Title:	Cedar Creek WPCP Chemical Reduction Project
Engineer's Estimate:	$15,369,482.00
Bids Received On:	December 8, 2015

The bids received for the above-mentioned contract have been examined; and, the bid submitted by R.J. Industries, Inc. in the amount of $12,627,700 is acceptable as the lowest responsible bidder.

Contract No. S35114-10G Onsite Hypochlorite Generation (OSHG) Project
Bid Evaluation and Recommendation

Dear Mr. Davenport:

On December 8, 2015, Nassau County Department of Public Works (NCDPW) received three bids for the above referenced project. Camp Dresser McKee & Smith (CDM Smith) has performed a bid analysis of the bids received. Below is our summary of the analysis, references, and recommendation.

Bid Analysis

CDM Smith has reviewed the lump sum bids for Contract No. S35114-10G which are summarized as follows:

	Engineer's Opinion Of Probable Construction Cost	R.J. Industries, Inc.	Posillico Civil, Inc.	Silverite Construction Co, Inc.
ITEM NO. 1 - LUMP SUM OF BASE BID	$15,146,482	$12,350,700	$14,384,000	$15,850,000
ITEM NO. 2 - ALLOWANCE FOR MISCELLANEOUS ADDITIONAL WORK	$250,000	$250,000	$250,000	$250,000
ITEM NO. 3 - LUMP SUM - CPM SCHEDULING SYSTEM	-	$27,000	$60,000	$100,000
TOTAL	**$15,396,482**	**$12,627,700**	**$14,694,000**	**$16,200,000**

R. J. Industries, Inc (R.J. Industries) is the apparent low bidder with a bid that is approximately $2.7 million (17.8%) less than the Engineer's Opinion of Probable Construction Cost. We believe the bid offered by R.J. Industries is reasonable and R.J. Industries has affirmed their commitment to the County to honor this bid price.

References

Name: John Berchtold, Suffolk County DPW
Project: Bergen Point WWTP (SCSD #3) Influent Pump Station Butterfly Valve Replacement Project
Completed: 2014

Mr. Berchtold indicated R.J. Industries is very good to work with, professional, responsive and accessible. The project went well and Mr. Berchtold said R.J. Industries is capable of handling a project in the $13M size range.

Name: Joseph Mautarano, D&B Engineers and Architects
Project: Great Neck WPCD Plant Upgrade and Expansion Project; Mictoturbine Cogeneration Facility Project
Completed: 2014 (both projects)

Mr. Mautarano confirmed his work experience with R.J. Industries on the Great Neck WPCD Plant Upgrade and Expansion to 5.3 MGD and the Mictoturbine Cogeneration Facility projects. Mr. Mautarano stated R.J. Industries was easy to work with, finished on time, was reasonable on change orders, and performed satisfactorily. Mr. Mautarano indicated he would use them for work in the future.

Nassau County DPW has also worked with R.J. Industries on past projects, and is currently working with them on the Heating Hot Water Piping Temporary System at the Bay Park STP. The County has indicated they are satisfied with R.J. Industries work.

Past Experience

CDM Smith also reviewed the Qualification Statement submitted with R. J. Industries, Inc.'s proposal. From the list of current and past projects performed, it is apparent that R. J. Industries has at least nine (9) projects involving work for the Nassau County DPW (NCDPW) and has performed work at the Cedar Creek WPCP. Contracts with the NCDPW range in value from $0.8M to $28.7M.

In addition to work with the NCDPW, R. J. Industries has significant experience with projects involving wastewater facilities in the area.

Award Recommendation

Based upon the above, CDM Smith recommends that this contract be awarded to the lowest responsive responsible bidder, RJ Industries, in the amount of $12,627,700. CDM Smith's recommendation is based on confirmation by the County of R.J. Industries compliance with the bonding, insurance, and other bidding requirements of the Contract, and satisfactorily providing all "Additional Information" as requested by the County in a letter dated December 30, 2015 to R.J. Industries.

Should you have any questions or concerns, please do not hesitate to contact me. We look forward to working with the County during the construction phase of this important project.

Sincerely,

Howard S. Matteson

In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☐ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to the contract being submitted to the Comptroller.

X. ☒ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No.* 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

Sole Source Justification for Contract with the Center for Court Innovation

Organization Name: Fund for the City of New York, Center for Court Innovation

The Center for Court Innovation (the Center) is a unique public/private partnership between the New York State Unified Court System and the Fund for the City of New York. The Center has an ongoing, formal contractual relationship with the Unified Court System and functions as its research and development arm. The Center has a long history of developing and sustaining innovative court-related initiatives in New York, including the Midtown Community Court, the Brooklyn Treatment Court, and the Red Hook Community Justice Center. The Center has received both a Harvard University Innovations in American Government Award and the Peter Drucker Award for Innovation in honor of its unique role in fostering court innovation in New York State and nationally.

The Nassau County Adolescent Diversion Part is a groundbreaking partnership between the Office of Court Administration, the Nassau County District Attorney's Office, the Center for Court Innovation, as well as numerous service providers in Nassau County. This program ensures that adolescents ages 16 and 17 years old receive the benefit of appropriate services and reduces the likelihood that they will be trapped in a cycle of re-offending. Additionally, Nassau County pilots an initiative to divert trafficking victims from the criminal justice system and to ensure that they are linked with social services specifically designed to help lead them to safety. Both efforts require on-site coordination to ensure that appropriate defendants are identified and referred to effective services and that prosecutor, defense counsel and the court receive timely and accurate updates on their participation in those services. Additionally, an on-site coordinator allows project stakeholders to track outcomes and case resolutions. In order to achieve these goals, the Center for Court Innovation has hired, trained and supervises a Resource Coordinator to staff both projects.

The Resource Coordinator's Role: The Adolescent Diversion Part seeks to help teenage defendants avoid the legal and collateral consequences associated with criminal prosecution and receive the assistance they need to pursue law-abiding, productive futures. The initiative has fundamentally re-engineered how the cases of 16 and 17 year olds are dealt with in criminal court. The Adolescent Diversion Part has several primary elements which require support from an on-site Resource Coordinator:

1. All cases involving 16 and 17 year olds charged with misdemeanors and, in certain cases, non-violent felonies are assigned to the Adolescent Diversion Part. Each defendant is then required to have a validated

assessment by probation using the Youth Assessment Screening Instrument (YASI). The Resource Coordinator reviews each assessment and makes a recommendation to the Court regarding appropriate treatment or alternative program referrals.

2. Judges hearing cases involving 16 and 17 year olds receive training in topics such as adolescent brain development, trauma, substance abuse, mental health, co-occurring disorders, education, and family issues. The Resource Coordinator organizes and coordinates these training programs.

3. With support from the Resource Coordinator, participating judges have access to expanded sentencing options, generally consisting of short-term social service interventions – including sessions devoted to conflict resolution, civic responsibility, and vocational and educational goal setting – as well as community service. Each sentencing decision is informed by the brief YASI assessment conducted prior to the defendant's court appearance that elicits factors contributing to offending, including substance abuse, mental health needs, trauma, cognitive behavioral challenges, educational deficits, and familial stress. Where mental health needs are identified, an in-depth assessment informs individualized plans for community-based treatment and family support services. Services are age-appropriate and address the unique emotional and developmental needs of adolescents. In general, the program seeks to use short-term interventions as a springboard to voluntary engagement in longer-term services.

4. The Resource Coordinator recommends an appropriate therapeutic intervention and monitors compliance with treatment. The Resource Coordinator is in regular contact with each of the treatment agencies and reports to the Court and each of the stakeholders if the adolescent fails to attend treatment or if an alternative level of care is required.

Uniqueness of the Contractor

The Center for Court Innovation is a one-of-a-kind public/private partnership that acts as the New York State Unified Court System's research and development arm and is uniquely suited to provide the necessary services. For the past fifteen years in New York, the Center has worked with the court system to create and operate demonstration projects that test new ideas to address local public safety problems, implement new solutions, and evaluate their effectiveness. The Center's projects include: alternative to detention programs, community courts, drug courts, reentry courts, domestic violence courts, and mental health courts. In each of these projects the Center has had a commitment to developing technology to collect and provide crucial information for project operations, as well as collecting data for rigorous evaluations to assess program impact and

effectiveness. This includes a commitment to tracking outcomes and case resolutions. The Center's firsthand experience working with the New York State Unified Court System on various initiatives has given it one-of-a-kind expertise in implementing new approaches to societal problems such as drug abuse, mental illness and low level offending.

With its extensive experience in working with youth, piloting alternative to incarceration programs, problem-solving court development, and court technology, as well as its well-established relationship with the New York State Unified Court System's Office of Court Administration, the Center is uniquely suited to provide assistance with the numerous legal and technical initiatives necessary for this project.

Project Description

The Nassau County Adolescent Diversion Part is a groundbreaking partnership between the Office of Court Administration, the Nassau County District Attorney's Office, the Center for Court Innovation, as well as numerous service providers in Nassau County. This program ensures that adolescents ages 16 and 17 years old receive the benefit of appropriate services and reduces the likelihood that they will be trapped in a cycle of re-offending. Additionally, Nassau County pilots an initiative to divert trafficking victims from the criminal justice system and to ensure that they are linked with social services specifically designed to help lead them to safety. Both efforts require on-site coordination to ensure that appropriate defendants are identified and referred to effective services and that prosecutor, defense counsel and the court receive timely and accurate updates on their participation in those services. Additionally, an on-site coordinator allows project stakeholders to track outcomes and case resolutions. In order to achieve these goals, the Center for Court Innovation has hired, trained and supervises a Resource Coordinator to staff both projects.

The Resource Coordinator's Role: The Adolescent Diversion Part seeks to help teenage defendants avoid the legal and collateral consequences associated with criminal prosecution and receive the assistance they need to pursue law-abiding, productive futures. The initiative has fundamentally re-engineered how the cases of 16 and 17 year olds are dealt with in criminal court. The Adolescent Diversion Part has several primary elements which require support from an on-site Resource Coordinator:

1. All cases involving 16 and 17 year olds charged with misdemeanors and, in certain cases, non-violent felonies are assigned to the Adolescent Diversion Part. Each defendant is then required to have a validated assessment by probation using the Youth Assessment Screening Instrument (YASI). The Resource Coordinator reviews each assessment and makes a recommendation to the Court regarding appropriate treatment or alternative program referrals.

2. Judges hearing cases involving 16 and 17 year olds receive training in topics such as adolescent brain development, trauma, substance abuse, mental health, co-occurring disorders, education, and family issues. The Resource Coordinator organizes and coordinates these training programs.

3. With support from the Resource Coordinator, participating judges have access to expanded sentencing options, generally consisting of short-term social service interventions – including sessions devoted to conflict resolution, civic responsibility, and vocational and educational goal setting – as well as community service. Each sentencing decision is informed by the brief YASI assessment conducted prior to the defendant's court appearance that elicits factors contributing to offending, including substance abuse, mental health needs, trauma, cognitive behavioral challenges, educational deficits, and familial stress. Where mental health needs are identified, an in-depth assessment informs individualized plans for community-based treatment and family support services. Services are age-appropriate and address the unique emotional and developmental needs of adolescents. In general, the program seeks to use

short-term interventions as a springboard to voluntary engagement in longer-term services.

4. The Resource Coordinator recommends an appropriate therapeutic intervention and monitors compliance with treatment. The Resource Coordinator is in regular contact with each of the treatment agencies and reports to the Court and each of the stakeholders if the adolescent fails to attend treatment or if an alternative level of care is required.

Except as otherwise expressly provided herein, the Contractor may use or disclose PHI in relation to such Services only as necessary to comply with applicable state and federal laws and to satisfy its obligations hereunder, as long as such use or disclosure of PHI would not violate (a) the Privacy Rule if done by the County and (b) any other applicable federal or state law which imposes requirements of confidentiality on the use and/or disclosure of PHI more stringent than those imposed by the Privacy Rule ("Other Legal Requirements"). If there shall exist any conflict between the requirements of the Privacy Rule and the Other Legal Requirements, the Contractor shall comply with both, to the extent possible, and otherwise with the more stringent requirements. ii) immediately notify the Contractor (who shall immediately notify the County) of any instance in which the third party learns of any unauthorized use and/or disclosure of such PHI.

3. RESPONSIBILITIES OF THE CONTRACTOR WITH RESPECT TO PHI

3.1 Contractor's Responsibilities. With respect to any use and/or disclosure of PHI, the Contractor hereby agrees that it shall:

a) use and/or disclose PHI only as permitted or required by this Addendum, as required by the Privacy Rule, or as otherwise Required by Law;

b) implement comprehensive procedures for mitigating any harmful effects from any unauthorized use and/or disclosure of PHI by the Contractor, its agents or subcontractors;

c) report to the County's designated Privacy Officer, in writing, any use and/or disclosure of PHI which is not authorized hereunder of which the Contractor becomes aware or has knowledge within one (1) day of the Contractor's discovery of such unauthorized use and/or disclosure. The Contractor's report of such unauthorized use and/or disclosure shall specify at least: (i) the nature of the unauthorized use and/or disclosure; (ii) the specific PHI that was disclosed; (iii) the party responsible for making the unauthorized use and/or disclosure; (iv) what, if any, actions the Contractor has taken or will take to limit the extent of the unauthorized use(s) and/or disclosure(s), and to mitigate the damage resulting therefrom; (v) what, if any, corrective actions the Contractor has or will take to prevent further unauthorized uses and/or disclosures; (vi) when such corrective measures will be taken (if they have not already been completed), and, as applicable, an explanation of why they have not already been completed; and (vii) provide the County with any other information it reasonably requests;

g) within ten (10) days of receipt of a written request, provide the County with access to all records, books, agreements, policies, and procedures relating to the use and/or disclosure of PHI for purposes of enabling the County to determine the Contractor's compliance with the terms of this Addendum. Such record shall include, but not be limited to: (i) the date of disclosure; (ii) the name and address of the Individual or organization to whom the disclosure was made; (iii) a description of the PHI disclosed; and (iv) a statement of the purpose for the disclosure (collectively the "disclosure information"). Such disclosure information must be kept by the Contractor for a period of not less than six (6) years from the date of disclosure.

d) notify the Contractor, in writing, of any arrangements permitted or required under 45 C.F.R. parts 160 and 164, which impact the use and/or disclosure of PHI by the Contractor under the Agreement, including, but not limited to, restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. §164.522 agreed to by the County.

4.2 Responsibilities of the County with Respect to Access, Amendment, Restrictions and Accounting of Disclosures of PHI. The County hereby agrees to do the following regarding access to PHI, amendments to inaccuracies contained in PHI, and restrictions regarding PHI in the Contractor's possession, to the extent material to the PHI held by the Contractor:

a) notify the Contractor, in writing, of any PHI that the County seeks to make available to an Individual pursuant to 45 C.F.R. § 164.524 and the time, manner, and form which the Contractor shall provide such access;

c) notify the Contractor, in writing, of any restrictions that the County has agreed to adhere to with regard to the use and disclosure of PHI of any Individual that materially affects and/or limits the uses and disclosures which are otherwise permitted.

5. RESPONSIBILITIES OF THE CONTRACTOR WITH RESPECT TO EPHI

5.1 The Contractor's Responsibilities. With respect to any use and/or disclosure of EPHI, Contractor agrees that it shall:

a) implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Contractor creates, receives, maintains, or transmits on behalf of the County. b) ensure that any agent to whom it provides EPHI, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect such EPHI.

c) report to the County, in writing, any Security Incident within three (3) business days of becoming aware of such Security Incident. Without limiting the foregoing, the Contractor shall report to the County regarding whether such Security Incident has resulted in a breach of the Security Rule.

d) upon the County's request, provide the County with immediate access to the Contractor's security systems and programs in order for the County to investigate any Security Incident or to audit the Contractor's security systems and programs. The Contractor acknowledges that the County has the right, but not the obligation, to access and audit the Contractor's security systems and programs.

e) provide the Secretary of HHS with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for compliance investigations.

f) within ten (10) days of receipt of a written request, provide the County with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for purposes of enabling the County to determine the Contractor's compliance with the terms of this Agreement. Such access shall be at the Contractor's place of business during routine operating hours.

6. COMPLIANCE WITH STANDARD TRANSACTIONS

6.1 Compliance with Standard Transactions by the Contractor. If the Contractor conducts in whole or in part Standard Transactions for or on behalf of the County, the Contractor shall:

a) comply and require all subcontractors and agents of the Contractor to comply with each applicable requirement of 45 C.F.R. Part 162; and

b) not enter into, or permit its subcontractors or agents to enter into, any trading partner addendum or agreement in connection with the conduct of Standard Transactions for or on behalf of the County that:

i) alters the definition, data condition, or use of any data element or segment in any Standard Transaction;

ii) adds any elements or segments to the maximum defined data set;

iii) uses any code or data element that is marked "not used" in the Standard Transaction's specifications for execution or is not in the Standard Transaction's specifications for execution; or

iv) changes the meaning or intent of the Standard Transaction's specifications for implementation.

7. TERMS AND TERMINATION

7.1 Term. This Addendum shall become effective as of the date first indicated above, and shall continue in effect until all of the PHI provided by the County to the Contractor, or created or received by the Contractor on behalf of the County, is destroyed or returned to the County, and all other obligations of the parties have been met, unless terminated by the County as provided in Section 7.2. If it is infeasible to return or destroy such PHI, then such PHI shall continue to be protected as set forth in Section 7.4.

7.2 Termination by the County. As provided for under 45 C.F.R. §§ 164.504(e)(2)(iii) and 164.314(a)(2)(i), the County may (a) exercise its rights under Section 7.3 below or (b) immediately terminate the Agreement if the County, in its sole discretion, determines that the Contractor has breached a material term of this Addendum. The County may exercise such right to terminate the Agreement by providing the Contractor with written notice of its intent to terminate specifying the material breach of the Agreement that provides the basis for termination. Such termination will be effective immediately, unless another date is specified in such notice.

7.3 Opportunity to Cure. As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. If the County decides to provide an opportunity to cure in such case, it shall: (a) provide the Contractor with written notice of the existence of an alleged material breach; and (b) afford the Contractor an opportunity to cure the alleged material breach. Failure to cure within fourteen (14) days shall constitute grounds for the immediate termination of the Agreement by the County.

7.4 Effect of Termination. Upon the termination, cancellation, or any other conclusion of the Agreement, the Contractor shall, if feasible, return to the County or destroy all PHI, in whatever form or medium, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), including, but not limited to, PHI in the possession of its subcontractors and/or agents, within thirty (30) days of the effective date of the termination, cancellation, or other conclusion of the Agreement.

a) Once all PHI in the Contractor 's possession or control, including, but not limited to, PHI in the possession or control of its subcontractors and/or agents, has been returned to the County or destroyed, the Contractor shall provide a written certification to the County regarding the return or destruction of such PHI within such thirty (30) day period. Such certification shall be relied upon by the County as a binding representation; and

b) if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. Said notification shall include, but not be limited to: (i) a statement that the Contractor has, in good faith, determined that it is infeasible to return or destroy the PHI in its possession and/or in the possession of its subcontractors or agents, as applicable, (ii) identification of the PHI that the Contractor believes it is infeasible to return or destroy, and (iii) the specific reasons for such determination. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

8. INDEMNIFICATION

8.1 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor 's control.

