### Comprehensive Drainage Infrastructure Master Plan Bay Park/Village of East Rockaway - NYRCRP Governor's Office of Storm Recovery Projects (GOSR)

Client:Nassau County DPW, Commissioner's OfficeContact:Sean Sallie, AICP, (516) 571-9342

Nelson and Pope developed a Hydrologic and Hydraulic (H&H) drainage improvement study and plan to gain an understanding of the hydrology and hydraulics affecting the Hamlet of Bay Park and the Village of East Rockaway. The Plan assessed the conditions of the existing drainage infrastructure, identified system limitations, and provided a hierarchy of feasible alternatives to mitigate stormwater and tidal flooding.

N&P studied the watershed and defined stormwater tributary areas, calculated runoff volume and discharge rates of existing stormwater infrastructure, and made recommendations to address system limitations and future demand. The study included analysis of the existing system capacities, alternative mitigation solutions and a benefit cost analysis and budget. In addition to the study, N&P will be providing thirty (30) percent design plans for Nassau County's selected potential implementation strategies identified in the H&H Study. The Hydrologic and Hydraulic (H&H) drainage improvement study included:

- The engineering inventory and inspection of the entire drainage infrastructure for Bay Park and the Village of East Rockaway, including elevations;
- The engineering analysis of existing system identifying system limitations;
- Development and calibration of a future conditions model that included long-term precipitation and tidal elevation data sets, evaluates historic and future synthetic design, and simulated typical year precipitation, accounting for projected land use, precipitation and sea-level changes;
- Identification of a series of potential alternatives to address system deficiencies, present and future stormwater tendencies and tidal changes; and
- Preparation of a list of improvement projects and a hierarchy of feasible alternatives to be progressed to thirty (30) percent design plans.

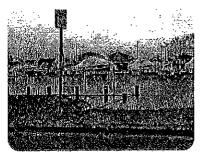

## Bay Park/Village of Rockaway Drainage Improvements – Final Design RFP No. PW-S82017-02D

## Comprehensive Drainage Infrastructure Master Plan Belmore/Merrick & Seaford/Wantagh South of Merrick Road - NYRCRP Governor's Office of Storm Recovery Projects (GOSR)

Client: Town of Hempstead Contact: Dougtas L. Tuman, PE, Esq. Commissioner, (516) 812 - 3484

Nelson and Pope prepared a comprehensive drainage study and plan for the NY Rising Community Reconstruction areas of Bellmore, Merrick, Seaford and Wantagh identified in the 2015 NYRCR plan and the NYRCR Pre-Application Report. The drainage improvement report addressed the widespread flooding resulting from Superstorm Sandy and Hurricane Irene. This drainage study and plan analyzed existing conditions, identified and produced a strategy of flood reduction projects for drainage infrastructure upgrades and when implemented will address unmet recovery needs pertaining to flood mitigation to

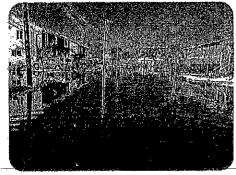

private, institutional, municipal, and public properties and will ensure a more resilient, flood-protected community. The Bellmore/Merrick, and Seaford/Wantagh Drainage Report included:

- The engineering inventory of the entire drainage infrastructure for the project area south of Merrick Road, including elevations;
- The inspection of the conditions of the storm drain system;
- The engineering analysis of system needs;
- The determination of the ability of the existing drainage system to accommodate storm flow;
- Identification of a series of potential solutions to address identified localized and system-wide deficiencies/issues; and
- The identification of areas or issues of concern and a prioritization of repairs/improvements.

## Comprehensive Drainage Infrastructure Master Plan Village of Lindenhurst NYRCRP Governor's Office of Storm Recovery Projects (GOSR)

## Client: Town of Babylon Contact: Kathy Lynch, (631) 957-7434

Nelson and Pope developed a Comprehensive Drainage Infrastructure Master Plan for the Village of Lindenhurst. The Master Plan assessed the conditions of the existing drainage infrastructure and mapped the locations of upgrades and repairs that was most critical to storm resiliency. The plan identified flood reduction projects that diminished the risk to public and private properties and infrastructure. The Master Plan resulted in a clear strategy for immediate and phased system improvements which reduced flooding during and after severe storms. This plan will be used as a basis for future drainage and

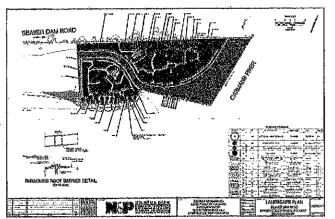

construction of drainage improvements. The Comprehensive Drainage Infrastructure Master Plan for the Village Lindenhurst included:

- The engineering inventory and inspection of the entire drainage infrastructure for the Village of Lindenhurst, including elevations;
- The engineering analysis of existing system needs;
- The determination of the ability of the existing drainage system to accommodate storm flow through modeling and hydraulic analysis to accommodate storm flow;

## Orowoc Creek Stormwater Improvements (Garretson Avenue), Town of Islip

# Client:Town of Islip Department of Public WorksContact:Thomas Owens, Commissioner, (631) 224-5610

Garretson Avenue in Islip, New York has suffered from continuous flooding, primarily due to its close proximity to Orowoc Creek, low elevations, and dilapidated drainage infrastructure. Nelson & Pope, in cooperation with Nelson, Pope & Voorhis, prepared roadway and drainage improvement designs for the Town of Islip roadway and drainage improvement project at Garretson Avenue Cul-De-Sac. Improvements included the reconstruction of the cul-de-sac, removal of the existing outfall pipe into Orowoc Creek and installation of a bubbler basin that would drain onto a pervious concrete paver driveway and overflow into a bio-swale, all to reduce flooding within the cul-de-sac while providing stormwater filtration to reduce pollutant loads prior to any overflow

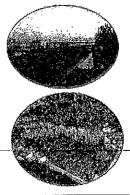

discharge into Orowoc Creek. The project involved survey, development of improvement plans, wetland delineations, planting specifications, wetland permit applications, and construction inspection services.

#### GEDEON GRC CONSULTING

## Barnum Island / Harbor Isle Drainage Improvements Study

Gedeon GRC was part of a team providing Nassau County Department of Public Works design services for the development of a drainage improvement study for infrastructure upgrades in the Hamlets of Barnum Island and Harbor Isle, located near the coast in the Town of Hempstead. The project was funded by and conceived through the NY Rising Community Reconstruction Program (NYRCR) of the Governor's Office of Storm Recovery (GOSR). Superstorm Sandy and Hurricane Irene overwhelmed the stormwater drainage systems in Barnum Island and Harbor Isle. The floodwaters inundated homes, schools, and businesses and made streets unusable and areas impassable. Some of these areas experienced six to eight feet of floodwater, destroying homes, businesses, and belongings. Evacuation and emergency response was severely hindered or prevented as a result of

flooding. Recovery and resiliency of the communities were also adversely impacted due to infrastructure limitations and functionality. This drainage improvement study addressed widespread

flooding resulting from these disasters and provided a strategy for drainage infrastructure upgrades for unmet recovery needs pertaining to flood mitigation to ensure a more resilient flood-protected community. In addition, this study (as described in the NYRCR Plan) analyzed existing conditions and identified flood reduction projects to restore and improve infrastructure functionality and accessibility. A major task involved in this study included an inventory of all drainage collection, conveyance, and discharge components; an evaluation of the system's ability to accommodate storm impacts; and recommendations for improvements. Gedeon GRC's scope of work included inventory of the existing drainage system as described above, using ArcGIS and iPads.

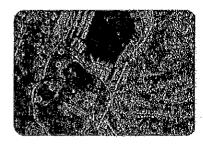

## Cedar Swamp Road, Roadway, Drainage, and Sidewalk Improvements

Gedeon GRC was selected as part of a team to complete the design of Cedar Swamp Road located in the City of Glen Cove for Nassau County Department of Public Works. Cedar Swamp Road is a main thoroughfare that serves as the primary entrance to the Glen Street LIRR Station. The road is heavily traveled and experiences a high volume of both vehicular and pedestrian traffic. Conditions have resulted in localized pavement deterioration and intermittent curbs. This project called for pavement rehabilitation; additional drainage;

general improvements to adjacent sidewalk areas to enhance pedestrian safety and access; and modifications to traffic signals to improve vehicular circulation. The general project limits were approximately from Sea Cliff Avenue on the south, to the vicinity of the Town Path (Duck Pond Road) intersection on the north, for an approximate project length of 4,300 feet. In addition to enhancing the area, these roadway improvements serve to alleviate some of the traffic and pedestrian safety concerns, while also addressing deficiencies in traffic flow patterns, and necessary localized drainage improvements.

## NYS Route 110 Drainage Improvements

Gedeon GRC was retained, as a sub-consultant, by the NYSDOT to provide total planning and design services for the reconstruction of Route 110, a one-mile segment in the Town of Huntington. This project involved evaluating feasible alternatives for roadway and significant drainage improvements along NYS Route 110 from the Madison Street / Prime Avenue intersection to Young's Hill Road, a distance of 1.45 km (0.9 miles), located next to Huntington Harbor. The scope of work entailed design services associated with evaluating feasible alternatives

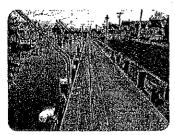

to roadway and stormwater management/drainage improvements, including but not limited to the infiltration pond, bioswales, preparation of a Design Report, development of design alternatives, design and ROW survey and mapping, involvement in Public Hearings and other public involvement activities, and evaluation of the social, economic, and environmental impacts associated with the alternatives. The final design stage involved drainage, Maintenance and Protection of Traffic (MPT), signage and striping, grading, utilities, pavement markings, traffic signals, signage, landscaping, typical sections, as well as specifications and estimates.

## GAYRON deBRUIN

## Drainage Improvement Study - Bay Park / East Rockaway, Nassau County, NY

Gayron de Bruin (GdB) worked as sub consultant on this project tasked with taking inventory of existing drainage facilities within the Bay Park/East Rockaway Area. GdB located and obtained rim and invert elevations using GPS RTK technology of the visible and accessible drainage structures, including but not limited to catch basins, leaching structures and manholes. A numbering system was implemented to assist in the future identification to the drainage facilities. There were

approximately 1,225 manholes and catch basins. GdB also took inventory of approximately 90 outfall locations within the Bay Park / East Rockaway area. GdB located and obtained outfall pipe invert and top of bulkhead elevations using GPS RTK technology of the visible and accessible outfall locations. This project was completed on time and within budget.

## Watershed Inspection-Outfall Reconnaissance Inventory, Nassau County

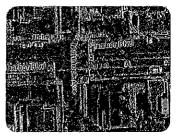

The south shore of Nassau County makes full use of local natural drainage to aid in storm water management. Storm water assets are independent from sanitary and are not subject to wastewater treatment. Under this contract, GdB was hired as a sub consultant to aid in the outfall reconnaissance inventories (ori's) of 22 streams and their respective watersheds. Carefully inspecting over 1100 individual drainage outfall structures, data collection teams documented condition, presence of illicit discharge and general stream health. GdB provided custom mobile GIS data collection to inspect, document and photograph each individual outfall. Using this method, office management is able to track progress and communicate with field crews in a moment's notice. Field data reports were provided for each watershed, including maps, datasheets and photographic documentation. As an additional service, GdB used the most current set of New York State provided orthophotography to update each stream corridor to better reflect current geography.

## The Path to Park - Shoreline Improvements in South Valley Stream, Nassau County, NY

Through funding provided by NY Rising Community Reconstruction (NYRCR) and the New York State Governor's Office of Storm Recovery (GOSR), Town of Hempstead was able to apply for a grant in order to restore the natural shoreline along valley stream adjacent to a pedestrian green way known as "the path". Modern green infrastructure and a hardened shoreline will help mitigate storm damage, improving resiliency and reduce the threat of flooding from future storm events. GdB was contracted to provide surveying services for two areas within the project scope. Full topographic survey was provided, including stream cross sections every 100 feet showing changes in stream geometry. Adjacent court were surveyed, showing drainage pipes and associated structures, culverts and bridge structures.

## NY Rising Drainage Study Bellmore, Merrick, Seaford, Wantagh, NY

This project studied the location, conditions, and elevations of Bellmore, Merrick, Seaford, and Wantagh public roadway drainage systems south of Merrick Road, including outfalls, bulkheads, all storm drain pipes, manholes, and catch basins. Drainage structure data was collected in GIS running on a tablet. The field crews recorded all necessary data using inhouse developed data collection software. The information collected will be utilized to produce a strategy, and make recommendations for drainage infrastructure upgrades and flood reduction projects, including the

possible installation, at a later date, of tidal check valves in the most effective key locations. These, along with other interventions to provide flood mitigation, will be identified and provided in a hierarchy of effectiveness. The specific flood intervention measures, usefulness, and locations will be based on the recommendations of this comprehensive drainage study and plan.

## HIRANI ENGINEERING

## Pump Station Mitigation, Nassau County, NY

Hirani provided structural engineering services to evaluate and design structural measures to flood proof existing pump stations which included Felix Ct., Fox Rd., Northern Blvd. & Grand Ave. Numerous sanitary sewer pump stations were flooded during Superstorm Sandy in October 2012 rendering many inoperable. This Project involved flood-proofing the at-risk pump stations and mitigating potential damage from future storm events. This contract included four (4) pump stations located in Baldwin, NY. Hirani provided land surveying, verification of as-built structural conditions and structural design services as a member of the Greeley Hansen design team. The main focus of Hirani's services included structural engineering to analyze the existing structure's ability to withstand a 500-year storm event and flood, and working with the project Architect to design the necessary floodproofing components. Hirani also analyzed the existing structure for buoyancy and analyzed and designed hold down straps for an existing underground storage tank.

## Engineering Services for Delaware Aqueduct Shafts 9, 10 & 17 and Other Related Facilities, Westchester & Putnam Counties, NY

This major water supply project for NYC Dept. of Environmental Protection that included modifying existing building structures and equipment and adding various structures to augment and improve the NYC water supply. Hirani Engineering & Land Surveying, P.C. was responsible for all aspects of structural design for this project. The foundation sub-structure and super-structure design covered buildings at three shafts namely Shafts 9, 10 and 17 in Westchester County. This included major structural modifications/additions to existing buildings including provision of additional floors, access platforms, ramps and stairways; new buildings attached to existing ones, and standalone new structures.

As seen from the aforementioned project descriptions, the Project Team has direct experience in progressing engineering planning and design as well as construction support and

# inspection services, including federally aided projects, for various municipal agencies for complete streets type projects.

### **Detailed Scope and Budget**

## Bay Park and Village of East Rockaway Drainage Improvements – Design Services Basic Services of the Firm

#### **PROJECT DESCRIPTION**

The Firm shall provide Engineering Services to advance existing 30% design plans to final 100% completion in the form of design plans, specifications, cost estimate, and bidding documentation for various check valve and stormwater treatment devices and drainage improvements to Lawson Avenue in Bay Park and the Village of East Rockaway, New York.

The highest priority location for drainage improvements within the project limits is Lawson Avenue from Main Street to the outfall on Franklin Street. Discussions with the County, the Town of Hempstead and the Village of East Rockaway as well as being noted in the Comprehensive Drainage Report (Hydraulic and Hydrological Study) and the NYCRR Plan for Bay Park and the Village of East Rockaway indicates this area as a major location for flooding.

There are several issues that cause the flooding on Lawson Avenue. During high tide events, tidal water backing up into the drainage system and flows out of the existing grates at the low points flooding Lawson Avenue and the adjacent streets; the existing drainage system on Lawson Avenue does not have the capacity to store the road runoff from any rain event especially when there is a high tide; the existing drainage system is back pitched and does not function properly; several drainage grates have filter bag inserts that collect debris in order to clean the system, however, these bags are filling quickly and not being cleaned thus not allowing stormwater to enter the system and flooding Lawson Avenue and adjacent streets; and the system becomes filled with debris preventing the stormwater to flow through the system properly.

The existing drainage system on Lawson Avenue needs to be replaced with larger pipe and more drainage structures to increase capacity of the system and remove the pipes that are back pitched. The system will require the installation of an in-line check valve to prevent tidal surcharge and a stormwater treatment structure be installed to remove debris; improve the quality of the stormwater; and prevent debris from reaching the in-line check valve thus preserving the life of the in-line check valve.

In addition to the improvements to the drainage systems, Lawson Avenue pavement surface will be milled and resurfaced and new concrete sidewalks, curb and gutter, and driveway aprons will be constructed. All curb ramps will be reconstructed to be in compliance with current ADA standards.

Many outfalls in the project area get inundated with tidal surcharge during high tide events and rain events which backup and discharge out of existing stormwater drainage grate and flood adjacent roadways. One of the projects included in this proposal will install eighteen (18) check valves at priority locations to help alleviate this flooding. Installation of these check valves and pretreatment systems will improve the stormwater runoff quality and minimize and/or eliminate flooding during some storm events coinciding with high tides. Several locations will require reconstruction of existing bulkheads at the outfall locations. Drainage lines and catch basins will require inspection to determine if tidal infiltration is an issue. Installation of these check valves will address flooding on Lawson Avenue, West Boulevard, East Boulevard and North Boulevard.

The Firm shall develop Preliminary Design and Final Design. The Design Plans will be prepared in accordance with New York State Item Specifications. The Firm and the County understand that GOSR will be the lead agency and any environmental review activities will be conducted by GOSR with the full support of the Firm, and that any GOSR environmental requirements such as elevation design standards adapted to address impacts of climate change, will be followed.

The Firm understands that the Total Construction Cost must not exceed the Approved Construction Budget.

If the Total Construction Cost exceeds the Approved Construction Budget, the Firm will provide a value engineering to reduce the cost; assist the County in redefining the scope of the project; incorporate all the scope changes into the Construction Documents; and develop and incorporate alternatives into the Construction and Bid Documents.

## I. SCOPE OF SERVICES

The deliverables for this proposal include final (100%) detailed design drawings, specifications, cost estimates and bid documents for two drainage improvements projects listed under Division I and II below.

### Division I <u>Design Services</u>

### Various Check Valve and Stormwater Treatment Device Installation (Hamlet of Bay Park and Village of East Rockaway) – Final Design

A. Based on the results of the hydraulic and hydrological study of Bay Park and the Village of East Rockaway, the NYRCR Plan for Bay Park and the Village of East Rockaway, and discussions with Nassau County, the Town of Hempstead, and the Village of East Rockaway, it became evident that one of the priority projects included the many outfalls that permit tidal surcharge to enter the existing drainage system and flood adjacent roadways. The project calls for the final design (remaining 70%) of eighteen (18) check valves at priority locations (See Table 1 below) to assist in alleviating this flooding. By installing check valves and pretreatment systems, storm water runoff quality will be improved and flooding will be minimized and/or eliminated during some storm events.

The final design of check valves at the below-listed locations will address flooding in three identified areas throughout the study area, Lawson Avenue, West Boulevard, and East Boulevard.

### Division II Design Services

## Lawson Avenue Drainage Improvements (Village of East Rockaway)

Based on the results of the hydraulic and hydrological study of Bay Park and the Village of East Rockaway, the NYRCR Plan for Bay Park and the Village of East Rockaway, and discussions with Nassau County, the Town of Hempstead, and the Village of East Rockaway, it became evident that the highest priority location for drainage improvements is Lawson Avenue. Frequent flooding occurs at low points along Lawson Avenue due to high tides, especially during moon tides. The existing drainage system does not have the capacity to store the road runoff from any rain event occurring during high tidal events. Surface runoff is restricted from entering existing drainage inlets by the tidal surcharge (tidal waters are at or above the top of grates in most structures during this high tide) and existing drainage pipes are back-pitched and clogged with debris, which frequently causes flooding on Lawson Avenue and the adjacent roadways. Catch basin filter bags are present in the existing drainage system on Lawson Avenue and have contributed to the flooding issue. Due to their limited debris capacity these filter bags, frequently become filled with debris and clogged over time, preventing road runoff from enter the drainage system through the drainage grates.

