(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals, third party approvals and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix L

Certificate of Compliance

In compliance with Local Law 1-2006, as amended (the "Law"), the Contractor hereby certifies the following:

1. The chief executive officer of the Contractor is:

   Marina Chimerine (Name)

   1 Store hill rd. Old Westbury, NY 11568 (Address)

   516-626-0800 (Telephone Number)

2. The Contractor agrees to either (1) comply with the requirements of the Nassau County Living Wage Law or (2) as applicable, obtain a waiver of the requirements of the Law pursuant to section 9 of the Law. In the event that the Contractor does not comply with the requirements of the Law or obtain a waiver of the requirements of the Law, and such Contractor establishes to the satisfaction of the Department that at the time of execution of this Agreement, it had a reasonable certainty that it would receive such waiver based on the Law and Rules pertaining to waivers, the County will agree to terminate the contract without imposing costs or seeking damages against the Contractor

3. In the past five years, Contractor _____ has ✓ has not been found by a court or a government agency to have violated federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If a violation has been assessed against the Contractor, describe below:

   _____

   _____

   _____

4. In the past five years, an administrative proceeding, investigation, or government body-initiated judicial action _____ has ✓ has not been commenced against or relating to the Contractor in connection with federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If such a proceeding, action, or investigation has been commenced, describe below:

5. Contractor agrees to permit access to work sites and relevant payroll records by authorized County representatives for the purpose of monitoring compliance with the Living Wage Law and investigating employee complaints of noncompliance.

I hereby certify that I have read the foregoing statement and, to the best of my knowledge and belief, it is true, correct and complete. Any statement or representation made herein shall be accurate and true as of the date stated below.

Contract Summary

Purpose: The purpose of the contract is to provide funding for police enforcement of STOP DWI laws in an effort to reduce crashes and roadway injuries and fatalities caused by DWI during specific holiday periods with roving patrols and checkpoints.

Procurement History: The county has a history of cooperating with the village and city municipalities to engage in highway safety programs. The county contracts with the municipality. All proposed expenditures are made in accordance with the yearly budget plan which is provided by the STOP-DWI Foundation. All expenses are 100% reimbursable.

Description of General Provisions: The contract will provide for police overtime enforcement for DWI holiday enforcement staffing.

Impact on Funding / Price Analysis: "Funds are 100% reimbursable and no county match is required
1st year (2026) $4,900.00. Amount each year varies depending on allotment of State funds"

Change in Contract from Prior Procurement: N/A

Method of Source Selection:

☑ Pursuant to Executive Order No. 1 of 1993 as amended, the department head explains why the department obtained only one proposal as follows: Vendor was selected through a State STOP DWI Program grant. This grant allocates funding to Police Departments in Nassau County as listed in an Annual STOP DWI Plan, submitted, and approved by the New York State Governor's Traffic Safety Committee

☑ Contractor's selection dictated by the terms of a federal or New York State grant, by legislation, or by a court order (Include relevant documents)

MWBE Participation:

☑ Participation of Minority-owned and Women-owned Business Enterprises in Nassau County Contracts: The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit EE may be requested at any time by the Comptroller's Office prior to the approval of claim vouchers. [Note: This box must be checked.]

☑ Vendor will not require any subcontractors.

RULES RESOLUTION NO. – 2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE A PERSONAL SERVICES AGREEMENT BETWEEN THE COUNTY OF NASSAU, ACTING ON BEHALF OF THE NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS AND THE CITY OF LONG BEACH.

WHEREAS, the County has negotiated a personal services agreement with the City of Long Beach, to provide enforcement of STOP DWI laws, a copy of which is on file with the Clerk of the Legislature; now, therefore, be it

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute the said agreement with the City of Long Beach.

CONTRACT FOR SERVICES

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Traffic Safety Board, Department of Public Works, having its principal office at 1194 Prospect Avenue, Westbury, New York 11590 (the "Department") and (ii) the City of Long Beach, having its principal office at 1 West Chester Street, Long Beach, New York 11561 (the "Contractor").

W I T N E S S E T H:

WHEREAS, the County has received an award of funds from the New York State STOP-DWI Foundation, Inc., to be utilized for the increased enforcement of impaired driving laws; and

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, the Contractor desires to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on January 1, 2026 and terminate on December 31, 2030, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by the Contractor under this Agreement shall consist of increased police enforcement of the provisions of Section 1192 of the New York Vehicle and Traffic Law ("Section 1192"), which prohibit the operation of a motor vehicle while under the influence of alcohol or drugs, including aggravated Driving While Intoxicated ("DWI") and a zero tolerance provision for impaired motor vehicle operators under the age of twenty-one (21) (the "Services"). The Services shall be provided on the New York State STOP-DWI Enforcement Crackdown dates as specified by the New York State STOP-DWI Foundation, Inc. annually.

3. Payment. (a) Amount of Consideration. The maximum amount to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement shall not exceed the sum of Four Thousand Nine Hundred Dollars ($4,900.00) for the first Agreement year (the period of January 1, 2026 through December 31, 2026), to be used solely for police officer salaries respecting the enforcement of Section 1192. The amount to be paid to the Contractor for subsequent Agreement years will be determined by the amount awarded, if any, to the County by the STOP-DWI Foundation, Inc. for the Services.

(b) Partial Encumbrance. Contractor acknowledges that the County will partially encumber funds throughout the term of this Agreement. Contractor further acknowledges that the first encumbrance will be Four Thousand Nine Hundred Dollars ($4,900.00), for the first Agreement year. Thereafter, the Department shall notify Contractor of the availability of additional monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

(c) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the Contractor in arrears and shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services

rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be

determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the Agreement or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver Services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial

general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single limit liability of not less One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals, third party approvals and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the Effective Date.

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix L

Certificate of Compliance

In compliance with Local Law 1-2006, as amended (the "Law"), the Contractor hereby certifies the following:

1. The chief executive officer of the Contractor is:

   Daniel Creighton (Name)

   1 West Chester St, Long Beach NY 11561 (Address)

   516-431-1001 (Telephone Number)

2. The Contractor agrees to either (1) comply with the requirements of the Nassau County Living Wage Law or (2) as applicable, obtain a waiver of the requirements of the Law pursuant to section 9 of the Law. In the event that the Contractor does not comply with the requirements of the Law or obtain a waiver of the requirements of the Law, and such Contractor establishes to the satisfaction of the Department that at the time of execution of this Agreement, it had a reasonable certainty that it would receive such waiver based on the Law and Rules pertaining to waivers, the County will agree to terminate the contract without imposing costs or seeking damages against the Contractor. ✓ DC 7/20/24 DC 7/20/24

3. In the past five years, Contractor _____ has ✓ has not been found by a court or a government agency to have violated federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If a violation has been assessed against the Contractor, describe below:

   _____

   _____

   _____

   DC 7/20/24 DC 7/20/24

4. In the past five years, an administrative proceeding, investigation, or government body-initiated judicial action _____ has ✓ has not been commenced against or relating to the Contractor in connection with federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If such a proceeding, action, or investigation has been commenced, describe below:

5. Contractor agrees to permit access to work sites and relevant payroll records by authorized County representatives for the purpose of monitoring compliance with the Living Wage Law and investigating employee complaints of noncompliance.

I hereby certify that I have read the foregoing statement and, to the best of my knowledge and belief, it is true, correct and complete. Any statement or representation made herein shall be accurate and true as of the date stated below.

Contract Summary

Purpose: The purpose of the contract is to provide funding for police enforcement of STOP DWI laws in an effort to reduce crashes and roadway injuries and fatalities caused by DWI during specific holiday periods with roving patrols and checkpoints.

Procurement History: The county has a history of cooperating with the village and city municipalities to engage in highway safety programs. The county contracts with the municipality. All proposed expenditures are made in accordance with the yearly budget plan which is provided by the STOP-DWI Foundation. All expenses are 100% reimbursable.

Description of General Provisions: The contract will provide for police overtime enforcement for DWI holiday enforcement staffing.

Impact on Funding / Price Analysis: Funds are 100% reimbursable and no county match is required
1st year (2026) $3,900.00. Amount each year varies depending on allotment of State funds

Change in Contract from Prior Procurement: N/A

Method of Source Selection:

☑ Pursuant to Executive Order No. 1 of 1993 as amended, the department head explains why the department obtained only one proposal as follows: Vendor was selected through a State STOP DWI Program grant. This grant allocates funding to Police Departments in Nassau County as listed in an Annual STOP DWI Plan, submitted, and approved by the New York State Governor's Traffic Safety Committee

☑ Contractor's selection dictated by the terms of a federal or New York State grant, by legislation, or by a court order (Include relevant documents)

MWBE Participation:

☑ Participation of Minority-owned and Women-owned Business Enterprises in Nassau County Contracts: The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit EE may be requested at any time by the Comptroller's Office prior to the approval of claim vouchers. [Note: This box must be checked.]

☑ Vendor will not require any subcontractors.

RULES RESOLUTION NO. – 2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE A PERSONAL SERVICES AGREEMENT BETWEEN THE COUNTY OF NASSAU, ACTING ON BEHALF OF THE NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS AND THE CITY OF GLEN COVE.

WHEREAS, the County has negotiated a personal services agreement with the City of Glen Cove, to provide enforcement of STOP DWI laws, a copy of which is on file with the Clerk of the Legislature; now, therefore, be it

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute the said agreement with the City of Glen Cove.

CONTRACT FOR SERVICES

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Traffic Safety Board, Department of Public Works, having its principal office at 1194 Prospect Avenue, Westbury, New York 11590 (the "Department") and (ii) the City of Glen Cove, having its principal office at 9 Glen Street, Glen Cove, New York 11542 (the "Contractor").

WITNESSETH:

WHEREAS, the County has received an award of funds from the New York State STOP-DWI Foundation, Inc., to be utilized for the increased enforcement of impaired driving laws; and

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, the Contractor desires to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on January 1, 2026 and terminate on December 31, 2030, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by the Contractor under this Agreement shall consist of increased police enforcement of the provisions of Section 1192 of the New York Vehicle and Traffic Law ("Section 1192"), which prohibit the operation of a motor vehicle while under the influence of alcohol or drugs, including aggravated Driving While Intoxicated ("DWI") and a zero tolerance provision for impaired motor vehicle operators under the age of twenty-one (21) (the "Services"). The Services shall be provided on the New York State STOP-DWI Enforcement Crackdown dates as specified by the New York State STOP-DWI Foundation, Inc. annually.

3. Payment. (a) Amount of Consideration. The maximum amount to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement shall not exceed the sum of Three Thousand Nine Hundred Dollars ($3,900.00) for the first Agreement year (the period of January 1, 2026 through December 31, 2026), to be used solely for police officer salaries respecting the enforcement of Section 1192. The amount to be paid to the Contractor for subsequent Agreement years will be determined by the amount awarded, if any, to the County by the STOP-DWI Foundation, Inc. for the Services.

(b) Partial Encumbrance. Contractor acknowledges that the County will partially encumber funds throughout the term of this Agreement. Contractor further acknowledges that the first encumbrance will be Three Thousand Nine Hundred Dollars ($3,900.00), for the first Agreement year. Thereafter, the Department shall notify Contractor of the availability of additional monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

(c) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the Contractor in arrears and shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services

rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be

determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the Agreement or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver Services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial

general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single limit liability of not less One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals, third party approvals and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the Effective Date.

NOTARY PUBLIC

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix L

Certificate of Compliance

In compliance with Local Law 1-2006, as amended (the "Law"), the Contractor hereby certifies the following:

1. The chief executive officer of the Contractor is:

   PAMELA R. PANZENBECK (Name)

   9 GLEN STREET, GLEN COVE NY 11542 (Address)

   516 676-2000 (Telephone Number)

2. The Contractor agrees to either (1) comply with the requirements of the Nassau County Living Wage Law or (2) as applicable, obtain a waiver of the requirements of the Law pursuant to section 9 of the Law. In the event that the Contractor does not comply with the requirements of the Law or obtain a waiver of the requirements of the Law, and such Contractor establishes to the satisfaction of the Department that at the time of execution of this Agreement, it had a reasonable certainty that it would receive such waiver based on the Law and Rules pertaining to waivers, the County will agree to terminate the contract without imposing costs or seeking damages against the Contractor

3. In the past five years, Contractor _____ has _X_ has not been found by a court or a government agency to have violated federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If a violation has been assessed against the Contractor, describe below:

   _____

   _____

   _____

4. In the past five years, an administrative proceeding, investigation, or government body-initiated judicial action _____ has _X_ has not been commenced against or relating to the Contractor in connection with federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If such a proceeding, action, or investigation has been commenced, describe below:

5. Contractor agrees to permit access to work sites and relevant payroll records by authorized County representatives for the purpose of monitoring compliance with the Living Wage Law and investigating employee complaints of noncompliance.

I hereby certify that I have read the foregoing statement and, to the best of my knowledge and belief, it is true, correct and complete. Any statement or representation made herein shall be accurate and true as of the date stated below.

Contract Summary

Purpose: The purpose of the contract is to provide funding for police enforcement of STOP DWI laws in an effort to reduce crashes and roadway injuries and fatalities caused by DWI during specific holiday periods with roving patrols and checkpoints.

Procurement History: The county has a history of cooperating with the village and city municipalities to engage in highway safety programs. The county contracts with the municipality. All proposed expenditures are made in accordance with the yearly budget plan which is provided by the STOP-DWI Foundation. All expenses are 100% reimbursable.

Description of General Provisions: The contract will provide for police overtime enforcement for DWI holiday enforcement staffing.

Impact on Funding / Price Analysis: Funds are 100% reimbursable and no county match is required
1st year (2026) $3,900.00. Amount each year varies depending on allotment of State funds

Change in Contract from Prior Procurement: N/A

Method of Source Selection:

☑ Pursuant to Executive Order No. 1 of 1993 as amended, the department head explains why the department obtained only one proposal as follows: Vendor was selected through a State STOP DWI Program grant. This grant allocates funding to Police Departments in Nassau County as listed in an Annual STOP DWI Plan, submitted, and approved by the New York State Governor's Traffic Safety Committee

☑ Contractor's selection dictated by the terms of a federal or New York State grant, by legislation, or by a court order (Include relevant documents)

MWBE Participation:

☑ Participation of Minority-owned and Women-owned Business Enterprises in Nassau County Contracts: The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit EE may be requested at any time by the Comptroller's Office prior to the approval of claim vouchers. [Note: This box must be checked.]

☑ Vendor will not require any subcontractors.

RULES RESOLUTION NO. – 2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE A PERSONAL SERVICES AGREEMENT BETWEEN THE COUNTY OF NASSAU, ACTING ON BEHALF OF THE NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS AND INCORPORATED VILLAGE OF GARDEN CITY.

WHEREAS, the County has negotiated a personal services agreement with Incorporated Village of Garden City, to provide enforcement of STOP DWI laws, a copy of which is on file with the Clerk of the Legislature; now, therefore, be it

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute the said agreement with Incorporated Village of Garden City.

CONTRACT FOR SERVICES

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Traffic Safety Board, Department of Public Works, having its principal office at 1194 Prospect Avenue, Westbury, New York 11590 (the "Department") and (ii) the Incorporated Village of Garden City, having its principal office at 351 Stewart Avenue, Garden City, New York 11530 (the "Contractor").

W I T N E S S E T H:

WHEREAS, the County has received an award of funds from the New York State STOP-DWI Foundation, Inc., to be utilized for the increased enforcement of impaired driving laws; and

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, the Contractor desires to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on January 1, 2026 and terminate on December 31, 2030, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by the Contractor under this Agreement shall consist of increased police enforcement of the provisions of Section 1192 of the New York Vehicle and Traffic Law ("Section 1192"), which prohibit the operation of a motor vehicle while under the influence of alcohol or drugs, including aggravated Driving While Intoxicated ("DWI") and a zero tolerance provision for impaired motor vehicle operators under the age of twenty-one (21) (the "Services"). The Services shall be provided on the New York State STOP-DWI Enforcement Crackdown dates as specified by the New York State STOP-DWI Foundation, Inc. annually.

3. Payment. (a) Amount of Consideration. The maximum amount to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement shall not exceed the sum of Three Thousand Nine Hundred Dollars ($3,900.00) for the first Agreement year (the period of January 1, 2026 through December 31, 2026), to be used solely for police officer salaries respecting the enforcement of Section 1192. The amount to be paid to the Contractor for subsequent Agreement years will be determined by the amount awarded, if any, to the County by the STOP-DWI Foundation, Inc. for the Services.

(b) Partial Encumbrance. Contractor acknowledges that the County will partially encumber funds throughout the term of this Agreement. Contractor further acknowledges that the first encumbrance will be Three Thousand Nine Hundred Dollars ($3,900.00), for the first Agreement year. Thereafter, the Department shall notify Contractor of the availability of additional monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

(c) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the Contractor in arrears and shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services

provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a

material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement remains the sole property of the County and shall be used and disclosed solely for the purpose of performance and administration of the Agreement or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the

underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver Services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain

throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single limit liability of not less One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this

Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals, third party approvals and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the Effective Date.

NOTARY PUBLIC

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix L

Certificate of Compliance

In compliance with Local Law 1-2006, as amended (the "Law"), the Contractor hereby certifies the following:

1. The chief executive officer of the Contractor is:

   RALPH V. SUOZZI, ADMINISTRATOR (Name)

   351 STEWART AVE., GARDEN CITY, NY 11530 (Address)

   (516) 465-4058 (Telephone Number)

2. The Contractor agrees to either (1) comply with the requirements of the Nassau County Living Wage Law or (2) as applicable, obtain a waiver of the requirements of the Law pursuant to section 9 of the Law. In the event that the Contractor does not comply with the requirements of the Law or obtain a waiver of the requirements of the Law, and such Contractor establishes to the satisfaction of the Department that at the time of execution of this Agreement, it had a reasonable certainty that it would receive such waiver based on the Law and Rules pertaining to waivers, the County will agree to terminate the contract without imposing costs or seeking damages against the Contractor

3. In the past five years, Contractor _____ has ☑ has not been found by a court or a government agency to have violated federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If a violation has been assessed against the Contractor, describe below:

   _____

   _____

   _____

4. In the past five years, an administrative proceeding, investigation, or government body-initiated judicial action _____ has ☑ has not been commenced against or relating to the Contractor in connection with federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If such a proceeding, action, or investigation has been commenced, describe below:

5. Contractor agrees to permit access to work sites and relevant payroll records by authorized County representatives for the purpose of monitoring compliance with the Living Wage Law and investigating employee complaints of noncompliance.

I hereby certify that I have read the foregoing statement and, to the best of my knowledge and belief, it is true, correct and complete. Any statement or representation made herein shall be accurate and true as of the date stated below.

COUNTY OF NASSAU

CONSULTANT'S, CONTRACTOR'S AND VENDOR'S DISCLOSURE FORM

1. Name of the Entity: Inc. Village of Garden City

Address: 351 Stewart Avenue

City: Garden City State/Province/Territory: NY Zip/Postal Code: 11530

Country: US

2. Entity's Vendor Identification Number: 11-6002112

3. Type of Business: Other (specify) Municipality

4. List names and addresses of all principals; that is, all individuals serving on the Board of Directors or comparable body, all partners and limited partners, all corporate officers, all parties of Joint Ventures, and all members and officers of limited liability companies (attach additional sheets if necessary):

5. List names and addresses of all shareholders, members, or partners of the firm. If the shareholder is not an individual, list the individual shareholders/partners/members. If a Publicly held Corporation, include a copy of the 10K in lieu of completing this section.
If none, explain.

6. List all affiliated and related companies and their relationship to the firm entered on line 1. above (if none, enter "None"). Attach a separate disclosure form for each affiliated or subsidiary company that may take part in the performance of this contract. Such disclosure shall be updated to include affiliated or subsidiary companies not previously disclosed that participate in the performance of the contract.

None

7. List all lobbyists whose services were utilized at any stage in this matter (i.e., pre-bid, bid, post-bid, etc.). If none, enter "None." The term "lobbyist" means any and every person or organization retained, employed or designated by any client to influence - or promote a matter before - Nassau County, its agencies, boards, commissions, department heads, legislators or committees, including but not limited to the Open Space and Parks Advisory Committee and Planning Commission. Such matters include, but are not limited to, requests for proposals, development or improvement of real property subject to County regulation, procurements. The term "lobbyist" does not include any officer, director, trustee, employee, counsel or agent of the County of Nassau, or State of New York, when discharging his or her official duties.

Are there lobbyists involved in this matter?
YES [ ] NO [X]

(a) Name, title, business address and telephone number of lobbyist(s):

(b) Describe lobbying activity of each lobbyist. See below for a complete description of lobbying activities.

(c) List whether and where the person/organization is registered as a lobbyist (e.g., Nassau County, New York State):

8. VERIFICATION: This section must be signed by a principal of the consultant, contractor or Vendor authorized as a signatory of the firm for the purpose of executing Contracts.

The undersigned affirms and so swears that he/she has read and understood the foregoing statements and they are, to his/her knowledge, true and accurate.

Electronically signed and certified at the date and time indicated by:
Cassie Reynolds [CAREYNOLDS@GARDENCITYNY.NET]

Contract Summary

Purpose: The purpose of the contract is to provide funding for police enforcement of STOP DWI laws in an effort to reduce crashes and roadway injuries and fatalities caused by DWI.

Procurement History: The county has a history of cooperating with the village and city municipalities to engage in highway safety programs. The county contracts with the municipality. All proposed expenditures are made according to the STOP-DWI Annual Plan that is approved by the Commissioner of the Department of Motor Vehicles. Each contract contains a line item program budget and proposed expenditures are made in accordance with that budget plan which is approved by both the county and the municipality. All expenses are 100% reimbursable.

Description of General Provisions: The contract will provide for police overtime enforcement for DWI enforcement, and equipment and/or training that may improve the county's enforcement efforts in the DWI /DWAI detection and arrest processing

areas.

Impact on Funding / Price Analysis: Funds are 100% reimbursable and no county match is required. The maximum amount is $75,000 for a 5 year term. Initial encumbrance is $15,000.00

Change in Contract from Prior Procurement: N/A

Method of Source Selection:

☑ Pursuant to Executive Order No. 1 of 1993 as amended, the department head explains why the department obtained only one proposal as follows: Vendor was selected through a State STOP DWI Program grant. This grant allocates funding to Police Departments in Nassau County as listed in an Annual STOP DWI Plan, submitted, and approved by the New York State Governor's Traffic Safety Committee

☑ Contractor's selection dictated by the terms of a federal or New York State grant, by legislation, or by a court order (Include relevant documents)

MWBE Participation:

☑ Participation of Minority-owned and Women-owned Business Enterprises in Nassau County Contracts: The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit EE may be requested at any time by the Comptroller's Office prior to the approval of claim vouchers. [Note: This box must be checked.]

☑ Vendor will not require any subcontractors.

RULES RESOLUTION NO. – 2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE A PERSONAL SERVICES AGREEMENT BETWEEN THE COUNTY OF NASSAU, ACTING ON BEHALF OF THE NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS AND THE VILLAGE OF LYNBROOK.

WHEREAS, the County has negotiated a personal services agreement with the Village of Lynbrook, to provide enforcement of STOP DWI laws, a copy of which is on file with the Clerk of the Legislature; now, therefore, be it

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute the said agreement with the Village of Lynbrook.

CONTRACT FOR SERVICES

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Traffic Safety Board, Department of Public Works, having its principal office at 1194 Prospect Avenue, Westbury, New York 11590 (the "Department") and (ii) The Village of Lynbrook, having its principal office at 1 Columbus Drive, Lynbrook, New York 11563 (the "Contractor").

W I T N E S S E T H:

WHEREAS, the County has received an award of funds from the New York State Governor's Traffic Safety Committee to be utilized for the increased enforcement of impaired driving laws; and

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, the Contractor desires to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on January 1, 2026 and terminate on December 31, 2030, unless sooner terminated in accordance with the provisions of this Agreement.

2. Services. The services to be provided by the Contractor under this Agreement shall consist of increased police enforcement of the provisions of Section 1192 of the New York Vehicle and Traffic Law ("Section 1192"), which prohibit the operation of a motor vehicle while under the influence of alcohol or drugs, including aggravated Driving While Intoxicated ("DWI") and a zero tolerance provision for impaired motor vehicle operators under the age of twenty-one (21) (the "Services").

3. Payment. (a) Amount of Consideration. The maximum amount to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement shall not exceed Fifteen Thousand Dollars ($15,000.00) per Agreement year, for a total sum of Seventy-Five Thousand Dollars ($75,000.00) (the "Maximum Amount"). The Maximum Amount shall be used solely for police officer salaries respecting the enforcement of Section 1192.

(b) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the Contractor in arrears and shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(c) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(d) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor

and any funding source including the County.

(e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information,

and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's disclosure form(s), if applicable, any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

(i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;

(ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;

(iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;

(iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;

(v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and

(vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have

participated in procurements for work performed under this Agreement.

7. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver Services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single limit liability of not less One Million Dollars ($1,000,000.00) per claim (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance

carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions

thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals, third party approvals and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the Effective Date.

The Incorporated Village of Lynbrook

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Appendix L

Certificate of Compliance

In compliance with Local Law 1-2006, as amended (the "Law"), the Contractor hereby certifies the following:

1. The chief executive officer of the Contractor is:

   Alan C Beach (Name)

   1 Columbus Drive (Address)

   516 549-8300 (Telephone Number)

2. The Contractor agrees to either (1) comply with the requirements of the Nassau County Living Wage Law or (2) as applicable, obtain a waiver of the requirements of the Law pursuant to section 9 of the Law. In the event that the Contractor does not comply with the requirements of the Law or obtain a waiver of the requirements of the Law, and such Contractor establishes to the satisfaction of the Department that at the time of execution of this Agreement, it had a reasonable certainty that it would receive such waiver based on the Law and Rules pertaining to waivers, the County will agree to terminate the contract without imposing costs or seeking damages against the Contractor

3. In the past five years, Contractor _____ has _____ has not been found by a court or a government agency to have violated federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If a violation has been assessed against the Contractor, describe below:

   _____

   _____

   _____

4. In the past five years, an administrative proceeding, investigation, or government body-initiated judicial action _____ has _____ has not been commenced against or relating to the Contractor in connection with federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If such a proceeding, action, or investigation has been commenced, describe below:

5. Contractor agrees to permit access to work sites and relevant payroll records by authorized County representatives for the purpose of monitoring compliance with the Living Wage Law and investigating employee complaints of noncompliance.

I hereby certify that I have read the foregoing statement and, to the best of my knowledge and belief, it is true, correct and complete. Any statement or representation made herein shall be accurate and true as of the date stated below.

3. Type of Business: Other (specify) Municipality

4. List names and addresses of all principals; that is, all individuals serving on the Board of Directors or comparable body, all partners and limited partners, all corporate officers, all parties of Joint Ventures, and all members and officers of limited liability companies (attach additional sheets if necessary):

1 File(s) uploaded: Vendor disclosure form.docx

5. List names and addresses of all shareholders, members, or partners of the firm. If the shareholder is not an individual, list the individual shareholders/partners/members. If a Publicly held Corporation, include a copy of the 10K in lieu of completing this section.
If none, explain.

None

6. List all affiliated and related companies and their relationship to the firm entered on line 1. above (if none, enter "None"). Attach a separate disclosure form for each affiliated or subsidiary company that may take part in the performance of this contract. Such disclosure shall be updated to include affiliated or subsidiary companies not previously disclosed that participate in the performance of the contract.

None

7. List all lobbyists whose services were utilized at any stage in this matter (i.e., pre-bid, bid, post-bid, etc.). If none, enter "None." The term "lobbyist" means any and every person or organization retained, employed or designated by any client to influence - or promote a matter before - Nassau County, its agencies, boards, commissions, department heads, legislators or committees, including but not limited to the Open Space and Parks Advisory Committee and Planning Commission. Such matters include, but are not limited to, requests for proposals, development or improvement of real property subject to County regulation, procurements. The term "lobbyist" does not include any officer, director, trustee, employee, counsel or agent of the County of Nassau, or State of New York, when discharging his or her official duties.

Are there lobbyists involved in this matter?
YES [ ] NO [X]

(a) Name, title, business address and telephone number of lobbyist(s):

None

(b) Describe lobbying activity of each lobbyist. See below for a complete description of lobbying activities.

None

(c) List whether and where the person/organization is registered as a lobbyist (e.g., Nassau County, New York State):

None

8. VERIFICATION: This section must be signed by a principal of the consultant, contractor or Vendor authorized as a signatory of the firm for the purpose of executing Contracts.

The undersigned affirms and so swears that he/she has read and understood the foregoing statements and they are, to his/her knowledge, true and accurate.

Electronically signed and certified at the date and time indicated by:
Florence Maxwell [FMAXWELL@LYNBROOKVILLAGE.COM]

YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

e. In the past 5 years, have you been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

f. In the past 5 years, have you been found in violation of any administrative or statutory charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

10. In addition to the information provided in response to the previous questions, in the past 5 years, have you been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency and/or the subject of an investigation where such investigation was related to activities performed at, for, or on behalf of the submitting business entity and/or an affiliated business listed in response to Question 5?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

11. In addition to the information provided, in the past 5 years has any business or organization listed in response to Question 5, been the subject of a criminal investigation and/or a civil anti-trust investigation and/or any other type of investigation by any government agency, including but not limited to federal, state, and local regulatory agencies while you were a principal owner or officer?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

12. In the past 5 years, have you or this business, or any other affiliated business listed in response to Question 5 had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

13. For the past 5 tax years, have you failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

I, Megan Raguseo , hereby acknowledge that a materially false statement willfully or fraudulently made in connection with this form may result in rendering the submitting business entity and/or any affiliated entities non-responsible, and, in addition, may subject me to criminal charges.

I, Megan Raguseo , hereby certify that I have read and understand all the items contained in this form; that I supplied full and complete answers to each item therein to the best of my knowledge, information and belief; that I will notify the County in writing of any change in circumstances occurring after the submission of this form; and that all information supplied by me is true to the best of my knowledge, information and belief. I understand that the County will rely on the information supplied in this form as additional inducement to enter into a contract with the submitting business entity.

CERTIFICATION

A MATERIALLY FALSE STATEMENT WILLFULLY OR FRAUDULENTLY MADE IN CONNECTION WITH THIS QUESTIONNAIRE MAY RESULT IN RENDERING THE SUBMITTING BUSINESS ENTITY NOT RESPONSIBLE WITH RESPECT TO THE PRESENT BID OR FUTURE BIDS, AND, IN ADDITION, MAY SUBJECT THE PERSON MAKING THE FALSE STATEMENT TO CRIMINAL CHARGES.

(Other)			

3. Do you have an equity interest in the business submitting the questionnaire?
   YES [X] NO [ ] If Yes, provide details.
   51%

4. Are there any outstanding loans, guarantees or any other form of security or lease or any other type of contribution made in whole or in part between you and the business submitting the questionnaire?
   YES [ ] NO [X] If Yes, provide details.

5. Within the past 3 years, have you been a principal owner or officer of any business or notfor-profit organization other than the one submitting the questionnaire?
YES [ ] NO [X] If Yes, provide details.

6. Has any governmental entity awarded any contracts to a business or organization listed in Section 5 in the past 3 years while you were a principal owner or officer?
YES [ ] NO [X] If Yes, provide details.

NOTE: An affirmative answer is required below whether the sanction arose automatically, by operation of law, or as a result of any action taken by a government agency. Provide a detailed response to all questions checked "YES". If you need more space, photocopy the appropriate page and attach it to the questionnaire.

7. In the past (5) years, have you and/or any affiliated businesses or not-for-profit organizations listed in Section 5 in which you have been a principal owner or officer:
   a. Been debarred by any government agency from entering into contracts with that agency?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   b. Been declared in default and/or terminated for cause on any contract, and/or had any contracts cancelled for cause?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   c. Been denied the award of a contract and/or the opportunity to bid on a contract, including, but not limited to, failure to meet pre-qualification standards?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   d. Been suspended by any government agency from entering into any contract with it; and/or is any action pending that could formally debar or otherwise affect such business's ability to bid or propose on contract?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

8. Have any of the businesses or organizations listed in response to Question 5 filed a bankruptcy petition and/or been the subject of involuntary bankruptcy proceedings during the past 7 years, and/or for any portion of the last 7 year period, been in a state of bankruptcy as a result of bankruptcy proceedings initiated more than 7 years ago and/or is any such business now the subject of any pending bankruptcy proceedings, whenever initiated?
YES [ ] NO [X] If 'Yes', provide details for each such instance. (Provide a detailed response to all questions check "Yes". If you need more space, photocopy the appropriate page and attached it to the questionnaire.)

9.
   a. Is there any felony charge pending against you?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

b. Is there any misdemeanor charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

c. Is there any administrative charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

d. In the past 10 years, have you been convicted, after trial or by plea, of any felony, or of any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

e. In the past 5 years, have you been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

f. In the past 5 years, have you been found in violation of any administrative or statutory charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

10. In addition to the information provided in response to the previous questions, in the past 5 years, have you been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency and/or the subject of an investigation where such investigation was related to activities performed at, for, or on behalf of the submitting business entity and/or an affiliated business listed in response to Question 5?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

11. In addition to the information provided, in the past 5 years has any business or organization listed in response to Question 5, been the subject of a criminal investigation and/or a civil anti-trust investigation and/or any other type of investigation by any government agency, including but not limited to federal, state, and local regulatory agencies while you were a principal owner or officer?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

12. In the past 5 years, have you or this business, or any other affiliated business listed in response to Question 5 had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

13. For the past 5 tax years, have you failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

I, Mike Raguseo , hereby acknowledge that a materially false statement willfully or fraudulently made in connection with this form may result in rendering the submitting business entity and/or any affiliated entities non-responsible, and, in addition, may subject me to criminal charges.

I, Mike Raguseo , hereby certify that I have read and understand all the items contained in this form; that I supplied full and complete answers to each item therein to the best of my knowledge, information and belief; that I will notify the County in writing of any change in circumstances occurring after the submission of this form; and that all information supplied by me is true to the best of my knowledge, information and belief. I understand that the County will rely on the information supplied in this form as additional inducement to enter into a contract with the submitting business entity.

CERTIFICATION

IN EXECUTING THIS BID, THE BIDDER WARRANTS THAT THE PRICES SUBMITTED HEREIN ARE NOT HIGHER THAN THOSE OFFERED TO ANY GOVERNMENTAL OR COMMERCIAL CONSUMER FOR LIKE DELIVERIES. THE PRICES HEREIN SHOULD NOT INCLUDE ANY FEDERAL EXCISE TAXES OR SALES TAXES IMPOSE BY ANY STATE OR MUNICIPAL GOVERNMENT. SUCH TAXES, IF INCLUDED, MUST BE DEDUCTED BY THE BIDDER WHEN SUBMITTING BID. BIDDERS ARE REQUESTED TO ALSO READ THE TERMS AND CONDITIONS.

BID TERMS AND CONDITIONS

1. Bids on equipment must be on standard new equipment, latest model, except as otherwise specifically stated in proposal or detailed specification. Where any part of nominal appurtenances of equipment is not described, it shall be understood that all equipment and appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
2. Bids on materials and supplies must be for new items except as otherwise specifically stated in bid or detailed specifications.
3. Bidder declares that the bid is made without any connection with any other Bidder, submitting a bid for the same items, and is in all respects
4. PRICES The provisions of the New York State Fair Trade Law (Fed-Crawford Act) and the federal price discrimination law (Robinson-Patman Act) do not apply to purchases made by the County.
5. SURETY In the event that an award is made hereunder, The Director of Purchase reserves the right to request successful bidders to post, within one week, security for faithful performance, with the understanding that the whole or any part thereof may be used by the County of Nassau to supply any deficiency that may arise from any default on the part of the Bidder. Such security must meet all the requirements of the County Attorney and be

fair and without collusion or fraud.

approved by the County Attorney.

6. SAMPLES Samples, when required, must be submitted strictly in accordance with instructions; otherwise bid may not be considered. If samples are requested subsequent to bid opening they shall be delivered within five (5) days of the request for bid to have consideration. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating if the Bidder desires their return; also specifying the address to which they are to be returned, provided they have not been used or made useless by tests. Award samples may be held for comparison with deliveries. Samples will be returned at the Bidders risk and expense.

7. Award The Director, Office of Purchasing reserves the right before making award to make investigations as to whether or not the items, qualifications or facilities offered by the Bidder meet the requirements set forth herein and are sample and sufficient to insure the proper performance in the event of award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery and capacity of the manufacturer for the production and distribution of the material on which he is bidding. Upon request of the Director, successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that articles or equipment proposed to be furnished do not meet the requirements called for, or that the qualification, financial standing or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

8. Awards will be made to the lowest responsible Bidder. Cash discounts will not be a factor in determining awards, except in tie bids. Consideration will be given to the reliability of the Bidder, the quantities of the materials, equipment or supplies to be furnished, their conformity with the specifications, the purpose for which required and the terms of delivery.

9. The Director reserves the right to reject and all bids in whole or in part and to waive technical defects, irregularities and omissions if in his judgment the best interests of the County will be served.

10. Unless otherwise indicated herein, the Director reserves the right to make award by items, by classes, by group of items, or as a whole.

11. DELIVERIES Upon failure of the Vendor to deliver within the time specified, or within reasonable time as interpreted by the Director, or failure to make replacement of rejected articles, when so requested immediately or as directed by the Director, the Director may purchase from other sources to take the place of the item rejected or not delivered. The Director reserves the right to authorize immediate purchase from other sources against rejections on any order when necessary. On all-such purchases the Vendor agrees to promptly reimburse the County for excess cost occasioned by such purchases. Should the cost be less, the Vendor shall have no claim to the difference. Such purchases will be deducted from order quantity.

12. An order may be canceled at the Vendors expense upon nonperformance. Failure of the Vendor to furnish additional surety within ten (10) days from date of requested shall be sufficient cause for the cancellation of the order.

13. When in the determination of the Director, the articles or equipment delivered fail to meet County specifications or, if in the determination of the Director, the Vendor consistently fails to deliver as ordered, the Director reserves the right, to cancel the order and purchase the balance from other sources at Vendor expense.

14. Delivery must be made as ordered and in accordance with the bid. If delivery instructions do not appear on order. It will be interpreted to mean prompt delivery. The decision of the Director as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of order shall rest with the Vendor.

15. The County Agencies will not schedule any deliveries for Saturdays, Sundays or Legal Holiday, except commodities required for daily consumption or where the delivery is an emergency, a replacement, or is overdue, in which event the convenience of the Agency will govern.

16. Supplies shall be securely and properly packed for shipment, according to accepted commercial practice, without extra charge for packing cases, reels, bailing or sacks, the containers to remain the property of the agency unless definitely stated otherwise in the bid.

17. The Vendor shall be responsible for delivery of supplies in good condition at point of destination. The Vendor shall file all claims with carrier for breakage, imperfections and other losses, which will be deducted from invoices. The receiving Agency will note for the benefit of Vendor when packages are not received in good conditions.

18. All supplies which are customarily labeled or identified must have securely affixed thereto the original un-mutilated label or marking of the manufacturer.

19. Billings for deliveries must be rendered on County claim forms.

20. Furniture, machines, and other equipment must be delivered, installed and set in place as directed, ready for use unless otherwise specified.

21. Deliveries are subject to reweighing at destination by the County and payment will be made on the basis of materials delivered. Normal shrinkage will be allowed in such instances where shrinkage is possible. Short weight shall be sufficient cause for cancellation of order at Vendors expense.

22. GUARANTEES BY BIDDER Bidder hereby guarantees: (a) To save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance hereof of which the Bidder is not the Patentee, assignee or licensee, and to defend any action brought against the County in the name of the County and under the direction of the County Attorney at the sole cost of the Bidder or in the sole option of the Director to pay the cost of such defense to the County. (b) His products against defective material or workmanship and to repair any damages or marring occasioned in transit.

(c) To furnish adequate protection from damage for all work and to repair damages of any kind, for which he or his workmen are responsible, to the building or equipment, to this own work or the work of other Vendors, or in the opinion of the Director to pay for the same by deductions in payments due under this contract.

(d) To pay for ail permits, licenses and fees and give all notices and comply with all laws ordinances, rules and regulations of the city, village or town in which the installation his to be made, and of the County of Nassau and the State of New York.

(e) To carry proper insurance in the opinion of the Director, and approved by the County Attorney to protect the County from loss in case of accident, fire and theft.

(f) That he will keep himself fully informed, of all municipal ordinances and regulations, state and national laws in any manner affecting the work or goods herein specified, and any extra work contracted for by him, and shall at all times observe and comply with said ordinances, laws and regulations, including all provisions of the Workmen Compensation and Labor Laws, and shall indemnify and save harmless the County of Nassau and the Nassau County Legislature from loss and liability upon any and all Claims on account of any physical injury to persons, including death, or damage to property and from all cost and expenses in suits which may be brought against the same on account of such injuries irrespective of the actual cost of the same and irrespective of whether the same shall have been due to the negligence of the Bidder or his agents.

(g) That the items furnished shall conform to all the provisions of the bid and this warranty shall survive acceptance, or use of any material so furnished.

(h) That all deliveries will not be inferior to the accepted bid sample.

23. LABOR LAWS and ANTIDISCRIMINATION. Upon the vendor acceptance hereof, the vendor agrees to comply with Article IX, Section 2 C of the Constitution of the State of New York, Section 220 220a, 220b, 220d, 220e and 230 of the Labor Law, Section 5 and 12 of the Lien Law, Article 2 of the Uniform Commercial Code, Sections 108 and 109 as well as Article 18 of the General Municipal Law, Section 2218 of the County Government Law of Nassau County. Section 224.2 of the Nassau County Administrative Code, the provisions of the anti-Discrimination Order of Nassau County, and the vendor shall keep himself fully informed of all additional municipal ordinances and regulations, State and National Laws in any manner affecting this order and the goods or services delivered or rendered or to be delivered or rendered there under, and shall at all times observe and comply with said ordinances, laws and regulations at his sole cost and expense.

24. ASSIGNMENT. The contractor is hereby prohibited from assigned, transferring, conveying, subletting or otherwise disposing of this contract or his right, title, or interest therein, or his power to execute such contract, to any other person or corporation without the previous consent in writing of the officer, board or agency awarding the contract.

25. The County of Nassau will not be responsible nor liable for any shipment or delivery of any materials, supplies, or equipment without it's express written instructions or valid Purchase Order.

26. No agreements, changes, modifications or alterations shall be deemed effective nor shall the same be binding upon the County unless in writing and signed by the Director, Office of Purchasing or his duly/ designated representative.

Director. Office of Purchasing

Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ **BIDDER** President **TITLE**

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition,

construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/16/2
BIDDER **TITLE**

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

1) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;
2) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;
3) All Participating Employees have completed the acknowledgement required by the Vendor Code of Ethics;
4) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent under this Agreement;
5) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgements as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgements for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and
6) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work under this Agreement.

INDEMNIFICATION:

Contractor agrees to indemnify and hold harmless County and its agents, officers and employees, from and against any and all losses, costs, expenses (including attorneys' fees and disbursements), damages and liabilities, arising out of or in connection with any acts or omissions of Contractor, its officers, agents or employees, provided, however, that Contractor shall not be responsible for that portion, if any, of a loss that is caused by the negligence of the County; and provided, further, that Contractor shall not be liable for consequential, indirect or special damages. Contractor shall, at County's demand and at County's direction, defend at its own risk and expense any and all suits, actions or legal proceedings which may be brought against County, its agents, officers or employees in connection with a loss for which Contractor is responsible under this paragraph.

DEFINITIONS:

- The term "County" as used herein, shall be deemed as reference to the County of Nassau, State of New York.
- The term "Contractor" as used herein, shall be deemed as reference to the successful bidder, vendor, proprietor, partnership, or corporation receiving an award to perform any or all of the services specified herein in accordance with the terms of this agreement.
- The term "agency" as used herein, shall be deemed as the department, division, bureau, office, agency or other Nassau County establishment authorized to receive the service specified herein.
- The term "Director" as used herein, shall be deemed as reference to the Director of the Office of Purchasing.
- The term "Blanket Order" as used herein, shall be deemed as the multiple use pricing agreement as a result of this bid.
- The term "Purchase Order" as used herein, shall be deemed as the single use pricing agreement as a result of this bid.
- The term "complete" as written in this bid must include all equipment, delivery and installation of same in its entirety, as listed in the contract documents, and is to include all supervision, labor, materials, plant equipment, transportation, testing, (if required) incidentals, and other facilities as necessary and/or required to execute all the work as herein specified, or as incidentally required to provide a complete operating installation.

NOTE: INSERT FEDERAL IDENTIFICATION NUMBER IN SPACE PROVIDED ON PAGE 1.

M/WBE, SDVOB and DBE Participation: The County encourages the participation of certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), Minority or Women-Owned Business Enterprises ("M/WBE"), and Disadvantaged Business Enterprises ("DBE") in the bidding process. A Contractor that is certified by New York State or the County as a SDVOB, M/WBE, and/or DBE should include this information in their bid. For more information regarding the County's SDVOB, M/WBE, or DBE programs, please visit the Nassau County Office of Minority Affairs website

REQUIRED VENDOR DISCLOSURE FORMS

Prior to the bid opening, the following disclosure forms (the "Disclosure Forms") must be submitted in the Nassau County Vendor Portal at

https://apex5.nassaucountyny.gov/ords/f?p=312:LOGIN_DESKTOP:3445712403627:

a. A duly completed and verified Business History Form, together with a current certified or verified financial statement and/or other commercially reliable written evidence of the bidder's credit, financial standing and capacity to perform in accordance with the terms of the Contract.

b. All officers, and any individuals who hold a ten percent (10%) or greater ownership interest in the bidder, shall complete and verify the Principal Questionnaire.

c. The County of Nassau Consultant's, Contractor's and Vendor's Disclosure Form

d. Additionally, if the bidder utilizes the services of any individual or organization for the purposes of conducting lobbying activities and is awarded the contract, the successful proposer will be required to provide a copy of the Lobbyist Registration and Disclosure Form, completed and verified by that individual/organization.

PLEASE NOTE:

- If a bidder has previously submitted the Disclosure Forms in the Nassau County Vendor Portal, the bidder must ensure that the forms on file in the Portal are current, accurate, and have been recertified within three (3) months prior to the bid opening date. The bidder must also ensure that their response to question 7, and its subparts, on the Consultant's, Contractor's, and Vendor's Disclosure Form is provided in relation to the specific solicitation under consideration.

Forms Must Be Uploaded in the Portal Prior to Submitting the Bid.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

REQUESTS FOR INFORMATION OR CLARIFICATION

Before bidding, bidders must examine all of the Contract documents, including the specifications, any drawings, and all instructions. If the bidder finds any inconsistency, ambiguity, omission or error in the specifications, drawings, instructions or any other Contract document, or if the bidder is in doubt as to the meaning of any term or condition of the Contract, the bidder must promptly so notify the **Office of Purchasing** in writing prior to the bid opening. The failure of the bidder to notify the **Office of Purchasing**, prior to the bid opening of any inconsistency, ambiguity, omission or error that the bidder actually found, or that should have been discovered by a reasonably prudent bidder, will preclude and negate acceptance of the bidder's claim.

If the **Office of Purchasing** receives a notification from a bidder of a differing site condition or an inconsistency, ambiguity, omission or error in the Contract documents, the **Office of Purchasing** will, as it deems necessary or desirable, issue a written interpretation or correction to the Contract documents as an amendment to the Contract documents. Any such amendment will be made available electronically to each person that received a copy of the Contract documents as reflected in the records of the **Office of Purchasing** , and any such amendment will also be available at the place where the Contract documents are available for inspection by prospective bidders.

Upon such mailing or delivery, such amendment shall become part of the Contract documents and shall be binding on all bidders, whether or not they have had actual notice of such addendum.

Please note that all bidder requests for information or clarification must be received by the Authority at least 72 hours prior to the bid opening. Any bidder requests for information or issues with the contract documents presented after that time may not be addressed by the Office of Purchasing.

Ordinance # 153-2018

Pursuant to Ordinance # 153-2018, a bidder that is awarded a contract under this bid is required to pay the County an administrative service charge in accordance with the following schedule:

Value of Contract	Administrative Fee
$0-$10,000	$0
Over $10,000-$50,000	$160
Over $50,000-$100,000	$266
Over $100,000	$533

After an award, the successful bidder(s) will be notified by the Director of Shared Services, or their designee, when payment of the administrative charge is due. Please note, if you are a religious, charitable, nonprofit, or not-for-profit organization, please include this information in your bid for consideration by the Director of the Shared Services to waive the fee.

Ordinance # 72-2014

The bidder declares that they are a registered vendor with the County. All registered vendors must pay a Two Hundred Seventy-Five Dollar ($275.00) per contract fee to register Blanket contracts on the County's procurement website, as required under Ordinance # 72-2014.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

PURPOSE: The purpose of this bid is to establish a price structure on which items and/or services will be made under Blanket Orders.

INTENT

SCOPE: It is the INTENT of the County of Nassau to properly describe by these specifications, terms and conditions an adequate method of providing **GAS BURNER MAINTENANCE REBID.**
for the agency or agencies named herein in order that they may enjoy uninterrupted service in consideration for payment of the price bid.

AWARD: Award, if any, will be made to the lowest responsible bidder, who in the opinion of the Director of Purchasing, meets the specifications and qualifications stated herein. The Director of Purchasing reserves the right to make an award be items, groups, or classes of items or as a whole. Awards will be made in accordance with the terms and conditions attached hereto and made part hereof.

PERIOD COVERED: Shall be for one (1) year from the effective date. The County of Nassau reserves the right to extend the Blanket Order up to an additional four (4) year(s), at up to one (1) year options. However, the termination of the Blanket Order may be further extended up to two (2) months beyond the stated termination date. The maximum period of any Blanket Order as a result of this bid with renewal options applied shall be five (5) year(s), and if the further extension is applied, five (5) years and two (2) months.

ALL EXTENSIONS ARE SUBJECT UPON THE MUTUAL CONSENT OF BOTH PARTIES.

PAYMENT IN DETAIL: Billing shall be rendered in detail, listing parts and materials used, their prices and labor shown in hours and extended rates.

PAYMENT: A certified invoice, or a County claim form to which the invoice is attached, shall be submitted in arrears, directly to the using agency, supported by vouchers signed by agency personnel attesting to satisfactory completion of the required services as specified.
*****************************VENDOR CLAIM CERTIFICATION*************************

If a claim voucher is not being submitted, the following certification MUST appear on the invoice:

I hereby certify that all items or services were delivered or rendered as set forth in this claim; that the prices charged are in accordance with referenced purchase order, delivery order or contract, that the claim is just, true and correct; that the balance stated herein is actually due and owing and has not been previously claimed; that no taxes from which the County is exempt are included; and that any amounts claimed for disbursements have actually and necessarily been made.

CLAIM VOUCHERS AND CERTIFIED INVOICES NOT PROPERLY COMPLETED WILL BE RETURNED TO YOU UNPAID.

RETENTION OF BID: Vendor is required to make a copy of his completed bid document and applicable attachments. Any purchase orders issued against this bid will refer to the bid and attachments to designate items awarded.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ **BIDDER**

President — **TITLE**

5/1/26

METHOD OF BIDDING: Please submit unit price in the appropriate column.

ADDITIONAL BIDS: The County reserves the right, for any un-contemplated additional requirements of extraordinary quantities of particular items to call for new bids, therefore, whenever in the opinion of the Director of the Office of Purchase it is in the best interests of the County of Nassau to do so.

TAX PROVISION: Purchases made by the County of Nassau are not subject to State, Local Sales Taxes or Federal Excise Taxes. Federal Exemption #A-109538 State Exemption #EX 7213062C. The County of Nassau is not subject to any Existing "Fair Trade Agreements" and bidders should be governed accordingly.

INSURANCE AND WORKERS COMPENSATION: The successful bidder agrees to obtain from an insurance company, authorized to do business in the State of New York, and keep in force during the term of any agreement, a policy of Comprehensive and General Liability Insurance naming the Contractor as an insured, and naming the County of Nassau as an additional insured, including but not limited to the torts and negligence of Contractor's personnel, with a combined minimum single limit of three million dollars ($3,000,000.00) for bodily injury and property damage for any one occurrence at the Contractor's sole cost and expense. Evidence of insurance may be required prior to Notice of Award or issuance of a Purchase Order.

The Contractor shall comply with all provisions of the Workers' Compensation Law and shall furnish a certificate showing evidence of current coverage.

GENERAL CONDITIONS:

All repairs to be made in accordance with the Occupational Safety and Health Administration safety requirements.

Contractor will furnish all labor, materials, transportation, tools, instrumentation, parts and accessories necessary to repair and restore the equipment to optimum operating condition.

All Contractor personnel assigned to any requirement of a contract established must be fully qualified and cognizant of the required and applicable electrical codes and safety requirements, and must adhere to them.

All parts supplied must match and inter-member without modification to the designated equipment, and must be in accordance with the specifications of the manufacturer of the part to be replaced.

Except as otherwise specified, all contract requirements will be performed at the site as required.

Any requirement to remove any part of the equipment or system(s), to the Contractor's shop, must be approved by an authorized agency representative. Nassau County shall supply all utilities which are available on location insofar as compatibility requirements permit.

All requirements performed by the Contractor will be subject to inspection and approval by an authorized designated representative of Nassau County.

Employees of the Contractor, while on service call, shall carry identification badges or cards and shall be instructed to submit same to scrutiny upon request of security or supervisory personnel of Nassau County.

NON-ASSIGNMENT: In accordance with Section 138 of the State Finance Law, the contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of Nassau County and any attempts to assign the contract without the County's written consent are null and void.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/16/24
BIDDER **TITLE**

FIRM PRICES Price shall remain firm for the first year of the Blanket Purchase Order and no upward escalation will be permitted. Thereafter, increases in labor and/or material(s) costs may be considered provided they are based on certified labor contracts, uncontrollable materials costs which can be verified in national publications or other increases auditable by the County of Nassau. The burden of proof for such increases shall be upon the Contractor and shall be formally directed to the Director of Purchasing. The decision as to whether or not such increases will be granted shall be made by the Director of Purchasing and shall be final. In the event an increase in not granted when requested, the Contractor may elect to continue at the bid prices or given written notice of termination, upon receipt of which the Blanket Purchase Order will be re-bid.

TERMINATION PREROGATIVE: The Director reserves the right to cancel the Blanket Order by giving not less than thirty (30) days written notice that, on or after a date therein specified, the contract shall be deemed terminated and cancelled.

DISCLAIMER
Any Blanket Purchase Order issued as a result of this bid will establish terms and conditions pursuant to which certain materials and/or services are to be supplied or performed, from time to time, for a specified period upon issuance by the County of Delivery Orders. The Blanket Purchase Order is non-exclusive and the County is not bound to purchase, and no materials are to be delivered or services performed without a Delivery Order. The County shall be under no obligation whatsoever to issue such Delivery Orders. The Blanket Purchase shall not apply in any way to items of material or service deemed by the County in its sole discretion to be extraordinary or involve any special conditions, quantities, circumstances or complexities.

NEW YORK STATE PRICES: Bidders must represent and warrant that if they are under contract with New York State for items specified herein, that the price quoted to the County is not higher than the price per unit quoted to New York State for like quantities.

VENDOR RESPONSIBILITY CRITERIA: The Director of Purchasing reserves the right before making an award to make investigations as to whether or not the qualifications, services, facilities or items offered by the bidder meet the requirements set forth herein and are ample and sufficient to ensure the proper performance in the event of an award. The bidder must be prepared, if requested by the Director of Purchasing, to present evidence of experience, ability, financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which the vendor is bidding. Upon request of the Director, the successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bid are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing, or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the forgoing shall mean or imply that it is obligatory upon the Director to make any examinations before an award; and it is further understood that, if such examination is made, it in no way relieves the bidder from fulfilling all requirements and conditions of the bid.

NON-COLLUSIVE BIDDING CERTIFICATION REQUIRED BY SECTION 139-D OF THE STATE FINANCE LAW

BY SUBMISSION OF THIS BID, BIDDER AND EACH PERSON SIGNING ON BEHALF OF BIDDER CERTIFIES, AND IN THE CASE OF A JOINT BID, EACH PARTY THERETO CERTIFIES AS TO ITS OWN ORGANIZATION, UNDER PENALTY OR PERJURY, THAT TO THE BEST OF HIS/HER KNOWLEDGE AND BELIEF:
[1] The prices of this bid have been arrived at independently, without collusion, consultation, communication, or agreement for the purposes of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor;
[2] Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly, to any other Bidder or to any competitor; and
[3] No attempt has been made or will be made by the Bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

If applicable, responsible Corporate Officer

Name Michael W. Rapuano Title President

Signature: _____ Sign Here

FAILURE TO COMPLETE THIS FORM AND SIGN IN APPROPRIATE PLACE MAY RESULT IN AUTOMATIC REJECTION OF THE BID.

GENERAL INSTRUCTIONS: All bidders must adhere to the following conditions:

As per New York State Municipal Law 103, no exception can be taken to any material term and/or condition of this bid with the exception of any warranties as presented in this bid for the specific commodity or service required.

Any language in any proposal or document submitted by a bidder as part of their bid that is accepted by the County of Nassau cannot be in conflict with any material term and/or condition relevant to this bid with the exception of any warranties or the specifications of the commodity of service required by this bid. If there is any conflict between the bidder's terms and conditions and the terms and conditions of this bid, the terms and conditions of this bid shall govern.

Bidders must insert **FEDERAL IDENTIFICATION NUMBER** in the space provided on page one of this bid.

Late Formal Sealed Bids will NOT be accepted. Bidders are urged to mail bids early to assure delivery on time. Bids must be received by 11:00 A.M. on the bid opening date.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President
BIDDER **TITLE**

Prices **MUST** be inserted with **TYPEWRITER OR INK**. Entries with **WHITE OUT**, **CROSS-OUTS OR LIFT-OFF TAPE MUST** BE INITIALED or that entry will be disqualified.

Bidders should submit bid with unit price in the appropriate column on bid pages or forms attached hereto. In the event of a discrepancy between the unit price and the extension, the unit price shall govern. Bidders shall submit one (1) original bid document and all applicable attachments. Any order issued against this bid will refer to the bid and attachments to designate items awarded. Bidders agree that all, Direct Purchase Orders and/or Purchase Orders shall be effective and binding upon the Contractor when place in the mail, addressed to the Contractor at the address shown on the Direct Purchase Order or the Purchase Order.

Bidders **MUST** state manufacturer's name and catalog number of each item bid.

ABSOLUTELY NO MINIMUM ORDERS shall be applied to this bid.

Purchases made by Nassau County are not subject to State or Local Sales Tax or Federal Excise Taxes.

Federal Exemption Number: A-109538 **State Exemption Number: EX 7213062C**

Inside (receiving dock) delivery is required on all orders.

The rights and obligations of the parties under this agreement shall be governed by the laws of the State of New York.

Bids are hereby solicited for the commodities and/or services specified herein which are to be delivered and/or performed at the locations indicated, and in strict accordance with all specifications, terms and conditions attached hereto and made part hereof.

Bid document must be signed by proprietor, partner or corporate officer.

The clauses contained in these bid forms set forth the wishes of the County of Nassau in regard to the purchase and/or services required. However, the Director reserves the right to waive irregularities, omissions, or other technical defects if, in its judgment, the best interest of the County of Nassau will be served accordingly.

Bidders may take exception to paragraphs of the bid under a separate cover letter to be attached to this bid, indicating the specific bid page, paragraph and the exception(s). In any event, the decision of the Director will be final.

Qualification statement **MUST BE COMPLETED** and submitted with bid. See page 4 for further details

IMPORTANT NOTE: The Director reserves the right to accept or reject any and all bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Director determines the best interests of the County of Nassau will be served. The Director, in his sole discretion, may accept or reject illegible, incomplete or vague bids and his decision shall be final. A conditional or revocable bid which clearly communicates the terms or limitations of acceptance may be considered and contract award may be made in compliance with the bidder's conditional or revocable terms in the offer. Prior to award, the Director reserves the right to seek clarifications, request bid revisions, or to request any information deemed necessary for proper evaluation of bids from all bidders deemed to be eligible for contract award. Failure to provide requested information may result in rejection of the bid.

EVALUATION:

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/16/24
BIDDER **TITLE**

The Director of the Office of Purchasing (hereinafter known as the Director) reserves the right before making award to make investigations as to whether or not the items, qualifications, services or facilities offered by the Bidder meet the requirements set forth herein and are ample and sufficient to insure the proper performance in the event of an award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which he his bidding. Upon request of the Director of Purchasing, successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

NON PERFORMANCE

The Contractor agrees that in the event any of the services provided for under the terms of this contract should in any way be omitted or unsatisfactorily performed by the Contractor and/or his employees, the county shall so notify the contractor verbally and follow with a written notification of the deficient services for immediate correction. In the event the Contractor does not correct the deficient services after receipt of written notification, the Nassau County Department concerned will deduct a percentage based on the work not performed or performed unsatisfactorily from the Contractor's claim for the period covered. If the Contractor continues to omit or unsatisfactorily perform the required services, the County will arrange for the work to be done by another contractor and the cost of such work shall be deducted from any monies due or that may become due to the Contractor.

PARTS:

Charges for parts used to complete work under this contract are required to be itemized on invoices and may be summarized on claims. The part thus billed should be identified by manufacturer and manufacturer's part number. Such charges for parts will be as enumerated in the PRICING SCHEDULE section above, and all instructions must be complied with in order to receive payment.

In any event, THIS CONTRACT MAY NOT BE USED TO PURCHASE PARTS ONLY

Vendor agrees, if requested, to provide the User Agency, the County Comptroller, or authorized representative of the Office of Purchasing with copies of such manufacturer's list prices.

The Cost Plus rate stated above will be paid only when there is no manufacturer's list price, and when billing is accompanied by a written notice from the part manufacturer advising that it does not issue price lists or that the particular item(s) in question do not have a list price.

Bidders (Contractors) are hereby advised that to insure and facilitate payment, the following information must accompany the contractor's claim:

Time sheet signed by authorized County personnel. Time sheets shall show travel time, if any, time of arrival, time of departure and hours worked.

