

**Notice of Public Hearing and Public Comment Period for  
Nassau County's Analysis of Impediment to Fair Housing Choice  
Federal Fiscal Year 2015-2019**

The Nassau County Office of Housing and Community Development (NC OHCD) is the administering agency for the U.S. Department of Housing and Urban Development (HUD)'s Community Development Block Grant (CDBG) Program, the HOME Investment Partnerships (HOME) Program, and the Emergency Solutions Grants (ESG) Program, collectively known as HUD's Consolidated Programs. These programs are intended to support the goals of providing a suitable living environment, decent housing, and expanding economic opportunities for low to moderate income persons.

Pursuant to HUD, Nassau County is required to affirmatively further fair housing as a recipient of federal funds. As part of this requirement, Nassau County has prepared a draft Analysis of Impediments to Fair Housing Choice (AI). The AI identifies potential impediments to fair housing choice in which individuals of similar income levels in the same housing market may have housing choice not influenced by race, color, ancestry, national origin, religion, age, sex, disability, marital status, familial status, source of income, or sexual orientation. It also reviews public and private policies and practices that affect housing choice and recommends actions to address any identified impediment.

**Notice is hereby given that a copy of the draft AI will be available to the public for review and comment from March 30, 2016 to April 29, 2016, weekdays during the hours of 9:00 am to 4:00 pm** at the Nassau County Office of Housing and Community Development, 40 Main Street, 1<sup>st</sup> Floor, Hempstead, NY 11550 and online at:
