Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the

Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities

under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures: Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue: Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in

accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included: Severability: Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

20. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred and Thirty Three dollars ($ 533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

21. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

COUNTY OF NASSAU

INTER-DEPARTMENTAL MEMO

DATE: July 23, 2025

TO: Robert Cleary, Chief Procurement Officer

FROM: Karen L. Taggart, Esq.
Nassau County Police Department
Legal Bureau

SUBJECT: **COUNTY CONTRACT AMENDMENT NUMBER CLPD25000001**
NATIONAL MEDICAL SERVICES, D/B/A NMS LABS
DELAY MEMO

This memorandum is submitted in response to your request for a "delay memo" to explain the retroactivity of the above-mentioned contract amendment. This is an amendment to an existing contract with National Medical Services, D/B/A NMS Labs to provide the Nassau County Police Department ("NCPD") with laboratory testing services (County Contract Number CQPD14-000002). The original contract as previously amended expired on December 31, 2024 and the purpose of this amendment is to renew and extend the contract for an additional one- year period.

The Department no longer requires the same volume of services previously provided by this vendor as drug testing is now almost completely conducted by the County's Crime Lab with few cases being sent to the NYS Police for testing. The Department will only need the services of the vendor for a small number of cases where a specific blood kit test is needed. The Department had discussions with the Purchasing Department regarding establishing a blanket purchase order in order to facilitate payment for this vendor in the event the Department requires to have a blood kit tested in the course of an investigation. Following this review of the Department's current needs and discussions with your office it was determined that the Department will continue to utilize a personal services contract for these services. The time needed to conduct this analysis regarding the appropriate method of procurement for the remaining services needed by the Department resulted in a delay in sending this amendment to the vendor for review. Once that determination was made, the Department sent the vendor the amendment and requested that all required disclosure forms and insurance certificates be updated so that the amendment could be processed. The vendor did return a signed amendment to the Department on January 22, 2025. However, the vendor required a longer time than was anticipated to complete all of the disclosure forms and the Department only received the final disclosure forms this month (July, 2025). For the reasons set forth above, there was a delay in entering this amendment. The Department will conduct a review to determine if this vendor remains a sole source for the services to be provided or if a Request for Proposals will be issued. We will advise your office of the results of that review.

Please let me know if you have any questions or require additional information.

Contract Summary

Purpose: This is a new contract with West Group Law PLLC ("Counsel'), the special counsel firm selected to provide the County with legal advice and representation, including, where appropriate, the defense of claims asserted against the County and the prosecution of affirmative litigation on the County's behalf, as well as matters involving construction litigation; environmental, land use; municipal; real property and transactional legal issues affecting various aspects of the County's operations.

Procurement History: A Request for Qualifications ("RFQ") was issued in 2018, 2019 and another in 2022, and a panel of firms qualified to provide legal services for the County was established. West Group Law PLLC ("Counsel") was added to the Panel.

The Office of the County Attorney ("Office") has determined that specialized outside counsel is required to address the substantial costs, delay claims, and settlements arising from public construction projects, along with delays and disputes in other construction-related contract claims. The necessary services require expertise in Construction Law, Environmental Law, Land Use, Municipal Law, Real Property, and related transactional matters, as well as the capacity to provide comprehensive legal support across a broad

range of general municipal matters. The Office canvassed qualified firms from the approved special counsel panel and selected West Group Law PLLC ("Counsel"). Counsel has previously assisted the County in many significant construction related matters including but not limited to the County Crime Lab, the Nassau County Family Court and Matrimonial Center, Nassau Energy, the Nassau County Hub, NYU Langone, consolidation of water and sewer districts, establishment of solid waste systems, and intergovernmental and municipal "relationship" matters, including the negotiation of municipal water rights.

Description of General Provisions: Services shall include, without limitation, motion practice; pretrial discovery; trial and appellate proceedings; general legal counsel and advice; negotiations; transactional matters; and such other Services as may be reasonably necessary to fully represent the County

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute the agreement with West Group Law PLLC.

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the **Office of the Nassau County Attorney,** having its principal office at One West Street, Mineola, NY 11501 (the "Department"), and (ii) **West Group Law PLLC,** with an office located at 81 Main Street, Suite 510, White Plains, NY 10601 ("Counsel" or "Contractor").

WITNESSETH:

WHEREAS, pursuant to Nassau County Charter Section 1101, the County Attorney has determined the need for the employment of special counsel; and

WHEREAS, the County desires to hire Counsel to perform the services described in this Agreement; and

WHEREAS, Counsel is eminently qualified and ready to provide the necessary services; and

WHEREAS, Counsel desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. The term of this Agreement shall commence on the date on which this Agreement is executed by the County (the "Commencement Date"), and terminate on the fifth (5) year anniversary of the Commencement Date (the "Expiration Date"), unless sooner terminated in accordance with the provisions of this Agreement; provided, however, that the Department, in its sole discretion, shall have the right to extend this Agreement for a period of up to two (2) additional years by delivering a notice of extension to Counsel at least thirty (30) days prior to the Expiration Date. The Agreement so extended shall be on the same terms and conditions as during the initial term, except that the Expiration Date shall be modified in accordance with the notice of extension.

2. Services. The services to be provided by Counsel under this Agreement shall consist of providing the County with legal advice and representation, including, where appropriate, the defense of claims asserted against the County and the prosecution of affirmative litigation on the County's behalf, as well as matters involving construction litigation; environmental, land use; municipal; real property and transactional legal issues affecting various aspects of the County's operations (the "Services"). Services shall include, without limitation, motion practice; pretrial discovery; trial and appellate proceedings; general legal counsel and advice; negotiations; transactional matters; and such other Services as may be reasonably necessary to fully represent the County. In performing the Services, Counsel shall comply with Nassau County's Litigation Management Guidelines, as may be amended from time to time (the "Guidelines"), which are provided under separate cover and incorporated herein by reference. Except as otherwise provided in this Agreement, the Services shall continue until the conclusion of the applicable matter, including, where applicable, the entry of a verdict, settlement, or court-order terminating any litigation.

3. Payment. (a) Amount of Consideration. (1) The amount to be paid to Counsel as full consideration for Counsel's Services under this Agreement, including disbursements, shall not exceed the sum of Five Hundred Thousand Dollars ($500,000.00) ("Maximum Amount"). Counsel further acknowledges that the initial encumbrance shall be One Hundred Fifty Thousand Dollars ($150,000.00). Such notification shall serve as notice to proceed.

(b) Vouchers; Voucher Review, Approval and Audit. Payment shall be made to Counsel in arrears and shall be contingent upon (i) Counsel submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) is accompanied by a contemporaneous record of hours billed stating the person(s) performing the Services and indicating with reasonable specificity, the Services provided and the payment requested in consideration for such Services, or contains a detailed, itemized list of allowable expenses; (b) certifies that the Services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and upon (ii) review, approval and audit of the Voucher by the County and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Expenses and Disbursement. Counsel shall be compensated within the Maximum Amount for all reasonable expenses and disbursements actually incurred, including but not limited to out-of-pocket disbursements for investigators, trial preparation services, court reporting services, interpreters, and other legitimate expenses in accordance with the Guidelines. Counsel shall obtain prior written approval from the County Attorney or his designee for all non-routine expenses and disbursements as specified in the Guidelines.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

Unless a provision of this Agreement expressly states otherwise, payments to Counsel following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after Counsel received notice that the County did not desire to receive such services.

In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

(i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended.

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

Counsel shall be solely responsible for the payment of all

deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the County. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the County of the same and deliver to the County renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the County Executive and the Presiding Officer of the Nassau County Legislature ("Presiding Officer"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the County Executive and Presiding Officer shall be given to the Chief Deputy County Executive ("CDCE") on the same day that notice is given to the County Executive and Presiding Officer.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this

Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the County, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the CDCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the CDCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the CDCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and *forum non conveniens*. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after

it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Presiding Officer at the address specified above for the Department, (ii) if to the CDCE, to the attention of the CDCE at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by The Contractor upon signing this Agreement in accordance with the following schedule:

Value of Contract	Administrative Fee
(a) $0-$10,000	$0
(b) Over $10,000-$50,000	$160
(c) Over $50,000-$100,000	$266
(d) Over $100,000	$533

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the

County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the County:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the County at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the County with immediate written notice.

Upon receipt of such notice, the County will review and advise Counsel of the County's intended course of action, which, in appropriate cases as determined by the County, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan and any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best-Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed a failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful,

the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand

dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Our attorneys have represented municipalities and other public entities for more than 25 years in connection with public-private partnerships, water and wastewater systems and projects, civic/municipal buildings, environmental and regulatory matters, solid waste issues, transportation, structuring requests for proposals (RFPs), contract negotiations, alternative project delivery methods, land use development, project-related litigation, and construction law.

Experience

A. Construction Litigation

WGL lawyers have successfully represented clients in high-profile litigation and appellate matters in state, federal and circuit courts throughout the United States. We routinely defend our public clients in connection with challenges to procurements; construction and service contract disputes; litigation related to low-bid specifications; and change order disputes. We also represent our public clients in connection with challenges to legislation, and we are experienced in the prosecution and defense of various types of construction claims, including delay, disruption, labor inefficiency and work suspension. We routinely assist clients in avoiding disputes and developing strategies that avoid litigation which are often encountered in project administration and project scheduling.

Our construction litigation experience includes representing clients on a dispute relating to the recovery of construction and demolition costs related to a catastrophic roof collapse at a co-composting facility; a breach of contract action stemming from the construction and failure of a new cover to a secondary digester for a wastewater treatment plant; a dispute regarding alleged sustained physical damage to a gas line due to the blasting associated with construction of the sewers as performed by a public entity's general contractor; and an action against a public entity's contractors, designers, and engineers to recover cost overruns relating to a public pool construction project.

As it informs our construction litigation experience, WGL advises on both vertical and horizontal construction, from design through final construction, including the procurement and administration of architectural, engineering, and testing and inspection services. We also routinely prepare and negotiate complex design and construction agreements using traditional and alternative project delivery methods, including low-bid, fast-track, fixed price, cost plus, design-build, design-build-operate, build-to-suit, and public and private venture contracts. We have significant experience with traditional low-bid construction projects implemented pursuant to General Municipal Law § 103 and other related statutes, such as the Wicks Law. - **Nassau County, New York** (*Nassau County Veterans Memorial Coliseum*) in connection with the redevelopment of the Nassau Veterans Memorial Coliseum site a project valued at more than $300 million, consisting of a public-private partnership to transform the 43-year-old Coliseum and plaza into an attractive, first- class destination for sports and family entertainment. Our representation included assisting the County with obtaining private financing for the redevelopment of the Nassau Coliseum and the surrounding area; drafting an RFQ and an RFP seeking private developers for the redevelopment of the Nassau Hub; facilitating the procurement processes; negotiating the contract documents, including simultaneous lease negotiations with the selected RFP finalists; and shepherding the selected lease through the County's approval process. WGL attorneys successfully negotiated a redevelopment and lease agreement between the

County and Nassau Events Center, LLC, an affiliate of Forest City Enterprises, Inc. The project will result in zero tax liability to the residents of Nassau County and will generate more than $300 million in direct revenue to the County over the full 49- year term of the lease.

- **Nassau County, New York** (*Wastewater System*) in connection with the development and negotiation of a contract to privatize operations, maintenance and management of the County's sewer system, which includes three major wastewater treatment plants, 53 sewage pump stations and approximately 3,000 miles of sewers. The sewer system is responsible for the collection, treatment and disposal of sewage in a large area of the County, with a current customer base of approximately one million. This operation and maintenance agreement is the largest water-related public-private partnership to date in the United States, with a value of more than $1.2 billion.

- **Nassau County, New York** in connection with the possibility of delay claims brought by the vendor related to the construction of the County's multimillion-dollar state-of-the-art Crime Lab that will handle forensic biology, drugs, latent fingerprints and arson evidence. WGL has conducted an extensive review of the documents provided by the County in connection with the project and the contract analysis performed by the project manager. In addition to the document review, we have performed a pre-filing, pre-answer case evaluation and will perform our own due diligence and contract analysis regarding potential claims against the vendor.

- ***MPCC v. Nassau County*** – Currently representing the County of Nassau in Nassau County Supreme Court in connection with a complex, three-party breach of contract matter related to the multi-phased design, renovation and construction of the Family and Matrimonial Court Complex, which involves contractor claims for additional compensation and delay costs, County counterclaims for competition costs, defective work and delay liquidated damages as well as a County initiated third-party claims against the architect. The cumulative value of the combined claims is excess of thirty million dollars. The litigation focuses on delay claims, alleged design defects, Covid-related construction delays and change orders. The matter is presently in discovery.

- ***Saunders v. County of Nassau et al.* –** Defending the County of Nassau and three individual defendants in a claim alleging that a Corrections Officer was the victim of racial discrimination and retaliation. WGL attorneys also represented the County and the Sherriff's Department through the administrative process at the New York State Division of Human Rights.

- ***McAllister v. County of Nassau and the Village of Rockville Centre*** – Defending the County of Nassau in a claim by a deaf individual who was arrested by the Rockville Centre Police Department for driving under the influence of alcohol and held overnight at the Nassau County Police Department. The claims include alleged violations of the Americans with Disabilities Act, the Rehabilitation Act and the New York Human Rights Law.

- **Nassau County, New York** (*Clean Water Act Defense*) in connection with an action in the United States District Court for the Eastern District of New York alleging violations of the Clean Water Act stemming from alleged illegal discharges.

- **Nassau County, New York** (*Co-Generation Project*) in connection with a P3 transaction involving the lease and private operation of the County's District Energy System (DES), that would provide thermal and electrical energy to a number of private and public entities, including the Nassau County Correctional System, the Long Island Marriot, the Nassau Coliseum, and Nassau University Medical Center. The County is planning to enter into a P3 transaction with a selected entity who will operate, maintain and manage the DES, providing thermal energy to existing, and potentially new, users.