8.2 Control of Defense. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or any subcontractor, agent, Individual, or organization under the Contractor 's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor 's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent its interests, in which case the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

8.3 Control of Resolution. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 Survival. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. In addition, Section 9 shall survive termination of this Addendum indefinitely, notwithstanding whether the Contractor retains PHI in accordance with Section 7.4 hereto.

10.2 Amendments. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. Notwithstanding anything in the Agreement to the contrary, to the extent that the Privacy Rule or Security Rule, or any other applicable law related to the privacy or security of health information is materially amended, updated, or revised following the execution of this Addendum, the parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the County to comply with the requirements of HIPAA.

10.3 No Third Party Beneficiaries. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

10.4 Cooperation and Disputes. Each party will reasonably cooperate with the other in the performance of the mutual obligations under this Addendum. Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization

plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return

receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. POLICE DEPARTMENT
COUNTY OF NASSAU, NEW YORK

INTERNAL CORRESPONDENCE

DATE: November 11, 2014 SNCC NO:

TO: Commanding Officer, Personnel and Accounting Bureau (Through Official Channels)

FROM: Deputy Commanding Officer, Administrative Inspection Section

SUBJECT: **COUNTY IMPOUND GARAGE CONTRACT, POLICE DEPARTMENT INITIAL INSPECTIONS**

1. The Administrative Inspection Section conducted Initial Police Inspections for the County of Nassau published R.F.P. bid number 9899-08144-171 dated July 31, 2014 entitled *County Impound Garage Contracts* (a copy of the bid is attached). The request for the Initial Police Inspections was requested by the Personnel and Accounting Bureau via e-mail, and initiated after notifying the Commissioner of Police for approval to conduct the inspection.

2. As specified in the bid, paragraph 13 subdivisions 2.0 through 2.3 (on page 20) the Police Initial Inspection included verifying:

a) Required towing vehicles
b) Required fenced and lighted premises
c) Name and agreement required for heavy towing as specified in paragraph 7

3. The following list identifies: the zone, tentative bid awards, monthly average of tows for the years 2010 thru 2012, combined monthly average for the three years, the minimum number of tow vehicles and storage capacity necessary to service each zone. An accounting history of the monthly tows for new zones 21 (Long Island Expressway), 22 (Seaford Oyster Bay Expressway), and 23 (Heavy Duty Towing) were not specified in the bid request. After consulting with HPB, it was determined that the number of monthly tows for either the (zone 21) or the (zone 22) could exceed 25. In light of the fact that successful bidders for zones 1 thru 20 must have the ability to supply the equipment necessary to remove heavy vehicles from roadways, it was determined that the winning bidder responsible for removing heavy vehicles county wide (zone 23) should have the ability provide the services of at least one (1) heavy duty tow vehicle and the facilities necessary to store twelve (12) heavy vehicles.

4. **A-1 Grand Auto Body Inc.:** This vendor owns and or leases eight (8) fenced and lighted storage lots within the confines of zone 6. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 1&4 (bid as a unit), 6, 7, 10 and 11. However, the corporation presently owns and operates six (6) registered and insured tow vehicles which is less than the minimum of eight (8) required to service the six (6) zones described above. The next highest responsible bidder for zones 1&4 is North Shore Auto and Towing. They have the available tow vehicles and storage capacity to service zones 1 and 4. A-1 Grand Auto Body Inc. has contracted with Chester's Towing & recovery of Port Washington to service all tows involving heavy vehicles. Brian J. Hogan, a company principal and driver for A-1 Grand Auto Body Inc., currently has two (2) open violation warrants issued in 2000. He was made aware of their existence and understands that the contract may not be awarded to his firm if these issues are not resolved in a timely fashion.

5. **C & R Automotive Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots within the confines of zone 9. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 2&5 (bid as a unit), 8, 9, 12, 13, 16, 17 and 18. They currently own and operates seventeen (17) registered and insured tow vehicles which far exceeds the minimum of nine (9) required to service the nine (9) zones described above. However, this bidder does not own or lease a premise to store impounded vehicles within zone 16 or an adjacent zone. The next highest responsible bidder for zone 16 is All County Towing and Recovery Inc. They have the available tow vehicles and storage capacity to service zone 16. C&R Automotive Inc. is also the highest responsible bidder for the newly added zones of 22 (Seaford Oyster Bay Expressway) and 23 (Heavy Duty Towing – County Wide). They presently own and operate seven (7) tow vehicles having GVWR of 33000 pounds or more.

6. **All County Towing and Recovery Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots located within zones 16 and 19. Their capacity to store vehicles far exceeds the mandated thirty six (36) necessary to service zones 14, 19 and 20. They currently own and operate nine (9) registered and insured tow vehicles which far exceeds the minimum of three (3) required to service the three (3) zones described above. Three (3) of their tow vehicles have GVWR of 33000 pounds or more. All County Towing and Recovery Inc. has the ability to service zones 15 and 16 in addition to zones 14, 19 and 20.

7. **North Shore Auto & Towing Inc.:** This vendor owns and or leases two (2) fenced and lighted storage locations within the confines of zone 3. Their capacity to store vehicles far exceeds the mandated twelve (12) necessary to service zone 3. They currently own and operate four (4) registered and insured tow vehicles which exceed the minimum of one (1) necessary to service zone 3. North Shore Auto & Towing has the ability to service zone 1 & 4 in addition to servicing zone 3. North Shore Auto & Towing Inc. has contracted with AAAA-1 Auto and Towing to supply heave duty equipment should the need arise.

8. **T & D Towing Corporation:** This vendor leases and or owns two (2) fenced and lighted storage locations located within the confines of Zone 2. These storage locations have the capacity to store in excess of 50 vehicles. They currently own and operate four (4) registered and insured tow vehicles and also have contracted with Bills Towing Service of Hicksville to supply heavy duty equipment should the need arise.

9. **JCB & Sons Inc.:** This vendor leases a storage building in the Village of Freeport within the confines of zone 16. The Village of Freeport Building Department has not approved this building for the storage of wrecked vehicles. JCB & Sons Inc. also leases a portion of a fenced and lighted storage lot located on Newbridge Road in Bellmore. This facility is located in zone17. Although the storage capacity of this location exceeds the mandated twelve (12) necessary to service zone 15, zone 17 is not adjacent to zone 15. Additionally, it should be noted that zone 15 includes a portion of Brookside Avenue which is located within the Village of Freeport. The tow vehicles owned and or operated by JCB & Sons Inc. are not licensed by the Village of Freeport and therefore are precluded from towing any vehicles from a village roadway. Finally, the corporation does not possess a license to operate as a repair shop within the state of NY. The next highest responsible bidder for zone 15 is All County Towing and Recovery Inc. They have the available tow vehicles, storage capacity and licensing to service zone 15.

§ 184. Lien of bailee of motor vehicles, motor boats or aircraft.

1. A person keeping a garage, hangar or place for the storage, maintenance, keeping or repair of motor vehicles as defined by the vehicle and traffic law, or of motor boats as defined by article seven of the navigation law, or of aircraft as defined by article fourteen of the general business law, and who in connection therewith tows, stores, maintains, keeps or repairs any motor vehicle, motor boat, or aircraft or furnishes gasoline or other supplies therefor at the request or with the consent of the owner or, subject to the provisions of subdivision two of this section, tows and stores any motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, whether or not such motor vehicle, motor boat or aircraft is subject to a security interest, has a lien upon such motor vehicle, motor boat or aircraft for the sum due for such towing, storing, maintaining, keeping or repairing of such motor vehicle, motor boat or aircraft or for furnishing gasoline or other supplies therefor and may detain such motor vehicle, motor boat or aircraft at any time it may be lawfully in his possession until such sum is paid, except that if the lienor, subsequent to thirty days from the accrual of such lien, allows the motor vehicle, motor boat or aircraft out of his actual possession the lien provided for in this section shall thereupon become void as against all security interests, whether or not perfected, in such motor vehicles, motor boat or aircraft and executed prior to the accrual of such lien, notwithstanding possession of such motor vehicle, motor boat or aircraft is thereafter acquired by such lienor. However, if the bailee of a motor vehicle, motor boat or aircraft has furnished a written estimate of the cost of towing, storage, maintenance, repair or any other service on such motor vehicle, motor boat or aircraft, any lien sought by such bailee for such service may not be in an amount in excess of the written estimate.

2. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle shall be entitled to a lien for the reasonable costs of such towing and storage, provided that such person, within five working days from the initial towing, mails to the owner of said motor vehicle a notice by certified mail return receipt requested that contains the name of the person who towed and is storing said motor vehicle, the amount that is being claimed for such towing and storage, and the address and times at which said motor vehicle may be recovered. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

5. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, and who seeks to assert a lien for the storage of such motor vehicle pursuant to subdivision two of this section shall mail by certified mail, return receipt requested, a notice pursuant to this subdivision to every person who has perfected a security interest in such motor vehicle or who is listed as a lienholder upon the certificate of title of such motor vehicle pursuant to the vehicle and traffic law within twenty days of the first day of storage. Such notice shall include the name of the person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

Lien Law
Article 9 Enforcement of Liens on Personal Property

§ 200. Sale of personal property to satisfy a lien

A lien against personal property, other than the lien of a warehouseman pursuant to section 7--209 of the uniform commercial code, the lien of a carrier pursuant to section 7--307 of the uniform commercial code, a security interest in goods and the lien of a keeper of a hotel, apartment hotel, inn, boarding-house or lodging-house, except an immigrant lodging-house, if in the legal possession of the lienor, may be satisfied by the sale of such property according to the provisions of this article.

§ 201. Notice of sale

Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is a motor vehicle that is to be sold pursuant to subdivision three of section two hundred two of this article of a value of less than five hundred dollars or other property that is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, return receipt requested, and by first-class mail. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens

Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment cancelling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception

1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is then held and the time and place of such sale, provided, that if the property to be sold is

a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

3. Notwithstanding subdivisions one and two of this section, sale of a motor vehicle having a wholesale value, taking into consideration the condition of the vehicle, of less than five hundred dollars to satisfy a lien for towing and storage under section one hundred eighty-four of this chapter, may be made directly to a registered vehicle dismantler or licensed scrap processor, both as defined in section four hundred fifteen-a of the vehicle and traffic law, on the condition that the motor vehicle shall never be titled again and must be dismantled or scrapped. Such sale shall not occur prior to thirty days after notice is mailed pursuant to section two hundred one of this article or sixty days after the date of the initial tow, whichever is later.

§ 202-a. Sale of a security

A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§ 202-b. Pledgee may buy at public sale

Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§ 203. Redemption before sale

At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and

advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§ 204. Disposition of proceeds

Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons, and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive

The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien

An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon

If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment

In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court

Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application

Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support

1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property

owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded

equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be

inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other

activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

Appendix EE

EQUAL EMPLOYMENT OPPORTUNTIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. POLICE DEPARTMENT
COUNTY OF NASSAU, NEW YORK

INTERNAL CORRESPONDENCE

DATE: November 11, 2014 SNCC NO:

TO: Commanding Officer, Personnel and Accounting Bureau (Through Official Channels)

FROM: Deputy Commanding Officer, Administrative Inspection Section

SUBJECT: **COUNTY IMPOUND GARAGE CONTRACT, POLICE DEPARTMENT INITIAL INSPECTIONS**

1. The Administrative Inspection Section conducted Initial Police Inspections for the County of Nassau published R.F.P. bid number 9899-08144-171 dated July 31, 2014 entitled *County Impound Garage Contracts* (a copy of the bid is attached). The request for the Initial Police Inspections was requested by the Personnel and Accounting Bureau via e-mail, and initiated after notifying the Commissioner of Police for approval to conduct the inspection.

2. As specified in the bid, paragraph 13 subdivisions 2.0 through 2.3 (on page 20) the Police Initial Inspection included verifying:

a) Required towing vehicles
b) Required fenced and lighted premises
c) Name and agreement required for heavy towing as specified in paragraph 7

3. The following list identifies: the zone, tentative bid awards, monthly average of tows for the years 2010 thru 2012, combined monthly average for the three years, the minimum number of tow vehicles and storage capacity necessary to service each zone. An accounting history of the monthly tows for new zones 21 (Long Island Expressway), 22 (Seaford Oyster Bay Expressway), and 23 (Heavy Duty Towing) were not specified in the bid request. After consulting with HPB, it was determined that the number of monthly tows for either the (zone 21) or the (zone 22) could exceed 25. In light of the fact that successful bidders for zones 1 thru 20 must have the ability to supply the equipment necessary to remove heavy vehicles from roadways, it was determined that the winning bidder responsible for removing heavy vehicles county wide (zone 23) should have the ability provide the services of at least one (1) heavy duty tow vehicle and the facilities necessary to store twelve (12) heavy vehicles.

4. **A-1 Grand Auto Body Inc.:** This vendor owns and or leases eight (8) fenced and lighted storage lots within the confines of zone 6. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 1&4 (bid as a unit), 6, 7, 10 and 11. However, the corporation presently owns and operates six (6) registered and insured tow vehicles which is less than the minimum of eight (8) required to service the six (6) zones described above. The next highest responsible bidder for zones 1&4 is North Shore Auto and Towing. They have the available tow vehicles and storage capacity to service zones 1 and 4. A-1 Grand Auto Body Inc. has contracted with Chester's Towing & recovery of Port Washington to service all tows involving heavy vehicles. Brian J. Hogan, a company principal and driver for A-1 Grand Auto Body Inc., currently has two (2) open violation warrants issued in 2000. He was made aware of their existence and understands that the contract may not be awarded to his firm if these issues are not resolved in a timely fashion.

5. **C & R Automotive Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots within the confines of zone 9. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 2&5 (bid as a unit), 8, 9, 12, 13, 16, 17 and 18. They currently own and operates seventeen (17) registered and insured tow vehicles which far exceeds the minimum of nine (9) required to service the nine (9) zones described above. However, this bidder does not own or lease a premise to store impounded vehicles within zone 16 or an adjacent zone. The next highest responsible bidder for zone 16 is All County Towing and Recovery Inc. They have the available tow vehicles and storage capacity to service zone 16. C&R Automotive Inc. is also the highest responsible bidder for the newly added zones of 22 (Seaford Oyster Bay Expressway) and 23 (Heavy Duty Towing – County Wide). They presently own and operate seven (7) tow vehicles having GVWR of 33000 pounds or more.

6. **All County Towing and Recovery Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots located within zones 16 and 19. Their capacity to store vehicles far exceeds the mandated thirty six (36) necessary to service zones 14, 19 and 20. They currently own and operate nine (9) registered and insured tow vehicles which far exceeds the minimum of three (3) required to service the three (3) zones described above. Three (3) of their tow vehicles have GVWR of 33000 pounds or more. All County Towing and Recovery Inc. has the ability to service zones 15 and 16 in addition to zones 14, 19 and 20.

7. **North Shore Auto & Towing Inc.:** This vendor owns and or leases two (2) fenced and lighted storage locations within the confines of zone 3. Their capacity to store vehicles far exceeds the mandated twelve (12) necessary to service zone 3. They currently own and operate four (4) registered and insured tow vehicles which exceed the minimum of one (1) necessary to service zone 3. North Shore Auto & Towing has the ability to service zone 1 & 4 in addition to servicing zone 3. North Shore Auto & Towing Inc. has contracted with AAAA-1 Auto and Towing to supply heave duty equipment should the need arise.

8. **T & D Towing Corporation:** This vendor leases and or owns two (2) fenced and lighted storage locations located within the confines of Zone 2. These storage locations have the capacity to store in excess of 50 vehicles. They currently own and operate four (4) registered and insured tow vehicles and also have contracted with Bills Towing Service of Hicksville to supply heavy duty equipment should the need arise.

9. **JCB & Sons Inc.:** This vendor leases a storage building in the Village of Freeport within the confines of zone 16. The Village of Freeport Building Department has not approved this building for the storage of wrecked vehicles. JCB & Sons Inc. also leases a portion of a fenced and lighted storage lot located on Newbridge Road in Bellmore. This facility is located in zone17. Although the storage capacity of this location exceeds the mandated twelve (12) necessary to service zone 15, zone 17 is not adjacent to zone 15. Additionally, it should be noted that zone 15 includes a portion of Brookside Avenue which is located within the Village of Freeport. The tow vehicles owned and or operated by JCB & Sons Inc. are not licensed by the Village of Freeport and therefore are precluded from towing any vehicles from a village roadway. Finally, the corporation does not possess a license to operate as a repair shop within the state of NY. The next highest responsible bidder for zone 15 is All County Towing and Recovery Inc. They have the available tow vehicles, storage capacity and licensing to service zone 15.

(c) By the CONTRACTOR. This Agreement may be terminated by the CONTRACTOR if performance becomes impracticable through no fault of the CONTRACTOR, where the impracticability relates to the CONTRACTOR'S ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the CONTRACTOR delivering to the Commissioner or other head of the DEPARTMENT (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the CONTRACTOR is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the CONTRACTOR'S right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the DEPARTMENT (the "Applicable DCE") on the same day that notice is given to the Commissioner.

12. Accounting Procedures; Records. (a) The CONTRACTOR shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the CONTRACTOR is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the DEPARTMENT, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) CONTRACTOR shall be responsible for the accurate preparation and maintenance of these records in a ledger or binder in a neat and legible manner,

arranged by precinct and impound number clearly denoting all details pertinent to the impound including but not limited to vehicle information including year, make, model, VIN number, date, time and location of impound, date of release, all fees and charges and any relevant communications with the DEPARTMENT or the vehicle owner. CONTRACTOR shall be responsible for the accurate preparation and maintenance of records consistent with acceptable bookkeeping procedures. CONTRACTOR shall provide copies of these records to the DEPARTMENT upon the expiration or termination of this Agreement.

(c) Once each month, but not later than the 10th of the month, CONTRACTOR shall provide by e-mail or fax a list of vehicles which they have on their premises. The notice shall include vehicle year, make, model, VIN number, date, time and location of impound. Failure to provide such notice may, in the County's sole discretion, result in CONTRACTOR'S waiving their right to any outstanding charges due for storage of said vehicles.

13. Limitations on Actions and Special Proceedings Against the COUNTY. No action or special proceeding shall lie or be prosecuted or maintained against the COUNTY upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the COUNTY shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the DEPARTMENT and the (ii) the County Attorney (at the address specified above for the COUNTY) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the COUNTY.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the

termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau COUNTY in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

15. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a COUNTY employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the DEPARTMENT, to the attention of the Commissioner at the address specified above for the DEPARTMENT, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the DEPARTMENT) at the address specified above for the COUNTY, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

16. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or

referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement. In the event of a conflict between the terms of this Agreement and the terms of the bid proposal, the terms of this Agreement shall control.

