RESOLUTION**

NCPC File #1997-P-1 Map of Willow View Estates

Application to Extend Public Comment Period Pursuant to the State Environmental Quality Review Act (SEQRA)

WG Woodmere LLC, LH Barick LLC and SG Barick LLC – Map of Willow View Estates

WHEREAS, the applicants/owners (“Applicants/Owners”) WG Woodmere LLC, LH Barick LLC and SG Barick LLC have proposed to subdivide the 114.25-acre Woodmere Club (golf and country club) into 285 single-family lots, together with the development of other related improvements including but not limited to new roadways and stormwater bioretention areas; and

WHEREAS, the property is known on the Nassau County Land & Tax Map as Section 41, Block F, Lots 37, 40, 48, 123, 310, 3028-330 and 3032, Section 41, Block D, Lots 53 and 55, and Section 41, Block 72, Lot 1; and

WHEREAS, the action requires Subdivision approval from the Nassau County Planning Commission (“Commission”) as well as other discretionary approvals from other local, County, and State involved agencies (the “Involved Agencies”); and

WHEREAS, on January 31, 2019, the Commission had commenced a coordinated review under SEQR and circulated to all identified Involved Agencies the Full Environmental Assessment Form (“Full EAF”), with attachments, and provided notice to all identified Involved Agencies that the Commission intended to act as the SEQR Lead Agency for this action; and

WHEREAS, the Commission did not receive any objections from Involved Agencies with respect to the Commission acting as the SEQR lead agency for this action within the time frames provided by 6 NYCRR 617(b)(3); and

WHEREAS, in determining whether the action may have a significant adverse impact on the environment, the Commission compared the impacts that may reasonably be expected to result from the proposed action with the criteria for determining significance set forth in 6 NYCRR 617.7(c); and

WHEREAS, the Commission thoroughly analyzed and identified the relevant areas of environmental concern based upon preparation of the Full EAF including Parts 1 and 2 in determining if the action may have a significant adverse impact on the environment; and

WHEREAS, on March 7, 2019, having not received any objections, the Commission declared itself Lead Agency for the SEQR review and classified the proposed action as Type I; and

WHEREAS, on March 7, 2019, after reviewing the proposed Subdivision Plan, Full EAF with attachments, and Criteria for Determining Significance in 6 NYCRR 617.7(c), the Commission found that the action may have the potential for one or more significant adverse impacts upon the environment, and issued a Positive Declaration requiring the preparation of a Draft Environmental Impact Statement (“DEIS”) by the Applicants/Owners in accordance with SEQR; and,

WHEREAS, the Applicant submitted a draft DEIS scope to the Commission on April 22nd, 2019.

WHEREAS, the Commission hereby commenced the public comment period on the draft EIS scope for a period ending at the close of business on July 15, 2019; and

WHEREAS, a public scoping comment hearing was held on June 26th, 2019 beginning at 6pm at the Theodore Roosevelt Executive and Legislative Building, 1550 Franklin Avenue, Mineola, NY 11501; and

WHEREAS, on June 26, 2019, at the public scoping comment hearing, multiple requests were made to extend the public scoping period; and

WHEREAS, on July 11, 2019, the Commission held a public hearing where the Applicant's Attorney represented that the Applicants consent to extending the public scoping comment period by thirty (30) days to August 14, 2019.

NOW THEREFORE BE IT RSOLOVED, the Commission hereby extends the public comment period by thirty (30) days to August 14, 2019.