- **Nassau County, New York** in connection with the negotiation of an inter-municipal agreement with the City of Long Beach. With appropriate financing, the intent of the City (population 33,000) and the County is to transfer ownership of the City's collection, treatment, and distribution system to the County and the County Sewer and Stormwater Authority. WGL is advising on complex issues involving the transfer of land, buildings, and equipment, allocation of environmental liability, and the ability of the City to merge into an existing Zone of Assessment of the Sewer Authority, the levying of sewer rates, and charges to cover necessary capital expenses.

- **Nassau County, New York** in connection with the successful negotiation of a long-term lease of the Nassau Veterans Memorial Coliseum site and surrounding area with Las Vegas Sands for the development and construction of a proposed $4 billion entertainment center and resort, including a casino, hotel rooms, convention space, live entertainment venue, restaurants, health club and spa.

Our representation resulted in two separate findings of "no merit".

Other Engagements include:

- **Rockland County, New York** (*Construction Litigation*) in connection with a breach of contract action stemming from the construction and failure of a new cover to a secondary digester. WGL attorneys successfully argued that the case should be remanded to State Court from United States District Court for the Southern District of New York.

- **Rockland County Solid Waste Management Authority, New York** (*Solid Waste Management*) with the development and management of its county-wide solid waste disposal system. In such capacity, we serve as special counsel to the Authority and provide legal representation in connection with the Authority's various contractual arrangements.

- **Rockland County Solid Waste Management Authority, New York** (*Procurement Litigation*) in connection with a challenge to an RFP issued for recyclables collection. The Authority received three proposals in response to the RFP and based upon evaluation of the factors listed in the RFP, the lowest proposer was not selected. The proposer subsequently commenced an Article 78 proceeding, claiming that the Authority was subject to General Municipal Law § 103, which would have required the Authority to choose the lowest responsible bidder. Both the Supreme Court and the Second Department agreed with WGL's compelling legal argument that General Municipal Law § 103 is only applicable to political subdivisions, and that public benefit corporations, such as the Authority, are not political subdivisions.

- **Broome County, New York** (*Solid Waste System*) in analyzing legal alternatives and options available to the County concerning flow control.

- **County of Sullivan, New York** (*Solid Waste System*) with respect to whether to form a County solid waste disposal district, a solid waste management authority or a resource recovery agency pursuant to New York law. Our representation also included advising the County on whether to update and enforce the County's flow control law to aid the operation of the solid waste management system for a district, an authority, or an agency. WGL attorneys also assisted the County with determining the most effective financing options for the expansion of the solid waste management system and construction of a transfer station based on the closure of its landfill.

- **Orange County, New York** (*Wastewater System*) in connection with advising the County in collaboration with Delaware Engineering to develop a study to find ways to increase treatment capacity for the County's only sewer district by at least three million gallons a day without significantly raising costs. We analyzed numerous existing agreements between affected municipalities, and we summarized a comprehensive legal framework through which the County could proceed with the study's practical recommendations.

- **Rockland County Sewer District No. 1, New York** (*Clean Water Act Defense*) in an action in the United States District Court for the Southern District of New York against allegations of violations of the Clean Water Act stemming from alleged sewage discharges into the Saddle River resulting in the dismissal of several of the causes of action against the District.

- **Rockland County Solid Waste Management Authority, New York** with respect to:
    - The development and management of its county-wide solid waste disposal system. We serve as special counsel to Rockland Green and provide legal representation in connection with Rockland Green's day-to-day operations, including with respect to various contractual arrangements. In such capacity, we advised Rockland Green on the development of a co-composting facility and a materials recovery facility ("MRF") and on the acquisition of two existing transfer stations and an additional solid waste management facility. Rockland Green is comprised of eleven (11) facilities that serve the County of Rockland, NY. Approximately 225,000 tons of recycling are redirected by Rockland Green.
    - WGL assisted Rockland Green on the procurement of private companies to operate Rockland Green's transfer stations, materials recovery facility, yard waste facilities, and concrete and asphalt crushing facility, and to transfer and dispose of materials delivered thereto, as well as with respect to design-build improvements to such facilities.
    - Representing Rockland Green its long-term solid waste disposal options, including the potential development of a facility utilizing alternative waste disposal technologies for the disposal of all County municipal solid waste. This representation is in relation to ensuring SEQRA compliance for the construction and development of an alternative waste disposal system to create renewable energy from municipal solid waste and other waste streams.
    - WGL is currently assisting Rockland Green in development of a biosolids project to become a formal recycling facility in compliance with the New York Food Donation and Food Scraps Recycling Law. This representation includes assisting in the preparation of all Environmental Assessment Forms, classification of actions, and Environmental Impact Statements under SEQRA.
    - Additionally, we are currently assisting Rockland Green in connection with design-build procurement, construction and renovation of a state-of-the-art MRF that will be one of the most advanced such facilities in the country once complete.

- **Rockland County Sewer District No. 1, New York** (*Public- Private Partnership Wastewater Plant*) in its procurement of a contractor for the operation and maintenance of its Advanced Wastewater Treatment Plant. We represented the Sewer District in the development of the facility on a DBO basis, which was the first municipal wastewater DB or DBO project in New York. We were responsible for reviewing New York law to determine whether the wastewater treatment plant could be developed pursuant to a DBO approach under the existing statutory frame- work. WGL assisted the Sewer District with the drafting of the procurement documents (including the RFP), the evaluation of proposals, and served as lead negotiator and principal drafter of the DBO agreement. We continue to serve as full-time outside counsel to the Sewer District, providing contract oversight and administration assistance.

- ***Orange and Rockland Utilities, Inc. v. County of Rockland et al.*** – Represented the County against Orange & Rockland Utilities, Inc. ("O&R") who alleged that its gas pipes were damaged when Metra's blasting exceeded the specification in the underlying agreement which limited blasting vibrations to 2 PPV at the pipe. O&R sued the County, the District, Metra, and the District's consulting engineer, GHD Consulting Services, Inc. ("GHD"). WGL filed cross-claims on behalf of the County against Metra for failing to indemnify the County against these alleged damages. WGL lawyers led a collaborative defense with its engineers and through calculated use of critical expert witnesses were able to reach a mediated settlement of the Utility's claims where O&R agreed to dismiss, with prejudice, the action against all parties and execute appropriate releases. No economic renumeration to O&R will be made by any party under the terms of the executed settlement agreement.

- ***Metra Industries, Inc. v. County of Rockland et al.*** – Represented the County against Metra Industries, Inc. ("Metra") where Metra alleged that extra work to complete the Western Ramapo Sewerage Project was necessary when it was forced to stop blasting after O&R alleged damage to its pipes, and that Metra had to begin alternate methods of removing rock that was not contemplated and that resulted in a claimed 20 million of damages to Metra. WGL filed crossclaims against GHD on behalf of the County, which alleged that if Metra suffered any damages, GHD must indemnify the County against any such damages. WGL also filed counterclaims against, and sought delay liquidated damages from Metra for negligence and breach of contract. WGL attorneys successfully led a collaborative defense with the design professional at three days of mediation, ultimately reducing the contractors claim to under four million dollars and getting GHD to pay a significant portion of the claim.

- ***Rockland County Sewer District No. 1 v. New York State Department of Environmental Conservation*** - representing the District in relation to its application for a State Pollution Elimination System (SPDES) Permit and the Department's issuance of the final permit modifying the District's original permit. WGL attorneys represented the District at an issues conference pursuant to Section 624.4(B) of Title 6 of the Official Compilation of Codes, Rules, and Regulations of the State of New York to challenge the modification. Currently, we are assisting the Sewer District in its appeal

- **City of Brockton, Massachusetts** where WGL advised the City on its options to utilize America Rescue Plan Act ("ARPA") funding for the design-build of a roadway. Members of WGL drafted procurement documents and negotiated a contract that adhered to ARPA requirements.

- **City of Brockton, Massachusetts** with respect to the procurement of energy management services under MGL c. 25A, § 11C for the design, build, operate and maintenance of the City's Brightfields solar facility. This representation included drafting the procurement requests and assisting the City in obtaining approval from the Massachusetts Department of Energy.

- **Borough of Naugatuck, Connecticut** on the design-build of multiple capital improvements to the Borough's incineration facilities and its wastewater treatment plant. In addition, we are assisting the Borough in connection with the Borough's downtown revitalization project. Focus of this project is transformation of Downtown Naugatuck to a more vibrant, livable, walkable and sustainable downtown.

- **City of Brockton, Massachusetts** where members of WGL assisted the City from start to finish in preparing, advocating and drafting required briefs and memorandums addressing a bid protest that arose from the procurement of a construction manager at risk firm pursuant to MGL c. 149A. WGL participated in the bid protest hearing at the Attorney General's Office and drafted both pre- and post-briefs on behalf of the City and its evaluation committee.

- **City of Marlborough**, **Massachusetts** with respect to a dispute with a town over an inter-municipal agreement relating shared use of a Wastewater Treatment Facility, wastewater services, use entitlement, EPA permit entitlements and user rates. This representation involved a dispute regarding use rates between out-of-town users and in-town users of the City's sewer system and wastewater treatment plant.

- **Lemon-Tunkhannock Joint Municipal Sewer Authority, Pennsylvania** in connection with coordinating with the Pennsylvania Department of Environmental Protection and the Pennsylvania Investment Authority where our attorneys work with municipal clients and outside environmental consultants to put together knowledgeable teams to deal with whatever type of environmental issue that may arise, including in connection with permitting issues. Our proactive approach coordinates the approval process and ensures that deadlines are met in an efficient manner. We are deeply familiar with applicable New York state regulations, as well as the provisions and requirements of the Clean Water Act and the National Environmental Policy Act.

- **City of Providence, Rhode Island** in connection with a $600 million capital program for projects within the Providence Public School District (the "PPSD"). PPSD is comprised of approximately 40 facilities and 4 million square feet. The scope of our representation includes structuring and drafting procurements, as well as drafting and negotiating contracts, for professional services, construction services, design-build services, and project management services, among others. We represent the City in the design-build procurement process and are extensively involve in contract management of those procurements. We also advise the City in connection with land use, zoning, planning and other property matters arising in connection with the PPSD school construction projects.

Notwithstanding the foregoing, the maximum billable rate for all technical personnel and principals after application of the multiplier, shall not exceed two hundred and twenty-five dollars ($225.00) under allowances per hour. Rule:

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

A. The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

B. At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

C. The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

D. The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

E. The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

F. Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

G. Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

H. At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best-Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

I. In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

J. Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

K. A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

L. The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

i) Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

ii) If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

iii) Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

M. The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Responsibility Determination Memo

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, that the vendor is a responsible contractor for the purpose of being awarded the above-referenced contract.

NYS Standard for State and Municipal Contract Approval

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements." NY CLS St. Fin §163 (1) (c). This standard is equivalent to the standard applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employees the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity
   The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority
   Vendor is not debarred. Vendor possesses requisite licenses.

3. Integrity
   Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

4. Past Performance
   Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

> For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity

of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.

Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.

A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part of the vendor. Any adverse information which is not deemed to be sufficient for a finding of nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in this regard include, but are not limited to, termination of the employee(s) involved, introduction of new policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Adverse Information Review

Vendor reports an OSHA violation by a nonperforming affiliate in 2021 resulting from a fall by an employee from an unprotected elevated work site. Vendor reports the corrective measures it has taken on subsequent jobsites to prevent a reoccurrence of the conditions that lead to the OSHA violation. Vendor reports multiple New York City administrative citations issued to a nonperforming affiliate related to violations of New York City air and noise codes. Vendor reports that a nonperforming affiliate was delinquent in filing commercial rent tax returns related to its lower Manhattan office space for the years 2012-2020. Vendors reports that the affiliate has

Determination Memo

hired a new account and has provided proof the County that it has filed the returns and paid the taxes plus interest.

The pending Vendor agreement with the County is for Construction Management/ Inspection Services for Merrick Road Rehabilitation Phase 1. Accordingly, the type of construction work that gave rise to the OSHA violations and the New York City code citations is not the type of work that will be performed for the County, so similar violations cannot occur while performing County contract work. The NYC rent tax payment delinquencies have been corrected. The Department has concluded that the vendor is a responsible vendor for the performance of the scope of work in Contract H61126-68CM1.

("LiRo") was cited by the New York City Department of Environmental Protection ("NYCDEP") for violation of RCNY Section 1-28 (B) - Failed to compile complete records for asbestos assessment report (No survey report with quantities and conditions).

LiRo was conducting asbestos investigations at 10 sites for LiRo projects with NYCDDC, which were the subject of a January 2020 audit by NYCDEP. The inspector from the NYCDEP reported that LiRo failed to prepare and produce asbestos survey reports that include the quantities and conditions of all building materials collected for analysis, in reference to the filed ACP5 report for each of the 10 projects audited. Following multiple hearings, LiRo accepted the stipulation to pay the penalty amount of $10,000.00. This matter is now closed.

2.

Agency: Commissioner of the Department of Environmental Protection of the City of New York

The inspector from the NYCDEP reported, upon inspection of the air monitor log, that LiRo failed to record sample flow rates and sample location sketches as part of the log, as required by section 1-37 (f)(3)(5). This section mandates that the log must contain a sample location sketch, showing the sample ID numbers, identifying all project air sample locations, per work shift or day of area air samples. OSHA Violation

U.S. Department of Labor – Occupational Safety and Health Administration (OSHA)

On September 15, 2021, LiRo Engineers, Inc. (LiRo) was cited by the U.S. Department of Labor – Occupational Safety and Health Administration (OSHA) for violating OSHA statute section 1926.501(b)(1) for failing to provide fall protection. On March 16, 2021, work was being performed by a hazmat abatement contractor at a project at Pier 76 in Manhattan, where LiRo was providing third-party environmental monitoring. It is alleged that LiRo failed to provide protection on the sides and edges of a walking surface in accordance with the OSHA statute. LiRo stated that there was no opportunity for LiRo to provide the fall protection prior to the incident and that it was the responsibility of the abatement contractor to provide such protection. Based on these facts, OSHA agreed to decrease the violation from "Serious" to "Other-than-Serious". LiRo and OSHA have entered into a settlement agreement reflecting the revised violation status and LiRo agreed to pay a penalty of $13,653.00. As part of this settlement, LiRo's Standard Corporate Health and Safety Program has been revised, and LiRo's personnel have been trained accordingly to ensure that workplace incidents will not happen in the future. This matter is now closed.