19. Administrative Service Charge. The Contractor agrees to pay the COUNTY an administrative service charge of One Hundred Sixty ($160.00) DOLLARS for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, as amended by Ordinance No.128-2006. The administrative service charge shall be due and payable to "Nassau County" by the CONTRACTOR upon signing this Agreement.

20. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The COUNTY shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all COUNTY approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The COUNTY shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the COUNTY from the state and/or federal governments.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

Lien Law
Article 8 Other Liens on Personal Property

§ 184. Lien of bailee of motor vehicles, motor boats or aircraft.

1. A person keeping a garage, hangar or place for the storage, maintenance, keeping or repair of motor vehicles as defined by the vehicle and traffic law, or of motor boats as defined by article seven of the navigation law, or of aircraft as defined by article fourteen of the general business law, and who in connection therewith tows, stores, maintains, keeps or repairs any motor vehicle, motor boat, or aircraft or furnishes gasoline or other supplies therefor at the request or with the consent of the owner or, subject to the provisions of subdivision two of this section, tows and stores any motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, whether or not such motor vehicle, motor boat or aircraft is subject to a security interest, has a lien upon such motor vehicle, motor boat or aircraft for the sum due for such towing, storing, maintaining, keeping or repairing of such motor vehicle, motor boat or aircraft or for furnishing gasoline or other supplies therefor and may detain such motor vehicle, motor boat or aircraft at any time it may be lawfully in his possession until such sum is paid, except that if the lienor, subsequent to thirty days from the accrual of such lien, allows the motor vehicle, motor boat or aircraft out of his actual possession the lien provided for in this section shall thereupon become void as against all security interests, whether or not perfected, in such motor vehicles, motor boat or aircraft and executed prior to the accrual of such lien, notwithstanding possession of such motor vehicle, motor boat or aircraft is thereafter acquired by such lienor. However, if the bailee of a motor vehicle, motor boat or aircraft has furnished a written estimate of the cost of towing, storage, maintenance, repair or any other service on such motor vehicle, motor boat or aircraft, any lien sought by such bailee for such service may not be in an amount in excess of the written estimate.

2. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle shall be entitled to a lien for the reasonable costs of such towing and storage, provided that such person, within five working days from the initial towing, mails to the owner of said motor vehicle a notice by certified mail return receipt requested that contains the name of the person who towed and is storing said motor vehicle, the amount that is being claimed for such towing and storage, and the address and times at which said motor vehicle may be recovered. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

5. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, and who seeks to assert a lien for the storage of such motor vehicle pursuant to subdivision two of this section shall mail by certified mail, return receipt requested, a notice pursuant to this subdivision to every person who has perfected a security interest in such motor vehicle or who is listed as a lienholder upon the certificate of title of such motor vehicle pursuant to the vehicle and traffic law within twenty days of the first day of storage. Such notice shall include the name of the person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

Lien Law
Article 9 Enforcement of Liens on Personal Property

§ 200. Sale of personal property to satisfy a lien

A lien against personal property, other than the lien of a warehouseman pursuant to section 7--209 of the uniform commercial code, the lien of a carrier pursuant to section 7--307 of the uniform commercial code, a security interest in goods and the lien of a keeper of a hotel, apartment hotel, inn, boarding-house or lodging-house, except an immigrant lodging-house, if in the legal possession of the lienor, may be satisfied by the sale of such property according to the provisions of this article.

§ 201. Notice of sale

Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is a motor vehicle that is to be sold pursuant to subdivision three of section two hundred two of this article of a value of less than five hundred dollars or other property that is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, return receipt requested, and by first-class mail. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens

Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment cancelling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception

1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is than held and the time and place of such sale, provided, that if the property to be sold is

a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

3. Notwithstanding subdivisions one and two of this section, sale of a motor vehicle having a wholesale value, taking into consideration the condition of the vehicle, of less than five hundred dollars to satisfy a lien for towing and storage under section one hundred eighty-four of this chapter, may be made directly to a registered vehicle dismantler or licensed scrap processor, both as defined in section four hundred fifteen-a of the vehicle and traffic law, on the condition that the motor vehicle shall never be titled again and must be dismantled or scrapped. Such sale shall not occur prior to thirty days after notice is mailed pursuant to section two hundred one of this article or sixty days after the date of the initial tow, whichever is later.

§ 202-a. Sale of a security

A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§ 202-b. Pledgee may buy at public sale

Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§ 203. Redemption before sale

At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and

advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§ 204. Disposition of proceeds

Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons, and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive

The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien

An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon

If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment

In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court

Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application

Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support

1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property

owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been

reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

I. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental

materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix EE

EQUAL EMPLOYMENT OPPORTUNTIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

County of Nassau
Inter-Departmental Memo

To: **All Department Heads**

From: **County Attorney**

Date: **February 2, 2016**

Subject: **Business History and Principal Questionnaire Forms**

Previously I advised all County Department Heads to require all proposers and bidders to complete the Business History and Principal Questionnaire Forms (collectively, the "Forms"). I now notify you that, going forward, all Departments must ensure that the Forms are: (i) completed in their entirety **(no blanks)**; and (ii) attached to each contract package that is routed. Contract packages routed after this memo that fail to include the fully-completed Forms will be rejected. Packages originated before this memo may need to be supplemented.

Please note the Forms have been recently updated. I have attached the current Forms for your use.

The most common omission in the Forms has been the response to question 17 of the Business History Form relating to conflicts of interest. The response to this question provides important information to the various Departments, as well as to the Legislature and NIFA. Therefore, both 17 (a)(i-iii) and 17 (b) must be completed. No blanks will be allowed. Sample responses to question 17 are attached.

Please contact my office if you have any questions.

1. The Administrative Inspection Section conducted Initial Police Inspections for the County of Nassau published R.F.P. bid number 9899-08144-171 dated July 31, 2014 entitled *County Impound Garage Contracts* (a copy of the bid is attached). The request for the Initial Police Inspections was requested by the Personnel and Accounting Bureau via e-mail, and initiated after notifying the Commissioner of Police for approval to conduct the inspection.

2. As specified in the bid, paragraph 13 subdivisions 2.0 through 2.3 (on page 20) the Police Initial Inspection included verifying:

a) Required towing vehicles
b) Required fenced and lighted premises
c) Name and agreement required for heavy towing as specified in paragraph 7

3. The following list identifies: the zone, tentative bid awards, monthly average of tows for the years 2010 thru 2012, combined monthly average for the three years, the minimum number of tow vehicles and storage capacity necessary to service each zone. An accounting history of the monthly tows for new zones 21 (Long Island Expressway), 22 (Seaford Oyster Bay Expressway), and 23 (Heavy Duty Towing) were not specified in the bid request. After consulting with HPB, it was determined that the number of monthly tows for either the (zone 21) or the (zone 22) could exceed 25. In light of the fact that successful bidders for zones 1 thru 20 must have the ability to supply the equipment necessary to remove heavy vehicles from roadways, it was determined that the winning bidder responsible for removing heavy vehicles county wide (zone 23) should have the ability provide the services of at least one (1) heavy duty tow vehicle and the facilities necessary to store twelve (12) heavy vehicles.

4. **A-1 Grand Auto Body Inc.:** This vendor owns and or leases eight (8) fenced and lighted storage lots within the confines of zone 6. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 1&4 (bid as a unit), 6, 7, 10 and 11. However, the corporation presently owns and operates six (6) registered and insured tow vehicles which is less than the minimum of eight (8) required to service the six (6) zones described above. The next highest responsible bidder for zones 1&4 is North Shore Auto and Towing. They have the available tow vehicles and storage capacity to service zones 1 and 4. A-1 Grand Auto Body Inc. has contracted with Chester's Towing & recovery of Port Washington to service all tows involving heavy vehicles. Brian J. Hogan, a company principal and driver for A-1 Grand Auto Body Inc., currently has two (2) open violation warrants issued in 2000. He was made aware of their existence and understands that the contract may not be awarded to his firm if these issues are not resolved in a timely fashion.

5. **C & R Automotive Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots within the confines of zone 9. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 2&5 (bid as a unit), 8, 9, 12, 13, 16, 17 and 18. They currently own and operates seventeen (17) registered and insured tow vehicles which far exceeds the minimum of nine (9) required to service the nine (9) zones described above. However, this bidder does not own or lease a premise to store impounded vehicles within zone 16 or an adjacent zone. The next highest responsible bidder for zone 16 is All County Towing and Recovery Inc. They have the available tow vehicles and storage capacity to service zone 16. C&R Automotive Inc. is also the highest responsible bidder for the newly added zones of 22 (Seaford Oyster Bay Expressway) and 23 (Heavy Duty Towing – County Wide). They presently own and operate seven (7) tow vehicles having GVWR of 33000 pounds or more.

6. **All County Towing and Recovery Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots located within zones 16 and 19. Their capacity to store vehicles far exceeds the mandated thirty six (36) necessary to service zones 14, 19 and 20. They currently own and operate nine (9) registered and insured tow vehicles which far exceeds the minimum of three (3) required to service the three (3) zones described above. Three (3) of their tow vehicles have GVWR of 33000 pounds or more. All County Towing and Recovery Inc. has the ability to service zones 15 and 16 in addition to zones 14, 19 and 20.

7. **North Shore Auto & Towing Inc.:** This vendor owns and or leases two (2) fenced and lighted storage locations within the confines of zone 3. Their capacity to store vehicles far exceeds the mandated twelve (12) necessary to service zone 3. They currently own and operate four (4) registered and insured tow vehicles which exceed the minimum of one (1) necessary to service zone 3. North Shore Auto & Towing has the ability to service zone 1 & 4 in addition to servicing zone 3. North Shore Auto & Towing Inc. has contracted with AAAA-1 Auto and Towing to supply heave duty equipment should the need arise.

8. **T & D Towing Corporation:** This vendor leases and or owns two (2) fenced and lighted storage locations located within the confines of Zone 2. These storage locations have the capacity to store in excess of 50 vehicles. They currently own and operate four (4) registered and insured tow vehicles and also have contracted with Bills Towing Service of Hicksville to supply heavy duty equipment should the need arise.

9. **JCB & Sons Inc.:** This vendor leases a storage building in the Village of Freeport within the confines of zone 16. The Village of Freeport Building Department has not approved this building for the storage of wrecked vehicles. JCB & Sons Inc. also leases a portion of a fenced and lighted storage lot located on Newbridge Road in Bellmore. This facility is located in zone17. Although the storage capacity of this location exceeds the mandated twelve (12) necessary to service zone 15, zone 17 is not adjacent to zone 15. Additionally, it should be noted that zone 15 includes a portion of Brookside Avenue which is located within the Village of Freeport. The tow vehicles owned and or operated by JCB & Sons Inc. are not licensed by the Village of Freeport and therefore are precluded from towing any vehicles from a village roadway. Finally, the corporation does not possess a license to operate as a repair shop within the state of NY. The next highest responsible bidder for zone 15 is All County Towing and Recovery Inc. They have the available tow vehicles, storage capacity and licensing to service zone 15.

cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(c) In connection with the termination or impending termination of this Agreement the CONTRACTOR shall, regardless of the reason for termination, take all actions reasonably requested by the COUNTY (including those set forth in other provisions of this Agreement) to assist the COUNTY in transitioning the CONTRACTOR'S responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

8. Indemnification; Defense; Cooperation. (a) The CONTRACTOR shall be solely responsible for and shall indemnify and hold harmless the COUNTY, the DEPARTMENT and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in

connection with any acts or omissions of the CONTRACTOR or a CONTRACTOR Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the CONTRACTOR shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the COUNTY.

(b) The CONTRACTOR shall, upon the COUNTY'S demand and at the COUNTY'S direction, promptly and diligently defend, at the CONTRACTOR'S own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the CONTRACTOR is responsible under this Section, and, further to the CONTRACTOR'S indemnification obligations, the CONTRACTOR shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The CONTRACTOR shall, and shall cause CONTRACTOR'S agents to, cooperate with the COUNTY and the DEPARTMENT in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the CONTRACTOR and/or a CONTRACTOR'S agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The CONTRACTOR shall obtain and maintain throughout the term of this Agreement and any renewals or extensions thereof, at its own expense: (i) Garage Liability and Commercial General Liability Insurance, which policies shall name "Nassau County" as an additional insured and have a minimal single combined limit of THREE MILLION and 00/100 ($3,000,000.00) DOLLARS for bodily injury and property damage per occurrence. Such insurance shall include but not be limited to the torts and negligence of CONTRACTOR'S personnel. The CONTRACTOR shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the CONTRACTOR to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the COUNTY reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. (c) Once each month, but not later than the 10th of the month, CONTRACTOR shall provide by e-mail or fax a list of vehicles which they have on their premises. The notice shall include vehicle year, make, model, VIN number, date, time and location of

impound. Failure to provide such notice may, in the County's sole discretion, result in CONTRACTOR'S waiving their right to any outstanding charges due for storage of said vehicles.

13. Limitations on Actions and Special Proceedings Against the COUNTY. No action or special proceeding shall lie or be prosecuted or maintained against the COUNTY upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the DEPARTMENT and the (ii) the County Attorney (at the address specified above for the COUNTY) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the COUNTY.

Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau COUNTY in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the

terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement. In the event of a conflict between the terms of this Agreement and the terms of the bid proposal, the terms of this Agreement shall control.

§ 184. Lien of bailee of motor vehicles, motor boats or aircraft.

1. A person keeping a garage, hangar or place for the storage, maintenance, keeping or repair of motor vehicles as defined by the vehicle and traffic law, or of motor boats as defined by article seven of the navigation law, or of aircraft as defined by article fourteen of the general business law, and who in connection therewith tows, stores, maintains, keeps or repairs any motor vehicle, motor boat, or aircraft or furnishes gasoline or other supplies therefor at the request or with the consent of the owner or, subject to the provisions of subdivision two of this section, tows and stores any motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, whether or not such motor vehicle, motor boat or aircraft is subject to a security interest, has a lien upon such motor vehicle, motor boat or aircraft for the sum due for such towing, storing, maintaining, keeping or repairing of such motor vehicle, motor boat or aircraft or for furnishing gasoline or other supplies therefor and may detain such motor vehicle, motor boat or aircraft at any time it may be lawfully in his possession until such sum is paid, except that if the lienor, subsequent to thirty days from the accrual of such lien, allows the motor vehicle, motor boat or aircraft out of his actual possession the lien provided for in this section shall thereupon become void as against all security interests, whether or not perfected, in such motor vehicles, motor boat or aircraft and executed prior to the accrual of such lien, notwithstanding possession of such motor vehicle, motor boat or aircraft is thereafter acquired by such lienor. However, if the bailee of a motor vehicle, motor boat or aircraft has furnished a written estimate of the cost of towing, storage, maintenance, repair or any other service on such motor vehicle, motor boat or aircraft, any lien sought by such bailee for such service may not be in an amount in excess of the written estimate.

2. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle shall be entitled to a lien for the reasonable costs of such towing and storage, provided that such person, within five working days from the initial towing, mails to the owner of said motor vehicle a notice by certified mail return receipt requested that contains the name of the person who towed and is storing said motor vehicle, the amount that is being claimed for such towing and storage, and the address and times at which said motor vehicle may be recovered. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

5. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, and who seeks to assert a lien for the storage of such motor vehicle pursuant to subdivision two of this section shall mail by certified mail, return receipt requested, a notice pursuant to this subdivision to every person who has perfected a security interest in such motor vehicle or who is listed as a lienholder upon the certificate of title of such motor vehicle pursuant to the vehicle and traffic law within twenty days of the first day of storage. Such notice shall include the name of the person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

Lien Law
Article 9 Enforcement of Liens on Personal Property

§ 200. Sale of personal property to satisfy a lien

A lien against personal property, other than the lien of a warehouseman pursuant to section 7--209 of the uniform commercial code, the lien of a carrier pursuant to section 7--307 of the uniform commercial code, a security interest in goods and the lien of a keeper of a hotel, apartment hotel, inn, boarding-house or lodging-house, except an immigrant lodging-house, if in the legal possession of the lienor, may be satisfied by the sale of such property according to the provisions of this article.

§ 201. Notice of sale

Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is a motor vehicle that is to be sold pursuant to subdivision three of section two hundred two of this article of a value of less than five hundred dollars or other property that is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, return receipt requested, and by first-class mail. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens

Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment cancelling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception

1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is then held and the time and place of such sale, provided, that if the property to be sold is

a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

3. Notwithstanding subdivisions one and two of this section, sale of a motor vehicle having a wholesale value, taking into consideration the condition of the vehicle, of less than five hundred dollars to satisfy a lien for towing and storage under section one hundred eighty-four of this chapter, may be made directly to a registered vehicle dismantler or licensed scrap processor, both as defined in section four hundred fifteen-a of the vehicle and traffic law, on the condition that the motor vehicle shall never be titled again and must be dismantled or scrapped. Such sale shall not occur prior to thirty days after notice is mailed pursuant to section two hundred one of this article or sixty days after the date of the initial tow, whichever is later.

§ 202-a. Sale of a security

A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§ 202-b. Pledgee may buy at public sale

Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§ 203. Redemption before sale

At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and

advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§ 204. Disposition of proceeds

Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons, and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive

The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien

An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon

If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment

In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court

Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application

Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support

1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property

owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it

has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been

reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Appendix EE

EQUAL EMPLOYMENT OPPORTUNTIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

BIDDER SIGN HERE X _____ President

BIDDER TITLE

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

This Lease Agreement (this "Lease") is dated January 1, 2014, by and between 300 Park Avenue, L.I., LLC ("Landlord") and A1 Grand Auto Body ("Tenant"). The parties agree as follows:

PREMISES. Landlord, in consideration of the lease payments provided in this Lease, leases to Tenant 2,000 square foot parking lot near the corner of Herricks Road and Broadway and 3,000 square foot parking lot near the corner of Herricks Road and Park Avenue in Garden City Park (the "Premises") NY 11040 for a total of 5,000.

TERM. The lease term will begin on January 1, 2014, and will terminate on December 31, 2020.

LEASE PAYMENTS. Tenant shall pay to Landlord monthly installments of $1,300.00, payable in advance on the first day of each month, for a total lease payment of $15,600.00. Lease payments shall be made to the Landlord at 300 Park Avenue, L.I., Garden City Park, NY 11040, which address may be changed from time to time by the Landlord.

POSSESSION. Tenant shall be entitled to possession on the first day of the term of this Lease, and shall yield possession to Landlord on the last day of the term of this Lease, unless otherwise agreed by both parties in writing. At the expiration of the term, Tenant shall remove its goods and effects and peaceably yield up the Premises to Landlord in as good a condition as when delivered to Tenant, ordinary wear and tear excepted.

