

# ATTENTION:

**You Reside in a  
Storm Surge Zone.**

**Learn How to Be Prepared.**

## **Plan Today, To Leave Tomorrow**

*In the event of a hurricane, you may be asked to evacuate your home. If you are advised to evacuate, here's what to do:*

- Enact County Executive Mangano's Friends & Family Sheltering Plan**  
County Executive Ed Mangano recommends you plan ahead, as a Family and Friends Sheltering Plan provides the most comfortable way to weather a storm that threatens your home. A Family & Friends Sheltering Plan is recommended for anyone who resides **south of Sunrise Highway or north of Route 25A.**

You should contact a friend or family member that lives outside the zone & make arrangements.

- Bring your Emergency Go-Kit. Learn how to assemble this kit at [www.nassaucountyny.gov/oem](http://www.nassaucountyny.gov/oem).
- Turn off all utilities.
- Stick to evacuation routes. View these routes at [www.nassaucountyny.gov/oem](http://www.nassaucountyny.gov/oem).
- Take your most reliable vehicle and avoid taking multiple vehicles that create gridlock.
- Post this card on your refrigerator.