Details of parts used

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President J Libs

BIDDER **TITLE**

If parts used are regularly carried in stock and manufacturer's price lists are used to price repair invoices, the contractor should furnish a copy of the price list to the Office of Purchasing. If parts are purchased to complete the repair, photocopies of the invoices must be furnished with the claim. Compliance with the above is necessary in order to expedite payment.

REPLACEMENT PARTS: The requirements specified herein represent, for the most part, replacement and/or repair components to existing and presently owned equipment, and must match and inter-member without modification with the equipment and systems indicated.

PRICE LISTS AND DISCOUNTS: Bidders may attach price lists and catalogs indicating discounts available to the County for all other products not listed herein. New items may be added to the price list at the then current price at the same discount schedule during the life of the contract.

PRICE LIST AND CATALOG SERVICE: The successful bidder shall furnish, upon request, price lists and catalogs to agencies authorized to use the Blanket Order which may be awarded under this bid. Photocopies will be accepted in lieu of originals. Two (2) copies of the current price list/catalog must be sent to the Nassau County Office of Purchasing. Failure to keep the Nassau County Office of Purchasing advised of price list/catalog changes may delay the processing of payments.

RECORD RETENTION
Contractor shall retain complete and accurate records and documents related to this Agreement for six (6) years following the later of termination or final payment. Such records shall at all times be available for audit and inspection by the County.

Governing Law – Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

Pursuant to State Finance Law §§139-j and 139-k, this Bid includes and imposes certain restrictions on communications between a Governmental Entity and an Offeror/bidder during the procurement process. An Offeror is restricted from making contacts from the earliest posting, on a Governmental Entity's website, in a newspaper of general circulation, or in the procurement opportunities newsletter in accordance with article four-C of the economic development law of written notice, advertisement or solicitation of a request for proposal, invitation for bids, or solicitation of proposals, or any other method provided for by law or regulation for soliciting a response from Offerors intending to result in a Procurement Contract with a Governmental Entity through final award and approval of the Procurement Contract by the Governmental Entity and, if applicable, the Office of the State Comptroller ("Restricted Period") to other than the Designated Contacts for the Governmental Procurement unless it is a Contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). The Designated Contact(s) for this Governmental Procurement, as of the date hereof, are identified on the first page of this solicitation. County employees also are required to obtain certain information when Contacted during the Restricted Period and make a determination of the responsibility of the Offeror pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4-year period, the Offeror is debarred from obtaining governmental Procurement Contracts.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER TITLE

NY STATE LABOR LAW

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

a. "Public Works" and "Building Services" - Definitions

i. Public Works Labor Law Article 8 applies to county contracts for public improvements in which laborers, workers or mechanics are employed on a "public works" project (distinguished from public "procurement" or "service" contracts).

ii. Building Services Labor Law Article 9 applies to Contracts for building service work with the county, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

b. Prevailing Wage Rate Applicable to Bid Submissions A *copy of the applicable prevailing wage rates to be paid or provided are annexed* to the Bid Documents. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified. Information indicating that prevailing wages are not being paid on a public works project will be forwarded to the New York State Department of Labor for investigation. Willful violations of the prevailing wage provisions of the Labor Law may result in debarment from the bidding and award of public contracts.

c. Wage Rate Payments / Changes During Contract Term The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.

d. Public Posting & Certified Payroll Records In compliance with Article 8, Section 220 of the New York State Labor Law:

i. Posting The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.

ii. Payroll Records Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over $25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.

iii. Submission of Certified Payroll Transcripts for Public Works Contracts Only Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to the project manager for a public works project.

iv. Records Retention Contractors and Subcontractors must preserve copies of such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

If this contract is for Building Service Work as defined in Article 9 of the Labor Law, State law prohibits other political subdivisions and districts within the County from making purchases pursuant to this agreement.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/16/26
BIDDER **TITLE**

The County Living Wage Law, Title 57, Section 3(a)(i), states: employers who provide building services shall pay their employees no less than the living wage, as required by this section, or the prevailing wage, whichever is greater. In future bidding procedures, the requirement should be "vendor must pay the prevailing wage, or the County Living Wage, whichever is greater", or similar language.

Re: Low Vendor Response – Gas Burner Maintenance Bid

The solicitation was posted on the solicitation board and advertised in the New York Post and New York State Contract Reporter. Two vendors viewed the solicitation. All vendors that viewed the solicitation were contacted as a reminder of the bid opening date. The bid was advertised from 4/16/26-5/19/26 to encourage participation. We received only one bid. We also included a list of equipment and offered a walk through in the bid. Please note this was rebid, and it did not result in additional competition.

3. Do you have an equity interest in the business submitting the questionnaire?
   YES [X] NO [ ] If Yes, provide details.
   51%

4. Are there any outstanding loans, guarantees or any other form of security or lease or any other type of contribution made in whole or in part between you and the business submitting the questionnaire?
   YES [ ] NO [X] If Yes, provide details.

5. Within the past 3 years, have you been a principal owner or officer of any business or notfor-profit organization other than the one submitting the questionnaire?
YES [ ] NO [X] If Yes, provide details.

6. Has any governmental entity awarded any contracts to a business or organization listed in Section 5 in the past 3 years while you were a principal owner or officer?
YES [ ] NO [X] If Yes, provide details.

NOTE: An affirmative answer is required below whether the sanction arose automatically, by operation of law, or as a result of any action taken by a government agency. Provide a detailed response to all questions checked "YES". If you need more space, photocopy the appropriate page and attach it to the questionnaire.

7. In the past (5) years, have you and/or any affiliated businesses or not-for-profit organizations listed in Section 5 in which you have been a principal owner or officer:
   a. Been debarred by any government agency from entering into contracts with that agency?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   b. Been declared in default and/or terminated for cause on any contract, and/or had any contracts cancelled for cause?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   c. Been denied the award of a contract and/or the opportunity to bid on a contract, including, but not limited to, failure to meet pre-qualification standards?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   d. Been suspended by any government agency from entering into any contract with it; and/or is any action pending that could formally debar or otherwise affect such business's ability to bid or propose on contract?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

8. Have any of the businesses or organizations listed in response to Question 5 filed a bankruptcy petition and/or been the subject of involuntary bankruptcy proceedings during the past 7 years, and/or for any portion of the last 7 year period, been in a state of bankruptcy as a result of bankruptcy proceedings initiated more than 7 years ago and/or is any such business now the subject of any pending bankruptcy proceedings, whenever initiated?
YES [ ] NO [X] If 'Yes', provide details for each such instance. (Provide a detailed response to all questions check "Yes". If you need more space, photocopy the appropriate page and attached it to the questionnaire.)

9.
   a. Is there any felony charge pending against you?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

b. Is there any misdemeanor charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

c. Is there any administrative charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

d. In the past 10 years, have you been convicted, after trial or by plea, of any felony, or of any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

e. In the past 5 years, have you been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

f. In the past 5 years, have you been found in violation of any administrative or statutory charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

10. In addition to the information provided in response to the previous questions, in the past 5 years, have you been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency and/or the subject of an investigation where such investigation was related to activities performed at, for, or on behalf of the submitting business entity and/or an affiliated business listed in response to Question 5?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

11. In addition to the information provided, in the past 5 years has any business or organization listed in response to Question 5, been the subject of a criminal investigation and/or a civil anti-trust investigation and/or any other type of investigation by any government agency, including but not limited to federal, state, and local regulatory agencies while you were a principal owner or officer?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

12. In the past 5 years, have you or this business, or any other affiliated business listed in response to Question 5 had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

13. For the past 5 tax years, have you failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

I, Mike Raguseo , hereby acknowledge that a materially false statement willfully or fraudulently made in connection with this form may result in rendering the submitting business entity and/or any affiliated entities non-responsible, and, in addition, may subject me to criminal charges.

I, Mike Raguseo , hereby certify that I have read and understand all the items contained in this form; that I supplied full and complete answers to each item therein to the best of my knowledge, information and belief; that I will notify the County in writing of any change in circumstances occurring after the submission of this form; and that all information supplied by me is true to the best of my knowledge, information and belief. I understand that the County will rely on the information supplied in this form as additional inducement to enter into a contract with the submitting business entity.

CERTIFICATION

A MATERIALLY FALSE STATEMENT WILLFULLY OR FRAUDULENTLY MADE IN CONNECTION WITH THIS QUESTIONNAIRE MAY RESULT IN RENDERING THE SUBMITTING BUSINESS ENTITY NOT RESPONSIBLE WITH RESPECT TO THE PRESENT BID OR FUTURE BIDS, AND, IN ADDITION, MAY SUBJECT THE PERSON MAKING THE FALSE STATEMENT TO CRIMINAL CHARGES.

IN EXECUTING THIS BID, THE BIDDER WARRANTS THAT THE PRICES SUBMITTED HEREIN ARE NOT HIGHER THAN THOSE OFFERED TO ANY GOVERNMENTAL OR COMMERCIAL CONSUMER FOR LIKE DELIVERIES. THE PRICES HEREIN SHOULD NOT INCLUDE ANY FEDERAL EXCISE TAXES OR SALES TAXES IMPOSE BY ANY STATE OR MUNICIPAL GOVERNMENT. SUCH TAXES, IF INCLUDED, MUST BE DEDUCTED BY THE BIDDER WHEN SUBMITTING BID. BIDDERS ARE REQUESTED TO ALSO READ THE TERMS AND CONDITIONS.

BID TERMS AND CONDITIONS

1. Bids on equipment must be on standard new equipment, latest model, except as otherwise specifically stated in proposal or detailed specification. Where any part of nominal appurtenances of equipment is not described, it shall be understood that all equipment and appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
2. Bids on materials and supplies must be for new items except as otherwise specifically stated in bid or detailed specifications.
3. Bidder declares that the bid is made without any connection with any other Bidder, submitting a bid for the same items, and is in all respects
4. PRICES The provisions of the New York State Fair Trade Law (Fed-Crawford Act) and the federal price discrimination law (Robinson-Patman Act) do not apply to purchases made by the County.
5. SURETY In the event that an award is made hereunder, The Director of Purchase reserves the right to request successful bidders to post, within one week, security for faithful performance, with the understanding that the whole or any part thereof may be used by the County of Nassau to supply any deficiency that may arise from any default on the part of the Bidder. Such security must meet all the requirements of the County Attorney and be

fair and without collusion or fraud.

approved by the County Attorney.

6. SAMPLES Samples, when required, must be submitted strictly in accordance with instructions; otherwise bid may not be considered. If samples are requested subsequent to bid opening they shall be delivered within five (5) days of the request for bid to have consideration. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating if the Bidder desires their return; also specifying the address to which they are to be returned, provided they have not been used or made useless by tests. Award samples may be held for comparison with deliveries. Samples will be returned at the Bidders risk and expense.

7. Award The Director, Office of Purchasing reserves the right before making award to make investigations as to whether or not the items, qualifications or facilities offered by the Bidder meet the requirements set forth herein and are sample and sufficient to insure the proper performance in the event of award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery and capacity of the manufacturer for the production and distribution of the material on which he is bidding. Upon request of the Director, successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that articles or equipment proposed to be furnished do not meet the requirements called for, or that the qualification, financial standing or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

8. Awards will be made to the lowest responsible Bidder. Cash discounts will not be a factor in determining awards, except in tie bids. Consideration will be given to the reliability of the Bidder, the quantities of the materials, equipment or supplies to be furnished, their conformity with the specifications, the purpose for which required and the terms of delivery.

9. The Director reserves the right to reject and all bids in whole or in part and to waive technical defects, irregularities and omissions if in his judgment the best interests of the County will be served.

10. Unless otherwise indicated herein, the Director reserves the right to make award by items, by classes, by group of items, or as a whole.

11. DELIVERIES Upon failure of the Vendor to deliver within the time specified, or within reasonable time as interpreted by the Director, or failure to make replacement of rejected articles, when so requested immediately or as directed by the Director, the Director may purchase from other sources to take the place of the item rejected or not delivered. The Director reserves the right to authorize immediate purchase from other sources against rejections on any order when necessary. On all-such purchases the Vendor agrees to promptly reimburse the County for excess cost occasioned by such purchases. Should the cost be less, the Vendor shall have no claim to the difference. Such purchases will be deducted from order quantity.

12. An order may be canceled at the Vendors expense upon nonperformance. Failure of the Vendor to furnish additional surety within ten (10) days from date of requested shall be sufficient cause for the cancellation of the order.

13. When in the determination of the Director, the articles or equipment delivered fail to meet County specifications or, if in the determination of the Director, the Vendor consistently fails to deliver as ordered, the Director reserves the right, to cancel the order and purchase the balance from other sources at Vendor expense.

14. Delivery must be made as ordered and in accordance with the bid. If delivery instructions do not appear on order. It will be interpreted to mean prompt delivery. The decision of the Director as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of order shall rest with the Vendor.

15. The County Agencies will not schedule any deliveries for Saturdays, Sundays or Legal Holiday, except commodities required for daily consumption or where the delivery is an emergency, a replacement, or is overdue, in which event the convenience of the Agency will govern.

16. Supplies shall be securely and properly packed for shipment, according to accepted commercial practice, without extra charge for packing cases, reels, bailing or sacks, the containers to remain the property of the agency unless definitely stated otherwise in the bid.

17. The Vendor shall be responsible for delivery of supplies in good condition at point of destination. The Vendor shall file all claims with carrier for breakage, imperfections and other losses, which will be deducted from invoices. The receiving Agency will note for the benefit of Vendor when packages are not received in good conditions.

18. All supplies which are customarily labeled or identified must have securely affixed thereto the original un-mutilated label or marking of the manufacturer.

19. Billings for deliveries must be rendered on County claim forms.

20. Furniture, machines, and other equipment must be delivered, installed and set in place as directed, ready for use unless otherwise specified.

21. Deliveries are subject to reweighing at destination by the County and payment will be made on the basis of materials delivered. Normal shrinkage will be allowed in such instances where shrinkage is possible. Short weight shall be sufficient cause for cancellation of order at Vendors expense.

22. GUARANTEES BY BIDDER Bidder hereby guarantees: (a) To save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance hereof of which the Bidder is not the Patentee, assignee or licensee, and to defend any action brought against the County in the name of the County and under the direction of the County Attorney at the sole cost of the Bidder or in the sole option of the Director to pay the cost of such defense to the County. (b) His products against defective material or workmanship and to repair any damages or marring occasioned in transit.

(c) To furnish adequate protection from damage for all work and to repair damages of any kind, for which he or his workmen are responsible, to the building or equipment, to this own work or the work of other Vendors, or in the opinion of the Director to pay for the same by deductions in payments due under this contract.

(d) To pay for ail permits, licenses and fees and give all notices and comply with all laws ordinances, rules and regulations of the city, village or town in which the installation his to be made, and of the County of Nassau and the State of New York.

(e) To carry proper insurance in the opinion of the Director, and approved by the County Attorney to protect the County from loss in case of accident, fire and theft.

(f) That he will keep himself fully informed, of all municipal ordinances and regulations, state and national laws in any manner affecting the work or goods herein specified, and any extra work contracted for by him, and shall at all times observe and comply with said ordinances, laws and regulations, including all provisions of the Workmen Compensation and Labor Laws, and shall indemnify and save harmless the County of Nassau and the Nassau County Legislature from loss and liability upon any and all Claims on account of any physical injury to persons, including death, or damage to property and from all cost and expenses in suits which may be brought against the same on account of such injuries irrespective of the actual cost of the same and irrespective of whether the same shall have been due to the negligence of the Bidder or his agents.

(g) That the items furnished shall conform to all the provisions of the bid and this warranty shall survive acceptance, or use of any material so furnished.

(h) That all deliveries will not be inferior to the accepted bid sample.

23. LABOR LAWS and ANTIDISCRIMINATION. Upon the vendor acceptance hereof, the vendor agrees to comply with Article IX, Section 2 C of the Constitution of the State of New York, Section 220 220a, 220b, 220d, 220e and 230 of the Labor Law, Section 5 and 12 of the Lien Law, Article 2 of the Uniform Commercial Code, Sections 108 and 109 as well as Article 18 of the General Municipal Law, Section 2218 of the County Government Law of Nassau County. Section 224.2 of the Nassau County Administrative Code, the provisions of the anti-Discrimination Order of Nassau County, and the vendor shall keep himself fully informed of all additional municipal ordinances and regulations, State and National Laws in any manner affecting this order and the goods or services delivered or rendered or to be delivered or rendered there under, and shall at all times observe and comply with said ordinances, laws and regulations at his sole cost and expense.

24. ASSIGNMENT. The contractor is hereby prohibited from assigned, transferring, conveying, subletting or otherwise disposing of this contract or his right, title, or interest therein, or his power to execute such contract, to any other person or corporation without the previous consent in writing of the officer, board or agency awarding the contract.

25. The County of Nassau will not be responsible nor liable for any shipment or delivery of any materials, supplies, or equipment without it's express written instructions or valid Purchase Order.

26. No agreements, changes, modifications or alterations shall be deemed effective nor shall the same be binding upon the County unless in writing and signed by the Director, Office of Purchasing or his duly/ designated representative.

Director. Office of Purchasing

Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/1/24
BIDDER **TITLE**

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition,

construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/6/15
BIDDER **TITLE**

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Prohibition of Gifts. In accordance with County Executive Order 2-2018, the Contractor shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with the Contractor on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

1) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;
2) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;
3) All Participating Employees have completed the acknowledgement required by the Vendor Code of Ethics;
4) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent under this Agreement;
5) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgements as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgements for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and
6) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work under this Agreement.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 3/16/21
BIDDER **TITLE**

INDEMNIFICATION:

Contractor agrees to indemnify and hold harmless County and its agents, officers and employees, from and against any and all losses, costs, expenses (including attorneys' fees and disbursements), damages and liabilities, arising out of or in connection with any acts or omissions of Contractor, its officers, agents or employees, provided, however, that Contractor shall not be responsible for that portion, if any, of a loss that is caused by the negligence of the County; and provided, further, that Contractor shall not be liable for consequential, indirect or special damages. Contractor shall, at County's demand and at County's direction, defend at its own risk and expense any and all suits, actions or legal proceedings which may be brought against County, its agents, officers or employees in connection with a loss for which Contractor is responsible under this paragraph.

DEFINITIONS:

- The term "County" as used herein, shall be deemed as reference to the County of Nassau, State of New York.
- The term "Contractor" as used herein, shall be deemed as reference to the successful bidder, vendor, proprietor, partnership, or corporation receiving an award to perform any or all of the services specified herein in accordance with the terms of this agreement.
- The term "agency" as used herein, shall be deemed as the department, division, bureau, office, agency or other Nassau County establishment authorized to receive the service specified herein.
- The term "Director" as used herein, shall be deemed as reference to the Director of the Office of Purchasing.
- The term "Blanket Order" as used herein, shall be deemed as the multiple use pricing agreement as a result of this bid.
- The term "Purchase Order" as used herein, shall be deemed as the single use pricing agreement as a result of this bid.
- The term "complete" as written in this bid must include all equipment, delivery and installation of same in its entirety, as listed in the contract documents, and is to include all supervision, labor, materials, plant equipment, transportation, testing, (if required) incidentals, and other facilities as necessary and/or required to execute all the work as herein specified, or as incidentally required to provide a complete operating installation.

NOTE: INSERT FEDERAL IDENTIFICATION NUMBER IN SPACE PROVIDED ON PAGE 1.

M/WBE, SDVOB and DBE Participation: The County encourages the participation of certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), Minority or Women-Owned Business Enterprises ("M/WBE"), and Disadvantaged Business Enterprises ("DBE") in the bidding process. A Contractor that is certified by New York State or the County as a SDVOB, M/WBE, and/or DBE should include this information in their bid. For more information regarding the County's SDVOB, M/WBE, or DBE programs, please visit the Nassau County Office of Minority Affairs website

REQUIRED VENDOR DISCLOSURE FORMS

Prior to the bid opening, the following disclosure forms (the "Disclosure Forms") must be submitted in the Nassau County Vendor Portal at

https://apex5.nassaucountyny.gov/ords/f?p=312:LOGIN_DESKTOP:3445712403627:

a. A duly completed and verified Business History Form, together with a current certified or verified financial statement and/or other commercially reliable written evidence of the bidder's credit, financial standing and capacity to perform in accordance with the terms of the Contract.

b. All officers, and any individuals who hold a ten percent (10%) or greater ownership interest in the bidder, shall complete and verify the Principal Questionnaire.

c. The County of Nassau Consultant's, Contractor's and Vendor's Disclosure Form

d. Additionally, if the bidder utilizes the services of any individual or organization for the purposes of conducting lobbying activities and is awarded the contract, the successful proposer will be required to provide a copy of the Lobbyist Registration and Disclosure Form, completed and verified by that individual/organization.

PLEASE NOTE:

- If a bidder has previously submitted the Disclosure Forms in the Nassau County Vendor Portal, the bidder must ensure that the forms on file in the Portal are current, accurate, and have been recertified within three (3) months prior to the bid opening date. The bidder must also ensure that their response to question 7, and its subparts, on the Consultant's, Contractor's, and Vendor's Disclosure Form is provided in relation to the specific solicitation under consideration.

Forms Must Be Uploaded in the Portal Prior to Submitting the Bid.

REQUESTS FOR INFORMATION OR CLARIFICATION

Before bidding, bidders must examine all of the Contract documents, including the specifications, any drawings, and all instructions. If the bidder finds any inconsistency, ambiguity, omission or error in the specifications, drawings, instructions or any other Contract document, or if the bidder is in doubt as to the meaning of any term or condition of the Contract, the bidder must promptly so notify the **Office of Purchasing** in writing prior to the bid opening. The failure of the bidder to notify the **Office of Purchasing**, prior to the bid opening of any inconsistency, ambiguity, omission or error that the bidder actually found, or that should have been discovered by a reasonably prudent bidder, will preclude and negate acceptance of the bidder's claim.

If the **Office of Purchasing** receives a notification from a bidder of a differing site condition or an inconsistency, ambiguity, omission or error in the Contract documents, the **Office of Purchasing** will, as it deems necessary or desirable, issue a written interpretation or correction to the Contract documents as an amendment to the Contract documents. Any such amendment will be made available electronically to each person that received a copy of the Contract documents as reflected in the records of the **Office of Purchasing** , and any such amendment will also be available at the place where the Contract documents are available for inspection by prospective bidders.

Upon such mailing or delivery, such amendment shall become part of the Contract documents and shall be binding on all bidders, whether or not they have had actual notice of such addendum.

Please note that all bidder requests for information or clarification must be received by the Authority at least 72 hours prior to the bid opening. Any bidder requests for information or issues with the contract documents presented after that time may not be addressed by the Office of Purchasing.

Ordinance # 153-2018

Pursuant to Ordinance # 153-2018, a bidder that is awarded a contract under this bid is required to pay the County an administrative service charge in accordance with the following schedule:

Value of Contract	Administrative Fee
$0-$10,000	$0
Over $10,000-$50,000	$160
Over $50,000-$100,000	$266
Over $100,000	$533

After an award, the successful bidder(s) will be notified by the Director of Shared Services, or their designee, when payment of the administrative charge is due. Please note, if you are a religious, charitable, nonprofit, or not-for-profit organization, please include this information in your bid for consideration by the Director of the Shared Services to waive the fee.

Ordinance # 72-2014

The bidder declares that they are a registered vendor with the County. All registered vendors must pay a Two Hundred Seventy-Five Dollar ($275.00) per contract fee to register Blanket contracts on the County's procurement website, as required under Ordinance # 72-2014.

OFFICE OF PURCHASING
COUNTY OF NASSAU STATE OF NEW YORK

FORMAL SEALED BID PROPOSAL
94127-05056-109

PURPOSE: The purpose of this bid is to establish a price structure on which items and/or services will be made under Blanket Orders.

INTENT

SCOPE: It is the INTENT of the County of Nassau to properly describe by these specifications, terms and conditions an adequate method of providing **OIL BURNER MAINTENANCE REBID.**
for the agency or agencies named herein in order that they may enjoy uninterrupted service in consideration for payment of the price bid.

AWARD: Award, if any, will be made to the lowest responsible bidder, who in the opinion of the Director of Purchasing, meets the specifications and qualifications stated herein. The Director of Purchasing reserves the right to make an award be items, groups, or classes of items or as a whole. Awards will be made in accordance with the terms and conditions attached hereto and made part hereof.

PERIOD COVERED: Shall be for one (1) year from the effective date. The County of Nassau reserves the right to extend the Blanket Order up to an additional four (4) year(s), at up to one (1) year options. However, the termination of the Blanket Order may be further extended up to two (2) months beyond the stated termination date. The maximum period of any Blanket Order as a result of this bid with renewal options applied shall be five (5) year(s), and if the further extension is applied, five (5) years and two (2) months.

ALL EXTENSIONS ARE SUBJECT UPON THE MUTUAL CONSENT OF BOTH PARTIES.

PAYMENT IN DETAIL: Billing shall be rendered in detail, listing parts and materials used, their prices and labor shown in hours and extended rates.

PAYMENT: A certified invoice, or a County claim form to which the invoice is attached, shall be submitted in arrears, directly to the using agency, supported by vouchers signed by agency personnel attesting to satisfactory completion of the required services as specified.
****************************VENDOR CLAIM CERTIFICATION*************************

If a claim voucher is not being submitted, the following certification MUST appear on the invoice:

I hereby certify that all items or services were delivered or rendered as set forth in this claim; that the prices charged are in accordance with referenced purchase order, delivery order or contract, that the claim is just, true and correct; that the balance stated herein is actually due and owing and has not been previously claimed; that no taxes from which the County is exempt are included; and that any amounts claimed for disbursements have actually and necessarily been made.

Michael W. Rapuano — **Claimant Name**
5/1/26 — **Date**
By Signature
President — **Title**

CLAIM VOUCHERS AND CERTIFIED INVOICES NOT PROPERLY COMPLETED WILL BE RETURNED TO YOU UNPAID.

RETENTION OF BID: Vendor is required to make a copy of his completed bid document and applicable attachments. Any purchase orders issued against this bid will refer to the bid and attachments to designate items awarded.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ **BIDDER**
President 5/1/26 — **TITLE**

METHOD OF BIDDING: Please submit unit price in the appropriate column.

ADDITIONAL BIDS: The County reserves the right, for any un-contemplated additional requirements of extraordinary quantities of particular items to call for new bids, therefore, whenever in the opinion of the Director of the Office of Purchase it is in the best interests of the County of Nassau to do so.

TAX PROVISION: Purchases made by the County of Nassau are not subject to State, Local Sales Taxes or Federal Excise Taxes. Federal Exemption #A-109538 State Exemption #EX 7213062C. The County of Nassau is not subject to any Existing "Fair Trade Agreements" and bidders should be governed accordingly.

INSURANCE AND WORKERS COMPENSATION: The successful bidder agrees to obtain from an insurance company, authorized to do business in the State of New York, and keep in force during the term of any agreement, a policy of Comprehensive and General Liability Insurance naming the Contractor as an insured, and naming the County of Nassau as an additional insured, including but not limited to the torts and negligence of Contractor's personnel, with a combined minimum single limit of three million dollars ($3,000,000.00) for bodily injury and property damage for any one occurrence at the Contractor's sole cost and expense. Evidence of insurance may be required prior to Notice of Award or issuance of a Purchase Order.

The Contractor shall comply with all provisions of the Workers' Compensation Law and shall furnish a certificate showing evidence of current coverage.

GENERAL CONDITIONS:

All repairs to be made in accordance with the Occupational Safety and Health Administration safety requirements.

Contractor will furnish all labor, materials, transportation, tools, instrumentation, parts and accessories necessary to repair and restore the equipment to optimum operating condition.

All Contractor personnel assigned to any requirement of a contract established must be fully qualified and cognizant of the required and applicable electrical codes and safety requirements, and must adhere to them.

All parts supplied must match and inter-member without modification to the designated equipment, and must be in accordance with the specifications of the manufacturer of the part to be replaced.

Except as otherwise specified, all contract requirements will be performed at the site as required.

Any requirement to remove any part of the equipment or system(s), to the Contractor's shop, must be approved by an authorized agency representative. Nassau County shall supply all utilities which are available on location insofar as compatibility requirements permit.

All requirements performed by the Contractor will be subject to inspection and approval by an authorized designated representative of Nassau County.

Employees of the Contractor, while on service call, shall carry identification badges or cards and shall be instructed to submit same to scrutiny upon request of security or supervisory personnel of Nassau County.

NON-ASSIGNMENT: In accordance with Section 138 of the State Finance Law, the contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of Nassau County and any attempts to assign the contract without the County's written consent are null and void.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 3/16
BIDDER **TITLE**

FIRM PRICES Price shall remain firm for the first year of the Blanket Purchase Order and no upward escalation will be permitted. Thereafter, increases in labor and/or material(s) costs may be considered provided they are based on certified labor contracts, uncontrollable materials costs which can be verified in national publications or other increases auditable by the County of Nassau. The burden of proof for such increases shall be upon the Contractor and shall be formally directed to the Director of Purchasing. The decision as to whether or not such increases will be granted shall be made by the Director of Purchasing and shall be final. In the event an increase in not granted when requested, the Contractor may elect to continue at the bid prices or given written notice of termination, upon receipt of which the Blanket Purchase Order will be re-bid.

TERMINATION PREROGATIVE: The Director reserves the right to cancel the Blanket Order by giving not less than thirty (30) days written notice that, on or after a date therein specified, the contract shall be deemed terminated and cancelled.

DISCLAIMER
Any Blanket Purchase Order issued as a result of this bid will establish terms and conditions pursuant to which certain materials and/or services are to be supplied or performed, from time to time, for a specified period upon issuance by the County of Delivery Orders. The Blanket Purchase Order is non-exclusive and the County is not bound to purchase, and no materials are to be delivered or services performed without a Delivery Order. The County shall be under no obligation whatsoever to issue such Delivery Orders. The Blanket Purchase shall not apply in any way to items of material or service deemed by the County in its sole discretion to be extraordinary or involve any special conditions, quantities, circumstances or complexities.

NEW YORK STATE PRICES: Bidders must represent and warrant that if they are under contract with New York State for items specified herein, that the price quoted to the County is not higher than the price per unit quoted to New York State for like quantities.

VENDOR RESPONSIBILITY CRITERIA: The Director of Purchasing reserves the right before making an award to make investigations as to whether or not the qualifications, services, facilities or items offered by the bidder meet the requirements set forth herein and are ample and sufficient to ensure the proper performance in the event of an award. The bidder must be prepared, if requested by the Director of Purchasing, to present evidence of experience, ability, financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which the vendor is bidding. Upon request of the Director, the successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bid are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing, or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the forgoing shall mean or imply that it is obligatory upon the Director to make any examinations before an award; and it is further understood that, if such examination is made, it in no way relieves the bidder from fulfilling all requirements and conditions of the bid.

NON-COLLUSIVE BIDDING CERTIFICATION REQUIRED BY SECTION 139-D OF THE STATE FINANCE LAW

BY SUBMISSION OF THIS BID, BIDDER AND EACH PERSON SIGNING ON BEHALF OF BIDDER CERTIFIES, AND IN THE CASE OF A JOINT BID, EACH PARTY THERETO CERTIFIES AS TO ITS OWN ORGANIZATION, UNDER PENALTY OR PERJURY, THAT TO THE BEST OF HIS/HER KNOWLEDGE AND BELIEF:
[1] The prices of this bid have been arrived at independently, without collusion, consultation, communication, or agreement for the purposes of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor;
[2] Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly, to any other Bidder or to any competitor; and
[3] No attempt has been made or will be made by the Bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

FAILURE TO COMPLETE THIS FORM AND SIGN IN APPROPRIATE PLACE MAY RESULT IN AUTOMATIC REJECTION OF THE BID.

GENERAL INSTRUCTIONS: All bidders must adhere to the following conditions:

As per New York State Municipal Law 103, no exception can be taken to any material term and/or condition of this bid with the exception of any warranties as presented in this bid for the specific commodity or service required.

Any language in any proposal or document submitted by a bidder as part of their bid that is accepted by the County of Nassau cannot be in conflict with any material term and/or condition relevant to this bid with the exception of any warranties or the specifications of the commodity of service required by this bid. If there is any conflict between the bidder's terms and conditions and the terms and conditions of this bid, the terms and conditions of this bid shall govern.

Bidders must insert **FEDERAL IDENTIFICATION NUMBER** in the space provided on page one of this bid.

Late Formal Sealed Bids will NOT be accepted. Bidders are urged to mail bids early to assure delivery on time. Bids must be received by 11:00 A.M. on the bid opening date.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

Prices **MUST** be inserted with **TYPEWRITER OR INK**. Entries with **WHITE OUT**, **CROSS-OUTS OR LIFT-OFF TAPE MUST** BE INITIALED or that entry will be disqualified.

Bidders should submit bid with unit price in the appropriate column on bid pages or forms attached hereto. In the event of a discrepancy between the unit price and the extension, the unit price shall govern. Bidders shall submit one (1) original bid document and all applicable attachments. Any order issued against this bid will refer to the bid and attachments to designate items awarded. Bidders agree that all, Direct Purchase Orders and/or Purchase Orders shall be effective and binding upon the Contractor when place in the mail, addressed to the Contractor at the address shown on the Direct Purchase Order or the Purchase Order.

Bidders **MUST** state manufacturer's name and catalog number of each item bid.

ABSOLUTELY NO MINIMUM ORDERS shall be applied to this bid.

Purchases made by Nassau County are not subject to State or Local Sales Tax or Federal Excise Taxes.

Federal Exemption Number: A-109538 **State Exemption Number: EX 7213062C**

Inside (receiving dock) delivery is required on all orders.

The rights and obligations of the parties under this agreement shall be governed by the laws of the State of New York.

Bids are hereby solicited for the commodities and/or services specified herein which are to be delivered and/or performed at the locations indicated, and in strict accordance with all specifications, terms and conditions attached hereto and made part hereof.

Bid document must be signed by proprietor, partner or corporate officer.

The clauses contained in these bid forms set forth the wishes of the County of Nassau in regard to the purchase and/or services required. However, the Director reserves the right to waive irregularities, omissions, or other technical defects if, in its judgment, the best interest of the County of Nassau will be served accordingly.

Bidders may take exception to paragraphs of the bid under a separate cover letter to be attached to this bid, indicating the specific bid page, paragraph and the exception(s). In any event, the decision of the Director will be final.

Qualification statement **MUST BE COMPLETED** and submitted with bid. See page 4 for further details

IMPORTANT NOTE: The Director reserves the right to accept or reject any and all bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Director determines the best interests of the County of Nassau will be served. The Director, in his sole discretion, may accept or reject illegible, incomplete or vague bids and his decision shall be final. A conditional or revocable bid which clearly communicates the terms or limitations of acceptance may be considered and contract award may be made in compliance with the bidder's conditional or revocable terms in the offer. Prior to award, the Director reserves the right to seek clarifications, request bid revisions, or to request any information deemed necessary for proper evaluation of bids from all bidders deemed to be eligible for contract award. Failure to provide requested information may result in rejection of the bid.

EVALUATION:

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President
BIDDER **TITLE**

The Director of the Office of Purchasing (hereinafter known as the Director) reserves the right before making award to make investigations as to whether or not the items, qualifications, services or facilities offered by the Bidder meet the requirements set forth herein and are ample and sufficient to insure the proper performance in the event of an award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which he his bidding. Upon request of the Director of Purchasing, successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

NON PERFORMANCE

The Contractor agrees that in the event any of the services provided for under the terms of this contract should in any way be omitted or unsatisfactorily performed by the Contractor and/or his employees, the county shall so notify the contractor verbally and follow with a written notification of the deficient services for immediate correction. In the event the Contractor does not correct the deficient services after receipt of written notification, the Nassau County Department concerned will deduct a percentage based on the work not performed or performed unsatisfactorily from the Contractor's claim for the period covered. If the Contractor continues to omit or unsatisfactorily perform the required services, the County will arrange for the work to be done by another contractor and the cost of such work shall be deducted from any monies due or that may become due to the Contractor.

PARTS:

Charges for parts used to complete work under this contract are required to be itemized on invoices and may be summarized on claims. The part thus billed should be identified by manufacturer and manufacturer's part number. Such charges for parts will be as enumerated in the PRICING SCHEDULE section above, and all instructions must be complied with in order to receive payment.

In any event, THIS CONTRACT MAY NOT BE USED TO PURCHASE PARTS ONLY

Vendor agrees, if requested, to provide the User Agency, the County Comptroller, or authorized representative of the Office of Purchasing with copies of such manufacturer's list prices.

The Cost Plus rate stated above will be paid only when there is no manufacturer's list price, and when billing is accompanied by a written notice from the part manufacturer advising that it does not issue price lists or that the particular item(s) in question do not have a list price.

Bidders (Contractors) are hereby advised that to insure and facilitate payment, the following information must accompany the contractor's claim:

Time sheet signed by authorized County personnel. Time sheets shall show travel time, if any, time of arrival, time of departure and hours worked.

Details of parts used

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/16/25
BIDDER **TITLE**

If parts used are regularly carried in stock and manufacturer's price lists are used to price repair invoices, the contractor should furnish a copy of the price list to the Office of Purchasing. If parts are purchased to complete the repair, photocopies of the invoices must be furnished with the claim. Compliance with the above is necessary in order to expedite payment.

REPLACEMENT PARTS: The requirements specified herein represent, for the most part, replacement and/or repair components to existing and presently owned equipment, and must match and inter-member without modification with the equipment and systems indicated.

PRICE LISTS AND DISCOUNTS: Bidders may attach price lists and catalogs indicating discounts available to the County for all other products not listed herein. New items may be added to the price list at the then current price at the same discount schedule during the life of the contract.

PRICE LIST AND CATALOG SERVICE: The successful bidder shall furnish, upon request, price lists and catalogs to agencies authorized to use the Blanket Order which may be awarded under this bid. Photocopies will be accepted in lieu of originals. Two (2) copies of the current price list/catalog must be sent to the Nassau County Office of Purchasing. Failure to keep the Nassau County Office of Purchasing advised of price list/catalog changes may delay the processing of payments.

RECORD RETENTION
Contractor shall retain complete and accurate records and documents related to this Agreement for six (6) years following the later of termination or final payment. Such records shall at all times be available for audit and inspection by the County.

Governing Law – Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

Pursuant to State Finance Law §§139-j and 139-k, this Bid includes and imposes certain restrictions on communications between a Governmental Entity and an Offeror/bidder during the procurement process. An Offeror is restricted from making contacts from the earliest posting, on a Governmental Entity's website, in a newspaper of general circulation, or in the procurement opportunities newsletter in accordance with article four-C of the economic development law of written notice, advertisement or solicitation of a request for proposal, invitation for bids, or solicitation of proposals, or any other method provided for by law or regulation for soliciting a response from Offerors intending to result in a Procurement Contract with a Governmental Entity through final award and approval of the Procurement Contract by the Governmental Entity and, if applicable, the Office of the State Comptroller ("Restricted Period") to other than the Designated Contacts for the Governmental Procurement unless it is a Contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). The Designated Contact(s) for this Governmental Procurement, as of the date hereof, are identified on the first page of this solicitation. County employees also are required to obtain certain information when Contacted during the Restricted Period and make a determination of the responsibility of the Offeror pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4-year period, the Offeror is debarred from obtaining governmental Procurement Contracts.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 3/1/05
BIDDER **TITLE**

Further information about these requirements can be found on the County's website. All questions or concerns regarding this Bid must be directed to the designated contact person named on the first page of the bid.

OFFEROR'S AFFIRMATION OF UNDERSTANDING OF AND AGREEMENT PURSUANT TO STATE FINANCE LAW §139-j(3) and §139-j(6)(b)

Offeror Certification:

Offeror affirms that it understands and agrees to comply with the procedures of the Government Entity relative to permissible Contacts as required by State Finance Law §139-j(3) and §139-j(6)(b).

BIDDER TITLE

NY STATE LABOR LAW

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

a. "Public Works" and "Building Services" - Definitions

i. Public Works Labor Law Article 8 applies to county contracts for public improvements in which laborers, workers or mechanics are employed on a "public works" project (distinguished from public "procurement" or "service" contracts).

ii. Building Services Labor Law Article 9 applies to Contracts for building service work with the county, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

b. Prevailing Wage Rate Applicable to Bid Submissions A *copy of the applicable prevailing wage rates to be paid or provided are annexed* to the Bid Documents. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified. Information indicating that prevailing wages are not being paid on a public works project will be forwarded to the New York State Department of Labor for investigation. Willful violations of the prevailing wage provisions of the Labor Law may result in debarment from the bidding and award of public contracts.

c. Wage Rate Payments / Changes During Contract Term The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.

d. Public Posting & Certified Payroll Records In compliance with Article 8, Section 220 of the New York State Labor Law:

i. Posting The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.

ii. Payroll Records Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over $25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.

iii. Submission of Certified Payroll Transcripts for Public Works Contracts Only Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to the project manager for a public works project.

iv. Records Retention Contractors and Subcontractors must preserve copies of such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

If this contract is for Building Service Work as defined in Article 9 of the Labor Law, State law prohibits other political subdivisions and districts within the County from making purchases pursuant to this agreement.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ President 5/16
BIDDER **TITLE**

The County Living Wage Law, Title 57, Section 3(a)(i), states: employers who provide building services shall pay their employees no less than the living wage, as required by this section, or the prevailing wage, whichever is greater. In future bidding procedures, the requirement should be "vendor must pay the prevailing wage, or the County Living Wage, whichever is greater", or similar language.

Re: Low Vendor Response – Oil Burner Maintenance Bid

The solicitation was posted on the solicitation board and advertised in the New York Post and New York State Contract Reporter. Two vendors viewed the solicitation. All vendors that viewed the solicitation were contacted as a reminder of the bid opening date. The bid was advertised from 4/16/26-5/19/26 to encourage participation. We received only one bid. We also included a list of equipment and offered a walk through in the bid. Please note this was rebid, and it did not result in additional competition.

RULES RESOLUTION NO. -2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO AWARD AND EXECUTE A CONTRACT BETWEEN THE COUNTY OF NASSAU ACTING ON BEHALF OF THE NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS AND H & L CONTRACTING, LLC.

WHEREAS, in accordance with all Federal, State and Local Law, the County of Nassau on behalf of the NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS ["Department"] has received competitive bids for contract H63029-26GR, REHABILITATION OF BANNISTER CREEK BRIDGE – PIN 0762.06 - NASSAU COUNTY, NY ["Contract"], as more particularly described in the contract documents, a copy of which are on file with the Clerk of the Legislature; and

WHEREAS, the firm of H & L CONTRACTING, LLC.

["Vendor"] has submitted the lowest responsible bid for the work described in the contract in accordance with all Federal, State and Local Law as determined by the Department, and

WHEREAS, the funding for this contract is from capital funds approved by the Nassau County Legislature and included in the current four year capital plan, and

WHEREAS, the Commissioner of the Department is representing that the total contract is estimated to be $ 5,864,790.00, now therefore be it

RESOLVED, that the Rules Committee of the Nassau County Legislature, based on the representations of the Department and the recommendation of the Commissioner of the Department, authorizes the County Executive to award and execute the said contract with the vendor.

FORM OF BID BOND

IMPORTANT The bidder shall instruct the Surety Company to **USE THIS FORM PROVIDED** as the use of **ANY OTHER FORM** may cause rejection of the bid.

KNOW ALL MEN BY THESE PRESENTS,

that we, the undersigned H&L Contracting, LLC

as Principal; and Arch Insurance Company as surety, who is Licensed to do business in the State of New York, are hereby firmly bound unto the County of Nassau in the penal sum of

Ten Percent of Amount Bid-- dollars ($ 10%--) for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

Signed, this 26th day of May, 2026

The conditions of the above obligation is such that whereas the Principal has submitted to the County of Nassau a certain Bid attached hereto and hereby made a part hereof, to enter into a contract in writing for the work under Contract No. H63029-26GR for the

Rehabilitation of Bannister Creek Bridge, Nassau County, NY

NOW, THEREFORE, the conditions of this obligation are such that if the Principal shall not withdraw said proposal except by mutual consent of the County of Nassau within a period of forty-five (45) days after the opening of bids and in the event of acceptance of the Principal's proposal, if the Principal shall,

a. when notified by the County, execute all necessary counterparts of the contract as set forth in the contract documents in accordance with the proposal as accepted; and

b. furnish bonds and other security as specified in the contract documents for the faithful performance and proper fulfillment of such contract, which bonds or other security shall be satisfactory in all respects to the County; and

c. in all respects, comply with the provisions set forth in the invitation to bid; or if the County of Nassau shall reject the aforesaid proposal for a reason other than the Principal's failure to satisfy the County that he has the necessary skill, experience and liquid assets required for the contract as stated in the documents aforesaid, then this obligation shall be null and void; otherwise to remain in full force and effect.

NO TEXT ON THIS PAGE

Provided, however, that this bond is subject to the following additional conditions and limitations.

a. In the event that the Principal fails to submit a financial statement when required by the County or in the event that an examination of the Principal indicates to the County that the Principal does not meet the financial requirements required by the County, the undersigned will, upon demand, pay to the County of Nassau, as liquidated damages for the Principal's failure to meet such requirements, a sum equal to the amount that would have been required by a certified check if the same were delivered in accordance with the provisions of the contract documents and specifications herein stated.

b. In case the Principal shall default in the performance of any provision the undersigned will upon demand pay to the County of Nassau the full amount of the damages sustained by the County of Nassau by reason of such default, except however, it is expressly understood and agreed that the liability of the surety for any and all claims hereunder shall in no event exceed the amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that the obligation of said Surety and its bond shall be in no way impaired or affected by any extension of time within which the County of Nassau may accept such Bid; and said Surety does hereby waive notice of any such extension.

NO TEXT ON THIS PAGE

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

POWER OF ATTORNEY

ATTENTION: Insert the "Power of Attorney" after this page in with your bid submission.

This Power of Attorney limits the acts of those named herein, and they have no authority to bind the Company except in the manner and to the extent herein stated. Not valid for Note, Loan, Letter of Credit, Currency Rate, Interest Rate or Residential Value Guarantees.

POWER OF ATTORNEY

Know All Persons By These Presents:
That the Arch Insurance Company, a corporation organized and existing under the laws of the State of Missouri, having its principal administrative office in Jersey City, New Jersey (hereinafter referred to as the "Company") does hereby appoint:

Benedict J. Tockarshewsky, Dominick Scotto, Marnie Ginsburg, Maureen A. Grande, Raymond C. Carman, Theresa A. Lanfranco and William D. Haas of White Plains, NY (EACH)

its true and lawful Attorney(s)in-Fact, to make, execute, seal, and deliver from the date of issuance of this power for and on its behalf as surety, and as its act and deed: Any and all bonds, undertakings, recognizances and other surety obligations. This authority does not permit the same obligation to be split into two or more bonds In order to bring each such bond within the dollar limit of authority as set forth herein.

The execution of such bonds, undertakings, recognizances and other surety obligations in pursuance of these presents shall be as binding upon the said Company as fully and amply to all intents and purposes, as if the same had been duly executed and acknowledged by its regularly elected officers at its principal administrative office in Jersey City, New Jersey.

This Power of Attorney is executed by authority of resolutions adopted by unanimous consent of the Board of Directors of the Company on August 31, 2022, true and accurate copies of which are hereinafter set forth and are hereby certified to by the undersigned Secretary as being in full force and effect:
"**VOTED**, That the Chairman of the Board, the President, or the Executive Vice President, or any Senior Vice President, of the Surety Business Division, or their appointees designated in writing and filed with the Secretary, or the Secretary shall have the power and authority to appoint agents and attorneys-in-fact, and to authorize them subject to the limitations set forth in their respective powers of attorney, to execute on behalf of the Company, and attach the seal of the Company thereto, bonds, undertakings, recognizances and other surety obligations obligatory in the nature thereof, and any such officers of the Company may appoint agents for acceptance of process."

This Power of Attorney is signed, sealed and certified by facsimile under and by authority of the following resolution adopted by the unanimous consent of the Board of Directors of the Company on August 31, 2022:

VOTED, That the signature of the Chairman of the Board, the President, or the Executive Vice President, or any Senior Vice President, of the Surety Business Division, or their appointees designated in writing and filed with the Secretary, and the signature of the Secretary, the seal of the Company, and certifications by the Secretary, may be affixed by facsimile on any power of attorney or bond executed pursuant to the resolution adopted by the Board of Directors on August 31, 2022, and any such power so executed, sealed and certified with respect to any bond or undertaking to which it is attached, shall continue to be valid and binding upon the Company. **In Testimony Whereof**, the Company has caused this instrument to be signed and its corporate seal to be affixed by their authorized officers, this **21st day of July, 2023**.

CERTIFICATE OF SOLVENCY

ATTENTION: Insert the "Certificate of Solvency" after this page in with your bid submission.

STATE OF NEW YORK
DEPARTMENT OF FINANCIAL SERVICES

CERTIFICATE OF SOLVENCY UNDER SECTION 1111 OF THE NEW YORK INSURANCE LAW

It is hereby certified that

Arch Insurance Company
of Kansas City, Missouri

a corporation organized under the laws of Missouri and duly authorized to transact the business of insurance in this State, is qualified to become surety or guarantor on all bonds, undertakings, recognizances, guaranties, and other obligations required or permitted by law; and that the said corporation is possessed of a capital and surplus including gross paid-in and contributed surplus and unassigned funds (surplus) aggregating the sum of $3,278,976,444. (Capital $5,000,000), as is shown by its sworn financial statement for the quarter ending, December 31, 2025, on file in this Department, prior to audit.

The said corporation cannot lawfully expose itself to loss on any one risk or hazard to an amount exceeding 10% of its surplus to policyholders, unless it shall be protected in excess of that amount in the manner provided in Section 4118 of the Insurance Law of this State.

In Witness Whereof, I have here-unto set my hand and affixed the official seal of this Department at the City of Albany, this 17th day of April 2026.

2. The bidder misstates or conceals any material fact in the bid,or in the sworn written statement; or if
3. The bid does not strictly conform to law or the requirementsof this contract; or if
4. The bid is conditional; or if
5. A determination that the bidder is not responsible is made inaccordance with law; or if
6. The bid, in the opinion of the Commissioner, containsunbalanced bid prices, unless the bidder can show that the prices are not unbalanced for the probably required quantity of such items.

B. Rejection of all bids and waiver of informalities.

The Commissioner, however, reserves the right to recommend to reject all bids whenever he deems it in the best interest of the County, and also the right to waive any informalities in a bid. II. Unit Price Contracts, Comparison of Bids.

Bids on Unit Price Contracts will be compared on the basis of a total bid price, arrived at by taking the sum of the Approximate Quantities of such item multiplied by the corresponding Unit Price, and including any Lump Sum Bid on individual items, in accordance with the items set forth in the bid proposal.

Bidders are warned that the Approximate Quantities of the various items of work and material is estimated only, and is given solely to be used as a uniform basis for the comparison of bids. The quantities actually required to complete the contract work may be more or less than estimated. "If

there are any changes to be made to the contract - item quantity changes, etc. - after NYSDOT Design approval - any addenda must be submitted to NYSDOT Design group for their review and approval **prior to letting the project"**.

III. Lump Sum Contracts, Comparison of Bids.

Bids on lump Sum Contracts will be compared on the basis of the Lump Sum Price bid adjusted for alternate prices bid, if any.

IV. Apprenticeship Training Program

For all contracts in excess of $500,000.00 attach here state verification letter regarding your firm's having an approved of New York Apprenticeship Training Program.

CONTRACTOR CERTIFICATION STATEMENT REGARDING

STORM WATER POLLUTION AT THE WORK SITE

I certify under penalty of the law that I understand and agree to comply with the terms and conditions of the pollution prevention plan for the construction site identified in such plans as a condition of authorization to discharge storm water. I also understand the operator (Nassau County) must comply with the terms and conditions of the New York State Pollution Discharge Elimination System ("SPDES") general permit for storm water discharges from construction activities and that it is unlawful for any person to cause or contribute to a violation of water quality standards. Finally, I understand my contractual obligations in the matter as outlined in the contract documents.

CONTRACTOR'S NAME: H&L Contracting LLC

TELEPHONE NUMBER: 631-813-2266

WORK SITE OR FACILITY NAME: Bannister Creek Bridge

WORK SITE OR FACILITY ADDRESS OR OTHER IDENTIFYING DESCRIPTION: Bannister Creek Bridge Village of Lawrence, Town of Hempstead

Signature 5/26/26 Date

MINORITY, WOMEN'S AND DISADVANTAGED GOALS

The New York State Department of Transportation has established the following utilization goals for this contract in accordance with §§102-12 of the New York State Standard Specifications. The goals are expressed as a percentage of the total bid price.

~~In accordance with EI 25-004 Revisions to Standard Specification §102-12 DBE Participation~~ **~~All Bidders shall submit a complete DBE Participation Package with their bid proposal.~~** ~~The DBE Participation Package shall include a summary of the confirmed DBE commitments (i.e., AAP 14 for paper bids); DBE confirmation on Department provided forms (i.e., AAP 20, AAP 22, and AAP23) for each DBE firm for the type and amount of work shown in the summary of commitments; and sufficient good faith effort documentation (if required).~~

In addition, per 49 CFR 26.11, all Bidders shall submit with their bid proposal a Bidder's List (i.e., CONR 80 Bidder's List) which contains information for all Subcontractors, both DBEs and non DBEs, who provided quotes on the contract.

PLEASE REVIEW §102-12F SUBMISSION OF PROPOSALS AND §102-12G DBE PARTICIPATION PACKAGE IN ITS ENTIRETY PRIOR TO SUBMITTING BID.

For Clarification of Utilization Requirements refer to New York State Specification §102-12

MBE Goal – **0 percent**
WBE Goal – **0 percent**

EEO Participation Goals for Minority – **5.8%**

EEO Participation Goals for Women – **6.9%**

Disadvantaged Business Enterprise (DBE) Goal – **0%**

Directories and/or information related to the current certification status of Disadvantage Business Enterprises can be obtained by contacting the:

New York State Department of Economic Development

One Commerce Plaza
Albany, New York 12223
(518) 473-6442

Disadvantaged Business Enterprise Officer

The Bidder shall designate and enter below the name of a Disadvantaged Business Enterprise Officer who will have the responsibility for and must be capable of effectively administering and promoting an active Disadvantaged Business Enterprise Program and who must be assigned adequate authority and responsibility to do so.

Bidder Designated DBE Officer

Phil Coward, Project Manager

Certification Regarding
Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions
(Sub-Recipient)

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR Part 67, Section 67.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 *Federal Register* (pages 19160-19211).

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department of agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

H+L Contracting LLC
Name of Organization

140 Adams Avenue, Suite B14, Hauppauge, NY 11788
Address of Organization

OJP FORM 4061/1 (REV. 2/89) Previous editions are obsolete

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

MacBride Fair Employment Principles

NONDISCRIMINATION IN EMPLOYMENT IN NORTHERN IRELAND:
MACBRIDE FAIR EMPLOYMENT PRINCIPLES

In accordance with Chapter 807 of the Laws of 1992 the bidder, by submission of this bid, certifies that it or any individual or legal entity in which the bidder holds a 10% or greater ownership interest, or any individual or legal entity that holds a 10% or greater ownership interest in the bidder, either: (answer yes or no to one or both of the following, as applicable),

(1) have business operations in Northern Ireland,

Yes ___ No X

if yes:

IRAN DIVESTMENT ACT – CERTIFICATION

Pursuant to New York State Finance Law §165–a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site http://www.ogs.ny.gov/about/regs/docs/List of Entities.pdf a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

X **a. Certification that the Bidder is not on the List:** Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,

___ **b. Certification that the Bidder's investment in Iran is ceasing:** The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.

APPENDIX 2
IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By entering into this Contract, Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list. Additionally, Contractor agrees that after the list is posted on the OGS website, should it seek to renew or extend the Contract, it will be required to certify at the time the Contract is renewed or extended that it is not included on the prohibited entities list. Contractor also agrees that any proposed Assignee of the Contract will be required to certify that it is not on the prohibited entities list before the New York State Department of Transportation (NYSDOT) may approve a request for Assignment of Contract

During the term of the Contract, should NYSDOT receive information that a person is in violation of the above-referenced certification, NYSDOT will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then NYSDOT shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

NYSDOT reserves the right to reject any request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

APPENDIX 2-S
IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By entering into a renewal or extension of this Contract, Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Contractor understands that during the term of the Contract, should NYSDOT receive information that a person is in violation of the above-referenced certification NYSDOT will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then NYSDOT shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

NYSDOT reserves the right to reject any renewal, extension or request for assignment for an entity that appears on the prohibited entities list hereafter and to pursue a responsibility review with respect to any entity that is granted a contract extension/renewal or assignment and appears on the prohibited entities list thereafter.

PROPOSAL: For all work in accordance with the drawings and specifications:

QUALIFICATION STATEMENT

Note: All blanks in the form are to be filled in. Where blanks are not applicable to your firm, so indicate in each instance.

1. How many years has your firm been in the business under your present business name? 13

2. How many years experience in the construction work of a similar type as this contract has your firm had;

   a. as a Prime Contractor 20+

   b. as a Subcontractor 20+

3. List below the construction projects your firm has under way as of this date:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer
see attached			

(use additional blank sheets if additional space is necessary)

4. List the projects which your firm as a firm has performed in the past few years which you feel will qualify you for this work:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer
see attached			

(use additional blank sheets if additional space is necessary)

5. Have you:

   a. ever failed to complete any work awarded to You? No
   If so; identify the project, the owner, the contract amount, the circumstances and date of all such failures to complete.

   b. ever been defaulted on a contract? No
   If so; identify the project, the owner, the contract amount, the circumstances and the date of all default actions

Chapter 11: PROHIBITION ON RETALIATION

Section 11.01 Prohibition

Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

Adverse Job-Related Action includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

Contact means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

Designated Point(s) of Contact means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

Nassau County Employee means any officer, official or employee of Nassau County.

Family Member means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

Gift means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

Nassau County Code of Ethics means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

Participating Employee means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

Participating Nassau County Employee means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

Primary Contracting Party means a Vendor who intends to directly enter into or has a contract with Nassau County.

Retaliatory Action is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

State Procurement Lobbying Law means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

Vendor means any individual or entity seeking to or doing business

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

Chapter 3: GIFTS OR CONTINGENT FEES

Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

(a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;

(b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

Section 3.03 Contingent Fees

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT

Section 4.01 Restrictions During the Procurement Process

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

procurement should be directed to the Designated Point of Contact for the procurement.

Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

(i) 30 days from the time the matter before the Employee is closed, or
(ii)30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

Chapter 5: CONFLICT OF INTEREST

Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

Section 5.02 Personal Business Dealings

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

Section 5.03 Disclosure and Cooperation

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

Section 5.04 Confidential Information

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

If the Vendor receives from any source confidential or proprietary Nassau County information prior to the award of a resulting contract and, where applicable, approval by the County Legislature, without the explicit approval of the Designated Point of Contact, the Vendor shall immediately so notify the Designated Point of Contact.

Nassau County confidential or proprietary information includes, but is not limited to, internal cost estimates and proposals submitted by other Vendors.

Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

Chapter 6: FORMER NASSAU COUNTY EMPLOYEES

Section 6.01 Appearance Before Former Agency-Two Year Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear or practice before any Nassau County agency, either prior to award or in the performance of a Nassau County contract, for a period of two years after termination of the Nassau County Employee's services with the County.

Section 6.02 Appearance Before Former Agency-Life Time Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear, practice, communicate or otherwise render services before the agency that employed the officer or employee or any other agency of Nassau County, either prior to award or in the performance of an agency's contract in relation to any case, proceeding, application or transaction with respect to which such former officer or employee was directly concerned and in which he or she personally participated, or which was under his or her active consideration during the period of his or her employment. This provision is a lifetime bar on projects that the former Nassau County Employee previously worked on while employed by the County.

Chapter 7: NON-COLLUSION

Section 7.01 Independent Bid Assessment

The Vendor will calculate the price(s) contained in any bid or proposal independently, without collusion, consultation, communication, or agreement with any competing Vendor for the purpose of restricting competition.

Section 7.02 Non-Communication of Bid

Unless otherwise required by law, the price(s) which the Vendor quotes in its bid or proposal will not knowingly be disclosed by the Vendor, directly or indirectly, to any competing Vendor prior to the closing date for bids or proposals.

Section 7.03 Bid Submission

The Vendor will not make any attempt to induce any other individual or entity to submit or not to submit a bid or proposal.

Chapter 8: DISTRIBUTION AND CERTIFICATION

Section 8.01 Distribution of Vendor Code of Ethics and Vendor's Participating Employee Acknowledgements

As a condition of being considered for the award of any contract above the County's small purchase threshold of $10,000, the Vendor will be required to distribute copies of the Nassau County Vendor Code of Ethics to all Participating Employees prior to any of those employee's participation in the procurement. The Code may be distributed either in hard copy or electronically as a separate PDF.

Additionally, as a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will be required to obtain an acknowledgement from each of its Participating Employees ("Participating Employee Acknowledgements") that they have received, read, understand, and will comply with the Nassau County Vendor Code of Ethics.

The Vendor's responsibility for distributing copies of the Nassau County Vendor Code of Ethics and obtaining such signed Participating Employee Acknowledgements is ongoing until completion of performance of the contract and shall be retained for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Receipt and retention of Participating Employee Acknowledgments by the Vendor shall be subject to audit by Nassau County.

Section 8.02 Vendor Certifications

The vendor by signing the final contract thereby certifies and attests to the following:

(a) The Vendor has been provided with a copy of the Nassau County Vendor Code of Ethics and will comply with all of the provisions of the Code;

(b) All of its Participating Employees during the course of procurement or contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to any of those employees' participation in the procurement;

(c) All Participating Employees have completed the acknowledgement required by Section 8.01 of this Code;

(d) The Vendor will retain all of the signed Participating Employee Acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County;

(e) The Vendor will continue to distribute the Nassau County Vendor Code of Ethics, obtain signed Participating Employee Acknowledgements as new Participating Employees are added or changed during the contract period, and retain all of the signed acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Section 8.03 Subcontractor Certifications

As a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will obtain certifications executed by authorized officials from all of its lower tier subcontractors, subconsultants and suppliers (as well as from any other subcontractors, subconsultants and suppliers from whom that Vendor is soliciting or has received proposals for work on a Nassau County contract) whose employees have communicated or may communicate with Nassau County Employees. This obligation is ongoing and shall last through the completion of performance of the contract. Receipt and retention of lower tier certifications by the Vendor shall be subject to audit by Nassau County.

