AMENDMENT, dated as of November 19, 2009 (together with the appendix and exhibits hereto, this "Amendment"), between (i) Nassau County, a municipal corporation having its principal office at 1515 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the TRAFFIC AND PARKING VIOLATIONS AGENCY, (hereinafter referred to as TPVA), having its principal office at 16 Cooper Street, Hempstead, New York 11550, (the "Department") and (ii) QUEST COMPUTER PRODUCTS, Inc., a corporation having its principal office 410-A Millstone Drive, Hillsborough, North Carolina 27278 (the Contractor").

WITNESSETH:

WHEREAS, pursuant to County contract number CQCW03000893 between the County and the Contractor, executed on behalf of the County on September 29, 2003 (the "Original Agreement"), and amended on August 30, 2004, May 17, 2005, July 7, 2006, April 24, 2007, March 18, 2008, January 15, 2009 and August 25, 2009, the Contractor performs certain services for the County in connection with professional data processes and related engineering services and software enhancement services which services are more fully described in the Original Agreement.;

WHEREAS, the term of the Original Agreement was from September 9, 2003 to August 31, 2004 with the county, in its sole discretion, having an option to renew for two additional one year terms. The county exercised that option on August 30, 2004, for an additional seven (7) month term to March 31, 2005 and for an additional one (1) year term to March 31, 2006 on May 17, 2005; and then again for another one (1) year term terminating on March 31, 2007. Thereafter, it became necessary to renew for an additional nine months terminating on December 31, 2007 and again for another one (1) year term to December 31, 2008 in order to bridge the gap in time as a new RFP was being issued. A proposal has been accepted and negotiations regarding requirements are in process with TPVA, the Information Technology Department and the new vendor; thus it became necessary to renew this contract for an additional year on January 15, 2009, terminating on December 31, 2009. However, although the contract with the vendor, New Dawn has been approved, it is necessary to renew this contract for an additional eighteen months through June 30, 2011, with an option to terminate on thirty (30) days written notice as the new vendor is not in place and without this contract TPVA will be non-operational

WHEREAS; the County and the Contractor desire to renew the Original Agreement by extending the Original Term to continue to bridge this gap until a new vendor is in operation.

WHEREAS; the maximum amount that the County agreed to reimburse the Contractor for Services under the Original Agreement and Prior Amendments, as full compensation for the Services, was Five Hundred, Thirty-Five Thousand, Forty-Three Dollars and Fifty Cents ($535,043.50), and

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Amendment, the parties agree as follows:

1. Term Extension. The Original Term shall be extended by eighteen (18) months so that the termination date of the Original Agreement, as amended by this Eighth Amendment (the "Amended Agreement"), shall be on or before June 30, 2011. However, the County may terminate this Agreement on thirty (30) days written notice.

2. Maximum Amount. The Maximum Amount in the Original Agreement and Amendments shall be increased by Seventy-Five Thousand Dollars ($75,000.00) so that the Maximum Amount that the County shall pay to the Contractor as full consideration for all Services provided under this Amended Agreement shall be Six Hundred, Ten Thousand, Forty-Three Dollars and Fifty Cents ($610,043.50).

3. Full Force and Effect. All the terms and conditions of the Original Agreement and its Amendments not expressly amended by this Amendment shall remain in full force and effect and govern the relationship of the parties for the term of the Amended Agreement.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan and

any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested.

The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. ☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: **All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.**

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. ☑ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No.* 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(b) The Contractor shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit

or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars ($1,000,000) per claim and two million dollars ($2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars ($1,000,000) per claim, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE

for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

(a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or

unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes

to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days

(10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Message from our Leadership

MESSAGE FROM OUR LEADERSHIP

Dear Cornell Cooperative Extension Supporters, Colleagues and Friends,

On behalf of the Board of Directors, Staff and Volunteers of Cornell Cooperative Extension of Nassau County (CCE-NC) we would like to thank you for a very successful year. Over the past year, with the relationship of dedicated volunteers working with professionals in environmental science, horticulture, 4-H youth development and food/nutrition in partnership with Cornell University, we have had a positive impact on many communities across the County.

CCE-NC is a unique partnership with federal, state and local government where funding and our support is leveraged from all levels of government to create a dynamic and vibrant organization. We would like to thank the Nassau County Executive, Nassau County Legislature, Nassau County Department of Parks, Recreation & Museums and other County Departments for their on-going support. We also would like to thank our other federal, state and local partners. We could not do all of our important work without all of your support!

In 2018 CCE-NC continued to partner with New York State Department of Agriculture and Markets for the statewide Taste NY initiative. Taste NY promotes local small scale producers and farmers and allows them to showcase their products at our LI Taste NY Market at the LI Welcome Center and at our Taste NY Carts at Penn Station in New York City. This exciting agricultural venture showcases our commitment to the local food economy and sustainable food systems. Our other quality educational efforts include our work at East Meadow Farm (EMF) where we have our diagnostic program, our community farm stand, operate over 60 community gardens and seven "hands-on" demonstration gardens and host hundreds of volunteers. We held a new Master Gardener class in the Fall and continue to build upon our vibrant and successful volunteer program. At EMF, we also wrapped up a successful 3 year grant for our Urban Forestry Program where we conducted our Asian Long-Horned Beetle Reforestation project (a partnership with the US Forest Service/ NYS DEC). We planted over 1,650 trees under this program.

Our CCE-NC Nutrition Programs, which include ESNY/SNAP-Ed (partnering with CCE-Suffolk and FREE), EFNEP and Senior program where we work with over 100 community centers throughout Nassau County provide hands on nutrition education and recommendations for healthier living. And finally, our commitment to 4-H Youth Development has been unwavering for over 100 years as we continue to operate our Dorothy P. Flint Nassau County 4-H Camp in Riverhead, NY and have expanded our 4-H presence at the LI Fair.

Larry Berger
Board President

In closing, we would like to thank our CCE-NC Board Members, Staff and Volunteers for their on-going support and commitment to our mission. We are grateful for all of your hard work! Our talented and professional CCE-NC staff are the backbone of our Association and their dedication allows us to continue to grow and deliver high impact programs throughout Nassau County. As we begin a new year we look forward to continuing to serve the community that we so proudly call our own and want to say "thank you" to you, our supporters. We truly appreciate your commitment to CCE-NC!

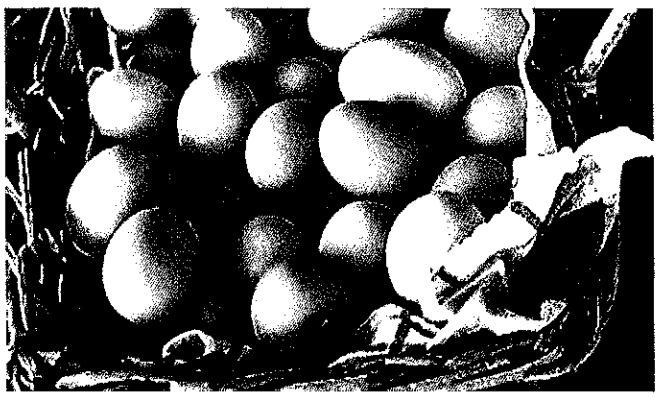
EAST MEADOW FARM

The Diagnostic Information Center at East Meadow Farm is a place for residents to get assistance with plants and lawn care, insects, growing fruits and vegetables, and much more. CCE Staff and trained Master Gardeners have assisted with over 2,000 Horticulture Information Center visits. That includes over 630 counter visits, over 228 soil pH tests, and over 1,018 phone calls. We also receive many emails requesting horticulture assistance.

Our **Community Gardens** are a wonderful way to bring horticulture and gardening to a community that may have limited space. The Community Gardens at the East Meadow Farm consist of 60 beds that are leased to schools, families, individuals and community groups. Most gardeners grow produce for their families, and school/youth groups utilize the space to learn about botany, as well as plant and soil science.

At the East Meadow Farm we have various **Demonstration Gardens** that are maintained by Master Gardeners. Admission is free and they are open every day from dawn to dusk. Our demonstration gardens include a Rose Garden, Dahlia Garden, Pollinator Garden, Herb Garden, Vegetable Garden, Compost Demonstration, Small Space Garden, Mini Arboretum, Fruit and Berry Garden and Cut Flower Garden.

Our Community Farm Stand is run by the CCE-NC Farm Stand Manager and interns with the help of Master Gardener volunteers. Our produce is grown at East Meadow Farm and at our 4-H Camp Farm in Riverhead. Produce is grown using sustainable farming methods without the use of harmful pesticides. East Meadow Farm is deeply rooted in our dedication and commitment to provide the highest quality produce to our customers. The farm stand accepts FMNP coupons, allowing consumers access to affordable nutritious fresh vegetables. The CCE-NC Nutrition Department is on hand at the farm stand to educate the community about the available produce, its nutritional value, and ways to prepare the food they purchase.



ENVIRONMENTAL EDUCATION

Our **Environmental Preschool Program** has entered its third year in the Fall of 2018. Through hands on experience in a natural setting the children explore the seasonal changes and yearly evolution of the environment around them. During their time at East Meadow Farm they have fun investigating, participating in hands on activities, reading and growing. Through this class we bring an awareness of the wonders of the natural world.

Our **Community Outreach** consisted of providing presentations to the community and held more than 220 free Environmental Horticulture Gardening lectures and workshops at East Meadow Farm. More than 1,500 people attended. Staff and Volunteers provided Community Outreach at more than 20 locations, including Fairs and Exhibits, and reached more than 2,000 residents.

Our annual **East Meadow Farm Family Fun Day and Science Day** welcome parents and children to explore the farm, participate in hands on activities, attend educational workshops in a fun setting and grow their interest in horticulture and science.

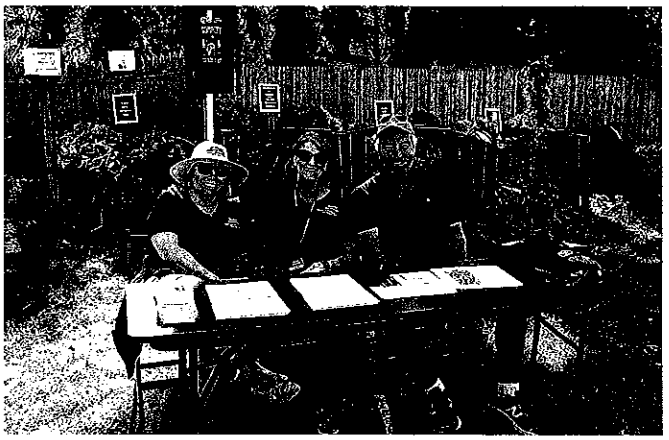
Our feathered friends are an integral part of East Meadow Farm. We currently have 3 Pekin ducks, 1 Crested Magpie duck and 3 Cinnamon Queen chickens. The chickens and ducks are pasture raised in our demonstration garden. Children and parents delight in their antics. They perform needed chores, eating pests, mulching leaves & compost and tilling soil, not to mention their nutritional egg supply.

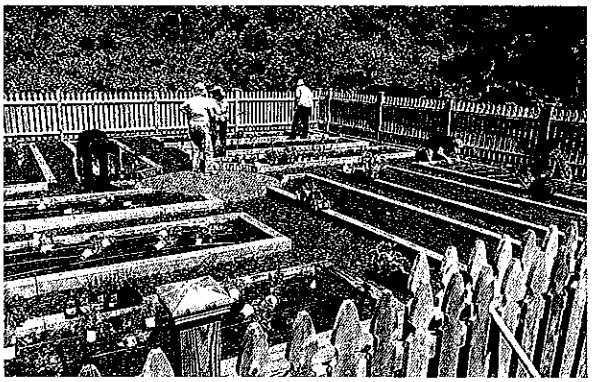
Entering its second season, **Rudy's Kitchen** continues to be an important part of the community and mission of CCE. Rudy's is a 1966 Airstream that has been customized as a food truck that resides at East Meadow Farm. The mission of Rudy's is to source local produce for creating their salads and sandwiches. The menu also includes smoothies, cold brew coffee, drink of the day, and for kids delicious grilled cheese and peanut butter and jelly sandwiches. Customers walk the gardens, sit, relax and enjoy good food. Rudy's has been a big success and has a diverse and dedicated following. Rudy's is open Tuesday through Saturday.

The week of March 20th was designated as **NY Agriculture in the Classroom Week,** coordinating the twelfth annual NY Agricultural Literacy Week. This literacy program was offered to second grade students throughout New York State and gave children the opportunity to learn about where food comes from. The book selection this year was **Before We Eat** by Pat Brisson and tells the story of the hard work by farmers, fisherman and many others to bring the food we eat to the stores for us to purchase. Last year over 52,000 students across New York State participated in the New York Agriculture in the Classroom Program. This year CCE-NC read to over 100 classes throughout Nassau County. Once again the program was a phenomenal success for all involved.

MASTER GARDENER OUTREACH

The **Master Gardener Program** at CCE Nassau is designed to both expand the educational level of volunteers with accurate, unbiased horticulture information and to provide the volunteers with an opportunity to share this information with the community. We currently have over 160 Master Gardeners that work and learn in our Demonstration Gardens and volunteer their horticultural expertise throughout Nassau County. Our Master Gardeners volunteered over 10,240 hours this year. We also provided a new series of Master Gardener meetings and Master Gardener Professional Development for volunteers.





Sands Point Preserve, a park and educational center on the north shore of Long Island, added a beautiful vegetable garden to their landscape. This garden will not only provide produce, but will be a valuable educational tool at the preserve. Sands Point hosted one of their high profile fundraising events, the White Party, and looked to CCE-NC Volunteers to assist on the planning and planting of the garden. The CCE-NC volunteers, as always, stepped up to the plate and created a well thought out edible landscape, which was a focus of the event. We are proud to say that CCE-NC was one of the honorees at this event.

On November 16, CCE-NC, in conjunction with Cornell University, conducted **field planting demonstrations at Eisenhower Park** of the "in-grass bulb planting machine" that Dr. William Miller and the Cornell Flower Bulb Research Program has been testing for the last year. This simple, tractor mounted machine plants bulbs under the sod with minimal disturbance. It lifts the sod, drops bulbs under, and replaces it all in one pass (and with no digging!). It can plant mixtures of bulbs (ex: crocus, daffodils, scilla and grape hyacinths) to provide long-lived color blends, or can create swaths of mono-color plantings for bright accents.

URBAN FORESTRY

The **Urban Forestry Department** at CCE-NC completed a 3 year grant through the US Forest Service and NYS DEC aimed at mitigating damage done by the invasive Asian Long-Horned Beetle. Over 8,000 trees have been removed due to damage from the beetle since its first appearance in central Long Island. The grant mission was to aid in the eradication process by planting non-host tree species, assist in the reforestation of Long Island by implementing the practice of silviculture, and educate/inform the public about urban forestry through outreach programming. Over the 3 years of the grant project, 1677 trees were planted within the quarantine zone. Of those 1677 trees, 530 were planted in 2018: 179 were planted on private/commercial and residential properties, 108 were public trees for the Town of Babylon, 23 were public trees for the Village of Amityville, 83 were planted at 5 different Amityville School District locations. Additionally, South Oaks Hospital received 37 trees, St Charles Cemetery received 22, and Pinelawn National Cemetery received 78.

On April 26th 2018, the Honorable Nassau County Executive Laura Curran, along with Nassau County Tree Advisory Board Members and other community members planted a native flowering Serviceberry tree, Amelanchier canadensis, at a corner of the historic Theodore Roosevelt Nassau Executive and Legislative building on Franklin Avenue in Mineola to observe and celebrate Arbor Day. The event also served Nassau County's quest for achieving "Tree City USA" recognition, a program sponsored by the National Arbor Day Foundation. Participants included Nassau County Executive Laura Curran, and Tree Advisory Board members, Robert Sympson, Norma Gonsalves, Richard Arnedos, Kathy Gaffney, Rob Alvey and Larry Ferrandiz. To kick off the event, introductory remarks were made by Advisory Board Chairman Robert Sympson, followed by opening remarks from County Executive Laura Curran who provided a proclamation for recognizing the Arbor Day celebration and thanked all for their dedication to improving Nassau County and their work on creating a more sustainable future for all Nassau County residents.

In October, members of the Urban Forestry Team were invited to present at the annual **Society of American Foresters Convention** in Portland, Oregon. The presentation covered the project planning and process and data from iTree, demonstrating the future projected positive impacts that the new tree plantings would provide. Also, the team leant their expertise for Arbor Day plantings at the Town of Hempstead and at Suffolk Community College's Riverhead campus.

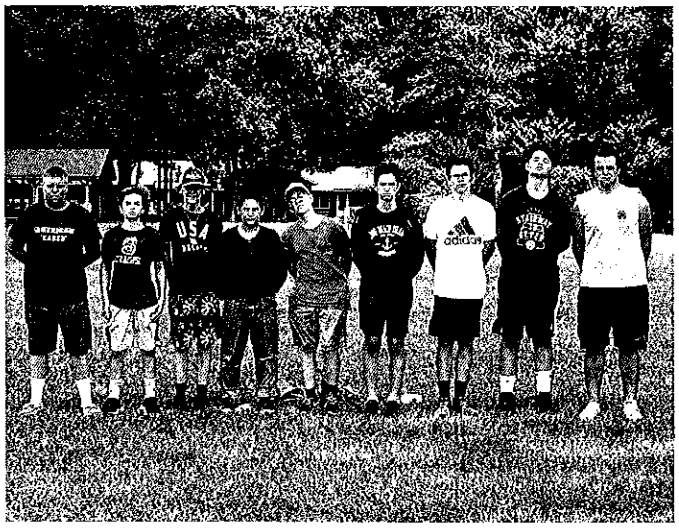
4-H YOUTH DEVELOPMENT

Dorothy P. Flint Nassau County 4-H Camp

We enjoyed another summer of fun at the Dorothy P. Flint 4-H Camp. Hundreds of campers joined us for our 94th season of camping. **With 999 camper weeks**, our 2018 season was full of memories that will last a lifetime!

Dorothy P. Flint 4-H Camp provides unending opportunities for youth to try new things, step out of their comfort zone, find strength in their independence, and explore interests they may not otherwise have opportunity or exposure to outside of our camp setting. Programming is guided by National 4-H Principles, focused on youth development, and skill-building through experiential learning and emergent curriculum models. In short, "learning by doing"!

