If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

I. OVERVIEW

A. **Purpose.** South Nassau Communities Hospital and its affiliate, Oceanside Counseling Center, Inc., (collectively, the "Hospital") are committed to providing high quality medical care to its patients and ensuring that its business practices comply with all relevant legal requirements and applicable Hospital policies. This Policy and Procedure is intended to be a guide for Hospital Board Members, Officers, Key Employees, medical staff, practitioners with clinical privileges, and employees ("Hospital Personnel") who may find themselves in a position where their personal interests could cause, or be perceived to cause, a conflict with the interests of the Hospital, the community we serve or our patients.

B. **Basic Requirements.** As set forth in more detail below, all potential or actual conflicts of interest must be reported to the Hospital and must be appropriately addressed as required by this Policy. If you are uncertain whether a particular transaction or matter presents a disclosable conflict of interest, it should be disclosed pursuant to this Policy.

Failure to adhere to this Policy will be considered a breach of the individual's obligation to the Hospital, and may result in disciplinary action. Hospital Personnel are thus expected to read and understand this Policy and to review it at least annually in order to be alert to situations that could pose an actual or potential conflict of interest.

Underlying the requirements of this Policy is the expectation that Hospital Personnel will at all times do the following:

- (1) act fairly, reasonably and in the Hospital's best interests;
- (2) act in compliance with all applicable legal requirements, including but not limited to, the requirements concerning Related Party Transactions described below;
- (3) refrain from personal considerations of any kind that conflict with, or that appear to conflict with, the best interests of the Hospital, the community the Hospital serves or its patients; and
- (4) immediately disclose any potential conflicts of interest in accordance with the procedures set forth in this Policy.

Upon the disclosure of a conflict of interest, the Compliance Committee of the Board will conduct a review of the potential and/or actual conflict, in accordance with the procedures set forth below, to determine whether and to what extent such conflict of interest should limit the individual's participation in his or her position, medical staff function or the particular transaction or matter under consideration. In general, Hospital Personnel with conflicts of interest must refrain from participating in the consideration or determination of any transaction or matter as to which they have an actual or potential conflict.

C. **Definitions.** At the end of this Policy there is an Appendix that sets forth the definitions of key words and phrases used throughout this Policy.

D. **Related Policies.** For further information, please see the following hospital-wide related policies:

- Acceptance of Gifts OF-ADM-275

- Financial Interest Disclosure for Product and Formulary Recommendations OF-ADM-320
- Acceptance and/or Solicitation of Gifts or Benefits From Vendors (OF-ADM-276)
- Compliance Program Disciplinary Policy, Standards and Procedures OF-ADM-162

II. OVERSIGHT OF THIS POLICY

The adoption, implementation of and compliance with this Policy shall be overseen by the Compliance Committee of the Board. The Compliance Committee will be composed of only Independent Directors (as that term is defined in the Appendix to this Policy).

The Compliance Committee has authorized the Hospital's Compliance Officer to provide the Board with assistance in the implementation of, and compliance with, this Policy. Such assistance may include having the Compliance Officer: (1) gather the Conflict of Interest Disclosure Statements; (2) track the successful completion of the Statements; (3) transmit the Statements to the Secretary of the Board; and (4) assist the Compliance Committee in organizing the Statements for the Committee's review. The Compliance Committee, however, will at all times retain overall responsibility for all aspects of the oversight of this Policy.

III. PROCEDURES FOR DISCLOSURE OF CONFLICTS

A. What is a "Disclosable Conflict of Interest"? As a general matter, any financial or related interest must be disclosed when the interest of Hospital Personnel in a transaction or entity creates the appearance (or the actuality) that the Hospital Personnel may not be able to act in the best interests of the Hospital. A Disclosable Conflict of Interest exists for example, when Hospital Personnel or Relatives of Hospital Personnel engage in any of the following:

- (1) Related Party Transaction. Have a financial interest in any transaction, agreement or arrangement in which the Hospital is or intends to be a participant.
- (2) Relationships with Vendors and Competitors. Have a financial interest in a vendor, competitor or entity with which the Hospital does business or intends to do business or which competes with the Hospital; is a member, owner, sole proprietor, partner, shareholder, director, trustee or officer of such vendor, competitor or entity; or has a contractual or employment relationship with such vendor, competitor or entity.
- (3) Personal Interest. Represent the Hospital in any matter in which the person has a personal interest (financial or otherwise).
- (4) Personal Gain. Use, or have the opportunity to use, knowledge about the Hospital for personal gain, profit or advantage;
- (5) Business Relationships with Directors, Officers or Key Employees. When a Director, Officer or Key Employee has a family or business relationship with

another Director, Officer or Key Employee. Under IRS disclosure rules, however, the following business relationships need not be disclosed to the IRS:

- (a) attorney-client or physician-patient privileged relationships; and
- (b) business relationships that are a part of the ordinary course of business on the same terms generally offered to the public.¹

Even if the IRS disclosure rules do not require disclosure, an internal disclosure to the Hospital will still be required if the relationship is of such a material nature as to affect, or create the appearance that it could affect, either the independence of the Director or the integrity of the decision-making process of the Board.

- (6) Gifts and Other Benefits. Accept gifts, entertainment or other favors from a vendor, competitor or entity with which the Hospital does business or intends to do business under circumstances from which it might be inferred that the gift or gratuity was being given to influence the Hospital Personnel's actions or decisions on behalf of the Hospital; or gifts or gratuities in excess of the maximum as allowable by hospital policy, in cash or in kind.
- (7) Quality of Care. Have a familial, financial or business relationship that does or has the potential to affect the safety or quality of care, treatment and services provided to patients. Such relationships can include the receipt of hospitality (i.e., business entertainment, networking events, and hospital-sponsored fundraising events), as defined in the hospital vendor and gift policies, loans, gratuities or other financial benefits from any patient, patient family member or visitor.²

¹ More specifically, under the IRS rules, a business relationship that may have to be disclosed on the Hospital's IRS 990 Form includes relationships where:

- (i) one person is employed by the other in a sole proprietorship or by an organization with which the other is associated as a trustee, director, officer, or greater-than-35% owner, even if that organization is tax-exempt;
- (ii) one person is transacting business with the other (other than in the ordinary course of either party's business on the same terms as are generally offered to the public), directly or indirectly, and the transaction involves transfers of cash or property valued in excess of \$10,000 in the aggregate during the Hospital's tax year; and
- (iii) the two persons are each a director, trustee, officer, or greater than 10% owner in the same business or investment entity (but not in the same tax-exempt organization).

² Examples of scenarios in which a potential conflict of interest could affect the quality of patient care includes:

- a. A cardiologist on staff receiving financial remuneration for each patient that he or she enrolls in a study funded by a major drug company;
- b. An employee who owns a durable medical equipment company that does business with the Hospital or its patients;
- c. A physician on the medical staff who also is the medical director of, or has an ownership or financial interest in, a nursing home where Hospital patients are referred;
- d. A clinical department Chair whose child applies for privileges in the Chair's department or in another clinical department;
- e. An employee with purchasing authority who makes a decision to buy goods or services based on personal relationships or personal gain, and not in the best interests of the Hospital and its patients.

- (8) Other Organizations. Is an officer or director of, or has a direct or indirect substantial financial interest in, another corporation, firm or other entity – including another healthcare organization – with which the Hospital does business or intends to do business.
- (9) Other Conduct. Engages in any other conduct that interferes with, or appears to interfere with, the best interests of the Hospital or with the Hospital Personnel's responsibilities to the Hospital.

Other examples may arise, particularly in certain contexts within which the Hospital conducts its day-to-day operations. It is not possible to provide an exhaustive listing of every situation in which a conflict of interest, or the appearance of a conflict of interest, may arise.

B. How and When to Disclose. Hospital Personnel must disclose any potential conflicts both annually and when a potential conflict arises.

