Purpose:

To pass a Resolution (Exhibit A) authorizing the execution of a Tax Exemption Extension Agreement (Exhibit B) pursuant to Article V, Section 125(1)(a-5) of the Private Housing Finance Law (the "PHFL") extending the term of the Tax Exemption Agreement (Exhibit C) for the senior affordable cooperative apartment development located at 1900 Fox Hill Drive, Woodbury, New York (Section 15, Block 205, Lots 1 - 21 on the Nassau County Land and Tax Map) for a period of 25 years commencing January 1, 2025. The Tax Exemption Agreement dated October 22, 1999 granted certain real estate tax exemptions to Woodbury Gardens as an inducement for the construction and operation of a low to moderate income senior citizen cooperative housing development. An extension of the tax exemption is necessary for the continued availability of affordable housing for low to moderate income senior citizens in Nassau County.

Discussion:

Woodbury Gardens Redevelopment Company Owners Corporation (hereafter "Woodbury Gardens") is a mutual redevelopment company organized pursuant to Article V of the PHFL that owns and operates Woodbury Gardens, a 214 unit cooperative apartment development for low to moderate income senior citizens 62 years of age or older. The Town of Oyster Bay is the Supervising Agency in accordance with Article V of the PHFL. By Resolution No. 840-2025 the Town Board of the Town of Oyster Bay authorized the Supervisor of the Town of Oyster Bay or his designee to acknowledge and consent to the Tax Exemption Extension Agreement (see Exhibit D). An extension of the Tax Exemption Agreement for a term of 25 years will allow for the continued operation of the cooperative apartment development with maximum benefit to the senior community residing there.

Impact on Funding:

The tax exemption granted pursuant to the Tax Exemption Agreement dated October 22, 1999 will be extended for twenty-five (25) years commencing January 1, 2025.

Recommendation:

Approve as submitted

RESOLUTION NO: - 2026

A RESOLUTION to authorize the execution of a Tax Exemption Extension Agreement between the County of Nassau (the "County") and Woodbury Gardens Redevelopment Company Owners Corporation, a mutual redevelopment company organized pursuant to Article V of the Private Housing Finance Law of New York ("Woodbury Gardens").

This Tax Exemption Extension Agreement made this 20th day of October, 2025, effective as of January 1, 2025 (hereafter this "Agreement") by and among the COUNTY OF NASSAU, a municipal corporation of the State of New York (hereinafter called "County") having its principal office at the County Executive Building, 1550 Franklin Avenue, Mineola, New York, 11501 and WOODBURY GARDENS REDEVELOPMENT COMPANY OWNERS CORPORATION, a mutual redevelopment company organized pursuant to Article V of the Private Housing Finance Law of the State of New York, as amended ("the PHFL"), having its principal office at 1900 Fox Hill Drive, Woodbury, New York 11797 (hereafter referred to as "Woodbury Gardens").

The Project is located at 1900 Fox Hill Drive, Woodbury, Town of Oyster Bay, New York and is identified as Section 15, Block 205, Lots 1 - 21 on the Nassau County Land and Tax Map (hereafter the "Premises"); and

WHEREAS, no party is in default, or in receipt of a notice of default, under the Tax Exemption Agreement; and

WHEREAS, the Tax Exemption Agreement granted Woodbury Gardens an exemption from County, Town, Special District and School District taxes, other than assessments for local improvements, of one hundred percent (100%) of the value of the Premises, including improvements thereon, included in the Project which represents an increase over the assessed valuation of the Premises, both land and improvements, acquired for the Project at the time of its acquisition by Woodbury Gardens. The Tax Exemption Agreement further provided that "the real property taxes will be based upon the January 1, 1999 assessed valuation of $121,410" and that "any increase in the assessed valuation of the Property, for both land and improvements, shall be exempt from County, Town, Special District and School District taxes for a period of twenty-five years" commencing with the 1999-2000 School Tax Year and the 2000 Town Tax.; and

of the initial twenty-five year period for the full twenty-five (25) years of the term as extended ; and

WHEREAS, the Housing Authority of the Town of Oyster Bay is the Supervising Agency in accordance with Article V of the PHFL; and

WHEREAS, an extension of the Tax Exemption Agreement for an additional term of twenty-five (25) years pursuant to Article V, Section 125(1)(a-5) of the PHFL will allow for the continued operation of the Project with maximum benefit to the senior community residing in the Premises; and

WHEREAS, an extension of the Tax Exemption is necessary for the continued availability of affordable housing for low to moderate income senior citizens in Nassau County; and

WHEREAS, the Legislature of the County of Nassau, by Resolution adopted _____, 2025, a copy of which is attached hereto as Exhibit "B", approved and authorized an extension of the Tax Exemption in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Defined Terms. Capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to them in the Tax Exemption Agreement.

2. Extension of Term. The Tax Exemption is hereby extended for a period of twenty-five (25) years (the "Extended Term") commencing January 1, 2025 and shall expire on December 31, 2049, or at such time as the Project is no longer operated under the restrictions and purposes set forth in Article V of the PHFL, unless otherwise terminated as provided by this Agreement or pursuant to applicable law.

3. Exemption. The County hereby extends to Woodbury Gardens or any successor or transferee entity organized pursuant to Article V of the PHFL, an exemption from County, Town and Special District and School taxes (hereafter collectively "taxes") to run for all of the Extended Term at the same rate of exemption that existed immediately preceding the expiration of the initial twenty-five year term of the Tax Exemption Agreement as modified and in accordance with the terms of this Extension Agreement. So long as the Tax Exemption provided for hereunder shall continue in full force and effect, Woodbury Gardens shall, subject to the provisions set forth in sections 4, 5 and 11 of this Agreement, pay each year to the Comptroller of the Town of Oyster Bay, for the benefit of the County, the Town, the School District and Special Districts in which the Property is located, all real estate taxes in accordance with the terms of this Agreement.

4. Invoicing. The Town agrees to bill Woodbury Gardens at the address first written above or such other address as may be provided to the Town in writing each year that this Agreement is or remains in effect. Failure of the Town to bill Woodbury Gardens each year does not in any way affect the obligation of Woodbury Gardens to make the tax payments required under this Agreement.

5. Payment. The amounts due and payable under this Agreement shall be due and payable as invoiced by the Town. Amounts due and payable under this Agreement shall be payable to the Comptroller of the Town of Oyster Bay, 54 Audrey Avenue, Oyster Bay, N.Y. 11771, or at such other address as the Comptroller may notify Woodbury Gardens.

6. Late Payments. In addition to any other remedy available to the County at law or in equity, it is understood and agreed that Woodbury Gardens' failure to make tax payments pursuant to this Agreement when said payments shall be due and payable, shall be governed by the same provisions of law as shall apply to any owner or owners of real property who fail to timely make payments of real property taxes.

7. Allocation by Comptroller. All tax payments made hereunder shall be allocated by the Town among the affected tax jurisdictions in proportion to the amount of real property and other taxes and assessments that would have been received by each tax jurisdiction had the Premises not been partially exempt. The Town shall forward the allocated amounts from each yearly tax payment to the County, Town and affected School District(s). The amount forwarded to the School District by the Town shall also include the portion allocated to the applicable Library District, which proportional amount is to be forwarded by the School District to the Library District. The amount retained by the Town shall also include the portions allocated to the Special Districts in which the Premises is located, which proportional amounts are to be forwarded by the Town to the respective Special District.

8. Payments Unconditional. Woodbury Gardens, by signing below, agrees to make the tax payments regardless of whether any one or more residents of the Premises fails to pay maintenance, rent or similar fees.

9. No Oral Modification. This Agreement may not be orally modified or terminated nor any of its provisions waived, except by an agreement in writing signed by the party against whom enforcement of any modification, termination or waiver is sought.

10. Successors. This Agreement shall be binding upon and inure to the benefit of the parties and each of their respective legal representatives, successors and permitted assigns.

11. Default. In the event that Woodbury Gardens fails to make its tax payments when due in accordance with Section 5 of this Agreement in any given year during the Extended Term (after the expiration of any applicable grace period for the payment of taxes and any applicable notice to cure), or if Woodbury Gardens shall breach any other condition or provision of this Agreement (after the expiration of any applicable notice to cure), then, in addition to any other remedy available to the County at law or in equity, the Tax Exemption shall be subject to termination and the Premises shall become assessed with full real property taxes without any

further exemption, provided that the County shall have given 30 days' prior written notice to Woodbury Gardens of the default and Woodbury Gardens shall have failed to cure, (a) a default in the payment of taxes within the thirty (30) days provided in the written notice of default, or (b) within 60 days of such notice for a non-tax payment breach of this Agreement. In the event of a dispute as to whether a default has occurred or is capable of being cured, the parties shall submit their dispute to judicial resolution and this Extension Agreement shall remain in effect pending the final resolution of the dispute. If it is finally determined that a default has occurred and it is not cured within 30 days after a judicial order with Notice of Entry, then the County may terminate this Agreement.

12. No Protest or Challenge. So long as the Tax Exemption with respect to the Premises described above remains in effect, neither Woodbury Gardens, nor its successors and/or assigns, nor the individual residents, shall protest, challenge or file a tax certiorari petition with respect to the assessed valuation of the Premises, provided, however, Woodbury Gardens may file challenges at any time within two (2) years prior to the expiration of this Extension Agreement. Except as permitted, neither Woodbury Gardens, nor Woodbury Gardens on behalf of those residing in the units, shall be eligible to receive or file for any other abatement or exemption except for the exemption granted herein for the duration of this Agreement.

13. Ratification. The parties hereby confirm that, except as expressly modified herein, all other terms and conditions of the Tax Exemption Agreement remain in full force and effect, are hereby ratified and confirmed by the parties and are incorporated herein as if set forth in detail, the parties agreeing to continue to be bound by the terms and conditions set forth therein. In the event of any conflict between the terms of this Agreement and the terms of the Tax Exemption Agreement, the terms of this Agreement shall control.

14. Counterparts. This Agreement may be executed in one or more counterparts (each of which shall constitute an original and all of which when taken together shall constitute one and the same instrument) and facsimile and PDF signatures shall be binding with the same force and effect as original signatures.

15. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee or employee or agent of Woodbury Gardens, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Office of the Nassau County Treasurer, to the attention of the County Treasurer at One West Street, Mincola, NY 11501, (ii) if to an Applicable Deputy County Executive ("DCE"), to the attention of the Applicable DCE (whose name Woodbury Gardens shall obtain from the County) at the address specified above for the County, (iii) if to the Comptroller of the Town of Oyster Bay, to the attention of the Comptroller at 54 Audrey Avenue, Oyster Bay, NY 11771, (iv) if to the County Attorney, to the attention of the County Attorney at One West Street, Mineola, NY, 11501, (v) if to Woodbury Gardens, to the attention of the Managing Agent of Woodbury Gardens at the address specified above for Woodbury Gardens, and to Woodbury Gardens'

Counsel at the office of Woodbury Gardens' Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

16. Executory Clause. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to Woodbury Gardens or any other person or entity unless (i) all County approvals have been obtained, including approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive or a Deputy County Executive.

17. Modification/Governing Law. This Agreement may be modified only by written instrument duly executed by the parties hereto and shall be construed and interpreted, and may be modified, in accordance with the laws of the State of New York.

18. Assignment. This Agreement may only be assigned, shared or otherwise transferred to an entity formed pursuant to the PHFL and this Agreement shall not be assigned, shared or otherwise transferred without the prior written consent of the County which shall not be unreasonably withheld, conditioned or delayed. Any purported assignment, sharing or transfer without such consent shall be void ab initio.

19. Severability. If any provision of this Agreement shall for any reason be held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such provision so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be otherwise affected by such holding or adjudication,

20. Prohibition of Gifts. In accordance with County Executive Order 2-2018, Woodbury Gardens shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Woodbury Gardens on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Woodbury Gardens shall include the provisions of this subsection in each subcontract entered into under this Agreement.

21. Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Woodbury Gardens shall disclose as part of its compliance with such Order complete disclosure form(s) reflecting any and all instances where it employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Woodbury Gardens shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

22. Accounting Procedures; Records. Woodbury Gardens shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the County Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services or benefits hereunder and/or the payment therefore, and any of their duly designated representatives, upon reasonable notice. pursuant to Section 125 of Article V of the Private Housing Finance Law of the State of New York, as amended, upon the terms and conditions provided herein; and

WHEREAS, the County acts on behalf of itself, the Town, Special Districts and the School District in assessing real property for the purpose of taxation within the meaning of and in accordance with Section 125.1(c) of Article V of the Private Housing Finance Law of the State of New York, as amended; and

NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES HERETO, AS FOLLOWS:

1. The County hereby grants to the Company or any successor or transferee redevelopment company an exemption from all County, Town, Special District and School District taxes, other than assessments for local improvements, of one hundred (100%) percent of the value of the Property (including the improvements thereon) included in the Housing Project which represents an increase over the assessed valuation of the Property, both land and improvements, acquired for the Housing Project at the time of its acquisition by the Company, such tax exemption to operate for a period of twenty-five (25) years, commencing from the date on which the benefits of such exemption first became available and effective (i.e., the next taxable status date as established by Section 6-2.1 of the Nassau County Administrative Code).

2. So long as the exemption provided for hereunder shall continue in force and effect, the Company shall pay to the Comptroller of the Town, for the benefit of the County, the Town, Special Districts and the School District, taxes for the Property, the amount of which shall be determined on the basis of the County assessed valuation of the Property, both land and improvements, at the time of its acquisition by the Company.

3. It is understood and agreed that as of January 1, 1999, the assessed valuation of the Property, both land and improvements, is $121,410. Therefore any increase in the assessed valuation of the Property, for both land and improvements, shall be exempt from County, Town, Special District and School District taxes for a period of twenty-five (25) years commencing on the date of acquisition by the Company and the Company shall pay taxes as provided in Section 2 hereof on the basis of the present assessed valuation during such twenty-five (25) year period; provided, that the Company acquires title to the Property on or before December 31, 1999 and its Property Plan has been completely approved pursuant to Article V of the Private Housing Finance Law of the State of New York, as amended, on or before December 31, 1999.

4. The Company's real property taxes will be based upon the January 1, 1999 assessed valuation of $121,410 commencing with the 1999-2000 School Tax Year and the 2000 Town Tax. Since the Housing Project consists of 214 units, the Company will collect the pro rata sum from each owner, and remit the aggregate of such sums to the Receiver of Taxes of the Town of Oyster Bay for such period. (Note: the property has not yet been reclassified as Class 2; as the tax lots are reclassified to reflect the Class 2 tax rate, the Company and the County agree to enter into an amended agreement when such actual figures become available.)

5. The Company, its successors and assigns, may neither file a tax certiorari petition to challenge the assessed valuation of the Property nor apply to receive the Senior Citizens' Property Tax Exemption and Veterans' Real Property Tax Exemption for the duration of this Agreement as long as the assessed valuation of the Property remains at $121,410.

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a). (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a). (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a). (b) and (c) shall be so limited.

The Contractor shall include provisions (a). (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

Adverse Job-Related Action includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

Contact means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

Designated Point(s) of Contact means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

Nassau County Employee means any officer, official or employee of Nassau County.

Family Member means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

Gift means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

Nassau County Code of Ethics means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

Participating Employee means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

Participating Nassau County Employee means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

Primary Contracting Party means a Vendor who intends to directly enter into or has a contract with Nassau County.

Retaliatory Action is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

State Procurement Lobbying Law means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

Vendor means any individual or entity seeking to or doing business

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

Chapter 3: GIFTS OR CONTINGENT FEES

Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

(a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;

(b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

Section 3.03 Contingent Fees

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT

Section 4.01 Restrictions During the Procurement Process

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

procurement should be directed to the Designated Point of Contact for the procurement.

Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

(i) 30 days from the time the matter before the Employee is closed, or
(ii)30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

Chapter 5: CONFLICT OF INTEREST

Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

Section 5.02 Personal Business Dealings

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

Section 5.03 Disclosure and Cooperation

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

Section 5.04 Confidential Information

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

If the Vendor receives from any source confidential or proprietary Nassau County information prior to the award of a resulting contract and, where applicable, approval by the County Legislature, without the explicit approval of the Designated Point of Contact, the Vendor shall immediately so notify the Designated Point of Contact.

Nassau County confidential or proprietary information includes, but is not limited to, internal cost estimates and proposals submitted by other Vendors.

Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

Chapter 6: FORMER NASSAU COUNTY EMPLOYEES

Responsibility Determination Memo

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, that the vendor is a responsible contractor for the purpose of being awarded the above-referenced contracts.

NYS Standard for State and Municipal Contract Approval

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements." NY CLS St. Fin §163 (1) (c). This standard is equivalent to the standard applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employees the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test, can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity
   The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority
   Vendor is not debarred. Vendor possesses requisite licenses.

3. Integrity
   Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

SUBJECT: Contract No: H61126-68G1
Merrick Road Rehabilitation-Phase 1
Posillico Civil, Inc..
Responsibility Determination Memo

4. Past Performance
Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

> For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.
>
> Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.
>
> A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part

of the vendor. Any adverse information which is not deemed to be sufficient for a finding of nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in this regard include, but are not limited to, termination of the employee(s) involved, introduction of new policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Vendor Adverse Information

Vendor has paid two fines, $2,500 and $10,000, to the New York State Public Service Commission for failing to call the one–call notification system prior to excavating and in each incident, damaged a gas service line. To address the Department's concern regarding the violations of the one call notification requirement, vendor has previously suppled a letter describing the safety precautions it has and will implement to ensure that there will be no similar violations during the County work and the Department is satisfied with the planned precautions. Additionally, Vendor included with its Business History form correspondence between the Vendor and the New Jersey Department of Labor (NJDOL) regarding a potential failure by a Vendor subcontractor to pay prevailing wage. In its letter to NJDOL, Vendor clarified that the entity identified in the NJDOL letter was a supplier rather than a subcontractor – so the Vendor was not responsible for checking the paid wages. The Department has concluded that the vendor is a responsible vendor for the performance of the scope of work in Contract H61126-68G1.

The violation on Surf Avenue was not our fault. We were issued a violation because instead of calling for a ticket number for Posillico, the crew used the mark outs that were laid out under Turner's Ticket #. The Mark-out was off by 6 feet. We called for a ticket number and new mark out.

I believe that the violation on November 13, 2017, occurred when a large rock was being broken up. A piece of the rock fell into the trench hitting the gas line. We coordinated the repair of the line and modified our operations.

Only the Chief Executive Officer or the Board of Directors of Posillico can approve any exceptions to the standard at-will employment relationship or provide any Employee, individually or on a collective basis, with an employment contract or special arrangement concerning the terms or conditions of employment, and such exceptions or contracts/arrangements must be set forth in a written document.

For Employees represented by a labor organization whose terms and conditions of employment are covered under a collective bargaining agreement, if there are any conflicts between the terms of this Employee Handbook and the applicable collective bargaining agreement, the collective bargaining agreement shall prevail.

Equal opportunity extends to all aspects of the employment relationship, including hiring, transfers, promotions, training, terminations, working conditions, compensation, benefits, and other terms and conditions of employment.

Some examples of conduct that might be considered harassment include ethnic slurs, racist jokes, pornographic e-mail, unwelcome touching, display of offensive pictures, or any other verbal or physical conduct based on a protected characteristic under applicable federal, state, or local law that has the purpose or effect of creating an intimidating, hostile, or offensive work environment. Posillico considers harassment in all forms to be a serious offense.

We will endeavor to make a reasonable accommodation to the known physical or mental limitations of qualified Employees with disabilities, without regard to any protected classifications, unless the accommodation would impose an undue hardship on the operation of our business. Any Employee who needs assistance to perform his or her job duties because of a physical or mental condition should contact Human Resources.

Employees who have been subject to prohibited discrimination or harassment should immediately report the incident in accordance with the Company's Sexual and Other Harassment policy.

SEXUAL HARASSMENT DEFINED

Sexual harassment is considered a form of employee misconduct. Appropriate disciplinary action will be taken against individuals engaging in sexual harassment and against supervisory and managerial personnel who knowingly allow such behavior to continue.

Sexual harassment means any harassment based on someone's sex, gender, sexual orientation, sexual identity, transgender status (including pregnancy, childbirth and related medical conditions), or gender expression. Sexual harassment can occur between any individuals, regardless of their sex or gender. Sexual harassment includes unwelcome conduct which is either of a sexual nature or which is directed at an individual because of that individuals' sex or gender when:

- Submission to that conduct or those advances or requests is made either explicitly or implicitly a term or condition of an individual's employment; or
- Submission to or rejection of the conduct or advances or requests by an individual is used as the basis for employment decisions affecting the individual; or
- The conduct or advances or requests have the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment, even if the individual is not the intended target.

Sexual harassment can be verbal (e.g., jokes, insults, gestures or teasing), visual (e.g., offensive posters, symbols, cartoons, drawings, computer displays, text messages, social media posts or e-mails) or physical conduct (e.g., unwanted touching, physically threatening another) that denigrates or shows hostility or aversion towards an individual based on sex or gender, gender identity, gender expression and/or sexual orientation.

Examples of conduct that violate this policy include:

- unwelcome sexual advances, flirtations, advances, leering, whistling, touching, pinching, assault, blocking normal movement
- requests for sexual favors or demands for sexual favors in exchange for favorable treatment
- obscene or vulgar gestures, posters, or comments
- sexual jokes, noises, or comments about a person's body, sexual prowess, sexuality, sexual experience, or sexual deficiencies
- propositions, or suggestive or insulting comments of a sexual nature
- derogatory cartoons, posters, and drawings
- sexually-explicit e-mails, text messages, posts or voicemails
- conversation about one's own or someone else's sex life
- conduct or comments consistently targeted at only one gender, even if the content is not sexual
- teasing or other conduct directed toward a person because of the person's gender
- sex stereotyping

The above list is illustrative only, and not exhaustive. No form of sexual harassment will be tolerated.

Sexual harassment and all other forms of harassment are prohibited both at the workplace and outside the workplace, for example at Company-sponsored events.

SEXUAL HARASSMENT COMPLAINT AND REPORTING PROCEDURE

Any employee, intern, independent contractor, or non-employee who has been subjected to behavior that may constitute sexual harassment, or witnesses behavior that may constitute sexual harassment, is encouraged to promptly speak to, write, email, or otherwise contact your direct supervisor or, if the conduct involves your direct supervisor, the next level above your direct supervisor and/or Lisa Dippel, VP, Human Resources, or any member of management with whom the employee feels comfortable, ideally within ten (10) days of the offending conduct. Every supervisor who learns of any employee's concern about conduct in violation of this policy, whether in a formal complaint or informally, must immediately report the issues raised to Lisa Dippel, VP, Human Resources. If you have not received a satisfactory response within five (5) days after reporting any incident of what you perceive to be harassment, please contact Joseph K. Posillico, President & CEO, immediately.

The Company is committed to enforcing this policy against all forms of harassment, including sexual harassment. However, the effectiveness of our efforts depends largely on employees telling us about inappropriate workplace conduct. If employees feel that they or someone else may have been subjected to conduct that violates this policy, they should report it immediately. If employees do not report sexually harassing or other harassing conduct, the Company may not become aware of a possible violation of this policy and may not be able to take appropriate corrective action.

SEXUAL HARASSMENT INVESTIGATION PROCEDURE

The Company takes all complaints of harassment seriously. The Company will promptly and thoroughly investigate the facts and circumstances of all complaints of sexual and other harassment, whether the complaint was made verbally or in writing. Any employee may be required to cooperate as needed in an investigation of suspected sexual or other harassment. All persons involved, including complainants, witnesses, and alleged harassers, will be accorded due process to protect their rights to a fair and impartial investigation. The investigation will be kept confidential to the greatest extent possible, consistent with conducting a thorough and fair investigation.

While the investigation process may vary from case to case, the Company generally investigates as follows:

- The Company will interview the complainant and the accused, conduct further interviews as necessary, and review documents or other information the investigator believes are relevant.

- Upon completion of the investigation, the Company will determine whether this policy has been violated based upon its reasonable, good-faith evaluation of the information gathered during the investigation. The Company will inform the complainant and the accused of the results of the investigation.

Any employee found to have engaged in conduct in violation of this policy will be considered to have engaged in employee misconduct. Individuals who violate this policy (which includes supervisory or management personnel who fail to report or knowingly allow sexually harassing behavior to continue) will be subject to disciplinary action, up to and including termination from employment. Individuals who engage in conduct that rises to the level of a violation of law can be held personally liable for such conduct.

The DHR has the power to award relief, which varies but may include requiring an employer to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines. DHR's main office contact information is:

Retaliation is defined as adverse conduct taken because an individual reported an actual or perceived violation of this policy, opposed practices prohibited by this policy, participated in the reporting and investigation process set forth in this policy or testified or assisted in an investigation or proceeding involving an actual or perceived violation of this policy. Adverse conduct includes, but is not limited to any action that would keep an employee from reporting sexual harassment or other harassment or retaliation; shunning and avoiding an individual who reports sexual harassment or other harassment or retaliation; express or implied threats or intimidation intended to prevent an individual from reporting sexual harassment or other harassment or retaliation; and denying employment benefits because an applicant or employee reported or encouraged another employee to report sexual harassment or other harassment or retaliation or participated in the reporting and investigation process.

In addition to being subject to discipline if they engaged in sexually harassing conduct or other harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual harassment or other harassment, or otherwise knowingly allowing sexual harassment or other harassment to continue.

Supervisors and managers will also be subject to discipline for engaging in any retaliation.

VIOLATIONS OF THIS POLICY

Any employee, regardless of position or title, whom Lisa Dippel, VP, Human Resources determines has subjected an individual to harassment or retaliation in violation of this policy, or has knowingly allowed such behavior to continue, will be subject to discipline, up to and including termination of employment.

The Human Resources Department is responsible for the administration of this policy. If you have any questions regarding this policy or questions about harassment that are not addressed in this policy, please contact Lisa Dippel, VP, Human Resources.

EMPLOYEES COVERED UNDER A COLLECTIVE BARGAINING AGREEMENT

The employment terms set out in this policy work in conjunction with, and do not replace, amend, or supplement any terms or conditions of employment stated in any collective bargaining agreement that a union has with the Company. Wherever employment terms in this policy differ from the terms

expressed in the applicable collective bargaining agreement with the Company, employees should refer to the specific terms of the collective bargaining agreement, which will control.

130 EMPLOYMENT RELATIONS

Posillico endeavors to deal with our Employees openly, directly and consistently. We expect the very best from ourselves and from everyone connected with our organization.

We have an open door policy whereby Employees can let us know about issues they are experiencing in the workplace, and ways we can improve, to make us the best we can be. Employees can voice their concerns openly and directly to their immediate supervisor.

By doing such, it enables all of us at Posillico to work together to help make the environment more productive, and communications more clear. We demonstrate our commitment to our Employees by responding effectively to Employee concerns to the best of our abilities.

If for any reason you believe it is inappropriate to raise a particular issue with your immediate supervisor, or you are uncomfortable in doing so, you may speak directly with Human Resources.

We expect everyone to display the following values in each of their daily interactions with clients/customers, other business partners, and the general public.

Caring & Commitment: We respect our customers and colleagues through kindness, empathy and dedication.

Open-Mindedness & Willingness to Learn: We are considerate of diverse ideas and value opportunities to learn, grow and share with others.

Maturity & Self-Discipline: We practice emotional self-regulation and strong work ethics.

Ethics: We uphold our professional integrity, regulatory and moral responsibilities as we do business.

Collaboration: We uphold productive working relationships with our customers and colleagues to achieve our goals.

Accountability: We dependably and reliably honor our commitments.

140 DRUG-FREE WORKPLACE POLICY

It is the policy of Posillico to require all Employees reporting to work and remaining on duty to be able to perform their jobs in a safe and satisfactory manner.

In order to ensure that all Employees are suitably fit for work and to provide a safe work place and healthy workforce, Posillico has established certain rules and regulations.

Alcohol

Employees are strictly prohibited from reporting to work while being under the influence of alcohol or consuming alcohol during working hours. In addition, Employees are strictly prohibited from consuming alcoholic beverages at mealtime or during rest periods.

Illegal Drugs

Using or being under the influence of illegal drugs on or off the job is strictly prohibited. In addition, the use, manufacture, distribution, dispensing, possession, purchase, storage, transfer, sale of, or offer to sell or dispense illegal drugs on or off the job is prohibited. This includes meal and rest periods.

Legal Drugs

Any person other than the one for whom the drug was properly prescribed shall not bring said legal drugs onto Employer owned or controlled premises. Legal drugs are to be used only in a manner, combination and quantity as prescribed or directed. For certain job positions, an Employee's use of legal drugs can pose a significant risk to the safety of the Employee and others.

Therefore, Employees shall not operate any equipment or vehicles while taking legal drugs, unless the prescribing physician advises that such drugs will not impair the Employee's working abilities. The Employer reserves the right to require written confirmation that such drugs will not impair working abilities for Employees engaged in safety sensitive duties, and to take such other measures as may be appropriate to assure workplace safety and productivity.

Discipline/Discharge for Violations

Any violation of the foregoing provisions will subject the Employee to discipline up to and including discharge for a first offense.

Employee Assistance

Posillico recognizes that alcoholism and drug dependency may be illnesses and encourage our Employees and their family members to seek assistance in regard to these dependencies. Substance dependence may be treated and controlled through continued abstinence.

Posillico encourages afflicted Employees to obtain help before physical degeneration, family disintegration and job-related problems set in.

If an Employee requests help for a substance abuse problem before his or her job performance has been adversely affected in violation of this policy, Posillico will endeavor to make reasonable accommodations to assist Employees recovering from substance and alcohol dependencies, and those who have a medical history that reflects treatment for substance abuse conditions. This may include referring the Employee to our healthcare provider who can provide guidance on obtaining

rehabilitation assistance. The Employee must voluntarily request this assistance and must voluntarily agree to an evaluation, and, if indicated, to comply with the terms of a rehabilitation program.

Posillico's healthcare provider can provide names of competent medical and rehabilitation services in the surrounding communities. Any information which Posillico receives from the Employee or others in connection with treatment, such as requests for leaves of absence, etc., will be treated confidentially.

It is therefore the responsibility of each Employee to seek assistance from a rehabilitation program before alcohol and drug problems lead to disciplinary action, which can include discharge for a first offense.

*See Exhibit A for full Corporate Drug and Alcohol Policy.

150 ETHICS POLICY AND CONFLICTS OF INTEREST

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. The Posillico Code of Business Conduct and Ethics Policy ("Code"), which can be found at the end of this handbook, describes the framework within which Posillico operates. The purpose of the Code is to provide general direction so that Employees can seek further clarification on issues related to the subject of acceptable standards of operation. All Employees are required to review and abide by the Code.

Purpose

The purpose of this policy is to protect the interests of the Posillico Civil, Inc. and its integrated companies and affiliates (hereinafter "Posillico" or the "Company"). In the regular course of business, agents and employees of the Posillico may have the opportunity to advance their own personal interests with or against the interests of Posillico. Acting in such a manner is unacceptable and any party who acts outside of Posillico's best interest may be subject to disciplinary action.

Definitions

Employee – any person who is employed by Posillico in a part or full-time capacity and in accordance with the labor laws of the state of New York.

Agent – an owner, director, stakeholder, contractor or other third-party that is in the position to act on behalf of Posillico.

Financial Interest – The interest that any individual may have in the monetary transactions of Posillico. In particular, any interest that could have a direct bearing on the financial gain/loss of said individual.

Procedure

Duty to disclose - Every employee/agent of Posillico with signatory authority on behalf of the Company which exceeds $12,500 is obligated to disclose any known or potential conflicts of interest as soon as they arise. Failure to do so could result in termination of employment.

Investigating potential conflicts - When a possible conflict of interest arises, the board of directors will collect of the pertinent information and may question any concerned parties. If the board determines that a conflict exists, steps will be taken to address to conflict. If no conflict exists, the inquiry may be documented but no further action will be taken.

Addressing conflicts of interest - When an actual conflict of interest is found, any transactions that may have been affected will be reviewed retroactively. Affected parties both within and outside of the business, including shareholders, directors, employees, and contractors will be notified. An investigation will also be conducted by the board of directors to determine the extent of the conflict and the intentions of the parties involved.

If the conflict in question involves a member or members of the board of directors, such a member will be excused from the deliberations.

Disciplinary action - As all conflicts of interest will be reviewed on a case-by-case basis, a review may result in disciplinary action. The board of directors has full discretion to deem what disciplinary action is both fitting and necessary, including suspension and/or termination of employment.

160 NEPOTISM

We at Posillico recognize that in several cases the best choice for job placement very well could be a family member or friend of an Employee. This is a big part of our history. Because that is the case, it is important to have policies in place that make sure all our Employees, suppliers, and subcontractors are treated fairly.

It is our policy to avoid the hiring, transfer, or promotion of relatives into situations where the appearance of favoritism or conflict of interest might exist. Therefore, applicants will not be hired into a division or crew where a relative has supervisory responsibility or where a relative is in the supervisory chain of command under which the applicant would work. Also, existing Employees will not be transferred or promoted into a division or crew where a relative has the direct supervisory responsibility or is in the supervisory chain of command.

It is also our policy that all Posillico Employees will be evaluated and placed on jobs based on their performance, not on personal relationships or friendships.

These same policies will apply to the use of suppliers and subcontractors. All subcontractors and vendors will be hired based on quality, service, and price. No subcontractor or vendor will receive preferential treatment because they are a relative or friend of an Employee or owned by an Employee. No Employee will be allowed to subcontract or purchase work or materials from a relative or

themselves unless this is the most cost effective option and previously approved by supervisor and a partner.

Again, we know that, in spite of this policy, there will still be occasions in our company when family members will work together or even supervise one another because it is the best way to do the job. For that reason, if any Employee feels that he or she has been unfairly treated because of preferential treatment given to a family member or a friend, they can contact the Human Resources Department to report the incident. All such reports will be kept completely confidential.

170 OUTSIDE EMPLOYMENT

Employees may hold outside jobs provided such employment does not conflict with their employment with Posillico, is not with a competitor, and their performance remains satisfactory in their job with Posillico, including satisfying attendance and availability needs at all scheduled times. Employees should consider the impact that outside employment may have on their ability to perform their jobs for Posillico.

If Posillico determines that an Employee's outside work interferes or conflicts with performance or the ability to meet the requirements of the organization, as they may be modified from time to time, the Employee may be asked to terminate the outside employment if he or she wishes to remain with the organization.

200 EMPLOYMENT STATUS AND RECORDS

210 EMPLOYMENT CATEGORIES

This policy describes the various employment classifications at Posillico, so that Employees understand their employment status and benefit eligibility.

Each Employee is designated as either NON-EXEMPT or EXEMPT. NON-EXEMPT Employees are entitled to overtime pay in accordance with applicable federal and state wage and hour laws. EXEMPT Employees are salaried Employees and do not receive additional pay for hours worked in excess of their scheduled hours, as defined below.

The following summarizes the detail of the above classifications:

FULL-TIME EMPLOYEES are those who are not in a Temporary or Intern category are paid on a salary or hourly basis and who are scheduled to work no less than thirty-seven and a half (37.5) hours per week. Generally, they are eligible for Posillico's benefit package, subject to the terms, conditions, and limitations of each benefit program.

PART-TIME EMPLOYEES are those who are not assigned to the Intern or Temporary category and who are scheduled to work less than thirty-seven and a half (37.5) but more than twenty-nine and a half (29.5) hours per week. Generally, they are eligible for Posillico's benefit package on a pro-rated basis, subject to the terms, conditions, and limitations of each benefit program.

PART-TIME EMPLOYEES are those who are not assigned to the Intern or Temporary category and are scheduled to work less than twenty-nine and a half (29.5) hours per week. They are eligible to receive all benefits required by applicable law (such as workers' compensation or statutory short-term disability benefits, sick time (depending on work location), and Social Security benefits), but are not eligible for Posillico's other benefit programs. The exception, however, is any Employee working at least one thousand (1,000) hours in a calendar year will be eligible for any profit sharing or 401(k) plan offered by Posillico, as required by law.

TEMPORARY EMPLOYEES are those who, regardless of the number of hours per week they are scheduled to work, are informed at the time of hire that their employment will be limited to a set period of time or until a specified project is completed**.** Employees are only eligible for benefits required by applicable laws. This classification includes Interns who are either (i) earning credit in a regular college program related to their assignment with Posillico and/or the successful completion of their assignment with Posillico is a condition to earning such college credit or (ii) other students who are not earning school credit in connection with their work with Posillico, but who are working in a temporary position with Posillico. Employees are only eligible for benefits required by applicable laws.

Employees are informed of their initial employment classification and status as exempt or non-exempt upon commencing employment. If an Employee changes position during his/her employment as a result of a promotion, transfer or otherwise, management will inform him/her of any change in his/her job classification.

220 PERSONNEL DATA CHANGES

For benefits administration, in case of an emergency and so that it can properly process all employment related information, Posillico must have accurate and up-to-date personnel information about its Employees.

Therefore, you are required to inform Posillico when your address or telephone number changes, when events occur which could affect Posillico's ability to contact you in emergencies, the insurance coverage which should be provided to your dependents, your tax status, or similar matters.

Additionally, it is important to keep your level of formal education and professional credentials updated. Please inform the Human Resources Department and your supervisor when such changes occur.

230 PERFORMANCE EVALUATION

Immediate supervisors and Employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Additional formal performance reviews are conducted to provide both immediate supervisors and Employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals.

Performance evaluations generally are scheduled annually. Posillico may award merit-based pay adjustments in an effort to recognize an Employee's performance. The decision to award such an adjustment is dependent upon numerous factors, including Posillico's finances, its business forecasts, and the information documented by this formal performance review process. Receiving a performance evaluation is not a guarantee of a wage increase.

240 ACCESS TO PERSONNEL FILES

Disclosure to Government Agencies

On occasion, Posillico must provide information and data from its personnel records and files to federal, State, and local government agencies in accordance with record keeping and reporting requirements imposed by such agencies.

In instances where a government agency requests information beyond that which it normally requires, the Company ordinarily advises affected Employees of the agency's information request. However, if an agency's information request occurs in the course of an agency investigation or if an agency asks the company to keep such a request confidential, the company has discretion to comply with the agency's request.

Posillico ordinarily honors subpoenas demanding information regarding any Employee, but usually advises an Employee of the subpoena and nature of the information requested, unless otherwise prohibited by law.

Disclosure or Release to Nongovernmental Entities

In response to an information request from an Employee, former Employee, outside organization, individual, or other nongovernmental entities, Posillico normally verifies only the employment status and dates of employment for former or present Employees.

Posillico does not provide any other information, unless requested under law.

300 WORKING AT POSILLICO

310 WORK SCHEDULES

The work schedule for all Employees may vary by location. Immediate supervisors will advise Employees of the times their schedules will normally begin and end. Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week.

Immediate supervisors will schedule meal and/or rest periods in accordance with applicable State law and in an effort to accommodate operating requirements. Employees will be relieved of all active responsibilities and restrictions during meal periods and will not be compensated for that time.

320 TIMEKEEPING

Accurately recording time worked is the responsibility of every non-exempt Employee. Posillico needs an accurate record of time worked to calculate Employee pay and benefits. Time worked is all the time actually spent on the job performing assigned duties.

Employees are required to record their time in and begin work no more than 5 minutes before their scheduled starting time. Employees must record their time in and out for meal periods and record their time out promptly at the end of their shift. Non-exempt Employees may never work off the clock.

Tampering, altering, or falsifying time records, or recording time on another Employee's time record or having a co-worker do so on your time record may result in disciplinary action up to and including discharge. Employees must inform management if they fail or otherwise forget to record their time in or out before or after any working time. Failure to properly record time may result in discipline, up to and including discharge.

330 OVERTIME

On occasion, certain Employees will be required to work overtime. When possible, advance notification of these mandatory assignments will be provided. Overtime assignments will be distributed as equitably as practical to all Employees qualified to perform the required work. The opportunity to work overtime is at the discretion of management and is based on departmental needs. Overtime is permitted only with the prior approval of your immediate supervisor. Employees who work unauthorized overtime will be subject to discipline, up to and including discharge.

Overtime compensation is paid to all non-exempt Employees at one and one-half times the Employee's regular (generally the straight-time hourly) rate for all hours worked over forty (40) hours in a workweek, unless otherwise specified under applicable law.

Overtime pay is based on hours worked. Time off on sick leave, vacation leave, or any leave of absence will not be considered hours worked for purposes of performing overtime calculations.

340 PAYROLL PRACTICES

Paydays are weekly, payable every Wednesday. When a holiday falls on a Monday, Employees will be paid on Thursday of that week. Posillico does not provide compensation advances or extend credit to Employees.

350 COMPENSATION AND DEDUCTIONS

The law requires that Posillico make certain deductions from every Employee's compensation which are itemized on Employees' payroll stubs. Among these are applicable federal, State and local income taxes, Social Security taxes on each Employee's earnings up to a specified limit, and Medicare taxes. Posillico offers programs and benefits beyond those required by law. Eligible Employees may voluntarily authorize deductions from their paychecks to cover the costs of participation in these programs. Posillico is required by law to recognize certain court orders, liens, and wage assignments and attempts will be made to notify the Employee prior to any deduction.

If applicable, payroll stubs will also differentiate between regular and overtime pay received.

Posillico provides direct deposit to all non-union Employees who desire to have their net compensation directly deposited into a checking and/or savings account and who authorize Posillico in writing to do so. Upon the start of your employment, you will be given a "direct deposit form." If you did not receive one, or otherwise wish to now elect direct deposit, contact the Human Resources Department for information. Deposits are generally made on Wednesdays. Please be aware that there may be circumstances that delay the electronic deposit of your paycheck until Thursday or Friday, so please check your bank account prior to writing checks or making withdrawals or transfers. Posillico will not be responsible for any bank charges due to this situation unless otherwise required by applicable law.

Posillico takes precautions to ensure that all Employees are paid correctly and that no improper payroll deductions are made against wages. In the event a payroll error does occur, the affected Employees should immediately notify his/her manager so corrections can be made (if warranted).

If you believe that your manager has not adequately addressed your complaint (or you believe it would be improper to discuss the situation with your manager), you may report this payroll error to Human Resources who will undertake an investigation.

The Company will make every attempt to adjust the error (e.g., reimburse the Employee for an improper deduction) no later than the Employee's next regular pay period or as soon as possible thereafter, depending on the circumstances.

Safe Harbor Policy for Salaried Exempt Employees Only

If you are classified as an exempt salaried Employee, you will receive a salary which is intended to compensate you for all hours you may work for the Company. This salary will be established at the

time of hire or when you become classified as an exempt Employee. While it may be subject to review and modification from time to time, such as during salary review times, the salary will be a predetermined amount that will not be subject to deductions for variations in the quantity or quality of the work you perform.

Under federal and state law, your salary is subject to certain deductions. For example, absent contrary state law requirements, your salary can be reduced for the following reasons:

- Full day absences for personal reasons.
- Full day absences for sickness or disability.
- Full day disciplinary suspensions for infractions of our written policies and procedures.
- Family and Medical Leave absences (either full or partial day absences).
- To offset amounts received as payment for jury and witness fees or military pay.
- The first or last week of employment in the event you work less than a full week.
- Any full work week in which you do not perform any work.

Your salary may also be reduced for certain types of deductions such as your portion of health, dental or life insurance premiums; state, federal or local taxes, social security; or, voluntary contributions to a 401(k).

In any work week in which you performed any work, your salary will not be reduced for any of the following reasons:

- Partial day absences for personal reasons, sickness or disability.
- Your absence on a day because your employer has decided to close a facility on a scheduled work day.
- Absences for jury duty, attendance as a witness, or military leave in any week in which you have performed any work. (See such policies for more information)
- Any other deductions prohibited by state or federal law.

Please note: it is not an improper deduction to reduce an Employee's accrued vacation, personal or other forms of paid time off banks for full or partial day absences for personal reasons, sickness or disability.

Employees who believe they have been subject to an improper deduction should report the matter to their supervisor immediately. If the supervisor is unavailable or is an inappropriate person to contact, or if a prompt and fully acceptable reply has not been received within five (5) business days, Human Resources should be contacted.

Every report of improper deductions will be fully investigated and corrective action, up to and including discharge, will be taken, as appropriate, for any Employee(s) who violates this policy. In addition, the Company will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the Company's investigation of such reports. Retaliation is unacceptable, and any form of retaliation in violation of this policy may result in disciplinary action, up to and including discharge.

360 BUSINESS TRAVEL EXPENSE

Posillico will reimburse Employees for reasonable business travel expenses incurred while on company business away from their normal work location. When travel is completed, Employees must submit an expense report, approved by your immediate supervisor, accompanied by supporting documents (e.g. receipts, ticket stubs, and actual business miles driven) within thirty (30) days from the date the expenses were incurred.

Reimbursements will not be made without your supervisor's approval and proper documentation. Posillico may, in its sole discretion, determine what is reasonable and reimbursable.

If an Employee has any doubts about whether an expense is reasonable or reimbursable, he or she should obtain authorization in advance of incurring such expense.

370 AUTOMOBILE POLICY

All Employees are eligible for reimbursement of fuel expense at the rate equal to the current IRS rate per mile when using a personal vehicle when traveling for business purposes. This does not include reimbursements in connection with normal commuting to and from work. Additionally, you may receive reimbursement for miscellaneous expenses relating to traveling (i.e. tolls, taxi, train) when traveling for business purposes.

Certain Employees are eligible to receive reimbursement for the expense of an automobile. Human Resources, upon employment will notify you if you are eligible, and at that time you will receive detailed information regarding the benefit.

Part-Time Employees only will receive paid holiday time if they actually were scheduled to work the day that the holiday is scheduled to be celebrated by Posillico.

If a recognized holiday falls during an eligible Employee's paid vacation, the day will be paid and treated as a holiday and will not count as a vacation day.

Paid holidays off are not counted as hours worked for purposes of calculating overtime.

520 PAID TIME OFF (PTO)

Full-time and part-time Employees will receive PTO pursuant to this policy at the start of employment. New Employees are eligible to use PTO beginning the first of the month following date of hire.

On January 1st of each calendar year, full-time Employees will be granted at least fifteen (15) PTO days for immediate use. Additional PTO days will be provided based upon years of service, as set forth below.

Employment with Company	Days Earned Per Year
1st full calendar year through 5th year	15 days
6th year through 20th year	20 days
21st year +	25 days

On January 1st of each calendar year, part-time Employees will be granted at least six (6) PTO days for immediate use, as set forth below.

Part-time Schedule	Days Earned Per Year
2 days per week	6
3 days per week	9
4 days per week	12

New full-time and part-time Employees will receive a prorated portion of PTO during their first year of employment, depending on date of hire.

For purposes of this policy, the calendar year is the consecutive 12-month period beginning January 1st and ending December 31st.

Employees may use available PTO for the following reasons:

(a) The Employee's mental or physical illness, injury or health condition or need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition or need for preventative medical care; or
(b) The care of the Employee's child, spouse, domestic partner, parent, sibling, half-sibling, step-sibling, sibling related through adoption, grandchild or grandparent, or the child or parent of the Employee's spouse or domestic partner who needs medical diagnosis, care or treatment of a mental or physical illness, illness, injury or health condition or who needs preventative medical care; or
(c) Closure of the Employee's place of business by order of a public official due to a public health emergency or such Employee's need to care for a child whose school or childcare provider has been closed by order of a public official due to a public health emergency;
(d) Planned personal days;
(e) Planned vacation days; or
(f) As otherwise provided by applicable federal, state or local law.

An Employee's use of PTO for reasons (a) or (b) above will not be conditioned upon searching for or finding a replacement worker.

The Company will require supporting documentation if the Employee uses available PTO for more than 3 consecutive days for reasons (a), (b) or (c) above. For PTO used for reasons (a) or (b) above, documentation signed by a licensed health care provider indicating the need for the amount of PTO time taken will be considered reasonable documentation and such documentation need not specify the nature of the Employee's or the Employee's family member's injury, illness or condition.

Requests for planned personal or vacation days, other than those discussed above, must be made at least two weeks in advance to the Employee's supervisor. Requests for vacation and planned personal time will be decided based on business needs and seniority.

PTO is paid at the Employee's base pay rate at the time of use. PTO pay does not include overtime or any special forms of compensation such as incentives, commissions or bonuses. Moreover, PTO time used is not considered hours worked for purposes of calculating overtime.

PTO may be taken in minimum increments of one half day. The Company reserves the right to mandate the use of PTO in certain instances, to the extent permitted by applicable law.

All full-time and part-time Employees receive PTO on January 1st of each year and are free to immediately use it. The first 56 hours of PTO shall be deemed for statutory purposes to be statutory sick leave and no employee shall be entitled to use more than 56 hours of statutory sick leave in any

given year. Therefore, Employees may not carry over PTO and unused PTO will be lost at the end of the year. PTO will not be paid upon separation of employment.

Employees have the right to request and use PTO for the reasons set forth in (a), (b), and (c) above and if employed in New York City, may file a complaint for alleged violations of this policy with the New York City Department of Consumer Affairs. The Company prohibits retaliation or the threat of retaliation against an Employee for exercising or attempting to exercise any right provided in this policy, or interference with any investigation, proceeding or hearing related to or arising out of Employee's rights pursuant to this policy and applicable law.

Employees with questions regarding this policy can contact the Human Resources Department.

530 FAMILY AND MEDICAL LEAVE ACT (FMLA)

Employees Eligible for FMLA Leave

FMLA leave is available to "eligible Employees". To be an "eligible Employee", an Employee must: (1) have worked for the Company for at least 12 months (which need not be consecutive); (2) have been employed by the Company for at least 1250 hours of service during the 12-month period immediately preceding the commencement of the leave and (3) be employed at a worksite where 50 or more Employees are located within 75 miles of the worksite.

Basic FMLA Leave Entitlement

The FMLA provides eligible Employees up to 12 workweeks of unpaid leave for certain family and medical reasons during a 12-month period. The 12-month period is determined on rolling basis dating back from the time the Employee requests leave. Leave may be taken for any one, or for a combination, of the following reasons:

- To care for the Employee's child after birth, or placement for adoption or foster care;
- To care for the Employee's spouse, son, daughter or parent (but not in-law) who has a **serious health condition**;
- For the Employee's own **serious health condition** (including any period of incapacity due to pregnancy, prenatal medical care or childbirth) that makes the Employee unable to perform one or more of the essential functions of the Employee's job; and/or
- Because of any **qualifying exigency** arising out of the fact that an Employee's spouse, son, daughter or parent is a military member on covered active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty) in (a) the Reserve component of the Armed Forces for deployment to a foreign country in support of a contingency operation, or (b) the Regular Armed Forces for deployment to a foreign country.

A **serious health condition** is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the Employee from performing the functions of the Employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period

of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, caring for the parents of the military member on covered active duty and attending post-deployment reintegration briefings.

Additional Military Family Leave Entitlements (Injured Servicemember Leave)

In addition to the basic FMLA leave entitlement discussed above, an eligible Employee who is the spouse, son, daughter, parent or next of kin of a covered servicemember is entitled to take up to 26 weeks of leave during a single 12-month period to care for the servicemember with a serious injury or illness. Leave to care for a servicemember shall only be available during a single 12-month period and, when combined with other FMLA-qualifying leave, may not exceed 26 weeks during the single 12-month period. The single 12-month period begins on the first day an eligible Employee takes leave to care for the injured servicemember.

A **"covered servicemember"** means (A) members of the Armed Forces (including the member of the Reserves and National Guard) who are undergoing medical treatment, recuperation, or therapy is otherwise on outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness or (B) veterans who were members of the Armed Forces (including Reserves and National Guard) and who were discharged or released from military service under conditions other than dishonorable at any time during the 5 year period preceding the date on which the eligible Employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation or therapy for an injury or illness.

Note: The FMLA definitions of "serious injury or illness" applicable to current members of the Armed Forces and covered veterans are distinct from the FMLA definition of "serious health condition" applicable to FMLA leave to care for a covered family member.

Benefits and Protections

During FMLA leave, eligible Employees are entitled to receive group health plan coverage on the same terms and conditions as if they had continued to work. Whenever Employees are receiving pay from the Company during FMLA leave, the Company will deduct the Employee portion of the group health plan premium from the Employee's paycheck in the same manner as if the Employee was actively working. If FMLA leave is unpaid, Employees must pay their portion of the group health premium by sending a check in the required amount to the Company prior to the due date.

The Company's obligation to maintain health care coverage ceases if an Employee's premium payment is more than 30 days late. If an Employee's payment is more than 15 days late, the Company will send a letter notifying the Employee that coverage will be dropped on a specified date unless the co-payment is received before that date. If Employees do not return to work at the end of the leave period (unless Employees cannot return to work because of a serious health condition or other

circumstances beyond their control), they will be required to reimburse the Company for the cost of the premiums the Company paid for maintaining coverage during their unpaid FMLA leave. For purposes of this paragraph, an Employee will be considered to have returned to work if he or she returns to work for at least 30 calendar days, or if he or she retires at the end of the FMLA leave period or within 30 days thereafter.

At the end of FMLA leave, subject to some exceptions, Employees generally have a right to return to the same or equivalent positions with equivalent pay, benefits and other employment terms.

Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible Employee's FMLA leave.

Use of Leave

FMLA leave usually will be taken for a period of consecutive days, weeks or months. However, Employees do not need to use this leave entitlement in one block, and also are entitled to take FMLA leave intermittently or on a reduced leave schedule when medically necessary or otherwise permitted under law. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Company's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Employee FMLA Leave Obligations

Employees must inform Human Resources of the need for FMLA-qualifying leave and the anticipated timing and duration of the leave, if known. Employees may do this by either requesting FMLA leave specifically, or explaining the reasons for leave so as to allow the Company to determine that the leave is FMLA-qualifying.

Employees must provide 30 days' advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, or the approximate timing of the need for leave is not foreseeable, Employees must provide the Company notice of the need for leave as soon as practicable under the facts and circumstances of the particular case. Employees who fail to give 30 days' notice for foreseeable leave without a reasonable excuse for the delay, or otherwise fail to satisfy FMLA notice obligations, may have FMLA leave delayed or denied.

Calling in "sick," without providing the reasons for the needed leave, will not be considered sufficient notice for FMLA leave under this policy. Employees must respond to the Company's questions to determine if absences are potentially FMLA-qualifying. If Employees fail to explain the reasons for FMLA leave, the leave may be denied. When Employees seek leave due to FMLA-qualifying reasons for which the Company has previously provided FMLA-protected leave, they must specifically reference the qualifying reason for the leave or the need for FMLA leave.

Submit Medical Certifications Supporting Need for FMLA Leave (Unrelated to Requests for Military Family Leave)

Depending on the nature of FMLA leave sought, Employees may be required to submit medical certifications supporting their need for FMLA-qualifying leave. Employees may also be required to provide a certification, periodic recertification and/or a return to work/fitness for duty certification.

It is the Employee's responsibility to provide the Company with timely, complete and sufficient medical certifications. Whenever the Company requests Employees to provide FMLA medical certifications, Employees must provide the requested certifications within fifteen (15) calendar days after the Company's request, unless it is not practicable to do so despite an Employee's diligent, good faith efforts. The Company shall inform Employees if submitted medical certifications are incomplete or insufficient and provide Employees at least seven (7) calendar days to cure deficiencies. The Company will deny FMLA leave to Employees who fail to timely cure deficiencies or otherwise fail to timely submit requested medical certifications.

With the Employee's permission, the Company (through individuals other than an Employee's direct supervisor) may contact the Employee's health care provider to authenticate or clarify completed and sufficient medical certifications. If Employees choose not to provide the Company with authorization allowing it to clarify or authenticate certifications with health care providers, the Company may deny FMLA leave if certifications are unclear.

Whenever the Company deems it appropriate to do so, it may waive its right to receive timely, complete and/or sufficient FMLA medical certifications.