Chapter 9: PENALTIES

Section 9.01 Responsibility Determination

For violation of any provision of the Nassau County Vendor Code of Ethics, Nassau County may avail itself of every remedy in law or equity, or as agreed to by parties in any contract, including but not limited to declaring the Vendor non-responsible or in material breach of the contract.

Section 9.02 Civil/Criminal Penalties

Additionally, violation of the Nassau County Vendor Code of Ethics or a provision thereof may subject the Vendor to criminal or civil penalties under State or Federal law.

Chapter 10: REPORTING OBLIGATION

Section 10.01 Reporting Gift Requests

Notwithstanding the provisions of Chapter 4 above, the Vendor is obligated to immediately report to Nassau County's Inspector General and the County Chief Procurement Officer, any and all requests made to the Vendor by any Nassau County Employee for a Gift.

Section 10.02 Reporting Material Changes

The Vendor is under a continuing obligation to report any change in circumstances that materially affects any prior report to Nassau County to Department of Chief Contracting Officer, including but not limited to disclosure of conflicts of interest and representations made in the Contractor Responsibility Form.

Section 10.03 Reporting Violations and Overpayments

The Vendor is obligated to timely report in writing to Nassau County's Inspector General, in connection with the award, performance or closeout of the Nassau County contract or subcontract, any credible evidence of significant overpayments on the contract or that a principal, employee, agent or subcontractor has committed a

violation of law involving fraud, conflict of interest, bribery or gratuities.

Chapter 11: PROHIBITION ON RETALIATION

Section 11.01 Prohibition

To facilitate the reporting obligations under Chapter 10, this code strictly forbids all Vendors and Vendors' Employees from taking any Retaliatory Action against individuals who make such reports.

CERTIFICATION REGARDING DISTRIBUTION OF NASSAU COUNTY VENDOR CODE OF ETHICS

Bid/Proposal No.: H63029-26GR

Project Description: Rehabilitation of Bannister Creek Bridge

The prospective lower tier participant H+L Contracting LLC (subcontractor, subconsultant, or supplier name) hereby certifies, by submission of this bid or proposal to _____ [prime contractor] in connection with the Nassau County bid or proposal number referenced above, to the best of its knowledge and belief, that all officers and personnel who have communicated or may communicate with Nassau County employees during the course of the procurement and through the completion of performance of the contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to each of these employee's participating in the procurement.

Executed this 26th day of May, 2026

COUNTY OF NASSAU

DEPARTMENT OF PUBLIC WORKS

Inter-Departmental Memo

TO: Contract File

FROM: Jane Houdek, Esq.
Designated DCCO

DATE: August 6, 2026

SUBJECT: Contract No: H63029-26GR
Bannister Creek Bridge Rehabilitation
H&L Contracting
Responsibility Determination Memorandum

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, that the vendor is a responsible contractor for the purpose of being awarded the above-referenced contract.

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements". NY CLS St. Fin §163 (1) (c). This standard is applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast,* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employees the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test, can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity
   The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority
   Vendor is not debarred.

3. Integrity
   Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

4. Past Performance
   Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

SUBJECT: Contract No: H63029-26GR
Bannister Creek Bridge Rehabilitation
H&L Contracting
Responsibility Determination Memo

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

> For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.
>
> Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.
>
> A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part of the vendor. Any adverse information which is not deemed to be sufficient for a finding of nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in

this regard include, but are not limited to, termination of the employee(s) involved, introduction of new policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Vendor Adverse Information OSHA Violations

Vendor has two (2) serious OSHA incidences, one closed case from 2019 and one open investigation of incident in 2022. Both the serious nature of the violations and the corrective actions taken by the vendor are fully described in an attachment to vendor's Business History form (attached). The type of work being performed when the 2019 violations occurred is similar to the work it has performed for Nassau County. Since 2019 H&L has completed one complex road reconstruction project – Ocean and Merrick, is completing the Bayville Bridge Project and has completed two (2) large road resurfacing contracts, all without any OSHA violations. As explained in its response to Business History form question 13, the vendor does not believe it was responsible for the incident but has acknowledge steps it would take in the future to make sure its jobsites are safe.

One 2022 open OSHA investigation occurred in Suffolk County while working on a Marina project. A boat operator failed to wear his personal flotation device and drowned when he fell off the boat. While the investigation is ongoing and no attribution of fault has been made, the vendor still provided a description of steps it would take it the future to reduce the potential for a similar incident.

The other open 2022 investigation occurred in Massachusetts and involves safety violations that were noted by the H&L Health and Safety Officer and did not involve injuries or property damage.

Accordingly, based on an application of the law and the policy, these incidences do not warrant a determination that the vendor is a nonresponsible vendor. To date, the Department has been satisfied with the safety measures implemented by the Vendor on County projects and has concluded that the Vendor is a responsible vendor for the performance of the scope of work in Contract H63029-26GR.

H&L CONTRACTING

140 Adams Avenue, Ste B14, Hauppauge, NY 11788
Phone: (631) 813-2266
Fax: (631) 813-2263

To whom it may concern,

The following serve as summary descriptions of two open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

OSHA INSPECTION NO. 1635374.015

DATE OPENED: 18 NOV 2022

SITE ADDRESS: Newburyport Harbor, Newburyport, MA 01950

DESCRIPTION:

Prior to 11/18/22, H&L had been performing maintenance dredging in the 9-ft channel in Newburyport Harbor for the US Army Corps of Engineers. The dredging work was completed and had been accepted by the Corps on 11/15/22. During the course of that work, various safety minor deficiencies were noticed by the H&L Health and Safety Officer. These deficiencies included:

- Navigation lighting not functioning.
- Recovery ladders not appropriate.
- Faulty extension cord
- Faulty oxygen/acetylene hose
- Improper use of sling in lifting materials
- Inadequate housekeeping
- Excavator not adequately secured to barge.

All of these deficiencies had been logged on Daily Safety reports and had been corrected. The corrective measures had been documented by Corps personnel.

OSHA personnel performed a site inspection on 11/18/22 apparently due to an anonymous complaint received by them at some time prior. The complaint provided to H&L by OSHA specifically included the above deficiencies.

H&L has not received any correspondence from OSHA regarding the site inspection as of this date.

It should be noted that during the course of a USACE maintenance dredging project, H&L employs two full time Site Safety & Health Officers (one for each shift), and that Corps personnel are also always on-site evaluating H&L's implementing safety requirements.

LESSONS LEARNED:

While H&L has yet to receive a report from OSHA concerning its inspection at Newburyport, H&L reinforced the following with its dredging supervisory and safety personnel:

- Dredging by its very nature entails multiple operations simultaneously, with workers moving from one task to the next quickly. It is incumbent upon safety and supervisory personnel to be proactive in noticing and correcting any deficiencies, regardless of how minor they may seem.
- Faulty lights and equipment must be repaired and or replaced at the earliest opportunity.
- Equipment lifting procedures must be followed at ALL times, regardless of the size of the load being lifted.
- Housekeeping must always be up to standards, even during urgent work.

H&L will make any OSHA correspondence regarding the 11/18/22 inspection available once those reports are received.

If any additional information regarding these two OSHA cases or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 900720-22

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation regarding a utility damaged on a NYSDOT rehabilitation project on Route 110 in Huntington, NY. A gas main owned by National Grid was inadvertently damaged by H&L personnel. We have disagreed with this action brought forward by the Public Service Commission and have provided correspondence illustrating the facts of the matter.

It has been H&L's contention in the ongoing exchange of documentation, that the facility damaged was not correctly marked-out by the utility (4' from the actual location) and was placed against a drainage structure wall that was being removed. As a result of the location, the gas facility was damaged during the demolition. Repairs were made by the utility company and no injuries occurred. The matter is currently being handled by our Legal firm and should be resolved quickly.

EXPLANATION OF ONGOING COURT ACTION

NYS Supreme Court Index No.: 601141 / 2023

The above filing by the State of New York against H&L Contracting LLC is part of ongoing litigation among various plaintiffs and defendants regarding a motor vehicle accident that occurred on August 21, 2016 on the Long Island Expressway. The accident took place in the vicinity of a location where H&L Contracting LLC was performing work under contract to NYSDOT. There were multiple fatalities as a result of the accident and there have been numerous suits and countersuits filed to date.

Considering the ongoing litigation, H&L can provide only limited information at this time. If more information is necessary, please provide specific questions in writing for review by H&L's attorney.

It is H&L's position that all work was performed in complete accordance with NYSDOT specifications and standards and that H&L in no way contributed to the cause or severity of the accident. [information available to H&L indicates that the approximate cause of the accident was a vehicle traveling recklessly at a high rate of speed (90+mph)].

The filing referenced above is associated with the insurance policy contractually provided by H&L covering NYSDOT for liabilities incurred by the DOT under the contract. The filing is basically a pro forma summons regarding that policy.

RE: OSHA INVESTIGATION OF H&L CONTRACTING LLC

On October 22, 2019 H&L Contracting LLC was performing paving work as a subcontractor to United Paving Corp. (General Contractor) under the Village of Freeport's 2019 Road Resurfacing Program. The subcontracting agreement between H&L and United included the paving work only, Maintenance and Protection of Traffic (MPT) was excluded from H&L's scope of work. Included in the streets to be paved by H&L was Grant Street, a dead-end street on the east side of Guy Lombardo Blvd. in the Village of Freeport.

Paving work was performed from the dead-end of Grant St. outward towards Guy Lombardo Blvd., with asphalt truck trailers provided by 4L Equipment Leasing LLC under an agreement with H&L. These trailers backed down Grant St. to the paver, and once empty proceeded ahead to Guy Lombardo Blvd., turning right to exit the work area. Unbeknownst to the H&L crew the United employee(s) that had been assigned to perform the MPT for the work were not at the Grant St. intersection but rather at another intersection scheduled for paving that day.

As a 4L truck was exiting Grant St. after dumping into the paver, the driver stopped the truck at the intersection with Guy Lombardo Blvd. During this time when the truck was stopped, another 4L employee, who had parked and exited his truck a short distance north on Guy Lombardo Blvd., ran towards the stopped truck on Grant St., approaching from the passenger side of that truck, apparently to obtain a scraper that was stored behind the cab. The driver of the stopped truck did not notice the approaching 4L employee due to that employee approaching from the passenger (blind) side. While the 4L employee was immediately in front of the stopped truck's right rear wheel, the driver proceeded forward, fatally injuring the 4L employee.

All required notifications were made, including Nassau County Police and OSHA. H&L fully cooperated with all investigations.

Notwithstanding that 1. MPT was NOT in the scope of H&L's work under the subcontract, 2. H&L was unaware that United was not providing MPT at the accident location at the time of the accident, and 3. If MPT was being provided at the intersection it is doubtful that the actions of the 4L employee, namely stepping in front of the rear wheel without notifying the driver of his presence, would have been prevented, the OSHA investigation resulted in two citations of violations against H&L. One being a severe violation of "Accident Prevention Signs and Tags" and the other being a severe violation of "Signaling". Each Violation included a penalty of $12,145.00.

H&L was not afforded an opportunity to contest the citations, although it was H&L's wish to do so, apparently due to Federal COVID protocols affecting the ability to communicate with OSHA personnel.

H&L promptly paid the penalties and incorporated various "lessons learned" into its Safety Procedures. Chief among those lessons learned was that work cannot proceed without required MPT regardless of whose responsibility that MPT falls under.

H&L personnel are available at your convenience to discuss this matter and will provide available records and documentation at your request.

Sincerely,

Keith Haney, Managing Member Signature

JOCAR ASPHALT LLC / DBA RASON MATERIALS

4 Johnson Rd. Lawrence, NY 11559
(631)293-6210

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 1448662.0.15
Date of Incident/Inspection: 12/4/2019
Settled Amount of Fine: $14,000.00

Explanation:
On 12/4/2019 an employee of Rason Materials was performing work at the Cedarhurst asphalt plant when, without instruction, the employee used a manlift to access a conveyor drive pulley that was approximately 8' above ground level. In an unwise attempt to clean dirt off of the pulley, while the conveyor was operating the employee used a wrench to scrape the inside of the pulley. The wrench was grabbed by the pulley and belt which spun the wrench, striking the employee's hand which resulted in a severe injury to the employee's thumb.

OSHA was notified immediately, and an inspection was performed the following day. The following determinations were made after that inspection:

- The subject pulley and belt were not required to have guards due to being 8' above ground level and not normally accessible to personnel.
- There was an inadequate Safety Plan in place for the asphalt plant.
- There was an inadequate Lockout/Tagout Program in place for the asphalt plant
- There were 2 pulleys without guards that were required to have guards

Rason received 4 violations as follows:

1. No guard on equipment (1st instance) (serious)
2. No guard on equipment (2nd instance) (serious)
3. Inadequate Safety Program
4. Inadequate Lockout/Tagout Program

The end result of discussions between Rason and OSHA was a reduction in the total fine to be $14,000.00. That fine has been paid and the case has been closed.

CORRECTIVE MEASURES
As soon as practicable after the incident Rason developed and implemented a new Safety Program, including a new Lockout/Tagout Program. These programs were implemented, and all employees were provided with initial and follow-up training.

LESSONS LEARNED
Rason has placed increased emphasis on awareness training for all employees with respect to rotating equipment guards and the necessity that those guards be in place at all times when the plant is in operation.

Additionally, Rason has been stringent in training employees in Lockout/Tagout; with particular emphasis being placed on the prohibition of working on operating equipment.

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

Scatt Materials Corp

44 South Fourth Street, Bay Shore, NY 11706
(631)586-0554

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 154269
Date of Incident/Inspection: 7/19/21
Settled Amount of Fine: Not settled as of 4/8/22

Explanation:
On 7/19/21 an employee of Scatt Materials Corp., without instruction, entered a chute to free up a jammed diversion plate. While the plant and conveyor were shut down, as the employee moved material that was obstructing a diversion plate the stored energy in the plate caused the plate to suddenly move, striking the employee in the leg. The employee suffered a broken leg.

OSHA was notified immediately, and an inspection was performed that day. The following determinations were made after that inspection:

- The Lockout/Tagout procedures that were in place for the asphalt plant were inadequate.
- The employee that was injured was not properly trained in Lockout/tagout and stored energy.

Scatt received 2 violations as follows:

1. Procedures were not developed, documented, and utilized for the control of potentially hazardous energy
2. Employees were not adequately trained to ensure that the Lockout/Tagout program that was in place was understood and followed by employees

Due to the common ownership of Scatt Materials and Rason Materials, and considering Rason Materials had received OSHA violations and a stipulated fine in 2020 for similar violations, the violations were determined by OSHA to be Repeat-Serious Violations; each violation was accompanied by a $6,216.00 fine.

Scatt has engaged legal counsel and is currently in discussions with OSHA to determine a settlement. Scatt understands at this time that the settlement will result in the removal of both "Repeat-Serious" violations and the assessment of one "other than serious" violation.

CORRECTIVE MEASURES
Additional awareness training has been provided to all Scatt employees with respect to the current Safety Program and Lockout/Tagout procedures. In addition, the Safety Programs for Scatt (and Rason) are currently under review and will be revised to meet or exceed all OSHA requirements.

LESSONS LEARNED
Scatt has placed increased emphasis on awareness training for all employees with respect to the Lockout/Tagout procedures and the potential stored hazardous energy in various components of the plant, even after the plant has been shut down.

OF COUNSEL:

MICHAEL A. ROSENBERG

March 7, 2023

H&L CONTRACTING LLC
Attn: Ken Angerman PE

Re: NASSAU COUNTY QUESTION

Ken:

We were aware of only one lawsuit which was brought under Index No. 900720/2022. That action concerned damage to a 2" "PE" gas line located at 642 New York Avenue, Huntington. In answer to a Complaint we are claiming that the 2" gas main was damaged solely because of incorrect marking by KeySpan/National Grid. Specifically, we claim that KeySpan/National Grid violated General Business Law 763(3) and Public Service Law 119(6) (ETSEQ).

The lawsuit under Index No. 900721/2022 concerns Route 112 and Granny Road. Although a Summons was served and we appeared on your behalf, we never received until now, the Verified Complaint. We will be checking with the Attorney General and if necessary, defend the action.

The records you previously provided to me explained that the end cap on the gas main was struck by the excavator solely because it had been re-located by National Grid earlier in the project in order to facilitate installation of a drainage structure. National Grid was required by New York State DOT to notify H & L Contracting of the re-location and was solely because of the failure of the utility to provide notification that the excavator struck the gas main.

Very truly yours,

STEVEN G. PINKS

Re:
Village Dock Inc
NYS Tax Warrant dated March 14, 2022 in the amount of $4,793.62.
NYS Tax Warrant dated June 3, 2022 in the amount of $686.57.

Explanation

New York State has disputed the amounts Village Dock, Inc. claimed as prepayments on corporate tax returns filed.

Village Dock Inc. will be seeking in May a conciliation conference to further argue that the facts and the law are on the side of Village Dock, Inc. and that the prepayments as reflected will be upheld, vacating these tax warrants.

Sincerely,

James H. Vanek, JD CPA dv

NIFA Nassau County Interim Finance Authority

Contract Approval Request Form (As of January 1, 2015)

1. Vendor: H&L CONTRACTING LLC

2. Amount requiring NIFA approval: $5,864,790.00

Amount to be encumbered: $5,864,790.00

Slip Type: New

If new contract - $ amount should be full amount of contract
If advisement - NIFA only needs to review if it is increasing funds above the amount previously approved by NIFA
If amendment - $ amount should be full amount of amendment only

3. Contract Term: to Four Hundred Fifty (450) Calendar Days from Notice to Proceed
Has work or services on this contract commenced? No

If yes, please explain:

4. Funding Source:

General Fund (GEN)		Grant Fund (GRT)
Capital Improvement Fund (CAP)	X	Other

Federal %	68
State %	0
County %	32

Is the cash available for the full amount of the contract?	No
If not, will it require a future borrowing?	Yes
Has the County Legislature approved the borrowing?	Yes
Has NIFA approved the borrowing for this contract?	No

5. Provide a brief description (4 to 5 sentences) of the item for which this approval is requested:

This contract provides for rehabilitation of the existing concrete culvert on the Nassau Expressway over Bannister Creek including repairs to existing concrete culvert, construction joints, abutment walls and the top slab, scarifying the top slab and installing a waterproofing membrane; new approach slabs; milling and resurfacing of the asphalt wearing surface; replacement of bridge railing, guide rail, sidewalk, drainage systems; installation of scour protection; and new pavement markings. FEDERAL AID PIN 0762.06.

6. Has the item requested herein followed all proper procedures and thereby approved by the:

Nassau County Attorney as to form	Yes
Nassau County Committee and/or Legislature	

Date of approval(s) and citation to the resolution where approval for this item was provided:

7. Identify all contracts (with dollar amounts) with this or an affiliated party within the prior 12 months:

Contract ID	Posting Date	Amount Added in Prior 12 Months

AUTHORIZATION

To the best of my knowledge, I hereby certify that the information contained in this Contract Approval Request Form and any additional information submitted in connection with this request is true and accurate and that all expenditures that will be made in reliance on this authorization are in conformance with the Nassau County Approved Budget and not in conflict with the Nassau County Multi-Year Financial Plan. I understand that NIFA will rely upon this information in its official deliberations.

COMPTROLLER'S OFFICE

To the best of my knowledge, I hereby certify that the information listed is true and accurate and is in conformance with the Nassau County Approved Budget and not in conflict with the Nassau County Multi-Year Financial Plan.

Regarding funding, please check the correct response:

I certify that the funds are available to be encumbered pending NIFA approval of this contract.

If this is a capital project:

I certify that the bonding for this contract has been approved by NIFA.

Budget is available and funds have been encumbered but the project requires NIFA bonding authorization.

Authenticated User ***Date***

NIFA

Amount being approved by NIFA:

Payment is not guaranteed for any work commenced prior to this approval.

Authenticated User ***Date***

NOTE: All contract submissions MUST include the County's own routing slip, current NIFS printouts for all relevant accounts and relevant Nassau County Legislature communication documents and relevant supplemental information pertaining to the item requested herein.

NIFA Contract Approval Request Form MUST be filled out in its entirety before being submitted to NIFA for review.

NIFA reserves the right to request additional information as needed.

Certificate of No Change Form

All fields must be filled.
A materially false statement willfully or fraudulently made in connection with this certification, and/or the failure to conduct appropriate due diligence in verifying the information that is the subject of this certification, may result in rendering the submitting entity non-responsible for the purpose of contract award.
A materially false statement willfully or fraudulently made in connection with this certification may subject the person making the false statement to criminal charges.

I, Keith Haney state that I have read and understand all the items contained in the disclosure documents listed below and certify that as of this date, these items have not changed. I further certify that, to the best of my knowledge, information and belief, those answers are full, complete, and accurate; and that, to the best of my knowledge, information, and belief, those answers continue to be full, complete, and accurate.

In addition, I further certify on behalf of the submitting vendor that the information contained in the principal questionnaire(s) have not changed and have been verified and continue, to the best of my knowledge, to be full, complete and accurate.

I understand that Nassau County will rely on the information supplied in this certification as additional inducement to enter into a contract with the submitting entity.

Business History Form

The contract shall be awarded to the responsible proposer who, at the discretion of the County, taking into consideration the reliability of the proposer and the capacity of the proposer to perform the services required by the County, offers the best value to the County and who will best promote the public interest.

In addition to the submission of proposals, each proposer shall complete and submit this questionnaire. The questionnaire shall be filled out by the owner of a sole proprietorship or by an authorized representative of the firm, corporation or partnership submitting the Proposal.

NOTE: All questions require a response, even if response is "none" or "not-applicable." No blanks.

(USE ADDITIONAL SHEETS IF NECESSARY TO FULLY ANSWER THE FOLLOWING QUESTIONS).

Date: 08/11/2026

1) Proposer's Legal Name: H&L Contracting LLC

2) Address of Place of Business: 140 Adams Avenue Ste 14B

City: HAUPPAUGE State/Province/ Territory: NY Zip/Postal Code: 11788

Country: US

3) Mailing Address (if different):

City: State/Province/ Territory: Zip/Postal Code:

Country:

Phone: (631) 813-2266

Does the business own or rent its facilities? Own If other, please provide details:

4) Dun and Bradstreet number: [redacted]

5) Federal I.D. Number: [redacted]

6) The proposer is a: Other (Describe) Limited Liability Company

1 File(s) uploaded: Operating Agreement.pdf

7) Does this business share office space, staff, or equipment expenses with any other business?

YES [ ] NO [X] If yes, please provide details:

8) Does this business control one or more other businesses?
YES [X] NO [ ] If yes, please provide details:

Village Dock Contracting, Inc.
Village Dock, Inc.

1 File(s) uploaded: Partnership Structure for H&L Contracting.pdf

9) Does this business have one or more affiliates, and/or is it a subsidiary of, or controlled by, any other business?
YES [X] NO [ ] If yes, please provide details:

Village Dock Contracting, Inc.
Village Dock, Inc.
JCKD Materials Corp
Jocar Asphalt LLC

3 File(s) uploaded: Business Ownership as of 063026.pdf, JCKD Corp structure.pdf, Jocar partnership structure.pdf

10) Has the proposer ever had a bond or surety cancelled or forfeited, or a contract with Nassau County or any other government entity terminated?
YES [ ] NO [X] If yes, state the name of bonding agency, (if a bond), date, amount of bond and reason for such cancellation or forfeiture: or details regarding the termination (if a contract).

11) Has the proposer, during the past seven years, been declared bankrupt?
YES [ ] NO [X] If yes, state date, court jurisdiction, amount of liabilities and amount of assets

12) In the past five years, has this business and/or any of its owners and/or officers and/or any affiliated business, been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency? And/or, in the past 5 years, have any owner and/or officer of any affiliated business been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency, where such investigation was related to activities performed at, for, or on behalf of an affiliated business.
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

13) In the past 5 years, has this business and/or any of its owners and/or officers and/or any affiliated business been the subject of an investigation by any government agency, including but not limited to federal, state and local regulatory agencies? And/or, in the past 5 years, has any owner and/or officer of an affiliated business been the subject of an investigation by any government agency, including but not limited to federal, state and local regulatory agencies, for matters pertaining to that individual's position at or relationship to an affiliated business.
YES [X] NO [ ] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

14) Has any current or former director, owner or officer or managerial employee of this business had, either before or during

such person's employment, or since such employment if the charges pertained to events that allegedly occurred during the time of employment by the submitting business, and allegedly related to the conduct of that business:
a) Any felony charge pending?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

b) Any misdemeanor charge pending?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

c) In the past 10 years, you been convicted, after trial or by plea, of any felony and/or any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

d) In the past 5 years, been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

e) In the past 5 years, been found in violation of any administrative, statutory, or regulatory provisions?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

15) In the past (5) years, has this business or any of its owners or officers, or any other affiliated business had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

16) For the past (5) tax years, has this business failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?
YES [ ] NO [X] If yes, provide details for each such year. Provide a detailed response to all questions checked 'YES'. If you need more space, photocopy the appropriate page and attach it to the questionnaire.

17 Conflict of Interest:

a) Please disclose any conflicts of interest as outlined below. NOTE: If no conflicts exist, please expressly state "No conflict exists."

(i) Any material financial relationships that your firm or any firm employee has that may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists

(ii) Any family relationship that any employee of your firm has with any County public servant that may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists

(iii) Any other matter that your firm believes may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflicts exists

b) Please describe any procedures your firm has, or would adopt, to assure the County that a conflict of interest would not exist for your firm in the future.

Candidates will be questioned during the interview process

A. Include a resume or detailed description of the Proposer's professional qualifications, demonstrating extensive experience in your profession. Any prior similar experiences, and the results of these experiences, must be identified.

Have you previously uploaded the below information under in the Document Vault?
YES [ ] NO [X]

Is the proposer an individual?
YES [ ] NO [X] Should the proposer be other than an individual, the Proposal MUST include:

i) Date of formation;

11/12/2013

ii) Name, addresses, and position of all persons having a financial interest in the company, including shareholders, members, general or limited partner. If none, explain.

Keith Haney - [redacted]
Chris Haney - [redacted]
James K Haney III - [redacted]

1 File(s) uploaded: Partnership Structure for H&L Contracting.pdf

iii) Name, address and position of all officers and directors of the company. If none, explain.

Keith Haney - [redacted]
Chris Haney - [redacted]
James K Haney III - [redacted]

iv) State of incorporation (if applicable);

NY

v) The number of employees in the firm;

193

vi) Annual revenue of firm;

[redacted]

vii) Summary of relevant accomplishments

Member of Long Island Contractors Association (LICA)
Member of Association of General Contractors (AGC)

viii) Copies of all state and local licenses and permits.

B. Indicate number of years in business.

13

C. Provide any other information which would be appropriate and helpful in determining the Proposer's capacity and reliability to perform these services.

H & L Contracting LLC is comprised of multiple individuals with vast experience in all aspects of marine & bridge construction. We possess both the knowledge & resources to complete projects on time & within budget

D. Provide names and addresses for no fewer than three references for whom the Proposer has provided similar services or who are qualified to evaluate the Proposer's capability to perform this work.

LIMITED LIABILITY COMPANY OPERATING AGREEMENT
OF
H&L CONTRACTING, LLC

This Limited Liability Company Operating Agreement of _____, a New York limited liability company organized pursuant to the New York Limited Liability Company Law, is entered into and shall be effective as of the Effective Date, by and among the Company and the persons executing this Company Agreement as Members.

ARTICLE I
DEFINITIONS

For purposes of this Company Agreement, unless the context clearly indicates otherwise, the following terms shall have the following meanings:

1.1 **[Acquisition Agreement. The Agreement of Purchase and Sale dated as of _____ between _____ and _____, regarding the sale of the Asset to the Company.]**

1.2 **[Acquisition Loan. A loan not in excess of $_____ from _____ to the Company to finance the acquisition of the Asset, which loan will be secured by a mortgage or other lien on the Asset.]**

1.3 **Additional Capital Contribution.** An additional Capital Contribution payable by the Members to the Company pursuant to Article VIII.

1.4 **Affiliate.** With respect to any Person, any entity controlling, controlled by or under common control with such Person. "Control" (including, with correlative meanings, the terms "controlled by" and "under common control with"), as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such Person, whether through the ownership of over 50% of the voting securities of such Person, by contract or otherwise.

1.5 **Article.** An Article of this Company Agreement.

1.6 **Articles of Organization.** The Articles of Organization of the Company, as amended from time to time, and filed with the Department of State of New York.

1.7 **[Asset. The real property located at _____ and all improvements thereon.]**

1.8 **Assignee or "transferee."** A transferee of an Economic Interest who has not been admitted as a Substitute Member. Unless otherwise clear from the context of its use, the term "transferee" is synonymous with the term "Assignee."

1.9 **Bankrupt Person.** A Person who: (a) has become the subject of an Order for Relief under the United States Bankruptcy Code by voluntary or involuntary petition, or (b) has initiated, either in an original Proceeding or by way of answer in any state insolvency or

receivership Proceeding, an action for liquidation arrangement, composition, readjustment, dissolution or similar relief.

1.10 **Business Day.** Any day other than Saturday, Sunday or any legal holiday observed in the State of New York.

1.11 **Capital Account.** The account maintained for a Member or an Assignee determined in accordance with Article VIII.

1.12 **Capital Contribution.** A Member's Initial Capital Contribution plus any Additional Capital Contribution made by the Member in accordance with this Company Agreement. A Capital Contribution includes (a) the amount of any money contributed by the Member to the Company (including liabilities of the Company assumed by the Member as provided in section 1.704-1(b)(2)(iv)(c) of the Regulations), and (b) the Gross Asset Value of any Property contributed to the Company by such Member (net of liabilities secured by such contributed Property that the Company is considered to assume or take subject to under section 752 of the Code).

1.13 **Commitment.** The Initial Capital Contribution and Additional Capital Contributions that a Member is obligated to make.

1.14 **Company.** H&L CONTRACTING, LLC limited liability company formed under the laws of New York, and any successor limited liability company.

1.15 **Company Agreement.** This Limited Liability Company Operating Agreement including all amendments adopted in accordance with the Company Agreement and the NY LLC Law.

1.16 **Default Interest Rate.** The prime rate published by the Wall Street Journal for the last Business Day on which a Commitment is payable.

1.17 **Delinquent Member.** Delinquent Member shall have the meaning set forth in Section 8.3.

1.18 **Disposition (Dispose).** Any sale, assignment, exchange, mortgage, pledge, grant, hypothecation or other transfer, absolute or as security or encumbrance (including dispositions by operation of law).

1.19 **Dissociation.** Any action which causes a Person to cease to be a Member as described in Article XII hereof.

1.20 **Dissolution Event.** An event, the occurrence of which will result in the dissolution of the Company under Article XIII unless the Members unanimously agree to the contrary.

1.21 **Distribution.** A transfer of Property to a Member on account of a Membership Interest.

1.22 **Economic Interest.** The right to receive allocations of Profits and Losses, Distributions, returns of capital and distribution of assets upon a dissolution of the Company.

1.23 **Effective Date.** NOVEMBER 12, 2013.

1.24 **Exhibit A.** Exhibit A to this Company Agreement setting forth the name, address, Initial Capital Contribution, Initial Membership Interest and Initial Sharing Ratio of each Member.

1.25 **Fair Market Value.** As of any date, the fair market value of an asset on such date as determined in good faith by the Managing Member. For this purpose, the Managing Member may in its reasonable and prudent discretion value assets that are restricted by law, contract, market conditions (including trading volume relative to the Company's holding) or otherwise as to salability or transferability at an appropriate discount, based on the nature and term of such restrictions.

1.26 **Fiscal Year.** The twelve month period ending on December 31 of each year.

1.27 **Gross Asset Value.** Gross Asset Value, with respect to any Company asset means the adjusted basis of such asset for federal income tax purposes, except as follows:

(a) The initial Gross Asset Value of any Company asset contributed by a Member to the Company shall be the Fair Market Value of such Company asset as of the date of such contribution;

(b) The Gross Asset Value of each Company asset shall be adjusted to equal its Fair Market Value, as of the following times: (i) the acquisition of an additional Membership Interest by any new or existing Member in exchange for more than a de minimis Capital Contribution unless the Managing Member determines that such adjustment is not necessary to reflect the relative Economic Interests of the Members of the Company; (ii) the Distribution by the Company to a Member of more than a de minimis amount of Company assets (other than cash) as consideration for all or part of its Membership Interest unless the Managing Member determines that such adjustment is not necessary to reflect the relative Economic Interests of the Members in the Company; and (iii) the liquidation of the Company within the meaning of section 1.704-1(b)(2)(ii)(g) of the Regulations;

(c) The Gross Asset Value of a Company asset distributed to any Member shall be the Fair Market Value of such Company asset as of the date of Distribution thereof;

(d) The Gross Asset Value of each Company asset shall be increased or decreased, as the case may be, to reflect any adjustments to the adjusted basis of such Company asset pursuant to section 734(b) or 743(b) of the Code, but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to section 1.704-1(b)(2)(iv)(m) of the Regulations; provided, however, that Gross Asset Values shall not be adjusted pursuant to this paragraph (d) to the extent that the Managing Member determines that an adjustment pursuant to paragraph (b) above is

necessary or appropriate in conjunction with a transaction that would otherwise result in an adjustment pursuant to this paragraph; and

(e) If the Gross Asset Value of a Company asset has been determined or adjusted pursuant to paragraph (a), (b) or (d) above, such Gross Asset Value shall thereafter be adjusted to reflect the depreciation or amortization taken into account with respect to such Company asset for purposes of computing Profits and Losses.

1.28 **Initial Capital Contribution.** The Initial Capital Contribution set forth in Exhibit A.

1.29 **Initial Membership Interest.** The Initial Membership Interest set forth in Exhibit A.

1.30 **Initial Sharing Ratio.** The Initial Sharing Ratio set forth in Exhibit A.

1.31 **Management Right.** The right of a Member to participate in the management of the Company, to vote on any matter and to grant or withhold consent or approval of actions of the Company.

1.32 **Managing Member.** KEITH N HANEY.

1.33 **Member.** A party executing the Company Agreement and a Substitute Member.

1.34 **Membership Interest.** A Member's Economic Interest and Management Right.

1.35 **Net Cash Flow.** Net Cash Flow shall mean with any respect to any fiscal period of the Company, all cash revenues of the Company during that period, decreased by, without duplication, (a) cash expenditures for operating expenses, (b) capital expenditures to the extent not made from reserves, (c) repayment of principal on any financing and (d) taxes.

1.36 **NY LLC Law.** The New York Limited Liability Company Law and all amendments thereto.

1.37 **Organization.** A Person other than a natural person. Organization includes, without limitation, corporations (both non-profit and other corporations), partnerships (both limited and general), joint ventures, limited liability companies and unincorporated associations, but the term does not include joint tenancies and tenancies by the entirety.

1.38 **Permitted Transferee.** Permitted Transferee shall have the meaning set forth in Section 11.5.

1.39 **Person.** An individual, trust, estate or any Organization permitted to be a member of a limited liability company under the laws of the State of New York.

1.40 **Principal Office.** The Principal Office of the Company set forth in Section 2.6.

1.41 **Proceeding.** Any administrative, judicial or other adversary proceeding, including, without limitation, litigation, arbitration, administrative adjudication, mediation and appeal or review of any of the foregoing.

1.42 **Profits and Losses.** For each Fiscal Year or other period, an amount equal to the Company's taxable income or loss for such Fiscal Year or period, determined in accordance with section 703(a) of the Code (for this purpose, all items of income, gain, loss or deduction required to be stated separately pursuant to section 703(a)(1) of the Code shall be included in taxable income or loss), with the following adjustments:

(a) Any income of the Company that is exempt from federal income tax and not otherwise taken into account in computing Profits or Losses pursuant to this Section shall be added to such taxable income or loss;

(b) Any expenditures of the Company described in section 705(a)(2)(B) of the Code or treated as section 705(a)(2)(B) of the Code expenditures pursuant to section 1.704-1(b)(2)(iv)(i) of the Regulations (other than expenses in respect of which an election is properly made under section 709 of the Code), and not otherwise taken into account in computing Profits or Losses pursuant to this Section, shall be subtracted from such taxable income or loss;

(c) In the event the Gross Asset Value of any Company asset is adjusted pursuant to paragraph (b) or (c) of the definition of Gross Asset Value, the amount of such adjustment shall be taken into account as gain or loss from the disposition of such Company asset for purposes of computing Profits or Losses;

(d) Gain or loss resulting from any disposition of any Company asset with respect to which gain or loss is recognized for federal income tax purposes shall be computed by reference to the Gross Asset Value of the Company asset disposed of, notwithstanding that the adjusted tax basis of such Company asset may differ from its Gross Asset Value;

(e) In accordance with section 1.704-1(b)(2)(iv)(g)(3) of the Regulations, depreciation with respect to any Company asset shall be computed by reference to the adjusted Gross Asset Value of such asset, notwithstanding that the adjusted tax basis of such Company asset differs from its Gross Asset Value; and

(f) Notwithstanding any other provisions of this definition, any item which is specially allocated pursuant to Section 9.4 or 9.5 shall not be taken into account in computing Profits or Losses.

The amounts of the items of Company income, gain, loss or deduction available to be specially allocated pursuant to Section 9.4 or 9.5 shall be determined by applying rules analogous to those set forth in paragraphs (a) through (e) above.

1.43 **Property.** Any property, real or personal, tangible or intangible, including money, and any legal or equitable interest in such property, but excluding services and promises to perform services in the future.

1.44 **Regulatory Allocations.** Regulatory Allocations shall have the meaning set forth in Section 9.5.

1.45 **Section.** A section of this Company Agreement.

1.46 **Securities Act.** The Securities Act of 1933, as amended.

1.47 **Sharing Ratio.** With respect to any Member, as of any date, the ratio (expressed as a percentage) of (a) such Member's Capital Contribution to (b) the aggregate Capital Contributions of all Members, or such other ratio as shall be agreed by all Members from time to time. The Initial Membership Interest and Initial Sharing Ratio of each Member is set forth in Exhibit A hereof, and Exhibit A shall be amended as necessary to conform to any changes thereof agreed to by the Members. In the event all or any portion of a Membership Interest is transferred in accordance with the terms of this Company Agreement, the transferee shall succeed to the Membership Interest and Sharing Ratio of the transferor to the extent it relates to the transferred Membership Interest.

1.48 **Substitute Member.** An Assignee who has been admitted to all of the rights of membership pursuant to Section 11.4.

1.49 **Tax Characterization and Additional Tax Terms.** It is intended that the Company be characterized and treated as a partnership for, and solely for, federal, state and local income tax purposes. For such purpose, the Company shall be subject to all of the provisions of subchapter K of chapter 1 of subtitle A of the Code, all references to a "Partner," to "Partners" and to the "Partnership" in this Company Agreement (including the provisions of Articles VIII and IX) and in the provisions of the Code and Regulations cited in this Company Agreement shall be deemed to refer to a Member, the Members and the Company, respectively. In addition, the following terms shall have the following meanings:

(a) Adjusted Capital Account Deficit shall mean, with respect to any Member, the deficit balance, if any, in such Member's Capital Account as of the end of the relevant Fiscal Year, after giving effect to the following adjustments:

(i) Credit to such Capital Account the minimum gain chargeback that such Member is deemed to be obligated to restore pursuant to the penultimate sentences of sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Regulations and the amount of such Member's share of Partner Nonrecourse Debt Minimum Gain; and

(ii) Debit to such Capital Account the items described in sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) and 1.704-1(b)(2)(ii)(d)(6) of the Regulations.

The foregoing definition of Adjusted Capital Account Deficit is intended to comply with the provisions of section 1.704-1(b)(2)(ii)(d) of the Regulations and shall be interpreted consistently therewith.

Agreement shall govern, even when inconsistent with, or different than, the provisions of the NY LLC Law or any other law or rule. To the extent any provision of the Company Agreement is prohibited or ineffective under the NY LLC Law, the Company Agreement shall be considered amended to the smallest degree possible in order to make the Company Agreement effective under the NY LLC Law. In the event the NY LLC Law is subsequently amended or interpreted in such a way to make any provision of the Company Agreement that was formerly invalid valid, such provision shall be considered to be valid from the effective date of such interpretation or amendment.

2.3 **Name.** The name of the Company is:

H&L CONTRACTING, LLC

and all business of the Company shall be conducted under that name or under any other name but, in any case, only to the extent permitted by applicable law.

2.4 **Term.** The term of the Company shall be perpetual unless the Company shall be sooner dissolved and its affairs wound up in accordance with the NY LLC Law or the Company Agreement.

2.5 **Registered Agent and Office.** The registered agent for the service of process and the registered office shall be that Person and location reflected in the Articles of Organization as filed in the office of the Department of State of New York. The Managing Member, may, from time to time, change the registered agent or office through appropriate filings with the Department of State of New York. In the event the registered agent ceases to act as such for any reason or the registered office shall change, the Managing Member shall promptly designate a replacement registered agent or file a notice of change of address as the case may be. If the Managing Member shall fail to designate a replacement registered agent or change of address of the registered office, any Member may designate a replacement registered agent or file a notice of change of address.

2.6 **Principal Office.** The Principal Office of the Company shall be located at 38 HOMAN AVENUE, BAY SHORE, NY.

2.7 **Publication.** Within 120 days after the effectiveness of the initial Articles of Organization, the Managing Member shall cause a notice containing the substance of the Articles of Organization, in the form required by the NY LLC Law, to be published once in each week for six successive weeks in two newspapers of the county in which the Principal Office is located.

ARTICLE III
PURPOSE; NATURE OF BUSINESS

The purpose of the Company is **[to acquire, improve, own, develop, manage, finance, lease and otherwise operate the Asset and to otherwise deal with any Property that the Company may acquire or have a right to acquire, and, in that connection, to finance and refinance the Asset and any Property, and ultimately to dispose of the Asset, and to do the same with respect to any Property that the Company may acquire, have a right to acquire**

(b) Code shall mean the Internal Revenue Code of 1986, as amended and in effect from time to time.

(c) Nonrecourse Deductions has the meaning set forth in section 1.704-2(b)(1) of the Regulations.

(d) Nonrecourse Liability has the meaning set forth in section 1.704-2(b)(3) of the Regulations.

(e) Partner Nonrecourse Debt has the meaning set forth in section 1.704-2(b)(4) of the Regulations.

(f) Partner Nonrecourse Debt Minimum Gain means an amount, with respect to each Partner Nonrecourse Debt, equal to the Partnership Minimum Gain that would result if such Partner Nonrecourse Debt were treated as a Nonrecourse Liability, determined in accordance with section 1.704-2(i)(3) of the Regulations.

(g) Partner Nonrecourse Deductions has the meaning set forth in sections 1.704-2(i)(1) and 1.704-2(i)(2) of the Regulations.

(h) Partnership Minimum Gain has the meaning set forth in sections 1.704-2(b)(2) and 1.704-2(d) of the Regulations.

(i) Regulations shall mean the final and temporary federal income tax regulations promulgated by the United States Treasury Department under the Code as such Regulations may be amended from time to time, or if no final or temporary regulations with respect to a tax issue are then in effect, proposed regulations then in effect if approved by the Managing Member. All references herein to a specific section of the Regulations shall be deemed also to refer to any corresponding provision of succeeding Regulations.

1.50 **Winding Up Sale.** Winding Up Sale shall have the meaning set forth in Section 9.9(a).

ARTICLE II
FORMATION

2.1 **Organization.** The Members hereby organize the Company as a New York limited liability company pursuant to the provisions of the NY LLC Law.

2.2 **Company Agreement.** For and in consideration of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Members executing the Company Agreement hereby agree to the terms and conditions of the Company Agreement, as it may from time to time be amended. It is the express intention of the Members that the Company Agreement shall be the sole source of agreement of the parties, and, except to the extent a provision of the Company Agreement expressly incorporates federal income tax rules by reference to sections of the Code or Regulations or is expressly prohibited or ineffective under the NY LLC Law, the Company

as a result of its ownership of the Asset and to engage in any and all business in connection therewith.] The Company shall have the authority to do all things necessary or convenient to accomplish its purpose and operate its business as described in this Article III. The Company exists only for the purpose specified in this Article III and may not conduct any other business without the unanimous consent of the Members. The authority granted to the Managing Member hereunder to bind the Company shall be limited to actions necessary or convenient to this business.

ARTICLE IV
ACCOUNTING AND RECORDS

4.1 **Records to be Maintained.** The Company shall maintain the following records at the Principal Office:

(a) A current list of the full name and last known business address of each Member;

(b) A copy of the Articles of Organization and all amendments thereto, together with executed copies of any powers of attorney pursuant to which the Articles of Organization or any such amendment has been executed;

(c) A copy of the Company's federal, state and local income tax returns and reports;

(d) A copy of the Company Agreement including all amendments thereto; and

(e) The Company's books and records, including financial statements of the Company, which shall be open to inspections by the Members or their agents at reasonable times.

4.2 **Reports to Members.** The Managing Member shall provide reports, including a balance sheet, statement of profit and loss and changes in Members' accounts and a statement of cash flows, at least annually to the Members at such time and in such manner as the Managing Member may determine reasonable.

4.3 **Tax Returns and Reports.** The Managing Member, at Company expense, shall prepare and timely file income tax returns of the Company in all jurisdictions where such filings are required, and shall prepare and deliver to each Member, within the time prescribed by the Code, and any extensions applicable thereto, as provided by the Code or applicable regulations, and at Company expense, all information returns required by the Code and Company information necessary for the preparation of the Members' federal income tax returns.

ARTICLE V
NAMES AND ADDRESSES OF MEMBERS

The names and addresses of the Members are as stated on Exhibit A.

ARTICLE VI
RIGHTS AND DUTIES OF MEMBERS

6.1 **No Management Rights as Members.** No Member other than the Managing Member shall have authority as a Member to bind the Company or any Management Right, except that the transfer of Management Rights and the admission of a Substitute Member shall require the approvals set forth in Section 11.4, and the following actions shall require the consent of the Members holding a majority of the Membership Interests:

(a) Any amendment to the Company Agreement;

(b) The merger or consolidation of the Company with any other Person;

(c) The continuation of the Company after a Dissolution Event;

(d) The borrowing of funds or the pledging, mortgaging or otherwise encumbering any Company Property, except for (i) any loan to meet operating expenses if operating income and reserves are insufficient or for emergency or other extraordinary circumstances **[and (ii) any loan for the purpose of refinancing the Asset]**;

(e) The payment of compensation to the Managing Member;

(f) The imposition of any Additional Contribution, except as provided in Section 8.2;

(g) The admission of a Person as an additional Member; and

(h) Any act that would make it impossible to carry on the ordinary business of the Company.

All Company cash shall be deposited in a bank account selected by the Managing Member and all disbursements of Company cash shall be approved in advance by those Persons designated by the **[board of directors of the]** Managing Member.

[The Members hereby approve and consent to the Company's borrowing pursuant to the Acquisition Loan and to the Company's acquisition of the Asset pursuant to the Acquisition Agreement.]

6.2 **Liability of Members.** No Member shall be liable as such for the liabilities of the Company.

6.3 **Indemnification.** A Member shall indemnify the Company for any costs or damages incurred by the Company as a result of any unauthorized action by such Member.

6.4 **Representations, Warranties and Covenants.** Each Member, and in the case of a trust or other Organization, the person(s) executing the Company Agreement on behalf of the entity, hereby represents and warrants to the Company and each other Member that: (a) if that Member is a trust or other Organization, it has power to enter into the Company Agreement and

to perform its obligations hereunder and that the person(s) executing the Company Agreement on behalf of the entity has the power to do so; and (b) the Member is acquiring its interest in the Company for the Member's own account as an investment and without an intent to distribute the interest. The Members acknowledge that their interests in the Company have not been registered under the Securities Act or any state securities laws and may not be resold or transferred without appropriate registration or the availability of an exemption from such requirements.

6.5 **Conflicts of Interest.**

(a) A Member, including the Managing Member, shall be entitled to enter into transactions that may be considered to be competitive with, or a business opportunity that may be beneficial to, the Company or its Affiliates, it being expressly understood that Members may enter into transactions that are similar to the transactions into which the Company or its Affiliates may enter. Notwithstanding the foregoing, Members shall account to the Company and hold as trustee for it any Property, Profit or benefit derived by the Member, without the consent of all of the other Members, in the conduct and winding up of the Company business or from a use or appropriation by the Member of Company Property including information developed exclusively for the Company and opportunities expressly offered to the Company.

(b) A Member, including the Managing Member, does not violate a duty or obligation to the Company merely because the Member's conduct furthers the Member's own interest. A Member may lend money to and transact other business with the Company. The rights and obligations of a Member who lends money to or transacts business with the Company are the same as those of a Person who is not a Member, subject to other applicable law. No transaction with the Company shall be voidable solely because a Member has a direct or indirect interest in the transaction if the transaction is fair to the Company.

ARTICLE VII
MANAGING MEMBER

7.1 **Managing Member.** Except as otherwise provided in the Company Agreement, the management of the Company and all decisions concerning the business affairs of the Company shall be made by the Managing Member. The Managing Member shall be KEITH N HANEY.

7.2 **Term of Office as Managing Member.** The Managing Member shall serve until the Dissociation of such Managing Member or any removal of such Managing Member pursuant to Section 7.7.

7.3 **Authority of Managing Member to Bind the Company.** Only the Managing Member and authorized agents of the Company shall have the authority to bind the Company. Subject to Section 6.1, the Managing Member has the power, on behalf of the Company, to do all things necessary or convenient to carry out the business and affairs of the Company (as described in Article III), including, without limitation:

(a) To acquire, hold, sell, transfer, assign, lease or otherwise deal with **[the Asset or other]** Property that may be acquired by the Company, and to transfer **[the Asset or other]** Property to any other Organization that is (i) wholly-owned by the Company or is owned by the Members in the same proportions as their Sharing Ratios, (ii) a subsidiary limited liability company (or partnership) in which the Company is the sole non-managing member (or sole limited partner) and the Managing Member is the sole managing member (or sole general partner) or (iii) a nominee or agent of the Company, in such manner as the Managing Member may deem appropriate to protect the Company and the Members from liability (including environmental liability) and to minimize the tax burden of the Members;

(b) To institute, prosecute and defend any Proceeding in the Company's name;

(c) To conduct the Company's business, establish Company offices and exercise the powers of the Company;

(d) Subject to Section 7.11, to employ, contract and deal with, from time to time, Persons, including any Member or Affiliate of any Member, in connection with the management and operation of the Company's business, including without limitation, suppliers, customers, tradespeople, brokers, accountants and attorneys, on such terms as the Managing Member shall determine;

(e) To purchase liability and other insurance to protect the Company's business and Property;

(f) To establish reserve funds of the Company to provide for future requirements for operations, contingencies or any other purpose that the Managing Member deems necessary or appropriate;

(g) To make such elections under the Code and other relevant tax laws as to the treatment of items of Company income, gain, loss, deduction and credit, and as to all other relevant matters as the Managing Member deems necessary or appropriate, including without limitation, elections referred to in section 754 of the Code (subject to Section 9.6), the determination of which items of cash outlay shall be capitalized or treated as current expenses, and the selection of the method of accounting and bookkeeping procedures to be used by the Company;

(h) To pay as a Company expense any and all costs or expenses associated with the formation, development, organization and operation of the Company;

(i) To deposit, withdraw, invest, pay, retain and distribute the Company's funds in a manner consistent with the provisions of this Company Agreement; and

(j) To execute, acknowledge and deliver any and all instruments to effectuate the foregoing.

7.4 **Actions of the Managing Member.** The Managing Member has the power to bind the Company as provided in this Article VII. No Person dealing with the Company shall have any obligation to inquire into the power or authority of the Managing Member acting on behalf of the Company.

7.5 **Indemnification.** The Company shall indemnify the Managing Member and its agents for all costs, losses, liabilities and damages paid or incurred in connection with the business of the Company, to the fullest extent provided or allowed by the laws of the State of New York.

7.6 **Managing Member's Standard of Care.** The Managing Member's standard of care in the discharge of the Managing Member's duties to the Company and the other Members is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, fraud or a knowing violation of law. In discharging its duties, the Managing Member shall be fully protected in relying in good faith upon the records required to be maintained under Article IV and upon such information, opinions, reports or statements by any Person as to matters the Managing Member reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, Profits or Losses of the Company or any other facts pertinent to the existence and amount of assets from which Distributions to Members might properly be paid. The Company shall indemnify and save harmless the Managing Member against any loss, damage or expense (including attorneys' fees) incurred by the Managing Member as a result of any act performed or omitted on behalf of the Company or in furtherance of the Company's interests without, however, relieving the Managing Member of liability for gross negligence, reckless conduct, intentional misconduct, fraud or a knowing violation of law. The satisfaction of any indemnification and any saving harmless shall be from and limited to Company Property and the other Members shall not have any personal liability on account thereof.

7.7 **Resignation; Removal of Managing Member.** The Managing Member shall not have a right to resign and may not be removed by the Members for any reason other than a breach of the Managing Member's standard of care, as set forth in Section 7.6.

7.8 **Other Activities.** The Managing Member shall not be required to devote its full time to the management of the Company business, but only so much of its time as the Managing Member deems necessary or appropriate for the proper management of such business. The Managing Member, and any of its Affiliates, may engage or possess an interest, independently or with others, in other businesses or ventures of every nature and description including without limitation the acquisition, ownership, management and operation of other real estate, and the operation and management of other Organizations for the acquisition, ownership, management and operation of other properties**[, including those located near the Asset,]** in competition with the Company or otherwise, and neither the Company nor any Member shall have any rights in or to such ventures or the income or profits derived therefrom.

7.9 **Distributions.** Each Member shall look solely to the assets of the Company for all Distributions and a share of Profits or Losses and shall have no recourse therefor (upon dissolution or otherwise) against the Managing Member or the other Members. No Member

shall have any right to demand or receive Property other than money upon dissolution and termination of the Company.

7.10 **Expenses.** The Company shall pay directly or reimburse the Managing Member for certain expenses of the Company incurred by the Managing Member in the management of the Company's business. Such expenses may include but are not limited to: (a) costs of borrowed money and taxes applicable to the Company; (b) fees and expenses paid to suppliers, tradespeople, brokers, consultants and other agents; (c) costs of insurance as required in connection with the conduct of the business of the Company; and (d) expenses incurred by the Company for tax return preparation.

7.11 **Affiliates; Fees.** The Managing Member is specifically authorized to employ, contract and deal with, from time to time, any member or Affiliate of any Member, and in connection therewith to pay such Person's fees, prices or other compensation; provided that such employment, contracts and dealings are necessary or appropriate for the Company's purposes, and the fees, prices or other compensation paid by the Company therefor is, in the judgment of the Managing Member, reasonable and typical or competitive with the fees, prices or other compensation customarily paid for similar Property or services.

Nothing herein contained shall be construed as a guaranty by the Managing Member of the performance by any Affiliate, designee or nominee of its obligations under any contract between any such Affiliate, designee or nominee and the Company.

ARTICLE VIII
CONTRIBUTIONS AND CAPITAL ACCOUNTS

8.1 **Initial Capital Contributions.** Each Member shall make the Initial Capital Contribution described for that Member on Exhibit A and shall perform that Member's Commitment. No Member shall have the right to withdraw or be repaid any Capital Contribution except as provided in the Company Agreement.

8.2 **Additional Capital Contributions.** In the event the Managing Member determines that the Company does not have sufficient operating revenues or other available funds to pay any amount which the Managing Member determines to be required for any Company purpose, the Managing Member shall, if reasonable under the circumstances, attempt to obtain financing in the amount required; provided, however, that the Managing Member shall not obtain such financing if it would cause a default under any Company obligation. In the event that such financing cannot be obtained within a reasonable time and upon terms and conditions approved by the Managing Member, the Managing Member may, upon 15 days notice to the Members, call for an Additional Capital Contribution from the Members in the required amount. Such Additional Capital Contributions shall thereupon be made by the Members in proportion to their respective Sharing Ratios.

8.3 **Enforcement of Commitments.** In the event any Member (a "Delinquent Member") fails to perform the Delinquent Member's Commitment, the Managing Member shall give the Delinquent Member a notice of such failure. If the Delinquent Member fails to perform the Commitment (including the payment of any costs associated with the failure and interest at

the Default Interest Rate) within ten Business Days of the giving of such notice, the Managing Member may take such action as it deems appropriate, including but not limited to:

(a) Enforcing the Commitment in the court of appropriate jurisdiction in the state in which the Principal Office is located or the state of the Delinquent Member's address as reflected in the Company Agreement; provided, however, that a Member shall have no personal liability for any such Additional Capital Contribution and, in any proceeding to enforce the obligation of a Member to make all or part of any such Additional Capital Contribution, the Managing Member shall have recourse solely to the Delinquent Member's interest in the Company. Each Member expressly agrees to the jurisdiction of such courts but only for purposes of such enforcement.

(b) Selling the Delinquent Member's Membership Interest, including a sale to another Member or to another Person.

(c) Allowing Members, except the Delinquent Member, to make Additional Contributions and adjusting the Sharing Ratios and Membership Interests of the Members in proportion to the new Capital Contribution levels.

(d) Reducing the Delinquent Member's Membership Interest and Sharing Ratio.

(e) Issuing new Membership Interests to Members who make Additional Contributions in place of the Delinquent Member; provided that such Membership Interests may be entitled to a priority return and such other rights as shall be determined by the Managing Member.

8.4 **Capital Account.** A separate capital account shall be maintained for each Member throughout the term of the Company in accordance with the rules of section 1.704-1(b)(2)(iv) of the Regulations as in effect from time to time, and, to the extent not inconsistent therewith, to which the following provisions apply:

(a) Each Member's Capital Account shall be credited with (i) such Member's Capital Contribution; and (ii) such Member's share of Profits and items of income and gain that are specially allocated to such Member pursuant to Article IX (other than any income or gain allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code.

(b) Each Member's Capital Account shall be debited with: (i) the amount of money distributed to such Member by the Company (including liabilities of such Member assumed by the Company as provided in section 1.704-1(b)(2)(iv)(c) of the Regulations) other than amounts which are in repayment of debt obligations of the Company to such Member; (ii) the Gross Asset Value of Property distributed to such Member (net of liabilities secured by such distributed Property that such Member is considered to assume or take subject to under section 752 of the Code); and (iii) such Member's share of Losses and items of loss and deduction that are specially allocated to such Member pursuant to Article IX (other than any deduction or loss allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code).

(c) All such contributions, allocations and Distributions shall be credited or charged, as the case may be, to the appropriate Capital Accounts of the respective Members to whom they apply, as of the time the contributions, allocations or Distributions are made.

(d) The Capital Account of a transferee Member shall include the appropriate portion of the Capital Account of the Member from whom the transferee Member's interest was obtained.

(e) In determining the amount of any liability, there shall be taken into account section 752(c) of the Code and any other applicable provisions of the Code and Regulations.

The foregoing provisions and the other provisions of this Company Agreement relating to the maintenance of Capital Accounts are intended to comply with section 1.704-1(b) of the Regulations, and shall be interpreted and applied in a manner consistent with such Regulations. Consistent with such intention, the value of any Property (other than cash) (i) contributed to the Company by a Member, (ii) distributed to a Member from the Company or (iii) owned by the Company and subject to a revaluation upon the occurrence of certain events shall be the Fair Market Value of such Property (net of liabilities secured by such Property that the Company or such Member, as the case may be, is considered to assume or take subject to under section 752 of the Code) on the date of contribution, Distribution or revaluation, as applicable.

8.5 **No Obligation to Restore Deficit Balance.** No Member shall be required to restore any deficit balance in its Capital Account.

8.6 **Withdrawal; Successors.** A Member shall not be entitled to withdraw any part of its Capital Account or to receive any Distribution from the Company, except as specifically provided in the Company Agreement, and no Member shall be entitled to make any capital contribution to the Company other than such Member's Commitment.

8.7 **Interest.** Except as otherwise provided in this Company Agreement, no Member shall be entitled to interest or other return on such Member's Capital Contribution or on any Profits retained by the Company.

8.8 **Investment of Capital Contributions and Company Cash.** The Capital Contributions of the Members and any cash held by the Company from time to time shall be invested, until such time as such funds shall be used for other Company purposes, by the Managing Member in demand, money market or time deposits, obligations, securities, investments or other instruments constituting cash equivalents. Such investments shall be made by the Managing Member for the benefit of the Company.

8.9 **Repayment of Capital Contribution.**

(a) The Managing Member shall have no personal liability for the repayment of any Capital Contributions of any Member, and no Member shall have liability for the repayment of any Capital Contributions of any other Member. The repayment of any

Capital Contribution shall be made only to the extent of available Company assets in accordance with the terms of this Company Agreement.

(b) Except as otherwise provided in this Company Agreement, no Member shall have priority over any other Member as to the return of its Capital Contribution or as to Distributions of cash made by the Company.

(c) Except as otherwise provided in this Company Agreement, a Member shall not be entitled to (i) demand or receive Property other than cash in return for its Capital Contribution or (ii) receive any funds or Property of the Company.

ARTICLE IX
ALLOCATIONS AND DISTRIBUTIONS

9.1 **Profits and Losses.** Profits and Losses, and each item of Company income, gain, loss, deduction, credit and tax preference with respect thereto, for each Fiscal Year (or shorter period in respect of which such items are to be allocated) shall be allocated among the Members as provided in this Article IX.

9.2 **Profits.** After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Profits for any Fiscal Year shall be allocated in the following order of priority:

(a) First, to the Members, if any, who received any allocation of Losses under Section 9.3(c), in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to such Members pursuant to Section 9.3(c) for all prior Fiscal Years, over (ii) the cumulative Profits allocated to such Members pursuant to this Section 9.2(a) for all prior Fiscal Years;

(b) Second, to the Members, in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to each Member pursuant to Section 9.3(a) hereof for all prior Fiscal Years, over (ii) the cumulative Profits allocated to each Member pursuant to this Section 9.2(b) for all prior Fiscal Years; and

(c) Third, the balance of the Profits remaining to the Members in accordance with their Sharing Ratios.

9.3 **Losses.** After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Losses shall be allocated as set forth in Section 9.3(a), subject to the limitation in Section 9.3(b) below and, if applicable, as provided in Section 9.3(c).

