Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: We will begin with Legislator Gaylor, please lead us in the Pledge of Allegiance.

(Whereupon, the Pledge of Allegiance was recited.)

CHAIRWOMAN GONSALVES: A moment of silence for Legislator Dunne's mother who I believe passed last night. Please remember her in your prayers. Her name was Yolanda. He's not with us today because that's where he rightfully should be.

(A moment of silence was observed.)

CHAIRWOMAN GONSALVES: Thank you.

As we've done for several months over the past year or so, we have two top cops. First one, yes, we have two; Sean Murtagh and Kirsten Lorenzo. Who will be here to speak about our two top cops for the month of May? Introduce yourself, Mr. McDermott.

MR. MCDERMOTT: You just did.

CHAIRWOMAN GONSALVES: But they don't know who you are.

MR. MCDERMOTT: Thank you. I'm James McDermott. I'm the Nassau County PBA President like for four months.

On March 16th of this year, around 5:42 in the afternoon, Nassau Police Officer Kirsten Lorenzo while on routine patrol observed black smoke in the sky.

She followed the smoke into Great Neck Estates where she found a house that was fully engulfed in flames. We have some pictures, props, of the house before the fire department even got there, the house was fully engulfed if in flames.

The garage had two cars in it and the officer, Kirsten Lorenzo, asked around and found out they didn't, the two occupants of the home didn't get out.

Great Neck Estates Officer Sean Murtagh showed up soon after that. The two of them without hesitation went into the house and took out the two people, the elderly couple that were in there.

Officer Lorenzo assisted the female out and Officer Murtagh actually had

to carry the elderly gentleman out of the house.

Both officers were treated for smoke inhalation and I want to honor both of them for their work, their bravery, going into a house. Like I said, you can see the pictures. That's some scary stuff.

We are honoring them today for their bravery disregarding their own personal safety. They called upon their training and saved the lives of these two people, this couple, this elderly couple.

I want to say congratulations to the both of you and thank the leg again for having us today in honoring our police officers.

ACTING COMMISSIONER KRUMPTER: Legislator Gonsalves, Minority Leader Abrahams, I want to start by thanking you as I always do because the support you show this department is unwavering and today is very special.

Police Officer Lorenzo, Police Officer Murtagh, this is an example of how

well the Nassau County Police Department works with our village partners, and they are partners, they work as one unit. They work together.

In this case Police Officer Lorenzo sees smoke and follows that smoke into Great Neck Estates, and then Police Officer Murtagh and Lorenzo heroically go into a fire at great peril to their own safety and really putting their lives on the line.

They saved two people. It's quite clear that if not for the actions of these officers today, they would not be alive. It is truly heroic and it demonstrates the great work that our police officers of Nassau County and villages do day in and day out and that are countless examples and they are truly shining examples of the men and women of the police of Nassau County and I mean all of Nassau County. Thank you very much for honoring them. It is truly worthy and fitting. Thank you.

CHAIRWOMAN GONSALVES: Officer

Lorenzo, Officer Murtagh would you like to say something?

OFFICER LORENZO: I'll just say thank you very much.

CHAIRWOMAN GONSALVES: You are most welcome. What about Officer Murtagh?

OFFICER MURTAGH: I'm going to say the same, thank you very much.

CHAIRWOMAN GONSALVES: You're welcome. Legislator Rhoads.

LEGISLATOR RHOADS: Thank you, Presiding Officer Gonsalves.

I just want to offer my personal congratulations having spent the last 25 years as a fire fighter in Wantagh myself, I know first hand the tremendous risk that you took.

I hope that the public has an opportunity to see the photographs that have been passed along here as to the conditions on arrival.

There's no doubt in my mind that were it not for your quick actions and risk to your own personal safety going in without

protective clothing that we firefighters have, without the benefit of an SCBA, self contained breathing apparatus, to protect our lungs, going in without all those materials, and being able to rescue not just one life but two lives, that certainly would have perished because their home based on those photographs would have been fully engulfed within a matter of minutes as I'm sure that it was. That's probably the finest act of heroism there possibly could be.

As a fire fighter and legislator I just wanted to offer you my thanks and my personal congratulations for your amazing effort. You are a true credit to the Nassau County Police Department. Thank you so much.

CHAIRWOMAN GONSALVES: Legislator Birnbaum.

LEGISLATOR BIRNBAUM: I want to add as a resident of Great Neck I know that the whole community saw the black flames and was in an uproar that day and we are so

thankful and grateful to the Nassau County Police and Great Neck Estates Police for your efforts and heroism that day.

I also understand there is contact with Delia DeRiggi-Whitton, I believe Officer Murtagh's wife grew up next door to her, Justine.

So we thank you so much for what you do every day. And this was really an example of you going above and beyond what you normally do. So thank you.

CHAIRWOMAN GONSALVES: Now it's picture taking time up here.

(Recess for photographs.)

CHAIRWOMAN GONSALVES: Please take your seats.

Again, congratulations, and many thanks to Officer Lorenzo and Officer Murtagh.

LEGISLATOR NICOLELLO: Madam Presiding Officer, I have a quick point of personal privilege.

I want to congratulate you, Madam Presiding Officer, in that your son Greg is

receiving his PhD today from Yale University in public health. It's quite an achievement. You must be very proud.

CHAIRWOMAN GONSALVES: Thank you very much, Deputy Presiding Officer Nicolello, as any mother would be proud for a son or daughter achieving such a great accomplishment.

I know he is in the field he set up for Yale University, now has a special program in public health, and that's a major reason why of course I'm proud because he's pursuing his lifelong dream of working for public health.

So, thank you again, Deputy Presiding Officer Nicolello, and, of course, I am proud of my son for his accomplishments.

Now I have two other points of personal privilege. I'm going to begin with Legislator Bynoe know. I know that she's got a number of admirers in this room that are waiting to be acknowledged so Legislator Bynoe.

LEGISLATOR BYNOE: Thank you, Madam Presiding Officer. I would like to have the opportunity to welcome the fifth grade class from Drexel Avenue School.

The principal is Dr. Toledo and the teacher who is joining them today is Ms. Lorraine Massilione and also Ms. Dellarusso. If they would stand up, fifth graders, stand up.

We have spent the morning together and they learned about Nassau County government and they were able to see a little bit of it in action today. So welcome and thank you for taking part. Have a good afternoon.

CHAIRWOMAN GONSALVES: Minority Leader Kevan Abrahams has a point of personal privilege.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer.

Before I begin with my points of personal privilege in recognizing the Varsity Freeport varsity softball team as well as the Freeport wrestlers that placed

in the Nassau County wrestling championship, I think I would be remiss if I didn't take the opportunity to thank as well as wish nothing but good wishes for two of our colleagues who will be moving on to different endeavors; Presiding Officer Gonsalves, as well as Legislator Dennis Dunne will no longer be members of this legislative body come January of next year.

But in my capacity as the leader of the Democrats, the minority side of the Legislature, in working with Presiding Officer Gonsalves, though we may have disagreed on some issues, I truly believe we both felt and knew that our hearts were in the right place in serving the taxpayers of this county regardless of our beliefs.

And I want to take this opportunity to thank you her for her service and wish her continued success in her personal endeavors with her grandchildren, her family and celebrate obviously the achievements of her son; and also to take this opportunity to wish Dennis success. I

served with Dennis since I have been in the Legislature for now, since 2002, as I did with the Presiding Officer, and, again, I want to continue to wish both of you continued success in Dennis' political endeavors and the Presiding Officer in your family endeavors as well.

CHAIRWOMAN GONSALVES: Thank you, Minority Leader.

LEGISLATOR ABRAHAMS: And just so you know, the Presiding Officer, I mentioned to her about five minutes ago I was going to do this and she told me don't do it.

CHAIRWOMAN GONSALVES: He doesn't listen.

LEGISLATOR ABRAHAMS: I do no listen, as you can probably tell.

That being said, it gives me great honor and great pleasure and I know we are joined by some of our Freeport elected officials, I saw Village Trustee Debra Mule' as well as Freeport school member and trustee, vice president of the board Anthony Miller, who is also here with us as well.

Today it gives me great honor to recognize two of our distinguished teams in Freeport. I will start with the ladies that placed in the spring season in the -- they're the conference AA three champions, the Freeport women's softball team. Please join us.

They are led by Coach Danielle Seckerson who is also named the conference coach of the year. As all of you know, I'm also a proud resident of the village of Freeport. It makes me nothing more proud of these young ladies achieving this goal of this height and magnitude.

I would love to be able to present citations to each and every one of you, but I would love to give you, coach, or any of young ladies to talk about your season talk about some the challenges and talk about some of the successes as well.

UNIDENTIFIED ATHLETE: We just wanted to say thank you for this opportunity to be honored here and be recognized for our hard work and wanted to thank our amazing

coaches, Danielle Seckerson, Gabby Loper.

LEGISLATOR ABRAHAMS: Go ahead.

COACH SECKERSON: And just really quickly, I wanted to make sure everyone knew how amazing these girls are. Besides finishing in first place for the first time in 16 years, only twice in the past 35 years have Freeport softball placed as conference champions.

This team was also the scholar athlete team which means 75 percent of them had a GPA of 90 or better which means they are the true definition of a student athlete.

LEGISLATOR ABRAHAMS: If we had a home run contest I'm willing to bet the ladies up there would definitely beat the folks up here. These guys wouldn't get it out of the infield. So I want to thank you again.

I'm also want to recognize the men from the wrestling team, so I will join you guys in the back. It brings a great amount of admiration as well as a feeling of

being proud for each and every one of you the fact that number one you have achieved this achievement on the field but what you are achieving in life and academically is even more important and hopefully this is only a vehicle to open doors for you academically as well as in life down the road. I'm proud of each and every one of you.

So I have citations for each and every one of you and we'll present those in the back.

I also want to take this opportunity to share this distinguished occasion with Legislator Curran who also shares Freeport with me as well as Legislator Rhoads who both cover the Freeport are and if they want to join us we will do pictures in the outside ante-chamber then we can join there later on.

That being said, Freeport is doing many great things and I also want to take this opportunity to recognize I believe we have five wrestlers today who -- Dennis

would -- one of our colleagues, Legislator Dennis Dunne is a big wrestling fan, former wrestler, inducted in the Hall of Fame.

One of our legislators, Dennis Dunne, you've heard before obviously he's mourning the loss of his mother, was also inducted into the hall of fame for wrestling. So Dennis has a tremendous amount of admiration. I know he would love to appreciate each and every one of you that are here today.

Please stand up, gentlemen. The Freeport wrestling team is coached by Joe Chetti, as well as assistant coach Matt Sellin. But I do want to take the opportunity, coach, to give you an opportunity to speak.

Before I do so I want to recognize the fact that these gentleman here have carried themselves with a great amount of ability, I'm sure as well as on the mat. But in addition to probably as well as in the classroom.

We are here today with Deshawn

Thomas, I have five down. Tell me who is not here.

Here, Frankie Polito, Chad Elder, Ikey Kehelis, and Freshman Lee Morris and from what we are reading here, also Lee also placed first in the 2017 War at the Shore tournament held at Wildwood Convention Center in Wildwood New Jersey which earned him the national title and All American status in the 120 pound weight class as well.

Coach, please, as we did before, with the softball team, share with us the challenges and some of the accomplishments we would love to hear how your season went and how it progressed.

COACH CHETTI: First of all, we want to take the time to thank you, the chamber itself, we are very humbled and very appreciative that we are here today.

I don't want to take the time away from these young men, they're the guys that really really worked hard. I have been coaching for 26 years at Freeport High

School and this is a very hard working group that has a brotherhood of bond that lasts forever. They push each other and it's just magical to me when you see at the end of the season everything comes together and all five of them were on the stand this year giving the team a top ten finish again, but, more importantly for them, the goal in wrestling for people who don't know, you want to get on that stand and be honored forever.

Of course, winning the county title would be better, but four of the five, these four gentleman will be back. So there is promise again. I know that's in their goals and dreams to do that so I want to wish them well and I'm sure with the hard work they are putting in it's going to happen.

LEGISLATOR ABRAHAMS: I can tell you on behalf of not just the village of Freeport and the school district, but on behalf of also the residents of the county, we are all extremely proud of each of your

achievements. You've made Nassau County, especially in a national championship, you have made us tremendously proud, not just on the county but on the national stage as well.

So, at this time I will ask Legislator Rhoads as well as Legislator Curran to join me in the anteroom so we can properly present each of the gentlemen as well as the ladies their proclamations and certificates of recognition as well.

Before that, would you like to say anything?

COACH CHETTI: Thank you for honoring us.

LEGISLATOR ABRAHAMS: Short and sweet. Sounds good. I will join you in the back.

CHAIRWOMAN GONSALVES: Now it's time for public comment and I have a few slips before me. I'm going to begin with the first one, David Gross. Remember, there's a three-minute limit and I would appreciate that you stay within that limit.

Mr. Gross.

MR. GROSS: Thank you very much, Legislator Gonsalves for this opportunity to speak before the Legislature today.

My name is David Gross. I reside at 545 East Beach Street in Long Beach here in Nassau County.

My home is my only piece of real property that I own. It is my primary residence and the upstairs apartment is my primary source of income at this time.

I wanted to share with you what happened to me last year. I had a couple, two tenants that lived upstairs in the apartment. They decided they were going to stop paying rent one day. I gave them various notices and so forth. I followed the rules of law.

I then hired an attorney. We brought a summary eviction proceeding in the city of Long Beach. It took approximately two and a half months for the case to wind its way through the landlord tenant process. Ultimately I ended up with a warrant of

eviction and the judgement of possession, warrant of eviction. I served that upon the sheriff.

It took about another two months for the sheriff to show up with the moving and storage company. I was out about six or seven months rent at that time and then I was required to pay a $5,000 moving bill to remove my tenant's belongings. Those belongs included all sorts of collectibles, Lladros, Hummels, crystal wine glasses, and even a baby grand piano.

I was informed that this is a requirement of the Nassau County sheriff's department and without agreeing to pay this they would not assist me in removing my tenant.

It seems to me this rule of the Nassau County sheriff is a rather unfair burden on our landlords of this county and with some research I determined that I think we are the only county in the state and perhaps the only county in the country that has such a rule.

This rule is not a regulation. It is not a law. It is simply a sheriff's rule. Most of you I have contacted your offices one way or another. Some of you I have spoken with you personally to let you know about this, I can go on for quite some time about the genesis of this Nassau County sheriff's rule. If you do want to speak to me about that, please feel free to contact me.

But, the bottom line is, it's a simple rule of the Nassau County Sheriff's Office that can be changed as quickly as it was enacted back around 2001, 2002.

This is a tremendous burden on landlords, not just landlords, but anyone who owns a home in Nassau County because that home might at sometime be a rental property.

I see I'm out of time. I thank you. If you have any questions, I would be happy to answer them.

CHAIRWOMAN GONSALVES: Thank you very much. Legislator Ford would like to

comment.

LEGISLATOR FORD: Thank you very much for coming, Mr. Gross. We have been in discussions with this and you are one of a number of people that have been impacted negatively by this legislation by this law. Because I know so many people who own one family homes and they might have an apartment and the same thing has happened to them where they would have someone living in their home for a year not paying any rent.

Then, really, the kick in the pants happens to be that you have to hire a moving company to take all of their possessions out. You have to provide funding for other things. The sheriff, it's just one nightmare after another.

We did have a discussion. That's why I brought my counsel down. We were surprised it hasn't been put on the calendar yet.

Rest assured, I know that we had discussed this in our caucus and we are prepared to pass this legislation so look

for it on the June calendar.

MR. GROSS: Legislator Ford, I would just respectfully point out to you you used the term law and regulation with respect to this rule. It is neither law nor regulation, it is simply the sheriff's department's way of doing business. That's all it is.

LEGISLATOR FORD: But we will discuss this in our caucus but we are looking to make this change.

MR. GROSS: Thank you, Legislator Ford.

CHAIRWOMAN GONSALVES: Legislator Bynoe.

LEGISLATOR BYNOE: Thank you, Presiding Officer. It's my understanding that this is actually legislation that was actually introduced by Roger Corbin some years ago and I'm in housing so it negatively impacted the Housing Authority as well. I do understand the purpose of the law.

It's to protect those that might

already be disenfranchised or disadvantaged and unable to make their rent, that their own personal belongings don't get stolen from the curb.

So while I understand that as a landlord it's a monetary burden to you, I believe that it's more of a burden to those that already might be in a circumstances where they can't pay their rent may end up in fact without being rendered homeless and then being rendered without any of their personal belongs.

I understand your plight but if we are looking to roll that back, I would really seriously implore this body against that. I suggest that may look at some other options including potential opportunities for them to self store. It might be cheaper for them to store the property in the home for 30 days and this way they're not burdened with the cost of actually having to move it.

Then at that point look at something different. But I definitely do

not support the fact that we roll this back. I think it protects a lot of low income individuals who are in some way or another impacted with eviction. So that's just my two cents.

CHAIRWOMAN GONSALVES: Legislator Ford.

LEGISLATOR FORD: Legislator Bynoe, you bring up an important part. The law however we want to categorize it. But when we were looking at this, and we were aware of the fact that this law was passed or whatever it was, was passed to protect those because many many years ago we witnessed in the papers pictures of people who were evicted and then had all of their household belongs placed on the curb so they lost everything.

But when you look at the Housing Authority, those are multiple family dwellings. I think that the people who are getting hurt in this instance happens to be that person who has one tenant in their two-family house or they're renting the

house out.

So we have seen it maybe they're the ones protecting the possessions of those people, but I think that I have had instances where a woman lost her husband, wanted to get back in the house, had to rent someplace because she couldn't get the people out the house, she didn't have the rent coming from them, then had to rent somewhere else. All she wanted to do is be back in her home for the holidays. Couldn't do that. Then she found out on her little bit of income, getting any type of revenue, she then had to pay to hire a moving company and then protect everything. It was like a nightmare.

So you need to have a balance. I think that in this case a lot of the landlords that are being impacted with something like this happens to be those that may rent out their home or may have the tenants living in their but the multiple family dwellings, no.

LEGISLATOR BYNOE: I actually

believe there is a bigger issue here too. Once you put people's belongings to the curb, then you lend for a different level of lawlessness. Then you have people that are going to come and start picking through people's belongings. If it's on a main street, now you are creating and putting people in harm and in danger.

So I think that if you have a concern about this law, it's something that we should look at, but I don't think rolling it back and simply allowing people -- landlords to put people's belongings to the curb is the way to go.

They allow it in Suffolk and we don't want to be amongst Suffolk County when it comes to this law. We want to stand out and protect the tenants. Thank you.

CHAIRWOMAN GONSALVES: Legislator Bynoe, I have Legislator MacKenzie, but, before I do, Mr. Gross would like to say a comment.

MR. GROSS: Legislator Bynoe, with all due respect, I would like to point

out a common misconception that you stated a moment ago.

This rule of the sheriff has its founding in a case of 2001 Village of Hempstead versus Jerblonski. That case didn't relate to public safety particularly.

What it related to was the Village of Hempstead brought an action against the sheriff saying that he was in violation of 116-6 of the local municipal law that had to do with anti-littering.

The sheriff was putting things out on non garbage pick up days. That was the genesis of the problem.

Now, there is an easier solution for that. If the sheriff would simply work with the local municipality to put things out on bulk pick up day, or arrange for a special pick up day, the whole problem is resolved.

LEGISLATOR BYNOE: We will get you a copy of the legislation that was filed by Legislator Corbin and it specifically dealt with the fact that we did not want to

further negatively impact those who were unable to pay their rent, that their personal belongings were then being stolen from or taken from the curb once it was put out into a public area.

So the intent of the law had nothing to about with littering, had nothing to do with garbage pick up, and has everything to do with the fact that we were protecting those who may have already may have in some way fallen on hard times and were unable to pay their rent and they didn't feel it was right to put their belongings to the curb. It is in protection to the tenant.

So I will be happy to talk to you in more depth about this issue at a later time. I know the Presiding Officer has been patient in allowing me to speak on this.

CHAIRWOMAN GONSALVES: Legislator Bynoe, I believe that the legislation you are alluding to which was sponsored by Legislator Corbin at the time did pass.

So it is on record. That

protects the tenants rights.

MR. GROSS: Thank you very much.

CHAIRWOMAN GONSALVES: You're welcome. Except, Mr. MacKenzie, would you like to say something?

LEGISLATOR MACKENZIE: I think a lot has been said already. We are well aware of the unique scenarios that you point out. I've had people complain to me, older woman can no longer afford her home, was renting it out, and gets beat out of a few months rent before they are able to evict, but then, to add insult to injury, the possessions were left in the home, but, beyond that, they left abandoned cars on the property which she was also required to tow and store and it amounted to thousands of dollars for a senior who was just trying to keep her home.

So we are aware of the extreme situations that can occur, particularly in single family homes and the results that you mentioned. So we are working on it.

MR. GROSS: Thank you.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: Peter Gaffney.

MR. GAFFNEY: Thank you for listening to me. My name is Pete Gaffney. I reside at 215 Harbor Street in Westbury, New York. I come before the Legislative Chamber just to talk about traffic safety.

There is a lot of civil discord out there with regard to speeding, traffic violations, and things like that. It's rampant. It's really bad.

Just take the roads around here. You take Clinton, probably 80 to 90 percent of the people there excess speed, probably excess of over ten miles an hour.

Trucks on the roadway are speeding excessively including the post office trucks, the Fed Ex trucks. School buses are speeding.

I travel those streets every day and there isn't one person on a regular basis that drives at the posted speed limit of 30 miles-per-hour.

You also take Old County Road

over here especially at rush hour, I mean, the amount of speeding that goes on, even with the high volume traffic, people are so impatient. They go into that maximum left turn lane and continue to go for three quarters of a mile just to get to their destination. I've even see people make illegal U turns on Old Country Road. It's ridiculous.

There needs to be something done. I'm going to suggest a possibility of looking at speed cameras to generate income so we can have more community policing.

Currently right now, the Third Precinct, I think now they've increased it to four people.

Back in December there used to be two. They hired one additional. Now it's up to four people to cover the entire precinct for community violations.

Again, I live if Westbury up along the Carle Place School District. There's a small town gas station that right over around Westbury Avenue. I'm going to

tell you this, there's 15 to 20 people that cut through the gas station just to beat the traffic light. It's out of control.

To say that New York City with their zero vision policy, maybe there's something to it, not as extreme, but I'm just saying to you, I've just seen some crazy things.

You look in Newsday you see horrific crashes. They just showed a picture of a 17 year old hitting a tree. It wasn't a dent. The car is wrapped around the tree. The speeding is ridiculous. It's become absolutely crazy.

You're the people that are supposed to make and protect the citizens and make it work. This is something that both parties need to come together and come up with some sort of a solution. Thank you.

CHAIRWOMAN GONSALVES: Thank you, Mr. Gaffney. I want to say that Carle Place is not alone. And this is something that we face in each and every one of our districts.

I have three main county roads in

my district; Bellmore Avenue, Merrick Avenue, and Jeruselum Avenue, and speeding is a problem.

Only last week I implored the police department to go out there and give tickets and they did but that's only temporary.

I can understand where you are coming from because it is a major problem and it does put the safety of our pedestrians and residents at risk. So I thank you for being here today.

MR. GAFFNEY: Thank you but I still would like you all to do something about it because it's a problem in every one of your districts. You just said so.

CHAIRWOMAN GONSALVES: Absolutely. And I know you made a suggestion and that suggestion from two years ago did not survive here. So I don't know whether or not --

MR. GAFFNEY: It's time to rethink it.

CHAIRWOMAN GONSALVES: Rethink

it. It's always time. Thank you, Mr. Gaffney. Joanne Bo.

MS. BO: Good afternoon. My name is Joanne Bow and I'm a board member of the South Bellmore Civic Association which was formed after Super Storm Sandy and a member of the Bellmore Moms and Dads Group which together has 4,000 members.

I'm here today on their behalf to request that Merrick Road in Bellmore be repaved.

We have been told by the county for many years that this project would be completed.

As the years passed, Merrick Road continues to deteriorate. It's become a patchwork of filled pot holes. The road is so bad that even our pot holes have pot holes.

As we do our civic association cleanups on Merrick Road, we pick up large chunks of the road that are literally crumbling every day. These chunks on the road are lying on curbs and sidewalks.

The roads are dangerous. They are uneven. And one section even has a large steel plate covering the road.

The road is dangerous not only to motorists, but extremely dangerous to motor cycles, bicyclists and pedestrians.

Merrick Road in Merrick was resurfaced a few years ago with black top which has drastically improved the safety and appearance. The next section of Merrick Road in Bellmore is only 1.5 miles and that desperately needs to be resurfaced with black top.

We are aware that one vote is holding up the capital project and we are pleading with you to do the right thing and stop putting public safety at risk and help a community that was devastated by Super Storm Sandy still working on repairing our community.

South Oyster Bay Road was completely overhauled with resurfacing sidewalks, pavers and trees.

We are asking that the 1.5 miles

of blacktop on a very busy Merrick Road that is the center of our community and businesses be repaved. Thank you.

CHAIRWOMAN GONSALVES: Legislator Rhoads.

LEGISLATOR RHOADS: First off, Ms. Bo, I want to say thank you so much for taking the time to come down here and voice the concerns stressed by so many residents along the south shore and of course by the South Bellmore Civic Association.

The reality is that we have over $120 million in capital infrastructure projects that are being held up by funding because of the absence of one additional vote, a 13th vote, so that we can actually do those infrastructure projects.

It is everything from police technology upgrades to upgrades for maintenance of our sewage treatment and infrastructure system, pump station upgrades are one of the items on the calendar today, along with Clerk Item 466 of '16 which is $1 million for improvements to Merrick Road and

specifically Bellmore Avenue which would encompass part of the area that you spoke about.

But it's road reconstruction, traffic safety, parks improvements, environmental safety projects, housing improvements for veterans, there are a wide variety of projects that are being held up because of the absence of one vote from a single member of the minority caucus. That's what's preventing it from happening.

Just so I can explain to you what's going on on Merrick Road for those of who happen to not live in that area, I did participate along with Ms. Bo in the South Bellmore Civic cleanup, that they diligently do every year, and how silly is it that a civic association has to actually go out and try to do maintenance that we should be doing if we had the ability to be able to do it.

This is actually, if I can demonstrate, this is actually part of Merrick Road. This chunk of concrete,

Merrick Road in that particular area is a concrete bed roadway.

This particular chunk of roadway was laying on the side of the street because we don't have the infrastructure money that we need to be able to prepare these things properly and be able is resurface Merrick Road.

Instead we put in patch. This bag and I could have filled a thousand bags like this, this bag is gravel. This is the patch that we actually try to fill the concrete bed roadway with that disintegrate in a very short period of time.

These things are symbolic of what happens when you ignore infrastructure and what happens when you use capital spending as a political tool to make a point.

We have work that has to be done. We have people that we all represent. There are projects that are being held up all across the county including in each one of our Legislative districts including your districts, so, please, let's do the business

the people. Let's take care of our infrastructure structure. Let's approve our capital spending. Let's do the business that the people sent us here to do so we don't have to force people like Ms. Bo to come down here and plead for this not to exist on a busy roadway.

Bellmore Avenue, for example, it says Bellmore Road, but Bellmore Avenue, for example, there are portions of Bellmore Avenue don't have sidewalks.

What winds up happening, in the wintertime, nobody shovels the grass in front of their homes so that kids can walk. The reality is is that kids are walking to and from school, they have to walk along Bellmore Avenue, a busy roadway, and they put themselves at risk just to get to school.

These are things that we have the responsibility to take care of. There are things we can take care of if we work together instead of opposing each other on our capital projects.

So I appreciate you coming down here, Ms. Bo, very much on behalf of the civic association to express your concerns and I hope they have not fallen on deaf ears.

CHAIRWOMAN GONSALVES: I have three or four other speakers of residents who would like to comment today. I'm going to ask my colleagues, after you Minority Leader, to be brief so we can move on.

I would like to have each and every one that has submitted a slip to be called before I call public comment to a halt. Minority Leader, go.

LEGISLATOR ABRAHAMS: I want to respond because there's a constituent who has a very valid claim and Legislator Rhoads had some very theatric type of presentations there. But let's just be clear what we're talking about.

Ms. Bo, I'm sure, I don't know if you know or do not know, but the county in October passed over $20 million in road resurfacing projects. So that bonding is

done. That money is in place.

Legislator Rhoads, standing here with pieces of asphalt, which I don't undermine the fact that he probably got them from Merrick Road, but the fact remains this Legislative body, to the disapproval where we stand in this procurement process, but I'm not going to bring that up, this Legislative body approved bonding for road resurfacing which would include Merrick Road.

So the problem is not the 19 Legislative members, or point out the Democratic ones, like Legislator Rhoads pointed out, that's beyond the point.

The problem, it needs to happen, it requires the Department of Public Works to actually procure it for the procurement to come forward.

So I don't understand the need for holding up asphalt, or gravel, if you have the money. That's what you're here for. That's what you're here for. You want to make sure the Legislative body has done

their job which is to provide the money. The Legislature has done their job.

So the next step would be -- if you want to come to the mike because I can't hear you, the next step would be that County Executive, the administration, would actually enter into an RFP process, that RFP process would generate an award, and that contract would be sent to the Legislature for approval and would be heard in the Rules Committee meeting. That's where it stands going forward.

But, to me, casting blame is not why you are here today. You represent a group of people, a civic association, they just want to see their tax dollars at work. They don't want to see their tax dollars being spent on all kinds of things that you're reading about in the paper. They want to see their tax dollars go towards community protection and public safety. That's why you are here today.

I strongly disagree with Legislator Rhoads. I don't know why he did

what he did today in terms of making it a partisan issue. He knows full well that this money has been there, been there for over six months, seven months it's been there.

I don't know why he would go into that big presentation but I'm here to rest assured to you to give you the facts. The facts are that the money is bonded. The money is there. And now it requires the administration to take some action to be able to procure it so it could come down to the Legislature so we can move forward.

I'm sure Legislator Rhoads has a response as well.

CHAIRWOMAN GONSALVES: Legislator Rhoads.

LEGISLATOR RHOADS: The reason, Minority Leader, that there isn't a specific project for Merrick Road and Bellmore Avenue is because it was not included within the $20 million and you should know that.

The reason that we raised it today is because the approval hasn't been

given for this particular stretch of roadway and I would urge every one to come down and take a look at the condition of that roadway.

That road needs to be repaired and it has not been included in any project that's been approved by this body because we are waiting on that additional vote.

If, in fact, we are so concerned about the roadway, can we advance this item today and have your commitment that you are going to vote for it so we can approve it?

CHAIRWOMAN GONSALVES: It is an item on the calendar today.

LEGISLATOR ABRAHAMS: The item that I have before me is a street scaping, North Merrick Road.

CHAIRWOMAN GONSALVES: No.

LEGISLATOR ABRAHAMS: Well, that's what I'm looking at, it's on Jerusalem Avenue, not Merrick Road. I'm not too sure what Legislator Rhoads is referring to. 466, 416. Let's read it into the record and find out what it is.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: The item on the calendar, for the record, hold on, it is a bond ordinance for that particular project.

LEGISLATOR ABRAHAMS: Madam Presiding Officer, this is for a streetscape.

CHAIRWOMAN GONSALVES: No, it's not. It's a road resurfacing.

LEGISLATOR ABRAHAMS: No, no. Let me read it into the record again. This is the Merrick Road, Bellmore Road improvement for street scaping. This is not bonding for a resurfacing. This is not going to fix what we are hearing today. This is for a street scape. This is for pavers, decorative lighting.

61587 is the capital project for road resurfacing and that's not on today.

This is not road resurfacing. Legislator Rhoads, can you clarify? I'm not too sure I understand what you're talking about.

I have seen these all the time.

You guys put these up all the time. These are street scapes. This is decorative lighting. This is park benches.

Norma, I'm reading the item. It's right here.

MS. BO: Does it have the streets that would be done, Merrick Road?

LEGISLATOR ABRAHAMS: It has Merrick Road. I would have to look it up in the back. I'm looking at a summary. It's not repaving. I'm not too sure what -- if, Legislator Rhoads, can you comment, please?

LEGISLATOR RHOADS: I certainly can. We will take a look at that particular grouping.

LEGISLATOR ABRAHAMS: Now we are going to take a look at it. Before you said I should know this.

LEGISLATOR RHOADS: The reality is yours and --

CHAIRWOMAN GONSALVES: Let's put it this way. We will find out exactly what Merrick Bellmore Road improvements are.

LEGISLATOR RHOADS: There is an

issue, because Merrick Road and Bellmore Road don't even intersect.

LEGISLATOR ABRAHAMS: Get it right.

MS. BO: Well, I called on another issue that came up recently with the improvement of the water plants that was voted down, recently and when I called Mr. Abrahams Office, and I called I spoke to someone in Glen Cove and I was told that things weren't being processed because everything was being held up. We are not doing capital improvements. Things were being held up because of county politics. And I thought this fell into the same category.