Submit Certifications Supporting Need for Military Family Leave

Upon request, the first time Employees seek leave due to qualifying exigencies arising out of the covered active duty or call to covered active duty status of a covered military members, the Company may require Employees to provide: 1) a copy of the covered military member's covered active duty orders or other documentation issued by the military indicating the covered military member is on covered active duty or call to covered active duty status and the dates of the covered military member's covered active duty service; and 2) a certification from the Employee setting forth information concerning the nature of the qualifying exigency for which leave is requested. Employees shall provide a copy of new covered active duty orders or other documentation issued by the military for leaves arising out of qualifying exigencies arising out of a different covered active duty or call to covered active duty status of the same or a different covered military member.

When leave is taken to care for a covered servicemember with a serious injury or illness, the Company may require Employees to obtain certifications completed by an authorized health care provider of the covered servicemember. In addition, and in accordance with the FMLA regulations, the Company may request that the certification submitted by Employees set forth additional information provided by the Employee and/or the covered servicemember confirming entitlement to such leave.

Substitute Paid Leave for Unpaid FMLA Leave

Employees must use any accrued PTO while taking unpaid FMLA leave. The substitution of paid time for unpaid FMLA leave time does not extend the length of FMLA leaves and the paid time will run concurrently with an Employee's FMLA entitlement.

Upon request, the Company will allow Employees to use accrued paid time to supplement any paid disability benefits. Receipt of disability benefits or Workers' Compensation benefits does not extend the maximum amount of leave time to which an Employee is eligible under the FMLA.

Employer Responsibilities

Covered employers must inform Employees requesting leave whether they are eligible under the FMLA. If they are, the notice must specify any additional information required as well as the Employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for ineligibility.

Covered employers must inform Employees if leave is designated as FMLA-protected and the amount of leave counted against the Employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the Employee.

Unlawful Acts by Employers

FMLA makes it unlawful for the Company to interfere with, restrain, or deny the exercise of any right provided under the FMLA; or discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Concerns regarding a possible violation with respect to either of these obligations should be reported to the Company's Human Resources Department.

Enforcement

Employees may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement, which provides greater family or medical leave rights.

*If applicable, leave under the FMLA will run concurrently with leave taken pursuant to the New York Paid Family Leave Benefits Law ("PFL").

540 NON-FMLA MEDICAL LEAVE

Employees with a medical condition may request an unpaid non-FMLA medical leave of absence.

A medical leave can be requested under this policy by contacting Human Resources. The request must include a doctor's certificate stating (1) the date on which the health condition necessitating the leave commenced; (2) the probable duration of the condition; and, (3) medical facts (within the knowledge of the health care provider regarding the condition) which can help us consider the request.

The leaves of absence initially shall be for a period of up to one (1) month. Posillico will consider extensions of leave on a case-by-case basis in accordance with applicable law.

Employees must use any unused PTO (if applicable) while taking unpaid Non-FMLA medical leave. The substitution of paid time for unpaid Non-FMLA medical leave time does not extend the length of this leave, and the paid time will run concurrently with an Employee's Non-FMLA medical leave period. Employees may be entitled to monetary benefit payments, under the State's disability insurance law including short-term disability (and potentially salary continuation benefits), and long-term disability, or workers' compensation while on a non-FMLA medical leave. Receipt of disability benefits or Workers' Compensation benefits does not extend the length of any personal leave granted. Please contact the Posillico Human Resources Department for more information.

Health benefits continue during the period of pre-approved Non-FMLA medical leave as if the Employee were actively working and other benefits will continue to accrue at the same rate as an active Employee. Requirements for the payment of the Employee portion of premiums, if any, will be included in the written notice given to the Employee when the Non-FMLA leave is requested.

When they anticipate returning to work, Employees should notify management of their expected return date. Employees should notify management at least one (1) week before the expiration of leave.

Posillico will make every effort to return you to your previous position upon return from non-FMLA medical leave. However, Posillico reserves the right to fill any position vacant as a result of a Non-FMLA medical leave and therefore reinstatement is not guaranteed unless required by law. In that event, that an Employee's position which became vacant as a result of a Non-FMLA medical leave is was filled, you may request to be considered for any available or vacant position for which you are qualified.

Failure to advise management of availability to return to work, failure to return to work after notifying the Company of expected return to work, or remaining absent from work beyond the time approved by the Company is considered a voluntary resignation of employment unless otherwise prohibited by applicable law.

The Company understands the deep impact that death can have on an individual or a family. When a death occurs in an Employee's immediate family, all regular full-time Employees may take up to three (3) days off with pay to attend the funeral or make funeral arrangements. Employees must provide a copy of the jury duty summons to their supervisor as soon as possible, indicating the expected length of jury duty service, so that the supervisor may make arrangements to accommodate the Employee's absence. In the event it is deemed essential that an Employee remain on the job, Posillico may elect to attempt to secure a postponement of the jury service to a mutually satisfactory date.

During jury duty, Employees must report to work for the major portion of the day if excused by the court. Full-Time Employees will receive their regular pay for a maximum of two-weeks. 600 WORK CONDITIONS AND RULES

605 EMPLOYEE CONDUCT AND WORK RULES

Posillico expects all our Employees to act with good judgment. We expect our Employees to abide by our code of conduct.

It is not possible to list all the forms of conduct that are considered unacceptable in the workplace. The following are examples of infractions of rules of conduct that may result in disciplinary action, including suspension or termination of employment, but such list is not exhaustive:

When discipline is necessary, Posillico generally encourages corrective counseling through the use of verbal and written reprimands prior to dismissal. However, if, in the sole discretion of Posillico, the nature or seriousness of an infraction warrants, dismissal may result without prior verbal and/or written warnings. Please note that none of the above-listed circumstances are intended to infringe upon, interfere with, or restrain an Employee's rights under law.

610 NO SMOKING

In keeping with Posillico's intent to provide a safe and healthy work environment, smoking and the use of smokeless tobacco products are prohibited at all times throughout the workplace. Compliance with this policy applies to both Employees and visitors at all of our properties, including all field offices and trailers, with no exceptions. Employees who violate this policy may be subject to disciplinary action. Any disputes involving smoking and any Employees with questions should discuss their issues/concerns with the Human Resources Department. Employees will not be subject to retaliation for reporting violations of this policy in good faith.

615 ATTENDANCE AND PUNCTUALITY

To maintain a safe and productive work environment, Posillico expects Employees to be reliable and to be punctual in reporting for scheduled work. Employees are expected to be at work by the established starting time at the beginning of the workday and at the conclusion of lunch breaks. Absenteeism and tardiness place a burden on other Employees and on the organization, and we expect each member of our team to avoid these problems whenever possible.

In the rare instance when an Employee cannot avoid being late to work or is unable to work as scheduled, he or she should notify their supervisor as soon as possible in advance of the anticipated tardiness or absence. Asking another Employee, friend or relative to give this notice, outside of extenuating circumstance such as hospitalization, is improper and may result in disciplinary action, up to and including discharge. Employees must contact their supervisor every day that they are absent unless specifically instructed otherwise such as during an approved leave of absence. If an Employee calls in sick for three or more consecutive days or has a pattern of absence, the Employee may be required to provide their supervisor with a doctor's note on the day the Employee returns to work, to the maximum extent permitted by applicable law.

Poor attendance and excessive tardiness are disruptive, and may lead to disciplinary action, including termination of employment. If any Employee is absent for three (3) consecutive days or any three (3) days during a ninety (90) day period of scheduled workdays without notifying his or her immediate supervisor, Posillico will assume the Employee has abandoned his or her position and the Employee will be automatically removed from the payroll.

In evaluating Employee attendance and otherwise administering this policy, the Company does not consider absences/tardiness protected by applicable federal, state, or local law.

620 USE OF MAIL SYSTEMS

The use of Posillico paid postage should be used for business purposes only. This includes U.S. Mail, U.P.S., Fed-Ex, etc.

625 POSILLICO IT AND COMMUNICATIONS POLICY (INCLUDING SOCIAL MEDIA/BLOGGING

Scope and Overview

As the online landscape continues to mature, the opportunities for Posillico employees to communicate with each other and the world are evolving. While technology and social media create new opportunities for growth and personal expression, they also create new responsibilities.

As a Posillico employee, you are viewed by our customers, partners, clients, and other outside parties as a representative of Posillico. Whether or not you specifically reference or discuss your work, your use of technology and social media platforms is a reflection on the Company.

This policy is applicable to all Posillico employees regardless of the system used. In general, these directives apply to all Posillico users of:

- Hardware: Computing, network and telecommunications equipment, and data centers including, but not limited to, computers and Company-provided mobile devices.

- Software: Computing applications supported by the IT Department.

- Information: Electronic data and information.

The Company may choose to provide employees with computing resource. Such resources include personal computers and software, networked computing, electronic mail services and Internet access, among others. Such resources and information stored, sent or received on such systems, including e-mail and all electronic communications, are the property of Posillico.

Individual User IT Policy

This Individual User IT Policy details the minimum expectations and requirements accepted by Posillico for the use of its computing resources and information by individual users. Posillico system users expressly waive any right of privacy in information they create, store, send or receive on Posillico's electronic communication systems. Posillico may choose to monitor individual computer systems, data, internet usage, and/or electronic mail accounts at any given time without prior user notification, in the ordinary course of business when the Company deems it appropriate to do so. The reasons for which the Company may obtain such access include, but are not limited to, maintaining the systems; preventing or investigating allegations of system abuse or misuse; assuring compliance with software copyright laws; complying with legal and regulatory requests for

information; and ensuring that Company operations continue appropriately during an employee's absence.

Use of Posillico system resources in violation of the solicitations and distribution policy is prohibited. Abuse or improper use of the Posillico computer systems, data and/or electronic mail accounts in connection with either business or personal use, may be grounds for disciplinary action, including termination of employment and/or legal action.

Users are responsible for their individual computing equipment (e.g., mobile devices, notebooks, and laptops). Posillico expects its users to locate all desktop and portable computers, workstations, and phones in safe places, protected from fire, environmental conditions, and theft.

When traveling, it is also expected that users do not leave computing equipment unattended and pack it appropriately using heavily padded bags or cases. Portable computers should be never checked as baggage or be left in vehicles for an extended period of time.

ALL CONTENTS OF POSILLICO SYSTEM REASOURCES AND DEVICES ARE PROPERTY OF THE COMPANY. EMPLOYEES SHALL HAVE NO EXPECTATION OF PRIVACY WHATSOEVER IN ANY DATA, INFORMATION OR COMMUNICATIONS, INCLUDING SOCIAL MEDIA POSTS, THAT IS TRANSMITTED TO, RECEIVED OR PRINTED FROM, ACCESSED THROUGH, STORED ON, OR RECORDED ON POSILLICO SYSTEMS OR DEVICES, EVEN IF FOR PERSONAL USE.

Data Storage

Data processed on users' computing equipment must be protected accordingly to the sensitivity of the information. Users should be aware that there are inherent exposures to information-networked drives which can access all files stored in networked devices. Users must consider the security exposures of the various storage media and their associated controls before storing information in an electronic format.

In general, employees should store data in file servers, either in the individual's file server folder or in Posillico shared folders, as these are protected within centralized data locations and are backed up regularly.

When traveling, attempts should be made to store "Private" and "Confidential" information in encrypted removable media (e.g., USB keys or external hard drives) rather than storing the data in the individual' hard drive. The use of self-encrypting removable media is strongly suggested.

Intellectual Property and Confidential Information

Employees shall not use the internet or social media to disclose or otherwise misuse any intellectual property or confidential information of the Company, its affiliates, personnel, or clients, including but not limited to, logos, trademarks, copyrightable materials, trade secrets, business plans, nosiness agreements required by law or contract to be kept confidential, and personal information such as an

individual's address, social security number, account number, health information or health insurance identification number.

Business Use of Internet Access and Social Media

The Company regularly uses the internet and social media for business and marketing purposes. All internet and social media content and accounts that promote the Company or the Company's brand name or logo for Company business purposes requires prior approval of the Business Development Department management.

Any authorized use of the internet and social media must be conducted in a manner that is professional, protects the reputation and brand of the Company and is in compliance with Company's policies, the terms of use for the internet or social media site, and any applicable laws and regulations. Prohibited conduct includes, for example, use of the internet or social media in any way that constitutes libel, false advertising, copyright or trademark infringement, harassment, professional misconduct, or a violation of privacy rights or other rights protected under the law.

Additionally, based on the inherent risk of using Internet, Posillico computer resource users must follow these additional guidelines:

- Email and cloud-based accounts are not to be used for the storage of data or the transfer of any internal Posillico data within or outside the Posillico network.

- Users must not download non-business-related software from the Internet as they may contain viruses, Trojan, and other malicious software which may damage Posillico' information and systems.

- When connecting to the Posillico Network from an unsecured Internet connection (e.g., connecting to Posillico through the user's personal Internet home connection), users are required to use a Virtual Private Network (VPN) client. Users should never connect or attempt to connect to any unauthorized network (e.g., connecting to a neighbor wireless network) while using a company computer or device.

- Users are prohibited from connecting to external networks (including Internet) using dial-up modems connected to workstations while simultaneously connected to a local area network (LAN) or another Posillico internal communication network without prior authorization from the IT Department.

Personal Use of Internet Access and Social Media

The Company respects the right of its staff to use the internet and social media as a medium of self-expression and does not discriminate against employees who use these media for personal interests and affiliations or other lawful purposes. When using the internet or social media for personal purposes, users should follow the guidelines and policies set forth herein to establish a clear line between their personal and Company-related activities and to protect the business and legal interests of the Company. In addition, employees shall refrain from engaging in personal use of the internet

and social media during working hours except for limited, incidental use that does not interfere with performance of Company duties or Company operations and is compliant with Company policies and any applicable laws and regulations.

Employees shall not use the internet and social media for personal purposes in any way that might reasonably create the impression that the content is authorized or controlled by the Company, for example by placing a Posillico logo or trademark prominently on a personal Facebook page in a manner that makes the page appear to be endorsed by the Company. Employees should also refrain from using the company name or established derivatives/abbreviations in their personal handles or display names. If users identify themselves as being associated with the Company on the internet or a social media site and if the nature or context of activity on such site could reasonably be misconstrued as representing the views of the Company, then users should post a disclaimer such as, "My posts reflect my personal opinions and are not approved or authorized by Posillico and its affiliated companies."

Employees should remember that they are personally responsible for their own conduct when using the internet and social media for personal purposes and are discouraged from posting any content that is obscene, discriminatory, threatening or otherwise unlawful. Employees are encouraged to report to the Human Resources department any online behavior by or regarding employees that violates Company policies.

Repair / Upgrade of Hardware and Software

Users are required to contact the IT Department for all hardware and software support, including equipment installations, repairs, upgrades, moves, among others. The use of any external software from a person or organization other than a known and trusted Company supplier, without prior consent from the IT Department, is prohibited.

Approved anti-virus software will be installed, configured, and regularly updated on all individual user computers by the IT Department. Users must notify the IT Department of unprotected workstations, outdated virus-software, and any virus findings in their individual computing equipment. The Company reserves the right to remove any unlicensed or unauthorized software found on user's computing equipment.

IT Purchase and Service Policy

All hardware, software, telecommunication, cell phones, copiers, and other office equipment purchases and installation requests should be submitted to your supervisor for authorization prior to purchase. Once authorization is approved and a purchase order is issued, the IT Department will work with the requesting department/personnel to implement the software in a manner that is consistent with corporate and IT support policies. Any unauthorized hardware or software located on Posillico's systems will be removed upon its discovery. This policy is necessary to ensure that the appropriate level of support is available, that the new hardware/software can integrate with existing systems, and to minimize any disruption in business due to conflicts and incompatibility.

Disclaimer of Responsibility for Damage to Data and Systems

Posillico uses access controls and other security measures to protect the confidentiality, integrity, and availability of the information handled by computers and communications systems.

In keeping with these objectives, the IT Department maintains the authority to:

- Restrict or revoke any user's privileges.

- Inspect, copy, remove, or otherwise alter any data, program, or other system resource that may undermine these objectives.

- Take any other steps deemed necessary to manage and protect its information systems.

This authority may be exercised with or without notice to the involved users. Posillico disclaims any responsibility for loss or damage to data or software that results from its efforts to meet these security objectives.

Social Media Guidelines

For the purposes of this policy, social media means any tool or service that facilitates conversations over the internet. This includes platforms such as Facebook, Twitter, Instagram, Snapchat, WeChat, YouTube, Flickr, blogs, wikis, etc. These platforms are included as examples and are not intended to be an exhaustive list of platforms or forums relevant to this policy.

The Company respects the right of its employee to maintain a blog or website or to participate in social networking on or through websites or services such as Twitter, Facebook, or similar sites/services (collectively "social media"). However, to protect the Company's interests and ensure Employees focus on their job duties, Employees must adhere to the following rules:

  EMPLOYEES ARE REMINDED THAT ALL RULES, REGULATIONS AND POLICIES REGARDING CONFIDENTIAL AND PROPRIETARY BUSINESS INFORMATION APPLY IN FULL TO EMPLOYEES' SOCIAL MEDIA USE.

- Employees who choose to express thoughts or opinions (e.g., political opinion, opinion regarding the Company's action, religious beliefs, etc.) must identify that the views expressed on the blog, website or other platform are yours alone and do not represent the views of the Company.

- Any requests for statements or responses from news media should be forwarded to the employee's direct supervisor and the Human Resources Department.

- Be respectful of potential readers and colleagues. Please do not use obscene, discriminatory, threatening, maliciously false or otherwise unlawful comments or statements.

- Employees may not use the Company's logos or trademarks for commercial purposes or to endorse any product or service.

All other Company policies apply equally to social media. Employees should review this Handbook for further guidance.

The Company encourages all employees to keep in mind the speed and manner in which information posted through social media can be relayed (and often misunderstood) by readers. Employees are expected to use their best judgment. Employees with any questions should review the guidelines above and/or consult with their manager. When in doubt, do not post! Failure to follow these guidelines may result in discipline, up to and including termination. In enforcing this policy, the Company reserves the right to monitor social media activities of employees, whether or not such activities are conducted with Company resources, to the extent permitted by and in accordance with applicable law.

Electronic Mail & Communications Policy

The IT Department provides Posillico users with a common electronic communication system (e.g., Outlook) to meet communication requirements of the corporation.

Electronic communications regarding Posillico matters should be written in accordance with standard business guidelines and conducted in compliance with all Posillico procedures and policies.

Employee Guidelines and Procedures

While we endeavor to provide our Employees with a safe and secure workplace, Posillico recognizes that crime and violence sometimes can spill over into the workplace. We are providing you with these guidelines so you can be better prepared to handle violent and threatening situations.

This document summarizes actions you should and should not take to deal with threatening or violent situations. Taking a few moments to familiarize yourself with these guidelines is an important part of being prepared for workplace emergencies.

Prohibited Conduct

Prohibited conduct includes, but is not limited to:

- Injuring another person physically; engaging in behavior that creates a reasonable fear of injury in another person.
- Engaging in behavior that subjects another individual to extreme emotional distress.
- Possessing, brandishing, or using a weapon while on Posillico premises or engaged in Posillico's business, unless such restriction is prohibited by applicable law.
- Damaging property intentionally.
- Threatening to injure an individual or damage property.
- Committing injurious acts motivated by, or related to, domestic violence or sexual harassment.

General Security Practices

- Never hesitate to call the police or security if confronted with a potentially violent situation. It is better to have called the police unnecessarily than not to have the police available when a threatening situation turns violent.
- Never attempt to physically restrain or physically remove a threatening or violent individual by yourself. Doing so puts you in danger and leaves you and Posillico vulnerable to possible lawsuits.
- Alert your supervisor or the Safety Director to the presence of strangers in your work area or the presence of any suspicious packages.
- Always report violent, threatening, or harassing other behavior in violation of this policy to your supervisor and the Safety Director.
- In the event of armed robbery, comply with the robber's demands, including demands for Posillico's money or property.

Coping with Threatening or Violent Individuals

Effective handling of threatening or violent individuals requires you to use good judgment, common sense and to rely on your own assessment of the particular situation. Nevertheless, you might be able to resolve or cope with many types of threatening or violent situations by following the guidelines below.

When confronted with an angry or hostile individual:

- Stay calm.
- Listen attentively.
- Maintain eye contact.
- Be courteous and patient, but try to keep the situation under control by expressing a willingness to sit and calmly discuss the matter with the individual.

When confronted with a person shouting, swearing, threatening violence, or engaging in bizarre or dangerous behavior:

- Stay calm.
- Be courteous and patient, but maintain your distance from the individual.
- Signal a co-worker or supervisor that you need help. Do not call for help yourself if the individual is directly confronting you.
- Have the co-worker or supervisor call the local police. "Paging Mary Evans" is a pre-arranged code to signal that there is a problem.

When confronted by someone with a gun, knife, or other weapon:

- Stay calm.
- Never try to grab the weapon.
- Quietly signal a co-worker or supervisor that you need help. Do not call for help yourself if the individual is directly confronting you.
- Have the co-worker or supervisor call the security guard or local police. Paging Mary Evans signals that there is a problem.
- Be courteous and patient. Keep talking, but follow the instructions from the person who has the weapon. Stall for time, but do not risk harm to yourself or others.
- Watch for a safe chance to escape to a safe area. Take direction from the police or safety personnel once they arrive on the scene.

Employees must provide their supervisor/manager with reasonable notice of their intention to participate in a blood drive. If the blood drive is at an offsite location, employees must provide at least three (3) days advance notice. If the blood drive is onsite, employees must provide at least two (2) days advance notice.

Posillico fully supports the use of this leave to make a blood donation. We will not tolerate any form of retaliation against an employee for requesting or using leave to donate blood.

II. BONE MARROW DONATION LEAVE

In accordance with state law, Posillico will grant employees up to twenty-four (24) hours of combined leave to donate bone marrow and to recuperate. Employees may use any accrued paid time off for this purpose or take the time as unpaid. Such leave shall not affect the employee's rights with respect to any other employee benefit. Posillico reserves the right to request medical verification of the purpose and length of each leave requested by the employee to donate bone marrow.

III. NEW YORK CITY SUPPLEMENTAL GENDER DISCRIMINATION POLICY

In accordance with New York City law, Posillico prohibits discrimination in employment on the basis of gender. For purposes of this policy, gender is an individual's actual or perceived sex, including gender identity, self-image, appearance, behavior, or expression, regardless of whether the individual's gender identity, self-image, appearance, behavior, or expression is different from that traditionally associated with the legal sex assigned to that individual at birth. Posillico is dedicated to ensuring the fulfillment of this policy as it applies to all terms and conditions of employment, including recruitment, hiring, placement, promotion, transfer, training, compensation, benefits, accommodation requests, access to programs and facilities, employee activities, and general treatment during employment.

In furtherance of this policy:

- Posillico gives employees the option of indicating their preferred gender pronoun. Posillico's systems allow employees to self-identify their names and genders and do not limit such identifications to male and female only.
- Posillico's dress code and grooming standards are gender neutral, and therefore do not differentiate or impose restrictions or requirements based on gender or sex.

- Posillico evaluates all requests for accommodations (including requests for medical leaves) in a fair and non-discriminatory manner.
- Employees who engage with the public as part of their job duties are required to do so in a respectful, non-discriminatory manner by respecting gender diversity and ensuring that members of the public are not subject to discrimination (including discrimination with respect to single-sex programs and facilities).

Employees with issues or concerns regarding gender discrimination or who feel they have been subjected to such discrimination can contact Human Resources. Posillico prohibits and does not tolerate retaliation against employees who report issues or concerns of gender discrimination pursuant to this policy in good faith.

IV. NEW YORK CITY PREGNANCY ACCOMMODATIONS POLICY

Pursuant to the New York City Human Rights Law, Posillico prohibits unlawful discrimination on the basis of pregnancy or perceived pregnancy and will endeavor to reasonably accommodate the needs of an employee for her pregnancy, childbirth, or related medical condition in order allow her to perform the essential requisites of the job, provided that such employee's pregnancy, childbirth, or related medical condition is known or should have been known by Posillico, and the proposed accommodation does not impose an undue hardship on Posillico.

Any employee who needs to request an accommodation due to pregnancy, childbirth, or a related medical condition should contact Human Resources.

After receiving a request for an accommodation due to pregnancy, childbirth, or a related medical condition or learning indirectly that an employee requires such an accommodation, Posillico will engage in a cooperative dialogue with the employee. Even if an employee has not formally requested an accommodation, Posillico may initiate a cooperative dialogue under certain circumstances, such as when Posillico has knowledge that an employee's performance at work has been negatively affected and a reasonable basis to believe that the issue is related to pregnancy, childbirth, or related medical condition, in compliance with applicable law.

The cooperative dialogue may take place in person, by telephone, or by electronic means. As part of the cooperative dialogue, Posillico will communicate openly and in good faith with the employee in a timely manner in order to determine whether and how Posillico may be able to provide a reasonable accommodation. To the extent necessary and appropriate based on the request, Posillico will attempt to explore the existence and feasibility of alternative accommodations as well as alternative positions for the employee. Posillico is not required to provide the specific accommodation sought by an employee, provided the alternatives are reasonable and either meet the specific needs of the employee or specifically address the employee's limitation.

As part of the cooperative dialogue, Posillico reserves the right to request medical documentation from an employee under the following circumstances:

1) when an employee requests time away from work, including for medical appointments, other than time off requested during the six (6) to eight (8) week period following childbirth (for recovery from childbirth) or
2) when an employee requests to work from home, either on an intermittent basis or a longer-term basis.

If Posillico believes that the provided documentation is insufficient, and before denying the request based on insufficient documentation, Posillico reserves the right to request additional documentation from the employee or, upon the employee's consent, speak with the health care provider who provided the documentation. As applicable, an employee whose time off is covered by the Family Medical Leave Act (FMLA) may also be required to provide medical documentation, depending on the circumstances of the leave request, pursuant to federal law.

At the conclusion of the cooperative dialogue, Posillico will provide written notice to the employee in a timely manner indicating that Posillico:

1) will be able to offer and provide a reasonable accommodation,
2) will not able to provide a reasonable accommodation to the employee because there is no accommodation available that will not cause an undue hardship on Posillico's operations, or
3) will not able to provide a reasonable accommodation to the employee because no accommodation exists that will allow the employee to perform the essential requisites of the job.

Posillico will endeavor to keep communications regarding requests for reasonable accommodations and all circumstances surrounding an employee's pregnancy, childbirth, or related medical condition confidential.

Employees with questions regarding this policy should contact Human Resources.

V. NEW YORK STATE PAID FAMILY LEAVE ("PFL")

Employees may be entitled to a paid leave of absence under the New York Paid Family Leave ("PFL") law when they need time off to care for a family member, bond with a child or for certain qualifying exigencies. Benefits under this policy are funded through payroll deductions. This policy provides basic information concerning PFL entitlements and obligations. For questions concerning PFL, employees should contact Human Resources.

EMPLOYEES ELIGIBLE FOR PFL LEAVE

PFL is available to "eligible employees." To be eligible, an employee must have: (a) (1) a regular schedule of 20 or more hours per week; and (2) been employed for at least 26 consecutive weeks prior to the date PFL leave begins; OR (b) (1) a regular schedule of less than 20 hours per week; and (2) worked at least 175 days prior to the date PFL leave begins.

An employee has the option to file a waiver of PFL and therefore not be subject to deductions when his or her regular employment schedule is: (i) 20 or more hours per week but the employee will not work 26 consecutive weeks; or (ii) less than 20 hours per week and the employee will not work 175 days in a 52 consecutive week period.

EMPLOYEE ENTITLEMENTS FOR PFL

As described below, PFL provides eligible employees with a right to paid leave, health insurance benefits and job restoration for certain family reasons.

A. Basic Leave Entitlement

1. Reasons Leave May be Taken

Leave may be taken for any one, or for a combination, of the following reasons:

a. To participate in providing care, including physical or psychological care, for the employee's family member (child, spouse, domestic partner, parent, grandchild, grandparent or parent of a spouse or domestic partner) with a serious health condition;

b. To bond with the employee's child during the first twelve months after the child's birth, adoption or foster care placement; and/or

c. Because of any qualifying exigency, as interpreted by the Family and Medical Leave Act (FMLA), arising out of the fact that the employee's spouse, domestic partner, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the armed forces of the United States.