USE OF PREMISES. Tenant may use the Premises only for Temporary storage of motor vehicles. The Premises may be used for any other purpose only with the prior written consent of Landlord, which shall not be unreasonably withheld. Tenant shall notify Landlord of any anticipated extended absence from the Premises not later than the first day of the extended absence.

PROPERTY INSURANCE. Landlord and Tenant shall each maintain appropriate insurance for their respective interests in the Premises and property located on the Premises. Landlord shall be named as an additional insured in such policies. Tenant shall deliver appropriate evidence to Landlord as proof that adequate insurance is in force issued by companies reasonably satisfactory to Landlord. Landlord shall receive advance written notice from the insurer prior to any termination of such insurance policies. Tenant shall also maintain any other insurance which Landlord may reasonably require for the protection of Landlord's interest in the Premises. Tenant is responsible for maintaining casualty insurance on its own property.

TERMINATION UPON SALE OF PREMISES. Notwithstanding any other provision of this Lease, Landlord may terminate this Lease upon 30 days' written notice to Tenant that the Premises have been sold.

DEFAULTS. Tenant shall be in default of this Lease if Tenant fails to fulfill any lease obligation or term by which Tenant is bound. Subject to any governing provisions of law to the

contrary, if Tenant fails to cure any financial obligation with 5 days (or any other obligation within 10 days) after written notice of such default is provided by Landlord to Tenant, Landlord may take possession of the Premises without further notice (to the extent permitted by law), and without prejudicing Landlord's rights to damages. In the alternative, Landlord may elect to cure any default and the cost of such action shall be added to Tenant's financial obligations under this Lease. Tenant shall pay all costs, damages, and expenses (including reasonable attorney fees and expenses) suffered by Landlord by reason of Tenant's defaults. All sums of money or charges required to be paid by Tenant under this Lease shall be additional rent, whether or not such sums or charges are designated as "additional rent." The rights provided by this paragraph are cumulative in nature and are in addition to any other rights afforded by law.

CUMULATIVE RIGHTS. The rights of the parties under this Lease are cumulative, and shall not be construed as exclusive unless otherwise required by law.

NON-SUFFICIENT FUNDS. Tenant shall be charged $30.00 for each check that is returned to Landlord for lack of sufficient funds.

INDEMNITY REGARDING USE OF PREMISES. To the extent permitted by law, Tenant agrees to indemnify, hold harmless, and defend Landlord from and against any and all losses, claims, liabilities, and expenses, including reasonable attorney fees, if any, which Landlord may suffer or incur in connection with Tenant's possession, use or misuse of the Premises, except Landlord's act or negligence.

DANGEROUS MATERIALS. Tenant shall not keep or have on the Premises any article or thing of a dangerous, flammable, or explosive character that might substantially increase the danger of fire on the Premises, or that might be considered hazardous by a responsible insurance company, unless the prior written consent of Landlord is obtained and proof of adequate insurance protection is provided by Tenant to Landlord.

COMPLIANCE WITH REGULATIONS. Tenant shall promptly comply with all laws, ordinances, requirements and regulations of the federal, state, county, municipal and other authorities, and the fire insurance underwriters. However, Tenant shall not by this provision be required to make alterations to the exterior of the building or alterations of a structural nature.

MECHANICS LIENS. Neither the Tenant nor anyone claiming through the Tenant shall have the right to file mechanics liens or any other kind of lien on the Premises and the filing of this Lease constitutes notice that such liens are invalid. Further, Tenant agrees to (1) give actual advance notice to any contractors, subcontractors, or suppliers of goods, labor or services that such liens will not be valid, and (2) take whatever steps that are necessary in order to keep the premises free of all liens resulting from construction done by or for the Tenant.

SUBORDINATION OF LEASE. This Lease is subordinate to any mortgage that now exists, or may be given later by Landlord, with respect to the Premises.

ASSIGNABILITY/SUBLETTING. Tenant may not assign or sublease any interest in the Premises, nor effect a change in the majority ownership of the Tenant (from the ownership

existing at the inception of this lease), nor assign, mortgage, or pledge this Lease, without the prior written consent of Landlord, which shall not be unreasonably withheld.

(d) Tenant, by entering into occupancy of the premises, shall be conclusively deemed to have agreed that Landlord, up to the time of such occupancy, had performed all of its obligations hereunder and that the premises were in satisfactory condition as of the date of such occupancy. Landlord shall not be responsible for latent defects in the Building or the premises.

The cost and expense of any such removal and the cost and expense of repairing any such damage to the premises or to the Building arising from such removal shall be paid by Tenant on demand. If any fixtures, equipment, improvement, installation or appurtenances which as aforesaid may or is required to be removed from the Building by Tenant is not removed by Tenant from the Building within the time above specified therefor, then Landlord (in addition to all other rights and remedies to which Landlord may be entitled at any time) may at its election deem that the same has been abandoned by Tenant to Landlord, but not such election shall relieve Tenant of Tenant's obligation to pay the cost and expense of removing the same from the Building or the cost or repairing damage to the premises or to the Building arising from such removal.

Landlord shall in no way be liable for any failure of or defect in the character or supply of electrical energy furnished to the premises except for actual damage suffered by Tenant by reason of any such defect or failure resulting from the willful gross negligence of Landlord.

In order that Landlord may at all times have all necessary information which it requires in order to maintain and protect

its equipment, Tenant agrees that it will not make any alteration or addition to the electrical equipment and/or appliances in the premises without prior written consent of Landlord in each instance.

Tenant shall pay Landlord the cost for all water consumed in the premises and for any required pumping and heating thereof or other charges which may be imposed by the city or other governmental authority or agency thereof based on the quantity of water so used by Tenant and/or the charge therefor.

All meters necessary for the measurement of Tenant's consumption of electrical energy and water in the premises shall be installed, if required, and maintained by Tenant at Tenant's sole cost and expense.

(d) make no claims against Landlord or any lessor under any ground or underlying lease for any injury or damage to Tenant or to any other person or for any damage to, or loss (by theft or otherwise) of, or loss of use of, any property of Tenant or of any other person irrespective of the cause of such injury, damage or loss, unless caused by the willful gross negligence of Landlord or Owner in the operation or maintenance of the Building, it being understood and agreed that no property other than such as might normally be brought upon or kept in the premises for the purposes herein specified will be brought upon or kept in the premises.

Landlord, as a condition of such consent, may impose such requirements upon Tenant for the furnishing, by Tenant, at Tenant's sole cost and expense, of such insurance as Landlord shall determine necessary, appropriate and desirable including, but not limited to, personal liability, property damage and workers' compensation insurance and Landlord, any mortgagee or any ground or underlying lessor as shall be designated by Landlord shall be named as additional insured under any such insurance. All such alterations, decorations, installations, repairs, additions, improvements or replacements shall be done at Tenant's sole expense and at such times and in such manner as Landlord may from time to time designate. Prior to the commencement of any such alterations, decorations, installations, repairs, additions, improvements or replacements, Tenant shall submit to Landlord, for Landlord's approval, plans and specifications (to be prepared by and at the expense of Tenant) of such proposed alterations, decorations, installations, repairs, additions, improvements or replacements, in detail, satisfactory to Landlord. In no event shall any material or equipment be incorporated in or to the premises in connection with any such alteration, decoration, installation, repair, addition, improvement or replacement which is subject to any lien, security agreement, charge, mortgage or other encumbrance of any kind whatsoever or is subject to any conditional sale or other similar or dissimilar title retention agreement. Any mechanic's lien field against the premises or the Building for work claimed to have been done for, or materials claimed to have been furnished to, Tenant shall be discharged by Tenant within 10 days thereafter, at Tenant's expense, by payment or filing the bond required by law. All alterations, decorations, installations, repairs, additions, improvements, replacements or work done by Tenant shall at all times comply with (1) laws, rules, orders, and regulations of governmental authorities having jurisdiction thereof, including without limitation, the American's With Disabilities Act and all regulations issued thereunder and the Accessibility Guidelines for Buildings and Facilities issued pursuant thereto, (2) rules and regulations of Landlord, and (3) plans and specifications prepared by and at the expense of Tenant theretofore submitted to Landlord for Landlord's prior written approval and which Landlord shall have approved. Tenant shall be entitled to make nonstructural alterations to the interior of the premises provided Tenant furnishes Landlord with plans and specifications therefor, including "as built" plans and specifications, and otherwise complies with the provisions of this Lease including this paragraph (e). The construction of demising walls by Tenant shall be subject to the prior written consent of Landlord. If Landlord provides hoist and/or elevator service to Tenant's contractors, such service shall be provided on the same terms and conditions as the same is provided to Landlord's contractors. Tenant agrees that it will not at any time prior to or during the term of this Lease, either directly or indirectly, use any contractors and/or labor and/or materials if the use of such contractors and/or labor and/or materials would or will create any difficulty with other contractors and/or labor engaged by Tenant of Landlord or others in the construction, maintenance and/or operation of the Building or any part thereof.

(f) not violate, or permit the violation of, any condition imposed by the standard fire insurance policy issued for office buildings in the County of Nassau , and not do anything or permit anything to be done, or keep anything or permit anything to be kept, in the premises, which would increase the fire or other casualty insurance rate on the Building or the property therein, or which would result in insurance companies of good standing refusing to insure the Building or any such property in amounts and against risks as determined by Landlord.

(g) permit Landlord, at reasonable times, to show the premises to any lessor under any ground or underlying lease, or any lessee or mortgagee, or any prospective purchaser, lessee, mortgagee, or assignee of any mortgage, of the Building and/or the Land or of Landlord's interest therein, and their representatives, and during the period of 12 months next preceding the date of expiration of the term hereof with respect to any part of the premises similarly show such part to any person contemplating the leasing of all or a portion of the same.

7. Assignment, Mortgaging, Subletting, etc.

(a) Tenant covenants and agrees, for Tenant and its successors, assigns and legal representatives, that neither this Lease nor the term and estate hereby granted, nor any part hereof of thereof, will be assigned, mortgaged, pledged, encumbered or otherwise transferred (whether voluntarily, involuntarily, by operation of law, or otherwise), and that neither the premises, nor any part thereof, will be encumbered in any manner by reason of any act or omission on the part of Tenant, or will be used or occupied, or permitted to be used or occupied, or utilized for desk space or for mailing privileges or as a concession, by anyone other than Tenant, or for any purpose other than as hereinbefore set forth, or will be sublet, without the prior written consent of Landlord in every case and any attempt thereat shall be void any of no force or effect. For the purposes of this Lease, (i) the transfer or transferee or sale or sales (in either one or a series of transactions) of fifty (50%) percent or more of the capital stock of Tenant, if Tenant is a corporation or fifty (50%) percent or more of the ownership interests of Tenant, if Tenant is a partnership or (ii) a merger or consolidation of Tenant into or with an other corporation or business entity shall, in each instance referred to in the preceding clauses (i) and (ii), be deemed to be an assignment of this Lease requiring the prior written consent of Landlord as herein set forth.

If this Lease be assigned or if the premises or any part thereof by sublet or occupied by anybody other than Tenant, Landlord may, after default by Tenant, collect rent from the assignee, subtenant or occupant, and apply the net amount collected to the rent herein reserved, but no such assignment, subletting, occupancy or collection shall be deemed a waiver or any of Tenant's covenants contained in this Article 7 or elsewhere in this Lease or the acceptance of the assignee, subtenant or occupant as Tenant, or a release of Tenant as sub-lessor or assignor from the further performance by Tenant of the covenants, agreements, terms, provisions and conditions of this Lease on the part of the tenant hereunder to be kept, performed or observed. Tenant's liability under this Lease, in the event of an assignment, shall not at any time be released, relieved or discharged by reason of Landlord's consent to such assignment nor shall Tenant at any time be released, relieved or discharged of any such obligations of the parties to this Lease or by any stipulation extending any time for performance hereunder or Landlord's waiver of performance of any obligation hereunder or Landlord's failure to enforce any obligation set forth in this Lease. If this Lease be assigned or if all or any portion of the premises be sublet, the assignee or subtenant, as the case may be, shall have no right, and shall not be entitled, to exercise any option contained in this Lease which may be exercised by Tenant.

(b) Notwithstanding anything to the contrary contained in this Article 7, and so long as Tenant is not in default of any of the covenants, agreements, terms, provisions and conditions of this Lease on its part to be kept, observed and performed, Tenant may, in connection with (i) the sale of all of the capital stock of Tenant, if Tenant is a corporation, or of all of the ownership interests of Tenant, if Tenant is a partnership, or (ii) a merger or consolidation of Tenant into or with any other corporation or business entity or (iii) the sale of all or substantially all of the assets of Tenant, assign this Lease, with Landlord's prior written consent which shall not be unreasonably withheld or delayed, provided that:

(c) Tenant shall furnish Landlord with the name and business address of the proposed assignee, a counterpart of the proposed assignment agreement, and satisfactory information with respect to the nature and character of the business of the proposed assignee together with current financial information of the proposed assigned certified by a certified public accountant and references, including banking references, satisfactory to Landlord;

(d) in the judgment of Landlord, the proposed assignee is financially responsible with respect to its proposed obligations under the proposed assignment agreement and is of a character and reputation, and engaged in a business, which is in keeping with the standards of the Building;

(e) the premises shall be used only for the purpose set forth in Article 1 hereof;

(f) an executed duplicate original, in form satisfactory to Landlord for review by Landlord's counsel, of such assignment agreement shall be delivered to Landlord at least thirty (30) days prior to the effective date thereof. Tenant will also deliver to Landlord, at least thirty (30) days prior to the effective date thereof, an assumption agreement in form satisfactory to Landlord wherein the assignee agrees to assume all of the covenants, agreements, terms, provisions and conditions of this Lease to be kept, observed and performed by Tenant hereunder and which provides that Tenant named herein and such assignee shall, after the effective date of such assignment, be jointly and severally liable for the performance of all of the convents, agreements, terms, provisions and conditions of this Lease;

(g) each assignment shall be subject and subordinate to all of the covenants, agreements, terms, provisions and conditions of this Lease and the "Prime Lease" as such term is hereinafter defined; and

(h) Assignee shall deposit with Landlord an amount equal to 9,800.00 months of the fixed rent then in effect; and

(i) Tenant covenants and agrees that, notwithstanding any assignment and/or the acceptance of rent or additional rent by Landlord from any assignee, Tenant shall and will remain fully liable for the payment of the rent and additional rent due and to become due hereunder and for the performance of all the covenants, agreements, terms, provisions and conditions contained in this Lease and Guaranty on the part of Tenant to be kept, observed and performed, ("Obligation") provided, however, that if Tenant shall timely have complied with all of the conditions set forth in this Article 7 and Landlord has approved (in writing) the proposed assignee, Tenant shall be released from said Obligations, effective upon the effective date of the assignment of this Lease.

The listing of any name other than that of Tenant, whether on the doors of the premises, on the Building directory, or otherwise, shall not operate to vest any right or interest in this Lease or in the premises or to be deemed to be the written consent of Landlord mentioned in this Article 7, it being expressly understood that any such listing is a privilege extended by Landlord revocable at will by written notice to Tenant.

8. Changes or Alterations by Landlord. Landlord reserves the right to make such changes, alterations, additions, improvements, repairs or replacements in or to the Building (including the premises) and the fixtures and equipment thereof, as well as in the street entrances, halls, passages, tunnels, elevators, escalators, stairways and other parts thereof, and to erect, maintain and use pipes, ducts and conduits in and through the premises, all as Landlord may deem necessary, appropriate or desirable; provided, however, that there be no unreasonable obstruction of the means of access to the premises or unreasonable interference with the use of the premises. Nothing contained in this Article 8 shall be deemed to relieve Tenant of any duty, obligation or liability of Tenant with respect to making any repair, replacement or improvement or complying with any law, order or requirement or any governmental or other authority. Landlord reserves the right to name the Building and to change the name or address of the Building at any time and from time to time. Neither this Lease nor any use by Tenant shall give Tenant any right or easement to the use of any door or any passage or any tunnel or any concourse or any plaza connecting the Building

with any other building or to any public convenience, and the use of such doors, passages, tunnels, concourses and Plazas and of such conveniences may without notice to Tenant be regulated or discontinued at any time and from time to time by Landlord without Landlord incurring any liability to Tenant therefor and without affecting the obligations of Tenant under this Lease.

If at any time any windows of the premises are darkened or obstructed incident to or by reason of repairs, replacements, maintenance and/or cleaning in, on, to or about the Building or any part or parts thereof or otherwise or are temporarily or permanently closed, Landlord shall not be liable for any damage Tenant may sustain thereby and Tenant shall not be entitled to any compensation therefor nor abatement of rent nor shall the same release Tenant from its obligations hereunder nor constitute an eviction.

There shall be no allowance to Tenant for a diminution of rental value and no liability on the part of Landlord by reason of inconvenience, annoyance or injury to business arising from Landlord, Tenant or others making any changes, alterations, additions, improvements, repairs or replacements in or to any portion of the Building or the premises, or in or to fixtures, appurtenances or equipment thereof, and no liability upon Landlord for failure of Landlord or others to make any changes, alterations, additions, improvements, repairs or replacements in or to any portion of the Building or the premises, or in or to the premises, or in or to the fixtures appurtenances or equipment thereof.

9. Damage by Fire, etc. If any part of the premises shall be damaged by fire or other casualty, Tenant shall give prompt written notice thereof to Landlord and Landlord shall proceed with reasonable diligence subsequent to the collection by Landlord of insurance proceeds, and in a manner consistent with the provisions of any underlying lease and any underlying mortgage, to repair such damage, and if any part of the premises shall be rendered untenantable by reason of such damage, the annual fixed rent payable hereunder, to the extent that such fixed rent relates to such part of the premises and such abatement is in excess of the annual rate of any other existing abatement of fixed rent relating thereto under any other covenant, agreement, term, provision or condition of this Lease, shall be abated for the period from the date of such damage to the date when such part of the premises shall have been made tenantable or to such earlier date upon which the full term of this Lease with respect to such part of the premises shall expire or terminate, unless such fire or other casualty shall have resulted from the negligence of Tenant or the employees, licensees or invitees of Tenant. Landlord shall not be liable for any inconvenience or annoyance to Tenant or injury to the business of Tenant resulting in any way from such damage or the repair thereof. Tenant understands that Landlord will not carry insurance of any kind on Tenant's property, to wit, Tenant's goods, furniture or furnishings or any fixtures, equipment, improvements, installations or appurtenances removable by Tenant as provided in this Lease, and that the Landlord shall not be obligated to repair any damage thereto or replace the same.

