

HARVEY B. LEVINSON

Chairman, Nassau County Board of Assessors

240 Old Country Road, Room 400, Mineola, New York 11501 (516) 571-1500

Under the terms of a “sweetheart deal” that was agreed to by officials under the Pataki administration, a \$40-million dollar privately run catering facility being built and operated by Donald Trump and Steven Carl at Jones Beach State Park will pay no school or fire district property taxes because it is on state land. The facility is a for-profit enterprise that serves no public purpose!

(Note: In August 2006, the state agreed to pay school taxes to the Three Villages and Smithtown school districts when Stony Brook University acquired a 314-acre property owned by Gyrodyne Company.)

Please contact your state officials and urge them to do the right thing for the homeowners they represent and support a Payment-in-Lieu-of-Taxes (PILOT) Agreement for the Wantagh school and fire districts.