Summary of Regulatory Incidents

In over thirty (30) year in business, LiRo Engineers, Inc. and its family of companies (collectively, "LiRo") has undertaken literally thousands of complex and challenging construction, engineering, architectural design and environmental testing and consulting service projects in New York City, New York State, New England and the surrounding areas.

While we continuously strive for excellence on all of our projects, over the years LiRo's environmental group has received violations for certain non-compliance with environmental testing regulations. Our environmental testing group, which is separate and distinct from our civil/structural design and MEP groups, conducts thousands of air monitoring assessments annually. Despite the testing volume, we strive to eliminate even the smallest administrative infractions. It should be noted that a large majority of the violations involved administrative deficiencies. The health and safety of our employees and other workers at these sites was not impacted. Regardless, we consider these violations to be a serious matter, and we have taken numerous steps to eliminate or, at a minimum, mitigate the occurrence of these violations. Our efforts have been successful as the number of issued violations has decreased from nine (9) in 2023, six (6) in 2024 and one (1) in 2025.

For example, all technical staff hires receive classroom training as required for certification and we supplement this with hands-on training where inspectors are coupled with experienced technicians to become more familiar with the practical applications of code enforcement, as well observe firsthand, abatement/remediation contractor means and methods.

As a further business practice, we hold all-hands staff meetings where management reviews our written internal operations standards, safety protocols, changes to applicable regulations and "lessons-learned" from unique project events. Our Project Managers follow up by making site inspections that we record as part of our business unit/corporate quality control efforts. In recognition of the fact that, for identical projects, the different code compliance agencies have different requirements, to safeguard against misinterpretation or confusion, we provide our field staff with a summary of inspection and air sampling protocols that reflect the specific federal, state, or local regulations that govern each project.

Each of the foregoing activities is intended to educate and train our staff to mitigate the chance of administrative violations and ensure proper performance of environmental testing services. LiRo has a no tolerance policy regarding code non-compliance and any employee found to have violated these code requirements is subject to severe disciplinary action, including suspension without pay and termination.

We evaluate our process and training requirements on a regular basis, and we look for every opportunity to improve our performance and eliminate such violations in the future.

As stated above, our efforts to severely mitigate testing violations have been successful and our commitment to this effect will continue into the balance of this year and beyond.

What I attached is Capital One's cancelled check report."
"Page 1- shows our account number, name, check number, the date the check was cashed and the amount of endorsement"
"Page 2 – The front of check detail which verifies the information on page 1"

Ayad,

Please see attached, confirmation of electronic filing of returns for the periods 2015 - 2020 (last 5 years). For some reason, we are having trouble electronically filing the remaining 4 returns for the earlier years. Working diligently to resolve. Are the returns that have been filed sufficient to resolve the clearance issue today?

Subject: Resolution of LiRo Delinquent Tax Payments

All, the purpose of this email is to provide status of this issue and related relevant information.

On July 30, 3030, LiRo Engineers Inc.,(LiRo) mailed via USPS our delinquent Commercial Rent Tax filings along with the required payments for the period 2012 to present to the NYC Department of Finance (DOF).

Numerous inquiries via Email and phone were made to the DOF to obtain acknowledgement of receipt of LiRo's tax return and payments on the dates noted below:

1.Voice mails were left on general mailbox at the DOF office on August 3rd through August 5th:
2.Email inquiry were sent via the DOF website on August 3rd through August 6th.

In addition, on July 30, 2020, LiRo notified senior staff at DDC to inform them that the tax filings and required payments had been made, as well as our efforts to contact DOF tax clearance in an attempt to promptly resolve the Pass Port non-compliance status. LiRo also contacted MOCS on August 4th in a further attempt to expedite resolution. Our request was referred to the help center at MOCS, but we have not heard from them as of today. A follow up request was sent today as well.

Furthermore, numerous emails were sent to Ranjitsinh Vaghela from DOF Tax Clearance on July 30th through August 3rd requesting assistance in obtaining acknowledgment of LiRo's taxes, payments and Tax Clearance approval on LiRo's Passport account. Via subsequent email correspondence, we were advised by Ranjitsinh that it takes two weeks for them to process both the tax filing and payment and that nothing more can be done until the processing was complete. We were advised to check back in 2 weeks with regards to DOF Tax Clearance approval on our Passport account. We were also advised that any associated penalties would be assessed by DOF at a later date. Subsequently, on August 4th, LiRo emailed Anthony Salta from DOF Tax Clearance requesting additional assistance in obtaining acknowledgment of LiRo's tax payments and Tax Clearance approval of LiRo's Passport account status as well. He has not responded to our request. **We have confirmed today, that all required tax and interest checks (9 checks in total) for all delinquent years cleared payment on August 3rd (copies of the cleared checks are attached).**

At this time, we have provided all necessary information and payments necessary to resolve this issue. Any assistance you can provide to finalize this issue with the DOF Tax Clearance department would be greatly appreciated.

The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

County of Nassau, Nassau County Correctional Center, Nassau County Sheriff's Department, and Javel Welch, Index No. 603762/2024.

Procurement History: In April 2018,2019 and 2022, the County Attorney's Office conducted a formal Request for Qualification ("RFQ") to identify eligible, experienced legal counsel for a broad array of legal services for the County has been established. Counsel has been added to this Panel. In a streamlined mini-bid solicitation issues March 20,2024, a total of thirty-six (36) law firms qualified in the areas of Tort Law and Municipal Defense were solicited from the Special Counsel Panel. Eight (8) firms responded. After reviewing several factors, the committee found that Counsel possessed a satisfactory reputation in state and

federal courts handling personal injury and municipal defense cases for municipalities. Based on the committee's analysis, Counsel's proposal was deemed fit for working on the above referenced matter.

Description of General Provisions: Services under this Agreement shall include, but not be limited to, motion practice; pre-trial discovery; trial; appeals; and such other Services as may be required to fully represent the County.

Impact on Funding / Price Analysis: The maximum amount shall be increased by $172,550, with a partial encumbrance of $46,400. The amended maximum amount shall be $373,400.

In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

(i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County

Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and

shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the

payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for

termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given

or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement in accordance with the following schedule:

Value of Contract		Administrative Fee
(a)	$0-$10,000	$0
(b)	Over $10,000-$50,000	$160
(c)	Over $50,000-$100,000	$266
(d)	Over $100,000	$533

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed

Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for

proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or

does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In

the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports,

documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers

licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and *forum non conveniens*. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand

delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-Three Dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful,

the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

Contract Summary

Purpose: This is an amendment (#4) to an existing outside counsel contract with Wilson Elser Moskowitz Edelman & Dicker LLP ("Counsel") to continue representation of the County in numerous matters commenced under the Child Victims Act (CVA).

Procurement History: A Request for Qualifications ("RFQ") was issued April 2018 and 2019, and a special counsel panel ("Panel") of qualified law firms has been established. The County Attorney's Office solicited three (3) firms on July 6, 2021 from the Panel that have been qualified in municipal law to represent the County in the CVA cases. The selection committee selected Wilson Elser to handle the CVA cases because of the firm's extensive experience in this area of law, including the expertise of the proposed lead counsel that would be assigned to these cases. The firm also submitted an overall budget that was comparable to the other proposals received.

Description of General Provisions: Services under the Agreement shall continue to include, but not be limited to, motion practice;

pre-trial discovery; trial; appeals; settlement negotiations; and such other Services as may be required to fully represent the County in the CVA cases.

Impact on Funding / Price Analysis: This amendment will increase the maximum amount by $2,250,000, with a partial encumbrance of $500,000. The amended maximum amount will be $5,410,000.

Change in Contract from Prior Procurement: This is an increase to the contract's maximum amount.

OUR FIRM

Wilson Elser is the preeminent defense litigation firm in the United States.

At any given time, our more than 1,000 attorneys are engaged in some 100,000 defense and coverage matters, with many defending clients in various local, state and federal courts. Indeed, over more than four decades, our litigation, coverage and trial lawyers have gained a reputation for taking on and prevailing in the most challenging and technical cases, frequently "parachuting in" to assume unresolved matters from other law firms. From one-off premises liability matters to bad faith coverage claims to large-scale program management, we handle most every type of litigation.

Our enviable reputation and penchant for success derive from the acknowledgement that *winning lawsuits is defined in different ways by different clients.* What constitutes a "win" is informed by a calculus based on each client's business model, legal objectives and risk appetite, as well as the distinct circumstances surrounding an individual matter. We carefully weigh these and other considerations and then aggressively pursue negotiated early settlements, dispositive motions, mediated agreements, defense verdicts or other appropriate resolution methods. In all cases and jurisdictions, we can be relied on to win *on our clients' terms* and, rigorously adhere to their guidelines.

Since natural and manmade crises are not confined to normal business hours, we take particular pride in being "crisis-ready," often arriving on-site or otherwise engaging within the first critical hours following an incident. With 44 offices in or near most major U.S. markets, our attorneys don't have far to travel. We also help clients develop strong risk management protocols, thus avoiding liabilities and their financial and reputational repercussions.

More than a cadre of accomplished attorneys, many of us are well-known, highly regarded thought leaders in our respective practice areas. As such, we provide useful information and insights to our clients in advancing their businesses, and intensive mentoring and training to our next generation of attorneys in advancing their careers.

In this and all we do, Wilson Elser attorneys and staff champion a diversity of backgrounds, experiences and perspectives that mirrors our clients, makes us stronger, and enhances our contributions to the legal, business and broader communities.

SPECIAL COUNSEL AGREEMENT

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) **Nassau County**, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the **Office of the Nassau County Attorney**, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) **Wilson Elser Moskowitz Edelman & Dicker LLP**, with an office located at 666 Old Country Road, Suite 602, Garden City, New York 11530 ("Counsel" or "Contractor").

WITNESSETH:

WHEREAS, pursuant to Nassau County Charter Section 1101, the County Attorney has determined the need for the employment of special counsel; and

WHEREAS, the County desires to hire Counsel to perform the services described in this Agreement; and

WHEREAS, Counsel is eminently qualified and ready to provide the necessary services; and

WHEREAS, Counsel desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on September 22, 2021 and shall terminate upon the completion of services, as hereinafter described, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by Counsel under this Agreement shall consist of representing the County in Child Victims Act cases ("CVA Cases") being brought against the County as more fully detailed in Appendix A, attached hereto and incorporated herein (the "Services"). The allegations claimed by the various plaintiffs involve alleged abuse that occurred long ago that may have primarily arisen by placements in children facilities operated by the County, or involvement in recreational programs in which the County participated. Services under this Agreement shall include but are not limited to: motion practice; pre-trial discovery; trial; appeals; settlement negotiations; and such other Services as may be required to fully represent the County in the CVA Cases. When providing such Services, Counsel must comply with Nassau County's Litigation Management Guidelines, as may be amended (the "Guidelines"), provided under separate cover and incorporated by reference herein. Except as otherwise provided in this Agreement, such Services shall conclude no earlier than entry of a verdict or a settlement or of a court-order terminating the litigation.

3. Payment. (a) Amount of Consideration. (1) The amount to be paid to Counsel as full consideration for Counsel's Services for at least during the initial phase of representation under this Agreement for the CVA Cases, including disbursements, shall not exceed the sum of Five Hundred Sixty Thousand Dollars ($560,000.00) ("Maximum Amount"). The Maximum Amount is representative of the estimated budget of the initial phase in representing the County in the CVA Cases. As the CVA Cases progress, an increase to the Maximum Amount may be necessary. Any increase to the Maximum Amount shall be subject to a formal written amendment to this Agreement, fully approved and executed by the parties, including approval by the Rules Committee of the County Legislature. Compensation for

professional services shall be paid at an hourly rate according to the following fee schedule:

(i) Partner/of Counsel:	$270.00
(ii) Senior Associate (5+ years):	$245.00
(iii) Junior Associate (1 - 4 years):	$217.00
(iv) Paralegal/Law Clerk/Administrative:	$121.00

(2) Any appearances before the County Legislature, or any committee thereof for the purpose of the approval of this Agreement or any amendment thereto, are to be construed as part of the fee negotiation and approval process and Counsel agrees that no fee will be charged for any such appearances.

(3) Partial Encumbrance. Counsel acknowledges that the County will partially encumber funds to be applied toward the Maximum Amount throughout the term of this Agreement. Counsel further acknowledges that the initial encumbrance shall be One Hundred Sixteen Thousand Fifty Dollars ($116,050.00). Thereafter, the Department will notify Counsel of the availability of monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

(b) Vouchers; Voucher Review, Approval and Audit. Payment shall be made to Counsel in arrears and shall be contingent upon (i) Counsel submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) is accompanied by a contemporaneous record of hours billed stating the person(s) performing the Services and indicating with reasonable specificity, the Services provided and the payment requested in consideration for such Services, or contains a detailed, itemized list of allowable expenses; (b) certifies that the Services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and upon (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(c) Timing of Payment Claims. Counsel shall submit its claim no later than three (3) months following the County's receipt of the services that are the subject of the claim, and no more frequently than once a month.

(d) Expenses and Disbursement. Counsel shall be compensated within the Maximum Amount for all reasonable expenses and disbursements actually incurred, including but not limited to out-of-pocket disbursements for investigators, trial preparation services, court reporting services, interpreters, and other legitimate expenses in accordance with the Guidelines. Counsel shall obtain prior written approval from the County Attorney or his designee for all non-routine expenses and disbursements as specified in the Guidelines.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to Counsel following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior

to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after Counsel received notice that the County did not desire to receive such services.

4. Independent Contractor. Counsel is an independent contractor of the County. Counsel shall not, nor shall any officer, director, employee, servant, agent or independent contractor of Counsel (a "Counsel Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. Counsel is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. Counsel shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

(i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In

the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;
(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;
(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;
(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;
(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and
(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all

deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this

Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after

it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds

appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency

that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding

employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond

to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of

incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Contract Summary

Purpose: This is amendment (#4) to an existing special counsel agreement with West Group Law PLLC ("Counsel") to represent the County, provide legal advice, and, if necessary, bring an action related to the 2011 capital project to construct the Nassau County Family Court and Matrimonial Center.