LEGISLATOR ABRAHAMS: Folks can categorize it any way they want in terms of county policy.

MS. BO: But it's not getting done. Things are not getting done.

LEGISLATOR ABRAHAMS: I agree with you, it's not getting done because this legislative body can't come to an agreement

on how we procure and how we protect taxpayer dollars in this county. That's the problem.

MS. BO: That is a problem.

LEGISLATOR ABRAHAMS: We believe on this side that we need to have an Independent Anti-Corruption Officer to oversee the procurement process so some of the stuff that you read about does not happen again. They believe we have enough.

CHAIRWOMAN GONSALVES: I would like to move on. I'm sorry that we have such a debate up here. I have three other people.

MS. BO: That's oversight. We should really worry about contracts.

CHAIRWOMAN GONSALVES: You are absolutely right, but I'm not going to debate that. We have a procurement director in this room today to verify.

MS. BO: To make sure all contracts are legal, and --

CHAIRWOMAN GONSALVES: Yes, absolutely. And let's move on and thank you

for coming.

MS. BO: I hope we get something done and can move and fix our water treatment plants and fix our roads and do the jobs that you're supposed to be doing.

CHAIRWOMAN GONSALVES: I ask my colleagues to hold their debate. There are three other speakers and right now I can call public comment to a halt until after the legislative meeting.

Rather than do that, I'm asking my colleagues to hold their comments and their debate, primarily because this is the time for public comment. That's it.

I think I have been very, very, I guess, obliging, in having this so-called debate going on.

I want to now call Joanne Borden because she has been sitting here for a while. Okay, Joanne. I have three others. I intend to have all three before we go into the Legislative meeting. Nothing else prior to that. I ask you to hold your comments, legislators.

Full Legislature/5-22-17

MS. BORDEN: Before I begin, I just want to say, I just want to address Ms. Gonsalves and express my gratitude for her courtesy even though she disagrees with me and I'm actually sorry to see you go. I would like you to be in the minority but I'm sorry to see you go.

CHAIRWOMAN GONSALVES: If I stayed, I don't think I would've been in the minority. No comment, Joanne, it's nice to see you.

MS. BORDEN: Good afternoon everyone. Legislator Nicolello's interpretation of our Human Rights Law for transgender people says they are protected in the law.

Mr. Drucker's interpretation says that it is not. This demonstrates our law is uncertain and all lawyers learn a law must be certain, interpreted only one way.

Last time I read the County Attorney's ruling stating we are not explicitly covered by Nassau's law.

This time I will read the

Republican legal counsel's letter, Mr. Astuni's letter to me in 2010.

"Dear Ms. Borden, pursuant to your request, I have analyzed the relevant case law and have concluded that a court would likely conclude that the Human Rights Law is protected of transgender individuals.

He said a court would likely conclude, likely fails to meet the laws certainty requirement because likely allows other possibilities, other choices.

The change we propose merely defines the word gender to include us with certainty in our law. Race and religion are protected not likely to have protection.

Put the transgender Human Rights Law to a vote so a court would have no choice in determining if we are covered. Medical researchers say we are a natural occurrence of exposure to hormones in our mother's womb. Such that as our physical body and our brain develop along different gender path by allowing a law to be uncertain in protecting us, and to encourage

haters to deprive us of jobs and other human needs, and murderers to kill more and more of us each year.

You give young bigots a license to taunt and beat transgender children, drive them out of school and drive many to suicide.

Do not allow your inaction to encourage this unnecessary harm and unGodly slaughter. Put the transgender Human Rights Law to a vote.

Thank you, Mr. Pulitzer. Please put Mr. Astuni's document into the record. I gave it to the clerk.

In it he sites a case, Hispanic Aids Forum v estate of Bruno. In defense of Mr. Astuni perhaps the appeal of the case he cited came after the letter to me.

But the New York State Appellate Court reversed that division and Mr. Astuni's conclusion.

It demonstrates that we are not protected. I'm also asking you to include the County Attorney's letter into the

record. Thank you.

CHAIRWOMAN GONSALVES: Howard Kroplick.

MR. KROPLICK: Presiding Officer Gonsalves, Legislators. Thank you for the opportunity to discuss one of my favorite subjects, the Roslyn Gristmill. I'm Howard Kroplick, 33 Wren Drive, East Hills, New York. I'm the account historian of North Hempstead. I'm also on the Board of Trustees of the Roslyn Landmark Society and SPRIA, and I'm here to discuss our support for Resolution number 129-2017.

The Roslyn Gristmill is a rare surviving early 18th Century Long Island building purposely built for industrial use in the heart of the Village of Roslyn, historic Roslyn.

The building features unique Dutch framing methods and it was the center of business activity in the village for over 200 years. It was acquired by Nassau County in 1976. That's 41 years ago. And it has been vacant.

When it was acquired by Nassau County it with the promise that it would be restored. Unfortunately, over these 40 years it has become somewhat of an eyesore in the center of the village.

Restoration and preservation of the Roslyn Gristmill will preserve an important piece of Long Island heritage while encouraging tourism to one of the most historic villages in Nassau County.

As the editorial board in Newsday said just last year, it is a gristmill and a past worth saving.

Now, I have good news. Over the last year we have had a committee together to generate funds for the preservation of the Roslyn Gristmill; this includes Nassau County, the village of Roslyn, the Town of North Hempstead, private foundations, New York State, and the Roslyn Landmark Society, as well as surrounding Hempstead Harbor communities.

We've revitalized the restoration effort and we raised $1.2 million to date,

so we're ready to begin Phase One.

This restoration funding began 11 years ago by Nassau County when you approved $250,000 in EPA funds. We are now on the verge of starting the restoration of Phase One. The only thing holding up is you signing the approval of the IMA between the Village of Roslyn and Nassau County.

I would like to personally thank the bipartisan effort here. We have had discussion on both the north and south wings concerning this project. We've gotten very positive response.

And I do appreciate hopefully the approval today of the final step in the process of authorizing the County Executive to execute the grant agreement between the county and Village of Roslyn.

The downside is, if we don't get this approved, this project cannot go forward. We need that additional $250,000 to start Phase One.

Again, thank you for everybody who has been involved with this historic

project. We are going to take an eyesore and make it a beautiful location for the people, the residents of Nassau County, to really enjoy a really important part of the history of Nassau County. Thank you very much.

CHAIRWOMAN GONSALVES: Thank you. Jack McCloy.

MR. MCCLOY: Members of the Legislature, thank you for allowing me to address you today.

I would like to mention, I want to talk about two topics and I'll make them both quick. The first one is the traffic safety issue.

I would like to point out, yes, I am running for the seat that Laura Curran will be vacating in Legislative District 5 and on my website I have something posted that Judy Jacobs had written a couple of years back.

It was a response to a proposal that I addressed to the Legislature at that time about traffic safety and how to

eliminate wrong way driving or at least seriously reduce the incidents of wrong way driving.

She was in favor of that idea. I would like to mention to you again that that would be one way that we can improve traffic safety on Long Island.

I would like to mention I just got back yesterday from Seoul, South Korea, and if there's one thing that's completely different here on Long Island than what happens over there is the driving.

The streets are narrow. The cars go fast. They have a lot of motorcycles traveling in between the cars and the pedestrians, and they don't seem to defer to the walking traffic.

The reason why I mention this, I want to mention the reason I mention this, the reason I went is my son got married there last week and it was a joyful occasion.

But one of the things that occurred, and the reason why I mention this,

while I was there, they had the national elections occur.

I spoke to a number of people that were on my son's, now wife's family side that had given me a greater insight into what was happening there politically than I think I would have been enable to absorb if I was here.

When I walked around in south Korea person after person would come up to me, because I looked different, and they would say, where are you from. I would say New York. They would say, we love America. We love Americans. There is a fondness for Americans there that I had no idea about.

Yet, when they had their last election, there was a sweeping change in the political dynamic there.

I asked some of the elders of the family members that we were talking about, why did such a tremendous change occur? They basically said that the ruling party previously headed by Mrs. Park did not have other political members that vigorously

opposed her viewpoints and ethics, lapses and they swept most of the candidates out including the ruling leader.

I mention this, not focused on one party or another, and I will wrap this up in a few seconds, but just as a comment to state that I hope that it's possible that our Legislature can get along with regards to issues that are for the benefit of the general public because what I saw there was the result of something that they said, or was the dynamic between the two parties and the inability of them to get along.

I hope that you are all successful in your upcoming races and I just wanted to point out that that situation I hope does not occur here with our sitting legislators. Thank you very much.

CHAIRWOMAN GONSALVES: Thank you, Mr. McCloy. Nicholas Stirling.

SUPERINTENDENT STIRLING: Good afternoon. I'm sorry that the students that were here just a while ago had to leave, but I'm very excited and happy to see that this

body continues to support our students as well as taking the time to recognize their accomplishments. You are obviously a group of people who obviously care about the students here in the Nassau County area.

I'm the superintendent of Valley Stream 30. I'm here to ask for some help. As you're aware, the revocation of the Green Acres Pilot has occurred and we really feel that this revocation should not negatively impact student services and/or programs and should not result in a disproportionate shift of taxes to our homeowners.

As such, the district is respectfully requesting that you work with the industrial with the IDA, the Hempstead IDA, the assessor, the Assessment Review Commission, and any other appropriate department within Nassau County to take whatever actions are necessary to restore each of the Green Acres Mall's property to taxable status 2017-18 fiscal year.

Please note that August 15, mid August, is a critical time for the school

districts because at that particular time we must report to the state as well as to the county what our tax levy will be.

We have two scenarios looming. One, approximately $10 million in a possible shortfall due to possible litigation or nonpayment that will ultimately devastate our district.

Or, two, the unnecessary collection of $10 million from our residents which ultimately could be returned to them the following year and you have gone through that this year.

We are really trying to avoid a situation that puts children and programs at risk.

The taxpayers of 30, 24, and 13 and other neighboring Valley Stream areas should not have to bear another year of tax increases because the school districts are not given the appropriate information to calculate the tax levy.

Please help us to return the mall to the rolls immediately in the name of

children and taxpayers who only want to pay their fair share. Get them all back on the tax rolls and we would truly appreciate your help.

CHAIRWOMAN GONSALVES: Thank you very much, superintendent.

LEGISLATOR SOLAGES: Presiding Officer?

CHAIRWOMAN GONSALVES: I have one more comment.

LEGISLATOR SOLAGES: I'll be brief.

CHAIRWOMAN GONSALVES: No. You open the door --

LEGISLATOR SOLAGES: Thank you, Presiding Officer. First of all, I would like to thank you first of all for your many years of service and thank you back in October you stated that if the Pilots were revoked that you would assist in helping to make sure that the property is back on the tax roll.

This is an example of justice delayed being justice denied. The more time

that we wait, or the more time that goes on, the school districts are not aware of what payments may be made, puts them further in a difficult position from their budgets.

So I'm just asking respectfully that we put more pressure -- I know that you reached out to the IDA and I appreciate that we put more pressure on the IDA and all the other actors involved here to make sure this gets done. That's all. Thank you.

CHAIRWOMAN GONSALVES: Now Legislator Gaylor.

LEGISLATOR GAYLOR: Thank you, Presiding Officer. Thank you, Dr. Stirling for your comments.

A couple of points that I would have to bring up that I don't necessarily agree with your total assertions that you've made.

I know that school district 30 has an overage of money that was collected due to budget miscalculations whereby taxpayers were overcharged and that money could've been returned this year to the

taxpayers and should have been returned. Thus, through the reluctance of the school district, it wasn't.

As you are aware last week I sent a letter to you, a copy of the letter I sent to you, our state legislators, with proposed legislation to place the Green Acres property back onto the tax roll. Did you get a copy of that letter?

DR. STIRLING: On Friday.

LEGISLATOR GAYLOR: Yes. You did. So you know the actions we are taking here in the Legislature to try to help the tax paying citizens who have rightly or wrongly suffered throughout this whole process.

In order to put the Green Acres property back on the tax roll, there is required state legislation.

And, as such, I have asked our state legislators to introduce the legislation I've proposed so we can quickly get this property back onto the tax roll.

I think it's kind of disingenuous

for you to neglect bringing these facts up to the public and before this board.

Equally I believe it's disingenuous by our legislator on the other side who is aware of the actions being taken not to recognize that fact. So I think that the --

LEGISLATOR SOLAGES: You are incorrect in your alternative facts.

LEGISLATOR GAYLOR: You have the right to disagree with me and I appreciate that. The actions that were taken here --

LEGISLATOR SOLAGES: You should be helping us with the school districts and not hurting them. Please.

CHAIRWOMAN GONSALVES: Didn't I just say --

LEGISLATOR SOLAGES: Mr. Gaylor, stick to your district. You, of course, want Green Acres Mall on the tax roll, do you? Are you defending Green Acres Mall?

LEGISLATOR NICOLELLO: Sounds like Legislator Solages doesn't want to listen.

LEGISLATOR GAYLOR: You had an opportunity to speak and I think I should have an opportunity to speak freely without interruption. You like to grandstand, Mr. Solages.

CHAIRWOMAN GONSALVES: No more interrupting, Mr. Solages.

LEGISLATOR GAYLOR: That's your mode of operation, to grandstand and grab a headline here.

LEGISLATOR SOLAGES: You're just jealous. No one is listening to you. No one cares about you.

LEGISLATOR GAYLOR: You are disrespectful.

LEGISLATOR SOLAGES: Legislator Solages, you're out of order.

LEGISLATOR GAYLOR: You are very disrespectful. But it's me who is the person who is introducing the legislation repeatedly.

LEGISLATOR SOLAGES: You are not doing anything but distracting people.

LEGISLATOR GAYLOR: To our state

representative in order to help the citizens in Valley Stream.

I will continue to work and fight for the citizens of Valley Stream for all our taxpayers. There are certain processes and steps that have to be accomplished that we are taking to accomplish. We are not grandstanding like you are and throwing a barb at people because you think that gets you some kind of --

LEGISLATOR SOLAGES: You are jealous. Nobody cares about you.

CHAIRWOMAN GONSALVES: You are being rude, Legislator Solages. Stop interrupting.

LEGISLATOR GAYLOR: You are very disrespectful. I think the superintendent now can recognize the fact of the caliber the person that you are, Mr. Solages, and you should be ashamed of yourself, quite honestly.

LEGISLATOR SOLAGES: You should be ashamed of yourself because you submit letters in support of liquor stores in my

district. You should be ashamed of yourself for that.

LEGISLATOR GAYLOR: I think, Dr. Stirling, you --

LEGISLATOR SOLAGES: And it was denied by the way. Wasted your time.

LEGISLATOR GAYLOR: I thank you, Presiding --

CHAIRWOMAN GONSALVES: I'm serious. You're not going to interrupt and be rude.

SUPERINTENDENT STIRLING: Thank you very much for hearing me this afternoon. I just want to share with you just briefly that I am not disingenuous and I'm not here to debate Legislator Gaylor, what he has is incorrect and I am always open to work with him and anyone else on this body to do what is right for children. Thank you very much.

CHAIRWOMAN GONSALVES: You're welcome, superintendent.

The last speaker is Zefy Christopolous.

LEGISLATOR ABRAHAMS: Madam

Presiding Officer, it has always been the practice of this Legislative body that individuals that are here before us that are announced candidates should not be able to stand at the podium and criticize --

CHAIRWOMAN GONSALVES: You're absolutely wrong. They can as long as they announce that they are a candidate for office. We can not deprive them of speaking at the podium.

LEGISLATOR ABRAHAMS: So we just want to make sure that the disclosure is there.

CHAIRWOMAN GONSALVES: Zefy, please.

MS. CHRISTOPOULUS: My name is Zefy Christopoulus. I live at 8 Alex Lane in Glen Cove. Yes, I am the Republican candidate to represent the 18th Legislative District, a fact of which I'm quite proud and I would have said anyway.

I'm here to talk about the capital projects being held up by a single vote.

Legislator Rhoads showed us a piece of road. I could have brought with me a sewage pump but I don't think I would have been able to drag that thing in nor did I wish to subject any one of you to the let's say malodorous stink that would be emanating from a sewage pump.

So, surely, surely there is a common sense way to address whatever is going on that is holding up the vote which directly affects the health, safety and welfare of residents of all constituents.

That one vote affects 19 districts, if I'm not mistaken, including several on the minority side.

One on the minority should know very well the direct impact her lack of voting has on our Hempstead Harbor, our clear water and the health, safety and welfare of our swimmers.

So, common sense I believe should prevail. Elected officials are there for the health, safety and welfare of their constituents.

We are most grateful for the volunteers and civic associations who pick up, roll up their sleeves, and get to work doing what one vote is holding up. Thank you.

CHAIRWOMAN GONSALVES: Not now.

LEGISLATOR ABRAHAMS: Oh no. We have to. You cannot allow someone to throw out disparaging comments about a sitting legislator and take time out of our schedule to do it. So we have to respond. I'm going to respond nonetheless.

LEGISLATOR GAYLOR: I don't think we do because I just got verbalized by another legislator over there which was totally unnecessary, so I don't think you get the chance --

CHAIRWOMAN GONSALVES: Guess what? Guess what? Public comment is over.

LEGISLATOR ABRAHAMS: Let the flood gates open.

LEGISLATOR GAYLOR: Maybe it's time to change.

LEGISLATOR ABRAHAMS: Public

comment is over.

LEGISLATOR ABRAHAMS: It's not over. Public comment is not over. You guys just had your convention last week, I congratulated all of you on your nominations but --

LEGISLATOR GAYLOR: I think you should let people --

LEGISLATOR ABRAHAMS: You knew full well --

LEGISLATOR GAYLOR: You like to be spoken over, so I think you should accept the fact that we're going to do that now.

LEGISLATOR ABRAHAMS: Let's talk the facts.

LEGISLATOR GAYLOR: That Mr. Solages is very rude.

LEGISLATOR ABRAHAMS: You are going to cut me off?

CHAIRWOMAN GONSALVES: You didn't do it, I did it.

LEGISLATOR ABRAHAMS: She turned my mike off, not me, by the way. What I'm saying, Bill, you're cutting me off, with

all due respect, you are cutting me off because you saying Legislator Solages cut you off?

LEGISLATOR NICOLELLO: Get to the point, please.

LEGISLATOR ABRAHAMS: I would love to get to the point but I was told by the Presiding Officer she was going to shut down public comment.

LEGISLATOR GAYLOR: The point I was going to make is everybody deserves a right to speak. They shouldn't be stepped on. They should be allowed to speak, and --

LEGISLATOR ABRAHAMS: No one is saying that Zefy is not entitled to her right to speak.

What I am saying is, if she's going to sit here and attack a sitting legislator on misinformation we should have a chance to respond. It is misinformation. If I have chance to I would clarify that now.

LEGISLATOR NICOLELLO: I take it that one of you are going to vote for the

sewer pumps?

LEGISLATOR ABRAHAMS: Can I clarify the point?

LEGISLATOR NICOLELLO: I guess not.

LEGISLATOR GAYLOR: Just to finish our discussion, Minority Leader, if we could, I recognize the fact of what you're saying and I agree with you.

The point is I'm hoping you go back to talk to your members of the minority so that we can have a little bit more fruitful interchange rather than the negative attacks on one another and the overstepping. That's not appreciated and that's not good government. We are not doing anybody justice here.

LEGISLATOR ABRAHAMS: If I may, a couple of clear things that Zefy did not bring to the floor, one, I do not believe that this legislative sewage pump has even been brought to the Legislature for a vote. Number one.

Two, I find it very disingenuous

she's here a week after the Republican convention but has not been here while this whole entire issue on bonding has been occurring while the county has been going through a period of perceptive public corruption for the last two years. She has not shared one comment, not one.

She is so passionate about Glen Cove, but she has not been here until she was nominated as a candidate for the seat to run against Legislator DeRiggi-Whitton.

LEGISLATOR MACKENZIE: I think she's been here in the past to speak on the Pilot agreement with respect to the Glen Cove development. So that's not fair.

CHAIRWOMAN GONSALVES: You're out of order, Mr. MacKenzie.

LEGISLATOR ABRAHAMS: Please. I didn't cut you off. Again, she has not spoken on this issue in two years. In two years we have been leading this crusade and not once has she come in here to criticize Legislator DeRiggi-Whitton. I find it extremely disingenuous.

I implore each and every one of you. Do we need to open up the flood gates and allow Democrat candidates that are running against you to start disparaging you from the podium? Is that what we've become in this legislative body? That we are going to allow people to utilize and use our podium as a tool for political office? Please. We are so much bigger and better than that.

CHAIRWOMAN GONSALVES: You are so much bigger than this. Let me tell you something --

LEGISLATOR NICOLELLO: I can't believe this. I can't believe this. I will tell you what, Kevan, we are going to have a list of candidates and Democratic club members who have been up here blasting away at us for the last few years, will have that list at the next meeting. You are bigger than this, right?

LEGISLATOR ABRAHAMS: Next meeting, sure. And you're bigger, show us the names.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: Will you wrap it up, please?

LEGISLATOR ABRAHAMS: Again, I'm going to implore each and every one of you to respectfully ask your candidates for office, that unless they have something positive and it's not political grandstanding, like what we just saw --

LEGISLATOR NICOLELLO: Here's two.

LEGISLATOR ABRAHAMS: If I could just finish.

LEGISLATOR NICOLELLO: Napolitano, Claudia Borecki. That's two. Give us some more time.

LEGISLATOR ABRAHAMS: Okay. Great. Anyway, as I said before, if you can encourage and implore your candidates for office to please not utilize this podium so we can conduct the business of the people of this county, then we would be happy --

CHAIRWOMAN GONSALVES: I'm going to say the final word. Listen. You are not listening. This item is on the calendar

today. So put your money where your mouth is. Let's go.

That ends public comment. It's supposed to be public comment not debate. Unfortunately it's hard to pull in the reins here and sometimes I think I should carry a big stick then I would be Teddy Roosevelt.

There are several items which we call consent items. These are items that were voted unanimously in committees.

Mr. Pulitzer, call the roll, please.

CLERK PULITZER: I'm going to call the roll now, ladies and gentleman. Deputy Presiding Officer Richard Nicolello.

LEGISLATOR NICOLELLO: Here.

CLERK PULITZER: Alternate Deputy Presiding Officer Howard Kopel?

LEGISLATOR KOPEL: Here.

CLERK PULITZER: Legislator Siela Bynoe?

LEGISLATOR BYNOE: Here.

CLERK PULITZER: Minority Leader Kevan Abrahams?

LEGISLATOR ABRAHAMS: Here.

CLERK PULITZER: Presiding Officer Norma Gonsalves?

CHAIRWOMAN GONSALVES: Present.

CLERK PULITZER: We have a quorum, ma'am.

CHAIRWOMAN GONSALVES: Thank you very much. As I said before, the roll was

called, there are several items that are part of the consent calendar which simply means that these items went through committees and were voted upon unanimously.

I'm going to call those items in block and then I will move on to those that were not consent items.

The first item is Item 3, which is Resolution 93; Item 17, Ordinance 63; Item 18, Ordinance 64; Item 19, Ordinance 65; Item 21, Ordinance 67; Item 22, Ordinance 68; Item 23, Ordinance 69; Item 25, Ordinance 71; Item 26, Resolution 94; Item 27, Resolution 95; Item 29, Resolution 97; Item 30, Resolution 98; Item 31, Resolution 99; Item 54, Resolution 113; Item 55, Resolution 114; Item 56, Resolution 115; Item 57, Resolution 116; Item 58, Resolution 117; Item 59, Resolution 118; Item 60, Resolution 119; Item 60, Resolution 119; Item 60, Resolution 119; Item 61, Resolution 120; Item 62, Resolution 121; Item 63, Resolution 122; Item 64, Resolution 123; Item 65, Resolution 124; Item 65, Resolution

124; Item 66, Resolution 125; Item 67, Resolution 126; Item 68, Resolution 127; Item 69, Resolution 128; I believe that is the end of the consent calendar.

A motion, please.

LEGISLATOR KOPEL: So moved.

LEGISLATOR WALKER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Kopel, seconded by Legislator Walker.

All those in favor of the items that we just called, signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Those items are now passed.

We are going to move on to the rest of the calendar and these items have to deal with various appointments and I believe there are several people here who have come to meet and greet with the legislators. We are going to begin with I believe the Human Rights Commission.

There are several appointments by

the County Executive and the first one I'm going to call is the Vivian Pereira, Item 32;

The next one is Item 33, Ken Heino;

Item 34 which is Arie Weissman;

Item 35 is the reappointment of Immacula Oligario;

Item 36, the appointment of Shirley Shing;

Item 37 is the reappointment of Sharanjit Singh Thind;

38 which is the appointment of Bobby Kalotee;

Item 39 which is the reappointment of William Mahlan;

And Item 40 which is the reappointment of Angela Davis and I think that's the end of the human rights.

A motion, please.

LEGISLATOR WALKER: So moved.

LEGISLATOR SCHAEFER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Walker, seconded by Legislator

Schaefer.

I see that we have several of the appointments and reappointments standing before us.

If there are any questions or comments that you have, who has a question? Minority Leader.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer. Gerry, I don't know if are you shepherding this.

MR. PODLESAK: I am shepherding. But I haven't spoken to my sheep.

LEGISLATOR ABRAHAMS: Gerry, we had sent a letter that I thought Fran Becker was handling getting it through.

But we had requested information. I don't know if you are familiar with that letter and what information we were requesting, but we had wrote -- this goes back to March. We had written back in March asking for more information in regard to the commission, materials, and how the practices, and how they proceed, as well as understanding the governance portion in

regards to what the commission's challenge was doing and versus how they were doing that. We never got a response to that letter.

MR. PODLESAK: All right.

LEGISLATOR ABRAHAMS: I'm sorry. I stand corrected. We got a response but they declined to give us a decision that the board has rendered.

CHAIRWOMAN GONSALVES: Who is going to respond to that letter?

LEGISLATOR ABRAHAMS: From the County Attorney. Written to Mr. Kleins on April 21st.

MR. PODLESAK: Was that from Judge Foskey himself?

LEGISLATOR ABRAHAMS: No. Nick Bavonti.

MR. PODLESAK: And you are looking for additional information?

LEGISLATOR ABRAHAMS: Yes.

MR. PODLESAK: Let your counsel send us another letter and we would be more than happy to move on that request, but I

don't see any reason why it should hold up the actual, the approval of these appointments.

LEGISLATOR ABRAHAMS: Gerry, just to be clear, we sent Mr. Bavonti a follow-up letter email on the 21st of April once we received this letter that day.

MR. PODLESAK: And he hasn't responded to it?

LEGISLATOR ABRAHAMS: No, he has not.

MR. PODLESAK: I will speak to him when I get back to the office and we will see that we get you a response and all the information that we can possibly give you within the normal course of our proceedings.

LEGISLATOR ABRAHAMS: Just to be fair, Gerry, the information that we were seeking is germane to the ladies and gentleman behind you for their appointments.

MR. PODLESAK: With all due respect, legislator, the only information that is germane to their appointments is

their qualifications which you have received their resumes for.

And whether or not the processes of the board is something that you wish to comment on or to further submit legislation on is something that is not appropriate before the Legislature at this time.

It is either an up or down vote on whether or not these people are qualified. The administration believes they are qualified. They have submitted their resumes. They deserve the chance to speak to you today and you should render a wise decision and appoint or approve each one of their appointments or reappointments.

LEGISLATOR ABRAHAMS: But, Gerry, understanding what the commission is charged with as well as understanding some of the folks who are being reappointed, it is germane. If we don't have a greater understanding of what they're being charged with and how they are being supported with that charge, then how can we honestly effectively assess whether or not their

reappointment is deservedly so, or is it something tied to the administration not supporting them properly? That's why we believe this is germane.

MR. PODLESAK: I hear you, legislator, and with all due respect I disagree with you and I would ask the Legislature to consider the appointments at this time.

LEGISLATOR ABRAHAMS: But, Gerry, just for the record for clarification, you do realize that if you are up for a reappointment isn't your past service important on that appointment?

MR. PODLESAK: No. I would say that at this time what is contained in their resume are the important factors that should be considered.

LEGISLATOR ABRAHAMS: Of course, but if they served in that capacity for a previous set amount of time, wouldn't you want to know if they have been effective at that position or not?

MR. PODLESAK: In truth, I think

that the issue you are raising is not appropriate for the simple reason that it would lend itself as to second guessing as to actually what was conducted by the board.

The board has every right to be able to make the determinations and not have to worry about whether or not the reappointments will be approved by this body based on those decisions.

They are charged with calling it as they see it and how they call it is based on their background and their perception of the given facts in any situation.

So I would disagree with you respectfully regarding whether or not their prior performance is relevant at this point. If there was an issue with their prior performance, that is something that should have been considered by the executive rather than by the Legislature.

LEGISLATOR ABRAHAMS: Gerry, with all due respect, and I think I speak for the 19 members that are here, we are all judged based on our past experience and how

effective we are as legislators.

We are not judged based on a resume that we provided, or continue to provide that talked about how well we did in our jobs before we became legislators.

In all due respect, I can't understand the rationale that if we're trying to understand what the commission is charged with to evaluate better how we should assess some of the reappointments to determine whether or not their past practice in this capacity is at fault versus a larger problem in terms of being supported by the administration, I don't know what we're talking about.

I don't think anybody up here can stand on the record of what they did in high school or college and talk about what GPA they had. They all are going to be evaluated on what they've done for the last two years or while we're in this term. I'm not too sure I understand your rationale.

MR. PODLESAK: I would point out that there's a difference between the

appointed individuals who would serve on the board and elected representatives of the people who are constantly in a position where they have to justify their performance in order to continue in their jobs.

That's a profound difference between being an appointed individual and elected individuals. Elected individuals are judged, while appointed individuals should be judged merely on their resume and what they bring to a given situation.

I might point out that this is a board that operates on a majority basis also, so that the more someone is less than qualified on any given question, the other members of the board will be able to assist and come up with a wise determination of whatever questions are put before them. Madam Presiding Officer, I think --

LEGISLATOR ABRAHAMS: Before you start asking the Madam Presiding Officer to move on, you should be respectful to recognize that I wasn't done with my questions.

MR. PODLESAK: I stand corrected, legislator, I did not realize that you were not done with your questions.

LEGISLATOR ABRAHAMS: I'm looking at commission of minutes from the September 24th, 2012 meeting which some of the folks here on that board.

That being said, I'm looking at some of the minutes in regards to Commissioner Williams noted that they needed, and I'm regurgitating based off the minutes, noted that we may need a special meeting if we do not act on the resolution today. These cases have been lingering for years. Onus will be to come back to us with this properly done and the commissioners and the County Executive.

When I read about some of these cases that have been lingering on for years it brings concern. These are some of the things we wrote in our letter back to Mr. Bavonti that we have not heard yet.

To me this is extremely alarming that, yes, it happened in 2012, which is

almost five years ago, but the fact remains that when you read a statement where these cases will have been lingering for years it doesn't bode well to the effectiveness of the commission.

MR. PODLESAK: That's 2012.

LEGISLATOR ABRAHAMS: Okay. So tell us what happened. That's the reason for the letter. Tell us what happened between 2012 and 2017 that gives us a level of comfort.

MR. PODLESAK: That's 2012. This is 2017.

LEGISLATOR ABRAHAMS: You are saying this is not the case any more? Cases do not linger on for years?

MR. PODLESAK: I have heard nothing to that affect.

LEGISLATOR ABRAHAMS: Does that mean it does happen or does not happen because you haven't heard it?

MR. PODLESAK: It means that I have not heard.

LEGISLATOR ABRAHAMS: So that

means it still could happen?

MR. PODLESAK: If you would ask the chairman and perhaps he would be able to give you some information in that regard.

I have been advised that cases are no longer lingering. They have been taken care of.

LEGISLATOR ABRAHAMS: So wouldn't it be easier to give us the decisions when asked for it, no, you, Gerry, but wouldn't it just be easier to give us the decision so we can evaluate this, so we can review this ourselves?

MR. PODLESAK: I would suggest what I said before is true and that is, that it is not a wise course of action to have the proceedings of the commission be subject to intense legislative scrutiny.

I think the fact that they are willing to do this job on a voluntary basis and they bring all matter of experience to the situation is sufficient and that we should at this point we should move on. Presiding Officer, please.

Full Legislature/5-22-17

LEGISLATOR ABRAHAMS: Gerry, I'm not too sure I understand. You assume my question was done?

MR. PODLESAK: Are you not finished?

LEGISLATOR ABRAHAMS: I guess I'm finished by you, Gerry.

CHAIRWOMAN GONSALVES: Deputy Presiding Officer Nicolello.

LEGISLATOR NICOLELLO: All I wanted to say is this: These individuals who are before us are agreeing to volunteer their time, some are new, some have been serving this board, to my understanding, has been completely nonpartisan over the years and has people of all different backgrounds, political persuasions, ethnic groups, religious groups, and I see no reason whatsoever to belabor a point for these individuals who want to volunteer their time to serve the county and to serve their communities.