If substantial alteration or reconstruction of the Building shall, in the opinion of Landlord, be required as a result of damage by fire or other casualty (whether or not the premises shall have been damaged by such fire or other casualty), then this Lease and the term and estate hereby granted may be terminated by Landlord giving to Tenant within 90 days after the date of such damage written notice specifying a date, not less than 30 days after the giving of such notice, for such termination. In the event of the giving of such notice of termination, this Lease and the term and estate hereby granted shall expire as of the date specified therefor in such notice with the same effect s if such date were the date hereinbefore specified for the expiration of the full term of this Lease, and the fixed rent and additional rent payable hereunder shall be apportioned as of such date of termination, subject to abatement, if any, as and to the extent above provided. In the event Landlord shall not give such notice of termination, Tenant's obligation to pay all rent and additional rent due and to become hereunder shall continue for so long as Tenant's rent insurance policy (as required under Article 10(b) below) shall be in effect or for the period of nine (9) months from the date of such damage, whichever is longer.

Notwithstanding anything to the contrary contained herein, if at the time of the damage or destruction the premises shall in the Tenant's opinion reasonably exercised be prospectively untenantable for 12 months or more, Tenant shall have the right, within 10 days after date of damage, to elect to cancel the Lease by giving written notice to Landlord, which notice shall specify the date of cancellation not earlier than 30 days following the giving of such notice. Such cancellation shall otherwise be of no effect upon the covenants and agreements of this Lease to be kept and observed by the Tenant, and Tenant shall not be released or relieved of any liability or obligation theretofore accrued or incurred or outstanding or unsatisfied as of the date of such cancellation.

Each party agrees to endeavor to have included in each of its insurance policies (insuring the Building and Landlord's property therein, in the case of Landlord, and insuring Tenant's Property in the premises, in the case of Tenant, against loss, damage of destruction by fire or other casualty) a waiver of the insurer's right of subrogation against the other party and against all other tenants in the Building, or, if such waiver should be unobtainable or unenforceable, (a) an express agreement that such policy shall not be invalidated if the assured waives the right of recovery against any party responsible for a casualty covered by the policy before the casualty or (b) any other form of permission for the release of the other party. If such waiver, agreement or permission shall not be, or shall cease to be, obtainable (i) without additional charge, or (ii) at all, then the insured party shall so notify the other party promptly after learning thereof. In case such waiver, agreement, or permission can be obtained at additional charge, if the party so notified shall so elect and shall pay the insurer's charge therefor, such waiver, agreement or permission shall be included in the policy.

Each party hereby releases the other party, and Tenant hereby releases all other tenants in the Building, with respect to any claim (including a claim for negligence) which it might otherwise have against the other party (or, in the case of Tenant, against all such other tenants) for loss, damages with respect to its property occurring during the term of this Lease to the extent

to which it is insured under a policy or policies containing a waiver of subrogation or permission to release liability, as provided in the preceding paragraph. If, notwithstanding the recovery of insurance proceeds by either party for loss, damage or destruction of its property, the other party is liable to the first party with respect thereto or is obligated under this Lease to make replacement, repair or restoration or payment, then, provided the first party's right of full recovery under its insurance policies is not thereby prejudiced or otherwise adversely affected, the amount of the net proceeds of the first party's insurance against such loss, damage or destruction shall be offset against the second party's liability to the first party therefor, or shall be made available to the second party to pay for replacement, repair of restoration, as the case may be. Nothing contained in this paragraph shall be deemed to relieve either party of any duty imposed elsewhere in this Lease to repair, restore or rebuild or to nullify any abatement of rents provided for elsewhere in this Lease.

This Lease shall be considered an express agreement governing any case of damage to or destruction of the Building or any part thereof by fire or other casualty, and Section 227 of the Real Property Law of the State of New York providing for such a contingency in the absence of express agreement, and any other law of like import now or hereafter in force, shall have no application in such case.

10. Insurance. Tenant, at its own expense, shall maintain, for the benefit of Landlord and Tenant and any mortgagee and any lessor under any ground or underlying lease:

(a) insurance covering the premises and equipment therein against loss or damage by fire and such risks as are customarily included in extended coverage endorsements attached to fire insurance policies covering comparable property in the vicinity of the premises including vandalism and malicious mischief, war risk (when obtainable), atomic bomb (when obtainable), in an amount sufficient to prevent the assured from becoming a co-insurer within the terms of the applicable policies, but in any event in an amount not less than the full replacement value thereof, or the amount required under any mortgage to which this Lease is subject, whichever is greater,

(b) rent insurance in an amount equal to the fixed net rent and additional rent payable under this Lease for as long as a period as Tenant is able to secure not to exceed one year, and

(c) if required by Landlord or any mortgagee, such other or additional insurance in such amounts against other insurable hazards (including but not limited to war risk insurance when obtainable) as Landlord or such mortgagee shall determine.

The term "full replacement value", as use herein shall mean the cost of actual replacement (excluding foundation and excavation costs and cost of underground flues, pipes or drains) without provision for physical depreciation, and said "full replacement value" shall be determined from time to time, at Landlord's request, but at Tenant's expense, not more frequently than once every two years, by an appraiser for any of insurance companies issuing the policies referred to in subdivisions (a) or (c) hereinabove set forth. Insurance in the amount set forth in subdivision (a) shall be carried if same is issued regularly for comparable buildings by licensed insurance companies in New York State and, if same is not so regularly issued, Tenant shall obtain the closest type of protective insurance then available or, at Landlord's sole election, Landlord may obtain such "full replacement value" coverage and Tenant shall pay any additional premium therefor.

Tenant shall not carry any separate insurance of the same character required by this Article unless Landlord and any mortgagee and any lessor under any ground or underlying lease shall be named as assureds with loss payable as interest may appear. However, Tenant may carry insurance, solely for its own account and benefit, insuring against loss of all or part of its leasehold estate hereunder.

Tenant, at its own expense, shall maintain for the mutual benefit of Landlord, Tenant, Owner and any mortgagee and any lessor under any ground or underlying lease, general public liability insurance against claims for bodily injury, death or property damage occurring in, on or about the premises and any adjoining sidewalk, curb or vault (including, without limitation, bodily injury, death or property damage resulting directly or indirectly from any change, alteration, improvement or repair thereof) with such limits as Landlord from time to time may require for bodily injury or death to any one person and for bodily injury or death to any number of persons arising out of one accident and for property damage.

Tenant at its own expense, shall also maintain for the mutual benefit of Landlord, Tenant and any mortgagee and any lessor under any ground or underlying lease, single limit coverage of 1,000,000.00 ($) Dollars for bodily injury or death to any one person or any number of persons arising out of one accident and for property damage as of the date hereof.

The insurance required under this Article shall be effected by valid and enforceable policies issued by insurance companies licensed to do business in the State of New York and approved in writing by Landlord and shall set forth the indemnity referred to in paragraph (j) of Article 6 hereof. Any insurance policy or policies under this Article shall cover only the premises and not any other properties owned, operated or leased by Tenant.

At the commencement of the term of this Lease and thereafter, not less than thirty (30) days prior to the expiration date or the expiring policies theretofore furnished pursuant to this Article, originals of such policies or renewal policies, as the case may be, shall be delivered by Tenant to Landlord with proof of payment of premium thereof. However, if the premium under any policy is payable in installments, Tenant shall furnish, simultaneously with the delivery of the policy, proof of payment of the current installment, and thereafter Tenant shall furnish to Landlord proof of payment of each subsequent installment within five (5) days after it becomes due. If the premiums are covered by a mortgage to which this Lease is subject, originals of the policies for the insurance required hereunder shall be delivered to the mortgagee, and, if obtainable, duplicates thereof, and if not obtainable, certificates thereof shall be delivered to Landlord.

All policies of insurance required under this Article shall name Landlord, Tenant and any mortgagee and any lessor under any ground or underlying lease, as the assureds, as their respective interests may appear, and the policies for the insurance required under subdivisions (a) and (c) hereinabove set forth also shall be payable, under a standard mortgagee clause, without contribution, to the holder of any mortgage covering the premises. Each policy of insurance required under this Article, to the extent obtainable, shall contain an agreement by the insurer that it will not be cancelled without at least thirty (30) days' prior written notice to Landlord and the insured holder of any mortgage covering the premises and that no act or omission of any insured party (including mortgagees) named therein shall serve to invalidate, cancel or release or relieve the insurer thereunder from any liability which it may have to any other insured party so named. If such agreement cannot be obtained with respect to any policy, Tenant shall notify Landlord, in writing, to such effect and Tenant shall accept an insurer named by Landlord who will consent to include such agreement in like policy provided that the inclusion thereof does not require Tenant to pay any substantial additional premium.

The loss, if any, under policies provided for herein (other than a loss under the insurance required by subdivision (b) which shall be adjusted by and paid to Landlord) shall be adjusted by and paid to Landlord or any mortgagee. All insurance policies, to the extent reasonably obtainable, shall provide that the loss, if any thereunder, shall be adjusted and paid as provided in this Article.

11. Condemnation. In the event that the whole of the premises shall be lawfully condemned or taken in any manner for any public or quasi-public use, this Lease, and the term and estate hereby granted, shall forthwith cease and terminate as of the date of vesting of title. In the event that only a part of the premises shall be so condemned or taken, then, effective as of the date of vesting of title, the fixed rent hereunder shall be abated in an amount thereof apportioned accordingly to the area of the premises so condemned or taken. In the event that only a part of the Building shall be so condemned or taken, then (a) Landlord (whether or not the premises be affected) may, at Landlord's option, terminate this Lease and the term and estate hereby granted as of the date of such vesting of title by notifying Tenant in writing of such termination within 60 days following the date on which Landlord shall have received notice of vesting of title, or (b) if such condemnation or taking shall be of a substantial part of the premises, Tenant may, at Tenant's option, by delivery of notice in writing to Landlord within 60 days following the date on which Tenant shall have received notice of vesting of title, terminate this Lease and the term and estate hereby granted as of the date of vesting of title; provided, however, if neither Landlord nor Tenant elects to terminate this Lease, as aforesaid, this Lease shall be and remain unaffected by such condemnation or taking, except that the fixed rent payable hereunder shall be abated to the extent, if any, hereinbefore provided in this Article 11. In the event that only a part of the premises shall be so condemned or taken and this Lease and the term and estate hereby granted are not terminated as herein before provided, Landlord will, with reasonable diligence and at its expense, restore the remaining portion of the premises as nearly as practicable to the same condition as it was in prior to such condemnation or taking.

In the event of their termination in any of the cases hereinbefore provided, this Lease and the term and estate hereby granted shall expire as of the date of such termination with the same effect as if that were the date hereinbefore set for the expiration of the term of this Lease, and the fixed rent and additional rent payable hereunder shall be apportioned as of such date.

In the event of any condemnation or taking hereinbefore mentioned of all or a part of the Building, Landlord shall be entitled to receive the entire award in the condemnation proceeding, including any award made for the value of the estate vested by this Lease in Tenant, and Tenant hereby expressly assigns to Landlord any and all right, title and interest of Tenant now or hereafter arising in or to any such award or any part thereof, and Tenant shall be entitled to receive no part of such award.

It is expressly understood and agreed that the provisions of this Article 11 shall not be applicable to any condemnation or taking for governmental occupancy for a limited period.

12. Compliance with Laws. Tenant, at Tenant's expense, shall comply with all laws and ordinances, and all rules, orders and regulations of all governmental authorities and of all insurance bodies, at any time duly issued or in force, applicable to the premises or any part thereof or to Tenant's use thereof (including, without limitation, the Americans With Disabilities Act and all regulations issued thereunder and the Accessibility Guidelines for Buildings and Facilities issued pursuant thereto), except that Tenant shall not hereby be under any obligation to comply with any law, ordinance, rule, order or regulation requiring any structural alteration of or in connection with the premises, unless such alteration is required by reason of a condition which has been created by, or at the instance of, Tenant, or is attributable, directly or indirectly, to the use or manner of use to which Tenant puts the premises, or is required by reason of a breach of any of Tenant's covenants and agreements hereunder. Where any structural alteration of or in connection with the premises is required by any such law, ordinance, rule, order or regulation, and, by reason of the express exception hereinabove contained, Tenant is not under any obligation to make such alteration, then Landlord shall have the option of making such alteration and paying the cost thereof, or of terminating this Lease and the term and estate hereby granted by giving to Tenant not less than 30 days' prior written notice of such termination; provided, however, that if within 15 days after the giving by Landlord of its notice of termination as aforesaid, Tenant shall give written notice to Landlord stating that Tenant elects to make such alteration at the expense of Tenant, then such notice of termination shall be ineffective provided that Tenant, at Tenant's expense, shall, concurrently with the giving of such notice to Landlord, execute and deliver to Landlord Tenant's written undertaking, with a surety and in form and substance satisfactory to Landlord, obligating Tenant to promptly and duly make such alteration in a manner satisfactory to Landlord and to save Landlord harmless from any

and all costs, expenses, penalties and/or liabilities (including, but not limited to, accountants' and attorneys' fees) in connection therewith or by reason thereof; and Tenant covenants and agrees that, after so electing to make any such alteration, Tenant will, at Tenant's expense, and in compliance with all the covenants, agreements, terms, provisions and conditions of this Lease, including, but not limited to, subparagraph (e) of Article 6 hereof, make such alteration and Tenant, at Tenant's expense, will promptly and duly perform all covenants, conditions and provisions of such undertaking and that all such covenants, conditions, and provisions of such undertaking shall be deemed to constitute covenants, condition and provisions of this Lease to be kept or performed on the part of Tenant with the same force and effect as if the same had been set forth herein.

In the event that a notice of termination shall be given by the Landlord under the provisions of this Article 12 and such notice shall not become ineffective as hereinbefore provided, this Lease and the term and estate hereby granted shall expire as of the date specified therefor in such notice with the same effect as if that were the date hereinbefore set for the expiration of the term of this Lease, and the fixed rent and additional rent payable hereunder shall be apportioned as of such date of termination.

13. Accidents to Plumbing and Other Systems. Tenant shall give to Landlord prompt written notice of any damage to, or defective condition in, any part or appurtenance of the Building's plumbing, electrical, heating, air conditioning or other similar or dissimilar system serving, located in, or passing through, the premises and the damage or defective condition shall be remedied by Landlord with reasonable diligence, but if such damage or defective condition was caused by, or resulted from the use or manner of use by, Tenant or by the employees, licensees or invitees of Tenant, the cost of the remedy thereof shall be paid by Tenant as additional rent promptly upon receipt of Landlord's bill therefor. Tenant shall not be entitled to claim any damage arising from any such damage or defective condition unless the same shall have been caused by the willful gross negligence of Landlord in the operation or maintenance of the Building and the same shall not have been remedied by Landlord with reasonable diligence after written notice thereof from Tenant to Landlord; nor shall Tenant be entitled to claim any eviction by reason of any such damage or defective condition.

The foregoing provisions shall inure to the benefit of any such owner, mortgagee or holder, shall apply to the tenancy of Tenant notwithstanding that this Lease may terminate upon the termination of any such leasehold estate, and shall be self-operative upon any such demand, without requiring any further instrument to give effect to said provisions. The words "re-enter", "re-entry" and "re-entered" as used in this Lease are not restricted to their technical legal meanings. In the event of any termination of this Lease under the provisions of Article 16 hereof or in the event that Landlord shall re-enter the premises under the provisions of this Article 17 or in the event of the termination of this Lease (or of re-entry) by or under any summary dispossess or other proceeding or action or any provision of law, Tenant shall thereupon pay to Landlord the fixed rent, additional rent and any other sum or charge payable hereunder by Tenant to Landlord up to the time of such termination of this Lease, or of such recovery of possession of the premises by Landlord, as the case may be, and shall also pay to Landlord damages as provided in Article 18 hereof.

The specified remedies to which Landlord may resort hereunder are cumulative and are not intended to be exclusive of any other remedies or means of redress to which Landlord may lawfully be entitled at any time, and Landlord may invoke any remedy allowed at law or in equity as if specific remedies were not herein provided for.

In the event of (a) the termination of this Lease under the provisions of Article 16 hereof, (b) the re-entry of the premises by Landlord under the provisions of this Article 17, or (c) the termination of this Lease (or re-entry) by or under any summary dispossess or other proceeding or action or any provision of law by reason of default hereunder on the part of Tenant, Landlord shall be entitled to retain all monies, if any paid by Tenant to Landlord, whether as advance rent, security or otherwise, but such moneys shall be credited by Landlord against any fixed rent, additional rent or any other sum or charge due from Tenant at the time of such termination or re-entry or, at Landlord's option, against any damages payable by Tenant under Article 18 hereof or pursuant to law.

18. Damages. In the event of any termination of this Lease under the provisions of Article 16 hereof or in the event that Landlord shall re-enter the premises under the provisions of Article 17 hereof or in the event of the termination of this Lease (or of re-entry by or under any summary dispossess or other proceeding or action or any provision of law), Tenant will pay to Landlord as damages, at the election of Landlord, either:

(a) a sum at which at the time of such termination of this Lease or at the time of any such re-entry by Landlord, as the case may be, represents the then value of the excess, if any, of (1) the aggregate of the fixed rent and the additional rent under Article 24 hereof which would have been paid hereunder by Tenant had this Lease not so terminated, for the period commencing with such earlier termination of this Lease or the date of any such re-entry, as the case may be, and ending with the date hereinbefore set for the expiration of the full term granted, over (2) the aggregate rental value of the premises for the same period, or

(b) sums equal to the aggregate of the fixed rent and the additional rent under Article 24 hereof (if any) which would have been payable by Tenant had this Lease not so terminated, or had Landlord not so re-entered the premises, payable upon the due dates therefor specified herein following such termination or such re-entry and until the date hereinbefore set for the expiration of the full term hereby granted; provided, however, that if Landlord (Landlord, however, not being obligated to do so) shall re-let all or any part of the premises for all or any part of said period, Landlord shall credit Tenant with the net rents actually received by Landlord from such re-letting, such net rents to be determined by first deducting from the gross rents as and when received by Landlord from such re-letting the expenses, including attorneys fees, incurred or paid by Landlord in terminating this Lease and/or of re-entering the premises and of securing possession thereof, as well as the expenses of re-letting, including altering and preparing the premises for new tenants, brokers' commission, attorneys' fees and all other similar or dissimilar expenses properly chargeable against the premises and the rental therefrom in connection with such re-letting, it being understood that any such re-letting may be for a period equal to, less than or longer than the remaining term of this Lease; provided, further, that (i) in no event shall Tenant be entitled to receive any excess or such net rents over the sums payable by Tenant to Landlord hereunder, (ii) in no event shall Tenant be entitled in any suit for the collection of damages pursuant to this subparagraph (b) to a credit in respect of any net rents from a re-letting except to the extent that such net rents are actually received by Landlord prior to the commencement of such suit, and (iii) if the premises or any part thereof should be re-let in combination with other space, then proper apportionment on a square foot area basis shall be made of the rent received from such re-letting and of the expenses of re-letting.

For the purposes of subparagraph (a) of this Article 18, the amount of additional rent which would have been payable by Tenant under Article 24 hereof shall be deemed to be an amount equal to the amount of such additional rent payable by Tenant for the applicable period ending immediately preceding such termination of this Lease or such re-entry. Suit or suits for the recovery of such damages, or any installments thereof, may be brought by Landlord from time to time at its election, and nothing contained herein shall be deemed to require Landlord to postpone suit until the date when the term of this Lease would have expired if it had not been terminated under the provisions of Article 16 hereof, or under any provision of law, or had the Landlord not re-entered the premises.