Procurement History: A Request for Qualifications ("RFQ") was issued April 2018, 2019, and 2022, and a special counsel panel ("Panel") of firms qualified to provide legal services for the County in several areas of law has been established. Counsel has been added to this Panel.

In this streamlined solicitation, the evaluation committee compared the five (5) proposals that were received and focused on the following factors to make their selection: 1) Three (3) firms possessed a municipal background in litigating faulty design and

construction of structures for a municipality; 2) Counsel's proposal contained a detailed outline of all potential stages of the administrative and legal proceedings anticipated, and was complete. After ranking and scoring, the evaluation committee determined that Counsel's overall response to the proposal was complete, demonstrated the capacity to handle this assignment and was found to be the best value to the County.

Description of General Provisions: Services under the Agreement shall include, but not be limited to, motion practice; pre-trial discovery; trial; appeals; transactional related issues; settlement negotiations; and such other services as may be required to fully represent the County.

Impact on Funding / Price Analysis: This amendment will increase the maximum amount by $1,482,500. The amended maximum amount will be $4,965,150. The amount to be encumbered will be $300,000.

Change in Contract from Prior Procurement: There is an increase to the maximum amount.

☑ Contract amendment, extension, or renewal

Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request,

completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by

Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand

delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a

manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Subcontractor shall not include a supplier of materials to a

contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

QUALIFICATIONS AND EXPERIENCE

WEST GROUP
LAW PLLC

About WGL

WGL is a boutique municipal law firm that provides responsive legal solutions with cost-effective results. We have offices in New York, Massachusetts, Rhode Island, and Pennsylvania, and we represent clients throughout the country.

Our attorneys have represented municipalities and other public entities for more than 25 years in connection with public-private partnerships, water and wastewater systems and projects, civic/municipal buildings, environmental and regulatory matters, solid waste issues, transportation, structuring requests for proposals (RFPs), contract negotiations, alternative project delivery methods, land use development, project-related litigation, and construction law.

Members of our firm have spent their careers serving state and local governments and agencies. We understand the challenges public entities face because our attorneys once worked in senior positions in state and local governments. This experience enables us to provide public entities with efficient, creative, and low-cost solutions across the country. We chose this platform for a reason – to utilize our extensive collective experience while allowing for nimble, efficient results for our public clients.

Nassau County

Since 2011, WGL attorneys have been privileged to represent the County in connection with some of its most successful, prominent, and biggest projects, including the redevelopment of the Nassau Veterans Memorial Coliseum and the private operation and maintenance agreement for the County's sewer system with SUEZ Water Long Island Inc. We have also represented the County in connection with an innovative co-generation energy project, as well as with respect to several litigation matters. Our attorneys have delivered results in short timeframes that have exceeded the County's goals, protected the interests of residents, and saved or generated millions of dollars for the County's taxpayers.

We have realized this success based on our deep understanding of the County stakeholders, processes and needs. We have developed a strong relationship and worked closely with members of each of the following:

- County Legislature
- Nassau County Interim Finance Authority
- Nassau Hub Advisory Committee
- Office of Legislative Budget Review
- Comptroller's Office
- Sewer and Storm Water Finance Authority
- Nassau County Planning Commission
- Nassau County Open Space and Parks Advisory Committee
- County Executive's Office
- County Attorney's Office

- Office of Management and Budget
- Department of Public Works

We understand the role and responsibilities of each of these bodies and have successfully addressed their concerns through written and oral briefings and earned their trust. Although we are lawyers, we understand the importance of facilitating public communications for the success of any large project.

Experience

A. Construction Litigation

WGL lawyers have successfully represented clients in high-profile litigation and appellate matters in state, federal and circuit courts throughout the United States. We routinely defend our public clients in connection with challenges to procurements; construction and service contract disputes; litigation related to low-bid specifications; and change order disputes. We also represent our public clients in connection with challenges to legislation, and we are experienced in the prosecution and defense of various types of construction claims, including delay, disruption, labor inefficiency and work suspension. We routinely assist clients in avoiding disputes and developing strategies that avoid litigation which are often encountered in project administration and project scheduling.

Our construction litigation experience includes representing clients on a dispute relating to the recovery of construction and demolition costs related to a catastrophic roof collapse at a co-composting facility; a breach of contract action stemming from the construction and failure of a new cover to a secondary digester for a wastewater treatment plant; a dispute regarding alleged sustained physical damage to a gas line due to the blasting associated with construction of the sewers as performed by a public entity's general contractor; and an action against a public entity's contractors, designers, and engineers to recover cost overruns relating to a public pool construction project.

As it informs our construction litigation experience, WGL advises on both vertical and horizontal construction, from design through final construction, including the procurement and administration of architectural, engineering, and testing and inspection services. We also routinely prepare and negotiate complex design and construction agreements using traditional and alternative project delivery methods, including low-bid, fast-track, fixed price, cost plus, design-build, design-build-operate, build-to-suit, and public and private venture contracts. We have advised on the development of model procurement and contract forms, resolution of bidding disputes, contract administration, and bond and insurance issues.

We have significant experience with traditional low-bid construction projects implemented pursuant to General Municipal Law § 103 and other related statutes, such as the Wicks Law. We are very familiar with the issues associated with such projects, including the possibility of disputes over contract awards and other procurement challenges, as set forth above.

B. Employment and Labor Law/ Federal Civil Rights Section 1983

WGL represents public clients with respect to employment and labor law issues, including the defense of municipal governments. - ***MPCC v. Nassau County*** – Currently representing the County of Nassau in Nassau County Supreme Court in connection with a complex, three-party breach of contract matter related to the multi-phased design, renovation and construction of the Family and Matrimonial Court Complex, which involves contractor claims for additional compensation and delay costs, County counterclaims for competition costs, defective work and delay liquidated damages as well as a County initiated third-party claims against the architect. The cumulative value of the combined claims is excess of thirty million dollars. The litigation focuses on delay claims, alleged design defects, Covid-related construction delays and change orders. The matter is presently in discovery.

- ***Saunders v. County of Nassau et al.* –** Defending the County of Nassau and three individual defendants in a claim alleging that a Corrections Officer was the victim of racial discrimination and retaliation. County of Nassau and the Village of Rockville Centre*** – Defending the County of Nassau in a claim by a deaf individual who was arrested by the Rockville Centre Police Department for driving under the influence of alcohol and held overnight at the Nassau County Police Department. The County is planning to enter into a P3 transaction with a selected entity who will operate, maintain and manage the DES, providing thermal energy to existing, and potentially new, users.

- **Nassau County, New York** in connection with the negotiation of an inter-municipal agreement with the City of Long Beach. The Authority received three proposals in response to the RFP and based upon evaluation of the factors listed in the RFP, the lowest proposer was not selected. The proposer subsequently commenced an Article 78 proceeding, claiming that the Authority was subject to General Municipal Law § 103, which would have required the Authority to choose the lowest responsible bidder. Both the Supreme Court and the Second Department agreed with WGL's compelling legal argument that General Municipal Law § 103 is only applicable to political subdivisions, and that public benefit corporations, such as the Authority, are not political subdivisions.

- **Broome County, New York** (*Solid Waste System*) in analyzing legal alternatives and options available to the County concerning flow control.

- **Rockland County Sewer District No. 1, New York** (*Clean Water Act Defense*) in an action in the United States District Court for the Southern District of New York against allegations of violations of the Clean Water Act stemming from alleged sewage discharges into the Saddle River resulting in the dismissal of several of the causes of action against the District.

We represented the Sewer District in the development of the facility on a DBO basis, which was the first municipal wastewater DB or DBO project in New York. We were responsible for reviewing New York law to determine whether the wastewater treatment plant could be developed pursuant to a DBO approach under the existing statutory frame- work. WGL assisted the Sewer District with the drafting of the procurement documents (including the RFP), the evaluation of proposals, and served as lead negotiator and principal drafter of the DBO agreement. We continue to serve as full-time outside counsel to the Sewer District, providing contract oversight and administration assistance.

O&R sued the County, the District, Metra, and the District's consulting engineer, GHD Consulting Services, Inc. ("GHD"). WGL filed cross-claims on behalf of the County against Metra for failing to indemnify the County against these alleged damages. WGL lawyers led a collaborative defense with its engineers and through calculated use of critical expert witnesses were able to reach a mediated settlement of the Utility's claims where O&R agreed to dismiss, with prejudice, the action against all parties and execute appropriate releases. No economic renumeration to O&R will be made by any party under the terms of the executed settlement agreement.

- ***Metra Industries, Inc. v. County of Rockland et al.*** – Represented the County against Metra Industries, Inc. ("Metra") where Metra alleged that extra work to complete the Western Ramapo Sewerage Project was necessary when it was forced to stop blasting after O&R alleged damage to its pipes, and that Metra had to begin alternate methods of removing rock that was not contemplated and that resulted in a claimed 20 million of damages to Metra. WGL filed crossclaims against GHD on behalf of the County, which alleged that if Metra suffered any damages, GHD must indemnify the County against any such damages. WGL also filed counterclaims against, and sought delay liquidated damages from Metra for negligence and breach of contract. WGL attorneys successfully led a collaborative defense with the design professional at three days of mediation, ultimately reducing the contractors claim to under four million dollars and getting GHD to pay a significant portion of the claim.

- ***Rockland County Sewer District No. 1 v. New York State Department of Environmental Conservation*** - representing the District in relation to its application for a State Pollution Elimination System (SPDES) Permit and the Department's issuance of the final permit modifying the District's original permit. Contract Summary

Purpose: This is an Amendment (#2) to an existing special counsel contract with Rosenberg Calica Birney Liebman & Ross LLP ("RCBLR" or "Counsel"), formerly known as Rosenberg Calica & Birney LLP ("RCB"), the firm selected to provide legal services to the County on several fee dispute cases brought against the County, which challenge local laws involving the collection of fees such as Driver Responsibility Fee, Public Safety Fee, and Red-Light Violations Fee, among others.

Procurement History: In April 2018, 2019, and 2022, the County Attorney's Office conducted a formal Request for Qualification ("RFQ") to identify eligible, experienced legal counsel for a broad array of legal areas, and a panel of firms ("Panel") qualified to provide legal services for the County has been established. RCB had been added to the Panel. Two (2) streamlined mini-bid solicitations were issued. The mini-bid for Kharoufa was issued October 31, 2023, and the mini-bid for Guthart, Madson & Falk was issued November 17, 2023. In both solicitations, a total of thirty-one (31) candidates qualified in the areas of Appeals, Class

Action and Municipal Defense were solicited from the RFQ panel. Three (3) firms responded to each solicitation. After reviewing several factors, the committee found that Counsel possessed a satisfactory reputation in state and federal courts handling Appeals, Class Action, and Municipal Defense cases for municipalities. Based on the committee's analysis, RCB's proposal was deemed fit for working on the above referenced matters. RCBLR has also been added to the Panel.

Description of General Provisions: Services under the Agreement shall include, but not be limited to, motion practice; pre-trial discovery; trial; appeals; and such other Services as may be required to fully represent the County.

Impact on Funding / Price Analysis: This amendment will increase the maximum amount by $400,000. The amended maximum amount will be $1,935,000. There will be a partial encumbrance of $100,000.

Change in Contract from Prior Procurement: This amendment increases the maximum amount and amends the Services section of the agreement to include defending the County in the following fee case: Vishal Jakhu and Thomas Auriemma, on behalf of themselves and all others so similarly situated v. The County of Nassau, The Nassau County Traffic and Parking Violations Agency, and The Nassau County Legislature, Index No. 601418/2026.

In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

(i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such

action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents, or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all

deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole, or part (i) assigned, transferred, or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand Strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this

Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after

it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars ($533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds

appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars ($50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than $50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than $50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars ($50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars ($50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

(A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars ($50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap.

(B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar ($50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgrading's, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgrading's, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work.

Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the

foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. CHAIRMAN MULLANEY: Thank you very much, sir.

There are three items on the Agenda which are Clerk Items 56-26 (sic), 66-26 and 79-26.

Clerk Item 58-26 is a local law to ban hourly rates and increase training and record keeping requirements at hotels and motels in Nassau County.

May I have a motion moved by Legislator Strauss, seconded by legislator Goetz. The item is before us.

Briefly, this initiative comes by way of Legislator Giangregorio, but it passes through the Public Safety Committee first. So I will defer to him in Finance to better explain it.

Briefly, this proposed local law is very similar to the initiative passed recently in Suffolk County and is designed to prohibit hotels and motels from offering hourly rate structures, requiring record keeping protocols, and strengthens sex trafficking awareness training requirements.

As this item is subject to a hearing

before the full legislature on April 27th, we will have witness available for questions then. In the meantime, if any legislator would like to offer a statement, they're welcome to do so now or if there are any questions for the record, we will ensure that they are addressed during the hearing.

LEGISLATOR NUNEZ: Thank you. Legislator Mullaney?

CHAIRMAN MULLANEY: Legislator Nunez, yes. Sorry.

LEGISLATOR NUNEZ: Thank you. Thank you, legislator and thank you for this. We as a caucus support this bill and would be interested in co-sponsoring this bill, especially as it has to do with trafficking and the prevention of same. So happy to move forward with you on this.

CHAIRMAN MULLANEY: All right. Thank you. I appreciate the support and I appreciate you guys getting behind it. This was a Majority initiative. My

recommendation, because I'm not in a position to do that, would be to speak with our PO and the sponsors before the full legislative session on the 27th.

Any other questions?

(Whereupon, no response.)

CHAIRMAN MULLANEY: All right. Seeing none, we're going to vote on each item as we go just because they're all very different.

MICHAEL PULITZER Clerk of the Legislature (abs)

DONALD DURHAM, ESQ Counsel to Clerk of Leg.

CHAIRMAN MCKEVITT: Thank you very much, Mr. Durham. Please call the roll.