CHAIRWOMAN GONSALVES: Legislator Bynoe.

Full Legislature/5-22-17

LEGISLATOR BYNOE: Thank you, Presiding Officer. I have a question, Gerry, regarding --

MR. PODLESAK: I'm just a lawyer. I'm not on the board.

LEGISLATOR BYNOE: I'm aware of that, I think I should be. I don't know why he had to tell me he wasn't on the board.

Anyway, the question is regarding the appointments that were made and we pulled them back and then we put some new names up and that some of the names -- I have to admit there tends to be a lack of respect coming from podium back up here to the dais and I can understand the Minority Leader's frustration.

In any event, the question I have is why we have names that were on the initial resolution in February that are now excluded, Keria L. Blue was on there before and now she's not presented as an appointment. And also a Habeeb Ahmed.

So I'm trying to understand why there have been some changes. I know there

were some earlier issues regarding one person but that person is not on this particular resolution but two other names were excluded.

I want to know what happened between February and now as to why those individuals wouldn't be considered to be members of that body or for appointments?

MR. PODLESAK: I do not know but I will endeavor to have that information for you, legislator. I apologize if I'm being perceived as being disrespectful.

LEGISLATOR BYNOE: For you to tell me you're not on the board, and I see you month after month, and sitting here as tenured legislator for three years, come on, it wasn't necessary, but, in any event --

MR. PODLESAK: Well, if I may explain myself, I just wanted to make sure there was no confusion for the record that I was a member of the board and I might be privy to --

LEGISLATOR BYNOE: Do you think I need that type of clarification, because, if

you do, then I think there is a problem in how you view me.

MR. PODLESAK: If I may reiterate in what I said that --

LEGISLATOR BYNOE: There was no need for that. But that's not the point of today. I have the ability to move on and I have the ability to make sure this relationship survives that.

MR. PODLESAK: Legislator. Legislator --

LEGISLATOR BYNOE: Let's just move on. I would like my question answered as to --

MR. PODLESAK: Legislator --

LEGISLATOR BYNOE: -- why there's been so much back and forth to this body and why two people to whom I'm very familiar with them and their work, and I know they work very tirelessly in the community, and not only have witnessed it, the community to which I have serve have been the beneficiaries of their labor.

I would like to know why in fact

they are not a part of this resolution today and I find it troubling. I find it troubling there was so much back and forth with these appointments.

MR. PODLESAK: Legislator, let me reiterate what I said before, the reason that I said I was not a member of the commission was for the record so that anyone that was reading this at some future date would not think I was speaking as a member of the commission. That's why I said it. It was out of no disrespect to you.

If you felt that way, I sincerely apologize, but I have been a practicing attorney for quite a few years and I know how records can sometimes be confusing to people who have read them and have not actually witnessed the events that have occurred. That's the only reason I stated that I am not a member of the board and cannot speak to what happens during the course of their proceedings.

LEGISLATOR BYNOE: I appreciate your apology and in the interest of time

and, more important measures, I accept your apology and I think we should move forward.

Let's go back to the point of my questioning which is why there's been so much back and forth and names removed, names added, and the like, regarding the Human Rights Commission and why two people who I know, I know their labor, I have witnessed their labor, why their names have been removed and are no longer part of the list for appointees.

I take serious concern about that and I have concerns that are shared with the Minority Leader regarding the communications of the legal counsel back and forth to the Human Rights Commission as well.

But I want to talk about the appointments and why there's been so much back and forth.

MR. PODLESAK: I cannot answer that question. I will or one of my associates will discuss the matter with the administration and we will get back to you.

LEGISLATOR BYNOE: Presiding

officer, in the interest of making sure that we move forward with a perfect understanding of the role of that body and ensuring that the people who will be appointed to that body are properly suited in terms of skills and experience, and further that we understand that the individuals that have labored as a part of that body that they're not being excluded and we can have a real full understanding, I suggest and I'm going to make a motion -- I make a motion that we table the appointments of the Human Rights Commission appointees at this time. Can I get a second?

LEGISLATOR SOLAGES: Can I second that motion?

CHAIRWOMAN GONSALVES: All those in favor of tabling the items that were called, signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The motion to table fails.

I will say the three individuals

that you referenced, they are still serving.

LEGISLATOR BYNOE: I referenced two; Keira Blue and Habib Ahmed.

CHAIRWOMAN GONSALVES: They are still serving.

LEGISLATOR BYNOE: But why weren't their terms renewed, and they were on the original submission back in February and then they were later removed. I'm just kind of concerned and troubled as to why that would occur.

CHAIRWOMAN GONSALVES: These are the appointments sent down to us by the County Executive.

LEGISLATOR BYNOE: There in fact could be a confusion, so how do we know? Because Mr. Podlesak, he's not sure and he can't answer the questions I posed.

This could be a typographical error. This could be wide ranging issues as to why they're not there. I think we need to pause.

CHAIRWOMAN GONSALVES: I'm just going to end this discussion, Legislator

Bynoe.

LEGISLATOR BYNOE: Did you hear me?

CHAIRWOMAN GONSALVES: Yes, I did. However, already voted on not to table, however, the items are still before us.

LEGISLATOR BYNOE: But I was making a point, Presiding Officer, that since Mr. Podlesak could not answer my questions, that --

CHAIRWOMAN GONSALVES: The two individuals that you are talking to or referring to are right now reviewed by the County Executive, and some of the questions that you raised in the past are probably some of the questions that are being reviewed, and I think at this point in time, guess what? We have several volunteers before us and I think, in all due courtesy to them, and their willingness to serve, I'm going to call the question.

LEGISLATOR ABRAHAMS: Presiding Officer, I have a technical question that

the backup does not clearly specify. I know you want to call the question and move on --

CHAIRWOMAN GONSALVES: Yes, I do.

LEGISLATOR ABRAHAMS: -- but I have a technical question generally, if I may?

CHAIRWOMAN GONSALVES: You may.

LEGISLATOR ABRAHAMS: Generally what we normally see in the backup, when we see appointments that are not reappointments, they generally specify who they are replacing, so I respectfully ask Mr. Podlesak if he can confirm for us who Mr. Kenneth Heino, Mrs. Shirley Shingh and Ms. Vivian Pereira who they are replacing?

CHAIRWOMAN GONSALVES: Do you have that information, Mr. Podlesak, or do you have to get it?

MR. PODLESAK: I have to get it.

CHAIRWOMAN GONSALVES: Fine. Then I'm calling the question.

LEGISLATOR ABRAHAMS: So we're going to call the question without knowing? We can be replacing board members that have

done a good job. Why wouldn't we wait for Mr. Podlesak to get that information?

CHAIRWOMAN GONSALVES: You know what? Why don't we just do this and move on? I'm calling the question. All those in favor of the volunteers who are standing before us very patiently willing to do --

LEGISLATOR BYNOE: Can you call them individually?

CHAIRWOMAN GONSALVES: Can I call them individually? I think I called them all together, didn't I?

You can vote for them individually if you wish, if you want to call out some of the names, that's your prerogative.

Right now we have Vivian Pereira, all those in favor of Vivian signify by saying aye.

(Aye.)

All those opposed?

(No verbal response.)

Is it unanimous or what? I don't know what -- you took nasty pills or what

today? I don't know. I try to be fair. Any abstentions for Vivian?

(Abstain.)

Seven abstentions and 11 ayes. 11, zero, and seven.

We are onto 33. We have all those in favor of Kenneth Heino being appointed to the Human Rights Commission signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(Abstain.)

12, zero, six.

The next one is Arie Weissman. All those in favor of Arie to the reappointment to the Commission on Human Rights signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

(No verbal response.)

Any abstentions?

(Abstain.)

It's 11, zero, seven.

The next one is Immacula Oligario. All those in favor of Immacula Oligario to the reappointment to the Commission on Human Rights signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(Abstain.)

It's 12, zero, six. We are moving on to the vote.

LEGISLATOR ABRAHAMS: Very typical. That said, we would like to vote, for all the folks that are abstaining, but because we can't get answers to these questions, it's put us in a very difficult spot to vote on people that are replacing others but then also that we believe are doing a good job.

It's very unprofessional to be able to assess things based off of hearsay.

That's kind of the box that you have put us in, Madam Presiding Officer.

CHAIRWOMAN GONSALVES: Immacula, you are reappointed. Shirley Shing, all those in favor of Shirley Shing to the Commission on Human Rights signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(Abstain.)

It's 11, zero, seven.

The next one is Sharanjit Singh Thind. All those in favor of Sharanjit Singh Thind, signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(Abstain.)

It's 11, zero, seven.

The next one is Bobby Kalotee to the Human Rights Commission signify by

saying aye.

MR. PODLESAK: That gentleman is out of the country.

CHAIRWOMAN GONSALVES: I know that. I was told this morning. All those in favor of Bobby Kalotee.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(Abstain.)

12 yeses --

LEGISLATOR DERIGGI-WHITTON: We're abstaining until we know who he is replacing, we can't vote for them.

CHAIRWOMAN GONSALVES: Let's go. No more debate. We have 12, zero, 6.

Now the reappointment of William Mahlan to the Human Rights Commission, all those in favor signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Abstentions?

Full Legislature/5-22-17

(Abstain.)

Again 11, zero, 7.

The last one I believe is the reappointment of Angela Davis. All those in favor of the reappointment of Angela Davis signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(Abstain.)

It's 13 yes, zero, 5.

Angela, you got top score. Anyway, I thank you on behalf of all those who serve. Volunteerism is not easy. I know it. So let's go. The question will be, why would you want to do this?

We're going to move on. We're going to go to the College Board of Trustees. I have several appointments again.

We have 41, Resolution 100, which is the reappointment of Linda Green to the College Board of Trustees at NCC;

Full Legislature/5-22-17

We have Item 42, Resolution 101 the reappointment of Donna Tuman as member to the College Board of Trustees;

43, Resolution 102 which is the reappointment of Edward Powers to the College Board of Trustees;

Item 44, Resolution 103, which is the County Executive's reappointment of Donna Tuman to the College Board;

And 45 which is the reappointment of Edward Powers, the County Executive's reappointment to the Nassau County Community College Board of Trustees.

Again, we have another County Executive's reappointment, Item 46, Resolution 105 to the College Board, Linda H. Green.

A motion, please.

LEGISLATOR KOPEL: So moved.

LEGISLATOR WALKER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Kopel, seconded by Legislator Walker. Any comments or questions? Legislator Siela Bynoe.

Full Legislature/5-22-17

LEGISLATOR BYNOE: Thank you, Presiding Officer. Mr. Podlesak.

MR. PODLESAK: Now what?

LEGISLATOR BYNOE: It's me again. Question, could you tell me why there are two resolutions filed for each one?

MR. PODLESAK: This is the way the county has been doing it for a number of years. There is some dispute whether or not the County Charter provision saying that appointments are made by the County Legislature and approved by the Legislature.

It has been trumped by the Education Law which says the appointments are made by the Legislature.

The practice has been in the past to have two resolutions for each one originating from both sources in order so that there is no confusion as to whether or not the person is appropriately appointed and that's why it's been done that way. This is not the first time. It's been done this way for many many years, before my tenure in this job.

LEGISLATOR BYNOE: This is my first opportunity to see these resolutions on an agenda. So it had me kind of questioning as to why it was done.

It lends to my point that I believe that the Legislative body is the appropriate body to make those appointments and not the County Executive.

That being the case, I actually reached out to the Presiding Officer and to me colleagues here on the Legislature suggesting an opportunity for us to work together and cooperatively approach appointments for this body.

I think that these appointments to this body like all the bodies that are serving in a volunteer capacity are important. But at the college we have thousands and thousands of young people and folks that are going back looking to achieve their higher education goals, and the college in the most recent time has faced its challenges. There needs to be greater accountability there.

I believe that that can be achieved, Presiding Officer, if we considered the approach.

I think the approach as I laid out would allow for the County Executive to have a person that he or she can appoint and that the County Legislature, the minority caucus, and the minority caucus would have an opportunity to also make appointments.

I'm a little bit disappointed I have not heard back from you, Presiding Officer, on this issue and it is not an issue -- I know this letter sent out on May 8th, but this is an issue that I have been writing to you about for some time.

While I appreciate the fact that you have answered some of my concerns by putting together a small little group of legislators, and I'm happy that you included me on that little team, along with Legislator Ford and the Minority Leader Kevan Abrahams, but we still haven't addressed this issue. I think this issue is really essential.

We need to look at how we are making these appointments. I think that in order for us to have proper balance I think there needs to be an opportunity for it to be a bipartisan effort coming from the county appointments.

So I think this is an opportunity for us to do something meaningful and impactful for our students, for our taxpayers, and the administration at that college to take a look at who is being appointed and have an opportunity for each group to make an appointment.

Again, these are the County Executive's appointments that are just here before us this morning. I think there are some other people who could lend their gifts and talents to this body that each membership caucus could identify and bring forward.

So, Presiding Officer, I would like to know your thoughts because I haven't been able to hear from you in any other way. I have written and called. I have not heard

from you. May I hear from you this afternoon?

CHAIRWOMAN GONSALVES: Legislator Bynoe, I referred it my counsel and my counsel was reviewing it.

I can understand where you're coming from, but at the same time I can also know that there are several members to the board of the College Board; am I correct, Mr. Podlesak?

MR. PODLESAK: How many members on the College Board? Nine.

LEGISLATOR BYNOE: Five are the county's appointments.

LEGISLATOR DRUCKER: Five are appointed by the Mangano administration.

LEGISLATOR BYNOE: I think there are several holdovers and these are three holdovers from the Mangano administration.

I'm not disparaging any of your efforts, ladies, but I have to tell you that this is an opportunity for change and not necessarily just looking at who's on the board but an opportunity for change as to

how this government makes appointments to this board.

This is an opportunity for us not to really subscribe to what has been done in the past but really take our rightful place and make these appointments. These are our appointments to make, not the County Executive's appointments. These are ours.

I tell you right now, we will be the better for doing that because it will give us an opportunity to have bipartisan efforts which will automatically to me lend itself towards transparency as well as accountability.

CHAIRWOMAN GONSALVES: Your comments have been heard and Legislator Bynoe, we can do this moving forward and I think it's important that we consider the candidates today.

LEGISLATOR BYNOE: But moving forward, Presiding Officer, how long are the terms?

MR. PODLESAK: I don't know offhand. I have to look.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: I don't have anybody here to answer your question.

MR. PODLESAK: It's on the resolution.

LEGISLATOR BYNOE: So these are five and six year appointments?

CHAIRWOMAN GONSALVES: No.

LEGISLATOR BYNOE: So we can do this moving forward when? Today. Let's seize the opportunity.

CHAIRWOMAN GONSALVES: There are five or six other candidates.

LEGISLATOR BYNOE: No. We only have five appointments to that board, Presiding Officer, there's nine.

If we do these three then there are two more. So when you say we can do it later, when? Now is the time. Let's seize this opportunity.

This is our rightful place in this county's history of this college. We see where the appointments have gotten us to this point. The college is in dire need for proper leadership. This is the time. This

is the time.

CHAIRWOMAN GONSALVES: Any other comments?

LEGISLATOR DRUCKER: Madam Presiding Officer, I would like to say, I would welcome Linda and Donna here today.

Having served on the Nassau County Community College board for four years, it was a privilege to work with my fellow trustees.

Sadly though, while I was there I will have to point out that similar to this body the Nassau Community College Board is drawn strictly on political lines. We had major problems getting things done because of party affiliation and political partisanship that went on all the time. That was very disappointing because it only adversely affected the students there which was our mission. Many times I found that my fellow trustees disregarded that mission.

With that having been said, I did enjoy my time there. Donna, I did enjoy working with you. I respected what you

brought to the table. I thought your wide experience was helpful. I didn't agree with you on most issues, but I still respected your opinion.

Linda Green, I only had the ability to work with you for about a year and change if I recall.

I don't think I ever heard a word come out of your mouth. So I don't know what you bring to the table in terms of, maybe you can enlighten this body as to what experience and what you have done on the board and what you plan to continue doing to help this college go forward and the problems that they're sustaining. Because, while I was there, you didn't do anything.

LEGISLATOR MACKENZIE: You don't have to sit there and be insulted by him.

LEGISLATOR NICOLELLO: Before you answer, I would just like to note for the record that he started out by commenting how we had to get over partisanship and wound up with an attack on somebody's credibility.

LEGISLATOR DRUCKER: I want to

know what is their competency.

LEGISLATOR NICOLELLO: I wonder what was yours.

LEGISLATOR DRUCKER: Is that relevant now? I can sit here for an hour and tell you my competency on that board. Certainly independent, not political.

CHAIRWOMAN GONSALVES: Linda, go ahead.

MS. GREEN: I was appointed to the board about a year and a half ago filling a vacancy on an un-expired term.

I think as a new person, it was much more important for me to listen than to talk, Mr. Drucker.

LEGISLATOR DRUCKER: There was an opportunity for everyone to talk.

MS. GREEN: Excuse me -- I'm speaking. I helped appoint the present president who has been wonderful. Every one loves him. We moved forward. We passed our budget. You know, you don't have to talk all the time.

LEGISLATOR NICOLELLO: Linda,

talk about your education.

MS. GREEN: 45 years at the New York City Board of Ed, ending in 12 years as a principal, experience in education, and I think that 50 years of experience is probably much more than others who have been on this board, Mr. Drucker.

CHAIRWOMAN GONSALVES: I'm calling the vote, please. All those in favor of the Linda Green, Donna Tuman, and Edward Powers, signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

LEGISLATOR DRUCKER: I support Donna Tuman. Donna Tuman I vote for.

CHAIRWOMAN GONSALVES: I will have to do it separately. All those in favor of Linda Green signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

CHAIRWOMAN GONSALVES: You say

nay?

LEGISLATOR DRUCKER: On Linda Green.

CHAIRWOMAN GONSALVES: I heard you. Not an abstention?

LEGISLATOR DRUCKER: Correct.

CHAIRWOMAN GONSALVES: The rest of you are abstaining?

(No verbal response.)

We are going one by one. This is for Linda Green. 11 ayes, 7 nays.

Now going on to Donna Tuman. All those in favor of Donna Tuman signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

Is it nay or abstention? It's 12 ayes, and 6 nays.

For the last one, Edward Powers, all those in favor of the reappointment of Edward Powers signify by saying aye.

(Aye.)

Any opposed?

Full Legislature/5-22-17

(Nay.)

12 ayes and 6 nays, is that it? So it's 13 ayes, and 5 nays.

Linda, Donna, thank you, and continued success.

MS. TUMAN: I would like to thank you all for the vote of confidence and the reappointment to the board.

It's an honor to serve the college. I take it very seriously. I also have 25 years experience in higher education and I believe my background as a faculty member brings a different voice to the table. Thank you.

CHAIRWOMAN GONSALVES: Before we let this go, Linda and Donna, hold on, so no one can say -- we have three of the appointments were the County Executive reappointments. So have we to take a vote on those as well.

So we are going to go with Item 44, the reappointment of Donna Tuman, all those in favor of the County Executive's reappointment of Donna Tuman, signify by

saying aye.

(Aye.)

Any opposed?

(Nay.)

So we now are 12 ayes and 6 nays.

45 which is the reappointment of Edward Powers to the College Board, County Executive. All those in favor signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

I have to do it because it's two different, 13-5. I have to do it for the record, sorry.

The last one is for the reappointment of the County Executive's reappointment of Linda Green to the College Board. All those in favor signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

11 ayes, 7 nays. Now you made

it. I don't know if it's congratulations or what at this point. So thank you for your service.

Now, I know the next two individuals that we will be calling are, and I think Mr. Podlesak you should be there to assist, and we have Item 47 which is the County Executive's appointment of Phillip Elliot to the Correctional Center, Board of Visitors.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR FORD: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Ford.

I'm going to call 48 as well which is the confirmation of the County Executive's appointment of Arthur Williams to the Correctional Center Board of Visitors.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR FORD: Second.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Ford. Now, the two of them are up here.

I'm used to calling him Bishop Elliot, am I correct in addressing you that way?

BISHOP ELLIOT: Yes.

CHAIRWOMAN GONSALVES: And Mr. Williams, of course, you will introduce yourself as well.

MR. WILLIAMS: I'm Arthur Williams.

CHAIRWOMAN GONSALVES: Do you have any questions of these two individuals? Do you want to hear anything about them why they are qualified or not qualified in your mind to vote for the two individuals?

Your hand was up first. Go ahead.

LEGISLATOR BYNOE: Thank you, Presiding Officer. My question, I guess is not necessarily for these two gentlemen, I've been able to read their bios and based on the what I believe the duties of the

Board of Visitors is actually was created for, and the mere fact that there is a Board of Visitors, I believe that they are eligible.

My question today is regarding the legislation that I introduced last week that you said you would look at which I think would properly resource that board so that Mr. Williams and Bishop Elliot can go in and begin the work that they would be charged with as board members. So I'm trying to find out where we are with that.

CHAIRWOMAN GONSALVES: I did say to you that I would review it with the guidance from my counsel.

I will tell you things that I know of the board and what exists right now, there is an attorney assigned to the board. There are investigators who are also assigned to the board.

However, it is the State Commission of Investigations, of Corrections, that investigates any of the grievances that may be brought forth.

As far as the budget is concerned, this would be something that would be in the purview of the budget review office.

I have to say to you, knowing what the bylaws of the Board of Visitors are, they do have, and according to the Charter, they do hold monthly meetings. They do have an annual meeting. They do submit an annual report.

So many of the things that you put in the legislation are being done right now. So if there's any additional --

LEGISLATOR BYNOE: Presiding Officer, I will tell you that they don't hold monthly meetings and I'll tell you that I sent my staff to try -- Lynn Pool went and tried to actually attend one of those meetings and it was quite a show.

I believe going forward they are going to require the resources. So you said that your staff, the attorney, that there was an attorney and two investigators.

CHAIRWOMAN GONSALVES: No. That

there are investigators.

LEGISLATOR BYNOE: Who are those investigators?

CHAIRWOMAN GONSALVES: They're investigators that come out of --

LEGISLATOR BYNOE: The County Attorney's Office. I knew you were going to say that.

CHAIRWOMAN GONSALVES: But, remember one thing, that the buck stops with the State Commission of Corrections.

They investigate the grievances that are put forth as referred by the sheriff of the jail.

LEGISLATOR BYNOE: No.

CHAIRWOMAN GONSALVES: Well, that's what you say, and I'm telling you right now that this is a volunteer body. This is a body that certainly has the will to do the job that they're asked to do.

I find that they are certainly committed to doing exactly what they are assigned to do. So I know that there are things -- and I'm not saying your

legislation is dead. I'm saying to you, it requires further review.

In the meantime we have two candidates in front of us. Two candidates who certainly have the kind of resume that we would all be proud of to have on that Board of Visitors.

By the way, we have a very very core section of the population on that particular Board of Visitors with the addition of these two individuals.

So I know that you are looking for other items within the Board of Visitors, however, I think it requires that we take additional time to review it and, I'm telling you right now, I'm going to look into the bylaws of the Board of Visitors as well as the Charter to make sure whatever they are doing are certainly in keeping with the Charter of Nassau County.

So if you want to ask those two gentlemen any questions, feel free to do it. Yes, Minority Leader.

LEGISLATOR ABRAHAMS: How are

you, gentlemen? Just a quick question.

In regards to in the past we've had some back and forth with some of your colleagues that you will soon be joining in regards to their charged responsibilities.

I'm not sure if you had an opportunity to read the actual Charter as it pertains to the Board of Visitors, but the rolls and responsibilities of the Board of Visitors as we came to realize was not very well understood by some of the folks that served there and we believe your responsibilities are very wide spread and gives you very broad powers and some of the stuff that I want to make sure that you are aware of is that the board and each member thereof shall have the following powers and duties to investigate, review, take such actions as deemed necessary and proper with respect to inmate complaints or grievances regarding the correctional center as shall be called to their attention in writing.

I don't want to get into all of them but there are many different provisions

that are tied to it, and knowing the gentlemen that you are, I believe that you will take these responsibilities seriously.

But please encourage your soon to be colleagues on that board that we cannot settle for what has gone on in the past.

Based on what I heard at their Legislative confirmations, they didn't know anything about what we were talking about.

In light of the medical care being provided at the jail among the other issues in terms of security we have heard, it is very alarming that the one body that serves that may not have the ability to directly oversee the sheriff, can easily also still recommend changes to the sheriff as they see fit to makes things better.

CHAIRWOMAN GONSALVES: I just want to let these two gentlemen know, that the chairman of the Board of Visitors is Alphonso Albright. I will tell you right now that he has a great deal of experience in I guess probation, criminology and so on.

I know that -- and he is just

appointed as chairman of the board, and I think all of us would be proud of Chairman Albright.

I will tell you, Legislator Bynoe and Minority Leader, what you have just pointed out in the legislation to these two gentlemen standing before us, I will pass that on to the Chairman of the Board, Alphonso Albright. Have you ever met him?

LEGISLATOR ABRAHAMS: I have. I have been introduced to him by Legislator Ford.

If I remember correctly, Mr. Albright wasn't here. He was running late to that Legislative vote. He had an accident.

I didn't get a chance to actually have an opportunity to have a back and forth with him at that time, but you are correct, I had a chance to talk to him on the sidebar and he did seem like a very distinguished board and hopefully that will bring some of the things that we talked about in the Charter.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES:

Absolutely. I have no problem with that. Legislator DeRiggi-Whitton, last comment.

LEGISLATOR DERIGGI-WHITTON: We are giving you a huge responsibility and I appreciate the fact that you're taking this. We do hope that it's set up correctly although we have a lot of concerns.

I'm asking you personally, our numbers are very much available, and I can give you our card when you leave, if you come across issues while you are serving, please reach out to us.

We really don't have enough communication and we are here to make sure you can do your job, so please let us know. Okay? Thank you for your time.

CHAIRWOMAN GONSALVES: Thank you, Mr. Williams and Bishop Elliot. But we did not take a vote, all those in favor of the appointment of Bishop Elliot and Arthur Williams signify by saying aye.

(Aye.)

Any opposed?

Full Legislature/5-22-17

(No verbal response.)

Any abstentions?

(No verbal response.)

Unanimous. Thank you. That was good. I believe these are the VEEB appointments, I believe. We're beginning with Item 49, Resolution 108, which is the reappointment of Joseph Bentavegna to the VEEB board. For those who don't know what VEEB is, Vocational Education Extension Board;

50 is the confirmation of the reappointment of Raymond McGuire to VEEB;

51 is the reappointment of Christopher Shelton to VEEB;

Item 52 which is the reappointment of Phillip Malloy, Jr., to VEEB. I believe that's it.

A motion, please.

LEGISLATOR MUSCARELLA: So moved.

LEGISLATOR WALKER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Muscarella, seconded by Legislator Walker. I called four of them;

49, 50, 51, and 52.

Anyone here?

(No verbal response.)

Any questions, any comments?

(No verbal response.)

All those in favor of the reappointment of Joseph Bentavegna, Raymond McGuire, Christopher Shelton and Phillip Malloy, Jr., signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

It's unanimous, 18 to zero.

Now, moving on to 53. This is the appointment of Dr. John Zaso to the Nassau County Board of Health pursuant to Sections 203 and 902 of the Nassau County Charter.

Motion, please.

LEGISLATOR WALKER: So moved.

LEGISLATOR FORD: Second.

CHAIRWOMAN GONSALVES: Moved by Rosemarie Walker, seconded by Legislator Ford. Minority Leader is recusing himself.

Full Legislature/5-22-17

Do we have any questions regarding Dr. Zaso?

(No verbal response.)

By the way, I do know he is a pediatrician and he's a staunch supporter of his community, and he works very closely with NUMC. And I believe --

LEGISLATOR DRUCKER: Madam Presiding Officer, I have one question.

CHAIRWOMAN GONSALVES: Sure. I don't know if I can answer it.

LEGISLATOR DRUCKER: I want to put on the record a question I would ask if here were here whether he would be in support of Tobacco 21.

CHAIRWOMAN GONSALVES: Well, he's not here. I don't know if he knew he was going to be on the calendar today.

LEGISLATOR DRUCKER: I would like to ask him that question if he were here.

CHAIRWOMAN GONSALVES: Any other comments that you would like to make?

(No verbal response.)

Is there any public comment?

Full Legislature/5-22-17

(No verbal response.)

There being none, all those in favor of the appointment of Dr. John Zaso to the Nassau County Board of Health signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Any abstentions?

(No verbal response.)

It's 17 to zero.

We're going right back to Item 1. Minority Leader, you are welcomed back. Mr. Pulitzer, do me a favor and call the hearing for Item Number 1.

CLERK PULITZER: Hearing on local law number in 2017, a local law to permanently disqualify from any county elected or appointed office any person that has been convicted of a felony.

CHAIRWOMAN GONSALVES: Motion to open the hearing.

LEGISLATOR RHOADS: So moved.

LEGISLATOR GAYLOR: Second.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: Moved by Legislator Rhoads, seconded by Legislator Gaylor. All those in favor of opening the hearing of local law 190 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Who is here to talk about that item? Deputy Presiding Officer Nicolello.

LEGISLATOR NICOLELLO: Just briefly. This is intended to close a loophole in the law which provides that someone who is convicted of a felony while in office immediately is disqualified from that office.

But people who are running for office with felony convictions are still eligible to run for office.

In fact an article in Newsday within the last couple of weeks said a school board member, a candidate for school board in Eastport South Manor School District, with a felony conviction, was

attempting to run for that position.

But, anyway, state law leaves that loophole in place. This law disqualifies from elected office or an individual being appointed to any county board or commission who has been convicted of a felony involving accepting or giving or offering to give of a bribe, embezzlement, extortion, theft, perjury, fraud, tax evasion or conspiracy to commit these crimes.

CHAIRWOMAN GONSALVES: Minority Leader.

LEGISLATOR ABRAHAMS: I think while we all respect the fact that the majority has seen fit to close a loophole, I think it also begs the question also that this being an opportunity to re-invigorate to ensure that we are truly protecting Nassau County taxpayers from potential public corruption.

It's been highlighted now for several months, if not years. We have been trying to make sure that we are protecting

taxpayer dollars, and I think even though this may not be your intent, because I think your intent is to try to close this loophole, which obviously is a no-brainer, I think it also reminds the public that we have a very renewed responsibility to ensure that taxpayer dollars are protected and to look at everything across the board to ensure that public integrity and transparency is there.

That being said, I will again encourage the majority to look at and review and eventually possibly even support our call for an anti-corruption officer also known as an Independent Inspector General to ensure that we can deter corruption as it exists in this county not after it happens but before. Thank you.

CHAIRWOMAN GONSALVES: Legislator Curran.

LEGISLATOR CURRAN: I would also add in the interest of stopping corruption before it can even start, this morning we filed a bill to redo the Ethics Board and to

change how it's appointed.

Instead of having four picks from the County Executive and one from the County Attorney, it would be one from the legislator minority, one from the legislative majority, one from the Comptroller, two from the County Executive; one of which is suggested by the municipal unions in the county so that people who work here have a seat at the table as a way to take away the partisanship of the board and also to increase fairness.

CHAIRWOMAN GONSALVES: Legislator Curran, you should know that we will be taking a look at it. Legislator Rhoads.

LEGISLATOR RHOADS: Thank you, Madam Presiding Officer. I just want to mention and I know it's been mentioned a couple of times that this legislation is trying to address things, close a loophole after the fact.

The other benefit to the legislation incidentally is that anyone who is convicted of a felony outside of their

work with the government would also be ineligible for running for office prospectively.

So not only is it addressing the issue of public corruption from the standpoint that individuals who have been in government service can no longer get back into government service, but also addressing it prospectively in the sense that anyone who has been proven to be dishonest by the conviction of a felony involving dishonesty, would be ineligible for running for office in the future, for county office in the future as well as serving on county appointed boards or commissions.

I do just want to address because obviously the minority has brought up the Inspector General issue. Obviously making sure that government is open and transparent is something that's all of our responsibilities and I think we are all trying to get to the same place on that.

That's the reason why we passed a comprehensive series of reforms with respect

to our contracting process, the disclosure requirements for lobbyists, and vendors, consultants, detailed business histories for those that would do business with the county, political campaign disclosures with accompanying affidavits to ensure that contributions weren't made with an expectation of a governmental benefit, we've hired a procurement compliance director to ensure that the processes and procedures that we put into place receive strict adherence.

We've lowered the oversight of the Rules Committee from $25,000 to $1,000 to dramatically increase direct legislative oversight over the process.

There are an extensive number of reviews now that are taking place with respect to every contract that comes before the county. You have the department that's initiating the contract that reviews it, the office of management and budget that reviews it, you have the County Attorney's Office, County Comptroller, you have the County

Legislature Rules Committee.

You have the newly created position of procurement director. You have the Commissioner of Investigations. You have also presumably the District Attorney if there is an issue and prior to the execution of any contract, the County Executive, as well as the Nassau Interim Finance Authority.