This project will reconstruct the entire drainage system on Lawson Avenue and adjacent roadways, increase the size of pipes, install additional drainage structures to increase the system's capacity, and eliminate any backpitched pipes. A new in-line check valve will be installed on Franklin Street to prevent tidal surcharge. A pretreatment structure will be installed to filter road runoff prior to accessing the check valve, preserving the service life of the check valve and eliminating debris from clogging the valve in addition to improving the quality of the storm water runoff. These catch basin filter bags will be not be installed in the proposed drainage system. Drainage grates with curb box inlets will be included in all catch basins to increase inlet capacity. The bulkheads on Franklin Street and on Malecon Street will be repaired and concrete splash guard will be installed at the Franklin Street bulkhead.

The improvements will also include milling off the top course asphalt and placing an asphalt overlaying on Lawson Avenue and adjacent roadways allowing road runoff to enter the new drainage system more efficiently. Concrete sidewalk, curb and gutter, and driveway aprons will also be reconstructed.

### **B.** Horizontal Control

The Firm shall advance the 30% Horizontal Control and establish a precise base line with at least two ties into the Nassau County Geographic Information System (GIS), with a maximum error of closure of 1:50,000. The error of closure shall be distributed according to standard procedures and all angle points coordinated. Before the survey work is started, the Firm shall submit their procedure to the County for approval. The Firm shall use this base line as the reference line for locating all topography, and aboveground and underground facilities. The base line shall be monumented and referenced as necessary to later serve for laying out the construction. Traverse worksheets shall be submitted to the County for review, when completed. Where feasible, the theoretical grade line of the proposed improvement should be used for laying out the construction contract and for cross-sections. The theoretical grade line should be referenced to the aforementioned base line on the Coordinated Detail Map.

#### C. Vertical Control

The Firm shall advance the 30% Vertical Control and provide highest order vertical control system possible, with ties into the same two monuments of the Nassau County GIS as used for base line control, for topographic work and construction mapping. Benchmarks shall be established and documented within the project limits. They should be located in such a place so that they will not be destroyed by any anticipated construction work. Bench run worksheets shall be submitted to the County for review, when completed.

### D. Base Map

The Firm shall advance the 30% Base Map through the collection of topographic and planimetric data required for the preparation of detailed contract plans, including, but not limited to the following: horizontal control line and benchmarks as referenced to work described in Tasks B and C; existing elevations obtained by cross sections at a maximum fifty foot stations with additional elevations on driveways, structures, steps, manhole covers, first floors, etc., and any abrupt changes in slope; underground utilities shall be plotted from survey of utility mark out; drain and sewer structures shall be opened to obtain inverts, pipe sizes and brickwork and plotted on profile portion of plan; house connections shall be plotted from information supplied by the respective sewer agency; buildings and other manmade structures shall be accurately plotted, described (number of stories, type of structure, etc.) and addressed on the plan. Topographical data shall be shown on the plans at a scale of one (1) inch equals twenty (20) feet or larger, as directed. For both the Base Map and Detail Map, existing line weight and numbers shall be fine (0.30 mm or equivalent) and proposed details shall be bolder (0.50 - 0.80 mm or equivalent). Said data shall be furnished to the County in a digital format as prescribed in the latest version of the NCGIS Geographic Data Standards, or in a mutually agreeable format.

### E. Detail Map

Prepare a CAD generated coordinated Detail Map to three decimal places, showing all property line data relative to the survey base line, the proposed center line (or theoretical grade line), the existing and proposed right-of-way lines, and all parcels within the project limits. Said parcels shall be completely defined as per deeds, filed maps or other legal descriptions. Parcels too large to fit on the sheet shall be shown completely by a reduced scale inset, with all boundary distances noted. This map shall be to a scale of one (1) inch equals twenty (20) feet, where possible, and shall include field measurements as well as computed values. Liber and Page of the document relating to the most recent ownership shall be shown on this map. Upon acceptance of the Final Detailed Construction Drawings and Specifications, the Consultant shall submit a reproducible copy of the Detail Map which shall indicate field ties in detail for all critical base line stations, as well as coordinates for all property corners involved in acquisition. These coordinates shall indicate existing field points, as well as final theoretical coordinates held. For both the Base Map and Detail Map, existing line weight and numbers shall be fine (0.30 mm or equivalent) and proposed details shall be bolder (0.50 - 0.80 mm or equivalent). Said data shall be furnished to the County in a digital format as prescribed in the latest version of the NCGIS Geographic Data Standards, or in a mutually agreeable format.

### F. Right-of-Way Maps

1. Prepare a Right-of-Way Acquisition Map on 21 inch by 31-1/2 inch (border to border) standard size sheets showing the fee parcel (acquisition), highway easement, slope easement, drainage easement, sewer easement, working easement, release parcel, or excess parcel to be acquired at a scale of one inch equals twenty feet (1"=20') in accordance with the current standards of the Nassau County Department of Public Works. Changes to this scale require prior County approval.

2. Type a description of each parcel to be acquired using the heading shown on the Property Data Form supplied by Nassau County DPW for each such parcel with information effective not more than thirty (30) days prior to the delivery of the said acquisition map to the Commissioner of the Department of Public Works ("Commissioner". Descriptions should be delivered to the County on a computer disc.

3. Supply on a computer disc, a list for each parcel in "Microsoft Excel" or approved equivalent format, all in accordance with County requirements. The information supplied for each parcel shall include the parcel number, name of owner, address of parcel, section, block, and lot of the parcel, and, if applicable, address of absentee owner.

### G. Design Plans

The firm shall develop an alignment on the Base and Coordinated Detail Map to reflect the 30% Preliminary Design Plans provided by the County. Drainage system design shall utilize the Rational Formula, using rainfall intensity corresponding to design storms cited in the Bay Park/Village of East Rockaway Comprehensive Drainage Infrastructure Master plan, dated January, 2017.

1. Prepare preliminary graphic layout plans at a scale of 1"=20' and graphic profiles at scales of 1"=20' horizontally and 1"=2' vertically. Changes to these scales require prior County approval. The graphic layout plans shall be in the current County standard with the vertical profile on the upper ½ of the drawing and the horizontal alignment on the lower ½.

Show on said plans the proposed alignment of the project area and adjacent site information including: roadway widths, typical sections, layout of drainage system, and limits of restoration, on the same drawing as the existing conditions. Existing line weight and numbers shall be fine (0.30 mm or equivalent) and proposed details shall be bolder (0.50 - 0.80 mm or equivalent).

- 2. Prepare and submit a preliminary estimate of the construction cost of the project at current prices.
- 3. Submit the preliminary plans for approval by the Commissioner.
- 4. Based upon a visual inspection, supplemented by field investigation, considering all aspects of the proposed project the firm will provide a recommended engineering solution.
- 5. The Firm will provide the County with ten (10) printed copies and one electronic version of the Preliminary Design Plans for review and comment. Nassau County will be given a minimum of two (2) weeks review time and, upon completion, will provide N&P with written comments. N&P will incorporate the resolution of comments into the Final Design Plans.
- 6. If necessary, and upon the written direction of the Commissioner, the Firm shall prepare plans, specifications, and estimates of costs for soils investigations and take proposals from at least three boring contractors. Before awarding the boring contract, the Firm shall first obtain the approval of the successful bidder by the Commissioner.
- 7. Determine and stake out in the field the locations and depths at which the borings shall be made, observe the work of the boring contractor and the soils testing agency, analyze the information from these operations, and prepare a report thereon.

### H. INTENTIONALLY BLANK

### I. Coordination with Public and Private Utilities

1. Contact all public utility agencies and private utility companies known to have installations in the construction area to determine the locations and sizes of all existing subsurface installations, and to determine the scope of any future plans being considered in the area of the work. This data shall be further supplemented with data obtained by field reconnaissance.

2. Perform the necessary liaison work associated with relocation of utilities. However, the Firm shall not be required to design such relocation work, except where such installations are owned by municipalities or special districts. In the latter cases, the relocation shall be considered part of the design and the cost thereof shall be included in the Firm's estimate of construction cost. In either case, the Firm will be required to show on contract drawings existing, proposed, and/or relocated utilities.

### J. Final Detailed Drawings and Specifications

Based upon written approval of the preliminary plans by the Commissioner, the Firm shall:

1. Prepare detailed contract plans at a scale of 1"=20' on 21" x 31-1/2" (border to border) standard size sheets and

supporting data for each construction contract of the project in accordance with the current practice of the Nassau County Department of Public Works which originals shall be submitted by the Firm. Said data shall be furnished to the County in a digital format as prescribed in the latest version of the NCGIS Geographic Data Standards, or in a mutually agreeable format. Changes to this scale require prior County approval.

2. Prepare drawings, which shall include all plans, profiles, typical sections, structural details and detailed designs necessary to construct the project, and showing existing grades and proposed profile grades at least at every 50-foot station. Plans shall be prepared with the profile on the top half of the sheet and the plan view on the bottom half, and shall include all information for the particular station interval shown on the plan. Separate sheets for drainage, utility or contours will not be acceptable unless otherwise approved. The detailed design shall address the impact on every adjacent property. If applicable, the soil boring log sheet information shall be incorporated into the Design Plans.

3. Prepare detailed design drawings of each structure and its component parts and consisting of all plans, elevations, sections, and other drawings necessary for construction purposes.

4. Develop and tabulate an estimate of all items necessary to complete the work as shown on the construction plans with their corresponding estimated neat (before rounding) quantities.

5. Prepare a final estimate of construction costs based on current prices for neat quantities.

6. Furnish all special specifications and addenda notes required to construct the project in addition to the standard specifications of the Nassau County Department of Public Works as contained in a book entitled "2009 Standard Specifications and Detail Sheets for Civil Engineering and Site Development" plus current amendments or new versions to same.

7. Develop and submit cross-sections for project work, prepared on a 10 x 10 grid cross-section paper, using a vertical scale of  $1^{"=2'}$  and a horizontal scale of  $1^{"=5'}$ . Areas of excavation and fill by classification shall be shown on these sheets. Such cross-sections, although required by the County, shall not be considered to be part of the contract plans. The cross-sections shall be delivered to the County, along with the contract plans, for the County's information and use.

8. The Firm will provide the County with ten (10) printed copies and one electronic version of the Final Design Plans and three (3) copies of the Construction Cost Estimate for review and comment. Nassau County will be given a minimum of two (2) weeks review time and, upon completion, will provide N&P with written comments. N&P will incorporate the resolution of comments into the Final Design Plans.

#### Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix J are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions.

In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist. For procurement with CDBG-DR funds, subrecipients shall not enter into any agreements with any agency or individual to assist in effectuating the activities of the subrecipient agreement without the written consent of GOSR prior to the execution of such agreement.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works. For procurement with CDBG-DR funds, subrecipients shall not enter into any agreements with any agency or individual to assist in effectuating the activities of the subrecipient agreement without the written consent of GOSR prior to the execution of such agreement.

(h) \_\_\_\_

(i) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(j) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(k) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(I) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix J, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(m) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix J or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(n) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation. For procurement with CDBG-DR funds, subrecipients shall not enter into any agreements with any agency or individual to assist in effectuating the activities of the subrecipient agreement without the written consent of GOSR prior to the execution of such agreement.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract. For procurement with CDBG-DR funds, subrecipients shall not enter into any agreements with any agency or individual to assist in effectuating the activities of the subrecipient agreement without the written consent of GOSR prior to the execution of such agreement.

### Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers. (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the Subrecipient for damages sustained by the Subrecipient by virtue of any breach of the contract by the Contractor, and the Subrecipient may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the Subrecipient from the Contractor is determined.

12. <u>TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000).</u> The Subrecipient may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the Subrecipient as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

13. <u>LOBBYING (Applicable to contracts exceeding \$100,000)</u>. The Contractor certifies, to the best of his or her knowledge and belief, that:

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The Contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

14. <u>BONDING REQUIREMENTS (Applicable to construction and facility improvement</u> <u>contracts exceeding \$100,000)</u>. The Contractor shall comply with New York State bonding requirements, unless they have not been approved by HUD, in which case the Contractor shall comply with the following minimum bonding requirements:

- A. A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.
- B. A performance bond on the part of the Contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the Contractor's obligations under such contract.
- C. A payment bond on the part of the Contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

15. <u>ACCESS TO RECORDS.</u> The Subrecipient, GOSR, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have, at any time and from time to time during normal business hours, access to any work product, books, documents, papers, and records of the Contractor which are related to this contract, for the purpose of inspection, audits, examinations, and making excerpts, copies and transcriptions.

16. <u>MAINTENANCE/RETENTION OF RECORDS.</u> Contractor shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement (collectively, the "Records") (i) for three (3) years from the time of closeout of HUD's grant to the State or for the period provided in the CDBG regulations at 24 CFR 570.487 (or other applicable laws and program requirements) and 24 CFR 570.488, or (ii) for six (6) years after the closeout of a CDBG-DR funded project pursuant to 42 USC 12707(a)(4) and New York Civil Practice Law and Rules § 213, whichever may be longer, provided that Section 1 of the Required State Provisions herein is also satisfied.

#### **CIVIL RIGHTS AND DIVERSITY PROVISIONS**

17. <u>SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND</u> <u>LABOR SURPLUS AREA FIRMS.</u> The Contractor will comply with the small and minority firms, women's business enterprise, and labor surplus area requirements as set forth at 2 CFR Part 200. Contractor will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of the contract. As used in these Required Federal Provisions, the terms "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. § 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, AsianAmericans, and American Indians. Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

The Contractor will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include:

- A. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- B. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- C. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- D. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; and
- E. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

## 18. TITLES VI AND VIII OF THE CIVIL RIGHTS ACT OF 1964 AND EXECUTIVE

**ORDER 11063.** The Contractor shall comply with the provisions of Titles VI and VIII of the Civil Rights Act of 1964 and with Executive Order 11063. No person shall, on the grounds of race, color, religion, sex, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. No person shall, on the grounds of race, color, religion, sex, or national origin, be discriminated against in the sale, rental, or financing of dwellings. To the extent that any such sale, lease or other transfer of land shall occur, Contractor, in undertaking its obligation to carry out the Program assisted hereunder, will not itself so discriminate.

## 19. SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF

<u>1974.</u> The Contractor shall comply with the provisions of Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title. Section 109 further provides that discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, is prohibited.

## 20. <u>SECTION 504 OF THE REHABILITATION ACT OF 1973 AND THE</u> <u>AMERICANS WITH DISABILITIES ACT OF 1990.</u> The Contractor shall comply with

section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as amended, and any applicable regulations, and with the Americans with Disabilities Act of 1990 (42 U.S.C. § 126), as amended, and any applicable regulations

The Contractor agrees that no qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives federal financial assistance from HUD.

21. <u>AGE DISCRIMINATION ACT OF 1975.</u> The Contractor shall comply with the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), as amended, and any applicable regulations. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving federal financial assistance.

## 22. NONDISCRIMINATION.

The Contractor shall comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607. The applicable non-discrimination provisions in Section 109 of the Housing and Community Development Act of 1974 are still applicable. The Contractor shall comply with all other federal statutory and constitutional non-discrimination provisions. During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- B. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- C. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a

part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

- D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- F. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- G. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- H. The Contractor will include the portion of the sentence immediately preceding paragraph (A) and the provisions of paragraphs (A) through (H) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided*, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

With respect to construction contracts and subcontracts exceeding \$10,000, The Contractor shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967; Executive Order

11478 of August 8, 1969; Executive Order 12107 of December 28, 1978; Executive Order 12086 of October 5, 1978; and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). Subrecipient shall include the following Specifications, which are required pursuant to 41 CFR 60-4.3 in all federally assisted contracts and subcontracts. For the purposes of the Equal Opportunity Construction Contract Specifications and Clause below, the term "Construction Work" means the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

## Standard Federal Equal Employment Opportunity Construction Contract Specifications for Contracts and Subcontracts in Excess of \$10,000. (Federal Notice Required by 41 CFR 60-4.3)

1. As used in these specifications:

a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;

b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;

c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.

d. "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the contractor or any subcontractor at any tier, subcontracts a portion of the work involving any Construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this Agreement resulted.

3. If the contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or

through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each contractor or subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other contractors or subcontractor's toward a goal in an approved Plan does not excuse any covered contractor's or subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The contractor shall implement the specific affirmative action standards provided in paragraphs 7 a through p of these specifications. The goals set forth in the solicitation from which this Agreement resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the contractor should reasonably be able to achieve in each Construction trade in which it has employees in the covered area. Covered Construction contractors performing Construction Work in geographical areas where they do not have a Federal or federally assisted Construction contract shall apply the minority and female goals established for the geographical areas where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period, and the contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each

Construction project. The contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organization's responses.

c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where Construction Work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of Construction Work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h. Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with

other contractors and subcontractors with whom the contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

1. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female Construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisor's adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the Program are reflected in the contractor's minority and female work force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The obligation to comply, however, is the contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

11. The contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246 or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs.

12. The contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

14. The contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, Construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of

requirements for hiring of local or other areas residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

23. <u>CERTIFICATION OF NONSEGREGATED FACILITIES (Applicable to</u> <u>construction contracts exceeding \$10,000)</u>. The Contractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the nondiscrimination clause of this contract.

As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the nondiscrimination clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

24. <u>SECTION 503 OF THE REHABILITATION ACT OF 1973 (Applicable to contracts</u> <u>exceeding \$10,000)</u>. The Contractor shall comply with section 503 of the Rehabilitation Act of 1973 (29 U.S.C. § 793), as amended, and any applicable regulations.

- A. The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals with disabilities without discrimination based on their physical or mental disability in all employment practices, including the following:
  - 1. Recruitment, advertising, and job application procedures;
  - 2. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;
  - 3. Rates of pay or any other form of compensation and changes in compensation;
  - 4. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;
  - 5. Leaves of absence, sick leave, or any other leave;

- 6. Fringe benefits available by virtue of employment, whether or not administered by the Contractor;
- 7. Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;
- 8. Activities sponsored by the Contractor including social or recreational programs; and
- 9. Any other term, condition, or privilege of employment.
- B. The Contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
- C. In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
- D. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
- E. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
- F. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

## 25. <u>SECTION 3 OF THE HOUSING AND URBAN DEVELOPMENT ACT OF 1968</u> (Applicable to contracts exceeding \$100,000 in value for housing construction, rehabilitation, or other public construction).

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, the availability of apprenticeship and training positions, the qualifications for each, the name and location of the person(s) taking applications for each of the positions, and the anticipated date the work shall begin.
- D. The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. If the Contractor is not engaged in providing professional services under this Agreement, this professional errors and omissions coverage is not required.
- d. <u>Worker's Compensation</u>. Covering workers' compensation and employers' liability and disability benefits as required by the State of New York.