During the 2018 summer camp season, our **4-H Farm** and Agriculture programs continued to expand our teaching and growing spaces, and successfully incorporated themes of food systems, farm to table, animal science and sustainability through agricultural learning experiences in our every day camp lifestyle. Highlighting one of our greatest assets at CCE-NC, our Camp Farm, interdisciplinary programs were launched connecting the Camp Farm to many other program areas, such as Outdoor Living / Cooking/ Survival, Arts and Crafts, Performing Arts, Nature Studies, and Cooking classes. Not only were our campers' eyes opened to new programs, but our kitchen staff added to the blossoming of our farm to table philosophy by picking fruits, vegetables and herbs from our gardens, and incorporating them into camp meals, BBQ's and healthy snacks. Campers learned about seasonal and cultural fruits, veggies, herbs, seeds and edible flowers, how to harvest and safely clean their produce, and delivered the surplus to the camp Lodge Kitchen where our staff incorporated the farm produce into meals and the fresh salad bar.



We also created an initiative to make more "class connections" during the 2018 season. We created more cohesive programming across different areas of camp for a more homogenous learning experience. We launched a class called **"Play with Your Food!"** Our youth made instruments out of our farm vegetables. This connection between music and our farm was a fun experience for all! We also have introduced more environmental science-based classes during this season. Fishing was a big hit; we even set up a 100 gallon fish tank stocked with what campers were able to catch! This helped educate our youth on our local aquatic ecosystems while being active and having fun.

4-H YOUTH DEVELOPMENT

Our **High Ropes Climbing Adventure** empowers campers to challenge themselves to complete our 5-station high ropes course, with a 35-foot rock climbing and rappelling tower, zip line and platforms, and gain self-awareness and self-confidence as they increase skills that enable success at each station. The tower includes a moveable "vertical playpen" allowing climbers to work in pairs as they improve their teamwork skills to cooperate, communicate, and work together to navigate obstacles and reach the top.

Our **Youth Development Programming** in the "off-season" has expanded, keeping our 4-H Youth Leaders connected to 4-H programs throughout the school year. Our Youth Leadership Weekend Programming has blossomed into eight weekends of programs encouraging youth leaders to support our camp community by assisting with big tasks on camp grounds that require teamwork (and implement STEAM skills and understanding), trains our leaders to speak publicly with guests and tour visitors through out camp grounds, and practice our hosting skills. Leadership Weekends incorporate many reflective activities, themes and group lessons to encourage growth, self-confidence, and to better prepare our future leaders to improve their skills in a friendly, open-minded atmosphere.

At Dorothy P. Flint 4-H Camp and in all 4-H programs, both on-site and in community settings, CCE Nassau County is continuing to support the launch of the National 4-H Safe Spaces Initiative and Logo. The purpose of the Safe Spaces Logo is to "Create a safe, inclusive space for learning, sharing and collaboration welcoming to people from diverse backgrounds, cultures and perspectives. The NYS 4-H Safe Spaces Logo is a sign of our commitment to nurturing this safe, inclusive environment."CCE Nassau County is executing this initiative throughout our Camp programming and procedures, including sensitivity training for staff.

Homemaker's Council

FOOD AND NUTRITION

Our Eat Smart New York! (ESNY) And Expanded Food & Nutrition Education Program (EFNEP) enhance the health of residents by helping them establish healthy eating habits and a physically active lifestyle. We work closely with various community partners to provide education to youth, families, adults and senior citizens.

EatSmartNY
Long Island Region

The goal of ESNY is to improve health and reduce obesity among low-income families who receive Supplemental Nutrition Assistance Program (SNAP) benefits or are SNAP eligible. The ESNY program is funded through a five year grant from the NYS Office of Temporary and Disability Assistance.

EFNEP

We provide free nutrition classes for low-income families and youth. By participating in these programs, adults and youth learn how to: plan and cook easy, tasty, healthy meals; use the Nutrition Facts label on food packages to choose healthier foods; drink fewer sweetened beverages; shop smart and save money on food; keep their food safe; and be more physically active. Funding is provided by USDA's Supplemental Nutrition Assistance Program (SNAP-Ed) and Expanded Food & Nutrition Education Program (EFNEP).

Our **Senior Nutrition Education Program** provides free nutrition presentations for senior citizens at designated senior sites. This program is funded by the Nassau County Office for the Aging.

Our **Community Nutrition Education Program** provides workshops for youth and adults which are offered at various community locations. A fee is charged for these workshops.

In 2018 our educators conducted 2,562 classes for 33,458 adults and youth. They participated in one class or a series of classes to increase their knowledge, and develop the skills, needed to choose and prepare nutritious foods and be more physically active.

We partnered with over 100 community organizations, some of which are located in the following communities: Elmont, Freeport, Glen Cove, Great Neck, Hempstead, Lawrence, Long Beach, Port Washington, Rockville Centre, Roosevelt, Uniondale, and Westbury.

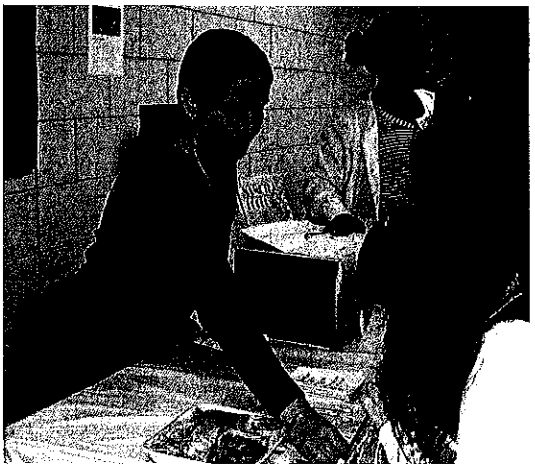
PROGRAM SUCCESS STORIES

EatSmartNY
Long Island Region

West Hempstead High School participates in the SNAP-Ed program funded by USDA. All classes grade 9 – 12 participate in this program with monthly education sessions. As a result of the close work of our educators, the students are now working in the kitchen and sampling the foods they cook. The pictures below were received in an email from one of the teachers showing the students cooking and sampling white rice and whole grain brown rice. You can see their excitement as they prepare their own foods and taste test them.



We continued with our Corner Store Initiative to promote good nutrition to the communities we serve. The goal of this program is to tie together the education provided in the schools with availability in the communities served. We have partnered with three delis in Roosevelt and have had success! At the deli's we have provided signage and baskets and are continuing to work with the store owner to display fresh fruits & vegetables.

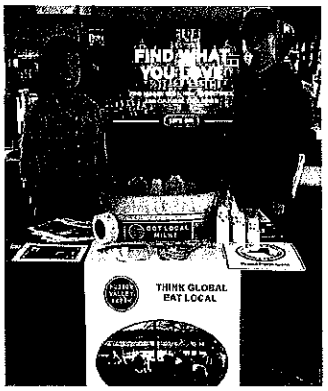
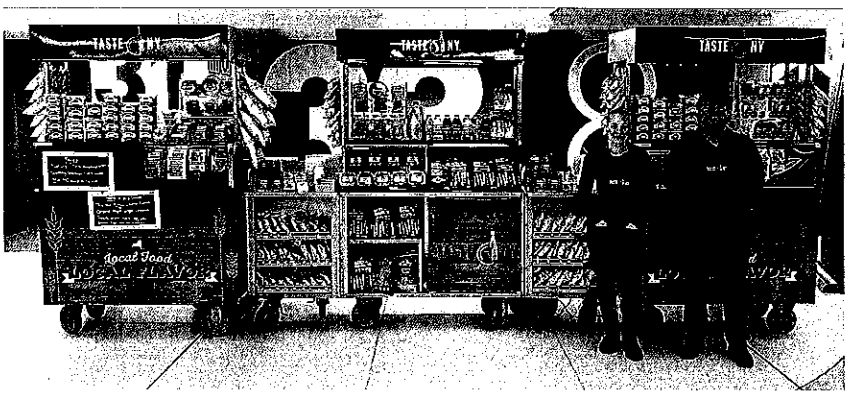
LI TASTE NY MARKETPLACE

The past year at the LI Taste NY Marketplace has been a huge success for CCE-NC. Our sales exceeded $850,000 and we have showcased over 150 State vendors and their products. As part of our mission to introduce local producers/vendors to Long Island residents, we held 3 exciting events this year. In June we featured Dairy Month. Our goal was to promote local dairy farms and vendors and to raise awareness that dairy is NY State's biggest export. A Cornell University dairy student representing Hudson Valley Farms and was onsite to educate customers about NYS dairy products. In July we featured Seafood Month and with the help of our Seafood Ambassador we raised awareness of our local fishing industry, fishing techniques, fish portion sizes, fish native to Long Island and oyster shucking. The third event we held was a Business to Business Expo which was a collaborative effort between CCE-NC, the Suffolk County Alliance of Chambers, the Nassau Council of Commerce Chambers and the NYS DOT. A total of 27 vendors participated in this event. During the event, vendors exchanged product information and worked collaboratively to cross-promote their products. This provided an engaging platform for buyers and vendors to network and spend quality time together.



TASTE NY PENN STATION

For the second year, CCE-NC has been operating Taste NY Carts at the newly renovated LIRR terminal at Penn Station. The Taste NY Carts provide "grab n go" products from NY vendors to travelers/commuters. In May, the Taste NY Carts had their first product sampling, PeKant Tea. The following month, Michael Circosta, of PeKant Tea, was interviewed by the Innovate Long Island magazine. Michael credited Taste NY for increasing their exposure and recognition leading to a jump in online sales. We also introduced Kitu's Super Coffee. While some enjoy it warm, this shelf-stable drink is best served cool or over ice.



In late Spring 2019, LI Taste NY is planning on expanding our Penn Station Carts to 2 new locations.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Office Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the

Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Office Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after a Request for Qualifications ("RFQ") was issued and a panel of firms qualified to provide legal services for the County has been established. The firm Goldberg Segalla, LLP has been added to this panel. After a review of the panel, the firm Goldberg Segalla, LLP has been selected to handle the initial matters described in the attached Staff Summary because of their experience, expertise in the subject matter, and availability.

IV. Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

☐ **A.** The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**

☐ **B.** The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

All conflict checks are submitted to a conflicts analyst to conduct a search in the Aderant system which accesses firm information including client names, matter names, addresses, contacts names, parties, and firm vendors. All parties and their relationship to the potential matter(s) are identified and considered as part of the search, which includes both open and closed matters. The conflicts analyst returns the report to the requesting attorney for analysis. Once determined that a conflict does not exist, a request will be submitted to open a new matter and the conflict of interest report will be executed by the responsible attorney. This report confirms that the attorney for the matter and/or client has reviewed the report and determined that there is not a potential conflict.

A matter will not be opened unless the new file opening request identifies all parties involved, those parties have been searched and cleared in our conflicts analysis, and a signed copy of the conflict of interest report is submitted with the new file opening request.

CONTRACT FOR SERVICES

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Office of the Nassau County Attorney, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) Goldberg Segalla, with an office located at 200 Garden City Plaza, Suite 520, Garden City, NY 11530 ("Counsel" or "Contractor").

WITNESSETH:

WHEREAS, the County desires to hire Counsel to perform the services described in this Agreement; and

WHEREAS, Counsel is eminently qualified and ready to provide the necessary services; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on November 8, 2017 and shall terminate on November 7, 2019 unless sooner terminated in accordance with the provisions of this Agreement, provided that the County may renew this Agreement under the same terms and conditions for three (3) additional one (1) year periods.

2. Services. The services to be provided by Counsel under this Agreement shall consist of representing Nassau County, and/or such other party as the County may be required to defend, in various matters as requested by the County Attorney, or their designee, within the areas of law in which the Department has determined Counsel to be qualified ("Services"). 3. Payment. (a) Amount of Consideration. (1) The amount to be paid to Counsel as full consideration for Counsel's Services for at least during the initial stages of representation under this Agreement, including disbursements, shall not exceed the sum of Forty-eight Thousand Dollars ($48,000.00) ("Maximum Amount"). the fee negotiation and approval process and Counsel agrees that no fee will be charged for any such appearances.

(b) Vouchers; Voucher Review, Approval and Audit. Payment shall be made to Counsel in arrears and shall be contingent upon (i) Counsel submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) is accompanied by a contemporaneous record of hours billed stating the person(s) performing the Services and indicating with reasonable specificity, the Services provided and the payment requested in consideration for such Services, or contains a detailed, itemized list of allowable expenses; (b) certifies that the Services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and upon (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

Counsel shall be compensated within the Maximum Amount for all reasonable expenses and disbursements actually incurred, including but not limited to out-of-pocket disbursements for investigators, trial preparation services, court reporting services, interpreters, and other legitimate expenses in accordance with the Guidelines. Counsel shall obtain prior written approval from the County Attorney or his designee for all non-routine expenses and disbursements as specified in the Guidelines.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to Counsel following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after Counsel received notice that the County did not desire to receive such services.

6. Compliance with Law. (a) Generally. Counsel shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its

performance under this Agreement. In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and

maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of

coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles or such other standard accounting

principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be

designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of One Hundred Sixty Dollars ($160.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular

vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Left Intentionally Blank]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such

authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect

of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

_____

_____ [describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

☐ **A.** The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**

X **B.** A Request for Qualifications ("RFQ") was issued and a panel of firms qualified to provide legal services for the County has been established. The firm Goldberg Segalla, LLP has been added to this panel. After a review of the panel, the firm Goldberg Segalla, LLP has been selected to handle the initial matters described in the attached Staff Summary because of their experience, expertise in the subject matter, and availability.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.

☐ **B.** The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons

for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: **All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.**

VIII. X Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. X Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No.* 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

All conflict checks are submitted to a conflicts analyst to conduct a search in the Aderant system which accesses firm information including client names, matter names, addresses, contacts names, parties, and firm vendors. All parties and their relationship to the potential matter(s) are identified and considered as part of the search, which includes both open and closed matters. The conflicts analyst returns the report to the requesting attorney for analysis. Once determined that a conflict does not exist, a request will be submitted to open a new matter and the conflict of interest report will be executed by the responsible attorney. This report confirms that the attorney for the matter and/or client has reviewed the report and determined that there is not a potential conflict.

A matter will not be opened unless the new file opening request identifies all parties involved, those parties have been searched and cleared in our conflicts analysis, and a signed copy of the conflict of interest report is submitted with the new file opening request.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles or such other standard accounting principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and

the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature

page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

22. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-Three Dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

23. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals, third party approvals and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00)

prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

24. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Business History Form
Response to Question 13: Investigations

Nassau County Integrity Monitoring Agreement:

Nelson & Pope's Business History Form filings have disclosed existing familial relationships with a Nassau County employee and legislator that could have the appearance of a conflict of interest. In June 2018, Nelson & Pope voluntarily entered into an "Integrity Monitoring Agreement" with Nassau County. The express purpose of the agreement is to assure the County of N&P's commitment to business integrity and compliance with County requirements so as to allow N&P to continue to work on existing County contracts and be considered for future County contracts and subcontracts. An investigation and review of N&P's response to the Conflict of Interest question on the Business History Form made on the Business History Forms was conducted by a County approved independent Integrity Monitor retained by N&P. As a result of the Integrity Monitor's review, N&P agreed to commit to maintaining an effective "Compliance Program" as set forth in the County's document. The program would include up-to-date Compliance and Ethics Policies, Protocols, staff acknowledgements of the existence of any Covered Relationships and compliance training as set forth in the County prepared document entitled "N&P Engineers & Land Surveyor, PLLC Contractor Certification". In compliance with the document, N&P has completed the follow actions:

- The company has assigned a partner, approved by the County, to function as a Compliance Officer, responsible for monitoring and enforcing the Company's Compliance and Ethics Policies.
- The Company has prepared and adopted the "N&P Protocols for Nassau County Projects", approved by the County, that contains the Company's policy and procedure relating to preventing and monitoring actual or relationships that could be perceived as conflicts of interest.
- The Company has incorporated the N&P Protocols and the "Nassau County Vendor Code of Ethics" into the Company Employee Handbook.
- All Company staff have submitted signed "Acknowledgement" disclosure forms identifying the existence or non-existence of having Covered Relationships, in compliance with the N&P Protocols.
- All Company staff have received the required compliance and ethics training.
- The Company has filed an updated Business History Form to reflect the implementation of the compliance and ethics policies and results of the staff "Acknowledgement" disclosures.
- The Company's new employee package includes the "Acknowledgement" disclosure form and individual compliance and ethics training.

Responses to Question 17A (i), 17 A(ii) and 17(iii)

17A (i), 17 A(ii) and 17(iii) Response:

A few years after beginning her employment at N&P, Elizabeth Walker became the daughter-in-law of an individual who would be elected approximately 7 years later to the Nassau County Legislature. As discussed in our response to Question **17(b)**, all N&P staff are required to sign an *Acknowledgement Certification*, that is included with our Nassau County approved *"N&P Protocols for Nassau County Projects"*. In the Acknowledgment, the staff must identify any "Covered Relationships" that exist. After reviewing the definition of a Family Member on page 111 of the Nassau County Vendor Code of Ethics, it is our opinion and that of her attorney, the N&P employee does not have any "Covered Relationships". Therefore, there exists no actual or appearance of a conflict of interest.

Five (5) N&P staff did identify in their signed Acknowledgement Certifications that they had "Covered Relationships". Three (3) staff members identified relations that were Nassau County Police Officers, one (1) staff member identified a brother who is a Nassau County Police Detective and one (1) employee who identified a daughter who in 2017 was hired as a Clerk Laborer I in the Nassau County Clerk's Office, two (2) years following his commencing employment with N&P. Due to the work responsibilities of the individuals identified as "Covered Relationships", there is no existing actual or appearance of a conflict of interest that would prevent these N&P staff from working on all aspects of Nassau County projects or soliciting or prepare proposals for future Nassau County projects.

Responses to Question 17B

17B Response:

All N&P employees have signed and are bound by Section 2.33 Duty of Loyalty/Code of Ethics, Conflict of Interest, pages 49 through 54 of the **N&P Employee Handbook** (dated 2019) which describes the responsibility of the employee with respect to conflicts of interest. Additionally, contained in the Appendix of the Handbook are N&P Protocols for Nassau County Projects and a copy of the Nassau County Vendor Code of Ethics pages 106 through 123. *N&P Protocols for Nassau County Projects* has been reviewed and approved by the Compliance section of the Nassau County's Office of the County Executive. It Contains an *Acknowledgement Certification*, which all Staff must sign and identify any *"Covered Relationships"* that is an actual or may have the appearance of a conflict of interest. It is N&P's company-wide policy that all potential projects and proposals are reviewed by partners and senior staff to identify the potential existence or appearance of conflicts of interest prior to accepting the project. If an actual or may have the existence of a, the company will make full disclosure and implement appropriate measures to mitigate the potential conflict. For Nassau County projects, our Nassau County designated Compliance Officer is notified, and the appropriate mitigation will be implemented. If it is found that an employee did not disclose a potential conflict of interest, they are subject to disciplinary action as stated in the handbook. Additionally, the ethical requirements of the professional licenses of partners and professional staff prohibit them from not disclosing known potential conflicts of interest that may exist.