We have made the point in the past that the issue that we have with the Inspector General that the duties you are seeking, the duties that you are seeking to give that Inspector General are already duplicated in our Commissioner of Investigations position. That Commissioner of Investigations' position is very much the same as exists in multiple other municipalities across the State of New York.

The problem with the Inspector General position that is being proposed by the minority is that both the State Attorney General as well as the County Attorney here in Nassau County have both issued opinions

that such a proposal would likely be unconstitutional because it's taking what are functions dedicated to the legislative branch and also to the District Attorney, and giving them to an unelected bureaucrat.

We've heard in the past, argued that this is the equivalent to what we have in terms of our Office of Budget Review.

The difference in that is that the Office of Budget Review, for example, provides us with numbers that we can use as a tool for us to be able to make our decision, the Legislature's decision on what happens with respect to the budget.

The Independent Inspector General has the ability to initiate investigations and has the ability to come to its own conclusions without legislative input.

The issue with that is that it's vested in us as a County Legislature. We have the responsibility for oversight of contracts, by giving it to an unelected bureaucrat and making them unaccountable to anyone really takes out of the hands of the

voters the ability to have oversight and review of that contract process.

When you take power that's vested in your elected officials and you give it to unelected bureaucrats, that's when you have a problem.

The Commissioner of Investigations that we have in Nassau County is the same mechanism that they have in the State of New York. It's appointed by the exact same process as our process.

New York City has the same Inspector General who is appointed just as our Commissioner of Investigations is appointed and operates exactly the same way.

So I appreciate the continuous talk about the Inspector General proposal and it's not as though that proposal hasn't been considered deliberatively by legislators individually, but you are taking power that's vested in the Legislature that we have responsibility for and divesting us of that power and giving it to a third party.

We were elected to do the job of overseeing the contracting process and the Inspector General position really is kind of a copout in a sense that we're taking that power away from ourselves as though we are suggesting that we somehow can't handle it and giving it to somebody else.

I appreciate it being brought up, but, again, I don't think it's a good fit for the county and I think also it's unconstitutional.

CHAIRWOMAN GONSALVES: Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: I want to say I do believe, I think we all believe this is a step in the right direction and I'm happy to support.

But people that haven't been around in the last few years, since I have been here, it's been one thing after another from Singh to Looks Great.

It's not that the minority came here and said, oh, we want an Inspector General. The District Attorney came here

and recommended it and basically told us straight out that it's something we should not only consider but should absolutely do it immediately.

The reason being, the key difference to me, again, I think we all want to do the right thing, the real difference is the subpoena power. We need someone who would have the ability to subpoena records and have people testify under oath. We can't do that.

I have had so many people come up and ask them from anything from food after Sandy, trees being cut down, to so many -- Abtech, nothing that we have done here would stop another Abtech from happening. So the subpoena power takes it to another level. Does that stop us from having our obligations as a legislator? Absolutely not.

What it does, it will bring it to a more severe situation where the person testifying or any type of subpoena power, it would give us more power basically by using

this office which is -- you were here. She said, not in a partisan or adversarial way, this would go from here on in. It's hard when you have County Executive under indictment which is the situation we're in, and that's why it's sometimes hard to bond because we've been told by the District Attorney to be very careful about how we bond.

I'm actually voting for a contract, there are certain things, we do it for environmental, do it for public safety, and I will be doing that today, but we have been told by somebody who is in charge of this type of corruption who sees it every day that this is what we need. We need someone with a subpoena power.

I'm appreciative of this and I'm agreeing with this today, and I'm appreciative of the a number of things you listed. I do think it helps but nothing is going to bring us -- the other thing is Yonkers has this. So it's right here in New York State. Just look it up. Don't take my

word for it. Look it up.

I don't think it's unconstitutional. I know some in Florida have it. I think it's going to be the way of the future and I think because of our situation we should be there.

CHAIRWOMAN GONSALVES: You are the last one.

LEGISLATOR DRUCKER: Just one last one, Legislator Rhoads, from an attorney's standpoint. You mentioned that there was an opinion that it was likely unconstitutional. Can you get me a copy of that or what opinion that was?

LEGISLATOR RHOADS: The attorney general, the Nassau County attorney issued an opinion with respect to this specific piece of legislation. And with respect to this particular piece of legislation, the State Attorney General not on this particular piece of legislation, but on similar pieces of legislation has previously issued opinions calling into question whether the Legislature would be able to

divest itself of powers that belonged to the Legislature and putting it into the hands of an unelected bureaucrat.

LEGISLATOR DRUCKER: I would like to see those. I really would.

LEGISLATOR RHOADS: Sure.

CHAIRWOMAN GONSALVES: I know that I have public comment from Ms. Mereday, correct?

MS. MEREDAY: Yes, good afternoon. Meta Mereday, Baldwin resident.

In relation to this local law, it's a long time coming, first of all.

Secondly, I agree with Legislator DeRiggi-Whitton with regard to needing a little more power because, clearly, and no disrespect to Legislator Rhoads, since all of you over there seem to want to do this he said, she said, this side, that side. The taxpayers out here are the that have to bear the brunt of all of this.

The layers that you have in place have not worked. For all of you, a number of you have been in the room when decisions

have been made and voted on by those of you and, with all due respect, Mr. Kopel and Mr. Muscarella, I sat here and listened to all of you, I accept your apology.

Again, this local law is a step but it's not enough. The need to have someone with some authority and some power to root out the level of corruption, the waste, not to mention the disrespect that, again, I'm experiencing because I'm trying to get a point across to elected officials who want to get in front of constituents and claim they are representing their interests and they continue to talk while those of us who have sat in this room where it has resembled more of a school yard and not high school, elementary school, enough is enough.

And it will be spoken on Election Day when some of you, again, will be replaced, but, sadly, I have said this to other groups who sat out here and once they get behind there it changes. There is no this side or that side.

Residents are leaving here in

droves. Our students are graduating from prestigious colleges and universities but can't afford to live here.

And as all of you should well know by now, my main priority are veterans and their interests are not being served.

These contracts, the bondings, all of this, the benchmarks, all of this is still not inclusive; there are not reports and where are the reports from this procurement person? What is the inclusion? Where are the numbers that are saying that veterans, minorities and women are getting their fair shot so they too can be included in the discussion here?

So, yes, I agree that this local law is a start, but if we don't dig deep, if we don't get real, and if we stop using just Newsday as the resource, because all of you you voted yourselves a raise, you got staff, and I believe we have at least again 50 plus attorneys in the County Attorney's Office and you also keep hiring outside attorneys.

CLERK PULITZER: Your time has

expired.

MS. MEREDAY: I understand that. But, like I said, I been sitting here for three and a half hours so I'm going to take a few more minutes.

This is where it has to stop. You have to do a better job of representing our interests because the taxpayers cannot sustain it anymore.

I don't know what it is going to take for anyone sitting behind that dais to understand that. Because what happened earlier today in this room you should all be ashamed.

And only on Election Day will you be hopefully held accountable for not representing the interests of the residents and the taxpayers.

It has nothing to about with party lines at this point. It's blood lines. Because you are bleeding us out and enough is enough.

CHAIRWOMAN GONSALVES: Thank you very much, Ms. Mereday.

CHAIRWOMAN GONSALVES: Moved by Legislator Kennedy, seconded by Legislator

MacKenzie. Any comments or questions regarding this item?

(No verbal response.)

I need you to make sure we are aware of the fact that I believe this has to do with pedestrian accessibility. Minority Leader.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer. I don't know if DPW I guess would answer this one.

MR. ARNOLD: Ken Arnold, Department of Public Works.

LEGISLATOR ABRAHAMS: Ken, we had reached out -- I stand corrected, I think actually based on the letter we sent it was actually sent to the County Attorney's attention. I stand corrected for bringing you up, I apologize.

But we had written a letter, addressed it to the County Attorney in regards to the bond ordinance. Similar in the past we've got language or seen language written into the bond ordinance that restricted the use of bond proceeds to make

sure they are being spent on pedestrian accessibility projects, nothing else. So far we not seen a response to that request.

I don't know if you're familiar with that request.

MR. ARNOLD: No, I'm not.

LEGISLATOR ABRAHAMS: But we have done this type of thing before with bond ordinances so I don't think if this is something Gerry can answer or someone from the County Attorney's Office in regards to this matter.

MR. PODLESAK: I'm not the individual who handles bond ordinances for the County Attorney's Office. I will see if he's available.

LEGISLATOR ABRAHAMS: Mr. Denion?

MR. PODLESAK: Yes. Mr. Denion. I will see if he's available and can come over. Not sure where he is this afternoon.

LEGISLATOR ABRAHAMS: Madam Presiding Officer, we respectfully request to table until Mr. Denion is able to come down.

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: Item 6, first of all, Mr. Podlesak, how long do you think until you get him here?

MR. PODLESAK: I don't know. I'm sending him an email right now. He may in fact be listening and coming over himself.

CHAIRWOMAN GONSALVES: Okay, fine. I'm asking for a motion to table Item 6.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR KOPEL: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Kopel. All those in favor of tabling Item 6 signify by saying aye.

(Aye)

Any opposed?

(No verbal response.)

The item is tabled.

We're moving on to Item 20, Ordinance 66. I believe I'm going to have to offer an amendment in the nature of a substitution.

The item is an ordinance

supplemental to the annual appropriation ordinance and to transfer appropriations heretofore made within to reconcile the county's financial records for the budget year 2016.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR KOPEL: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Kopel. I need to request an amendment in the nature of a substitution.

Motion, please.

LEGISLATOR MUSCARELLA: So moved.

LEGISLATOR GAYLOR: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Muscarella, seconded by Legislator Gaylor.

The amendment in the nature of a substitution corrects a description and the amount of the general fund bond board transfer as well as the source and the use of funds section of the supplemental appropriation.

The date that it was filed was dated the 15th of May at 2:45.

All those in favor of the amendment in the nature of a substitution signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Unanimous.

Now for the item as amended. All those in favor of Item 20 as amended signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes unanimously.

We go to the next item which is Item 24, Ordinance 70, an Ordinance supplemental to the annual appropriation ordinance in connection with the Probation Department.

Motion, please.

LEGISLATOR MACKENZIE: So moved.

LEGISLATOR SCHAEFER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator MacKenzie, seconded by Legislator Schaefer. Who is here to speak on this item?

MR. LANCEMAN: Douglas Lanceman, Probation. I'm here to speak on Ordinance Number 70-2017 on our gift grant.

It's a recurring grant. It's in it's 16th year. The grant used to be called operation impact. The name has been changed to Give Initiative which is guns involved violence elimination. The grant is a $204,451. It's a one year grant with a possible renewal for next year.

CHAIRWOMAN GONSALVES: Any questions from the legislators? Legislator Birnbaum.

LEGISLATOR BIRNBAUM: Yes. I'm very interested in gun control and gun safety. So I just want to know, could you explain about the program?

MR. LANCEMAN: Sure. The GIVE grant builds upon information sharing and partnerships developed under Operation

Impact, which was the prior name, while expanding the use of crime analysis, evidence based practices, and community partnerships to assist in the reduction of firearms, related homicides, and shootings.

Also it focuses on the goal to reduce shootings and homicides by promoting integrated evidence based strategies including unannounced visits to gang members.

LEGISLATOR BIRNBAUM: I just want to add that I'm such a believer in safe storage of guns that last year I introduced legislation that would mandate anyone that has a gun in their home to keep it in a safe lock box so a child couldn't possible get it and suicide rate would be a little bit more controlled because it's been showed that people do use their own handguns to commit suicide. I think this would go along with it beautifully and I haven't seen this bill go anywhere. Do you know if we can perhaps bring it, Presiding Officer, to a vote one day?

Full Legislature/5-22-17

CHAIRWOMAN GONSALVES: Legislator Birnbaum, I believe I was just advised by counsel it's preempted by state law.

LEGISLATOR BIRNBAUM: A lot of local municipalities have enacted a law similar to this.

CHAIRWOMAN GONSALVES: We'll ascertain. Any other comments regarding Item 24?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of Item 24, Ordinance 70 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes unanimously.

MR. LANCEMAN: Thank you for supporting probation.

CHAIRWOMAN GONSALVES: You're welcome. 28, the next item, Resolution 96, a resolution authorizing the County

Executive to execute an intermunicipal agreement with Oyster Bay East Norwich Central School District.

Motion, please.

LEGISLATOR MACKENZIE: So moved.

LEGISLATOR WALKER: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator MacKenzie, seconded by Legislator Walker. Are there any questions from the legislators?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of Item 28 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

11 to 7 for 28. I'm going to have to put the Legislature in recess, hopefully, we can move on. I will take a few minutes.

LEGISLATOR ABRAHAMS: Madam Presiding Officer, we have not called all

the items, there's Item Number 70. There's items that you didn't call as well.

CHAIRWOMAN GONSALVES: I know, but there are other items that I didn't call as well.

LEGISLATOR ABRAHAMS: Well, they've been here since 1 o'clock. Is their item going to be called today? At least tell them if the item is going to be called or not called so they don't have to wait here throughout the recess.

CHAIRWOMAN GONSALVES: I thought we were going to be able to call others but obviously we did not.

LEGISLATOR DERIGGI-WHITTON: Let's take a vote on it.

LEGISLATOR ABRAHAMS: Let's take the vote.

CHAIRWOMAN GONSALVES: I know that there are two people here, we are not calling the item primarily because -- would you like to come up? I would like you to know that we are not going to be calling this item.

Full Legislature/5-22-17

LEGISLATOR DERIGGI-WHITTON: It's a million dollars if you don't call the item now. This is money that's available. We are not bonding for this money.

CHAIRWOMAN GONSALVES: You're doing it again.

LEGISLATOR DERIGGI-WHITTON: This is money that's available. Rich, this is part of your district too. We cannot lose this money.

LEGISLATOR NICOLELLO: You know, it's hard to count how many times there were speakers from the county at that podium saying we are in jeopardy of losing federal funding if you don't vote for this bonding, and you said, oh, so what, it's fine.

LEGISLATOR DERIGGI-WHITTON: But we're not bonding today. The money is sitting in the account.

LEGISLATOR NICOLELLO: That doesn't matter. It's the same principle. The point you just raised is that we are in danger of losing federal monies.

LEGISLATOR DERIGGI-WHITTON:

We're not bonding. The money is there.

LEGISLATOR NICOLELLO: The point that you just raised is that we're in danger of losing federal monies. It's been said repeatedly that it has never been an issue for you and, all of a sudden, now it's an issue for you.

LEGISLATOR DERIGGI-WHITTON: Rich, we're not bonding. Rich. We are not bonding.

LEGISLATOR NICOLELLO: I'm addressing a point.

LEGISLATOR DERIGGI-WHITTON: The money is sitting there and you're going to lose a million dollars. Rich Nicolello is going to lose a million dollars.

LEGISLATOR NICOLELLO: Maybe you should worry about the pump station in your own district. I'm worried about the pump stations which are more important.

LEGISLATOR DERIGGI-WHITTON: Fine. It hasn't been called, number one. You're saying this is not important. Number two --

Full Legislature/5-22-17

LEGISLATOR NICOLELLO: I'm worried about odor control in Bay Park. Those communities suffer from odor control and it's not important enough for you to vote on.

CHAIRWOMAN GONSALVES: I'm not calling the item.

LEGISLATOR DERIGGI-WHITTON: You know what, Rich, you met with them and gave them your word. And the entire North Hempstead --

LEGISLATOR NICOLELLO: I don't know what you're talking about.

LEGISLATOR DERIGGI-WHITTON: I've had conversations with them also.

LEGISLATOR NICOLELLO: Whose word did I give?

LEGISLATOR DERIGGI-WHITTON: Would you like to come up to the podium? I'm calling as a legislator. Come on up to the podium. I'm doing it.

MR. KROPLICK: Howard Kroplick, 33 Wren Drive, East Hills, New York.

MS. TINDER: Ann Tinder, Roslyn,

director of the Roslyn Landmark Society.

LEGISLATOR DERIGGI-WHITTON: This money is available and is environmental bond act from, what was it, 2009, if I'm correct? It's 2006.

The money is available. It is sitting in an account. We were waiting for the state to come up with their money to match which is now available.

So there is no further bonding. There is no issue with anything at all. It's just a matter of giving you the money that was promised to you.

If we don't do this today, what happens to the state money?

MR. KROPLICK: Then we can't begin the project. We are required to get the $250,000 so we can begin Phase One.

If you don't vote on this today, the project will be halted and it could put in jeopardy additional funds in the future.

We have a time limit on when we have a $500,000 grant from New York State. It's time limited to where it goes.

Again, we're talking about 11 years ago this was voted on by the Legislature. It was approved by it. All we are asking for you to do is sign the IMA agreement that transfers the money to the Village of Roslyn.

This money has been approved already under the capital funds. It's an Environmental Protection Act that was approved in 2006.

These monies have been approved. All we're asking for you to do is to vote on the IMA transfer between the county and the village.

If you don't do it, the project will be halted totally. Again, this benefits all of Nassau County. This is a historic building that really the county has had for 41 years with the promise to restore it and, in fact, it has never been restored. They promised a million dollars years ago to restore it.

We never got the million dollars, but we have gone out now and got the money

to restore it. So it's -- and it would be a real shame that the only thing holding it up is that you're not signing an IMA agreement.

Like I said, you are putting the whole project in jeopardy, quite frankly, and this is not a partisan issue. It should not be part of politics.

This is what is in the best interests of the residents of the county here.

We have a historic landmark that's deteriorating. It's an eye sore in the middle of the Village of Roslyn and it really should be a cherished item here for the county. We have the money to restore it but we really can't proceed unless the county signs off on the IMA agreement.

We are not asking for additional capital funds. This is a bond act that was approved 11 years ago. There were 30 projects that were approved in bond act. This is the only one that hasn't received a penny.

LEGISLATOR NICOLELLO: That's a

good point. What was the reason for the delay that it took all these years?

MR. KROPLICK: The delay was really to get the project going.

LEGISLATOR NICOLELLO: So it wasn't that the county's been holding it up for 12 years?

MR. KROPLICK: No, no. You're totally correct. We needed to raise the money. Again, it was initially promised, Nassau County promised a million dollars. It never got voted on.

So we went out and raised the funds to get this project going. And not only have we raised these funds, once we get Phase One, we have commitments that this is going to proceed. We're going to raise another million dollars. We have it from private foundations that want to go into this, but they want to see Phase One actually started.

So this is going to be a major setback for this project if you don't sign on IMA agreement. We are not asking for

funds from Nassau County. You approved it.

LEGISLATOR NICOLELLO: Like I said, this is not a partisan issue.

However, there are issues, projects, and, by the way, this is also a worthy project which should be done. But there are projects all over this county that are being held up that are not partisan.

There are people living in communities next to sewage treatment plants who suffer from odor control. That's not a partisan issue, but let's take this one.

Would you let me finish. You have to chime in over there? You have an issue that if someone is disagreeing with you you can't let them speak. Would you please just let me speak?

LEGISLATOR DERIGGI-WHITTON: You know what I have an issue with, these people received a call from the -- one of your attorneys saying that they will not see the light of day because of me.

LEGISLATOR NICOLELLO: I was just finishing my explanation.

Full Legislature/5-22-17

LEGISLATOR DERIGGI-WHITTON: You know what, it's not fair.

LEGISLATOR NICOLELLO: I was just finishing my explanation on the issue.

CHAIRWOMAN GONSALVES: You are being --

LEGISLATOR DERIGGI-WHITTON: But the gentleman walking over to you right now, and in a very rude --

LEGISLATOR NICOLELLO: I was explaining our position on the issue.

CHAIRWOMAN GONSALVES: Legislator DeRiggi-Whitton. You keep interrupting.

LEGISLATOR DERIGGI-WHITTON: You know this is the right thing to do.

CHAIRWOMAN GONSALVES: Don't you understand what out of order is?

LEGISLATOR NICOLELLO: By holding up 100 and something million dollars in projects in this county, you are not in a position to dictate to anyone what's the right thing to do.

LEGISLATOR DERIGGI-WHITTON: I've bonded for quite a lot. I'm not dictating

to you whatsoever. I am just saying, this is this is not bonding that you have to borrow.

LEGISLATOR NICOLELLO: Let me finish my point.

LEGISLATOR DERIGGI-WHITTON: This is money they've been promised. It was voted on.

CHAIRWOMAN GONSALVES: You know you're used to getting your way, now stop it. Yes, you are.

LEGISLATOR NICOLELLO: I'm going to finish my point which is this.

This is not a partisanship; this is a worthy project. But let's compare it one other project of the $140 million or so that's being held up because of partisanship.

People living next to sewage treatment plants on a regular basis have to deal with the odors. Can you imagine living next to a sewage treatment plant. And there were funds in the county that are available to help remediate that problem, but, because

of partisanship, that project does not go forward affecting your quality of life. That's one issue.

There's multiple issues. So if you expect this to go forward with them holding up $140 million of bonding with multiple projects throughout this county affecting the quality of life, affecting health and safety, sewage pump stations in Glen Cove, et cetera. That's not going to happen. Government does not work that way.

If you are going to hold up government for one purpose for your own ends then you can't expect government to work for your ends in another way. It is simply not going to happen.

MR. KROPLICK: Can I respond to that? This doesn't make any sense to me at all, from the standpoint, this project you can't tie to any other project. It stands by itself.

LEGISLATOR NICOLELLO: I agree with you. And odor control stands by itself. You cannot tie it to any other

issue. Not to odor control. It stands by itself.

MR. KROPLICK: This project should be measured on its merits. You can tie any other bill to this and it really can. Looks at the history of this project. The project, again, it was approved by Nassau County in 2006 unanimously.

Basically you're going to kill it because of a political discussion. We can't be political. We are the Roslyn Landmark Society. We're non profit. I'm the town historian of North Hempstead. I can't get involved with politics. It's in the state Charter. I can't negotiate for you that you have to bid one way. It's against state law to do that.

Now, if you want me to get involved in politics dispute here, you are breaking the state Charter on that. I'm not going to do that.

I beg you, that you're killing a historic project. That building is going to collapse unless we go in there and restore

it. I'm not asking for capital funding for that. We have a volunteer group that raised a million dollars that you're putting jeopardy by a squabble.

I want everybody here to be in celebration when we have a grand opening of this and everybody on this dais can be there to celebrate that you are saving a historic building. It's one of the oldest buildings on Long Island. It was the center of business for Roslyn.

Part of your area is the Roslyn area. We should be proud of this. We shouldn't get into a political squabble. I don't want to hear about politics on something like this. This is not a political issue. It's the right thing to do for Nassau County.

We build that and it's going to be a center where people can enjoy the history of Nassau County and the history of the village, that's the Village of Roslyn.

So when I hear about the politics of this, it's really upsetting to say the

least.

Newsday is following this very, very closely, and Newsday called this a treasure of Nassau County that needs to be preserved. I think if they look at this as an example where you're fighting them and you are not approving something that has all of the monies, have already been approved, it's not going to make anybody look good.

I'm begging you, take a vote on it. If you are going to vote against, vote against it. Get on the record and show us what you're doing on this.

MS. TINDER: You voted unanimously for four or five projects today. You can vote one more time unanimously for a historic project. It's all of our heritage.

LEGISLATOR ABRAHAMS: Just to let you know, we stand ready and prepared to vote for this.

Obviously we don't have the majority to be able to push this through but we stand with you and believe in its value. I'm one of the few members that was here in

2006 that supported both environmental bond acts I supported.

There are several of my colleagues who also both took those votes as well that are preventing this from being called today.

You're hearing a lot of back and forth and I feel a bit remorseful that you are actually stuck in the middle of this.

I think you explained it correctly that you are caught in the middle of a political squabble.

It sounds like to me based on the comments that Deputy Presiding Officer made that they are not voting for this which he voted for in 2006 as part of the environmental bond act, but he's not voting for it because we are not voting for bonding.

We're not voting for bonding because there is no integrity or transparency as we believe it, Norma, it's perfectly fine, you don't believe that, but we believe that there is not enough

transparency as all of the public corruption that we're seeing that's occurring in this county.

That being said, it goes back and forth. We can say they are holding up because they're not voting for public corruption officer, and they can say we are holding it up because we're not supporting bonding.

Either way you do not get what you are looking for which is to do this great project. I respectfully request that the Presiding Officer call the item and let them see how we take the vote.

At least we should do that. Give them the respect that we should at least take the vote. If it goes down, at least they understand where this Legislature stands and they are not left in limbo for the next several months.

CHAIRWOMAN GONSALVES: Alternate Deputy Presiding Officer Kopel.

LEGISLATOR KOPEL: Thank you. I understand that this can be pushed off for

another few weeks, a month or so, if necessary. That's what I'm advised.

I would urge you to use that time wisely and build support and get the representatives on the other side of the aisle to vote for some projects that affect public health and safety.

I understand, I like supporting historical things, but historical things as important as they are and as nice as they are, can't compare with matters, critical matters of public safety such as roads, such as pump stations that if those -- it's not a glamorous thing like a gristmill perhaps, but God forbid those things fail, that's big trouble for a lot of people. That's just not the way to go.

So I think that this is gridlock that we have been experiencing here for a very long time. We agree that it's time to break it. But I think we need to treat this as an entire matter and not try to use Salami tactics, we'll just vote on this, vote on that.

We need to get this done and I would urge you to go ahead and urge your representatives to do the right thing.

So I think that it's better that we don't vote today.

CHAIRWOMAN GONSALVES: You know we have a Rules Committee after this. If you want to take somebody's place for Rules and stay until 6, 7 o'clock, fine, let's go. Legislator Birnbaum and then Legislator Rhoads, and that's it.

LEGISLATOR BIRNBAUM: I've worked with Mr. Kroplick at the Town of North Hempstead, and I know his passion for history and restoring historical sites and making the town beautiful and making the county beautiful. He's worked so hard on this project.

He just gave a statement that he can't get involved politically. To ask him to try to persuade legislators to vote a certain way I think is wrong. It's not what we do here.

I think he's here for one issue

and it's restoring a historical site that is Nassau County, it's a county gristmill. We have one in Great Neck, the Saddle Rock Gristmill that I'm passionate about restoring as well. This is through generations. This is for our community. This is what government is all about.

I can't understand why anybody would be opposed to this resolution.

CHAIRWOMAN GONSALVES: Now we have Legislator Rhoads and that's then the end.

LEGISLATOR RHOADS: You are 100 percent correct that this should not be a partisan issue.

I think one of the things you have seen today is that issues that are not supposed to be partisan issues, issues of public health, issues of public safety, issues of road safety, traffic engineering, issues of pump stations are all nonpartisan issues, or should be nonpartisan issues that have been caught in political morass.

From my perspective, I have

constituents in my district that I have to answer to. I have to explain to them, because most of my district surrounds the Cedar Creek Sewage Treatment Plant, which is the subject of a capital project for odor control. I receive odor complaints in my district on a regular basis. A capital project that's being held up would address some of that.

I showed you before, Merrick Road, main roadway. We can't get a project done to be able to make necessary repairs because we can't get the 13th vote on bonding. Not a political issues. Everybody agrees it's a no-brainer project that should get done but for whatever reason it's not getting done.

I can't in good conscience tell my constituents that I can vote for a gristmill project in Roslyn to restore a historic building, while at the same time I can't fix this. At the same time I can't fix odor control complaints that impact them on a regular basis. Particularly now in the

summertime where everybody has got their window open.

You have no idea what it's like to live adjacent to sewer treatment plant. Understand that every time you flush the toilet anywhere in Nassau County it goes to one of three places, but predominantly it goes to one of two places.

So anyone who lives in the proximity of Legislator Ford's district, for example, where she deals with Bay Park sewage treatment on a constant basis, I deal with Cedar Creek, you have no idea what it's like to live next to where all of Nassau County's sewage winds up going.

We have a responsibility for public safety, for public health, to address that. It's not being addressed and I can't in good conscience support the project even though I would love to.

I love -- I'm a great fan of history. I actually play 1864 rules baseball over at Old Bethpage Village Restoration, but I can't support the project

and go back to my constituents and say, I can rebuild a gristmill in Roslyn but I can't get your roads fixed and I can't control odor complaints.

MR. KROPLICK: Can I just respond?

CHAIRWOMAN GONSALVES: You may respond, but you know what? We have a Rules Committee after this. Most of my colleagues are not on Rules. So we can be here until seven o'clock.

I've got news for you. I will give you the courtesy, Mr. Kroplick, but that's it.

MR. KROPLICK: Just understand you're comparing two different things here. You're comparing a capital project with a funding that was approved 11 years ago. It's two different things.

What I'm asking is, if you want to vote against this, let's see it. Let's show the people you're not even taking a vote. So you feel very strongly about this, go for it. But you don't even taking a

vote. You don't want to go on record going on a historic project. You say it but you're not voting on it.

LEGISLATOR NICOLELLO: So you would rather us vote it down than leave open the possibility. So who is being political, Mr. Kroplick?

MR. KROPLICK: I'm not being political. You are asking me to be conduit to get your squabble over. It's not going to happen. We can't do that. It's not in our Charter as a nonprofit. It's not in my Charter as a historian. I can't negotiate for you. You're all attorneys, all very experienced legislators. You don't need me to negotiate for you. I can't. I won't do that.

So you basically are shooting this down and we're going to lose a $500,000 grant from New York State. It's kind of amazing but it's sad.

I just hope when you go back to your Rules Committee, you reconsider this again and you do not what's right for your

political parties, but do what's right for the residents of Nassau County.

MS. TINDER: You passed it in your Rules Committee two, three weeks ago. You told us it was approved in the Rules Committee and it would be put on the agenda and we have been here faithfully sitting and listening to you and waiting. This is -- you passed this money, you have it in a savings account in escrow somewhere. It belongs to the gristmill.

LEGISLATOR FORD: We are going to vote on it at a later date then.

MR. KROPLICK: Thank you for your consideration.

LEGISLATOR CURRAN: Presiding Officer, if I may add, a lot has been talked about this odor control project that's on today.

But if I'm reading the backup correctly, the construction has been complete on this. It was a year ago in late April of 2016. Is this something that we need to be voting on? It looks to me,

unless I'm wrong --

LEGISLATOR KOPEL: That was just one example.

LEGISLATOR CURRAN: It's one example that's come up several times.

LEGISLATOR NICOLELLO: Would you like to vote against the pump stations in Glen Cove and go explain to the people in Glen Cove --

LEGISLATOR DERIGGI-WHITTON: It's never been on yet.

LEGISLATOR NICOLELLO: You just voted against it in committees. Did you forget about that already?

LEGISLATOR DERIGGI-WHITTON: No. What we are talking about right now --

LEGISLATOR NICOLELLO: This started with Legislator Curran.

LEGISLATOR DERIGGI-WHITTON: What you know is that this money is available. This is not bonding. This is their money.

LEGISLATOR NICOLELLO: What is the difference?

LEGISLATOR DERIGGI-WHITTON: It's

not our money, it's their money.

LEGISLATOR NICOLELLO: If a project is worthy, it doesn't matter -- I will say this as many times as I can until you stop talking. If a project is worthy, it does not matter if it's a vote on bonding or not a vote on bonding. If a project is worthy, it's worthy.

LEGISLATOR DERIGGI-WHITTON: Rich, you are so mixed up. You voted for this for the original, voted for it two weeks ago. You met with them. You assured them you would do what you could.

You know what, you are looking like a hypocrite for a political reason. You know what, I know this is bothering you. I see that you know what to do is right. You know, you're not doing what's right and you are going to be blamed for this.

CHAIRWOMAN GONSALVES: Hey, don't go there. Hey. No.

LEGISLATOR NICOLELLO: I want to respond.

CHAIRWOMAN GONSALVES: I'm

calling a recess.

LEGISLATOR DERIGGI-WHITTON: Do what you want but you're totally going against your word.

LEGISLATOR NICOLELLO: Look, you don't understand what I was trying to do is get this in a position where it could pass, but because of your hard headedness, stubbornness partisanship, you won't vote for any other project in the county but want something for yours. That's why it's not passing.

LEGISLATOR DERIGGI-WHITTON: We voted for bonding today. They were here to see that. I'm not calling it for a vote. The Roslyn Historical people called it for a vote. If you want to vote against it, by all means do, but you are going against your two prior votes which is really weird.

LEGISLATOR NICOLELLO: We have three or four road projects that are ready to go, are you ready to vote for them?

LEGISLATOR DERIGGI-WHITTON: If our County Executive wasn't indicted, I

would think about it. I have a hard time sending down contracts. I don't feel comfortable --

LEGISLATOR NICOLELLO: If everything was corrupt before today and they passed this body all those years ago, maybe we should investigate that, is that what you're saying?

LEGISLATOR DERIGGI-WHITTON: No. I think while the person who is turning down contracts to us is under indictment, we have to be extremely careful, you know that. You know what you're doing --

CHAIRWOMAN GONSALVES: And you know what you're doing.

LEGISLATOR DERIGGI-WHITTON: This money is available, and not bonded.