Subcontractors under this Agreement shall be required to maintain insurance meeting all of the requirements set forth in Section A above for items a-d; however Contractor shall require subcontractors to maintain greater limits and/or other or additional insurance coverages if greater limits and/or other or additional insurance coverages are (a) generally imposed by the Contractor given its normal course of business for subcontracts for similar work or services to those being provided by the subcontractor at issue; or (b) reasonable and customary in the industry for similar work or services to those anticipated hereunder.
- E. If the above insurance requirements are potentially excessive because they exceed the type and/or amount of insurance which is reasonable and customary for similar work or services in the same general geographic area, Contractor shall, within fifteen (15) calendar days of the execution of this Agreement, provide written notice of the same to GOSR, along with a written summary of the type and amount of insurance Contractor believes is reasonable and customary for similar work or services in the same general geographic area. However, notwithstanding anything to the contrary herein, nothing in this paragraph requires or shall be deemed to require GOSR to waive, decrease, alter or amend, in whole or in part, any insurance requirements as a result of the foregoing notice from Contractor or for any other reason, and no waiver, decrease, alteration or amendment shall be made except as approved in advance and in writing by GOSR.
- F. If the above insurance requirements are potentially inadequate because they do not meet or exceed the type and/or amount of insurance which is reasonable and customary for similar work or services in the same general geographic area, Contractor shall, within fifteen (15) calendar days of the execution of this Agreement, provide written notice of the same to GOSR, along with a written summary of the type and amount of insurance Contractor believes is reasonable and customary for similar work or services in the same general geographic area. GOSR may, in GOSR's sole and exclusive discretion, but is under no obligation to increase, supplement, expand, or otherwise alter or amend the insurance requirements in light of this notice. However, notwithstanding anything to the contrary herein, nothing in this paragraph requires or shall be deemed to require GOSR to increase, supplement, expand, or otherwise alter or in part, any insurance requirements as a result of the foregoing notice from Contractor or for any other reason, and no increase, supplement, expansion or other alteration or amendment shall be made except in an amendment to this Agreement, as approved in advance and in writing by GOSR.

## **PART IV: REPORTING**

**Elation Systems, Inc.** is a provider of cloud-based diversity and labor compliance reporting and management services. The Governor's Office of Storm Recovery (GOSR) has adopted this webbased compliance management system to help all of its Contractors, Subrecipients, and Subrecipient's Contractors receiving federal funds to adhere to Labor Compliance (Davis-Bacon), Minority and Women Owned Business (MWBE) and Section 3 reporting requirements.

Contractors, Subrecipients, and Subrecipient's Contractors must comply with instructions from GOSR on how and when to meet all reporting requirements, and how to utilize Elation to satisfy those requirements.

To this end, all Contractors, Subrecipients, and Subrecipient's Contractors must register with Elation Systems and attend an online training on the use of this tool. GOSR offers a series of virtual training events. GOSR requires all parties receiving federal funds through GOSR programs to use the Elation Systems application to make reporting requirements easier, faster and simpler to complete.

Prior to participating in training, it is necessary to create an Elation account. An account may be created at <u>https://www.elationsys.com/app/Registration/</u>.

Questions related to reporting requirements should be directed to GOSR's Monitoring and Compliance team at <u>stormrecovery.dl.gosr-monitoring&compliance@stormrecovery.ny.gov</u>.

- G. To ensure that all appropriate project area business concerns are notified of pending subcontractual opportunities.

| SUBJECT: | Selection Committee Recommendation<br>Bay Park and Inc. Village of East Rockaway Drainage Improvements-Design Services,<br>RFP# PW-S82017-02D |

#### INTRODUCTION

The Bay Park and Village of East Rockaway Drainage Improvements project is made possible by a grant from the Housing Trust Fund Corporation (HTFC) operating through the Governor's Office of Storm Recovery (GOSR), which is funded through a Community Development Block Grant – Disaster Recovery (CDBG-DR from the U.S. Department of Housing and Urban Development [HUD]).

In June, 2017, the County oversaw the completion of a comprehensive drainage study for the Hamlet of Bay Park and the Village of East Rockaway, and progressed certain recommendations to preliminary thirty-percent (30%) design, pursuant to a contract with Nelson & Pope as part of the above-mentioned GOSR initiative. The solicitation described in this memorandum pertains to the advancement of the preliminary design through to final design along with the preparation of construction bid documents.

On June 26, 2017, the Nassau County Department of Public Works (DPW) issued a Request for Proposals (the "RFP"), the purpose of which was to receive proposals from professional engineering consulting firms to advance existing 30% design plans to final, 100% completion, in the form of design plans, specifications, cost estimates and bidding documentation for various check-valve and stormwater treatment devices, and drainage improvements to Lawson Avenue. The anticipated contract resulting from this solicitation is foreseen to be solely finded by CDBG-DR funds and the contracted firm(s) are responsible for making best efforts to meet the HTFC goal of 30% for Minority and Women Business Enterprises ("M/WBE") participation, fifteen-percent (15%) for Minority Business Enterprises ("WBE") participation.

Notice of the RFP was published in Newsday and The New York State Contract Reporter, and was made available on the County's eProcurement webpage on June 26, 2017. A non-mandatory pre-proposal conference and networking session was hosted by the County on June 29, 2017. Addendum #1 to the RFP was issued on June 28, 2017, and Addendum 2 was issued on July 5, 2017. On July 26, 2017, proposals from three (3) entities were received. A list of proposals, in alphabetical order of the prime consultant, is provided below:

- 1) LiRo Engineers, Inc. (LIRO)
- 2) L.K. McLean Associates, P.C. (LKMA)
- 3) Nelson & Pope Engineers & Surveyors (N&P)

An RFP evaluation and selection committee (the "Committee") was formed and was comprised of the following personnel from DPW:

- \* Kenneth G. Arnold, P.E., Assistant to Commissioner
- Sean Sallie, AICP, Planning Division Supervisor
- William Bottenhofer, P.E., Civil Engineer III

#### SELECTION COMMITTEE REVIEW PROCESS

The Committee was provided hard copies of the technical proposals and score sheet template on August 14, 2017. A meeting was held on August 28, 2017 to discuss and rank the technical proposals. The Committee tabulated the individual scores to establish a combined technical proposal score and ordinal rank (1 representing the highest scoring technical proposal; 3 representing the lowest scoring technical proposal) [see Table 1]. After tabulating the combined technical proposals based on the cost per technical score point. A summary of the cost proposals is provided in Table 1.

 Proposal Scoring and Ranking Matrix

(\*) Cost evaluation method recommended in the 2004 Nassau County Procurement Policy/Procedure County Wide Policy# CE-01[Section III. Request for Proposals].

The Committee found that N&P's proposal fully achieves the County and GOSR's M/WBE utilization goals [see Table 2] and provided the most comprehensive and responsive proposal. N&P demonstrated depth of experience and understanding of the area's existing drainage infrastructure and proposed improvements, as the firm prepared the antecedent drainage study and preliminary designs (under a separate contract with the County). The Committee concluded that the N&P proposal has the greatest likelihood of leading to the successful completion of design documents for the installation of eighteen (18) check valves throughout the Bay Park and East Rockaway communities, and drainage infrastructure improvements to Lawson Avenue. Furthermore, N&P is thoroughly knowledgeable and sensitive to the reporting and administrative requirements of the CDBG-DR program.

#### **CONSISTENCY WITH COUNTY PROCUREMENT POLICY**

As mentioned above, the Department of Public Works formed a three (3) member Committee made up of qualified and credentialed staff. Technical proposals were scored and ranked based on the evaluation criteria included in the RFP and a highest-ranked technical proposal was identified. After the technical proposals were scored and ranked, the Committee opened and reviewed the cost proposal from all three (3) respondents. The cost proposals were compared in terms of *cost per technical evaluation point*. Cost proposals were then ranked from the lowest to highest *cost per technical evaluation point*. N&P received the highest technical score and proposed the lowest cost (and accordingly, the lowest *cost per technical evaluation point*) The Selection Committee concluded that the N&P cost proposal is reasonable and will provide the greatest value to the County.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tiler covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

14. <u>Work Performance Liability</u>. #### Appendix EE

#### Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law.No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so

that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public. Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(I) The Contractor shall be bound by the provisions of Section 109 of Local Law. No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such

modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR"),

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Dear Sir or Madam:

The Tax Law exempts New York State governmental entities such as your organization, Vocational Education and Extension Board, from the payment of New York State and local sales and use taxes on their purchases. In order to make tax exempt purchases, a New York State governmental entity must present vendors with the entity's official purchase order or other documentation (e.g., payment voucher, contract of sale, Form AC 946, *Tax Exemption Certificate*, Form ST-129, *Exemption Certificate - Tax on occupancy of hotel rooms*, etc.) which indicates that the purchaser is a New York State governmental entity.

Tax exemption numbers and Form ST-119.1, Exempt Organization Exempt Purchase Certificate, are not issued to New York State governmental entities. If a vendor requests a tax exemption number or Form ST-119.1, Exempt Organization Exempt Purchase Certificate from you, the Vocational Education and Extension Board may give the vendor a copy of this letter. This will assure the vendor that a governmental purchase order, or other evidence that the Vocational Education and Extension Board is the purchaser, and is the only documentation the vendor needs in order to not collect sales tax.

For additional information, please refer to Publication 843, A Guide to Sales Tax in New York State for Exempt Örganizations, which is available on the New York State Tax Department website at www.tax.ny.gov

### Inter-Departmental Memo

To: Robert Cleary

From: ACFM John Priest

**Date:** 04/04/2018

Subject: CQFC18000001 - VEEB

Dear Mr. Cleary,

Regarding CQFC18000001 for VEEB,

The contract has a start date of January 1<sup>st</sup>, which has always been problematic for us, because we can never start the process until such time as the current year budget numbers are loaded into FAMIS, which is usually sometime in the first business week of the new year. So we start in a "small hole" to begin with.

This year however was a bit strange, the administrative staff of VEEB usually delivers the document to us very promptly in the first week of January, and this year it was only delivered to us on January 27<sup>th</sup>. Our Clerk spent the entire day and got it all entered into the system on 1/28/18. However, on 1/31 I discovered that VEEB had listed last year's budget amount and rejected the document so the contract amount could be rectified. The document was re-entered and approved on our level on 1/31/18.

At this time the document remained at the OMB level awaiting approval, and remained there 22 days. However, during this time the VEEB Board was negotiating wording changes with the CE Administration to attempt to restore funding levels. Which contributed to the 22-day delay.

Next there was a change needed to the ECRS, and that was settled on March 9th.

Unfortunately, there was then a problem with the ECRS, on 3/26 the ECRS was updated with a request to add information to the Business History Form Question #16. All Emails from the ECRS are supposed to go to Chief Tusa **and** to his 2 assistant Chiefs, in this case the email from ECRS went only to Chief Tusa, who was on vacation, immediately upon his return, Chief Tusa acted on the email and we contacted VEEB with the request. Ms. Mary Tyler from VEEB Administration gave us the information needed and that occurred on 4/2. I have been informed that the document was updated and completed yesterday 4/3 but that put the document in too late for the April Legislative Calendar and that is why we were told it would be May.

I hope that this gives a clear picture of the events leading up to the document being in the system for the past 2 months and the efforts that were put forth to get it approved.

| 6   | item on the agenda, clerk item 135-18. It's    |
| 7   | an ordinance to authorize the county executive |
| 8   | to execute an amendment to the contract with   |
| 9   | Transdev Services for the management,          |

| 14  | Birnbaum. The item is before us. Is there      |
| 15  | someone from the administration on behalf of   |
| 16  | the matter?                                    |
| 17  | MS. ROTHSCHILD: Good afternoon.                |
| 18  | Ken Arnold is here. He will be speaking on     |
| 19  | behalf of this item. I believe he is in the    |

| 21  | LEGISLATOR MCKEVITT: We'll wait.               |
| 22  | MS. PERSAUD: Sharon Persaud,                   |
| 23  | Department of Public Works. This item is an    |
| 24  | amendment to Transdev operating and management |
| 25  | agreement with the county. It represents the   |

1 04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT 2 year 2017 operating budget that has been 3 approved, as well as an adjustment to the 4 remaining years on the contract to better 5 reflect the operating amount each year. б LEGISLATOR MCKEVITT: Just a 7 couple of questions to begin. Going back to 8 2017, the original, I think it was 9 approximately \$116 million. I can see already 10 that we've already allocated \$120 million for 2017. They will be increasing that to \$124 11 12 million. Would that be correct? 13 MS. PERSAUD: Yes. 14 LEGISLATOR MCKEVITT: As far as 15 the funding for the additional \$4 million, how 16 is that breaking down? 17 A lot of it came MS. PERSAUD: 18 from the New York State Department of 19 Transportation, and I believe maybe \$4 million 20 from the administration, from the county 21 system. 22 LEGISLATOR MCKEVITT: Just 23 looking at some of the backup on the material 24 and it appeared that, at least from the way 25 I'm reading it, is that approximately \$1.4

04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT 1 2 million from the state and \$1.5 million from 3 the county. Is that number correct or am I 4 reading this wrong? 5 You do have \$1.5 MS. PERSAUD: б million from the county, yes, but we also 7 count in the county's match against the 8 receipt of state funding. 9 LEGISLATOR MCKEVITT: As far as 10 state funding, has that been a continued 11 regular amount or as per the state budget 12 process is that being increased to some 13 extent? 14 MS. PERSAUD: It is per the state 15 budget process, but so far we have been 16 receiving an increase of about two percent 17 each year. 18 LEGISLATOR MCKEVITT: The one 19 thing I just obviously concerned is that for 20 2017 it goes up to \$124 million. But by the 21 time we get to 2021 we're talking the initial 22 allocated amount of \$97 million up to \$144 23 Talking a very significant increase million. 24 in several years here. 25 MS. PERSAUD: That's why it needs

Regal Reporting Service 516-747-7353

1 04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT 2 to be adjusted because that was on the 3 original contract and it represented nine 4 months of service instead of 12 months. And 5 the amounts we have been operating for to date б are nowhere near those numbers. It's not 7 realistic anymore. 8 LEGISLATOR MCKEVITT: Just 9 because we're on the contract regarding the 10 busing system is this contemplating any change 11 to the routes whether it's additional routes, 12 reduction of routes or are we unable to tell 13 that at this point? 14 MS. PERSAUD: We had a 15 significant reduction in 2017. That's what 16 that amount reflects, that \$124 million. But 17 if the state gives us more funding they want 18 to see routes returned. 19 LEGISLATOR MCKEVITT: Is there 20 any promise that we will get more funding from 21 the state? 22 MS. PERSAUD: No promises at this 23 time. 24 LEGISLATOR MCKEVITT: Any other 25 questions from my colleagues? Legislator

 Bynoe.

3 LEGISLATOR BYNOE: Thank you
4 Chair. Good afternoon Sharon. Why did we
5 have the year 2020 -- actually I guess figured
6 out on a nine-month basis as opposed to an
7 annual basis for one year?

8 When we started out MS. PERSAUD: 9 in 2012 we did the budget based on the state 10 fiscal year, which is April to March. It was 11 not working out with regard to federal year on 12 a county financial system. So sometime I 13 believe in 2013 or 2014 we had a change to 14 reflect the calendar year. So the nine months 15 referenced in the original contract is no 16 longer valid.

17 LEGISLATOR BYNOE: I'm still 18 trying to figure out why we would have done it 19 on a nine-month basis as opposed to a one-year 20 basis even though we were trying to fit it in 21 to their fiscal year. I still don't 22 understand. 23 MS. PERSAUD: The fiscal year for

24 2021 based on when they initially started and 25 using a count of state calendar year, which is

Regal Reporting Service 516-747-7353

04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT
 April to March, in 2021 you would have only
 been utilizing a state calendar of nine
 months.

5 LEGISLATOR BYNOE: Even from year б to year some of these increases seem kind of 7 steep to me as well. I share the chairman's 8 sentiments. I'm going to have to spend a 9 little more time looking at the backup on 10 this, and I may have some follow-up questions 11 that would serve I think me and maybe the body 12 a little bit better if we did it offline and 13 have them answered during full leg. Is that 14 okay?

15 MS. PERSAUD: Sure.

16 LEGISLATOR BYNOE: Thank you. I 17 appreciate that.

18 LEGISLATOR MCKEVITT: Legislature19 Birnbaum.

LEGISLATOR BIRNBAUM: I see that it's going up each year of course. But why in the year ten is it such a large increase? It does seem larger than the other years. Is that on the nine month basis as well? MS. PERSAUD: No. It should be

1 04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT 2 on an annual calendar year. 3 LEGISLATOR BYNOE: That was the 4 year I was also referring to. 5 MS. PERSAUD: Year ten is on a б nine-month basis. Sorry. 7 LEGISLATOR BIRNBAUM: I didn't 8 know which year you were on. 9 LEGISLATOR MCKEVITT: Any further 10 questions from the members of the committee? 11 Any public comment? 12 MS. MEREDAY: First of all, I'm 13 happy to see that there is something under 14 this item, I mean under this committee, 15 because too often, and it seems there's a pattern that's continuing you have these other 16 17 committees that get established in the beginning of the year but there are no items 18 19 on there. That concerns me. Particularly 20 when we're talking about minority affairs, 21 veterans services, things of that nature. 22 This being a transportation item 23 I'm hoping that we can fill it a little more 24 with economic and community development. But 25 transportation is key and it's a sore point on

1 04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT 2 Long Island. So, I am hopeful that we can 3 look at the relationship with Transdev and 4 start working a lot better, a lot smarter in 5 terms of addressing the lack of mobility for б our residents. Because that's one of the 7 issues that we are facing in terms of 8 providing support services or making sure that 9 the least and the underserved are getting what 10 they need.

11 Again, I appreciate the diligence 12 in looking over the numbers et cetera. But I 13 think we need to also broaden that. Because 14 we're not smart mobily for all of the insight 15 that people look to this region we are very 16 much behind the times. Our roads are in 17 terrible shape. The lack of access and 18 resources and interconnectivity with our 19 transportation makes it very difficult for our 20 residents to get around, for our young people 21 to get to jobs and things of that nature. 22 Again, I'm hoping that this body 23 will be a little bit more progressive, a 24 little bit more inclusive and think a little 25 bit more outside the box. Because the pockets

1 04-04-18 - ECONOMIC AND COMMUNITY DEVELOPMENT 2 are getting really empty with residents. Ιf 3 we don't start changing the pattern now we're 4 just going to continue to duplicate the same 5 efforts. We can't keep taxing people and б increasing fees and surcharges and think 7 that's the way you do effective government and community service. 8 I wanted to make that 9 point, and I think the vigilance with regard 10 to how the money is spent that's admirable but 11 we need to think a little more outside the 12 box. Thank you. 13 LEGISLATOR MCKEVITT: Any other 14 public comment? If there is none, then all in 15 favor of passing this item signify by saying 16 aye. All against? The item passes 17 unanimously. 18 May I have a motion to adjourn. 19 Moved by Legislator Ferretti. Seconded by 20 Legislator Mule. All in favor? All against? 21 The committee is adjourned. 22 (TIME NOTED: 2:54 P.M.) 23 24 25

Two 7 items I spoke about already in Public Safety. 8 100-18 is a supplemental appropriation from 9 New York State directly for \$148,789. This is 10 a no-match grant. No in-kind. We get the 11 award. That's it. There's nothing we have to 12 do except fulfill our grant obligations. Do 13 you want me to go further? 14 LEGISLATOR KOPEL: Go on. 15 This is for our MR. DELANEY: 16 Public Safety Answering Point Grant. It's 17 going to provide a backup dispatch system for the fire marshal's office. We have been 18 19 building this out for the past couple of 20 years. We probably have one more grant cycle 21 before it's completed and it will become their 22 primarily dispatch at that time. 23 LEGISLATOR KOPEL: By the way, 24 stick around. Maybe we will call your other 25 item right away after this. Legislators any

Again emergency management. 11 And we have a motion by Legislature 12 Muscarella. Seconded by Legislator Birnbaum. 13 Yes, sir. 14 MR. DELANEY: This is a 15 supplemental appropriation for \$899,859. 16 Again from New York State. There is no match 17 or in-kind required for this grant. We are using this funding to continue the build out 18 19 of our 700 megahertz public safety law 20 enforcement or communication system. 21 Specifically what we're doing is we're 22 rebuilding the core of the system so that even 23 if we don't migrate as quickly as we thought 24 we might have from 500 to 700 we are still 25 making viable investments.