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the County Department of Public Works, having its principal office at 1194 Prospect Avenue, Westbury, New York 11590 (the "Department") and (ii) N&P Engineers & Land Surveyor PLLC, d/b/a as Nelson & Pope Engineers & Surveyors, having its principal office at 572 Walt Whitman Road, Melville, New York 11747 (the "Firm" or the "Contractor").

WITNESSETH:

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This term of this Agreement shall commence on the date on which this Agreement is executed by the County (the "Commencement Date") and terminate on the three (3) year anniversary of the Commencement Date, (the "Expiration Date") unless sooner terminated or extended in accordance with its terms. Any task order issued to the Firm, prior to the Expiration Date of the Agreement, may be completed in its entirety, even if the work is performed beyond the expiration date of the Agreement. For each specific task work order where work is performed past the Agreement expiration date, the Firm will be authorized in writing by the Department to perform and be compensated for their services.

2. Services.

(a) The services to be provided by the Firm under this Agreement consist of but may not be limited to engineering, design, inspection, data collection, traffic analyses, CAD drafting, surveys, traffic impact analyses, traffic counting, traffic studies, traffic calming studies, transportation planning, providing traffic engineers, ITS Specialists, CAD Operators and technicians, and any other services necessary to address a wide variety of traffic engineering projects and assignments. The specific work divisions and deliverables related to this project are to be considered "On-Call" in nature and will be more particularly described in the "Detailed Scope of Services," provided with each solicitation for work under this agreement. Each request for work will be attached hereto and hereby be made a part hereof as Exhibit "A".

(b) At any time during the term of this Agreement, the County may, in its sole and absolute discretion, require the Contractor to perform Extra Services. The Contractor shall not perform, nor be compensated for, Extra Services without the prior written approval of the Commissioner or his or her duly designated deputy. The Contractor agrees to perform any such Extra Services in accordance with the terms and conditions contained in this Agreement. As used herein, "Extra Services" means additional services which are (i) generally within the scope of services set forth in this Agreement, (ii) necessary or in furtherance of the goals of this Agreement and (iii) not due to the fault or negligence of the Contractor.

3. Payment.

(a) Amount of Consideration. The amount to be paid to the Firm as full consideration for the Firm's services under this Agreement shall be payable as set forth in the "Payment Schedule," attached hereto and made hereby part hereof as Exhibit "B". Notwithstanding the foregoing, the maximum amount to be paid to the Firm for the Firm's services under this Agreement, including any Extra Services and/or Services During Construction that may be so authorized, shall not exceed Two Million Five Hundred Thousand Dollars ($2,500,000.00).

(b) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the Contractor in arrears and shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by a progress report, in a form satisfactory to the County, indicating the percentage and description of work completed and other documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(c) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(d) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

(f) Payments Relating to Services Rendered by Subcontractors. The County retains the right, but not the obligation, prior to making any payment to the Contractor, to demand that the Contractor furnish to the County, proof acceptable to the County, in its sole and absolute discretion, that all due and payable claims made by subcontractors in connection with this Agreement have been paid to date or are included in the amount being requested by the Contractor.

4. Ownership and Control of Work Product

(a) Copyrights.

(i) Upon execution of this Agreement, any reports, documents, data, photographs and/or other materials produced pursuant to this Agreement, and any and all drafts and/or other preliminary materials in any format related to such items, shall become the exclusive property of the County.

To the extent that the Copyrightable Materials do not qualify as "work-made-for-hire," the Contractor hereby irrevocably transfers, assigns and conveys exclusive copyright ownership in and to the Copyrightable Materials to the County, free and clear of any liens, claims, or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials, and they shall be used by the Contractor for no other purpose without the prior written permission of the County.

(iii) The Contractor acknowledges that the County may, in its sole discretion, register copyright in the Copyrightable Materials with the U.S. Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall cooperate in this effort, and agrees to provide any further documentation necessary to accomplish this.

(iv) The Contractor represents and warrants that the Copyrightable Materials: (1) are wholly original material not published elsewhere (except for material that is in the public domain); (2) do not violate any copyright law; (3) do not constitute defamation or invasion of the right of privacy or publicity, and (4) are not an infringement of any kind, of the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the County upon execution of this Agreement.

(b) Patents and Inventions. Any discovery or invention arising out of or developed in the course of performance of this Agreement shall be promptly and fully reported to the Department, and if this work is supported by a federal grant of funds, shall be promptly and fully reported to the Federal Government for determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

(c) Pre-existing Rights. In no case shall 4(a) or 4(b) above apply to, or prevent the Contractor from asserting or protecting its rights in any report, document or other data, or any invention which existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

(d) Infringements of Patents, Trademarks, and Copyrights. The Contractor shall indemnify and hold the County harmless against any claim for any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights of design, systems, drawings, graphs, charts, specifications or printed matter furnished or used by the Contractor in the performance of this Agreement. The Contractor shall indemnify and hold the County harmless regardless of whether or not the infringement arises out of compliance with the scope of services/scope of work.

(e) Antitrust. The Contractor hereby assigns, sells, and transfers to the County all right, title and interest in and to any claims and causes of action arising under the antitrust laws of the State of New York or of the United States relating to the particular goods or services procured by the County under this Agreement.

5. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any

individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

6. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

7. Compliance with Law.

(a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions

with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

8. Minimum Service Standards. Regardless of whether required by Law:

(a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. Indemnification; Defense; Cooperation.

(a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, reasonable attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether taken pursuant to or authorized by this Agreement and regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section and the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

10. Insurance.

(a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in the aggregate, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than two million dollars ($2,000,000) per claim and four million dollars ($4,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance, including, without limitation, builder's all risk, if applicable, automobile liability insurance and umbrella liability insurance, as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed or authorized to do business in New York State and acceptable to the County; and (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the County Attorney's Office. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the County Attorney's Office of the same and deliver to the County Attorney's Office renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

11. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

12. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

13. Termination.

(a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the

receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the County Comptroller, the County Attorney's Office, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE.

The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. All Legal Provisions Deemed Included; Severability; Supremacy; Construction.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) In the event of a conflict between the terms and conditions of the contract, including any and all attachments thereto and amendments thereof, and the terms of this Appendix A, the terms of this Appendix A shall control.

(d) Each party has cooperated in the negotiation and preparation of this Agreement, so if any construction is made of the Agreement it shall not be construed against either party as drafter.

18. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-Three dollars ($533) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the State and/or federal governments, then beyond funds available to the County from the State and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

The selected firm shall abide by all aspects of the response provided in the letter proposal. After review of the letter proposals, selection of a firm to provide the requested services and encumbrance of project funds, the firm selected will be directed in writing to commence work.

2. Notification.
The Firm agrees to review the County's request within the specified time limit and provide the County with a written proposal and cost estimate based on the terms and conditions of the Agreement. The County reserves the right to accept or reject any proposal and estimate from the Firm. Additionally, the County is not required to assign any work to the Firm under this Agreement.

3. Task Order Procedures.

This Agreement is an on-call services agreement. Nothing contained in this agreement, shall be deemed to assign, or guarantee assignment of, any work to the Firm. Any work that may be assigned to the Firm is subject to all the terms and conditions contained in this Agreement.

A. Task Order Issuance and Submission of Proposal
In the event that the Department identifies the need for services under this Agreement, the Department may issue a task order (the "Task Order") that provides a detailed description of the services the Department requires and the type of cost estimate it is requesting. The Department may send the Task Order to the Firm. If the Task order is sent to the Firm, the Firm shall:

1. Review the task order and respond to the Department with any questions the Firm may have within five (5) business days of the Department's issuance of the Task Order; and
2. Submit to the Department a task order proposal (the "Proposal") within the time specified in the Task order, which shall include, without limitation: (i) (A) the staff proposed to provide the requested services, their classification and corresponding hourly rates consistent with those set forth in this Agreement, or (B) in the event of a lump sum proposal, the total fee the Firm will require to complete the work described in the Task Order and (ii) the total time the Firm will require to complete the work described in the Task Order. If no due date for the Proposal is specified in the task order, such due date shall be (1) month from the date the Task order was sent by the Department to the Firm.

B. Department Review of Cost Proposal

1. The Department shall review the proposal and the Department may, in its sole and absolute discretion, (i) select the Firm to provide the requested services, (ii) reject the Proposal or (iii) request modifications to the proposal and grant additional time for the submission of a revised Proposal.
2. The Commissioner of the Department shall notify the Firm in writing of the Department's determination and, if the Proposal is accepted by the Department, the Department will issue a notice to proceed setting forth a start date and any additional terms and conditions that apply.

Exhibit "B"

Payment Schedule

Payment to the Firm for all services that may be authorized under this Agreement, shall be made as follows:

Compensation for services provided under the terms of this Agreement will be (i) on the basis of a lump sum or (ii) the actual salaries paid to the technical personnel engaged in performing the service, exclusive of payroll taxes, insurance, and any and all fringe benefits, times a multiplier. The method of determining compensation shall be established by the County for each project and set forth in the County's written request for a proposal and cost estimate.

Payments to Firm When Services Are Compensated "On the Basis of Salary Multiplier"
With regard to any task for which payment is contemplated on the basis of a multiple of salary, it is understood and agreed that the County will utilize the Firm's approved Personnel List which is currently active and in use in connection with the Firm's services on other County Public Works projects. The Firm shall prepare and attach to this Agreement a Maximum Hourly Wage Rate Schedule listing the job classifications and the maximum hourly wage rate for each classification. The salaries of all employees rendering services under this Agreement must be within the limits of the approved Maximum Hourly Wage Rate Schedule. It is the County's intention that the salary to be reimbursed to the Firm for a named employee shall be the same for said employee on all current County agreements with the Firm.

The Maximum Hourly Wage Rate Schedule will be adjusted annually in accordance with any wage increases granted to County employees in the Civil Service Employees Association. The Firm may grant an employee a salary increase within a classification or a change of classification upon written notification to the Department one month prior to the effective date of such increase or change and with written approval of the Department. Premium pay for overtime work, over and above the straight hourly rate, performed for any services rendered under this Agreement shall not be subject to any multiplier. All overtime requests must be submitted to the Department for approval in advance. In computing the cost to the County for overtime work performed, the overtime period shall be paid at the agreed multiplier times the straight hourly rate plus the actual premium cost incurred.

Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier for any services provided under the terms of this Agreement shall not exceed one hundred and seventy-five dollars ($175.00).

Out-of-Pocket Expenses:
The Firm shall be reimbursed for the actual cost of "out-of-pocket" expenses that have been approved in writing by the Commissioner of Public Works. Traveling cost for reporting to site is not considered out-of-pocket.

The Firm shall be reimbursed for the actual cost of the following expenses incurred in the interest of the project:

1. Transportation and living expenses for approved and required travel beyond 50-mile radius of the job site with prior written approval of the Commissioner, and at rates established by the County for its own employees.
2. Additional models, renderings, and/or photographs than those requested in task order.
3. Reproduction of drawings in excess of 15 copies per each.

Subcontractor Costs and Subconsultant Charges:

1. Subcontractors engaged by the Firm shall be compensated on the same basis as provided herein for

employees of the Firm.

2. The Firm shall be reimbursed the actual cost of the fees of the subcontractor as approved by the County.
3. The Firm shall be further reimbursed for the actual out-of-pocket expenses, as outline above, for subconsultants and subcontractors when authorized in writing by the Commissioner.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by

the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive

Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Office of the County Executive
Att: Brian J. Schneider, Deputy County Executive

FROM: Department of Public Works

DATE: October 19, 2018

SUBJECT: Recommendation to Engage Services of Consultant
Nassau County "On-Call" Traffic Engineering Services
Project Number T6250003D

This Department intends to procure "On-Call" Traffic Engineering Services for our Traffic Engineering Unit. The services typically provided under an "On-Call" Services agreement include but are not limited to general traffic engineering, inspection, drafting, data collection, traffic signal designs, pavement marking designs, capacity analyses, traffic signal warrant studies, preparation and/or review of traffic impact studies, design of traffic calming measures and asset management system development.

A team of four (4) engineers conducted the consultant selection process and established a technical ranking based upon the evaluation of proposals. The review team included: Harold Lutz, P.E., Director of Traffic Engineering; Michael Hagan, P.E., Traffic Engineer III; David Cotter, Traffic Engineer I; and Aryeh Lemberger, A.I.C.P., Unit Head, Traffic Engineering Unit.

In reply to our Request for Proposals, which was advertised in Newsday and on the County website, we received proposals from eight (8) firms. In accordance with County Executive Order No. 1-1993 and Board of Supervisors Resolution 928-1993, these proposals were reviewed. The eight (8) firms that submitted proposals for review along with the results of the technical ranking and their proposed multipliers for design and inspection work are shown in the chart below.

Firm	Technical Score	Technical Rank	Design/Inspection Multiplier
Greenman-Pedersen, Inc.	96.8	1	2.60/2.20
Nelson & Pope, LLP	95.3	2	2.65/2.20
L.K. McLean Associates, P.C.	95.0	3	2.50/2.25
NV5 New York	94.3	4	2.50/2.30
LiRo Engineers, Inc.	87.0	5	2.50/2.50
VHB Engineering, Surveying and LA, P.C.	84.0	6	2.75/N/A
AECOM	79.5	7	2.60/2.26
KLD Engineering, P.C.	72.3	8	2.596/N/A

It should be noted that no specific cost proposals were requested with this RFQ/RFP since the services are of an "On-Call" nature and a specific scope of work cannot be defined. The Department intends to award "on-call" agreements to the five (5) highest ranked firms. The firms selected will be required to submit a cost proposal on a case by case basis for review and approval for each item of work proposed under this agreement. Payments to the firms will be based on actual salaries paid to their personnel times a multiplier. Since there is no specific scope of work, there is no specific cost identified. However, based on previous years, we estimate approximately $2,000,000.00 worth of work through this agreement. The agreements would have a term of two (2) years with the option to extend for one (1) additional year. Each firm, as part of this RFQ/RFP, was requested to submit a proposed multiplier for design services and a proposed multiplier for inspection services. These multipliers will be capped at a rate to be determined through contract negotiations.

The Department recommends that the following firms be retained for these services:

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

II. ☐ The contractor was selected pursuant to a Request for Proposals.
The Contract was entered into after a written request for proposals was issued on _____ [date]. Proposals were due on _____ [date]. _____ [state #] proposals were received and evaluated. The evaluation committee consisted of: _____
_____ (list # of persons on committee and their respective departments). The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

III. ☐ This is a renewal, extension or amendment of an existing contract.
The contract was originally executed by Nassau County on _____[date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after_____
_____[describe procurement

method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. X Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

☐ **A.** The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**

X **B.** In April 2018, the County Attorney's Office conducted a formal Request for Qualifications ("RFQ") to identify eligible, experienced legal counsel for a broad array of legal areas, and a panel of firms ("Panel") qualified to provide legal services for the County has been established. The firm Sokoloff Stern LLP ("Counsel") has been added to the Panel. The County Attorney's Office reviewed the Panel of qualified firms and selected Sokoloff Stern LLP originally to represent Correction Officer Antonio Cuevas in the *Rodriguez v. County of Nassau et* al., ("*Rodriguez*") litigation based on their experience, expertise, and availability. The *Rodriguez* matter settled earlier this year. The new amended scope of services will be for Counsel to represent Nassau County in the matter known as *Galloway v. County of Nassau*, et al. A mini-bid was conducted for proposals for special counsel to represent Nassau County in the *Galloway* matter. Six candidates were solicited from the qualified panel. Five proposals were received. Proposals were reviewed, compared and scored by the selection committee. Due to their score and the need to obtain counsel quickly, the committee chose Sokoloff Stern LLP whom was found to have the proper ability to address the needs of the case, at a reasonable budget.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.

☐ **B.** The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).

☐ **C.** Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no._____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons

for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: **All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.**

VIII. X Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. X Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No.* 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Office of the Nassau County Attorney, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) Sokoloff Stern LLP, with an office located at 179 Westbury Avenue, Carle Place, New York 11514 ("Counsel" or "Contractor").

WITNESSETH:

WHEREAS, pursuant to Nassau County Charter Section 1101 and Nassau County Administrative Code Section 22-2.8, the County Attorney has determined the need for the employment of special counsel; and

WHEREAS, the County desires to hire Counsel to perform the services described in this Agreement; and

WHEREAS, Counsel is eminently qualified and ready to provide the necessary services; and

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on April 26, 2018 and shall terminate upon completion of services, as hereinafter described, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by Counsel under this Agreement shall consist of representing Correction Officer Antonio Cuevas in *Jose Miguel Rodriguez v. County of Nassau, Nassau County Correctional Center, Their Agents, Employees, Contractors, and Medical Providers*, Index No. CV17-1776 (the "Services"). 3. Payment. (a) Amount of Consideration. (1) The amount to be paid to Counsel as full consideration for Counsel's Services for at least during the initial stages of representation under this Agreement, including disbursements, shall not exceed the sum of One Hundred Sixty-five Thousand Dollars ($165,000.00) ("Maximum Amount"). (3) Partial Encumbrance. Counsel acknowledges that the County will partially encumber funds to be applied toward the Maximum Amount throughout the term of this Agreement. Counsel further acknowledges that the first encumbrance shall be Eighty-five Thousand Dollars ($85,000.00). Thereafter, the Department shall notify Counsel of the availability of monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

(b) Vouchers; Voucher Review, Approval and Audit. Payment shall be made to Counsel in arrears and shall be contingent upon (i) Counsel submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) is accompanied by a contemporaneous record of hours billed stating the person(s) performing the Services and indicating with reasonable specificity, the Services provided and the payment requested in consideration for such Services, or contains a detailed, itemized list of allowable expenses; (b) certifies that the Services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and upon (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

Counsel shall obtain prior written approval from the County Attorney or his designee for all non-routine expenses and disbursements as specified in the Guidelines.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate

payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

Unless a provision of this Agreement expressly states otherwise, payments to Counsel following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after Counsel received notice that the County did not desire to receive such services.

4. Independent Contractor. Counsel is an independent contractor of the County. Counsel shall not, nor shall any officer, director, employee, servant, agent or independent contractor of Counsel (a "Counsel Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. Counsel is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. Counsel shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. (i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to

this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or

proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Connsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance

shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles or such other standard accounting principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental

authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision

required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, and as further amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised

the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a

manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining

the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction

services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Re: E&A Restoration, Inc.