LEGISLATOR NICOLELLO: Do it. Then call the vote one day. If you don't want to do it today, but, you know what, if you lose this money, Rich, it's going to be on your shoulders and it's going to be very public.

CHAIRWOMAN GONSALVES: This

Full Legislature/5-22-17

meeting is now in recess.

(Whereupon, the Full Legislative Committee recessed at 4:40 p.m.)

CHAIRWOMAN GONSALVES: Will my colleagues join us in the chamber.

(The Pledge of Allegiance was recited.)

CHAIRWOMAN GONSALVES: Please call the roll for the Rules Committee.

CLERK PULITZER: Rules Committee roll call. Legislator Carrie Solages?

LEGISLATOR SOLAGES: Here.

CLERK PULITZER: Legislator DeRiggi-Whitton?

LEGISLATOR DERIGGI-WHITTON: Here.

CLERK PULITZER: Ranking Member Kevan Abrahams?

LEGISLATOR ABRAHAMS: Here.

CLERK PULITZER: Alternate Deputy Presiding Officer Howard Kopel?

LEGISLATOR KOPEL: Here.

CLERK PULITZER: Substituting for Legislator Dennis Dunne will be C. William Gaylor?

LEGISLATOR GAYLOR: Here.

CLERK PULITZER: Vice Chairman

Richard Nicolello?

LEGISLATOR NICOLELLO: Here.

CLERK PULITZER: Chairwoman Norma Gonsalves?

CHAIRWOMAN GONSALVES: Present.

CLERK PULITZER: We have a quorum, ma'am.

CHAIRWOMAN GONSALVES: We have several contracts before us today and we begin with Contract A-20, a resolution authorizing the director of Nassau County Office of Purchasing to award and execute a contract between the County of Nassau acting on behalf the Nassau County Department of Information Technology and iConstituent, LLC.

Motion, please.

LEGISLATOR KOPEL: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Kopel, seconded by Legislator Nicolello. What are you going to tell us?

COMMISSIONER EISENSTEIN: Good afternoon. Ed Eisenstein, IT Department.

This is a late item. It is the item used for our outgoing email system.

CHAIRWOMAN GONSALVES: Okay. Any questions for Mr. Eisenstein? Minority Leader.

LEGISLATOR ABRAHAMS: Thank you, Madam Presiding Officer. If I'm understanding this contract correctly, Mr. Eisenstein, it's 11 months late?

COMMISSIONER EISENSTEIN: Yes, that is correct. The first item was late and then we attempted to do the second item together with the old item and combine it into one.

LEGISLATOR ABRAHAMS: Would this be a contract, I saw Mr. Cleary earlier, I see him there now, is this a contract that would be eligible for being on the list of late contracts that we are expected?

COMMISSIONER EISENSTEIN: It's a continuation of service, so I'm not sure it wouldn't be for because of that. It's a continuation of service.

MR. SCHLERNOFF: It's not a

personal services contract.

LEGISLATOR ABRAHAMS: It's not a personal services contract. Only the personal service contracts are on that list?

MR. SCHLERNOFF: Yes.

LEGISLATOR ABRAHAMS: Do we envision any increases that might arise from that contract?

COMMISSIONER EISENSTEIN: Yes, it's an annual license so I assume there may be some small percentage, two or three percent increase, annually, although we haven't experienced that yet.

LEGISLATOR ABRAHAMS: Is that within the scope -- do we see that as being fiscally prudent?

COMMISSIONER EISENSTEIN: I assume after five or six years we would go out to RFP and see who can compete with that system better. Currently they are the only vendors who can handle that kind of a transaction. We send several million emails out to our residents.

LEGISLATOR ABRAHAMS: I do

realize when I see the emails, iConstituent is the only company in the United States that can perform mass email messaging or is there others that we can look for when we do the RFP again in a couple of years?

COMMISSIONER EISENSTEIN: Yes. I hope there will be others. Mass emails is a complicated technology of course as you may heard. They allow us to email all our residents within 24, 48 hour period. So that's not something we can do in-house, and it can be competitive after a few years of course, and would RFP it anyway.

LEGISLATOR ABRAHAMS: I have it in our back up that the county accepting from this vendor that they are seen as a sole source. I don't understand how they can be seen at a sole source if this is something that can be RFP'd and we can get other potential bidders.

LEGISLATOR ABRAHAMS: Initially they weren't a sole source. They became a sole source once they customized their system for us and went through our email

list and washed it or cleaned it, if you will, to make it appropriate.

So they're a sole source because now all those 800,000 emails are accepted by every one that receives them, so that took a number of years to get into that.

LEGISLATOR ABRAHAMS: But they're not the sole source in the sense like, say an example, an entity that provides Shot Spotter intelligence that is patented and only they can provide that level of intelligence, they're not that?

COMMISSIONER EISENSTEIN: They are the sole source in the fact that they have customized the system for us in such a proprietary manner it would take some time to --

LEGISLATOR ABRAHAMS: I know what you're saying. I guess when we're normally hearing sole source, it strictly means that this is the only entity that can provides this service if there are certain guidelines or boundaries, they're the only ones that can do it where it sounds like because they

have the history with the county is the only reason they can do it, but there are others that are capable of doing it?

COMMISSIONER EISENSTEIN: Sure, sure. Just to talk about that, of course in software it's very common for a vendor to customize it for us and become the only entity to be able to service us.

But we do make a concerted effort to still go to RFP and see who else is willing to compete.

LEGISLATOR ABRAHAMS: I have nothing further, Madam Presiding Officer.

CHAIRWOMAN GONSALVES: Is there any public comment?

(No verbal response.)

There being none, all those in favor of A-20 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The item passes four to three.

The next two items I will call together; E-126 and E-127, both personal

services agreements between the county acting on behalf of the Department of Probation and Family and Children's Association, that's 126.

127, a personal services agreement between Nassau County acting on behalf of the Department of Probation and Family and Children's Association.

Motion, please.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Gaylor, seconded by Legislator Nicolello. Who do we have?

MR. DIMAGGIO: I'm Dominick DiMaggio, Jr., Deputy County Attorney, on behalf of the Department of Probation. I thank you for calling the items together.

Item 127 is actually a retroactive contract dating back from April of last year. It is on, to answer your question, it is on the list with Mr. Cleary as well as the other item, 126. I am in weekly contact with Mr. Cleary trying to

clear up some of the retroactive contracts with the Department of Probation.

The reason for the delay is I actually got involved with the procurement procedure in January of this year. So, obviously, most of the time delay I wasn't involved with the case. But I am working hard to clear up many of the retroactive contracts including this one.

This is a grant funded program, 62 percent is funded by grant. 39 percent is local. That being generally divided between human services and probation.

These are preventative services at the JDC. We try to get involved early so that the juvenile offenders do not reengage in the same behavior.

I don't know if there's any other questions that anyone might have?

CHAIRWOMAN GONSALVES: Minority Leader.

LEGISLATOR ABRAHAMS: How are you, sir?

MR. DIMAGGIO: Good. Thank you.

LEGISLATOR ABRAHAMS: We noticed in the disclosure forms that the contract is submitted a letter dated January 24th, 2017 explaining that the disclosure forms seems to be a bit arduous task and the organization as well as the board members to complete in a timely manner due to the quarterly meeting scheduled for the Board of Principals.

Were you able to find out from the contractor what he meant by that and what components of the disclosure forms and get feedback on them?

MR. DIMAGGIO: I'll ask Mr. Cleary to step up on that. Like I said I just got involved actually in January and with this one I didn't get involved until probably a month ago. So I think he may be able to answer that question for you,

MR. CLEARY: Robert Cleary, director of procurement compliance. The organization took issue with having its board officers submit principal questionnaires. They had submitted all the

other forms that were required.

After some extensive discussions they agreed to have those submitted. One form came back partially completed. After some additional negotiation, we finally obtained recently completed. That was their only issue, was basically the principal questionnaires for the board officers.

LEGISLATOR ABRAHAMS: I got you.

MR. DIMAGGIO: Sorry I didn't have the answer.

LEGISLATOR ABRAHAMS: That's okay.

CHAIRWOMAN GONSALVES: Any other questions?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of E-126 and E-127 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Rules Committee/5-22-17

The items pass unanimously.

MR. DIMAGGIO: I thank you very much for your time.

CHAIRWOMAN GONSALVES: Thank you. The next item is E-128, a personal services agreement between the County of Nassau acting on behalf of the Department of Parks, Recreation and Museums and Cornell Cooperative Extension Nassau County.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR KOPEL: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Kopel. Go ahead, Eileen.

MS. KRIEB: Eileen Krieb, Department of Parks. I'm here to present the service agreement between Nassau County and Cornell for $100,000 to be funded for their programs, source of funding is Hotel Motel funding.

CHAIRWOMAN GONSALVES: Are there any questions?

LEGISLATOR KOPEL: It's

completely retroactive, completed, it's a completed contract, right?

MS. KRIEB: It's the programing for 2017 and they didn't have the funding until now.

LEGISLATOR KOPEL: So partially. I'm sorry. I was looking at the wrong thing.

CHAIRWOMAN GONSALVES: There being no other questions, those in favor of E-128 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes unanimously.

The next item is E-129, a personal services agreement between Nassau County acting on behalf of the Nassau County Department of Public Works and H2M Architects and Engineers.

Motion, please.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR KOPEL: Second.

CHAIRWOMAN GONSALVES: Moved by

Legislator Gaylor, seconded by Legislator Kopel.

MR. ARNOLD: Ken Arnold, Department of Public Works. This item is a design contract to assess and design replacement facilities for the preliminary treatment at the Glen Cove Sewage Treatment Plant. There were three firms that submitted bids. H2M was the highest technically ranked firm and they were selected by the committee as the best value to the county.

CHAIRWOMAN GONSALVES: Any questions or comments regarding E-129?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of E-129 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

Item passes five to two.

The next item is E-131, a

personal services agreement between the County of Nassau acting on behalf of the County Department of Social Services and Forensics Psychology Consulting PLLC.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR KOPEL: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Kopel.

MR. BRODERICK: Good afternoon. Paul Broderick, Deputy Commissioner, Department of Social Services. The item before you is a contract between the Department of Social Services and Forensic Psychology Consulting.

We are asking them to perform psychological evaluations and courtroom testimony as ordered by the family court.

The contract is delayed. The vendor -- we submitted a contract to the vendor in early December of 2016 who only returned the contract back in mid April of this year. Do you have any questions?

Rules Committee/5-22-17

CHAIRWOMAN GONSALVES: Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: What exactly do they do at the courts? Can you go over what their task is?

MR. BRODERICK: If a family court judge requires an evaluation of a family and/or a child, they have a pool of individuals of psychologists that they can rely on to perform evaluations.

LEGISLATOR DERIGGI-WHITTON: So this contract basically pays for the pool they select?

MR. BRODERICK: This individual vendor, we have a handful of vendors that perform the service. It allows them some flexibility to chose wherever they are geographically dispersed.

CHAIRWOMAN GONSALVES: Any public comment?

(No verbal response.)

There being none, all those in favor of E-131 signify by saying aye.

(Aye.)

Rules Committee/5-22-17

Any opposed?

(No verbal response.)

Unanimous.

The next item is E-133, a personal services agreement between the County of Nassau acting on behalf of the Nassau County Department of Parks, Recreation and Museums and New York Travel Media, L.L.C.

Motion, please.

LEGISLATOR NICOLELLO: So moved.

LEGISLATOR GAYLOR: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Gaylor.

MS. KRIEB: Eileen Krieb, Department of Parks. This was with a service with the New York Travel Media. It was an RFP that was issued last year for a three year term.

This is a second year we're entering into arranging with them for the amount of $24,000 to provide an overall tourism brochure to the hotels and motels in

Nassau County.

CHAIRWOMAN GONSALVES: Any questions or comments? Minority Leader?

LEGISLATOR ABRAHAMS: No.

(No verbal response.)

There being none, all those in favor of E-133 signify by saying aye.

(Aye.)

Any opposed?

(Nay.)

The item passes four to three.

MS. KRIEB: Majority Leader, I also have U-28 and 29, may I present that now or do you want me to wait?

CHAIRWOMAN GONSALVES: You can do it. U-28?

MS. KRIEB: U-28 is with Plaza Theatrical Productions which we annually put on a play at Lakeside Theater each summer. It's My Fair Lady this year on August 25th.

CHAIRWOMAN GONSALVES: I need to call them. U-28 is a personal services agreement between the County of Nassau acting on behalf of the Nassau County

Rules Committee/5-22-17

Department of Parks, Recreation and Museums and Plaza Theatrical Productions, Inc.;

U-29 is another personal services agreement between the County of Nassau acting on behalf of the Nassau County Department of Parks, Recreation and Museums and Leftfield Productions, Inc.

Motion, please.

LEGISLATOR KOPEL: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Kopel, seconded by Legislator Nicolello. Now you can talk.

MS. KRIEB: Both of these contracts are for performances held in August at Lakeside Theatre. One is with Plaza Productions for the performance of My Fair Lady and it's $4,000 funded by Hotel Motel.

The other is for Neilbergs 100 years of Broadway at Lakeside Theatre in the amount of $10,000 and that's to be performed on August 12th; both being funded again through Hotel Motel.

Rules Committee/5-22-17

CHAIRWOMAN GONSALVES: Any questions of Ms. Krieb?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in favor of U-28 and U-29 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Unanimous. Thank you.

Let's go to U-15, a personal services agreement between the County of Nassau acting on behalf of the Department of Corrections and the New York Board of Rabbis.

Motion, please.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Gaylor, seconded by Legislator Nicolello. Who is here to speak on this item?

Rules Committee/5-22-17

MS. HALL: Good afternoon. Narda Hall, Correctional Center.

Item U-15-17 is for the New York Board of Rabbis to provide religious services and counseling to inmate population at the Nassau County Correctional Center.

The process began November 2016. Incomplete and or missing documentation followed by untimely receipt of information has resulted in processing delays.

The New York State Commission of Corrections mandates that all inmates have the right to hold any religious beliefs and requires that the facility permit advisors to conduct congregated activities at least once per week. The contract period is January through December of 2017 with a budget impact of $8,400.

CHAIRWOMAN GONSALVES: Any questions from the legislators?

(No verbal response.)

Is there any public comment?

(No verbal response.)

There being none, all those in

favor of U-15 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes unanimously.

Now, I need a motion to suspend the rules because we have an addendum.

Motion, please.

LEGISLATOR KOPEL: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Kopel, seconded by Legislator Nicolello. All those in favor of suspending the rules signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The rules are suspended.

On the addendum is A-23, a resolution authorizing the Director of Nassau County Office of Purchasing to award and execute a contract between the County of Nassau acting on behalf of the Nassau County Police Department and Virsig, LLC.

Rules Committee/5-22-17

Motion, please.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Gaylor, seconded by Legislator Nicolello.

LIEUTENANT STEPHANOFF: Good afternoon. Lieutenant Greg Stephanoff, Nassau County Police Department. I have Inspector Robert Torres with me.

Item A-23 is to authorize and award a purchase order for a security system to furnish and install for the Nassau County Police Department for the Second Precinct south with Virsig.

This is going to install electronic access and cameras for the building and also a separate garage.

This item was put out to bid with four bidders and we selected the lowest bidder.

CHAIRWOMAN GONSALVES: Any questions of the lieutenant?

(No verbal response.)

Rules Committee/5-22-17

Is there any public comment?

(No verbal response.)

There being none, all those in favor of A-23 signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

The item passes unanimously. Thank you, Lieutenant.

Now we have one item remaining on the Rules Committee. That's why I left it for last. It's E-134, a resolution authorizing the County Executive to execute an amendment to a personal services agreement between the County of Nassau acting on behalf of the Nassau County Sheriff's Department and Armor Correctional Health Services of New York.

Motion, please.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Gaylor, seconded by Legislator Nicolello. We have a trio?

Rules Committee/5-22-17

MR. RIBANDO: Good evening, Chuck Ribando, Deputy County Executive for Public Safety.

CHAIRWOMAN GONSALVES: You're joined by?

MR. GRIPPO: Dan Grippo, Deputy County Attorney.

MR. DENION: Conal Denion from the County Attorney's Office.

MR. RIBANDO: This is an amendment to a final extension of the Armor contract to bring us health care through August 31st while we transition NUMC to fully take over on September 1st.

CHAIRWOMAN GONSALVES: Now we have questions I'm sure. Legislator Solages.

LEGISLATOR SOLAGES: Thank you very much, Presiding Officer. Is there a contract already in place for the medical center to take on the responsibilities for the inmates there at the correctional facility?

MR. RIBANDO: The contract is in

final stage of negotiation. It was actually voted, the terms of the contract were voted on last Wednesday by the partial board that votes on approval of contracts.

So very shortly they will be voting on the full approval of the contract and it will be given obviously to the leg.

LEGISLATOR SOLAGES: I understand. But my concern is that, you know, the rate that the county is paying for it. I feel like honestly this is price gauging. So if you can please address those concerns I would appreciate that.

MR. GRIPPO: The terms of the proposed amendment are clear that this is a final extension with Armor. Armor is out no later than August 31, 2017.

The amendment is also clear that it contemplates a transition to NUMC. That is the plan at this point.

Now, let me just say a few things. The amendment, in our view, is a preferred alternative to a judicially imposed order. There is a pending lawsuit

that Armor has brought to declare --

LEGISLATOR NICOLELLO: You want to discuss this in public?

MR. GRIPPO: I'm just saying what's publicly plead. I'm not going to get into the merits of it. But what I'm saying is, this is an alternative to what might happen. We are happy to discuss in greater detail; the merits, the lack of matters, our views on that. But the lawsuit is there.

So what I'm saying is, this would be a consensual extension as opposed to a judicially imposed order. So --

LEGISLATOR SOLAGES: Is it your opinion that a judicial imposed order would cost us more?

MR. GRIPPO: I think the merits of the judicial imposed order, whether it's better or worse would be better discussed in executive session.

LEGISLATOR KOPEL: Motion for an executive session.

CHAIRWOMAN GONSALVES: If you want to do it now do it now. Go ahead. If

it doesn't require going into an executive session, be my guest. Hold on. Hold on because Legislator Nicolello wanted to ask questions. Okay. Let's go.

LEGISLATOR NICOLELLO: There's an additional cost for the three month extension?

MR. RIBANDO: You want to know what the pricing is?

LEGISLATOR NICOLELLO: Doesn't it round out to 1.8 million? Above what the contract is now?

MR. RIBANDO: Yes.

LEGISLATOR NICOLELLO: My question is, where is the money coming from to pay for the additional cost?

MS. D'ALLEVA: Roseann D'Alleva. We're looking for additional opportunities in the current budget to be able to fund both the Armor contract and whatever the proposed increases would be for the new hospital contract as well for the 2017 budget year.

LEGISLATOR NICOLELLO: Can you be

anymore specific?

MS. D'ALLEVA: I can only say that, you know, currently the Armor contract is about $11.5 million. This three month extension is going to be at least 1.9, 1.8, so therefore we have to build in that cost increase for the second six months of the year. So that's what, you know, we're looking for opportunities in the current budget to be able to fund this. It's a priority.

LEGISLATOR SOLAGES: I thought it was $3 million?

MS. D'ALLEVA: The current expenditure for the Armor contract is approximately a million dollars a year. A million a month, I'm sorry. A million dollars a month. So the additional funding required over the three month span equates to approximately $1.9 million.

LEGISLATOR SOLAGES: A million, we are paying approximately about $600, $700,000 a month.

MS. D'ALLEVA: All in it's like

$900,000 a month.

LEGISLATOR SOLAGES: No. We're paying more than half for one month when you said that it's a million dollars a month.

MS. D'ALLEVA: It's approximately a million dollars a month.

LEGISLATOR SOLAGES: So if it's approximately a million dollars a month but for our three month extension we are paying 4.8?

MS. D'ALLEVA: 1.9 over what it would currently cost you. So if it currently cost you $3 million for three months, right, then it would be 4.8 for the same three months. The differential is 1.9.

LEGISLATOR ABRAHAMS: I'm sorry, Legislator Solages. That includes what we are going to pay the NUMC from September to December?

MS. D'ALLEVA: No.

LEGISLATOR ABRAHAMS: So basically you're taking a contract and you're taking it in terms of nine months or eight months?

MS. D'ALLEVA: No. What I'm saying is --

LEGISLATOR ABRAHAMS: What will it cost us in medical services whether it goes to Armor, this extension, NUMC, tell me what it will cost us.

MS. D'ALLEVA: Well, that's a different question. So right now the NUMC contract is not final.

LEGISLATOR ABRAHAMS: I understand that. So then, you're telling us that it's going to cost us 1.9 more than what we would've paid?

MS. D'ALLEVA: For these three months.

LEGISLATOR ABRAHAMS: But we are not getting a full year.

MS. D'ALLEVA: Legislator Abrahams, the whole 12 months that we budgeted, right, assuming if Armor or another health care provider was in place that would bid approximately the same amount of money, would have been $11.5 million for the 2017 budget year. Right?

That construct of that contract is through May. So that's what we've paid, that's what they've billed us, it's through May.

Now we are taking this contract another three months, right? We're extending it another three months.

I have budgeted a million dollars a month. Right?

Now for those three months, I will have to seek because of this amendment, I'll have to find a million nine in other opportunities in the budget to fund that.

Now, once the final contract is done with the hospital, at that point, once I know those costs associated with that contract, anything above approximately a million dollars a month, will be another gap opener to the 2017 budget that I will find an opportunity. Right? Right now we have opportunities in utilities. There are basically --

LEGISLATOR ABRAHAMS: I understand what you're saying. I get that

from before. I guess, to me, I look at it as a budget line.

When I look at it as a budget line I think medical services to be provided at the jail, I'm not going to compartmentalize it from January to August.

So in the past we have spent 11, 11 and a half million dollars on that line.

MS. D'ALLEVA: Correct.

LEGISLATOR ABRAHAMS: I understand we are in negotiations with NUMC. You're saying the numbers are going to be approximately 1.9 higher than what we would have paid this year to Armor.

Granted, that does not include what we will be pay to NUMC for a four month period. That number is going to be much higher than two million on what we paid for medical services at the correctional center. That part I'm understanding correctly.

MS. D'ALLEVA: Depending on what the negotiation with the hospital is for the remaining months from September, October, November and December, if those negotiations

render a contract that is above a million dollars a month, then the deficit on that line for medical services will be more than $2 million.

LEGISLATOR ABRAHAMS: That's my point. We are saying the same thing. I just wanted to make sure.

I don't have any questions for Roseann. My questions are more tied to -- I have questions in regards to how this will be foreseen in terms of the negotiations.

If I understand this correctly, we entered into an RFP process. When was that first RFP process to replace Armor begun?

MR. RIBANDO: Last August.

LEGISLATOR ABRAHAMS: So we entered into that process. Explain to us what happened between last August for the record and now why we don't have a vendor in place and we're going through with an extension.

MR. RIBANDO: The August RFP was awarded in November, late November to a

company called CCS. Their bid was I think initially a little over $12 million. When we got into negotiations of finalizing the contract there was a lot of things they didn't take into consideration for and they started adding on and adding on.

That coupled with -- and before I knew it, they were up to almost $1.6 million.

A couple of issues we found out later on that happened after the RFP was awarded, of their integrity in Virginia, which we ceased negotiations with.

The other two companies; one was wasn't fit, I didn't think, to provide health care to the jail. And the third one was a startup company.

So at that point in time, and I think, Legislator Abrahams, you are aware of CCS's issues and we had that discussion.

But at that point in time those were the only bidders. We put out another RFP. Those negotiations were ceased somewhere around the end of February with

CCS.

We put out -- shortly after we put out another RFP for hospitals only. We had no responses other than three companies that didn't meet the criteria of the RFP.

At that point in time we started negotiations at the end of April with NUMC to take over. That has been ongoing on a formal weekly basis but also three times a week for myself.

LEGISLATOR ABRAHAMS: Now, obviously, without publicizing our position negotiation wise with NUMC, it just seems to me, Mr. Ribando, I'm trying to figure out how we can negotiate the best price for the county when NUMC has an understanding that we are writing language into this agreement that Armor will no longer be here come September 1st.

Walk us through -- I'm not asking you to walk us through the negotiations, obviously that's sensitive and we would have to do that in executive session.

But it seems like if NUMC knows

that our date on when we have to have a contract in place is on August 31st, they are under no requirement, no agreement, to give the county a price that it can afford that is within the confines of what Roseann had talked about that is within the budget frame.

Explain to me how you plan to achieve some level of balance to the budget with dealing with the fact that you're dealing with one particular vendor and one vendor that basically doesn't have any other competition and you have a time frame that this contract has to be in place by.

MR. RIBANDO: I understand your question. The only way I can answer that, Legislator, is that we've been in negotiations with them on a number of different issues; one is staffing, but everything has been done in good faith.

I can say that we've had a number, without going into executive session, we've had a number of bids over the RFP process that there is a number in place

in my head and the county's head of probably what it's going to cost, or what it's going to cost us for a monthly and annual contract.

LEGISLATOR ABRAHAMS: Is that number determined by practices elsewhere?

MR. RIBANDO: It's determined by staffing feasibilities and it's also determined also on reviewing previous responses to the RFPs, and their staffing plans.

LEGISLATOR ABRAHAMS: The contract, if I'm understanding the extension of services, Section 3, subpart B, A, sorry, it mentions that Nu Health will assume operation control no later than September 1st, 2017.

MR. RIBANDO: Correct.

LEGISLATOR ABRAHAMS: If the county is unable to reach an agreement with Nu Health, would we be in breach of the contract with Armor or this agreement because we're not able to provide the services?

I guess where I'm leading at is, and this is where we have to kind of get a feeling probably in executive session where the negotiations is because without knowing where the negotiation is, it's going to be very difficult for us to vote for an agreement that has a drop dead date and we don't know where the negotiations are, and we don't know if you are close, if you are far --

MR. RIBANDO: I totally understand and I think I would be able to explain it a lot better in executive session. I definitely understand your concerns. Will do my best to alleviate that.

LEGISLATOR ABRAHAMS: There may be a concern with the fact that depending on what we hear, we may consider tabling this matter until we get a better comfort level if you feel the need in executive session to determine the proximity of how close we are to that agreement.

MR. RIBANDO: Okay. Like I said,

legislator, I understand completely where you are coming from. Hopefully I can alleviate your concerns in executive session which I will do my best to try.

CHAIRWOMAN GONSALVES: Legislator Kopel has a couple of questions before we go into executive session.

LEGISLATOR KOPEL: Just a couple. First of all, this three-month period is not a firm period, is it? Is it a period that's subject to earlier termination at our option?

MR. RIBANDO: It is. I can explain why the amendment is written the way it is in executive session.

LEGISLATOR KOPEL: Okay. That's one. My other question is, and I suspect you will have to do that in executive session as well, just setting the table here, there is a contract and some of this you can discuss now. There is the contract with Armor right now does have end of contract provisions and transitional provisions, does it not?

MR. RIBANDO: Are you talking about Section 14C of the contract?

LEGISLATOR KOPEL: What you just described.

MR. RIBANDO: Yes, it does have provisions.

LEGISLATOR KOPEL: Again, now without saying anything in terms of matters that are in controversy, why don't you describe those provisions?

MR. RIBANDO: I can read 14C for the record but --

LEGISLATOR KOPEL: That's fine. That's fine.

MR. RIBANDO: I think it's important to note that Armor has brought a lawsuit. And the subject of that lawsuit, Armor has questioned the applicability of 14C to the present circumstances --

LEGISLATOR KOPEL: Understood, understood.

MR. RIBANDO: As well as the scope. It's a somewhat generally worded provision that talks about reasonable

requests and transition assistance. But, with respect to specific questions of price and the term of that, it's most general. Those will be either --

LEGISLATOR KOPEL: And, the county, so they've made a motion to allow themselves to be terminated on time?

MR. RIBANDO: They're pleading.

LEGISLATOR KOPEL: They're pleadings, I understand this. And the County pleadings, again, just the pleadings. Has the county made a cross motion to require them to continue?

MR. GRIPPO: The County has submitted an answer. It hasn't made a cross-motion. There have been preliminary conferences I can fill you in on. Some of the judge's thoughts back --

LEGISLATOR KOPEL: Fine.

LEGISLATOR ABRAHAMS: I have one more quick thing, I think it would be easy for them to answer. There's also a section in the contract, $155,000 payment that within 20 days of execution of the agreement

that I guess these monies are going to be released of the money deducted by the Nassau County Comptroller. Has anyone spoken to the Comptroller?

MR. RIBANDO: The County Attorney's Office and the Sheriff's Office has submitted written opinions about the legality of holding that $155,000. I haven't spoken to him yet about the 20 days, no.

LEGISLATOR ABRAHAMS: So no one has spoken to the Comptroller? Does the Comptroller agree with those legal opinions?

MR. RIBANDO: I haven't had the discussion with him.

LEGISLATOR ABRAHAMS: I'm just thinking of possible pitfalls that can put the County in breach of this agreement.

I think maybe while we're in executive session, Madam Presiding Officer, someone should reach out to the Comptroller's office.

MR. RIBANDO: Maybe in executive session, not to interrupt you, sir, but

maybe in executive session I can explain exactly what that $155,000 is for and why it's being held and maybe that would kind of explain it a little more.

LEGISLATOR ABRAHAMS: No, no, no, I understand why it's being held. But you don't need to convince me, you have to convince the Comptroller because he's the one that's deducting it.

So I think from that standpoint, if we're going to vote for this agreement with this in there, I think he has to buy in as well. I agree. Does everybody concur with that?

CHAIRWOMAN GONSALVES: What do the attorneys say in regard to the Comptroller?

MR. RIBANDO: Like I said, I can explain this in executive session when we do it.

LEGISLATOR ABRAHAMS: All right.

CHAIRWOMAN GONSALVES: Motion to go into executive session.

LEGISLATOR NICOLELLO: So moved.

Rules Committee/5-22-17

LEGISLATOR KOPEL: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Nicolello, seconded by Legislator Kopel. All those in favor of going into executive session signify by saying Aye.

(Aye.)

Any opposed?

(No verbal response.)

(Whereupon, the Rules Committee recessed into executive session at 5:37 p.m. and reconvened at 6:13 p.m.)

CHAIRWOMAN GONSALVES: The item before us is E-134. There were certain concerns that were raised in executive session and Mr. Ribando is well aware of what they are.

Hopefully, regardless of the outcome of the vote today, that they will continue to pursue those concerns.

MR. RIBANDO: Absolutely.

CHAIRWOMAN GONSALVES: I'm holding you very responsible to those concerns.

I would like from you to make

sure that Kevan Abrahams and myself receive any updates between now and the rest of the week that they transpire so that we may be sure that things are going the way it should be going.

MR. RIBANDO: Absolutely.

CHAIRWOMAN GONSALVES: Now, the majority has decided that we are going to take the vote today. But that doesn't leave you off the hook. So, guess what, all those in favor -- oh, go ahead.

LEGISLATOR ABRAHAMS: I just wanted to explain our vote. We actually will be voting in abstention for the reasoning that we talked about in regards to the Comptroller as well as the global settlement.

CHAIRWOMAN GONSALVES: I put that on.

LEGISLATOR ABRAHAMS: Okay. You did already, and the global settlement as well.

CHAIRWOMAN GONSALVES: You are well informed as to what our concerns are

but, because of the expediency I think of the issue, we decided that we would do the vote today. And so all those in favor of E-134 signify by saying aye.

(Aye.)

All those opposed?

(No verbal response.)

All those who abstained?

(Abstain.)

So the vote goes four, zero, three. We have passed it. This is driving me crazy this four, zero, three. And so we have passed it and to move on I'm expecting you to keep us updated.

MR. RIBANDO: You have my word.

CHAIRWOMAN GONSALVES: That's on the record, please. And I'm serious about that.

Mr. RIBANDO: So am I.

CHAIRWOMAN GONSALVES: Okay. So now, with that, motion to adjourn, please. I need to go home.

MR. RIBANDO: Thank you very much.

Rules Committee/5-22-17

CHAIRWOMAN GONSALVES: You're welcome. A motion to adjourn.

LEGISLATOR GAYLOR: So moved.

LEGISLATOR NICOLELLO: Second.

CHAIRWOMAN GONSALVES: Moved by Legislator Gaylor, seconded by Legislator Nicolello. All those in favor of adjourning signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

Thank you.

(Whereupon, the Rules Committee adjourned at 6:15 p.m.)