A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves: (a) inpatient care in a hospital, hospice or residential health care facility; or (b) continuing treatment or continuing supervision by a health care provider. Subject to certain conditions, the continuing treatment or continuing supervision requirement may be met by a period of incapacity of more than three (3) consecutive full days during which a family member is unable to work, attend school, perform regular daily activities or is otherwise incapacitated due to illness, injury, impairment or physical or mental conditions, and any subsequent treatment or period of incapacity relating to the same condition, that also involves: (a) treatment two or more times by a health care provider; or (b) treatment on at least one occasion by a health care provider, which results in a regimen of continuing treatment under the supervision of the health care provider. The continuing treatment or continuing supervision requirement also may be met by any period during which a family member is unable to work, attend school, perform regular daily activities, or is otherwise incapacitated due to a chronic serious health condition or an illness, injury, impairment, or physical or mental condition for which treatment may not be effective. A chronic serious health condition is one which: (a) requires periodic visits for treatment by a health care provider; (b) continues over an extended period of time (including recurring episodes of a single underlying condition); and (c) may cause episodic rather than a continuing period of incapacity. Examples of such episodic

incapacity include but are not limited to asthma, diabetes, and epilepsy. Other conditions may meet the definition of continuing treatment.

Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, caring for the parents of the military member on covered active duty and attending post-deployment reintegration briefings.

2. Duration of Leave

PFL provides eligible employees up to eight (8) weeks (increases to ten (10) weeks on or after January 1, 2019 and up to twelve (12) weeks on or after January 1, 2021) paid leave within any 52 consecutive week period.

The 52 consecutive week period is determined retroactively with respect to each day for which PFL benefits are currently being claimed.

B. Pay During Leave

PFL paid benefits are financed solely through employee contributions via payroll deductions. The weekly monetary benefit will be 50% of the employee's average weekly wage or 50% of the state average weekly wage, whichever is less (increases to 55% on or after January 1, 2019, 60% on or after January 1, 2020 and 67% or after January 1, 2021).

An employee who is eligible for both statutory short-term disability benefits and PFL during the same period of 52 consecutive calendar weeks may not receive more than 26 total weeks of disability and PFL benefits during that period of time. Statutory short-term disability benefits and PFL benefits may not be used concurrently.

C. Intermittent Leave and Reduced Leave Schedules

PFL leave may be taken for a period of consecutive days or weeks. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently in increments of at least one full day or on a reduced leave schedule, except that an employee may only take intermittent or reduced leave to care for a family member with a serious health condition where it is shown to be medically necessary. Employees must provide notice as soon as is practicable before each day or intermittent leave.

D. Protection of Group Health Insurance Benefits

During PFL leave, employees are entitled to continue group health plan coverage under the same conditions as if they had continued to work. Unless the Company notifies employees of other arrangements, whenever employees are receiving pay from the Company during PFL, the Company will deduct the employee portion of the group health plan premium from the employee's paycheck in the same manner as if the employee was actively working.

If an employee's premium payment is more than 30 days late, the Company may retroactively cease coverage to the date the unpaid premium was due.

E. Restoration of Employment and Benefits

Any employee who exercises his or her right to PFL will, upon the expiration of that leave, be entitled to be restored to the position held by the employee when the leave commenced, or to a comparable position with comparable benefits, pay, and other terms and conditions of employment. The taking of leave covered by PFL will not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.

EMPLOYEE PFL LEAVE OBLIGATIONS

A. Provide Notice of the Need for Leave

Employees must timely notify the Company of their need for PFL leave, as described below.

1. Content of Employee Notice

To trigger PFL leave protections, employees must provide sufficient information to make the Company aware of the qualifying event and the anticipated timing and duration of the leave. Employees may do this by either requesting PFL specifically, or explaining the reasons for leave so as to allow the Company to determine that the leave is PFL-qualifying. Employees must specifically identify the type of family leave requested.

2. Timing of Employee Notice

Employees must provide thirty (30) days' advance notice of the need to take PFL when the need is foreseeable. When thirty (30) days' notice is not practicable for reasons such as lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, the employee must provide notice as soon as practicable and generally must comply with the Company's normal call-in procedures. Employees who fail to give 30 days' notice for foreseeable leave without a reasonable excuse for the delay, or otherwise fail to satisfy PFL notice obligations, may have PFL delayed or denied for a period of up to thirty (30) days from the date notice is provided.

B. Request Paid Family Leave

Employees are required to submit a Request for Paid Family Leave to the Posillico Human Resources Department at least 30 days in advance of their need for leave if it is practicable to do so.

C. Submit Documentation Supporting Need for PFL

In addition to submitting a Request for Paid Family Leave, employees are required to submit a Certification and/or Proof of Eligibility (as described below) that supports the specific type of PFL

they are requesting. No PFL benefits shall be paid until the completed Request for Paid Family Leave, together with any necessary certification or proof of eligibility has been submitted. It is the employee's responsibility to provide the Posillico Human Resources Department with a complete and sufficient certification.

1. Certifications Supporting Leave to Care for Family Members

An employee requesting PFL because of a covered family member's serious health condition, must supply a medical certification supporting the need for such leave from the health care provider of the covered family member.

2. Certifications Supporting Leave to Care for Qualifying Exigencies

An employee requesting PFL because of a qualifying exigency must provide a copy of the military member's active duty orders or other documentation issued by the military which indicates that the military member is on covered active duty or call to covered active duty status, and the dates of the military member's covered active duty service.

3. Proof of Eligibility for Leave Taken to Bond with a Child

i. Leave Requested by Birth Mother

A birth mother requesting PFL to bond with a child must provide either (1) a birth certificate; or (2) if a birth certificate is unavailable, documentation of pregnancy or birth from a health care provider that includes the mother's name and the child's due or birth date.

ii. Leave Requested by Parent Other Than Birth Mother

A parent (other than a birth mother) requesting PFL to bond with a child must provide (1) a birth certificate; (2) If no birth certificate is available, a voluntary acknowledgment of paternity or court order of filiation; (3) If neither a birth certificate nor voluntary acknowledgment is available, a copy of documentation of pregnancy or birth from a health care provider and a second document verifying the parent's relationship with the birth mother or child (i.e. marriage certificate, civil union documents, or domestic partner documents). If none of the above documents are available, a parent may submit other documentary evidence of parental relationship for evaluation on a case-by-case basis.

iii. Leave Sought by Adoptive Parent

An adoptive parent requesting PFL to bond with a child must provide (1) a court document indicating that an adoption is in process or is being finalized; or (2) when leave is taken prior to completion of the adoption, a document evidencing that the adoption process is underway, including but not limited to, a signed statement from an attorney, adoption agency, or adoption-related social service provider that the employee is in the process of adopting a child. If the second parent is not named in the above document(s), the employee must provide both a copy of the document evidencing the adoption, and a second document verifying the relationship to the parent

named in the document (i.e. marriage certificate, civil union documents, or domestic partnership documents).

iv. Leave Sought by Foster Parent

A foster parent requesting PFL to bond with a child must provide a letter of placement issued by the county or city department of social services or local volunteer agency. If the employee is not named in the placement document, an employee must submit both a copy of the document evidencing the placement, and a second document verifying the relationship to the parent named in the document (i.e. marriage certificate, civil union documents, or domestic partnership documents).

D. Report Periodically Concerning Intent to Return to Work

Employees must contact the Company on a bi-weekly basis regarding their status and intention to return to work at the end of the PFL leave period. If an employee's anticipated return to work date changes and it becomes necessary for the employee to take more or less leave than originally anticipated, the employee must provide the Company with reasonable notice (i.e., within 2 business days) of the employee's changed circumstances and new return-to-work date. If employees give the Company unequivocal notice of their intent not to return to work, the Company's obligations to maintain health benefits (subject to COBRA requirements) and to restore their positions cease.

E. Substitute Paid Time/Leave for Unpaid Portions of PFL

The Company and an employee may agree to allow the employee to supplement PFL benefits with unused accruals or other paid time off up to their full salary. The supplementing of PFL benefits with unused accruals or other paid time off up does not extend the length of PFL, and the paid time will run concurrently with an employee's PFL entitlement, to the maximum extent permissible under the law.

COORDINATION OF PFL WITH FMLA AND OTHER LEAVE POLICIES

The Company will run PFL concurrently with FMLA or Company Leave Policies whenever permissible under the law. When the total hours taken for FMLA in less than full-day increments reaches the number of hours in an employee's usual workday, the Company may deduct one (1) day of PFL from an employee's annual available PFL.

The PFL does not affect any federal, state or local law prohibiting discrimination, or supersede any federal, state or local law, or collective bargaining agreement which provides greater family leave rights. For additional information concerning leave entitlements and obligations that might arise when PFL is either not available or exhausted, please consult the Company's other leave policies in this Handbook or contact Human Resources.

QUESTIONS AND/OR COMPLAINTS ABOUT PFL

If you have questions regarding this PFL policy, please contact Human Resources. The Company is committed to complying with the PFL and, whenever necessary, shall interpret and apply this policy in a manner consistent with the PFL.

Employees who disagree with a denial of their claim for PFL, may submit their dispute to arbitration. A request for arbitration must be submitted to the dispute resolution forum within 26 weeks of the written notice of denial. Copies of all documents previously submitted to the Posillico Human Resources Department as proof of eligibility and the rejection of claim form must be submitted with the request for arbitration as well as a $25 filing fee. Any request for arbitration which is not accompanied by the necessary documents or filing fee shall be returned with an acknowledgment stating there will be no further action on the claim.

During the investigation, Posillico generally will interview the complainant and the accused, conduct further interviews as necessary and review documents or other information the investigator believes are relevant.

Individuals who violate this policy (which includes supervisory or management personnel who fail to report or knowingly allow sexually harassing behavior to continue) will be subject to disciplinary action, up to and including termination from employment. Individuals who engage in conduct that rises to the level of a violation of law can be held personally liable for such conduct.

LEGAL PROTECTIONS AND EXTERNAL REMEDIES.

Aside from the internal complaint process, employees may choose to pursue external legal remedies with the following governmental entities:

New York State Division of Human Rights (DHR)

The DHR enforces the New York State Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., which protects employees, paid or unpaid interns and non-employees regardless of immigration status from unlawful discrimination, harassment or retaliation. The DHR has the power to award relief, which varies but may include requiring an employer to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is:
NYS Division of Human Rights
One Fordham Plaza, Fourth Floor
Bronx, New York 10458
(718) 741-8400
www.dhr.ny.gov

Individuals also may contact the DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). If an employee believes he/she has been subjected to harassment, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred.
The EEOC can be contacted by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting its website at www.eeoc.gov or via email at info@eeoc.gov

Local Protections

NEW JERSEY SUPPLEMENT

I. FAMILY LEAVE INSURANCE BENEFITS

Employees taking time off work to care for a child, spouse, partner in a civil union, registered domestic partner, or parent with a serious health condition, or to bond with a newly born or adopted child, may be eligible to receive family leave benefits through the state, which is administered by the Division of Temporary Disability Insurance, the New Jersey Department of Labor and Workforce Development.

These benefits are financed solely through employee contributions to the state. The state is responsible for determining if an associate is eligible for such benefits. There generally is a waiting period during which time no family leave benefits are available. The Division of Temporary Disability Insurance can provide additional information about any applicable waiting period.

Employees who need to take time off work to care for a child, spouse, partner in a civil union, registered domestic partner, or parent with a serious health condition or to bond with a newly born or adopted child should speak to Human Resources, who will provide information about the state's family leave benefits program and how to apply for benefits. Employees also may contact the Division of Temporary Disability Insurance for further information. Employees should maintain regular contact with their Manager during this time away from work so we may monitor employees' return-to-work status. In addition, employees should contact The Human Resources Department when ready to return to work so we may determine what positions, if any, are open.

When an employee applies for family leave benefits, Human Resources will determine if the employee has any accrued but unused paid time off available. If the employee has accrued but unused paid time off available, the employee will be required to use up to two (2) weeks of such time before becoming eligible for family leave benefits.

Employees taking time off work to care for a child, spouse, partner in a civil union, registered domestic partner, or parent with a serious health condition or to bond with a newly born or adopted child and who receive paid family leave benefits are not guaranteed job reinstatement unless they qualify for such reinstatement under federal and/or state family and medical leave laws. Any time off for family leave purposes will run concurrently with other leaves of absence, such as Family and Medical Leave Act and the New Jersey Family Leave Act, if applicable. Please see the "Family and Medical Leave" policy for eligibility requirements.

II. NEW JERSEY FAMILY LEAVE (ADDENDUM TO FMLA POLICY)

Like the Family and Medical Leave Act ("FMLA") Policy described elsewhere in this Handbook, the New Jersey Family Leave Act ("NJFLA") may require employers to provide family and medical leaves of absence for eligible employees. Either or both of these laws may apply to a leave. Where both laws apply, any leave taken will be counted under both laws at the same time. This policy will be interpreted to comply with the law(s) that apply to a particular leave. This policy provides employees information concerning any NJFLA entitlements and obligations that differ from the FMLA entitlements and obligations that are set forth elsewhere in this handbook.

If employees have any questions concerning NJFLA leave, they should contact Human Resources.

Eligibility. NJFLA leave is available to "NJFLA eligible employees." To be an NJFLA eligible employee, an employee must:

1) Have been employed by Posillico in New Jersey for at least twelve (12) months;
2) Have worked at least 1,000 "base hours" during the 12-month period preceding the leave; and
3) Be employed by an employer with fifty (50) or more employees.

"Base Hours" are the hours of work for which the employee receives compensation including overtime hours and hours for which the employee receives workers' compensation benefits.

Basic Family and Medical Leave Entitlement. The FMLA provides eligible employees up to twelve (12) workweeks of unpaid leave for certain family and medical reasons. The NJFLA provides eligible employees up to twelve (12) workweeks of unpaid leave for certain family reason during a 24-month period. NJFLA leave may be taken to care for the employee's spouse or partner in a civil union/domestic partner, son, daughter, parent or parent-in-law who has a serious health condition.

Under the NJFLA, leave because the birth of a child or placement of a child with the employee for adoption may commence at any time within one year of the date of birth or placement. Under the FMLA, leave because of the birth of a child or placement of a child with the employee for adoption (or foster care) must be concluded within the 12-month period beginning on the date of birth or placement.

As noted above, because the NJFLA is only a "family leave" law, employees should note that leave granted due to an employee's own serious health condition is not covered by the NJFLA. This can result in important distinctions in the calculation of available leave. For example, because the period of leave caused by an employee's disability due to pregnancy or childbirth is more properly classified as leave due to an employee's own serious health condition, Posillico normally would count such time toward the employee's FMLA allotment only. Once the period of disability due to pregnancy or childbirth has ended (i.e., employee is cleared to return to work), an employee would be eligible to use her leave under the NJFLA to care for her newborn child and run that time concurrently with any remaining FMLA leave. In instances where an employee remains disabled due to childbirth and an employee has no FMLA leave remaining, Posillico will allow employees to begin using NJFLA leave.

Intermittent Leave and Reduced Leave Schedules. FMLA and/or NJFLA leave usually will be taken for a period of consecutive days, weeks or months. Under the NJFLA, intermittent leave must be taken in increments of at least one week and reduced schedule leave must be at least one work day.

Protection of Group Health Insurance and Other Benefits. If an employee is taking NJFLA leave only, the continuation requirements for group health plans under the FMLA are not applicable to group health plans covered under ERISA. Therefore, an employee who is on NJFLA

only leave likely will trigger COBRA requirements due to a reduction in hours worked.

Restoration of Employment and Benefits. As with FMLA leave, at the end of NJFLA leave, subject to some exceptions, employees generally have the right to return to the same or equivalent position with equivalent pay, benefits and other terms. However, unlike key employees under the FMLA who may be denied reinstatement, key employees under NJFLA may be denied NJFLA leave if: (1) the employee is a salaried employee among the highest paid 5% of employees or one of the seven (7) highest paid employees; and (2) denial of the leave is necessary to prevent substantial and grievous economic injury to the Company's operations. Posillico will notify employees if they qualify as key employees under the NJFLA and that leave is being denied. If the denial of the NJFLA leave occurs while the employee's leave already has begun, the employee must return to work within two (2) weeks.

TEXAS SUPPLEMENT

I. COURT ATTENDANCE AND WITNESS DUTY LEAVE

Employees are permitted to take leave to appear as a witness in legislative, administrative, and/or court proceedings, or to attend juvenile court proceedings when required as a parent or legal guardian. You must give reasonable advance notice of the need for such leave to your supervisor and provide a copy of the subpoena to appear in court, if applicable. Court attendance leave is unpaid, in accordance with applicable law. An employee may, but is not required to, use available paid time off for this purpose.

II. EMERGENCY EVACUATION LEAVE

Posillico permits employees to leave work to participate in a general public evacuation ordered under an emergency evacuation order. "Emergency evacuation order" means an official statement issued by the governing body of Texas or a political subdivision of Texas to recommend the evacuation of all or part of the population of an area stricken or threatened with a disaster. "Disaster" means the occurrence or imminent threat of widespread or severe damage, injury, or loss of life or property that results from a natural or man-made cause, including fire, flood, earthquake, wind, storm, wave action, oil spill or other water contamination, volcanic activity, epidemic, air contamination, blight, drought, infestation, explosion, riot, hostile military or paramilitary action, or other public calamity requiring emergency action, or an energy emergency. This includes mandatory and voluntary evacuations. Employees who leave to participate in such evacuations will not be paid for their time away from work but will be restored to their same or an equivalent position with commensurate pay upon their return, and will not be disciplined for failing to report to work.

III. VOTING TIME

Posillico supports and encourages employees to participate in the election voting process. On Election Day, an employee may be absent for the purpose of attending the polls to vote, provided that the employee's working hours are such that the polls are not open for two consecutive hours outside of the employee's working hours. An employee will not be subject to any loss of wages or other benefits of employment should the employee have to vote during working hours.

IV. WEAPONS

In order to maintain a safe and productive work environment, Posillico strictly prohibits employees from having firearms or other weapons in their possession while on Company premises, including but not limited to, offices, job trailers and project sites. Prohibited weapons include, but are not limited to, firearms (whether carried with a permit or not) and ammunition, clubs, throwing and hunting knives and similar objects, explosive or incendiary devices, as well as noxious, caustic or toxic chemicals. This policy does not prohibit an employee who holds a license to carry a concealed handgun or who otherwise lawfully possesses a firearm or ammunition from transporting or storing a firearm or ammunition that the employee is legally

authorized to possess in a locked, privately owned motor vehicle (other than a vehicle owned or leased by Posillico) in a parking lot, parking garage, or other parking area Posillico provides for employees. With this exception, employees may not possess a firearm or ammunition anywhere on Posillico premises and may not store firearms or other weapons in vehicles owned or leased by Posillico.

Posillico reserves the right, to the fullest extent permitted by law, to search any person entering its premises, any property brought onto Posillico premises (such as packages, containers, briefcases and purses), as well as employee workspaces, desks and lockers, in the event Posillico, in its sole discretion, suspects a violation of this policy. Employees should have no expectation of privacy in workspaces or any items brought onto Posillico's premises. Employees consent to such searches as a condition of their employment or continued employment with Posillico.

2. Drug Use/Distribution/Possession/Impairment

All employees are prohibited from manufacturing, cultivating, distributing, dispensing, possessing or using illegal drugs at all times. Included within this prohibition are lawful controlled substances that have been illegally or improperly obtained. Employees are prohibited from having any such illegal or unauthorized controlled substances in their system while at work. This policy does not prohibit the possession and proper use of lawfully prescribed drugs taken in accordance with the prescription.

3. Alcohol Use/Distribution/Possession/Impairment

All employees are prohibited from distributing, dispensing, possessing or using any beverage or medicine containing alcohol while at work or on duty and from coming onto Company premises, reporting to work, or working with alcohol in their system. Furthermore, lawful off-duty alcohol use, while generally not prohibited by this policy, must not interfere with an employee's job performance.

4. Prescription Drugs

Only persons for whom a particular drug was properly prescribed, by an appropriately licensed medical practitioner, may be in possession of such drugs in Company owned or controlled premises. Prescription drugs are to be used only in a manner, combination and quantity as prescribed or directed. Employees are prohibited from reporting to work or working while taking legally prescribed drugs, unless the prescribing medical practitioner advises that such drugs will not impact the employee's ability to perform his or her job or otherwise pose safety concerns and authorizes the employee to report to work, and in the Company's sole opinion such drugs do not actually impact the employee's ability to perform his or her job or otherwise pose safety concerns.

Employees shall not operate any equipment or vehicles while taking prescription drugs, unless the prescribing physician advises that such drugs will not impair the employee's working abilities, and in the Company's sole opinion such drugs do not actually impact the employee's working abilities. The Employer reserves the right to require written confirmation that such drugs will not impair working abilities for employees engaged in safety sensitive duties, and to take such other measures as may be appropriate to assure workplace safety and productivity.

The foregoing does not apply, however, to the use of medical marijuana by a "Certified Patient" during off-jobsite times. However, for all employees, including anyone who has demonstrated that he/she is a

"Certified Patient" with a disability requiring an accommodation, you are reminded that (i) that use and/or possession of medical marijuana is prohibited on the worksite/jobsite; (ii) that all Company employees are subject to drug testing, and (iii) that any employee found on the jobsite to be under the influence of medical marijuana or other illegal or unauthorized drug will be subject to disciplinary actions, including but not limited to termination. Employees who are "Certified Patients" must immediately notify their supervisor and Frank Franzini, VP Risk Manager, prior to reporting to work. Notwithstanding the foregoing, employees who are "Certified Patients" are not permitted to perform a safety sensitive position, including driving and operating vehicles, machinery and equipment.
An employee who is under a physician's care and taking a prescribed drug must carry that drug in its original container which identifies the drug, pharmacy, and licensed medical provider who prescribed the drug to the employee. The employee must notify his or her immediate supervisor regarding the effects of the medication.

5. Notification of Convictions

Any employee who is convicted of a criminal drug violation in the workplace must notify the organization in writing within five (5) calendar days of the conviction. Reasonable Suspicion: Employees may be required to submit to drug/alcohol screening whenever the Company has a reasonable suspicion that they are under the influence of drugs or alcohol while working. Reasonable suspicion may arise from, among other factors, supervisory observation, coworker reports or complaints, performance decline, attendance or behavioral changes, results of drug searches or other detection methods, the employee's appearance or an odor of drugs or alcohol. Observations leading to reasonable suspicion determinations will be reasonably contemporaneous with the request for a test. Employees asked to take a reasonable suspicion drug and/or alcohol test will be transported to the collection site for testing and then transported home pending receipt of the test results. Employees will be placed on administrative leave without pay pending the results of the test. If the test results are negative, the employee will be compensated for any wages lost due to the leave, unless a suspension without pay is justified under another policy.

Post-accident: Employees whose acts appear to have caused or contributed to an accident in which drugs could have been a contributing factor may be required to submit to post-accident testing as part of the investigation. Accidents include those that have caused an injury severe enough to warrant immediate offsite medical attention, or have caused significant property damage. Only workers whose actions may have caused or contributed to the accident will be tested. As with reasonable suspicion

testing, employees asked to take a post-accident test will be transported to the collection site for testing and then transported home pending receipt of the test results. Employees will be placed on administrative leave without pay pending the results of the test. If the test results are negative, the employee will be compensated for any wages lost due to the leave, unless the suspension without pay is justified under another policy.

Random: Employees in safety-sensitive positions may be tested on an unannounced random basis. Employees will be selected for testing by a computerized random number program matched to employee numbers. Once selected for testing, an employee may not be excused from the testing process. Individuals subject to random testing will be notified at the time of hire or when the policy becomes applicable to them. Testing is conducted by a third party Medical Review Officer.

8. Employees Entrusted with Driving Privileges

All employees who are entrusted to drive an Employer vehicle are required to submit to random drug testing. This shall apply to all Union and Non-Union employees. Breath and/or saliva tests may be used to detect the presence of alcohol. Alcohol tests typically will be conducted and, if positive, confirmed immediately at the collection site. An alcohol test will be considered positive if it shows the presence of .02 percent or more alcohol in an individual's system. Tests will seek only information about the presence of drugs and alcohol in an individual's specimen, and will not test for any medical condition.

Exhibit C
ANTITRUST COMPLIANCE POLICY

A. INTRODUCTION

The overall purpose of the U.S. antitrust laws is to guarantee that society will always enjoy all the benefits that free competition can provide. It is Posillico's position that while competition may be fierce, and competitors may fall by the wayside, competition itself must never be weakened by such anticompetitive conduct such as as price-fixing, other agreements unreasonably restraining trade, monopolies achieved by improper means, or any of the other anticompetitive acts that U.S. laws prohibit.

B. POLICY

Each employee of Posillico, no matter the position held, is responsible to ensure Posillico's compliance with applicable antitrust laws. These laws are designed to promote competition and protect consumers from unfair business arrangements and practices. Violations of antitrust laws can result in severe penalties and significant damage to Posillico's reputation, including large fines and the loss of important contract, patent and license rights for Posillico, as well as fines and jail sentences for individual employees. In addition to government suits, private parties can also sue, and damage awards can be massive, as can the legal fees incurred to defend the suits.

Some antitrust acts are clearly and undeniably wrong under any circumstances, such as bid-rigging; and/or market/customer allocation agreements. Agreeing with a competitor that you will both raise your prices or price-fixing is another obvious example of anticompetitive conduct. If a competitor were to ask you to enter into such a clearly illegal agreement, the offer should be refused emphatically. The legality of many other types of business conduct, however, are less certain, but if the conduct affects competition, it might have antitrust implications. The antitrust laws are complex and their application to a business or a transaction depends on a variety of factors. Posillico's employees are not expected to act alone, as issues arise, you should review this Antitrust Policy along with Posillico's Code of Business Conduct and Ethics Policy and consult with Posillico's General Counsel on next steps. In addition, Posillico shall endeavor to periodically conduct antitrust educational programs as well as antitrust compliance reviews to ensure that its officers and employees conduct Posillico's business in a lawful manner. Such training and compliance reviews are particularly important where an employees' duties bring them into contact with competitors or involve pricing, pricing policies, terms of sale or other marketing responsibilities.

C. REPORTING AND DISCIPLINE

The purpose of this section of the Antitrust Policy is to implement procedures for reporting potential violations and advise of disciplinary consequences for individuals that fail to comply with Posillico's Antitrust Policy and/or with the antitrust laws generally.

Posillico encourages prompt reporting of any incidents involving potential violations of its Antitrust Policy and/or the antitrust laws generally so that corrective action may be taken. Any potential violations should be reported immediately to Posillico's General Counsel. It cannot be emphasized

strongly enough that ALL COMPLAINTS OR INCIDENTS OF POTENTIAL VIOLATIONS OF THIS ANTITRUST POLICY AND/OR THE ANTITRUST LAWS GENERALLY MUST BE PROMPTLY REPORTED. Posillico cannot resolve a potential violation unless it knows about it. Moreover, in certain circumstances Posillico may avoid punishment under the antitrust laws if it promptly notifies the government of a suspected violation. Prompt notification could be the difference between no liability and paying significant fines and other criminal sanctions. Therefore, it is the responsibility of every Posillico employee or agent of Posillico who has information that gives rise to a belief of potential violations to bring the information to the attention of Posillico's General Counsel as promptly as possible.

Posillico shall endeavor to thoroughly and promptly investigate every reported potential violation. Depending on the facts and circumstances, the investigation may include the following steps: an interview of the person who reported the alleged violation to obtain complete details regarding the alleged violation; interviews of anyone who is alleged to have committed the acts of alleged violation to respond to the claims; and interview any employees who may have witnessed, or who may have knowledge of, the alleged violation. The investigation will be handled in as confidential a manner as possible consistent with a full, fair and proper investigation and subject to any applicable legal requirements.

If, as a result of the investigation, Posillico concludes that a violation of this Antitrust Policy or the antitrust laws has occurred Posillico will take prompt remedial action, including appropriate corrective action against the person or people involved in the violation. Posillico takes all reports of potential antitrust issues seriously and will not penalize or retaliate against anyone in any way for providing information to Posillico management or General Counsel. Posillico will not tolerate retaliation against anyone for reporting a potential violation of this Antitrust Policy and/or the antitrust laws generally, or any other unlawful conduct, or for cooperating in an investigation. Any incidents of retaliation should be reported immediately to Posillico's General Counsel.