Dear Ms. Franzese,

This firm represents E&A Restoration, Inc. ("E&A"). We write you concerning Contract No. B-5-20 (B-19-10) (ID No. B90632-02G), and specifically in response to your office's February 7, 2020 report (annexed hereto as Exhibit "A").

For the reasons more fully stated below and given E&A's long, stellar history with public projects, we respectfully submit that E&A's vendor disclosure forms were factually accurate, and that E&A is, in fact a "responsible vendor", eligible for the subject contract award.

E&A

E&A is a WBE certified contractor in Nassau and Suffolk Counties.[1] E&A's sole shareholder, officer and director is Kalliopi Vournou.

Notably, to expand on this point, in each performance bond application submitted by E&A for completion work, the bonding companies look solely to Kalliopi Vournou's financial statements. Thus, it is Kalliopi Vournou's assets, not those of Jenny Sakalis and Antonios Vournou, which are the collateral for any of E&A's performance bonds.

E&A has had a long, successful history of performing construction work for Nassau County. Specifically, over the past fifteen (15) years, E&A has been awarded sixteen (16) contracts as itemized in the schedule annexed hereto as Exhibit "B". Each time E&A has received a contract award from Nassau County, they have submitted the identical disclosure forms as those submitted in the subject contract, that is, forms that indicate that Kalliopi

[1] As the subject contract is not an WBE contract, any discussion concerning WBE requirements or operations has no relevance here.

Vournou is E&A's sole shareholder, officer and director. True and correct copies of the contract awards and the disclosure forms (that are in E&A's possession) are annexed hereto as Exhibit "C".

Whether Kalliopi Vournou's son, Antonios Vournou, or daughter, Jenny Sakalis, have referred to themselves as "Officers", "Owners Representative" or CFO, on LinkedIn or an industry website, have no legal significance. Again, Kalliopi Vournou is E&A's sole shareholder, officer and director as demonstrated by E&A's most recent corporate tax return, a true and correct copy of which is annexed hereto as Exhibit "D", and bond, a true and correct copy (demonstrating that Kalliopi Vournou, her husband Steven Vournou, and several investment entities which Kalliopi Vournou is a shareholder or member are the sole guarantors) of which is annexed hereto as Exhibit "E". The forms do not ask for "de facto" officers or key employees. Instead, the Principal Questionnaire Form calls for answers by "all officers and any individuals who hold a ten percent (10%) or greater ownership."

Last, whether individuals not associated with E&A believe that others are in fact officers of E&A is irrelevant, as the corporate books, records, tax filings and bond demonstrate that E&A has one shareholder, officer and director. Toward that end, since 2005, there has never been any formal corporate appointment of an officer other than Kalliopi Vournou.

Testimony and Interviews

Both Kalliopi Vournou and Antonios Vournou gave consistent testimony during their interviews with IG staff. Each consistently described Kalliopi Vournou as the sole shareholder, officer, and director. Each consistently described that Antonios Vournou would run the day to day operations in the field and that Jenny Sakalis would run the day to day operation in the office. Moreover, each consistently described that daily, the three would meet to discuss E&A matters, and tellingly, Kalliopi Vournou would be the final arbiter of any major decisions.

The mere fact that day to day operations are handled by individuals other than Kalliopi Vournou do not anoint the individuals to the status of officer or director. Nor would an arbitrary designation as "de facto" officers suggest that Ms. Sakalis or Mr. Vournou be considered officers, since the concept of a de facto officer, from a legal standpoint, is only intended to protect third parties relying on the alleged de facto officer's authority to contract for the company.[2]

---

[2] The Court in *In re Gen. Vision Services, Inc.*, 423 B.R. 790 (S.D.N.Y. 2010) explained how a de facto officer may bind the corporation with respect to its dealings with third parties but is not, in fact, an officer de jure:

> One's status as a *de facto* officer is limited to the public and third persons interested in his acts, and beyond that he is a "mere usurper" whose acts are invalid. . . . In his relationship with the corporation itself, "a *de facto* director in not a director in law or in fact."

In re Gen. Vision Services, Inc., 423 B.R. at 794 (citations omitted); *see also* Stile v Antico, 272 A.D.2d 403, 404 (2d Dept. 2000) (noting that de facto director may bind the corporation but is not, in law or fact, a director); *In re*

along with a revised E&A disclosure form and a revised Principal Disclosure Form as Exhibit "F".

Conclusion

The purpose of the County's disclosure forms is to ensure that the County has sufficient information on the applicants in order to review the applicant's criminal, corporate and financial status. Here, Kalliopi Vournou properly submitted factually accurate disclosure forms, as E&A's corporate records, tax returns and financial statements all indicate that she is E&A's sole shareholder, officer and director. The fact that Kalliopi Vournou's children are involved in day to day operations does little to belie the fact that, again, Kalliopi Vournou is E&A's sole shareholder, officer and director, and thus, the only one who rightfully should have submitted disclosure forms.

In the interest of full disclosure, the County now has the disclosure forms of Antonios Vournou and Jenny Sakalis, nominally, two E&A employees. As Antonios Vournou has received contracts from the County for another entity, we are confident that any review of these supplemental disclosure forms will provide the County with additional comfort. Also, should the County wish additional disclosure forms from other key E&A employees, E&A stands ready to provide those as well.

Last, given E&A's stellar history with the County, and the explanations above along with the supporting documentation, we respectfully submit that E&A has accurately responded to the requisite forms. Further, E&A has always been deemed to be a "responsible vendor". Considering the totality of the circumstances here, to think otherwise of E&A would simply be a wrong decision, and accordingly, E&A reserves all its legal rights herein. *See, e.g., AAA Carting and Rubbish Removal, Inc. v Town of Southeast*, 17 N.Y.3d 136, 144 (2011); *Professional Sec. Bur., Ltd. v City Univ. of New York*, 151 Misc.2d 225, 228 (Sup. Ct. New York Cty. 1991).

Very truly yours,

Charles Capetanakis

E&A RESTORATION INC.

March 6, 2020

Hon. Jodi Franzese
Inspector General
One West Street
Mineola, New York 11501

Dear Ms. Franzese,

I write in response to your office's February 7, 2020 report and to supplement our response dated February 19, 2020.

First, I'd like to express my respect and support for the role that the Inspector General's office plays in ensuring that public contractors make full and accurate disclosure to the County. I understand the concerns raised in your report, and it is for this reason that I requested that my children also provide the disclosure forms attached to our February 19 response.

In my long and successful history with Nassau County, I have always filled out the County's disclosure forms in a consistent manner, listing myself as E&A's sole owner and officer. I did so because the forms were not specific (especially when it came to listing businesses) and because we had received advice to complete the forms in that way.

It is true that my children are listed on disclosure forms submitted to New York City's PASSPort (formerly Vendex) system. However, in addition to these PASSPort forms specifically requesting information from "managers," my children were included in these forms since the city would not speak to them if they were not listed on E&A's applications. Nonetheless, my children have never been formally appointed officers as we are a small, family owned business that lacks the corporate formalities of larger companies.

I understand that the Inspector General's office has a broader interpretation of disclosure on the forms (especially as it concerns a small family businesses like E&A) and we respect this view.

Indeed, while I honestly did not believe that disclosure relating to my children was required under the forms, I have now provided and will continue to be happy to provide any and all disclosure relating to my business, my children and myself. I regret that my misunderstanding of the forms' questions has caused concern regarding my long-term relationship with the County, a relationship that we respect and value highly. Whatever differences there may have been with respect to the County's disclosure requirements, please be assured that it was never my intent to deceive the county or provide incomplete disclosures.

E&A RESTORATION INC.

Concerning E&A's certification as a women-owned business enterprise ("WBE"), I maintain that our certification as a WBE in 2007 was proper. At that time, before my husband took ill, I was involved on a daily basis. I understand that, due to my diminished involvement in the day-to-day operations of E&A as a result of my husband's health condition, E&A may no longer qualify as a WBE and we will take the appropriate measures to address this issue. However, I do not believe that such change in eligibility for WBE certification relates to my qualifications for the subject contract.

I may no longer be familiar with of all E&A's employees' names. I can assure you, however, that I am the sole owner and officer of my business, and the sole guarantor (with my husband) of our bonds, even if I am not as involved in E&A's day-to-day activities as I used to be.

It is true that, perhaps, I am an overbearing Greek mother and that I should have appointed my children as officers of my company by now. However, I understand that this has been a cause for concern for the County given my children's increased involvement in the day-to-day activities of E&A, and, to that end, to avoid the confusion that I have caused, I will be requiring my children to provide disclosure forms as part of all of my public bids with the County and elsewhere going forward.

I hope that I have addressed the concerns raised in your report and am happy to provide any additional documentation or information that you request. Simply put, never did I intend to deceive the County and, to the extent our honest interpretation of the procurement guidelines has caused such a perception, I sincerely apologize.

Sincerely,

Kalliopi Vournou

Re: E&A Restoration, Inc.

Dear Ms. Franzese,

This firm represents E&A Restoration, Inc. ("E&A"). We write you concerning Contract No. B-5-20 (B-19-10) (ID No. B90632-02G), and specifically in response to your office's February 7, 2020 report (annexed hereto as Exhibit "A").

For the reasons more fully stated below and given E&A's long, stellar history with public projects, we respectfully submit that E&A's vendor disclosure forms were factually accurate, and that E&A is, in fact a "responsible vendor", eligible for the subject contract award.

E&A

E&A is a WBE certified contractor in Nassau and Suffolk Counties.[1] E&A's sole shareholder, officer and director is Kalliopi Vournou.

Notably, to expand on this point, in each performance bond application submitted by E&A for completion work, the bonding companies look solely to Kalliopi Vournou's financial statements. Thus, it is Kalliopi Vournou's assets, not those of Jenny Sakalis and Antonios Vournou, which are the collateral for any of E&A's performance bonds.

E&A has had a long, successful history of performing construction work for Nassau County. Specifically, over the past fifteen (15) years, E&A has been awarded sixteen (16) contracts as itemized in the schedule annexed hereto as Exhibit "B". Each time E&A has received a contract award from Nassau County, they have submitted the identical disclosure forms as those submitted in the subject contract, that is, forms that indicate that Kalliopi

[1] As the subject contract is not an WBE contract, any discussion concerning WBE requirements or operations has no relevance here.

Vournou is E&A's sole shareholder, officer and director. True and correct copies of the contract awards and the disclosure forms (that are in E&A's possession) are annexed hereto as Exhibit "C".

Whether Kalliopi Vournou's son, Antonios Vournou, or daughter, Jenny Sakalis, have referred to themselves as "Officers", "Owners Representative" or CFO, on LinkedIn or an industry website, have no legal significance. Again, Kalliopi Vournou is E&A's sole shareholder, officer and director as demonstrated by E&A's most recent corporate tax return, a true and correct copy of which is annexed hereto as Exhibit "D", and bond, a true and correct copy (demonstrating that Kalliopi Vournou, her husband Steven Vournou, and several investment entities which Kalliopi Vournou is a shareholder or member are the sole guarantors) of which is annexed hereto as Exhibit "E". The forms do not ask for "de facto" officers or key employees. Instead, the Principal Questionnaire Form calls for answers by "all officers and any individuals who hold a ten percent (10%) or greater ownership."

Last, whether individuals not associated with E&A believe that others are in fact officers of E&A is irrelevant, as the corporate books, records, tax filings and bond demonstrate that E&A has one shareholder, officer and director. Toward that end, since 2005, there has never been any formal corporate appointment of an officer other than Kalliopi Vournou.

Testimony and Interviews

Both Kalliopi Vournou and Antonios Vournou gave consistent testimony during their interviews with IG staff. Each consistently described Kalliopi Vournou as the sole shareholder, officer, and director. Each consistently described that Antonios Vournou would run the day to day operations in the field and that Jenny Sakalis would run the day to day operation in the office. Moreover, each consistently described that daily, the three would meet to discuss E&A matters, and tellingly, Kalliopi Vournou would be the final arbiter of any major decisions.

The mere fact that day to day operations are handled by individuals other than Kalliopi Vournou do not anoint the individuals to the status of officer or director. Nor would an arbitrary designation as "de facto" officers suggest that Ms. Sakalis or Mr. Vournou be considered officers, since the concept of a de facto officer, from a legal standpoint, is only intended to protect third parties relying on the alleged de facto officer's authority to contract for the company.[2]

---

[2] The Court in *In re Gen. Vision Services, Inc.*, 423 B.R. 790 (S.D.N.Y. 2010) explained how a de facto officer may bind the corporation with respect to its dealings with third parties but is not, in fact, an officer de jure:

> One's status as a *de facto* officer is limited to the public and third persons interested in his acts, and beyond that he is a "mere usurper" whose acts are invalid. . . . In his relationship with the corporation itself, "a *de facto* director in not a director in law or in fact."

LEGISLATOR KEVAN ABRAHAMS
Ranking member

LEGISLATOR DELIA DERIGGI-WHITTON

LEGISLATOR SIELA BYNOE

LEGISLATOR NICOLELLO: Call the Rules Committee to order. Ask that Legislator Rhoads lead us in the Pledge of Allegiance.

Michael, will you call the roll.

MR. PULITZER: Thank you Presiding Officer. The roll call for the Rules Committee. Legislator Siela Bynoe. She is here, correct? Yes. Legislator Delia DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: Here.

MR. PULITZER: Ranking member Kevan Abrahams.

LEGISLATOR NICOLELLO: He's here.

MR. PULITZER: Laura Schaefer.

LEGISLATOR SCHAEFER: Here.

MR. PULITZER: Legislator Steven Rhoads.

LEGISLATOR RHOADS: Present.

MR. PULITZER: Vice Chairman Howard Kopel.

LEGISLATOR KOPEL: Here.

MR. PULITZER: Chairman Richard Nicolello.

Rules - 3-9-20

LEGISLATOR NICOLELLO: Here.

MR. PULITZER: We have a quorum sir.

LEGISLATOR NICOLELLO: We will do the contract portion of the Rules Committee. First I need a motion to suspend the rules. Moved by Legislator Rhoads. Seconded by Legislator Schaefer. All in favor of suspending the rules say aye. Those opposed? Carries unanimously.

Contracts. A-6, A-7, A-10 of 2020 are resolutions authorizing the commissioner of Shared Services to award and execute purchase orders or blanket purchase orders between the county of Nassau and Commercial Clearwater Company, Inc., LDV, Inc., Seaford Avenue Corp.

B-7, B-10 and B-5 of 2020 are resolutions authorizing the county executive to award and execute contracts between the county of Nassau and Seaford Avenue Corp., Hinck Electrical Contractors, Inc. and EA Restorations.

E contracts. E-33, E-34, E-35,

E-36, E-38, E-39, E-40, E-41, E-42, E-43, E-44, E-45, E-46, E-47, E-48, E-49. U-3 of 2020. Need a motion to put all those contracts before us. Moved by Deputy Presiding Officer Kopel. Seconded by Minority Leader Abrahams. All of these contracts are before us.

Two of the contracts the IG is still looking at. Those are B-7, 2020, it's a contract with Seaford Avenue Corp., and E-30 of 2020 with Bershire Farm Center and Services for Youth. Since the IG is still investigating we're going to need to table those contracts. Proposed contracts. Motion to table moved Legislator Rhoads. Seconded by Legislator Schaefer. All in favor of tabling those two signify by saying aye. Those opposed? That carries unanimously.

Now we will consider the contracts individually and start with Parks contracts which include A-6, Commercial Clearwater Company, Inc.

MS. CASO: Tori Caso with the Parks Department. A-6 is a blanket purchase

order with Commercial Clearwater Co., Inc. for a maximum of $1,550,000 for chlorine tablets for the swimming pools.

LEGISLATOR NICOLELLO: Any questions on this contract? Hearing none, we will move on to the next one with Parks, which is E-38, Discover Long Island, Inc.

MS. CASO: E-38 is an amendment to the existing agreement with Discover Long Island who promotes tourism for the county. Extending the term through December 31st of this year for an amount of up to $800,000.

LEGISLATOR NICOLELLO: Any questions about this contract? I know that Discover Long Island has been doing this for us for quite a while. We met with some of the principals and they're actively promoting tourism and all the economic benefits that flow from that.

Any questions? Thank you very much. Move on to the Office of Emergency Management which will be A-7 2020 LDV, Inc.

MR. DELANEY: Thomas Delaney, Office of Emergency Management. A-7-20 is for

$214,333 to allow OEM to purchase another command vehicle. This is a smaller command vehicle from the same manufacturer as the current command vehicle. But smaller is going to help us out. Sometimes it's difficult to roll out the large one that we have. This is pretty much the same functionality just doesn't have a conference room in the back but it will allow for interoperatable communications and other meetings to take place.

LDV was selected for this because -- let me put it this way, not selected. We sought them out initially because of our current command vehicle being bought from them. We used GSA e-bid for the procurement process on this. They were the only bidder on this but we definitely deemed this to be cost reasonable. 100 percent grant funded.

LEGISLATOR NICOLELLO: So there is a larger command vehicle that we currently have?

MR. DELANEY: We do. It was

purchased in 2007.

LEGISLATOR NICOLELLO: How often is that used?

MR. DELANEY: Pretty often. Today it was out at the request of the administration to an event in Malverne. We use it for fires. We used it for the rescue operation in Old Brookville for the collapse. Probably at least on the average of twice, sometimes three times a month.

LEGISLATOR NICOLELLO: Then the smaller one is necessary for what? Could you just repeat that? Because it's more?

MR. DELANEY: It's easier to fit into hard to get into places. It will also allow our staff, some of whom, most of whom do not have CDLs to safely operate this vehicle.

LEGISLATOR NICOLELLO: These vehicles are operated, they could be operated by the vehicles themselves as opposed to being towed to someplace? They're capable of being operated in and of themselves as opposed to being towed to different locations?

MR. DELANEY: Correct. They're

not a trailer. They are self-contained units.

LEGISLATOR NICOLELLO: Legislator Schaefer and then Legislator Rhoads.

LEGISLATOR SCHAEFER: Hi. How are you? You just mentioned CDLs. How many of your employees have CDLs?

MR. DELANEY: Right now two of them. We are looking at expanding that though. We got to bring in training for CDLs. Even though the expense for maintaining the CDL is going to be sustained by the individual, the cost of the training we're going to be able to fund that.

LEGISLATOR SCHAEFER: What is the expense, if you mind me asking? What is the expense of maintaining the license?

MR. DELANEY: You got to pay for your license every year.

LEGISLATOR SCHAEFER: Every year they have to renew it?