(a) Losses for any Fiscal Year shall be allocated in the following order of priority:

(i) First, to the Members in proportion to and to the extent of the excess, if any, of (A) the cumulative Profits allocated to each such Member pursuant to Section 9.2(c) hereof for all prior Fiscal Years, over (B) the cumulative Losses allocated to such Member pursuant to this Section 9.3(a)(i) for all prior Fiscal Years; and

(ii) The balance, if any, among the Members in proportion to their respective Sharing Ratios.

(b) (i) The Losses allocated according to Section 9.3(a) shall not exceed the maximum amount of Losses that may be allocated to such Member without causing such Member to have an Adjusted Capital Account Deficit.

(ii) If some, but not all of the Members would have Adjusted Capital Account Deficits as a consequence of the allocations of Losses pursuant to Section 9.3(a), the limitation set forth in this Section 9.3(b) shall be applied by allocating Losses pursuant to this Section 9.3(b)(ii) only to those Members (allocated pro rata if more than one), who would not have an Adjusted Capital Account Deficit as a consequence of receiving such an allocation of Losses.

(iii) If no other Member may receive an additional allocation of Losses pursuant to Section 9.3(b)(ii), such additional Losses not allocated shall be allocated solely to those Members who bear the economic risk of such Losses within the meaning of section 704(b) of the Code.

(c) In the event that there are any remaining Losses in excess of the limitations set forth in Section 9.3(b), such remaining losses shall be allocated among the Members in proportion to their respective Sharing Ratios.

9.4 **Special Allocations.** The following special allocations shall be made:

(a) Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(f) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partnership Minimum Gain, determined in accordance with section 1.704-2(g) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(f)(6) and 1.704-2(j)(2) of the Regulations. This Section 9.4(a) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

(b) Partner Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Partner Nonrecourse Debt Minimum Gain as of the beginning of the Fiscal Year attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partner Nonrecourse Debt

Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(4) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section 9.4(b) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in section 1.704-1(b)(2)(ii)(d)(4), section 1.704-1(b)(2)(ii)(d)(5) or section 1.704-1(b)(2)(ii)(d)(6) of the Regulations which increase a Member's Adjusted Capital Account Deficit, items of Company income and gain shall be specially allocated to the Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 9.4(c) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been tentatively made as if this Section 9.4(c) were not in this Company Agreement.

(d) Gross Income Allocation. In the event any Member has an Adjusted Capital Account Deficit, such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 9.4(d) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been made as if Section 9.4(c) and this Section 9.4(d) were not in this Company Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated among the Members in proportion to their Sharing Ratios.

(f) Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with section 1.704-2(i)(1) of the Regulations.

(g) Certain Book-ups. To the extent an adjustment to (i) the adjusted tax basis of any Company asset pursuant to section 734(b) or 743(b) of the Code is required to be taken into account in determining Capital Accounts or (ii) pursuant to section 1.704-1(b)(2)(iv)(f) of the Regulations, the Gross Asset Value of any Company asset is permitted to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated, as provided in section 1.704-1(b)(2)(iv)(m) or 1.704-1(b)(2)(iv)(g) of the Regulations, respectively, as an item of Profit (if the adjustment increases such basis or Gross Asset Value of the asset) or Loss (if the adjustment decreases such basis or Gross Asset Value), and such Profit or Loss shall be specially allocated to the Members in a manner consistent with the manner in

which their Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

(h) Mandatory Allocations under Section 704(c) of the Code.

(i) In the event section 704(c) of the Code or the principles of section 704(c) of the Code applicable under section 1.704-1(b)(2)(iv) of the Regulations require allocations of income, gain, deduction or loss in a manner different than that set forth above, the provisions of section 704(c) of the Code and the Regulations thereunder shall control such allocations among the Members. Any item of Company income, gain, loss and deduction with respect to any Property (other than cash) that has been contributed by a Member to the capital of the Company and which is required or permitted to be allocated to such Member for income tax purposes under section 704(c) of the Code so as to take into account the variation between the tax basis of such Property and its Fair Market Value at the time of its contribution shall be allocated solely for income tax purposes in the manner so required or permitted under section 704(c) of the Code using the "traditional method" described in section 1.704-3(b) of the Regulations, provided, however, that any other method allowable under applicable Regulations may be used for any contribution of Property as to which there is agreement between the contributing Member and the Managing Member.

(ii) In the event the Gross Asset Value of any Company asset is adjusted pursuant to Section 9.4(g) in accordance with section 1.704-1(b)(2)(iv)(f) of the Regulations, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in a manner consistent with Section 9.4(h)(i).

(iii) Except as provided in Sections 9.4(h)(i) and (ii), for United States federal, state and local income tax purposes, the income, gains, losses and deductions of the Company shall, for each taxable period, be allocated among the Members in the same manner and in the same proportion that such items have been allocated among the Members' respective Capital Accounts.

9.5 **Curative Allocations.** The allocations set forth in Sections 9.3(b) and 9.4(a) through (f) (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction. Therefore, notwithstanding any other provision of this Article IX (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Company Agreement and all Company items were allocated pursuant to Sections 9.2 and 9.3(a). In exercising its discretion under this Section 9.5, the Managing Member (i) shall take into

account future Regulatory Allocations under Sections 9.4(a) and 9.4(b) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 9.4(e) and 9.4(f).

9.6 **Section 754 Election.** Upon a transfer by a Member of an interest in the Company, which transfer is permitted by the terms of this Company Agreement, or upon the death of a Member or the Distribution of any Company Property to one or more Members, the Managing Member, upon the request of one or more of the transferees or distributees, shall cause the Company to file an election on behalf of the Company, adjusted for federal income tax purposes in the manner prescribed in section 734 or 743 of the Code, as the case may be. The cost of preparing such election and any additional accounting expenses of the Company occasioned by such election, shall be borne by such transferees or distributees.

9.7 **Other Allocation Rules.**

(a) For purposes of determining the Profits, Losses or any other item allocable to any period (including allocations to take into account any changes in any Member's Sharing Ratio during a Fiscal Year and any transfer of any interest in the Company), Profits, Losses and any such other item shall be determined on a daily, monthly or other basis, as determined by the Managing Member using any permissible method under section 706 of the Code and the Regulations thereunder.

(b) The Members are aware of the income tax consequences of the allocations made by this Article IX and hereby agree to be bound by the provisions of this Article IX in reporting their shares of Company income and loss for income tax purposes.

(c) Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of section 1.752-3(a)(3) of the Regulations, the Members' interests in Company Profits are in proportion to their Sharing Ratios.

(d) To the extent permitted by section 1.704-2(h)(3) of the Regulations, the Managing Member shall endeavor to treat Distributions as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such Distributions would not cause or increase an Adjusted Capital Account Deficit for any Member.

(e) Except as otherwise provided in this Article IX, an allocation of Company Profits or Losses to a Member shall be treated as an allocation to such Member of the same share of each item of income, gain, loss and deduction taken into account in computing such Profits or Losses.

(f) For purposes of determining the character (as ordinary income or capital gain) of any Profits allocated to the Members pursuant to this Article IX, such portion of Profits that is treated as ordinary income attributable to the recapture of depreciation shall, to the extent possible, be allocated among the Members in the proportion which (i) the amount of depreciation previously allocated to each Member bears to (ii) the total of such depreciation allocated to all Members. This Section 9.7(f) shall not alter the amount

of allocations among the Members pursuant to this Article IX, but merely the character of income so allocated.

(g) Except for arrangements expressly described in this Company Agreement, no Member shall enter into (or permit any Person related to the Member to enter into) any arrangement with respect to any liability of the Company that would result in such Member (or a person related to such Member under section 1.752-4(b) of the Regulations) bearing the economic risk of loss (within the meaning of section 1.752-2 of the Regulations) with respect to such liability unless such arrangement has been approved by all Members. To the extent a Member is permitted to guarantee the repayment of any Company indebtedness under this Company Agreement, each of the other Members shall be afforded the opportunity to guarantee such Member's pro rata share of such indebtedness, determined in accordance with the Members' respective Sharing Ratios.

9.8 Distribution of Net Cash Flow.

(a) Amounts and Timing. Subject to the provisions of Section 13.3, Net Cash Flow for each Fiscal Year of the Company, to the extent not distributed previously under this Section 9.8, shall be distributed to the Members, at such time or times as may be designated by the Managing Member, in proportion to the amount of Profits allocated to each Member.

(b) Amounts Withheld. All amounts required to be withheld pursuant to the Code or any provision of any state or local tax law with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to this Section 9.8 for all purposes under this Company Agreement. The Managing Member is authorized to withhold from Distributions, or with respect to allocations, to the Members and to pay over to any federal, state or local government any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state or local law, and shall allocate any such amounts to the Members with respect to which such amount was withheld.

(c) Draws for Payment of Estimated Taxes. The Company shall pay to each Member a quarterly draw, not to exceed the amount reasonably necessary to provide for payment by the Members of any federal, state and local estimated taxes with respect to Profits allocated to the Members pursuant to this Article IX, and each such draw, if any, shall be treated as a loan from the Company to each Member receiving such draw and shall be deemed repaid by reducing the amount of each subsequent Distribution to the Member receiving such draw pursuant to this Section 9.8 by the lesser of (i) the entire amount otherwise distributable to the Member receiving such draw and (ii) the entire amount of any unrepaid draws pursuant to this Section 9.8(c).

9.9 Allocation of Gain or Loss upon Winding Up.

(a) Gain Realized on Sale of Company Property. Upon the winding up of the Company, as provided in Article XIII, net gain realized on the sale or sales of Company

Property (each such sale a "Winding Up Sale") shall be allocated among the Members in accordance with Section 9.2.

(b) Loss Realized on Sale of Company Property. Net loss realized on any Winding Up Sale shall be allocated among the Members in accordance with Section 9.3.

(c) Distributions in Kind. In the event that, upon a winding up of the Company, pursuant to Section 13.3, either (i) any Company Property is required to be distributed in kind, or (ii) the Managing Member elects to distribute any Company Property in kind, the book value of such Property shall be adjusted to its Fair Market Value as of the date of such Distribution, and the amount of such adjustments shall be allocated to the Members' capital accounts in the manner and priorities provided in Sections 9.9(a) and (b) as though such Property had been sold at its Fair Market Value and gain or loss had been realized.

ARTICLE X
TAXES

10.1 **Tax Matters Partner.** Managing Member shall be the Tax Matters Partner of the Company pursuant to section 6231(a)(7) of the Code. If the Managing Member shall cease to act as the Tax Matters Partner for any reason, the Members shall select another Member (subject to such Member's approval) to be the Tax Matters Partner. The Company has designated another Member as Tax Matters Partner and such Member has given its consent in writing to its appointment as Tax Matters Partner. The Tax Matters Partner shall receive no additional compensation from the Company for its services in that capacity, but all expenses incurred by the Tax Matters Partner in such capacity shall be borne by the Company. The Tax Matters Partner is authorized to employ such accountants, attorneys and agents as it, in its sole discretion, determines is necessary to or useful in the performance of its duties. The Tax Matters Partner is authorized to represent the Company before the Internal Revenue Service and any other governmental agency with jurisdiction, and to sign such consents and to enter into settlements and other agreements with such agencies as the Tax Matters Partner or its duly authorized officer deems necessary or advisable. Each Member shall give prompt notice to each other Member of any and all notices it receives from the Internal Revenue Service concerning the Company, including any notice of a 30 day appeal letter and any notice of deficiency in tax concerning the Company's federal income tax returns. The Tax Matters Partner shall give each Member periodic status reports regarding any negotiations between the Internal Revenue Service and the Company. The Tax Matters Partner shall serve in a similar capacity with respect to any similar tax related or other election provided by state or local laws.

ARTICLE XI
TRANSFER OF MEMBERSHIP INTEREST

11.1 **Compliance with Securities Laws.** No Membership Interest has been registered under the Securities Act or under any applicable state securities laws. A Member may not transfer (a transfer, for purposes of this Company Agreement, shall be deemed to include, but not be limited to, any sale, transfer, assignment, pledge, creation of a security interest or other disposition) all or any part of such Member's Membership Interest, except upon compliance with

the applicable federal and state securities laws. The Managing Member shall have no obligation to register any Member's Membership Interest under the Securities Act or under any applicable state securities laws, or to make any exemption therefrom available to any Member.

11.2 **Transfer of Economic Interest.** The Economic Interest of any Member may not be transferred in whole or in part unless the following terms and conditions have been satisfied:

(a) The transferor shall have: (i) assumed all costs incurred by the Company in connection with the transfer, (ii) furnished the Company with a written opinion of counsel, satisfactory in form and substance to counsel for the Company, that such transfer complies with applicable federal and state securities laws and the Company Agreement and will not result in the Company being treated as a publicly traded partnership for purposes of section 7704 of the Code and (iii) complied with such other conditions as the Managing Member may reasonably require from time to time; and

(b) The transferee shall have assumed the obligations, if any, of the transferor to the Company, including the obligation to fulfill the pro rata portion of the transferor's then existing or subsequently arising Commitment related to the transferred Economic Interest or portion thereof.

Transfers of Economic Interests will be recognized by the Company as effective only upon the close of business on the last day of the calendar month following satisfaction of the above conditions. Any transfer in contravention of this Article XI and any transfer which if made would cause a termination of the Company for federal income tax purposes under section 708(b) of the Code shall be void when made and ineffectual and shall not bind the Company or the other Members.

11.3 **Status of Transferee of Economic Interest.** A transferee of an Economic Interest who is not admitted as a Substitute Member shall be entitled only to receive that share of Profits, Losses and Distributions, and the return of Capital Contribution and Distributions upon a dissolution of the Company, to which the transferor would otherwise be entitled with respect to the interest transferred, and shall not have any Management Rights of a Member of the Company under the NY LLC Law or this Company Agreement including, without limitation, the right to obtain any information on account of the Company's transactions, to inspect the Company's books or to vote with the Members on, or to grant or withhold consents or approvals to, any matter. The Company shall, if a transferee and transferor jointly advise the Company in writing of a transfer of the Economic Interest, furnish the transferee with pertinent tax information at the end of each Fiscal Year.

11.4 **Transfer of Management Rights; Admission of Substitute Member.** A Member may transfer Management Rights and give the transferee the right to become a Member only after the following terms and conditions have been satisfied:

(a) The transferee shall also be the transferee of all or part of the transferor's Economic Interest, or shall be the owner of an Economic Interest;

(b) The Members holding at least a majority of the Membership Interests shall have consented in writing to the admission of the Substitute Member, which consent may be arbitrarily withheld by any such Member; and

(c) The transferor and the transferee shall have complied with such other requirements as the non-transferring Members may reasonably impose, including the conditions that the transferee:

(i) Adopt and approve in writing all the terms and provisions of the Company Agreement then in effect; and

(ii) Pay such fees as the Managing Member may reasonably require to pay the costs of the Company in effecting such substitution.

11.5 **Transfer to Surviving Spouse or Lineal Descendent.** If, by reason of the death of a Member, all or part of such Member's Economic Interest is transferred to the surviving spouse or to a lineal descendent of such Member (a "Permitted Transferee"), pursuant to the last will and testament of, or inter vivos trust created by, such Member, or pursuant to the laws of descent and distribution applicable to such Member's estate, such Permitted Transferee shall be admitted as a Substitute Member upon satisfaction of the terms and conditions of Section 11.4(c), to the extent applicable.

11.6 **Death, Dissolution, Bankruptcy or Incompetency of a Member.** Upon the death, dissolution, adjudication of bankruptcy, insanity or incompetency of a Member, such Member's successors, executors, administrators or legal representatives shall have all the rights of a Member (except as provided by the last sentence of this Section 11.6) for the purpose of settling or managing such Member's estate, including such power as such Member possessed to substitute a successor as a transferee of such Member's interest in the Company and to join with such transferee in making the application to substitute such transferee as a Member. However, except as provided in Section 11.5, such successors, executors, administrators or legal representatives will not have the right to become a Substitute Member in the place of their predecessor in interest unless the other Members shall so consent as provided in Section 11.4(b) hereof.

11.7 **Dispositions not in Compliance with this Article Void.** Any attempted Disposition of a Membership Interest, or any part thereof, not in compliance with this Article shall be void when made and ineffectual and shall not bind the Company.

ARTICLE XII
DISSOCIATION OF A MEMBER

12.1 **Dissociation.** A Person shall cease to be a Member upon the happening of any of the following events:

(a) The resignation or withdrawal of a Member;

(b) A Member becoming a Bankrupt Person;

(c) In the case of a Member who is a natural person, the death of the Member or the entry of an order by a court of competent jurisdiction adjudicating the Member incompetent to manage the Member's personal estate;

(d) In the case of a Member that is a trust or who is acting as a Member by virtue of being a trustee of a trust, the termination of the trust (but not merely the substitution of a new trustee);

(e) In the case of a Member that is a separate Organization other than a corporation, the dissolution and commencement of winding up of the separate Organization;

(f) In the case of a Member that is a corporation, the filing of a certificate of dissolution, or its equivalent, for the corporation or the revocation of its charter; or

(g) In the case of a Member that is an estate, the distribution by the fiduciary of the estate's entire interest in the Company.

12.2 **Rights of Dissociating Member.** In the event any Member dissociates prior to the expiration of the term of this Company Agreement:

(a) If the Dissociation causes a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to participate in the winding up of the Company to the same extent as any other Member except that, if such Dissociation results from a withdrawal of a Member in violation of this Company Agreement, any Distributions to which such Member would have been entitled shall be reduced by that portion of the damages, if any, sustained by the Company as a result of the Dissolution Event and winding up that is chargeable to the Capital Accounts of the other Members; or

(b) If the Dissociation does not cause a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to an amount equal to the value of the Member's Membership Interest in the Company, to be paid over a period not to exceed five years together with interest at the minimum rate necessary to avoid the imputation of interest under the Code. The value of the Member's Membership Interest shall include the amount of any Distributions to which the Member is entitled under the Company Agreement and the value of the Member's Membership Interest as of the date of Dissociation as determined by independent appraisal, reduced by an allocable portion of any damages sustained by the Company as a result of the Member's Dissociation.

ARTICLE XIII
DISSOLUTION AND WINDING UP

13.1 **Dissolution.** The Company shall be dissolved without further action by the Members and its affairs wound up upon the first to occur of any of the following events (each of which shall constitute a Dissolution Event):

(a) The expiration of the term of the Company Agreement, unless the Company is continued with the consent of all of the Members;

(b) The written consent of the Members holding at least two-thirds of the Membership Interests; and

[(c) At any time when there is but one Member.]

13.2 **Effect of Dissolution.** Upon dissolution, the Company shall not be terminated and shall continue until the winding up of the affairs of the Company is completed and articles of dissolution have been filed with the Department of State of New York.

13.3 **Distribution of Assets on Dissolution.** Upon the winding up of the Company, the Managing Member (or, if there is no Managing Member then remaining, such other Person(s) designated by the Members representing at least a majority of the Members' Membership Interests) shall take full account of the assets and liabilities of the Company, shall liquidate the assets (unless the Managing Member determines that a Distribution of any Company Property in-kind would be more advantageous to the Members than the sale thereof) as promptly as is consistent with obtaining the Fair Market Value thereof, and shall apply and distribute the proceeds therefrom in the following order:

(a) First, to the payment of the debts and liabilities of the Company to creditors, including Members who are creditors, to the extent permitted by law, in satisfaction of such debts and liabilities, and to the payment of necessary expenses of liquidation;

(b) Second, to the setting up of any reserves which the Managing Member may deem necessary or appropriate for any anticipated obligations or contingencies of the Company arising out of or in connection with the operation or business of the Company. Such reserves may be paid over by the Managing Member to an escrow agent or trustee selected by the Managing Member to be disbursed by such escrow agent or trustee in payment of any of the aforementioned obligations or contingencies and, if any balance remains at the expiration of such period as the Managing Member shall deem advisable, shall be distributed by such escrow agent or trustee in the manner hereinafter provided; and

(c) Then, to the Members in accordance with positive Capital Account balances taking into account all Capital Account adjustments for the Company's taxable year in which the liquidation occurs. Liquidation proceeds shall be paid within 60 days of the end of the Company's taxable year in which the liquidation occurs. Such Distributions shall be in cash or Property (which need not be distributed proportionately) or partly in both, as determined by the Managing Member.

If at the time of liquidation the Managing Member shall determine that an immediate sale of some or all Company Property would cause undue loss to the Members, the Managing Member may, in order to avoid such loss, defer liquidation.

13.4 **Winding Up and Articles of Dissolution.** The winding up of the Company shall be completed when all debts, liabilities and obligations of the Company have been paid and discharged or reasonably adequate provision therefor has been made, and all of the remaining Property of the Company has been distributed to the Members. Within 90 days following the

dissolution and commencement of the winding up of the Company, articles of dissolution shall be filed with the Department of State of New York. The articles of dissolution shall set forth the information required by the NY LLC Law.

ARTICLE XIV
MISCELLANEOUS

14.1 **Notices.** Notices to the Managing Member shall be sent to the principal office of the Company. Notices to the other Members shall be sent to their addresses set forth on Exhibit A. Any Member may require notices to be sent to a different address by giving notice to the other Members in accordance with this Section 14.1. Any notice or other communication required or permitted hereunder shall be in writing, and shall be deemed to have been given with receipt confirmed if and when delivered personally, given by prepaid telegram or mailed first class, postage prepaid, delivered by courier, or sent by facsimile, to such Members at such address.

14.2 **Meetings.** A meeting of the Members may be called by the Managing Member at any time, and shall be called at the written request of the Members holding at least a majority of the Membership Interests. Written notice stating the place and time of the meeting, and the purpose thereof shall be given by the Managing Member to each Member at least ten days before the meeting.

14.3 **Headings.** All Article and Section headings in the Company Agreement are for convenience of reference only and are not intended to qualify the meaning of any Article or Section.

14.4 **Entire Agreement.** This Company Agreement constitutes the entire agreement among the parties and supersedes any prior agreement or understanding among them respecting the subject matter of this Company Agreement.

14.5 **Binding Agreement.** This Company Agreement shall be binding upon, and inure to the benefit of, the parties hereto, their successors, heirs, legatees, devisees, assigns, legal representatives, executors and administrators, except as otherwise provided herein.

14.6 **Saving Clause.** If any provision of this Company Agreement, or the application of such provision to any Person or circumstance, shall be held invalid, the remainder of this Company Agreement, or the application of such provision to Persons or circumstances other than those as to which it is held invalid, shall not be affected thereby. If the operation of any provision of this Company Agreement would contravene the provisions of the NY LLC Law, such provision shall be void and ineffectual.

14.7 **Counterparts.** This Company Agreement may be executed in several counterparts, and all so executed shall constitute one agreement, binding on all the parties hereto, even though all parties are not signatories to the original or the same counterpart. Any counterpart of either the Company Agreement or the Articles of Organization shall for all purposes be deemed a fully executed instrument.

14.8 **Governing Law.** This Company Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to the principles of conflicts of laws.

14.9 **No Partnership Intended for Nontax Purposes.** The Members have formed the Company under the NY LLC Law, and expressly do not intend hereby to form a partnership under either the New York Uniform Partnership Law or the New York Uniform Limited Partnership Law. The Members do not intend to be partners one to another or partners as to any third party. To the extent any Member, by word or action, represents to another person that any Member is a partner or that the Company is a partnership, the Member making such wrongful representation shall be liable to any other Members who incur personal liability by reason of such wrongful representation.

14.10 **No Rights of Creditors and Third Parties under Company Agreement.** The Company Agreement is entered into among the Company and the Members for the exclusive benefit of the Company, its Members and their permitted successors and assignees. The Company Agreement is expressly not intended for the benefit of any creditor of the Company or any other Person. Except and only to the extent provided by applicable statute, no such creditor or any third party shall have any rights under the Company Agreement or any agreement between the Company and any Member with respect to any Capital Contribution or otherwise.

14.11 **Dispute Resolution.** Whenever the Members shall have any dispute among themselves relating to the interpretation, construction or implementation of this Company Agreement or shall be deadlocked or shall otherwise be in dispute with respect to the relations among the Members or between the Members and the Company or any other matter related thereto, the Members shall resolve such dispute as follows:

(a) First, each Member involved in such dispute shall use its good faith efforts to negotiate a resolution thereof by engaging in discussions with the other Members so involved at reasonable times and places, by telephone or otherwise, during the 30 day period following notice by a Member to each of the other Members of its belief that there is a dispute which requires resolution in such manner;

(b) Second, if the Members are unable to resolve such dispute through good faith negotiations during the 30 day period provided in Section 14.11(a), the Members shall submit such dispute to an arbitration procedure that shall be selected by the Members involved in such dispute; and

(c) Third, if the Members are unable to resolve such dispute through the arbitration procedure selected by them, any Member involved in such dispute may bring an action or proceeding in any court having jurisdiction thereof; provided that (i) a Member may object to the venue of such action or proceeding or that such court does not have jurisdiction over such Member and (ii) each Member waives its right to trial by jury and its right to consequential, special and/or punitive damages.

14.12 **General Interpretive Principles.** For purposes of this Company Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) The terms defined in this Company Agreement include the plural as well as the singular;

(b) Accounting terms not otherwise defined herein have the meanings given to them in the United States in accordance with generally accepted accounting principles;

(c) References herein to "Sections," "paragraphs" and other subdivisions without reference to a document are to designated Sections, paragraphs and other subdivisions of this Company Agreement;

(d) A reference to a paragraph without further reference to a Section is a reference to such paragraph as contained in the same Section in which the reference appears, and this rule shall also apply to other sub-divisions;

(e) The words "herein," "hereof," "hereunder" and other words of similar import refer to this Company Agreement as a whole and not to any particular provision; and

(f) The term "include" or "including" shall mean without limitation by reason of enumeration.

IN WITNESS WHEREOF, the parties hereto have executed this Company Agreement as of the Effective Date.

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 1448662.0.15
Date of Incident/Inspection: 12/4/2019
Settled Amount of Fine: $14,000.00

Explanation:
On 12/4/2019 an employee of Rason Materials was performing work at the Cedarhurst asphalt plant when, without instruction, the employee used a manlift to access a conveyor drive pulley that was approximately 8' above ground level. In an unwise attempt to clean dirt off of the pulley, while the conveyor was operating the employee used a wrench to scrape the inside of the pulley. The wrench was grabbed by the pulley and belt which spun the wrench, striking the employee's hand which resulted in a severe injury to the employee's thumb.

OSHA was notified immediately, and an inspection was performed the following day. The following determinations were made after that inspection:

- The subject pulley and belt were not required to have guards due to being 8' above ground level and not normally accessible to personnel.
- There was an inadequate Safety Plan in place for the asphalt plant.
- There was an inadequate Lockout/Tagout Program in place for the asphalt plant
- There were 2 pulleys without guards that were required to have guards

Rason received 4 violations as follows:

1. No guard on equipment (1st instance) (serious)
2. No guard on equipment (2nd instance) (serious)
3. Inadequate Safety Program
4. Inadequate Lockout/Tagout Program

The end result of discussions between Rason and OSHA was a reduction in the total fine to be $14,000.00. That fine has been paid and the case has been closed.

CORRECTIVE MEASURES
As soon as practicable after the incident Rason developed and implemented a new Safety Program, including a new Lockout/Tagout Program. These programs were implemented, and all employees were provided with initial and follow-up training.

LESSONS LEARNED
Rason has placed increased emphasis on awareness training for all employees with respect to rotating equipment guards and the necessity that those guards be in place at all times when the plant is in operation.

Additionally, Rason has been stringent in training employees in Lockout/Tagout; with particular emphasis being placed on the prohibition of working on operating equipment.

Scatt Materials Corp

44 South Fourth Street, Bay Shore, NY 11706
(631)586-0554

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 154269
Date of Incident/Inspection: 7/19/21
Settled Amount of Fine: Not settled as of 4/8/22

Explanation:
On 7/19/21 an employee of Scatt Materials Corp., without instruction, entered a chute to free up a jammed diversion plate. While the plant and conveyor were shut down, as the employee moved material that was obstructing a diversion plate the stored energy in the plate caused the plate to suddenly move, striking the employee in the leg. The employee suffered a broken leg.

OSHA was notified immediately, and an inspection was performed that day. The following determinations were made after that inspection:

- The Lockout/Tagout procedures that were in place for the asphalt plant were inadequate.
- The employee that was injured was not properly trained in Lockout/tagout and stored energy.

Scatt received 2 violations as follows:

1. Procedures were not developed, documented, and utilized for the control of potentially hazardous energy
2. Employees were not adequately trained to ensure that the Lockout/Tagout program that was in place was understood and followed by employees

Due to the common ownership of Scatt Materials and Rason Materials, and considering Rason Materials had received OSHA violations and a stipulated fine in 2020 for similar violations, the violations were determined by OSHA to be Repeat-Serious Violations; each violation was accompanied by a $6,216.00 fine.

Scatt has engaged legal counsel and is currently in discussions with OSHA to determine a settlement. Scatt understands at this time that the settlement will result in the removal of both "Repeat-Serious" violations and the assessment of one "other than serious" violation.

CORRECTIVE MEASURES
Additional awareness training has been provided to all Scatt employees with respect to the current Safety Program and Lockout/Tagout procedures. In addition, the Safety Programs for Scatt (and Rason) are currently under review and will be revised to meet or exceed all OSHA requirements.

LESSONS LEARNED
Scatt has placed increased emphasis on awareness training for all employees with respect to the Lockout/Tagout procedures and the potential stored hazardous energy in various components of the plant, even after the plant has been shut down.

Phone: (631) 813-2266
Fax: (631) 813-2263

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

RE: OSHA INVESTIGATION OF H&L CONTRACTING LLC

On October 22, 2019 H&L Contracting LLC was performing paving work as a subcontractor to United Paving Corp. (General Contractor) under the Village of Freeport's 2019 Road Resurfacing Program. The subcontracting agreement between H&L and United included the paving work only, Maintenance and Protection of Traffic (MPT) was excluded from H&L's scope of work. Included in the streets to be paved by H&L was Grant Street, a dead-end street on the east side of Guy Lombardo Blvd. in the Village of Freeport.

Paving work was performed from the dead-end of Grant St. outward towards Guy Lombardo Blvd., with asphalt truck trailers provided by 4L Equipment Leasing LLC under an agreement with H&L. These trailers backed down Grant St. to the paver, and once empty proceeded ahead to Guy Lombardo Blvd., turning right to exit the work area. Unbeknownst to the H&L crew the United employee(s) that had been assigned to perform the MPT for the work were not at the Grant St. intersection but rather at another intersection scheduled for paving that day.

As a 4L truck was exiting Grant St. after dumping into the paver, the driver stopped the truck at the intersection with Guy Lombardo Blvd. During this time when the truck was stopped, another 4L employee, who had parked and exited his truck a short distance north on Guy Lombardo Blvd., ran towards the stopped truck on Grant St., approaching from the passenger side of that truck, apparently to obtain a scraper that was stored behind the cab. The driver of the stopped truck did not notice the approaching 4L employee due to that employee approaching from the passenger (blind) side. While the 4L employee was immediately in front of the stopped truck's right rear wheel, the driver proceeded forward, fatally injuring the 4L employee.

All required notifications were made, including Nassau County Police and OSHA. H&L fully cooperated with all investigations.

Notwithstanding that 1. MPT was NOT in the scope of H&L's work under the subcontract, 2. H&L was unaware that United was not providing MPT at the accident location at the time of the accident, and 3. If MPT was being provided at the intersection it is doubtful that the actions of the 4L employee, namely stepping in front of the rear wheel without notifying the driver of his presence, would have been prevented, the OSHA investigation resulted in two citations of violations against H&L. One being a severe violation of "Accident Prevention Signs and Tags" and the other being a severe violation of "Signaling". Each Violation included a penalty of $12,145.00.

H&L was not afforded an opportunity to contest the citations, although it was H&L's wish to do so, apparently due to Federal COVID protocols affecting the ability to communicate with OSHA personnel.

H&L promptly paid the penalties and incorporated various "lessons learned" into its Safety Procedures. Chief among those lessons learned was that work cannot proceed without required MPT regardless of whose responsibility that MPT falls under.

H&L personnel are available at your convenience to discuss this matter and will provide available records and documentation at your request.

Sincerely,

Keith Haney, Managing Member Signature

H&L CONTRACTING
140 Adams Avenue, Ste B14, Hauppauge, NY 11788
Phone: (631) 813-2266
Fax: (631) 813-2263

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635374.015
DATE OPENED: 18 NOV 2022
SITE ADDRESS: Newburyport Harbor, Newburyport, MA 01950

DESCRIPTION:
Prior to 11/18/22, H&L had been performing maintenance dredging in the 9-ft channel in Newburyport Harbor for the US Army Corps of Engineers. The dredging work was completed and had been accepted by the Corps on 11/15/22. During the course of that work, various safety minor deficiencies were noticed by the H&L Health and Safety Officer. These deficiencies included:

- Navigation lighting not functioning.
- Recovery ladders not appropriate.
- Faulty extension cord
- Faulty oxygen/acetylene hose
- Improper use of sling in lifting materials
- Inadequate housekeeping
- Excavator not adequately secured to barge.

All of these deficiencies had been logged on Daily Safety reports and had been corrected. The corrective measures had been documented by Corps personnel.

OSHA personnel performed a site inspection on 11/18/22 apparently due to an anonymous complaint received by them at some time prior. The complaint provided to H&L by OSHA specifically included the above deficiencies.

H&L has not received any correspondence from OSHA regarding the site inspection as of this date.

It should be noted that during the course of a USACE maintenance dredging project, H&L employs two full time Site Safety & Health Officers (one for each shift), and that Corps personnel are also always on-site evaluating H&L's implementing safety requirements.

LESSONS LEARNED:

While H&L has yet to receive a report from OSHA concerning its inspection at Newburyport, H&L reinforced the following with its dredging supervisory and safety personnel:

- Dredging by its very nature entails multiple operations simultaneously, with workers moving from one task to the next quickly. It is incumbent upon safety and supervisory personnel to be proactive in noticing and correcting any deficiencies, regardless of how minor they may seem.
- Faulty lights and equipment must be repaired and or replaced at the earliest opportunity.
- Equipment lifting procedures must be followed at ALL times, regardless of the size of the load being lifted.
- Housekeeping must always be up to standards, even during urgent work.

H&L will make any OSHA correspondence regarding the 11/18/22 inspection available once those reports are received.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

COUNTY OF NASSAU

POLITICAL CAMPAIGN CONTRIBUTION DISCLOSURE FORM

1. Has the vendor or any corporate officers of the vendor provided campaign contributions pursuant to the New York State Election Law in (a) the period beginning April 1, 2016 and ending on the date of this disclosure, or (b), beginning April 1, 2018, the period beginning two years prior to the date of this disclosure and ending on the date of this disclosure, to the campaign committees of any of the following Nassau County elected officials or to the campaign committees of any candidates for any of the following Nassau County elected offices: the County Executive, the County Clerk, the Comptroller, the District Attorney, or any County Legislator?

YES [X] NO [ ] If yes, to what campaign committee?

NOTE: An affirmative answer is required below whether the sanction arose automatically, by operation of law, or as a result of any action taken by a government agency. Provide a detailed response to all questions checked "YES". If you need more space, photocopy the appropriate page and attach it to the questionnaire.

7. In the past (5) years, have you and/or any affiliated businesses or not-for-profit organizations listed in Section 5 in which you have been a principal owner or officer:
   a. Been debarred by any government agency from entering into contracts with that agency?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   b. Been declared in default and/or terminated for cause on any contract, and/or had any contracts cancelled for cause?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   c. Been denied the award of a contract and/or the opportunity to bid on a contract, including, but not limited to,

failure to meet pre-qualification standards?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

d. Been suspended by any government agency from entering into any contract with it; and/or is any action pending that could formally debar or otherwise affect such business's ability to bid or propose on contract?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

8. Have any of the businesses or organizations listed in response to Question 5 filed a bankruptcy petition and/or been the subject of involuntary bankruptcy proceedings during the past 7 years, and/or for any portion of the last 7 year period, been in a state of bankruptcy as a result of bankruptcy proceedings initiated more than 7 years ago and/or is any such business now the subject of any pending bankruptcy proceedings, whenever initiated?
YES [ ] NO [X] If 'Yes', provide details for each such instance. (Provide a detailed response to all questions check "Yes". If you need more space, photocopy the appropriate page and attached it to the questionnaire.)

9.

a. Is there any felony charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

b. Is there any misdemeanor charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

c. Is there any administrative charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

d. In the past 10 years, have you been convicted, after trial or by plea, of any felony, or of any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

e. In the past 5 years, have you been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

f. In the past 5 years, have you been found in violation of any administrative or statutory charges?
YES [X] NO [ ] If yes, provide an explanation of the circumstances and corrective action taken.

Re: **Maintenance Dredging and Channel Improvements for the Beach Haven West Complex, Channel Nos 133, 135, 143-146, 157 with placement in Dredged Hole 61, Contract No. 133202505, Boroughs of Harvey Cedars, Townships of Stafford, Eagleswood and Long Beach, County of Ocean, New Jersey, 100% State Funded, UPC No. N/A, PE No. 6110108, CE No, 2207622, DP No. 25705**

Dear Mr. Haney:

The Commissioner of Transportation, acting pursuant to N.J.S.A. 27:7-30, has awarded the project designated as **Maintenance Dredging and Channel Improvements for the Beach Haven West Complex, Channel Nos 133, 135, 143-146, 157 with placement in Dredged Hole 61, Contract No. 133202505, Boroughs of Harvey Cedars, Townships of Stafford, Eagleswood and Long Beach, County of Ocean, New Jersey, 100% State Funded, UPC No. N/A, PE No. 6110108, CE No, 2207622, DP No. 25705** to your firm on **June 3, 2026**. The Contract amount is [redacted] As stated in the Standard Specifications, this award is not binding upon the State until the contract has been executed by the Commissioner. Furthermore, no work shall be performed on account of the proposed contract until you have been notified that the contract has been executed by the Commissioner.

All payment obligations are subject to appropriations and the availability of funds.

Consistent with the Specifications, this award is being made to your firm since you were the lowest responsible bidder whose proposal conformed in all respects to the requirements set forth in the contract documents. All the contract documents which formed the basis of your bid were in accordance with Department Specifications. In submitting your proposal to the Department of Transportation, you agreed to carry out and complete the project as specified and delineated in these contract documents at the price per unit of measure bid for each scheduled item of work.

The contract (Form DC-81) must be signed and witnessed. **PLEASE DO NOT DATE THE CONTRACT**. The contract will be dated at the time it is signed by the Commissioner. A properly signed and sealed corporate resolution verifying the authority of the officers to sign the contract for the corporation must be attached with the contract. An **acceptable Corporate Resolution template** can be found from the website link below for your use.
Using this template will avoid delays encountered during contract execution.
http://www.state.nj.us/transportation/business/procurement/ConstrServ/curradvproj.shtm

Performance and payment bonds must be issued by surety companies listed in the current U.S. Treasury Circular 570 ("Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds") and cannot exceed the amount of authority listed in U. S. Treasury Circular 570. All surety companies must be licensed to transact surety business in the State of New Jersey. In the event the penal sum of the bond exceeds the limitations prescribed in Circular 570, two or more listed surety companies may be accepted, jointly and severally, as co-sureties on the contract, as long as the penal sum of the bond does not exceed the prescribed limitations of their aggregate qualifying power.

The performance and payment bonds must be signed by the authorized officers of the corporation, and the corporate seal must be affixed. They must be signed by each surety company, witnessed and accompanied by both a certification as to authorization of the Attorney-in-Fact to bind each surety company and a true and correct statement of the financial condition of each surety company. All names must be typed or printed below the signature on the bonds. The bonds must bear the dates on which they are issued and signed. **In addition, the contractor must submit to the Department proof of valid business registration with the Division of Revenue in the New Jersey Department of Treasury in accordance with P.L. 2001, c. 134 (N.J.S.A. 52:32-44), and proof of registration with the New Jersey Department of Labor as a Public Works Contractor in accordance with N.J.S.A. 34:11-56.48 and P.L. 2003, c. 91, effective August 16, 2003**.

Effective June 15, 2023, Governor Murphy signed **Executive Order 333**, thereby rescinding the Two-Year Chapter 51 requirement for 100% State Funded Construction Contracts for entities that follow a fair and open process.

All procurement vendors are encouraged to register and update their vendor information via the online NJSTART procurement application at **NJSTART.GOV**

Your firm must return the fully executed contract, payment bond, performance bond and proof of valid business registration, etc. to this office **WITHIN FOURTEEN DAYS** OF THE RECIPT **OF THE AWARD**. If you intend to escrow bid documents as per Section 103.05 of the Specifications, please phone this office to request the custody agreement form. If you do not intend to escrow bid documents, please indicate this by signing in the space provided and return this letter with the executed contract, corporate resolution, payment and performance bonds and proof of valid business registration.

The attached N.J.D.O.T. Insurance Certificate must be completed by your insurance agent **and submitted to the Regional Construction Engineer at the preconstruction conference.**

Proof of any other insurance required by the contract must be provided separately on forms satisfactory to the Department **at the preconstruction conference**

For STATE and PARTIALLY STATE FUNDED CONSTRUCTION CONTRACTS ONLY,

Re: Initial Project Workforce Report - Construction, FORM AA-201

The New Jersey Department of Transportation does not have delegated authority to monitor and enforce EEO Workforce Compliance on State Funded construction projects. The New Jersey Department of the Treasury, Division of Public Contracts EEO Compliance has jurisdiction for EEO monitoring and enforcement. Therefore, in accordance with the regulations governing State Funded Construction Projects (PL 1975, c.127; N.J.S.A 10:5-31 et. seq., N.J.A.C.17:27), please submit your Initial Project Workforce Report-Construction, Form AA-201 directly to the Department of the Treasury, Division of Public Contracts EEO Compliance. The NJDOT's Bureau of Construction Services will supply you with Form AA-201 along with the instructions for completing the form upon issuing the NJDOT contract for your project.

Form AA-201 can also be found on the Department of the Treasury's website at https://www.nj.gov/treasury/contract_compliance/

Please complete and submit Form AA-201 as follows:

Re: Maintenance Dredging and Channel Improvements for Patcong Creek Channel, Contract No. 179202303, Township of Egg Harbor, and City of Somers Point, County of Atlantic and Township of Upper, County of Cape May, New Jersey; 100% State Funded, UPC No: 013090, PE No: 6110108, CE No: 2207685, DP No: 23704

Dear Mr. Haney,

The Commissioner of Transportation, acting pursuant to N.J.S.A. 27:7-30, has awarded the project designated as **Maintenance Dredging and Channel Improvements for Patcong Creek Channel, Contract No. 179202303, Township of Egg Harbor, and City of Somers Point, County of Atlantic and Township of Upper, County of Cape May, New Jersey; 100% State Funded, UPC No: 013090, PE No: 6110108, CE No: 2207685, DP No: 23704** to your firm on **December 21, 2023.** The Contract amount is [redacted] As stated in the Standard Specifications, this award is not binding upon the State until the contract has been executed by the Commissioner. Furthermore, no work shall be performed on account of the proposed contract until you have been notified that the contract has been executed by the Commissioner.

All payment obligations are subject to appropriations and the availability of funds.

Consistent with the Specifications, this award is being made to your firm since you were the lowest responsible bidder whose proposal conformed in all respects to the requirements set forth in the contract documents. All the contract documents which formed the basis of your bid were in accordance with Department Specifications. In submitting your proposal to the Department of Transportation, you agreed to carry out and complete the project as specified and delineated in these contract documents at the price per unit of measure bid for each scheduled item of work.

The contract (Form DC-81) must be signed and witnessed. **PLEASE DO NOT DATE THE CONTRACT**. The contract will be dated at the time it is signed by the Commissioner. A properly signed and sealed corporate resolution verifying the authority of the officers to sign the contract for the corporation must be attached with the contract. An **acceptable Corporate Resolution template** can be found from the website link below for your use. Using this template will avoid delays encountered during contract execution.
http://www.state.nj.us/transportation/business/procurement/ConstrServ/curradvproj.shtm

Performance and payment bonds must be issued by surety companies listed in the current U.S. Treasury Circular 570 ("Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds") and cannot exceed the amount of authority listed in U. S. Treasury Circular 570. All surety companies must be licensed to transact surety business in the State of New Jersey. In the event the penal sum of the bond exceeds the limitations prescribed in Circular 570, two or more listed surety companies may be accepted, jointly and severally, as co-sureties on the contract, as long as the penal sum of the bond does not exceed the prescribed limitations of their aggregate qualifying power.

The performance and payment bonds must be signed by the authorized officers of the corporation and the corporate seal must be affixed. They must be signed by each surety company, witnessed, and accompanied by both a certification as to authorization of the Attorney-in-Fact to bind each surety company and a true and correct statement of the financial condition of each surety company. All names must be typed or printed below the signature on the bonds. The bonds must bear the dates on which they are issued and signed. **In addition, the contractor must submit to the Department proof of valid business registration with the Division of Revenue in the New Jersey Department of Treasury in accordance with P.L. 2001, c. 134 (N.J.S.A. 52:32-44), and proof of registration with the New Jersey Department of Labor as a Public Works Contractor in accordance with N.J.S.A. 34:11-56.48 and P.L. 2003, c. 91, effective August 16, 2003.**

All procurement vendors are encouraged to register and update their vendor information via the online NJSTART procurement application at NJSTART.GOV

Your firm must return the fully executed contract, payment bond, performance bond and proof of valid business registration, etc. to this office **WITHIN FOURTEEN DAYS** OF THE RECEIPT OF THE AWARD. If you intend to escrow bid documents as per Section 103.05 of the Specifications, please phone this office to request the custody agreement form. If you do not intend to escrow bid documents, please indicate this by signing in the space provided and return this letter with the executed contract, corporate resolution, payment and performance bonds and proof of valid business registration.

The attached N.J.D.O.T. Insurance Certificate must be completed by your insurance agent in triplicate **and submitted to the Regional Construction Engineer at the preconstruction conference**.
Proof of any other insurance required by the contract must be provided separately on forms satisfactory to the Department **at the preconstruction conference**.

For STATE and PARTIALLY STATE FUNDED CONSTRUCTION CONTRACTS ONLY,
Re: Initial Project Workforce Report - Construction, FORM AA-201

The New Jersey Department of Transportation does not have delegated authority to monitor and enforce EEO Workforce Compliance on State Funded construction projects. The New Jersey Department of the Treasury, Division of Public Contracts EEO Compliance has jurisdiction for EEO monitoring and enforcement. Therefore, in accordance with the regulations governing State Funded Construction Projects (PL 1975, c.127; N.J.S.A 10:5-31 et. seq., N.J.A.C.17:27), please submit your Initial Project Workforce Report-Construction, Form AA-201 directly to the Department of the Treasury, Division of Public Contracts EEO Compliance. The NJDOT's Bureau of Construction Services will supply you with Form AA-201 along with the instructions for completing the form upon issuing the NJDOT contract for your project.

Form AA-201 can also be found on the Department of the Treasury's website at https://www.state.nj.us/treasury/contract_compliance/forms.shtml

Please complete and submit Form AA-201 as follows:

FIRST (2) Copies to:	**(3rd) Copy – (Marked Public Agency) to:**
New Jersey Department of the Treasury Division of Public Contracts Equal Employment Opportunity Compliance P.O. Box 209 Trenton, NJ 08625	New Jersey Department of Transportation Division of Civil Rights/Affirmative Action Contract Compliance Unit P.O. Box 600 Trenton, NJ 08625

If you have any questions, I may be reached at (609) 963-2331.

Very truly yours,

Anthony Genovese, Director
Division of Procurement

JOCAR ASPHALT LLC / DBA RASON MATERIALS

4 Johnson Rd. Lawrence, NY 11559
(631)293-6210

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 1448662.0.15
Date of Incident/Inspection: 12/4/2019
Settled Amount of Fine: $14,000.00

Explanation:
On 12/4/2019 an employee of Rason Materials was performing work at the Cedarhurst asphalt plant when, without instruction, the employee used a manlift to access a conveyor drive pulley that was approximately 8' above ground level. In an unwise attempt to clean dirt off of the pulley, while the conveyor was operating the employee used a wrench to scrape the inside of the pulley. The wrench was grabbed by the pulley and belt which spun the wrench, striking the employee's hand which resulted in a severe injury to the employee's thumb.

OSHA was notified immediately, and an inspection was performed the following day. The following determinations were made after that inspection:

- The subject pulley and belt were not required to have guards due to being 8' above ground level and not normally accessible to personnel.
- There was an inadequate Safety Plan in place for the asphalt plant.
- There was an inadequate Lockout/Tagout Program in place for the asphalt plant
- There were 2 pulleys without guards that were required to have guards

Rason received 4 violations as follows:

1. No guard on equipment (1st instance) (serious)
2. No guard on equipment (2nd instance) (serious)
3. Inadequate Safety Program
4. Inadequate Lockout/Tagout Program

The end result of discussions between Rason and OSHA was a reduction in the total fine to be $14,000.00. That fine has been paid and the case has been closed.

CORRECTIVE MEASURES
As soon as practicable after the incident Rason developed and implemented a new Safety Program, including a new Lockout/Tagout Program. These programs were implemented, and all employees were provided with initial and follow-up training.

LESSONS LEARNED
Rason has placed increased emphasis on awareness training for all employees with respect to rotating equipment guards and the necessity that those guards be in place at all times when the plant is in operation.

Additionally, Rason has been stringent in training employees in Lockout/Tagout; with particular emphasis being placed on the prohibition of working on operating equipment.

Scatt Materials Corp

44 South Fourth Street, Bay Shore, NY 11706
(631)586-0554

EXPLANATION FOR ANSWERING YES TO QUESTION 13 ON BID DOCUMENTS

OSHA Inspection 154269
Date of Incident/Inspection: 7/19/21
Settled Amount of Fine: Not settled as of 4/8/22

Explanation:
On 7/19/21 an employee of Scatt Materials Corp., without instruction, entered a chute to free up a jammed diversion plate. While the plant and conveyor were shut down, as the employee moved material that was obstructing a diversion plate the stored energy in the plate caused the plate to suddenly move, striking the employee in the leg. The employee suffered a broken leg.

OSHA was notified immediately, and an inspection was performed that day. The following determinations were made after that inspection:

- The Lockout/Tagout procedures that were in place for the asphalt plant were inadequate.
- The employee that was injured was not properly trained in Lockout/tagout and stored energy.

Scatt received 2 violations as follows:

1. Procedures were not developed, documented, and utilized for the control of potentially hazardous energy
2. Employees were not adequately trained to ensure that the Lockout/Tagout program that was in place was understood and followed by employees

Due to the common ownership of Scatt Materials and Rason Materials, and considering Rason Materials had received OSHA violations and a stipulated fine in 2020 for similar violations, the violations were determined by OSHA to be Repeat-Serious Violations; each violation was accompanied by a $6,216.00 fine.

Scatt has engaged legal counsel and is currently in discussions with OSHA to determine a settlement. Scatt understands at this time that the settlement will result in the removal of both "Repeat-Serious" violations and the assessment of one "other than serious" violation.

CORRECTIVE MEASURES
Additional awareness training has been provided to all Scatt employees with respect to the current Safety Program and Lockout/Tagout procedures. In addition, the Safety Programs for Scatt (and Rason) are currently under review and will be revised to meet or exceed all OSHA requirements.

LESSONS LEARNED
Scatt has placed increased emphasis on awareness training for all employees with respect to the Lockout/Tagout procedures and the potential stored hazardous energy in various components of the plant, even after the plant has been shut down.

H&L CONTRACTING
140 Adams Avenue, Ste B14, Hauppauge, NY 11788
Phone: (631) 813-2266
Fax: (631) 813-2263

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635374.015
DATE OPENED: 18 NOV 2022
SITE ADDRESS: Newburyport Harbor, Newburyport, MA 01950

DESCRIPTION:
Prior to 11/18/22, H&L had been performing maintenance dredging in the 9-ft channel in Newburyport Harbor for the US Army Corps of Engineers. The dredging work was completed and had been accepted by the Corps on 11/15/22. During the course of that work, various safety minor deficiencies were noticed by the H&L Health and Safety Officer. These deficiencies included:

- Navigation lighting not functioning.
- Recovery ladders not appropriate.
- Faulty extension cord
- Faulty oxygen/acetylene hose
- Improper use of sling in lifting materials
- Inadequate housekeeping
- Excavator not adequately secured to barge.

All of these deficiencies had been logged on Daily Safety reports and had been corrected. The corrective measures had been documented by Corps personnel.

OSHA personnel performed a site inspection on 11/18/22 apparently due to an anonymous complaint received by them at some time prior. The complaint provided to H&L by OSHA specifically included the above deficiencies.

H&L has not received any correspondence from OSHA regarding the site inspection as of this date.

It should be noted that during the course of a USACE maintenance dredging project, H&L employs two full time Site Safety & Health Officers (one for each shift), and that Corps personnel are also always on-site evaluating H&L's implementing safety requirements.

LESSONS LEARNED:

While H&L has yet to receive a report from OSHA concerning its inspection at Newburyport, H&L reinforced the following with its dredging supervisory and safety personnel:

- Dredging by its very nature entails multiple operations simultaneously, with workers moving from one task to the next quickly. It is incumbent upon safety and supervisory personnel to be proactive in noticing and correcting any deficiencies, regardless of how minor they may seem.
- Faulty lights and equipment must be repaired and or replaced at the earliest opportunity.
- Equipment lifting procedures must be followed at ALL times, regardless of the size of the load being lifted.
- Housekeeping must always be up to standards, even during urgent work.

H&L will make any OSHA correspondence regarding the 11/18/22 inspection available once those reports are received.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

RE: OSHA INVESTIGATION OF H&L CONTRACTING LLC

On October 22, 2019 H&L Contracting LLC was performing paving work as a subcontractor to United Paving Corp. (General Contractor) under the Village of Freeport's 2019 Road Resurfacing Program. The subcontracting agreement between H&L and United included the paving work only, Maintenance and Protection of Traffic (MPT) was excluded from H&L's scope of work. Included in the streets to be paved by H&L was Grant Street, a dead-end street on the east side of Guy Lombardo Blvd. in the Village of Freeport.

Paving work was performed from the dead-end of Grant St. outward towards Guy Lombardo Blvd., with asphalt truck trailers provided by 4L Equipment Leasing LLC under an agreement with H&L. These trailers backed down Grant St. to the paver, and once empty proceeded ahead to Guy Lombardo Blvd., turning right to exit the work area. Unbeknownst to the H&L crew the United employee(s) that had been assigned to perform the MPT for the work were not at the Grant St. intersection but rather at another intersection scheduled for paving that day.

As a 4L truck was exiting Grant St. after dumping into the paver, the driver stopped the truck at the intersection with Guy Lombardo Blvd. During this time when the truck was stopped, another 4L employee, who had parked and exited his truck a short distance north on Guy Lombardo Blvd., ran towards the stopped truck on Grant St., approaching from the passenger side of that truck, apparently to obtain a scraper that was stored behind the cab. The driver of the stopped truck did not notice the approaching 4L employee due to that employee approaching from the passenger (blind) side. While the 4L employee was immediately in front of the stopped truck's right rear wheel, the driver proceeded forward, fatally injuring the 4L employee.

All required notifications were made, including Nassau County Police and OSHA. H&L fully cooperated with all investigations.

Notwithstanding that 1. MPT was NOT in the scope of H&L's work under the subcontract, 2. H&L was unaware that United was not providing MPT at the accident location at the time of the accident, and 3. If MPT was being provided at the intersection it is doubtful that the actions of the 4L employee, namely stepping in front of the rear wheel without notifying the driver of his presence, would have been prevented, the OSHA investigation resulted in two citations of violations against H&L. One being a severe violation of "Accident Prevention Signs and Tags" and the other being a severe violation of "Signaling". Each Violation included a penalty of $12,145.00.

H&L was not afforded an opportunity to contest the citations, although it was H&L's wish to do so, apparently due to Federal COVID protocols affecting the ability to communicate with OSHA personnel.

H&L promptly paid the penalties and incorporated various "lessons learned" into its Safety Procedures. Chief among those lessons learned was that work cannot proceed without required MPT regardless of whose responsibility that MPT falls under.

H&L personnel are available at your convenience to discuss this matter and will provide available records and documentation at your request.

Sincerely,

Keith Haney, Managing Member Signature

Phone: (631) 813-2266
Fax: (631) 813-2263

To whom it may concern,

The following serve as summary description of our open OSHA inspections associated with H&L Contracting LLC:

OSHA INSPECTION NO. 1635814.015
DATE OPENED: 23 NOV 2022
SITE ADDRESS: Smith Point County Marina East Concourse, Shirley, NY 11967

DESCRIPTION:
Considering there are ongoing investigations by OSHA, US Coast Guard, and SCPD due to the incident involving a fatality, H&L can only provide limited information.

On 11/23/22, H&L Contracting was performing dredge pipe fusing work at the Smith Point County Marina. This work consisted of fusing sections of HDPE pipe together on land and once fused, using a small work boat (skiff) to tow the fused (floating) sections to a mooring area a short distance from the fusing station. H&L assigned an experienced and qualified crew to perform the work; all workers were trained in H&L's safe work procedures, including receiving on site safety briefings (tool box talks) regarding work on or near the water. H&L requires all personnel working on or near the water to wear personal floatation devices (PFD's) at all times, that requirement was specifically reinforced by H&L supervisory personnel at the job site prior to the incident on 11/23/22.

At some point during the performance of the work an H&L employee (boat operator) fell off of the work boat while not wearing a PFD. This event was not noticed immediately by the other H&L employees on site. Once it became evident that the boat operator was missing, the H&L work crew commenced a search and notified the Coast Guard and SCPD. An expansive search for the boat operator ensued with Coast Guard, SCPD, and various Fire Dept. placing divers in the water. OSHA was notified soon after the search began.

During the search it became evident that he H&L boat operator had not been wearing his PFD, although he had been specifically instructed to do so. The boat operator's body was not recovered until over one week after the incident; H&L has no information regarding the cause of death of the boat operator. H&L is aware that the investigations have established that the boat operator was equipped with a PFD that was found on the skiff.

LESSONS LEARNED

It is H&L's position that the company had all required safety procedures in place regarding marine safety, and that those procedures had been reinforced by supervisory personnel at the site prior to the incident. The boat operator had been seen to be wearing his PFD prior to the incident and no H&L employee noticed the boat operator's failure to follow the instructions regarding wearing PFD's.

Going forward, H&L will re-enforce the requirement to wear PFD's at all times when working on or near the water.

If any additional information regarding this OSHA case or any other safety related matter is necessary, please contact H&L Company Safety Director Chris Adams in the main office.

Title: Managing Member

The term lobbying shall mean any attempt to influence: any determination made by the Nassau County Legislature, or any member thereof, with respect to the introduction, passage, defeat, or substance of any local legislation or resolution; any determination by the County Executive to support, oppose, approve or disapprove any local legislation or resolution, whether or not such legislation has been introduced in the County Legislature; any determination by an elected County official or an officer or employee of the County with respect to the procurement of goods, services or construction, including the preparation of contract specifications, including by not limited to the preparation of requests for proposals, or solicitation, award or administration of a contract or with respect to the solicitation, award or administration of a grant, loan, or agreement involving the disbursement of public monies; any determination made by the County Executive, County Legislature, or by the County of Nassau, its agencies, boards, commissions, department heads or committees, including but not limited to the Open Space and Parks Advisory Committee, the Planning Commission, with respect to the zoning, use, development or improvement of real property subject to County regulation, or any agencies, boards, commissions, department heads or committees with respect to requests for proposals, bidding, procurement or contracting for services for the County; any determination made by an elected county official or an officer or employee of the county with respect to the terms of the acquisition or disposition by the county of any interest in real property, with respect to a license or permit for the use of real property of or by the county, or with respect to a franchise, concession or revocable consent; the proposal, adoption, amendment or rejection by an agency of any rule having the force and effect of law; the decision to hold, timing or outcome of any rate making proceeding before an agency; the agenda or any determination of a board or commission; any determination regarding the calendaring or scope of any legislature oversight hearing; the issuance, repeal, modification or substance of a County Executive Order; or any determination made by an elected county official or an officer or employee of the county to support or oppose any state or federal legislation, rule or regulation, including any determination made to support or oppose that is contingent on any amendment of such legislation, rule or regulation, whether or not such legislation has been formally introduced and whether or not such rule or regulation has been formally proposed.

PRE-BIDDING AND JOINT VENTURE AGREEMENT

THIS AGREEMENT was made and entered into, effective this the 12th day of October, 2021 by and between the following parties:

H&L Contracting LLC, a New York limited liability corporation, having its principle place of business at 140 Adams Avenue, Suite B14, Hauppauge, New York 11788, (hereinafter "H&L") and Posillico Civil, Inc.., a New York corporation, having its principle place of business at 1750 New Highway., Farmingdale, NY 11735 (hereinafter "Posillico"), (hereinafter collectively the "Joint Venture").

WITNESSETH:

WHEREAS, the Joint Venturers have agreed to prepare and submit a bid proposal to the STATE OF NEW YORK DEPARTMENT OF TRANSPORTATION for CONTRACT D264601, PAVEMENT RESURFACING ON I-495 IN THE TOWNS OF BROOKHAVEN & ISLIP, AND CONTRACT D264602, PAVEMENT RESTORATION PROJECT: I-495 IN THE TOWNS OF HUNTINGTON, SMITHTOWN, & ISLIP, in amounts and upon terms to be mutually agreed upon by the Joint Venture prior to the submission thereof, and;

WHEREAS, the parties to this agreement desire to set forth their rights and interest in and their duties and obligations under the contract (hereinafter the "Principal Contract") which may be awarded as a result of the foregoing bid or proposal.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties hereby agree to constitute themselves as a Joint Venture for the purpose of (1) preparing and submitting a bid and (2) performing and completing the Principal Contract, upon the following terms and subject to the Following conditions:

1. SCOPE OF AGREEMENT: The parties hereto constitute themselves as a Joint Venture solely for the purpose of preparing and submitting a bid and performing and completing the Principal Contract, but for no other purpose, it being understood that as Joint Venturers, the parties are not making any arrangements to perform any work jointly except that specifically encompassed within this Agreement and that each party may carry on its separate business for its sole benefit.

(a) Each Party will provide qualified personnel to assist in preparing the Proposal. Each Party will develop and furnish cost, rate, pricing and technical information for the Proposal. The Parties shall exchange such information as is reasonably necessary to prepare the Proposal.