This Policy sets out minimum standards upon which Posillico's antitrust compliance culture is built. Posillico will strive to ensure that its management group is able to proactively support and advance Posillico's Antitrust Policy.

Our specialized proven procedures, methodology and management systems have been successful since our completion of Long Island's first NYSDOT DB Project in 2006. This project won multiple awards for partnering (Accelerated Bridge Project DB 2014 Project of the Year Award from ASCE LI and the 2013 Excellence in Partnering Award from AGC NYS). In the twelve years since, we have been awarded **10 DB Projects** (from multiple owners) with a total value exceeding over $660 Million dollars. Several of these projects have also received awards, including the 2017 Jeffrey J. Zogg Build New York Award for DB Services for Wellwood Avenue over Route 27 and the 2017 ASCE LI DB Project of the Year Award for DB Services for the New Second Track on Main Line Ronkonkoma Branch, Phase I, as well as multiple other ACE Industry awards.

Posillico provides an unparalleled commitment to project **quality assurance/quality control** from executive leadership, through to management and all levels of project delivery. Our detailed QA/QC procedures have been applied successfully to a large number of complex projects including many owned by the NYSDOT, MTA, LIRR, and NYCT.

Critical to DB, ***Posillico's*** Health and Safety Department has established and maintained a safe working environment through training, communication, and execution. They continually support the education, training, and assessment of activities that are required to help us identify and eliminate health and safety risks.

Posillico facilitates best-value DB project delivery by creating a **unified flow of work** through organizational development, stakeholder collaboration and optimizing benefits and solutions for public and private owners. Our cost-effective solutions maximize the lifetime of those critical public and private infrastructure projects:

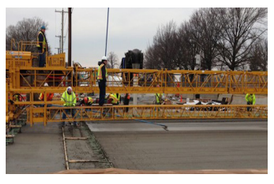
Best Practices*

Posillico prides itself on industry education and best practices. Many of our DB Team members are ***DBIA Certified Professionals*** dedicated to maintaining our relevance in the market.

1. All Design-Build Team members should be educated and trained in the Design-Build process, and be knowledgeable of the differences between Design-Build and other delivery systems.
2. The DB Team should establish logistics and infrastructure to support integrated project delivery.
3. The DB Team, at the outset of the project, should establish processes to facilitate timely and effective communication, collaboration, and issue resolution.
4. The DB Team should focus on the design management and commissioning/turnover processes and ensure that there is alignment among the team as to how to execute these processes.



***Design-Build Institute of America, 2014**

Community Outreach

Community outreach and communication avenues provide stakeholders with the opportunity to communicate their ***concerns and interests*** and are key to a project's success. Obtaining feedback from and initiating a two-way dialogue with stakeholders before construction begins and through project completion is crucial to working with the community and ***reducing the risk*** of costly delays from community contention or negative press. These stakeholders include, but are not limited to, civic groups, emergency services, unions, local businesses, and Minority ***(MBE)***, Women ***(WBE)***, Disadvantaged ***(DBE)***, and Service Disabled Veteran ***(SDVOB)*** Owned Businesses.

Accelerated Bridge Replacement

Rehabilitation of six bridges at various locations in Nassau and Suffolk Counties. Each project site included complete bridge deck replacement, new bridge sidewalks and railing, approach slabs, bridge joints, and repairs to the bearings and pedestals. This was a design-build project, selected by best-value combining price and technical approach.

Ronkonkoma Branch Second Track, Phase I

Installation of a second track running parallel to the existing Ronkonkoma Branch rail from Ronkonkoma Station to a point west of the Central Islip Station, a total of 5.5 miles. Construction operations included building of modular block and soldier pile with panel retaining walls, grading, placing and compacting sub-ballast, relocating a pedestrian bridge, and rebuilding four grade crossings to create the roadway for the second track.

Ellison Avenue Bridge Replacement

The team coordinated and executed a complete bridge replacement in a residential community, which required close coordination with the Village of Westbury and adequate advanced notification to residents affected by construction. Work was planned on weekdays during daytime hours to minimize impact to adjacent residences with only two LIRR weekend track outages.

Ronkonkoma Branch Second Track, Phase II

Construction of a second track from Central Islip to Farmingdale Station including the building of retaining walls and grading for track bed and installation of cable troughs for the placement of LIRR signal cables and wiring. Work was completed in an accelerated 17 month schedule allowing for the placement of the new second track to be completed by fall 2018.

NY Route 347, Phase I

Project to rehabilitate a mile of Route 347 and add an additional lane in each direction. Work included new drainage, sound walls, median barrier, landscaping, and paving. This project has improved safety and mobility by transforming Route 347 into a greenway for Evergreen Status through the NYSDOT GreenLites program.

Wreck Lead Submarine Cable Replacement

Project involved the replacement of power, signal and communications submarine cables located across Reynolds Channel between Long Beach and Island Park. Restoration was necessary as a direct result of damage caused to LIRR's infrastructure from Superstorm Sandy. The Long Beach branch was one of the four key areas on LIRR's property severely damaged by the storm.

NY Route 347, Phase III

Improvements & reconstruction of Rte 347 from Terry Road to Gibbs Pond Road including highway widening to 3 lanes in each direction, raised landscaped medians, continuous sidewalks along the north side and a shared use path for bicycles and pedestrians along the south side. Other rehabilitations include pavement reconstruction, a positive drainage system, landscaping, bus shelters and utility relocations.

Wellwood Avenue Bridge over Route 27

This project provided for the replacement of the aluminum bridge on Wellwood Avenue over Route 27, an experimental bridge built over 50 years ago. The four-span aluminum bridge was replaced with a two-span adjacent prestressed box beam bridge supported on concrete stub abutments behind mechanically stabilized earth system walls and a concrete stem pier.

Remediating Industrial Contamination for a Greener Future

It is a fact: the New York metropolitan area is running out of greenfield properties. Most construction and development projects in the future are likely to require some level of environmental remediation. In 1991, we recognized these changes and have been at the forefront of this new direction in construction. Converting unusable land into a highly desirable property is complicated. **Environmental remediation demands expertise.**

We have become an expert in environmental remediation by using both industry standards as well as developing our own site-specific techniques. No single function is more important to construction today. **No company integrates Environmental with Civil better than us.**

- **Efficient Delivery of New Infrastructure in Contaminated Environments**
- **Qualified Expertise in Treatment Systems for Large Scale Clean-Ups**
- **Experts in Soil and Contaminant Stabilization and Applications for Various Redevelopments**

Re: MERRICK ROAD REHABILITATION – PHASE 1
CONTRACT NO. H61126-68G1
Recommendation of Award

Dear Mr. Wong:

We have reviewed the bids received by the Nassau County Department of Public Works (NCDPW) on August 19, 2025 for the above-referenced project. A total of seven (7) bids were received. The following are the bidders' names and the amount bid:

Rank	Bidder Name	Bid Open Amount	Correct Bid Amount
1	Posillico Civil, Inc.	$11,794,495.75	$11,794,495.75
2	Thomas Novelli Contracting Corp.	$11,829,749.50	$11,829,749.50
3	H & L Contracting, LLC	$11,832,000.00	$11,832,000.00
4	Pratt Brothers, Inc.	$13,524,678.00	$13,524,678.00
5	GGG Construction Corp.	$10,842,098.28	$15,140,198.28
6	JR Cruz Corp.	$15,801,337.24	$15,801,337.24
7	Pioneer Landscaping & Asphalt Paving	$15,930,190.00	$16,030.190.00

GGG Construction Corp. (GGG) submitted the lowest apparent bid; however, upon review, their submission was found to contain six (6) discrepancies. Specifically, the unit bid price written in words for Items 502.9210, 608.01050709, 608.01051409, 611.0161, 614.060304, and 621.04 did not match the corresponding numerical unit bid prices.

Five (5) of the six (6) discrepancies occurred where "eighty" was written in words, but "8" was entered numerically. In accordance with the Instructions to Bidders, Section D.2, when a discrepancy occurs, the unit price expressed in words shall govern. Applying this rule and correcting GGG's bid accordingly resulted in a revised bid total of $15,140,198.28. Based on this corrected total, GGG was not the lowest bidder.

While it is possible that five (5) of these discrepancies resulted from typographical errors, the written unit prices must govern. Additionally, the unit prices for Items 611.0161 and 621.04 were expressed as "eighty hundred." Although uncommon, this phrasing is grammatically correct and acceptable. Even if these two items were not corrected, GGG's adjusted bid would total $12,620,198.28, and their ranking would still drop.

Posillico Civil Inc. (PCI), submitted the lowest total corrected bid of $11,794,495.75, which is 10.02% lower than the Engineer's Estimate (EE) of $13,107,184.55. A tabulation of the unit costs of the bidders is attached for reference and comparison.

In general, PCI's unit bid prices appear to be reasonable in comparison with the other low bidders.

NV5 has previously worked with PCI and can confirm they have performed work of similar nature and magnitude, and we find them capable of satisfactorily performing the work for this project. Furthermore, PCI has no Federal exclusions, State debarments, or open OSHA violations.

We conclude that PCI, based upon their performance on past jobs, is capable of completing the work and submitted a responsible bid for the project. Therefore, we have no objection to awarding the contract for this project to Posillico Civil, Inc.

Very Truly Yours,
NV5 New York – Engineers, Architects, Landscape Architects and Surveyors

Senior Engineer

MICHAEL J. POSILLICO

Principal, Secretary, Chairman of the Board,
and Executive Vice President of Business Development, 1985-Present

Mr. Posillico has varied experience in civil, environmental, and development projects. He has worked with government agencies and owners in conjunction with many projects' construction, development, and remediation, including the NYSDOT, NYSDEC, NYCDEP, NJDEP USEPA, and other regional municipal agencies. In the past several years, he has combined this expertise to promote the clean-up and redevelopment of some of the most contaminated projects in our region.

2010 to Present: Mr. Posillico has developed many construction materials facilities, including many that recycle construction waste into reusable construction products. Over the past five years, Mr. Posillico has worked to develop and commission the world's largest soil wash plant that cleans contaminated soils at their Farmingdale, New York facility. He also reorganized business development strategies for companywide goals and individual business units. In 2012 he took on the role of chairman for the New York League of Conservation Voters Long Island Chapter. He restructured their platform to implement a new agenda throughout Long Island. Mr. Posillico is also spearheading a master redevelopment effort of a former quarry in Northern New Jersey.

2005 to 2010: Mr. Posillico formed two new companies, Posillico Development LLC, an organization formed to integrate operations, pool resources, and strategically invest in property development, and Posillico Consulting, LLC, a multi-disciplined Brownsfield redevelopment property management and development consulting service. He expanded Posillico Environmental's marine and mechanical capabilities, which now encompass dredging, synthetic bulkhead installation, sanitary treatment plant construction, and refurbishment. Mr. Posillico also led a re-branding effort for the Posillico companies to improve their recognition under one brand dedicated to setting the standard for excellence in the construction industry for completing complex projects safely, on time, and within budget.

1997 to 2004: Mr. Posillico worked on further expansion of thermally treated contaminated soil and dredge spoil recycling into a product known as "Poscrete." He has worked on significant environmental projects, including the completed dredging of Lake Capri in West Islip, NY, which involved challenging environmental dredging and processing of sediments and solids with a temporary processing plant. In addition, Mr. Posillico worked on developing a remedial SVE system at Northville's Holtsville terminal and affected area with ERM Northeast. Mr. Posillico focused on the re-development of environmentally challenged properties in addition to overseeing significant projects in Posillico Environmental, Inc. Major projects included the partnership in Glen Isle Development, a 50-acre national Brownsfield waterfront redevelopment site, redevelopment of the former Cibro Fuel Oil Terminal in Island Park, NY, and the clean-up of the former GTE and Sylvania site in Hicksville, NY.

1991 to 1996: The majority of Mr. Posillico's efforts were directed at developing a permit with the NYSDEC to thermally treat and recycle petroleum-contaminated soils at Posillico Brothers Asphalt in Farmingdale, N.Y. (Posillico Materials, LLC). During this period, Michael founded and developed the Blue Water Environmental, Inc. petroleum-contaminated soil business, which is now known as Posillico Environmental, Inc. Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

Adverse Job-Related Action includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

Contact means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

Designated Point(s) of Contact means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

Nassau County Employee means any officer, official or employee of Nassau County.

Family Member means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

Gift means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

Nassau County Code of Ethics means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

Participating Employee means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

Participating Nassau County Employee means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

Primary Contracting Party means a Vendor who intends to directly enter into or has a contract with Nassau County.

Retaliatory Action is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

State Procurement Lobbying Law means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

Vendor means any individual or entity seeking to or doing business

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

Chapter 3: GIFTS OR CONTINGENT FEES

Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

(a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;

(b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

Section 3.03 Contingent Fees

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT

Section 4.01 Restrictions During the Procurement Process

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

procurement should be directed to the Designated Point of Contact for the procurement.

Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

(i) 30 days from the time the matter before the Employee is closed, or
(ii)30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

Chapter 5: CONFLICT OF INTEREST

Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

Section 5.02 Personal Business Dealings

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

Section 5.03 Disclosure and Cooperation

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

Section 5.04 Confidential Information

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

If the Vendor receives from any source confidential or proprietary Nassau County information prior to the award of a resulting contract and, where applicable, approval by the County Legislature, without the explicit approval of the Designated Point of Contact, the Vendor shall immediately so notify the Designated Point of Contact.

Nassau County confidential or proprietary information includes, but is not limited to, internal cost estimates and proposals submitted by other Vendors.

Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

Chapter 6: FORMER NASSAU COUNTY EMPLOYEES

Section 6.01 Appearance Before Former Agency-Two Year Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear or practice before any Nassau County agency, either prior to award or in the performance of a Nassau County contract, for a period of two years after termination of the Nassau County Employee's services with the County.

Section 6.02 Appearance Before Former Agency-Life Time Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear, practice, communicate or otherwise render services before the agency that employed the officer or employee or any other agency of Nassau County, either prior to award or in the performance of an agency's contract in relation to any case, proceeding, application or transaction with respect to which such former officer or employee was directly concerned and in which he or she personally participated, or which was under his or her active consideration during the period of his or her employment. This provision is a lifetime bar on projects that the former Nassau County Employee previously worked on while employed by the County.

Chapter 7: NON-COLLUSION

Section 7.01 Independent Bid Assessment

The Vendor will calculate the price(s) contained in any bid or proposal independently, without collusion, consultation, communication, or agreement with any competing Vendor for the purpose of restricting competition.

Section 7.02 Non-Communication of Bid

Unless otherwise required by law, the price(s) which the Vendor quotes in its bid or proposal will not knowingly be disclosed by the Vendor, directly or indirectly, to any competing Vendor prior to the closing date for bids or proposals.

Section 7.03 Bid Submission

The Vendor will not make any attempt to induce any other individual or entity to submit or not to submit a bid or proposal.

Chapter 8: DISTRIBUTION AND CERTIFICATION

Section 8.01 Distribution of Vendor Code of Ethics and Vendor's Participating Employee Acknowledgements

As a condition of being considered for the award of any contract above the County's small purchase threshold of $10,000, the Vendor will be required to distribute copies of the Nassau County Vendor Code of Ethics to all Participating Employees prior to any of those employee's participation in the procurement. The Code may be distributed either in hard copy or electronically as a separate PDF.

Additionally, as a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will be required to obtain an acknowledgement from each of its Participating Employees ("Participating Employee Acknowledgements") that they have received, read, understand, and will comply with the Nassau County Vendor Code of Ethics.

The Vendor's responsibility for distributing copies of the Nassau County Vendor Code of Ethics and obtaining such signed Participating Employee Acknowledgements is ongoing until completion of performance of the contract and shall be retained for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Receipt and retention of Participating Employee Acknowledgments by the Vendor shall be subject to audit by Nassau County.

Section 8.02 Vendor Certifications

The vendor by signing the final contract thereby certifies and attests to the following:

(a) The Vendor has been provided with a copy of the Nassau County Vendor Code of Ethics and will comply with all of the provisions of the Code;

(b) All of its Participating Employees during the course of procurement or contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to any of those employees' participation in the procurement;

(c) All Participating Employees have completed the acknowledgement required by Section 8.01 of this Code;

(d) The Vendor will retain all of the signed Participating Employee Acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County;

(e) The Vendor will continue to distribute the Nassau County Vendor Code of Ethics, obtain signed Participating Employee Acknowledgements as new Participating Employees are added or changed during the contract period, and retain all of the signed acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Section 8.03 Subcontractor Certifications

As a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will obtain certifications executed by authorized officials from all of its lower tier subcontractors, subconsultants and suppliers (as well as from any other subcontractors, subconsultants and suppliers from whom that Vendor is soliciting or has received proposals for work on a Nassau County contract) whose employees have communicated or may communicate with Nassau County Employees. This obligation is ongoing and shall last through the completion of performance of the contract. Receipt and retention of lower tier certifications by the Vendor shall be subject to audit by Nassau County.

Chapter 9: PENALTIES

Section 9.01 Responsibility Determination

IRAN DIVESTMENT ACT – CERTIFICATION

Pursuant to New York State Finance Law §165–a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

✓ **a. Certification that the Bidder is not on the List:** Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,

___ **b. Certification that the Bidder's investment in Iran is ceasing:** The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.

Hello,

Enclosed is your **Certificate of Contractor Registration.** Please keep this document as proof of your registration.

COUNTY OF NASSAU

DEPARTMENT OF PUBLIC WORKS

Inter-Departmental Memo

TO: Contract File

FROM: Jane Houdek, Esq.
Designated DCCO

DATE: April 3, 2026

SUBJECT: Contract Nos: H61587-PR16
Priority Resurfacing Phase 16
Metro Paving, Inc.
Responsibility Determination Memo

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, the vendor is a responsible contractor for the purpose of being awarded the above-referenced contracts.

NYS Standard for State and Municipal Contract Approval

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements." NY CLS St. Fin §163 (1) (c). This standard is equivalent to the standard applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employees the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test, can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity
   The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority
   Vendor is not debarred. Vendor possesses requisite licenses.

3. Integrity
   Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

4. Past Performance
Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

> For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.
>
> Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.
>
> A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part of the vendor. Any adverse information which is not deemed to be sufficient for a finding of

nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in this regard include, but are not limited to, termination of the employee(s) involved, introduction of new policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Vendor Adverse Information

Vendor has paid a fine of $2,500 to the New York State Public Service Commission for failing to call the one–call notification system prior to excavating and damaged a gas service line. The Department has concluded that the vendor is a responsible vendor for the performance of the scope of work in Contracts H61587-PR16.

CASE 22-G-0439 - In the Matter of an Enforcement Proceeding Against Metro Paving LLC for Alleged Violations of 16 NYCRR Part 753 - Protection of Underground Facilities, in the Service Territory of KeySpan Gas East Corporation d/b/a National Grid.

ORDER DETERMINING PENALTY AND DIRECTING PAYMENT

(Issued and Effective September 23, 2022)

BY THE COMMISSION:

BACKGROUND

On November 29, 2021, while installing a curb and sidewalk at 130 Main Street, Roslyn, New York, Metro Paving LLC[1] (Respondent) damaged a ½-inch plastic natural gas service.

New York has implemented a program to protect underground utility infrastructure, which includes regulations in 16 NYCRR Part 753. Specifically, 16 NYCRR §753-3.1(a)(1) states:

> Before commencing or engaging in any non-emergency excavation or demolition, each excavator shall provide notice of the location and date of the planned

[1] Metro Paving LLC, 500 Patton Avenue, West Babylon, NY 11704.

> excavation or demolition to the one-call notification system serving the vicinity in which the excavation or demolition is to take place.

Department of Public Service Staff (Staff) conducted an investigation of the incident and found evidence that Respondent, on November 29, 2021, did in fact excavate without notification to the one-call system.

As a result, on January 10, 2022, Staff issued a Notice of Probable Violation (NOPV) to Respondent via United States Postal Service First-Class Mail. The NOPV stated that failure to respond would be deemed acceptance of the facts as alleged, in which case a penalty would be determined. The First-Class Mail envelope containing the NOPV was not returned, nor did Staff receive any answer from the Respondent.

LEGAL AUTHORITY

Under General Business Law §765(1)(a), entities that fail to comply with the requirements of 16 NYCRR Part 753 are subject to a civil penalty of up to $2,500 for the first offense and an additional civil penalty of up to $10,000 for each succeeding violation that occurs within a 12-month period. Consistent with Public Service Law §119-b(8) in determining the civil penalty amount in this case, the Commission shall consider the nature, circumstances, and gravity of the violation, history of prior violations, effect on public health, safety, or welfare, and other considerations as necessary.

Determination

The Commission finds that Metro Paving LLC committed a violation of 16 NYCRR §753-3.1(a)(1). In assessing a penalty, the Commission takes notice of the following considerations.

The one-call notification system serves a fundamental and indispensable role in the protection of underground

facilities in the State. Absent a one-call ticket, the excavator lacks knowledge of the locations of buried utility infrastructure. Likewise, utilities would not be aware that an excavator may be endangering their facilities. Engaging in mechanized digging without knowing what lies beneath the surface can lead to disastrous consequences, endanger people, property, and the environment, and disrupt utility service. Damage to a gas line can cause an explosion or fire. By failing to comply with the requirements of 16 NYCRR §753-3.1(a)(1), Metro Paving LLC needlessly and carelessly created a significant risk to public safety. Thus, the gravity of this violation is substantial. The penalty assessed seeks to sanction Metro Paving LLC and deter it and others from similar conduct in the future.

In addition, the Respondent has no history of prior violations that occurred within the preceding 12-month period. Therefore, the statutory maximum civil penalty allowable for this offense is $2,500. Here, the Respondent engaged in activity that resulted in damage to a natural gas pipeline that caused the release of gas, and disruption of service, thus creating a threat to public safety, health, and welfare; in consideration of the nature, circumstances, and gravity of the violation, the Commission determines a penalty of $2,500 is appropriate for this violation.

In reaching this determination, the Commission relied on evidence collected which includes a one-call notification system ticket search by Staff, Staff's investigative report, a no-call report submitted by the operator to Staff, a damage investigation report provided by the operator to Staff, and photographs in the record.

The Commission also strongly encourages the Respondent to contact New York 811 (516-491-9444) to request a training

session covering the use of the one-call notification system and Part 753 requirements. The principals of the company, any employees involved in excavation work, and any support staff that might be involved in making notifications to the one-call center, would benefit from such training.

The Commission orders:

1. A penalty of $2,500 is determined against Metro Paving LLC pursuant to Public Service Law §119-b(8).

2. Metro Paving LLC is directed to remit, by certified check payable to the "Department of Public Service," the sum of $2,500 in payment of the penalty determined. The $2,500 sum is subject to State Finance Law §18 and shall be deposited into the underground facilities safety training account. The check shall be addressed to:

Mr. Curtis Funk
Director of Finance and Budget
Department of Public Service
Three Empire State Plaza
16th Floor
Albany, N.Y. 12223-1350

3. If the check is not received within 30 days after issuance of this Order, Department of Public Service Staff is authorized to refer the case to the New York State Department of Law with a request that an action to collect the determined penalty be brought in a court of competent jurisdiction.

4. The proceeding is continued, pending compliance with Ordering Clause 2, following which it should be closed.

By the Commission,

(SIGNED) MICHELLE L. PHILLIPS
Secretary

Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

Adverse Job-Related Action includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

Contact means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

Designated Point(s) of Contact means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

Nassau County Employee means any officer, official or employee of Nassau County.

Family Member means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

Gift means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

Nassau County Code of Ethics means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

Participating Employee means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

Participating Nassau County Employee means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

Primary Contracting Party means a Vendor who intends to directly enter into or has a contract with Nassau County.

Retaliatory Action is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

State Procurement Lobbying Law means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

Vendor means any individual or entity seeking to or doing business

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

Chapter 3: GIFTS OR CONTINGENT FEES

Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

(a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;

(b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

Section 3.03 Contingent Fees

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT

Section 4.01 Restrictions During the Procurement Process

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

procurement should be directed to the Designated Point of Contact for the procurement.

Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

(i) 30 days from the time the matter before the Employee is closed, or

(ii)30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

Chapter 5: CONFLICT OF INTEREST

Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

Section 5.02 Personal Business Dealings

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

Section 5.03 Disclosure and Cooperation

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

Section 5.04 Confidential Information

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

If the Vendor receives from any source confidential or proprietary Nassau County information prior to the award of a resulting contract and, where applicable, approval by the County Legislature, without the explicit approval of the Designated Point of Contact, the Vendor shall immediately so notify the Designated Point of Contact.

Nassau County confidential or proprietary information includes, but is not limited to, internal cost estimates and proposals submitted by other Vendors.

Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

Chapter 6: FORMER NASSAU COUNTY EMPLOYEES

Section 6.01 Appearance Before Former Agency-Two Year Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear or practice before any Nassau County agency, either prior to award or in the performance of a Nassau County contract, for a period of two years after termination of the Nassau County Employee's services with the County.

Section 6.02 Appearance Before Former Agency-Life Time Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear, practice, communicate or otherwise render services before the agency that employed the officer or employee or any other agency of Nassau County, either prior to award or in the performance of an agency's contract in relation to any case, proceeding, application or transaction with respect to which such former officer or employee was directly concerned and in which he or she personally participated, or which was under his or her active consideration during the period of his or her employment. This provision is a lifetime bar on projects that the former Nassau County Employee previously worked on while employed by the County.

Chapter 7: NON-COLLUSION

Section 7.01 Independent Bid Assessment

The Vendor will calculate the price(s) contained in any bid or proposal independently, without collusion, consultation, communication, or agreement with any competing Vendor for the purpose of restricting competition.

Section 7.02 Non-Communication of Bid

Unless otherwise required by law, the price(s) which the Vendor quotes in its bid or proposal will not knowingly be disclosed by the Vendor, directly or indirectly, to any competing Vendor prior to the closing date for bids or proposals.

Section 7.03 Bid Submission

The Vendor will not make any attempt to induce any other individual or entity to submit or not to submit a bid or proposal.

Chapter 8: DISTRIBUTION AND CERTIFICATION

Section 8.01 Distribution of Vendor Code of Ethics and Vendor's Participating Employee Acknowledgements

As a condition of being considered for the award of any contract above the County's small purchase threshold of $10,000, the Vendor will be required to distribute copies of the Nassau County Vendor Code of Ethics to all Participating Employees prior to any of those employee's participation in the procurement. The Code may be distributed either in hard copy or electronically as a separate PDF.

Additionally, as a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will be required to obtain an acknowledgement from each of its Participating Employees ("Participating Employee Acknowledgements") that they have received, read, understand, and will comply with the Nassau County Vendor Code of Ethics.

The Vendor's responsibility for distributing copies of the Nassau County Vendor Code of Ethics and obtaining such signed Participating Employee Acknowledgements is ongoing until completion of performance of the contract and shall be retained for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Receipt and retention of Participating Employee Acknowledgments by the Vendor shall be subject to audit by Nassau County.

Section 8.02 Vendor Certifications

The vendor by signing the final contract thereby certifies and attests to the following:

(a) The Vendor has been provided with a copy of the Nassau County Vendor Code of Ethics and will comply with all of the provisions of the Code;

(b) All of its Participating Employees during the course of procurement or contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to any of those employees' participation in the procurement;

(c) All Participating Employees have completed the acknowledgement required by Section 8.01 of this Code;

(d) The Vendor will retain all of the signed Participating Employee Acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County;

(e) The Vendor will continue to distribute the Nassau County Vendor Code of Ethics, obtain signed Participating Employee Acknowledgements as new Participating Employees are added or changed during the contract period, and retain all of the signed acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Section 8.03 Subcontractor Certifications

As a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will obtain certifications executed by authorized officials from all of its lower tier subcontractors, subconsultants and suppliers (as well as from any other subcontractors, subconsultants and suppliers from whom that Vendor is soliciting or has received proposals for work on a Nassau County contract) whose employees have communicated or may communicate with Nassau County Employees. This obligation is ongoing and shall last through the completion of performance of the contract. Receipt and retention of lower tier certifications by the Vendor shall be subject to audit by Nassau County.

Chapter 9: PENALTIES

Section 9.01 Responsibility Determination

For violation of any provision of the Nassau County Vendor Code of Ethics, Nassau County may avail itself of every remedy in law or equity, or as agreed to by parties in any contract, including but not limited to declaring the Vendor non-responsible or in material breach of the contract.