MR. DELANEY: Exactly. Instead of paying whatever it is when you get your license renewed, let's say it's $100 every couple of years, with a CDL it's probably

about three times that.

LEGISLATOR SCHAEFER: Those are the only two employees that can operate the vehicle you now have?

MR. DELANEY: Yes. We are looking at that. There are some questions whether or not a CDL is really required. But for right now we're just letting the people who have CDLs operate those vehicles.

LEGISLATOR SCHAEFER: Is that based on size why it would or wouldn't be required?

MR. DELANEY: Weight more than anything.

LEGISLATOR SCHAEFER: You're thinking the smaller vehicle will not need somebody with that type of license?

MR. DELANEY: Correct. It's going to be below that weight limit.

LEGISLATOR SCHAEFER: When are you looking to increase the number of people who have the CDL for the larger one?

MR. DELANEY: Looking to doing that like immediately.

LEGISLATOR SCHAEFER: Thank you.

LEGISLATOR NICOLELLO: Legislator Rhoads was next and then Legislator DeRiggi-Whitton.

LEGISLATOR RHOADS: Thank you Mr. Chairman.

Couple of quick follow-ups questions. First, with respect to the vehicle that you have now, correct me if I'm wrong, my understanding is that that vehicle is also available for individual fire departments and other jurisdictions to use if they're at the scene of a larger incident?

MR. DELANEY: If they request us to bring that vehicle out we're going to make our best effort to get it to them.

LEGISLATOR RHOADS: With the use of the present vehicle has there ever been a situation where we've ever had to say no because that vehicle was being used by someone else for some other purpose?

MR. DELANEY: Not to my knowledge. But you're right, there could be contention should you have two events going on

simultaneously.

LEGISLATOR RHOADS: I'm trying to establish whether or not there's a need for an additional vehicle. Has there ever been a situation where somebody's called up for our vehicle and we've had to say no or that vehicle was too large to be able to fit in someplace else?

MR. DELANEY: We've had the vehicle placed on standby for a planned event and it was rolled out to an emergency. This happened last summer in fact when we were at one of the fests over at the Old Bethpage Village Restoration and we were called upon to bring it out.

LEGISLATOR RHOADS: It's not a regular occurrence that there's a conflict?

MR. DELANEY: It's not. But again, it's an older vehicle. There was damage sustained when the vehicle was brought up to Bayville during Sandy. Again, it's getting to the point where having a second vehicle will help our capabilities in the office.

LEGISLATOR RHOADS: Is it the intention that it's going to replace the original vehicle at some point in time?

MR. DELANEY: No. If we replace the vehicle we're going to replace it with a full sized one.

LEGISLATOR RHOADS: My understanding is it's fully grant funded based on your testimony. The grant that's funding this is that grant -- what is the grant actually?

MR. DELANEY: We're using one of our homeland security grants to procure this. In this case we had specified it was our I believe UWASI grant.

LEGISLATOR RHOADS: Could the grant be used for other purposes?

MR. DELANEY: Of course. Yes.

LEGISLATOR RHOADS: Okay. Thank you.

LEGISLATOR NICOLELLO: We have Legislator DeRiggi-Whitton and Legislator Bynoe.

LEGISLATOR DERIGGI-WHITTON:

Basically that's what I wanted to point out. It's paid for 100 percent with the grant, correct, and that's what you feel you need? This is your choice of what you feel the department needs?

MR. DELANEY: Yes. This is one of the priorities that the department has been looking at now for a few years to get this done. I started this procurement well over a year ago in fact.

LEGISLATOR DERIGGI-WHITTON: I have a quick question. I know you handle the procurement for OEM for the most part?

MR. DELANEY: We do. I do.

LEGISLATOR DERIGGI-WHITTON: Can I ask you something a little digressing slightly. In a situation that we are faced with right now where, for instance, hand sanitizers are very necessary. I was told through the grapevine that there was a problem with the procurement and we had lost out on a big order of them.

MR. DELANEY: It's not so much that we lost out on a big order. OEM is about

95 percent grant funded as far as salary. The state said that this is not related to terrorism. Everything that we do has to have a nexus to terrorism as far as our grant spend down. So when I called up and spoke to the state last week the answer was you can't use grant funds to buy hand sanitizers.

LEGISLATOR DERIGGI-WHITTON: That's interesting. I would think it would be any emergency not just terrorism.

MR. DELANEY: If we requested funding from the county general fund to be able to do that yeah. But unfortunately, again, the FEMA grants, the Homeland Security grants all have to have a nexus to terrorism for everything we do.

LEGISLATOR DERIGGI-WHITTON: I was thinking if it's something like a health issue and we need hand sanitizer in an emergency should it be in the future couldn't we have something lined up so we wouldn't have to go through the procurement? But it wasn't really the procurement that's the problem it's the usage of your grants?

MR. DELANEY: Correct. It's the funding source. We don't have general funds available.

LEGISLATOR DERIGGI-WHITTON: Okay. Thank you.

LEGISLATOR NICOLELLO: Legislator Bynoe.

LEGISLATOR BYNOE: Thank you Presiding Officer. Good afternoon. So as my colleague, I believe both colleagues, pointed out this is 100 percent grant funded?

MR. DELANEY: Correct.

LEGISLATOR BYNOE: I know in a lot of cases we are looking at shared services and reducing expenses, but I think in the area of the Office of Emergency Management there should be some level of redundancy in place. So having two of these types of trucks would be I think beneficial to a county that serves 1.4 million people.

MR. DELANEY: That's correct to recognize that. The vehicle now that we have is getting older. If it did have to go out for extended repairs we would be without that

vehicle. No different than we are right now with the medical emergency response vehicle. The MERV that we have that we roll out to various incidents. We only have one of those. But the one thing that does help us out is the regional asset and if our was down no different than what Suffolk County does right now they ask us to bring our's out. We could ask Suffolk to roll theirs out.

LEGISLATOR BYNOE: In the event that the current vehicle ages out and is no longer available we would then replace it with a light vehicle. This would not be in substitution because it is limited because it does not have the same capacity, am I accurate?

MR. DELANEY: By design we didn't want it to have the same capacity because we didn't want to have the same size. Something smaller, easier to get into incidents with.

LEGISLATOR BYNOE: Certain areas and events, correct? It would be easier in some instances to get into certain events and access?

MR. DELANEY: Right. If anyone went up to the incident in Upper Brookville with the collapse you saw what the road looked like. It was very similar to what Avianca was like. The road was filled with emergency response vehicles.

LEGISLATOR BYNOE: Thank you.

LEGISLATOR NICOLELLO: Anyone else? Hearing none, thank you very much.

The next two contracts are from the police department. A-10 of 2020 is with Motorola Solutions, Inc.

MR. STEPHANOFF: Good afternoon. Deputy Inspector Stephanoff from the police department. A-10 of 2020 is to authorize and award a blanket purchase order for the radio maintenance and repair for the Nassau County Police Department. This is a renewal of a blanket order we had. This maintains our main radio system that the cops use. It maintains the equipment and CB, all the station houses and the buildings that have radios, every police car and every hand-held portable radio. We 24-7 support. You know, 24 hours a

day, seven days a week, 365 days a year and they help us that we don't lose radio coverage for the cops. This was advertised. This was put out as a bid advertised in Newsday. Purchasing recommends to award Motorola for the contract.

LEGISLATOR NICOLELLO: Are these Motorola products that we're using?

MR. STEPHANOFF: Yes. Motorola helped build the radio system. It's their products and we did bid it out to see if anyone else can maintain it. We only got one bidder back from all the companies. And they successfully, in the last blanket order, helped us maintain the radio system.

LEGISLATOR NICOLELLO: So it's almost equivalent to a sole source provider?

MR. STEPHANOFF: Yes. It's maintenance.

LEGISLATOR NICOLELLO: It is conceivable that somebody else could maintain it but Motorola is obviously the most likely recommended to do this.

One of the things I would like is

that periodically we get updates and contracts that come before us with respect to the status of the radio equipment and similar communication equipment the police have. I was wondering if you could provide more of a memo indicating exactly what the resources that are being used and the status of what those resources are.

MR. STEPHANOFF: I can reach out. Chief of support oversees the radio system. I can reach out to them to be in contact with you.

LEGISLATOR NICOLELLO: We would appreciate that. Any other questions? Let's go to the next one which is E-44, Crime Victims, Inc.

MR. STEPHANOFF: E-44 of '20. This is to award a contract between the police department and Crime Victims, Inc., Megan's Law. This is a service that we use. The contractor supplies the police department -- I apologize -- with helpline access to victims, sex offender victims, literature outreach and also counseling referrals. We don't pay on a

case-by-case basis. We give them $180,000 a year to help them offset their expenses and we can utilize them throughout the year. They're a very good outreach that our Special Victims Unit uses and they helped the police department.

LEGISLATOR NICOLELLO: They've worked with us throughout the years as well.

MR. STEPHANOFF: Yes. We renew this contract for quite some time now.

LEGISLATOR NICOLELLO: Only question I have is it looks like the contract expired in August of 2019.

MR. STEPHANOFF: We had trouble with the disclosure forms from them. So we finally got them back and we were able to put the contract forward.

LEGISLATOR NICOLELLO: Any other questions? Hearing none, thank you inspector. Next contracts are with public works B-10 of 2020 with Hinck Electrical Contractors, Inc.

MR. ARNOLD: Ken Arnold, Public Works. The Hinck contract, B-10, is for the

improvement and repair of the hardwood ejector station in the Franklin dry pump stations in Glen Cove. We received a total of five bids and Hinck was the most responsible bidder. It's ten percent WBE on the contract.

LEGISLATOR NICOLELLO: Any questions? Hearing none, why don't we move on to E-33, LiRo program and construction management.

MR. ARNOLD: E-33 is construction management services for the Glen Cove sludge dewatering project. That sludge dewatering project is to replace equipment. This is the oversite of the construction management. We received a total of six proposals. LiRo was the most technical best value proposal. They have a 12 percent WBE on their contract.

LEGISLATOR NICOLELLO: Backup indicates the RFP was issued in July 2017?

MR. ARNOLD: Yes.

LEGISLATOR NICOLELLO: What was the delay in getting this to us?

MR. ARNOLD: Getting both the bid project and see the project lined up

together. I believe there was a delay in the bid contract due to I think something with the bonding. But then also with the submittals. So we lined them all up to make sure they went together. I think you've already seen the other contract.

LEGISLATOR NICOLELLO: Any questions? Let's go to E-48 of 2020.

MR. ARNOLD: E-48 is our traffic on-call contract. Nelson and Pope is the last of I believe a total of five firms we selected. They were behind because of disclosure issues. They will be part of our pool engineering services on our traffic on-call.

LEGISLATOR NICOLELLO: Any questions about this one? Hearing none, are you the point person for the EA Restoration contract as well?

MR. ARNOLD: Myself and Robert Cleary yes. Technical side I can handle. Any questions on the IG report the administration dealt with that.

LEGISLATOR NICOLELLO: Since you

have a role to play why don't we cover that as well right now. That's B-5 of 2020 the contract with EA Restoration, Inc.

MR. ARNOLD: Yes. So, B-5 is phase two of the family mat court construction project. This is the interior fit-out of the facility. It was bid back at the end of the year. It's an 18-month project. We had seven bidders and E and A was the lowest bidder that was determined.

LEGISLATOR NICOLELLO: Do we have a completion date in sight on this contract? On this project?

MR. ARNOLD: From notice to proceed 18 months will be the completion date. Once we get approval from this body and the comptroller and NIFA we will issue a notice to proceed. This will require a full NIFA board meeting. So, assuming that happens in May, I would think notice to proceed would be June 1st. So 18 months from June 1st.

LEGISLATOR NICOLELLO: Is that the last phase? Once they complete their work are we done with --

MR. ARNOLD: For the building yes. We have the family justice center. That's a separate bid contract. That's going out currently. That is going to be lined up to be done in the same time frame as this phase two project. We don't want any construction after we are done with phase two. Right now we are on schedule to have both of these done at the same time.

We're also contemplating a project for the court area sidewalks, parking lots and lighting. It's not contingent on the building being done. But it's the administration and my thought is to have that whole complex completed at one time and not to have anymore construction there.

LEGISLATOR NICOLELLO: The Family Justice Center is that going to be within this building?

MR. ARNOLD: Yes. It's in the unfinished gray space. There's a little bit of work that phase two will do to get the gray space ready but all the interior fit-out was a separately bid contract. We did not want to

issue a change order for that. We thought it was more effective to do another bid.

LEGISLATOR NICOLELLO: It's being done at the same time as some of the work that's --

MR. ARNOLD: Yes. Same project labor agreement will be utilized for this call it phase three or just the family justice -- I'd rather call it the Family Justice Center project, it will be done under the same project labor agreement.

LEGISLATOR NICOLELLO: Family court building, Family Justice Center and the parking lot area?

MR. ARNOLD: We are hoping to get the parking lot done so we can have one completed facility and not having anything else that needs to be done at a later date.

LEGISLATOR NICOLELLO: My question would be, realistically, when do we think all of that is going to be done and this building will be open?

MR. ARNOLD: Should be 18 months from June 1st if that's when we issue notice

to proceed.

LEGISLATOR NICOLELLO: Basically January 1 of 2022?

MR. ARNOLD: I think that's about right.

LEGISLATOR NICOLELLO: We can hold you to that?

MR. ARNOLD: We're pushing very hard. The police academy is right now on time on budget. We are pushing that just as hard. We want to use the same model as we did for that project.

LEGISLATOR NICOLELLO: We urge you in the strongest terms to push equally hard for this. The family court building now was not designed for the number of litigants, the number of courts. People are stuffed in there. It really is not appropriate that our residents continued to be forced to go into that building.

MR. ARNOLD: It was originally a 24 month construction schedule. We actually reduced it because of those thoughts.

LEGISLATOR NICOLELLO: Before I

bring Mr. Cleary up, does anyone have any questions for Mr. Arnold? We're good?

Mr. Cleary.

MR. CLEARY: Robert Cleary, chief procurement officer.

LEGISLATOR NICOLELLO: There were some questions obviously raised by the IG's investigation. I want to ask you about the status of those questions and whether they have been resolved?

MR. CLEARY: We appreciate the information that the IG brought to our attention. It did shed some additional light on the operations of the vendor that we were not aware of. We reviewed that thoroughly. We reviewed that with the department, reviewed that with the vendor. The vendor submitted additional disclosures. We reviewed the information that was submitted on those disclosures and everything does seem to have been satisfactorily answered in our opinion.

LEGISLATOR NICOLELLO: Have you had any direct communications with the IG that represented it's been resolved to their

satisfaction as well?

MR. CLEARY: I can't speak for the inspector general obviously. We have had some communication with them regarding this matter.

LEGISLATOR NICOLELLO: My counsel indicates that he has actually spoken with the IG and she believes with the updated disclosures and the additional information that was provided by E and A that she is satisfied.

Any questions for Mr. Cleary?

LEGISLATOR ABRAHAMS: If I may Mr. Presiding Officer? I appreciate Mr. Cleary being here and obviously Mr. Arnold to talk about the construction component. But all due respect, the report was generated by the IG and I know we haven't had the IG down here to formally present, but I would think based on the commentary of Mr. Cleary as well as the back and forth to make sure that this legislature is proceeding in the correct direction. We should make sure that the IG is comfortable with the responses that Mr. Cleary

has presented to the legislature. I would request that the IG come down to make that case to the legislature before we proceed.

LEGISLATOR NICOLELLO: All right. What we can do is table this for now and then either she can get down here while we're still doing the contracts or when Rules reconvenes later on. A motion to table by the minority leader. Seconded by Legislator Schaefer. All in favor of tabling signify by saying aye. I think we're good for now but we're going to hear from the IG on this contract.

MR. ARNOLD: Thank you.

LEGISLATOR NICOLELLO: Next two contracts are with Traffic and Parking Violations Agency. E-34 2020 is a contract with Top Key Court Reporting, Inc.

MS. CLAUDEFELDER: Christin Claudefelder, counsel to Traffic and Parking.

Item E-34-20 is for stenography services at Traffic and Parking. It's the first of two one-year extensions with our existing stenographic agent. We did have an

RFP back in October 19th of 2015. We had two responses and this was the lowest bid. It is a woman-owned business enterprise. Anybody has any questions I will take questions.

LEGISLATOR NICOLELLO: Any questions?

LEGISLATOR KOPEL: Why are you extending it and not rebidding it?

MS. CLAUDEFELDER: It's not time yet. Within the original contract we have two one-year extensions that are permitted. So, based on our calculations we think we will have to go out to an RFP I think before December 31st of 2021.

LEGISLATOR KOPEL: You don't have to I understand, but you also don't think that you'll necessarily get anything better out there if you did it now?

MS. CLAUDEFELDER: I don't think there's any reason to believe that, that's correct.

LEGISLATOR NICOLELLO: Any other questions? Let's go on to the next one which is E-43, Quest Computer Products L.L.C.

MS. CLAUDEFELDER: E-43 of '20 is our character-based ticket processing system. This is a sole source provider. It's proprietary software. This is an annual amendment that we have been doing since we went out for the original RFP with that vendor. This is amendment 18, which is just an extension. If anybody has any questions I'm happy to answer them.

LEGISLATOR NICOLELLO: Does TIPVA regularly evaluate whether it makes sense to stay with the sole source or whether it makes sense at some point to do an RFP?

MS. CLAUDEFELDER: Absolutely. We actually -- you have already approved the contract for the new software that's going to replace this system. That contract's already been executed and we are already in the process, the design process of coming up with a new system that we believe is going to be a much better fit for where we are right now. I think the projection for when that's going to finally be online is fourth quarter of 2020. Latest maybe early 2021. So this is just

either the last or second to last of the enhancement contracts to get us through to that point.

LEGISLATOR NICOLELLO: That's good. Any questions? Thank you very much. Next two are with Human Services and Social Services. E-45 of 2020 is an agreement with Cornell Cooperative Extension.

MS. HORST: Katy Horst from the administration. This is a three-year contract with Cornell Cooperative Extension of Nassau County. This contract will allow for the creation, expansion of the 4H Youth Development Program such as the Master Gardener Program, increased East Meadow farm visits and programing, expanded marine camp among other programs and activities. The contract is $150,000 for three years.

LEGISLATOR NICOLELLO: Any questions? We're good. Let's move to the next one which is U-3, which is an agreement with Long Island Marriott.

MS. HORST: This is to execute a contract with the Long Island Marriott for the

annual senior luncheon. This is $13,200 for our annual senior luncheon event.

LEGISLATOR NICOLELLO: We have been having it there for a while, correct?

MS. HORST: Yes. At least the last three years.