- (1) Annual Written Conflict of Interest Disclosure Statement. Directors, Officers, Key Employees (defined as Vice Presidents, heads of departments and certain select positions), and employed physicians will, at least annually, file a written Conflict of Interest Disclosure Statement with the Board Secretary (or with the Hospital's Compliance Officer on behalf of the Secretary). The Hospital Compliance Officer, in conjunction with the Board Secretary, will track the completion of the Statements. Copies of all completed Statements will be provided by the Board Secretary (or the Compliance Officer on behalf of the Board Secretary) to the Chair of the Compliance Committee for its review.
- (2) Continuing Obligation to Disclose and Update. Hospital Personnel – even those who are not required to file an annual Disclosure Statement– have an affirmative and continuing obligation to disclose any conflicts of interest as they arise and, as applicable, to update his or her annual written Conflict of Interest Disclosure Statement, if he or she is otherwise required under this Policy to file a Disclosure Statement. All such disclosures or updated Disclosure Statements will be filed with the Board Secretary (or with the Hospital Compliance Officer on behalf of the Secretary). The Board Secretary (or Compliance Officer) will provide copies of all updated or new disclosures to the Chair of the Compliance Committee for the Committee's review and consideration.
- (3) Requirements Specific to the Board. The following additional disclosure requirements apply to Board Directors, as applicable:
 - (a) Directors' Disclosure Statements. For Directors, the Conflict of Interest Disclosure Statement will specifically include, among other Disclosable Conflicts of Interest, a statement identifying, to the best of the Director's knowledge, any entity of which he or she is an officer, director, trustee, member, owner (either as a sole proprietor or a partner), or employee and with which the Hospital has a relationship.
 - (b) Prior to the Initial Election of a Director. Prior to the initial election of any Director, the individual proposed for a Director position shall complete, sign and submit a written Conflict of Interest Disclosure

Statement identifying, to the best of the proposed Director's knowledge, any entity of which he or she is an officer, director, trustee, member, owner (either as a sole proprietor or a partner), or employee and with which the Hospital has a relationship, and any transaction in which the Hospital is a participant and in which the proposed Director might have a Disclosable Conflict of Interest.

All such Statements will be filed with the Board Secretary (or with the Hospital Compliance Officer on behalf of the Secretary). The Board Secretary (or Compliance Officer) will provide copies of each completed Statement to the Chair of the Compliance Committee, for the Committee's review.

- (c) Additional Disclosure Requirements for Board Directors. If during the course of a Board or Board-level committee meeting, discussion, or deliberation any actual or potential conflict of interest becomes apparent to a Director, that Director must disclose such actual or potential conflict to the Board or committee. If another Director becomes aware of any actual or potential conflict of interest, he or she shall disclose such conflict if the conflicted Director is absent. In both cases, such disclosure shall be a matter of record.
- (d) Committee Assignments. All potential members of any committee with Governing Board-delegated powers must complete an updated Disclosure Statement and disclose any actual, potential, or perceived conflict of interest to the Compliance Officer and the Board prior to assignment to such committee.
- (4) Disclosure by Medical Staff and Practitioners With Clinical Privileges. Each member of the Hospital's medical staff and all practitioners with clinical privileges are required to disclose any Disclosable Conflict of Interest on their applications seeking initial appointment to the Hospital's staff or for clinical privileges and their applications seeking reappointment to the Hospital's staff or for clinical privileges. In addition, all such staff and practitioners have a continuing obligation to promptly disclose any actual or potential conflict of interest or other Disclosable Conflict of Interest when it is identified. Such matters will be reviewed by the Compliance Officer or his or her designee in conjunction with the Medical Staff Office and forwarded, as appropriate, to the Chair of the Compliance Committee.
- (5) Disclosure by Hospital Employees. Hospital employees have a continuing obligation to promptly disclose any actual or potential conflict of interest or other Disclosable Conflict of Interest when it is identified. On no less than an annual basis, the Hospital will send a reminder to all employees of their obligations under this Policy. Required disclosures are to be directed to the Compliance Officer or his or her designee and will be forwarded, as appropriate, to the Chair of the Compliance Committee.

IV. THE REVIEW PROCESS

A. Review by the Compliance Committee of the Board. The Board Secretary will deliver all completed Conflict of Interest Disclosure Statements to the Chair of the Compliance Committee of the Board for its consideration. The Compliance Committee will then conduct a full review of all matters that raise an actual or potential conflict of interest, or that create the appearance of an actual or potential conflict of interest. In conducting its review, the Compliance Committee:

- (1) Will consider all relevant facts and circumstances involved in the matter, and in particular, what is fair, reasonable and in the best interests of the Hospital, the community it serves and its patients;
- (2) Will exclude the affected individual(s) from being present at or participating in the deliberations or voting on the potential conflict of interest;
- (3) Will prohibit the affected individual(s) from any attempt to improperly influence the deliberations or voting on the matter;
- (4) Will permit the affected individual(s), upon request of the Committee, to present information as background or answer questions concerning the matter at a committee or board meeting prior to commencement of deliberations or voting on the matter; and
- (5) Will not permit any Director to vote, or be counted in determining the quorum for any vote, on any transaction between the Hospital and another corporation, firm, association or other entity in which the Director is an officer or director or has a direct or indirect substantial financial interest.³

Decision by the Compliance Committee. The Compliance Committee will make a final and binding determination as to whether a conflict of interest exists or may exist, and what course the Hospital will take in connection with the matter. The Compliance Committee will contemporaneously document in writing, appropriate minutes of any meeting at which the matter is deliberated or voted upon, all deliberations and determinations relating thereto, including, at a minimum, a summary of the matter, a summary of the deliberations.

B. Corrective Actions. If, after review and consideration, the Compliance Committee concludes that a potential or actual conflict of interest does exist, then the Hospital will implement the following corrective actions to protect the Hospital's best interests:

- (1) Generally. Hospital Personnel for whom an actual or potential conflict of interest is found to exist will take no part in consideration, deliberation or decision-making as to the underlying matter that is the subject of the potential conflict.

³ In addition to the other requirements of this Policy, any such quality of interest shall be disclosed to the other Directors of the Hospital and made a matter of record. Such disclosure shall be made by the Director involved or, in his or her absence, by another Director having knowledge of the facts. For these purposes, a Director or Officer shall be deemed to have a direct or indirect substantial financial interest in any corporation, firm, association or other entity in which such person, together with such person's parents and spouse, and all descendants of either of such person's parents or such person's spouse, have an aggregate beneficial interest of 10% or more. This provision does not apply to a Director who also serves as an unsalaried officer or director of other nonprofit corporations which, having received all requisite approvals, exist for the purpose of raising funds for the operation and maintenance of, or to provide administrative, planning and research support services, to the Hospital, with respect to transactions between the Hospital and such other nonprofit corporations.

- (2) Recusal. The conflicted Hospital Personnel must recuse him or herself from discussion (including informal discussions) of matters affected by the conflict of interest, including physical absence from discussions, deliberations, voting or decision making either during consideration by management or during Board or Board Committee meetings.
- (3) Quorum. A conflicted Director will not be counted in determining a quorum for any vote on the matter that is the subject of the potential conflict.
- (4) Personal Influence. The conflicted Hospital Personnel will not use his or her personal influence – in any way or at any time - with respect to the matter that is the subject of the potential conflict.
- (5) Significant Conflicts. If the conflict is so significant as to be incompatible with the mission, strategic priorities, or best interests of the Hospital, a determination will be made by the Board whether it is appropriate for the individual to continue serving on the Board, as a member of a Board committee, or as an Officer or Key Employee of the Hospital.

C. Additional Special Rules for Related Party Transactions-Generally. In addition to the considerations outlined above, all Related Party Transactions (as defined in the Appendix) are subject to the following additional special rules:

- (1) Fair and Reasonable. The Hospital may not enter into a Related Party Transaction unless the transaction is determined to be fair, reasonable and in the Hospital's best interest at the time of the determination.
- (2) Disclosure of Material Facts. In considering the Related Party Transaction, the Compliance Committee shall ensure that any Director, Officer or Key Employee who has an interest in the Related Party Transaction has disclosed in good faith all material facts concerning such interest; and
- (3) No Participation. No Related Party may participate in the deliberations or voting relating to any Related Party Transaction. However, the Compliance Committee may request that a Related Party present information concerning a Related Party Transaction at a meeting prior to the commencement of deliberations or voting relating thereto.
- (4) Contemporaneous Documentation. Contemporaneous documentation of the Compliance Committee's review of a Related Party Transaction will include, at a minimum, a summary of the matter, a summary of the deliberations, consideration of any alternatives, the vote and the basis for the determination, including, but not necessarily limited to, whether the matter is as fair and reasonable to the Hospital as would otherwise then be obtainable by the Hospital.

D. Additional Related Party Rules When a "Substantial" Financial Interest Exists. With respect to any Related Party Transaction involving the Hospital and in which a Related Party has a "substantial" financial interest in the transaction, agreement or arrangement, the following shall also apply:

- (1) Prior to entering into the transaction, the Compliance Committee shall consider alternative transactions to the extent available;
- (2) The transaction must be approved by not less than a majority vote of the members present at the meeting; and
- (3) The Compliance Committee must contemporaneously document in written minutes the basis for its approval or disapproval, including its consideration of any alternative transactions.