Nothing herein contained shall be construed as limiting or precluding the recovery by Landlord against Tenant of any sums or damages to which, in addition to the damages particularly provided above, Landlord may lawfully be entitled by reason of any default hereunder on the part of Tenant.

19. Waiver by Tenant. Tenant, for Tenant, and on behalf of any and all persons, firms corporations and associations claiming through or under Tenant, including creditors of all kinds, does hereby waive and surrender all right and privilege which they or any of them might have under or by reason of any present or future law to redeem the premises or to have a continuance of this Lease for the term hereby demised after Tenant is dispossessed or ejected therefrom by process of law or under the terms of this Lease or after the expiration or termination of this Lease as herein provided or pursuant to law. Tenant also waives the provisions of any law relating to notice and/or delay in levy of execution in case of an eviction or dispossess of a tenant for non-payment of rent, and of any other law of like import now or hereafter in effect. It is further mutually agreed that in the event Landlord commences any summary proceeding, Tenant will not interpose any counterclaim of whatever nature or description in any such proceeding.

20. Waiver of Trial by Jury. It is mutually agreed by and between Landlord and Tenant that, except in the case of any action, proceeding or counterclaim brought by either of the parties against the other for personal injury or property damage, the respective parties hereto shall, and they hereby do, waive trial by jury in any action, arising out of or in any way connected with this Lease, the relationship of landlord and tenant, Tenant's use or occupancy of the premises, and/or any claim of injury or damage, and any emergency statutory or any other statutory remedy.

21. Cleaning, Heating, Air Conditioning, Services, Etc. Tenant understands, and covenants and agrees, that Landlord shall not be obligated to furnish any heating, air conditioning or other services, utility or otherwise, of any kind or nature whatsoever, in and to the premises or the Building and all such services shall be furnished by Tenant, at its sole cost and expense, and subject to the approval of Landlord as to the means and methods thereof.

Tenant, at Tenant's sole cost and expense, shall keep the premises and the sidewalks in front of the premises clean and neat and shall remove all refuse, rubbish, debris and snow therefrom. All refuse, rubbish and debris shall be deposited only in such receptacles and in such a manner as shall be designated or approved by Landlord.

It is understood that at any time or times all or any of the elevators in the Building, if any, at the option of the Landlord, be automatic elevators, and Landlord shall be under no obligation to furnish an elevator operator for any automatic elevator. If Landlord shall at any time or times furnish any elevator operator for any automatic elevator, Landlord may discontinue furnishing such elevator operator and there shall be no diminution, reduction or abatement of rent by reason thereof. Landlord agrees to maintain the automatic elevator that serves the basement to the first floor of the building.

Landlord reserves the right, without liability to Tenant and without constituting any claim of constructive eviction, to stop or interrupt any heating, elevator, escalator, lighting, ventilating, air conditioning, gas, steam, power, electricity, water, cleaning or other similar or dissimilar service and to stop or interrupt the use of any Building facilities at such times as may be necessary and for as long as may be reasonably be required by reasons of accidents, strikes, or the making of repairs, alterations or improvements, or inability to secure a proper supply of fuel, gas, steam, water, electricity, labor or supplies, or by the reason of any other similar or dissimilar cause beyond the reasonable control of Landlord. No such stoppage or interruption shall entitle Tenant to any diminution or abatement of rent or other compensation nor shall this Lease or any of the obligations of Tenant be affected or reduced by reason of any such stoppage or interruption. The provisions hereof do not, however, obligate Landlord to furnish any service or facility not otherwise specifically set forth in this Lease as an obligation on the part of Landlord.

22. Lease Contains All Agreements - No Waivers. This Lease contains all of the covenants, agreements, terms, provisions and conditions relating to the leasing of the premises hereunder, and Landlord has not made and is not making, and Tenant in executing and delivering this Lease is not relying upon, any warranties, representations, promises or statements, except to the extent that the same may expressly be set forth in this Lease.

The failure of Landlord to insist in any one or more instances upon the strict performance of any one of the covenants, agreements, terms, provisions or conditions of this Lease or to exercise any election herein contained shall not be construed as a waiver or relinquishment for the future of such covenant, agreement, term, provision, condition or election, but the same shall continue and remain in full force and effect. No waiver by Landlord of any covenant, agreement, term, provision or condition of this Lease shall be deemed to have been made unless expresses in writing and signed by Landlord. No surrender of the premises or of any remainder of the term of this Lease shall be valid unless accepted by Landlord in writing. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of any rent or additional rent due shall be deemed to be other than on account of the amount due, and no endorsement or statement on any check or payment of any rent or additional rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such installment or payment of any rent or additional rent, or pursue any remedy or remedies available to Landlord. The receipt and retention by Landlord of fixed fee or other sum or charge payable hereunder from anyone other than Tenant shall not be deemed a waiver of the breach by Tenant of any covenant, agreement, term, provision or condition herein contained, or the acceptance of such other person as a tenant, or a release of Tenant from the further performance by Tenant of the covenants, agreements, terms, provisions and conditions herein contained. The receipt and retention by Landlord of fixed rent, additional rent or other sum or charge with knowledge of the breach of any covenant, agreement, term, provision or condition herein contained shall not be deemed ma waiver of such breach. No executory agreement hereafter made between Landlord and Tenant shall be effective to change, modify, waive, release, discharge, terminate or effect an abandonment of this Lease, in whole or in part, unless such executory agreement is in writing, refers expressly to this Lease and is signed by the party against whom enforcement of the change, modification, waiver, release, discharge or termination or effectuation of the abandonment is sought.

The Lease shall not be binding upon Landlord unless and until it shall have been executed by Landlord and Tenant and a fully executed counterpart of this Lease shall have been delivered by Landlord to Tenant.

23. Parties Bound. The covenants, agreements, terms, provisions and conditions of this Lease shall bind and benefit the respective successors, assigns and legal representatives of the parties hereto with the same effect as if mentioned in each instance where a party hereto is named or referred to, except that no violation of the provision of Article 7 hereof shall operate to vest any rights in any successor, assignee or legal representative of Tenant and that the provisions of this Article 23 shall not be construed as modifying the conditions of limitation contained in Article 16 hereof. It is understood and agreed, however, that the

covenants and obligations on the part of Landlord under this Lease shall not be binding upon Landlord herein named with respect to any period subsequent to the transfer of its interest in the Building, that in the event of such transfer said covenants and obligations shall thereafter be binding upon each transferee of such interest of Landlord herein named, but only with respect to the period ending with a subsequent transfer of such interest, and that a lease of the entire interest shall be deemed a transfer within the meaning of this Article 23.

24. Curing Tenant's Defaults - Additional Rent. If Tenant shall default in the performance of any covenant, agreement, term, provision or condition herein contained, Landlord, without thereby waiving such default, may perform the same for the account and at the expense of Tenant, without notice in a case of emergency, and in any other case if such default continues after 3 days from the date of giving by Landlord to Tenant of written notice of intention to do so. Bills for any expense incurred by Landlord in connection with any such performance by Landlord for the account of Tenant, and bills for all costs, expenses and disbursements of every kind and nature whatsoever, including, but not limited to, attorneys fees involved in collecting or endeavoring to collect the fixed rent or additional rent or other sum or charge or any part thereof or enforcing or endeavoring to enforce any rights against Tenant, under or in connection with this Lease, or pursuant to law, including (without being limited to) any such cost, expense and disbursement involved in instituting and prosecuting summary proceedings, as well as bills for any property, material, labor or services provided, furnished or rendered, or caused to be provided, furnished or rendered, by Landlord to Tenant including (without being limited to) electric lamps and other equipment, construction work done for the account of Tenant, water, ice, drinking water, drinking cups, towel and other services, as well as for any charges for any additional elevator, heating, air conditioning or cleaning services incurred under Article 21 hereof and any charges for other similar or dissimilar services incurred under this Lease, may be sent by Landlord to Tenant monthly, or immediately, at Landlord's option, and shall be due and payable in accordance with the terms of said bills, and if not paid when due, the amounts thereof shall immediately become due and payable as additional rent under this Lease. In the event that Tenant is in arrears in payment of fixed rent or additional rent, Tenant waives Tenant's right, if any, to designate the items against which any payments made by Tenant are to be credited, and Tenant agrees that Landlord may apply any payments made by Tenant to any items Landlord sees fit, irrespective of and not withstanding any designation or request by Tenant as to the items against which any such payments shall be credited. Performance Bond

This bond is for a one-year term beginning January 16, 2016. In the event of default by the Principal in the performance of the contract during the term of this bond, the Surety shall be liable only for the direct loss to the Obligee due to actual excess costs of performance of the contract up to the termination of this term of this bond. No suit shall be brought on this bond after one year following its termination. The bond may be extended for additional terms at the option of the Surety, by continuation certificate executed by the Surety.

The Obligation of this Performance Bond inures solely to the benefit of the obligee. No right of action shall accrue under this Performance Bond to or for the use of any person, firm, corporation, public or private entity other than the Obligee. In the event that the Obligee is comprised of more than one person, firm, corporation, public or private entity, the conditions, limitations and exclusions of this Performance Bond shall apply jointly and severally to each and all constituents of the Obligee, and the aggregate liability of the Surety to the Obligee shall in no event exceed the above penal sum.

The consent of the Surety shall be required with regard to any changes or alterations in the above Contract including, but not limited to, where the cost therof, added to prior changes or alterations, causes the aggregate cost of all changes and alterations to exceed 10 percent of the original contract price, or where the completion thereof is extended by more than 90 days.

No right of action shall accrue under this Performance Bond unless demand is brought by suit, action or other legal proceeding commended against the Surety within one year after the day that the Principal last performed labor or supplied material for the above contract. Any and all claims and causes of action (including warranty requirement or the remedy of latent defects) not so commended shall be deemed extinguished and forever barred from action under this Performance Bond.

In the event of conflict or inconsistency between the provisions of this Performance Bond and the provisions of the above Contract, the provisions of this Performance Bond shall control, or the obligation of the surety be deemed null and void to the extent of any enlargement or augmentation to the liabilities of the Surety prescribed by this Performance Bond.

COUNTY OF NASSAU, NEW YORK

INTERNAL CORRESPONDENCE

DATE: November 11, 2014 SNCC NO:

TO: Commanding Officer, Personnel and Accounting Bureau (Through Official Channels)

FROM: Deputy Commanding Officer, Administrative Inspection Section

SUBJECT: **COUNTY IMPOUND GARAGE CONTRACT, POLICE DEPARTMENT INITIAL INSPECTIONS**

1. The Administrative Inspection Section conducted Initial Police Inspections for the County of Nassau published R.F.P. bid number 9899-08144-171 dated July 31, 2014 entitled *County Impound Garage Contracts* (a copy of the bid is attached). The request for the Initial Police Inspections was requested by the Personnel and Accounting Bureau via e-mail, and initiated after notifying the Commissioner of Police for approval to conduct the inspection.

2. As specified in the bid, paragraph 13 subdivisions 2.0 through 2.3 (on page 20) the Police Initial Inspection included verifying:

a) Required towing vehicles
b) Required fenced and lighted premises
c) Name and agreement required for heavy towing as specified in paragraph 7

3. The following list identifies: the zone, tentative bid awards, monthly average of tows for the years 2010 thru 2012, combined monthly average for the three years, the minimum number of tow vehicles and storage capacity necessary to service each zone. An accounting history of the monthly tows for new zones 21 (Long Island Expressway), 22 (Seaford Oyster Bay Expressway), and 23 (Heavy Duty Towing) were not specified in the bid request. After consulting with HPB, it was determined that the number of monthly tows for either the (zone 21) or the (zone 22) could exceed 25. In light of the fact that successful bidders for zones 1 thru 20 must have the ability to supply the equipment necessary to remove heavy vehicles from roadways, it was determined that the winning bidder responsible for removing heavy vehicles county wide (zone 23) should have the ability provide the services of at least one (1) heavy duty tow vehicle and the facilities necessary to store twelve (12) heavy vehicles.

4. **A-1 Grand Auto Body Inc.:** This vendor owns and or leases eight (8) fenced and lighted storage lots within the confines of zone 6. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 1&4 (bid as a unit), 6, 7, 10 and 11. However, the corporation presently owns and operates six (6) registered and insured tow vehicles which is less than the minimum of eight (8) required to service the six (6) zones described above. The next highest responsible bidder for zones 1&4 is North Shore Auto and Towing. They have the available tow vehicles and storage capacity to service zones 1 and 4. A-1 Grand Auto Body Inc. has contracted with Chester's Towing & recovery of Port Washington to service all tows involving heavy vehicles. Brian J. Hogan, a company principal and driver for A-1 Grand Auto Body Inc., currently has two (2) open violation warrants issued in 2000. He was made aware of their existence and understands that the contract may not be awarded to his firm if these issues are not resolved in a timely fashion.

5. **C & R Automotive Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots within the confines of zone 9. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 2&5 (bid as a unit), 8, 9, 12, 13, 16, 17 and 18. They currently own and operates seventeen (17) registered and insured tow vehicles which far exceeds the minimum of nine (9) required to service the nine (9) zones described above. However, this bidder does not own or lease a premise to store impounded vehicles within zone 16 or an adjacent zone. The next highest responsible bidder for zone 16 is All County Towing and Recovery Inc. They have the available tow vehicles and storage capacity to service zone 16. C&R Automotive Inc. is also the highest responsible bidder for the newly added zones of 22 (Seaford Oyster Bay Expressway) and 23 (Heavy Duty Towing – County Wide). They presently own and operate seven (7) tow vehicles having GVWR of 33000 pounds or more.

6. **All County Towing and Recovery Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots located within zones 16 and 19. Their capacity to store vehicles far exceeds the mandated thirty six (36) necessary to service zones 14, 19 and 20. They currently own and operate nine (9) registered and insured tow vehicles which far exceeds the minimum of three (3) required to service the three (3) zones described above. Three (3) of their tow vehicles have GVWR of 33000 pounds or more. All County Towing and Recovery Inc. has the ability to service zones 15 and 16 in addition to zones 14, 19 and 20.

7. **North Shore Auto & Towing Inc.:** This vendor owns and or leases two (2) fenced and lighted storage locations within the confines of zone 3. Their capacity to store vehicles far exceeds the mandated twelve (12) necessary to service zone 3. They currently own and operate four (4) registered and insured tow vehicles which exceed the minimum of one (1) necessary to service zone 3. North Shore Auto & Towing has the ability to service zone 1 & 4 in addition to servicing zone 3. North Shore Auto & Towing Inc. has contracted with AAAA-1 Auto and Towing to supply heave duty equipment should the need arise.

8. **T & D Towing Corporation:** This vendor leases and or owns two (2) fenced and lighted storage locations located within the confines of Zone 2. These storage locations have the capacity to store in excess of 50 vehicles. They currently own and operate four (4) registered and insured tow vehicles and also have contracted with Bills Towing Service of Hicksville to supply heavy duty equipment should the need arise.

9. **JCB & Sons Inc.:** This vendor leases a storage building in the Village of Freeport within the confines of zone 16. The Village of Freeport Building Department has not approved this building for the storage of wrecked vehicles. JCB & Sons Inc. also leases a portion of a fenced and lighted storage lot located on Newbridge Road in Bellmore. This facility is located in zone17. Although the storage capacity of this location exceeds the mandated twelve (12) necessary to service zone 15, zone 17 is not adjacent to zone 15. Additionally, it should be noted that zone 15 includes a portion of Brookside Avenue which is located within the Village of Freeport. The tow vehicles owned and or operated by JCB & Sons Inc. are not licensed by the Village of Freeport and therefore are precluded from towing any vehicles from a village roadway. Finally, the corporation does not possess a license to operate as a repair shop within the state of NY. The next highest responsible bidder for zone 15 is All County Towing and Recovery Inc. They have the available tow vehicles, storage capacity and licensing to service zone 15.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty (30) days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor shall maintain individual records for each service and/or test conducted and shall be kept and maintained in a confidential manner as described herein. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

7. Minimum Service Standards. Regardless of whether required by Law:

(a) The CONTRACTOR shall, and shall cause CONTRACTOR Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The CONTRACTOR shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the CONTRACTOR operates. The CONTRACTOR shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all CONTRACTOR Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

(c) In connection with the termination or impending termination of this Agreement the CONTRACTOR shall, regardless of the reason for termination, take all actions reasonably requested by the COUNTY (including those set forth in other provisions of this Agreement) to assist the COUNTY in transitioning the CONTRACTOR'S responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

8. Indemnification; Defense; Cooperation. (a) The CONTRACTOR shall be solely responsible for and shall indemnify and hold harmless the COUNTY, the DEPARTMENT and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the CONTRACTOR or a CONTRACTOR Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the CONTRACTOR shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the COUNTY.

(b) The CONTRACTOR shall, upon the COUNTY'S demand and at the COUNTY'S direction, promptly and diligently defend, at the CONTRACTOR'S own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the CONTRACTOR is responsible under this Section, and, further to the CONTRACTOR'S indemnification obligations, the CONTRACTOR shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The CONTRACTOR shall, and shall cause CONTRACTOR'S agents to, cooperate with the COUNTY and the DEPARTMENT in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the CONTRACTOR and/or a CONTRACTOR'S agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The CONTRACTOR shall obtain and maintain throughout the term of this Agreement and any renewals or extensions thereof, at its own expense: (i) Garage Liability and Commercial General Liability Insurance, which policies shall name "Nassau County" as an additional insured and have a minimal single combined limit of THREE MILLION and 00/100 ($3,000,000.00) DOLLARS for bodily injury and property damage per occurrence. Such insurance shall include but not be limited to the torts and negligence of CONTRACTOR'S personnel. CONTRACTOR, upon executing this Agreement, shall furnish COUNTY with a certificate of insurance evidencing such coverage, naming Nassau County as additional insured, and containing a provision against cancellation or material change without at least thirty (30) days written notice to COUNTY, (ii) Garage Keeper's Legal Liability Insurance with a minimal limit of TWO HUNDRED THOUSAND and 00/100 ($200,000.00) DOLLARS, (iii) Compensation Insurance for the benefit of the CONTRACTOR'S employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and shall furnish to COUNTY a certificate of insurance evidencing such insurance, (iv) such additional insurance as the COUNTY may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the COUNTY, and (ii) in form and substance acceptable to the COUNTY. The CONTRACTOR shall be solely responsible for the payment of all deductibles to which such policies are subject. The CONTRACTOR shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the CONTRACTOR under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the POLICE DEPARTMENT. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance

required hereunder, the Contractor shall provide written notice to the DEPARTMENT of the same and deliver to the DEPARTMENT renewal or replacement certificates of insurance. The CONTRACTOR shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the CONTRACTOR to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the COUNTY reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the COUNTY upon thirty (30) days' written notice to the CONTRACTOR, (ii) for "Cause" by the COUNTY immediately upon the receipt by the CONTRACTOR of written notice of termination, (iii) upon mutual written Agreement of the COUNTY and the CONTRACTOR, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

(b) Cause. As used in this Agreement the word "Cause" includes, but is not limited to: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all approvals, licenses, insurance and permits required for the services described in this Agreement to be legally and professionally rendered; (iii) the termination or impending termination of federal or state funding for the services to be

provided under this Agreement; (iv) overcharging; and (v) failure to satisfactorily resolve disputes.