LEGISLATOR NICOLELLO: Any questions on this one? Thank you Katy.

Health Department E-36 2020, James McGuinness and Associates. Double duty today.

MS. LAURAIN: Mary Ellen Laurain. Thank you. Item E-36-20 is a contract with James McGuinness and Associates in the amount of $929,700. This program provides Medicaid billing for our children with preschool special education program. This vendor determines medical eligibility for Medicaid rather and reimbursement. The contract is about ten weeks late. The vendor had a critical family emergency.

LEGISLATOR NICOLELLO: Any questions on this contract? Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON:

Thank you. My counsel wanted to get copies of any updates from the years through 2019 as far as their records and all.

MS. LAURAIN: I don't understand the question.

LEGISLATOR DERIGGI-WHITTON: Do you know if we have any updated data on the reimbursements that we have been receiving for this program?

MS. LAURAIN: I would have to ask our fiscal unit. How much Medicaid reimbursement we get?

LEGISLATOR DERIGGI-WHITTON: Yeah. Through 2019.

MS. LAURAIN: I actually have that. Approximately $5.4 million last year. That's after claims are submitted to insurance and they determine Medicaid eligibility. Just double check that. They identify the children and the services and then they determine Medicaid eligibility.

LEGISLATOR DERIGGI-WHITTON: Thank you very much.

LEGISLATOR NICOLELLO: Anyone

else? I think we're good. Thanks.

District attorney E-39 of 2020, the Safe Center of LI, Inc.

MR. MCMANUS: Bob McManus, district attorney's office. The item before you is an agreement between the district attorney's office and the Safe Center of Long Island for a 24-hour hotline for victims of sexual assault and domestic violence. While the district attorney's office has provided funding for the hotline for the previous four years, this year's agreement had to be approved in advance by the state comptroller's office to ensure that this was an appropriate use of forfeiture funds in accordance with stricter guidelines instituted in 2019 governing the use of such funds.

LEGISLATOR NICOLELLO: Any questions? We're good. Thank you. We are in the process of going through the contracts. After the contracts have been called there will be a public comment period.

County attorney, E-40 of 2020. These next four, five contracts are with the

county attorney's office.

MR. LIBERT: Brian Libert from the county attorney's office. Do you want me to cover them all at once or just these two?

LEGISLATOR NICOLELLO: Let's cover the first two together since they're both lobbyists and we will move on.

MR. LIBERT: That's what I was thinking as well. E-40-20 and E-41-20 are contracts for the county's two lobbying firms. These firms represent the county in Albany and other places for the county's lobbying efforts.

LEGISLATOR NICOLELLO: Aren't these a little late? Obviously the session is more than two months old at this point.

MR. LIBERT: These contracts have been in place previously. So these firms have been doing work on behalf of the county. So I would hesitate to say that they were late. They may be relative to the Albany session, but they have been doing work and the work is ongoing.

LEGISLATOR NICOLELLO: The

amendments will go through February 28, 2021?

MR. LIBERT: That's my understanding.

LEGISLATOR NICOLELLO: That's kind of an odd date. I think we are going to approve these but that will be in the middle of the next session. I would have thought maybe June 30, 2021 might have been a better choice. But we have what we have. Any questions about these two? Let's go to the next ones. Actually next two, which are contracts with Goldberg and Segalla.

MR. LIBERT: E-46-20 and E-47-20 are contracts with the outside counsel firm of Goldberg Segalla. E-46 is a contract which is closing out several, basically closing out the old contract. I believe they had four or five cases under that. Several of them have ended. All of those cases which are continuing are covered under the new contract which is case specific in nature.

LEGISLATOR NICOLELLO: Any questions about these two? Hearing none, Sokoloff Stern, which is the next one, we

actually had requested a month or two ago that when there is a new case being assigned to a law firm that it be broken out into a separate contract. The reason for that is we don't want to see the approval of an initial contract to go on in perpetuity. In other words, we approve a law firm to handle a case and then later on we offer them another case under the same contract. And again, a single approval can continue theoretically in perpetuity. We've ask that the new cases be broken out separately from the existing cases.

So we would request that they do that with Goldberg Segalla. We have no problem, speaking for the majority, with this firm. Obviously they're very qualified. But we just with handling these we would request that new cases be separated and put into a separate contract.

MR. LIBERT: We are aware of that instruction. It's conceivable that this was actually drafted before we had that conversation on the record. But I would say

also, just as a note, I think your point is well taken. In this case Sokoloff Stern was handling one matter called Rodriguez and they were only handling one part of Rodriguez. One particular conflicted individual. That case settled and there was still significant funding left on the contract. So there was some practical value in that. But of course your point is well taken legislator and we will take that under advisement for the future.

LEGISLATOR NICOLELLO: But that's exactly why we would want to do that because obviously there was an initial grant of monetary approval for this firm to handle that one case and rather than roll it over into a second case I think it's easier to see how much these cases are costing the county to do it separately.

MR. LIBERT: Understood.

LEGISLATOR NICOLELLO: We are going to table this for now and hopefully you can get Sokoloff Stern to execute that contract, turn it around and we can do this in

two weeks.

MR. LIBERT: Very well.

LEGISLATOR NICOLELLO: Motion to table by Legislator Rhoads. Seconded by Legislator Schaefer. All in favor signify by saying aye. Those opposed? The matter is tabled.

MR. LIBERT: Thank you.

LEGISLATOR NICOLELLO: Medical examiner, E-42 of 2020, a contract with Peter Farmer.

MS. KELLY: My name is Carolyn Kelly. I'm the deputy medical examiner for laboratories and I'm appearing on these two matters. Dr. Farmer first or the other first?

LEGISLATOR NICOLELLO: What was the second one that you have.

MS. KELLY: It's item 75-20, a board transfer of funds about $13,000. It's a reallocation of funding.

LEGISLATOR NICOLELLO: We're not handling that part of the calendar now. Basically that will go before Finance first

and in all likelihood once it passes Finance it will on consent to the Rules Committee.

MS. KELLY: Just Dr. Farmer then. This is an amendment that is long over due. It covers the term from 2018 to 2019 of June. The maximum amount of the contract was $35,000 for the term of this amendment period. Dr. Farmer is a forensic neuropathologist. He performs examinations of brain samples from remains and we're trying to get this through because it's overdue as you can see.

LEGISLATOR NICOLELLO: Any questions? Thank you very much. I'm going to make a motion to untable the contract with EA Restorations. Seconded by Minority Leader Abrahams. All in favor of untabling E-5 of 2020 signify by saying aye. Matter is untabled. I believe our inspector general is here.

MS. FRANZESE: It's been a while Presiding Officer. How are you? Thank you for inviting me. I don't really get to come down here often.

LEGISLATOR NICOLELLO: I think you're the only person that says that.

MS. FRANZESE: It's a pleasure to be here. I believe the legislature had questions or a question.

LEGISLATOR ABRAHAMS: How are you? So, obviously since your report was issued on February 7th it has generated much concern regarding the EA contract. Then obviously we just had the department come up and speak on the contract as it pertains to the construction and Mr. Cleary then, is he still here? I don't see him but I'm sure he's somewhere in the building. Then Mr. Cleary got up and appreciated your comments from your office and at the same time talked about some of the changes. Then obviously he referenced I believe the letter from E and A Restoration as well in regard to some of the changes.

Now, what I was going to do was go point by point through your report to make sure each of the items that you identified in your report were met to your satisfaction or I guess we can cut it short and you can tell me

what you believe, based on the E and A letter, Mr. Cleary's statement, based off of what you wrote which was issued on February 7th where you are or we can go point by point.

MS. FRANZESE: I'm happy to talk about and if you have any other questions I will be happy to answer them.

I can tell you that the vendor and their attorneys cooperated fully with my office. They provided all the documents. They made their clients available for interviews and we were able to get what we needed in order to draft the report that you have.

It's my understanding and I've read the amended or amended disclosure forms. It looks as if they did that promptly and it looks like that is -- that the new disclosure forms are reflecting what my office saw in its investigation. I can also tell you that we received a letter, which I guess you have as well, and a supplemental letter in response to our report. And at this point, based on everything, the totality of the circumstances,

we are satisfied with what we have.

LEGISLATOR ABRAHAMS: Legislator DeRiggi-Whitton has questions at some point. I guess based on the documentation that was missing initially it has now been furnished and your office is satisfied with that documentation. However, there are underlying issues where this legislature will have to determine whether or not there was some level of perceived, I'm using the word perceived, deception that was potentially going to occur.

I guess I really want to ask you specifically not really about the disclosures but more about the commentary between your office and some of the officers that are actually on E and A. Let me bring up an example.

In 2017 I believe, if I'm pronouncing his name wrong correct me, Antonios. According to the passport system submitted to New York City's passport system he identified himself as an officer at that time in 2017 if I'm understanding this

correctly.

However, is the terminology used on the county's disclosure, principal disclosure questionnaire different than the terminology that's used in passport? Why would the chief executive officer be misinterpreting to think that we weren't asking for the same level of information that Passport uses? I don't know if that came out in your interview that I didn't see in your report.

MS. FRANZESE: In New York City they have -- they ask for three officers. It's my understanding that you can't continue on into the form unless you provide three officers. So I believe that the vendor's thought was that they were going to provide three officers just to move on with the form. At least that's seems to be their position.

As far as our forms, we indicate, obviously you know, principal owner. I think it's owners and/or officers. On that disclosure they chose to put down the one officer. Sole owner and officer.

It's unclear to me why the two, it

was unclear to me why the two disclosures, one from the city one from Nassau County, why they were different in that respect. I believe in the first response from the vendor, I do not believe it was sufficiently spoken to. However, in the supplemental response, which I hope you have, it seemed to be a little clearer that they seem to make clearer their position.

LEGISLATOR ABRAHAMS: In your interview of Antonios was there any concern with him with E and A not disclosing him as an officer because there was some issue with his political campaign contribution disclosure form or the fact that he wouldn't have to do one since he wasn't technically listed as an officer? I highlight that because I'm looking at your report, because one of the things about our disclosure process it also requires that political campaign contributions be disclosed and there was a $5,000 campaign contribution made on October 23, 2017. So, to me, that's a very significant number. As well as it wasn't disclosed initially. I'm

guessing it has been now?

MS. FRANZESE: Yes. As a matter of fact, I believe that when we spoke with the attorneys that actually they disclosed I think even more than our disclosures actually required. But it's hard to tell. When people are filling out forms and leave something off or if they decide that a certain individual is not an officer, it's hard to determine whether they're doing that in order to make things easier and move quickly and I'm going to disclose one officer to almost kind of take a shortcut. Or are they doing it to not reveal certain, as you mentioned, campaign contributions or affiliated companies or things of that nature.

LEGISLATOR ABRAHAMS: Let me ask you Inspector General, there was another incident as well for a contract in 2017 for $5 million for general construction where in that case, if I'm understanding your report correctly, while E and A did disclose certain campaign contribution, it did not disclose again Antonio's $10,000 contribution this time

that was made October 7, 2017. This is the same type of incident that happened in '16 and in '17?

MS. FRANZESE: It looks like the company's stance at the time saying that Antonio wasn't or isn't an officer it seems like that caused them to interpret this as they didn't need to disclose it. Again, I'm not certain -- we weren't able to really ascribe any motive to it but certainly that was the result. That certain campaign contributions and other disclosures were not made public. And from my office we want just want to make sure you have all the information before you vote on contracts.

LEGISLATOR ABRAHAMS: First let me take a pause to say that. I think your report, as well as your reports, have been a breath of fresh air. I'm glad to see that we have an inspector general of the likes of your office and commend your office on the great work that you have been doing. It's much appreciated. I have one more question that I wanted to dive into.

I'm just looking through your report to make sure I find it. I may have to pass the floor until the next person while I look for it. There was a question -- you had interviewed Antonio and there was some back and forth that I saw where he identified himself as a principal officer. I guess maybe I was reading through the passport system or maybe he identified himself as an officer maybe at a bidding process. I'm not too sure. I'm trying to find it in your report.

Can you shed some light on that or do you need me to find it in the report and identify it to be able to answer the question properly?

MS. FRANZESE: I will tell you initially when we visited the location we asked for the boss and they brought out actually the other officer that now files a disclosure, which is the daughter of the vendor. She actually identified herself as an officer. Then after some digging obviously there were things that supported that. That she was in fact an officer and she actually

had the title that she told us she had.

LEGISLATOR ABRAHAMS: CFO?

MS. FRANZESE: Yes. Minority Leader, I can also note that the county as of right now doesn't have a definition, doesn't define officer, which may cause some issues. With people deciding whether they need to disclose certain things.

LEGISLATOR NICOLELLO: Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: I think that would be a good change. I concur that we really appreciate having you and your office. But when we get the backup, when it comes to contributions, and again, not even just pertaining to this but just in all of them, sometimes it doesn't mention the person who contributed and the amount. I think that that should be something we should require as well. It would just be easier for us to have an idea. Obviously there's nothing wrong with contributing. But if it seems to be an excessive amount it makes it easier for us to be aware of that. Do you think you would

consider changing that possibly policy with the procurement forms, just requiring the names and amounts?

MS. FRANZESE: I know for sure the administration is looking at the forms to see how they can improve the forms. Since you said that, and I'm sure they're listening, I'm sure they would note that as something that should be taken into consideration. I think truly as you said, it's not even necessarily what's in the disclosure just the fact that people are disclosing. It's about accountability. It's about transparency.

LEGISLATOR DERIGGI-WHITTON: Correct. There's nothing necessarily wrong just to know about it. There's been a couple of things we recommended. I don't know when they're going to be coming out with the new forms but I think it would be helpful to show them to all of us. I remember we wanted to mention if there was a problem or if there was a lawsuit with a municipality, things like that. So, I have a couple that aren't coming to me right now. Maybe we can go over that

before they're put in place.

MS. FRANZESE: I think the more input certainly the better. In our reports I hope that everyone agrees we are trying to get you as much as we can so that you can be as informed as possible. Everything we know we feel you should know so that you can decide.

LEGISLATOR DERIGGI-WHITTON: I know the Minority Leader is asking the questions but basically do you feel comfortable with this contract?

MS. FRANZESE: As far as the vendor, I think that the fact that they responded promptly and the fact that they cooperated certainly is something that makes you feel a little more confident in the process. I was glad that the attorneys were as forthcoming and that the vendors -- the officers were so forthcoming. I was glad they responded. I was glad that they responded and I'm glad that they actually clarified their response. The supplemental response even made us feel better. At this point we wanted to obviously tell you what we've learned and then

at this point you guys make the decision because everybody voted for you and not for me.

LEGISLATOR DERIGGI-WHITTON: Speaking with my colleague to my left, Legislator Siela Bynoe, again, not for anything other than to clarify and make things easier for us up here, maybe if you do such a thorough review, which you did, maybe you could just at the end summarize it with a recommendation as to whether or not you feel comfortable or should it go for further information.

LEGISLATOR NICOLELLO: Legislator Bynoe.

LEGISLATOR BYNOE: So yes, a wonderful job. Just very thorough in your communication to us. I appreciate it. Based on that, I was weighing my decision on it. Then there was a response that came in from E and A and then we didn't hear back from you. My request is that when there is some level of a response provided to us if you could then weigh in and tell us whether you feel that

it's adequate so we don't have to drag you back from One West. Today is great day. The weather is great and you probably didn't mind it much.

MS. FRANZESE: I don't get out much.

LEGISLATOR BYNOE: Just so we can close the loop on these tissues it would be helpful once you review whatever the response is in some way communicate with us.

MS. FRANZESE: I'm happy to be as responsive to the legislature as you need me to be. But certainly I would have certainly reached out. If somebody reached out I'm happy to talk to you. We want to be as open with you as we are asking people to be with us.

LEGISLATOR BYNOE: Again, thank you for a great job.

MS. FRANZESE: We appreciate the support from the legislature. It's been a great year and a few months.

LEGISLATOR NICOLELLO: This vendor has a history of doing business with

the county, correct?

MS. FRANZESE: This particular vendor it's my understanding they do.

LEGISLATOR NICOLELLO: I think you hit the nail on the head before when you said the issue has to do with the use of the term officer. Certainly in terms of principals, in terms of officers of the corporation they indicated that the mother I guess is in fact the sole owner and president and 100 percent shareholder of the corporation. And if you look at it as a corporate term there is only one officer. The others were throwing around that term. But in terms of the corporate structure the only officer is the president. Whether they gave a different answer to the city for whatever reason, I can see how they could define how they're answering this disclosure as who are the officers, who is the principal. It is the mother because she is the sole shareholder and president.

I think the county has to clarify going forward what information we are actually

seeking. I agree with my colleagues that we may need to update these disclosure forms to make sure that our vendors are getting specific directions on what information they have to provide.

MS. FRANZESE: I think improvements can be made as well.

LEGISLATOR NICOLELLO: Minority Leader Abrahams.

LEGISLATOR ABRAHAMS: Quick thing Madam IG. As I'm reading through -- this is from county 2019 procurement policy, definition of officer says any individual who serves as chief executive officer, chief operating officer of the contractor by whatever title is known.

If Antonios indicated that he identified himself to the New York City Passport System as an officer it's pretty clear. If he gave himself that title as an officer in 2017 then it fits into what we have in 2019. I'm not too sure where the confusion came but we should clarify our forms if we feel --

MS. FRANZESE: I'm sorry Minority Leader. I wanted to mention yes, it certainly does in our procurement policy have that. However, our forms don't reflect it, so I don't know that the vendors are reading the procurement policy very clearly.

LEGISLATOR ABRAHAMS: I do want to ask you one final thing and then I want to point something to Mr. Chiara. There is $150,000 provision in the contract that requires monitoring. I'm not professing nor am I alleging anything in terms of any level of deception by the vendor. However, some of the concerns that are identified in your report and obviously looking at the responses by the CEO, it looks like they tried to address that. They submitted some of the disclosures.

But there is a $150,000 provision in the contract that requires -- that could impose monitoring. I believe that is something in this case we would like to see get done. This is a contract that's millions and millions of dollars. I just wanted to get

your thoughts on that provision of the contract as well and then I want to bring up Mr. Chiara to talk about how will that be imposed.

MS. FRANZESE: Thank you for that question. It's a large project. It's a lot of our money that's going to be going to the vendor. I may be biased but I'm very pro oversight when it comes to things like this. In this circumstance, with the large amount of money that this contract is, that's in this contract, I don't know that -- I can't see a downside for an integrity monitor. But again, it would have to be somebody independent. It would have to be somebody that the county chooses instead of maybe the vendor. But, I mean, integrity monitors are great. Oversight is great. I'm very pro that. Maybe I'm biased because of my job but I think it would be something to consider.