Section 9.02 Civil/Criminal Penalties

Additionally, violation of the Nassau County Vendor Code of Ethics or a provision thereof may subject the Vendor to criminal or civil penalties under State or Federal law.

Chapter 10: REPORTING OBLIGATION

Section 10.01 Reporting Gift Requests

Notwithstanding the provisions of Chapter 4 above, the Vendor is obligated to immediately report to Nassau County's Inspector General and the County Chief Procurement Officer, any and all requests made to the Vendor by any Nassau County Employee for a Gift.

Section 10.02 Reporting Material Changes

The Vendor is under a continuing obligation to report any change in circumstances that materially affects any prior report to Nassau County to Department of Chief Contracting Officer, including but not limited to disclosure of conflicts of interest and representations made in the Contractor Responsibility Form.

Section 10.03 Reporting Violations and Overpayments

The Vendor is obligated to timely report in writing to Nassau County's Inspector General, in connection with the award, performance or closeout of the Nassau County contract or subcontract, any credible evidence of significant overpayments on the contract or that a principal, employee, agent or subcontractor has committed a

violation of law involving fraud, conflict of interest, bribery or gratuities.

Chapter 11: PROHIBITION ON RETALIATION

Section 11.01 Prohibition

To facilitate the reporting obligations under Chapter 10, this code strictly forbids all Vendors and Vendors' Employees from taking any Retaliatory Action against individuals who make such reports.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

IRAN DIVESTMENT ACT – CERTIFICATION

Pursuant to New York State Finance Law §165–a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

☑ **a. Certification that the Bidder is not on the List:** Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,

☐ **b. Certification that the Bidder's investment in Iran is ceasing:** The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.

COUNTY OF NASSAU

DEPARTMENT OF PUBLIC WORKS

Inter-Departmental Memo

TO: Contract File

FROM: Jane Houdek, Esq.
Designated DCCO

DATE: November 10, 2025

SUBJECT: Contract No: H61587-PR17
Priority Resurf acing - Phase 17
H&L Contracting
Responsibility Determination Memorandum

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, that the vendor is a responsible contractor for the purpose of being awarded the above-referenced contract.

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements". NY CLS St. Fin §163 (1) (c). This standard is applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast,* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employees the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test, can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity
   The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority
   Vendor is not debarred.

3. Integrity
   Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

4. Past Performance
   Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

SUBJECT: Contract No: H 6 1 587P R17
Priority Resurf acing - Phase 17
H&L Contracting
Responsibility Determination Memorandum

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

> For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.
>
> Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.
>
> A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part of the vendor. Any adverse information which is not deemed to be sufficient for a finding of nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in this regard include, but are not limited to, termination of the employee(s) involved, introduction of new

policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Vendor Adverse Information OSHA Violations

Vendor has two (2) serious OSHA incidences, one closed case from 2019 and one open investigation of incident in 2022. Both the serious nature of the violations and the corrective actions taken by the vendor are fully described in an attachment to vendor's Business History form (attached). The type of work being performed when the 2019 violations occurred is similar to the work it has performed for Nassau County. Since 2019 H&L has completed one complex road reconstruction project – Ocean and Merrick, is completing the Bayville Bridge Project and has completed two (2) large road resurfacing contracts, all without any OSHA violations. As explained in its response to Business History form question 13, the vendor does not believe it was responsible for the incident but has acknowledge steps it would take in the future to make sure its jobsites are safe.

One 2022 open OSHA investigation occurred in Suffolk County while working on a Marina project. A boat operator failed to wear his personal flotation device and drowned when he fell off the boat. While the investigation is ongoing and no attribution of fault has been made, the vendor still provided a description of steps it would take it the future to reduce the potential for a similar incident.

The other open 2022 investigation occurred in Massachusetts and involves safety violations that were noted by the H&L Health and Safety Officer and did not involve injuries or property damage.

Accordingly, based on an application of the law and the policy, these incidences do not warrant a determination that the vendor is a nonresponsible vendor. To date, the Department has been satisfied with the safety measures implemented by the Vendor on County projects and has concluded that the Vendor is a responsible vendor for the performance of the scope of work in Contract H61587-PR17.

To whom it may concern,

The following serve as summary descriptions of two open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

OSHA INSPECTION NO. 1635374.015

DATE OPENED: 18 NOV 2022

SITE ADDRESS: Newburyport Harbor, Newburyport, MA 01950

DESCRIPTION:

Prior to 11/18/22, H&L had been performing maintenance dredging in the 9-ft channel in Newburyport Harbor for the US Army Corps of Engineers. The dredging work was completed and had been accepted by the Corps on 11/15/22. During the course of that work, various safety minor deficiencies were noticed by the H&L Health and Safety Officer. These deficiencies included:

- Navigation lighting not functioning.
- Recovery ladders not appropriate.
- Faulty extension cord
- Faulty oxygen/acetylene hose
- Improper use of sling in lifting materials
- Inadequate housekeeping
- Excavator not adequately secured to barge.

All of these deficiencies had been logged on Daily Safety reports and had been corrected. The corrective measures had been documented by Corps personnel.

OSHA personnel performed a site inspection on 11/18/22 apparently due to an anonymous complaint received by them at some time prior. The complaint provided to H&L by OSHA specifically included the above deficiencies.

H&L has not received any correspondence from OSHA regarding the site inspection as of this date.

It should be noted that during the course of a USACE maintenance dredging project, H&L employs two full time Site Safety & Health Officers (one for each shift), and that Corps personnel are also always on-site evaluating H&L's implementing safety requirements.

LESSONS LEARNED:

While H&L has yet to receive a report from OSHA concerning its inspection at Newburyport, H&L reinforced the following with its dredging supervisory and safety personnel:

- Dredging by its very nature entails multiple operations simultaneously, with workers moving from one task to the next quickly. It is incumbent upon safety and supervisory personnel to be proactive in noticing and correcting any deficiencies, regardless of how minor they may seem.
- Faulty lights and equipment must be repaired and or replaced at the earliest opportunity.
- Equipment lifting procedures must be followed at ALL times, regardless of the size of the load being lifted.
- Housekeeping must always be up to standards, even during urgent work.

H&L will make any OSHA correspondence regarding the 11/18/22 inspection available once those reports are received.

If any additional information regarding these two OSHA cases or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 900720-22

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation regarding a utility damaged on a NYSDOT rehabilitation project on Route 110 in Huntington, NY. A gas main owned by National Grid was inadvertently damaged by H&L personnel. We have disagreed with this action brought forward by the Public Service Commission and have provided correspondence illustrating the facts of the matter.

It has been H&L's contention in the ongoing exchange of documentation, that the facility damaged was not correctly marked-out by the utility (4' from the actual location) and was placed against a drainage structure wall that was being removed. As a result of the location, the gas facility was damaged during the demolition. Repairs were made by the utility company and no injuries occurred. The matter is currently being handled by our Legal firm and should be resolved quickly.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 601141 / 2023

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation among various plaintiffs and defendants regarding a motor vehicle accident that occurred on August 21, 2016 on the Long Island Expressway. The accident took place in the vicinity of a location where H&L Contracting LLC was performing work under contract to NYSDOT. There were multiple fatalities as a result of the accident and there have been numerous suits and countersuits filed to date.

Considering the ongoing litigation, H&L can provide only limited information at this time. If more information is necessary, please provide specific questions in writing for review by H&L's attorney.

It is H&L's position that all work was performed in complete accordance with NYSDOT specifications and standards and that H&L in no way contributed to the cause or severity of the accident. [information available to H&L indicates that the approximate cause of the accident was a vehicle traveling recklessly at a high rate of speed (90+mph)].

The filing referenced above is associated with the insurance policy contractually provided by H&L covering NYSDOT for liabilities incurred by the DOT under the contract. The filing is basically a pro forma summons regarding that policy.

RE: OSHA INVESTIGATION OF H&L CONTRACTING LLC

On October 22, 2019 H&L Contracting LLC was performing paving work as a subcontractor to United Paving Corp. (General Contractor) under the Village of Freeport's 2019 Road Resurfacing Program. The subcontracting agreement between H&L and United included the paving work only, Maintenance and Protection of Traffic (MPT) was excluded from H&L's scope of work. Included in the streets to be paved by H&L was Grant Street, a dead-end street on the east side of Guy Lombardo Blvd. in the Village of Freeport.

Paving work was performed from the dead-end of Grant St. outward towards Guy Lombardo Blvd., with asphalt truck trailers provided by 4L Equipment Leasing LLC under an agreement with H&L. These trailers backed down Grant St. to the paver, and once empty proceeded ahead to Guy Lombardo Blvd., turning right to exit the work area. Unbeknownst to the H&L crew the United employee(s) that had been assigned to perform the MPT for the work were not at the Grant St. intersection but rather at another intersection scheduled for paving that day.

As a 4L truck was exiting Grant St. after dumping into the paver, the driver stopped the truck at the intersection with Guy Lombardo Blvd. During this time when the truck was stopped, another 4L employee, who had parked and exited his truck a short distance north on Guy Lombardo Blvd., ran towards the stopped truck on Grant St., approaching from the passenger side of that truck, apparently to obtain a scraper that was stored behind the cab. The driver of the stopped truck did not notice the approaching 4L employee due to that employee approaching from the passenger (blind) side. While the 4L employee was immediately in front of the stopped truck's right rear wheel, the driver proceeded forward, fatally injuring the 4L employee.

All required notifications were made, including Nassau County Police and OSHA. H&L fully cooperated with all investigations.

Notwithstanding that 1. MPT was NOT in the scope of H&L's work under the subcontract, 2. H&L was unaware that United was not providing MPT at the accident location at the time of the accident, and 3. If MPT was being provided at the intersection it is doubtful that the actions of the 4L employee, namely stepping in front of the rear wheel without notifying the driver of his presence, would have been prevented, the OSHA investigation resulted in two citations of violations against H&L. One being a severe violation of "Accident Prevention Signs and Tags" and the other being a severe violation of "Signaling". Each Violation included a penalty of $12,145.00.

H&L was not afforded an opportunity to contest the citations, although it was H&L's wish to do so, apparently due to Federal COVID protocols affecting the ability to communicate with OSHA personnel.

H&L promptly paid the penalties and incorporated various "lessons learned" into its Safety Procedures. Chief among those lessons learned was that work cannot proceed without required MPT regardless of whose responsibility that MPT falls under.

H&L personnel are available at your convenience to discuss this matter and will provide available records and documentation at your request.

Sincerely,

Keith Haney, Managing Member Signature

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 1448662.0.15
Date of Incident/Inspection: 12/4/2019
Settled Amount of Fine: $14,000.00

Explanation:
On 12/4/2019 an employee of Rason Materials was performing work at the Cedarhurst asphalt plant when, without instruction, the employee used a manlift to access a conveyor drive pulley that was approximately 8' above ground level. In an unwise attempt to clean dirt off of the pulley, while the conveyor was operating the employee used a wrench to scrape the inside of the pulley. The wrench was grabbed by the pulley and belt which spun the wrench, striking the employee's hand which resulted in a severe injury to the employee's thumb.

OSHA was notified immediately, and an inspection was performed the following day. The following determinations were made after that inspection:

- The subject pulley and belt were not required to have guards due to being 8' above ground level and not normally accessible to personnel.
- There was an inadequate Safety Plan in place for the asphalt plant.
- There was an inadequate Lockout/Tagout Program in place for the asphalt plant
- There were 2 pulleys without guards that were required to have guards

Rason received 4 violations as follows:

1. No guard on equipment (1st instance) (serious)
2. No guard on equipment (2nd instance) (serious)
3. Inadequate Safety Program
4. Inadequate Lockout/Tagout Program

The end result of discussions between Rason and OSHA was a reduction in the total fine to be $14,000.00. That fine has been paid and the case has been closed.

CORRECTIVE MEASURES
As soon as practicable after the incident Rason developed and implemented a new Safety Program, including a new Lockout/Tagout Program. These programs were implemented, and all employees were provided with initial and follow-up training.

LESSONS LEARNED
Rason has placed increased emphasis on awareness training for all employees with respect to rotating equipment guards and the necessity that those guards be in place at all times when the plant is in operation.

Additionally, Rason has been stringent in training employees in Lockout/Tagout; with particular emphasis being placed on the prohibition of working on operating equipment.

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 154269
Date of Incident/Inspection: 7/19/21
Settled Amount of Fine: Not settled as of 4/8/22

Explanation:
On 7/19/21 an employee of Scatt Materials Corp., without instruction, entered a chute to free up a jammed diversion plate. While the plant and conveyor were shut down, as the employee moved material that was obstructing a diversion plate the stored energy in the plate caused the plate to suddenly move, striking the employee in the leg. The employee suffered a broken leg.

OSHA was notified immediately, and an inspection was performed that day. The following determinations were made after that inspection:

- The Lockout/Tagout procedures that were in place for the asphalt plant were inadequate.
- The employee that was injured was not properly trained in Lockout/tagout and stored energy.

Scatt received 2 violations as follows:

1. Procedures were not developed, documented, and utilized for the control of potentially hazardous energy
2. Employees were not adequately trained to ensure that the Lockout/Tagout program that was in place was understood and followed by employees

Due to the common ownership of Scatt Materials and Rason Materials, and considering Rason Materials had received OSHA violations and a stipulated fine in 2020 for similar violations, the violations were determined by OSHA to be Repeat-Serious Violations; each violation was accompanied by a $6,216.00 fine.

Scatt has engaged legal counsel and is currently in discussions with OSHA to determine a settlement. Scatt understands at this time that the settlement will result in the removal of both "Repeat-Serious" violations and the assessment of one "other than serious" violation.

CORRECTIVE MEASURES
Additional awareness training has been provided to all Scatt employees with respect to the current Safety Program and Lockout/Tagout procedures. In addition, the Safety Programs for Scatt (and Rason) are currently under review and will be revised to meet or exceed all OSHA requirements.

LESSONS LEARNED
Scatt has placed increased emphasis on awareness training for all employees with respect to the Lockout/Tagout procedures and the potential stored hazardous energy in various components of the plant, even after the plant has been shut down.

Re: NASSAU COUNTY QUESTION

Ken:

We were aware of only one lawsuit which was brought under Index No. 900720/2022. That action concerned damage to a 2" "PE" gas line located at 642 New York Avenue, Huntington. In answer to a Complaint we are claiming that the 2" gas main was damaged solely because of incorrect marking by KeySpan/National Grid. Specifically, we claim that KeySpan/National Grid violated General Business Law 763(3) and Public Service Law 119(6) (ETSEQ).

The lawsuit under Index No. 900721/2022 concerns Route 112 and Granny Road. Although a Summons was served and we appeared on your behalf, we never received until now, the Verified Complaint. We will be checking with the Attorney General and if necessary, defend the action.

The records you previously provided to me explained that the end cap on the gas main was struck by the excavator solely because it had been re-located by National Grid earlier in the project in order to facilitate installation of a drainage structure. National Grid was required by New York State DOT to notify H & L Contracting of the re-location and was solely because of the failure of the utility to provide notification that the excavator struck the gas main.

Very truly yours,

STEVEN G. PINKS

NYS Tax Warrant dated March 14, 2022 in the amount of $4,793.62.
NYS Tax Warrant dated June 3, 2022 in the amount of $686.57.

Explanation

New York State has disputed the amounts Village Dock, Inc. claimed as prepayments on corporate tax returns filed.

Village Dock Inc. will be seeking in May a conciliation conference to further argue that the facts and the law are on the side of Village Dock, Inc. and that the prepayments as reflected will be upheld, vacating these tax warrants.

(c) The continuation of the Company after a Dissolution Event;

(d) The borrowing of funds or the pledging, mortgaging or otherwise encumbering any Company Property, except for (i) any loan to meet operating expenses if operating income and reserves are insufficient or for emergency or other extraordinary circumstances **[and (ii) any loan for the purpose of refinancing the Asset]**;

(e) The payment of compensation to the Managing Member;

(f) The imposition of any Additional Contribution, except as provided in Section 8.2;

(g) The admission of a Person as an additional Member; and

(h) Any act that would make it impossible to carry on the ordinary business of the Company.

All Company cash shall be deposited in a bank account selected by the Managing Member and all disbursements of Company cash shall be approved in advance by those Persons designated by the **[board of directors of the]** Managing Member.

[The Members hereby approve and consent to the Company's borrowing pursuant to the Acquisition Loan and to the Company's acquisition of the Asset pursuant to the Acquisition Agreement.]

6.2 **Liability of Members.** No Member shall be liable as such for the liabilities of the Company.

6.3 **Indemnification.** A Member shall indemnify the Company for any costs or damages incurred by the Company as a result of any unauthorized action by such Member.

6.4 **Representations, Warranties and Covenants.** Each Member, and in the case of a trust or other Organization, the person(s) executing the Company Agreement on behalf of the entity, hereby represents and warrants to the Company and each other Member that: (a) if that Member is a trust or other Organization, it has power to enter into the Company Agreement and

to perform its obligations hereunder and that the person(s) executing the Company Agreement on behalf of the entity has the power to do so; and (b) the Member is acquiring its interest in the Company for the Member's own account as an investment and without an intent to distribute the interest. The Members acknowledge that their interests in the Company have not been registered under the Securities Act or any state securities laws and may not be resold or transferred without appropriate registration or the availability of an exemption from such requirements.

6.5 **Conflicts of Interest.**

(a) A Member, including the Managing Member, shall be entitled to enter into transactions that may be considered to be competitive with, or a business opportunity that may be beneficial to, the Company or its Affiliates, it being expressly understood that Members may enter into transactions that are similar to the transactions into which the Company or its Affiliates may enter. Notwithstanding the foregoing, Members shall account to the Company and hold as trustee for it any Property, Profit or benefit derived by the Member, without the consent of all of the other Members, in the conduct and winding up of the Company business or from a use or appropriation by the Member of Company Property including information developed exclusively for the Company and opportunities expressly offered to the Company.

(b) A Member, including the Managing Member, does not violate a duty or obligation to the Company merely because the Member's conduct furthers the Member's own interest. A Member may lend money to and transact other business with the Company. The rights and obligations of a Member who lends money to or transacts business with the Company are the same as those of a Person who is not a Member, subject to other applicable law. No transaction with the Company shall be voidable solely because a Member has a direct or indirect interest in the transaction if the transaction is fair to the Company.

ARTICLE VII

7.3 **Authority of Managing Member to Bind the Company.** Only the Managing Member and authorized agents of the Company shall have the authority to bind the Company. Subject to Section 6.1, the Managing Member has the power, on behalf of the Company, to do all things necessary or convenient to carry out the business and affairs of the Company (as described in Article III), including, without limitation:

(a) To acquire, hold, sell, transfer, assign, lease or otherwise deal with **[the Asset or other]** Property that may be acquired by the Company, and to transfer **[the Asset or other]** Property to any other Organization that is (i) wholly-owned by the Company or is owned by the Members in the same proportions as their Sharing Ratios, (ii) a subsidiary limited liability company (or partnership) in which the Company is the sole non-managing member (or sole limited partner) and the Managing Member is the sole managing member (or sole general partner) or (iii) a nominee or agent of the Company, in such manner as the Managing Member may deem appropriate to protect the Company and the Members from liability (including environmental liability) and to minimize the tax burden of the Members;

(b) To institute, prosecute and defend any Proceeding in the Company's name;

(c) To conduct the Company's business, establish Company offices and exercise the powers of the Company;

(d) Subject to Section 7.11, to employ, contract and deal with, from time to time, Persons, including any Member or Affiliate of any Member, in connection with the management and operation of the Company's business, including without limitation, suppliers, customers, tradespeople, brokers, accountants and attorneys, on such terms as the Managing Member shall determine;

(e) To purchase liability and other insurance to protect the Company's business and Property;

(f) To establish reserve funds of the Company to provide for future requirements for operations, contingencies or any other purpose that the Managing Member deems necessary or appropriate;

(g) To make such elections under the Code and other relevant tax laws as to the treatment of items of Company income, gain, loss, deduction and credit, and as to all other relevant matters as the Managing Member deems necessary or appropriate, including without limitation, elections referred to in section 754 of the Code (subject to Section 9.6), the determination of which items of cash outlay shall be capitalized or treated as current expenses, and the selection of the method of accounting and bookkeeping procedures to be used by the Company;

7.5 **Indemnification.** The Company shall indemnify the Managing Member and its agents for all costs, losses, liabilities and damages paid or incurred in connection with the business of the Company, to the fullest extent provided or allowed by the laws of the State of New York.

7.6 **Managing Member's Standard of Care.** The Managing Member's standard of care in the discharge of the Managing Member's duties to the Company and the other Members is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, fraud or a knowing violation of law. In discharging its duties, the Managing Member shall be fully protected in relying in good faith upon the records required to be maintained under Article IV and upon such information, opinions, reports or statements by any Person as to matters the Managing Member reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, Profits or Losses of the Company or any other facts pertinent to the existence and amount of assets from which Distributions to Members might properly be paid. The Company shall indemnify and save harmless the Managing Member against any loss, damage or expense (including attorneys' fees) incurred by the Managing Member as a result of any act performed or omitted on behalf of the Company or in furtherance of the Company's interests without, however, relieving the Managing Member of liability for gross negligence, reckless conduct, intentional misconduct, fraud or a knowing violation of law. The satisfaction of any indemnification and any saving harmless shall be from and limited to Company Property and the other Members shall not have any personal liability on account thereof.

7.7 **Resignation; Removal of Managing Member.** The Managing Member shall not have a right to resign and may not be removed by the Members for any reason other than a breach of the Managing Member's standard of care, as set forth in Section 7.6.

7.8 **Other Activities.** The Managing Member shall not be required to devote its full time to the management of the Company business, but only so much of its time as the Managing Member deems necessary or appropriate for the proper management of such business. The Managing Member, and any of its Affiliates, may engage or possess an interest, independently or with others, in other businesses or ventures of every nature and description including without limitation the acquisition, ownership, management and operation of other real estate, and the operation and management of other Organizations for the acquisition, ownership, management and operation of other properties**[, including those located near the Asset,]** in competition with the Company or otherwise, and neither the Company nor any Member shall have any rights in or to such ventures or the income or profits derived therefrom.

7.9 **Distributions.** Each Member shall look solely to the assets of the Company for all Distributions and a share of Profits or Losses and shall have no recourse therefor (upon dissolution or otherwise) against the Managing Member or the other Members. No Member

shall have any right to demand or receive Property other than money upon dissolution and termination of the Company.

7.10 **Expenses.** The Company shall pay directly or reimburse the Managing Member for certain expenses of the Company incurred by the Managing Member in the management of the Company's business. Such expenses may include but are not limited to: (a) costs of borrowed money and taxes applicable to the Company; (b) fees and expenses paid to suppliers, tradespeople, brokers, consultants and other agents; (c) costs of insurance as required in connection with the conduct of the business of the Company; and (d) expenses incurred by the Company for tax return preparation.

7.11 **Affiliates; Fees.** The Managing Member is specifically authorized to employ, contract and deal with, from time to time, any member or Affiliate of any Member, and in connection therewith to pay such Person's fees, prices or other compensation; provided that such employment, contracts and dealings are necessary or appropriate for the Company's purposes, and the fees, prices or other compensation paid by the Company therefor is, in the judgment of the Managing Member, reasonable and typical or competitive with the fees, prices or other compensation customarily paid for similar Property or services.

Nothing herein contained shall be construed as a guaranty by the Managing Member of the performance by any Affiliate, designee or nominee of its obligations under any contract between any such Affiliate, designee or nominee and the Company.

ARTICLE VIII
CONTRIBUTIONS AND CAPITAL ACCOUNTS

8.1 **Initial Capital Contributions.** Each Member shall make the Initial Capital Contribution described for that Member on Exhibit A and shall perform that Member's Commitment. No Member shall have the right to withdraw or be repaid any Capital Contribution except as provided in the Company Agreement.

8.2 **Additional Capital Contributions.** In the event the Managing Member determines that the Company does not have sufficient operating revenues or other available funds to pay any amount which the Managing Member determines to be required for any Company purpose, the Managing Member shall, if reasonable under the circumstances, attempt to obtain financing in the amount required; provided, however, that the Managing Member shall not obtain such financing if it would cause a default under any Company obligation. In the event that such financing cannot be obtained within a reasonable time and upon terms and conditions approved by the Managing Member, the Managing Member may, upon 15 days notice to the Members, call for an Additional Capital Contribution from the Members in the required amount. Such Additional Capital Contributions shall thereupon be made by the Members in proportion to their respective Sharing Ratios.

8.3 **Enforcement of Commitments.** In the event any Member (a "Delinquent Member") fails to perform the Delinquent Member's Commitment, the Managing Member shall give the Delinquent Member a notice of such failure. If the Delinquent Member fails to perform the Commitment (including the payment of any costs associated with the failure and interest at

the Default Interest Rate) within ten Business Days of the giving of such notice, the Managing Member may take such action as it deems appropriate, including but not limited to:

(a) Enforcing the Commitment in the court of appropriate jurisdiction in the state in which the Principal Office is located or the state of the Delinquent Member's address as reflected in the Company Agreement; provided, however, that a Member shall have no personal liability for any such Additional Capital Contribution and, in any proceeding to enforce the obligation of a Member to make all or part of any such Additional Capital Contribution, the Managing Member shall have recourse solely to the Delinquent Member's interest in the Company. Each Member expressly agrees to the jurisdiction of such courts but only for purposes of such enforcement.

(b) Selling the Delinquent Member's Membership Interest, including a sale to another Member or to another Person.

(c) Allowing Members, except the Delinquent Member, to make Additional Contributions and adjusting the Sharing Ratios and Membership Interests of the Members in proportion to the new Capital Contribution levels.

(d) Reducing the Delinquent Member's Membership Interest and Sharing Ratio.

(e) Issuing new Membership Interests to Members who make Additional Contributions in place of the Delinquent Member; provided that such Membership Interests may be entitled to a priority return and such other rights as shall be determined by the Managing Member.

8.4 **Capital Account.** A separate capital account shall be maintained for each Member throughout the term of the Company in accordance with the rules of section 1.704-1(b)(2)(iv) of the Regulations as in effect from time to time, and, to the extent not inconsistent therewith, to which the following provisions apply:

(a) Each Member's Capital Account shall be credited with (i) such Member's Capital Contribution; and (ii) such Member's share of Profits and items of income and gain that are specially allocated to such Member pursuant to Article IX (other than any income or gain allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code.

(b) Each Member's Capital Account shall be debited with: (i) the amount of money distributed to such Member by the Company (including liabilities of such Member assumed by the Company as provided in section 1.704-1(b)(2)(iv)(c) of the Regulations) other than amounts which are in repayment of debt obligations of the Company to such Member; (ii) the Gross Asset Value of Property distributed to such Member (net of liabilities secured by such distributed Property that such Member is considered to assume or take subject to under section 752 of the Code); and (iii) such Member's share of Losses and items of loss and deduction that are specially allocated to such Member pursuant to Article IX (other than any deduction or loss allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code).

(c) All such contributions, allocations and Distributions shall be credited or charged, as the case may be, to the appropriate Capital Accounts of the respective Members to whom they apply, as of the time the contributions, allocations or Distributions are made.

(d) The Capital Account of a transferee Member shall include the appropriate portion of the Capital Account of the Member from whom the transferee Member's interest was obtained.

(e) In determining the amount of any liability, there shall be taken into account section 752(c) of the Code and any other applicable provisions of the Code and Regulations.

The foregoing provisions and the other provisions of this Company Agreement relating to the maintenance of Capital Accounts are intended to comply with section 1.704-1(b) of the Regulations, and shall be interpreted and applied in a manner consistent with such Regulations. Consistent with such intention, the value of any Property (other than cash) (i) contributed to the Company by a Member, (ii) distributed to a Member from the Company or (iii) owned by the Company and subject to a revaluation upon the occurrence of certain events shall be the Fair Market Value of such Property (net of liabilities secured by such Property that the Company or such Member, as the case may be, is considered to assume or take subject to under section 752 of the Code) on the date of contribution, Distribution or revaluation, as applicable.

8.5 **No Obligation to Restore Deficit Balance.** No Member shall be required to restore any deficit balance in its Capital Account.