3. Any Permittee that submits proof to the Department of Public Works that its failure to remove its plant and equipment from the utility pole that is to be replaced was due to the failure of another entity to remove its plant and equipment from that pole shall not be liable for any penalty and such Permittee's thirty (30) day deadline to remove plant or equipment shall be tolled until the interfering plant and equipment is removed by such other entity. However, any entity that due to its placement of plant or equipment on the utility pole that is to be replaced prohibits or interferes with any other entity

d. If the Permittee fails to remove all or any portion of abandoned plant or equipment as directed by the County within a reasonable time period as may be required by the County under the circumstances, the County may perform such removal and charge double the cost of the removal against the Permittee.

e. Failure to notify the County of abandoned plant and equipment shall constitute a violation of this Ordinance and subject the Permittee to penalties as set forth in §14 of this Ordinance.

c. Appeals to challenge a notice of violation issued by the Department of Public Works shall made in writing and be directed to the Commissioner, who shall, after due deliberation, accept, reject or modify the notice of violation.

d. If the Permittee fails to remedy an alleged violation within a reasonable time period as may be required by the Department of Public Works, the County may perform such remedial actions and charge the cost of the removal, including the cost of any administrative expenses incurred by the County, against the Permittee.

e. Failure of the County to enforce any requirements of this Ordinance shall not constitute a waiver of the County's right to enforce that violation or subsequent violations of the same type or to seek appropriate enforcement remedies.

§12. Force Majeure

Re: iConstituent

The Gateway E-Newsletter Plus system, a program of which iConstituent is the developer and sole provider, is the only mass email application that meets Nassau County's needs for regular and instant online communication with its residents. Further, the cost of the system is reasonable in light of the benefits it provides.

Nearly 87% of American adults now use the Internet, according to a new report from the Pew Research Center, up from 14% in 1995 when the center first started conducting public opinion polling on the adoption of new communication technologies. Constituents expect government to take advantage of this growing medium to communicate important issues and initiatives. A proper mass emailing system should be rich text capable, come equipped with reporting functions, a capacity for vanity return email addresses, have a data import availability, and guarantee CAN-SPAM Act compliance.

iConstituent allows for mass email communication to hundreds of thousands of Nassau County residents. The system allows for both rich text and plain text emails which gives the County more options in terms of presenting information to the public which is in sharp contrast to the Swiftreach Email system which the County previously used which had no rich text capabilities. The system also allows for reports including, but not limited to, the number of emails delivered and what content was viewed therein so that the County can ensure that residents are receiving and reading emails. Nassau County was able to upload pre-existing email lists into the system and have the list made CAN-SPAM compliant thereby avoiding any financial penalties under the law. Mail Chimp and Constant Contact, two premier email services researched as alternatives to iConstituent, did not offer list uploading or data cleaning. iConstituent stands apart from any would-be competitor by offering email list targeting to ensure emails are content appropriate, user profiles so constituents can decide what information they wish to receive, regional mailing

to geo-target emails, design templates for a greater variety of methods to provide information and rotating IP addresses to avoid emails being blocked by SPAM filters.

Further, to avoid those SPAM filters iConstituent provided Nassau County with its own exclusive email server installed at its Albany Data center. These servers, known as Message Transfer Agents or MTAs, handle all of Nassau County's constituent email notifications. No other company was able or willing to provide MTAs to the County or to maintain and service them as iConstituent does.

Using the iConstituent system, Nassau County has been able to distribute important information to the public. The above features ensure that information is received during various weather events, road closures and emergency preparedness information is shared immediately. Also, during times of heightened security concerns, constituents are informed of various public safety initiatives.

iConstituent's Gateway E-Newsletter Plus system is the only program that meets Nassau County's standards for a mass email system and comes at reasonable cost. Further, iConstituent is the only vendor willing to provide dedicated MTAs to Nassau County for constituent email communications. iConstituent is the only program that meets the needs and expectations of Nassau County residents.

Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Contract Summary

Description: Personal services contract

Purpose: The County has received funding from the New York State Office of Children and Family Services for its' Supervision and Treatment Services for Juveniles Program (STSJP) for the purposes of promoting public safety and positive rehabilitative outcomes for said juveniles, in the least restrictive setting and in the youth's communities wherever possible.

The primary objective of this funding is the provision of comprehensive, coordinated services including evidence-based family intervention and respite housing in lieu of detention.

Nassau County's Juvenile Supervision and Treatment Services for Juveniles Program (STSJP) Plan will decrease detention and placement where it is not needed, match the level of services and supervision with the risk and need level of each youth and ensure that juvenile justice services are administered fairly and efficiently, through the Family and Children's Association, Inc.

Method of Procurement:

The contractor is a named participating agency in the County's Supervision and Treatment Services for Juveniles Program (STSJP) plan submitted to, and approved by, the New York State Office of Children and Family Services, for grant funding. *(See attached plan and notification letter.

Procurement History:

Renewal

Description of General Provisions:

The Department will refer up to Sixty (60) youth to the Contractor for services. Probation Intake will utilize the Detention Risk Assessment Instrument (DRAI) to determine a youth's appropriateness for release from detention and referral via Intake to the STSJP Program. Once the DRAI is completed, the need for respite or Mental Health Respite, Electronic Monitoring and/or Community-Based Supervision will be determined. Contact for Community-Based Supervision will be made within a 24-hour period. Upon receipt of the referral, the Contractor shall do an intake and case plan specific to the needs/strengths of the youth (and their families) and provide counseling, case management, crisis intervention and family support for a 60-day period with an optional additional 60 days if warranted (and approved by Probation.).

The Contractor shall provide referred youth with Community-Based Supervision services, including, but not limited to the following: Counseling, Case management, Family Support and Crisis Intervention for up to Twenty (20) youth and their families Countywide with an emphasis in the communities of Hempstead and Uniondale.

The Contractor shall provide training to referred youths and their families through the Strengthening Families Program (SFP)curricula, an evidence-based, family skills training program designed to increase resilience and reduce risk factors for behavioral, emotional, academic, and social problems in youth 3-16 years old. SFP comprises three life-skills courses delivered in 14 weekly, –two- hour sessions. The Parenting Skills sessions are designed to help parents learn to increase desired behaviors in children/youth by using attention and rewards, clear communication, effective discipline, substance use education, problem-solving and limit setting.

The Contractor shall provide therapy to referred youths through Moral Reconation Therapy (MRT), an evidence-based practice utilizing a cognitive behavioral approach. As such, MRT seeks to increase participants' reasoning levels to enhance their concern for the welfare of others. The model is designed to reduce risk factors that lead to youth involvement in the justice system by increasing moral reasoning through the use of curriculum-based individual and group counseling sessions.

The Contractor shall include the following Key Elements of Program Intervention in their services to the youth referred:

- All Community-Based Supervision services will flow from an initial Risk/Need; Assessment completed by Probation Intake;
- Services will take place during a 60 day period with an additional 60 day potential as determined by Probation;
- Services will be youth and family-focused;
- Intervention portable – home, school and community;
- Expectation that Community-Based Supervision will be made available within a 24-hour period (Friday will be connected Monday) and Mental Health Respite within a 10-12 hours;
- Evening Hours will be available.

Impact on Funding / Price Analysis:

Program is 62% funded by the New York State Office of Children and Family Services and 38% Local share by Nassau County Probation Department and Human Services.

If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to the contract being submitted to the Comptroller.

Family & Children's

A Community of Caring

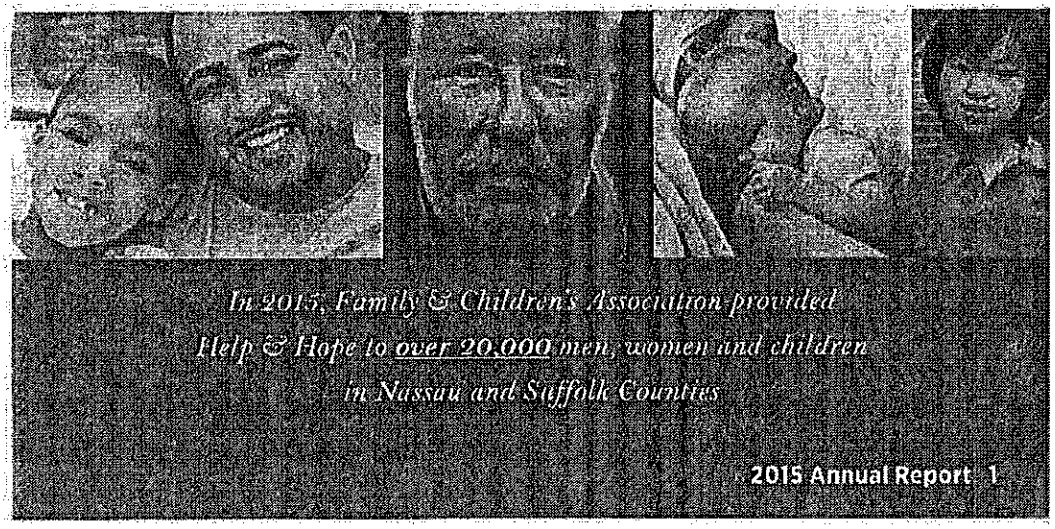
OUR MISSION
PROTECT & STRENGTHEN

Family & Children's is dedicated to protecting and strengthening Long Island's most vulnerable children, youth, seniors, veterans, families and communities. We offer assistance to those who are experiencing social, emotional and economic challenges.



In 2015, Family & Children's Association provided Help & Hope to over 20,000 men, women and children in Nassau and Suffolk Counties

Dear Friends of FCA,

On behalf of our Board of Trustees, dedicated staff and loyal volunteers, we are proud to present you with our 2015 Annual Report. Though it's almost impossible to capture a year's worth of work in a few pages, paragraphs and pictures, we've included some highlights, client stories and key performance indicators that help tell our story.

We continued our agency re-organization in 2015, expanded our leadership team, launched several new programs and fulfilled a promise to Long Islanders we first made more than 130 years ago.

The nonprofit sector is in the midst of incredible turmoil and behavioral health, in particular, is undergoing significant changes in both its financing and service delivery. Here at FCA, we're embracing these changes, positioning ourselves for success and creating new partnerships that will produce measurable, sustained results for our region's most vulnerable populations.

With renewed financial stability, an incredibly gifted team and a laser-focused commitment to excellence we will soon unveil *FCA 2020*, a comprehensive blueprint for our continued progress as one of Long Island's largest nonprofits. We are thrilled that you've been part of our historic success and even happier to call you family.

Sincerely,

Jeffrey Reynolds, PhD
President/CEO

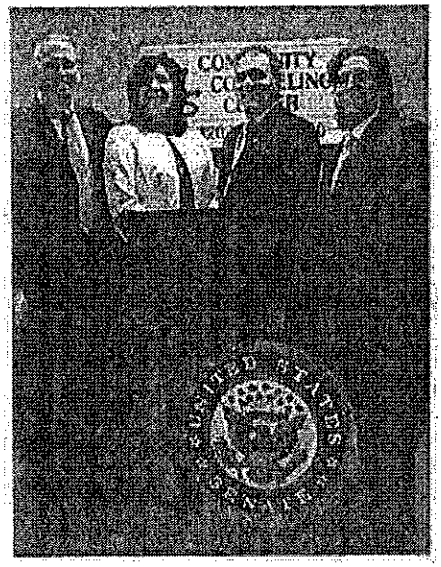
Drew Crowley
Chairman,
Board of Trustees

FCA & LICADD ANNOUNCE STRATEGIC PARTNERSHIP

In 2015, Family and Children's Association (FCA) and The Long Island Council on Alcoholism and Drug Dependence (LICADD) entered into a strategic partnership that will consolidate administrative functions, reduce operating expenses and most importantly, create a seamless continuum of care for individuals and families struggling with addiction. Under the new arrangement, LICADD has become an affiliate of FCA.

Together, the agencies now offer a full array of addiction services ranging from school-based prevention programs, to mental health/substance abuse screenings, to brief interventions and NYS-licensed outpatient treatment, to recovery support and relapse prevention. Additional services offered by the agencies include: youth mentoring, services for military veterans, children's mental health services, transitional housing and professional continuing education programs.

Under the formal agreement, LICADD will retain its identity, its 501 (c) 3 nonprofit status and existing programs for the foreseeable future. FCA will help the agency manage staff, finances, existing grants and new opportunities in the rapidly evolving behavioral health marketplace.



FCA President/CEO Dr. Jeffrey Reynolds and LICADD Executive Director Steve Chassman, along with Nassau County District Attorney Madeline Singas and NYS Assemblyman Joseph Saladino, recently participated in a press conference hosted by Senator Kirsten Gillibrand discussing the need for stricter guidelines regarding opioid prescriptions.

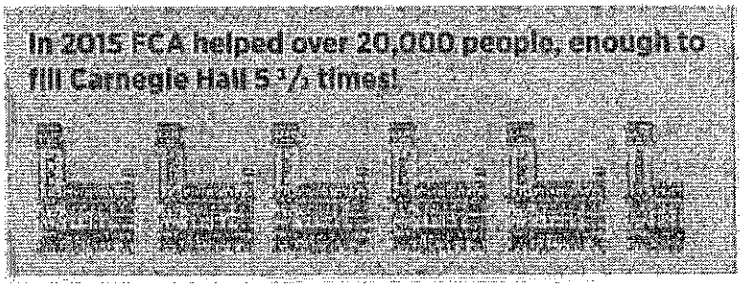
MEETING OUR GREATEST CHALLENGES

For more than 130 years, FCA has offered help and hope to millions of Long Island's most vulnerable men, women and children by providing vital services such as career counseling, education, support services and housing, to name a few.

It's all over the news... Long Island has been plagued by a staggering number of deaths tied to substance use disorders. Latest estimates indicate a record 442 people died from opiate overdoses on Long Island in the past year.

Add to that the problems faced by an aging population. In Nassau County alone, there are about 300,000 people who are age 55-plus. Failing health is just one of the problems faced by our senior population. Other factors such as declining mental abilities, change in economic status, lack of transportation, financial scams, utility shut-offs, and possible homelessness create a bleak picture.

The good news is that FCA has streamlined its operations to better serve runaway teens, homeless youth, at-risk students, veterans, families in crisis, seniors, and the working poor. We offer a variety of life-changing programs that fall into one of our three main divisions: Preventive Services, Senior Services, and Behavioral Health.



It is our hope that you will take a moment to learn more about the programs offered by FCA. You might even consider volunteering or making a financial contribution. After reading about the work we do, you might wish to help a friend or loved one take the first step towards recovery or renewal.

Our goal is to provide help and hope to those who need us the most...won't you join us? Please read on to learn more...

Here is a letter from a grateful mother who found care for her toddlers while caring for a sick infant through the Nursery Co-Op program within FCA's Behavioral Health Division:

"After giving birth to my third child, my joy quickly turned to fear when I was told that my new baby would require multiple surgeries to correct a birth defect. Thankfully, the Nursery Co-op was there to care for my toddlers while I went back and forth to the hospital with my infant. I can't express how grateful I am for the help and knowing that they were being well cared for while my husband went to work and I navigated the frightening world of medicine. I'm happy to report that our baby had several surgeries and is doing much better. I don't know where we would be if it weren't for your help and support."

FCA's Preventive Services Division provides safety-net programs to children and families who are at risk, homeless or struggling with a host of difficulties including substance use disorder, mental health issues, domestic violence or chronic poverty. As change agents, the staff of FCA empower our youth and families in their decision-making abilities and help them develop the skills needed to live independently, often breaking multigenerational cycles of poverty and neglect.

Preventive Services Division

EMPOWERING WITH HOPE AND PURPOSE

At FCA, we understand that the challenges placed on families may seem insurmountable....substance abuse, violence, financial instability and homelessness. That is why we have made it our sole mission to support children, young adults and families who are vulnerable, homeless, experimenting with drugs and alcohol and/or are at high-risk for developing behavioral health issues.

Although the programs and services of the Preventive Services Division are varied, the goals are the same—to empower disenfranchised youth and their families with a sense of hope and purpose and to help them on the road towards self-sufficiency and independence.

The Preventive Services Division consists of 8 programs, including 2 residential shelters for runaway and homeless youth.

Programs Offered By the Preventive Division:

- **Family Support** protects at-risk children who face foster care by strengthening their parents' ability to care for them safely at home.
- **PACT** (Parents and Children Together) provides education to pregnant and parenting teens; many of whom speak English as second language.
- **STARS** (Safe Transitions and Reunification Services) helps unaccompanied minors who have fled life threatening circumstances from their countries of origin to re-unite with their parents or caregivers in the NY area.
- **Project Independence** provides independent living skills, training and services to young people with multiple traumas who are aging out of the foster care system.
- **SNUG** is an anti-violence program that works with area residents, businesses and community-based organizations to create strategies that will reduce gun violence in the Village of Hempstead.

- **Detention Diversion** provides family mediation and case management services to young people in an attempt to keep them from descending deeper into the juvenile justice system.

Shelters:

- **Nassau Haven** is a 30-day emergency shelter for young people who are homeless or in crisis and in need of a place to live or rest.
- **Walkabout** is a transitional living program for formerly homeless youth (ages 16-20). It provides both residential and ongoing case management services in order to prepare them for independent living.

FCA is proud to report that this team provided services to 2,400 people and impacted an additional 460 people through direct community outreach and workshops in 2015. It is our hope that clients who participate in our programs will gain the skill sets necessary to become stronger and healthier.

Since education is key to breaking the cycle of poverty, FCA is proud of our career counselors whose mission is to help our clients obtain higher paying jobs. Walkabout residents earned a cumulative $171,000 in 2015. Also in 2015, 59 young people were the recipients of FCA scholarships and are currently attending college or a vocational program.

The Preventive Division is especially proud of our **SNUG Program** (SNUG = guns backwards), which is dedicated to reducing and preventing shootings and killings in the Village of Hempstead. SNUG incorporates public education campaigns and cooperation with local law enforcement, including the Hempstead Police Department.

Based on a program developed in Chicago in the 90's, the Cure Violence Health Model has shown statistically significant reductions in violence. Funding for the FCA SNUG initiative is provided by NYS Division of Criminal Justice Services. SNUG is a collaborative partnership between FCA, the Nassau County District Attorney and the Hempstead Village Police Department.

Select Preventive Service Division Outcomes:

- Successfully kept 99% of the families served in our Family Ties and Family Support program intact.
- SNUG saw a 60% reduction in shooting incidents over the course of the year.
- 100% of the youth served at Walkabout acquired the skills needed to live independently.
- 76% of our Project Independence youth showed an improvement in independent living skills.

In 2015, FCA's Behavioral Health Division helped nearly 2,000 people cope with a variety of issues, including substance use disorders, homelessness and psychiatric disorders. Each member of the Behavioral Health Division has received specialized training in dealing with the specific problems faced by people of all ages living with these devastating challenges.

PROVIDING HOPE FOR PEOPLE BATTLING ADDICTION OR BEHAVIORAL HEALTH CONCERNS

FCA's Behavioral Health Division works with adults and youth who are suffering with substance use disorders and behavioral health issues. We have assembled a team of specially-trained substance abuse counselors, psychiatrists, social workers and nurse practitioners whose mission is to help individuals, couples and families find a path to recovery.

It is important to understand that people living with substance use and behavioral health disorders recover more quickly when they receive the support of family and friends. For that reason, FCA reaches out to our clients' loved ones to keep them actively involved in recovery efforts. In addition, we provide respite and childcare to parents who become exhausted from the unrest at home and desperately need enhanced support.

The primary goal of the Behavioral Health Division is to help people living with mental health issues return to their homes and communities. We understand that these individuals and the people who love them are often frightened and overwhelmed. FCA believes that each one of our clients is entitled to compassionate care in a warm and nurturing environment.

In 2015, the Behavioral Health Division provided treatment to 1,740 people. Our message is clear—"FCA is here to help and support you during treatment. You are not alone—and there is hope."

Programs Offered By the Behavioral Health Division:

- **Hempstead Family Treatment and Recovery** and **Hicksville Counseling Centers** - licensed outpatient chemical dependency treatment programs offering the continuum of individual and group treatment to help clients abstain from drug and alcohol use.

- **Home and Community Based Services (HCBS)** - provides home and community-based case management and supportive services for children

between the ages of 5-18 who face hospitalization due to an emotional disturbance.

- **Family Center** - Nassau and Suffolk - provides support to families whose children (ages 5-18) have received a diagnosis of Serious Emotional Disturbance.
- **Children's Case Management** - provides support services to children who are at-risk for psychiatric hospitalization or placement.
- **PINS Diversion (Persons in Need of Supervision)** - helps young people avoid entry into the juvenile justice system.
- **Family Mediation** - offers short-term counseling to youngsters and families experiencing conflict in the home.
- **West Nassau** - a 24-hour supervised community residence that serves adult men and women who suffer from mental illness. The residential program helps clients learn the skills necessary to move on to a more independent living environment.
- **Lakeview House** - a community residence for adolescents with severe emotional impairment who require a structured setting in the community.

The landscape of behavioral health services is rapidly changing, including a move toward Medicaid Managed Care, Health Homes and DSRIP (the Delivery System Reform Incentive Payment program). FCA has been monitoring these changes and, in 2015, signed an agreement with the **Hudson River HealthCare** Children's Health Home to be a Care Management Agency (projected to begin enrolling children in October 2016).

In anticipation of our role with the Health Home, FCA was awarded a contract from Nassau County to be the sole provider of **Children's Case Management** services for children between the ages of 5 and 18 who are diagnosed with SED (serious emotional disturbance). The addition of case management services has enhanced the continuity of care we are able to provide to children and families. In addition to offering three different levels of care for intensive in-home mental health services (**HCBS, Intensive** and **Supported Case Management**) for children, FCA is now considered to be the primary provider for Nassau County, both in the number of programs and the number of clients served.

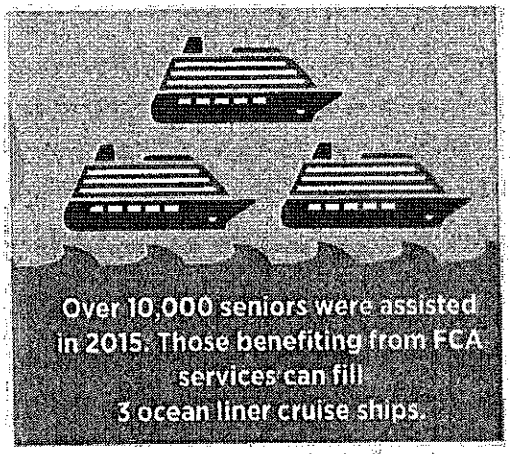
Select Behavioral Health Division Outcomes:

- Successfully kept 100% of the residents served at West Nassau out of expensive institutional care.
- 96% of our PINS Diversion clients were successfully diverted from family court involvement and out-of-home placement.
- 100% of our Family Center children remained at home with their families upon discharge from the program.
- 87% of the youth in our Lakeview community acquired the skills needed to improve their communication and ability to interact positively with others.

The services FCA provides allow seniors to live independently and safely in their homes. The funding associated with these programs represents a fraction of the cost of providing seniors with available institutional, long-term care.

Senior Division

STRENGTH IN NUMBERS



The numbers are in, and they are staggering. In 2015, Nassau County was home to more than 300,000 seniors age 55 plus. Thanks to the variety of programs and services offered by FCA's Senior Division, more than 10,000 members of this vulnerable population (including those who are able to live at home and those who currently reside in adult, nursing or assisted living facilities) were served by FCA.

What that means is that 3.3% of Nassau County's senior population has been helped through our network of services specifically designed to ensure their safety while maximizing their independence and improving their overall quality of life.

At the heart of the Senior Division is the understanding that the majority of seniors want to age in place and remain at home. They wish to live out their remaining years in a dignified manner feeling respected and hopeful.

Programs offered by the Senior Division include:

Senior Financial Counseling - provides financial assistance, guidance and advocacy to help resolve debt, mortgage and tax issues.

HIICAP (Health Insurance Information Counseling & Assistance Program) - provides the latest health care options to seniors at no cost.

Bill Payer - provides monthly assistance to help visually impaired or physically challenged seniors organize and pay their bills to prevent harassment from creditors or shut-offs by utilities.

CHEC (Counseling for Home Equity Conversion) - offers a HUD-certified counselor to help seniors understand the reverse mortgage process.

Case Management and In-Home Assistance Program (EISEP) - provides help to seniors by connecting them with in-home services so they can remain safely and independently at home.

Ombudservice - engages trained volunteers who work as resident advocates for seniors living in nursing, adult and assisted living homes.

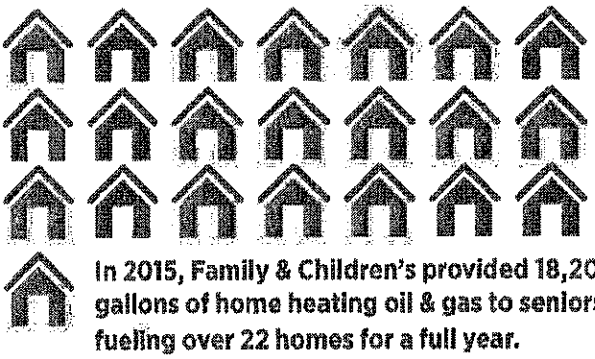
SAFE and **HEAP** - provide heating fuel to low-income seniors.

Veterans Residence - Provides permanent housing for up to eight honorably discharged veterans seeking quality, affordable, and substance-free accommodations in the community.

Friendly Visitors - Implemented in 2015 through the generosity of the Manhasset Community Fund's Greentree Foundation, senior residents from the Town of North Hempstead can be connected with a friendly visitor who pays a social visit for at least one hour weekly to address feelings of isolation and hopelessness. The program began with 23 matches and provided over 600 hours of socialization to isolated seniors.

As we look towards the future, FCA is committed to addressing issues of most concern to seniors as the population grows and becomes increasingly frail. Adding to this imperative is the knowledge that three out of every four people age 50 and over lack the funds to pay for long-term care expenses. We understand that community, home-based services are the most cost-effective way for us to assist the growing number of frail and isolated seniors.

On behalf of the 10,000 seniors whose lives are impacted by the programs and services we offer, FCA continues to search for more creative ways of keeping this fragile population happy and healthy.



In 2015, Family & Children's provided 18,200 gallons of home heating oil & gas to seniors, fueling over 22 homes for a full year.

Based on 2011 average annual Long-Island fuel consumption which was 800 gallons of oil. www.ohill.org/oilheatinfo.php

Select Senior Division Outcomes:

- 98% of seniors served in our case management program were able to remain in their homes.
- Senior Financial Services provided 565 seniors with financial assistance, guidance and advocacy to help resolve debt, mortgage and tax crises.
- Over 600 hours of socialization were provided to the elderly by FCA's Friendly Visitor volunteers.

Here is a letter from a grateful daughter who found help, direction and support for her father from FCA's Senior Division:

"Just wanted to let you know I contacted your office several months ago for help with my father. My sister and I were very overwhelmed with trying to help him. We contacted Eileen and she was a wonderful help to us. She pointed us in the right direction when we were totally lost on what to do. She was very knowledgeable and really helped us a lot. She checked in with us periodically to see how everything was going and to see if we needed any more help. She was a big help when we needed it and it is very much appreciated."

"...I started attending Project Independence meetings and became involved in all the activities that you had to offer. The counselors enhanced my life by letting me know that I was worthy of love and support. They encouraged me to take advantage of every opportunity that was open to me and to give myself the chance to succeed. I attended meetings and picnics and was even invited to speak at your Thanksgiving Ball as an effort to coax me out of my shell. "The system" that oversees children in foster care is very cold, but the counselors at Project Independence were warm, loving and turned out to be not a replacement of my foster family but an additional family that cared about me. Being in your program felt like a sigh of relief."

The mission of Family and Children's Association (FCA) is to protect and strengthen Long Island's children, families and communities. We offer assistance to those who are experiencing social, emotional and/or economic difficulties through comprehensive and integrated services ranging from early childhood intervention and preventive care to services for senior citizens – all designed to encourage self-sufficiency whenever possible. FCA is committed to providing high quality, professional care through a continuum of in-home, residential, and community-based programs, which are individualized, strength-based and culturally competent. For over 130 years, we have served Long Island by rising to meet the needs and challenges of its most vulnerable population through an integrated network of services that care for children, youth, adults, seniors, and families. FCA is recognized as a model of excellence; fiscally sound, well-managed, and possessing an impeccable reputation for providing community-based social services. FCA programs touch the lives of more than 20,000 Long Island residents each year through the efforts of over 300 staff members, 200 individual volunteers, corporate groups, community groups and sponsors who join with us to become something bigger than themselves.

In a single year, as a result of the work of FCA more than 8,700 seniors remained safely in their homes, 1,100 individuals with drug or alcohol problems were helped to overcome their addictions, more than 3,000 families received services to protect and improve the safety and wellness of their children, nearly 1,000 children received educational support services to succeed in school, and 1,400 teenagers received counseling, independent living skills, counseling, case management or emergency housing. Wholly committed to continuous quality improvement, every one of FCA's programs measures outcomes to assess effectiveness, and solicits the input and opinions of the people who benefit from our services. These services are, client-focused and consumer-driven by design and community feedback is vital to our success.

Robert Cleary
Director of Procurement Compliance
Nassau County
1550 Franklin Avenue, Room 225
Mineola, NY 11501

Dear Mr. Cleary:

I understand you have been in touch with Dr. Reynolds regarding FCA's submission of Principal Questionnaires for board members, including myself, and that you have a requested a letter from me detailing our rational for submitting forms from agency management rather than volunteer Trustees.

FCA's board does not routinely review, accept, negotiate or reject contracts with Nassau County, nor do board members benefit financially in any way from their association with FCA. All contract decisions rest with management - specifically with Dr. Reynolds - who acts as both as President *and* CEO. While smaller nonprofits may ask their boards to vote on contracts, we do not do so here at FCA as our board meets quarterly and as you may know, we contract with multiple municipalities and we maintain dozens of contracts per year. Board approvals would be time-consuming, we couldn't do them in a timely way and our overall focus in on agency governance.

We *have* submitted updated forms for Dr. Reynolds, Mary Ann Vassallo, FCA's Chief Financial Officer and Lisa Burch, FCA's Chief Operating Officer, which gives you disclosure from an executive perspective, a financial perspective and in Ms. Burch's case, from a programmatic perspective. These are also the three highest compensated individuals within the organization and the team that has input into decisions about contracts. It's also important to note that FCA has been doing business with Nassau County for more than 40 years without incident and agency management is always the conduit with elected and appointed officials.

We are a little surprised that our board would be asked to submit these forms as we are community volunteers who ironically, are often called upon to donate funds to FCA to support chronically underfunded programs and to make contributions during the first quarter of the year when county payments are slow.

Our board has discussed this matter at length, directed Dr. Reynolds to respond accordingly and I hope the forms we have submitted on behalf of FCA will suffice. Please let me know if you have additional questions or require more information.

Sincerely,

Drew Crowley
Chair, Board of Trustees

Appendix EE

Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

V. ☒ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to the contract being submitted to the Comptroller.

Robert Cleary
Director of Procurement Compliance
Nassau County
1550 Franklin Avenue, Room 225
Mineola, NY 11501

Dear Mr. Cleary:

I understand you have been in touch with Dr. Reynolds regarding FCA's submission of Principal Questionnaires for board members, including myself, and that you have a requested a letter from me detailing our rational for submitting forms from agency management rather than volunteer Trustees.

FCA's board does not routinely review, accept, negotiate or reject contracts with Nassau County, nor do board members benefit financially in any way from their association with FCA. All contract decisions rest with management - specifically with Dr. Reynolds - who acts as both as President *and* CEO. While smaller nonprofits may ask their boards to vote on contracts, we do not do so here at FCA as our board meets quarterly and as you may know, we contract with multiple municipalities and we maintain dozens of contracts per year. Board approvals would be time-consuming, we couldn't do them in a timely way and our overall focus in on agency governance.

We *have* submitted updated forms for Dr. Reynolds, Mary Ann Vassallo, FCA's Chief Financial Officer and Lisa Burch, FCA's Chief Operating Officer, which gives you disclosure from an executive perspective, a financial perspective and in Ms. Burch's case, from a programmatic perspective. These are also the three highest compensated individuals within the organization and the team that has input into decisions about contracts. It's also important to note that FCA has been doing business with Nassau County for more than 40 years without incident and agency management is always the conduit with elected and appointed officials.

We are a little surprised that our board would be asked to submit these forms as we are community volunteers who ironically, are often called upon to donate funds to FCA to support chronically underfunded programs and to make contributions during the first quarter of the year when county payments are slow.

Our board has discussed this matter at length, directed Dr. Reynolds to respond accordingly and I hope the forms we have submitted on behalf of FCA will suffice. Please let me know if you have additional questions or require more information.