LEGISLATOR ABRAHAMS: I think it's something that we need to consider on a greater expansion of contracts. As the budget season begins to rile up, obviously it's

something that we would like to talk to your office a little bit more. Potentially empowering your office more. Because I know obviously you cannot do the integrity monitoring from your office and your staff that you have now. But potentially looking to expand your role to be able to do that as well.

MS. FRANZESE: The large portion of my office is very familiar with integrity monitors and what they do and we are capable of that. I just want to say, it doesn't have to happen for every contract. But the larger contracts certainly should have some level of scrutiny. At least from my opinion.

LEGISLATOR ABRAHAMS: Mr. Chiara. Jodi hang around. We have a follow-up as well.

MR. CHIARA: Minority Leader, you have a question?

LEGISLATOR ABRAHAMS: Yes. We were talking a little bit about the integrity monitor. That provision being imposed in the contract. I just have a quick question. In

my reading of the contract is that monitor selected by your office or by the county or selected by the vendor?

MR. CHIARA: It's an allowance if it's needed. Under the allowance section it would be selected by the vendor with the county's approval.

LEGISLATOR ABRAHAMS: By the vendor with the county's approval.

MR. CHIARA: When I say the county I also mean the inspector general's approval as well.

LEGISLATOR ABRAHAMS: I'm sorry to put you on the spot Madame IG. How do you feel about the fact that the vendor's able to pick their own integrity monitor? It sounds unusual but I'd rather defer to someone like yourself.

MS. FRANZESE: Again, I have a little skin in the game. My thought is if our office is able to be a part of it we certainly -- I would be more comfortable. I do think the county should have more of a say than the vendor.

LEGISLATOR ABRAHAMS: Say for example, Mr. Chiara, the vendor comes up with A, B, C. You say no way. Then what's the recourse? Do they have to go find somebody else? Does the work not start until they have an integrity monitor in place? Like what happens next?

MR. CHIARA: The allowance wasn't written for the term of a contract. The allowance was written if a specific instance came up where it was necessary.

LEGISLATOR ABRAHAMS: So it's not even required?

MR. CHIARA: It's an allowance. It's not required.

LEGISLATOR ABRAHAMS: I guess what I'm driving is, when I saw integrity monitor I'm thinking that this would start, regardless of whether or not we thought it was required, that they're monitoring how the contract is being executed and how the services to the county are being attributed. That's what I thought. That's not the case?

MR. CHIARA: That's not how it

would be. It's an allowance. If it's needed for some specific instance that came up during the project the county could request that one be put in place for a specific instance or task. It's not for the contract.

LEGISLATOR ABRAHAMS: I can't speak for the Majority but I will speak for the Minority. It's needed. Let's just put it that way. There's been some concerns that have been identified by the inspector general. I'm not saying there's anything here that anyone -- I'm not accusing anyone of any level of deception, but there are some things that are questionable. And from that standpoint, I think it's needed. So explain to me the process to be able to impose an integrity monitor since we believe that it's needed.

MR. CHIARA: Just to sort of just to talk, and not to put the inspector general on the spot, she's standing right next to me, walking away, is that the inspector general did a review, acted in what a monitor would do. They did an investigation. They did a

report. They turned up a report. On that specific instance you can ask them their opinion. But I think the issue was raised. The vendor responded to the issue. I think from the county's point of view the vendor is responsible and that, for me, that specific instance has been closed. If something else came up along the project -- and also we are, the county is closely monitoring E and A performance at the academy and they're doing a great job.

LEGISLATOR ABRAHAMS: How would you know if something else came up if you don't have somebody that's watching it? The inspector general doesn't have the resources to be on the job, to see the site, to report anything they may see there. Who's going to be able to do the research to determine if anything -- this kind of fell into her domain. It's a contract that she's required to review. But as this project expands over a period of time who is that person that's going to do that monitoring?

MR. CHIARA: Just like every

major, every construction project, DPW monitors their contracts with the assistance of usually a construction monitor. That's the sort of same formula that the county has followed for many years. Currently E and A is under construction for the police academy. We get monthly reports from our monitor. I've been reviewing the reports. I don't know if the inspector general has them. I'm sure they review some reports. The project is monitored.

LEGISLATOR ABRAHAMS: Who is monitoring that contract? You said the police academy is being built. Who is monitoring? You said there's a monitor for that one.

MR. CHIARA: DPW monitoring, not monitor. DPW is responsible for the project and they also have several consultants that also supervise the work.

LEGISLATOR ABRAHAMS: This is where we are, and I don't know if it's going to change anything. It's three o'clock now. We have concerns based off of the IG's report. If the administration cannot tell us

that there will be a monitor in place, independent monitor that will be in place, we have to express those concerns in a vote. I'm trying to be as clear as I can. So, if you're telling me today that there will not be an independent monitor or it will be there based off of there's a need then that's not good enough.

MR. CHIARA: I can only tell you what the terms of the contract that the county agreed to which I relayed to your staff.

LEGISLATOR ABRAHAMS: I understand. We need more meat on the bone.

LEGISLATOR NICOLELLO: Mr. Chiara, is there any sort of written guidelines that you have in terms of when an integrity monitor is appointed or not?

MR. CHIARA: In the procurement compliance policy there are general guidelines regarding how a monitor can be awarded. In this specific instance, this isn't us, the county, putting a monitor in place. It would just simply be an allowance Mr. Presiding Officer.

LEGISLATOR NICOLELLO: The county has put integrity monitors in place on other contracts?

MR. CHIARA: Yes.

LEGISLATOR NICOLELLO: We want to know what the guideline is. We want to know what the standard is.

MR. CHIARA: If you go to the procurement and compliance policy I believe it's in the appendix regarding, appendix E maybe, where the general guidelines on that are.

LEGISLATOR NICOLELLO: General guidelines. That will tell me what the standards are for when the county is going to decide when to apply an integrity monitor or not if I look at what you are referring to? It will tell me this is what the standard is for when we are going to apply an integrity monitor, correct?

MR. CHIARA: Yes. It's the county's guidelines. It's based on the city's guidelines.

LEGISLATOR NICOLELLO: Just a

question for the Minority and then I want to make another point. E and A Restorations is doing the Nassau County Police Academy. Are you proposing that there be an integrity monitor for both?

LEGISLATOR ABRAHAMS: Honestly, I don't know if it's the worst idea in the world. I mean, many of these things were uncovered by the IG in her February 7th report and we were not aware of some of these issues when the police academy was voted on. I don't think it's a bad idea to have that. I think some of these issues that are identified in this report are universal. They're not just germane to this particular contract. They're all tied in to disclosures, which, I mean, the very same issues that she identified in the report that were there as well. I don't think that's a bad idea. But it doesn't sound like there's an identified need to do it. If that's the case, then it is what it is. We think there is an identified need.

Again, I'm not going to say that anything was done with any intent to deceive

the county. But there are some concerns here that surfaced about this particular form not being filled out. I'm glad to see that E and A chose to fill this stuff out in -- since that point decided to fill this stuff out. If we didn't have the inspector general put together their report which identified many issues would they have even done that? It seems like, unfortunately, this got past the administration as well on two fronts.

So again, I'm not saying anything was done with any particular intent. I'm glad we have the inspector general that is able to uncover some of the things that occasionally do slip by. I would say it's prudent that we have an independent monitor that's there.

LEGISLATOR NICOLELLO: But should it be for both?

LEGISLATOR ABRAHAMS: Yes, to answer your question. I thought I answered it when I said it wouldn't be the worst idea.

LEGISLATOR NICOLELLO: I guess that's prompted by their responses to the disclosures. Over the course of this project

I think what we needed more was a construction manager than an integrity monitor. So that's prompted by the concerns with their responses.

Mr. Arnold, if we choose to reject the bid and the county has to rebid or go through the process what's the time frame?

MR. ARNOLD: Reject the bid would probably take us a month to recommend the second bidder if possible if he would hold his bid. If not, to reprocure you're probably talking we'll be back here in about six months. Four to six months.

LEGISLATOR NICOLELLO: That's the issue that we're facing right now. We can vote this down. I mean, the crunch that we're under is this project has taken so long. So many years. It's not a large project. It's not a particularly complex project and so much rides upon it. As I said, the residents who are dealing with the family court matters are very, very sensitive. Sometimes doing conferences in hallways. The judges have no space. It is a mess. To delay this further

is on the one hand is something we don't want to impose on our residents. On the other hand, we have these issues now with respect to this particular contract.

MR. ARNOLD: This does not preclude E and A from rebidding again. Again, they would be able to bid on anything that we would redo. And I believe they would probably take us to court if we reject the bid.

LEGISLATOR NICOLELLO: Legislator Bynoe. Then Deputy Presiding Officer. Then the Minority Leader.

LEGISLATOR BYNOE: Thank you Presiding Officer. So, hi Mr. Arnold. Commissioner Arnold. So my concern at this point regarding a monitor is that number one, I think it should be independent from the contractor having any opportunity to weigh in on who the monitor is. I think it's an inherent conflict if we allow for the contractor to decide who's going to monitor their activities. The objective is to make sure that they're in compliance with all of the components or provisions within the

contract.

I would argue that delaying that and only then bringing them into play or engaging them when there is a problem, when we identify a problem, actually reduces the real benefit. I think that if they're there at the very start and able to monitor the activities from the very start we minimize any opportunity for them to not be in compliance. I think what keeps people in compliance, right? The idea of somebody being a watchdog.

MR. ARNOLD: We have our construction management team and our county people on the project.

LEGISLATOR BYNOE: I understand that. I have long been, and no disrespect to your county folks, I have long been a proponent for this type of oversight for county contracts. Whether it be a DPW contract or whether we are providing health care services at the jail. I just think that far too many times we sign these contracts, and no disrespect to our departments, but then we rely on the folks within the department to

be the watchdog over those contracts. And in many cases there are other charges that they have. There are other responsibilities that they have that does not allow them to give it the level of scrutiny that it requires.

Someone who would be tasked with just looking at that job day and in day out, doing the polling on intervals, going in and looking at this job on a regular basis I think is a lot different than having someone from within the DPW framework.

MR. ARNOLD: All county contracts have a construction manager that's on the project day to day. Overseen by a county employee. And remember also, the county comptroller reviews all the claims.

LEGISLATOR BYNOE: From what I understanding, this integrity monitor would also look at MWBE activities, it would look at a host of different activities which relates to contract.

MR. ARNOLD: Which is done by the county construction manager.

LEGISLATOR BYNOE: So then why

wasn't earlier on that an integrity monitor contract was brought to this body. Why was it earlier on last year that we had an integrity monitor?

MR. ARNOLD: That was the police academy.

LEGISLATOR BYNOE: It doesn't matter. We just said we think it's important for both contracts. So why last year we needed an integrity monitor and now --

MR. ARNOLD: We brought it on for the police academy because we thought an extra level would be good because we didn't have a project program manager. The family court, in addition to county, it has a construction manager and also a program manager. We have three levels of people watching that job. The academy was only going to have county construction manager on it. We thought that size job another level would not hurt on that oversight.

LEGISLATOR BYNOE: Even if I was to acquiesce and say listen, I hear you, I agree with you, we have people on the job

site, the contract then says that if in fact we believe we need one that we are going to in some way confer with them to determine who they're going -- and we will then weigh in as to who we think is best. I think that there's some level of -- there would be an inherent conflict and they would be beholding to potentially the contractor more so than the county.

MR. ARNOLD: Just remember the allowance item it was a lump sum. Once it was expended there would be no more money in the contract. So it would be for a task to expend on a lump sum on the allowance.

LEGISLATOR BYNOE: To be paid by change order?

MR. ARNOLD: No. It's an allowance within the contract. If it was exhausted, then the decision would have to be made whether you have to do a change order to the project or not to make the allowance larger. It was only to deal with specific issues in this case if something came up.

LEGISLATOR BYNOE: But there's

been discussion up here that we believe that it should be on all of these very large scale construction items and you're saying that we don't need them, your staff can handle it. That's great. But the contract does say -- for some reason it was built in there.

MR. ARNOLD: We ran across an issue that we needed a monitor to look at. We had the ability to do it.

LEGISLATOR BYNOE: So the county should procure somebody so that person is strictly beholding to the county. That's there's no confusion. There's no inherent conflict as to who that person is beholding to.

MR. ARNOLD: We did that --

LEGISLATOR BYNOE: I mean, come on. I think common sense has to prevail here today that that just doesn't make any sense. That we would be engaged in getting a monitor that the contractor has to be a part of the decision making as to who it is. Let the county procure for its own integrity monitor as they were doing before and let them have

some oversight over both of these contracts. Let it be an on-call. It doesn't have to be that -- let it be on-call. As you state, your folks can do the job. Then let it be on-call. But I just think we should have a separate procurement process. It defies logic to me that we're even having this conversation that it should be grouped together like this. It just does. Sorry.

LEGISLATOR KOPEL: Mr. Arnold, if this contract were to be rebid or anything like that what would be the effect on the entire project?

MR. ARNOLD: We would have a gap between phase one and phase two where the county would have to expend funding to protect the building during the period of no work. I would assume that E and A would probably challenge in nonresponsibility determination that would have to be required to have happened for them not to have received the bid and we would end up in the court to resolve it in that case. And we would have a delay during the rebid if that's where we went and

they didn't challenge.

LEGISLATOR KOPEL: So you're talking potentially of a very extensive delay on the entire project and a very considerable amount of money in expense as a best scenario?

MR. ARNOLD: Yes.

LEGISLATOR KOPEL: At this point you feel like we've got this thing under control in terms of the issues of this specific contract?

MR. ARNOLD: It's my opinion if the IG would have called my compliance person and we had a discussion we probably could have resolved this without finding it in a report that led to this discussion today.

LEGISLATOR KOPEL: Okay. I think that kind of tells the story for me. Thank you.

LEGISLATOR NICOLELLO: The Minority Leader and myself and a bunch of us up here have discussed this and based on the testimony and the discussion we've had with the administration, with the IG, we believe

that we would like to table this. We are going to table this. And that over the next two weeks we will have to continue those discussions specifically with respect to the need for an integrity monitor for this contract.

So, I will entertain a motion to table. Moved by the Minority Leader. Seconded by Legislator Rhoads. All in favor of tabling signify by saying aye. Those opposed? Carries unanimously. That item is tabled.

All the rest of the contracts are before us. Is there any public comment on the contracts? Mr. Budnick.

MR. BUDNICK: Mr. Chairman Nicolello, honorable members of the legislature, John J. Budnick 122 Von Huenfeld Street.

Number one, I want to commend you for holding this past immediate item for as short a period as possible. I worry every day about the physical situation that our current family court in Westbury, which I consider to

be a tragedy about to happen.

Speaking about tragedies, the comment I wanted to make about the district attorney's office, the funding for the crime victims, I am very seriously concerned we're having witnesses murdered because their existence and their identities and the places they reside are being necessarily disclosed by the district attorney's office. There are some argument as to whether it was necessary or whatever. But I believe that the district attorney's office in conjunction with the other agencies of the county have to in this disgusting situation that the current leadership of our New York State Assembly, leadership of our state senate, our governor have given us with regard to disclosure of witnesses provide protections now. Provide numbers that witnesses and victims, informants and complainants in criminal cases can contact 24-7 for aid to them if they are being threatened or coerced or are having violence perpetrated against them.

I just ask that the district

attorney's office and the other agencies of the county be alerted to this problem and start to try and respond to it. Thank you very much. God bless you one and all. Thanks for putting up with me.

LEGISLATOR NICOLELLO: Thank you Mr. Budnick. Now for the vote on the contracts that were not tabled but were called. All in favor signify by saying aye. Those opposed? They carry unanimously.

I'm going to put the Rules Committee in recess. The Public Safety Committee will go next.

(Committee was recessed at 3:13 p.m.)

(Committee reconvened at 4:22 p.m.)

LEGISLATOR NICOLELLO: Call Rules Committee back into session. Almost all of our items went through earlier committees and it's been agreed by the Majority and Minority that there is no further debate or discussion necessary on these consent items at this point. They will all be heard in the full legislature in two weeks.

Rules - 3-9-20

I'm just going to call the clerk item numbers. Item 40, 41, 55, 56, 58, 59, 60, 61, 62, 63, 64, 65, 68, 70, 71, 2020. The items on the addendum. 72, 73, 74, 75. That's it.

Motion by Legislator Bynoe. Seconded by Legislator Schaefer. Any debate or discussion? Hearing none, Mr. Budnick has a comment.

MR. BUDNICK: Mr. Chairman, Mr. Nicolello, I am curious as to whether this motion includes number 66-20, the alienation by the county of some property in Woodbury. And there's another alienation of county property which is an add-on. I don't have the number available to me. Are those going to be called or are those included in the motion to approve?

LEGISLATOR NICOLELLO: Item 66, the property Woodbury, is not being called. And I don't have any other item that is added on.

MR. BUDNICK: There is supposedly an add-on item that I received about

alienation of some property in Island Park that was listed as an add-on.

LEGISLATOR NICOLELLO: It's not before us.

MR. BUDNICK: Then you have answered my question and I thank you very much. My compliments as always.

LEGISLATOR NICOLELLO: Thank you. Any debate or discussion? All in favor signify by saying aye. Those opposed? Carries unanimously.

Last item is 21 of 2020. A local law to amend Title A of Chapter 6 of the Nassau County Administrative Code in relation to the New York State Real Property Tax Law.

Moved by Legislator DeRiggi-Whitton. Seconded by Legislator Rhoads. That is before us. There is an amendment in the nature of a substitution that replaces the title Taxpayer Protection Act with a title which is more accurate as to what it is, The Reassessment Phase-In Act of 2020.

I will make a motion to make the amendment. Seconded by Legislator Rhoads.

Any debate or discussion on the amendment? Hearing none, all in favor of the amendment signify by saying aye. Those opposed? Any abstentions? All in favor. Passes seven to zero. So, now it's an amended item so we are going to call the amended item.

It is the intention of all of us not to have the full debate and discussion on this item. It will be before the full legislature on the 23rd. We are teeing it up so to speak so that we can consider this on the 23rd before the full legislature.

Anyone have any discussion on this? Hearing none, all in favor signify by saying aye. Those opposed? Carries unanimously.

One last item of business. Deputy Inspector Stephanoff would like to introduce -- actually he's not going to be presenting to us anymore unfortunately for us. He would like to introduce a person who will be.

MR. STEPHANOFF: Good afternoon. I'm going from headquarters to the Eighth

Precinct to be the deputy CO there. Deputy Inspector William Field is coming. He ran our Applicant Investigation Unit and he is highly qualified. He's going to come over and take my place. And I believe he is also going to do the leg as well. So he will be presenting from this point forward.