8.6 **Withdrawal; Successors.** A Member shall not be entitled to withdraw any part of its Capital Account or to receive any Distribution from the Company, except as specifically provided in the Company Agreement, and no Member shall be entitled to make any capital contribution to the Company other than such Member's Commitment.

8.7 **Interest.** Except as otherwise provided in this Company Agreement, no Member shall be entitled to interest or other return on such Member's Capital Contribution or on any Profits retained by the Company.

8.8 **Investment of Capital Contributions and Company Cash.** The Capital Contributions of the Members and any cash held by the Company from time to time shall be invested, until such time as such funds shall be used for other Company purposes, by the Managing Member in demand, money market or time deposits, obligations, securities, investments or other instruments constituting cash equivalents. Such investments shall be made by the Managing Member for the benefit of the Company.

8.9 **Repayment of Capital Contribution.**

(a) The Managing Member shall have no personal liability for the repayment of any Capital Contributions of any Member, and no Member shall have liability for the repayment of any Capital Contributions of any other Member. The repayment of any

Capital Contribution shall be made only to the extent of available Company assets in accordance with the terms of this Company Agreement.

(b) Except as otherwise provided in this Company Agreement, no Member shall have priority over any other Member as to the return of its Capital Contribution or as to Distributions of cash made by the Company.

(c) Except as otherwise provided in this Company Agreement, a Member shall not be entitled to (i) demand or receive Property other than cash in return for its Capital Contribution or (ii) receive any funds or Property of the Company.

ARTICLE IX
ALLOCATIONS AND DISTRIBUTIONS

9.1 **Profits and Losses.** Profits and Losses, and each item of Company income, gain, loss, deduction, credit and tax preference with respect thereto, for each Fiscal Year (or shorter period in respect of which such items are to be allocated) shall be allocated among the Members as provided in this Article IX.

9.2 **Profits.** After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Profits for any Fiscal Year shall be allocated in the following order of priority:

(a) First, to the Members, if any, who received any allocation of Losses under Section 9.3(c), in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to such Members pursuant to Section 9.3(c) for all prior Fiscal Years, over (ii) the cumulative Profits allocated to such Members pursuant to this Section 9.2(a) for all prior Fiscal Years;

(b) Second, to the Members, in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to each Member pursuant to Section 9.3(a) hereof for all prior Fiscal Years, over (ii) the cumulative Profits allocated to each Member pursuant to this Section 9.2(b) for all prior Fiscal Years; and

(c) Third, the balance of the Profits remaining to the Members in accordance with their Sharing Ratios.

9.3 **Losses.** After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Losses shall be allocated as set forth in Section 9.3(a), subject to the limitation in Section 9.3(b) below and, if applicable, as provided in Section 9.3(c).

(a) Losses for any Fiscal Year shall be allocated in the following order of priority:

(i) First, to the Members in proportion to and to the extent of the excess, if any, of (A) the cumulative Profits allocated to each such Member pursuant to Section 9.2(c) hereof for all prior Fiscal Years, over (B) the cumulative Losses allocated to such Member pursuant to this Section 9.3(a)(i) for all prior Fiscal Years; and

(ii) The balance, if any, among the Members in proportion to their respective Sharing Ratios.

(b) (i) The Losses allocated according to Section 9.3(a) shall not exceed the maximum amount of Losses that may be allocated to such Member without causing such Member to have an Adjusted Capital Account Deficit.

(ii) If some, but not all of the Members would have Adjusted Capital Account Deficits as a consequence of the allocations of Losses pursuant to Section 9.3(a), the limitation set forth in this Section 9.3(b) shall be applied by allocating Losses pursuant to this Section 9.3(b)(ii) only to those Members (allocated pro rata if more than one), who would not have an Adjusted Capital Account Deficit as a consequence of receiving such an allocation of Losses.

(iii) If no other Member may receive an additional allocation of Losses pursuant to Section 9.3(b)(ii), such additional Losses not allocated shall be allocated solely to those Members who bear the economic risk of such Losses within the meaning of section 704(b) of the Code.

(c) In the event that there are any remaining Losses in excess of the limitations set forth in Section 9.3(b), such remaining losses shall be allocated among the Members in proportion to their respective Sharing Ratios.

9.4 **Special Allocations.** The following special allocations shall be made:

(a) Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(f) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partnership Minimum Gain, determined in accordance with section 1.704-2(g) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(f)(6) and 1.704-2(j)(2) of the Regulations. This Section 9.4(a) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

(b) Partner Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Partner Nonrecourse Debt Minimum Gain as of the beginning of the Fiscal Year attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partner Nonrecourse Debt

Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(4) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section 9.4(b) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in section 1.704-1(b)(2)(ii)(d)(4), section 1.704-1(b)(2)(ii)(d)(5) or section 1.704-1(b)(2)(ii)(d)(6) of the Regulations which increase a Member's Adjusted Capital Account Deficit, items of Company income and gain shall be specially allocated to the Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 9.4(c) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been tentatively made as if this Section 9.4(c) were not in this Company Agreement.

(d) Gross Income Allocation. In the event any Member has an Adjusted Capital Account Deficit, such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 9.4(d) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been made as if Section 9.4(c) and this Section 9.4(d) were not in this Company Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated among the Members in proportion to their Sharing Ratios.

(f) Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with section 1.704-2(i)(1) of the Regulations.

(g) Certain Book-ups. To the extent an adjustment to (i) the adjusted tax basis of any Company asset pursuant to section 734(b) or 743(b) of the Code is required to be taken into account in determining Capital Accounts or (ii) pursuant to section 1.704-1(b)(2)(iv)(f) of the Regulations, the Gross Asset Value of any Company asset is permitted to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated, as provided in section 1.704-1(b)(2)(iv)(m) or 1.704-1(b)(2)(iv)(g) of the Regulations, respectively, as an item of Profit (if the adjustment increases such basis or Gross Asset Value of the asset) or Loss (if the adjustment decreases such basis or Gross Asset Value), and such Profit or Loss shall be specially allocated to the Members in a manner consistent with the manner in

which their Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

(h) Mandatory Allocations under Section 704(c) of the Code.

(i) In the event section 704(c) of the Code or the principles of section 704(c) of the Code applicable under section 1.704-1(b)(2)(iv) of the Regulations require allocations of income, gain, deduction or loss in a manner different than that set forth above, the provisions of section 704(c) of the Code and the Regulations thereunder shall control such allocations among the Members. Any item of Company income, gain, loss and deduction with respect to any Property (other than cash) that has been contributed by a Member to the capital of the Company and which is required or permitted to be allocated to such Member for income tax purposes under section 704(c) of the Code so as to take into account the variation between the tax basis of such Property and its Fair Market Value at the time of its contribution shall be allocated solely for income tax purposes in the manner so required or permitted under section 704(c) of the Code using the "traditional method" described in section 1.704-3(b) of the Regulations, provided, however, that any other method allowable under applicable Regulations may be used for any contribution of Property as to which there is agreement between the contributing Member and the Managing Member.

(ii) In the event the Gross Asset Value of any Company asset is adjusted pursuant to Section 9.4(g) in accordance with section 1.704-1(b)(2)(iv)(f) of the Regulations, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in a manner consistent with Section 9.4(h)(i).

(iii) Except as provided in Sections 9.4(h)(i) and (ii), for United States federal, state and local income tax purposes, the income, gains, losses and deductions of the Company shall, for each taxable period, be allocated among the Members in the same manner and in the same proportion that such items have been allocated among the Members' respective Capital Accounts.

9.5 **Curative Allocations.** The allocations set forth in Sections 9.3(b) and 9.4(a) through (f) (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction. Therefore, notwithstanding any other provision of this Article IX (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Company Agreement and all Company items were allocated pursuant to Sections 9.2 and 9.3(a). In exercising its discretion under this Section 9.5, the Managing Member (i) shall take into

account future Regulatory Allocations under Sections 9.4(a) and 9.4(b) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 9.4(e) and 9.4(f).

9.6 **Section 754 Election.** Upon a transfer by a Member of an interest in the Company, which transfer is permitted by the terms of this Company Agreement, or upon the death of a Member or the Distribution of any Company Property to one or more Members, the Managing Member, upon the request of one or more of the transferees or distributees, shall cause the Company to file an election on behalf of the Company, adjusted for federal income tax purposes in the manner prescribed in section 734 or 743 of the Code, as the case may be. The cost of preparing such election and any additional accounting expenses of the Company occasioned by such election, shall be borne by such transferees or distributees.

9.7 **Other Allocation Rules.**

(a) For purposes of determining the Profits, Losses or any other item allocable to any period (including allocations to take into account any changes in any Member's Sharing Ratio during a Fiscal Year and any transfer of any interest in the Company), Profits, Losses and any such other item shall be determined on a daily, monthly or other basis, as determined by the Managing Member using any permissible method under section 706 of the Code and the Regulations thereunder.

(b) The Members are aware of the income tax consequences of the allocations made by this Article IX and hereby agree to be bound by the provisions of this Article IX in reporting their shares of Company income and loss for income tax purposes.

(c) Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of section 1.752-3(a)(3) of the Regulations, the Members' interests in Company Profits are in proportion to their Sharing Ratios.

(d) To the extent permitted by section 1.704-2(h)(3) of the Regulations, the Managing Member shall endeavor to treat Distributions as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such Distributions would not cause or increase an Adjusted Capital Account Deficit for any Member.

(e) Except as otherwise provided in this Article IX, an allocation of Company Profits or Losses to a Member shall be treated as an allocation to such Member of the same share of each item of income, gain, loss and deduction taken into account in computing such Profits or Losses.

(f) For purposes of determining the character (as ordinary income or capital gain) of any Profits allocated to the Members pursuant to this Article IX, such portion of Profits that is treated as ordinary income attributable to the recapture of depreciation shall, to the extent possible, be allocated among the Members in the proportion which (i) the amount of depreciation previously allocated to each Member bears to (ii) the total of such depreciation allocated to all Members. This Section 9.7(f) shall not alter the amount

of allocations among the Members pursuant to this Article IX, but merely the character of income so allocated.

(g) Except for arrangements expressly described in this Company Agreement, no Member shall enter into (or permit any Person related to the Member to enter into) any arrangement with respect to any liability of the Company that would result in such Member (or a person related to such Member under section 1.752-4(b) of the Regulations) bearing the economic risk of loss (within the meaning of section 1.752-2 of the Regulations) with respect to such liability unless such arrangement has been approved by all Members. To the extent a Member is permitted to guarantee the repayment of any Company indebtedness under this Company Agreement, each of the other Members shall be afforded the opportunity to guarantee such Member's pro rata share of such indebtedness, determined in accordance with the Members' respective Sharing Ratios.

9.8 **Distribution of Net Cash Flow.**

(a) Amounts and Timing. Subject to the provisions of Section 13.3, Net Cash Flow for each Fiscal Year of the Company, to the extent not distributed previously under this Section 9.8, shall be distributed to the Members, at such time or times as may be designated by the Managing Member, in proportion to the amount of Profits allocated to each Member.

(b) Amounts Withheld. All amounts required to be withheld pursuant to the Code or any provision of any state or local tax law with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to this Section 9.8 for all purposes under this Company Agreement. The Managing Member is authorized to withhold from Distributions, or with respect to allocations, to the Members and to pay over to any federal, state or local government any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state or local law, and shall allocate any such amounts to the Members with respect to which such amount was withheld.

(c) Draws for Payment of Estimated Taxes. The Company shall pay to each Member a quarterly draw, not to exceed the amount reasonably necessary to provide for payment by the Members of any federal, state and local estimated taxes with respect to Profits allocated to the Members pursuant to this Article IX, and each such draw, if any, shall be treated as a loan from the Company to each Member receiving such draw and shall be deemed repaid by reducing the amount of each subsequent Distribution to the Member receiving such draw pursuant to this Section 9.8 by the lesser of (i) the entire amount otherwise distributable to the Member receiving such draw and (ii) the entire amount of any unrepaid draws pursuant to this Section 9.8(c).

9.9 **Allocation of Gain or Loss upon Winding Up.**

(a) Gain Realized on Sale of Company Property. Upon the winding up of the Company, as provided in Article XIII, net gain realized on the sale or sales of Company

Property (each such sale a "Winding Up Sale") shall be allocated among the Members in accordance with Section 9.2.

(b) Loss Realized on Sale of Company Property. Net loss realized on any Winding Up Sale shall be allocated among the Members in accordance with Section 9.3.

(c) Distributions in Kind. In the event that, upon a winding up of the Company, pursuant to Section 13.3, either (i) any Company Property is required to be distributed in kind, or (ii) the Managing Member elects to distribute any Company Property in kind, the book value of such Property shall be adjusted to its Fair Market Value as of the date of such Distribution, and the amount of such adjustments shall be allocated to the Members' capital accounts in the manner and priorities provided in Sections 9.9(a) and (b) as though such Property had been sold at its Fair Market Value and gain or loss had been realized.

ARTICLE X
TAXES

10.1 **Tax Matters Partner.** Managing Member shall be the Tax Matters Partner of the Company pursuant to section 6231(a)(7) of the Code. If the Managing Member shall cease to act as the Tax Matters Partner for any reason, the Members shall select another Member (subject to such Member's approval) to be the Tax Matters Partner. The Company has designated another Member as Tax Matters Partner and such Member has given its consent in writing to its appointment as Tax Matters Partner. The Tax Matters Partner shall receive no additional compensation from the Company for its services in that capacity, but all expenses incurred by the Tax Matters Partner in such capacity shall be borne by the Company. The Tax Matters Partner is authorized to employ such accountants, attorneys and agents as it, in its sole discretion, determines is necessary to or useful in the performance of its duties. The Tax Matters Partner is authorized to represent the Company before the Internal Revenue Service and any other governmental agency with jurisdiction, and to sign such consents and to enter into settlements and other agreements with such agencies as the Tax Matters Partner or its duly authorized officer deems necessary or advisable. Each Member shall give prompt notice to each other Member of any and all notices it receives from the Internal Revenue Service concerning the Company, including any notice of a 30 day appeal letter and any notice of deficiency in tax concerning the Company's federal income tax returns. The Tax Matters Partner shall give each Member periodic status reports regarding any negotiations between the Internal Revenue Service and the Company. The Tax Matters Partner shall serve in a similar capacity with respect to any similar tax related or other election provided by state or local laws.

ARTICLE XI
TRANSFER OF MEMBERSHIP INTEREST

11.1 **Compliance with Securities Laws.** No Membership Interest has been registered under the Securities Act or under any applicable state securities laws. A Member may not transfer (a transfer, for purposes of this Company Agreement, shall be deemed to include, but not be limited to, any sale, transfer, assignment, pledge, creation of a security interest or other disposition) all or any part of such Member's Membership Interest, except upon compliance with

the applicable federal and state securities laws. The Managing Member shall have no obligation to register any Member's Membership Interest under the Securities Act or under any applicable state securities laws, or to make any exemption therefrom available to any Member.

11.2 **Transfer of Economic Interest.** The Economic Interest of any Member may not be transferred in whole or in part unless the following terms and conditions have been satisfied:

(a) The transferor shall have: (i) assumed all costs incurred by the Company in connection with the transfer, (ii) furnished the Company with a written opinion of counsel, satisfactory in form and substance to counsel for the Company, that such transfer complies with applicable federal and state securities laws and the Company Agreement and will not result in the Company being treated as a publicly traded partnership for purposes of section 7704 of the Code and (iii) complied with such other conditions as the Managing Member may reasonably require from time to time; and

(b) The transferee shall have assumed the obligations, if any, of the transferor to the Company, including the obligation to fulfill the pro rata portion of the transferor's then existing or subsequently arising Commitment related to the transferred Economic Interest or portion thereof.

Transfers of Economic Interests will be recognized by the Company as effective only upon the close of business on the last day of the calendar month following satisfaction of the above conditions. Any transfer in contravention of this Article XI and any transfer which if made would cause a termination of the Company for federal income tax purposes under section 708(b) of the Code shall be void when made and ineffectual and shall not bind the Company or the other Members.

11.3 **Status of Transferee of Economic Interest.** A transferee of an Economic Interest who is not admitted as a Substitute Member shall be entitled only to receive that share of Profits, Losses and Distributions, and the return of Capital Contribution and Distributions upon a dissolution of the Company, to which the transferor would otherwise be entitled with respect to the interest transferred, and shall not have any Management Rights of a Member of the Company under the NY LLC Law or this Company Agreement including, without limitation, the right to obtain any information on account of the Company's transactions, to inspect the Company's books or to vote with the Members on, or to grant or withhold consents or approvals to, any matter. The Company shall, if a transferee and transferor jointly advise the Company in writing of a transfer of the Economic Interest, furnish the transferee with pertinent tax information at the end of each Fiscal Year.

11.4 **Transfer of Management Rights; Admission of Substitute Member.** A Member may transfer Management Rights and give the transferee the right to become a Member only after the following terms and conditions have been satisfied:

(a) The transferee shall also be the transferee of all or part of the transferor's Economic Interest, or shall be the owner of an Economic Interest;

(b) The Members holding at least a majority of the Membership Interests shall have consented in writing to the admission of the Substitute Member, which consent may be arbitrarily withheld by any such Member; and

(c) The transferor and the transferee shall have complied with such other requirements as the non-transferring Members may reasonably impose, including the conditions that the transferee:

(i) Adopt and approve in writing all the terms and provisions of the Company Agreement then in effect; and

(ii) Pay such fees as the Managing Member may reasonably require to pay the costs of the Company in effecting such substitution.

11.5 **Transfer to Surviving Spouse or Lineal Descendent.** If, by reason of the death of a Member, all or part of such Member's Economic Interest is transferred to the surviving spouse or to a lineal descendent of such Member (a "Permitted Transferee"), pursuant to the last will and testament of, or inter vivos trust created by, such Member, or pursuant to the laws of descent and distribution applicable to such Member's estate, such Permitted Transferee shall be admitted as a Substitute Member upon satisfaction of the terms and conditions of Section 11.4(c), to the extent applicable.

11.6 **Death, Dissolution, Bankruptcy or Incompetency of a Member.** Upon the death, dissolution, adjudication of bankruptcy, insanity or incompetency of a Member, such Member's successors, executors, administrators or legal representatives shall have all the rights of a Member (except as provided by the last sentence of this Section 11.6) for the purpose of settling or managing such Member's estate, including such power as such Member possessed to substitute a successor as a transferee of such Member's interest in the Company and to join with such transferee in making the application to substitute such transferee as a Member. However, except as provided in Section 11.5, such successors, executors, administrators or legal representatives will not have the right to become a Substitute Member in the place of their predecessor in interest unless the other Members shall so consent as provided in Section 11.4(b) hereof.

11.7 **Dispositions not in Compliance with this Article Void.** Any attempted Disposition of a Membership Interest, or any part thereof, not in compliance with this Article shall be void when made and ineffectual and shall not bind the Company.

ARTICLE XII
DISSOCIATION OF A MEMBER

12.1 **Dissociation.** A Person shall cease to be a Member upon the happening of any of the following events:

(a) The resignation or withdrawal of a Member;

(b) A Member becoming a Bankrupt Person;

(c) In the case of a Member who is a natural person, the death of the Member or the entry of an order by a court of competent jurisdiction adjudicating the Member incompetent to manage the Member's personal estate;

(d) In the case of a Member that is a trust or who is acting as a Member by virtue of being a trustee of a trust, the termination of the trust (but not merely the substitution of a new trustee);

(e) In the case of a Member that is a separate Organization other than a corporation, the dissolution and commencement of winding up of the separate Organization;

(f) In the case of a Member that is a corporation, the filing of a certificate of dissolution, or its equivalent, for the corporation or the revocation of its charter; or

(g) In the case of a Member that is an estate, the distribution by the fiduciary of the estate's entire interest in the Company.

12.2 **Rights of Dissociating Member.** In the event any Member dissociates prior to the expiration of the term of this Company Agreement:

(a) If the Dissociation causes a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to participate in the winding up of the Company to the same extent as any other Member except that, if such Dissociation results from a withdrawal of a Member in violation of this Company Agreement, any Distributions to which such Member would have been entitled shall be reduced by that portion of the damages, if any, sustained by the Company as a result of the Dissolution Event and winding up that is chargeable to the Capital Accounts of the other Members; or

(b) If the Dissociation does not cause a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to an amount equal to the value of the Member's Membership Interest in the Company, to be paid over a period not to exceed five years together with interest at the minimum rate necessary to avoid the imputation of interest under the Code. The value of the Member's Membership Interest shall include the amount of any Distributions to which the Member is entitled under the Company Agreement and the value of the Member's Membership Interest as of the date of Dissociation as determined by independent appraisal, reduced by an allocable portion of any damages sustained by the Company as a result of the Member's Dissociation.

ARTICLE XIII
DISSOLUTION AND WINDING UP

13.1 **Dissolution.** The Company shall be dissolved without further action by the Members and its affairs wound up upon the first to occur of any of the following events (each of which shall constitute a Dissolution Event):

(a) The expiration of the term of the Company Agreement, unless the Company is continued with the consent of all of the Members;

(b) The written consent of the Members holding at least two-thirds of the Membership Interests; and

[(c) At any time when there is but one Member.]

13.2 **Effect of Dissolution.** Upon dissolution, the Company shall not be terminated and shall continue until the winding up of the affairs of the Company is completed and articles of dissolution have been filed with the Department of State of New York.

13.3 **Distribution of Assets on Dissolution.** Upon the winding up of the Company, the Managing Member (or, if there is no Managing Member then remaining, such other Person(s) designated by the Members representing at least a majority of the Members' Membership Interests) shall take full account of the assets and liabilities of the Company, shall liquidate the assets (unless the Managing Member determines that a Distribution of any Company Property in-kind would be more advantageous to the Members than the sale thereof) as promptly as is consistent with obtaining the Fair Market Value thereof, and shall apply and distribute the proceeds therefrom in the following order:

(a) First, to the payment of the debts and liabilities of the Company to creditors, including Members who are creditors, to the extent permitted by law, in satisfaction of such debts and liabilities, and to the payment of necessary expenses of liquidation;

(b) Second, to the setting up of any reserves which the Managing Member may deem necessary or appropriate for any anticipated obligations or contingencies of the Company arising out of or in connection with the operation or business of the Company. Such reserves may be paid over by the Managing Member to an escrow agent or trustee selected by the Managing Member to be disbursed by such escrow agent or trustee in payment of any of the aforementioned obligations or contingencies and, if any balance remains at the expiration of such period as the Managing Member shall deem advisable, shall be distributed by such escrow agent or trustee in the manner hereinafter provided; and

(c) Then, to the Members in accordance with positive Capital Account balances taking into account all Capital Account adjustments for the Company's taxable year in which the liquidation occurs. Liquidation proceeds shall be paid within 60 days of the end of the Company's taxable year in which the liquidation occurs. Such Distributions shall be in cash or Property (which need not be distributed proportionately) or partly in both, as determined by the Managing Member.

If at the time of liquidation the Managing Member shall determine that an immediate sale of some or all Company Property would cause undue loss to the Members, the Managing Member may, in order to avoid such loss, defer liquidation.

13.4 **Winding Up and Articles of Dissolution.** The winding up of the Company shall be completed when all debts, liabilities and obligations of the Company have been paid and discharged or reasonably adequate provision therefor has been made, and all of the remaining Property of the Company has been distributed to the Members. Within 90 days following the

dissolution and commencement of the winding up of the Company, articles of dissolution shall be filed with the Department of State of New York. The articles of dissolution shall set forth the information required by the NY LLC Law.

ARTICLE XIV
MISCELLANEOUS

14.1 **Notices.** Notices to the Managing Member shall be sent to the principal office of the Company. Notices to the other Members shall be sent to their addresses set forth on Exhibit A. Any Member may require notices to be sent to a different address by giving notice to the other Members in accordance with this Section 14.1. Any notice or other communication required or permitted hereunder shall be in writing, and shall be deemed to have been given with receipt confirmed if and when delivered personally, given by prepaid telegram or mailed first class, postage prepaid, delivered by courier, or sent by facsimile, to such Members at such address.

14.2 **Meetings.** A meeting of the Members may be called by the Managing Member at any time, and shall be called at the written request of the Members holding at least a majority of the Membership Interests. Written notice stating the place and time of the meeting, and the purpose thereof shall be given by the Managing Member to each Member at least ten days before the meeting.

14.3 **Headings.** All Article and Section headings in the Company Agreement are for convenience of reference only and are not intended to qualify the meaning of any Article or Section.

14.4 **Entire Agreement.** This Company Agreement constitutes the entire agreement among the parties and supersedes any prior agreement or understanding among them respecting the subject matter of this Company Agreement.

14.5 **Binding Agreement.** This Company Agreement shall be binding upon, and inure to the benefit of, the parties hereto, their successors, heirs, legatees, devisees, assigns, legal representatives, executors and administrators, except as otherwise provided herein.

14.6 **Saving Clause.** If any provision of this Company Agreement, or the application of such provision to any Person or circumstance, shall be held invalid, the remainder of this Company Agreement, or the application of such provision to Persons or circumstances other than those as to which it is held invalid, shall not be affected thereby. If the operation of any provision of this Company Agreement would contravene the provisions of the NY LLC Law, such provision shall be void and ineffectual.

14.7 **Counterparts.** This Company Agreement may be executed in several counterparts, and all so executed shall constitute one agreement, binding on all the parties hereto, even though all parties are not signatories to the original or the same counterpart. Any counterpart of either the Company Agreement or the Articles of Organization shall for all purposes be deemed a fully executed instrument.

14.8 **Governing Law.** This Company Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to the principles of conflicts of laws.

14.9 **No Partnership Intended for Nontax Purposes.** The Members have formed the Company under the NY LLC Law, and expressly do not intend hereby to form a partnership under either the New York Uniform Partnership Law or the New York Uniform Limited Partnership Law. The Members do not intend to be partners one to another or partners as to any third party. To the extent any Member, by word or action, represents to another person that any Member is a partner or that the Company is a partnership, the Member making such wrongful representation shall be liable to any other Members who incur personal liability by reason of such wrongful representation.

14.10 **No Rights of Creditors and Third Parties under Company Agreement.** The Company Agreement is entered into among the Company and the Members for the exclusive benefit of the Company, its Members and their permitted successors and assignees. The Company Agreement is expressly not intended for the benefit of any creditor of the Company or any other Person. Except and only to the extent provided by applicable statute, no such creditor or any third party shall have any rights under the Company Agreement or any agreement between the Company and any Member with respect to any Capital Contribution or otherwise.

14.11 **Dispute Resolution.** Whenever the Members shall have any dispute among themselves relating to the interpretation, construction or implementation of this Company Agreement or shall be deadlocked or shall otherwise be in dispute with respect to the relations among the Members or between the Members and the Company or any other matter related thereto, the Members shall resolve such dispute as follows:

(a) First, each Member involved in such dispute shall use its good faith efforts to negotiate a resolution thereof by engaging in discussions with the other Members so involved at reasonable times and places, by telephone or otherwise, during the 30 day period following notice by a Member to each of the other Members of its belief that there is a dispute which requires resolution in such manner;

(b) Second, if the Members are unable to resolve such dispute through good faith negotiations during the 30 day period provided in Section 14.11(a), the Members shall submit such dispute to an arbitration procedure that shall be selected by the Members involved in such dispute; and

(c) Third, if the Members are unable to resolve such dispute through the arbitration procedure selected by them, any Member involved in such dispute may bring an action or proceeding in any court having jurisdiction thereof; provided that (i) a Member may object to the venue of such action or proceeding or that such court does not have jurisdiction over such Member and (ii) each Member waives its right to trial by jury and its right to consequential, special and/or punitive damages.

14.12 **General Interpretive Principles.** For purposes of this Company Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) The terms defined in this Company Agreement include the plural as well as the singular;

(b) Accounting terms not otherwise defined herein have the meanings given to them in the United States in accordance with generally accepted accounting principles;

(c) References herein to "Sections," "paragraphs" and other subdivisions without reference to a document are to designated Sections, paragraphs and other subdivisions of this Company Agreement;

(d) A reference to a paragraph without further reference to a Section is a reference to such paragraph as contained in the same Section in which the reference appears, and this rule shall also apply to other sub-divisions;

(e) The words "herein," "hereof," "hereunder" and other words of similar import refer to this Company Agreement as a whole and not to any particular provision; and

(f) The term "include" or "including" shall mean without limitation by reason of enumeration.