(c) By the CONTRACTOR. This Agreement may be terminated by the CONTRACTOR if performance becomes impracticable through no fault of the CONTRACTOR, where the impracticability relates to the CONTRACTOR'S ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the CONTRACTOR delivering to the Commissioner or other head of the DEPARTMENT (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the CONTRACTOR is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the CONTRACTOR'S right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the DEPARTMENT (the "Applicable DCE") on the same day that notice is given to the Commissioner.

12. Accounting Procedures; Records. (a) The CONTRACTOR shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the CONTRACTOR is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the DEPARTMENT, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) CONTRACTOR shall be responsible for the accurate preparation and maintenance of these records in a ledger or binder in a neat and legible manner,

arranged by precinct and impound number clearly denoting all details pertinent to the impound including but not limited to vehicle information including year, make, model, VIN number, date, time and location of impound, date of release, all fees and charges and any relevant communications with the DEPARTMENT or the vehicle owner. CONTRACTOR shall be responsible for the accurate preparation and maintenance of records consistent with acceptable bookkeeping procedures. CONTRACTOR shall provide copies of these records to the DEPARTMENT upon the expiration or termination of this Agreement.

(c) Once each month, but not later than the 10th of the month, CONTRACTOR shall provide by e-mail or fax a list of vehicles which they have on their premises. The notice shall include vehicle year, make, model, VIN number, date, time and location of impound. Failure to provide such notice may, in the County's sole discretion, result in CONTRACTOR'S waiving their right to any outstanding charges due for storage of said vehicles.

13. Limitations on Actions and Special Proceedings Against the COUNTY. No action or special proceeding shall lie or be prosecuted or maintained against the COUNTY upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the COUNTY shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the DEPARTMENT and the (ii) the County Attorney (at the address specified above for the COUNTY) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the COUNTY.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the

termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau COUNTY in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

15. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a COUNTY employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the DEPARTMENT, to the attention of the Commissioner at the address specified above for the DEPARTMENT, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the DEPARTMENT) at the address specified above for the COUNTY, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

16. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or

referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement. In the event of a conflict between the terms of this Agreement and the terms of the bid proposal, the terms of this Agreement shall control.

19. Administrative Service Charge. The Contractor agrees to pay the COUNTY an administrative service charge of Two Hundred Sixty Six ($266.00) DOLLARS for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, as amended by Ordinance No.128-2006. The administrative service charge shall be due and payable to "Nassau County" by the CONTRACTOR upon signing this Agreement.

20. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The COUNTY shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all COUNTY approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The COUNTY shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the COUNTY from the state and/or federal governments.

§ 184. Lien of bailee of motor vehicles, motor boats or aircraft.

1. A person keeping a garage, hangar or place for the storage, maintenance, keeping or repair of motor vehicles as defined by the vehicle and traffic law, or of motor boats as defined by article seven of the navigation law, or of aircraft as defined by article fourteen of the general business law, and who in connection therewith tows, stores, maintains, keeps or repairs any motor vehicle, motor boat, or aircraft or furnishes gasoline or other supplies therefor at the request or with the consent of the owner or, subject to the provisions of subdivision two of this section, tows and stores any motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, whether or not such motor vehicle, motor boat or aircraft is subject to a security interest, has a lien upon such motor vehicle, motor boat or aircraft for the sum due for such towing, storing, maintaining, keeping or repairing of such motor vehicle, motor boat or aircraft or for furnishing gasoline or other supplies therefor and may detain such motor vehicle, motor boat or aircraft at any time it may be lawfully in his possession until such sum is paid, except that if the lienor, subsequent to thirty days from the accrual of such lien, allows the motor vehicle, motor boat or aircraft out of his actual possession the lien provided for in this section shall thereupon become void as against all security interests, whether or not perfected, in such motor vehicles, motor boat or aircraft and executed prior to the accrual of such lien, notwithstanding possession of such motor vehicle, motor boat or aircraft is thereafter acquired by such lienor. However, if the bailee of a motor vehicle, motor boat or aircraft has furnished a written estimate of the cost of towing, storage, maintenance, repair or any other service on such motor vehicle, motor boat or aircraft, any lien sought by such bailee for such service may not be in an amount in excess of the written estimate.

2. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle shall be entitled to a lien for the reasonable costs of such towing and storage, provided that such person, within five working days from the initial towing, mails to the owner of said motor vehicle a notice by certified mail return receipt requested that contains the name of the person who towed and is storing said motor vehicle, the amount that is being claimed for such towing and storage, and the address and times at which said motor vehicle may be recovered. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

5. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, and who seeks to assert a lien for the storage of such motor vehicle pursuant to subdivision two of this section shall mail by certified mail, return receipt requested, a notice pursuant to this subdivision to every person who has perfected a security interest in such motor vehicle or who is listed as a lienholder upon the certificate of title of such motor vehicle pursuant to the vehicle and traffic law within twenty days of the first day of storage. Such notice shall include the name of the person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

Lien Law
Article 9 Enforcement of Liens on Personal Property

§ 200. Sale of personal property to satisfy a lien

A lien against personal property, other than the lien of a warehouseman pursuant to section 7--209 of the uniform commercial code, the lien of a carrier pursuant to section 7--307 of the uniform commercial code, a security interest in goods and the lien of a keeper of a hotel, apartment hotel, inn, boarding-house or lodging-house, except an immigrant lodging-house, if in the legal possession of the lienor, may be satisfied by the sale of such property according to the provisions of this article.

§ 201. Notice of sale

Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is a motor vehicle that is to be sold pursuant to subdivision three of section two hundred two of this article of a value of less than five hundred dollars or other property that is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, return receipt requested, and by first-class mail. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens

Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment cancelling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception

1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is then held and the time and place of such sale, provided, that if the property to be sold is

a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

3. Notwithstanding subdivisions one and two of this section, sale of a motor vehicle having a wholesale value, taking into consideration the condition of the vehicle, of less than five hundred dollars to satisfy a lien for towing and storage under section one hundred eighty-four of this chapter, may be made directly to a registered vehicle dismantler or licensed scrap processor, both as defined in section four hundred fifteen-a of the vehicle and traffic law, on the condition that the motor vehicle shall never be titled again and must be dismantled or scrapped. Such sale shall not occur prior to thirty days after notice is mailed pursuant to section two hundred one of this article or sixty days after the date of the initial tow, whichever is later.

§ 202-a. Sale of a security

A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§ 202-b. Pledgee may buy at public sale

Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§ 203. Redemption before sale

At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and

advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§ 204. Disposition of proceeds

Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons, and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive

The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien

An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon

If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment

In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court

Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application

Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support

1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property

owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it

has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been

reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental

materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix EE

EQUAL EMPLOYMENT OPPORTUNTIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

1. Use

The Premises must be used to live in only and for no other reason. Only a party signing this Lease, spouse and children of that party may use the Premises.

2. Failure to give possession

Landlord shall not be liable for failure to give Tenant possession of the Premises on the beginning date of the Term. Rent shall be payable as of the beginning of the Term unless Landlord is unable to give possession. In that case rent shall be payable when possession is available. Landlord will notify Tenant as to the date possession is available. The ending date of the Term will not change.

3. Rent, added rent

The rent payment for each month must be paid on the first day of that month at Landlord's Address above. Landlord need not give notice to pay the rent. Rent must be paid in full and no amount subtracted from it. The first month's rent is to be paid when Tenant signs this Lease. Tenant may be required to pay other charges to Landlord under the terms of this Lease. They are to be called "added rent." This added rent is payable as rent, together with the next monthly rent due. If Tenant fails to pay the added rent on time, Landlord shall have the same rights against Tenant as if it were a failure to pay rent.

The whole amount of rent is due and payable when this Lease is effective. Payment of rent in installments is for Tenant's convenience only. If Tenant defaults, Landlord may give notice to Tenant that Tenant may no longer pay rent in installments. The entire rent for the remaining part of the Term will then be due and payable.

4. Notices

Any bill, statement or notice must be in writing and delivered or mailed to the Tenant at the Premises and to the Landlord at the Address for Notices. It will be considered delivered on the day mailed or if not mailed, when left at the proper address. Any notice must be sent by certified mail. Landlord must send Tenant written notice if Landlord changes the Address for Notices.

5. Security

Tenant has given Security to Landlord in the amount stated above. If Tenant fully complies with all the terms of this Lease, Landlord will return the security after the Term ends. If Tenant does not fully comply with the terms of this Lease, Landlord may use the Security to pay amounts owed by Tenant, including damages. If Landlord sells the Premises, Landlord may give the Security to the buyer. Tenant will look only to the buyer for the return of the Security.

6. Utilities and services

Tenant must pay for the following utilities and services when billed: gas, water, electric, fuel, telephone, gardening, exterminating**

Maintenance service contracts shall be maintained, continued and paid for by Tenant. These charges will be added rent.

7. Furnishings

If the Premises are furnished, the furniture and other furnishings are accepted "as is." If an inventory is supplied each party shall have a signed copy.

8. Repairs, alterations

Tenant must keep, and at the end of the Term return the Premises and all appliances, equipment, furniture, furnishings and other personal property clean and in good order and repair. Tenant is not responsible for ordinary wear and damage by the elements. If Tenant defaults, Landlord has the right to make repairs and charge Tenant the cost. The cost will be added rent. Tenant must not alter, decorate, change or add to the Premises.

9. Space "as is"

Tenant has inspected the Premises. Tenant states that they are in good order and repair and takes the Premises "as is."

10. Care of Premises, grounds

Tenant shall keep the grounds neat and clean. Vehicles may be driven or parked only in driveways or in the garage.

11. Fire, damage

Tenant must give Landlord immediate notice in case of fire or other damage to the Premises. Landlord will have the right to repair the damage within a reasonable time or cancel this Lease. If Landlord repairs, Tenant shall pay rent only to the date of the fire or damage and shall start to pay rent again when the Premises become usable. Landlord may cancel the Lease by giving Tenant 3 days' written notice. The Term shall be over at the end of the third day and all rent shall be paid to the date of the damage.

12. Liability

Landlord is not liable for loss, expense or damage to any person or property unless it is due to Landlord's negligence. Tenant must pay for damages suffered and money spent by Landlord relating to any claim arising from any act or neglect of Tenant. Tenant is responsible for all acts of Tenant's family, employees, guests and invitees.

13. Landlord's consent

If Tenant requires Landlord's consent to any act and such consent is not given, Tenant's only right is to ask the Court to force Landlord to give consent. Tenant agrees not to make any claim against Landlord for money or subtract any sum from the rent because such consent was not given.

14. Assignment, sublet

Tenant may not sublet all or part of the Premises, or assign this Lease or permit any other person to use the Premises.

15. Landlord may enter, keys, signs

Landlord may at reasonable times, enter the Premises to examine, to make repairs or alterations, and to show it to possible buyers, lenders or tenants. Tenant must give to Landlord keys to all locks. Locks may not be changed or additional locks installed without Landlord's consent. Doors must be locked at all times. Windows must be locked when Tenant is out. Landlord may place the usual "For Rent" or "For Sale" signs upon the Premises.

16. Subordination

This Lease and Tenant's rights are subject and subordinate to all present and future (a) leases for the Premises or the land on which it stands, (b) mortgages on the leases or on the Premises or on the land, (c) agreements securing money paid or to be paid by the lender, under mortgages, and (d) terms, conditions, renewals, changes of any kind in and extensions of the mortgages or leases or Lender agreements. If any part of the Premises is taken, Landlord may cancel this Lease on notice to Tenant setting forth a cancellation date not less than 30 days from the date of the notice. If the Lease is cancelled, Tenant must deliver the Premises to Landlord on the cancellation date together with all rent due to that date. The entire award for any taking belongs to Landlord. Tenant gives Landlord any interest Tenant might have to any part of the award and shall make no claim for the value of the remaining part of the Term.

18. Compliance with authorities

Tenant must, at Tenant's cost, promptly comply with all laws, orders, rules and directions of all governmental authorities, property owners associations, insurance carriers or Board of Fire Underwriters or similar group. Tenant may not do anything which may increase Landlord's insurance premiums. If Tenant does Tenant must pay the increase as added rent.

19. Tenant's defaults and Landlord's remedies

A. Landlord may give 5 days written notice to Tenant to correct any of the following defaults:

1. Failure to pay rent or added rent on time.
2. Improper assignment of the Lease, improper subletting all or part of the Premises, or allowing another to use the Premises.
3. Improper conduct by Tenant or other occupant of the Premises.
4. Failure to fully perform any other term in the Lease.

B. If Tenant fails to correct the defaults in section A within the 5 days, Landlord may cancel the Lease by giving Tenant a written 3 day notice stating the date the Term will end. On that date the Term and Tenant's rights in this Lease automatically end and Tenant must leave the Premises and give Landlord the keys. Tenant continues to be responsible for rent, expenses, damages and losses.

C. If the Lease is cancelled, or rent or added rent is not paid on time, or Tenant vacates the Premises, Landlord may in addition to other remedies take any of the following steps:

1. Enter the Premises and remove Tenant and any person or property;
2. Use dispossess, eviction or other lawsuit method to take back the Premises.

D. If the Lease is ended or Landlord takes back the Premises, rent and added rent for the unexpired Term becomes due and payable. Landlord may re-rent the Premises and anything in it for any Term. Landlord may re-rent for a lower rent and give allowances to the new tenant. Tenant shall be responsible for Landlord's cost of re-renting. Landlord's cost shall include the cost of repairs, decorations, broker's fees, attorney's fees, advertising and preparation for renting. Tenant shall continue to be responsible for rent, expenses, damages and losses. Any rent received from the re-renting shall be applied to the reduction of money Tenant owes. Tenant waives all rights to return to the Premises after possession is given to the Landlord by a Court.

20. Bankruptcy

If (1) Tenant assigns property for the benefit of creditors, (2) Tenant files a voluntary petition or an involuntary petition is filed against Tenant under any bankruptcy or insolvency law, or (3) a trustee or receiver of Tenant or Tenant's property is appointed, Landlord may give Tenant 30 days notice of cancellation of the Term of this Lease. If any of the above is not fully dismissed within the 30 days, the Term shall end as of the date stated in the notice. Tenant must continue to pay rent, damages, losses and expenses without offset.

If Tenant fails to correct a default after notice from Landlord, Landlord may correct it for Tenant at Tenant's expense. The sum Tenant must repay to Landlord will be added rent.

Tenant continues to be responsible for rent, expenses, damages and losses.

C. If the Lease is cancelled, or rent or added rent is not paid on time, or Tenant vacates the Premises, Landlord may in addition to other remedies take any of the following steps:

The following list identifies: the zone, tentative bid awards, monthly average of tows for the years 2010 thru 2012, combined monthly average for the three years, the minimum number of tow vehicles and storage capacity necessary to service each zone. An accounting history of the monthly tows for new zones 21 (Long Island Expressway), 22 (Seaford Oyster Bay Expressway), and 23 (Heavy Duty Towing) were not specified in the bid request. After consulting with HPB, it was determined that the number of monthly tows for either the (zone 21) or the (zone 22) could exceed 25. In light of the fact that successful bidders for zones 1 thru 20 must have the ability to supply the equipment necessary to remove heavy vehicles from roadways, it was determined that the winning bidder responsible for removing heavy vehicles county wide (zone 23) should have the ability provide the services of at least one (1) heavy duty tow vehicle and the facilities necessary to store twelve (12) heavy vehicles.

4. **A-1 Grand Auto Body Inc.:** This vendor owns and or leases eight (8) fenced and lighted storage lots within the confines of zone 6. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 1&4 (bid as a unit), 6, 7, 10 and 11. However, the corporation presently owns and operates six (6) registered and insured tow vehicles which is less than the minimum of eight (8) required to service the six (6) zones described above. The next highest responsible bidder for zones 1&4 is North Shore Auto and Towing. They have the available tow vehicles and storage capacity to service zones 1 and 4. A-1 Grand Auto Body Inc. has contracted with Chester's Towing & recovery of Port Washington to service all tows involving heavy vehicles. Brian J. Hogan, a company principal and driver for A-1 Grand Auto Body Inc., currently has two (2) open violation warrants issued in 2000. He was made aware of their existence and understands that the contract may not be awarded to his firm if these issues are not resolved in a timely fashion.

5. **C & R Automotive Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots within the confines of zone 9. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 2&5 (bid as a unit), 8, 9, 12, 13, 16, 17 and 18. They currently own and operates seventeen (17) registered and insured tow vehicles which far exceeds the minimum of nine (9) required to service the nine (9) zones described above. However, this bidder does not own or lease a premise to store impounded vehicles within zone 16 or an adjacent zone. The next highest responsible bidder for zone 16 is All County Towing and Recovery Inc. They have the available tow vehicles and storage capacity to service zone 16. C&R Automotive Inc. is also the highest responsible bidder for the newly added zones of 22 (Seaford Oyster Bay Expressway) and 23 (Heavy Duty Towing – County Wide). They presently own and operate seven (7) tow vehicles having GVWR of 33000 pounds or more.

6. **All County Towing and Recovery Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots located within zones 16 and 19. Their capacity to store vehicles far exceeds the mandated thirty six (36) necessary to service zones 14, 19 and 20. They currently own and operate nine (9) registered and insured tow vehicles which far exceeds the minimum of three (3) required to service the three (3) zones described above. Three (3) of their tow vehicles have GVWR of 33000 pounds or more. All County Towing and Recovery Inc. has the ability to service zones 15 and 16 in addition to zones 14, 19 and 20.

7. **North Shore Auto & Towing Inc.:** This vendor owns and or leases two (2) fenced and lighted storage locations within the confines of zone 3. Their capacity to store vehicles far exceeds the mandated twelve (12) necessary to service zone 3. They currently own and operate four (4) registered and insured tow vehicles which exceed the minimum of one (1) necessary to service zone 3. North Shore Auto & Towing has the ability to service zone 1 & 4 in addition to servicing zone 3. North Shore Auto & Towing Inc. has contracted with AAAA-1 Auto and Towing to supply heave duty equipment should the need arise.

8. **T & D Towing Corporation:** This vendor leases and or owns two (2) fenced and lighted storage locations located within the confines of Zone 2. These storage locations have the capacity to store in excess of 50 vehicles. They currently own and operate four (4) registered and insured tow vehicles and also have contracted with Bills Towing Service of Hicksville to supply heavy duty equipment should the need arise.