LEGISLATOR NICOLELLO: You've warned him and told him what to expect?

MR. FIELD: Thank you very much Greg, and I look forward to our meetings in the future.

LEGISLATOR SCHAEFER: You look very young now but that's going to change.

MR. STEPHANOFF: He's very qualified and he'll do a great job here.

LEGISLATOR NICOLELLO: Best of luck to you and I'm sure you will do extremely well in your new position in the leadership in the Eighth.

MR. STEPHANOFF: Thank you. It's been great working with everybody.

LEGISLATOR NICOLELLO: It's been great to have you here and we really

appreciate all the presentations over the years. All the information.

LEGISLATOR ABRAHAMS: I just want to concur with the presiding officer. I was saying to myself I don't know how much time you've been presenting to the legislature but it's been a while. I can tell you many have come before us and there are very few that 100 percent of the time we feel confident in their responses and your responses have always exuded confidence and trustworthy and that's all we can ask. I wish you the best in the Eighth Precinct as well. Thank you.

LEGISLATOR NICOLELLO: Thanks again. So now we will take a motion to adjourn. Moved by Legislator Rhoads. Seconded by Legislator Bynoe. All in favor of adjourning signify by saying aye. Those opposed? We are adjourned.

(Committee adjourned at 4:30 p.m.)

LEGISLATOR FORD: At this time I will call the Public Safety Committee to order and ask the clerk to call the roll. I guess I will call the roll. Ranking Member Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: Here.

LEGISLATOR FORD: Legislator Siela Bynoe.

LEGISLATOR BYNOE: Here.

LEGISLATOR FORD: Legislator Debra Mule.

LEGISLATOR MULE: Here.

LEGISLATOR FORD: Legislator John Ferretti.

LEGISLATOR FERRETTI: Here.

LEGISLATOR FORD: Howard Kopel is sitting in for Vincent Muscarella. He is here. Vice Chairman Steve Rhoads.

LEGISLATOR RHOADS: Present.

LEGISLATOR FORD: I am here. We have a quorum.

There are three items on the agenda today which are clerk items 55-20, 63-20 and

Public Safety 3-9-20

64-20.

Clerk item 55-20 is an ordinance supplemental to the annual appropriation ordinance in connection with the police department.

Item number 63-20 is a resolution to confirm the county executive's appointment of Jeanine Diehl to the position of executive director of the Office of Crime Victim Advocate.

And item 64-20 is a resolution to confirm the county executive's appointment of James E. Dzurenda to the position of sheriff of Nassau County.

May I have a motion. Moved by Legislator Kopel. Seconded by Legislator Rhoads. These items are before us. Good afternoon. We are going to talk about item 55-20.

MR. STEPHANOFF: Good afternoon. Deputy Inspector Greg Stephanoff from the police department. Item 55 of '20 is a supplemental appropriation for the amount of $637,500. This is our port security grant

program. This is a recurring grant we get for our port security program. There's a match of $212,500. We are going to use this to buy a helicopter engine and it's going to be used when -- for FAA guidelines -- we have to repair or service the engine in the helicopter this engine will swap out into the helicopter and allow it not to go out of service.

LEGISLATOR FORD: Perfect. Any debate or discussion? Thank you very much. On items actually 63-20 and 64-20, as they are appointments, we are going to vote to pass them through so that the full legislature will have an opportunity to discuss and to meet the candidates. So, no debate or discussion, right? No public comment? All those in favor of passing these items please signify by saying aye. Opposed? These item pass unanimously.

Now we're going to suspend the rules as we have some items on an addendum. Moved by Legislator Kopel and seconded by Legislator Ferretti. All those in favor of suspending the rules? Any opposed? Thank

you.

Ordinance number 72-20, 73-20 and 74-20 are all ordinances supplemental to the annual appropriation ordinances in connection with the Traffic Safety Board.

May I have a motion to move these items. Legislator Kopel and seconded by Legislator Rhoads. The items are now before us. Good afternoon Mr. Mistron.

MR. MISTRON: Christopher Mistron, traffic safety, Stop DWI coordinator.

Item 72-20 is for the appropriation for the annual stop DWI program. The program itself is divided into several aspects, enforcement, prosecution, probation, education and public administration. The budget already has been to the state and approved in form for the distributions of these monies. It is a self-sufficient program in that fine monies are collected and by law are dedicated for use. Our fine monies for DWI as well as bail forfeitures are only allowed to be used for the DWI program and for DWI has maintained in

a separate account administered by the DWI coordinator.

73-20 is a grant budget for the handicapped surcharge. Handicap surcharge, as by law, all fines collected for handicap violations is divided between the Office of Handicapped and Physically Challenged as well as Traffic Safety for use for special programs within the two departments. In our particular case we utilize them for transportation, education, as well as we have included our child safety seat program for special needs children. We have a person that, although many people think I know everything about it, is specialized in child safety seats for special needs. The money is used for that.

Primarily the money is given under contract to the New York Coalition for Transportation Safety, who helps administer the program.

And then 74-20 is a special grant that we were able to receive from the Stop DWI Coordinators Association by way of National Highway Traffic Safety Administration and it

is for special holiday enforcement of DWI patrols. It's being split between our police department and six villages. The use of the money will be for instance for Saint Patrick's Day. For special high profile enforcements. We utilized both media releases as to the special programs. It will also be used for Memorial Day, July 4th and Labor Day.

LEGISLATOR FORD: Thank you very much. Any debate or discussion? Yes, Legislator Mule.

LEGISLATOR MULE: Hi. I do have a question. What are the six villages?

MR. MISTRON: I'll have to go by memory. It is the city of Glen Cove. It is Long Beach. It is Garden City. It is -- can I email that to you? Forgive me.

LEGISLATOR FORD: Any public comment? Mr. Budnick. Thank you Chris. And you will get the information about the villages. Thank you.

MR. BUDNICK: I want to strongly support especially the funds that are going to the DWI program. We need to keep in mind that

currently our governor in his current unvoted upon status of his proposed budget anticipates legalizing marijuana, and based upon the experience of Colorado and a number of other states, we can anticipate a large jump in the DWI problem in our county. They may need more resources. And the police may need more resources. And the probation department. And the courts may need more resources. This is a very, very frightening thing that our governor and our current state legislative leadership seem to be, pardon my language, going for. Thank you very much.

LEGISLATOR FORD: Thank you very much Mr. Budnick. All those in favor of passing 72-20, 73-20 and 74-20 please signify by saying aye. Any opposed? The items pass unanimously.

Since there is no other business before us, I will now adjourn the meeting. Moved by Legislator Kopel. Seconded by Legislator Rhoads. All those in favor? The committee is now adjourned.

(Committee was adjourned at 3:23)

MR. PULITZER: Chairwoman Rose Walker.

LEGISLATOR WALKER: Here.

MR. PULITZER: We have a quorum ma'am.

LEGISLATOR WALKER: Thank you. There are five items on the agenda today which are clerk items 58-20, 59-20, 60-20, 70-20 and 71-20. Clerk items 58-20 through 60-20 and 71 are ordinances supplemental to the annual appropriation ordinance in connection with the health department. And item 70-20 is an ordinance supplemental to the annual appropriation ordinance in connection with Human Services.

May I have a motion please. By Legislator Schaefer. Seconded by Legislator Drucker.

MS. LAURAIN: Good afternoon. Mary Ellen Laurain, Department of Health.

Item 58-20 is a supplemental appropriation in the amount of $418,578. Sorry. I was running. This is for the tuberculosis program. This is grant funded

through New York State Department of Health, and the mission is to protect the public against tuberculosis.

LEGISLATOR WALKER: Any legislative comments? Next item.

MS. LAURAIN: Item 59-20 is a supplemental appropriation. It's in the amount of $20,360. It's for our rabies program. It's 100 percent funded through the New York State Department of Health and its mission is to protect the public against rabies.

LEGISLATOR WALKER: Any legislative comments? 60-20.

MS. LAURAIN: 60-20 is a supplemental appropriation. It's in the amount of $294,343. It's for the Adolescent Tobacco Use Prevention Act. This is funded through New York State Department of Health and does inspections and compliance for tobacco sales to people less than 21 years of age.

I see the backup. I just spoke to our fiscal unit to make sure they do change

the backup. The law went into effect in November. I will make sure they change the backup to 21. The state still calls it though the adolescent tobacco. They have not changed that name. I did ask that question but they have not changed that yet.

LEGISLATOR WALKER: Could I just ask, Mary Ellen, if you could submit that backup to the clerk please.

MS. LAURAIN: For this item or just for the next grant cycle?

LEGISLATOR WALKER: For this item. Between now and the full leg just so we have the updated.

MS. LAURAIN: Sure we will do that. Yes.

LEGISLATOR WALKER: Just throwing something else on your plate that you have to worry about.

MS. LAURAIN: That's quite okay. I understand.

LEGISLATOR WALKER: Thank you. Legislator Drucker.

LEGISLATOR DRUCKER: Thank you

Madam Chairwoman. We worked pretty hard to get the tobacco age raised to 21. It is important to get that changed. Any possibility of getting it to include checking for licenses for vaping retailers?

MS. LAURAIN: We are doing that. We do compliance checks for vape. You mean in the backup?

LEGISLATOR DRUCKER: There's $294,000 that's funded. Can it be included while they're checking these places they're probably the same places that sell the vape products.

MS. LAURAIN: We do check that. Yes, we do.

LEGISLATOR DRUCKER: Will it be listed all as one of the things that's certified?

MS. LAURAIN: We would have to check with the state health department as far as when they send us the award letter. I'd have to look into that.

LEGISLATOR DRUCKER: Can you do that?

MS. LAURAIN: Yes.

LEGISLATOR DRUCKER: And let us know?

MS. LAURAIN: Yes.

LEGISLATOR WALKER: Thank you. Any other legislators?

MS. LAURAIN: That was 60, right? Item 71-20 is a supplemental appropriation in the amount of $155,000 and that is for the HIV expanded service grant. This is funded through New York State Department of Health and the mission is to find people who may not be in care who are infected with HIV and encourage them back into care.

LEGISLATOR WALKER: Any questions from the legislators or comments?

MS. LAURAIN: Back to the tobacco. There are stings being conducted. We've done them with the police and state police for vape.

LEGISLATOR WALKER: Thank you very much for that. Thank you. And is there anyone here from the administration to speak

on item 70-20?

MS. HORST: Katy Horst from the administration. I'm going to do my best.

This item appropriates $348,395 in funds received from the New York State Office for the Aging for the period of April 1, 2019 through March 31, 2020. The new name of this program is Unmet Needs. It is a new revenue source that is meant to supplement other already existing programs such as transportation or housing. The OFA plans on running a pilot program for the transportation program for the senior population. This would provide rides for seniors who need to travel to the doctor, pharmacy and other designations. It's 100 percent reimbursable.

LEGISLATOR WALKER: This would cover all of our seniors?

MS. HORST: That is all the information I have but I can get back to you.

LEGISLATOR WALKER: If you could. Legislator DeRiggi-Whitton.

LEGISLATOR DERIGGI-WHITTON: If you could also, I don't expect you to have it,

I'm wondering what kind of vehicles it's going to cover? We had an incident where we tried to get a bus to help in Port Washington and it wasn't handicapped accessible. Is this going to go through the NICE system with Able Ride? I know you don't know. If you could just let us know what type of vehicle and how it's going to be distributed. Thank you.

LEGISLATOR WALKER: Legislator Schaefer.

LEGISLATOR SCHAEFER: I just agree. I want to reiterate. There's a lot of information that would be helpful to know. It sounds like a great program but a little unbelievable. It would be great if it's something that we can do for the entire county.

MS. HORST: Absolutely. We will get you more information.

LEGISLATOR WALKER: Are there any questions or comments from the legislature regarding that item? Is there any public comment on any of these items? Certainly Mr. Budnick.

MR. BUDNICK: I just want to raise an issue about these various health department supplemental appropriations. We have a severe problem, particularly in southeast Nassau County stretching from Legislator Walker and Schaefer's districts and it's down threatening Legislator Kennedy's District. It's called the Navy Grumman toxic waste plumes. And I do not see that the health department seems to be in the front lines trying to stop this problem before it destroys areas like the Massapequa Preserve, Tackapusha Preserve and our southern bay.

Thank you very much and thank you for putting up with me.

I have one other suggestion with regard to vaping and smoking. I think we might need a local law with regard to under 18 year olds that allows petitions to be filed in the family court as persons in need of supervision so that people under 18 found using vaping and tobacco don't have to be brought up as juvenile delinquents. Thank you very much for your time and trouble. God

bless you.

LEGISLATOR WALKER: Thank you Mr. Budnick. Seeing there is no other public that would like to speak, all in favor of these items signify by saying aye. Any opposed? The ayes have it and they will move on to their next committee.

That is all that's on the agenda today. Just before we do close, I want to thank Mary Ellen Laurain and certainly the entire health department for all they're doing to assist us right now in the county. Thank you.

I didn't make a motion to close the meeting. All in favor of closing the health Committee signify by saying aye. All opposed? Legislator Drucker. Seconded by Legislator Kennedy. Unanimously agreed upon.

(Meeting adjourned at 3:35 p.m.)

LEGISLATOR ROSE MARIE WALKER

LEGISLATOR ELLEN BIRNBAUM
Ranking member

LEGISLATOR ARNOLD DRUCKER

LEGISLATOR DEBRA MULE

Finance 3-09-2020

LEGISLATOR KOPEL: At this time I will call the Finance Committee to order. I will act as clerk and I will call the roll.

Mr. Lafazan, Mr. Drucker, Ms. Birnbaum, Ms. Walker, Mr. McKevitt. Substituting for Mr. Muscarella is Mr. Ferretti. We have a quorum.

First, I will take a motion to suspend the rules by Mr. McKevitt. Seconded by Mr. Drucker. All those in favor of suspending the rules? Aye. Any opposed?

Now I'm going to call a number of items that have already been through prior committees and we're going to hopefully pass those by consent. Those would be numbers 55, 58, 59, 60, 70, 71. And on the addendum 72, 73, 74. Motion on those by Ms. Walker and seconded by Ms. Birnbaum. All those in favor of those items? Aye. Are there any opposed? So those items are unanimous.

We will go back to item number 40, which is a resolution authorizing a grant agreement with Department of Parks. As well as 41. The first one is with Department of

Parks and Art Guild of Port Washington. The second one, 41, is Department of Parks and Oyster Bay Historical Society.

That motion is made by Ms. Walker again and seconded by Mr. Lafazan.

MS. CASO: Tori Caso from the Parks Department.

Item 40 is a grant agreement with the Art Guild of Port Washington for up to $10,000 to reopen the Barnett Elder Field's field in order to increase visual arts and cultural programing.

And 41 is the Oyster Bay Historical Society for up to $22,000 to repair and restore the Earl Whiteman Historic House in the Town of Oyster Bay. They are both paid from hotel-motel tax funds.

LEGISLATOR KOPEL: Are there any legislative questions on those items?

Number 65 is a resolution authorizing the treasurer to furnish the clerk of the legislature with a petty cash fund in the amount of $500.

That motion is made by Mr. Lafazan

and seconded by Mr. McKevitt.

Michael, what are you going to do with this extravagant amount of money?

MR. PULITZER: We will try to manage that, sir.

LEGISLATOR KOPEL: Anyone have any questions here? Thank you. That was very eloquent.

Number 68 is a supplemental with the Office of Housing and Community Development.

That motion is by Ms. Walker. Seconded by Mr. Drucker.

MS. PETTIS: Good afternoon. So we are here for 56-20 and 68 I'm sorry.

LEGISLATOR KOPEL: We didn't call a 56-20 but why don't you wait one moment and I will do that as well. 56 is a transfer of appropriations for the year 2020. That's a motion by Ms. Birnbaum. Seconded by Mr. Drucker.

MS. PETTIS: Kanecia Pettis, director of Housing.

MS. SALALA: Loretta Salala,

fiscal advisor for Housing.

MS. PETTIS: Should I speak on 56 or 68 first?

LEGISLATOR KOPEL: Which would you rather? Go at it please.

MS. PETTIS: Thank you sir. 68. This is our annual contract with New York State who funds our department. Our department is grant funded, 100 percent grant funded, to run the Section 8 program for Nassau County.

LEGISLATOR KOPEL: Okay.

MS. PETTIS: 56 is a transfer of funds that's already within the same department. But we just want to move funds from one line to the other.

LEGISLATOR KOPEL: Any legislative questions? So, what we're going to do now I guess is going to vote on the ones I have called. All those in favor of those items? Aye. Any opposed? Those items are all passed unanimously.

I'm going to call 61 and 62 and then I'm going to take a motion for executive

session on those items. I'm going to call 75 first, which is a transfer of appropriations. That is a motion by Ms. Walker and seconded by Mr. McKevitt.

MS. KELLY: I'm Carolyn Kelly, the deputy medical examiner for laboratories, here on item 75-20. It's a transfer of funds. It's already been approved by the New York State Department of Criminal Justice Services. It's a reallocation of $13,000 from the equipment and travel line to personnel salaries. This is needed as a result of the discovery reform legislation.

LEGISLATOR KOPEL: Any questions? All those in favor of this item? Any opposed?

Mr. Budnick, we are going to go into executive session on two other items, but why don't you do your thing first if you are looking for a chance. Did you have something? Sorry.

Number 61 is a resolution authorizing a settlement in the matter of William T. Joie. And number 62 is a county

settlement with Adel Marie Dediego. That was a motion by Ms. Walker and seconded by Ms. Birnbaum.

Now I'm going to take a motion for executive session. Made by Mr. McKevitt. Seconded by Mr. Lafazan. All those in favor of executive session? Aye. Any opposed?

(Committee recessed at 3:49 p.m.)

(Committee reconvened at 4:16 p.m.)

LEGISLATOR KOPEL: We are back from executive session. On those two items, Mr. Budnick you wanted to talk about the items that you didn't hear?

MR. BUDNICK: Very quickly. I just wanted the amounts of the two settlements to be spread on the record. Other than that, I stand with your executive session and I will not ask about anything that might have been brought up in executive session except the amounts of the settlements that will be paid for by the county.

LEGISLATOR KOPEL: Right. Thank you. We discussed that as well and we are satisfied. All those in favor of these two

items as presented please signify by saying aye. Are there any opposed? Those items pass unanimously.

There is a motion to adjourn made by Ms. Walker and seconded by Mr. Lafazan. All those in favor of adjourning? Aye. All those opposed? We are adjourned.

(Committee adjourned at 4:19 p.m.)