Sincerely,

Drew Crowley
Chair, Board of Trustees

Family & Children's
A Community of Caring

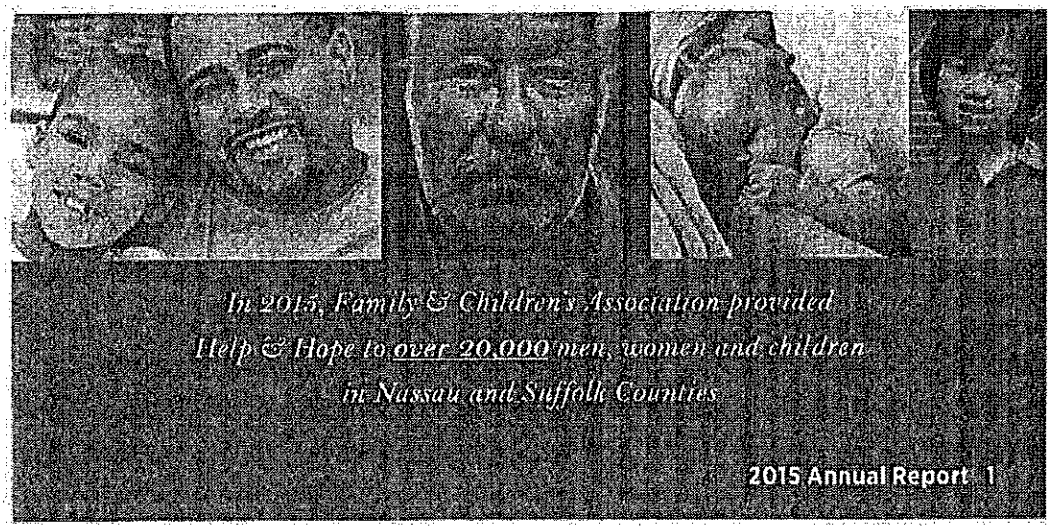
OUR MISSION
PROTECT & STRENGTHEN

Family & Children's is dedicated to protecting and strengthening Long Island's most vulnerable children, youth, seniors, veterans, families and communities. We offer assistance to those who are experiencing social, emotional and economic challenges.



Dear Friends of FCA,

On behalf of our Board of Trustees, dedicated staff and loyal volunteers, we are proud to present you with our 2015 Annual Report. Though it's almost impossible to capture a year's worth of work in a few pages, paragraphs and pictures, we've included some highlights, client stories and key performance indicators that help tell our story.

We continued our agency re-organization in 2015, expanded our leadership team, launched several new programs and fulfilled a promise to Long Islanders we first made more than 130 years ago.

The nonprofit sector is in the midst of incredible turmoil and behavioral health, in particular, is undergoing significant changes in both its financing and service delivery. Here at FCA, we're embracing these changes, positioning ourselves for success and creating new partnerships that will produce measurable, sustained results for our region's most vulnerable populations.

With renewed financial stability, an incredibly gifted team and a laser-focused commitment to excellence we will soon unveil *FCA 2020*, a comprehensive blueprint for our continued progress as one of Long Island's largest nonprofits. We are thrilled that you've been part of our historic success and even happier to call you family.

Sincerely,

Jeffrey Reynolds, PhD
President/CEO

FCA & LICADD ANNOUNCE STRATEGIC PARTNERSHIP

In 2015, Family and Children's Association (FCA) and The Long Island Council on Alcoholism and Drug Dependence (LICADD) entered into a strategic partnership that will consolidate administrative functions, reduce operating expenses and most importantly, create a seamless continuum of care for individuals and families struggling with addiction. Under the new arrangement, LICADD has become an affiliate of FCA.

Together, the agencies now offer a full array of addiction services ranging from school-based prevention programs, to mental health/substance abuse screenings, to brief interventions and NYS-licensed outpatient treatment, to recovery support and relapse prevention. Additional services offered by the agencies include: youth mentoring, services for military veterans, children's mental health services, transitional housing and professional continuing education programs.

Under the formal agreement, LICADD will retain its identity, its 501 (c) 3 nonprofit status and existing programs for the foreseeable future. FCA will help the agency manage staff, finances, existing grants and new opportunities in the rapidly evolving behavioral health marketplace.

FCA President/CEO Dr. Jeffrey Reynolds and LICADD Executive Director Steve Chassman, along with Nassau County District Attorney Madeline Singas and NYS Assemblyman Joseph Saladino, recently participated in a press conference hosted by Senator Kirsten Gillibrand discussing the need for stricter guidelines regarding opioid prescriptions.

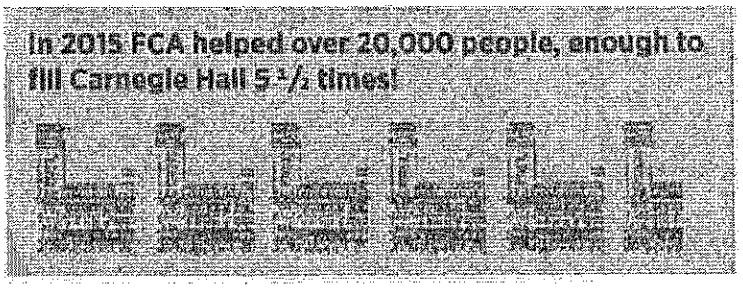
MEETING OUR GREATEST CHALLENGES

For more than 130 years, FCA has offered help and hope to millions of Long Island's most vulnerable men, women and children by providing vital services such as career counseling, education, support services and housing, to name a few.

It's all over the news... Long Island has been plagued by a staggering number of deaths tied to substance use disorders. Latest estimates indicate a record 442 people died from opiate overdoses on Long Island in the past year.

Add to that the problems faced by an aging population. In Nassau County alone, there are about 300,000 people who are age 55-plus. Failing health is just one of the problems faced by our senior population. Other factors such as declining mental abilities, change in economic status, lack of transportation, financial scams, utility shut-offs, and possible homelessness create a bleak picture.

The good news is that FCA has streamlined its operations to better serve runaway teens, homeless youth, at-risk students, veterans, families in crisis, seniors, and the working poor. We offer a variety of life-changing programs that fall into one of our three main divisions: Preventive Services, Senior Services, and Behavioral Health.



It is our hope that you will take a moment to learn more about the programs offered by FCA. You might even consider volunteering or making a financial contribution. After reading about the work we do, you might wish to help a friend or loved one take the first step towards recovery or renewal.

Our goal is to provide help and hope to those who need us the most...won't you join us? Please read on to learn more...

Here is a letter from a grateful mother who found care for her toddlers while caring for a sick infant through the Nursery Co-Op program within FCA's Behavioral Health Division:

"After giving birth to my third child, my joy quickly turned to fear when I was told that my next baby would require multiple surgeries to correct a birth defect. Thankfully, the Nursery Co-op was there to care for my toddlers while I went back and forth to the hospital with my infant. I can't express how grateful I am for the help and knowing that they were being well cared for while my husband went to work and I navigated the frightening world of medicine. I'm happy to report that our baby had several surgeries and is doing much better. I don't know where we would be if it weren't for your help and support."

FCA's Preventive Services Division provides safety-net programs to children and families who are at risk, homeless or struggling with a host of difficulties including substance use disorder, mental health issues, domestic violence or chronic poverty. As change agents, the staff of FCA empower our youth and families in their decision-making abilities and help them develop the skills needed to live independently, often breaking multi-generational cycles of poverty and neglect.

Preventive Services Division

EMPOWERING WITH HOPE AND PURPOSE

At FCA, we understand that the challenges placed on families may seem insurmountable....substance abuse, violence, financial instability and homelessness. That is why we have made it our sole mission to support children, young adults and families who are vulnerable, homeless, experimenting with drugs and alcohol and/or are at high-risk for developing behavioral health issues.

Although the programs and services of the Preventive Services Division are varied, the goals are the same—to empower disenfranchised youth and their families with a sense of hope and purpose and to help them on the road towards self-sufficiency and independence.

The Preventive Services Division consists of 8 programs, including 2 residential shelters for runaway and homeless youth.

Programs Offered By the Preventive Division:

- **Family Support** protects at-risk children who face foster care by strengthening their parents' ability to care for them safely at home.
- **PACT** (Parents and Children Together) provides education to pregnant and parenting teens; many of whom speak English as second language.
- **STARS** (Safe Transitions and Reunification Services) helps unaccompanied minors who have fled life threatening circumstances from their countries of origin to re-unite with their parents or caregivers in the NY area.
- **Project Independence** provides independent living skills, training and services to young people with multiple traumas who are aging out of the foster care system.
- **SNUG** is an anti-violence program that works with area residents, businesses and community-based organizations to create strategies that will reduce gun violence in the Village of Hempstead.

- **Detention Diversion** provides family mediation and case management services to young people in an attempt to keep them from descending deeper into the juvenile justice system.

Shelters:

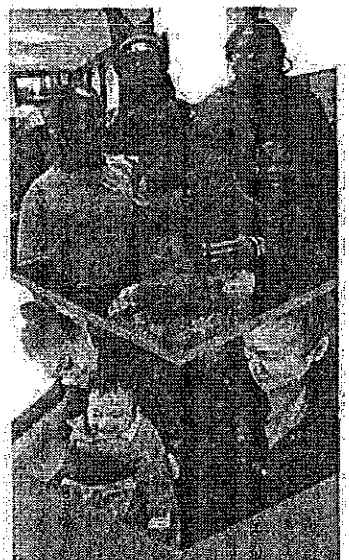
- **Nassau Haven** is a 30-day emergency shelter for young people who are homeless or in crisis and in need of a place to live or rest.
- **Walkabout** is a transitional living program for formerly homeless youth (ages 16-20). It provides both residential and ongoing case management services in order to prepare them for independent living.

FCA is proud to report that this team provided services to 2,400 people and impacted an additional 460 people through direct community outreach and workshops in 2015. It is our hope that clients who participate in our programs will gain the skill sets necessary to become stronger and healthier.

Since education is key to breaking the cycle of poverty, FCA is proud of our career counselors whose mission is to help our clients obtain higher paying jobs. Walkabout residents earned a cumulative $171,000 in 2015. Also in 2015, 59 young people were the recipients of FCA scholarships and are currently attending college or a vocational program.

The Preventive Division is especially proud of our **SNUG Program** (SNUG = guns backwards), which is dedicated to reducing and preventing shootings and killings in the Village of Hempstead. SNUG incorporates public education campaigns and cooperation with local law enforcement, including the Hempstead Police Department.

Based on a program developed in Chicago in the 90's, the Cure Violence Health Model has shown statistically significant reductions in violence. Funding for the FCA SNUG initiative is provided by NYS Division of Criminal Justice Services. SNUG is a collaborative partnership between FCA, the Nassau County District Attorney and the Hempstead Village Police Department.



Select Preventive Services Division Outcomes:

- Successfully kept 99% of the families served in our Family Ties and Family Support program intact.
- SNUG saw a 60% reduction in shooting incidents over the course of the year.
- 100% of the youth served at Walkabout acquired the skills needed to live independently.
- 76% of our Project Independence youth showed an improvement in independent living skills.

In 2015, FCA's Behavioral Health Division helped nearly 2,000 people cope with a variety of issues, including substance use disorders, homelessness and psychiatric disorders. Each member of the Behavioral Health Division has received specialized training in dealing with the specific problems faced by people of all ages living with these devastating challenges.

Behavioral Health Division

PROVIDING HOPE FOR PEOPLE BATTLING ADDICTION OR BEHAVIORAL HEALTH CONCERNS

FCA's Behavioral Health Division works with adults and youth who are suffering with substance use disorders and behavioral health issues. We have assembled a team of specially-trained substance abuse counselors, psychiatrists, social workers and nurse practitioners whose mission is to help individuals, couples and families find a path to recovery.

It is important to understand that people living with substance use and behavioral health disorders recover more quickly when they receive the support of family and friends. For that reason, FCA reaches out to our clients' loved ones to keep them actively involved in recovery efforts. In addition, we provide respite and childcare to parents who become exhausted from the unrest at home and desperately need enhanced support.

The primary goal of the Behavioral Health Division is to help people living with mental health issues return to their homes and communities. We understand that these individuals and the people who love them are often frightened and overwhelmed. FCA believes that each one of our clients is entitled to compassionate care in a warm and nurturing environment.

In 2015, the Behavioral Health Division provided treatment to 1,740 people. Our message is clear—"FCA is here to help and support you during treatment. You are not alone—and there is hope."

Programs Offered By the Behavioral Health Division:

- **Hempstead Family Treatment and Recovery** and **Hicksville Counseling Centers** - licensed outpatient chemical dependency treatment programs offering the continuum of individual and group treatment to help clients abstain from drug and alcohol use.

- **Home and Community Based Services (HCBS)** - provides home and community-based case management and supportive services for children

between the ages of 5-18 who face hospitalization due to an emotional disturbance.

- **Family Center** - Nassau and Suffolk - provides support to families whose children (ages 5-18) have received a diagnosis of Serious Emotional Disturbance.
- **Children's Case Management** - provides support services to children who are at-risk for psychiatric hospitalization or placement.
- **PINS Diversion (Persons In Need of Supervision)** - helps young people avoid entry into the juvenile justice system.
- **Family Mediation** - offers short-term counseling to youngsters and families experiencing conflict in the home.
- **West Nassau** - a 24-hour supervised community residence that serves adult men and women who suffer from mental illness. The residential program helps clients learn the skills necessary to move on to a more independent living environment.
- **Lakeview House** - a community residence for adolescents with severe emotional impairment who require a structured setting in the community.

The landscape of behavioral health services is rapidly changing; including a move toward Medicaid Managed Care, Health Homes and DSRIP (the Delivery System Reform Incentive Payment program). FCA has been monitoring these changes and, in 2015, signed an agreement with the **Hudson River HealthCare** Children's Health Home to be a Care Management Agency (projected to begin enrolling children in October 2016).

In anticipation of our role with the Health Home, FCA was awarded a contract from Nassau County to be the sole provider of **Children's Case Management** services for children between the ages of 5 and 18 who are diagnosed with SED (serious emotional disturbance). The addition of case management services has enhanced the continuity of care we are able to provide to children and families. In addition to offering three different levels of care for intensive in-home mental health services (**HCBS, Intensive** and **Supported Case Management**) for children, FCA is now considered to be the primary provider for Nassau County, both in the number of programs and the number of clients served.

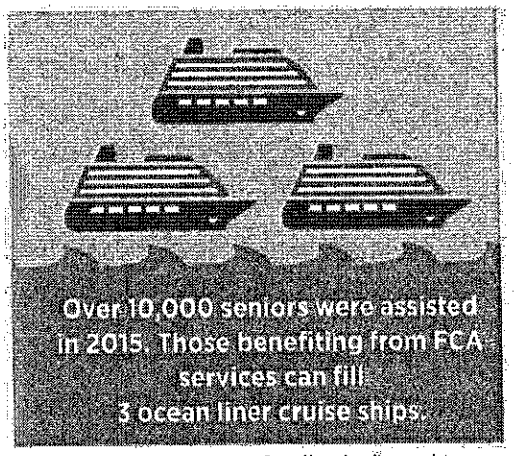
Select Behavioral Health Division Outcomes:

- Successfully kept 100% of the residents served at West Nassau out of expensive institutional care.
- 96% of our PINS Diversion clients were successfully diverted from family court involvement and out-of-home placement.
- 100% of our Family Center children remained at home with their families upon discharge from the program.
- 87% of the youth in our Lakeview community acquired the skills needed to improve their communication and ability to interact positively with others.

"The services FCA provides allow seniors to live independently and safely in their homes. The funding associated with these programs represents a fraction of the cost of providing seniors with affordable institutional long-term care."

Senior Division

STRENGTH IN NUMBERS



The numbers are in, and they are staggering. In 2015, Nassau County was home to more than 300,000 seniors age 55 plus. Thanks to the variety of programs and services offered by FCA's Senior Division, more than 10,000 members of this vulnerable population (including those who are able to live at home and those who currently reside in adult, nursing or assisted living facilities) were served by FCA.

What that means is that 3.3% of Nassau County's senior population has been helped through our network of services specifically designed to ensure their safety while maximizing their independence and improving their overall quality of life.

At the heart of the Senior Division is the understanding that the majority of seniors want to age in place and remain at home. They wish to live out their remaining years in a dignified manner feeling respected and hopeful.

Programs offered by the Senior Division include:

Senior Financial Counseling - provides financial assistance, guidance and advocacy to help resolve debt, mortgage and tax issues.

HIICAP (Health Insurance Information Counseling & Assistance Program) - provides the latest health care options to seniors at no cost.

Bill Payer - provides monthly assistance to help visually impaired or physically challenged seniors organize and pay their bills to prevent harassment from creditors or shut-offs by utilities.

CHEC (Counseling for Home Equity Conversion) - offers a HUD-certified counselor to help seniors understand the reverse mortgage process.

Case Management and In-Home Assistance Program (EISEP) - provides help to seniors by connecting them with in-home services so they can remain safely and independently at home.

Ombudservice - engages trained volunteers who work as resident advocates for seniors living in nursing, adult and assisted living homes.

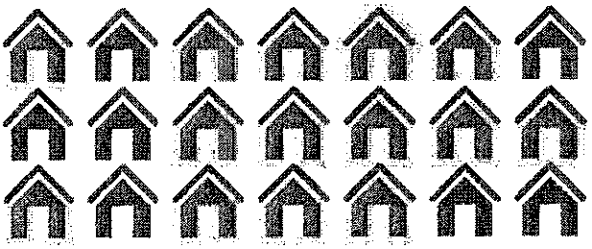
SAFE and **HEAP** - provide heating fuel to low-income seniors.

Veterans Residence - Provides permanent housing for up to eight honorably discharged veterans seeking quality, affordable, and substance-free accommodations in the community.

Friendly Visitors - Implemented in 2015 through the generosity of the Manhasset Community Fund's Greentree Foundation, senior residents from the Town of North Hempstead can be connected with a friendly visitor who pays a social visit for at least one hour weekly to address feelings of isolation and hopelessness. The program began with 23 matches and provided over 600 hours of socialization to isolated seniors.

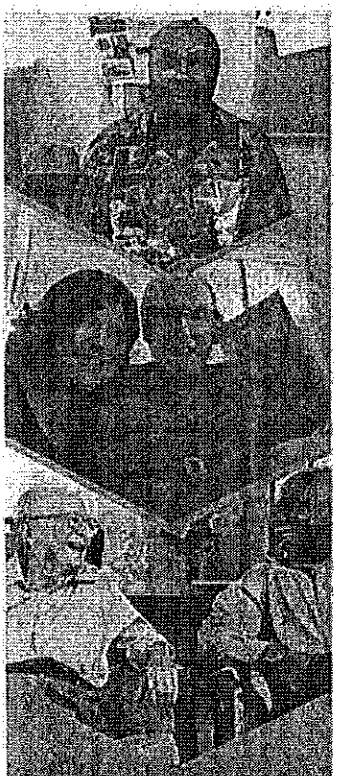
As we look towards the future, FCA is committed to addressing issues of most concern to seniors as the population grows and becomes increasingly frail. Adding to this imperative is the knowledge that three out of every four people age 50 and over lack the funds to pay for long-term care expenses. We understand that community, home-based services are the most cost-effective way for us to assist the growing number of frail and isolated seniors.

On behalf of the 10,000 seniors whose lives are impacted by the programs and services we offer, FCA continues to search for more creative ways of keeping this fragile population happy and healthy.



In 2015, Family & Children's provided 18,200 gallons of home heating oil & gas to seniors, fueling over 22 homes for a full year.

Based on 2011 average annual Long-Island fuel consumption which was 800 gallons of oil. www.ohill.org/oilheatinfo.php



Select Senior Division Outcomes:

- 98% of seniors served in our case management program were able to remain in their homes.
- Senior Financial Services provided 565 seniors with financial assistance, guidance and advocacy to help resolve debt, mortgage and tax crises.
- Over 600 hours of socialization were provided to the elderly by FCA's Friendly Visitor volunteers.

Here is a letter from a grateful daughter who found help, direction and support for her father from FCA's Senior Division:

"Just wanted to let you know I contacted your office several months ago for help with my father. My sister and I were very overwhelmed with trying to help him. We contacted Eileen and she was a wonderful help to us. She pointed us in the right direction when we were totally lost on what to do. She was very knowledgeable and really helped us a lot. She checked in with us periodically to see how everything was going and to see if we needed any more help. She was a big help when we needed it and it is very much appreciated."

"... I started attending Project Independance meetings and became involved in all the activities that you had to offer. The counselors enhanced my life by letting me know that I was worthy of love and support. They encouraged me to take advantage of every opportunity that was open to me and to give myself the chance to succeed. I attended meetings and picnics and was even invited to speak at your Thanksgiving Ball in an effort to coax me out of my shell. "The system" that oversees children in foster care is very cold but the counselors at Project Independence were warm, loving and turned out to be not a replacement of my foster family but an additional family that cared about me. Being in your program felt like a sigh of relief."

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is

used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

☐ **B.** The attached memorandum contains a detailed explanation as to the reason(s)why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☑ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☑ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a

nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

The firm shall meet with NCDPW, the City of Glen Cove, and others as/if necessary, to discuss the parameters of the design and review comments on the draft TDR. Finalize the TDR incorporating any revisions and provide six (6) paper copies and an electronic (*.PDF format) copy of the TDR.

B. Division B - Detailed Design Services

Upon County approval of the technical design reports, the Firm agrees to perform all the usual and necessary design services in connection with the preparation of detailed contract drawings, specifications and estimates for the Glen Cove Wastewater Treatment Plant Preliminary Treatment Improvements suitable for public bidding as a single project.

The contract drawings shall be prepared in an AutoCAD release acceptable to the County. The Firm shall furnish the contract drawings on CD-ROM. In all circumstances, the hard copy of any such plans and drawings shall be relied on by the County, and shall control in the event of any conflict or discrepancies.

The Firm shall furnish bid plans and master specification book in *.PDF format; as well as eight (8) hard copies of each full-size drawings and specification book, to the County in order that necessary reproductions and copies of the same may be prepared by the County.

During the preparation of these documents the Firm shall perform the following services:

1. Submit preliminary (40% design completion), draft bid (75% design completion) and pre-bid (100% design completion) plans and specifications for County review (maximum six [6] sets for each) and approval.

2. Attend review meetings on the average of twice per month in order to review job progress and to resolve design and other questions. A representative of the Firm will prepare draft and final minutes of each meeting and after County approval distribute final minutes to all attendees.

3. Submit three (3) copies of a draft detailed construction cost estimate (at 40% design completion) and three (3) copies of a final detailed construction cost estimate (at 75% and 100% design completion). The cost estimate will have a breakdown by CSI division for each cost item in the estimate.

4. Prepare and submit the necessary Environmental Impact Forms.

5. Prepare permit applications, reports or submittals required by other agencies having jurisdiction. This work task will not be considered complete until it culminates in a permit or pre/post design approval by the appropriate agency or agencies. The Firm must be aware of the latest applicable codes and agency procedural requirements in order to expeditiously complete this design task. Correspondence shall be submitted directly to the agency for review/approval with at least two copies to the County, unless otherwise directed. Typical regulatory agencies involved in our Environmental Engineering Projects may include but will not be limited to the following:

    a. New York State Department of Environmental Conservation – Title V Plant-wide Emission Source Update Submittals permits, SPDES General Permit-02 for runoff from construction sites

    b. Nassau County agencies – Fire Marshall and/or Health Department

    c. Other Local agencies (Towns, Villages...)

6. Submit written responses to all County review comments.

7. Review the County's Master Project Labor Agreement and undertake a feasibility study to determine whether it would be in the County's best interest to incorporate this project under the terms of the PLA, and if warranted, prepare the addendum to add the project to the PLA and subsequently oversee the execution of the same by the responsible parties.

8. Make periodic site visits as necessary for a complete understanding of the system operation.

If the total amount of the lowest responsible construction bids should exceed the final approved construction cost, which is based on the Firm's final construction cost estimate, by more than fifteen (15) percent, the County may require the Firm to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of construction. The Firm is responsible for obtaining construction budget information from the County.

In preparing the contract specifications, the County shall furnish the Firm with a copy of the standard contract "Front End" consisting of the Notice to Bidders, Instructions to Bidders, Agreement and General Conditions. The Proposal Forms, Special Conditions (Division 1) and all other sections of the technical specifications shall be developed by the Firm. 13. Assist the County in the final inspection of the work to determine if each construction contract has been completed in accordance with the contract documents. Provide written certification that project completion was in accordance with the contract documents.

14. Throughout the construction period and at the completion of the construction activities, field verify and check the Prime Construction Contractor's Record Drawings on which the Prime Construction Contractors have indicated changes in the construction work as-built to the extent possible based on the Firm's periodic site visits. This task shall include, but not be limited to the following:

    a. That all equipment is shown as installed and that furnished dimensions are correct.

    b. That all required wiring diagrams, conduit schedules, etc. are provided and are in agreement with the field installation.

    c. That all changes, additions and deletions are shown.

    d. That the record drawings are legible and clearly drawn.

15. Check Prime Construction Contractor prepared as-built drawings and modify digital computer files of contract drawings to reflect work as actually constructed. Provide two (2) CD-ROM copies of these as-built digital computer files of the contract drawings.

D. Division D - Facility Operation and Maintenance Manual

Under this division of work, the Firm shall update the pertinent sections of the existing sections of the Glen Cove WTP Operation and Maintenance Manual ("O&M Manual") using the EPA Publication, " Considerations for preparation of Operation and Maintenance Manuals (EPA-430/9-74001)" as a guideline.

The O&M Manual provides a detailed description of the treatment facilities, process control strategies, start-up and shutdown procedures, laboratory test procedures, emergency response procedures, safety guidelines, troubleshooting procedures, equipment preventive maintenance schedules as well as process flow schematics, isometric figures, cross section and plan diagrams, valve schedules, single line diagrams, and miscellaneous tables.

The completion of the appropriate O&M Manual sections will coincide with each segment of construction. A draft version of the O&M manual sections will be submitted for county review and approval prior to payment for the 90% completion point in construction. A final version of the O&M manual sections will be submitted for County review and approval at the 100% construction completion point to incorporate issues learned during startup. The final O&M manual sections will be supplemented with cataloged and bound copies of the approved equipment manufacturers' O&M Manuals.

Six (6) copies of the draft O&M Manual Sections will be submitted for County review. Two (2) copies of the electronic files (both text and graphics) used to produce the manuals will be turned over to the County. In addition, two (2) hard copies (bound) of the final O&M Manual Sections will be submitted for County review and approval. The County requires compatibility of software as described in the subsequent paragraph.

Prepare and provide to the County, Standard Operating Procedures (SOP's) to assist Operating Staff in the routine operation, maintenance and monitoring of all key components of the enhanced/improved odor control facility at each site. The SOP's shall be site and equipment

specific and be stand-alone documents with a maximum length of two (2) pages. The SOP's are to be mounted, laminated and then posted near the appropriate equipment or control panel.

Add/remove equipment associated with this project on the Plant's Equipment Asset Inventory database.

Two (2) additional copies of the SOP's shall be included in the appropriate O&M Manual. Copies of the electronic files (both text and graphics) used to produce the SOP's will be turned over to the County. The software is to be compatible with existing County software and if not, the Firm will supply additional copies to the County.

E. Division E - Facility Start-Up, Staffing and Training Services

Under this division of work the Firm shall provide the following services:

1. Start-Up Services.

   a. The Firm shall conduct start-up services during construction and shall continue until initiation of the one (1) year project performance period. The following detailed breakdown delineates the specific elements of the services associated with the Preliminary Treatment Improvements Project.

   b. Scheduling. The Firm, in conjunction with the County, shall develop an overall start-up sequencing schedule that will define in detail significant start-up activities. The overall start-up sequencing schedule shall be coordinated with the County and Construction Contractors and updated as necessary.

   c. Start-Up Assistance. The Firm shall provide expert on-site start-up assistance prior to and during initial flow-through for the process units. Start-up assistance during the first year of operation will be provided on a reasonable "on-call" basis for troubleshooting, debugging, cost-effective process optimization, and general startup supervision. Services to be provided include:

      i. Strategic Start-Up Plan. This plan is designed to delineate major and minor events expected when placing into operation equipment installed in connection with the Influent Screens Facility Improvements. The Start-up Plan shall identify specific plant components and unit processes that will affect each other and establish a network of related steps that will lead to a logical and smooth start-up. The strategic Start-up Plan shall also define the roles and responsibilities of the participants (County, Firm and construction Firms). This plan shall be reviewed with the County. Emphasis throughout the start-up will be on the O&M responsibilities of the plant staff to ensure protection of equipment warranties.

      ii. Establish Process Parameters. The Firm shall review the process design and process operational parameters and establish start-up procedures for each unit process. Start-up procedures shall contain complete information pertaining to control of the equipment and process trains associated with the Preliminary Treatment Improvements Project.

      iii. Checklists, Logs, Records and Reports. Although various checklists and plant operating logs are in use, the Firm shall, if necessary, upgrade the system by reviewing existing shift checklists, operating logs, records and reports for all processes affected by the inclusion of the Influent Screens Facility Improvements. The Firm shall provide recommendations for

upgrading existing record-keeping, checklists and logs for all components associated with these systems and develop new checklists and logs for new or modified plant processes.

iv. Troubleshooting and Debugging. It is anticipated that equipment problems will arise during and following start-up. The Firm shall provide assistance to address problems encountered by the County during the project performance period, analyze these problems and develop solutions that will minimize the overall effects on plant personnel and processes.

v. Process Optimization. The Firm shall provide operations start-up assistance to ensure that steps are taken to adjust and "fine tune" the processes and associated equipment once they have been started up and stabilized.

2. Training Services.

a. The Firm, in conjunction with the County, shall assist in the coordination of manufacturer's training for all new components of the Preliminary Treatment Improvements Project. This training shall be geared toward the following areas:

i. Process theory/process control.

ii. Mechanical, electrical, instrumentation and HVAC component function and interface.

iii. Preventative/corrective maintenance.

iv. Safety.

v. Laboratory training.

vi. "Hands-on" training.

b. This training shall be coordinated with the County's on-going training program. Any materials developed shall be turned over to the County for future use and reference.

c. General training shall be given during the construction period prior to start-up. Supplemental training, if deemed necessary by the County as a result of process modifications during the one-year performance period, shall be provided by the Firm and given prior to the conclusion of the one-year performance period, and shall incorporate any adjustments in the process resulting from operational experience.

3. One (1) Year Project Operating Report.

a. The Firm shall monitor the performance of the facilities installed for the first year of operation and provide documentation to report on the capability of the project of meeting the overall performance criteria. One (1) year after the initiation of operation of the systems, the Firm shall prepare an evaluation of the Preliminary Treatment Improvements Project for review and acceptance by the County, if required by the Commissioner. In the event that the improvements do not operate as planned, a report defining the problem and corrective work necessary will be prepared.

EXHIBIT B
PAYMENT SCHEDULE
Glen Cove Wastewater Treatment Plant
Preliminary Treatment Improvements

Payment to the Firm for all services as outlined in "Exhibit A," including any extra services that may be authorized under this Agreement, shall be made as follows:

Technical Design Report (Division A) - The Firm shall be paid a total lump sum amount of $66,000 to cover all costs associated with Division A work, as outlined in Section A of Exhibit A.

Detailed Design (Division B) & Construction Related Services (Division C, D & E)
Detailed Design (Division B) & Construction Related services (Division C, D & E) – The Contractor shall be paid a fee equal to a percentage of the net total cost of construction, exclusive of Extra Services and Reimbursable expenses, to cover all costs associated with all work to complete divisions B, C, D, and E as outlined in the appropriate sections of Exhibit A. The design percentage fee for each construction contract prepared will be determined by a straight line interpolation between the limits of the construction cost delineated as follows:

Net Construction Cost	Design Fee Percentage
$9,000,000.00 and above	5.5 %
$ 7,500,000.00	6.0%
$ 6,000,000.00	6.5%
$ 4,500,000.00	7.5 %
$ 3,000,000.00 and below	8.0 %

An initial estimated construction cost of **$6,000,000.00** will be used as the basis for progress payments. Interim adjustments to the estimated construction costs, as mutually agreed upon by the parties with the approval of the Commissioner, shall be used to determine the payments to the Firm.

Until the construction cost is established by the award of the construction contract(s), the Firm's design fee percentage shall be based upon the latest approved construction cost estimate. The design fee percentage shall be used as a basis of computing partial payments to the Firm during the progress of the work. When the actual cost of construction is determined, the total amount paid to the Firm under these Divisions of work shall be adjusted based upon such final cost of construction, and any overpayment or underpayment of design fees shall be adjusted accordingly.

For the remainder of the design and construction phases, including the construction administration phase (Sections B, C, D & E), the Firm's fee shall be payable as follows:

Phase of Work	% of Fee
B. Detailed Design	45%
C. General Inspection Services	35%
D. Facility Operation and Maintenance Manual	10%
E. Facility Start-Up, Staffing and Training Services	10%

Partial Payments: The Firm's fee for services shall be paid in monthly installments. The amount of each partial monthly payment shall be determined by the portion of the Firm's work completed for each Division, as approved by the Commissioner.

Overtime: Payment vouchers which include overtime shall not be approved by the Department without the Firm having obtained prior written approval of the Department for such overtime. The premium pay for

overtime, above the straight hourly rate shall not be subject to any multiplier. In computing the cost to the County for overtime work performed, the overtime period shall be paid at the straight hourly rate times the applicable multiplier, plus the overtime premium cost incurred.