MR. DURHAM: Chairman McKevitt?

CHAIRMAN MCKEVITT: Here.

MR. DURHAM: Legislator Giangregorio?

LEGISLATOR GIANGREGORIO: Here.

CHAIRMAN MCKEVITT: Legislator Kennedy?

LEGISLATOR KENNEDY: Here.

CHAIRMAN MCKEVITT: Legislator Walker?

LEGISLATOR WALKER: Here.

MR. DURHAM: Ranking member Solages?

LEGISLATOR SOLAGES: Here.

MR. DURHAM: Legislator Mule?

LEGISLATOR MULE: Here.

MR. DURHAM: Legislator Nicks?

LEGISLATOR NICKS: Here.

MR. DURHAM: We have a quorum.

CHAIRMAN MCKEVITT: Thank you very much, Mr. Durham.

I'm first going to take a motion to suspend the Rules for the purpose of

advancing the Agenda. We do have a lengthy Addendum. So that is made by Legislator Giangregorio, seconded by Legislator Solages.

All in favor of suspending the Rules for the Addendum, please signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRMAN MCKEVITT: Opposed?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: That is passed unanimously.

So we have a number of items which have already gone through other committees and have been debated, and we do not see a need at this point to further debate in the Finance Committee. They are items number:

58, 65, 66, 80, 81 and 85.

So on a motion of Legislator Walker, second on Legislator Mule, we are actually moving all those items and then we are now going to vote on those items

which are 58, 65, 66, 80, 81, 85.

All in favor, please signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRMAN MCKEVITT: All opposed?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: That passes unanimously.

******

CHAIRMAN MCKEVITT: We'll now go on to the items which are being first called in the Finance Committee. And they'll be the following items, which we'll call which are:

60, 61, 62, 63, 64, 67, 68, 69.

On the Addendum, we have 79, 82, 83, 84, and 87.

So that is on a motion by Legislator Kennedy, seconded by Legislator Nicks, and will, therefore, advance those items on the Agenda.

And the first one we'll deal with is Item 60-26. And this is actually just an item we do every single year. This is for the financial disclosures. So list all the policy making titles for all those who are going to be doing disclosures.

Any further questions from the Legislature?

(Whereupon, off the record discussion.)

CHAIRMAN MCKEVITT: All right. I'm going to take that back. The calendar had

60 and 61 on our agenda, but they're only being heard by Rules. So we will not deal with number 60 and 61.

We will go on to Item 62, which is again from the County Treasurer.

Anyone here be heard in that matter?

I think it's simply the renaming of -- Yes, Mr. Cheng. I think it's simply changing names or I think updating the names of the banks of deposits. But I'll let you explain it.

MR. CHENG: Yes. So good afternoon. My name is David Cheng, County Treasurer.

This is just housekeeping items. We just want to add a bank, a local bank called Dime Savings Bank or Dime Commercial Bank. Now we're adding it to diversify our banking possibilities. We usually do small deposits in these small banks using intra fee. So the exposure is very little to the County. Any questions?

CHAIRMAN MCKEVITT: Yes.

LEGISLATOR MULE: Okay. Hi. So we're only dealing with adding on Dime Savings

Bank in this resolution.

MR. CHENG: Dime Commercial Bank.

LEGISLATOR MULE: Okay. Thank you.

CHAIRMAN MCKEVITT: Any other questions, Legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, Mr. Cheng, thank you very much.

MR. CHENG: Thank you.

*****

CHAIRMAN MCKEVITT: Item 63 dealing with appropriations to indigent legal services. Mr. Persich.

MR. PERSICH: Good afternoon, Legislators. Andy Persich, Office of Management and Budget. I'm a little rusty, I apologize.

Item 63 is a supplemental appropriation in the amount of $125,352 for the Counsel of first appearance. It's year one of the new grant year. It's predominantly going to 18B for attorney of the day programs.

I'm here to answer any questions you may have about this.

CHAIRMAN MCKEVITT: Any questions from the legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, thank you.

MR. PERSICH: Thank you.

*****

CHAIRMAN MCKEVITT: Now, on Item 64 of a transfer of appropriations. Ms. Zahrabnian from the Health Department will take care of that one.

MS. ZAHRABIAN: Good afternoon. Alyssa Zohrabian for Nassau County Department of Health.

Item 64-26 is a board transfer. It's in the amount of $7,411. It's for our Expanded Partner Services Grant Program. Grant Savings and Fringe and Supplies will be used to cover salary. It's to maximize grant funding and will have no impact on the budget.

CHAIRMAN MCKEVITT: Any questions from the legislators?

Yes, Legislator Nicks.

LEGISLATOR NICKS: Alyssa, I just want to clarify, is it 6411 or 7000?

MS. ZAHRABIAN: Oh, gosh, $7,411. Thank you.

CHAIRMAN MCKEVITT: Any other questions, Legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, Ms. Zahrabian, thank you very much.

MS. ZAHRABIAN: Thank you.

*****

CHAIRMAN MCKEVITT: All right. Now we will go on to Item 67, which is determinations as per SEQRA and authorized County Executive on lease agreement between the County and Ari Holdings. I believe it's with the District Attorney's office for some office space.

MS. FOREMAN: Kathy Foreman, Deputy County Attorney.

CHAIRMAN MCKEVITT: If I'm correct, this is for the District Attorney rent space.

MS. FOREMAN: This is an amendment to a lease for the District Attorney. They have 25 to 30 people there. So it alleviates any overcrowding for those that are assigned to District Court.

CHAIRMAN MCKEVITT: Okay. Any questions from legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, thank you very much.

MS. FOREMAN: Okay.

CHAIRMAN MCKEVITT: Items 68 and 69 if I'm correct, are I believe with the Fire Marshals and another with another with the Police Department as well. And I think it's actually a legislative initiative. I don't think there's any testimony at this point.

Any questions from legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, we'll bring up further at the Full Legislature meeting in two weeks.

******

CHAIRMAN MCKEVITT: Now we'll go on to the Addendum and starting with Item 79. And I believe is with the Emergency Management. And if I'm correct do you also have, I think Item 84 as well? Let's get them both.

MR. BUTLER: Okay. I just wanted to start with 79. We just heard in Public Safety. But if you want to do it again, I could do it again.

CHAIRMAN MCKEVITT: Okay.

MR. BUTLER: So do it again.

CHAIRMAN MCKEVITT: Yes.

MR. BUTLER: Okay. Sure.

John Butler, Accounting Executive for OEM.

Item 79 is an appropriation of a New York state grant awarded for the ESI net Readiness program. The grant award was for $689,655. And the purpose of that grant is to upgrade our 911 call centers from analog copper delivery systems to a more modern, faster and more reliable fiber optic hosted network. It's 100%

grant funded with no cost to the County general fund.

CHAIRMAN MCKEVITT: Any question legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, we'll go on to Item 84.

MR. BUTLER: 84 is part of a multi-year grant clean up our agency is working on ahead of the new county fiscal system going live. The board transfers move unused funds from older prior grant years to newer grant years for use. We'll have zero impact on the County's general fund.

CHAIRMAN MCKEVITT: Any questions, legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, thank you very much. Excuse me, Legislator Nicks has a question.

LEGISLATOR NICKS: You said these are from prior grant funds, correct?

MR. BUTLER: Prior year awards.

LEGISLATOR NICKS: Okay. And there was no requirement to send back any unspent funds. Carryover was allowed for all of them?

MR. BUTLER: Carryover was allowed. They're on the books of the County is still being open and available to be used. So we're shifting that to more current year.

LEGISLATOR NICKS: Okay. And then for those grant funds, if the previous year ended, there's no issues with that. Correct?

MR. BUTLER: No.

LEGISLATOR NICKS: Okay. All right. Thank you.

MR. BUTLER: Yep.

*****

CHAIRMAN MCKEVITT: Okay. Next we have Item 82 which is also transfer appropriations, I believe, with the Police Department. Chief Palazzolo, Congratulations, I think.

DEPUTY CHIEF PALAZZOLO: Thank you very much.

Good afternoon, Deputy Chief Janine Palazzolo, Police Department.

Item 82, this is a board transfer in the amount of $20,350 to move money from the AA to the BB. This is to allow the maximum use of funds and reimbursement to the County.

CHAIRMAN MCKEVITT: Any questions for legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, thank you very much.

DEPUTY CHIEF PALAZZOLO: Thank you.

******

CHAIRMAN MCKEVITT: Next we have Item 83 also transfer appropriations I believe, within Probation.

MR. SCHILERO: Joe Schilero, Fiscal Officer at Nassau County Probation.

Again, this is to transfer appropriations within the grants to reconcile prior year's activities.

CHAIRMAN MCKEVITT: Any questions from legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, thank you.

*****

CHAIRMAN MCKEVITT: The final one we have is number 87, which is an intermunicipal agreement between the County and North Hempstead for firefighting gear. I believe there's no further testimony in this one.

If there are no further legislative questions, then we will then vote on the following items, which are:

62, 63, 64, 67, 68, 69, 79, 82, 83, 84 and 87.

All in favor, please signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRMAN MCKEVITT: All opposed?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: Those are passed unanimously.

******

CHAIRMAN MCKEVITT: The next items we will now call will be:

70, 71, 72, 73, 74, 75, and 76.

They are all items which will be settling litigations.

That is made by Legislator Giangregorio, second by Legislator.

We will then take on those items. We traditionally take these items up in executive session.

So on behalf of motion from Legislator Walker, second by Legislator Nicks, all in favor of going to executive session on these items, please signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRMAN MCKEVITT: All opposed?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: Passed unanimously.

We'll now go into executive session. Just let the public know we have a number of items on here, so we may be in there

just a little while, but when we're done, we'll try promptly wrap up the rest of the day. Thank you.

(Whereupon, Executive Session, 2:52-3:34 p.m.)

CHAIRMAN MCKEVITT: We will reconvene the Finance Committe. We had our executive session. At that point, we will now have a vote on 70, 71, 72, 73, 74, 75, and 76.

All those in favor, please signify by saying Aye.

(Whereupon, all members respond in favor.)

CHAIRMAN MCKEVITT: Opposed?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: On a motion by by Legislator Giangregorio and Legislator Solages, we will now move to adjourn

All in favor to adjourn, signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRMAN MCKEVITT: Opposed?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: Passes unanimously.

We are adjourned.

(Whereupon, meeting adjourned, 3:35 p.m.)

CHAIRWOMAN GOETZ: There is one item on the agenda today, which is Clerk Item 65-26.

Clerk Item 65-26 is a resolution to authorize the release of a surety bond covering improvements on the map of Kensington Estates situated in Woodbury, Town of Oyster Bay, County of Nassau, New York.

May I have a motion? Moved by Legislator Giuffre, seconded by Legislator McKevitt.

The item is before us. Who is from the Administration here to speak on this item?

MS. SANDS: Good afternoon, Legislators. Cameron Sands, staff for the Nassau County Planning Commission.

The purpose of this action before you is the release of the surety bond and cash escrow covering public improvements for the subdivision known as the Map of Kensington Estates, located on the southeast corner of Jericho Turnpike and

Plainview Road within the hamlet of Woodbury in the Town of Oyster Bay.

The amount of the surety bond to be released is roughly $665,000, and the amount of cash escrow to be to be released is roughly $22,500.

The entire subdivision consists of 18.65 acres, with 5.10 acres located in the hamlet of Woodbury, Town of Oyster Bay and the remaining 13.55 acres located in the Town of Huntington, Suffolk County.

The entire subdivision contains 80 age restricted multifamily townhouse units located in 17 buildings. A total of 15 units are located in Nassau County's portion, as well as three single family lots located along Plainview Road and a common area to be maintained by the HOA that are all part of this requested bond and escrow release.

Public improvements within the Suffolk County portion are not included in this release.

A final inspection of all the public improvements was made by DPW inspection staff in December of 2025. The staff indicated that all required public improvements made in the subdivision were constructed and completed in accordance with all the appropriate county codes, standards and specifications, and recommended the release of the bond.

The Nassau County Planning Commission Commission held a public hearing on February 5th, 2026, and recommended that the Legislature release the requested surety bond and cash escrow in the amounts I stated earlier.

I can take any questions from the Legislature.

CHAIRWOMAN GOETZ: Great. Thank you so much.

Any debate or discussion?

Legislator Nunez.

LEGISLATOR NUNEZ: Thank you. Thank you very much. Just have a few questions.

I just want to confirm that the

escrow was used for improvements. Correct?

MS. SANDS: Correct. Yes.

LEGISLATOR NUNEZ: And what were those public improvements?

MS. SANDS: The public improvements included grading and drainage, paving, sidewalks, curbing, driveway aprons, catch basins, fencing, street lighting, water supply, and also sanitary sewer lines.

LEGISLATOR NUNEZ: Okay. And thank you.

And all of those improvements have now been complete?

MS. SANDS: Correct. They have been completed and an inspector had been on site to review everything. And everything's in compliance with the county codes.

LEGISLATOR NUNEZ: Perfect. So there's no further work, everything is complete.

MS. SANDS: Correct. Yes, it is.

MS. NUNEZ: And has met the satisfaction of DPW and the County?

MS. SANDS: Correct. It was also passed by the Planning Commission and recommended that the Legislature release the bond as well.

LEGISLATOR NUNEZ: Thank you.

MS. SANDS: No problem.

CHAIRWOMAN GOETZ: Anyone else?

(Whereupon, no response.)

CHAIRWOMAN GOETZ: Thank you so much.

All those in favor of passing the item, please signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRWOMAN GOETZ: Any opposed?

(Whereupon, no response.)

CHAIRWOMAN GOETZ: Passes unanimously.

There is no other business in front of this committee. May I have a motion to adjourn?

Moved by Legislator Knight and

seconded by Legislator Nunez.

All those in favor.

(Whereupon, all members respond in favor.)

CHAIRWOMAN GOETZ: The committee is now adjourned.

Next is Finance.

(Whereupon, committee adjourns, 2:40 p.m.)

CHAIRMAN KOPEL: Those opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. The Rules are suspended.

We'll go to the contracts. I'll call all of them together and then we'll go through them one at a time.