1 Finance 4-09-18 2 ordinance supplemental to the appropriations 3 ordinance in connection with the Health 4 Department as well. 5 Motion by Legislator Mule. б Seconded by Legislator Muscarella. Now you're 7 up. 8 MS. LAURAIN: 109-18 is a 9 supplemental appropriation in the amount of 10 \$418,578. This is for the tuberculosis Public 11 Health Campaign Grant. It's funded by New 12 York State Department of Health and it's 13 mission is to stop the spread of tuberculosis 14 in the county. 15 And funding? LEGISLATOR KOPEL: 16 MS. LAURAIN: New York State 17 Department of Health. LEGISLATOR KOPEL: Fully funded? 18 19 MS. LAURATN: Correct. 20 LEGISLATOR KOPEL: Do we have 21 much tuberculosis here? 22 MS. LAURAIN: We have about 40 23 active cases a year. It pretty much stays 24 that way. We require all of our cases to be 25 on directly observed therapy, which makes a

1 Finance 4-09-18 2 big difference. We actually observe the 3 person taking their medication so that they 4 are compliant. 5 Any legislators have MR. KOPEL: б any questions? Yes, sir. Come on up. 7 MR. BUDNICK: John Budnick, 122 Von Huenfeld Street, Massapequa Park. 8 9 I want to inquire, is the Health 10 Department testing all of the inmates who come 11 in to the Nassau County Correctional Center, 12 whether they are there for federal, state or 13 other charges or similarly committed there 14 perhaps by the family court, are they testing 15 each and all of them with regard to 16 tuberculosis? 17 LEGISLATOR KOPEL: Good 18 question. Ms. Laurain, can you respond to 19 that please? 20 MS. LAURAIN: It's my 21 understanding that the correctional center 22 does a physical on intake. Any medical 23 provider, health care provider that has a 24 person testing positive for tuberculosis must 25 report it to the Department of Health. Then

Regal Reporting Service 516-747-7353

1 Finance 4-09-18 2 what we do is we do a complete investigation 3 to see where the person spent their time, 4 whether there are contacts involved and then 5 do expand our testing to those that may have б had contact. 7 LEGISLATOR KOPEL: Thank you. 8 Since Legislator Muscarella didn't like my use 9 of the word audience, any other questions from 10 our fans? 11 MS. ROSE: Stacy Rose, Freeport. 12 The question again is, do you also test for, 13 is there a test for HIV, AIDS in the incoming 14 Nassau County Correctional Facility? 15 MS. LAURAIN: The correctional 16 center is here and maybe they want to comment 17 on that. Again, the same as tuberculosis. 18 Anybody who has a positive test for disease 19 that's transmissible we, again, would be 20 notified per the law and then do our contact 21 investigation. 22 MR. GOLIO: Michael Golio from 23 the sheriff's department. Just to respond to 24 that one question. The HIV test is offered to 25 all inmates upon admission. It's a consent

The item passes unanimously. 9 Our next item is -- as I said, we 10 are not calling the bond ordinances today. 11 132 of '18 which supplemental to the annual 12 appropriations in connection with the Office 13 of Housing and Community Development. 14 Motion by Legislator Schaefer. 15 Seconded by Legislator Drucker. 16 Good afternoon. MS. PETTUS: 17 Kennetha Pettus Director of Housing. The Office of Housing serves the low and moderate 18 19 income families and individuals of the 20 county. We have 28 fully grant-funded 21 employees. We have over 2600 vouchers which 22 is for Section 8, for very low income families 23 for subsidy which we serve over 3300 dependent 24 senior citizens and disabled households. Our 25 agency is 100 percent grant funded. A

Item passes unanimously. 12 133 is an ordinance supplemental to 13 appropriations in connection with the Health 14 Department. 15 MS. LAURAIN: Mary Ellen Laurain, 16 Department of Health. 133-18 is a 17 supplemental appropriation --18 LEGISLATOR KOPEL: Forgive me I 19 didn't ask for a motion. Legislator McKevitt 20 makes a motion. Seconded by Legislator 21 Birnbaum. Now you're up. 22 MS. LAURAIN: 133-18 is a 23 supplemental appropriation it's in the amount 24 of \$20,360. It's for the rabies program. 25 It's funded through New York State Department

1 Finance 4-09-18 2 of Health and its mission is to prevent the 3 spread of rabies in Nassau County. 4 LEGISLATOR KOPEL: Any 5 questions? Any public comment? Legislator б Birnbaum. 7 LEGISLATOR BIRNBAUM: Is it the 8 same program that you've done in past years, 9 Pellets for Rabid Raccoons? 10 MS. LAURAIN: We generally do 11 that in targeted areas within the county in 12 conjunction with the Department of 13 Environmental Conservation to prevent. If we 14 do get a positive raccoon, which we haven't 15 had since I think 2007, so the program has 16 been highly successful. We also do joint 17 programs with the towns to vaccinate dogs, 18 cats and ferrets. We are doing one in May, I 19 think May 5th, with the Town of North 20 Hempstead in which we vaccinate free of 21 charge. 22 LEGISLATOR BIRNBAUM: Am I to 23 understand until you have a positive test --24 MS. LAURAIN: No. No. What I'm 25 saying is the program has been successful

So I don't have 7 that announcement yet whether the Department 8 of Agriculture and DEC. We do it with Cornell 9 University. I'm not sure what they're seeing 10 out there. We did it in the southwest part of 11 the county last fall because of raccoons being 12 found along the Oueens border. So we wanted 13 to prevent the spread into our county. 14 LEGISLATOR KOPEL: Legislator 15 Schaefer. 16 LEGISLATOR SCHAEFER: Is the 17 incident of rabies every year sort of just a 18 random -- like you don't know if it's going to 19 happen? How much effort is put into 20 identifying whether or not there's going to be 21 a lot of cases year to year? 22 MR. LAURAIN: We do pick up dead 23 animals and do submit them for testing to the 24 state. 25 LEGISLATOR SCHAEFER: Where do

Any public comment? 9 All those in favor? Any opposed? I'm sorry. 10 Forgive me. Legislator Drucker. 11 LEGISLATOR DRUCKER: How are 12 you? Could you tell us what we're going to be 13 getting for this additional \$4.3 million? Are 14 we going to get reinstatement of certain routes that have been discontinued or at least 15 16 some that have been pulled back on the 17 weekends? Is the public going to be getting 18 anything more that's discernible, that's 19 obvious, with this \$4.3 million? 20 MS. PERSAUD: Due to the 21 reduction we had in service last year, the 22 monies that we are going to get this year we 23 would be not able to sort of revive most of 24 those routes but we would be able to make some 25 service adjustments in those that are existing

1 Finance 4-09-18 2 You'd see some increase in service today. 3 hours. 4 LEGISLATOR DRUCKER: Last year 5 you were able to make do with what you had and б you cut back certain routes, right? 7 MS. PERSAUD: Yes. 8 LEGISLATOR DRUCKER: Now you will 9 have more money. Doesn't it stand to reason 10 you can reinstate some of the things you cut? 11 MS. PERSAUD: The amount of money 12 that we are getting to sustain the existing 13 service allows us to do just that. Otherwise 14 you would have to have had more service 15 reductions this year. 16 LEGISLATOR DRUCKER: But your 17 contract was carefully negotiated. We went over this last year. It factors in, there's a 18 19 certain margin for profit and capitalization 20 and we went over this. There's still some 21 profit margin that Transdev gets out of this 22 and yet we give you more money and I don't see 23 what we're getting. 24 MS. PERSAUD: We are able to 25 retain the existing service that we had from

1 Finance 4-09-18 2 2017. 3 LEGISLATOR DRUCKER: It's not so 4 consistent. It's been reduced. 5 MS. PERSAUD: It was reduced б based on the funding that we had to use. 7 LEGISLATOR DRUCKER: That's the 8 party line. I understand that. I would like 9 to see the residents hear some good news. 10 Like maybe with \$4.3 million we might get 11 another route that was discontinued or some 12 more frequent routes. 13 MS. PERSAUD: You would see some 14 frequencies in service. We are going to 15 increase some of the service hours. But in regard to returning some of those routes that 16 17 we cut you wouldn't be able to see that right 18 away. 19 LEGISLATOR DRUCKER: How about 20 one? Can you do one. 21 MS. PERSAUD: What I will tell 22 you is that this amendment is for the 2017 23 year, which is already done. That's the 24 reduction. For 2018 we would be able to 25 hopefully put in some new type of services.

So we are 9 working on making those adjustments now. 10 LEGISLATOR DRUCKER: Nothing 11 until June? 12 MS. PERSAUD: Our next service 13 started this month. April. Our current 8 turnaround time is about 58 days. The 9 national goal for these grants is to try and 10 get all labs to about 30 days turnaround time. 11 LEGISLATOR BIRNBAUM: Do you 12 think this will help speed up the timing? 13 MS. DOOLEY: Yeah. The grant has 14 always helped us. Over the years when we were 15 first here our turnaround time was over 100 16 days because we had just a few people in the lab. And right now it varies between I think 17 18 our lowest turnaround time was about 38 days 19 and right now we're at about 60. 20 LEGISLATOR BIRNBAUM: Thank you. 21 LEGISLATOR KOPEL: How many DNA 22 samples do you need to analyze every month? 23 MS. 1 Finance 4-09-18 2 hours. 3 LEGISLATOR KOPEL: 48 hours would 4 be an emergency situation? It doesn't take 5 that long to analyze something? 6 MS. DOOLEY: It does depending on 7 the type of extraction. There's the evidence 8 exam but then there are four main steps to the 9 process which is DNA extraction. Which 10 depending on the sample type that can take 11 anywhere from two hours to almost a full day. 12 If it's a sexual assault case that would take 13 a full day. We don't extract just one 14 sample. It would be multiple samples. 15 The next portion of the testing is 16 phonication. That takes about three hours. 17 Amplification takes another two and a half 18 hours. And running the instrumentation runs 19 three to four hours. Then there's analysis 20 and interpretation of results. 21 LEGISLATOR KOPEL: Thank you. 22 Anyone else? Public comment? All those in 23 favor? Any opposed? Item passes 24 unanimously.

PULITZER: Thank you. б Legislator Joshua Lafazan. LEGISLATOR LAFAZAN: 7 Here. 8 MR. PULITZER: Legislator Arnold 9 Drucker. 10 LEGISLATOR DRUCKER: Here. 11 MR. PULITZER: Ranking member 12 Delia DeRiggi-Whitton. 13 LEGISLATOR DERIGGI-WHITTON: 14 Here. 15 MR. PULITZER: Legislator C. 16 William Gaylor III. 17 LEGISLATOR GAYLOR: Present. 18 MR. PULITZER: Legislator Laura 19 Schaefer. 20 LEGISLATOR SCHAEFER: Here. 21 MR. PULITZER: Filling in for 22 Rose Walker would be Vincent Muscarella. 23 LEGISLATOR MUSCARELLA: Here. 24 MR. PULITZER: And the temporary 25 chair would be vice chairman James Kennedy.

1 Health and Social Services - 4-9-18 2 LEGISLATOR KENNEDY: I'm here. 3 Thank you. MR. PULITZER: 4 MR. KENNEDY: We have a quorum. 5 We have five items on the agenda. б Clerk item numbers 108-18, 109-18, 133-18 7 142-18 and 143-18 are all ordinances 8 supplemental to the annual appropriations in 9 connection with the Health Department. 10 May I have a motion for these 11 items. Moved by Legislator Schaefer. 12 Seconded by Legislator Drucker. These items 13 are before us. Who is here to speak on these 14 items? 15 MS. LAURAIN: Mary Ellen Laurain, 16 Department of Health. 17 Item 108-18 is a supplemental 18 appropriation in the amount of \$145,955. This 19 is for the Drinking Water Enhancement Program 20 and it is funded through the New York State Department of Health. The program ensures 21 22 that the 46 water districts in Nassau County 23 comply to part five of the New York State 24 Sanitary Code. 25 MR. KENNEDY: Any debate or

1 Health and Social Services - 4-9-18

<sup>2</sup> discussion? Legislator.

3 LEGISLATOR DERIGGI-WHITTON: Нi. 4 How are you? We've all been very concerned 5 about this as far as things such as the Queens б well issue. Do you know if there's any effort 7 to have that acknowledged through this 8 process? 9 MS. LAURAIN: That's under the 10 New York State Department of DEC. It's their 11 permit. I'm not sure where that stands at

12 this point.

13 LEGISLATOR DERIGGI-WHITTON: Are 14 we going to make any attempt through our 15 testing to show any data or anything that can 16 back up our hope to have it not go forward? 17 MS. LAURAIN: We do 250,000 18 analyses a year of all of our water 19 districts. And that's all submitted to the 20 state.

21 LEGISLATOR DERIGGI-WHITTON: Is 22 it submitted to other Nassau County agencies 23 like possibly LICAP or other?

MS. LAURAIN: Our director of
environmental health does sit on LICAP. I can

1 Health and Social Services - 4-9-18

2 certainly ask him.

LEGISLATOR DERIGGI-WHITTON: 3 We 4 really have to start sharing information and 5 being proactive with stuff. We have the б information. I think it's just not used 7 enough as far as we have a major issue coming 8 up with that, and I think possibly this type 9 of information could help. So, maybe you can 10 make an effort to share it with that agency 11 especially. 12 MS. LAURAIN: Certainly. 13 LEGISLATOR DRUCKER: To follow up 14 with Legislator DeRiggi-Whitton. Will the 15 information be shared with the local water 16 districts? We have so many different 17 independent water districts and it would be 18 very beneficial if each of them could share in 19 some of the information received from the 20 evaluations. 21 MS. LAURAIN: The water districts 22 are required to do their testing weekly and 23 they're also required to an annual report to

24 the constituents.

25

LEGISLATOR DRUCKER: Where do you

1 Health and Social Services - 4-9-18 2 foresee this data going? 3 The data that we MS. LAURAIN: 4 collect is submitted to the state. 5 LEGISLATOR DRUCKER: Just the б state. So you will be collaborating with the 7 state? 8 And the water MS. LAURATN: 9 districts have to make it accessible to their 10 constituents. 11 LEGISLATOR DRUCKER: But they 12 will be getting it state not from you, the 13 county? 14 MS. LAURAIN: No. They get it 15 from their supplier through their annual water 16 survey. 17 LEGISLATOR DRUCKER: But the data 18 that you will be getting from these 19 evaluations, this specific fund, you will 20 sharing that with the state DEP? 21 MS. LAURAIN: New York State 22 Department of Health. That's who our funding 23 is through. We collect 250,000 analyses. One 24 analyses could be for a hundred different 25 items. Chemicals or e-coli or something like

Health and Social Services - 4-9-18
 that.
 LEGISLATOR DRUCKER: So this is
 the information then that the individual water

5 districts receive at some point during the б course of the year that help them in what 7 they're doing for their individual supply? 8 MS. LAURAIN: No. This funds our 9 department to do our sampling and submit our 10 analyses to the state. 11 LEGISLATOR DRUCKER: How do the

12 districts get it?

MS. LAURAIN: The districts haveto do their own sampling.

LEGISLATOR DRUCKER: Again, it's like with Legislator DeRiggi-Whitton was saying. There seems to be walls of separation in terms of communication and sharing of information that leads to a lot of the problems we have.

MS. LAURAIN: The LICAP, which you suggested, all the different agencies do meet. I can certainly have our director of environmental health sit down with you and discuss exactly what they do. I don't sit on

1 Health and Social Services - 4-9-18

2 those meetings.

3 LEGISLATOR DRUCKER: We need to 4 do a better job of sharing the information. 5 MS. LAURAIN: There's a lot of б separation between what the local Department 7 of Health and what the DEC does. 8 LEGISLATOR DRUCKER: Local 9 Department of Health meaning? 10 MS. LAURAIN: The Nassau County 11 Department of Health. 12 LEGISLATOR DRUCKER: And what DEP 13 does. Right. 14 MS. LAURAIN: DEC. 15 LEGISLATOR DRUCKER: Т 16 understand. But again you're going to be 17 making evaluations. You're going to be 18 receiving data. You're reporting it to the 19 Department of Health from the state level and 20 then how does that filter down to the 21 individual district? I understand they have 22 to do their own testing but there's still an 23 overlap with the results perhaps. 24 MS. LAURAIN: All our analyses 25 are shared with the water districts. Our

1 Health and Social Services - 4-9-18 2 250,000 that we do a year is certainly 3 shared. They have to do their own. Ours is 4 really a surveillance program. The water 5 districts are required to do their own б sampling weekly, if not more than weekly. 7 LEGISLATOR DRUCKER: Т 8 I'm just talking about sharing of understand. 9 information. That's all I'm trying to get 10 to. I understand what you're going to be 11 doing. All I'm saying is there has to be a 12 better effort from all parties to share the 13 data, share the information. We're all 14 drinking from the same aquifer. Thank you. 15 LEGISLATOR KENNEDY: Thank you. 16 Legislator Schaefer and then Legislator 17 Gaylor. 18 LEGISLATOR SCHAEFER: Sounds to me like from the conversation and from what I know personally that a lot of it is going

LEGISLATOR SCHAEFER: Sounds to me like from the conversation and from what I know personally that a lot of it is going through the DEC. That the issues that we're dealing with the volatile, the organics and those compounds, that's all being dealt with at the state level with the contribution from the local and the county; is that correct?

1 Health and Social Services - 4-9-18 2 MS. LAURAIN: The DEC is 3 responsible for say Legislator 4 DeRiggi-Whitton's district with the freon 22. 5 Their responsibility is to determine where the б contamination is coming from. We often find 7 it through our regular analyses or the water 8 districts. So it could be somewhat 9 complicated as to who -- and we often do meet 10 together as agencies overlapping if you will. 11 LEGISLATOR SCHAEFER: I know 12 certainly at the RAB meetings they always have 13 the local water districts are there. The DEC 14 is there. Everybody is kind of on board 15 trying to get the same information. Ι 16 understand what you're saying. There's a lot 17 of different moving parts. 18 We usually have a MS. LAURAIN: 19 local representative if it's a DEC or state 20 Department of Health meeting just to be on the 21 same page and hear what they have to say and 22 assist in any way we can. 23 LEGISLATOR SCHAEFER: Thank you. 24 MR. KENNEDY: Thank you. 25 Legislator Gaylor.

1 Health and Social Services - 4-9-18 2 LEGISLATOR GAYLOR: I think I 3 heard you state in the back and forth with 4 Legislature Drucker that you do share the 5 results of your sampling with the individual б districts; is that correct? 7 MS. LAURAIN: Yes. 8 LEGISLATOR GAYLOR: If there's an 9 abnormal reading or high reading above a 10 certain standard that information will be 11 shared? E-coli or whatever it may be. 12 MS. LAURAIN: Immediately. We 13 would mandate that they resample. And in fact 14 If a district say had a we would resample. 15 positive hit for e-coli and it could be maybe 16 that the source was contaminated in the 17 process and it wasn't coming exactly from the 18 distribution, we would require them to 19 resample immediately, maybe provide extra 20 chlorination, whatever the situation would be, 21 and we also, the Department of Health, would 22 sample. 23 LEGISLATOR GAYLOR: You share 24 it --25 MS. LAURAIN: Absolutely.