2. PARTIES TO BID: The bid or proposal shall be submitted in the name of the Joint Venture or as hereinafter agreed; provided, however, that no bid or proposal shall be submitted naming any party as one of the Joint Venturers unless that party shall have agreed in writing to the amount and to all of the terms of the bid or proposal.

3. RIGHT TO WITHDRAW OR CHANGE: Prior to the submission of the bid or proposal, any party may withdraw from this agreement and thereby terminate all of its duties and obligations hereunder. After a bid or proposal has been submitted, no change shall be made therein unless such change shall be consented to in writing by all parties.

4. DUTIES ON AWARD: If the bid or proposal is accepted by the Owner, the parties shall execute such documents, with joint and several liability to each of them, and shall take such other steps as the Owner may require to make the Principal Contract a legal and binding agreement among the parties, as Joint Venturers, and the Owner. If the bid or proposal is not accepted by the Owner, and if the parties are not successful in any re-bidding of the Principal Contract, then this Agreement may be terminated by any of the parties without further liability.

5. PRE-AWARD COSTS: Any costs incurred by a party prior to the date of award of the Principal Contract shall be borne solely by that party and shall not be included as construction cost.

6. PRE-AWARD NEGOTIATIONS: Any negotiations with the Owner or the sureties, subsequent to the submission of the bid, but prior to the award, shall include at least one representative of each party, and all the parties must concur before any agreements so negotiated are binding.

7. NAME: For convenience, the business of the Joint Venture shall be conducted under the name Posillico/H&L JV. The business address of the Joint Venture shall be 1750 New Hwy., Farmingdale, NY 11735. Insofar as possible, property acquired shall be held jointly in this name.

8. PROPORTIONATE INTERESTS: The interests of the parties in and to the Principal Contract; and in and to all materials, tools, equipment and property acquired by the Venture in connection with the performance thereof, and in and to all profits and gains realized there from; and the liability and responsibility of the parties for any losses sustained there from (except as otherwise provided in this Agreement) shall be in the following proportions:

H&L CONTRACTING LLC 50%

POSILLICO CIVIL, INC. 50%

Each party hereby indemnifies the other against any contractual or other default by the indemnifying party under the Principal Contract.

9. MANAGING PARTY: One of the parties shall be designated the Managing Party and, under the overall control and direction of all Joint Venturers, shall have general charge and supervision over the timely and satisfactory performance of the Principal Contract but shall be without liability to the other party for losses caused or sustained as a result of good faith errors of judgment or mistakes in its actions as Managing Party. The Managing Party shall have the power, which it may delegate in the name of the Venture, to execute and deliver purchase orders, rental agreements, subcontracts and such other agreements as are necessary and appropriate to carry out the Principal Contract. The Managing Party, for this Joint Venture shall be: Posillico Civil, Inc.

The Managing Party shall, among other things, provide staff for (1) maintaining the books and records of the Joint Venture, (2) performing all in-house accounting related to the Joint Venture, (3) preparation and payment of payroll, of union benefits, and of all governmental withholding taxes, (4) obtaining and managing all insurance required under the Principal Contract, and (5) preparation of shop drawings and obtaining Owner approval. The Managing Party shall not proceed with the performance of any item of change order work, the value of which is greater than $ 100,000.00 dollars, until it has been authorized and approved in writing by the owner/CM, without the unanimous written approval of the parties hereto, unless failure to proceed could result in a breach of the Principal Contract. The Managing Party shall be reimbursed for its office expenses in managing and supervising the performance of the Contract through payment of the management fee. The total expense for managing the joint venture shall be 0.5% of the final contact value, the final percentage to be agreed upon at the time of bid submission and be included in the Joint Venture bid cost. The management fee shall be paid as follows: monthly, commencing in the first billing period to the owner, and accrued until receipt of the first payment estimate from the Owner that includes payment of the Mobilization item. Under no circumstances will the management fee exceed 1% of the total project revenues except as stated in the next paragraph.

The management fee will include Payroll, job costing, and in-house accounting and administration. The joint venture agrees that if they are successful on being awarded both projects, H&L Contracting will be the managing partner on Contract D264602 and Posillico will be the managing partner on Contract D264601.

10. PROJECT MANAGER: The Managing Party with the agreement of the other Joint Venturer shall designate a Project Manager, who shall serve at its pleasure and be subject to only its control. The Project Manager shall manage and supervise the work called for by the Principal Contract and he shall have such specific powers as the Managing Party may, from time to time, delegate. Each party shall execute such documents as are required by the Managing Party to evidence the authority of the Managing party and the Project Manager.

(24) WORKING CAPITAL: (a) All working capital, when and as required for performance of the Principal Contract, shall be furnished by the parties in accordance with their proportionate interests in the Principal Contract. The need for working capital and the dates on which it is to be furnished shall be agreed upon by both Joint Venturers and each such determination shall be binding and conclusive on the parties. The Managing Party shall attempt to give written notice at least thirty (30) days prior to the date for payment thereof. Notwithstanding the above, within five (5) days after such determination as aforesaid, each party shall pay into said bank account or accounts of the Joint Venture its proportionate share of any needed additional working funds unless the designees shall determine that such additional working funds are required before the expiration of said five day period, in which event it shall be so paid into said bank account or bank accounts within such time as the designees may fix, but in no event shall any such payment be required within less then twenty-four (24) hours after such determination. The working capital so provided and all other funds received by the Joint Venture shall be deposited in such banks and shall be subject to withdrawal upon the signature of such persons as the Joint Venturers may from time to time authorize. Those authorized to deal with funds of the Joint Venture shall be bonded in such amounts and in such companies as the parties shall determine.

(b) All working capital advanced shall be repaid to the pallies advancing it prior to the distribution of any profits or gains. Partial repayments of working capital shall be made to each party prorata in the proportion of its working capital advances bear to the total working capital advances as of the date of such repayment.

(c) The Managing Party will make use of working capital, investing it prudently in short term securities, so that it will earn interest without interfering with payment of current obligations of the Joint Venture as they become due.

(d) All monies advanced by the pallies to this Joint Venture, received as paymentsunder the Principal Contract or otherwise received, shall be treated and regarded as, and are hereby declared to be, trust funds for the performance of the Principal Contract and for no other purpose exceptas

provided for in Article 11, Paragraph (c), until the Principal Contract shall have been fully completed and accepted by the Owner, and until all obligations of the parties hereto shall be paid, otherwise discharged, or provided for by adequate reserves. Such reserves shall likewise be treated as trust funds until they shall have served the purposes for which they were created.

11. FAILURE TO ADVANCE WORKING CAPITAL: In the event of the failure of a Joint Venturer to promptly contribute its share of Joint Venturer working capital in the amounts agreed upon by the Joint Venturers and by the date set by the Managing Party:

(a) The defaulting Joint Venturer's share of the profits of the Venture shall be decreased, and the share of the other Joint Venturer shall be increased proportionately so that the respective interests of the Joint Venturers in the profit shall be in the same proportion as the amounts of working capital actually furnished, but in no event shall the share of any Joint Venturer in any losses resulting from the performance of the work be reduced or modified; reduction in a defaulting Joint Venturer' s share of the profits and increases in the share of the other Joint Venturer shall be calculated as of the time of each default in contributions and as of the time of each excess contribution by the other Joint Venturer; the percentage by which a defaulting Joint Venturer's share of profits has been so reduced will not be reinstated for any reason, however, the profit shares as so adjusted may be further adjusted to reflect any subsequent default of excess contributions.

(b) The defaulting Joint Venturer shall pay default interest with respect to its uncontributed share at the rate of Prime + 1% until such time as the funds are repaid to the party advancing the funds. Payments of default interest shall be made to the Venture for the account of the non-defaulting Joint Venturer and payments shall continue until such time as full contributions of working capital and default interest have been paid or until final settlement of the Joint Venture accounts, whichever occurs first; and

(c) The defaulting Joint Venturer shall thereupon have no representative and shall have no further rights to participate in the affairs of the Joint Venture until either (I) all of the defaulted contributions and default interest have been paid to the Joint Venture, or (2) distributions to the non-defaulting Joint Venturer have included repayments of all excess contributions and of all default interest. The non-defaulting Joint Venturer, if not the Managing Party, shall automatically and without further instrument or action become the Managing Party. The non-defaulting Joint Venturer may also, in the name of the Joint Venture or in its own name, maintain an action against the defaulting Joint

Venturer to recover for the Joint Venture the amount of unpaid contributions, together with default interest to the date of payment.

12. PAYMENT/PERFORMANCE BONDS: All contract bid, performance and payment bonds that may be required by the Joint Venture shall be provided by all the Joint Venturers. Each party shall execute such indemnity agreements and other agreements as may be required by the companies writing. the bonds; however, no party's aggregate liability under all such indemnity agreements shall exceed its proportionate interest in the total sum payable under the Principal Contract.

13. BORROWED FUNDS: No money shall be borrowed for the account of the Joint Venture or on behalf of any party, nor shall any funds due the Venture be assigned, pledged or hypothecated, unless all of the parties agree in writing and, where appropriate, all parties become jointly and severally liable for the repayment thereof. If any monies are so borrowed, they shall be repaid in full prior to return of any working capital and distribution of gains or profits.

14. BOOKS OF ACCOUNT: (a) Separate books of account of the transactions of the Joint Venture shall be kept in accordance with generally accepted accounting principles, and such books, and all records of the Joint Venture shall be kept and maintained at the principal office of the Joint Venture. All records of the Joint Venture shall be open to examination at any time by any party. A monthly statement of accounts together with a summary or progress schedule and such other information as the parties may require shall be prepared by the Managing Party and distributed to all parties. A year end audit of the books shall be made, and furnished by Grassi & Company, CPA's or by such other persons as may be agreed upon by all the parties and copies of the audit reports shall be furnished to each party. Only if one of the joint venture parties requests a periodic audit will one be conducted. Upon completion of the Principal Contract, there shall be a final audit of all accounts, records and other pertinent data and a complete and final accounting shall be furnished to each party for its approval and acceptance.

(b) To the extent records must be kept subsequent to the completion and acceptance by all the parties of the final accounting, they shall be kept at such place as the parties shall determine and the cost shall be borne by the parties in accordance with their proportionate interests.

15. CONSTRUCTION COST: (a) Construction cost to be charged this Joint Venture shall include the costs of all subcontracts, unit costs, bonds, insurance, taxes on labor and material, legal and accounting fees, liabilities not secured by insurance, and all other expenses and obligations incurred or suffered in or about the performance of the contract.

If unit pricing cannot be agreed upon then time and material will be used for the joint venture to determine cost.

(b) The Managing Party shall notify all parties of the need for equipment and allow the parties the opportunity to furnish equipment to the Venture.

(c) Equipment rented from a pa1ty shall be charged as a construction cost at the same rate used in the preparation of the bid. The rental rate for equipment not specifically listed in the AED shall be established by the Joint Venture at a monthly rate which does not exceed 3% of the cost of such equipment purchased new, but all such rates shall be subject to the review and approval of all parties.

(d) Construction cost shall not include any charge against the Venture for any overhead expense or charge for the main or branch offices of any party, nor any charge for the time or travel expense of any officer, employee or agent of any party engaged in the business of the Venture, except as such charge may be approved by all the parties in writing.

16. REPRESENTATIVES: Each party shall appoint one or more representatives, but at least one representative and one alternate representative, who shall have full and complete authority to act on behalf of the appointing party in all matters pertaining to the performance of the Principal Contract and this Agreement. The representative(s) shall meet on call of the Managing Party to act on pertinent matters. All decisions, commitments, agreements, undertakings, understandings or other matters shall be made, on behalf of each party, by its appointed representative(s) and such action shall be binding upon that party. Any party may change its representative(s) at any time by appropriate notice to the other parties.

REPRESENTATIVES

Keith Haney

Joseph K. Posillico

17. DISPOSAL OF EQUIPMENT: When appropriate, the Joint Venturers shall determine what part of the plant, equipment, tools and salvageable materials belonging to the Joint Venture are no longer needed. This surplus shall be disposed of as all the parties shall agree. In the event the parties are unable to agree, this surplus shall be disposed of as follows:

(a) At the expense of the Joint Venture, surplus equipment will be examined and appraised, item by item. A copy of the appraisal shall be furnished each party. Each party shall notify the Project

Manager, in writing, within ten (10) days from the date of receipt of the appraisal of its election to purchase any such surplus at the appraised price. If more than one party elects to purchase the same lot or item of surplus, the item or lot will be sold to the party offering the higher price. Any surplus purchased under this sub-paragraph shall be paid for, in cash, within thirty (30) days of the date of election of final determination, whichever is later.

(b) Any surplus not disposed of pursuant to the above sub-paragraph (a), may be sold by the Joint Venture to any bona fide purchaser.

(c) Any surplus not disposed of pursuant to the above sub-paragraphs (a) and (b), shall be sold by the Joint Venture at public auction. A party to this Agreement may bid at such public auction.

(d) Any surplus not disposed of pursuant to the above sub-paragraphs, (a), (b) and (c), shall be divided among the parties by the Joint Venture, by lot on the basis of its appraised value and in accordance with their proportionate interests. When a party has acquired any surplus pursuant to the foregoing, it shall thereafter be responsible for its prompt removal and care.

18. BANK ACCOUNTS: It is agreed that bank accounts, as follows, shall be opened at a banking institution which shall be designated by the Managing Party:

(a) a general account; and

(b) a payroll account

It is agreed that all revenues and working capital shall be deposited into the general account which shall be drawn upon as required for deposit to the payroll account. Checks drawn on either account shall require the signature of only a signatory for the Managing Party. The Managing Party shall provide a monthly summary of all checks drawn on the accounts to all parties.

19. DIVISION OF PROFITS: Upon completion of the Principal Contract, and after paying or providing for the payment of (a) all known costs and expenses, and (b) reserves for such unsettled claims, overruns and other contingencies as all the parties may reasonably agree, in their discretion, to be necessary and after repaying all sums advanced for working capital, the profits then remaining shall be distributed among the parties in accordance with their proportionate interests or as otherwise provided in this Agreement. Any remaining reserves or other undistributed funds shall be similarly distributed when no longer required.

20. BURDEN OF LOSSES:

(a) If the performance of the Principal Contract results in a loss, the parties shall be obligated in accordance with their respective interests for any such loss (irrespective of the fact that any party may have advanced more than its proportionate share of working capital as provided above). Such proportionate liability for each party for the bearing of losses shall continue with respect to any claims which, at any time either before or after the completion of the Principal Contract, shall be made against them, or any of them, by reason of the Joint Venture or any matter or thing in connection therewith.

(b) In the event of loss, each party shall advance its respective share of such loss in the manner provided in Paragraph 11, WORKING CAPITAL, for contribution of working capital.

21. INSOLVENCY: Upon the bankruptcy or insolvency of any party, or should any party commit any act of bankruptcy or take advantage of any bankruptcy, reorganization, composition, or arrangement statute, then, from and after such date, such party, its successors or assigns (hereinafter referred to as the "insolvent party") and its representative(s) shall cease to have any voice in the management of this Joint Venture and the Principal Contract (anything in this Agreement to the contrary notwithstanding). All actions and decisions with respect to the Joint Venture and the Principal Contract shall thereafter be taken solely by the remaining pm1ies and their representative(s). Notwithstanding the foregoing, the insolvent party shall remain liable for its share of any losses, and, provided it has met and continues to meet all required advances of working capital, shall be entitled to return of its working capital advanced and to receive its share of any profits, with such distribution to be made at the time and in the manner provided in this Agreement.

22. ASSIGNMENT OR PLEDGE: It being acknowledged that each party is entering into this Agreement in reliance upon each other party being and remaining a party of this Agreement, no party may assign, transfer, pledge or hypothecate its interest, or any part thereof, under this Joint Venture or under the Principal Contract or its interest in any property or monies of this Joint Venture except with the prior written consent of all the other parties and upon such terms as they may reasonably require.

23. AGREEMENT WITH A PARTY: No agreement for the performance of any work or the furnishing of any materials or equipment for this Joint Venture by any party shall be entered into by the Joint Venture without the prior approval of all of the pai1ies.

24. APPROVALS: Except in instances where the terms of this Agreement specifically require the consent or approval of only one of the parties, in the event all of the parties are unable to agree to any course of action permitted to be taken by them under this Agreement, the decision as to the course of action shall be referred to the American Arbitration Association within ten (10) days for resolution.

25. NOTICE: Any demand, notice or other communication to be given to the Joint Venture or any party in connection with this Agreement shall be given in writing and shall be given by personal delivery, by certified mail, or by fax addressed to the recipient. Such demand, notice or other communication shall be deemed effective when delivered.

26. JURISDICTION: All questions relative to the execution, validity, interpretation and perfolmance of this Joint Venture Agreement shall be governed by the laws and State of New York.

27. SINGLE INSTRUMENT: This Joint Venture Agreement may be executed in any number of counterparts, each of which shall be deemed an original and together constitute a single instrument.

28. PARAGRAPH HEADINGS: The paragraph headings immediately following the paragraph numbers are for indexing convenience only and are not intended to be representative of the content of that paragraph and are not to be construed as being part of this Agreement.

29. BINDING EFFECT: This Agreement shall bind the parties hereto and their respective successors, assigns and legal representatives. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon or give to any person, firm or corporation other than the parties hereto, their successors, assigns and legal representatives, any right, remedy or claim under this Agreement or by reason hereof, or any covenant, stipulation, promise or agreement hereof, and all covenants, stipulations, promises and agreements herein contained shall be for the sole and exclusive benefit of the parties hereto and their respective successors, assigns and legal representatives.

30. AMENDMENTS. This Agreement constitutes the entire agreement between the parties in regard to the subject matter hereof and may not be amended, modified or abrogated except in writing subscribed by the parties.

31. LIMITS OF JOINT VENTURE. The relationship between the parties shall be limited to the performance of the Principal Contract in accordance with the terms of this Agreement. This Agreement shall be construed and deemed to be a Joint Venture for the sole purpose of carrying out the

Principal Contract. Nothing herein shall be construed to create a general partnership between the parties or to authorize either party to act as a general agent for the other party, or to permit either party to bid for or to undeltake any other contracts for the other party.

32. OTHER WORK. Nothing contained herein shall prevent, impair or limit the right of either party to seek, bid for, procure, execute, undertake or complete any other construction contract or work as an independent entity, or in combination with any other entity, without any obligation to share the benefits thereof with the other party hereto.

33. PIRATING EMPLOYEES. Each Joint Venturer agrees that upon entering into this Agreement and for a period of at least one year following the final completion of the Contract, the Joint Venturer, and their subsidiaries and affiliates, shall not make offers, enticements, and/or inducements to cause employees of the other Joint Venturer to leave the employ of that Joint Venturer and to enter into employment with the other Joint Venturer or its affiliate or subsidiary. This provision is limited to those employees of a Joint Venturer who participated in some material way with the Principal Contract.

34. ARBITRATION: Any and all disputes of whatsoever nature arising out of, in connection with, resulting from or in any way related to this Agreement shall be submitted for determination in accordance with the then obtaining rules of the American Arbitration Association. Any hearings shall be in New York City. Any award or determination therein shall be final and binding and enforceable in any court of competent jurisdiction. All costs and expenses of arbitration and litigation, including legal fees shall be borne by the unsuccessful party, and reimbursed to the successful party.

35. OWNERSHIP AND USE OF DOCUMENTS. All documents produced for or by the Joint Venture shall be owned by the Joint Venture. Upon termination of this Agreement, each party shall own an undivided interest in such documents in proportion to the entitlement of such party to the profits of the Joint Venture. The documents shall be stored at the expense of the Joint Venture, at a location determined by the Managing Party and no party shall use these documents or copies thereof for other projects without the prior written consent of the others. Any party may make duplicate copies of such documents without consent of the other parties.

36. INDEMNIFICATION. Each Party hereby undertakes to indemnify and hold harmless the other Party, its affiliates and related entities, shareholders, officers, directors, employees, and any other individual or entity whom the said Party is required to indemnity, defend or hold harmless, from and against any loss or

liability in excess of such Party's proportionate share of the total loss or liability which such party may sustain by reason of the work under the Principal Contract or within the scope of the Agreement or by reason of any surety bonds or indemnity agreements executed in connection therewith. Each Joint Venturer does hereby indemnify the other Joint Venturer against all loss, cost, damage, expense, or liability, regardless of the proportions stated above, arising directly from such indemnifying Joint Venturer's negligent or wrongful act or omission. Additionally, each Joint Venturer agrees to defend, indemnify and hold harmless the other Joint Venturer from and against any and all loss, cost, damage, expense or liability arising from any claim against such indemnifying Joint Venturer relating to the Project or arising out of the Joint Venture, including, but not limited to, claims relating to Work performed for the Project. Each Joint Venturer further agrees to pay all reasonable legal expenses incurred by the indemnified Joint Venturer in defending such claims in the event the indemnifying Joint Venturer fails or refuses to furnish a legal defense. This provision shall survive the termination of the Agreement.

37. MISCELLANEOUS. Notwithstanding any provision of this Agreement to the contrary:

a) The Project shall include any rebid by the Owner of the Project or any other project of the Owner at the site of the Project which may incorporate in whole or part the originally bid work whether or not the contract number or the terms of the contract vary from that of the Principal Contract.

b) All documents produced by the parties or the Joint Venture in connection with the bid for the Principal Contract and/or the Project or any rebid thereof as set forth in sub-paragraph (a) above are confidential and proprietary documents.

IN WITNESS WHEREOF, the undersigned parties have set their hands the day and date first above written.

JOINT VENTURE AGREEMENT

THIS AGREEMENT is made and entered into, effective this the 6th day of September 2024 by and between the following parties:

TULLY CONSTRUCTION CO., INC., a New York corporation, having its principal place of business at 127-50 Northern Blvd., Flushing, NY 11368, (hereinafter **"TULLY"**) and **H&L CONTRACTING LLC**, a New York- corporation, having its principal place of business at 140 Adams Avenue, Suite B14, Hauppauge, NY 11788 (hereinafter "**HL**"), (hereinafter collectively the "Joint Venture/Joint Venturers").

WITNESSETH:

WHEREAS, the Joint Venturers to have agreed to perform the work on the PANYNJ Contract NO JFK124.025 Rehabilitation of Taxiways A and B East and South ("Principal Contract" the Project) in an amount and upon terms to be mutually agreed upon by the Joint Venturers, and;

WHEREAS, the parties to this agreement desire to set forth their respective rights and interests in and their duties and obligations under the Principal Contract.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties hereby agree to constitute themselves as a Joint Venture for the purpose of performing and completing the Principal Contract, upon the following terms and subject to the Following conditions:

1. **SCOPE OF AGREEMENT:** The parties hereto constitute themselves as a Joint Venture solely for the purpose of performing and completing the Principal Contract, but for no other purpose, it being understood that as Joint Venturers, the parties are not making any

arrangements to perform any work jointly except that specifically encompassed within this Agreement and that each party may carry on its separate business for its sole benefit.

2. **NAME:** For convenience, the business of the Joint Venture shall be conducted under the name **Tully-HL JV LLC**, a Joint Venture. The business address of the Joint Venture shall be 127-50 Northern Blvd., Flushing, NY 11368. Insofar as possible, property acquired shall be held in this name.

3. **PROPORTIONATE INTERESTS:** The interests of the parties in and to the Principal Contract; and in and to all materials, tools, equipment and property acquired by the Venture in connection with the performance thereof, and in and to all profits and gains realized there from; and the liability and responsibility of the parties for any losses sustained there from (except as otherwise provided in this Agreement) shall be in the following proportions:

TULLY CONSTRUCTION CO. INC.	**50%**
H&L CONTRACTING LLC	**50%**

Each party hereby agrees to indemnify the other against any contractual or other default by the indemnifying party under the Principal Contract

4. **MANAGING PARTY:** One of the parties shall be designated the Managing Party and, under the overall control and direction of all Joint Venturers, shall have general charge and supervision over the timely and satisfactory performance of the Principal Contract but shall be without liability to the other party for losses caused or sustained as a result of good faith errors of judgment or mistakes in its actions as Managing Party. All Parties to this Agreement shall have the power, which it may delegate in the name of the Joint Venture, to execute and deliver purchase orders, rental agreements, subcontracts and such other agreements as are necessary and appropriate to carry out the Principal Contract. All records of agreements executed as such shall be shared

with All Parties to the Agreement and maintained by The Managing Party. The Managing Party, for this Joint Venture shall be: **TULLY CONSTRUCTION CO. INC**. Tully Construction and H&L will be subcontractors through the Joint Ventures and will perform their work as such and bill the JV on a monthly basis.

5. **PROJECT MANAGER:** The Managing Party with the agreement of the other Joint Venturer shall designate a Project Manager, who shall serve at its pleasure and be subject to only its control. The Project Manager shall manage and supervise the work called for by the Principal Contract and he shall have such specific powers as the Managing Party may, from time to time, delegate. Each party shall execute such documents as are required by the Managing Party to evidence the authority of the Managing party and the Project Manager.

6. **WORKING CAPITAL:** Shall be advanced by the Managing Partner

(a) All working capital advanced shall be repaid to the Managing Partner prior to the distribution of any profits or gains. Partial repayments of working capital shall be made to the Managing Partner prorata in the proportion its working capital advances bear to the total working capital advances as of the date of such repayment.

(b) The Managing Party will make use of working capital, investing it prudently in short-term securities, so that it will earn interest without interfering with payment of current obligations of the Venture as they become due.

(c) All monies either advanced by the parties to this Joint Venture, or received as payments under the Principal Contract or otherwise received, shall be treated and regarded as, and are hereby declared to be, trust funds for the performance of the Principal Contract and for no other purpose except as provided for in Article 11, Paragraph (c), until the Principal Contract shall have been fully completed and accepted by the Owner, and until all obligations of the parties hereto

shall be paid, otherwise discharged, or provided for by adequate reserves. Such reserves shall likewise be treated as trust funds until they shall have served the purposes for which they were created.

7. **BORROWED FUNDS:** No money shall be borrowed for the account of the Joint Venture, nor shall any funds due the Joint Venture be assigned, pledged or hypothecated, unless a majority of the parties agree in writing and, where appropriate, all parties become jointly and severally liable for the repayment thereof. If any monies are so borrowed, they shall be repaid in full prior to return of any working capital and distribution of gains or profits.

8. **BOOKS OF ACCOUNT:**

(a) Separate books of account for the performance of the Principal Contract and all pertinent matters shall be kept and maintained at the principal office of the Joint Venture. All records of the Joint Venture shall be open to examination at any time by any party. A monthly statement of accounts together with a summary or progress schedule and such other information as the parties may require shall be prepared by the Managing Party and distributed to all parties. Periodic audits of the books shall be made, and furnished by Cohn/Reznick or by such other persons as may be agreed upon by all the parties. Upon completion of the Principal Contract, there shall be a final audit of all accounts, records and other pertinent data and a complete and final accounting shall be furnished to each party for its approval and acceptance.

(b) To the extent records must be kept subsequent to the completion and acceptance by all the parties of the final accounting, they shall be kept at such place as the parties shall determine and the cost shall be borne by the parties in accordance with their proportionate interests.

9. **CONSTRUCTION COST:**

(a) Construction cost to be charged this Joint Venture shall include the costs of all subcontracts, labor, material, plant and equipment (purchased or rented), bonds, insurance, taxes on labor and material, legal and accounting fees, liabilities not secured by insurance, and all other expenses and obligations incurred or suffered in or about the performance of the Principal Contract which expenses and obligations are of a nature which under sound accounting practice would be properly charged as a cost of performance of the Principal Contract.

(b) The Managing Party shall notify all parties of the need for equipment and allow the parties the opportunity to furnish equipment to the Joint Venture.

(c) Equipment rented from a party shall be charged as a construction cost at a rate specifically agreed to by all Parties, not to exceed 75% of the rates established in the most current edition of the "Compliance of Rental Rates for Construction Equipment, by the Association of Equipment Distributors" (the "AED"). The rental rate for equipment not specifically listed in the AED shall be established by the Joint Venture at a monthly rate which does not exceed 3% of the cost of such equipment purchased new, but all such rates shall be subject to the review and approval of all parties.

(d) Construction cost shall not include any charge against the Joint Venture for any overhead expense or charge for the main or branch offices of any party, nor any charge for the time or travel expense of any officer, employee or agent of any party engaged in the business of the Joint Venture, except as such charge may be approved by all the parties.

10. <u>REPRESENTATIVES:</u> Each party shall appoint one or more representatives, but at least one representative and one alternate representative, who shall have full and complete authority to act on behalf of the appointing party in all matters pertaining to the performance of the Principal Contract and this Agreement. The representative(s) shall meet on call of the

Managing Party to act on pertinent matters. All decisions, commitments, agreements, undertakings, understandings or other matters shall be made, on behalf of each party, by its appointed representative(s) and such action shall be binding upon that party. Any party may change its representative(s) at any time by appropriate notice to the other parties.

REPRESENTATIVES

Peter K. Tully, President

Keith Haney, Managing Member

11. **DISPOSAL OF EQUIPMENT:** When appropriate, the Joint Venturers shall determine what part of the plant, equipment, tools and salvageable materials belonging to the Joint Venture are no longer needed. This surplus shall be disposed of as all the parties shall agree. In the event the parties are unable to agree, this surplus shall be disposed of as follows:

(a) At the expense of the Joint Venture, surplus equipment will be examined and appraised, item by item. A copy of the appraisal shall be furnished each party. Each party shall notify the Project Manager, in writing, within ten (10) days from the date of receipt of the appraisal of its election to purchase any such surplus at the appraised price. If more than one party elects to purchase the same lot or item of surplus, the item or lot will be sold to the party offering the higher price. Any surplus purchased under this sub-paragraph shall be paid for, in cash, within thirty (30) days of the date of election of final determination, whichever is later.

(b) Any surplus not disposed of pursuant to the above sub-paragraph (a), may be sold by the Joint Venture to any bona fide purchaser.

(c) Any surplus not disposed of pursuant to the above sub-paragraphs (a) and (b), shall be sold by the Joint Venture at public auction. A party to this Agreement may bid at such public auction.

(d) Any surplus not disposed of pursuant to the above sub-paragraphs, (a), (b) and (c), shall

be divided among the parties by the Joint Venture, by lot on the basis of its appraised value and in accordance with their proportionate interests. When a party has acquired any surplus pursuant to the foregoing, it shall thereafter be responsible for its prompt removal and care.

12. BANK ACCOUNTS: It is agreed that bank accounts, as follows, shall be opened at a banking institution which shall be designated by the Managing Party:

(a) a general account; and

b) a payroll account (if needed; parties agree it will be maintained and billed through the Joint Venture)

It is agreed that all revenues shall be deposited into the general account which shall be drawn upon as required for deposit to the payroll account. Checks drawn on either account shall require the signature of only a signatory for the Managing Party. The Managing Party shall provide a monthly summary of all checks drawn on the accounts to all parties.

13. DIVISION OF PROFITS: Upon completion of the Principal Contract, and after paying or providing for the payment of (a) all known costs and expenses, and (b) reserves for such unsettled claims, overruns and other contingencies as all the parties may reasonably agree, in their discretion, to be necessary and after repaying all sums advanced for working capital, the profits then remaining shall be distributed among the parties in accordance with their proportionate interests or as otherwise provided in this Agreement. Any remaining reserves or other undistributed funds shall be similarly distributed when no longer required.

14. BURDEN OF LOSSES:

(a) If the performance of the Principal Contract results in a loss, the parties shall be obligated in accordance with their respective interests for any such loss (irrespective of the fact that any party may have advanced more than its proportionate share of working capital as provided above). Such proportionate liability for each party for the bearing of losses shall continue with respect to any claims which, at any time either before or after the completion of the Principal Contract, shall be made against them, or any of them, by reason of the Joint Venture or any matter or thing in connection therewith.

(b) In the event of loss, each party shall advance its proportionate share of such loss in the manner provided in Paragraph 6, "WORKING CAPITAL," for contribution of working capital.

15. INSOLVENCY: Upon the bankruptcy or insolvency of any party, or should any party commit any act of bankruptcy or take advantage of any bankruptcy, reorganization, composition, or arrangement statute, then, from and after such date, such party, its successors or assigns (hereinafter referred to as the "insolvent party") and its representative(s) shall cease to have any voice in the management of this Joint Venture and the Principal Contract (anything in this Agreement to the contrary notwithstanding). All actions and decisions with respect to the Joint Venture and the Principal Contract shall thereafter be taken solely by the remaining parties and their representative(s). Notwithstanding the foregoing, the insolvent party shall remain liable for its share of any losses, and, provided it has met and continues to meet all required advances of working capital, shall be entitled to return of its working capital advanced and to receive its share of any profits with such distribution to be made at the time and in the manner provided in this Agreement.

16. ASSIGNMENT OR PLEDGE: It being acknowledged that each party is entering into this Agreement in reliance upon each other party being and remaining a party of this

Agreement, no party may assign, transfer, pledge or hypothecate its interest, or any part thereof, under this Joint Venture or under the Principal Contract or its interest in any property or monies of this Joint Venture except with the prior written consent of all the other parties and upon such terms as they may reasonably require.

17. **AMENDMENT** This agreement cannot be amended or waived except by an agreement in writing signed by the authorized representatives of both parties and specifically referring to this agreement.

18. **AGREEMENT WITH A PARTY:** No agreement for the performance of any work or the furnishing of any materials or equipment for this Joint Venture by any part shall be entered into by the Joint Venture without the prior approval of the Managing Party.

19. **APPROVALS:** Except in instances where the terms of this Agreement specifically require the consent or approval of all the parties, in the event all of the parties are unable to agree to any course of action permitted to be taken by them under this Agreement, the decision as to the course of action shall be referred to the American Arbitration Association within ten (10) days for resolution.

20. **NOTICE:** Where written notice is required to be given hereunder, it shall be deemed effective when delivered by certified mail, RRR.

21. **JURISDICTION:** All questions relative to the execution, validity, interpretation and performance of this Joint Venture Agreement shall be governed by the laws and State of New York.

22. **SINGLE INSTRUMENT:** This Joint Venture Agreement may be executed in any number of counterparts, each of which shall be deemed an original and together constitute a single instrument.

23. **PARAGRAPH HEADINGS:** The paragraph headings immediately following the paragraph numbers are for indexing convenience only and are not intended to be representative of the content of that paragraph and are not to be construed as being part of this Agreement.

24. **BINDING EFFECT:** This Agreement shall bind the parties hereto and their respective successors and assigns. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon or give to any person, firm or corporation other than the parties hereto, their successors and assigns, any right, remedy or claim under this Agreement or by reason hereof,

or any covenant, stipulation, promise or agreement hereof, and all covenants, stipulations, promises and agreements herein contained shall be for the sole and exclusive benefit of the parties hereto and their respective successors and assigns.

25. **COMPLETE AGREEMENT:** This Agreement constitutes the final, complete and exclusive understanding between the Parties with respect to its subject matter and supersedes all prior or contemporaneous agreements in regard thereto. The parties have not relied upon any promises, warranties or undertakings other than those expressly set forth in this Agreement. Nothing in this Agreement shall give any person other than the parties to this Agreement or their respective successors or assigns any legal or equitable right, remedy or claim under this Agreement.

26. **ARBITRATION:** Any and all disputes of whatsoever nature arising out of, in connection with, resulting from or in any way related to this Agreement shall be submitted for determination in accordance with the then obtaining rules of the American Arbitration Association. Any hearings shall be in New York City. Any award or determination therein shall be enforceable in any court of competent jurisdiction.

27. **WAIVER:** The failure of either party to object to or to take affirmative action with respect to any conduct of the other Party which is in violation of the terms hereof, shall not be construed as a waiver thereof, nor of any subsequent breach or wrongful conduct. The rights and remedies set forth herein are intended to be cumulative, and the exercise of any right or remedy by either party shall not preclude or waive its exercise of any other rights or remedies hereunder or pursuant to law or equity.

28. **SEVERABILITY:** If any provision of this Agreement is deemed to be invalid or unenforceable by any court of competent jurisdiction, then the balance of this Agreement shall remain enforceable, and such invalid or unenforceable provision shall be enforced by such court to the maximum possible extent.

IN WITNESS WHEREOF, the undersigned parties have set their hands the day and date first above written.

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Office of the County Executive
Att: Arthur T. Walsh, Chief Deputy County Executive

FROM: Department of Public Works

DATE: July 8, 2026

SUBJECT: **RECOMMENDATION OF AWARD**

Contract Number:	H63029-26GR
Title:	Rehabilitation of Bannister Creek Bridge PIN 0762.06 / BIN 5520290
Engineer's Estimate:	$6,423,304.00
BIDS RECEIVED ON:	June 9, 2026

The Bids received for the above referenced contract have been examined, as tabulated in the bid comparison (attached). The bid submitted by H & L Contracting (H & L), in the amount of $5,864,790.00 is acceptable as the lowest responsible bidder.

The low bid by H&L is 8.70% below the engineer's estimate. H&L's unit bid prices appear to be reasonable in comparison with the other low bidders, the Engineer's Estimate, and the NYSDOT Statewide Weighted Average Price. Adequate funding is available in Capital Project 63029. After reviewing all documentation submitted by the contractor, it was found that H&L meets the required goals for this project.

If you approve or disapprove of the above request, please signify below and return this memo to this office for appropriate action.

Outsourcing Questionnaire

Question	Answer
Does the County own the proper equipment to do the work?	
If the County does not own the proper equipment can it rent/lease the equipment?	
If the County does not own the proper equipment what is the time frame to buy the equipment?	
If the County does not own the proper equipment what is the cost of the equipment?	
If the Department, chooses to buy the equipment is the cost budgeted?	
If Yes and choosing to outsource, please explain why?	
What is the duration of the project if done inhouse? • Employee / Man Hours • Number of DaysShow calculations.	
What is the duration of the project if out sourced?	
What is the priority of the project? (Emergency, High, Medium, Low)	
Is the project subject to seasonality?	
What is the project cost of the project in done in-house? • Labor • MaterialsShow calculation if possible.	
What is the project cost of the project if outsourced?	
Does this require a specific skill set not currently within the County work force?	
Does the Title exist to perform the function?	
Does the skill set require specific training?	
Does the Skill set require certification certificates?	
Are continuing education credits required to maintain certification?	
Is this a task that must be performed often?	
If the task is not performed often would the employee remain proficient in the duties required?	
Is this project installing an operation system requiring a licensed installer from the manufacture?	
Are there any warranties that would be voided if not installed by a licensed person or company?	
Do County employees always perform this function?	
If County employees do not normally perform the function, please specify why?	
If County employees normally perform the function why is DPW choosing to outsource?	
Is there associated risk liability that would necessitate outsourcing?	
Is the project paid via outside funding?	
Does the outside funding require outsourcing for it to be reimbursed?

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Andrea Pereira, Civil Engineer II

FROM: Office of the Commissioner

DATE: January 5, 2026

SUBJECT: CSEA Sub-Contracting Approval
C25-0306 – Proposed Contract Number: H63029-26G
Rehabilitation of Bannister Creek Bridge

Please be aware in accordance with Section 32-3 of the CSEA/County CBA, the Department has met with CSEA representatives to discuss your proposed DPW contract referenced above. The Department has determined that it will proceed with the above-referenced contract known as **C25-0306**.

Please prepare the necessary documentation to proceed with your work. Once the advisement is certified you may issue the contractor a Notice to Proceed.

Sean McBride
Deputy Commissioner

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

C25-0306

TO: Civil Service Employees Association, Nassau Local 830
Att: Kris Kalender, President

FROM: Department of Public Works

DATE: December 23, 2025

SUBJECT: CSEA Notification of a Proposed DPW Contract
Rehabilitation of Bannister Creek Bridge PIN 0762.06
Proposed Contract Number: H63029-26G

The following notification is to comply with the spirit and intent of Section 32 of the County/CSEA contract. It should not be implied that the proposed DPW authorization is for work, which has "historically and exclusively been performed by bargaining unit members."

1. DPW plans to recommend a construction contract for the following services: Rehabilitate Bannister Creek Bridge PIN 0762.06

2. The work involves the following: The work includes providing all labor, materials, machinery, tools, equipment and other means of construction necessary and incidental to the completion of the work shown on the plans and described in these specifications including, but not necessarily limited to the following: rehabilitation of the existing concrete culvert (BIN 5520290) on the Nassau Expressway (NY878) over Bannister Creek including repairs to the existing concrete culvert construction joints, abutment walls and top slab; scarifying the top slab and installing a waterproofing membrane; new approach slabs; milling and resurfacing of the asphalt wearing surface; replacement of bridge railing, guide rail, sidewalk, drainage systems; installation of scour protection; and new pavement markings.

3. An estimate of the cost is: $4,593,000.00

4. An estimate of the duration is: Four hundred fifty (450) days

Should you wish to propose an alternative to the proposed contract/agreement, please respond within 10 days to: Department of Public Works, Att: Sean McBride, Deputy Commissioner, telephone 1-6887, fax 1-9657.

Sean McBride
Deputy Commissioner

QUALIFICATION STATEMENT

Note: All blanks in the form are to be filled in. Where blanks are not applicable to your firm, so indicate in each instance.

1. How many years has your firm been in the business under your present business name? 13

2. How many years experience in the construction work of a similar type as this contract has your firm had;

   a. as a Prime Contractor 20+

   b. as a Subcontractor 20+

3. List below the construction projects your firm has under way as of this date:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer
see attached			

(use additional blank sheets if additional space is necessary)

4. List the projects which your firm as a firm has performed in the past few years which you feel will qualify you for this work:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer
see attached			

(use additional blank sheets if additional space is necessary)

5. Have you:

   a. ever failed to complete any work awarded to You? No
   If so; identify the project, the owner, the contract amount, the circumstances and date of all such failures to complete.

   b. ever been defaulted on a contract? No
   If so; identify the project, the owner, the contract amount, the circumstances and the date of all default actions

Chris Haney
CHaney@HLCONTRACINGLLC.com

Professional Summary

Highly experienced civil construction professional and licensed engineer with over 25 years of leadership in heavy highway, bridge, marine, and rail infrastructure projects. Adept at managing large-scale public works from estimation through execution. Recognized for expertise in NYSDOT, LIRR, MTA, and U.S. Army Corps projects with a focus on safety, cost control, and schedule adherence.
Extensive experience with union labor and public agency coordination.
Strong background in bridge rehabilitation, marine construction, and road paving.
Proven ability to lead high-risk, high-visibility projects safely and efficiently.

Work Experience

H&L Contracting LLC
General Superintendent
Hauppauge, NY 11788
2005 to Present

Directed multi-million-dollar civil infrastructure projects, including bridge rehabilitations, dredging operations, and transit security upgrades.
Oversaw crews, subcontractors, and logistics to ensure project milestones were met on time and within budget.
Maintained safety and quality control compliance across diverse worksites.

Key Projects:
NYSDOT: Heckscher State Parkway Bridge Rehabilitation (Complete Bridge Rehab).
NYSDOT: I-495 Bridge Rehabilitation (Steel Repair & Bearing Replacement).
NYSDOT: Bridge Parapet Repairs (2 Separate Projects).
Various NYSDOT Guiderail & Fence Projects.
US ARMY Corps of Engineers various dredging projects (Hydraulic & Mechanical Dredging).
L.I.R.R.- Amott Culvert Project (Jacking 72" Pipe under live Railroad tracks, various drainage).
M.T.A.-Security Upgrades (Heavy duty gates & Security Fencing).
Suffolk County D.P.W. Various Bridge rehabilitation projects (Steel repair/deck).
Suffolk County D.P.W. Rehabilitation of Shinnecock Canal Locks.
NYS Office of GOV'T Services-Construction of Sunken Meadow Bridge.
NYS Office of GOV'T Services-Jones Beach Pier & Deck Repairs (Post-Hurricane Sandy).

Newborn Construction Inc.
Asphalt Superintendent
Center Moriches, NY 11934
1996 to 2005

Managed paving, traffic control, and bridge rehab projects for state and municipal clients.
Coordinated teams for NYSDOT highway/bridge and USACE dredging efforts.
Ensured safe, compliant job sites with efficient progress tracking.

Work Experience

Key Projects:

NYSDOT: I-495 Mill & Repaving project
contract value - $25M
NYSDOT: RTE 25 Mill & Repaving project contract value - $7M
NYSDOT: Cross Island Parkway Paving Project
contract value - $8M
Town of Islip Macarthur Airport Runway Rehabilitation
contract value - $2M

Traffic Control Supervisor

NYSDOT: I-495 Service Road Construction Yaphank
contract value - $26M

Project Superintendent

NYSDOT: Rehabilitation of 7 Bridges
contract value - $8M
NYSDOT: Rehabilitation of 3 Bridges
contract value - $4M
U.S. ARMY Corps of Engineers Dredging of Shrewsbury Inlet
contract value - $12M

General Foreman

Various NYSDOT Projects of Road Construction, Drainage, Sign Structures, Guiderail and Fencing.

Education

International Union of Operating Engineers Local 138

Certifications

OSHA 10 Hour Construction Safety
L.I.R.R. Road Worker Protection

OFFICE OF THE COMPTROLLER

Certification Regarding
Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions
(Sub-Recipient)

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR Part 67, Section 67.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 *Federal Register* (pages 19160-19211).

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department of agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Keith Haney, Managing Member — 5/26/26
Name and Title of Authorized Representative — m/d/yy

Signature — 5/26/26 Date

H+L Contracting LLC
Name of Organization

140 Adams Avenue, Suite B14, Hauppauge, NY 11788
Address of Organization

OJP FORM 4061/1 (REV. 2/89) Previous editions are obsolete

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Contract Summary

Purpose: This contract will provide funding for the maintenance, repair, and modifications to traffic signals, streetlights, and related equipment 24 hours a day, 7 days per week under Contract T62250-07M.

Procurement History: The contract was advertised on May 27, 2026. The bids were received on June 30, 2026. Two (2) bids were received. Welsbach Electric Corp. of L.I was found acceptable as the lowest responsible bidder.

Description of General Provisions: The contract is to maintain, repair, and keep in good working order the County's existing 1600+signals, 400+ miscellaneous devices, 600 street lighting devices and related equipment. The contract duration is three (3) years with an option to extend for one (1) additional year, for a total of four (4) years. Current MWBE/SDVOB Utilization is 1.52%.

Impact on Funding / Price Analysis: Funding for this contract will be from Capital Project 62017 and from the Operating Fund. The total maximum amount from both funding sources for the 4-year period is $28,000,000.00. The initial encumbrance is $2,000,000.00.

Change in Contract from Prior Procurement: New Procurement.

Method of Source Selection:

☑ Formal Sealed Bid awarded to lowest, responsible bidder

Contract #: T62250-07M

Advertised On: 05/27/2026

Advertised In: Bid Board, Official Newspaper, New York State Contract Reporter

Publicly Opened On: 06/30/2026

Number of bids received: 2

MWBE Participation:

☑ Participation of Minority-owned and Women-owned Business Enterprises in Nassau County Contracts: The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit EE may be requested at any time by the Comptroller's Office prior to the approval of claim vouchers. [Note: This box must be checked.]

☑ Department MWBE Responsibilities: To ensure compliance with MWBE requirements as outlined in Exhibit EE, Department will require vendor to submit list of subcontractor requirements prior to submission of the first claim voucher for services under this contract being submitted to the Comptroller.

RULES RESOLUTION NO. -2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO AWARD AND EXECUTE A CONTRACT BETWEEN THE COUNTY OF NASSAU ACTING ON BEHALF OF THE NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS AND WELSBACH ELECTRIC CORP. OF L.I.

WHEREAS, in accordance with all Federal, State and Local Law, the County of Nassau on behalf of the NASSAU COUNTY DEPARTMENT OF PUBLIC WORKS ["Department"] has received competitive bids for contract T62250-07M, NASSAU COUNTY TRAFFIC SIGNAL MAINTENANCE, ["Contract"], as more particularly described in the contract documents, a copy of which are on file with the Clerk of the Legislature; and

WHEREAS, the Department is representing to the Rules Committee that the term of this requirements contract is three (3) years, with the Department's option to extend the term of the Contract for an additional one (1) year period for a total Contract term of four (4) years.

WHEREAS, the estimated expenditures under this Contract, including during the period of any extension options that may be exercised by the Department, is $ 28,000,000.00.

WHEREAS, the firm of WELSBACH ELECTRIC CORP. OF L.I.

["Vendor"] has submitted the lowest responsible bid for the work described in the contract in accordance with all Federal, State and Local Law as determined by the Department, and

WHEREAS, the funding for this contract is from Operating funds approved by the Nassau County Legislature, and

RESOLVED, that the Rules Committee of the Nassau County Legislature, based on the representations of the Department and the recommendation of the Commissioner of the Department, authorizes the County Executive to award and execute the said contract with the vendor.

FORM OF BID BOND

IMPORTANT The bidder shall instruct the Surety Company to **USE THIS FORM PROVIDED** as the use of **ANY OTHER FORM** may cause rejection of the bid.

KNOW ALL MEN BY THESE PRESENTS,

that we, the undersigned Welsbach Electric Corp. of L.I.

as Principal; and Travelers Casualty and Surety Company of America as surety, who is Licensed to do business in the State of New York, are hereby firmly bound unto the County of Nassau in the penal sum of

Two Hundred Thousand 00/100 dollars ($ 200,000.00) for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

Signed, this 25th day of June, 2026

The conditions of the above obligation is such that whereas the Principal has submitted to the County of Nassau a certain Bid attached hereto and hereby made a part hereof, to enter into a contract in writing for the work under Contract No. T62250-07M for the

Traffic Signal Maintenance

NOW, THEREFORE, the conditions of this obligation are such that if the Principal shall not withdraw said proposal except by mutual consent of the County of Nassau within a period of forty-five (45) days after the opening of bids and in the event of acceptance of the Principal's proposal, if the Principal shall,

a. when notified by the County, execute all necessary counterparts of the contract as set forth in the contract documents in accordance with the proposal as accepted; and

b. furnish bonds and other security as specified in the contract documents for the faithful performance and proper fulfillment of such contract, which bonds or other security shall be satisfactory in all respects to the County; and

c. in all respects, comply with the provisions set forth in the invitation to bid; or if the County of Nassau shall reject the aforesaid proposal for a reason other than the Principal's failure to satisfy the County that he has the necessary skill, experience and liquid assets required for the contract as stated in the documents aforesaid, then this obligation shall be null and void; otherwise to remain in full force and effect.

Provided, however, that this bond is subject to the following additional conditions and limitations.

a. In the event that the Principal fails to submit a financial statement when required by the County or in the event that an examination of the Principal indicates to the County that the Principal does not meet the financial requirements required by the County, the undersigned will, upon demand, pay to the County of Nassau, as liquidated damages for the Principal's failure to meet such requirements, a sum equal to the amount that would have been required by a certified check if the same were delivered in accordance with the provisions of the contract documents and specifications herein stated.

b. In case the Principal shall default in the performance of any provision the undersigned will upon demand pay to the County of Nassau the full amount of the damages sustained by the County of Nassau by reason of such default, except however, it is expressly understood and agreed that the liability of the surety for any and all claims hereunder shall in no event exceed the amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that the obligation of said Surety and its bond shall be in no way impaired or affected by any extension of time within which the County of Nassau may accept such Bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

STATE OF NEW YORK
DEPARTMENT OF FINANCIAL SERVICES

CERTIFICATE OF SOLVENCY UNDER SECTION 1111 OF THE NEW YORK INSURANCE LAW

It is hereby certified that

Travelers Casualty and Surety Company of America
of Hartford, Connecticut

a corporation organized under the laws of Connecticut and duly authorized to transact the business of insurance in this State, is qualified to become surety or guarantor on all bonds, undertakings, recognizances, guaranties, and other obligations required or permitted by law; and that the said corporation is possessed of a capital and surplus including gross paid-in and contributed surplus and unassigned funds (surplus) aggregating the sum of $2,370,889,801. (Capital $6,480,000), as is shown by its sworn financial statement for the quarter ending, December 31, 2025, on file in this Department, prior to audit.

The said corporation cannot lawfully expose itself to loss on any one risk or hazard to an amount exceeding 10% of its surplus to policyholders, unless it shall be protected in excess of that amount in the manner provided in Section 4118 of the Insurance Law of this State.

In Witness Whereof, I have here-unto set my hand and affixed the official seal of this Department at the City of Albany, this 17th day of April 2026.

Bryce Grissom, Senior Vice President

City of Hartford ss.

On this the **16th** day of **February, 2024**, before me personally appeared **Bryce Grissom**, who acknowledged himself to be the Senior Vice President of each of the Companies, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of said Companies by himself as a duly authorized officer.

IN WITNESS WHEREOF, I hereunto set my hand and official seal.

My Commission expires the **30th** day of **June, 2026**

ANNA P NOWIK NOTARY PUBLIC CONNECTICUT

_____
Anna P. Nowik, Notary Public

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **25th** day of **June**, **2026**.

COUNTY OF NASSAU
STATE OF NEW YORK

PROPOSAL

FOR

TRAFFIC SIGNAL MAINTENANCE CONTRACT
NASSAU COUNTY, NEW YORK
CONTRACT NO.: T62250-07M

TO THE COUNTY OF NASSAU:

Pursuant to and in compliance with your Notice to Bidders and the Instructions to Bidders relating thereto, the undersigned hereby proposes to furnish all plant, labor, materials, supplies, equipment and other facilities necessary or proper for or incidental to the above Contract, as required by and in strict accordance with the Plans and Specifications for the amount named in the Proposal hereinafter described.

In making this Proposal the Bidder hereby declares that all provisions of the Addenda which have been issued by the County of Nassau have been complied with in preparing his Bids.

Name of Bidder: Welsbach Electric Corp. of L.I.
(~~Individual, Firm or~~ Corporation, as case may be)

Bidder's Address: 300 Newtown Rd, Plainview, NY 11803

Telephone: (516) 454-0023 Date: 06/30/2026

Fax Tel.: (516) 454-0282 E-MAIL: DKummer@Emcor.net

GENERAL CONSTRUCTION

THE BIDDER AFFIRMS AND DECLARES:

1. That the above Bidder is of lawful age and the only one interested in this bid; and that no other person, firm or corporation, except those herein named, has any interest in this bid or in the Contract proposed to be entered into.

2. That this bid is made without any understanding, agreement or in connection with any other person, firm or corporation, making a bid for the same Work, and is in all respects fair and without collusion or fraud.

3. That said Bidder is not in arrears to the County of Nassau upon debt or contract, and is not a defaulter, as surety or otherwise, upon any obligation to the County of Nassau.

4. That no officer nor employee of the County of Nassau, or person whose salary is payable in whole or in part from the County Treasury is, shall be, or become interested directly, or indirectly as a contracting party, partner, stockholder, surety or otherwise, in this bid, or in the performance of the contract, or in the supplies, materials, equipment and work or labor to which it relates, or in any portion of the profits thereof.

5. That he has carefully examined the site of the work and that, from his own investigations, has satisfied himself as to the nature and location of the work, the character, quality and quantity of existing materials, all difficulties likely to be encountered, the kind and extent of equipment, other facilities needed for the performance of the work, the general and local conditions, and all other items which may, in any way, affect the work or its performance.

6. The Bidder also declares that he has carefully examined and fully understands all the component parts of this Contract; that he will execute the Contract and will completely perform it in strict accordance with its terms for the following prices.

7. That the Bidder, for allowance items, will make payment to the parties designated by the County when directed by the County in the amount certified by the Engineer for the purposes indicated. It is also understood and agreed that the Final Contract Payment for allowance items will be based upon such actual payments, and not on the approximate amount cited herein.

8. Where the work performed under this Contract involves a trade or occupation licensed in the County of Nassau by the Towns of Hempstead, Oyster Bay, or North Hempstead or by the Cities of Glen Cove or Long Beach, the contractor shall be required to have such a license.

INFORMATION FOR BIDDERS

I. Rejection of Bids.

A. The Commissioner may recommend a reject of bid if:

1. The Bidder fails to furnish any of the information required by the bid documents; or if
2. The bidder misstates or conceals any material fact in the bid, or in the sworn written statement; or if
3. The bid does not strictly conform to law or the requirements of this contract; or if
4. The bid is conditional; or if
5. A determination that the bidder is not responsible is made in accordance with law; or if
6. The bid, in the opinion of the Commissioner, contains unbalanced bid prices, unless the bidder can show that the prices are not unbalanced for the probably required quantity of such items.

B. Rejection of all bids and waiver of informalities.

The Commissioner, however, reserves the right to recommend to reject all bids whenever he deems it in the best interest of the County, and also the right to waive any informalities in a bid.

II. Unit Price Contracts, Comparison of Bids.

Bids on Unit Price Contracts will be compared on the basis of a total bid price, arrived at by taking the sum of the Approximate Quantities of such item multiplied by the corresponding Unit Price, and including any Lump Sum Bid on individual items, in accordance with the items set forth in the bid proposal.

Bidders are warned that the Approximate Quantities of the various items of work and material is estimated only, and is given solely to be used as a uniform basis for the comparison of bids. The quantities actually required to complete the contract work may be more or less than estimated.

III. Lump Sum Contracts, Comparison of Bids.
Bids on lump Sum Contracts will be compared on the basis of the Lump Sum Price bid adjusted for alternate prices bid, if, any.

IV. Apprenticeship Training Program
For all contracts in excess of $500,000 attach here verification letter regarding your firm's having an approved State of New York Apprenticeship Training Program.

Traffic Signal Maintenance

Dear: Ms. Valenti:

Please be advised that because you are signatory in good standing to the Collective Bargaining Agreement between Local Union No. 25, I.B.E.W. and the National Electrical Contractors Association you are entitled to hire apprentices through the Joint Apprenticeship and Training Committee electrical apprenticeship program.

Our apprenticeship program is registered with the New York State Department of Labor and is approved and recognized as such, we also comply with all provisions of Nassau and Suffolk County Law.

If you currently employ or have employed apprentices in the past and you need to provide proof that the apprentice(s) is, are or were a part of a New York State registered apprenticeship program, we will be happy to provide you with a copy of a current AT-401 (New York State Apprenticeship Agreement) or a New York State Department of Labor Certification of Completion of Apprenticeship Training.

Sincerely,

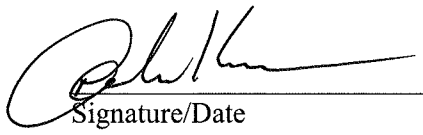
IRAN DIVESTMENT ACT – CERTIFICATION



Pursuant to New York State Finance Law §165–a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

X **a. Certification that the Bidder is not on the List:** Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,

___ **b. Certification that the Bidder's investment in Iran is ceasing:** The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.

CONTRACTOR CERTIFICATION STATEMENT REGARDING

STORM WATER POLLUTION AT THE WORK SITE

I certify under penalty of the law that I understand and agree to comply with the terms and conditions of the pollution prevention plan for the construction site identified in such plans as a condition of authorization to discharge storm water. I also understand the operator (Nassau County) must comply with the terms and conditions of the New York State Pollution Discharge Elimination System ("SPDES") general permit for storm water discharges from construction activities and that it is unlawful for any person to cause or contribute to a violation of water quality standards. Finally, I understand my contractual obligations in the matter as outlined in the contract documents.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions (Sub-Recipient)

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR Part 67, Section 67.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 *Federal Register* (pages 19160-19211).

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department of agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Darlene Kummer, VP of Transportation — 06/30/2026

Name and Title of Authorized Representative — m/d/yy

Signature — 06/30/2026 (Date)

Welsbach Electric Corp. of L.I.

Name of Organization

300 Newtown Rd, Plainview, NY 11803

Address of Organization

OJP FORM 4061/1 (REV. 2/89) Previous editions are obsolete

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

BRUCE A. BLAKEMAN
NASSAU COUNTY EXECUTIVE

NASSAU COUNTY

Vendor Code of Ethics

POLICY/PROCEDURE TITLE: **Nassau County Vendor Code of Ethics**	DATE ISSUED: **September 11, 2025**
DEPARTMENT ISSUING: **Executive- Procurement and Compliance**	AUTHORIZED and SIGNED BY: Melissa Gallucci **Commissioner of Shared Services** **County Executive/** **Deputy County Executive**

POLICY: The Office of the Nassau County Executive recognizes the importance of the vendor community in helping the County provide necessary services for the residents of Nassau County. It is the policy of the County Executive to ensure that all vendors doing business with Nassau County operate under the highest standards of legal and ethical conduct.

PURPOSE: To set forth a Code of Conduct for vendors to ensure that Nassau County Vendors are conducting their business with integrity, ethics, and compliance with all applicable laws and regulations.

SCOPE: All vendors doing business or seeking to do business with Nassau County as specified in the Code.

Chapter 11: PROHIBITION ON RETALIATION

Section 11.01 Prohibition

Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

Adverse Job-Related Action includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

Contact means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

Designated Point(s) of Contact means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

Nassau County Employee means any officer, official or employee of Nassau County.

Family Member means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

Gift means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

Nassau County Code of Ethics means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

Participating Employee means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

Participating Nassau County Employee means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

Primary Contracting Party means a Vendor who intends to directly enter into or has a contract with Nassau County.

Retaliatory Action is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

State Procurement Lobbying Law means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

Vendor means any individual or entity seeking to or doing business

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

Chapter 3: GIFTS OR CONTINGENT FEES

Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

(a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;

(b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

Section 3.03 Contingent Fees

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT

Section 4.01 Restrictions During the Procurement Process

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

procurement should be directed to the Designated Point of Contact for the procurement.

Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

(i) 30 days from the time the matter before the Employee is closed, or
(ii)30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

Chapter 5: CONFLICT OF INTEREST

Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

Section 5.02 Personal Business Dealings

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

Section 5.03 Disclosure and Cooperation

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

Section 5.04 Confidential Information

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

If the Vendor receives from any source confidential or proprietary Nassau County information prior to the award of a resulting contract and, where applicable, approval by the County Legislature, without the explicit approval of the Designated Point of Contact, the Vendor shall immediately so notify the Designated Point of Contact.

Nassau County confidential or proprietary information includes, but is not limited to, internal cost estimates and proposals submitted by other Vendors.

Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

Chapter 6: FORMER NASSAU COUNTY EMPLOYEES

Section 6.01 Appearance Before Former Agency-Two Year Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear or practice before any Nassau County agency, either prior to award or in the performance of a Nassau County contract, for a period of two years after termination of the Nassau County Employee's services with the County.