The E contracts, which are E38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53. Those are all of the E contracts. These contracts are respectively, Joe Capobianco; Jaspan Schlesinger, Narendran; Externetworks; Sheharyar Ali Law Group; National Medical Services; Milliman, Inc.; West Group Law PLC, that's for 45 and 52; Sheharyar Ali is 41 and 42; LIRO Engineers is 46.

Then again, in order, Bee Ready Law Group' Law offices of Vincent McNamara; Wilson, Elser, Moskowitz, Edelman & Dicker; Metamorphic Concerts; G & R Events; Rosenberg, Calica, Birney, Liebman & Ross.

Motion on all of these is by Deputy Presiding Officer McKevitt, seconded by Legislator Drucker.

Now we have a motion to table 43 and E50.

Motion to table by Deputy Presiding Officer McKevitt, seconded by Legislator

Drucker.

All those in favor of tabling these two items say aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Those opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Those two items are tabled.

We'll start off now with the Emergency Management; that would be contract A12 and ErgoFlex Systems, Inc..

MR. BUTLER: Good afternoon. John Butler, Accounting Executive, OEM.

Item before you is to authorize the purchase of an ergonomic consoles for the 911 Center. The County has been upgrading these consoles every year based on the grant funding that was available for it. This represents the final purchase and installation of these modern ergonomic workstations for our call center employees. And this is a 100% grant funded expense with no cost to the

County's General Fund.

CHAIRMAN KOPEL: Okay. Any questions from anyone?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Thank you.

******

CHAIRMAN KOPEL: Next is Comptroller's Office. That's E44 Milliman, Inc.

MR. CASOLARO: Good afternoon. On behalf of the controller, Charlie Casolaro, Chief Counsel. This is an amendment to a contract with Milliman, which is a vendor Nassau County has had for 30 years. They're the vendor that provides the actuarial services for the County.

The Government Accounting Standards Review Board has promulgated some new regulations, and we need Milliman to do that actuarial analysis for us. It is compensated absence liability and post employment benefits pensions for different component parts of Nassau County.

So we expanded the scope of the services of the contract a bit. And we've added $165,000 for the life of the contract. It's very important. It's necessary work. And Milliman is a great

vendor. They've been with us for 30 years. And these are state reporting requirements that we must have. So I would ask that it be approved.

CHAIRMAN KOPEL: Okay. Any questions from anyone?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Thanks, Charlie.

MR. CASOLARO: You're welcome.

*****

CHAIRMAN KOPEL: Thank you. Next is Health Department. We'll start off A22. That would be We Transport.

MS. ZAHRABIAN: Good afternoon, everyone. Alyssa Zahrabian for Nassau County Department of Health.

If I can -- A 22 and A 26 are very similar; if I can present them together.

These items are purchase orders for the transportation of Nassau County children with special needs in the preschool, special education and early intervention programs. The transportation services for children ages birth through age three is in the EI program and is mandated under Article 25 of the New York State Public Health Law.

Transportation services for children ages 3 to 5 in the Preschool Special Education program are mandated under Chapter 4410 of the New York State Education Law.

At the Advisement of Purchasing, we

are moving away from using purchase orders for transportation in these programs and are currently in the RFP process to establish contracts for these services. So these new contracts are expected to hopefully begin August 1st.

And so in the meantime, these additional funds are needed to support the current purchase orders to ensure continuity of service for the special needs children and their families until the new contracts take effect.

CHAIRMAN KOPEL: Okay. Any questions from anyone?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Thank you.

A27 which is Guardian Bus.

MS. ZAHRABIAN: Same thing. Two different companies, same thing.

CHAIRMAN KOPEL: Okay. All right.

Well, thank you then.

MS. ZAHRABIAN: Thank you.

******

CHAIRMAN KOPEL: All right. Next is Parks. Hello, Darcy.

COMMISSIONER BELYEA: Good afternoon, everyone. Darcy Belyea, Parks Commissioner.

CHAIRMAN KOPEL: I have 50 and 51, Metamorphic Gardens and G & R.

COMMISSIONER BELYEA: Yes. And 50 I asked to be tabled because there's been a change in the insurance clause. So we'll talk about that next time.

But I have E51-26. This item is an amendment to the service agreement approved by this body in March '24 and amended again in October of '25 between the County and G & R Events NY, a booking agent for entertainment for County events.

This amendment refers only to year three of the term, which is from October 1st, 2025 to September 30th of 2026, requesting an increase in the amount to be paid to the vendor by $850,000 for the total consideration for year three of the

agreement, will not exceed $1 million. This increase will increase the total amount to be paid under the contract, not to exceed $1,950,000, should all renewal options be exercised. And there are two after this contract year.

Additionally, this amendment also increases the scope of services to have the vendor be responsible for artist hospitality when required for certain bookings, and it also adds a clause that allows the vendor to submit an invoice prior to an event for a partial advance of up to 40% of the total event cost.

No other contract terms will be amended and all spending is funded by the Hotel/Motel Tax Grant Fund.

CHAIRMAN KOPEL: Okay. Any questions from anyone?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Thank you.

*****

CHAIRMAN KOPEL: Next is Police Department. Good afternoon.

We've got A23 and 24 and E43; A23 is LIAM Connect.

DEPUTY CHIEF PALAZZOLO: Good afternoon, Deputy Chief Janine Palazzolo, Nassau County Police Department.

Item A 23, this is to authorize an award, a purchase order with LIAM Connect LLC and the Police Department for a digital mail delivery service.

The maximum amount authorized under the purchase order is $136,375, which is fully grant funded.

CHAIRMAN KOPEL: Questions?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay.

DEPUTY CHIEF PALAZZOLO: A24 is to authorize an award of purchase order for the deck crane for the Nassau County Police Department Marine Bureau. This is a one time purchase in the amount of $227,950, and it's federally funded from a grant.

CHAIRMAN KOPEL: Okay.

E43 which is National Medical Services.

DEPUTY CHIEF PALAZZOLO: I believe we tabled that.

CHAIRMAN KOPEL: 43, you are correct.

Okay. Well, thank you.

******

CHAIRMAN KOPEL: Next is IT. We'll start off with A26, Eastern Communications.

MR. KESSLER: Good afternoon. Michael Kessler, Department of Information Technology.

Matter A26-26 is a blanket purchase order for the monitoring, maintenance, and support of the radio communications network used by the Fire Marshal's Office.

This is a sole source annual agreement with Eastern Communications for continued monitoring, maintenance and technical support of all equipment involved in radio communications for the Department. This vendor is best suited to provide these services as they were the ones who designed and installed the network.

The term of this agreement is three years plus two additional one year renewal options for a possible total of five years. The maximum cost is

$2,050,633.40.

With me is Chief Frank Pasanisi from the Marshal's Office, if you have any questions.

CHAIRMAN KOPEL: Okay.

A 28 is Tyler Technologies.

MS. TALOR: Good afternoon. Rosemarie Tolar, project manager at the Department of Information Technology.

This is a request for a blanket contract, a five year contract to pay the annual maintenance and support for the Nassau County Property Management and Assessment application, known as Adapt.

The maximum amount of the blanket contract covers the five years of maintenance updates and continued support and customizations for the Adapt Program. Data generated from the system is provided to various departments throughout the County, including Treasurer Assessment Review Committee, County Attorneys, etc. There's several departments that use this data collecting

and addressing various needs related to our real estate and the taxes.

Tyler is a sole source provider and proprietary owner of the Adapt application, and basically the only vendor that can support this product for us.

Any questions, I'm happy to answer.

CHAIRMAN KOPEL: Legislator Drucker.

LEGISLATOR DRUCKER: Thank you. Just one quick question.

So our backup says that the previous purchase order was from April 1st '24 to March 31st, '25. So we're now a year plus later. And then it says that the new contract starts April 1st of '27. Can you explain that?

MS. TALOR: Right. So the last payment through April of 2026 was made with a purchase order.

LEGISLATOR DRUCKER: What about the one from April 1st of '25?

MS. TALOR: That was also paid, I'm assuming. I mean, I haven't specifically

looked at that before I left here, but --

LEGISLATOR DRUCKER: Well, there was a year gap, so I just want to know what happened in that year.

MS. TALOR: There isn't a year gap. As far as I know, there was a purchase order payment for the last maintenance annual maintenance payment that was due and this contract begins in 2026.

LEGISLATOR DRUCKER: So what happens from '26 to '27? I also want to know what happened to April 1st of '25 to '26. And now what happens from '26 to '27.

MS. TALOR: So prior to this contract, everything was paid under a purchase order. I'm going to assume there was another purchase order. I can check that for you. But that's the way we've been doing it for this vendor all along. The blanket contract is what's new here, and we're requesting five years of payments rather than the purchase order payments that came out every year. I can check and let you know what purchase

order. I'm pretty sure we paid it otherwise --

LEGISLATOR DRUCKER: Don't like to see the gaps. I'd like to just have an explanation of what happens in those gap years, that's all.

MS. TALOR: Most likely. Well, I'm going to say definitely was a purchase order.

LEGISLATOR DRUCKER: Provide us with whatever you have to show us what happened during those two years.

MS. TALOR: Sure. No problem.

LEGISLATOR DRUCKER: Thank you.

MS. TALOR: Okay.

CHAIRMAN KOPEL: Okay. Legislator Mule?

LEGISLATOR MULE: Hi. So I'm wondering if this is just a typo. Because in our information, it says year one is April 1st 2027 to March 31st 2027. So I think that might be the confusion because should that be April 1st 2026?

MS. TALOR: Let me take a quick look

and see what I have here. Hold on.

LEGISLATOR MULE: None of the years really make any sense. Yeah.

MS. TALOR: You know what? I'll have to check. It might be a typo on there, but I don't have the information to answer the question right here, right now. But I don't think there's gaps. If it was a mistake, then we have to --

LEGISLATOR MULE: Let me ask it a different way. Does year one actually begin on April 1st, 2026?

MS. TALOR: Yes, it does.

LEGISLATOR MULE: There we go. Okay. I think it's a typo. Okay, so each year is going to be the year prior. Thank you.

MS. TALOR: Yeah. This this went in kind of quickly. I didn't get a lot of background on it.

LEGISLATOR MULE: I Think it's just a typo.

MS. TALOR: Okay. I'll take a look. Thank you.

CHAIRMAN KOPEL: All right.

A 30 Vcloud Tech.

MS. TALOR: Yes.

So the manufacturer, Fortinet, is a global leader of cybersecurity solutions and services and is the manufacturer for the product that we're purchasing now. The ongoing support is provided by the manufacturer Fortinet. The vendor we're purchasing from is VCloud Tech, won the bid based on the lowest price, and this is a purchase to replace a current sandbox, which is basically a server that's an isolated environment that's used for critical role in our security stacking.

We have a lot of things for security. This is one of them. And what it does is it analyzes electronic data entering or moving through our network and will block anything that's suspicious from getting into the network. That's the function of this particular box. And the cost for this is $197,802. The server that we have now is going end of life in

July. So we have to get a replacement for it.

Any questions?

CHAIRMAN KOPEL: E40, Exeter Networks.

MS. TALOR: This is one of several contracts in place with Nassau County Information Technology. We basically use these supplemental services contracts as the need arises for specific technical skills, knowledge and experience that is not available within our current labor force for a number of reasons. We've been using these contracts since 2007. They provide Nassau County information technology with the ability to quickly respond to needs that arise out of emergencies, needs that arise out of upgrading systems or platforms, and they usually require multi-platform experience. So across different platforms, not just PeopleSoft, but PeopleSoft and the way it integrates with the Oracle Cloud, for example.

These contracts allow Nassau County to issue statements of work when we need this kind of service to several vendors, who then get to bid on the opportunity to work with the County.

These consultants work side by side with Nassau County Information Technology employees, passing along and transferring knowledge and performing the work as they go through their day.

The vendors were selected after an RFP was published for supplemental staffing last year.

Any questions on that? The contract is $250,000.

CHAIRMAN KOPEL: Thank you.

MS. TALOR: Okay.

******

CHAIRMAN KOPEL: The next group is with Public Works. Let's start off with A11, Global Fueling Systems.

MR. NIMMO: Good afternoon. Bill Nimmo, Deputy Commissioner of Public Works for Nassau County.

A11 is for a contract for an award for a blanket purchase order in the amount of $3 million on behalf of Nassau County Department of Public Works to Global Fueling Systems. They maintain all the gasoline and diesel fuel pumps at our locations.

CHAIRMAN KOPEL: A18, All Island Equipment.

MR. NIMMO: Yes. And that is for authorizing award to execute a purchase order in the amount of $209,600 on behalf of DPW to All Island Equipment for a wheel loader. That's a heavy piece of equipment that we use to load the salt into our trucks, among other things.

CHAIRMAN KOPEL: Okay. B3 Posilico.

MR. NIMMO: Not me.

CHAIRMAN KOPEL: Oh, wait. Are you finished? Do you have any others?

MR. NIMMO: I have one for Finance, I believe. Yes.

CHAIRMAN KOPEL: Okay.

Well, anyway, I understand that you're leaving us.

MR. NIMMO: Yes, I am; April 24th is my last day.

CHAIRMAN KOPEL: Well. Good luck.

MR. NIMMO: Thank you.

CHAIRMAN KOPEL: We will try to struggle along without you.

MR. NIMMO: Appreciate it. Thank you.

CHAIRMAN KOPEL: But good luck in the future.

*****

CHAIRMAN KOPEL: All right. So B3 Posilico, do we have someone here for that?

MR. GEORGE: Good afternoon. Thomas George, Deputy Commissioner of DPW.

Item B3-26 Merrick Road Rehab Phase 1, vendor Posilico Civil Incorporated.

This contract provides for rehabilitation of Merrick Road Phase 1 from Jackson Avenue to County Line Road. The work includes full depth conduit replacement, miscellaneous repairs, installation of concrete curbs, sidewalks, ADA compliant curbs and ramps, and diamond grinding.

CHAIRMAN KOPEL: Okay. B4, Metro Paving.

MR. GEORGE: Item B4-26, Nassau County priority resurfacing of area roads. Vendor Metro paving.