1 Health and Social Services - 4-9-18 2 LEGISLATOR GAYLOR: I want to 3 clarify. You do share with the water 4 districts as well as providing or affording 5 that information to the state? б All of their MS. LAURAIN: 7 sampling they have to submit to us. Sorry if 8 I wasn't clear. 9 MR. KENNEDY: Thank you. 10 Legislator DeRiggi-Whitton. 11 LEGISLATOR DERIGGI-WHITTON: Is 12 there any test that you do that would in any 13 way monitor salt water intrusion? 14 MS. LAURAIN: I'm not sure of 15 I don't believe so but I would have to that. 16 check. 17 LEGISLATOR DERIGGI-WHITTON: То 18 do all this testing, I wonder if there is a 19 way to include -- sounds like it's a real 20 concern since you're doing all that testing 21 anyway that there was some way we could see if 22 the level of sodium or salt water goes up it 23 would maybe be the quickest way we would know 24 about salt water intrusion is your testing. 25 I would have to MS. LAURAIN:

1 Health and Social Services - 4-9-18 2 I'm happy to get back to you. check. I just 3 have to check with the water experts. I'm not 4 totally 100 percent on that. 5 LEGISLATOR DERIGGI-WHITTON: Т б think what Legislator Drucker was basically 7 saying is we do what 350 tests? 8 MS. LAURAIN: 250,000. That's 9 analyses. One analyses could be for many 10 different. That's what the Department of 11 Health does. The water districts do their own 12 as well. 13 LEGISLATOR DERIGGI-WHITTON: But 14 do we also cover the water districts in those 15 test or just do the public water areas? 16 The 46 public water MS. LAURAIN: 17 districts. LEGISLATOR DERIGGI-WHITTON: 18 We 19 don't go in the private water --20 MS. LAURAIN: You mean the 21 wells? I don't know what you're asking. 22 LEGISLATOR DERIGGI-WHITTON: The 23 private water districts are the only ones 24 responsible for testing that water or does the 25 county also test the private water district?

1 Health and Social Services - 4-9-18 2 MS. LAURAIN: I don't know of any private. I don't know what you're referring 3 4 to. 5 LEGISLATOR DERIGGI-WHITTON: The б private districts, the districts that test 7 their own water we just said, does the county 8 also ever test that same water? 9 MS. LAURAIN: You would have to 10 give me an example. 11 LEGISLATOR DERIGGI-WHITTON: Port 12 Washington has a private water district. Does 13 the county also check? 14 MS. LAURAIN: I would have to 15 check. 16 LEGISLATOR DERIGGI-WHITTON: T'm 17 trying to figure it out. It's not your responsibility. 18 19 MS. LAURATN: We ensure that the 20 water that goes into homes meets all local, 21 state and federal requirements for drinking 22 water standards. 23 LEGISLATOR DERIGGI-WHITTON: For 24 the entire county? Doesn't matter if it's 25 public or private water?

Health and Social Services - 4-9-18
 MS. LAURAIN: I'm not familiar
 with the private. I would have to look into

4 it. I'm not aware of that.

5 LEGISLATOR DRUCKER: T don't. б know. I think I quess you like Legislator 7 Gaylor better. You answered his question. I 8 thought I asked the exact same question but I 9 got a different answer than Legislator Gaylor 10 got. All I wanted to know is, do you share 11 with the individual water districts and you 12 told him you did and with me you kind of did a 13 little well, they have to do their own 14 testing.

MS. LAURAIN: I wasn't clear. We do the surveillance sampling. They do their testing. They have to submit it to us. I'm sorry if I wasn't clear.

19 LEGISLATOR DRUCKER: Maybe to 20 help myself at least and perhaps Legislator 21 DeRiggi-Whitton. Can you give us an example 22 of what public water are you testing? 23 MS. LAURAIN: The water that is 24 delivered to people's homes in Nassau County. 25 LEGISLATOR DRUCKER: But you said

1 Health and Social Services - 4-9-18 2 that -- Legislator DeRiggi-Whitton said Port 3 Washington has their own water district. 4 MS. LAURAIN: I'm not aware of 5 that. 6 LEGISLATOR DRUCKER: They are. 7 They have their own water district. 8 If it's a public MS. LAURAIN: 9 water district, the 46 that I'm aware of. I'm 10 not aware of private water districts. I would 11 really have to look into it further. 12 LEGISLATOR DRUCKER: Do you know 13 public water districts you can recite for us 14 now? 15 MS. LAURAIN: Western Nassau. Т 16 don't have them all with me. I don't have the 17 46 water districts. 18 LEGISLATOR DRUCKER: I just asked 19 for one or two or three? 20 Western Nassau. MS. LAURAIN: 21 LEGISLATOR DRUCKER: Where does 22 western Nassau cover? 23 You want to get over there? 24 Thank you. 25 LEGISLATOR KENNEDY: Thank you

1 Health and Social Services - 4-9-18 2 Legislator Drucker. Any other questions? Any 3 public comment? Move on to 109-18. 4 MS. LAURAIN: 109-18 is a 5 supplemental appropriation in the amount of б \$418,578. It's our tuberculosis public health 7 campaign. Again, this is funded through New 8 York State Department of Health and it is to 9 protect the public from the spread of 10 tuberculosis. 11 MR. KENNEDY: Any questions? Any 12 public comment? I will move on to 133-18. 13 MS. LAURAIN: Item 133-18 is 14 supplemental appropriation in the amount of 15 \$20,360. This is for our rabies program. 16 Again, it's funded through New York State 17 Department of Health and its objective is to 18 protect the public against rabies. 19 LEGISLATOR KENNEDY: Any 20 questions? Any public comment? Move on to 21 142-18. 22 MS. LAURAIN: Item 142-18 is a 23 supplemental appropriation in the amount of 24 \$155,000. This is for our HIV Expanded 25 Services Grant. It's funded through the New

1 Health and Social Services - 4-9-18 2 York State Department of Health, and it is to 3 facilitate residents who may be affected and 4 not receiving medical care. 5 MR. KENNEDY: Any questions on б this item? Any public comment? 7 Stacy Rose. MS. ROSE: I'm a Freeport resident. I am very concerned as 8 9 we're looking at our incarceration rates and correctional facilities. A lot of HIV is being spread to the general population from

10 11 12 our prison system. Are you seeing that? Do 13 we know what the rates are? And are we 14 looking at that through our public health 15 services?

16 The Department of MS. LAURAIN: 17 Health does reach out and we know those that may be infected and out of care. We are able 18 19 to reach out to them and try to assist in 20 getting them into care. Of course we work 21 with the correctional facility as well. They 22 are primarily under the care of the Nassau 23 University Medical Center though.

24 MR. KENNEDY: Thank you. On to 25 the last one item, 143-18.

1 Health and Social Services - 4-9-18 2 MS. LAURAIN: Item 143 is a 3 supplemental appropriation in the amount of 4 This is for our sexually transmitted \$75,000. 5 disease program. Again, it's funded through б the New York State Department of Health and 7 its mission is to reduce the spread of 8 sexually transmitted diseases. 9 Any questions from MR. KENNEDY: 10 the legislators? Any public comment? 11 MS. MEREDAY: I'm just curious as 12 to where is the reporting or benchmarks as far 13 as the success of any of these programs? How 14 well are they doing? How well have they 15 eradicated the situation? How well have they 16 increased education, awareness, prevention? 17 Who actually gets those reports? Do any of you have actually have those reports that you 18 19 can speak on the success of these issues? I 20 didn't even do the guick add but this is just 21 under a million dollars. This is some serious 22 money that we are putting out, and I was just 23 a little disappointed that I didn't want to 24 make any assumptions that you already have the 25 information and didn't want the rest of us to

1 Health and Social Services - 4-9-18

2 know, but I was a little disappointed no one 3 asked any questions about the success rates or 4 program milestones that have been achieved 5 with any of these programs. So I am asking 6 the question.

7 So if there is a report, if there 8 is an update, if there is some success story, 9 testimonial, cricket press, something, that 10 would be very interesting for those of us to 11 know.

12 And also, have we looked at again 13 how we are informing the public? Do we know 14 what key areas or locations that are 15 impacted? Are those areas getting an increase 16 in the resources? I'm sorry, again, you are 17 the stewards of our funding. If you're not asking the questions, you make the decisions, 18 19 why can you then try to come back when 20 questions are coming to you from the media 21 about why a program didn't work or why a 22 particular community has been overlooked? 23 That's my story and I'm sticking to Hello? 24 it.

25 MR. KENNEDY: Thank you. All

Health and Social Services - 4-9-18 those in favor of passing these items please signify by saying aye. Any opposed? Thank you. These items pass unanimously. There is no other business in front of this committee. May I have a motion to б adjourn. Moved by Legislator Gaylor. Seconded by Legislator DeRiggi-Whitton. All those in favor of adjournment? Thank you. We are now adjourned. (TIME NOTED: 3:17 P.M.)

1 Public Safety - 4-9-18 2 LEGISLATOR FORD: Good 3 afternoon. I would like to call the Public 4 Safety Committee to order and ask the clerk to 5 do the roll call. б MR. PULITZER: Thank you madam 7 chairwoman. Legislator Debra Mule. 8 LEGISLATOR MULE: Here. 9 MR. PULITZER: Legislator Siela 10 Bynoe. 11 LEGISLATOR BYNOE: Here. 12 MR. PULITZER: Ranking member 13 Delia DeRiggi-Whitton. 14 LEGISLATOR DERIGGI-WHITTON: 15 Here. 16 MR. PULITZER: Legislator John 17 Ferretti. 18 LEGISLATOR FERRETTI: Here. 19 MR. 1 Public Safety - 4-9-18 2 Ford. 3 LEGISLATOR FORD: Here. 4 MR. PULITZER: We have a quorum 5 ma'am. б LEGISLATOR FORD: Thank you very 7 much there are six items on the agenda today 8 which are clerk items 100-18, 101-18, 134-18, 9 144-18, 145-18 and 160-18. 10 Clerk items numbers 100-18 and 11 101-18 are ordinances supplemental to the 12 annual appropriations ordinance in connection 13 with the Office of Emergency Management. 14 May I have a motion. Moved by 15 Legislator Rhoads. Seconded by Legislator 16 Mule the items are before us. 17 Who is here from the administration to speak? 18 19 MR. DELANEY: Tom Delaney, 20 Emergency Management. 21 On item 100-18, this is a 22 supplemental appropriation for \$148,789. It's 23 New York State funding. This is for what's 24 called our Public Safety Answering Point, or 25 PSAP grant. This money is being used by fire

1 Public Safety - 4-9-18 2 marshal's office to continue the buildout of a 3 redundant dispatch system which will 4 eventually become their primary system. The 5 current system they have right now is very б antiquated and this buildout has been 7 continuing now for the past several years and 8 they're almost to the point where the backup 9 is going to become their main system. 10 LEGISLATOR FORD: Then what would 11 they do for backup. Would they be able to 12 update what they're using now as a backup? 13 MR. DELANEY: What they're using 14 currently is their primary system is 15 antiquated and no longer serviceable. They're 16 probably just going to decommission that and 17 might look at what we're going to be using as 18 a new backup system. 19 I quess because LEGISLATOR FORD: 20 it would be warranted considering to make sure 21 we have redundancy. Especially with emergency 22 management. 23 MR. DELANEY: Correct. And it 24 also might be where that backup system might

be located. We might want to have another hot

Will this be the 7 final piece to the puzzle? 8 MR. DELANEY: This is an No. 9 ongoing grant that we've been applying for 10 every year. New York State makes available 11 several grants targeted to specific purposes, 12 and we make sure we apply to every one of them 13 every year. 14 LEGISLATOR BYNOE: What would be 15 the time line for us to get to the final end 16 product where we can abandon the old system? 17 MR. DELANEY: Next year's grant. 18 LEGISLATOR BYNOE: Very good. 19 Thank you. 20 LEGISLATOR FORD: Just on this 21 one, any public discussion? No? 22 How about 101-18. 23 MR. DELANEY: On 101-18 this is 24 another grant from New York State for 25 \$899,849. One thing I failed to mention on

б

Public Safety - 4-9-18 the prior item, along with this item, there is no cost match on these. This is just money coming directly to the county. We don't have to provide any in-kind or anything to receive these awards.

7 This grant is for interoperatable 8 communication, and what it's being used for is 9 our public safety, our law enforcement systems 10 are migrating from a 500 megahertz system to a 11 700 megahertz system. But this will also 12 allow a rebuild of the core. So that even if 13 we stay on the 500 system longer than 14 anticipated we're still replacing outdated, 15 unserviceable items with newer items that have 16 compatibility to work with both the 500 and 17 700 systems.

LEGISLATOR FORD: These types of communication devices are they issued -- like this would be I guess with fire services, police services. Would it also incorporate public safety as well? The public safety division?

MR. DELANEY: The main concept of this is to be able to build out our system and

Regal Reporting Service 516-747-7353

7

1 Public Safety - 4-9-18 2 create interoperatability. It's up to county 3 agencies whether or not they want to provide 4 other agencies with the communication 5 devices. It's up to law enforcement to б provide radios. This grant does not allow for 7 what we call subscriber equipment. Just for 8 portable radios. 9 LEGISLATOR FORD: Because I know 10 it's important, especially like if we have 11 natural disasters, not only within the county 12 agencies to communicate with one another, but 13 is this also the same type of frequency that 14 other agencies outside of Nassau County would 15 be using as well? That they would be able to 16 communicate? 17 MR. DELANEY: They technically 18 could should we have that patching capability 19 to be able to do that. It does exist. 20 LEGISLATOR FORD: Thank you. Any 21 debate or discussion from the legislators? 22 Any public comment? Thank you. 23 MS. MEREDAY: I'm concerned about 24 the interoperatability aspect of it because we 25 don't seem to be that well connected to our

Public Safety - 4-9-18 1 2 extensive services or community service 3 organizations particularly in times of crisis 4 or emergency. That poses a problem when you 5 will notice that our fire and police officers б do an outstanding job, not taking anything 7 away from that, but generally in many crises 8 and disasters the neighbor is the first person 9 that can get to their neighbor because they 10 know what that situation is. But in many 11 cases when we don't have electricity, whether 12 you have the access to give someone the 13 information during a press conference, there's 14 may residents that are already out of power 15 and they have no way of getting that 16 information, something like these types of 17 radios or systems that are portable and can be 18 used we need to do a better job. Particularly 19 coming from the standpoint of being in a 20 vulnerable environment. And I know as 21 FEMA-trained and a 9-11 first responder, that 22 we are behind the eight ball and do really 23 need to get better prepared so we're not 24 trying to fix the problem after the horse has 25 already left the barn so to speak.

## Public Safety - 4-9-18

1

2 I'm curious as to what the full 3 extent of this grant and the capabilities it 4 can provide for residents in auxiliary 5 organizations community groups, faith-based б organizations can work together to better 7 address and better protect the needs of our 8 residents. Particularly those who are the 9 most vulnerable. Our young people, our 10 seniors, older veterans, those with disability 11 et cetera. I'm trying to put it on the table 12 while the weather is relatively clear before 13 we get into hurricane season and we have to 14 deal with yet another nor'easter, because some 15 of our communities are dealing with dead trees 16 that are about to fall on homes and things of 17 that nature. I'm hoping that we can be more 18 proactive before we have to deal with any more 19 tragedies or loss of life. Thank you. 20 LEGISLATOR FORD: Thank you very 21 much. But I believe this grant is strictly 22 for our responders. But that being said, I 23 think moving forward, it would be something, 24 you're right, we need to make sure that our

25 communities are somehow connected to vital

1

information that we need. We said that after Sandy when our communities were literally cut off and nobody knew what was going on. The method of communication didn't really always fulfill what was needed.

But I think then what you're saying But I think then what you're saying that we look at our various departments to make sure they do have those certain radios that can communicate on this 700 megahertz system, right?

12 MR. DELANEY: It's a new system. 13 It currently isn't operatable yet. The 14 problem is we need to get off the 500 15 megahertz system because they want to sell 16 that spectrum. That's why there's interest to 17 move to 700. It's a long story. But there's 18 a lot of pushback about getting off the 500 at 19 this point.

Bottom line is we are rebuilding the core that both systems would use. It's a public safety upgrade. It's not for like any normal public communications. The Office of Emergency Management is working other

<sup>25</sup> initiatives to increase our public

1 Public Safety - 4-9-18 2 notification during a disaster or other 3 instances. 4 LEGISLATOR FORD: That's 5 definitely will be something, moving forward, б we're going to be looking at, the aftermath of 7 basically disasters and focusing on Sandy 8 moving forward. What do we need to do in the

9 legislature to ensure that we work with things 10 that work and fix the things that didn't 11 work.

12 One of the issues that I have 13 living in a community that was devastated by 14 Sandy, communications was very, very 15 The fact is that there was no game important. 16 plan so to speak to be able to disseminate the 17 information. A lot of people were basically, 18 hate to say it, lived in the dark for too 19 long.

I thank you Mereday for bringing that up because that is going to be something that will be a focus on our hearings.

23 Thank you very much sir.

All those in favor of passing theseitems please signify by saying aye. Any

1 Public Safety - 4-9-18 2 opposed? These items pass unanimously. 3 Clerk item 134-18 is a resolution 4 to establish a standing reward for information 5 leading to the arrest and prosecution of drug б dealers in Nassau County to be funded 7 utilizing the asset forfeiture funds of the 8 police department. 9 May I have a motion. Moved by 10 Legislator Rhoads. Seconded by Legislator 11 Ferretti. The item is before us. 12 As indicated by its title, this 13 resolution establishes a standing reward of up 14 to \$5,000 to individuals who provide tips to 15 Crimestoppers that lead to the arrest and 16 conviction of drug dealers in Nassau County. 17 The reward will be allocated by the police commissioner and funded by forfeiture funds. 18 19 With the input of the administration, it is 20 intention to submit an amendment in the nature 21 of a substitute for the meeting of the full 22 legislature on Monday, April 23, 2018. Any 23 questions? Yes. 24 LEGISLATOR DERIGGI-WHITTON: 25 Thank you. Is this going to be like what they

1 Public Safety - 4-9-18 2 say sometimes with some of the other 3 conditions like this that it's based on the 4 conviction or is it just the arrest? 5 LEGISLATOR FORD: Arrest and б conviction. 7 LEGISLATOR DERIGGI-WHITTON: Т 8 don't see it saying that. Believe me, I, of 9 course, support it. Do you know if we should 10 put a certain amount aside? It says up to 11 \$5,000 per incident. Do you have any idea how 12 many times we might use it? Should we budget 13 for it? Actually Siela is going to jump in. 14 LEGISLATOR BYNOE: It actually 15 doesn't say per incident or per arrest and 16 conviction. Not based on what I've read in 17 the summary. It appears to say that the 18 resolution shall require Nassau County police 19 commissioner upon the agreement of Nassau 20 County Crimestoppers to annually allocate up 21 to \$5,000. Is that per arrest and conviction 22 or is it just total of \$5,000 annually? 23 LEGISLATOR FERRETTI: Legislator 24 Bynoe, I'm not sure I'm following your 25 question.