9. **JCB & Sons Inc.:** This vendor leases a storage building in the Village of Freeport within the confines of zone 16. The Village of Freeport Building Department has not approved this building for the storage of wrecked vehicles. JCB & Sons Inc. also leases a portion of a fenced and lighted storage lot located on Newbridge Road in Bellmore. This facility is located in zone17. Although the storage capacity of this location exceeds the mandated twelve (12) necessary to service zone 15, zone 17 is not adjacent to zone 15. Additionally, it should be noted that zone 15 includes a portion of Brookside Avenue which is located within the Village of Freeport. The tow vehicles owned and or operated by JCB & Sons Inc. are not licensed by the Village of Freeport and therefore are precluded from towing any vehicles from a village roadway. Finally, the corporation does not possess a license to operate as a repair shop within the state of NY. The next highest responsible bidder for zone 15 is All County Towing and Recovery Inc. They have the available tow vehicles, storage capacity and licensing to service zone 15.

All submitted claims must have all sufficient detail, including copy of the notification releasing the vehicles, dates, test performed etc.

6. 6. Compliance with Law.

(a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, a living wage, disclosure of information, and vendor registration, in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's vendor registration protocol. (b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty (30) days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) In connection with the termination or impending termination of this Agreement the CONTRACTOR shall, regardless of the reason for termination, take all actions reasonably requested by the COUNTY (including those set forth in other provisions of this Agreement) to assist the COUNTY in transitioning the CONTRACTOR'S responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

8. Indemnification; Defense; Cooperation. (a) The CONTRACTOR shall be solely responsible for and shall indemnify and hold harmless the COUNTY, the DEPARTMENT and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the CONTRACTOR or a CONTRACTOR Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the CONTRACTOR shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the COUNTY.

(b) The CONTRACTOR shall, upon the COUNTY'S demand and at the COUNTY'S direction, promptly and diligently defend, at the CONTRACTOR'S own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the CONTRACTOR is responsible under this Section, and, further to the CONTRACTOR'S indemnification obligations, the CONTRACTOR shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The CONTRACTOR shall, and shall cause CONTRACTOR'S agents to, cooperate with the COUNTY and the DEPARTMENT in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the CONTRACTOR and/or a CONTRACTOR'S agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The CONTRACTOR shall obtain and maintain throughout the term of this Agreement and any renewals or extensions thereof, at its own expense: (i) Garage Liability and Commercial General Liability Insurance, which policies shall name "Nassau County" as an additional insured and have a minimal single combined limit of THREE MILLION and 00/100 ($3,000,000.00) DOLLARS for bodily injury and property damage per occurrence. Such insurance shall include but not

be limited to the torts and negligence of CONTRACTOR'S personnel. CONTRACTOR, upon executing this Agreement, shall furnish COUNTY with a certificate of insurance evidencing such coverage, naming Nassau County as additional insured, and containing a provision against cancellation or material change without at least thirty (30) days written notice to COUNTY, (ii) Garage Keeper's Legal Liability Insurance with a minimal limit of TWO HUNDRED THOUSAND and 00/100 ($200,000.00) DOLLARS, (iii) Compensation Insurance for the benefit of the CONTRACTOR'S employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and shall furnish to COUNTY a certificate of insurance evidencing such insurance, (iv) such additional insurance as the COUNTY may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the COUNTY, and (ii) in form and substance acceptable to the COUNTY. The CONTRACTOR shall be solely responsible for the payment of all deductibles to which such policies are subject. The CONTRACTOR shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the CONTRACTOR under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the POLICE DEPARTMENT. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the DEPARTMENT of the same and deliver to the DEPARTMENT renewal or replacement certificates of insurance. The CONTRACTOR shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the CONTRACTOR to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other

required coverages shall be deemed a material breach of this Agreement upon which the COUNTY reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the COUNTY upon thirty (30) days' written notice to the CONTRACTOR, (ii) for "Cause" by the COUNTY immediately upon the receipt by the CONTRACTOR of written notice of termination, (iii) upon mutual written Agreement of the COUNTY and the CONTRACTOR, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes, but is not limited to: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all approvals, licenses, insurance and permits required for the services described in this Agreement to be legally and professionally rendered; (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement; (iv) overcharging; and (v) failure to satisfactorily resolve disputes.

(c) By the CONTRACTOR. This Agreement may be terminated by the CONTRACTOR if performance becomes impracticable through no fault of the CONTRACTOR, where the impracticability relates to the CONTRACTOR'S ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the

CONTRACTOR delivering to the Commissioner or other head of the DEPARTMENT (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the CONTRACTOR is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the CONTRACTOR'S right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the DEPARTMENT (the "Applicable DCE") on the same day that notice is given to the Commissioner.

12. Accounting Procedures; Records. (a) The CONTRACTOR shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the CONTRACTOR is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the DEPARTMENT, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) CONTRACTOR shall be responsible for the accurate preparation and maintenance of these records in a ledger or binder in a neat and legible manner, arranged by precinct and impound number clearly denoting all details pertinent to the impound including but not limited to vehicle information including year, make, model, VIN number, date, time and location of impound, date of release, all fees and charges and any relevant communications with the DEPARTMENT or the vehicle owner. CONTRACTOR shall be responsible for the accurate preparation and maintenance of records consistent with acceptable bookkeeping procedures. CONTRACTOR shall

provide copies of these records to the DEPARTMENT upon the expiration or termination of this Agreement.

(c) Once each month, but not later than the 10th of the month, CONTRACTOR shall provide by e-mail or fax a list of vehicles which they have on their premises. The notice shall include vehicle year, make, model, VIN number, date, time and location of impound. Failure to provide such notice may, in the County's sole discretion, result in CONTRACTOR'S waiving their right to any outstanding charges due for storage of said vehicles.

13. Limitations on Actions and Special Proceedings Against the COUNTY. No action or special proceeding shall lie or be prosecuted or maintained against the COUNTY upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the COUNTY shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the DEPARTMENT and the (ii) the County Attorney (at the address specified above for the COUNTY) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the COUNTY.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in

Nassau COUNTY in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

15. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a COUNTY employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the DEPARTMENT, to the attention of the Commissioner at the address specified above for the DEPARTMENT, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the DEPARTMENT) at the address specified above for the COUNTY, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

16. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement. In the event of a conflict between the terms of this Agreement and the terms of the bid proposal, the terms of this Agreement shall control.

19. Administrative Service Charge. The Contractor agrees to pay the COUNTY an administrative service charge of Five Hundred Thirty Three ($533.00) DOLLARS for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, as amended by Ordinance No.128-2006. The administrative service charge shall be due and payable to "Nassau County" by the CONTRACTOR upon signing this Agreement.

20. Executory Clause. Notwithstanding any other provision of this Agreement:

§ 184. Lien of bailee of motor vehicles, motor boats or aircraft.

1. A person keeping a garage, hangar or place for the storage, maintenance, keeping or repair of motor vehicles as defined by the vehicle and traffic law, or of motor boats as defined by article seven of the navigation law, or of aircraft as defined by article fourteen of the general business law, and who in connection therewith tows, stores, maintains, keeps or repairs any motor vehicle, motor boat, or aircraft or furnishes gasoline or other supplies therefor at the request or with the consent of the owner or, subject to the provisions of subdivision two of this section, tows and stores any motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, whether or not such motor vehicle, motor boat or aircraft is subject to a security interest, has a lien upon such motor vehicle, motor boat or aircraft for the sum due for such towing, storing, maintaining, keeping or repairing of such motor vehicle, motor boat or aircraft or for furnishing gasoline or other supplies therefor and may detain such motor vehicle, motor boat or aircraft at any time it may be lawfully in his possession until such sum is paid, except that if the lienor, subsequent to thirty days from the accrual of such lien, allows the motor vehicle, motor boat or aircraft out of his actual possession the lien provided for in this section shall thereupon become void as against all security interests, whether or not perfected, in such motor vehicles, motor boat or aircraft and executed prior to the accrual of such lien, notwithstanding possession of such motor vehicle, motor boat or aircraft is thereafter acquired by such lienor. However, if the bailee of a motor vehicle, motor boat or aircraft has furnished a written estimate of the cost of towing, storage, maintenance, repair or any other service on such motor vehicle, motor boat or aircraft, any lien sought by such bailee for such service may not be in an amount in excess of the written estimate.

2. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle shall be entitled to a lien for the reasonable costs of such towing and storage, provided that such person, within five working days from the initial towing, mails to the owner of said motor vehicle a notice by certified mail return receipt requested that contains the name of the person who towed and is storing said motor vehicle, the amount that is being claimed for such towing and storage, and the address and times at which said motor vehicle may be recovered. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

5. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, and who seeks to assert a lien for the storage of such motor vehicle pursuant to subdivision two of this section shall mail by certified mail, return receipt requested, a notice pursuant to this subdivision to every person who has perfected a security interest in such motor vehicle or who is listed as a lienholder upon the certificate of title of such motor vehicle pursuant to the vehicle and traffic law within twenty days of the first day of storage. Such notice shall include the name of the person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

Lien Law
Article 9 Enforcement of Liens on Personal Property

§ 200. Sale of personal property to satisfy a lien

A lien against personal property, other than the lien of a warehouseman pursuant to section 7--209 of the uniform commercial code, the lien of a carrier pursuant to section 7--307 of the uniform commercial code, a security interest in goods and the lien of a keeper of a hotel, apartment hotel, inn, boarding-house or lodging-house, except an immigrant lodging-house, if in the legal possession of the lienor, may be satisfied by the sale of such property according to the provisions of this article.

§ 201. Notice of sale

Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is a motor vehicle that is to be sold pursuant to subdivision three of section two hundred two of this article of a value of less than five hundred dollars or other property that is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, return receipt requested, and by first-class mail. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens

Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment cancelling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception

1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is then held and the time and place of such sale, provided, that if the property to be sold is

a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

3. Notwithstanding subdivisions one and two of this section, sale of a motor vehicle having a wholesale value, taking into consideration the condition of the vehicle, of less than five hundred dollars to satisfy a lien for towing and storage under section one hundred eighty-four of this chapter, may be made directly to a registered vehicle dismantler or licensed scrap processor, both as defined in section four hundred fifteen-a of the vehicle and traffic law, on the condition that the motor vehicle shall never be titled again and must be dismantled or scrapped. Such sale shall not occur prior to thirty days after notice is mailed pursuant to section two hundred one of this article or sixty days after the date of the initial tow, whichever is later.

§ 202-a. Sale of a security

A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§ 202-b. Pledgee may buy at public sale

Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§ 203. Redemption before sale

At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and

advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§ 204. Disposition of proceeds

Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons, and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive

The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien

An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon

If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment

In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court

Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application

Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support

1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property

owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded

equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be

inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other

activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

EQUAL EMPLOYMENT OPPORTUNTIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. County of Nassau
Inter-Departmental Memo

To: **All Department Heads**

From: **County Attorney**

Date: **February 2, 2016**

Subject: **Business History and Principal Questionnaire Forms**

Previously I advised all County Department Heads to require all proposers and bidders to complete the Business History and Principal Questionnaire Forms (collectively, the "Forms"). I now notify you that, going forward, all Departments must ensure that the Forms are: (i) completed in their entirety **(no blanks)**; and (ii) attached to each contract package that is routed. Contract packages routed after this memo that fail to include the fully-completed Forms will be rejected. Packages originated before this memo may need to be supplemented.

Please note the Forms have been recently updated. I have attached the current Forms for your use.

The most common omission in the Forms has been the response to question 17 of the Business History Form relating to conflicts of interest. The response to this question provides important information to the various Departments, as well as to the Legislature and NIFA. Therefore, both 17 (a)(i-iii) and 17 (b) must be completed. No blanks will be allowed. Sample responses to question 17 are attached.

Please contact my office if you have any questions.

John Aloisio, CSEA Grievance Chairman jaloisio@csea830.org
Nassau Local 830 CSEA

Mineola, NY 11501

Dear Mr. Aloisio:

Nassau County hereby provides notice of its intent to enter into a contract with Albrecht, Viggiano, Zureck & Company, P.C (AVZ).

The work involves assisting the County in the preparation of its 2015 Fiscal Year Comprehensive Annual Financial Report ("CAFR"), which will include, but not be limited to, preparing all CAFR drafts and final financial exhibits; meeting with the outside auditors and County representatives to discuss the details of all required reporting; working with the County to ensure that all blended and discretely presented component units are appropriately identified and included in the CAFR; and ensuring that all applicable current and future Government Accounting Standards Board ('GASB") pronouncements are reflected in the CAFR. These services are necessary due primarily to the inability to retrieve the data from the current legacy financial system in a manner consistent with the increased complexity required in the reporting as new GASB pronouncements.

The CAFR, in prior years, had been created internally using Microsoft Excel workbook formats with data manually inputted from reports run from the financial system, and then manually linking spreadsheets. This data was then manually adjusted to adhere to the GASB requirements. The complexity introduced by annual additions of new GASB regulation, renders the old methodology using Excel spreadsheets impractical.

The current process still requires the County staff to prepare the CAFR as before, but AVZ's services helps alleviate some of the manual compilation and cross-referencing that is performed by the County staff, and acts as an important secondary review to ensure that the County's financial statements are correct and in compliance with all governmental accounting reporting standards. Without a new financial system or AVZ's assistance in the compilation of the CAFR, the County would not be able to meet the required reporting deadlines set by the Federal and State governments. The firm provides valuable assistance to the Comptroller's Office Accounting staff. Please note that the Towns of Hempstead, North Hempstead and Oyster Bay all currently use AVZ to prepare their CAFRs.

Since March 2014, the Comptroller's Accounting Department has filled two open positions (Accounting System Specialist and Accountant IV) and hired an Accountant II to replace the employee who took the September 2015 VSIP. There is another Accountant position and an Inspector/Comptroller position that should be backfilled next year (it is being held for a promotion). No County positions have been lost as a result of the AVZ contract.

The following notification is to comply with the spirit of Section 32 of the CSEA-Nassau County Collective Bargaining Agreement.

Should you wish to propose an alternative to this proposed contract, please respond to me within ten (10) days of this letter.

Sincerely,

Sergio A. Blanco, Esq.

Re: 2015 CAFR—Albrecht, Viggiano, Zureck & Company

Dear Hon. George Maragos:

As per our discussion with some of your Accounting staff for the contract referenced above and in the interest of bargaining in good faith, CSEA withdraws its objection to the above referenced contract. You may release said document.

However, this does not waive CSEA rights to object to any future work being done by this vendor, or any other sub-contractors, and in no way does this waive any of CSEA's other rights under Section 32.

Very Truly Yours,

THIS AGREEMENT, dated as of_____, 2015 (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the Office of the Nassau County Comptroller, having its principal office at 240 Old Country Road, Mineola, New York 11501 (the "Department"), and (ii) Albrecht, Viggiano, Zureck & Company, P.C., a New York State corporation having its principal office at 25 Suffolk Court, Hauppauge, New York 11788 (the "Contractor").

WITNESSETH:

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

WHEREAS, the Contractor desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on January 1, 2016 and terminate on December 31, 2018, unless sooner terminated in accordance with the provisions of this Agreement. The Department shall have an option to renew this Agreement for one (1) additional year, covering the time period from January 1, 2019 through December 31, 2019, for completion of the Services (as defined below) for the fiscal year ending December 31, 2018. In the event the Department exercises said option, it shall then have a second option to renew this Agreement for one (1) additional year, covering the time period from January 1, 2020 through December 31, 2020, for completion of the Services for the fiscal year ending December 31, 2019. The Department shall exercise each such renewal option by giving written notice thereof to the Contractor.

2. Services. The services to be provided by the Contractor under this Agreement shall consist of assisting the Department in its preparation of the 2015, 2016, and 2017 Fiscal Year Comprehensive Annual Financial Reports ("CAFR"), including, but not necessarily limited to, the specific services listed in Exhibit "A" (the "Services").

3. Payment. (a) Amount of Consideration. Except as otherwise provided in Section 3(b) hereof, the maximum amount to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement, including during any renewal periods of this Agreement, as provided above, shall be subject to encumbrance and payable in accordance with the provisions of this Agreement and with the pricing structure set forth as follows:

Fiscal year	**Maximum Fee**
2015	$85,000.00
2016	$85,000.00
2017	$85,000.00

2018	$87,000.00, if renewal option exercised
2019	$89,000.00, if renewal option exercised

During the term of this agreement Contractor shall submit claim vouchers for payment in four (4) equal monthly installments, beginning in May and ending in August for each fiscal year. The last installment payment for each fiscal year is not to be made before the month following the final issuance of the CAFR. The Contractor, prior to each installment payment, will provide the Department, at least monthly, with an updated status of Services that have been performed and completed, which will be reviewed and approved by the Department.

(b) If there is a change (i) in the scope of Services or any agreed-upon additional accounting-related services to be provided under this Agreement, or (ii) in any material circumstance with respect to this Agreement (or any attachments hereto), the parties shall negotiate in good faith to make an equitable adjustment to the maximum amount or rates payable and incorporate said adjustments into written contract amendments.

(c) Vouchers; Voucher Review, Approval and Audit. Payments shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, including compliance with the monthly status report requirements described in Section 3(a) above, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited

liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, a living wage, disclosure of information, and vendor registration, in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto with the County's vendor registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Protection of Client Information. The parties further acknowledge that in the course of this Agreement each may have access to and/or be in possession of proprietary or confidential information of the other party. "Confidential Information" shall mean information regarded by the disclosing party as confidential; provided that, information deemed confidential by the disclosing party shall be clearly marked "Confidential", "Restricted" or with another similar legend. Each party agrees to use the Confidential Information of the other party solely for the purposes of this Agreement, and will not disclose such Confidential Information to any third party without the other party's consent. Each party shall maintain the Confidential Information of the other party in confidence using at least the same degree of care as it employs in maintaining in confidence its own proprietary and confidential information, but in no event less than a reasonable degree of care. Provided that, the receiving party shall have met the foregoing standard of care, an inadvertent or accidental disclosure by the receiving party of Confidential Information of the disclosing party shall not constitute a breach hereof. Neither party shall use the Confidential Information of the other party for its own benefit or for the benefit of any third party, except as expressly permitted in this Agreement. A receiving party also may disclose Confidential Information to the extent required by an order of a court of competent jurisdiction, administrative agency or governmental body, or by any law, rule or regulation, or by court ordered subpoena, summons or other administrative or legal process, or by applicable regulatory or professional standards, or in connection with any judicial or other proceeding involving Contractor and County relating to Contractor's Services for County or this Agreement. If requested by the County or any of its departments or agencies, the Contractor agrees to execute, and cause its subcontractors to execute, a commercially reasonable non-disclosure agreement.

7. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars ($1,000,000) per occurrence, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain

the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained

in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or

made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

20. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-three dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-

2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

21. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions,

fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the

M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not

apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, states, or the federal government is not required.