The scope of the work for the priority resurfacing contract. Phase 16 involves furnishing labor materials, tools, equipment, and incidentals for

resurfacing asphalt and or concrete surface and other related work for various roads in Nassau County.

CHAIRMAN KOPEL: B5, H & L Contracting.

MR. GEORGE: B5-26, priority resurfacing of various roads Phase 17, vendor H & L Contracting, LLC.

The scope of the work for the priority resurfacing contract Phase 17 involves furnishing labor, materials, tools, equipment, and incidentals for resurfacing asphalt and/or concrete surface and other related work for various roads in Nassau County.

CHAIRMAN KOPEL: And finally, E46, which is LIRO Engineers.

MR. GEORGE: E46-26. CMI service for Merrick Road rehabilitation, vendor LIRO Engineers, Inc.

This is a construction management and inspection contract to manage Merrick Road Rehabilitation Phase 1 project.

The service includes providing one

resident engineer, office engineer and one construction inspector to manage the construction contract.

CHAIRMAN KOPEL: Okay. Thank you.

*****

CHAIRMAN KOPEL: And the final group is with the County Attorney's Office. I see we have Mr. Soleymanzadeh here. So why don't you go ahead, please, and start with, I guess, Joe Capobianco, E38.

MR. SOLEYMANZADEH: Good afternoon, legislators. Richard Soleymanzadeh for the County Attorney's Office.

E38 is with the outside law firm of Joseph Capobianco, P.C.. This is an amendment to effectively cover a period of time when the law firm was providing services to us, I believe between the time that we presented the contract to the Legislature and the time that the county executive signed the contract. Additionally we are adding funds to the contract to cover additional litigation that's being sent out to Mr. Capabianco's firm. Happy to take any questions.

CHAIRMAN KOPEL: Okay. Yes. Go on.

LEGISLATOR DRUCKER: Thank you. Hello, Mr. Soleymanzadeh, how are you today?

MR. SOLEYMANZADEH: Good. Legislator Drucker, how are you?

LEGISLATOR DRUCKER: Can you tell us what the additional services are only a year later?

MR. SOLEYMANZADEH: So this is an on call contract with Mr. Capabianco's firm. As litigation matters come into the county involving tax liens and tax deeds, we either decide to keep them in-house and provide answers to those complaints, or we will send them out to our outside counsel to litigate on our behalf.

Last year when we first started this contract was the first year we did it. We estimated what we thought were the number of contracts we'd be sending out. And based on that, we came up with a number of an annual basis to do it. Now that we're into the contract about seven months, I believe, we have a better idea of how much annually is the potential to be expended for this outside service. So we're amending the contract to include

that so that as contracts come in we have the room to be able to send out the litigation to outside counsel.

This area of law is being litigated more and more because of new case law that's come out by the Supreme Court. And so we anticipate the potential of --

LEGISLATOR DRUCKER: So there are more cases they're going to be doing now. Or are there additional cases now that have been allocated?

MR. SOLEYMANZADEH: Well, there is one particular case, a federal case, that's coming in right now that we are sending to them. Yes.

LEGISLATOR DRUCKER: This firm has been doing this for a long time. I mean, when you say that they didn't allocate it enough a year ago, you would think that they would be able to assess the amount of hours required then and now, instead of coming back seven months later.

MR. SOLEYMANZADEH: So in fairness, on this one, this request for proposals

on this particular outside service came from our bureau, Municipal Transactions and specifically me. For the last 30 or 40 years this is litigation that was handled in-house. And because of the new case law that's coming out, we decided to send it out. So we estimated what we would be sending out, but it's turning out to be a little bit more.

LEGISLATOR DRUCKER: I understand that, but I just think you guys have been doing this long enough that your estimates should be more accurate. I mean, that's my basic problem with all of your contracts that you give out.

MR. SOLEYMANZADEH: Well, yeah, I would think most clients have that issue with their lawyers.

LEGISLATOR DRUCKER: I just feel like, you know, these -- how often do you guys meet to evaluate the particular contracts to see if you need to adjust them?

MR. SOLEYMANZADEH: Each specific

outside counsel contract?

LEGISLATOR DRUCKER: Yeah. Do you like meet regularly and say this contract, we're going to have to come back to the ledge for more money because we didn't allocate enough. Do you have that meeting like regularly?

MR. SOLEYMANZADEH: I would think that that's on a case by case basis. I'm not privy to those specific discussions if it's not involving our bureau that I'm a part of. But I would think that as each case is litigated, depending on, for example, if there are multiple cross claims being brought in, or counterclaims or different court decisions on the case, then those outside counsels would probably reevaluate their posture and their position on a case, come back to the county attorney's office and then say, we underestimated, or we overestimated, or we didn't account for something, or so on and so forth. There are lots of variables that exist in

litigation that can't be accounted for upfront.

LEGISLATOR DRUCKER: Capabianco has been doing this for a while though, with us, right? I mean, they're a familiar player.

MR. SOLEYMANZADEH: I assume. I'm new to government. So that's not something that I'm familiar with.

LEGISLATOR DRUCKER: You're no longer a newbie.

MR. SOLEYMANZADEH: I don't know about that. Three years is apparently new.

LEGISLATOR DRUCKER: Thank you.

MR. SOLEYMANZADEH: Thank you, Legislator Drucker.

CHAIRMAN KOPEL: All right. 39 Jaspan Schlesinger.

MR. SOLEYMANZADEH: So this E39 is with the law firm of Jaspan Schlesinger. This is an amendment.

We are sending to Jaspan's firm, I believe Laurel is the attorney there

that's handling it, the former bureau chief of litigation here, two additional lawsuits that have come in related to the adjusted base proportion disputes that these law firms are bringing against the County. I believe that they're the same plaintiffs in these actions that are being brought just regarding different locations that they're litigating. And so Jaspan Schlesinger is increasing the maximum amount of their contract. They believe that this additional amount will cover the future expenses on this litigation.

Another firm, perhaps, that miscalculated possibly, or misjudged the amount of litigation that would be involved. And so now they're back. Any questions on this one?

LEGISLATOR DRUCKER: Yeah. No, it's just a miscalculation and the misjudgment that I have the problem with. Because we have to be the ones to you know, pull the trigger on this. And I just feel like

we're not doing a service to our constituents when we have to come back and say, well, we miscalculated, we misjudged. And I just wanted like to see a much cleaner job along the way.

MR. SOLEYMANZADEH: I appreciate that perspective, Legislator Drucker. Disagree with the results for the County, but appreciate the perspective.

CHAIRMAN KOPEL: 41 and 42 were with Sheharyar Ali.

MR. SOLEYMANZADEH: So E41 and E42 are with the same outside law firm of Sheharyar Ali.

E41 is a new case involving an excessive force case as well related to the plaintiff being arrested at his home in North Bellmore. The plaintiff is claiming he sustained injuries in the case as well.

And on this, the maximum amount, I believe, is $175,000 on the case with an initial encumbrance of $47,500.

CHAIRMAN KOPEL: Okay.

MR. SOLEYMANZADEH: E42 is an amendment. No, I'm sorry, E42 is also with the same firm regarding a case called Pascarella. And this is for an initial encumbrance of, I believe, $35,000 with a maximum payment of $150,000. And I also believe this is one of the cases that was litigated by the County Attorney's Office. Outside counsel is being brought in.

Now, the case, I think, may be on your calendar for settlement discussions today. I'm not sure. So this most likely is a closeout contract.

CHAIRMAN KOPEL: Yes. Legislator Davis.

LEGISLATOR DAVIS: Good afternoon.

MR. SOLEYMANZADEH: How are you, Legislator?

LEGISLATOR DAVIS: Fine. How are you?

MR. SOLEYMANZADEH: Good.

LEGISLATOR DAVIS: So I do have a couple of questions about this.

So obviously you just mentioned that

this is something that's probably going to -- it's on a calendar to be settled today. And if I understand it correctly, there was a partial encumbrance on this matter of $35,000.

MR. SOLEYMANZADEH: Correct.

LEGISLATOR DAVIS: And this was, if I understand it, this was a 2018 incident.

MR. SOLEYMANZADEH: I would -- I believe so; it's a 2019 index number.

LEGISLATOR DAVIS: 2019 index number. So this case has been in litigation for quite a bit of time.

MR. SOLEYMANZADEH: Correct.

LEGISLATOR DAVIS: And in terms of the Ali firm, their representation on this matter is fairly recent in the time span of this case; is that right?

MR. SOLEYMANZADEH: That sounds correct.

LEGISLATOR DAVIS: You have parameters for me. When they came on this were '26. Did they come on in '25

probably.

MR. SOLEYMANZADEH: I'm not privy to that, I don't know.

LEGISLATOR DAVIS: Do you have any idea of when they came on this case? Would it be 2026? We approved the contract in 2026.

MR. SOLEYMANZADEH: Right. You're approving it in 2026. So. They're coming on now.

LEGISLATOR DAVIS: The services for this contract commenced in 2026. That's a fact. Okay. So what I'm trying to get at is there is a, an encumbrance of $35,000. And there was a request here for a maximum of $150,000. What's the necessity for $150,000 maximum when it's being settled? And the parameters for when they've been on is only since January?

MR. SOLEYMANZADEH: Well, I can only presume a couple of things right now. First off, it is most likely that we brought on the outside counsel either

before settlement or during settlement discussions. So when we bring in an outside counsel, I would think we're going to estimate a number that should cover as much as possible in those estimations. As far as if it's settled or not, if the 35,000 covers the closeout, then that's it.

LEGISLATOR DAVIS: So I think that should be something that we should know about. And then and they should be getting paid or compensated obviously for their services. And with there being a very short period of time that they've been on this case in the first place and an initial encumbrance of $35,000, it would seem to me to make a request of a maximum of $150,000 is unnecessary, and that the better practice might be to come to us with a lower, especially in this instance. Let me finish, please. In this instance, when it's being settled. So we sort of know the ins and outs that we know to start. We know the stop and we

should be able to have parameters. You're asking for a maximum of five times that amount, which nearly five times that's that's a lot. So it would be much better for us to be informed fiduciaries, to know what that work product is and have a more realistic maximum. We don't know. Right? You don't know. And that's just on a settled case. That should be easy enough to find out.

MR. SOLEYMANZADEH: Yeah. Again, I don't know at what point the outside firm was brought in and whether it was settled or not, or whether they're coming in after that or before that, or how much work they've done in the short period of time that they've been retained.

LEGISLATOR DAVIS: And that's what I'm saying. We should know that. You're making my point. We really should know that. It doesn't seem to me like --

MR. SOLEYMANZADEH: You want to see hourly bills. Is that what you're saying? Do you want to see invoices monthly?

LEGISLATOR DAVIS: No, no, that's not what I'm saying to you. What I'm getting at is this. And we're asking, you're making a request for a specific amount of money. There has been an encumbrance. This is a case that's settled. This is a case that this firm has actually been on, relatively speaking, a very short period of time. And so then to come before the legislature on a settled case and ask for a maximum of almost five times what has already been encumbered, it seems to me that that's a big ask. And and if there is and it could be justified, fine. But we don't have any information otherwise. And that's what I'm getting at. We should at least have something to work with here.

MR. SOLEYMANZADEH: Right, I understand.

LEGISLATOR DAVIS: Thank you.

CHAIRMAN MCKEVITT: Actually, the fact that we are going to be settling this matter later on, I think the one

issue which may precipitate the cost was this was on for jury selection March 2nd. So it may be a point where there's a lot of pre-discovery at that point, but we're ready to it was ready for trial and it's a very complex matter we're going to get later on. But it's rather complex matter with a lot of moving parts in it. So just looking at it looks like we're ready for a very contentious trial. And then as the persuading of the courts, this thing's settled at the last minute. But it looks like to me at least there's an anticipation for a very long trial with the preparations going into it.

CHAIRMAN KOPEL: So in order to answer all the questions, just tell us, find out for executive session, please, as much as you can and let us know. We're going to talk about it later anyway, so see if you can give us some more information on that.

LEGISLATOR DAVIS: That would be greatly appreciated. Thank you.

CHAIRMAN KOPEL: Okay.

MR. SOLEYMANZADEH: The attorney that presents it for settlement, I'll ask if that attorney can do so.

CHAIRMAN KOPEL: Okay.

Now 45 and 52 are West Group Law.

MR. SOLEYMANZADEH: E45 is with the West Group Law PLC.

CHAIRMAN KOPEL: Yeah.

MR. SOLEYMANZADEH: This is a contract for general services with the West Group as opposed to the other contract that's on regarding a particular litigation this contract is so that the West group can provide us with general counseling and advice when it comes to DPW issues, hub issues the crime lab as well as the Matrimonial Court consultation.

In addition to our contracts with DPW the power plant, I believe is part of the discussions; the Nassau Community College, I believe is part of the discussions and NUMC are part of the

consultations that take place with this law firm as well.

LEGISLATOR DAVIS: I do have questions on this one.

MR. SOLEYMANZADEH: Sure.

LEGISLATOR DAVIS: So in terms of the contract here with the maximum amount of $500,000 this is not for a specific litigation matter. Correct?

MR. SOLEYMANZADEH: Correct. It's similar to the Capobianco, which is more of an on call type of basis.

LEGISLATOR DAVIS: And is there any particular reason why this firm was called in to be in a sort of, of counsel performance?

MR. SOLEYMANZADEH: Well, presumably it's because any client retains an attorney, their experience, their knowledge, perhaps their connections, perhaps their knowledge of county municipal law, their knowledge of state law, their knowledge of federal law.