Public Safety - 4-9-18

1

2 LEGISLATOR BYNOE: In the summary 3 that we received, not the actual item, I just 4 asked for the item, but in the summary it 5 states that they're asking that Nassau County б commissioner, upon agreement with Nassau 7 County Crimestoppers, to annually allocate up 8 to \$5,000. And so I'm asking whether it's 9 \$5,000 annually as a total or per? 10 LEGISLATOR FERRETTI: Now that 11 you're saying it's from the summary I think I understand because I'm reading the actual 12 13 legislation and it says shall allocate Nassau 14 County Crimestoppers annually from Nassau 15 County sheriff federally seized forfeiture 16 funds amounts sufficient to fund a standing 17 reward of up to \$5,000 for information leading 18 to an arrest and conviction. 19 LEGISLATOR BYNOE: So this is per 20 arrest? That's the answer? 21 LEGISLATOR FERRETTI: Correct. 22 LEGISLATOR BYNOE: We've already 23 decided it was based on conviction. Here it 24 says annually. At some point I think we may 25 be better served if we clean that up a little

Regal Reporting Service 516-747-7353

15

1 Public Safety - 4-9-18 2 bit. Then my question is, do we understand 3 the financial impacts for this? For the 4 financial forfeiture fund is not unlimited. I 5 would surmise we should be figuring out what б we think this would be required annually for 7 them to contribute towards this initiative. 8 LEGISLATOR FORD: Legislator 9 Bynoe, according to our counsel, we are 10 working with the administration to clean up 11 some of this, to some of the limitations so 12 that it will come before the full leq. I 13 understand what you mean. It's like if we 14 have -- I mean we're looking at maybe up to 15 \$5,000 for arrest and conviction of a drug 16 dealer. But we may find out all of a sudden 17 like we're going to get 20 people calling in 18 on drug dealers and all 20 of them lead to the 19 arrest and conviction. So we're talking about 20 a large amount of money. So we need to make 21 sure that if we're going to offer this reward 22 that we have the funds to stand behind it for 23 the people to get paid. Because then we're

25 to speak. If they're doing this and putting

24

Regal Reporting Service 516-747-7353

going to be shooting ourselves in the foot so

16

1 Public Safety - 4-9-18 themselves out there and not getting the 2 3 rewards it's not going to be a successful 4 program. 5 I think that we need to make sure б that we clarify that we make that guite clear 7 in this legislation that the funding will be 8 there regardless of how many notices we get 9 from different people. 10 LEGISLATOR BYNOE: That's right. 11 That's the one piece that we need to look at, 12 the financial impact. The other is that it does say resolved, in the final part of your 13 14 resolution, that it's an annual contribution 15 of \$5,000. Just to clear it up so that we all 16 know what we're doing. 17 LEGISLATOR FORD: I know what you 18 mean. At first, to me, it sounded like we 19 would give the amount of funds would be set 20 aside for that to fund this. But I quess if 21 it is sufficient to fund a standing reward 22 that standing reward sort of makes it sound 23 like we're going to limit it to \$5,000 a 24 year. Thank you very much. I think the 25 changes will be made but we will pass this

1 Public Safety - 4-9-18 2 through. 3 Any other comments? Questions? 4 Any public comment? Sorry, I didn't mean to 5 cut you off. б LEGISLATOR BYNOE: You didn't. Т 7 was reminded that I have another guestion. 8 Also, this could yield a lot of phone calls. 9 Administratively I want to make sure we will 10 be in a proper position to receive that kind 11 of information and we will have the support 12 staff to take the calls and make sure we 13 dispatch the information to the police 14 department timely. 15 LEGISLATOR FORD: Thank you. 16 Legislator Ferretti. 17 LEGISLATOR FERRETTI: 18 Commissioner Ryder is fully on board with this 19 and has represented that these calls will be 20 going to the police department and he has 21 sufficient staffing to handle it. 22 LEGISLATOR FORD: I think also, 23 because there was a was good point brought up, to make sure that when the calls come in they 24 25 are aware of the fact that this is something

Public Safety - 4-9-18
 new and they handle the calls properly and
 direct them to the right personnel. Thank
 you. Okay.

5 MS. MEREDAY: Yes. With regard б to this resolution I would be concerned with 7 the number of questions and issues that were 8 brought up here to have this kind of passed 9 through to the full leg because this is 10 basically you giving a recommendation on a 11 faulty resolution. Albeit an important one. 12 That recommendation that you're moving it 13 today and forwarding it on with the 14 expectation that the changes will be made does 15 not give me much of a level of confidence to 16 be honest.

Again, it is too vague in terms of the standing reward. Standing generally means that there is a consistent amount.

Drug dealers. What type of drugs are we talking about? What level of classification? Why aren't we not addressing it from the distribution standpoint as well? If you're going to stem the tide, clearly we have not done a great job of that. And then

1 Public Safety - 4-9-18 2 you can have maybe one individual who can 3 basically just be turning people in just so 4 they can get the reward and remove their own 5 competition. Again, you have to look at these б types of things from all perspectives and you 7 have to make sure all the holes are sealed 8 up.

9 And I am concerned, as with 10 Legislator Bynoe's point, about an annual 11 allocation of \$5,000 means a one-shot cost of 12 \$5,000. So are you saying each case is 13 \$5,000? Are you just going to give \$150? 14 Again, there are too many holes in this cheese 15 that I feel it should not be kind of sliced up 16 and put on the sandwich that the taxpayers are 17 going to have to eat down the road. That's 18 just my comment with regard to this.

19 LEGISLATOR FORD: It's up to
20 \$5,000 for arrest and conviction. It's from
21 drug forfeiture funding. The police
22 commissioner is on board with this and our
23 counsel have been meeting with him to discuss
24 this. I think we just want to clarify that
25 just to make sure because it is misleading to

1 Public Safety - 4-9-18 2 a certain degree when you look at the standard 3 of up to \$5,000 annually. It's just for each 4 conviction. If there's ten convictions --5 MS. MEREDAY: And drug dealers of б what drug? You need to be specific. We can't 7 think when it comes down to money and you're 8 dealing with this type of scenario. It needs 9 to be specific. All the T's need to be 10 crossed and the I's need to be dotted. Thank 11 you. 12 LEGISLATOR FORD: All those in 13 favor of passing this item please signify by 14 saying aye. Opposed? Item passes 15 unanimously. The clerk items 144-18 and 145-18 16 17 are ordinances supplemental to the annual 18 appropriations ordinance in connection with 19 the police department. 20 May I have a motion. Moved by 21 Legislator Muscarella. Seconded by Legislator 22 Mule. The items are before us. Who from the 23 administration is here to speak about this? 24 MR. STEPHANOFF: Good afternoon 25 Lieutenant Greg Stephanoff.

Thank you very 4 much. 5 Clerk item 160-18 is a resolution б requesting the legislature of the state of 7 New York to enact and the governor to approve 8 an act providing disability benefits for 9 sheriffs, deputy sheriffs, undersheriffs and 10 correction officers. 11 May I have a motion? Moved by 12 Legislator Muscarella. Seconded by Legislator 13 Ferretti. The item is before us. Who from 14 the administration is here to speak about it? 15 Good afternoon. 16 MS. I wasn't here, I was away, 21 so I didn't get the opportunity to 22 congratulate you on your appointment and here 23 you are. 24 MS. FLUDD: Thank you so much. 25 This resolution is going to protect officers

1 Public Safety - 4-9-18 2 who are on the outside working the perimeter 3 and give them the same disability benefits as 4 the ones on the inside. 5 LEGISLATOR FORD: T know that б this has been an issue that we've been trying 7 to get passed, especially in the New York 8 State level, for a couple of years now. Thank 9 you very much for once again helping to 10 introduce this, and hopefully this time we will see a positive vote. I know that the 11 12 Senate and Assembly both voted for it 13 unanimously. I'm hoping that this year the 14 governor will join with all of us who do 15 support this bill. 16 I know that you're aware of what 17 can happen, especially in our correctional 18 facilities. It's something when they get 19 covered what happens on the job, but sometimes

when people do come to visit we need to make sure that we ensure the safety and health and welfare of all of those who work within the jail facility.

Are there any public comments?LEGISLATOR DERIGGI-WHITTON: Hi.

1 Public Safety - 4-9-18 2 Congratulations also. Very happy for you and 3 for us. I just noticed, we're talking about 4 the funding, first of all, I support this. I 5 think we all support this for quite a while б and happy to see it move forward. But like as 7 a little housekeeping maybe, on the backup 8 it's still saying that there is no impact on 9 funding as stated as far as the cost. If you 10 could just take a look. I'm fine to pass this 11 through but before we go to full leg we should 12 look at that page in the backup. I think that's from the year before. It might have 13 14 It just doesn't make sense. carried over. 15 Actually OMB should probably be the 16 ones to help with the funding. We're going to 17 allow it to go through today but before full 18 leg it should be addressed and we need the 19 line from which it will be paid through. 20 MR. MILES: Deputy county 21 attorney Robert Miles. We will be getting 22 that information for you from Andy. 23 LEGISLATOR FORD: Legislator 24 Bynoe? 25 LEGISLATOR BYNOE: No.

1 Rules - 4-9-18 2 MR. PULITZER: Steven Rhoads. 3 LEGISLATOR RHOADS: Present. 4 MR. PULITZER: Vice chairman 5 Howard Kopel. б LEGISLATOR KOPEL: Here. 7 MR. PULITZER: Chairman Richard 8 Nicolello. 9 LEGISLATOR NICOLELLO: Here. 10 MR. PULITZER: We have a quorum 11 sir. 12 LEGISLATOR NICOLELLO: Legislator 13 Rhoads is out now speaking to Mr. Malloy and 14 several members from the Fire Commission I 15 believe are here on the VEEB contract. But I 16 think, as Steve has been explaining, because 17 of when it was submitted to the legislature 18 our rules prohibit it from being heard today. 19 It's our intention is to put it on the full 20 legislative -- not the full legislative calendar. We will call the Rules Committee 21 22 meeting in two weeks and consider the contract 23 at that time. 24 Having said that, the first item is 25 going to be contract A-6 of 2018. These

1 Rules - 4-9-18 2 following contracts will be A contracts, which 3 involve authorizing the director of purchasing 4 to award and execute contracts on behalf of 5 various county departments and agencies. б A-6 is a resolution authorizing the 7 director of Nassau County Office of Purchasing 8 to award and execute a contract between the 9 County of Nassau acting on behalf of Nassau 10 County Department of Public Works and Heinrich Equipment Co., Inc. 11 12 Moved by Legislator Schaefer. 13 Seconded by Legislator Kopel. 14 MR. ARNOLD: Ken Arnold, Public 15 A-6 is a blank order contract for Works. 16 Heinrich. Heinrich is our tank monitoring 17 system contractor. Both the alarm systems and 18 to maintain them. 19 LEGISLATOR NICOLELLO: Any 20 questions for Mr. Arnold? Any public 21 comment? All those in favor signify by saying 22 aye. Those opposed? That item carries 23 unanimously. 24 I'm going to go a little bit out of 25 order. Mr. Malloy has requested that he be

1 Rules - 4-9-18 2 able to speak with request to the VEEB 3 contract. Since there are four members of the 4 fire commission here I will give them the 5 ability to just address us briefly on that. б Again, we will be taking it up in two weeks. 7 MR. MALLOY: Philip Malloy, 8 president of VEEB, Vocational Education 9 Extension Board. I brought with me my 10 division heads from all the areas within the 11 fire department training. We go through this 12 each year, and is there a way that the 13 legislature could come up with giving us a 14 multiyear contract so we don't have to do this 15 each year? We are into April. I borrowed all 16 the money I can borrow from all over the 17 place. We haven't paid our health insurance. 18 I haven't paid my rent on the buildings. It's 19 just not fair that we do this every single 20 year. You can see my face. Every year I'm 21 here. If we had a multiyear contract at least 22 we would be working on the next contract 23 before that contract was over. 24 We are a contract agency, which I

25 really don't understand why. We do all the

1 Rules - 4-9-18 2 training. We're the only ones that do the 3 fire training and we do the education 4 department as well as our EMS training that we 5 do in the county for all our volunteer fire б fighters and we also do it for hospitals and 7 nursing homes. Whoever needs the training we 8 take and do that.

9 If there's a way that the leg can 10 come up with a multiyear contract so that we 11 don't have to go through this each year. I'm 12 at the point right now we're at the point 13 where we're going to close the fire academy if 14 I do not get funding. I have one more pay 15 period left of funding left that I can do and 16 I took and borrowed that money from everywhere 17 I can in order to get payroll for these 18 gentlemen that are full time. It's just not 19 fair that we have to do this each year.

If there's a way that we can come up with some multiyear contract or something that we can work on the contract the year before it comes up so we're not at this point I would really appreciate that. I've spoken to many of you. I know Steve Rhoads has been

2 a big help communicating some of this stuff 3 back and forth. But if there is a way we can 4 work this out I would really appreciate that. 5 The 23rd we're really pushing it to the 23rd. б LEGISLATOR NICOLELLO: Thank 7 That's a point well taken. It is, you. 8 unfortunately, a common problem with the 9 county. We will most definitely be pursuing 10 that with the administration in urging that as a course of action. We do not initiate the 11 12 contracts though. By law they are initiated 13 by the administration and come to us for 14 approval. So we will definitely work with the 15 administration. It makes a lot of sense. We 16 don't want to see the stresses that are 17 resulting from the delays. And we appreciate, 18 every one of us appreciates, the incredible 19 job that you do training our fire fighters and 20 emergency responders. It's something that we 21 will certainly explore going forward. And 22 Legislator Rhoads, as you know is a volunteer 23 fire fighter, will certainly take the lead on this to see if we can get this in place for 24 25 future years. Thank you very much.

| 3  | LEGISLATOR NICOLELLO: Thank                    |
| 4  | you. Contract item A-30 2018 is a resolution   |
| 5  | authorizing the director of Nassau County      |
| б  | Office of Purchasing to award and execute a    |
| 7  | contract between the county of Nassau, acting  |
| 8  | on behalf of the County Department of          |
| 9  | Assessment, and Michael Haberman Associates,   |

| 11 | Moved by Legislator Bynoe.                     |
| 12 | Seconded by Legislator Rhoads.                 |
| 13 | MR. CORTE: Steven Corte. The                   |
| 14 | contract for which we seek your approval is to |
| 15 | obtain a substitute computer program that the  |
| 16 | Department of Assessment requires to replace a |
| 17 | program that no longer is available to us.     |
| 18 | The purpose of this program is to              |
| 19 | create what we refer to as a CMA report        |
| 20 | also known as a Comparative Market Analysis    |
| 21 | which is a standard report used by SCAR staff  |
| 22 | to make the appropriate presentation in        |
| 23 | supreme court to defend our values at SCAR     |
| 24 | hearings.                                      |
| 25 | The person who created and                     |

1 Rules - 4-9-18 2 maintained this program in the past retired at 3 the end of 2017 and a replacement program is 4 now needed to provide SCAR staff with those 5 CMA reports. Which are necessary and required б by the courts to defend our values. 7 Unfortunately, due to the lack of 8 personnel, Department of Assessment had only 9 one person available to run and to maintain 10 this program. Which he did with the aid and assistance of IT personnel. Now with this 11 person having retired, the department is in 12 13 immediate need of a substitute program for the 14 beginning of the 2018 SCAR season. The first 15 SCAR calendar starting approximately the first 16 week of May. Given the short span of time 17 available Department of Assessment does not 18 have sufficient time or expertise to develop a 19 substitute program on its own. Even with the 20 assistance of IT this would not have been 21 possible in the time allotted.

The program being sought is one that this particular vendor has been using for several years to defend SCAR cases for the villages and the Suffolk County townships that

2 they represent.

3 By using a developed program such 4 as this, the Department of Assessment no 5 longer requires its own personnel to develop б and maintain such a program. And instead of 7 one person maintaining the program during the 8 SCAR season, all those involved in the SCAR 9 process will be able to maintain their own 10 calendar. Thus moving this process along 11 internally much faster. 12 This program will also give each 13 tax specialist the ability to review and 14 modify each case individually at a much faster 15 pace and with a greater degree of accuracy. 16 We are requesting that the 17 legislature approve this contract today so 18 that we may begin the preparation of this 19 process as quickly as possible, which will 20 require us to work with the vendor to begin 21 the downloading of inventory, sales data and 22 to review and modify any other components that 23 are typically used in the valuation process. 24 I thank you and I would entertain any 25 questions at this time.

1 Rules - 4-9-18 2 LEGISLATOR NICOLELLO: Deputy 3 Presiding Officer Kopel. 4 LEGISLATOR KOPEL: Thank you. 5 Good afternoon Steve. How does this relate to б the overall assessment project that this same 7 company is doing? Is there any intersection 8 of the two? 9 MR. CORTE: No. What this is is 10 SCAR comes after the Assessment Review 11 Commission hears all the appeals. 12 LEGISLATOR KOPEL: What I mean is 13 that going forward would this program then not 14 simply be backing up the very same assessment 15 that Michael Haberman Associates might have 16 provided in the first place? 17 MR. CORTE: No. Two separate and 18 distinct processes. 19 LEGISLATOR KOPEL: In other 20 words, what you're saying is that they may 21 come up with one assessment in the overall 22 reassessment project and this might provide a 23 different one? 24 MR. CORTE: The reassessment 25 project is not going to be completed until

1 Rules - 4-9-18 2 January. This starts --3 LEGISLATOR KOPEL: I get it. I'm 4 asking about going forward. 5 Going forward this MR. CORTE: б could be a different process next year. 7 LEGISLATOR KOPEL: Not what I 8 asked. 9 MR. CORTE: We would assume that 10 if all values are where we would like them to 11 be and our systems are up and running we can 12 do this internally. 13 LEGISLATOR KOPEL: But the 14 assessment in very many instances that might 15 be in the process of being litigated might 16 have come from Michael Haberman Associates; is 17 that right? It could be going 18 MR. CORTE: 19 forward. But one would assume that those 20 numbers will be very, very similar to one 21 another. You're taking the data from the same 22 place. 23 LEGISLATOR KOPEL: I'm wondering 24 about the utility in those cases. You're not 25 really backing anything up. What is this

1 Rules - 4-9-18 2 doing differently then the initial assessment 3 would have done? 4 MR. CORTE: It's not doing 5 anything. It's just we don't have the person б to run this program for us. We get 7 approximately eight to 10,000 of these a year. 8 LEGISLATOR KOPEL: When we get 9 the assessments now from whether it's Haberman 10 or Smith you're going to get some data with 11 it, right? 12 MR. CORTE: Yes. But we provide 13 the data. 14 LEGISLATOR KOPEL: I'm struggling 15 with this. What is this going to do that's 16 different? What information will we get out 17 of this? How are we going to become smarter 18 and more able to defend a case with this than with the information we would have had 19 20 anyway? 21 MR. CORTE: I don't know that I 22 really understand your question. 23 LEGISLATOR KOPEL: You don't 24 understand my question? 25 MR. CORTE: I don't know that I

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 understand exactly where you're going. 3 MR. KOPEL: Is there someone 4 there to help? Right next to you. 5 MR. CORTE: I can answer it if I б understand what the question is. 7 LEGISLATOR KOPEL: We have to 8 provide -- we have an assessment that's based 9 upon certain criteria. Using that criteria 10 you come up with a number of data points and 11 that will give you the assessed valuation. 12 That's what you're getting from Haberman and 13 from Smith. 14 MR. CORTE: We will get that, 15 yes. 16 LEGISLATOR KOPEL: Values and you 17 will get the backup data as well? MR. CORTE: 18 That's correct. 19 LEGISLATOR KOPEL: Good. So 20 we're there. What I'm asking you is what this 21 system will give you. In other words, this is 22 a fall back, the way you've explained it, in 23 the event that there is an appeal of the 24 assessment. That's what this system is for. 25 This system is to defend and appeal of those

1 Rules - 4-9-18 2 assessed valuations? 3 Right. MR. CORTE: 4 So, what is LEGISLATOR KOPEL: 5 this system going to give you different? What б information will it give you that is different 7 than the information you've already got? 8 MR. CORTE: It's not about the 9 information. It's about the format. We have 10 to put this in what we call a CMA program, so 11 it's presented to the court. Because the 12 petitioners will be providing that same 13 format. There has to be a degree of 14 consistency is. 15 LEGISLATOR KOPEL: What is a 16 CMA? 17 MR. CORTE: Comparative market analysis. We're talking about residential 18 19 properties. Everything in residential is done 20 by a sales comparison approach. Hence the 21 term. 22 That is not LEGISLATOR KOPEL: 23 what you're getting in the initial assessed 24 value? 25 MR. CORTE: You're getting the