Section 6.02 Appearance Before Former Agency-Life Time Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear, practice, communicate or otherwise render services before the agency that employed the officer or employee or any other agency of Nassau County, either prior to award or in the performance of an agency's contract in relation to any case, proceeding, application or transaction with respect to which such former officer or employee was directly concerned and in which he or she personally participated, or which was under his or her active consideration during the period of his or her employment. This provision is a lifetime bar on projects that the former Nassau County Employee previously worked on while employed by the County.

Chapter 7: NON-COLLUSION

Section 7.01 Independent Bid Assessment

The Vendor will calculate the price(s) contained in any bid or proposal independently, without collusion, consultation, communication, or agreement with any competing Vendor for the purpose of restricting competition.

Section 7.02 Non-Communication of Bid

Unless otherwise required by law, the price(s) which the Vendor quotes in its bid or proposal will not knowingly be disclosed by the Vendor, directly or indirectly, to any competing Vendor prior to the closing date for bids or proposals.

Section 7.03 Bid Submission

The Vendor will not make any attempt to induce any other individual or entity to submit or not to submit a bid or proposal.

Chapter 8: DISTRIBUTION AND CERTIFICATION

Section 8.01 Distribution of Vendor Code of Ethics and Vendor's Participating Employee Acknowledgements

As a condition of being considered for the award of any contract above the County's small purchase threshold of $10,000, the Vendor will be required to distribute copies of the Nassau County Vendor Code of Ethics to all Participating Employees prior to any of those employee's participation in the procurement. The Code may be distributed either in hard copy or electronically as a separate PDF.

Additionally, as a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will be required to obtain an acknowledgement from each of its Participating Employees ("Participating Employee Acknowledgements") that they have received, read, understand, and will comply with the Nassau County Vendor Code of Ethics.

The Vendor's responsibility for distributing copies of the Nassau County Vendor Code of Ethics and obtaining such signed Participating Employee Acknowledgements is ongoing until completion of performance of the contract and shall be retained for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Receipt and retention of Participating Employee Acknowledgments by the Vendor shall be subject to audit by Nassau County.

Section 8.02 Vendor Certifications

The vendor by signing the final contract thereby certifies and attests to the following:

(a) The Vendor has been provided with a copy of the Nassau County Vendor Code of Ethics and will comply with all of the provisions of the Code;

(b) All of its Participating Employees during the course of
procurement or contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to any of those employees' participation in the procurement;

(c) All Participating Employees have completed the acknowledgement required by Section 8.01 of this Code;

(d) The Vendor will retain all of the signed Participating Employee Acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County;

(e) The Vendor will continue to distribute the Nassau County Vendor Code of Ethics, obtain signed Participating Employee Acknowledgements as new Participating Employees are added or changed during the contract period, and retain all of the signed acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Section 8.03 Subcontractor Certifications

As a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will obtain certifications executed by authorized officials from all of its lower tier subcontractors, subconsultants and suppliers (as well as from any other subcontractors, subconsultants and suppliers from whom that Vendor is soliciting or has received proposals for work on a Nassau County contract) whose employees have communicated or may communicate with Nassau County Employees. This obligation is ongoing and shall last through the completion of performance of the contract. Receipt and retention of lower tier certifications by the Vendor shall be subject to audit by Nassau County.

Chapter 9: PENALTIES

Section 9.01 Responsibility Determination

For violation of any provision of the Nassau County Vendor Code of Ethics, Nassau County may avail itself of every remedy in law or equity, or as agreed to by parties in any contract, including but not limited to declaring the Vendor non-responsible or in material breach of the contract.

Section 9.02 Civil/Criminal Penalties

Additionally, violation of the Nassau County Vendor Code of Ethics or a provision thereof may subject the Vendor to criminal or civil penalties under State or Federal law.

Chapter 10: REPORTING OBLIGATION

Section 10.01 Reporting Gift Requests

Notwithstanding the provisions of Chapter 4 above, the Vendor is obligated to immediately report to Nassau County's Inspector General and the County Chief Procurement Officer, any and all requests made to the Vendor by any Nassau County Employee for a Gift.

Section 10.02 Reporting Material Changes

The Vendor is under a continuing obligation to report any change in circumstances that materially affects any prior report to Nassau County to Department of Chief Contracting Officer, including but not limited to disclosure of conflicts of interest and representations made in the Contractor Responsibility Form.

Section 10.03 Reporting Violations and Overpayments

The Vendor is obligated to timely report in writing to Nassau County's Inspector General, in connection with the award, performance or closeout of the Nassau County contract or subcontract, any credible evidence of significant overpayments on the contract or that a principal, employee, agent or subcontractor has committed a

violation of law involving fraud, conflict of interest, bribery or gratuities.

Chapter 11: PROHIBITION ON RETALIATION

Section 11.01 Prohibition

To facilitate the reporting obligations under Chapter 10, this code strictly forbids all Vendors and Vendors' Employees from taking any Retaliatory Action against individuals who make such reports.

CERTIFICATION REGARDING DISTRIBUTION OF NASSAU COUNTY VENDOR CODE OF ETHICS

Bid/Proposal No.: T62250-07M

Project Description: Traffic Signal Maintenance

The prospective lower tier participant Marbelite Equip Corp (~~subcontractor~~, ~~subconsultant~~, or supplier name) hereby certifies, by submission of this bid or proposal to Welsbach Electric Corp of L.I. [prime contractor] in connection with the Nassau County bid or proposal number referenced above, to the best of its knowledge and belief, that all officers and personnel who have communicated or may communicate with Nassau County employees during the course of the procurement and through the completion of performance of the contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to each of these employee's participating in the procurement.

Executed this 30th day of June, 2026.

Notice of Award

NO TEXT ON THIS PAGE

COUNTY OF NASSAU

DEPARTMENT OF PUBLIC WORKS

Inter-Departmental Memo

TO: Contract File

FROM: Jane Houdek, Esq.
Designated DCCO

DATE: August 31, 2026

SUBJECT: Contracts No: T62000-25E and T62250-07M
Welsbach Electric Corp. of L. I.
Responsibility Determination Memorandum

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, that the vendor is a responsible contractor for the purpose of being awarded the above-referenced contract.

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements". NY CLS St. Fin §163 (1) (c). This standard is applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast,* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employees the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test, can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity
   The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority
   Vendor is not debarred.

3. Integrity
   Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

4. Past Performance
   Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

SUBJECT: Contract No: T62000-25E and T62250-07M
Welsbach Electric Corp. of L. I.
Responsibility Determination Memorandum

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

> For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.
>
> Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.
>
> A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part of the vendor. Any adverse information which is not deemed to be sufficient for a finding of nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in this regard include, but are not limited to, termination of the employee(s) involved, introduction of new policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

SUBJECT: Contract No: T62000-25E and T62250-07M
Welsbach Electric Corp. of L. I.
Responsibility Determination Memorandum

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Vendor Affiliate Adverse Information

There is no adverse information regarding the Vendor. Vendor reports adverse information regarding affiliated entities owned by a common publicly traded parent corporation, Emcor. None of the Vendor Principals are owners or involved in the operation of the affiliated entities. None of the Vendor Principals or employees were involved in the incidents that are reported as adverse information. None of the affiliated entities will be performing any work on the County contracts.

Vendor has been successfully performing County contract work for decades. Accordingly, based on an application of the law and the policy, incidents reported regarding none performing affiliates do not warrant a determination that the vendor is a nonresponsible vendor. In the past, the Department has been satisfied with the safety measures implemented by the Vendor on a prior County construction project, and the work performed by the Vendor, and has concluded that the Vendor is a responsible vendor for the performance of the scope of work in Contracts T62000-25G and T62250-07M.

NIFA Nassau County Interim Finance Authority

Contract Approval Request Form (As of January 1, 2015)

1. Vendor: Welsbach Electric Corp. of L.I.

2. Amount requiring NIFA approval: $28,000,000.00

Amount to be encumbered: $2,000,000.00

Slip Type: New

If new contract - $ amount should be full amount of contract
If advisement - NIFA only needs to review if it is increasing funds above the amount previously approved by NIFA
If amendment - $ amount should be full amount of amendment only

3. Contract Term: to Three (3) years with an option to renew for one (1) additional year
Has work or services on this contract commenced? No

If yes, please explain:

4. Funding Source:

General Fund (GEN)	X	Grant Fund (GRT)
Capital Improvement Fund (CAP)	X	Other

Federal %	0
State %	0
County %	100

Is the cash available for the full amount of the contract?	No
If not, will it require a future borrowing?	Yes
Has the County Legislature approved the borrowing?	Yes
Has NIFA approved the borrowing for this contract?	No

5. Provide a brief description (4 to 5 sentences) of the item for which this approval is requested:

This contract will provide funding for the maintenance, repair, and modifications to traffic signals, streetlights, and related equipment 24 hours a day, 7 days per week under Contract T62250-07M.

6. Has the item requested herein followed all proper procedures and thereby approved by the:

Nassau County Attorney as to form	Yes
Nassau County Committee and/or Legislature	

Date of approval(s) and citation to the resolution where approval for this item was provided:

7. Identify all contracts (with dollar amounts) with this or an affiliated party within the prior 12 months:

Contract ID	Posting Date	Amount Added in Prior 12 Months

AUTHORIZATION

To the best of my knowledge, I hereby certify that the information contained in this Contract Approval Request Form and any additional information submitted in connection with this request is true and accurate and that all expenditures that will be made in reliance on this authorization are in conformance with the Nassau County Approved Budget and not in conflict with the Nassau County Multi-Year Financial Plan. I understand that NIFA will rely upon this information in its official deliberations.

COMPTROLLER'S OFFICE

To the best of my knowledge, I hereby certify that the information listed is true and accurate and is in conformance with the Nassau County Approved Budget and not in conflict with the Nassau County Multi-Year Financial Plan.

Regarding funding, please check the correct response:

I certify that the funds are available to be encumbered pending NIFA approval of this contract.

If this is a capital project:

I certify that the bonding for this contract has been approved by NIFA.

Budget is available and funds have been encumbered but the project requires NIFA bonding authorization.

Authenticated User ***Date***

NIFA

Amount being approved by NIFA:

Payment is not guaranteed for any work commenced prior to this approval.

Authenticated User ***Date***

NOTE: All contract submissions MUST include the County's own routing slip, current NIFS printouts for all relevant accounts and relevant Nassau County Legislature communication documents and relevant supplemental information pertaining to the item requested herein.

NIFA Contract Approval Request Form MUST be filled out in its entirety before being submitted to NIFA for review.

NIFA reserves the right to request additional information as needed.

Certificate of No Change Form

All fields must be filled.
A materially false statement willfully or fraudulently made in connection with this certification, and/or the failure to conduct appropriate due diligence in verifying the information that is the subject of this certification, may result in rendering the submitting entity non-responsible for the purpose of contract award.
A materially false statement willfully or fraudulently made in connection with this certification may subject the person making the false statement to criminal charges.

I, Darlene Kummer state that I have read and understand all the items contained in the disclosure documents listed below and certify that as of this date, these items have not changed. I further certify that, to the best of my knowledge, information and belief, those answers are full, complete, and accurate; and that, to the best of my knowledge, information, and belief, those answers continue to be full, complete, and accurate.

In addition, I further certify on behalf of the submitting vendor that the information contained in the principal questionnaire(s) have not changed and have been verified and continue, to the best of my knowledge, to be full, complete and accurate.

I understand that Nassau County will rely on the information supplied in this certification as additional inducement to enter into a contract with the submitting entity.

Business History Form

The contract shall be awarded to the responsible proposer who, at the discretion of the County, taking into consideration the reliability of the proposer and the capacity of the proposer to perform the services required by the County, offers the best value to the County and who will best promote the public interest.

In addition to the submission of proposals, each proposer shall complete and submit this questionnaire. The questionnaire shall be filled out by the owner of a sole proprietorship or by an authorized representative of the firm, corporation or partnership submitting the Proposal.

NOTE: All questions require a response, even if response is "none" or "not-applicable." No blanks.

(USE ADDITIONAL SHEETS IF NECESSARY TO FULLY ANSWER THE FOLLOWING QUESTIONS).

Date: 06/26/2026

1) Proposer's Legal Name: Welsbach Electric Corp. of L.I.

2) Address of Place of Business: 300 Newtown Rd

City: Plainview State/Province/ Territory: NY Zip/Postal Code: 11803

Country: US

3) Mailing Address (if different):

City: State/Province/ Territory: Zip/Postal Code:

Country:

Phone:

Does the business own or rent its facilities? Rent If other, please provide details:

4) Dun and Bradstreet number: [redacted]

5) Federal I.D. Number: [redacted]

6) The proposer is a: Corporation (Describe)

7) Does this business share office space, staff, or equipment expenses with any other business?
YES [ ] NO [X] If yes, please provide details:

8) Does this business control one or more other businesses?
YES [ ] NO [X] If yes, please provide details:

9) Does this business have one or more affiliates, and/or is it a subsidiary of, or controlled by, any other business?
YES [X] NO [ ] If yes, please provide details:

Welsbach Electric Corp. of L.I. is indirectly owned by Emcor Group, Inc. and wholly owned by its significant subsidiary, Emcor Mechanical/Electrical Services East, Inc. (See Emcor Group 2025 Annual Report attached. Welsbach Electric Corp. of L.I. is the only subsidiary of Emcor Mechanical/Elecrical Services East, Inc. to be performing work on any NC-DPW contract executed in it's name. (See list of Emcor Mechanical/Electrical Services East, Inc. affiliates in Attachment 1)

2 File(s) uploaded: Attachment 1, EMCOR East Affliates.pdf, EMCOR_2025_AR_and_Form-10K.pdf

10) Has the proposer ever had a bond or surety cancelled or forfeited, or a contract with Nassau County or any other government entity terminated?
YES [ ] NO [X] If yes, state the name of bonding agency, (if a bond), date, amount of bond and reason for such cancellation or forfeiture: or details regarding the termination (if a contract).

11) Has the proposer, during the past seven years, been declared bankrupt?
YES [ ] NO [X] If yes, state date, court jurisdiction, amount of liabilities and amount of assets

12) In the past five years, has this business and/or any of its owners and/or officers and/or any affiliated business, been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency? And/or, in the past 5 years, have any owner and/or officer of any affiliated business been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency, where such investigation was related to activities performed at, for, or on behalf of an affiliated business.
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

13) In the past 5 years, has this business and/or any of its owners and/or officers and/or any affiliated business been the subject of an investigation by any government agency, including but not limited to federal, state and local regulatory agencies? And/or, in the past 5 years, has any owner and/or officer of an affiliated business been the subject of an investigation by any government agency, including but not limited to federal, state and local regulatory agencies, for matters pertaining to that individual's position at or relationship to an affiliated business.
YES [X] NO [ ] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

See attachment of affiliate(s) schedule of circumstances and corrective actions by various governmental agencies. Welsbach Electric Corp. of L.I. has not been under investigation. Except for common ownership by the same parent company, there is no relationship between Welsbach Electric Corp. of L.I. and these affiliates including no common personnel, facilities or operations.

1 File(s) uploaded: Business History Form, Question 13 Support, 22.08.23.pdf

14) Has any current or former director, owner or officer or managerial employee of this business had, either before or during such person's employment, or since such employment if the charges pertained to events that allegedly occurred during the time of employment by the submitting business, and allegedly related to the conduct of that business:
a) Any felony charge pending?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

b) Any misdemeanor charge pending?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

c) In the past 10 years, you been convicted, after trial or by plea, of any felony and/or any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

d) In the past 5 years, been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

e) In the past 5 years, been found in violation of any administrative, statutory, or regulatory provisions?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

15) In the past (5) years, has this business or any of its owners or officers, or any other affiliated business had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide details for each such investigation, an explanation of the circumstances and corrective action taken.

16) For the past (5) tax years, has this business failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?
YES [ ] NO [X] If yes, provide details for each such year. Provide a detailed response to all questions checked 'YES'. If you need more space, photocopy the appropriate page and attach it to the questionnaire.

17 Conflict of Interest:

a) Please disclose any conflicts of interest as outlined below. NOTE: If no conflicts exist, please expressly state "No conflict exists."

(i) Any material financial relationships that your firm or any firm employee has that may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists.

(ii) Any family relationship that any employee of your firm has with any County public servant that may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists.

(iii) Any other matter that your firm believes may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists.

b) Please describe any procedures your firm has, or would adopt, to assure the County that a conflict of interest

would not exist for your firm in the future.

It is Welsbach Electric Corp. of L.I.'s policy that should any actual or potential conflict of interest be suspected, management is to be notified immediately. At such time, all parties would be notified and actions pursued to resolve said conflict.

A. Include a resume or detailed description of the Proposer's professional qualifications, demonstrating extensive experience in your profession. Any prior similar experiences, and the results of these experiences, must be identified.

Have you previously uploaded the below information under in the Document Vault?
YES [ ] NO [X]

Is the proposer an individual?
YES [ ] NO [X] Should the proposer be other than an individual, the Proposal MUST include:

i) Date of formation;

11/14/1955

ii) Name, addresses, and position of all persons having a financial interest in the company, including shareholders, members, general or limited partner. If none, explain.

None. Emcor Group, Inc. is a publicly traded company on the Stock Exchange under symbol EME. No individual shareholder retains 10% or more of available stocks. According to the latest NASDAQ summary (available daily at NASDAQ.com), almost 95% of all available shares are retained by institutional investment firms. Leaving approximately 5% to all remaining individual shareholders. All mandated SEC filings reflecting such, and as referenced in the attached 2025 10K under Question 9, are available at any of the following websites: NASDAQ.com, SEC.gov or EmcorGroup.com.

iii) Name, address and position of all officers and directors of the company. If none, explain.

Michele Valenti, President /C.E.O. / Treasurer [redacted]
Daniel T. Piquette, VP of Industrial Commercial / Asst. Secretary [redacted]
Darlene Kummer, VP of Transportation / Secretary [redacted]
Kevin Gmelin, Asst. Vice President, [redacted]

1 File(s) uploaded: WEC LI Officer Affidavit, 2024.pdf

iv) State of incorporation (if applicable);

NY

v) The number of employees in the firm;

50

vi) Annual revenue of firm;

[redacted]

vii) Summary of relevant accomplishments

One of the largest traffic and street lighting contractors on Long Island. Public safety is our priority.

viii) Copies of all state and local licenses and permits.

3 File(s) uploaded: Hempstead Tri-Town Exp 12-31-26.pdf, Oyster Bay Exp 12-31-26.pdf, Town of North Hempstead Expires 12-31-2028.pdf

B. Indicate number of years in business.

71

C. Provide any other information which would be appropriate and helpful in determining the Proposer's capacity and reliability to perform these services.

Current Traffic Signal Maintenance contractor, current Traffic Signal Operations contractor and current Traffic Signal Requirements contractor.

D. Provide names and addresses for no fewer than three references for whom the Proposer has provided similar services or who are qualified to evaluate the Proposer's capability to perform this work.

***DEAR SHAREHOLDERS:** We had another tremendous year in 2025. We achieved a number of new company records, including annual revenues, operating income, operating margin, and diluted earnings per share. We did this while maintaining our record of excellent cash conversion. Our success demonstrates our ability to execute with discipline across EMCOR as we drive innovation and efficiency to achieve exceptional outcomes for our customers and shareholders.*

2025 STRATEGIC ACHIEVEMENTS AND MILESTONES

2025 was a year of several major achievements and milestones for EMCOR. We acquired Miller Electric Company, which is the largest acquisition in our history. The integration is on track, our leadership and values are aligned, and Miller will serve as a great platform for growth in the Southeast and Texas. In addition to Miller, we acquired nine other companies across our Mechanical Construction and Building Services segments to better serve our customers. We divested our U.K. business to focus on our U.S. operations, finding a great strategic home for the business and achieving a good result for our shareholders.

We repurchased almost $600 million in shares and announced an increase of our quarterly dividend to $0.40 per share. The active management of our business portfolio coupled with this return of cash to our shareholders demonstrate our commitment to our successful, balanced capital allocation strategy. We continue to maintain a liquid balance sheet that serves as a foundation of strength for us and is valued by our customers, especially in key market sectors such as network and communications (including data centers), manufacturing and industrial, and high-tech manufacturing. This balance sheet also provides strategic flexibility for growth.

Further, we earned inclusion in the S&P 500, a landmark achievement. We were also recognized by *Fortune* as the Number 1 Most Admired Company in the Engineering and Construction Industry.

And as important as any metric, we maintained our industry-leading safety record in this demanding and complex environment with a TRIR under 1.0 for the second year in a row.

SEGMENT PERFORMANCE HIGHLIGHTS

Our operating segments performed well in 2025. We earned full-year Mechanical and Electrical Construction operating margins of 12.8% and 12.1%, respectively, demonstrating excellent execution across a diverse range of projects by size, end market, and geography. We did this while growing the revenues of these segments by 10.1% and 51.8%, respectively. We achieved a 6.0% operating margin in our Building Services segment, driven by the underlying strength of our Mechanical Services business, which achieved high single-digit operating margins and 6.0% growth, virtually all of which was organic. Demand for this business remains strong with a primary focus on aftermarket projects and retrofits, HVAC service and repair, building automation and controls upgrades and services, and indoor air quality and energy efficiency projects. We remain well-positioned within our Industrial Services segment to serve a rebounding oil and gas industry.

Despite our record revenues, we built our RPOs (Remaining Performance Obligations) to $13.25 billion at the end of 2025, a 31.2% increase from $10.10 billion at December of 2024. These RPOs remain diverse across many resilient sectors of the economy, such as network and communications (including data centers), manufacturing and industrial, institutional, healthcare, and water and wastewater.

As we move into 2026, we have continued to leverage our training, VDC, pre-fabrication, and project planning and delivery capabilities. We will face macroeconomic challenges and headwinds, but, with our team's experience, we are confident in our ability to overcome them as we have before. We are committed to executing a balanced capital allocation strategy focused on organic investment, strategic acquisitions, and returning cash to shareholders through share repurchases and dividends.

With a healthy dose of humility, Fortune is right—we are the #1 Most Admired Company in our industry, and this is because of our people. We care about each other, execute with discipline and integrity, and deliver results for our customers and shareholders. I appreciate all that my teammates do for EMCOR every day.

Thank you for your continued support as we enter 2026 with confidence and optimism.

MISSION FIRST, PEOPLE ALWAYS

Anthony J. Guzzi

Chairman, President
and Chief Executive Officer

EMCOR NATION

Much more than a website, **EMCOR Nation** is a tribute to craftsmanship and accomplishment. It's where talented professionals proudly showcase their projects, celebrate their skills, and connect with colleagues who share their common passion for excellence.

UNITED STATES
SECURITIES AND EXCHANGE COMMISSION
Washington, D.C. 20549

FORM 10-K

☒ ANNUAL REPORT PURSUANT TO SECTION 13 OR 15(d) OF THE SECURITIES EXCHANGE ACT OF 1934

For the fiscal year ended December 31, 2025

☐ TRANSITION REPORT PURSUANT TO SECTION 13 OR 15(d) OF THE SECURITIES EXCHANGE ACT OF 1934

For the transition period from to

Commission file number 1-8267

EMCOR Group, Inc.

(Exact name of registrant as specified in its charter)

Delaware	[redacted]
(State or other jurisdiction of incorporation or organization)	(I.R.S. Employer Identification Number)
301 Merritt Seven Norwalk, Connecticut	**06851-1092**
(Address of principal executive offices)	(Zip Code)

Registrant's telephone number, including area code: (203) 849-7800

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Trading Symbol	Name of each exchange on which registered
Common Stock	**EME**	**New York Stock Exchange**

Securities registered pursuant to Section 12(g) of the Act: None

Indicate by check mark if the registrant is a well-known seasoned issuer, as defined in Rule 405 of the Securities Act. Yes ☒ No ☐

Indicate by check mark if the registrant is not required to file reports pursuant to Section 13 or Section 15(d) of the Securities Exchange Act. Yes ☐ No ☒

Indicate by check mark whether the registrant (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. Yes ☒ No ☐

Indicate by check mark whether the registrant has submitted electronically every Interactive Data File required to be submitted pursuant to Rule 405 of Regulation S-T (Section 232.405 of this chapter) during the preceding 12 months (or for such shorter period that the registrant was required to submit such files). Yes ☒ No ☐

Indicate by check mark whether the registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, a smaller reporting company, or an emerging growth company. See the definitions of "large accelerated filer," "accelerated filer," "smaller reporting company," and "emerging growth company" in Rule 12b-2 of the Exchange Act.

Large Accelerated Filer	☒	Accelerated Filer	☐	Non-accelerated Filer	☐	Smaller Reporting Company	☐	Emerging Growth Company	☐

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. ☐

Indicate by check mark whether the registrant has filed a report on and attestation to its management's assessment of the effectiveness of its internal control over financial reporting under Section 404(b) of the Sarbanes-Oxley Act (15 U.S.C. 7262(b)) by the registered public accounting firm that prepared or issued its audit report. ☒

If securities are registered pursuant to Section 12(b) of the Act, indicate by check mark whether the financial statements of the registrant included in the filing reflect the correction of an error to previously issued financial statements. ☐

Indicate by check mark whether any of those error corrections are restatements that required a recovery analysis of incentive-based compensation received by any of the registrant's executive officers during the relevant recovery period pursuant to §240.10D-1(b). ☐

Indicate by check mark whether the registrant is a shell company (as defined by Rule 12b-2 of the Exchange Act). Yes ☐ No ☒

The aggregate market value of the common stock held by non-affiliates of the registrant was approximately $17.258 billion as of the last business day of the registrant's most recently completed second fiscal quarter, based upon the closing sale price on the New York Stock Exchange reported for such date. Shares of common stock held by each executive officer and director and by each person who owns 5% or more of the outstanding common stock (based solely on filings of such 5% holders) have been excluded from such calculation as such persons may be deemed to be affiliates. This determination of affiliate status is not necessarily a conclusive determination for other purposes.

Number of shares of the registrant's common stock outstanding as of the close of business on February 20, 2026: 44,532,566 shares.

DOCUMENTS INCORPORATED BY REFERENCE

Part III. Portions of the definitive proxy statement for the 2026 Annual Meeting of Stockholders, which document will be filed with the Securities and Exchange Commission pursuant to Regulation 14A not later than 120 days after the end of the fiscal year to which this Form 10-K relates, are incorporated by reference into Items 10 through 14 of Part III of this Form 10-K.

FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements. You can identify these statements by the fact that they do not relate strictly to historical or current facts. They generally contain words such as “anticipate,” “estimate,” “expect,” “project,” “intend,” “plan,” “believe,” “may,” “can,” “could,” “might,” variations of such wording and other words or phrases of similar meaning. Forward-looking statements in this report include discussions of our future operating or financial performance and other forward-looking commentary regarding aspects of our business, including market share growth, gross profit, remaining performance obligations, project mix, projects with varying profit margins and contractual terms, the financial impact and integration of acquisitions, selling, general and administrative expenses, anticipated dividend payments, our ability to maintain a strong safety record, and trends in our business, and other characterizations of future events or circumstances, such as the effects of supply chain disruptions, delays, and price fluctuations, including those potentially caused by tariffs. Each forward-looking statement included in this report is subject to risks and uncertainties, including those identified in the “Risk Factors” section, the “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section, and other sections of this report. Applicable risks and uncertainties include, but are not limited to:

- adverse effects of general economic conditions;
- domestic and international political developments and/or conflicts;
- changes in the specific markets for EMCOR’s services;
- adverse business conditions, including the weakness of the sectors from which we generate revenues, scarcity of skilled labor, productivity challenges, the nature and extent of supply chain disruptions impacting availability and pricing of materials, and inflationary trends more generally, including fluctuations in energy costs;
- the impact of legislation and/or government regulations;
- changes in foreign trade policy, including the effect of tariffs;
- changes in interest rates;
- the lack of availability of adequate levels of surety bonding;
- increased competition;
- the impact of legal proceedings, claims, lawsuits, or governmental investigations;
- unfavorable developments in the mix of our business; and
- other factors discussed elsewhere in this report.

Such risks and uncertainties could cause actual results to differ materially from those that might be anticipated from, or projected or implied by, our forward-looking statements. Accordingly, these statements do not guarantee future performance or events. The forward-looking statements contained in this report speak only as of the filing date of this report. We undertake no obligation to update any forward-looking statements unless required by law. However, any further disclosures made on related subjects in our subsequent reports filed with the Securities and Exchange Commission (the “SEC”) should be consulted. We caution investors not to place undue reliance on forward-looking statements, due to their inherent uncertainty.

PART I

ITEM 1. BUSINESS

References to the "Company," "EMCOR," "we," "us," "our" and similar words refer to EMCOR Group, Inc. and its consolidated subsidiaries unless the context indicates otherwise.

Overview

We are one of the largest specialty contractors in the United States and a leading provider of electrical and mechanical construction and facilities services, building services, and industrial services. In 2025, we had revenues of $16.99 billion. Our services are provided to a broad range of commercial, technology, manufacturing, industrial, healthcare, utility, and institutional customers through approximately 100 operating subsidiaries, which specialize principally in providing construction services relating to electrical and mechanical systems in all types of facilities and in providing various services relating to the operation, maintenance, and management of those facilities. Such operating subsidiaries are organized into the following reportable segments:

- United States electrical construction and facilities services;
- United States mechanical construction and facilities services;
- United States building services; and
- United States industrial services.

On December 1, 2025, we sold our United Kingdom operations, the results of which are reported within our United Kingdom building services segment through the date of sale.

Our operating subsidiaries offer comprehensive and diverse solutions on a broad scale and have many long-standing customer relationships. We provide construction services and building services directly to corporations, municipalities and federal and state governmental entities, owners/developers, and tenants of buildings. We also provide our construction services indirectly by acting as a subcontractor to general contractors, systems suppliers, construction managers, developers, property managers, and other subcontractors. We generally provide industrial services directly to refineries and petrochemical plants.

We derive revenues from many different customers in numerous industries, which have operations in several different geographical areas. Of our 2025 revenues, approximately 97% were generated in the United States and approximately 3% were generated in the United Kingdom. In 2025, we derived approximately 72% of our revenues from our construction operations, approximately 21% of our revenues from our building services operations, and approximately 7% of our revenues from our industrial services operations. For additional information regarding our revenues, see Note 3 - Revenue from Contracts with Customers of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

We believe that our range of service offerings, technical capability, skilled workforce, and strong project execution, along with our safety culture and financial resources, differentiate us from our competition and position us to benefit from future capital and maintenance spending by our existing and potential customers. Our strategies of expanding our portfolio of service offerings and increasing or enhancing our presence in core end markets and geographies, along with our commitment to industry-leading best practices and technological and training capabilities, place us in the position to capitalize on opportunities and trends in the industries we serve and continue to grow our business.

Increasingly, our services are focused on delivering sustainable energy solutions, enhancements in energy efficiency, reductions in waste and emissions, and improvements in the safety and comfort of our customers' facilities.

The broad scope of our operations is more particularly described below. For detailed segment financial information refer to Note 18 - Segment Information of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

Our executive offices are located at 301 Merritt Seven, Norwalk, Connecticut 06851-1092, and our telephone number at those offices is (203) 849-7800.

Operations

Electrical and mechanical construction and facilities services operations:

Our electrical and mechanical construction services primarily involve the design, integration, installation, start-up, operation and maintenance, and provision of services relating to:

- Systems for electrical power transmission, distribution, and generation, including power cables, conduits, distribution panels, transformers, generators, uninterruptible power supply systems, and related switch gear and controls;
- Premises electrical and lighting systems, including fixtures and controls;
- Process instrumentation in the refining, chemical processing, and food processing industries;
- Low-voltage systems, such as fire alarm, security, and process control systems;
- Voice and data communications, including fiber optic and low voltage cabling, distributed antenna systems, audiovisual systems, and wireless access points;
- Sustainable energy solutions such as solar, photovoltaic, and wind, as well as the installation of electric vehicle charging stations;
- Roadway and transit lighting and signaling and fiber optic lines;
- Computerized traffic control systems, and signal and communication equipment for mass transit systems;
- Heating, ventilation, air conditioning, and refrigeration, including both traditional mechanical systems as well as geothermal solutions;
- Clean-room process ventilation systems;
- Fire protection and suppression systems;
- Plumbing, process and high-purity piping systems;
- Controls and filtration systems;
- Water and wastewater treatment systems;
- Central plant heating and cooling systems, including manufacturing and installing sheet metal air handling systems;
- Millwright services; and
- Steel fabrication, erection, and welding services.

The electrical and mechanical construction services industry has experienced growth principally due to the increased content, complexity, and sophistication of electrical and mechanical systems resulting, in part, from growth in digital processing, cloud computing, data storage, and the emergence of artificial intelligence ("AI"). In addition, facilities of all types require extensive electrical distribution systems, sophisticated power supplies, networks of low-voltage and fiber-optic communications cabling, and various mechanical, plumbing, and fire protection and suppression systems. Moreover, the need for substantial environmental controls within a building, due to the heightened need to maintain extensive servers at optimal temperatures, and the demand for increased energy efficiency, have continued to expand opportunities for our electrical and mechanical services businesses. The demand for these services is typically driven by non-residential construction and renovation activity and, in recent years, has benefited from the expansion of data centers to power AI and cloud computing, the re-shoring of the supply chain, the need for additional high-tech manufacturing facilities, and the energy transition/expansion throughout the United States.

Our electrical and mechanical construction services generally fall into one of three categories: (a) large installation projects, with contracts often in the multi-million dollar range, that involve: (i) the construction of manufacturing facilities, data centers, warehousing and distribution facilities, hospitals, and commercial buildings, (ii) institutional, public works, and infrastructure projects, or (iii) the fit-out of large blocks of space within commercial or mixed-use buildings, (b) large and medium sized capital and maintenance projects for commercial, manufacturing, pharmaceutical, healthcare, oil and gas, and industrial clients, and (c) smaller installation projects, of a short duration, typically involving fit-out, renovation, and retrofit work.

Our United States electrical and mechanical construction operations accounted for approximately 72% of our 2025 total revenues. Of such revenues, approximately 42% were generated by our electrical construction operations and approximately 58% were generated by our mechanical construction operations.

Our largest projects include those within: (a) the network and communications market sector (including data centers, data and fiber projects, and cabling); (b) the high-tech manufacturing market sector (including semiconductor, biotech, life-sciences, and pharmaceutical facilities, as well as projects across the electric vehicle value chain); (c) the manufacturing and industrial market sector (including food processing and traditional automotive manufacturing facilities, steel, pulp and paper mills, power generation (including sustainable energy solutions such as solar and wind), oil and gas refineries, and chemical processing plants); (d) the commercial market sector (including warehousing and distribution facilities and office or mixed-use buildings); (e) the healthcare market sector (including hospitals, surgical centers, rehabilitation and nursing facilities, and medical offices); (f) the institutional market sector (including educational and correctional facilities and research laboratories); (g) the water and wastewater market sector; (h) the transportation market sector (including highways, bridges, airports, and transit systems); and (i) the hospitality and entertainment market sector (including resorts, hotels, gaming facilities, convention centers, and sports arenas and stadiums). Our largest projects, which typically range in size from $10 million up to and occasionally exceeding $200 million, represented approximately 58% of our electrical and mechanical construction services revenues in 2025. These projects often involve new construction and a combination of design, installation, and start-up services. Depending on the size and complexity of these projects, they may span multiple years and typically require significant technical and management skills and the financial strength to obtain performance bonds, which are often a condition to bidding for and winning these projects.

Our projects of less than $10 million accounted for approximately 42% of our electrical and mechanical construction services revenues in 2025. These projects are typically completed in less than one year. They usually involve electrical and mechanical construction services when an end-user or owner undertakes construction or modification of a facility to accommodate a specific use, upgrade or replace aging systems, or increase energy efficiency. These projects frequently require electrical and mechanical systems to meet special needs such as critical systems power supply, fire protection systems, special environmental controls and high-purity air systems, sophisticated electrical and mechanical systems for data centers, new production lines in manufacturing plants, and office arrangements in existing office buildings. They are not usually dependent upon the new construction market. Demand for these projects and types of services is often prompted by the expiration of leases, changes in technology, the demand for more energy efficient systems, or changes in the customer's plant or office layout in the normal course of a customer's business.

Building services operations:

Our building services include:

- Maintenance and services for mechanical, electrical, plumbing, fire safety, and building automation systems;
- HVAC projects, including installation, modification and retrofits;
- Program development, management, and maintenance for energy systems, including LEED and other sustainable solutions to assist our customers in reducing energy consumption;
- Energy efficiency retrofit services, including HVAC, lighting, water, weatherization, and air flow management solutions;
- Technical consulting and diagnostic services;
- Services aimed at improving indoor air quality;
- Installation and support for building systems;
- Commercial and government site-based operations and maintenance;
- Facility management, maintenance, and services;
- Floor care and janitorial services;
- Landscaping, lot sweeping, and snow removal;
- Vendor management and call center services; and
- Infrastructure and building projects for federal, state, and local governmental agencies.

Our building services operations have built upon our traditional electrical and mechanical construction operations and our client relationships to expand the scope of services being offered and to develop packages of services for customers on a local, regional, and national basis.

Our building services operations, which generated approximately 21% of our 2025 total revenues, provide services to owners, operators, tenants, and managers of all types of facilities. Of our building services revenues for 2025, approximately 87% were generated in the United States and approximately 13% were generated in the United Kingdom. As noted above, in December 2025, we sold our operations in the United Kingdom.

Of the building services revenues generated in the United States during 2025, approximately 77% was generated from our mechanical services division, approximately 18% was generated from our commercial site-based services division, and approximately 5% was generated from our government site-based services division. Our mechanical services division has benefited, in recent years, from increased demand for HVAC project and retrofit work, greater service repair and maintenance volumes, and the expansion of our building automation and controls solutions.

Demand for our building services is often driven by customers' decisions to focus on their core competencies, customers' programs to reduce costs, the increasing technical complexity of customers' facilities, including their mechanical, electrical, building automation, voice and data, and other systems, and the need for increased reliability, energy efficiency, and air filtration and sanitization. These trends have led to outsourcing and privatization programs whereby customers in both the private and public sectors seek to contract out those activities that support, but are not directly associated with, the customer's core business. Clients of our building services business include major corporations engaged in information technology, telecommunications, pharmaceuticals, financial services, and manufacturing, institutional organizations, healthcare providers, large retailers and other businesses with geographically dispersed locations, as well as federal and state governments.

Within our government site-based services division, we provide building services at a number of prominent buildings in the United States, including those that house the National Archives and Records Administration, the Federal Deposit Insurance Corporation, the Government Accountability Office, and the Departments of Transportation, Education, Health and Human Services, Energy, and Homeland Security, as well as other government facilities. We also provide building services, as a prime contractor or a subcontractor, to U.S. government and intelligence agencies. The agreements pursuant to which this division provides services to the federal government are frequently for a base period and a number of option years exercisable at the sole discretion of the government, are often subject to modification or renegotiation by the government in terms of scope of services, and are subject to termination for convenience by the government prior to the expiration of the applicable term.

Industrial services operations:

Our industrial services are primarily provided to customers within the oil, gas, and petrochemical industries and consist of:

- Refinery turnaround planning and engineering services;
- Specialty welding services;
- Overhaul and maintenance of critical process units in refineries and petrochemical plants;
- Specialty technical services for refineries and petrochemical plants;
- Instrumentation, controls, and electrical services for energy infrastructure;
- Electrical panel design, fabrication, and installation;
- On-site repairs, maintenance, and service of heat exchangers, towers, vessels, and piping;
- Design, manufacturing, repair, and hydro blast cleaning of shell and tube heat exchangers and related equipment; and
- Renewable energy services, including large scale solar projects, energy storage, and waste to biogas solutions.

Our industrial services business, which generated approximately 7% of our 2025 total revenues, is a recognized leader in the refinery turnaround market and has a presence in the petrochemical and upstream markets. Demand for these services is highly dependent on the strength of the oil and gas and related industrial markets. Our industrial services operations perform turnaround and maintenance services for critical units of refineries and petrochemical plants to upgrade, repair, and maintain them. Such services include: (a) engineering and planning in advance of complex refinery and petrochemical turnarounds; (b) overhaul and maintenance of critical process units (including hydrofluoric alkylation units, fluid catalytic cracking units, coking units, heaters, heat exchangers, and related mechanical equipment) during refinery and petrochemical plant shut downs; (c) replacement and new construction capital projects for refineries and petrochemical plants; (d) instrumentation, controls, and electrical services for energy infrastructure; and (e) other related specialty services such as: (i) welding (including pipe welding) and fabrication; (ii) heater, boiler, and reformer repairs and replacements; converter repair and revamps; and vessel, exchanger and tower services; (iii) tower and column repairs in refineries and petrochemical plants; (iv) installation and repair of refractory materials for critical units in process plants to protect equipment from corrosion, erosion, and extreme temperatures; and (v) acid-proofing services to protect critical components at refineries from chemical exposure. These businesses also design and manufacture highly engineered shell and tube heat exchangers and provide maintenance, repair, and cleaning services for heat exchangers both in the field and at our own shops, including tube and shell repairs, bundle repairs, and extraction services.

In addition to these traditional industrial services, we are leveraging our expertise in industrial services to construct and maintain carbon capture technologies and renewable energy projects.

Competition

Across our operations, we compete with national, regional, and local companies, many of which are small, owner-operated entities that carry on their businesses in a limited geographic area, as well as with certain foreign companies.

The electrical and mechanical construction services industry is highly fragmented and our competition includes thousands of small companies across the United States. In addition, there are a number of larger companies focused on providing electrical and/or mechanical construction services, such as APi Group Corporation, Comfort Systems USA, Inc., Dycom Industries, Inc., Everus Construction Group, Inc., IES Holdings, Inc., MasTec, Inc., MYR Group Inc., Quanta Services, Inc., and Tutor Perini Corporation. A majority of our revenues are derived from projects requiring competitive bids; however, an invitation to bid is often conditioned upon prior experience, technical capability, and financial strength. Competitive factors in the electrical and mechanical construction services business include: (a) the availability of qualified and/or licensed personnel; (b) reputation for integrity and quality; (c) safety record; (d) cost structure and the ability to control project costs; (e) relationships with customers; (f) price; (g) geographic diversity; (h) experience in specialized markets; (i) the ability to obtain surety bonding; (j) adequate working capital or access to bank credit; and (k) the use of technology such as virtual design construction ("VDC"), building information modeling ("BIM"), robotics, and automation. We believe our financial position, operating results, access to bank credit and surety bonding, technical expertise including prefabrication, VDC, and BIM capabilities, and safety record, among other factors, give us an advantage over many of our competitors. However, relatively few barriers exist to prevent entry into the electrical and mechanical construction services industry.

While the building services industry is also highly fragmented, with most competitors operating in a specific geographic region, a number of large corporations and original equipment manufacturers are engaged in this field. Within our mechanical services division, we compete with entities such as APi Group Corporation, Comfort Systems USA, Inc., and Service Logic LLC, as well as Carrier Global Corporation and Trane Technologies plc. Within our commercial and government site-based divisions, competition includes companies such as Amentum Services, Inc., IAP Worldwide Services, Inc., Fluor Corporation, Cushman & Wakefield plc, CBRE Group, Inc., Jones Lang LaSalle Incorporated, Sodexo, Inc., Aramark, and ABM Industries Incorporated. In addition, we compete with several regional firms serving all or portions of the markets we target, such as BrightView Holdings, Inc., Kellermeyer Bergensons Services, LLC, and SMS Assist, L.L.C. The key competitive factors in the building services industry include: (a) availability of qualified personnel and managers; (b) service quality and technical expertise; (c) the use of technology tools and data analytics; (d) cost structure and the ability to control project costs; (e) price; and (f) geographic diversity. Due to our financial strength, scope of service offerings, our technical capability and management experience, and our geographic presence, we believe our building services operations are in a strong competitive position. However, there are relatively few barriers to entry into the building services industry.

The market for providing industrial services includes large national providers, as well as numerous regional companies. In the manufacture of heat exchangers, we compete with both U.S. and foreign manufacturers. Competitors within this industry include JVIC, Universal Plant Services, Inc., Turner Industries Group, LLC, Team, Inc., Specialty Welding and Turnarounds, LLC, Cust-O-Fab, Inc., Dunn Heat Exchangers, Inc., Turn2 Specialty Companies, and Wyatt Field Service Company, LLC, among others. The key competitive factors in the industrial services market consist of: (a) availability of skilled workforce; (b) technical expertise; (c) service, quality, and ability to respond quickly; (d) price; and (e) safety record. Due to our technical capabilities, skilled workforce, and safety record, we believe that we are in a strong competitive position in the industrial services markets that we serve. Although the technical expertise and capital investment that is required in manufacturing heat exchangers may be considered a barrier to entry in this field, there are significantly fewer barriers to entry as it pertains to turnaround projects and services.

Human Capital

At December 31, 2025, we employed approximately 44,000 people, all of whom were located within the United States.

Based on the most recent information available from our latest filing with the U.S. Equal Employment Opportunity Commission, the gender demographic of our employees was 90% male and 10% female. Additionally, based on such information, our employees had the following race and ethnicity demographics:

Employee Demographic	**% of Total**
White	66 %
Hispanic / Latino	21 %
Black / African American	8 %
Asian	2 %
Multiracial, Native American, Native Hawaiian, and Pacific Islander	3 %

Approximately 62% of our employees are represented by various unions pursuant to approximately 450 collective bargaining agreements between our individual subsidiaries or trade associations and local unions, as well as two collective bargaining agreements that are national or regional in scope. We believe that our relations with our labor unions are generally positive.

Our ability to execute complex projects for our customers, and to perform all of our services with the excellence that makes us an industry leader, depends on our success in attracting and retaining skilled labor in a competitive market. We therefore strive to be and remain an employer of choice for the most talented employees in each of the industries and markets in which we operate. This begins with offering competitive employee compensation and benefits packages, specifically designed to meet the unique needs of each individual in our organization, which include:

- *Health and Welfare Plans*: All full-time employees who do not participate in union plans are offered a range of choices among medical, dental and vision plans, life, accident, dependent and disability insurance, and pre-tax health savings accounts that include employer contributions.
- *Retirement Savings*: We help provide our employees with financial security by offering a 401(k) Savings Plan, which includes company matching contributions.
- *Degree Assistance*: Eligible employees may apply for reimbursement for job-related courses or courses taken as part of a curriculum for a business or job-related degree at an accredited institution.
- *Employee Assistance Program*: Through our Employee Assistance Program, we offer our employees, and their dependents or household members, access to services and counseling on a variety of personal, professional, legal, and financial matters, at no cost.
- *College Coaching*: Our College Coach Program provided through Bright Horizons provides employees and their families with support as they navigate the college admissions process, including live webinars, tuition payment financial planning, and insight from former admissions officers, finance professionals, and educators.

Key to our attraction and retention of employees is our commitment to our EMCOR Values and our focus on employee safety and inclusion. Our Board of Directors and senior leadership engage in direct oversight and management, respectively, of our significant human capital initiatives. Our Board of Directors is regularly briefed and provides input on key human capital initiatives and metrics.

Commitment to Core Values

We are committed to our EMCOR Values of Mission First: *Integrity, Discipline, and Transparency* and People Always: *Mutual Respect and Trust, Commitment to Safety, and Teamwork.* We consistently strive to ensure these values are reflected in how we do business every day, from our corporate culture and "tone at the top," established by our Board of Directors and management team, to the critical work performed by all of our people at every level throughout our organization. We reinforce our EMCOR Values through many ongoing initiatives. Our EMCOR Values are embodied in our policies and procedures, including our Code of Business Ethics and Conduct. We also regularly provide training on these values, both at time of hire and on an ongoing, periodic basis. In addition, to develop and reinforce our values company-wide, and empower our leaders to perform at the highest levels, senior leaders are invited to our Leadership for Results course at the Georgia Tech Scheller College of Business and our Leading with Character program at the Thayer Leadership Development Group at West Point. In addition, identified front line supervisors such as project managers and superintendents are invited to our Leader Development Program, which focuses on the development of skills to enhance their growth as leaders and emphasizes the importance of our EMCOR Values.

Workplace Safety

We believe that our focus on employee safety and well-being is reflected in our results. During a year in which our people worked nearly 100 million hours, the Company's Total Recordable Incident Rate in 2025 was just under 1.0, which was approximately 60% lower than the U.S. Bureau of Labor Statistics' most recently available industry average of 2.4 for NAICS Code 2382, Building Equipment Contractors. This represents our seventeenth consecutive year with a Total Recordable Incident Rate which was less than half the industry average. Our position as an industry leader in safety begins with a strong culture of care and vigilance embodied in our EMCOR Values and is supported by a comprehensive suite of training, resources, and analytics. These include: (a) our signature Be There for Life! Zero Injuries Program and Be Vigilant! Campaign, (b) incident and injury prevention planning, including in-person and online training tools and best practice guides available through our company intranet as well as to all field employees through their mobile devices, (c) enterprise level reporting and analysis of leading and lagging indicators, (d) a 24-hour incident reporting hotline, and (e) a company-wide program to share and champion best safety practices across our range of businesses. These tools have evolved with the way our people work.

Mutual Respect and Trust

In our workplace, we seek to foster a welcoming environment that reflects our EMCOR Values, including Mutual Respect and Trust. We believe that a workforce, executive management team, and Board of Directors representing a broad array of experience, perspectives, backgrounds, and personal characteristics, are important to our future success.

We strive to help all our employees realize their full potential with an equal opportunity to succeed. We work to unlock the full potential of all employees at every level through: (a) the EMCOR Manager Certificate Program, which promotes supervisory management skills, (b) our Degree Assistance Program, which provides tuition reimbursement for continuing education, and (c) the resources available to all employees on our online learning platform, EMCOR University Online, which includes thousands of on-demand training courses on a wide range of topics.

Available Information

We file annual, quarterly and current reports, proxy statements and other information with the SEC. These filings are available to the public over the internet at the SEC's website at http://www.sec.gov.

Our Internet address is www.emcorgroup.com. We make available, free of charge, through www.emcorgroup.com our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to those reports, as soon as reasonably practicable after we electronically file such material with, or furnish it to, the SEC. References to our website addressed in this report are provided as a convenience and do not constitute, and should not be viewed as, an incorporation by reference of the information contained on, or available through, the website. Therefore, such information should not be considered part of this report.

Our Board of Directors has an audit committee, a compensation and personnel committee, and a nominating and corporate governance committee. Each of these committees has a formal charter and is comprised of independent directors. We also have Corporate Governance Guidelines, which include guidelines regarding related party transactions, a Code of Ethics for our Chief Executive Officer and Senior Financial Officers, and a Code of Ethics and Business Conduct for Directors, Officers, and Employees. Copies of these charters, guidelines and codes, and any waivers or amendments to such codes which are applicable to our executive officers, senior financial officers, or directors, can be obtained on our website, www.emcorgroup.com.

You may request a copy of the foregoing filings (excluding exhibits), charters, guidelines and codes, and any waivers or amendments to such codes which are applicable to our executive officers, senior financial officers, or directors, at no cost by writing to us at EMCOR Group, Inc., 301 Merritt Seven, Norwalk, CT 06851-1092, Attention: Corporate Secretary, or by telephoning us at (203) 849-7800.

ITEM 1A. RISK FACTORS

Our business is subject to a variety of risks, including the risks described below as well as adverse business and market conditions and risks associated with our operations. The risks and uncertainties described below are not the only ones facing us. Additional risks and uncertainties not known to us or not described below, which we have not determined to be material, may also impair our business operations. You should carefully consider the risks described below, together with all other information in this report, including information contained in the "Business," "Management's Discussion and Analysis of Financial Condition and Results of Operations," and "Quantitative and Qualitative Disclosures about Market Risk" sections. If any of the following risks actually occur, our business, financial position, results of operations, and/or cash flows could be adversely affected, and we may not be able to achieve our goals. Such events may cause actual results to differ materially from expected and historical results, and the trading price of our common stock could decline.

Economic and Strategic Risk Factors

Economic downturns, recessions, or periods of slow growth have historically led to reductions in demand for our services. Negative conditions in the credit markets, including elevated interest rates, may adversely impact our results of operations and our ability to operate our business. The level of demand from our clients for our services has been, in the past, adversely impacted by slowdowns in the industries we service, as well as in the economy in general. When the general level of economic activity has declined from historical levels, certain of our ultimate customers have delayed or canceled projects or capital spending, especially with respect to more profitable private sector work, and such slowdowns adversely affect our ability to grow, reducing our revenues and profitability. A number of economic factors, including financing conditions, the prices of commodities, and energy prices have, in the past, adversely affected the industries we serve and our ultimate customers' ability or willingness to fund expenditures. General concerns about the fundamental soundness of domestic and foreign economies may also cause ultimate customers to defer projects even if they have credit available to them. A prolonged stagnation or weakening in financial and macroeconomic conditions, potentially including higher interest rates, supply chain challenges, inflation, or geopolitical impacts, could therefore have a significant adverse effect on our revenues and profitability.

We are exposed to market risk for changes in interest rates for any borrowings under our revolving credit facility, which bear interest at variable rates. Although the Federal Reserve Board lowered the federal funds rate in 2024 and 2025, the pace and extent of additional decreases are uncertain. Increases in benchmark interest rates impact our interest expense and cost of capital, which may adversely impact our ability to make payments on future outstanding debt, raise funds through the issuance of debt, fund capital expenditures or meet other liquidity needs. Any of these impacts may adversely affect our liquidity, results of operations, and financial position. For further information on our credit facility and associated borrowing rates, refer to Note 9 - Debt of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

Many of our clients depend on the availability of credit to help finance their capital and maintenance projects. At times, tightened availability of credit or increased interest rates have negatively impacted the ability of existing and prospective ultimate customers to fund projects we might otherwise perform, particularly those in the more profitable private sector. As a result, our ultimate customers may defer such projects for an unknown, and perhaps lengthy, period. Any such deferrals would inhibit our growth and would adversely affect our results of operations.

In a weak economic environment, particularly in a period of restrictive credit markets, we may experience greater difficulties in collecting payments from, and negotiating change orders and/or claims with, our clients due to, among other reasons, a diminution in our ultimate customers' access to the credit markets or potential bankruptcies. If clients delay in paying or fail to pay a significant amount of our outstanding receivables, or we fail to successfully negotiate a significant portion of our change orders and/or claims with clients, it could have an adverse effect on our liquidity, results of operations, and financial position.

Our business has traditionally lagged recoveries in the general economy and, therefore, after an economic downtown we may not recover as quickly as the economy at large.

Certain of our businesses, including those within our United States industrial services segment, are exposed to risks associated with the oil and gas industry. These risks, which are not subject to our control, include volatility in the price and production of crude oil, the development of and consumer demand for alternative energy sources, including as a result of a change in consumer preference, or in an effort to reduce greenhouse gas emissions or combat climate change, and legislative and regulatory actions. In addition, macroeconomic conditions, influenced by a variety of events and circumstances, can also affect customer demand for our services within these businesses and lower prices and production volumes, or perceived risk thereof, typically results in the curtailment or deferral of spending by our customers. While higher prices for our customers' products may increase demand for our services, significant increases in the price or demand for crude oil may also result in the short-term curtailment or deferral of spending by our customers, as facility downtime to perform certain of the services we provide comes at a higher opportunity cost. Volatility within these markets, including the impact of geopolitical instability (such as disruption of shipping lanes or armed conflict or instability in oil-producing nations, including Iran and Venezuela), could negatively impact our financial position, results of operations, and cash flows.

Our business is vulnerable to the cyclical nature of the sectors in which our clients operate and is dependent upon the timing and funding of new awards. We provide construction and maintenance services to ultimate customers operating in a number of sectors which have been, and we expect will continue to be, cyclical and subject to significant fluctuations due to a variety of factors beyond our control, including economic conditions, consumer demand, technology advancements, and changes in client spending. For example, capital spending on data center infrastructure to support cloud storage and artificial intelligence ("AI") is rapidly expanding, which has increased demand for our services in recent years. If such spending were to decrease, demand for our services could decline as we transition our resources to other sectors. Regardless of economic or market conditions, investment decisions by our ultimate customers may vary by location or as a result of other factors like the availability of labor, relative construction costs, or competitive conditions in their industries. Because we are dependent on the timing and funding of new awards, we are therefore vulnerable to changes in our clients' markets and investment decisions.

Our business may be adversely affected by significant reductions in government spending, delays or disruptions in the government appropriations process or the failure to fully fund or implement legislation such as the CHIPS and Science Act of 2022 and the Inflation Reduction Act. Some of our businesses derive a portion of their revenues from governmental agencies. As a result, reduced or delayed spending by the federal government and/or state and local governments, potentially including the reduction or elimination of funding for projects or other benefits under relevant legislation, may have a material and adverse impact on our business, financial condition, results of operations, and cash flows. Significant reductions in spending aimed at reducing federal, state, or local budget deficits, the absence of a bipartisan agreement on the federal government's budget or raising the debt ceiling (and any disruption caused by a federal government shutdown as a result thereof), personnel reductions, elimination of government agencies or programs, the closure of government facilities and offices, the freezing or sequestration by the executive branch of congressionally-appropriated funds, or other changes in budget priorities could result in the deferral, delay, disruption, or cancellation of projects or contracts that we might otherwise have sought to perform. These potential events could impact the level of demand for our services and our ability to execute, complete, and receive compensation for our current contracts, or bid for and enter into new contracts with governmental agencies.

Volatility in the prices or availability of certain materials, equipment, and commodities used in our businesses and those of our customers, including as a result of inflation, supply chain disruptions, geopolitical instability, and protectionist trade measures, could adversely affect our businesses. We are exposed to market risk of increases in certain commodity prices of materials, such as copper and steel, which are used as components of supplies or materials utilized in our operations. We are also exposed to increases in energy prices, particularly as they relate to gasoline prices for our fleet of approximately 14,400 vehicles. While we believe we can increase our prices to adjust for some price increases in commodities, there can be no assurance that price increases of commodities, if they were to occur, would be recoverable. Further, the timing of our price increases may lag the timing of the underlying increases in commodity or material prices and certain of our contracts do not allow us to adjust our prices. As a result, increases in material or fuel costs could reduce our profitability with respect to projects in progress. Additionally, we rely on third-party vendors and manufacturers to supply much of the materials and equipment necessary for our operations. Disruptions, shortages, or delays in the availability of such materials and equipment have had and may have adverse impacts on our results of operations, cash flows, and reputation with our customers. For example, in recent years, we experienced supply chain delays, including long lead times for certain materials and equipment, as well as an escalation in material and fuel prices, to varying degrees. Fluctuations in the price of energy and commodity materials, whether resulting from fluctuations in market supply or demand, geopolitical conditions (including supply chain disruptions, sanctions on Russian exports as a result of Russia's invasion of Ukraine, armed conflict between Israel and Iran or between the United States and Iran or Venezuela, and shipping lane disruptions following maritime attacks in the Gulf of Aden and the Red Sea), an increase in trade protection measures such as tariffs, or the disruption, modification, or cancellation of multilateral trade agreements, may adversely affect our customers and as a result cause them to curtail the use of our services.

On the other hand, because certain of our construction and service offerings are designed to improve energy efficiency in our clients' operations, or to assist in the generation of new sources of renewable energy, such as wind, solar, and geothermal generation, decreases in the costs of traditional energy sources such as electricity, oil, and natural gas, including as a result of recessionary pressure and reduced demand, may lower our customers' demand for efficiency improvements and alternative energy sources, which could have an adverse effect on our financial position, results of operations, and cash flows. At the same time, the availability or price of electricity may adversely impact the buildout of certain of our customers' projects, including data centers, which could adversely impact our business, financial position, and results of operations.

Changes in U.S. foreign trade policies could lead to the imposition of additional trade barriers and tariffs. We cannot predict the full extent of new, extended, or changed trade policies, including tariffs, that may be made by the current or a future presidential administration or Congress, including whether existing tariff policies will be maintained or modified or if changes in the U.S. trade policy could result in reactions from U.S. trading partners, such as adopting responsive trade policies making it more difficult or costly for us to purchase materials or supplies. Judicial review of certain trade policies and the potential consequences of court decisions on challenges to such policies, including tariffs imposed by executive order, could result in

additional changes to, or reversal of, such trade policies and practices. Changes in U.S. trade policy or in laws and policies governing foreign trade, and any resulting negative sentiments towards the United States as a result of such changes, could have an adverse impact on our business, financial position, results of operations, and liquidity.

Business and Operational Risk Factors

The loss of customers could have an adverse effect on us. Although we provide services to a diverse portfolio of end markets and have long-standing relationships with many of our significant customers, our customers may unilaterally reduce, fail to renew, or terminate their contracts with us at any time. A loss of business from a significant customer, or a number of significant customers, could have a material adverse effect on our business, financial position, and results of operations.

Our industry is highly competitive. Our industry is served by numerous small, owner-operated private companies, a few public companies, and several large regional companies. In addition, relatively few barriers exist to prevent entry into most of the industries in which we operate. As a result, any organization that has adequate financial resources, and access to technical expertise, may become a competitor. Competition in our industry depends on numerous factors, including price. Certain of our competitors have lower overhead cost structures and, therefore, are able to provide their services at lower rates than we are currently able to provide. Our project and service work is frequently awarded through a competitive bidding process, which is standard in our industry. We are constantly competing for contracts based on pricing, schedule, and technical expertise. Competition can place downward pressure on our contract prices and profit margins, which may make it difficult to win the project or force us to accept contractual terms and conditions that are less favorable to us, thereby increasing the risk that, among other things, we may not realize profit margins at the same rates we have seen in the past or may become responsible for costs or other liabilities we have not incurred in the past.

We cannot be certain that our competitors will not develop the expertise, experience, and resources necessary to provide services that are superior in quality, and lower in price, to ours. Similarly, we cannot be certain that we will be able to maintain or enhance our competitive position within our industries or maintain a customer base at current levels. We may also face competition from the in-house service organizations of existing or prospective customers, particularly with respect to building services. Many of our customers employ personnel who perform some of the same types of building services that we do. We cannot be certain that our existing or prospective customers will continue to outsource building services in the future. If we are unable to compete effectively, we may experience a loss of customers, reduced profitability, or both, which if significant, could have a material adverse effect on our business, financial condition, and results of operations. Refer also to “Business - Competition” in Item 1 of this Form 10-K.

We are a decentralized company which presents certain risks. While we believe decentralization has enhanced our growth and enabled us to remain responsive to opportunities and to our customers’ needs, it necessarily places significant control and decision-making powers in the hands of local management. This presents various risks, including the risk that we may be slower or less able to identify or react to external market conditions or problems affecting a key business than we would in a more centralized environment.