E. Relationships With Other Care Providers, Educational Institutions, Manufacturers and Payers. On a regular basis the Hospital will also review its relationships with other care providers, educational institutions, manufacturers, and payers to determine whether conflicts of interest exist, and whether they are within law and regulation. All appropriate matters will be promptly brought to the Chair of the Compliance Committee.

V. MISCELLANEOUS PROVISIONS

A. Training. The Hospital will conduct training and education for all Directors, Officers, Key Employees, medical staff, practitioners with clinical privileges and employees on this Policy, including as to what constitutes Disclosable Conflicts of Interest, required disclosures, when and how disclosures are to be made, the review and determination process and other related matters at the individual's orientation and on a regular basis thereafter.

B. Board Committee Standards. This Policy and Procedure sets forth the Conflict of Interest and Related Party Transactions standards for all covered Hospital Personnel. Certain Committees of the Board, however, may from time-to-time promulgate Conflict of Interest or Related Party Transaction standards to govern the operations of that Committee. To the extent that such Committee specific standards are stricter than those set forth in this Policy and Procedure, the stricter Committee standards will apply.

C. Requests From Patients or Those Who Work in the Hospital. All policies, procedures and information about the relationship between care, treatment, and services and financial incentives are available upon request to all patients and those individuals who work in the Hospital, including staff and licensed independent practitioners.

If, after hearing the individual's response and making further investigation as warranted by the circumstances, the Compliance Committee or Board determines that such Hospital Personnel has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action in accordance with the Hospital's policy on sanctions.

This Policy was approved and adopted by the Board of Directors on June 7, 2016

South Nassau Ranks Among The Best Hospitals on Long Island

We are South Nassau Communities Hospital, an award-winning, 455-bed, acute care, not-for-profit teaching hospital located in Oceanside, serving the entire South Shore from the Rockaways in Queens to the Massapequas and beyond. Our commitment to quality care is the reason why South Nassau is the only hospital on Long Island to receive the following combination of honors for quality and service excellence:

- Top Performer on Key Quality Measures®, according to the Joint Commission on Accreditation of Health Care Facilities
- Top Nursing Care, according to the American Nurses Credentialing Center's (ANCC) Magnet® recognition
- *Becker's Hospital Review's* 2014 "100 Hospitals with Great Women's Health Programs"
- American College of Surgeons' Commission on Cancer's Outstanding Achievement Award

What do these honors mean to the patients and communities we serve?

As a Joint Commission Top Performer on Key Quality Measures, South Nassau can be counted on for the exemplary use of clinical processes that improve care for the treatment of heart attack, heart failure, pneumonia or patients undergoing surgery.

Many patients judge a hospital at least in part on its interactions with its nursing staff, which typically spends the most time caring for patients. In this area, South Nassau's performance has been nationally recognized for outstanding nursing services by the American Nurses Credentialing Center's Magnet award. Magnet recognition demonstrates that nursing at South Nassau is about great practice, excellence in patient care and attention to overall patient needs.

Becker's Hospital Review recently named South Nassau Communities Hospital to its 2014 listing of "100 Hospitals with Great Women's Health Programs" in the United States. This is the third consecutive year South Nassau has been named to the prestigious list.

South Nassau was selected based on its clinical excellence, quality care and awards for women's health services. The list was developed through extensive research and a rigorous review with peer organizations.

South Nassau's cancer program has earned the American College of Surgeons' Commission on Cancer's Outstanding Achievement Award for three consecutive (three-year) survey cycles (2009, 2012, 2015). The Outstanding Achievement Award (OAA) is designed to recognize cancer programs that strive for excellence in demonstrating compliance with the CoC standards and are committed to ensuring high quality cancer care.

These honors join a multitude of others South Nassau has earned for outstanding quality including: Get With The Guidelines Stroke Gold Plus Quality Achievement Award; Joint Commission Advanced Certification for Primary Stroke Centers; and HomeCare Elite™, listing South Nassau's Home Care as one of the top home health care providers in the United States, for the tenth consecutive year.

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.