1 Rules - 4-9-18 2 values but now you have to put this in a format that is standard. 3 4 LEGISLATOR KOPEL: But you're not 5 getting that standard format in the initial б assessment? 7 MR. CORTE: No. Two completely 8 different things. Don't forget, as we do a 9 reassessment that's done as a regression 10 analysis. We can't do regression in the 11 courts. We have to do it as a CMA. 12 LEGISLATOR KOPEL: Now I'm going 13 to stop you again. Regression analysis. 14 A statistical way of MR. CORTE: 15 valuing property when you do mass. We have 16 360,000 residential properties. You have to 17 do it by mass. I can't do a single valuation of each individual property. 18 19 LEGISLATOR KOPEL: This product 20 will give it to you individually? 21 MR. CORTE: Yes. For just the 22 ones that are grieved and are beyond the ARC 23 process. 24 LEGISLATOR KOPEL: Now we're 25 getting somewhere. So, this is just a license

1 Rules - 4-9-18 2 fee that's on an ongoing basis? 3 MR. CORTE: Right. 4 LEGISLATOR KOPEL: Thank you. 5 LEGISLATOR NICOLELLO: Minority б Leader Abrahams. 7 LEGISLATOR ABRAHAMS: Thank you 8 Presiding Officer. 9 Just to follow-up on Deputy 10 Presiding Officer Kopel's question in regards 11 to the licensing. I understand that Haberman 12 Associates is going to be putting together 13 this CMA, and thank you for your explanation 14 on what the CMA actually is. Once they put 15 together this software do we own the license or do they have ownership to that license? 16 17 MR. CORTE: They own the 18 license. It would be renewed on an annual 19 basis if necessary. 20 LEGISLATOR ABRAHAMS: So we're 21 tied to it no matter what? 22 MR. CORTE: For this year. In 23 other words, as we move forward --24 LEGISLATOR ABRAHAMS: Say this 25 contract comes up next year, basically we have

1 Rules - 4-9-18 2 to use Haberman Associates again? 3 MR. CORTE: Yes because at that 4 point we would just be updating the data. 5 Everything else would be in place. 6 LEGISLATOR ABRAHAMS: 7 Interesting. 8 LEGISLATOR NICOLELLO: Any other 9 questions? 10 LEGISLATOR ABRAHAMS: Yes. Just 11 a quick question my colleague pointed out. In 12 the backup we noticed that the nonhosted 13 format is only from March 1 of 2018 -- and I'm 14 not hanging up on the fact that it's late --15 but it only goes through August 31st of 2018. 16 Why wouldn't it go for a full year? 17 I believe it is a MR. CORTE: 18 full year, yes, but that's the SCAR season. 19 SCAR season starts first week of May usually 20 ends in August. 21 LEGISLATOR ABRAHAMS: It does go 22 for the whole year but just covering the SCAR 23 season? 24 MR. CORTE: We will use it for 25 other things absolutely but it's just that it

1 Rules - 4-9-18 2 covers the SCAR season which is based on the 3 court calendar. 4 LEGISLATOR ABRAHAMS: Just the 5 way it's written in our backup it doesn't look б like that's the case. 7 MR. CORTE: It's definitely for 8 the year. 9 LEGISLATOR ABRAHAMS: Definitely 10 for the year? 11 MR. CORTE: Absolutely. 12 LEGISLATOR ABRAHAMS: Just for 13 our purposes, the end date would be from next 14 year? 15 MR. CORTE: Yes. 16 LEGISLATOR ABRAHAMS: So the 17 contract would go through to April of 2019? 18 MR. CORTE: Correct. 19 LEGISLATOR NICOLELLO: Quick 20 question. What is the alternative to not 21 doing this? 22 MR. CORTE: The alternative is 23 that we would not be prepared to defend our 24 values in court and in theory you lose. 25 LEGISLATOR NICOLELLO: So unless

1 Rules - 4-9-18 2 you have a license in place going forward --3 MR. CORTE: We have to have a 4 program of some kind. Unfortunately, this 5 gentleman had so knowledge of that entire SAS б program as it was called and he just abruptly 7 retired and we had a month or two to try to 8 find a substitute. At least these are 9 programs, like this one, these are established 10 programs. So there's only some minor tweaking 11 that has to be done to conform to what we use 12 internally. 13 LEGISLATOR NICOLELLO: The SAS 14 program is that something developed 15 internally? 16 That's a standardized MR. CORTE: 17 program that's out there. It's an 18 off-the-shelf program. You have to modify 19 that. This has been exclusively made for this 20 purpose. So it is a better program for us. 21 LEGISLATOR NICOLELLO: It's not 22 possible to train someone else to use the SAS 23 program that we've been using? 24 MR. CORTE: You could but to be 25 very honest with you, this program is so much

1

better than what we were doing because we ended up having to -- IT had to have people assigned to help us with this and there were like three or four people doing the work of what's going to happen now, basically one person.

8 LEGISLATOR NICOLELLO: All 9 right. Any other questions? Any public 10 comment?

11 Meta Mereday, MS. MEREDAY: 12 Baldwin resident. I'm concerned as it 13 particularly pertains to assessment as far as 14 the integrity and the safety of the 15 information. So I guess from what I was 16 hearing there was one person who is 17 responsible for the process and they were 18 I believe the words were abruptly qone. 19 retired and there was no one else to do it and 20 there weren't enough people in the Assessment 21 Department. Now we are basically engaging 22 with a consultant. Which, to my 23 understanding, would have kind of sole source 24 responsibility. So we will be in bed with 25 this company for an extensive period of time.

1 Rules - 4-9-18 2 And if something should happen they would 3 basically be holding our tax information, 4 residents, those of us that are still trying 5 to hang on, where we got an increasing number б of zombie houses on our streets. 7 I'm trying to understand where is 8 the safety measures, the integrity, the 9 protection to make sure this doesn't happen 10 aqain. That we have a more widespread review 11 process ahead of time so we don't have to keep 12 coming up with these last minute, very costly 13 measures. Just a little curious. If somebody 14 can give me a little more assurance with 15 regard to that it would be greatly 16 appreciated. 17 Also I found it interesting that 18 there were representatives from the union who 19 were at a previous meeting who were strongly 20 against how the assessment process with this 21 consultant went about and it seemed like there 22 was lively discussion. But then it was 23 tabled. And then two weeks later, always 24 convenient with this body, when there's no one 25 here to be in opposition these things kind of

3 Again, trying to be positive and 4 proactive in 2018, but it seems like we're 5 going back down these same roads we have б traveled before. And as we all know, the pot 7 holes are getting bigger in Nassau County. 8 So, let's try to clean this stuff up ahead of 9 time and do a better job. Thank you. 10 LEGISLATOR NICOLELLO: Steve, can 11 you respond to that? Is the vendor going to 12 be holding tax information? 13 MR. CORTE: No. All the vendor 14 is doing is providing us with the program. We 15 will handle all of that. And I would also say 16 to you that the vendor has already signed 17 confidentiality agreements because of the 18 other work they're doing in the reassessment 19 project. It's a good point but it's already 20 been dealt with through the county attorney's 21 office and those agreements. 22 LEGISLATOR NICOLELLO: Do we have 23 any other public comment? Thank you Steve. 24 Hearing none, I'm going to call the item. All 25 in favor signify by saying aye. Those

Seconded by Minority Leader 10 Abrahams. 11 MR. STEPHANOFF: Lieutenant Greg 12 Stephanoff from the police. A-31 is a blanket 13 order between the county and Judge Family 14 Enterprises. The entire county uses this 15 blanket order. It supplies batteries. We use 16 it for marine, auto and ambulance batteries. 17 The total encumbrance that the county will 18 encumber will exceed \$100,000, which needs 19 your approval to go forward. 20 LEGISLATOR NICOLELLO: Anv 21 questions? Any public comment? Thank you 22 Lieutenant. All in favor signify by saying 23 aye. Those opposed? Carries unanimously. 24 A-32 is a resolution authorizing 25 the director of purchasing to award and

1 Rules - 4-9-18 2 execute a contract between the county of 3 Nassau acting on behalf of the Nassau County 4 Correctional Center and H. Schrier and 5 Company, Inc. 6 Moved by Legislator Kopel. 7 Seconded by Legislator Rhoads. 8 MS. HALL: Good afternoon. Narda 9 Hall, correctional center. A-32-18 is blanket 10 to authorize and award for groceries for the 11 Nassau County Correctional Center. The bid 12 was advertised in Newsday and posted to the 13 Nassau County website bid solicitation board 14 where 12 vendors viewed the bill. None of 15 which are minority women or veteran-owned. 16 Minority Affairs was given a copy of the bid. 17 Four out of the 12 vendors submitted a bid. 18 None of whom were located in Nassau County. 19 H. Schrier, located in Brooklyn, 20 New York, submitted bids for 208 items. And 21 it's recommended that H. Schrier be awarded a 22 contract for 90 of those items. When these 23 items are calculated by unit of measure, such as pounds, ounces or grams, H. Schrier is the 24 25 lowest cost responsible bidder for each of

1 Rules - 4-9-18 2 those 90 items. The remaining items are being 3 awarded to the lowest cost responsible bidders 4 for those items. 5 Historically, H. Schrier has held б food requirement contracts with Nassau County 7 with satisfactory performance. The estimated 8 cost for the six-month contract is \$103,146.23 9 from the general fund. The Office of 10 Purchasing recommends awarding of this 11 contract to H. Schrier as the lowest 12 responsible bidder meeting specifications. 13 Thank you LEGISLATOR NICOLELLO: 14 I see that this is right on time. Narda. The 15 term is not to start until May 1st. We 16 appreciate that. Any questions? 17 LEGISLATOR ABRAHAMS: Thank vou Presiding Officer. Just a quick question. I 18 19 heard you mention that this was done through 20 purchasing? 21 MS. HALL: Yes. 22 LEGISLATOR ABRAHAMS: This was 23 done with the lowest responsible bidder or was 24 it done with the lowest bid? 25 MS. HALL: Lowest responsible

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 bidder. 3 LEGISLATOR ABRAHAMS: Could you 4 give us the amounts of each of the bids? 5 MS. HALL: From the other б vendors? 7 LEGISLATOR ABRAHAMS: From the 8 vendors. I quess it was Universal Coffee and 9 Elwood and Lavilla Foods. 10 MS. HALL: I don't have that available right now. I can get that to you. 11 12 LEGISLATOR ABRAHAMS: Actually it 13 says four vendors submitted bids but I only 14 three in my backup. 15 MR. SCHLERNOFF: Michael 16 Schlernoff, director of purchasing. Is there 17 a specific item you're interested in? 18 LEGISLATOR ABRAHAMS: Mike, I'm 19 trying to get a list of the bidders. 20 MR. SCHLERNOFF: The four bidders 21 were H. Schrier Company, Lavilla foods of 22 New York, Universal Coffee and Elwood. I 23 can't give you by what you would understand to 24 be a title for each line item. I can go 25 through -- for example, the first item on my

1 Rules - 4-9-18 2 summary sheet is 80 cases of something. 3 Schrier bid 3650. Lavilla bid 3785. 4 Universal bid 3673. And Elwood did not bid on 5 that particular item. The summary sheet is in б your packet. 7 LEGISLATOR ABRAHAMS: If I'm 8 understanding the process, basically 9 multiple -- these four bidders bidded on 10 particular products to provide services to the 11 county? 12 MR. SCHLERNOFF: Coffee, peanut 13 butter, whatever it happens to be. 14 LEGISLATOR ABRAHAMS: And then 15 basically, if I understand you correctly, some 16 of them bidded more competitively and had the 17 lowest bid, whereas some didn't and vice a 18 versa. We're awarding I guess contracts to 19 all four? 20 MR. SCHLERNOFF: Correct. Only 21 one of which has to be approved by the 22 legislature. 23 LEGISLATOR ABRAHAMS: None of 24 this gets negotiated with the administration 25 or anyone in the administration and these

1 Rules - 4-9-18 2 particular vendors on pricing? The pricing is 3 what they bidded? 4 MR. SCHLERNOFF: Correct. 5 LEGISLATOR ABRAHAMS: That's all б I needed. Thank you. 7 MR. SCHLERNOFF: You're welcome. 8 LEGISLATOR NICOLELLO: Thank 9 you. Any other questions? Any public 10 comment? 11 MS. MEREDAY: Where do I even 12 begin with this one? Let's start with the 13 outreach. The Nassau County website and 14 Newsday, do you really think that was a full 15 and diverse outreach process? Was there any 16 Spanish language publications? Any 17 minority-owned publications? Let's start 18 there. 19 Secondly, I don't know when this 20 particular group, considering there are a 21 number of new members, but I don't know when 22 this particular group is going to blow the 23 dust off of the Veteran Owned Business Act, 24 which is supposed to not only generate a 25 platform to bring together veteran-owned

1 Rules - 4-9-18 2 businesses but it's also supposed to provide 3 upfront opportunities for them to be aware of 4 upcoming contracts and opportunities so that 5 we can we raise the capacity of veteran-owned б business. But if we don't even start the work 7 to identify who they are in Nassau County and 8 we are just quickly designating our tax 9 dollars to businesses that don't even reside 10 here and possibly don't even hire in this 11 county, are we not doing a disservice to the 12 residents?

13 There was time and effort that went 14 in to put in that act and I really don't think 15 it would be disingenuous for this particular 16 body, which represents a county that has the 17 second largest veteran population in the state 18 of New York, to do a better job as opposed to 19 once again blowing smoke and having statements 20 made that there is no veteran, minority, women 21 inclusion. I am not, and none of you, should 22 accept the fact that someone just says to you, 23 and they're giving out \$100,000, that we 24 handed the paperwork to Minority Affairs.

<sup>25</sup> What does that mean? What is that entity even

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 funded to do? Are they up to their capacity 3 to do the work they need to do? 4 We just heard earlier that the 5 Assessment Department didn't have all the б bodies and resources that it needs. Τ'd 7 hazard to guess that Minority Affairs does 8 This is the second time I have been not. 9 before this body and I have heard that 10 statement. Well, we handed the application to 11 Minority Affairs. What does that mean? What 12 happened when it got there? What resources 13 are in place for that body to do what it needs 14 to do to give opportunities from a supplier 15 standpoint to the diverse and clearly 16 underserved businesses in this county so that 17 we can hire more of the underserved residents 18 in this county? So that our young people are 19 not leaving here in droves and our older 20 people, particularly our veterans, are not 21 living in fear in their homes because they're 22 facing foreclosure. I don't know what it's 23 going to take and when the message is going to 24 get clear. Thank you.

LEGISLATOR NICOLELLO: Thank

1 Rules - 4-9-18 2 you. Any other public comment? All in favor 3 signify by saying aye. Those opposed? The 4 item carries unanimously. 5 Move on to the E contracts. These б are contracts which authorize the county 7 executive to award and execute contracts with 8 various county departments and agencies. 9 E-34 of 2018 is a resolution 10 authorizing the county executive to execute an 11 amendment to a personal services agreement 12 between the county acting on behalf of the Department of Social Services and Berkshire 13 14 Farm Center and Services for Youth. 15 Moved by Legislator Schaefer. 16 Seconded by Legislator DeRiggi-Whitton. 17 Mr. Broderick. 18 MR. BRODERICK: Paul Broderick, 19 deputy commissioner of Department of Social 20 Services. 21 The item before you is a contract 22 between Berkshire Farms and Department of 23 Social Services in the amount of \$571,150. The scope of services in the contract is to 24 25 provide preventive services to I quess prevent

1 Rules - 4-9-18 2 children from going into foster care. Do you 3 have any questions? 4 LEGISLATOR NICOLELLO: Any 5 questions? Hearing none, thank you. б Questions on this item, E-34. 7 LEGISLATOR ABRAHAMS: How are you 8 Mr. Broderick? I know you met with our staff 9 regarding some of the concerns we had had in 10 the past with this particular vendor. Some of 11 the issues circulating around the critical 12 incident reporting status that they had been 13 placed on by New York State's Office of 14 Children and Family Services. It sounds like 15 based off of those discussions that you had 16 could you just shed some light on some of the concerns that that Office of Children and 17 18 Family Services had with Berkshire? 19 MR. BRODERICK: T believe it was 20 in their -- Berkshire has a number of 21 different service divisions. The contract or 22 the scope of services on the topic today is 23 preventive services. I believe the concern 24 was on residential treatment centers. It is 25 kind of alarming if they have someone

1

2 residing, a juvenile residing in one of their 3 facilities, they're not being detained. What 4 happens is, to pull a child out of the home 5 environment it might be a better environment б where the court might have directed it. The 7 child is in this environment. If the child 8 turns around and says I'm just walking out, 9 they're allowed to walk out.

10 The scope of services per OCSF 11 rules and regulations doesn't allow any kind 12 of provider of these services to detain kids. 13 Similarly, if they were in DSS 14 custody with a case worker or something the 15 child decides they want to bolt we can't stop 16 them. We don't have police enforcement 17 actions behind us. So that was one of the 18 questions.

19 LEGISLATOR ABRAHAMS: Considering 20 what we know and obviously what has come up 21 with the Office of Children and Family 22 Services does DSS have any concerns with the 23 contractor's ability to provide care to the 24 youth of the county?

