Legislator Drucker, as a former legislator, this is a common practice for developers to try to want to hook into our sewer system. We are not insuring anything on their property. Whatever they do on their property and part the sewage system is separate that gets tied into the county. So this is very, very common and then they pay the fees accordingly.

And then there is a whole bunch of agreements that the developer is subject to as far as disposal of sewage.

So it's the same once they're hooked up as you or I or our homes in any residential area. This is common practice any time a developer wants to hook into our sewer system.

I don't even think sumps are even permitted in Nassau anymore, perhaps, but I don't know that for a fact. This is very common.

And, as far as the liability is concerned, whatever is on the development

itself, we have no liability regarding that. They're just hooking into our system. So there is really no liability, per se, other than any of us would have with our homes being hooked into the county sewer system.

LEGISLATOR DRUCKER: So then there is no validity to the hypothetical that if there is a leakage originating from the actual connection that --

MR. BECKER: If the leakage is on the developer's side, that's his problem, their concern. Doesn't have anything to do with the county.

LEGISLATOR DRUCKER: Well, the actual connection that's made, there has to be some margin for it.

MR. BECKER: Once again, we'd have the same problem with any other connection anywhere else in Nassau County if there was a problem or the county has in place provisions for that.

CHAIRWOMAN SCHAEFER: Any more questions from the legislators?

(No verbal response.)

Is there any public comment on this item?