IN WITNESS WHEREOF, the parties hereto have executed this Company Agreement as of the Effective Date.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 601141 / 2023

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation among various plaintiffs and defendants regarding a motor vehicle accident that occurred on August 21, 2016 on the Long Island Expressway. The accident took place in the vicinity of a location where H&L Contracting LLC was performing work under contract to NYSDOT. There were multiple fatalities as a result of the accident and there have been numerous suits and countersuits filed to date.

Considering the ongoing litigation, H&L can provide only limited information at this time. If more information is necessary, please provide specific questions in writing for review by H&L's attorney.

It is H&L's position that all work was performed in complete accordance with NYSDOT specifications and standards and that H&L in no way contributed to the cause or severity of the accident. [information available to H&L indicates that the approximate cause of the accident was a vehicle traveling recklessly at a high rate of speed (90+mph)].

The filing referenced above is associated with the insurance policy contractually provided by H&L covering NYSDOT for liabilities incurred by the DOT under the contract. The filing is basically a pro forma summons regarding that policy.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 900720-22

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation regarding a utility damaged on a NYSDOT rehabilitation project on Route 110 in Huntington, NY. A gas main owned by National Grid was inadvertently damaged by H&L personnel. We have disagreed with this action brought forward by the Public Service Commission and have provided correspondence illustrating the facts of the matter.

It has been H&L's contention in the ongoing exchange of documentation, that the facility damaged was not correctly marked-out by the utility (4' from the actual location) and was placed against a drainage structure wall that was being removed. As a result of the location, the gas facility was damaged during the demolition. Repairs were made by the utility company and no injuries occurred. The matter is currently being handled by our Legal firm and should be resolved quickly.

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 154269
Date of Incident/Inspection: 7/19/21
Settled Amount of Fine: Not settled as of 4/8/22

Explanation:
On 7/19/21 an employee of Scatt Materials Corp., without instruction, entered a chute to free up a jammed diversion plate. While the plant and conveyor were shut down, as the employee moved material that was obstructing a diversion plate the stored energy in the plate caused the plate to suddenly move, striking the employee in the leg. The employee suffered a broken leg.

OSHA was notified immediately, and an inspection was performed that day. The following determinations were made after that inspection:

- The Lockout/Tagout procedures that were in place for the asphalt plant were inadequate.
- The employee that was injured was not properly trained in Lockout/tagout and stored energy.

Scatt received 2 violations as follows:

1. Procedures were not developed, documented, and utilized for the control of potentially hazardous energy
2. Employees were not adequately trained to ensure that the Lockout/Tagout program that was in place was understood and followed by employees

Due to the common ownership of Scatt Materials and Rason Materials, and considering Rason Materials had received OSHA violations and a stipulated fine in 2020 for similar violations, the violations were determined by OSHA to be Repeat-Serious Violations; each violation was accompanied by a $6,216.00 fine.

Scatt has engaged legal counsel and is currently in discussions with OSHA to determine a settlement. Scatt understands at this time that the settlement will result in the removal of both "Repeat-Serious" violations and the assessment of one "other than serious" violation.

CORRECTIVE MEASURES
Additional awareness training has been provided to all Scatt employees with respect to the current Safety Program and Lockout/Tagout procedures. In addition, the Safety Programs for Scatt (and Rason) are currently under review and will be revised to meet or exceed all OSHA requirements.

LESSONS LEARNED
Scatt has placed increased emphasis on awareness training for all employees with respect to the Lockout/Tagout procedures and the potential stored hazardous energy in various components of the plant, even after the plant has been shut down.

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635374.015
DATE OPENED: 18 NOV 2022
SITE ADDRESS: Newburyport Harbor, Newburyport, MA 01950

DESCRIPTION:
Prior to 11/18/22, H&L had been performing maintenance dredging in the 9-ft channel in Newburyport Harbor for the US Army Corps of Engineers. The dredging work was completed and had been accepted by the Corps on 11/15/22. During the course of that work, various safety minor deficiencies were noticed by the H&L Health and Safety Officer. These deficiencies included:

- Navigation lighting not functioning.
- Recovery ladders not appropriate.
- Faulty extension cord
- Faulty oxygen/acetylene hose
- Improper use of sling in lifting materials
- Inadequate housekeeping
- Excavator not adequately secured to barge.

All of these deficiencies had been logged on Daily Safety reports and had been corrected. The corrective measures had been documented by Corps personnel.

OSHA personnel performed a site inspection on 11/18/22 apparently due to an anonymous complaint received by them at some time prior. The complaint provided to H&L by OSHA specifically included the above deficiencies.

H&L has not received any correspondence from OSHA regarding the site inspection as of this date.

It should be noted that during the course of a USACE maintenance dredging project, H&L employs two full time Site Safety & Health Officers (one for each shift), and that Corps personnel are also always on-site evaluating H&L's implementing safety requirements.

LESSONS LEARNED:

While H&L has yet to receive a report from OSHA concerning its inspection at Newburyport, H&L reinforced the following with its dredging supervisory and safety personnel:

- Dredging by its very nature entails multiple operations simultaneously, with workers moving from one task to the next quickly. It is incumbent upon safety and supervisory personnel to be proactive in noticing and correcting any deficiencies, regardless of how minor they may seem.
- Faulty lights and equipment must be repaired and or replaced at the earliest opportunity.
- Equipment lifting procedures must be followed at ALL times, regardless of the size of the load being lifted.
- Housekeeping must always be up to standards, even during urgent work.

H&L will make any OSHA correspondence regarding the 11/18/22 inspection available once those reports are received.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 900721-22

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation regarding a utility damaged on a rehabilitation project on Route 112 in Medford. A gas main owned by National Grid was accidently damaged by H&L personnel. We have disagreed with this action brought forward by the Public Service Commission and have provided correspondence illustrating the facts of the matter.

It has been H&L's contention in the ongoing exchange of documentation, that the damaged facility was not correctly marked-out by the utility and was incorrectly offset by the utility during their efforts to relocate the gas facility away from our work area. Repairs were made by the utility company and no injuries occurred. The matter is currently being handled by our Legal firm and should be resolved quickly.

To whom it may concern,

The following serve as summary descriptions of two open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

RE: OSHA INVESTIGATION OF H&L CONTRACTING LLC

On October 22, 2019 H&L Contracting LLC was performing paving work as a subcontractor to United Paving Corp. (General Contractor) under the Village of Freeport's 2019 Road Resurfacing Program. The subcontracting agreement between H&L and United included the paving work only, Maintenance and Protection of Traffic (MPT) was excluded from H&L's scope of work. Included in the streets to be paved by H&L was Grant Street, a dead-end street on the east side of Guy Lombardo Blvd. in the Village of Freeport.

Paving work was performed from the dead-end of Grant St. outward towards Guy Lombardo Blvd., with asphalt truck trailers provided by 4L Equipment Leasing LLC under an agreement with H&L. These trailers backed down Grant St. to the paver, and once empty proceeded ahead to Guy Lombardo Blvd., turning right to exit the work area. Unbeknownst to the H&L crew the United employee(s) that had been assigned to perform the MPT for the work were not at the Grant St. intersection but rather at another intersection scheduled for paving that day.

As a 4L truck was exiting Grant St. after dumping into the paver, the driver stopped the truck at the intersection with Guy Lombardo Blvd. During this time when the truck was stopped, another 4L employee, who had parked and exited his truck a short distance north on Guy Lombardo Blvd., ran towards the stopped truck on Grant St., approaching from the passenger side of that truck, apparently to obtain a scraper that was stored behind the cab. The driver of the stopped truck did not notice the approaching 4L employee due to that employee approaching from the passenger (blind) side. While the 4L employee was immediately in front of the stopped truck's right rear wheel, the driver proceeded forward, fatally injuring the 4L employee.

All required notifications were made, including Nassau County Police and OSHA. H&L fully cooperated with all investigations.

Notwithstanding that 1. MPT was NOT in the scope of H&L's work under the subcontract, 2. H&L was unaware that United was not providing MPT at the accident location at the time of the accident, and 3. If MPT was being provided at the intersection it is doubtful that the actions of the 4L employee, namely stepping in front of the rear wheel without notifying the driver of his presence, would have been prevented, the OSHA investigation resulted in two citations of violations against H&L. One being a severe violation of "Accident Prevention Signs and Tags" and the other being a severe violation of "Signaling". Each Violation included a penalty of $12,145.00.

H&L was not afforded an opportunity to contest the citations, although it was H&L's wish to do so, apparently due to Federal COVID protocols affecting the ability to communicate with OSHA personnel.

H&L promptly paid the penalties and incorporated various "lessons learned" into its Safety Procedures. Chief among those lessons learned was that work cannot proceed without required MPT regardless of whose responsibility that MPT falls under.

H&L personnel are available at your convenience to discuss this matter and will provide available records and documentation at your request.

Sincerely,

Keith Haney, Managing Member Signature

NYS Tax Warrant dated March 14, 2022 in the amount of $4,793.62.
NYS Tax Warrant dated June 3, 2022 in the amount of $686.57.

Explanation

New York State has disputed the amounts Village Dock, Inc. claimed as prepayments on corporate tax returns filed.

Village Dock Inc. will be seeking in May a conciliation conference to further argue that the facts and the law are on the side of Village Dock, Inc. and that the prepayments as reflected will be upheld, vacating these tax warrants.

Re: NASSAU COUNTY QUESTION

Ken:

We were aware of only one lawsuit which was brought under Index No. 900720/2022. That action concerned damage to a 2" "PE" gas line located at 642 New York Avenue, Huntington. In answer to a Complaint we are claiming that the 2" gas main was damaged solely because of incorrect marking by KeySpan/National Grid. Specifically, we claim that KeySpan/National Grid violated General Business Law 763(3) and Public Service Law 119(6) (ETSEQ).

The lawsuit under Index No. 900721/2022 concerns Route 112 and Granny Road. Although a Summons was served and we appeared on your behalf, we never received until now, the Verified Complaint. We will be checking with the Attorney General and if necessary, defend the action.

The records you previously provided to me explained that the end cap on the gas main was struck by the excavator solely because it had been re-located by National Grid earlier in the project in order to facilitate installation of a drainage structure. National Grid was required by New York State DOT to notify H & L Contracting of the re-location and was solely because of the failure of the utility to provide notification that the excavator struck the gas main.

Very truly yours,

STEVEN G. PINKS

The performance and payment bonds must be signed by the authorized officers of the corporation and the corporate seal must be affixed. They must be signed by each surety company, witnessed and accompanied by both a certification as to authorization of the Attorney-in-Fact to bind each surety company and a true and correct statement of the financial condition of each surety company. To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635374.015
DATE OPENED: 18 NOV 2022
SITE ADDRESS: Newburyport Harbor, Newburyport, MA 01950

DESCRIPTION:
Prior to 11/18/22, H&L had been performing maintenance dredging in the 9-ft channel in Newburyport Harbor for the US Army Corps of Engineers. The dredging work was completed and had been accepted by the Corps on 11/15/22. During the course of that work, various safety minor deficiencies were noticed by the H&L Health and Safety Officer. These deficiencies included:

- Navigation lighting not functioning.
- Recovery ladders not appropriate.
- Faulty extension cord
- Faulty oxygen/acetylene hose
- Improper use of sling in lifting materials
- Inadequate housekeeping
- Excavator not adequately secured to barge.

All of these deficiencies had been logged on Daily Safety reports and had been corrected. The corrective measures had been documented by Corps personnel.

OSHA personnel performed a site inspection on 11/18/22 apparently due to an anonymous complaint received by them at some time prior. The complaint provided to H&L by OSHA specifically included the above deficiencies.

H&L has not received any correspondence from OSHA regarding the site inspection as of this date.

It should be noted that during the course of a USACE maintenance dredging project, H&L employs two full time Site Safety & Health Officers (one for each shift), and that Corps personnel are also always on-site evaluating H&L's implementing safety requirements.

LESSONS LEARNED:

While H&L has yet to receive a report from OSHA concerning its inspection at Newburyport, H&L reinforced the following with its dredging supervisory and safety personnel:

- Dredging by its very nature entails multiple operations simultaneously, with workers moving from one task to the next quickly. It is incumbent upon safety and supervisory personnel to be proactive in noticing and correcting any deficiencies, regardless of how minor they may seem.
- Faulty lights and equipment must be repaired and or replaced at the earliest opportunity.
- Equipment lifting procedures must be followed at ALL times, regardless of the size of the load being lifted.
- Housekeeping must always be up to standards, even during urgent work.

H&L will make any OSHA correspondence regarding the 11/18/22 inspection available once those reports are received.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

RE: OSHA INVESTIGATION OF H&L CONTRACTING LLC

On October 22, 2019 H&L Contracting LLC was performing paving work as a subcontractor to United Paving Corp. (General Contractor) under the Village of Freeport's 2019 Road Resurfacing Program. The subcontracting agreement between H&L and United included the paving work only, Maintenance and Protection of Traffic (MPT) was excluded from H&L's scope of work. Included in the streets to be paved by H&L was Grant Street, a dead-end street on the east side of Guy Lombardo Blvd. in the Village of Freeport.

Paving work was performed from the dead-end of Grant St. outward towards Guy Lombardo Blvd., with asphalt truck trailers provided by 4L Equipment Leasing LLC under an agreement with H&L. These trailers backed down Grant St. to the paver, and once empty proceeded ahead to Guy Lombardo Blvd., turning right to exit the work area. Unbeknownst to the H&L crew the United employee(s) that had been assigned to perform the MPT for the work were not at the Grant St. intersection but rather at another intersection scheduled for paving that day.

As a 4L truck was exiting Grant St. after dumping into the paver, the driver stopped the truck at the intersection with Guy Lombardo Blvd. During this time when the truck was stopped, another 4L employee, who had parked and exited his truck a short distance north on Guy Lombardo Blvd., ran towards the stopped truck on Grant St., approaching from the passenger side of that truck, apparently to obtain a scraper that was stored behind the cab. The driver of the stopped truck did not notice the approaching 4L employee due to that employee approaching from the passenger (blind) side. While the 4L employee was immediately in front of the stopped truck's right rear wheel, the driver proceeded forward, fatally injuring the 4L employee.

All required notifications were made, including Nassau County Police and OSHA. H&L fully cooperated with all investigations.

Notwithstanding that 1. MPT was NOT in the scope of H&L's work under the subcontract, 2. H&L was unaware that United was not providing MPT at the accident location at the time of the accident, and 3. If MPT was being provided at the intersection it is doubtful that the actions of the 4L employee, namely stepping in front of the rear wheel without notifying the driver of his presence, would have been prevented, the OSHA investigation resulted in two citations of violations against H&L. One being a severe violation of "Accident Prevention Signs and Tags" and the other being a severe violation of "Signaling". Each Violation included a penalty of $12,145.00.

H&L was not afforded an opportunity to contest the citations, although it was H&L's wish to do so, apparently due to Federal COVID protocols affecting the ability to communicate with OSHA personnel.

H&L promptly paid the penalties and incorporated various "lessons learned" into its Safety Procedures. Chief among those lessons learned was that work cannot proceed without required MPT regardless of whose responsibility that MPT falls under.

H&L personnel are available at your convenience to discuss this matter and will provide available records and documentation at your request.

Sincerely,

Keith Haney, Managing Member Signature

RE: Priority Resurfacing Phase 17 – Bid Analysis

Dear Mr. Wong,

The five bids received on October 28, 2025 for this project ranged from a low of $6,870,208.60 to a high of $8,160,799.50. We conducted a thorough review of the five bidders and prepared the enclosed bid summary table. The apparent lowest bid is 11.94% below the engineer's estimate of $7,802,125.00. The bids are as follows:

Bidder Name	Amount at Bid Opening	Corrected Bid Amount
H & L Contracting, LLC	$6,870,208.60	$6,870,208.60
Metro Paving LLC	$6,895,055.00	$6,893,555.00
Pratt Brothers, Inc.	$6,990,333.11	$6,990,333.11
Rosemar Contracting, Inc.	$7,755,577.00	$7,755,577.00
Posillico Civil, Inc.	$8,160,799.50	$8,160,799.50

There was one irregularity in the bids. For item 422SHE, Metro Paving LLC entered a total bid price of $3,210.00 even though the quantity was 5 each and they entered the unit price of $342.00 in words and numbers. Despite this irregularity, it appears that H & L Contracting, LLC is the apparent lowest bidder at $6,870,208.60.

Based on our review of the information provided in the bid documents, we find no sufficient cause for the County to not award the contract to the apparent low bidder H & L Contracting, LLC in the total amount bid of $6,870,208.60.

Please let me know if you have any questions.

Very truly yours,

LOCKWOOD, KESSLER & BARTLETT, INC.

Contract Summary

Purpose: This is an amendment (#1) to an existing contract with Joseph Capobianco P.C., d/b/a Capobianco & Associates ("Counsel"), the special counsel firm selected to provide on-call representation to the County in tax lien litigations.

Procurement History: In April 2018, 2019, and 2022, the County Attorney's Office conducted a formal Request for Qualifications ("RFQ") to identify eligible, experienced legal counsel for a broad array of legal areas, and a panel of firms ("Panel" or "Special Counsel Panel") qualified to provide legal services for the County has been established. Counsel has been added to this Panel. In a streamlined mini-bid solicitation issued January 17, 2025, a total of thirty-seven (37) law firms qualified in the areas of Real Estate, Tax Certiorari, and Municipal Defense were solicited from the Special Counsel Panel. Three (3) firms responded. After reviewing several factors, the committee found that Counsel possessed a satisfactory reputation in state and federal courts handling municipal defense cases for municipalities. Based on the committee's analysis, Counsel's proposal was deemed fit for working on the above

referenced services.

Description of General Provisions: Services under this Agreement shall include, but not be limited to, preparation of notice of appearance; answer with affirmative defenses, cross-claims or counterclaims; motion practice; appearance at preliminary, status, compliance, and settlement conferences; pre-trial discovery; trial; appeals; and such other services as may be required to fully represent the County in such tax lien actions.

Impact on Funding / Price Analysis: This amendment will increase the maximum amount by $150,000. The amended maximum amount will be $250,000. There will be a partial encumbrance of $75,000.

This amendment changes the term of the contract. There will be a start date of May 1, 2025 and an end date of April 30, 2030. There will be an option to renew for two (2) additional one (1) year periods.

This amendment adds collection services to the contract for situations where it is applicable to collect on differential interest liens. There will be a 24% contingency fee distribution arrangement in which the firm will get a percentage of the revenue from each adjudication.

Change in Contract from Prior Procurement: This amendment increases the maximum amount, amends the term, and amends the services.

Method of Source Selection:

☑ Contract amendment, extension, or renewal

AMENDMENT NO. 1

AMENDMENT (together with any appendices or exhibits hereto, this "Amendment") dated as of the date that this Amendment is executed by Nassau County (the "Effective Date"), between (i) **Nassau County**, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the **Office of the Nassau County Attorney**, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) **Joseph Capobianco, P.C., d/b/a Capobianco & Associates**, with an office located at 1305 Franklin Avenue, Suite 300, Garden City, New York, NY 11530 ("Counsel" or "Contractor").

In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. Part 200, as may be amended. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and *forum*

non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior

agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan and any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000.00), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000.00), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the

M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Re: Special Counsel Agreement – Tax Lien Litigation

Dear Richard:

You have asked why my firm does not provide Worker's Compensation and Disability, Paid Family Leave Benefits and Commercial General Liability.

Answer: Capobianco & Associates is a solo practice. I am the only owner, officer and employee. One-person owned corporations in which an individual owns all of the stock and holds all offices of the corporation, and which have no employees, are not required to carry Worker's Compensation or Disability and Paid Family Leave Benefits coverage under New York law, and, as such, Capobianco & Associates does not carry that coverage. Capobianco & Associates sublets office space from another law firm and does not maintain Commercial Liability Coverage.

As the County Attorney's Office is aware, I have an of counsel/co-counsel, providing staff and logistical support and additional attorney support.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

Joseph Capobianco

WHEREAS, the County has negotiated an amendment to a personal services agreement with Jaspan Schlesinger Narendran LLP, to provide professional legal services, a copy of which is on file with the Clerk of the Legislature; now, therefore, be it

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute an amendment to the agreement with Jaspan Schlesinger Narendran LLP.

AMENDMENT NO. 1

AMENDMENT (together with any appendices or exhibits hereto, this "Amendment") dated as of the date that this Amendment is executed by Nassau County (the "Effective Date"), between (i) **Nassau County**, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the **Office of the Nassau County Attorney**, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) **Jaspan Schlesinger Narendran LLP**, with an office located at 300 Garden City Plaza, 5th Floor, Garden City, New York 11530 ("Counsel" or "Contractor").

WITNESSETH:

WHEREAS, pursuant to County contract number CQAT25000007 between the County and Counsel, executed on behalf of the County on July 18, 2025 (the "Original Agreement"), Counsel provides legal services to the County and all named County defendants in several tax certiorari cases, which services are more fully described in the Original Agreement (the services contemplated by the Original Agreement, the "Services"); and

WHEREAS, the term of the Original Agreement is from February 3, 2025, to completion of services, unless sooner terminated in accordance with the provisions of the Original Agreement (the "Term"); and

WHEREAS, the maximum amount that the County agreed to reimburse Counsel for Services under the Original Agreement, as full compensation for the Services, was Seven Hundred Ninety-One Thousand Eight Hundred Twenty-Five Dollars ($791,825.00) (the "Maximum Amount"); and

WHEREAS, the County desires to increase the Maximum Amount and amend the Services section of the Original Agreement.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Amendment, the parties agree as follows:

1. Maximum Amount. The Maximum Amount in the Original Agreement shall be increased by Six Hundred Thirty-Five Thousand Eighty-Five Dollars ($635,085.00) (the "Amendment Maximum Amount"), so that the maximum amount that the County shall pay to Counsel as full consideration for all Services provided under the Original Agreement, as amended by this Amendment (the "Amended Agreement") shall be One Millon Four Hundred Twenty-Six Thousand Nine Hundred Ten Dollars ($1,426,910.00) (the "Amended Maximum Amount").

3. Partial Encumbrance. Counsel acknowledges that County will partially encumber funds to be applied towards the Maximum Amount throughout the term of this Agreement. Counsel further acknowledges that there will be no initial encumbrance. Thereafter, the

Department shall notify Counsel of the availability of additional monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

4. Full Force and Effect. All the terms and conditions of the Original Agreement not expressly amended by this Amendment shall remain in full force and effect and govern the relationship of the parties for the term of the Amended Agreement.

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) **Nassau County**, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the **Office of the Nassau County Attorney**, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) **Jaspan Schlesinger Narendran LLP**, with an office located at 300 Garden City Plaza, 5th Floor, Garden City, New York 11530 ("Counsel" or "Contractor").

WITNESSETH:

WHEREAS, pursuant to Nassau County Charter Section 1101, the County Attorney has determined the need for the employment of special counsel; and

WHEREAS, the County desires to hire Counsel to perform the services described in this Agreement; and

WHEREAS, Counsel is eminently qualified and ready to provide the necessary services; and

WHEREAS, Counsel desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on February 3, 2025, and shall terminate upon the completion of services, as hereinafter described, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by Counsel under this Agreement shall consist of defending the County and all named County defendants in several tax certiorari cases, as more fully detailed in Appendix A, attached hereto and incorporated herein, challenging the assessment of real property in special districts (the "Services"). Services under this Agreement shall include but not be limited to conducting interviews; pre- and post- trial discovery; pleadings; trial preparation; trials and appeals; motion practice, including moving or defending a motion to the Second Department for leave to the Court of Appeals; appealing and/or defending an appeal with the Court of Appeals; settlement negotiations, and such other Services as may be required to fully represent the County and County defendants in the above-referenced actions. When providing such Services, Counsel must comply with Nassau County's Litigation Management Guidelines, as may be amended (the "Guidelines"), provided under separate cover and incorporated by reference herein. Except as otherwise provided in this Agreement, such Services shall conclude no earlier than entry of a verdict or a settlement or of a court-order terminating the litigation.

3. Payment. (a) Amount of Consideration. (1) The amount to be paid to Counsel as full consideration for Counsel's Services under this Agreement, including disbursements, shall not exceed the sum of Seven Hundred Ninety-One Thousand Eight Hundred Twenty-Five Dollars ($791,825.00) ("Maximum Amount"). Compensation for professional services shall be paid at an hourly rate according to the following fee schedule:

(i) Partner and Associates: $425.00

(ii) Paralegals and Legal Assistants: $240.00

(2) Any appearances before the County Legislature, or any committee thereof for the purpose of the approval of this Agreement or any amendment thereto, are to be construed as part of

the fee negotiation and approval process and Counsel agrees that no fee will be charged for any such appearances.

(3) Partial Encumbrance. Counsel acknowledges that the County will partially encumber funds to be applied toward the Maximum Amount throughout the term of this Agreement. Counsel further acknowledges that the initial encumbrance shall be Three Hundred Thousand Dollars ($300,000.00). Thereafter, the Department shall notify Counsel of the availability of additional monies, which written notice shall include the amount encumbered. Such notification shall serve as a notice to proceed.

(b) Vouchers; Voucher Review, Approval and Audit. Payment shall be made to Counsel in arrears and shall be contingent upon (i) Counsel submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) is accompanied by a contemporaneous record of hours billed stating the person(s) performing the Services and indicating with reasonable specificity, the Services provided and the payment requested in consideration for such Services, or contains a detailed, itemized list of allowable expenses; (b) certifies that the Services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and upon (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(c) Timing of Payment Claims. Counsel shall submit its claim no later than three (3) months following the County's receipt of the services that are the subject of the claim, and no more frequently than once a month.

(d) Expenses and Disbursement. Counsel shall be compensated within the Maximum Amount for all reasonable expenses and disbursements actually incurred, including but not limited to out-of-pocket disbursements for investigators, trial preparation services, court reporting services, interpreters, and other legitimate expenses in accordance with the Guidelines. Counsel shall obtain prior written approval from the County Attorney or his designee for all non-routine expenses and disbursements as specified in the Guidelines.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to Counsel following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after Counsel received notice that the County did not desire to receive such services.

4. Independent Contractor. Counsel is an independent contractor of the County. Counsel shall not, nor shall any officer, director, employee, servant, agent or independent contractor of Counsel (a "Counsel Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. Counsel is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. Counsel shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

(i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended.

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or

any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;
(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;
(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics.
(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement.
(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and
(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not

represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of

this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental

authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this

Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement in accordance with the following schedule:

Value of Contract	Administrative Fee
(a) $0-$10,000	$0
(b) Over $10,000-$50,000	$160
(c) Over $50,000-$100,000	$266
(d) Over $100,000	$533

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be

approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the County, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of

their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the CDCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the CDCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the CDCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and *forum non conveniens*. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Presiding Officer at the address specified above for the Department, (ii) if to the CDCE, to the attention of the CDCE at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement

for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. 20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by The Contractor upon signing this Agreement in accordance with the following schedule:

Value of Contract	Administrative Fee
(a) $0-$10,000	$0
(b) Over $10,000-$50,000	$160
(c) Over $50,000-$100,000	$266
(d) Over $100,000	$533

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited

exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the County:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the County at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the County with immediate written notice.

Upon receipt of such notice, the County will review and advise Counsel of the County's intended course of action, which, in appropriate cases as determined by the County, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan and any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best-Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed a failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful,

the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand

dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the County, any other governmental authority

with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the CDCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the CDCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the CDCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Presiding Officer at the address specified above for the Department, (ii) if to the CDCE, to the attention of the CDCE at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in

correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by The Contractor upon signing this Agreement in accordance with the following schedule:

Value of Contract	Administrative Fee
(a) $0-$10,000	$0
(b) Over $10,000-$50,000	$160
(c) Over $50,000-$100,000	$266
(d) Over $100,000	$533

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance

Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the County:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the County at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the County with immediate written notice.

Upon receipt of such notice, the County will review and advise Counsel of the County's intended course of action, which, in appropriate cases as determined by the County, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan and any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best-Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed a failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful,

the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand

dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.