25 MR. BRODERICK: No. What was

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 cited was I guess reporting inconsistencies on 3 the residential treatment side and that's not 4 what is at hand today. What is at hand is 5 preventive services. They provide services б for our kids. Totally separate divisions. I 7 believe in April of last year OCFS 8 acknowledged the corrective action plan that 9 Berkshire had put in to place and they were 10 satisfied with their forwarded looking plans. 11 LEGISLATOR ABRAHAMS: This is a 12 contract for \$571,000 not to exceed a maximum 13 of \$3 million? 14 MR. BRODERICK: That is correct. 15 LEGISLATOR ABRAHAMS: The county 16 is satisfied with receiving from this vendor, 17 which is providing home-based preventive services instead of county workers, we are 18 19 satisfied with the level of work product we're 20 going to receive? 21 MR. BRODERICK: Yes, we are. 22 LEGISLATOR ABRAHAMS: Nothing 23 further. 24 LEGISLATOR NICOLELLO: Any other 25 questions? Any public comment? All in favor

1 Rules - 4-9-18 2 signify by saying aye. Those opposed? 3 Carries unanimously. Thank you again. 4 E-37 is a resolution authorizing 5 the county executive to execute an amendment б to a personal services agreement between the 7 county acting on behalf of the district 8 attorney's office and Precise Court Reporting 9 Services, Inc. 10 Moved by Minority Leader Abrahams 11 and seconded by Legislator Schaefer. 12 MS. CORDOVA: Vicki Cordova, 13 accountant in the District Attorney's Office. 14 The District Attorney's Office is requesting a 15 \$30,000 amendment to their Precise Court 16 Reporting contract for grand jury minutes for 17 the year 2017 to pay for the additional bills incurred in that year. 18 19 LEGISLATOR NICOLELLO: So this is 20 coming to us in April of '18. 21 MS. CORDOVA: Yes and I will 22 We submitted this originally early explain. 23 December in the electronic contracting 24 system. No action was taken. In January, due 25 to the transition, for the February committee

1 Rules - 4-9-18 2 meeting it was on the leg calendar but 3 apparently the staff summary for the amendment 4 that we're here for today and the new contract 5 that was actually approved last month was б combined into one packet and it could not get 7 pulled and separated in time to appear on that 8 meeting. We have no idea why it did not get 9 placed on the March meeting, and here we are 10 today at the April meeting. 11 LEGISLATOR NICOLELLO: Thank you 12 for that explanation. Any questions? Any 13 public comment? All in favor signify by 14 saying aye. Those opposed? Carries 15 unanimously. 16 E-39 of 2018 is a resolution 17 authorizing the county executive to execute an amendment to a personal services agreement 18 19 between the county and Elite Construction of 20 New York and KSE Engineers, P.C., a joint 21 venture. 22 Moved by Legislator Kopel. 23 Seconded by Legislator Bynoe. 24 MR. Elite is a б veteran-owned small business and also a 7 certified BBE, MBE. 8 LEGISLATOR NICOLELLO: Any 9 questions? Any public comment? Thank you 10 Ken. 11 MS. MEREDAY: I'm encouraged but 12 not over the top as yet. Again, we spend lots 13 of money in this county. Again, I was told 14 last year and the year before with the Veteran 15 Owned Business Act that it was a start. So, 16 we really need to start getting it out of the 17 gate at this point. We still need to start 18 building the opportunities ahead of time. Ι 19 hope you don't think the one shot is going to 20 satisfy me when, as I say, I'm still dealing 21 with veterans who are leaving their homes or 22 living in their homes in fear and I've got 23 student veterans who are graduating from our 24 colleges and universities and can't afford to 25 live here. I will give you this as a small

1 Rules - 4-9-18 2 token of appreciation but we've got a lot more 3 work to do. Thank you. 4 LEGISLATOR NICOLELLO: Thank 5 Any other public comment? Hearing none, vou. б all in favor signify by saying aye. Those 7 opposed? Carries unanimously. 8 Stay where you are. 9 That concludes our contracts. I 10 see there is a large community here and I have 11 a number of slips. I believe they are here 12 with respect with a proposed local law on the 13 Rules calendar only. So I'm going to call 14 It's item 113 of 2018. A local law that now. 15 to add Title 84 to the miscellaneous laws of 16 Nassau County to require American sign 17 language interpreters at all Nassau County 18 government press conferences held during 19 emergency situations. 20 Moved by Legislator Bynoe. 21 Seconded by Legislator Rhoads. The local law 22 is before the committee. 23 LEGISLATOR ABRAHAMS: If I could 24 speak of the law. Obviously this was a local 25 law sponsored by one of our colleagues,

1 Rules - 4-9-18 2 Legislator Josh Lafazan. As we all know, as 3 emergencies occur in the county making sure we 4 have the right processes in place so that we 5 can communicate with all our residents is б extremely important. 7 I feel the need for this 8 legislation so that we can communicate with 9 our population that unfortunately has to 10 resort to having sign language making sure we 11 have this provision in place I think would be 12 a tremendous asset to the county, and I 13 strongly support it and encourage my 14 colleagues to do so as well. Obviously we'll 15 have an opportunity to talk about this in 16 greater detail in the full legislature, but we 17 do have a constituency of folks that are here 18 today. Which I'm not sure if they would like 19 to speak on the record. Obviously they would 20 be speaking in favor of this legislation 21 moving forward as well. 22 LEGISLATOR NICOLELLO: Before we 23 move to the public comment, I have four slips 24 here, any other legislators want to comment on

<sup>25</sup> this? As Minority Leader indicated, it will

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 be before the full legislature in two weeks and there will be more discussion at that 3 4 time. Let's get to the public comment. First 5 I'd like to call Glenn Johnson. б MS. PELCHUK: Unfortunately Glenn 7 did have to leave, so I'm going to speak on 8 behalf of him. My name is Diana, last name is 9 Pelchuk and I live here in Nassau County. I'm a Hicksville resident. I am deaf. Obviously 10 11 I'm using sign language. 12 I really have felt a lot of 13 frustration over the course of my life when 14 there is anything televised on the news. 15 There's a lack of interpretation for the deaf 16 community, deaf and hard of hearing community, 17 on Long Island. I'd really like to see an interpreter live on the screen when there's 18 19 any sort of natural disaster, public 20 shooting. You cannot rely on captions. 21 Sometimes the captions are very -- there's a 22 lag and they fall very far behind of what is 23 actually being said on the screen. 24 So it would really benefit the deaf 25 and hard of hearing community to have sign

1 Rules - 4-9-18 2 language interpreter on screen signing it in 3 their natural first language. 4 Also, people here who are deaf and 5 also disabled they are very low functioning. б English is not their first language, so they 7 have to rely on the closed caption is simply 8 not enough long. And again there is a lag and 9 there can be a lot misconstrued. The spelling 10 is wrong. Having a live interpreter on the 11 screen communicating with the community would 12 be great. 13 LEGISLATOR NICOLELLO: Thank you 14 Diana. That explanation actually answered 15 some of the questions that we had. 16 If you could put MS. PELCHUK: 17 yourself in my shoes and suppose if you couldn't hear what was happening on the news, 18 19 in this world with everything that's going on 20 we really are a minority and very limited and 21 we don't have equal access. There's no 22 captioning. There's no sign language 23 interpreter. Imagine if all of a sudden the 24 sound or audio on your TV wasn't working and 25 you didn't have access to the news that is

1 Rules - 4-9-18 2 going on around you. 3 LEGISLATOR NICOLELLO: Thank you 4 very much. Samantha Sterling. 5 MS. STERLING: If I could get б your visual attention for a second. Samantha 7 Sterling. By a quick show of hands, how many 8 of you understood what I just said? None? 9 Okay. So this is how 31,792 deaf and hard of 10 hearing individuals living here in Nassau 11 County feel on a daily basis. 12 My name is Samantha Sterling, and I 13 have been a Nassau County resident for all of 14 my life. I'm an LIU post graduate and 15 currently attend the Silverman School of 16 Social Work at Hunter College. I also serve 17 as a social work intern at Millneck Services 18 Day Rehabilitation Program. 19 As a hearing person, I know that 20 information has always been readily accessible 21 to me. However, this is not the case for 22 thousands of deaf and hard of hearing people 23 living within our communities. They are our 24 friends, coworkers, professors and neighbors. 25

4 As a social worker, my professional 5 code of ethics states that social workers б strive to insure access to needed information, 7 services and resources. Therefore, it is my 8 absolute duty to stand here today and advocate 9 with and on behalf of the deaf and hard of 10 hearing community who were unable to attend 11 today.

12 I do not believe that accessibility and inclusion should be considered a 13 14 privilege. A person should not have to rely 15 on close captioning, which is often delayed 16 and inaccurate. Potentially life-threatening 17 information should be made available for all people in real time regardless of their 18 19 hearing ability. I urge you to please learn 20 about deaf culture and be a part of their 21 community as they struggle to be a part of 22 ours. Because yes, we may be different but 23 they are absolutely no less than us. 24 LEGISLATOR NICOLELLO: Thank you

very much Samantha. Anyone have any questions

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 for Samantha? The next spoken comment is 3 Loretta Murray, Little Neck Services. 4 MS. MURRAY: Good afternoon 5 One of the most important features everyone. б of American life is that there's equal access 7 under the law for everyone. And by having 8 access to sign language interpreters in an 9 emergency situation we in Nassau County will 10 finally provide our residents with equal 11 access. I'm not going to belabor the need for 12 this legislation because it should be self 13 evident by now. 14 But the one thing that's most 15 important about the legislation now is that it 16 provides for qualified and certified 17 interpreters to be present at emergency public 18 hearings. In very recent past, in December, there was a serial killer in Florida and the 19 20 police hired an interpreter. What they 21 thought to be an interpreter. The person was 22 signing gibberish. It had no connection 23 whatsoever to what actually happened. 24 At the same time, when we had 25 Hurricane Irma, unfortunately, even though

1

people tried to do their best, they picked a gentleman who happened to have a deaf brother and they had him signing during an evacuation procedure for the residents of the county. He was signing something like pizza and wet bears and other things. But he was trying his best.

9 So, this legislation would allow us 10 to have certified and qualified interpreters 11 who are professionals who would be able to get 12 accurate and timely information out to 13 individuals.

14 I'm a little bit different than 15 I'm deaf too but I'm deaf only about Diana. 16 30 years ago did I become deaf. I grew up 17 hearing. I know what it's like to have access 18 to communication all of the time and all of a 19 sudden one day not. I can tell you that I 20 have had experiences at 9-11 where I walked 21 into places and somebody would say to me what 22 are you doing here? There's no trains today. 23 I'm like how did I know? Didn't you hear the 24 announcement? No, I didn't. Those kinds of 25 things happen every day. I'm not bringing

1 Rules - 4-9-18 2 that up to say oh, feel sorry for me. Not at 3 It's something that you don't even all. 4 realize because it's some experience that we 5 go through all the time. 6 I can tell you captions, I can read 7 as well as probably anyone here, but captions 8 are only as good as the captioner. 9 I will close my statement with 10 something that related to a State of the Union 11 address that Bill Clinton gave. And I'm 12 watching that and saying the caption said to me that no American should die as a tick. I'm 13 14 like of course not. No American should die as 15 a tick. No American should be without 16 diagnostic services. So I had no idea what he was talking about. That just gives you an 17 idea of how that can leave you totally without 18 19 any appropriate information. So hopefully we 20 will be having this law passed in very short 21 two weeks. Thank you very much. 22 LEGISLATOR NICOLELLO: Thank you 23 Is there any other public comment on Loretta. this law? Hearing none, all in favor signify 24 25 by saying aye. Those opposed? It carries

1 Rules - 4-9-18 2 unanimously and will be before the full 3 legislature on Monday, April 23rd. 4 I quess we go into recess now and 5 call the first committee after this, which б will be Public Safety. 7 (Meeting was recessed at 2:09 p.m.) 8 (Meeting reconvened at 3:57 p.m.) 9 LEGISLATOR NICOLELLO: Call the 10 Rules Committee out of recess. We have a 11 consent calendar which I'm going to call. 12 Just note for the record that the minutes of 13 the previous meetings will be incorporated by 14 reference. 15 This is the consent calendar. I'm 16 not going to read the items, I'm just call the 17 item numbers. 100, 101, 108, 109. Turn to 18 page five. 132, 133, 134, 135. We'll take 19 135 out of the consent calendar. So it's 134, 20 skips to 136, 137. Let's go back again. 132, 21 133, 134. We skip all the way down to 140, 22 141, 142, 143, 144, 145, 160. Are we clear 23 down there all the ones that we have? Those 24 are consent items. 25 Moved by Legislator Rhoads.

3 With respect to the Transdev 4 budget, it seems as though every year, and 5 this is more of a comment but there is a б question, trust me, it seems as though every 7 year Transdev will come back to us saying that 8 they need additional funding in order to be 9 able to stave off cuts. What efforts are made 10 to actually audit or to check into the 11 Transdev budget to make sure that what they're 12 actually asking for is what they actually 13 need? In other words, what assurances do we 14 have that the cuts are actually necessary and 15 that the 4.3 million in additional funding is 16 actually needed?

17 MS. PERSAUD: We do audits every 18 month of the variable bills that are submitted 19 to us, and we also take a look at what their 20 program plans are for service each year and 21 align them with costs. This also has to be 22 done for the New York State Department of 23 Transportation in order for them to give us 24 the funding. So it's always aligned.

LEGISLATOR RHOADS: It's the

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 Department of Public Works that actually 3 conducts the audits? 4 MS. PERSAUD: Yes, we do. 5 LEGISLATOR RHOADS: Does the б comptroller's office get involved in that at 7 all? 8 They have from time MS. PERSAUD: 9 to time, yes. 10 LEGISLATOR RHOADS: When you say 11 from time to time what do you mean? 12 MS. PERSAUD: They do targeted 13 audits from time to time but each variable 14 bill that's submitted they go through it with 15 a fine tooth comb. 16 LEGISLATOR RHOADS: This would be 17 the bills that are submitted to us for particular services that are performed by 18 19 Transdev but not an audit necessarily of the 20 overall money that they're spending as part of 21 their program? In other words, what goes 22 toward bus transportation? How the routes are 23 functioning? What the ridership is in 24 individual routes? What is Able Ride doing 25 and how they're performing in terms of their

1 Rules - 4-9-18 2 ridership? Is anything done in that regard? 3 MS. PERSAUD: Yes. We have 4 performance indicators presented to the Bus 5 Transit Committee on a quarterly basis. 6 LEGISLATOR RHOADS: Where is the 7 shortfall? 8 MS. PERSAUD: The shortfall for? 9 LEGISLATOR RHOADS: In other 10 words, they're coming to us this year -- and 11 look, obviously if they need additional funds 12 we would want to make sure that we provide a 13 stable transportation source. But where is it 14 that they're spending additional money that 15 requires them to have another budget issue 16 this year? In other words, what of their 17 costs have gone up? MS. PERSAUD: We have fueling 18 19 costs that goes up every year. We have a 20 fleet that's getting older, so we need to do 21 more maintenance. 22 LEGISLATOR RHOADS: Didn't we 23 purchase some new buses last year? 24 MS. PERSAUD: We have a fleet of 25 270 fixed routed buses and almost 105

2 paratransit vehicles. They're not all new 3 people.

4 LEGISLATOR RHOADS: I know that 5 both this year and last year I made the trip б up to Albany as part of the state's budget 7 process to lobby for additional funding for 8 NICE bus. Last year again, not because of my 9 efforts, but last year we were successful in 10 obtaining an additional million and a half 11 dollars in matching funds from the state to 12 try and close part of the gap that NICE bus, 13 that Transdev had in operating NICE bus. 14 Were there any efforts made by the 15 administration to reach out to Albany to see 16 if there were any additional funds available 17 to help us close the \$4.3 million gap? MS. PERSAUD: 18 Yes. It is my 19 understanding that we have people going up to 20 Albany all the time. As it is, we have been 21 successful in getting additional funding from 22 New York State. 23 LEGISLATOR RHOADS: This year?

25 LEGISLATOR RHOADS: What did we

MS. PERSAUD:

Yes.

1 Rules - 4-9-18 2 receive from New York State? 3 MS. PERSAUD: I believe we got a 4 two percent increase over last year's funding. 5 LEGISLATOR RHOADS: What would б that equate to in terms of dollars, if you 7 know? 8 Probably another MS. PERSAUD: 9 \$2.5 million. Could be a little less. 10 LEGISLATOR RHOADS: So their 11 shortfall then would have been somewhere 12 around 6.8 million year over year? 13 MS. PERSAUD: Probably \$7 million 14 for 2018. 15 LEGISLATOR RHOADS: That's simply 16 from maintenance costs and fuel costs? 17 MS. PERSAUD: Yes. We have an aging facility. We have more maintenance than 18 19 we had before. 20 LEGISLATOR RHOADS: We're funding 21 at a total of 7.1 this year if this is 22 approved? 23 MS. PERSAUD: Yes. 24 LEGISLATOR RHOADS: But this is 25 an issue we are going to have every single

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 year? 3 MS. PERSAUD: Yes. It's also 4 indicated for in the original contract that we 5 would have increases each year. Every б transportation entity goes through that 7 particular situation.

8 LEGISLATOR RHOADS: What's the 9 progress with respect to the administration's 10 efforts in attempting to obtain a stable 11 source of funding from Albany, either 12 additional transportation dollars? I know 13 there was some discussion about a surcharge 14 being placed on Uber and Lyft rides which was 15 being advocated by some organizations. Is 16 there any progress on that? What hope is 17 there for us to be able to actually get that 18 stable source of funding so we don't have 19 continuous pressure on the county's budget to 20 be able to make up for what seems to be an 21 annual shortfall for whatever reason? 22 MS. PERSAUD: I know there have 23 been discussion on that. I'm not in a 24 position to say where we are right now. 25 LEGISLATOR RHOADS: Would you be

1 Rules - 4-9-18 2 able to get us that information before the 3 23rd? 4 MS. PERSAUD: I'll try. 5 LEGISLATOR NICOLELLO: Any other б questions? Any public comment? Mr. Budnick. 7 I have just a quick MR. BUDNICK: 8 comment. John Budnick, 133 Von Huenfeld, 9 Massapequa Park. I know that there is no 10 public transportation available even during 11 the, quote unquote, summer to North Hempstead 12 Town Beach Park. I would really like to have 13 someone determine whether that might be a 14 utilitarian approach to bring people, 15 particular in the North Shore, particularly 16 North Hempstead, to be able to use North 17 Hempstead Town Beach. Thank you. 18 LEGISLATOR NICOLELLO: Thank you 19 Mr. Budnick. Any other comment? All in favor 20 signify by saying aye. The poles that we had in there were 10 inferior. They were square, which was a 11 safety hazard. Then East End Volleyball will 12 rent, at full ordinance rate, the courts. 13 LEGISLATOR NICOLELLO: Any 14 questions or discussion? Thank you Brian. 15 Any public comment? Mr. Budnick. 16 MR. BUDNICK: Having worked at 17 Nassau Beach, although many years ago, it is 18 hoped that any replacement equipment there 19 will be of such a nature as to resist salt 20 water deterioration. It's very important down 21 there. Perhaps the poles need to be of carbon 22 I don't know exactly. But something fiber. 23 like that should be considered. Thank you. 24 LEGISLATOR NICOLELLO: Thank you 25 Mr. Budnick. Any other public comment? All

1 Rules - 4-9-18 2 in favor signify by saying aye. Those 3 opposed? Carries unanimously. 4 Item 139 is an ordinance making 5 certain determinations pursuant to SEORA and б authorizing the county executive to accept on 7 behalf of the county of Nassau, and to execute 8 a license agreement between the county of 9 Nassau and the incorporated Village of 10 Hempstead in connection with the use of parking spaces at various locations. 11 12 Moved by Deputy Presiding Officer 13 Kopel. Seconded by Legislator Rhoads. 14 Kevin Walsh from the MR. WALSH: 15 Office Real Estate Services. 16 This is a renewal for the county 17 parking license for parking for employees in 18 the village of Hempstead. It is going to be a 19 renewal for a five-year period. It's for the 20 same number of spaces that we've had in past 21 licenses, 655 spaces at the same rental rate 22 of \$3 per space. It's approximately 510,900 23 per year. There's some flexibility in this. 24 We've added 34 random spaces so certain needs 25 of certain employees vary between the various

1 Rules - 4-9-18 2 parking lots. 3 LEGISLATOR NICOLELLO: This is 4 strictly for employees of the county as 5 opposed to visitors to courthouse? 6 MR. WALSH: Correct. Tt's 7 actually employees of the county and court 8 personnel. We do provide parking for court. 9 LEGISLATOR NICOLELLO: I'm told 10 that one of the parking garages that the top 11 two floors are sectioned off. Does that 12 affect the spaces that we have or no? 13 MR. WALSH: I think you're 14 talking about parking lot one is one of our 15 main parking facilities because we park TPVA 16 employees there and the employees of 40 Main, 17 for example housing. They've been doing some 18 construction or structural work in that 19 garage. So a portion of it has been sectioned 20 off while they're doing work. But there is 21 more than adequate space. I have been in the 22 lot many times myself recently and we do have 23 adequate parking in that lot. 24 LEGISLATOR NICOLELLO: These 25 spaces are reserved for county employees?

Regal Reporting Service 516-747-7353

1 Rules - 4-9-18 2 MR. WALSH: Yes. The first level 3 of that garage is used mostly by the public 4 who comes to transact business at TPVA. When 5 you drive into the lot the second level is б mostly reserved for employees. And similar to 7 a lot of the parking fields many spaces are 8 reserved for court personnel and ADAs et 9 cetera. 10 LEGISLATOR NICOLELLO: Any other 11 questions for Mr. Walsh? Hearing none, any 12 public comment? All in favor signify by 13 saying aye. Those opposed? Item carries 14 unanimously. 15 I'm going to call the next two 16 appointments 147 and 148. 147 is a resolution 17 to confirm the county executive's appointment 18 of Steven J.