Our business may be affected by weather conditions. Adverse weather conditions, particularly during the winter season, could impact our construction services operations as those conditions affect our ability to safely and efficiently perform work outdoors in certain regions of the United States, adversely affecting the revenues and profitability of those operations. Unsafe outdoor air quality, such as that resulting from large wildfires in the United States or Canada, could have a similar adverse effect. However, the absence of snow in certain regions of the United States during the winter could also cause us to experience reduced revenues and profitability in our United States building services segment, as a portion of their revenues is generated from snow removal contracts. In addition, cooler than normal temperatures during the summer months could reduce the need for our services, particularly in our businesses that install or service air conditioning units, and result in reduced revenues and profitability during the period that such unseasonal weather conditions persist.

Our business may be affected by the work environment. We perform our work under a variety of conditions, including but not limited to, difficult terrain, challenging site conditions, busy urban centers where delivery of materials and availability of labor may be impacted, clean-room environments where strict procedures must be followed, and sites which contain harsh or hazardous conditions, especially at chemical plants, refineries, and other process facilities. Performing work under these conditions can increase the cost of such work or negatively affect efficiency and, therefore, our profitability.

Our dependence upon fixed price and similar contracts could adversely affect our business. We currently generate, and expect to continue to generate, a significant portion of our revenues from fixed price and similar contracts. We must estimate the total costs of a particular project to bid for fixed price, guaranteed maximum price, and similar contracts. Cost and scheduling estimates are based on a number of assumptions, including those about future economic conditions, commodity and other materials pricing, job-site productivity, cost and availability of labor, equipment, and materials, and supply chain efficiency, among other factors.

However, the actual cost of labor and materials, as well as the level of labor productivity achieved, may vary from our original estimates, something which we have experienced and may continue to experience due to inflationary pressures, supply chain challenges, labor market tightness, and elevated interest rates. These risks, inherent in the execution of projects subject to fixed price, guaranteed maximum price, and similar contracts, may cause actual gross profits from projects to differ from those we originally estimated and could result in reduced profitability or losses on projects. Depending upon the size of a particular project, variations from the estimated contract costs can have a significant impact on our operating results for any fiscal quarter or year.

We could incur additional costs to cover certain guarantees or other contractual requirements. In some instances, we guarantee completion of a project by a specific date or for a maximum price. In addition, certain of our contractual arrangements guarantee the achievement of agreed upon cost savings, certain performance standards, or a certain standard of quality. For other arrangements, including those within our government services operations, the terms of our contracts may include provisions which require us to achieve certain minority participation or small or disadvantaged business "set-aside" goals. If we subsequently fail to meet such guarantees, or comply with such provisions, we may be held responsible for costs resulting from such failures, including payment of penalties or liquidated or other damages. To the extent that any of these events occur, the total costs of a project could exceed the original estimated costs, and we would experience reduced profits or, in some cases, a loss.

Many of our contracts, especially our building and industrial services contracts, may be canceled or delayed on short notice, and we may be unsuccessful in replacing such contracts if they are canceled or as they are completed or expire. For example, in recent years, our building services operations were unsuccessful in retaining certain contracts upon rebid and our industrial services operations were adversely impacted by the deferral or delay of several projects. We could experience a decrease in revenues, net income, and liquidity if any of the following occur:

- customers cancel a significant number of contracts or delay services or projects;
- we fail to win a significant number of our existing contracts upon re-bid;
- we complete a significant number of non-recurring projects and cannot replace them with similar projects; or
- we fail to reduce operating and overhead expenses consistent with any decrease in our revenues.

Uncertainty surrounding the timing of contract awards, or project cancellations or delays, can also present difficulties in matching our workforce size with contract needs. In some cases, in anticipation of contract awards, we maintain and bear the cost of a ready workforce that is larger than necessary under our existing contract portfolio. When a contract is canceled or delayed, or an anticipated contract award is not received, it may result in lower profitability as a result of labor under-utilization, or additional costs resulting from reductions in staff, which could have a material adverse effect on our business, financial condition, and results of operations.

We may be unsuccessful in generating internal growth. Our ability to generate internal growth will be affected by, among other factors, our ability to:

- expand the range of services offered to customers to address their evolving needs;
- attract new customers; and
- retain and/or increase the number of projects performed for existing customers.

In addition, existing and potential customers may reduce the number or size of projects available to us because of general economic conditions or due to their inability to obtain capital or pay for services we provide. Many of the factors affecting our ability to generate internal growth are beyond our control, and we cannot be certain that our strategies will be successful or that we will be able to generate cash flow sufficient to fund our operations and to support internal growth. If we are not successful, we may not be able to achieve internal growth, expand operations, or grow our business.

Fluctuating foreign currency exchange rates could impact our financial results. Until the sale of our United Kingdom operations on December 1, 2025, which in 2025 accounted for approximately 3% of our revenues, our reported financial position and results of operations were exposed to the effects (both positive and negative) that fluctuating exchange rates had on the process of translating the financial statements of our United Kingdom operations, which were denominated in the British pound, into the U.S. dollar. The factors that impact exchange rate fluctuation, including macroeconomic and geopolitical conditions, are outside of our control.

As part of our risk management strategy, we are effectively self-insured against certain potential liabilities. Although we maintain insurance policies with respect to a broad range of risks, including automobile liability, general liability, workers' compensation, and property damage, these policies do not cover all possible claims and certain of the policies are subject to large deductibles and retentions. In addition, we maintain a wholly-owned captive insurance subsidiary to manage certain of our insurance liabilities. Accordingly, we are effectively self-insured for a substantial number of actual and potential claims.

Further, if any of our insurance carriers defaulted on its obligations to provide insurance coverage by reason of its insolvency or for other reasons, our exposure to claims would increase and our profits would be adversely affected. Our estimates for unpaid claims and expenses are based on known facts, historical trends, and industry averages, utilizing the assistance of an independent third-party actuary. The determination of such estimated liabilities and their appropriateness are reviewed and updated at least quarterly. However, these liabilities are difficult to assess and estimate due to many relevant factors, the effects of which are often unknown, including the severity of an injury or damage, the determination of liability in proportion to other parties, the timeliness of reported claims, the effectiveness of our risk management and safety programs, denial of coverage by our insurance carriers, and the terms and conditions of our insurance policies and/or customer contracts. Our accruals are based upon known facts, historical trends and our reasonable estimate of future expenses, and we believe such accruals are adequate. However, unknown or changing trends, risks, or circumstances, such as increases in claims, a weakening economy, increases in medical costs, changes in case law or legislation, or changes in the nature of the work we perform, could render our current estimates and accruals inadequate. In such case, adjustments may be required to increase our insurance liabilities in the period that the experience becomes known.

External market conditions, including catastrophic losses resulting from an increase in severe weather events, among other factors, have resulted in an insurance market that is characterized by higher premiums, diminished capacity, and more conservative underwriting. If these market conditions persist, or if we experience an increase in the number or severity of claims incurred, insurance carriers may be unwilling, in the future, to provide our current levels of coverage without a significant increase in insurance premiums, self-insured retention limits, or collateral requirements to cover our obligations to them. Increased collateral requirements may be in the form of additional letters of credit, surety bonds, and/or cash, and an increase in collateral requirements could significantly reduce our liquidity. If insurance premiums or self-insured retention limits increase, and/or if insurance claims are higher than our estimates, our profitability could be adversely affected.

Failure to provide our services in accordance with professional standards or contractual requirements could expose us to significant monetary damages. Our services often involve professional judgments regarding the planning, design, development, construction, or operations and management of complex facilities. Although we have adopted a range of insurance, risk management, and risk avoidance programs designed to reduce potential liabilities, a catastrophic event at one of our project sites or a completed project, resulting from the services we have performed, could result in significant professional, product, and/or personal injury liability, as well as warranty or other claims against us and reputational harm. These liabilities could exceed our insurance limits or impact our ability to obtain insurance in the future. Further, even where insurance coverage applies, such policies have limits and deductibles or retentions, which could result in our assumption of exposure for certain amounts with respect to any claim filed against us. In addition, customers or subcontractors who have agreed to indemnify us against any such liabilities or losses might refuse or be unable to uphold their obligations to us, or we may be liable to our customers based on the terms of our contracts, which may require us to provide indemnification to them. An uninsured claim, either in part or in whole, as well as any claim covered by insurance but subject to a policy limit, high deductible/retention, or the denial of coverage by an insurance carrier, could have a material adverse effect on our business, financial condition, and results of operations.

Our business strategy relies, in part, on acquisitions to sustain our growth, and these transactions present certain risks and uncertainties. As part of our growth strategy, we acquire companies that expand, complement, and/or diversify our businesses. However, there is no guarantee that we will be successful in identifying targets that meet our requirements for acquisition. We may also face increased competition from other potential acquirers, including those who may have greater financial resources available to them or who may be in a position to offer more favorable terms to the target company. This competition may limit our ability to pursue acquisition opportunities. Additionally, circumstances beyond our control, such as elevated interest rates, inflation and potential macroeconomic disruptions, may hinder our ability to pursue and complete acquisitions. Further, realization of the anticipated benefits of an acquisition, such as our acquisition of Miller Electric Company, and avoiding or mitigating the potential risks associated with an acquisition, will depend, among other things, upon our ability to: (a) effectively conduct due diligence to identify and mitigate potential issues at companies we propose to acquire, (b) recognize incompatibilities or other obstacles to the successful integration of the acquired business with our other operations, and (c) gain greater efficiencies and scale that will translate into reduced costs or anticipated synergies in a timely manner. However, there can be no assurance that an acquisition we may make in the future will provide the benefits anticipated when entering into the transaction. Acquisitions we have completed, and future acquisitions we may make, could expose us to operational challenges and risks, including the diversion of management's attention from our existing businesses, the failure to retain key personnel or customers of the acquired business, and the assumption of unknown liabilities of the acquired business for which there are inadequate reserves. While the former owners of an acquired company may agree as part of our purchase agreements to indemnify us against certain historical liabilities of the target company, such indemnification may be subject to time limits, deductibles, caps and exclusions, and such former owners might be unable or unwilling to uphold those obligations to us. Our ability to sustain our growth and maintain our competitive position may be affected by our ability to identify and acquire desirable businesses and successfully integrate any acquired business.

In addition, while we work to rapidly implement or maintain internal controls and financial reporting standards and procedures in the businesses we acquire, including integrating such acquired businesses into our consolidated financial reporting systems and controls, we cannot be certain that such implementation and integration will be quickly and effectively completed. Our internal control processes and procedures with respect to such businesses may need to be adjusted or enhanced in order to ensure that such businesses are in compliance with the regulations we are subject to as well as our internal policies and standards. Such changes could result in significant additional costs to us and could require the diversion of management's attention from our existing businesses or other strategic initiatives.

Amounts included in our remaining performance obligations may not result in actual revenues or translate into profits. Many contracts are subject to cancellation or suspension on short notice at the discretion of the client, and the contracts in our remaining performance obligations are subject to changes in the scope of services to be provided as well as adjustments to the costs relating to the contract. The risk of contracts included in our remaining performance obligations being delayed or canceled generally increases during economic slowdowns, periods of restrictive credit markets, or in response to significant fluctuations in commodity prices. Accordingly, revenue from remaining performance obligations may not be realized. If our remaining performance obligations fail to materialize, we could experience a decline in profitability, which could result in a deterioration of our financial position and liquidity.

We recognize revenue for the majority of our construction projects based on estimates; therefore, variations of actual results from our assumptions may reduce our profitability. As discussed in further detail in the "Critical Accounting Policies and Estimates" section included in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations, revenue is recognized as performance obligations are satisfied and earnings or losses recognized on individual contracts are based on estimates of contract price, costs, and profitability. Changes in estimates of transaction prices as well as estimated costs are recognized on a cumulative catch-up basis in the period in which the revisions to the estimates are made. Consequently, changes in estimates, or variations of actual results from previous projections, on an unusually large project, or on a number of average size projects, could be material and could have an adverse impact on our financial condition, results of operations, and cash flows.

We are increasingly dependent on sophisticated information technology systems; our business and results of operations are subject to adverse impacts due to the disruption, failure, or breaches of these systems. We and our customers and third-party providers rely on information technology systems, hardware, and software, including third-party "cloud based" systems, to run critical accounting, project management, and financial information systems. We rely upon security measures, systems redundancy, and third-party products and services to attempt to secure our information technology systems and the confidential, proprietary, and sensitive information they contain. However, our information technology systems and data, and that of our customers and third-party providers, are subject to cybersecurity incidents, such as hacking, computer viruses or other malicious or destructive software, ransomware, denial of service attacks, malicious social engineering and other intrusions, encryption, erasure, failure, and damage by individuals (which may include our and our third-party providers' employees), groups or nation states or state-sponsored threats. Such cybersecurity incidents could result in operational disruption and information misappropriation, such as theft of intellectual property or inappropriate disclosure of customer data or confidential, sensitive, or personal information, or in reputational harm with customers. While we maintain insurance coverage for these types of cybersecurity incidents, such policies may not completely provide coverage for, or completely offset, the costs associated with such incidents, including losses from delays in our ability to provide services to our customers, reputational harm, or the costs to improve security against future similar threats. We are continuously developing and enhancing our controls, processes, and practices designed to protect our systems, computers, software, data, and networks from attack, damage, or unauthorized access. This continued development and enhancement requires us to expend additional resources. However, we may not anticipate or combat all types of potential disruptions or breaches. Threats are continually evolving and threat actors may adopt new or different means of breaching our information technology systems and data, including the potential use of AI tools to engage in automated, targeted, and coordinated attacks. As cybersecurity threats become more sophisticated and difficult to detect, our ability to promptly prevent, detect and mitigate the effects of cybersecurity incidents may be impacted, potentially resulting in more material adverse effects. As such threats increase in frequency and sophistication, we could be required to expend additional capital and other resources, including costs to deploy additional personnel and protection technologies, train employees, and engage third-party experts and consultants. Additionally, as many of our employees use our information technology systems to collaborate with colleagues in different geographic locations and access our systems and those of our customers remotely, we and our customers may be subject to heightened security risks, including the risks of cyber-attacks.

For additional information on our strategy and processes for assessing, identifying, and managing the risks posed by cybersecurity threats, and the management and oversight of such efforts, refer to Part I, Item 1C. Cybersecurity.

The proper functioning of our information technology systems could also be impacted by other causes and circumstances beyond our control, including malware embedded in third-party applications, the decision by software vendors to discontinue further development, integration, or long-term software maintenance support for our information systems, or hardware interruption, damage or disruption as a result of power outages, natural disasters, or computer network failures. Errors or other defects in the design or implementation of hardware or software applications by our employees or third-party providers could also disrupt our networks, information systems or data. System redundancy may be ineffective or inadequate, and the Company's disaster recovery and business continuity planning may not be sufficient to address all potential cybersecurity incidents or other disruptions. We may also utilize new information technology tools, including AI tools, in certain business functions, and such tools could be subject to malfunction, security vulnerabilities, or algorithmic flaws (including AI generation of false or biased information). Unsettled regulations and case law regarding the ownership of intellectual property generated or used by AI could also expose us to claims of copyright or license infringement or other liability resulting from our use of such tools. Key business processes are subject to interruption to the extent that our information technology systems, or those of our customers or third-party providers, are disabled for a long period of time. Such operational disruptions and/or misappropriation or inappropriate disclosure of information could result in lost or reduced revenues, negative publicity, loss of customers or contracts, or business delays that could have a material adverse effect on our business, financial position, and results of operations.

In addition, laws and regulations governing data privacy and the unauthorized disclosure of confidential information, including the California Consumer Privacy Act, the California Privacy Rights Act, state biometric laws, and other emerging U.S. state privacy laws pose increasingly complex compliance challenges and could potentially elevate our compliance costs. Any failure to comply with these laws and regulations, or an exposure or exfiltration of information covered by such laws and regulations, including, without limitation, in connection with a cybersecurity incident, could have a negative impact on our reputation or result in significant penalties and legal liability. Increased costs in this area could adversely impact our financial condition, results of operations, and cash flow.

Financial Risk Factors

A material portion of our business depends on our ability to provide surety bonds. We may be unable to compete for or work on certain projects if we are not able to obtain the necessary surety bonds. Our construction contracts frequently require that we obtain from surety companies, and provide to our customers, payment and performance bonds as a condition to the award of such contracts. Such surety bonds secure our payment and performance obligations. Under standard terms in the surety market, surety companies issue bonds on a project-by-project basis and can decline to issue bonds at any time or require the posting of collateral as a condition to issuing any bonds. Current or future market conditions, as well as changes in our sureties' assessment of our or their own operating and financial risk, could cause our surety companies to decline to issue, or substantially reduce the amount of, bonds for our work or to increase our bonding costs. These actions can be taken on short notice. If our surety companies were to limit or eliminate our access to bonding, our alternatives would include seeking bonding capacity from other surety companies, increasing business with clients that do not require bonds, or posting other forms of collateral for project performance, such as letters of credit, parent company guarantees, or cash. However, we may be unable to secure these alternatives in a timely manner, on acceptable terms, or at all. Accordingly, if we were to experience an interruption or reduction in the availability of bonding, we may be unable to compete for or work on certain projects. Increases in the costs of surety bonds could also adversely impact our profitability.

Our results of operations could be adversely affected as a result of goodwill and identifiable intangible asset impairments. When we acquire a business, we record an asset called "goodwill" equal to the excess of the consideration transferred over the fair value of the net tangible and identifiable intangible assets acquired. Goodwill and indefinite-lived intangible assets are not amortized but instead evaluated for impairment annually, or more frequently if events or circumstances indicate that the carrying amount of the asset may be impaired. Impairment may result from a deterioration in macroeconomic conditions, declining financial performance, deterioration in the operational environment, or changes in the manner in which acquired assets are used. Significant judgment is required in determining whether goodwill and indefinite-lived intangible assets are impaired and assumptions utilized for purposes of our impairment testing may change in future periods. Our estimates and assumptions could prove to be inaccurate predictions of the future. Significant adverse changes to external market conditions or our internal forecasts, if any, could result in future impairment charges. It is not possible at this time to determine if any future impairment charge will result or, if it does, whether such a charge would be material to our results of operations. For further discussion of our impairment testing, see Note 8 - Goodwill, Identifiable Intangible Assets, and Other Long-Lived Assets of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

Failure to maintain effective internal controls over financial reporting could adversely impact our ability to timely and accurately report financial results and comply with our reporting obligations, which could materially affect our business. Regardless of how internal financial reporting control systems are designed, implemented, and enforced, they cannot ensure with absolute certainty that our policy objectives will be met in every instance.

Because of the inherent limitations of all such systems, our internal controls over financial reporting may not always prevent or detect misstatements. Failure to maintain effective internal control over financial reporting could adversely affect our ability to accurately and timely report financial results, to prevent or detect fraud, or to comply with the requirements of the SEC or the Sarbanes-Oxley Act of 2002, which could necessitate a restatement of our financial statements, and/or result in an investigation, or the imposition of sanctions, by regulators. Such failure could additionally expose us to litigation and/or reputational harm, impair our ability to obtain financing, or increase the cost of any financing we obtain. All of these impacts could adversely affect the price of our common stock and our business overall.

Legal and Regulatory Risk Factors

We are subject to many laws and regulations in the jurisdictions in which we operate; changes to such laws and regulations may result in additional costs and impact our operations. We are committed to upholding the highest standards of corporate governance and legal and ethical compliance. We are subject to many laws and regulations, including various laws and regulations that apply specifically to U.S. public companies. These include the rules and regulations of the New York Stock Exchange, the Sarbanes-Oxley Act of 2002, and the Dodd-Frank Wall Street Reform and Consumer Protection Act, as well as the various regulations, standards, and guidance put forth by the SEC and other federal and state governmental agencies to implement and enforce those laws. New laws, rules, and regulations, or changes to existing laws or their interpretations, could create added legal and compliance costs and uncertainty for us. Our efforts to comply with evolving laws, regulations, and reporting standards may increase our general and administrative expenses, divert management time and attention, or limit our operational flexibility, all of which could have a material adverse effect on our business, financial position, and results of operations. Many of our non-public competitors are not subject to these laws and regulations and the related costs and expenses of compliance.

Our failure to comply with environmental laws could result in significant liabilities. Our operations are subject to various laws, including environmental laws and regulations, among which many deal with the handling and disposal of hazardous or universal waste products, polychlorinated biphenyls, per- and polyfluoroalkyl substances, and fuel storage. A violation of such laws and regulations, or a release of or exposure to such substances, including mold, lead paint, and asbestos, has and may in the future, expose us to various claims, including claims by third parties, as well as remediation costs and fines. We own and lease many facilities. Some of these facilities contain hazardous materials, such as asbestos, and fuel storage tanks, which may be above or below ground. If there is a release of such hazardous materials, or these tanks were to leak, we could be responsible for the cost of remediation as well as potential fines. As a part of our business, we also install fuel storage tanks and are sometimes required to deal with hazardous materials, all of which may expose us to environmental liability. In addition, some of our operations, particularly those servicing oil and natural gas refineries, are subject to the risk of accidental release of hazardous materials that have in the past and have the potential to result in injuries or fatalities involving our employees or third parties, property damage, or environmental contamination. If our personnel cause or are alleged to have caused any such release, it may result in claims for indemnification under our contracts with customers, claims from third-parties or local communities impacted by such release, or investigations or regulatory action by federal, state or local environmental, occupational, health and safety or other authorities. These risks could result in a material adverse effect on our business, operating results, financial position, and cash flows, and in some cases, on our reputation or our ability to obtain projects from customers.

New laws and regulations, stricter enforcement of existing laws and regulations, the discovery of previously unknown contamination or leaks, exposure to or the release of materials subsequently identified as hazardous by a governmental authority, the imposition of new clean-up requirements, or the exposure of our employees or other contractors to hazardous materials, could require us to incur significant costs or become the basis for new or increased liabilities that could harm our financial position and results of operations, although certain of these costs might be covered by insurance. In some instances, we have obtained indemnification or covenants from third parties (including predecessors or lessors) for such clean-up and other obligations and liabilities, and we believe such indemnities and covenants are adequate to cover such obligations and liabilities. However, such third-party indemnities or covenants may not cover all of such costs or third-party indemnitors may default on their obligations. In addition, unanticipated obligations or liabilities, or future obligations and liabilities, may have a material adverse effect on our business operations. Further, we cannot be certain that we will be able to identify, or be indemnified for, all potential environmental liabilities relating to any acquired business. See Note 15 - Commitments and Contingencies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data, for more information regarding any significant legal proceedings in which we are involved.

Adverse resolution of litigation and other legal and regulatory proceedings may harm our operating results or financial position. From time to time, we are a party to lawsuits and other legal proceedings, most of which occur in the normal course of our business. These actions and proceedings may involve actual or threatened claims by customers, employees, or other third parties for, among other things, compensation or indemnification for alleged personal injury, workers' compensation, employment discrimination, breach of contract, property damage, or other general commercial disputes.

In addition, we have been, and may in the future be, subject to class action claims alleging violations of the Fair Labor Standards Act and state wage and hour laws. Litigation and other legal proceedings can be expensive, lengthy, and disruptive to normal business operations, and their outcome is inherently uncertain and difficult to accurately predict or quantify. In addition, plaintiffs in many types of actions may seek punitive damages, civil penalties, consequential damages or other losses, or injunctive or declaratory relief. An unfavorable resolution of a particular legal proceeding or claim, whether through a settlement, mediation, court judgment, or otherwise, could have a material adverse effect on our business, operating results, financial position, and cash flows, and in some cases, on our reputation or our ability to obtain projects from customers, including governmental entities. See Note 15 - Commitments and Contingencies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data, for more information regarding any significant legal proceedings in which we are involved.

We may incur liabilities or suffer negative financial impacts relating to occupational, health, and safety matters. Our operations are subject to extensive laws and regulations relating to the maintenance of safe conditions in the workplace. While we have invested, and will continue to invest, substantial resources in our robust occupational, health, and safety programs, many of our businesses involve a high degree of operational risk, and there can be no assurance that we will avoid significant exposure. These hazards can cause personal injury and loss of life, severe damage to or destruction of property and equipment, and other consequential damages, and could lead to suspension of operations, large damage claims, an increase in employee turnover, and, in extreme cases, criminal liability. Any of the foregoing could result in financial losses or reputational harm, which could have a material adverse impact on our business, financial condition, and results of operations.

Our customers seek to minimize safety risks on their sites and they frequently review the safety records of contractors during the bidding process. Accordingly, if our safety record were to substantially deteriorate over time, we might become ineligible to bid on certain work and our customers could cancel our contracts and/or not award us future business.

Our failure to comply with anti-bribery statutes, such as the Foreign Corrupt Practices Act, or sanction regulations, could result in fines, criminal penalties, and other sanctions that could have an adverse effect on our business. The U.S. Foreign Corrupt Practices Act (the "FCPA"), and similar anti-bribery laws in other jurisdictions, generally prohibit companies and their intermediaries from making improper payments to foreign officials for the purpose of obtaining or retaining business or securing an improper advantage. In addition, sanctions against foreign persons and entities have increased in recent years, especially in connection with the war in Ukraine and ongoing trade and diplomatic disputes between the U.S. and China. Our policies require that all of our employees, subcontractors, vendors, and agents worldwide must comply with applicable anti-bribery and sanction laws. However, there is no assurance that our policies and procedures to ensure compliance with the FCPA and similar anti-bribery and sanction laws will eliminate the possibility of liability under such laws for actions taken by our employees, agents, and intermediaries. If we were found to be liable for violations under the FCPA, or similar anti-bribery or sanction laws, either due to our own acts or omissions or due to the acts or omissions of others, we could incur substantial legal expenses and suffer civil and criminal penalties, which could have a material adverse effect on our business, financial condition, and results of operations, as well as our reputation. In addition, whether or not such expenses, penalties, or sanctions are actually incurred, the actual or alleged violation of the FCPA, or any similar anti-bribery or sanction laws, could have a negative impact on our reputation.

Opportunities within the government sector could lead to increased governmental rules and regulations applicable to us. When we perform work as a federal government contractor/subcontractor, or if we perform work on a project that has received federal government funding, we are subject to a number of procurement rules and other regulations, any deemed violation of which could lead to fines or penalties or a loss of business. Government agencies routinely audit and investigate government contractors. Government agencies may review a contractor's performance under its contracts, cost structure, and compliance with applicable laws, regulations, and standards. If government agencies determine through these audits or reviews that costs are improperly allocated to specific contracts, they will not reimburse the contractor for those costs or may require the contractor to refund previously reimbursed costs. If government agencies determine that we are engaged in improper activity, or if we are found to have violated laws or regulations, we may be subject to civil and criminal penalties and debarment or suspension from doing business with the government. Government contracts are also subject to renegotiation of terms by the government, termination by the government prior to the expiration of the term, and non-renewal by the government.

Human Capital and Labor Risk Factors

The departure, loss or incapacitation of key personnel could disrupt our business. We depend on the continued efforts of our senior management and other key employees. The departure or loss of key personnel, including as a result of illness or other incapacitation, or the inability to hire and retain qualified executives, could negatively impact our ability to manage our business, successfully execute for our customers or sustain valuable customer relationships. While we have established and regularly review management succession plans, the inadequacy of any such succession plans in addressing a particular loss or our failure to successfully implement such succession plans may adversely affect our business.

We may be unable to attract and retain skilled employees. Our ability to grow and maintain productivity and profitability will be limited by our ability to employ, train, and retain skilled personnel necessary to meet our requirements. We are dependent upon a workforce of approximately 44,000 employees, including our project managers and field supervisors who are responsible for managing our projects, and there can be no assurance that any individual will continue in his or her capacity for any particular period of time. The loss of such qualified employees could have an adverse effect on our business. We cannot be certain that we will be able to maintain an adequate skilled labor force necessary to operate efficiently and to support our business strategy or that labor expenses will not increase as a result of a shortage in the supply of these skilled personnel. We also rely on third-party subcontractors to complete portions of some of our projects and those subcontractors are subject to the same challenges and uncertainty in employing, training and retaining an adequate qualified labor force to meet our needs.

The availability and costs to adequately train and maintain a skilled labor force could be impacted by factors we cannot control, including changes in the unemployment rate, prevailing wage rates, benefit costs, potential labor force disruptions, and competition for labor from our competitors in the markets we serve. Labor shortages or increased labor costs, such as those experienced in recent years, could impair our ability to provide services to our customers (or the ability of third-party subcontractors to provide services to us), maintain our business, or grow our revenues. Federal or state regulations, which seek to prohibit non-competition agreements with employees may also impact our ability to retain key employees by reducing barriers to individuals with such agreements leaving to work for our competitors.

Our unionized workforce could adversely affect our operations; our participation in many multiemployer pension plans could result in substantial liabilities being incurred. As of December 31, 2025, approximately 62% of our employees were covered by collective bargaining agreements. However, only two of our collective bargaining agreements are national or regional in scope, and not all of our collective bargaining agreements expire at the same time. Although the majority of these agreements prohibit strikes and work stoppages, we cannot be certain that strikes or work stoppages will not occur in the future. Strikes or work stoppages likely would adversely impact our relationships with our customers and could have a material adverse effect on our financial position, results of operations, and cash flows.

We contribute to approximately 200 multiemployer pension plans. Under the Employee Retirement Income Security Act, we may become liable for our proportionate share of a multiemployer pension plan's underfunding if we cease to contribute to that pension plan or significantly reduce the employees in respect of which we make contributions to that pension plan. Our potential liability for unfunded liabilities could be material. See Note 14 - Retirement Plans of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for additional information regarding multiemployer pension plans.

Risk Factors Related to the Ownership of our Common Stock

Certain provisions of our corporate governance documents could make an acquisition of us, or a substantial interest in us, more difficult. The following provisions of our certificate of incorporation and by-laws, as currently in effect, as well as Delaware law, could discourage potential proposals to acquire us, delay or prevent a change in control of us, or limit the price that investors may be willing to pay in the future for shares of our common stock:

- our certificate of incorporation permits our board of directors to issue "blank check" preferred stock and to adopt amendments to our by-laws;
- our by-laws contain restrictions regarding the right of our stockholders to nominate directors and to submit proposals to be considered at stockholder meetings;
- our certificate of incorporation and by-laws limit the right of our stockholders to call a special meeting of stockholders and to act by written consent; and
- we are subject to provisions of Delaware law, which prohibit us from engaging in any of a broad range of business transactions with an "interested stockholder" for a period of three years following the date such stockholder becomes classified as an interested stockholder.

Climate Change Related Risk Factors

Climate change and related environmental issues could have a material adverse impact on our business, financial condition, and results of operations. Climate change related events, such as increased frequency and severity of storms, floods, wildfires, droughts, hurricanes, freezing conditions, and other natural disasters, may have an adverse impact on our business, financial condition, and results of operation. While we have invested in programs to mitigate the risk that these events disrupt our ability to serve our customers, and also maintain insurance coverage to offset the costs which could result, these events pose inherent risks regardless of where or how we conduct our business. For example, severe weather or a catastrophic natural disaster could negatively impact our and our customers' offices, facilities, or job sites. Access to clean water and reliable energy where we conduct our business is also critical to our operations.

Accordingly, severe weather events or natural disasters have the potential to disrupt our and our customers' businesses and may cause us to experience work stoppages, project delays or cancellations, financial losses, and additional costs to resume operations, in addition to potential adverse impacts on the health and safety of our workforce and their ability to work or travel. Further, climate change poses direct physical risks to infrastructure across the market sectors we serve, both as a result of chronic environmental changes, such as rising sea levels and temperatures, as well as acute events, such as hurricanes, droughts, and wildfires. These impacts, and the costs to address them, could result in fewer resources for strategic investment by our customers, which could result in a decrease in demand for certain of our services. Any of these events could have a material adverse impact on our business, financial condition, and results of operations.

We may be affected by market or regulatory responses to climate change. Public concern about climate change has, at times, resulted in the increased focus of local, state, regional, national, and international regulatory bodies on greenhouse gas ("GHG") emissions and climate change issues. Legislation to regulate GHG emissions has periodically been introduced in the U.S. Congress, and there has been a wide-ranging policy debate, both in the United States and internationally, regarding the impact of these gases and possible means for their regulation. Several states in the United States have proposed or adopted laws that require reporting of GHG emissions, or that a percentage of our fleet be comprised of electric vehicles. Such laws or regulations enacted by the federal government or state and local governments or agencies, and/or any international agreements to which the United States may become a party that control or limit GHG emissions or otherwise seek to address climate change, could result in increased compliance costs for us and our clients or have other impacts on our clients, including those who are involved in the exploration, production, or refining of fossil fuels, or who emit greenhouse gases through the combustion of fossil fuels or through the mining, manufacture, utilization, or production of materials or goods. Such policy changes could increase the costs of projects for our clients or, in some cases, prevent a project from going forward, thereby potentially reducing the need for certain of our services, which could in turn have a material adverse effect on our business, financial condition, and results of operations. In addition, compliance with legislation requiring us to increase the mix of electric vehicles within our fleet will be difficult as the electric vehicles currently available do not meet our fleet requirements. However, policy changes and climate legislation could also increase the overall demand for our services as our clients and partners work to comply with these policies, such as by decarbonizing their industries, transitioning from fossil fuels to renewable energy sources, reducing their energy consumption, and developing integrated and sustainable solutions, all of which could have a positive impact on our business. We cannot predict with certainty what the effect of such regulation may be on us or our customers.

In addition, in March 2024, the SEC finalized new rules that would require significant climate-related disclosures by public companies, including evaluation and disclosure of material climate-related risks and opportunities, GHG emissions inventory, climate-related targets and goals, and financial impacts of physical and transition risks. While these rules are currently stayed pending legal challenges, and are not supported under the current administration, it is not certain whether they, or similar future rules, will go into effect. Other legislation, including certain state laws, have been passed that would require similar climate-related disclosure. To the extent that such new rules become effective, our legal, accounting, and other compliance expenses may increase and may divert management time and attention. We may also be exposed to legal or regulatory action or claims as a result of these new regulations. All of these risks could have a material adverse effect on our business, financial position, and/or stock price.

We may be unable to achieve our current or future climate commitments and targets, or we may incur substantial costs in meeting such targets. To help mitigate the impacts of GHG emissions on climate change, EMCOR has established initial carbon-based fuel consumption and GHG emission reduction targets. However, achievement of such targets, or similar targets that may be established in the future, is subject to risks and uncertainties, many of which are outside of our control. These risks and uncertainties include, but are not limited to: (a) our ability to execute our operational strategies and achieve our goals within the currently projected costs and the expected timeframes; (b) the availability and cost of alternative fuels, electrical charging infrastructure, off-site renewable energy, and other materials and components; (c) unforeseen design, operational, and technological difficulties; (d) the outcome of research efforts and future technology developments, including alternate or more fuel efficient vehicles for our fleet, such as hybrid or electric vehicles, the availability and prices of which have been and may in the future be impacted by the rescission of electric vehicle tax credits, tariffs imposed on the import of vehicles to the United States, and other disruptions to the global supply of vehicles generally; (e) regulations and requirements that restrict or prohibit our ability to impose requirements on third-party contractors; (f) an acquisition of or merger with another company that has not adopted similar targets and goals or whose progress towards reaching its goals is not as advanced as ours; and (g) exogenous macroeconomic or supply chain shocks, which could result in fluctuations in our fuel consumption and GHG emissions in a given period. In addition, we could be required to expend amounts in future periods as we continue to work towards achieving our targets, which may have a material effect on our business, financial condition, results of operations, or liquidity.

General Risk Factors

Public health emergencies, epidemics, or pandemics impact our business. The global spread of COVID-19, and the responses of governments, businesses, and individuals to combat it, caused significant volatility, uncertainty, and economic disruption, which adversely impacted our operations and those of our customers. A new public health emergency, such as an epidemic or pandemic, could lead to similar impacts. Government authorities have at various times recommended or imposed certain social distancing, quarantine, and isolation measures to varying degrees, with many such measures impacting large portions of the population, including limitations on travel and mandatory cessation of certain business activities. Both the outbreak and the containment and mitigation measures resulted in serious adverse impacts on the economy, and it is possible that such measures could return for future public health emergencies. The impact to our business and operations in another public health emergency will depend in part on the severity and duration of those measures and the extent and pace of economic recovery, which are difficult to predict.

Terrorist attacks, wars, conflicts, and other catastrophic events could disrupt our operations and services. Acts of terrorism, war, conflicts, and other catastrophic events, and the actions taken by the United States and/or other governments or actors in response to such events, may result in property damage, supply disruption, or economic dislocations throughout the country. Although it is not possible to predict such events or their consequences, these events could increase the volatility of our financial results due to decreased demand and unforeseen costs, with partial or no corresponding compensation from clients.

ITEM 1B. UNRESOLVED STAFF COMMENTS

None.

ITEM 1C. CYBERSECURITY

Board Risk Oversight. Our Board of Directors (the "Board") oversees our policies, procedures, and processes related to risk management, including assessing, identifying, and managing risks from cybersecurity threats. This oversight is performed primarily through the Audit Committee. The Board has delegated to the Audit Committee responsibility for reviewing, with management, the guidelines and policies with respect to: (a) risk assessment and risk management, (b) our major risk exposures, and (c) the steps management has taken to monitor and control such exposures.

The Audit Committee receives periodic reports relating to risk assessment and risk management, including cybersecurity threats, from our senior management, including our Chief Executive Officer, Chief Financial Officer, General Counsel, Chief Information Security Officer, the head of our Internal Audit Department, and our Vice President of Risk Management. A cybersecurity update is provided to the Audit Committee at least quarterly. Members of our Audit Committee, and certain of our executive officers, including our Chief Executive Officer, General Counsel, and Chief Information Security Officer, are participants in IANS, an industry leading cybersecurity education platform.

Governance, Risk Management, and Strategy. As part of our overall risk management process, we have established a cybersecurity program and dedicated teams to manage and assess material risks from cybersecurity threats, direct the policies and procedures in place to protect our information systems, and respond to cybersecurity incidents if they occur. These teams and committees, which additionally monitor the prevention, detection, and remediation of cybersecurity incidents, include the following:

- Our Cybersecurity Executive Council, which is comprised of executive leadership, including our Chief Executive Officer, General Counsel, Chief Information Security Officer, and senior leaders from our segments and key operating companies. The Cybersecurity Executive Council is responsible for reviewing policies and procedures related to cybersecurity and our cybersecurity program. Such policies and procedures, as well as our cybersecurity program generally, are discussed with the Board.
- Our Cybersecurity Compliance Committee, which is made up of key cybersecurity and information technology personnel at the segment and operating company levels, receives regular updates and training with respect to cybersecurity in order to advise and assist management, including the Cybersecurity Executive Council, in implementing information systems security and incident response at our operating companies.

Our cybersecurity program is managed by our Chief Information Security Officer, who has more than 40 years of experience in information security, both in private industry and as an active-duty member of the United States Air Force. Such experience includes developing security practices, processes, and standards, leading security teams, managing incident response and implementing technologies to enhance security and compliance.

We have also implemented cybersecurity training. For example, key information technology and security personnel meet biweekly for training, updates on new cybersecurity threats, and implementation of new policies and all employees are required to undergo annual cybersecurity training, including email and password safety and phishing detection.

We engage third-party cybersecurity firms to support our in-house cybersecurity initiatives and provide additional expertise with respect to our cybersecurity programs. Such firms are overseen by our General Counsel and Chief Information Security Officer and provide the following services:

- On an annual basis, conduct external and internal penetration testing to evaluate the susceptibility of our information systems to cybersecurity threats and the effectiveness of our cybersecurity program;
- On a biennial basis, conduct a comprehensive "tabletop" exercise to evaluate our incident response policies and procedures and provide relevant experience for our employees tasked with executing such response; and
- On a biennial basis, conduct a cybersecurity assessment based on the National Institute of Standards and Technology's Cybersecurity Framework.

We have also established a process to evaluate third-party vendors and suppliers for cybersecurity risk and compliance with our security standards. As applicable, on an annual basis we review System and Organization Controls (SOC) 1 reports and similar reports or security controls questionnaires for all significant third-party vendors.

In addition to the efforts discussed above, we have developed and maintain an Incident Response Plan to establish a process for addressing cybersecurity incidents. The Incident Response Plan includes incident response teams in place at the corporate and operating company levels to respond to a potential cybersecurity incident, processes for internal and external reporting, and other procedures to facilitate response and coordination.

As of the date of this report, we have not experienced a cybersecurity incident that resulted in, or is reasonably likely to result in, a material effect on our business strategy, results of operations, or financial condition. Like other companies, we are the target of cyberattacks. In 2020, for example, we publicly announced that we were the target of a systems intrusion in which a third party infected certain of our systems with malware. Although we were able to resolve that matter without material impact, we cannot provide assurance that we will not be materially affected in the future by cybersecurity risks or any future material incidents. For more information, see Item 1A. Risk Factors, including the risk factor titled *"We are increasingly dependent on sophisticated information technology systems; our business and results of operations are subject to adverse impacts due to the disruption, failure, or breaches of these systems."*

ITEM 2. PROPERTIES

We own a limited number of facilities; however, the majority of our operations are conducted at leased properties, which are located throughout the United States. These properties consist of offices, warehouses, fabrication shops, and maintenance and cleaning facilities. We do not consider any one of these locations to be material to our operations. We believe that our facilities are well maintained, in good operating condition, and suitable for the purposes for which they are used.

See Note 16 - Leases of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for additional information regarding our leases. We utilize substantially all of our leased or owned facilities and believe there will be no difficulty either in negotiating the renewal of such leases as they expire or in finding alternative space, if necessary.

ITEM 3. LEGAL PROCEEDINGS

The information required by this Item is incorporated by reference from Note 15 - Commitments and Contingencies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

ITEM 4. MINE SAFETY DISCLOSURES

Information concerning mine safety violations or other regulatory matters required by Section 1503(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 104 of Regulation S-K (17 CFR 229.104) is included in Exhibit 95.1 to this Form 10-K.

EXECUTIVE OFFICERS OF THE REGISTRANT

Anthony J. Guzzi, Age 61; President since October 2004, Chief Executive Officer since January 2011 and Chairman of the Board since June 2018. From October 2004 to January 2011, Mr. Guzzi served as Chief Operating Officer of the Company. From August 2001 until he joined the Company, Mr. Guzzi was President of the North American Distribution and Aftermarket Division of Carrier Corporation ("Carrier"). Carrier is a manufacturer and distributor of commercial and residential HVAC and refrigeration systems and equipment and a provider of aftermarket services and components of its own products and those of other manufacturers in both the HVAC and refrigeration industries.

Jason R. Nalbandian, Age 38; Chief Financial Officer of the Company since April 2024 and Senior Vice President and Chief Accounting Officer of the Company since January 2022. From February 2019 to January 2022, Mr. Nalbandian served as Controller of the Company and was Assistant Controller of the Company from January 2017 to February 2019. Mr. Nalbandian joined the Company in May 2014 as Director of Accounting and Analysis. Prior to joining EMCOR, he worked in the assurance practice of Ernst & Young LLP.

Maxine L. Mauricio, Age 54; General Counsel and Secretary of the Company since January 2016, Executive Vice President since February 2021, and Chief Administrative Officer since December 2023. Ms. Mauricio was a Senior Vice President of the Company from January 2016 to February 2021. From January 2012 to December 2015, Ms. Mauricio was Vice President and Deputy General Counsel of the Company, and from May 2002 to December 2011, she served as Assistant General Counsel of the Company. Prior to joining the Company, Ms. Mauricio was an associate at Ropes & Gray LLP.

PART II

ITEM 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES

Market Information. Our common stock trades on the New York Stock Exchange under the symbol "EME."

Holders. As of February 20, 2026, there were approximately 1,200 stockholders of record.

Dividends. We have paid quarterly dividends since October 25, 2011. We expect that such quarterly dividends will be paid for the foreseeable future. Prior to October 25, 2011, no cash dividends had been paid on the Company's common stock. During 2025, we paid a regular quarterly dividend of $0.25 per share. In December 2025, our Board of Directors announced its intention to increase the regular quarterly dividend to $0.40 per share commencing with the dividend to be paid in January 2026. Our 2023 Credit Agreement places limitations on the payment of dividends on our common stock. However, we do not believe that the terms of such agreement currently materially limit our ability to pay such quarterly dividends for the foreseeable future. See Note 9 - Debt of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further information regarding our 2023 Credit Agreement.

Purchase of Equity Securities by the Issuer and Affiliated Purchasers

The following table summarizes repurchases of our common stock made by us during the quarter ended December 31, 2025:

Period	Total Number of Shares Purchased [1] [2]	Average Price Paid Per Share [3]	Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs	Approximate Dollar Value of Shares That May Yet be Purchased Under the Plan or Programs
October 1, 2025 to October 31, 2025	10,377	$669.69	10,377	$329,119,607
November 1, 2025 to November 30, 2025	134,792	$611.95	134,792	$245,849,432
December 1, 2025 to December 31, 2025	106,370	$607.79	106,370	$680,584,373
Total	251,539	$612.58	251,539	

(1) In September 2011, our Board of Directors (the "Board") authorized a share repurchase program allowing us to begin repurchasing shares of our outstanding common stock. Subsequently, the Board has from time to time increased the amount authorized for repurchases under such program. Since the inception of the repurchase program, through December 31, 2025, the Board has authorized us to repurchase up to $3.65 billion of our outstanding common stock. As of December 31, 2025, there remained authorization for us to repurchase approximately $680.6 million of our shares. No shares have been repurchased by us since the program was announced other than pursuant to such program. Refer to Note 12 - Common Stock of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further information regarding our share repurchase program.

(2) Excludes 4,426 shares surrendered to the Company by participants in our share-based compensation plans to satisfy minimum tax withholdings for common stock issued under such plans.

(3) Price paid per share excludes any applicable broker commission or excise tax due. However, as such amounts are considered direct costs associated with the repurchase of our common stock, they have been reflected as a reduction in the remaining authorization under our share repurchase program.

ITEM 6. [RESERVED]

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Business Description

We are one of the largest specialty contractors in the United States and a leading provider of electrical and mechanical construction and facilities services, building services, and industrial services. Our services are provided to a broad range of commercial, technology, manufacturing, industrial, healthcare, utility, and institutional customers through approximately 100 operating subsidiaries. Such operating subsidiaries are organized into the following reportable segments:

- United States electrical construction and facilities services;
- United States mechanical construction and facilities services;
- United States building services; and
- United States industrial services.

We refer to our United States electrical construction and facilities services segment and our United States mechanical construction and facilities services segment together as our United States construction segments.

On December 1, 2025, we sold our United Kingdom operations, the results of which are reported within our United Kingdom building services segment through the date of sale.

For a more complete description of our operations, refer to Item 1. Business.

2025 versus 2024

Overview

The following table presents selected financial data for the fiscal years ended December 31, 2025 and 2024 (in thousands, except percentages and per share data):

	2025	2024
Revenues	$16,986,422	$14,566,116
Revenues increase from prior year	16.6 %	15.8 %
Gross profit	$ 3,282,988	$ 2,765,051
Gross profit as a percentage of revenues	19.3 %	19.0 %
Gain on sale of United Kingdom operations	$ 144,876	$ —
Operating income	$ 1,713,418	$ 1,344,863
Operating income as a percentage of revenues	10.1 %	9.2 %
Net income attributable to EMCOR Group, Inc.	$ 1,272,817	$ 1,007,145
Diluted earnings per common share	$ 28.19	$ 21.52

Revenues of $16.99 billion for the year ended December 31, 2025 set a new annual record for the Company and represent an increase of 16.6% from revenues of $14.57 billion for the year ended December 31, 2024. Demand for our services continues to be broad-based with strength across most of the market sectors we serve. As described in further detail below, we experienced revenue growth within all of our reportable segments, except for our United States industrial services segment, which saw a modest reduction in revenues year-over-year. Revenues for the year ended December 31, 2025 included incremental acquisition contribution of approximately $1.27 billion.

Operating income for 2025 was $1.71 billion, or 10.1% of revenues, compared to operating income of $1.34 billion, or 9.2% of revenues, in 2024. Our operating results for the year ended December 31, 2025 included a $144.9 million gain on the sale of our United Kingdom operations, which positively impacted operating margin by 85 basis points. Excluding the impact of such gain, operating income increased by $223.7 million and established a new annual record for the Company. As described in further detail below, such increase in operating income was predominantly driven by greater contribution from our United States construction segments. Operating income for the year ended December 31, 2025 included incremental acquisition contribution of $24.4 million, net of amortization expense attributable to identifiable intangible assets of $50.6 million.

Net income of $1.27 billion, or $28.19 per diluted share, for the year ended December 31, 2025, compares favorably to net income of $1.01 billion, or $21.52 per diluted share, for the year ended December 31, 2024. While the majority of the increase in our net income and diluted earnings per share was a result of the increased operating income referenced above, diluted earnings per share for the year ended December 31, 2025 additionally benefited from a reduced weighted average share count given the impact of common stock repurchases made by us throughout 2024 and 2025.

Impact of Acquisitions

In order to provide a more meaningful period-over-period discussion of our operating results, we may discuss amounts generated or incurred (revenues, gross profit, selling, general and administrative expenses, and operating income) from companies acquired. The amounts discussed reflect the acquired companies' operating results in the current reported period only for the time period these entities were not owned by EMCOR in the comparable prior reported period.

On February 3, 2025, we completed the acquisition of Miller Electric Company ("Miller Electric"), a leading electrical contractor, for total cash consideration of approximately $876.8 million. In addition to Miller Electric, during 2025, we acquired nine companies for upfront consideration of $182.1 million. During 2024, we acquired seven companies for upfront consideration of $231.1 million. For further discussion regarding our acquisitions, refer to Note 4 - Acquisitions and Dispositions of Businesses of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

Discussion and Analysis of Results of Operations

Revenues

The following table presents our revenues for each of our operating segments and the approximate percentages that each segment's revenues were of total revenues for the years ended December 31, 2025 and 2024 (in thousands, except for percentages):

	2025	% of Total	2024	% of Total
Revenues from unrelated entities:				
United States electrical construction and facilities services	$ 5,074,252	30 %	$ 3,342,927	23 %
United States mechanical construction and facilities services	7,050,481	42 %	6,405,657	44 %
United States building services	3,122,242	18 %	3,114,817	21 %
United States industrial services	1,268,099	7 %	1,277,190	9 %
Total United States operations	16,515,074	97 %	14,140,591	97 %
United Kingdom building services	471,348	3 %	425,525	3 %
Consolidated revenues	$ 16,986,422	100 %	$ 14,566,116	100 %

As described in more detail below, as a result of strong demand for our services across most of the market sectors we serve, consolidated revenues for the year ended December 31, 2025 increased to $16.99 billion compared to consolidated revenues of $14.57 billion for the year ended December 31, 2024. Revenues for 2025 included incremental acquisition contribution of approximately $1.27 billion.

Revenues of our United States electrical construction and facilities services segment were $5.07 billion for the year ended December 31, 2025, a $1.73 billion increase compared to revenues of $3.34 billion for the year ended December 31, 2024. This segment's results for 2025 included $1.11 billion of incremental acquisition revenues, almost entirely from Miller Electric. From a market sector perspective, increased revenues were generated from nearly all of the sectors we serve. While the largest increase in revenues was seen within the network and communications market sector, predominantly driven by greater demand for data center construction projects, this segment also experienced notable revenue growth within: (a) the healthcare market sector, as a result of greater project activity across several of the geographies in which we operate, (b) the commercial market sector, inclusive of certain tenant fit-out and warehousing and distribution projects, (c) the institutional market sector, primarily given an increase in revenues from public sector projects, (d) the hospitality and entertainment market sector, due to select project opportunities, and (e) the transportation market sector, stemming from certain infrastructure projects currently underway. Revenues of this segment for the year ended December 31, 2025 additionally benefited from greater levels of short-duration projects and service work. Partially offsetting these increases was a reduction in high-tech manufacturing revenues as we completed or reached substantial completion on various semiconductor, bio-tech, and life sciences construction projects.

Our United States mechanical construction and facilities services segment revenues for the year ended December 31, 2025 were $7.05 billion, a $644.8 million increase compared to revenues of $6.41 billion for the year ended December 31, 2024. This segment's results for 2025 included $145.2 million of incremental acquisition revenues. Similar to our United States electrical construction and facilities services segment, this segment experienced the most significant increase in revenues within the network and communications market sector due to greater demand for data center construction projects. In addition to data centers, notable revenue growth was generated from: (a) the manufacturing and industrial market sector, primarily driven by certain food processing projects, (b) the hospitality and entertainment market sector, given increased project activity, and (c) the water and wastewater market sector as a result of greater opportunities in the Southeast region of the United States. Further contributing to the revenue increase within this segment were greater levels of short-duration projects and service work. These

increases were partially offset by revenue declines from: (a) the high-tech manufacturing market sector, largely as we completed certain semiconductor manufacturing construction projects, and (b) the commercial market sector, as a result of: (i) the completion or substantial completion of several tenant fit-out or office projects, and (ii) fewer active warehousing and distribution projects for some of our e-commerce customers during the year.

Revenues of our United States building services segment were $3.12 billion for the year ended December 31, 2025 compared to $3.11 billion for the year ended December 31, 2024. Revenues of this segment for 2025 included incremental acquisition contribution of $2.6 million. This segment's mechanical services division experienced revenue growth from: (a) HVAC project and retrofit work, as demand for these services remained strong, partially as our customers continue to seek ways to improve the energy efficiency of their facilities, (b) service repair and maintenance volumes, given growth in our service contract base, and (c) building automation and controls projects, as we continue to expand our service offerings in this area. Offsetting the strength of the mechanical services division were revenue declines within this segment's commercial site-based and government site-based services divisions due to the loss of certain facilities maintenance contracts that were not renewed upon rebid in a prior period.

Revenues of our United States industrial services segment for the year ended December 31, 2025 were $1.27 billion, a slight decrease compared to revenues of $1.28 billion for the year ended December 31, 2024 given: (a) lower turnaround project demand when compared to the prior year, which benefited from scope growth on certain projects, (b) the deferral, delay, or cancellation of previously planned turnaround projects, and (c) the completion of a renewable fuel project, which was active throughout 2024. This segment's results for 2025 included $19.7 million of incremental acquisition revenues.

On December 1, 2025, we sold our United Kingdom operations, the results of which are reported within our United Kingdom building services segment through the date of sale. Revenues of this segment for the applicable 2025 period were $471.3 million compared to $425.5 million for the year ended December 31, 2024. The period-over-period increase was due to: (a) greater service revenues, as a result of: (i) the award of new facilities maintenance contracts and (ii) scope expansion on previously existing contracts, and (b) an increase in project work, largely within the manufacturing and industrial and network and communications market sectors. Revenues of this segment for 2025 were positively impacted by $14.1 million given favorable exchange rate movements for the British pound versus the United States dollar.

Cost of sales and gross profit

The following table presents cost of sales, gross profit (revenues less cost of sales), and gross profit as a percentage of revenues ("gross profit margin") for the years ended December 31, 2025 and 2024 (in thousands, except for percentages):

	2025	2024
Cost of sales	$13,703,434	$11,801,065
Gross profit	$ 3,282,988	$ 2,765,051
Gross profit margin	19.3 %	19.0 %

Consolidated gross profit for the year ended December 31, 2025 was $3.28 billion, or 19.3% of revenues, compared to consolidated gross profit of $2.77 billion, or 19.0% of revenues, for the year ended December 31, 2024. Gross profit for 2025 included incremental acquisition contribution of $165.6 million, net of amortization expense attributable to identifiable intangible assets of $28.1 million. Excluding the impact of acquisitions, the year-over-year increases in gross profit and gross profit margin were driven by both of our United States construction segments, as well as our United States building services segment, in each case due to improved revenue mix and excellent project execution.

Selling, general and administrative expenses

The following table presents selling, general and administrative expenses ("SG&A") and selling, general and administrative expenses as a percentage of revenues ("SG&A margin") for the years ended December 31, 2025 and 2024 (in thousands, except for percentages):

	2025	2024
Selling, general and administrative expenses	$1,714,446	$1,420,188
SG&A margin	10.1 %	9.7 %

Our selling, general and administrative expenses for the year ended December 31, 2025 were $1.71 billion, or 10.1% of revenues, compared to selling, general and administrative expenses of $1.42 billion, or 9.7% of revenues, for the year ended December 31, 2024. Selling, general and administrative expenses for 2025 included $141.3 million of incremental expenses directly related to companies acquired, including amortization expense attributable to identifiable intangible assets of $22.5 million. Additionally included in selling, general and administrative expenses for 2025 were $9.4 million of transaction related costs incurred in connection with the acquisition of Miller Electric and $10.7 million of transaction related costs incurred in connection with the sale of our United Kingdom operations.

Excluding incremental expenses resulting from acquisitions and dispositions, our selling, general and administrative expenses increased by $132.9 million, primarily as a result of greater: (a) incentive compensation expense, predominantly within our United States construction segments, given higher annual operating results, (b) salaries and related employment expenses, due to additional headcount to support our organic revenue growth as well as annual cost of living adjustments, and (c) computer hardware and software costs due to various information technology and cybersecurity initiatives currently in process.

The 40 basis point increase in our SG&A margin for the year ended December 31, 2025 was primarily due to: (a) improved gross profit and gross profit margin, which resulted in the above-referenced increase in incentive compensation expense across certain of our operating subsidiaries, and (b) the impact of the transaction related costs referenced above.

Operating income (loss)

The following table presents by segment our operating income (loss) and each segment's operating income (loss) as a percentage of such segment's revenues ("operating margin") for the years ended December 31, 2025 and 2024 (in thousands, except for percentages):

	2025	% of Segment Revenues	2024	% of Segment Revenues
Operating income (loss):				
United States electrical construction and facilities services	$ 611,952	12.1 %	$ 447,186	13.4 %
United States mechanical construction and facilities services	905,325	12.8 %	799,613	12.5 %
United States building services	187,192	6.0 %	176,720	5.7 %
United States industrial services	24,998	2.0 %	44,213	3.5 %
Total United States operations	1,729,467	10.5 %	1,467,732	10.4 %
United Kingdom building services	20,969	4.4 %	21,485	5.0 %
Corporate administration	(181,894)	—	(144,354)	—
Gain on sale of United Kingdom operations	144,876		—	
Consolidated operating income	1,713,418	10.1 %	1,344,863	9.2 %
Other items:				
Net periodic pension income	211		894	
Interest expense	(12,020)		(3,779)	
Interest income	20,015		35,404	
Income before income taxes	$ 1,721,624		$ 1,377,382	

Operating income for the year ended December 31, 2025 was $1.71 billion, an increase of $368.6 million compared to operating income of $1.34 billion for the year ended December 31, 2024. Operating margin was 10.1% and 9.2% in 2025 and 2024, respectively. Our operating results for the year ended December 31, 2025 included a $144.9 million gain on the sale of our United Kingdom operations, which positively impacted operating margin by 85 basis points. Excluding the impact of such gain, operating income increased by $223.7 million, predominantly as a result of greater contribution from our United States construction segments, as described in further detail below. Operating income for the year ended December 31, 2025 included incremental acquisition contribution of $24.4 million net of amortization expense attributable to identifiable intangible assets of $50.6 million.

Operating income of our United States electrical construction and facilities services segment for the year ended December 31, 2025 was $612.0 million compared to operating income for the year ended December 31, 2024 of $447.2 million. Largely driven by Miller Electric, this segment's operating income for 2025 included incremental acquisition contribution of $22.1 million, net of amortization expense attributable to identifiable intangible assets of $42.0 million. The year-over-year increase in operating income of this segment resulted from greater gross profit given its growth in revenues. Although the most significant increase in gross profit was experienced within the network and communications market sector, increased gross profit was generated within the majority of the other market sectors in which we operate, generally in line with the revenue trends described above. While below the record 13.4% operating margin earned in 2024, operating margin of our United States electrical construction and facilities services segment for 2025 of 12.1% remained above its historical average and reflects the overall strength of our project portfolio. Operating margin for the year ended December 31, 2025 was negatively impacted by: (a) lower profitability on certain projects in new geographies where we encountered reduced labor productivity or availability while investing in the development of a workforce and (b) the incremental intangible asset amortization expense resulting from the acquisition of Miller Electric, which reduced operating margin by approximately 80 basis points.

Our United States mechanical construction and facilities services segment's operating income for the year ended December 31, 2025 was $905.3 million, or 12.8% of revenues, compared to operating income of $799.6 million, or 12.5% of revenues, for the year ended December 31, 2024. In addition to the impact of greater revenues, the operating results of this segment for 2025 benefited from a more favorable mix of work and better project execution, including enhanced productivity, due in part to investments in virtual design and construction, prefabrication, and automation. From a market sector perspective, greater profitability was experienced across a number of the sectors in which we operate, with the most significant increase in gross profit coming from network and communications. This segment's operating income for the year ended December 31, 2025 included incremental acquisition contribution of $3.7 million, net of amortization expense attributable to identifiable intangible assets of $6.4 million. Partially offsetting this increased profitability was a decrease in gross profit from the commercial and high-tech manufacturing market sectors, primarily as a result of the reduced revenues within these sectors, as referenced above.

Operating income of our United States building services segment for the year ended December 31, 2025 was $187.2 million, or 6.0% of revenues, compared to operating income of $176.7 million, or 5.7% of revenues, for the year ended December 31, 2024. For 2025, this segment's mechanical services division continued to produce strong margins across its portfolio of HVAC retrofits, building automation and controls projects, and repair service work orders. Headwinds faced in this segment's commercial site-based services and government site-based services divisions, given the loss of the previously referenced facilities maintenance contracts, partially offset such profitability during the year. The results of this segment for the year ended December 31, 2024 included an $11.0 million reserve for a specific customer bankruptcy within its commercial site-based services division, which negatively impacted the segment's operating margin by 30 basis points in such prior year period.

Our United States industrial services segment's operating income for the year ended December 31, 2025 was $25.0 million, or 2.0% of revenues, compared to operating income of $44.2 million, or 3.5% of revenues, for the year ended December 31, 2024. The year-over-year decrease in operating income and operating margin of this segment was primarily a result of a less favorable revenue mix when compared to the prior year period, which benefited from: (a) turnaround projects of a greater size, (b) a large renewable fuel project, and (c) a greater amount of indirect labor absorption.