Construction Costs: It is agreed that the total cost of construction shall be the final total cost of the construction contract, including extra change order amounts, except that, in computing the cost of construction the following items shall not be included:

a. Fees paid to the Firm, subcontractors or construction engineers, cost of land acquisition or legal fees and the cost of equipment purchased outside of the construction contracts.

b. The cost for the disposal, if required, of contaminated soils resulting from the construction work.

c. The cost of any and all change orders required by reason of the failure of the Firm to include such change order items in the contract documents, or by reason of errors made by the Firm in the preparation of the contract documents.

d. Moneys paid by the County to a contractor or subcontractor by way of settlement or satisfaction of any claims or legal actions for delay brought against the County.

e. Work for which the Firm has already been paid such as "Extra Work."

In the event the Firm's services result in change order "Credits" to the County, such credit amounts shall not be deducted from the final cost of construction. It is the intention of the parties that the Firm shall be compensated for services rendered, notwithstanding that such services may result in a change order credit which reduces the final cost of construction.

If in the further event the credit change order requires the Firm to perform additional services, then, subject to the approval of the Commissioner, the Firm shall be paid for such services pursuant to the subsection entitled "Extra Services or Additional Costs," herein.

If the total amount of the lowest responsible construction bids should exceed the final approved estimated construction cost by more than fifteen (15) percent, the County may require the Firm to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of the construction.

If the award of the construction contract(s) is not made prior to the expiration or termination of this Agreement, then with respect to payment for the Division B, C, D and E services, instead of being paid based on the total cost of construction as outlined above, the Firm shall be paid a fair and reasonable amount based on services actually rendered as mutually agreed by the Department and the Firm.

Extra Services or Additional Costs: If the Firm is required to perform extra services, or incurs additional expenses due to substantial changes ordered by the Department, which changes are not due to the fault or negligence of the Firm; the Firm shall be compensated for such extra expense and services. Payment terms for any additional services shall be as mutually agreed by the Department and Firm, as either a lump sum or based on actual salaries of personnel as stipulated herein, and as further defined below. Such extra services are to be provided only after written authorization by the Department.

a. For any additional services to be paid on actual salaries the Firm shall be compensated for such extra services by an amount equal to two and seventy-five hundredths (2.75) times the actual salaries or wages paid to the technical personnel engaged in this phase of the work, exclusive of payroll taxes, insurance, and any and all fringe benefits. The Firm shall be compensated for such services performed by principals while engaging in a technical capacity in the project, based on the principal's hourly rate, times two and seventy-five hundredths (2.75), exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable

rate, after application of the multiplier, shall not exceed **one hundred seventy five dollars ($175)** per hour.

b. In the event that the County shall direct the Firm to supply a resident engineer or full time site representative during construction, the Firm shall be paid for such extra services an amount equal to two and three tenths (2.3) times the direct salaries of personnel assigned to such tasks, exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier, shall not exceed **one hundred seventy five dollars ($175)** per hour.

Appendix "EE"

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002

providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any

M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Version January 2014

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Office of the County Executive
Att: Richard R. Walker, Chief Deputy County Executive

FROM: Department of Public Works

DATE: April 7, 2016

SUBJECT: Proposed Personal Services Agreement with H2M Architects + Engineers
Recommendation of Firm for Detailed Design Services
Glen Cove Wastewater Treatment Plant
Preliminary Treatment Improvements
Proposed Agreement No. S35114-13C

This Department intends to procure detailed design services regarding Preliminary Treatment Improvements at the Glen Cove Wastewater Treatment Plant. Major components of the project include the evaluation and assessment of influent processing equipment and influent building ventilation, in addition to related ancillary items such as lighting, alarms and communication systems.

A "Request for Proposals" was prepared in conformance with the Department's policy for assessing technical understanding, statement of qualification, and a proposed project schedule. The Request for Proposals was posted on the County's website and advertised in *Newsday*.

Technical and Cost Proposals were received from three (3) firms (listed below) on February 16, 2016. The Technical Proposals were evaluated by professionals from within the Department of Public Works. Following the review, the technical rank was established and the cost proposals were reviewed. The results of the technical evaluation are summarized below, along with each firm's total proposed design fee (based upon an estimated construction budget of $6,000,000.00).

Firm Name	Tech Rank	Tech Rating	Proposed Design Fee Percentage	Total Design Fee (Div. A through E)	Total Design Fee with 30% Contingency
H2M	1	93.2	6.50%	$456,000.00	$592,800.00
D&B	2	89.6	6.95%	$452,000.00	$587,600.00
Cameron Engineering	3	88.6	7.90%	$509,000.00	$661,700.00

As evidenced by the table above, the proposal from H2M received the highest technical rating while submitting a fractionally higher proposed design fee than the firm technically ranked second. Accordingly, in our professional judgment, the proposal submitted by H2M, having the highest technical rating and proposing a reasonable cost, represents the best value to the County. Therefore, we recommend proceeding with a Personal Services Agreement with H2M for $456,000.00 ($592,800.00 with contingency) to provide detailed design services for this project.

The funding for these professional services is available under Capital Project 35114.

Re: Glen Cove Wastewater Treatment Plant Preliminary Treatment Improvements
M/WBE Subcontracting
RFP No.: PW-S35114-13C

Dear Commissioner Shah-Gavnoudias:

In line with our proposal for this above referenced project, H2M intends to self-perform the majority of the design and construction services work with our in house design professionals. As stated in our proposal, the necessary subcontract work anticipated to date is limited to: printing and reproduction, site survey/laser scanning of existing conditions, and hazardous materials (lead and asbestos) sampling and testing. This limited need for subcontracted work allows for approximately 10% M/WBE participation for this project. As the project progresses if other conditions arise that require the use of a subcontractor to meet the job design and construction services requirements, H2M will perform our due diligence search and consideration for the use of additional M/WBE subcontractors for this work in an effort to rise closer to the County desired 20% goal.

Thank you for considering H2M for this very important project. Please call me at (631) 756-8000 ext. 1012, should you have any questions or require additional information.

Very truly yours,

In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; OR:

☐ B. The attached memorandum contains a detailed explanation as to the reason(s)why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

Instructions with respect to Sections VII, VIII and IX: **All Departments must check the box for VII. Then, check either box Section VIII or IX, as applicable.**

VII. ☐ **This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. X **Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ **Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. X **Vendor will not require any sub-contractors.**

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

STIPULATION OF SETTLEMENT AND DISCONTINUANCE

1. This Stipulation of Settlement and Discontinuance (the "Agreement") of the above-entitled proceeding ("this Litigation") is entered into by and between the Petitioner, the People of the State of New York by Eric T. Schneiderman, Attorney General of the State of New York ("NYAG"), and Respondents Armor Correctional Health Medical Services of New York, Inc., P.C. and Armor Correctional Health Services of New York, Inc. (collectively, "Armor"), and, except to the extent limited by Paragraph 15, extends as well to anyone acting on Armor's behalf, including but not limited to Armor's principals, employees, agents, and/or assignees who are involved in the conduct of the business that is the subject of this Litigation, and to any parent, affiliate or successor corporation or other corporation purchasing Armor's assets, company, business entity or other entity that Armor may now or hereafter act or conduct business through that is the subject of this Litigation.

2. "Parties" means the NYAG and Armor, collectively and as defined herein.

3. This Court has jurisdiction over the subject matter of this Litigation and over all Parties. The Parties agree, for purposes of this Agreement, that venue is proper in New York County.

4. The terms of this Agreement shall be governed by the laws of the State of New York.

5. On or about July 12, 2016 the NYAG filed a Verified Petition (the "Petition") in the Supreme Court for the County of New York, naming Armor as Respondents, alleging violations of the New York State False Claims Act, N.Y. State Finance Law § 187 *et seq.*, N.Y. Executive Law § 63(12), and N.Y. Executive Law § 63-c.

6. Armor has denied these allegations and asserts that it has not violated any applicable laws, regulations, ordinances or legal or contractual obligations.

7. This Agreement reflects a negotiated agreement among the Parties.

8. The Parties have agreed to resolve the issues, claims and matters raised in the Petition and occurring through the date of the filing of the Litigation, by entering into this Agreement.

9. Neither Armor's performance of this Agreement nor the negotiations between the Parties surrounding the Agreement shall be considered an admission by Armor of any wrongdoing or liability of any kind.

10. This Agreement is not intended for use by any third party in any other action or proceeding and is not intended, and should not be construed as, an admission of wrongdoing or liability by Armor. The NYAG will not cite the Agreement in any action or proceeding as an admission of Armor's wrongdoing or liability.

11. This Agreement does not constitute an approval by the NYAG of Armor's

business practices, and Armor shall make no representation or claim to the contrary.

12. Armor has demonstrated and represented that it no longer intends to seek new contracts in New York during at least the three-year period following the Effective Date.

13. By entering into this Agreement, Armor agrees to the following:

A. For a period of three years from the Effective Date, Armor agrees not to bid on or enter into any contract with any municipality in New York State for the provision of jail health services; and

B. Within ten days of the Effective Date, and in full and final settlement of this Litigation, Armor agrees to pay and the NYAG agrees to accept the sum of Three Hundred and Fifty Thousand dollars ($350,000.00) by check payable to the State of New York.

14. Solely for the NYAG's purposes and without any admission by Armor, upon receiving the payment from Armor, the NYAG intends to designate Two Hundred and Fifty Thousand dollars ($250,000.00) of that payment to Nassau County as reimbursement related to Armor's performance of certain contractual obligations to the County during the time period covered by the Litigation, with the balance as penalties to the State of New York.

15. For purposes of this Agreement, Paragraph 13(a) above shall not apply to any successor or future purchaser of Armor's stock or assets, or any successor entity that results from a merger, that as of the date of this Agreement or in the future is a party to contracts with municipalities in New York State, provided that, for a period of three years following the Effective Date, such successor or purchaser does not engage any of Armor's senior management officials to supervise the provision of services in, or work at, any New York jail, except as approved by the NYAG. "Senior management officials" as used in this paragraph includes (i) all management at Armor's corporate headquarters who had direct responsibility for

overseeing the provision of services at the Nassau County Correctional Services and (ii) management, including directors, working directly at Nassau County Correctional Center. This includes all individuals employed in such positions at any point in the twelve months prior to the Effective Date.

16. The Court shall retain jurisdiction for the purpose of enforcing and modifying this Agreement.

17. It is hereby stipulated and agreed, by and between the Parties, that the Petition and this Litigation is dismissed with prejudice, and without costs to any party as against another.

18. Nothing herein shall limit either the NYAG's or Respondents' right to seek other remedies provided by law for a violation of this Agreement, including remedies for contempt of court and for enforcement of the Agreement. The NYAG has the right to seek injunctive relief, and all other appropriate and necessary relief, to enforce this Agreement. If a court of competent jurisdiction determines that Armor has breached this Agreement, Armor shall pay to the NYAG the cost, if any, of enforcing this Agreement, including, without limitation, legal fees, expenses, and court costs.

19. This Agreement constitutes the entire, complete, and only agreement and understanding by and between the Parties with respect to the subject matter hereof.

20. This Agreement may not be modified orally, but may be modified only by a writing signed by each Party.

21. The Effective Date for this Agreement is the date that it is fully executed by the Parties.

22. This Agreement may be signed in any number of counterparts, each of which is an original and all of which taken together form one single document. Signatures provided

by facsimile transmission or in Adobe Portable Format (PDF) sent by electronic mail shall be deemed to be in original signatures.

For Respondents, Armor Correctional Health Medical Services of New York, Inc., P.C. and Armor Correctional Health Services of New York, Inc.

Contract Summary

Description: Amendment #3 to a contract for comprehensive inmate health care services.

Purpose: This is an amendment to an existing contract for the provision of medical, mental health, dental and ancillary services to inmates in the custody of the Nassau County Sheriff's Department and/or incarcerated at the Nassau County Correctional Center, pursuant to Section 14 (c) of the base contract. The term of the contract expires on May 31, 2017, and the County is in the process of transitioning the inmate medical services to the Nassau Health Care Corporation ("NuHealth"). This amendment is to (i) extend the term of the contract for an additional three-month period, to August 31, 2017; (ii) increase the base monthly compensation to be paid to Armor; and (iii) modify the offsite services and pharmacy services provisions, all in order to facilitate and enable the orderly transition of inmate medical services to NuHealth without the interruption of services. As part of the amendment, and in consideration of the County's receipt of $250,000 from the settlement of the NYS Attorney General Offices' lawsuit against Armor, the County releases Armor for performance indicator penalties.

Armor has brought a lawsuit against the County in Nassau County Supreme Court for a judicial declaration that Armor is not required to provide inmate health services beyond the scheduled termination date in the contract of May 31, 2017. The proposed amendment is anticipated to settle the litigation.

Method of Procurement: Please see procurement history below. The addition of three months to the term and the increase in compensation has been determined necessary for the transition of services to new vendor NuHealth.

Procurement History: With respect to the base contract, an RFP was published on July 30, 2009, with proposals due on Oct. 13, 2009. Six proposals were considered. The Contractor was found to be the most responsible and qualified bidder with the most reasonable costs by an evaluation committee consisting of representatives from County OMB, County DOH, County OMH, the Sheriff's Department, and the County Attorney's Office.

Description of General Provisions: As described above.

Impact on Funding / Price Analysis: $4,800,000 ($1,500,000 for June; $1,600,000 for July; and $1,700,000 for August, over the three-month period of 6/1/17-8/31/17)

Change in Contract from Prior Procurement: Contract term will be extended, and base monthly compensation will be increased for a three-month transition period, as further detailed in Amendment 3.

Recommendation: Approve as submitted.

Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. X Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No.* 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

6. Armor has denied these allegations and asserts that it has not violated any applicable laws, regulations, ordinances or legal or contractual obligations.

7. This Agreement reflects a negotiated agreement among the Parties.

8. The Parties have agreed to resolve the issues, claims and matters raised in the Petition and occurring through the date of the filing of the Litigation, by entering into this Agreement.

9. Neither Armor's performance of this Agreement nor the negotiations between the Parties surrounding the Agreement shall be considered an admission by Armor of any wrongdoing or liability of any kind.

10. This Agreement is not intended for use by any third party in any other action or proceeding and is not intended, and should not be construed as, an admission of wrongdoing or liability by Armor. The NYAG will not cite the Agreement in any action or proceeding as an admission of Armor's wrongdoing or liability.

11. This Agreement does not constitute an approval by the NYAG of Armor's

business practices, and Armor shall make no representation or claim to the contrary.

12. Armor has demonstrated and represented that it no longer intends to seek new contracts in New York during at least the three-year period following the Effective Date.

13. By entering into this Agreement, Armor agrees to the following:

A. For a period of three years from the Effective Date, Armor agrees not to bid on or enter into any contract with any municipality in New York State for the provision of jail health services; and

B. Within ten days of the Effective Date, and in full and final settlement of this Litigation, Armor agrees to pay and the NYAG agrees to accept the sum of Three Hundred and Fifty Thousand dollars ($350,000.00) by check payable to the State of New York.

14. Solely for the NYAG's purposes and without any admission by Armor, upon receiving the payment from Armor, the NYAG intends to designate Two Hundred and Fifty Thousand dollars ($250,000.00) of that payment to Nassau County as reimbursement related to Armor's performance of certain contractual obligations to the County during the time period covered by the Litigation, with the balance as penalties to the State of New York.

15. For purposes of this Agreement, Paragraph 13(a) above shall not apply to any successor or future purchaser of Armor's stock or assets, or any successor entity that results from a merger, that as of the date of this Agreement or in the future is a party to contracts with municipalities in New York State, provided that, for a period of three years following the Effective Date, such successor or purchaser does not engage any of Armor's senior management officials to supervise the provision of services in, or work at, any New York jail, except as approved by the NYAG. "Senior management officials" as used in this paragraph includes (i) all management at Armor's corporate headquarters who had direct responsibility for

overseeing the provision of services at the Nassau County Correctional Services and (ii) management, including directors, working directly at Nassau County Correctional Center. This includes all individuals employed in such positions at any point in the twelve months prior to the Effective Date.

16. The Court shall retain jurisdiction for the purpose of enforcing and modifying this Agreement.

17. It is hereby stipulated and agreed, by and between the Parties, that the Petition and this Litigation is dismissed with prejudice, and without costs to any party as against another.

18. Nothing herein shall limit either the NYAG's or Respondents' right to seek other remedies provided by law for a violation of this Agreement, including remedies for contempt of court and for enforcement of the Agreement. The NYAG has the right to seek injunctive relief, and all other appropriate and necessary relief, to enforce this Agreement. If a court of competent jurisdiction determines that Armor has breached this Agreement, Armor shall pay to the NYAG the cost, if any, of enforcing this Agreement, including, without limitation, legal fees, expenses, and court costs.

19. This Agreement constitutes the entire, complete, and only agreement and understanding by and between the Parties with respect to the subject matter hereof.

20. This Agreement may not be modified orally, but may be modified only by a writing signed by each Party.

21. The Effective Date for this Agreement is the date that it is fully executed by the Parties.

22. This Agreement may be signed in any number of counterparts, each of which is an original and all of which taken together form one single document. Signatures provided

by facsimile transmission or in Adobe Portable Format (PDF) sent by electronic mail shall be deemed to be in original signatures.

AMENDMENT NO. 3

THIRD AMENDMENT TO CONTRACT FOR SERVICES, (this "Third Amendment"), made as of the date on which this Third Amendment is executed by Nassau County (the "Effective Date"), by and between **NASSAU COUNTY** (the "County"), a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501, acting for and on behalf of the Nassau County Sheriff's Department (the "Department"), having its principal office at 100 Carman Avenue, East Meadow, New York 11554, and **ARMOR CORRECTIONAL MEDICAL & HEALTH SERVICES OF NEW YORK, INC.** ("Armor"), a Florida corporation having its principal corporate offices at 4960 S.W. 72 Avenue, Ste. 400, Miami, Florida 33155 (each a "Party," collectively, the "Parties").

WITNESSETH:

WHEREAS, the County and Armor executed a Health Services Agreement effective May 5, 2011 (the "Agreement"), by which Armor contracted to perform certain services for the County as the provider of medical, mental health, dental and ancillary services (the "Inmate Medical Services") to inmates in the custody of the Department and/or incarcerated at the Nassau County Correctional Center to be delivered to detainees housed by the Sheriff;

WHEREAS, the term of the Agreement was from June 1, 2011 through May 31, 2013, with an option to renew the term of the Agreement for up to two additional one (1) year periods under the same terms and conditions;

WHEREAS, in June 2013, the County and Armor entered into the First Amendment (the "First Amendment"), which renewed the terms of the Agreement for an additional two (2) years, commencing June 1, 2013, so that the termination date of the Agreement as amended by the First Amendment was May 31, 2015;

WHEREAS, in June 2015, the County and Armor entered into the Second Amendment (the "Second Amendment"), which renewed the terms of the Agreement, as amended, for an additional two (2) years, commencing June 1, 2015, so that the termination date of the Agreement as amended by the First Amendment was May 31, 2017;

WHEREAS, notwithstanding the May 31, 2017 termination date of the Agreement, as amended, the County is in the process of transferring the Inmate Medical Services to the Nassau Health Care Corporation ("NuHealth") and, in connection therewith, has requested that Armor continue to provide Inmate Medical Services; and

WHEREAS, the County and Armor desire to further extend the term of the Agreement and to modify certain terms thereof.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, it is agreed upon as follows:

1. Term Extension. The Agreement is hereby extended for an additional three (3) months (such three-month period, the "Transfer Period"), commencing June 1, 2017, so that the termination date of the Agreement, as amended by this Third Amendment, is now August 31, 2017, provided, however, that the County shall have the right to terminate the Transfer Period, and, by extension, the Agreement, at such sooner date as the County may deem to be in the best interests of the County, upon thirty (30) days prior written notice or such shorter notice as may be mutually agreed upon by the Parties. It is the intention of the Parties that there will be no further extensions of the Agreement or the Transfer Period, and the County waives any rights it may have to seek a further extension. Under no circumstance shall Armor be required to provide any services, including transition services, after the expiration of the Transfer Period, provided, however, that Armor will respond to reasonable requests for information and consultation via telephone or e-mail.

2. Payment. (a) Amount of Consideration.

(i) Base Monthly Compensation. The base compensation amount to be paid to Armor by the County during the Transfer Period as full consideration for Armor's onsite services pursuant to the Agreement shall be as follows: June 2017--$1.5 million; July 2017--$1.6 million; and August 2017--$1.7 million. Such amount(s) shall not be payable if the Third Amendment is terminated prior to the month in which services are to be provided. To be paid no later than 15 days after the invoice is received, subject to prompt review and approval by the County Comptroller.

(ii) Offsite Services. The Cost-Sharing provisions contained in paragraph 6 of the Agreement, as amended by paragraph 2 of the First Amendment, are hereby deleted in their entirety. Effective throughout the Transfer Period, the County shall bear 100% of the cost of Offsite Services. In connection with utilization of Offsite Services, Armor will continue to follow the policies and procedures governing Offsite Services that are now in effect.

(iii) Pharmacy Services. Effective throughout the Transfer Period, the County and the Contractor shall share the cost of Pharmacy Services. For the Transfer Period, the Contractor shall pay all Pharmacy Services costs up to $250,000 for the three-month period. If Pharmacy Services exceed $250,000 during the Transfer Period, then Armor will pay such amounts and be reimbursed 100% of such overage. If Pharmacy Services are less than $250,000 during the Transfer Period, then Armor will refund 100% of such underage. The $250,000 limit will be pro-rated if the contract is terminated early. Nothing in this Third Agreement shall affect the County's responsibility for the cost of blood products and medicines necessary to treat hemophiliacs solely for the condition of hemophilia, or required to be utilized due to the inmate's condition of hemophilia, as provided for in Paragraph 3(v) of the Agreement. In connection with utilization of Pharmacy Services,

Armor will continue to follow the policies and procedures governing Pharmacy Services that are now in effect.

(iv) $155,000 Payment. Within twenty (20) days of the execution of this Third Amendment, the County shall pay to Armor the sum of One Hundred Fifty-Five Thousand ($155,000.00) Dollars representing a release of the money deducted by the Nassau County Comptroller's Office from the County's payment of Armor's July Claim #VDCC16000137. The Comptroller's Office had deducted the $155,000 pending further review as to whether there should be imposed a financial penalty under the National Commission on Correctional Health Care accreditation provisions of the Agreement, which review has determined that the penalty is not due and owing from Armor.

3. Extension of Services.

(a) During the Transfer Period, Armor will continue to provide the Inmate Health Services in accordance with the terms and conditions of the Agreement, as amended by this Agreement. In addition to the provision of Inmate Health Services, and in consideration of the Base Monthly Compensation set forth above in paragraph 2, Armor hereby agrees that during the Transfer Period Armor and its representatives will cooperate in all reasonable respects with NuHealth and its representatives, and will take such actions as are reasonably necessary, all in connection with and so as to facilitate a smooth and orderly transfer of the Inmate Medical Services to NuHealth. Without limiting the generality of the foregoing, Armor will: (i) make its staff available to meet with NuHealth staff at mutually acceptable times; (ii) share and provide access to reports, records, documents and other operational information; (iii) allow NuHealth staff to "shadow" Armor staff with respect to performance of Inmate Medical Services; and (iv) take such other actions as are reasonably requested by NuHealth or the County to facilitate a smooth and orderly transfer. NuHealth will assume operational control no later than September 1, 2017.

(b) Armor's provision of the Inmate Health Services and the other services described in this Paragraph 3 during the Transfer Period shall be in satisfaction of the "Contractor Assistance upon Termination" provisions set forth in paragraph 14 (c) of the Agreement to the extent such paragraph is applicable.

4. No Performance Indicator Penalties or Payment Adjustments; Mutual Limited Release. The County hereby agrees that in consideration of the Two Hundred Fifty Thousand ($250,000.00) Dollar payment made to the County by Armor pursuant to Paragraph 14 of that certain Stipulation of Settlement and Discontinuance by and between The People of the State of New York and Armor (Supreme Court: New York County; Index No. 450835/2016), and in consideration of Armor's agreement to provide the Inmate Health Services during the Transfer Period in accordance with the terms and conditions of this Amendment, the County hereby waives any claim to past, present or future performance indicator penalties under the Agreement, or to payment

adjustments therefore, and hereby releases Armor for any such past, present or future claims for performance indicator penalties under the Agreement. In addition, each Party hereby releases the other Party with respect to claims for payments that may be due and owing under Paragraphs 3(c) and 6 of the Agreement, as amended by the First Amendment and/or the Second Amendment, as of the Effective Date. No other claims are waived or released, including, without limitation, indemnification and defense claims under Paragraph 11 of the Agreement. The County reserves all other rights.

5. Full Force and Effect. Except as expressly amended by this Amendment, all terms and conditions of the Agreement, the First Amendment, and the Second Amendment are unchanged, and remain in full force and effect.

IN WITNESS WHEREOF, the Parties, by their authorized signatures below, have executed this AMENDMENT NO. 3 as of the Effective Date.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.

☐ **B.** The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).

☐ **C.** Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no._____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No.* 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

[Example for Cost-sharing Provisions: Offsite Services for the year are $2,000,000. County already paid Contractor $750,000, which brings the remaining costs to $1,250,000. 12. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which certificates of insurance shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars ($1,000,000) per claim and Five million

dollars ($5,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars ($1,000,000) per claim and Five million dollars ($5,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall, at its own expense, provide and maintain during the entire performance of this contract, at least the kinds and minimum amounts of insurance specified above. The insurer shall be in good standing within the state of Georgia through the Insurance Commissioner's Office and must be rated "A" or better, with AM Best Company. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than One Million dollars ($1,000,000.00) per claim and Three Million dollars ($3,000,000.00) aggregate coverage. Contractor shall provide County with copies of such certificates of insurance for any and all subcontractors.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

13. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County

Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

14. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (v) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

15. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations."

Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

16. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement; unless the action or special proceeding is based on intentional tortious acts, in which case it must occur within one (1) year from Contractor learning of such intentional act, but in no event later than two years from an occurrence pursuant to (i) herein.

17. Work Performance Liability. (a). The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

(b) Force Majeure. Neither party shall be held responsible for any delay or failure in performance to the extent that such delay or failure is caused, without limitation, by strikes, inmate disturbances, acts of public enemy, fire, flood, earthquakes, hurricanes, failure of transportation, explosion, war, embargo, government regulation, civil or military authority or acts of God.

18. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in

Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

19. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Sheriff at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

20. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

21. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

22 Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

23. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-Three dollars ($ 533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

24. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (I) all County approvals have been obtained, including, if required, approval by the County Legislature, and (II) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public

Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days

(10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

New York Board of Rabbis, Inc.

CONFLICT OF INTEREST POLICY

Article I: Purpose

This conflict of interest policy is designed to foster public confidence in the integrity of the New York Board of Rabbis (the "Organization") and to protect the Organization's interest when it is contemplating entering a transaction (defined below) that might benefit the private interest of a director, a corporate officer, the top management or top financial official, or a key employee (defined below).

Article II: Definitions

The following are considered *insiders* for the purposes of this policy:

1. Each member of the Board of Directors or other governing body.

2. The president, chief executive officer, chief operating officer, treasurer and chief financial officer, executive director, or any person with the responsibilities of any of these positions (whether or not the person is an officer of the Organization under the Organization's by-laws).

3. Any *key employee*, meaning an employee whose total annual compensation (including benefits) from the organization and its affiliates is more than $100,000 **and** who (a) has responsibilities or influence over the organization similar to that of officers, directors, or trustees; **or** (b) manages a program that represents 10% or more of the activities, assets, income, or expenses of the organization; **or** (c) has or shares authority to control 10% or more of the organization's capital expenditures, operating budget, or compensation for employees.

Interest means any commitment, investment, relationship, obligation, or involvement, financial or otherwise, direct or indirect, that may influence a person's judgment, including receipt of compensation from the Organization, a sale, loan, or exchange transaction with the Organization.

A *conflict of interest* is present when, in the judgment of the Board of Directors, an insider's stake in the transaction is such that it reduces the likelihood that an insider's influence can be exercised impartially in the best interests of the Organization.

Transaction means any transaction, agreement, or arrangement between an insider and the Organization, or between the Organization and any third party where an insider has an interest in the transaction or any party to it.

Article III: Procedures

1. Duty to Disclose

Each insider shall disclose to the Board all material facts regarding his or her interest in the transaction, promptly upon learning of the proposed transaction.

2. *Determining Whether a Conflict of Interest Exists*

With regard to an insider, the Board shall determine if a conflict of interest exists. The insider(s) and any other interested person(s) involved with the transaction shall not be present during the Board's discussion or determination of whether a conflict of interest exists, except as provided in Article IV below.

3. *Procedures for Addressing a Conflict of Interest*

The Board shall follow the procedures set forth in Article IV in order to decide what measures are needed to protect the Organization's interests in light of the nature and seriousness of the conflict, to decide whether to enter into the transaction and, if so, to ensure that the terms of the transaction are appropriate.

Article IV: Review by the Board

The Board may ask questions of and receive presentation(s) from the insider(s) and any other interested person(s), but shall deliberate and vote on the transaction in their absence. The Board shall ascertain that all material facts regarding the transaction and the insider's conflict of interest have been disclosed to the Board and shall compile appropriate data, such as comparability studies, to determine fair market value for the transaction.

After exercising due diligence, which may include investigating alternatives that present no conflict, the Board shall determine whether the transaction is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable to the Organization; the majority of disinterested members of the Board then in office may approve the transaction.

Article V: Records of Proceedings

The minutes of any meeting of the Board pursuant to this policy shall contain the name of each insider who disclosed or was otherwise determined to have an interest in a transaction; the nature of the interest and whether it was determined to constitute a conflict of interest; any alternative transactions considered; the members of the Board who were present during the deliberations on the transaction, those who voted on it, and to what extent interested persons were excluded from the deliberations; any comparability data or other information obtained and relied upon by the Board and how the information was obtained; and the result of the vote, including, if applicable, the terms of the transaction that was approved and the date it was approved.

Article VI: Annual Disclosure and Compliance Statements

Each director, each corporate officer, the top management official, the top financial official, and each key employee of the Organization, shall annually sign a statement on the form attached, that:

- affirms that the person has received a copy of this conflict of interest policy, has read and understood the policy, and has agreed to comply with the policy; and
- discloses the person's financial interests and family relationships that could give rise to conflicts of interest.

Article VII: Violations

If the Board has reasonable cause to believe that an Insider of the Organization has failed to disclose actual or possible conflicts of interest, including those arising from a transaction with a related interested person, it shall inform such Insider of the basis for this belief and afford the Insider an opportunity to explain the alleged failure to disclose. If, after hearing the Insider's response and making further investigation as warranted by the circumstances, the Board determines that the Insider has failed to disclose an actual or possible conflict of interest, the Board shall take appropriate disciplinary and corrective action.

Article VIII: Annual Reviews

To ensure that the Organization operates in a manner consistent with its status as an organization exempt from federal income tax, the Board shall authorize and oversee an annual review of the administration of this conflict of interest policy. The review may be written or oral. The review shall consider the level of compliance with the policy, the continuing suitability of the policy, and whether the policy should be modified and improved.

The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11) Termination.

a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provision of this Section shall survive the termination of this Agreement.

13) Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is

based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentation. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14) Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d) (i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road; Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

16) All Legal Provisions Deemed Included; Severability; Supremacy.

a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall

be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

c) Unless the application of this subsection will cause a provision required by law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17) Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18) Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

19) Administrative Service Charge. Inasmuch as the Contractor is a not-for-profit religious or charitable organization, the County waives imposition of the administrative charge.

SERVICE: Personal Services Contract for Lakeside Theatre Programming:
Leftfield Productions, Inc.
Re: August 12, 2017 – "Neil Berg's 100 Years of Broadway"

The above contractor will provide a professional musical performance for the residents of Nassau County for the above mentioned concert. The compensation to this presenter is consistent with fees for unique artistic presentations of this kind. It was engaged directly without the assistance (or fee) of an agent, broker or producer.

This contractor has a significant industry reputation for presenting a Broadway music revue performance of the highest quality. All of the cast members are professional trained and seasoned veterans of the Broadway stage. Unique to this Broadway revue is Mr. Berg's appearance as master of ceremonies at the piano, interacting with the performers and escorting the audience through the history of each individual performance and the Broadway show from which it was derived. Neil Berg's 100 years of Broadway has appeared at the Lakeside Theatre for over 20 years and attracts an audience in excess of 6000 every year. These services cannot be provided by any staff currently employed by the County.

Performances at Lakeside Theatre in Eisenhower Park have been presented free to the Nassau County public since the Theater's creation in the late 1960's. These services cannot be provided by any staff currently employed by the County.

Each artist and musical performer, possesses such individual skills that they cannot be evaluated through a competitive bidding process. In fact, an increasing number of states, municipalities and sub-divisions have codified the determination that entertainers and artists are considered sole source. These include the New York City Department of Education, the States of Virginia and West Virginia, the District of Columbia, and several state universities, among others.