LEGISLATOR DAVIS: There are a lot of

things that you can talk about, but nothing specific. But I do have no --

MR. SOLEYMANZADEH: Respectfully, legislator if I may, last time I was here Legislator Drucker asked me some specific questions about a particular matter, and I did my best to answer the questions. I thought I answered them relatively clearly. I didn't venture off any topics that he asked me about. And within 36 hours, the plaintiff's counsel took a link to our interaction and sent it to the judge and twisted the words and took them a little bit out of context and indicated that some representations were made that were not accurate. That was cleared up with the judge, and that was cleared up with plaintiff's counsel that I was presenting a contract, not a settlement discussion, which apparently the case settled for later. So I'm going to try to be as limited in my open discussions when you asked me about why we pick a particular firm, because that

has to do with strategy. Why we select a firm at what moment we select that firm. What specific firm we pick is a strategic determination that a law firm always makes. Lots of attorneys make that determination. They pick of counsel to bring in. They refer files out to lots of attorneys that are more versed in them. We do that all the time. And if we're going to disclose specific information about a particular file of our strategy that's opening -- that doesn't benefit the county, that compromises --

LEGISLATOR DAVIS: Well, I can state a fact about this that we can all agree on that this firm in the last year and a half has provided political contributions to the Republicans to the tune of over $50,000. We can agree on that, right?

MR. SOLEYMANZADEH: I have no idea. I'm not privy to that. But I can tell you that there are lots of firms that donate to lots of different parties.

LEGISLATOR DAVIS: I understand I'm

not talking about other firms. I'm talking about this one. Okay. And these are the facts. Okay. That this firm has donated $50,000, including over that period of time, $28,000 to Bruce Blakeman and over $10,000 to the Nassau County Republican Committee. Are you aware of that?

MR. SOLEYMANZADEH: No. I'm not.

LEGISLATOR DAVIS: All right. Thank you.

CHAIRMAN KOPEL: Okay. 47 is Bee Ready.

MR. SOLEYMANZADEH: E47 is with the law firm of Bee Ready. This is an amendment.

This is an amendment to increase the maximum amount by $172,550 to $373,000. The case involves an alleged county employee bringing drugs into the Nassau County Correctional Facility, and there was a death, apparently, of that plaintiff. This is the estate that's litigating this matter on behalf of them.

And Joe Dell from Dell and Dell are the plaintiff's counsel on that case.

Any questions?

CHAIRMAN KOPEL: Legislator, Giuffre.

LEGISLATOR GIUFFRE: So, Mr. Soleymanzadeh, I want to resurrect something that I thought we may already be done with. But, Mr. Ali, wasn't he -- he was a deputy county attorney at one point, wasn't he?

MR. SOLEYMANZADEH: Yes, he was.

LEGISLATOR GIUFFRE: My understanding is his track record as a defendant's counsel is six defendant's verdicts and were, I think he's working on 1 or 2 more right now. Is that accurate?

MR. SOLEYMANZADEH: I believe so. I know of the files when he was with the County Attorney's Office.

LEGISLATOR GIUFFRE: We have no issues with that. Correct?

MR. SOLEYMANZADEH: Right.

LEGISLATOR GIUFFRE: He's an

excellent trial lawyer. And you, you're a lawyer. The trial lawyers, there are fewer and fewer of them because fewer and fewer cases get tried. True?

MR. SOLEYMANZADEH: Yes.

LEGISLATOR GIUFFRE: So when you find somebody that can actually try a case and has the guts to take a verdict, you want to hold on to them, yes?

MR. SOLEYMANZADEH: Yes.

LEGISLATOR GIUFFRE: Nothing further. Thank you.

MR. SOLEYMANZADEH: Yes.

LEGISLATOR DAVIS: Just to clarify on this issue, as you stand here today, before this Legislature, there was reference to the posture of that case that it was on the eve of trial and there was jury selection, et cetera. You can't say with certainty that that actually occurred, can you?

MR. SOLEYMANZADEH: I don't -- I can't. No, I can't speak to the specifics of the case. I can't do that. I can speak

to whether this policy or this system of, of using blended in-house and outside counsel is successful or not that I can speak to.

LEGISLATOR DAVIS: Now I'm referencing more to procedurally where the case was.

MR. SOLEYMANZADEH: No, that's a matter of public -- that's publicly available information. Your in-house counsel can go on ECF and pull up all the litigation, discovery, motion practice, court decisions on each one of these cases and find that out.

LEGISLATOR DAVIS: Right. They're not the one who's asking for the money. You are.

MR. SOLEYMANZADEH: Right.

CHAIRMAN KOPEL: E48 is Vincent McNamara.

MR. SOLEYMANZADEH: E48 is an amendment as well, to add an additional amount to increase the maximum to $1.687 million dollars on this file. There's

ongoing litigation in this case. There's third party actions being brought in. It looks as though Travelers has brought in third party defendants in the case, and there are a couple of cases related here. There is the personal injury action against Nassau County. There is a third party action that the County brought against a third party entity, and there's a declaratory judgment action that the county brought as well on this case in Federal Court, and the litigation that's pending on it is the reason for the increase.

CHAIRMAN KOPEL: Legislator Drucker.

LEGISLATOR DRUCKER: Thank you. So this is amendment two. Can you tell us if you have any notes on what were what was amendment one?

MR. SOLEYMANZADEH: I'm going to assume it's probably the same similar amendment than this one that they estimated their fees. And then they litigated their case. And as they saw the

defendants bringing on additional motions or bringing on additional parties, they amended and they requested more funding. And they came back and they requested more funding.

LEGISLATOR DRUCKER: More than a half a million more than the second amendment. So the first -- I don't even know how much the First Amendment was for. Do we know how much the first amendment was for?

MR. SOLEYMANZADEH: No, I'm not sure I'm privy to that.

CHAIRMAN KOPEL: 49 is Wilson --

LEGISLATOR DRUCKER: Oh, he is just answering a question.

MR. SOLEYMANZADEH: I'm not sure. I don't know the answer to that legislator. Drucker.

LEGISLATOR DRUCKER: You know, so I just I feel like some of these firms think the county and the taxpayers are like a candy store. They just keep coming back for more and more money. You know,

they they start a contract, they get a sizable amount. And then a few months later, they're coming back for another $670,000. I just, I, I find that outrageous. I really do without justification to us here to really explain how we go back to our constituents and explain where their taxpayer dollars are going.

MR. SOLEYMANZADEH: Would you like me to take a stab at explaining it?

LEGISLATOR DRUCKER: Yes, I would.

MR. SOLEYMANZADEH: Okay, so between 2018 to 2021, the prior administration, our estimated liability for litigation -- this is a number that the County Attorney's Office, the Treasurer's Office and the County develop, and we disclose it in our bond issuance. It's a number that is audited by multiple different entities. Bond Counsel audits it. The Treasurer has outside entities that audit it as well. This estimation that we put into our bond issuance must be the most

conservative number possible. Because if it's too low and we settle cases for an amount that's higher than that, then we have an issue with our bond security issuance. So that number must be as conservative as possible.

Between 2018 and 2021, our estimated liability for litigation went from $414 million in 2018 to $623 million in 2021. During that same period of time, we averaged dollar for dollar, about 34% for outside counsel and 66% for in-house counsel. That's how much we spent, generally speaking.

Between 2021 and 2024. Our outside counsel went to 40% and our in-house counsel is at 60%. It's a 6% increase for outside counsel for that four year stretch for both periods of time. That's 6% increase can be attributed to a lot of different reasons: Cost of living, additional whatever. But our estimated liability during that period of time for litigation went from the $623 million

down to $375 million, which is presumably why our bond upgrades have increased during that period of time. It means that plaintiff's counsel and the plaintiff's bar are settling their cases with us for less money. It means that the plaintiff's bar are choosing not to sue us as much, perhaps because they know that if push comes to shove, once our abled in-house counsel litigates a file, if we choose, we can bring in outside counsel to litigate it as well.

LEGISLATOR DRUCKER: Or it could be argued that they don't want to take cases to trial and risk, you know, getting, you know, defendants verdict on it.

MR. SOLEYMANZADEH: Correct.

LEGISLATOR DRUCKER: So, you know, there's a gamble that they take too. And I think that they settled these cases early on because they realized, you know, a bird in the hand is worth two in the bush, so to speak. And I find that's probably as much the case as they're

settling these cases for better settlements for, for them, for the County.

MR. SOLEYMANZADEH: I would disagree with that. The results are speaking for themselves.

LEGISLATOR DRUCKER: We can agree to disagree.

CHAIRMAN KOPEL: Legislator Giuffre.

LEGISLATOR GIUFFRE: Yeah, sure.

As you know, as a plaintiff's trial lawyer, that's kind of like my day job, I can tell you that you don't -- defendants have cultures and characteristics just like people do. And as a trial lawyer, I'm very cautious about who I bring a case against. And when you know that you have a tough customer you do think twice before bringing that case. And you also -- the character of the defense determines the resources you're going to allocate to that case. And so very true, Legislator Drucker, that you as a plaintiff, you don't want to roll the

dice if you're against going up against somebody that has a lot more resources and the ability to bring in people who know what they're doing at trial. It does.

It is a factor. It's a factor certainly for the plaintiff's bar. Absolutely. But the fact it's a factor because of the work that's been done over the last four years, the County Attorney's Office in training internally, getting more defendants verdicts, saying no, taking the verdicts and then giving the cases to outside counsel who know what the heck they're doing and are not afraid to try a case. I really believe that that's a factor. And I think you and the County Attorney and this administration have done a great job with that.

MR. SOLEYMANZADEH: Thank you.

CHAIRMAN KOPEL: All right. 49 which is Wilson Elser.

MR. SOLEYMANZADEH: 49 is with the

law firm of Wilson, Elser, Moskowitz, Edelman and Dicker.

This is an amendment. Wilson Elser provides consultation to the County regarding New York Child Victims Act. When claims come in, the firm handles both the adult survivorship claims as well as the child victim claims. And so this is an amendment to increase the maximum amount to $5.4 million with an initial encumbrance of $500,000.

CHAIRMAN KOPEL: All right. 53, Rosenberg.

MR. SOLEYMANZADEH: We have 52 also, Presiding Officer.

E52 is with the law firm of West Group Law. It's related to a litigation regarding the Family Court Matrimonial center. This is ongoing litigation as well. My understanding is that we're at the point where third and fourth party complaints and actions have been brought recently in the case depositions have been ordered. Document discovery of about

150,000 pages have been produced, and the depositions will take place over the next six months or so. I believe this is also an increase, if I'm not mistaken, to their minimum amount. Maximum amount to 4.9 million.

CHAIRMAN KOPEL: And finally, the Rosenberg.

MR. SOLEYMANZADEH: E 53 Rosenberg Calica Bernie Lehman and Ross is an amendment as well. We're adding additional cases to their caseload regarding the driver responsibility fee, the public safety fee, the red light violation fee, among others. They're all relatively related to each other. And so we think it's more efficient to have the same firm that's familiar with how the County operates to be able to handle them.

CHAIRMAN KOPEL: Okay. I guess that's all we got there.

MR. SOLEYMANZADEH: Yeah.

CHAIRMAN KOPEL: All right.

Okay, here we go. See if I get this straight;.

A11, A12, A 18, A 22, A 23, A 24, 26, 27, 28, 30.

B 3, 4, 5

E 38, 39, 41, 42, 45, 52 --

(Whereupon, off the record discussion.)

CHAIRMAN KOPEL: I got that wrong. Okay. And the E contracts, the ones before that are fine and I'm just adding E49 with the first group that I called.

All those in favor of these contracts say aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Those are unanimous.

Now, E 38, 39, 41, 42, 45, 46, 45 and 52 -- I'm sorry, 47, 48 and 53.

All those in favor of these contracts say aye.

CHAIRMAN KOPEL: Aye.

LEGISLATOR MCKEVITT: Aye.

LEGISLATOR GUIFFRE: Aye.

LEGISLATOR GIUFFRE: Aye.

CHAIRMAN KOPEL: Opposed.

LEGISLATOR DRUCKER: Nay.

LEGISLATOR MULE: Nay.

LEGISLATOR DAVIS: Nay.

CHAIRMAN KOPEL: So those passed four to three.

Now I'll put the Committee in recess.

(Whereupon, off the record discussion.)

CHAIRMAN KOPEL: Before we go into recess, we're going to recess this, and Legislator Drucker wants to make a very, very fast statement.

LEGISLATOR DRUCKER: Thank you. Thank you, Presiding Officer.

I just wanted to say that we voted no on a lot of those contracts, but with particular reference to E52, the West Group law. We would like counsel from the

County Attorney's Office to provide us with justification memos, please. And updates on the Family Court matter. That's the one where they're increasing it by almost $1.5 million.

Mr. Soleymanzadeh, can you get us a justification memo? If you can, please? I'm just putting that on the record. Thank you.

(Whereupon, off the record discussion.)

CHAIRMAN KOPEL: Okay. So. All right four more E40, E46, E44, E51.

All those in favor say aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Are there any opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Those are unanimous. Now we're recessed.

Next is Public Safety.

(Whereupon, recess, 2:28-3:39 p.m.)

CHAIRMAN KOPEL: We'll reconvene Rules now.

First we have a number of consent items which have gone through previous committees and concerning which the Majority and Minority have agreed. There is no further discussion required.

Those are numbers:

Motion on that by Deputy Presiding Officer McKevitt. Seconded by Legislator Drucker.

All those in favor of these items say aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Any opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. That is unanimous.

Item 61 is a resolution to accept the gift offered by Janet Lowrey to Nassau County Department of Parks, recreation and Museums.

Motion by Deputy Presiding Officer McKevitt, seconded by Legislator Drucker.

Any debate or discussion?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. All those in favor, say aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Any opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. That is unanimous.

Now on the Addendum. We have one additional item, I believe, and that is number 86, which authorizes a resolution authorizing County Executive to execute an amendment to the intermunicipal agreement with the Incorporated Village of East Rockaway in relation to a project to provide funding for the purchase of goods.

Motion by Deputy Presiding Officer seconded by Legislator Drucker.

Any debate or discussion?

(Whereupon, no response.)

CHAIRMAN KOPEL: All those in favor

of these items say aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Any opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: That is unanimous.

Motion to adjourn by Legislator Giuffre, seconded by Legislator Davis.

All in favor to adjourn, signify by saying aye.

(Whereupon, all members respond in favor.)

CHAIRMAN KOPEL: Opposed?

(Whereupon, no response.)

CHAIRMAN KOPEL: Rules is adjourned.

(Whereupon, meeting adjourned, 3:42 a.m.)