As referenced above, on December 1, 2025, we sold our United Kingdom operations, the results of which are reported within our United Kingdom building services segment through the date of sale. Operating income of this segment for the applicable 2025 period was $21.0 million, or 4.4% of revenues, compared to operating income of $21.5 million, or 5.0% of revenues, for the year ended December 31, 2024. Operating income for the 2025 period included $3.7 million of transaction related costs incurred in connection with the sale, which reduced operating margin of the segment by approximately 80 basis points. Excluding these expenses, the increase in this segment's operating income and operating margin was due to the revenue growth it experienced, which resulted in: (a) greater gross profit and (b) a reduction in SG&A margin due to the leverage gained on its overhead cost structure. Operating income of this segment for 2025 was positively impacted by $0.7 million as a result of favorable exchange rate movements for the British pound versus the United States dollar.

Our corporate administration expenses for the year ended December 31, 2025 were $181.9 million compared to $144.4 million for the year ended December 31, 2024. Corporate expenses for 2025 included $9.4 million of transaction related costs incurred in connection with the acquisition of Miller Electric as well as $7.0 million of transaction related costs incurred in connection with the sale of our United Kingdom operations. Excluding these items, the increase in corporate expenses for 2025 was primarily a result of greater: (a) computer hardware and software costs, due to various information technology and cybersecurity initiatives currently in process, and (b) employment expenses, partially due to additional headcount to support our growth as well as annual cost of living adjustments.

Other items

Interest expense was $12.0 million for the year ended December 31, 2025, an increase of $8.2 million compared to interest expense of $3.8 million for the year ended December 31, 2024. Such year-over-year increase was due to the temporary utilization of our revolving credit facility during 2025.

For the year ended December 31, 2025, interest income was $20.0 million, a decrease of $15.4 million compared to interest income of $35.4 million for the year ended December 31, 2024. This year-over-year decrease was a result of a lower average daily invested cash balance in 2025.

Our income tax provision for the year ended December 31, 2025 was $448.8 million, based on an income tax rate of 26.1%, compared to an income tax provision and an income tax rate of $370.2 million and 26.9%, respectively, for the year ended December 31, 2024. Refer to Note 11 - Income Taxes of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further discussion regarding our income tax provision and effective income tax rate.

Remaining Unsatisfied Performance Obligations

The following table presents the transaction price allocated to remaining unsatisfied performance obligations ("remaining performance obligations") for each of our reportable segments and their respective percentage of total remaining performance obligations (in thousands, except for percentages):

	December 31, 2025	% of Total	December 31, 2024	% of Total
Remaining performance obligations:				
United States electrical construction and facilities services	$ 4,963,855	38 %	$ 3,068,396	31 %
United States mechanical construction and facilities services	6,929,300	52 %	5,463,096	54 %
United States building services	1,188,537	9 %	1,246,642	12 %
United States industrial services	171,972	1 %	138,599	1 %
Total United States operations	13,253,664	100 %	9,916,733	98 %
United Kingdom building services	—	— %	185,466	2 %
Total operations	$ 13,253,664	100 %	$ 10,102,199	100 %

Our remaining performance obligations at December 31, 2025 were $13.25 billion, a $3.15 billion increase compared to remaining performance obligations of $10.10 billion at December 31, 2024. Acquisitions, including Miller Electric, account for approximately $1.61 billion of the year-over-year increase, with the remaining growth resulting from new contract awards, notably within our United States construction segments. Remaining performance obligations decreased by $185.5 million due to the sale of our United Kingdom operations. From a market sector perspective, we experienced growth within the majority of the sectors we serve, with the most significant increases within: (a) network and communications, predominantly as a result of several data center construction contracts, (b) institutional, largely as we continue to see demand for our services from education customers, including a number of colleges and universities, (c) water and wastewater, given recent project awards in the Southeast region of the United States, (d) hospitality and entertainment, due to select project opportunities, (e) manufacturing and industrial, resulting from certain: (i) food processing construction projects and (ii) renewable energy projects, and (f) commercial, including various warehousing and distribution projects. Partially offsetting these increases was a reduction in remaining performance obligations from the high-tech manufacturing market sector, primarily due to the completion of certain semiconductor manufacturing construction projects.

See Note 3 - Revenue from Contracts with Customers of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further disclosure regarding our remaining performance obligations.

2024 versus 2023

For discussion and analysis of results of operations for the year ended December 31, 2024 compared to the year ended December 31, 2023, refer to Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our Form 10-K for the year ended December 31, 2024.

Liquidity and Capital Resources

The following section discusses our principal liquidity and capital resources, as well as our primary liquidity requirements and sources and uses of cash.

We are focused on the efficient conversion of operating income into cash to provide for the Company's material cash requirements, including working capital needs, investment in our growth strategies through business acquisitions and capital expenditures, satisfaction of contractual commitments, including principal and interest payments on any outstanding indebtedness, and shareholder return through share repurchases and dividend payments. We strive to maintain a balanced approach to capital allocation in order to achieve growth, deliver value, and minimize risk.

Management monitors financial markets and overall economic conditions for factors that may affect our liquidity and capital resources and adjusts our capital allocation strategy as necessary. Negative macroeconomic trends could have an adverse effect on future liquidity if we experience delays in the payment of outstanding receivables beyond normal payment terms, an increase in credit losses, or significant increases in the price of commodities or the materials and equipment utilized for our project and service work, beyond those experienced in recent years. In addition, during economic downturns, there have typically been fewer small discretionary projects from the private sector and our competitors have aggressively bid larger long-term infrastructure and public sector contracts. Our liquidity is also impacted by: (a) the type and length of construction contracts in place, as performance of long duration contracts typically requires greater amounts of working capital, (b) the level of turnaround activities within our United States industrial services segment, as such projects are billed in arrears pursuant to contractual terms that are standard within the industry, and (c) the billing terms of our maintenance contracts, including those within our United States building services segment. While we strive to negotiate favorable billing terms, which allow us to invoice in advance of costs incurred on certain of our contracts, there can be no assurance that such terms will be agreed to by our customers.

As of December 31, 2025, we had cash and cash equivalents of $1.11 billion, which are maintained in depository accounts and highly liquid investments with original maturity dates of three months or less. Both our short-term and long-term liquidity requirements are expected to be met through our cash and cash equivalent balances, cash generated from our operations, and, as necessary, the borrowing capacity under our revolving credit facility. Our credit agreement provides for a $1.30 billion revolving credit facility, for which there was $1.23 billion of available capacity as of December 31, 2025.

Refer to Note 9 - Debt of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further information regarding our credit agreement. Based upon our current credit rating and financial position, we can also reasonably expect to be able to secure long-term debt financing if required to achieve our strategic objectives; however, no assurances can be made that such debt financing will be available on favorable terms. We believe that we have sufficient financial resources available to meet our short-term and foreseeable long-term liquidity requirements.

Cash Flows

The following table presents a summary of our operating, investing, and financing cash flows (in thousands):

	2025	2024
Net cash provided by operating activities	$ 1,302,063	$ 1,407,894
Net cash used in investing activities	$ (873,586)	$ (299,284)
Net cash used in financing activities	$ (663,761)	$ (555,365)
Effect of exchange rate changes on cash, cash equivalents, and restricted cash	$ 6,857	$ (2,600)
(Decrease) increase in cash, cash equivalents, and restricted cash	$ (228,427)	$ 550,645

During the year ended December 31, 2025, our cash balance, including cash equivalents and restricted cash, decreased by $228.4 million from $1.34 billion at December 31, 2024 to $1.11 billion at December 31, 2025. Changes in our cash position from December 31, 2024 to December 31, 2025 are described in further detail below. For a discussion of the changes in our cash position from December 31, 2023 to December 31, 2024, refer to the Liquidity and Capital Resources section included in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our Form 10-K for the year ended December 31, 2024.

Operating Activities – Operating cash flows generally represent our net income as adjusted for certain non-cash items and changes in assets and liabilities. For 2025, net cash provided by operating activities was approximately $1.30 billion compared to approximately $1.41 billion in 2024. The $105.8 million decrease in our operating cash flow was a result of an increase in working capital, primarily on our construction projects, given the progression on a number of contracts for which we were previously billed ahead. As we worked through these upfront payments, we saw the expected decrease in operating cash as our cash outflows exceeded our inflows on these projects. Such decrease was partially offset by a year-over-year increase in our net income.

Investing Activities – Investing cash flows consist primarily of payments for acquisition of businesses, capital expenditures, and proceeds from the sale or disposal of property, plant, and equipment or other long-term assets. Net cash used in investing activities for 2025 increased by approximately $574.3 million compared to 2024, primarily due to an increase in payments for acquisitions, including Miller Electric, partially offset by the proceeds from the sale of our United Kingdom operations.

Financing Activities – Financing cash flows consist primarily of the issuance and repayment of short-term and long-term debt, repurchases of common stock, payments of dividends to stockholders, and the issuance of common stock through certain equity plans. Net cash used in financing activities during 2025 was $663.8 million compared to $555.4 million during 2024. The $108.4 million variance was primarily due to an increase in common stock repurchases made by us. The timing of common stock repurchases is at management's discretion subject to securities laws and other legal requirements and depends upon several factors, including market and business conditions, current and anticipated future liquidity, share price, and share availability, among others. For additional detail regarding our share repurchase program, refer to Note 12 - Common Stock of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

During 2025, we paid a regular quarterly dividend of $0.25 per share. For the years ended December 31, 2025 and 2024, cash payments related to dividends were $45.0 million and $43.4 million, respectively. In December 2025, our Board of Directors announced its intention to increase the regular quarterly dividend to $0.40 per share commencing with the dividend to be paid in January 2026. Our credit agreement places limitations on the payment of dividends on our common stock. However, we do not believe that the terms of such agreement currently materially limit our ability to pay such quarterly dividends for the foreseeable future.

Effect of Exchange Rate Changes on Cash, Cash Equivalents, and Restricted Cash – Prior to the sale of our United Kingdom operations in December of 2025, we were exposed to fluctuations in foreign currency exchange rates with respect to the British pound. Therefore, the $9.5 million variance between the years ended December 31, 2025 and 2024 was a direct result of exchange rate movements for the British pound versus the United States dollar.

Material Cash Requirements from Contractual and Other Obligations

As of December 31, 2025, our short-term and long-term material cash requirements for known contractual and other obligations were as follows:

Outstanding Debt and Interest Payments – As of December 31, 2025, there were no direct borrowings outstanding under our revolving credit facility. Interest payments on any future borrowings will be determined based on prevailing interest rates at that time. Refer to Note 9 - Debt of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further detail of our debt obligations, including our revolving credit facility.

Operating and Finance Leases – In the normal course of business, we lease real estate, vehicles, and equipment under various arrangements which are classified as either operating or finance leases. Future payments for such leases, excluding leases with initial terms of one year or less, were $570.5 million at December 31, 2025, with $122.3 million payable within the next 12 months. Refer to Note 16 - Leases of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further detail surrounding our lease obligations and the timing of expected future payments.

Open Purchase Obligations – As of December 31, 2025, we had $3.07 billion of open purchase obligations, of which payments totaling approximately $2.63 billion are expected to become due within the next 12 months. These obligations represent open purchase orders to suppliers and subcontractors related to our construction and services contracts. These purchase orders are not reflected in the Consolidated Balance Sheets and are not expected to impact future liquidity as amounts should be recovered through customer billings.

Insurance Obligations – As described in further detail in Note 2 - Summary of Significant Accounting Policies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data, we have loss payment deductibles and/or self-insured retentions for certain insurance matters. As of December 31, 2025, our insurance liabilities, net of estimated recoveries, were $291.0 million. Of this net amount, approximately $68.5 million is estimated to be payable within the next 12 months. Due to many uncertainties inherent in resolving these matters, it is not practical to estimate these payments beyond such period. To the extent that the amount required to settle claims covered by insurance continues to increase, the cost of our insurance coverage, including premiums and deductibles, is likely to increase.

Contingent Consideration Liabilities – We have incurred liabilities related to contingent consideration arrangements associated with certain acquisitions, payable in the event discrete performance objectives are achieved by the acquired businesses during designated post-acquisition periods. The aggregate amount of these liabilities can change due to additional business acquisitions, settlement of outstanding liabilities, changes in the fair value of amounts owed based on performance during such post-acquisition periods, and accretion in present value. As of December 31, 2025, the present value of expected future payments relating to these contingent consideration arrangements was $8.8 million. Of this amount, $7.3 million is estimated as being payable during 2026.

In addition, material cash requirements for other potential obligations, for which we cannot reasonably estimate future payments, include the following:

Legal Proceedings – We are involved in several legal proceedings in which damages and claims have been asserted against us. While litigation is subject to many uncertainties and the outcome of litigation is not predictable with assurance, we do not believe that any such matters will have a material adverse effect on our financial position, results of operations, or liquidity. Refer to Note 15 - Commitments and Contingencies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for more information regarding legal proceedings**.**

Multiemployer Benefit Plans – In addition to our Company sponsored benefit plans, we participate in certain multiemployer pension and other post-retirement plans. The cost of these plans is equal to the annual required contributions determined in accordance with the provisions of negotiated collective bargaining agreements. During 2025, 2024, and 2023, contributions made to these plans were $725.7 million, $577.0 million, and $502.3 million, respectively; however, our future contributions to the multiemployer plans are dependent upon a number of factors. Amounts of future contributions that we would be contractually obligated to make pursuant to these plans cannot be reasonably estimated. Refer to Note 14 - Retirement Plans of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for more information regarding multiemployer benefit plans.

Off-Balance Sheet Arrangements and Other Commercial Commitments

The terms of our construction contracts frequently require that we obtain from surety companies, and provide to our customers, surety bonds as a condition to the award of such contracts. These surety bonds are issued in return for premiums, which vary depending on the size and type of the bond, and secure our payment and performance obligations under such contracts. We have agreed to indemnify the surety companies for amounts, if any, paid by them in respect of surety bonds issued on our behalf. As of December 31, 2025, based on the percentage-of-completion of our projects covered by surety bonds, our aggregate estimated exposure, assuming defaults on all our then existing contractual obligations, was approximately $3.03 billion, which represents approximately 23% of our total remaining performance obligations.

Surety bonds expire at various times ranging from final completion of a project to a period extending beyond contract completion in certain circumstances. Such amounts can also fluctuate from period to period based upon the mix and level of our bonded operating activity. For example, public sector contracts require surety bonds more frequently than private sector contracts and, accordingly, our bonding requirements typically increase as the amount of our public sector work increases. Our estimated maximum exposure as it relates to the value of the surety bonds outstanding is lowered on each bonded project as the cost to complete is reduced, and each commitment under a surety bond generally extinguishes concurrently with the expiration of its related contractual obligation.

Surety bonds are sometimes provided to secure obligations for wages and benefits payable to or for certain of our employees, at the request of labor unions representing such employees. In addition, surety bonds or letters of credit may be issued as collateral for certain insurance obligations. As of December 31, 2025, we satisfied approximately $105.5 million and $72.8 million of the collateral requirements of our insurance programs by utilizing surety bonds and letters of credit, respectively. All such letters of credit were issued under our revolving credit facility, therefore reducing the available capacity of such facility.

We are not aware of any losses in connection with surety bonds that have been posted on our behalf, and we do not expect to incur significant losses in the foreseeable future.

From time to time, we discuss with our current and other surety bond providers the amounts of surety bonds that may be available to us based on our financial strength and the absence of any default by us on any surety bond issued on our behalf and believe those amounts are currently adequate for our needs. However, if we experience changes in our bonding relationships or if there are adverse changes in the surety industry, we may: (a) seek to satisfy certain customer requests for surety bonds by posting other forms of collateral in lieu of surety bonds, such as letters of credit, parent company guarantees, or cash, in order to convince customers to forego the requirement for surety bonds, (b) increase our activities in our businesses that rarely require surety bonds, and/or (c) refrain from bidding for certain projects that require surety bonds.

There can be no assurance that we would be able to effectuate alternatives to providing surety bonds to our customers or to obtain, on favorable terms, sufficient additional work that does not require surety bonds. Accordingly, a reduction in the availability of surety bonds could have a material adverse effect on our financial position, results of operations, and/or cash flows.

In the ordinary course of business, we, at times, guarantee obligations of our subsidiaries under certain contracts. Generally, we are liable under such an arrangement only if our subsidiary fails to perform its obligations under the contract. Historically, we have not incurred any substantial liabilities as a consequence of these guarantees.

We do not have any other material financial guarantees or off-balance sheet arrangements other than those disclosed herein.

Other Items

To help mitigate the impacts of greenhouse gas emissions on climate change, EMCOR has established initial carbon-based fuel consumption and greenhouse gas emission reduction targets. Although to date we have not incurred any material costs or capital expenditures associated with achieving our targets, we could be required to expend amounts in future periods as we continue to work towards our goals. It is not possible, at this time, to estimate the impact that future costs and/or capital expenditures may have on our business, financial condition, results of operations, or liquidity.

New Accounting Pronouncements

We review new accounting standards to determine the expected impact, if any, that the adoption of such standards will have on our financial position and/or results of operations. See Note 2 - Summary of Significant Accounting Policies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further information regarding new accounting standards, including the anticipated dates of adoption and the effects on our consolidated financial position, results of operations, or liquidity.

Critical Accounting Policies and Estimates

The preparation of our consolidated financial statements is based on the application of significant accounting policies, which require management to make estimates and assumptions. Our significant accounting policies are described further in Note 2 - Summary of Significant Accounting Policies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data. We base our estimates on historical experience, known or expected trends, third-party valuations, and various other assumptions that we believe to be reasonable under the circumstances. As future events and their effects cannot be determined with precision, actual results could differ significantly from these estimates. There have been no significant changes to our critical accounting policies or methods for the year ended December 31, 2025. We believe the following critical accounting policies govern the more significant judgments and estimates used in the preparation of our financial statements.

Revenue Recognition from Contracts with Customers

The Company recognizes revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which we expect to be entitled in exchange for those goods or services by applying the following five step model: (1) identify the contract with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; (5) recognize revenue as performance obligations are satisfied.

The nature of our contracts gives rise to several types of variable consideration, including pending change orders and claims; contract bonuses and incentive fees; and liquidated damages and penalties. We recognize revenue for such variable consideration when it is probable, in our judgment, that a significant future reversal in the amount of cumulative revenue recognized under the contract will not occur when the uncertainty associated with the variable consideration is subsequently resolved. The Company estimates the amount of variable consideration to be included in the transaction price utilizing one of two prescribed methods, depending on which method better predicts the amount of consideration to which the entity will be entitled.

Due to uncertainties inherent in the estimation process, as well as the significant judgment involved in determining variable consideration, it is possible that estimates of costs to complete a performance obligation, and/or our estimates of transaction prices, will be revised in the near term. For those performance obligations for which revenue is recognized using a cost-to-cost input method, changes in total estimated costs, and related progress towards complete satisfaction of the performance obligation, or changes in the estimate of transaction prices, are recognized on a cumulative catch-up basis in the period in which the revisions to the estimates are made.

Based on an evaluation of individual projects that were substantially complete in prior periods but had revisions to total estimated costs or anticipated contract value (inclusive of the settlement of previously outstanding change orders and claims) that resulted in an increase to profitability in excess of $1.0 million, we recognized revenue during the years ended December 31, 2025, 2024, and 2023 as summarized in the following table (in thousands):

	2025	2024	2023
United States electrical construction and facilities services	$ 2,513	$ 14,006	$ 3,350
United States mechanical construction and facilities services	13,834	10,551	13,114
Total impact	$ 16,347	$ 24,557	$ 16,464

In addition, included in our results for the year ended December 31, 2024 was $12.3 million of gross profit recognized on two contracts as a result of favorable developments on certain claims. Of this amount, $8.4 million was reported within our United States electrical construction and facilities services segment and $3.9 million was reported within our United States mechanical construction and facilities services segment.

Based on an evaluation of individual projects that had revisions to total estimated costs or anticipated contract value that resulted in a reduction of profitability in excess of $1.0 million, our operating results were negatively impacted during the years ended December 31, 2025, 2024, and 2023, as summarized in the following table (in thousands):

	2025	2024	2023
United States electrical construction and facilities services	$ 50,866	$ 27,977	$ 12,535
United States mechanical construction and facilities services	35,075	38,342	10,864
United States building services	—	—	5,658
Total impact	$ 85,941	$ 66,319	$ 29,057

Due to the significant judgments utilized in the estimation process described above, if subsequent actual results and/or updated assumptions, estimates, or projections related to our underlying project positions were to change from those utilized at December 31, 2025, it could result in a material impact to our results of operations. For example, a 50 basis point increase or decrease in the estimated gross profit margin on our uncompleted construction projects, in the aggregate, as a result of a revision in estimated costs to complete a performance obligation or a revision in estimated transaction price, would have resulted in an increase or decrease to operating income of approximately $175 million for the year ended December 31, 2025.

See Note 3 - Revenue from Contracts with Customers of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further disclosure regarding revenue recognition.

Insurance Liabilities

We have loss payment deductibles for certain workers' compensation, automobile liability, general liability, and property claims, have self-insured retentions for certain other casualty claims, and are self-insured for employee-related healthcare claims. In addition, we maintain a wholly-owned captive insurance subsidiary to manage certain of our insurance liabilities. Losses are recorded based upon estimates of our liability for claims incurred and for claims incurred but not reported. The liabilities are derived from known facts, historical trends, and industry averages, utilizing the assistance of an independent third-party actuary to determine the best estimate for the majority of these obligations. We believe the liabilities recognized on the Consolidated Balance Sheets for these obligations are adequate. However, such obligations are difficult to assess and estimate due to numerous factors, including severity of injury, determination of liability in proportion to other parties, timely reporting of occurrences, and effectiveness of safety and risk management programs. Therefore, if our actual experience differs from the assumptions and estimates used for recording the liabilities, adjustments may be required and will be recorded in the period that the experience becomes known. In addition, an increase in the cost to settle insurance claims could result in higher insurance costs and deductibles. As of December 31, 2025, our estimated net insurance liabilities for workers' compensation, automobile liability, general liability, and property claims increased by $50.8 million when compared to December 31, 2024. Such increase was a result of greater potential exposures, including the impact of acquired companies, and an increase in certain of our deductibles or self-insured retentions. If our estimated insurance liabilities for workers' compensation, automobile liability, general liability, and property claims were to increase by 10%, it would have resulted in $29.1 million of additional expense for the year ended December 31, 2025.

Goodwill, Identifiable Intangible Assets, and Other Long-Lived Assets

Goodwill

As of December 31, 2025 and 2024, we had goodwill of $1.41 billion and $1.02 billion, respectively, arising out of the acquisition of businesses. Goodwill is not amortized but instead allocated to its respective reporting unit and evaluated for impairment annually, or more frequently if events or circumstances indicate that the carrying amount of goodwill may be impaired. We have determined that our reporting units are consistent with the reportable segments identified in Note 18 - Segment Information of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data. As of December 31, 2025, approximately 36.7% of our goodwill related to our United States electrical construction and facilities services segment, approximately 28.5% related to our United States mechanical construction and facilities services segment, approximately 26.0% related to our United States building services segment, and approximately 8.8% related to our United States industrial services segment.

Absent any earlier identified impairment indicators, we perform our annual goodwill impairment assessment on October 1 each fiscal year. Qualitative indicators that may trigger the need for interim quantitative impairment testing include, among others, a deterioration in macroeconomic conditions, declining financial performance, deterioration in the operational environment, or an expectation of selling or disposing of a portion of a reporting unit. Additionally, an interim impairment test may be triggered by a significant change in business climate, a loss of a significant customer, increased competition, or a sustained decrease in share price. In assessing whether our goodwill is impaired, we compare the fair value of the reporting unit to its carrying amount, including goodwill. If the fair value exceeds the carrying amount, no impairment is recognized. However, if the carrying amount of the reporting unit exceeds the fair value, the goodwill of the reporting unit is impaired and an impairment loss in the amount of the excess is recognized and charged to operations.

We performed our annual impairment assessment of all reporting units as of October 1, 2025 and determined there was no impairment of goodwill. Based on these impairment assessments, the fair values of our United States electrical construction and facilities services segment, our United States mechanical construction and facilities services segment, our United States building services segment, and our United States industrial services segment exceeded their carrying values by approximately $6.43 billion, $10.11 billion, $1.27 billion, and $120.3 million, respectively. As part of such annual testing, we compared the aggregate fair value of our reporting units to our market capitalization, noting that such comparison supported the reasonableness of the key assumptions utilized in determining the fair value of each of our reporting units.

In completing our annual impairment assessment, we determined the fair value of each of our reporting units using an income approach whereby fair value was calculated utilizing discounted estimated future cash flows, assuming a risk-adjusted industry weighted average cost of capital. The weighted average cost of capital used in our annual impairment testing was 10.4% for our United States construction segments, 11.0% for our United States building services segment, and 10.6% for our United States industrial services segment. These weighted average cost of capital estimates were developed with the assistance of an independent third-party valuation specialist and reflect the overall level of inherent risk within the respective reporting unit and the rate of return a market participant would expect to earn.

Our cash flow projections were derived from our most recent internal forecasts of anticipated revenue growth rates and operating margins, with cash flows beyond the discrete forecast period estimated using a terminal value calculation which incorporated historical and forecasted trends, an estimate of long-term growth rates, and assumptions about the future demand for our services. The perpetual growth rate used for our annual testing was 2.5% for all of our reporting units.

Due to the inherent uncertainties involved in making estimates, our assumptions may change in future periods. Estimates and assumptions made for purposes of our goodwill impairment testing may prove to be inaccurate predictions of the future, and other factors used in assessing fair value, such as the weighted average cost of capital, are outside the control of management. Unfavorable changes in certain of these key assumptions may affect future testing results. For example, keeping all other assumptions constant, a 50 basis point increase in the weighted average cost of capital would cause the estimated fair values of our United States electrical construction and facilities services segment, our United States mechanical construction and facilities services segment, our United States building services segment, and our United States industrial services segment to decrease by approximately $445.2 million, $609.5 million, $99.5 million, and $25.3 million, respectively. In addition, keeping all other assumptions constant, a 50 basis point reduction in the perpetual growth rate would cause the estimated fair values of our United States electrical construction and facilities services segment, our United States mechanical construction and facilities services segment, our United States building services segment, and our United States industrial services segment to decrease by approximately $242.3 million, $342.4 million, $49.2 million, and $9.9 million, respectively. Given the amounts by which the fair value exceeds the carrying value for each of our reporting units, the decreases in estimated fair values described above would not have significantly impacted the results of our 2025 impairment tests. Further, for each of our reporting units, a 10% decline in the estimated fair value of such reporting unit, due to other changes in our assumptions, including forecasted future cash flows, would not have significantly impacted the results of our 2025 impairment tests.

Identifiable Intangible Assets and Other Long-Lived Assets

As of December 31, 2025 and 2024, net identifiable intangible assets (primarily consisting of our customer relationships, subsidiary trade names, contract backlog, and developed technology/vendor network) arising out of the acquisition of businesses were $1.11 billion and $648.2 million, respectively. The determination of identifiable intangible asset values, related estimated useful lives, and whether those assets are impaired involves significant judgments based upon short- and long-term projections of future performance. These forecasts reflect assumptions regarding anticipated macroeconomic conditions as well as our ability to successfully integrate acquired businesses.

Absent earlier indicators of impairment, we test for impairment of subsidiary trade names that are not subject to amortization on an annual basis (October 1). In addition, we review for impairment of identifiable intangible assets that are being amortized as well as other long-lived assets whenever facts and circumstances indicate that their carrying values may not be fully recoverable.

As of October 1, 2025, we performed our annual impairment testing of all subsidiary trade names that are not subject to amortization and determined that there was no impairment of these assets. In performing this impairment assessment, we considered the sensitivity of the reported amounts to the methods, assumptions, and estimates underlying our testing. For example, we performed sensitivity analyses and concluded that, individually, none of the following changes in estimates or assumptions would have significantly impacted the results of our testing or resulted in a material impairment of our subsidiary trade names: (a) a 50 basis point increase in the discount rate utilized in our testing, (b) a 50 basis point decline in the perpetual growth rate utilized in our testing, or (c) a 10% decrease in the estimated fair value of each trade name.

With respect to identifiable intangible assets that are being amortized as well as other long-lived assets, we did not identify any circumstances indicating that their carrying values may not be fully recoverable and, therefore, no impairment testing was required for these assets during the year ended December 31, 2025.

During 2023, we identified facts and circumstances that indicated the carrying values of certain long-lived assets within our United States mechanical construction and facilities services segment may not be fully recoverable, necessitating a comparison of their carrying values to the undiscounted pre-tax cash flows estimated to result from the use of such assets. As a result of this test, we determined that these assets were impaired, and recognized a $2.4 million impairment charge as calculated using a discounted cash flow model.

Other Considerations

As referenced above, impairment testing is based upon assumptions and estimates determined by management from a review of our operating results and business plans as well as forecasts of anticipated growth rates and margins, among other considerations. In addition, estimates of weighted average costs of capital are developed with the assistance of an independent third-party valuation specialist. These assumptions and estimates may change in future periods. Significant adverse changes to external market conditions or our internal forecasts, if any, could result in future impairment charges. It is not possible at this time to determine if any future impairment charge will result or, if it does, whether such a charge would be material to our results of operations.

Refer to Note 8 - Goodwill, Identifiable Intangible Assets, and Other Long-Lived Assets of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data for further information about our goodwill and identifiable intangible assets as well as our impairment testing. No impairment of our goodwill or identifiable intangible assets was recognized during the years ended December 31, 2025, 2024, or 2023.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We have not used any derivative financial instruments during the years ended December 31, 2025 and 2024, including trading or speculating on changes in interest rates or commodity prices of materials used in our business.

We are exposed to market risk for changes in interest rates for any borrowings under our revolving credit facility, which bear interest at variable rates. Although the Federal Reserve Board lowered the federal funds rate in 2024 and 2025, the pace and extent of additional rate cuts are uncertain. For further information regarding our credit facility and associated borrowing rates, refer to Note 9 - Debt of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

We are exposed to construction market risk and its potential related impact on accounts receivable or contract assets on uncompleted contracts. The amounts recorded may be at risk if our customers' ability to pay these obligations is negatively impacted by economic conditions. We continually monitor the creditworthiness of our customers and maintain on-going discussions with customers regarding contract status with respect to change orders and billing terms. Therefore, we believe we take appropriate action to manage market and other risks, but there is no assurance that we will be able to reasonably identify all risks with respect to the collectability of these assets. For further discussion regarding the collectability of our outstanding accounts receivable, refer to Note 2 - Summary of Significant Accounting Policies of the notes to consolidated financial statements included in Item 8. Financial Statements and Supplementary Data.

In addition, we are exposed to market risk of fluctuations in certain commodity prices of materials, such as copper and steel, which are used as components of supplies or materials utilized in our construction, building services, and industrial services operations. Trade and sanction policies (including tariffs) may also affect the pricing of such supplies and materials. We are also exposed to increases in energy prices, particularly as they relate to gasoline prices for our fleet of approximately 14,400 vehicles. While we believe we can increase our contract prices to adjust for some price increases in commodities, there can be no assurance that such price increases, if they were to occur, would be recoverable. Additionally, certain of our fixed price contracts do not allow us to adjust our prices and, as a result, increases in material costs could reduce our profitability with respect to projects in progress.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

EMCOR Group, Inc. and Subsidiaries

CONSOLIDATED BALANCE SHEETS

(In thousands, except share and per share data)

The accompanying notes to consolidated financial statements are an integral part of these statements.

NOTE 1 - NATURE OF OPERATIONS

References to the "Company," "EMCOR," "we," "us," "our" and similar words refer to EMCOR Group, Inc. and its consolidated subsidiaries unless the context indicates otherwise.

We are one of the largest specialty contractors in the United States and a leading provider of electrical and mechanical construction and facilities services, building services, and industrial services. Our services are provided to a broad range of commercial, technology, manufacturing, industrial, healthcare, utility, and institutional customers through approximately 100 operating subsidiaries, which specialize principally in providing construction services relating to electrical and mechanical systems in all types of facilities and in providing various services relating to the operation, maintenance, and management of those facilities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and the subsidiaries and joint ventures it controls. All intercompany accounts and transactions have been eliminated. Investments over which we exercise significant influence, but do not control, are accounted for using the equity method of accounting. For joint ventures that have been accounted for using the consolidation method of accounting, noncontrolling interests represent the allocation of earnings to our joint venture partners who either have a minority-ownership interest in the joint venture or are not the primary beneficiary of the joint venture.

The results of operations of companies acquired have been included in our results of operations from the date of their respective acquisition by us.

On December 1, 2025, we sold our United Kingdom operations, the results of which are reported within our United Kingdom building services segment through the date of sale.

Principles of Preparation

The preparation of the consolidated financial statements, in conformity with accounting principles generally accepted in the United States, requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could materially differ from those estimates.

Revenue Recognition

Revenue is recognized when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Refer to Note 3 - Revenue from Contracts with Customers of the notes to consolidated financial statements for additional information.

Cash and Cash Equivalents

For purposes of the consolidated financial statements, we consider all highly liquid instruments with original maturities of three months or less to be cash equivalents. We maintain a centralized cash management system whereby our excess cash balances are invested in high quality short-term money market instruments, which are considered cash equivalents. We have cash balances in certain of our bank accounts that exceed federally insured limits.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable are recognized in the period we deliver goods and services to our customers or when our right to consideration is unconditional. The Company maintains an allowance for credit losses to reduce outstanding receivables to their net realizable value. Judgment is required when determining expected credit losses. Estimates of such losses are recorded when we believe a customer, or group of customers, may not be able to meet their financial obligations due to deterioration in financial condition or credit rating. Factors relevant to our assessment include our prior collection history with our customers, the related aging of past due balances, projections of credit losses based on historical trends in credit quality indicators or past events, and forecasts of future economic conditions. In addition to monitoring delinquent accounts, management reviews the credit quality of its receivables by, among other things, obtaining credit ratings of significant customers, assessing economic and market conditions, and evaluating material changes to a customer's business, cash flows, and financial condition.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

At December 31, 2025 and 2024, our accounts receivable of $4.24 billion and $3.58 billion, respectively, were recorded net of allowances for credit losses of $22.8 million and $35.0 million, respectively. Allowances for credit losses are based on the best facts available and are reassessed and adjusted on a regular basis as additional information is received. Should anticipated collections fail to materialize, or if future economic conditions compare unfavorably to our forecasts, we could experience an increase in our credit losses. The provision for credit losses during 2025, 2024, and 2023 amounted to approximately $7.7 million, $17.3 million, and $7.9 million, respectively.

The change in the allowance for credit losses for the year ended December 31, 2025 was as follows (in thousands):

Balance at December 31, 2024	$	34,957
Provision for credit losses		7,671
Amounts written off against the allowance, net of recoveries		(19,871)
Balance at December 31, 2025	$	22,757

The decrease in our allowance for credit losses was due to the write-off of specific receivables which were previously reserved for within our United States building services segment, partially offset by the provision for credit losses recorded during 2025.

Inventories

Inventories are stated at the lower of cost or net realizable value. Cost is determined principally using the average cost method. Refer to Note 6 - Inventories of the notes to consolidated financial statements for additional information.

Leases

At the inception of a contract, we determine whether the arrangement is or contains a lease. Leases are classified as either operating or finance, based on our evaluation of certain criteria. With the exception of short-term leases (leases with an initial term of 12 months or less), we record right-of-use assets and corresponding lease liabilities on the Consolidated Balance Sheets for all leases with contractual fixed payments. Lease liabilities are measured at the present value of remaining lease payments, while right-of-use assets are initially set equal to the lease liability, as adjusted for any payments made prior to lease commencement, lease incentives, and any initial direct costs incurred by us. For operating leases, rent expense is recognized on a straight-line basis over the term of the lease, and right-of-use assets are subsequently re-measured to reflect the effect of uneven lease payments. For finance leases, right-of-use assets are amortized on a straight-line basis over the shorter of the lease term or the useful life of the underlying asset. Expenses for finance leases include the amortization of right-of-use assets, which is recorded as depreciation and amortization expense, and interest expense, which reflects interest accrued on the lease liability.

Short-term leases are not recorded on the Consolidated Balance Sheets but are expensed on a straight-line basis over the lease term. The majority of the Company’s short-term leases relate to equipment used on construction projects. Such equipment leases are considered short-term in nature unless it is reasonably certain that the equipment will be leased for a period greater than 12 months.

Refer to Note 16 - Leases of the notes to consolidated financial statements for additional information.

Property, Plant, and Equipment

Property, plant, and equipment is stated at cost. Depreciation, including amortization of assets under finance leases, is recorded using the straight-line method over estimated useful lives of 3 to 10 years for machinery and equipment, 3 to 7 years for vehicles, furniture and fixtures, and computer hardware/software, and 25 years for buildings. Leasehold improvements are amortized over the shorter of the remaining lease term or the expected useful life of the improvement.

The carrying values of property, plant, and equipment are reviewed for impairment whenever facts and circumstances indicate that the carrying amount may not be fully recoverable. In performing this review for recoverability, property, plant, and equipment is assessed for possible impairment by comparing their carrying values to the undiscounted net pre-tax cash flows expected to result from the use of the asset. Impaired assets are written down to their fair values, generally determined based on their estimated future discounted cash flows.

Refer to Note 7 - Property, Plant, and Equipment of the notes to consolidated financial statements for additional information.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Goodwill, Identifiable Intangible Assets, and Other Long-Lived Assets

Goodwill and indefinite-lived intangible assets, such as trade names, are evaluated at least annually for impairment (each October 1, absent any earlier identified impairment indicators) and are written down if impaired. Identifiable intangible assets with finite lives are amortized over their useful lives and, along with certain other long-lived assets, are reviewed for impairment whenever facts and circumstances indicate that their carrying values may not be fully recoverable. See Note 8 - Goodwill, Identifiable Intangible Assets, and Other Long-Lived Assets of the notes to consolidated financial statements for additional information.

Insurance Liabilities

We have loss payment deductibles for certain workers' compensation, automobile liability, general liability, and property claims, have self-insured retentions for certain other casualty claims, and are self-insured for employee-related healthcare claims. In addition, we maintain a wholly-owned captive insurance subsidiary to manage certain of our insurance liabilities. Losses are recorded based upon estimates of our liability for claims incurred and for claims incurred but not reported. The liabilities are derived from known facts, historical trends, and industry averages, utilizing the assistance of an independent third-party actuary to determine the best estimate for the majority of these obligations. To the extent that the amount required to settle claims covered by insurance continues to increase, the cost of our insurance coverage, including premiums and deductibles, is likely to increase. As of December 31, 2025 and 2024, the estimated current portion of such undiscounted insurance liabilities, included in "Other accrued expenses and liabilities" in the accompanying Consolidated Balance Sheets, were $84.0 million and $50.8 million, respectively. The estimated non-current portion of such undiscounted insurance liabilities included in "Other long-term obligations" as of December 31, 2025 and 2024 were $274.1 million and $237.3 million, respectively. The current portion of anticipated insurance recoveries of $15.5 million and $9.2 million as of December 31, 2025 and 2024, respectively, were included in "Prepaid expenses and other" and the non-current portion of anticipated insurance recoveries of $51.7 million and $38.7 million as of December 31, 2025 and 2024, respectively, were included in "Other assets" in the accompanying Consolidated Balance Sheets. These balances increased from December 31, 2024 as a result greater potential exposures, including the impact of acquired companies, and an increase in certain of our deductibles or self-insured retentions.

Foreign Operations

The financial statements and transactions of any foreign subsidiaries are maintained in their functional currency and translated into U.S. dollars when preparing our consolidated financial statements. Statements of operations, comprehensive income, and cash flows are translated using weighted average monthly exchange rates, while balance sheets are translated at month-end exchange rates. Translation adjustments are recorded as "Accumulated other comprehensive loss," a separate component of "Equity."

Income Taxes

The Company follows the liability method of accounting for income taxes. Under this method, deferred income tax assets and liabilities are recognized for the expected future tax consequences of temporary differences between the financial statement and income tax bases of assets and liabilities as well as for net operating loss and tax credit carryforwards. Deferred income taxes are valued using enacted tax rates expected to be in effect when income taxes are paid or recovered, with the effect of a change in tax laws or rates recognized in the statement of operations in the periods in which such change is enacted. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the period in which those temporary differences become deductible. Deferred income taxes are recorded net of a valuation allowance when it is more likely than not that all or a portion of a deferred tax asset will not be realized. In making such determination, we consider all available evidence, including projections of future taxable income, tax-planning strategies, and recent results of operations.

Tax benefits associated with uncertain tax positions are recognized only if it is more likely than not that the tax position would be sustained on its technical merits. For positions not meeting the "more likely than not" test, no tax benefit is recognized. To the extent interest and penalties may be assessed related to unrecognized tax benefits, we record accruals for such amounts as a component of the income tax provision. We had no unrecognized income tax benefits as of December 31, 2025 and 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Share-Based Compensation

Our share-based compensation plans and programs are administered by our Board of Directors or its Compensation and Personnel Committee. We recognize expense for all share-based payments issued to acquire goods or services based on the fair value of such payments. Compensation expense related to share-based awards is generally recognized on a straight-line basis over the requisite service period, which is the vesting period. The benefits of tax deductions in excess of recognized compensation expense are recognized in the Consolidated Statements of Operations when the underlying awards vest or are settled. See Note 13 - Share-Based Compensation Plans of the notes to consolidated financial statements for additional information regarding our share-based compensation plans and programs.

New Accounting Pronouncements

In December 2023, the Financial Accounting Standards Board (the "FASB") issued an Accounting Standards Update ("ASU") intended to enhance the transparency and decision-usefulness of income tax disclosures. Such guidance requires entities to provide additional information within their income tax rate reconciliation, including further disclosure of federal, state, and foreign income taxes and to provide more details about these reconciling items if a quantitative threshold is met. This guidance additionally requires expanded disclosure of income taxes paid, including amounts paid for federal, state, and foreign taxes. This ASU is effective for fiscal years beginning after December 15, 2024. While the adoption of this ASU did not have an impact on our financial position and/or results of operations, we have provided the additional required disclosures within Note 11 - Income Taxes of the notes to consolidated financial statements.

In November 2024, the FASB issued an ASU, which requires disaggregated disclosures, in the notes to the financial statements, about certain income statement expense line items on an interim and annual basis. This guidance requires entities to provide more detailed information about purchases of inventory, employee compensation, depreciation expense, intangible asset amortization, and selling expenses. Such guidance, which is required to be applied prospectively, is effective for fiscal years beginning after December 15, 2026, and interim periods within fiscal years beginning after December 15, 2027, although early adoption and retrospective application is permitted. While the adoption of this ASU will not have an impact on our financial position and/or results of operations, we are currently evaluating the impact on our financial statement disclosures, including the processes and controls around the collection of this information.

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS

The Company recognizes revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which we expect to be entitled in exchange for those goods or services by applying the following five step model:

(1) Identify the contract with a customer

A contract with a customer exists when: (a) the parties have approved the contract and are committed to perform their respective obligations, (b) the rights of the parties can be identified, (c) payment terms can be identified, (d) the arrangement has commercial substance, and (e) collectability of consideration is probable. Judgment is required when determining if the contractual criteria are met, specifically in the earlier stages of a project when a formally executed contract may not yet exist. In these situations, the Company evaluates all relevant facts and circumstances, including the existence of other forms of documentation or historical experience with our customers that may indicate a contractual agreement is in place and revenue should be recognized. In determining if the collectability of consideration is probable, the Company considers the customer's ability and intention to pay such consideration through an evaluation of several factors, including an assessment of the creditworthiness of the customer and our prior collection history with such customer.

(2) Identify the performance obligations in the contract

At contract inception, the Company assesses the goods or services promised in a contract and identifies, as a separate performance obligation, each distinct promise to transfer goods or services to the customer. The identified performance obligations represent the "unit of account" for purposes of determining revenue recognition. In order to properly identify separate performance obligations, the Company applies judgment in determining whether each good or service provided is: (a) capable of being distinct, whereby the customer can benefit from the good or service either on its own or together with other resources that are readily available to the customer, and (b) distinct within the context of the contract, whereby the transfer of the good or service to the customer is separately identifiable from other promises in the contract.

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS (Continued)

In addition, when assessing performance obligations within a contract, the Company considers the warranty provisions included within such contract. To the extent the warranty terms provide the customer with an additional service, other than assurance that the promised good or service complies with agreed upon specifications, such warranty is accounted for as a separate performance obligation. In determining whether a warranty provides an additional service, the Company considers each warranty provision in comparison to warranty terms which are standard in the industry.

Our contracts are often modified through change orders to account for changes in the scope and price of the goods or services we are providing. Although the Company evaluates each change order to determine whether such modification creates a separate performance obligation, the majority of our change orders are for goods or services that are not distinct within the context of our original contract and, therefore, are not treated as separate performance obligations.

(3) Determine the transaction price

The transaction price represents the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to our customers. The consideration promised within a contract may include fixed amounts, variable amounts, or both. To the extent the performance obligation includes variable consideration, including contract bonuses and penalties that can either increase or decrease the transaction price, the Company estimates the amount of variable consideration to be included in the transaction price utilizing one of two prescribed methods, depending on which method better predicts the amount of consideration to which the entity will be entitled. Such methods include: (a) the expected value method, whereby the amount of variable consideration to be recognized represents the sum of probability-weighted amounts in a range of possible consideration amounts, and (b) the most likely amount method, whereby the amount of variable consideration to be recognized represents the single most likely amount in a range of possible consideration amounts. When applying these methods, the Company considers all information that is reasonably available, including historical, current, and estimates of future performance. The expected value method is typically utilized in situations where a contract contains a large number of possible outcomes while the most likely amount method is typically utilized in situations where a contract has only two possible outcomes.

Variable consideration is included in the transaction price only to the extent it is probable, in the Company's judgment, that a significant future reversal in the amount of cumulative revenue recognized under the contract will not occur when the uncertainty associated with the variable consideration is subsequently resolved. This threshold is referred to as the variable consideration constraint. In assessing whether to apply the variable consideration constraint, the Company considers if factors exist that could increase the likelihood or the magnitude of a potential reversal of revenue, including, but not limited to, whether: (a) the amount of consideration is highly susceptible to factors outside of the Company's influence, such as the actions of third parties, (b) the uncertainty surrounding the amount of consideration is not expected to be resolved for a long period of time, (c) the Company's experience with similar types of contracts is limited or that experience has limited predictive value, (d) the Company has a practice of either offering a broad range of price concessions or changing the payment terms and conditions of similar contracts in similar circumstances, and (e) the contract has a large number and broad range of possible consideration amounts.

Pending change orders represent one of the most common forms of variable consideration included within contract value and typically represent contract modifications for which a change in scope has been authorized or acknowledged by our customer but the final adjustment to contract price is yet to be negotiated. In estimating the transaction price for pending change orders, the Company considers all relevant facts, including documented correspondence with the customer regarding acknowledgment of and/or agreement with the modification, as well as historical experience with the customer or similar contractual circumstances. Based upon this assessment, the Company estimates the transaction price, including whether the variable consideration constraint should be applied.

Contract claims are another form of variable consideration which is common within our industry. Claim amounts represent revenue that has been recognized for contract modifications that are not submitted or are in dispute as to both scope and price. In estimating the transaction price for claims, the Company considers all relevant facts available. However, given the uncertainty surrounding claims, including the potential long-term nature of dispute resolution and the broad range of possible consideration amounts, there is an increased likelihood that any additional contract revenue associated with contract claims is constrained. The resolution of claims involves negotiations and, in certain cases, litigation. In the event litigation costs are incurred by us in connection with claims, such litigation costs are expensed as incurred, although we may seek to recover these costs.

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS (Continued)

For some transactions, the receipt of consideration does not match the timing of the transfer of goods or services to the customer. For such contracts, the Company evaluates whether this timing difference represents a financing arrangement within the contract. Although rare, if a contract is determined to contain a significant financing component, the Company adjusts the promised amount of consideration for the effects of the time value of money when determining the transaction price of such contract. Although our customers may retain a portion of the contract price until completion of the project and final contract settlement, these retainage amounts are not considered a significant financing component as the intent of the withheld amounts is to provide the customer with assurance that we will complete our obligations under the contract rather than to provide financing to the customer. In addition, although we may be entitled to advanced payments from our customers on certain contracts, these advanced payments generally do not represent a significant financing component as the payments are used to meet working capital demands that can be higher in the early stages of a contract, as well as to protect us from our customer failing to meet its obligations under the contract.

Changes in the estimates of transaction prices are recognized on a cumulative catch-up basis in the period in which the revisions to the estimates are made. Such changes in estimates can result in the recognition of revenue in a current period for performance obligations which were satisfied or partially satisfied in prior periods. Such changes in estimates may also result in the reversal of previously recognized revenue if the ultimate outcome differs from the Company's previous estimate.

(4) Allocate the transaction price to the performance obligations in the contract

For contracts that contain multiple performance obligations, the Company allocates the transaction price to each performance obligation based on a relative standalone selling price. The Company determines the standalone selling price based on the price at which the performance obligation would have been sold separately in similar circumstances to similar customers. If the standalone selling price is not observable, the Company estimates the standalone selling price taking into account all available information such as market conditions and internal pricing guidelines. In certain circumstances, the standalone selling price is determined using an expected profit margin on anticipated costs related to the performance obligation.

(5) Recognize revenue as performance obligations are satisfied

The Company recognizes revenue at the time the related performance obligation is satisfied by transferring a promised good or service to its customers. A good or service is considered to be transferred when the customer obtains control. The Company can transfer control of a good or service and satisfy its performance obligations either over time or at a point in time. The Company transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognizes revenue over time if one of the following three criteria are met: (a) the customer simultaneously receives and consumes the benefits provided by the Company's performance as we perform, (b) the Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced, or (c) the Company's performance does not create an asset with an alternative use to us, and we have an enforceable right to payment for performance completed to date.

For our performance obligations satisfied over time, we recognize revenue by measuring the progress toward complete satisfaction of that performance obligation. The selection of the method to measure progress towards completion can be either an input method or an output method and requires judgment based on the nature of the goods or services to be provided.

For our construction contracts, revenue is generally recognized over time as our performance creates or enhances an asset that the customer controls as it is created or enhanced. Our fixed price construction projects generally use a cost-to-cost input method to measure our progress towards complete satisfaction of the performance obligation as we believe it best depicts the transfer of control to the customer which occurs as we incur costs on our contracts. Under the cost-to-cost measure of progress, the extent of progress towards completion is measured based on the ratio of costs incurred to date to the total estimated costs at completion of the performance obligation.

For our unit price construction contracts, progress towards complete satisfaction is measured through an output method, such as the number of units produced or delivered, when our performance does not produce significant amounts of work in process or finished goods prior to complete satisfaction of such performance obligations.

For our services contracts, revenue is also generally recognized over time as the customer simultaneously receives and consumes the benefits of our performance as we perform the service. For our fixed price service contracts with specified service periods, revenue is generally recognized on a straight-line basis over such service period when our inputs are expended evenly and the customer receives and consumes the benefits of our performance throughout the contract term.

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS (Continued)

The timing of revenue recognition for the manufacturing of new build heat exchangers within our United States industrial services segment depends on the payment terms of the contract, as our performance does not create an asset with an alternative use to us. For those contracts for which we have a right to payment for performance completed to date at all times throughout our performance, inclusive of a cancellation, we recognize revenue over time. For these performance obligations, we use a cost-to-cost input method to measure our progress towards complete satisfaction of the performance obligation as we believe it best depicts the transfer of control to the customer which occurs as we incur costs on our contracts. However, for those contracts for which we do not have a right, at all times, to payment for performance completed to date, we recognize revenue at the point in time when control is transferred to the customer. For bill-and-hold arrangements, revenue is recognized when the customer obtains control of the heat exchanger, which may be prior to shipping if certain recognition criteria are met.

For certain of our revenue streams, such as call-out repair and service work, outage services, refinery turnarounds, and specialty welding services that are performed under time and materials contracts, our progress towards complete satisfaction of such performance obligations is measured using an output method as the customer receives and consumes the benefits of our performance completed to date.

Changes in Estimates

Due to uncertainties inherent in the estimation process, as well as the significant judgment involved in determining variable consideration, it is possible that estimates of costs to complete a performance obligation, and/or our estimates of transaction prices, will be revised in the near term. For those performance obligations for which revenue is recognized using a cost-to-cost input method, changes in total estimated costs, and related progress towards complete satisfaction of the performance obligation, or changes in the estimate of transaction prices, are recognized on a cumulative catch-up basis in the period in which the revisions to the estimates are made. When the current estimate of total costs for a performance obligation indicates a loss, a provision for the entire estimated loss on the unsatisfied performance obligation is made in the period in which the loss becomes evident.

Based on an evaluation of individual projects that were substantially complete in prior periods but had revisions to total estimated costs or anticipated contract value (inclusive of the settlement of previously outstanding change orders and claims) that resulted in an increase to profitability in excess of $1.0 million, we recognized revenue during the years ended December 31, 2025, 2024, and 2023 as summarized in the following table (in thousands):

	2025	2024	2023
United States electrical construction and facilities services	$ 2,513	$ 14,006	$ 3,350
United States mechanical construction and facilities services	13,834	10,551	13,114
Total impact	$ 16,347	$ 24,557	$ 16,464

In addition, included in our results for the year ended December 31, 2024 was $12.3 million of gross profit recognized on two contracts as a result of favorable developments on certain claims. Of this amount, $8.4 million was reported within our United States electrical construction and facilities services segment and $3.9 million was reported within our United States mechanical construction and facilities services segment.

Based on an evaluation of individual projects that had revisions to total estimated costs or anticipated contract value that resulted in a reduction of profitability in excess of $1.0 million, our operating results were negatively impacted during the years ended December 31, 2025, 2024, and 2023, as summarized in the following table (in thousands):

	2025	2024	2023
United States electrical construction and facilities services	$ 50,866	$ 27,977	$ 12,535
United States mechanical construction and facilities services	35,075	38,342	10,864
United States building services	—	—	5,658
Total impact	$ 85,941	$ 66,319	$ 29,057

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS (Continued)

Disaggregation of Revenues

Our revenues are principally derived from contracts to provide construction services relating to electrical and mechanical systems, as well as to provide a number of building services and industrial services to our customers. Our contracts are with many different customers in numerous industries.

The following tables provide further disaggregation of our revenues by categories we use to evaluate our financial performance within each of our reportable segments (in thousands, except for percentages).

Refer to Note 18 - Segment Information of the notes to consolidated financial statements for additional information on how we disaggregate our revenues by reportable segment.

	2025	% of Total	2024	% of Total	2023	% of Total
United States electrical construction and facilities services:						
Network and communications market sector	$ 2,461,883	48 %	$ 1,442,877	43 %	$ 934,455	34 %

Consolidated revenues	$16,986,422		$14,566,116		$12,582,873	

Contract Assets and Contract Liabilities

The timing of revenue recognition may differ from the timing of invoicing to customers. Contract assets include unbilled amounts from our construction projects when revenues recognized under the cost-to-cost measure of progress exceed the amounts invoiced to our customers, as the amounts are not yet billable under the terms of our contracts. Such amounts are recoverable from our customers based upon various measures of performance, including achievement of certain milestones, completion of specified units, or completion of a contract. In addition, many of our time and materials arrangements, as well as our contracts to perform turnaround services within the United States industrial services segment, are billed in arrears pursuant to contract terms that are standard within the industry, resulting in contract assets and/or unbilled receivables being recorded as revenue is recognized in advance of billings.

Also included in contract assets are amounts we seek or will seek to collect from customers or others for errors or changes in contract specifications or design, contract change orders or modifications in dispute or unapproved as to scope and/or price, or other customer-related causes of unanticipated additional contract costs (claims and unapproved change orders). Our contract assets do not include capitalized costs to obtain and fulfill a contract. Contract assets are generally classified as current within the Consolidated Balance Sheets.

As of December 31, 2025 and 2024, contract assets included unbilled revenues for unapproved change orders of approximately $26.2 million and $25.1 million, respectively. There were no claim amounts included in contract assets as of December 31, 2025 and 2024. There were $116.1 million and $6.9 million of claims included within accounts receivable as of December 31, 2025 and 2024, respectively. There were undisputed contractually billed amounts and retention related to contracts with unapproved change orders and claims of approximately $158.8 million and $172.4 million as of December 31, 2025 and 2024, respectively. For contracts in claim status, contractually billed amounts will generally not be paid by the customer to us until final resolution of the related claims.

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS (Continued)

Contract liabilities from our construction contracts arise when amounts invoiced to our customers exceed revenues recognized under the cost-to-cost measure of progress. Contract liabilities additionally include advanced payments from our customers on certain contracts. Contract liabilities decrease as we recognize revenue from the satisfaction of the related performance obligation and are recorded as either current or long-term, depending upon when we expect to recognize such revenue. The long-term portion of contract liabilities is included in "Other long-term obligations" in the Consolidated Balance Sheets.

Net contract liabilities in the accompanying Consolidated Balance Sheets consisted of the following amounts as of December 31, 2025 and 2024 (in thousands):

	December 31, 2025	December 31, 2024
Contract assets, current	$ 337,717	$ 284,791
Contract assets, non-current	—	—
Contract liabilities, current	(2,327,360)	(2,047,540)
Contract liabilities, non-current	(837)	(1,526)
Net contract liabilities	$ (1,990,480)	$ (1,764,275)

Included within net contract liabilities were $1.92 billion and $1.69 billion of net contract liabilities on uncompleted construction projects as of December 31, 2025 and 2024, respectively, as follows (in thousands):

	December 31, 2025	December 31, 2024
Costs incurred on uncompleted construction contracts	$ 23,380,178	$ 18,093,285
Estimated earnings, thereon	5,126,164	3,562,012
	28,506,342	21,655,297
Less: billings to date	30,428,471	23,346,291
	$ (1,922,129)	$ (1,690,994)

Contract assets and contract liabilities increased by approximately $61.1 million and $188.1 million, respectively, as a result of acquisitions made by us in 2025. Excluding the impact of acquisitions, net contract liabilities increased by approximately $99.2 million during the year ended December 31, 2025, due to an increase in net contract liabilities on our uncompleted construction projects, partially as a result of the timing of invoicing to our customers as we continue to effectively manage our working capital. There was no significant impairment of contract assets recognized during the periods presented.

Contract Retentions

As of December 31, 2025 and 2024, accounts receivable included $944.5 million and $703.2 million, respectively, of retainage billed under terms of our contracts. These retainage amounts represent amounts which have been contractually invoiced to customers where payments have been partially withheld pending the completion of the project. We estimate that approximately 90% of the retainage outstanding as of December 31, 2025 will be collected during 2026.

As of December 31, 2025 and 2024, accounts payable included $152.3 million and $121.5 million, respectively, of retainage withheld under terms of our subcontracts. These retainage amounts represent amounts invoiced to the Company by our subcontractors where payments have been partially withheld pending the completion of their scope of work. We estimate that approximately 89% of the retainage outstanding as of December 31, 2025 will be paid during 2026.

NOTE 3 - REVENUE FROM CONTRACTS WITH CUSTOMERS (Continued)

Transaction Price Allocated to Remaining Unsatisfied Performance Obligations

The following table presents the transaction price allocated to remaining unsatisfied performance obligations ("remaining performance obligations") for each of our reportable segments and their respective percentages of total remaining performance obligations as of December 31, 2025 (in thousands, except for percentages):

	December 31, 2025	% of Total
Remaining performance obligations:		
United States electrical construction and facilities services	$ 4,963,855	38 %
United States mechanical construction and facilities services	6,929,300	52 %
United States building services	1,188,537	9 %
United States industrial services	171,972	1 %
Total operations	$ 13,253,664	100 %

Our remaining performance obligations at December 31, 2025 were approximately $13.25 billion. Remaining performance obligations increase with awards of new contracts and decrease as we perform work and recognize revenue on existing contracts. We include a project within our remaining performance obligations at such time the project is awarded and agreement on contract terms has been reached. Our remaining performance obligations include amounts related to contracts for which a fixed price contract value is not assigned when a reasonable estimate of the total transaction price can be made.

Remaining performance obligations include unrecognized revenues to be realized from uncompleted construction contracts. Although many of our construction contracts are subject to cancellation at the election of our customers, in accordance with industry practice, we do not limit the amount of unrecognized revenue included within remaining performance obligations for these contracts as the risk of cancellation is very low due to the inherent substantial economic penalty that our customers would incur upon cancellation or termination. We believe our reported remaining performance obligations for our construction contracts are firm and contract cancellations have not had a material adverse effect on us.

Remaining performance obligations also include unrecognized revenues expected to be realized over the remaining term of service contracts. However, to the extent a service contract includes a cancellation clause which allows for the termination of such contract by either party without a substantive penalty, the remaining contract term, and therefore, the amount of unrecognized revenues included within remaining performance obligations, is limited to the notice period required for the termination.

Our remaining performance obligations are comprised of: (a) original contract amounts, (b) change orders for which we have received written confirmations from our customers, (c) pending change orders for which we expect to receive confirmations in the ordinary course of business, (d) claim amounts that we have made against customers for which we have determined we have a legal basis under existing contractual arrangements and as to which the variable consideration constraint does not apply, and (e) other forms of variable consideration to the extent that such variable consideration has been included within the transaction price of our contracts. Such claim and other variable consideration amounts were immaterial for all periods presented.

Refer to the table below for additional information regarding our remaining performance obligations, including an estimate of when we expect to recognize such remaining performance obligations as revenue (in thousands):

	Within one year	Greater than one year
Remaining performance obligations:		
United States electrical construction and facilities services	$ 3,937,660	$ 1,026,195
United States mechanical construction and facilities services	5,621,652	1,307,648
United States building services	1,080,633	107,904
United States industrial services	171,972	—
Total operations	$10,811,917	$ 2,441,747

NOTE 4 - ACQUISITIONS AND DISPOSITIONS OF BUSINESSES

Acquisitions are accounted for utilizing the acquisition method of accounting and the prices paid for them are allocated to their respective assets and liabilities based upon the estimated fair value of such assets and liabilities at the dates of their respective acquisition by us.

On February 3, 2025, we completed the acquisition of Miller Electric Company ("Miller Electric"), a leading electrical contractor that operates predominantly across the Southeastern United States. Under the terms of the transaction, we acquired 100% of Miller Electric's capital stock for total cash consideration of approximately $876.8 million, inclusive of working capital and other customary adjustments. This acquisition complements our existing electrical construction capabilities in high-growth end markets and expands our geographic presence. The results of operations of Miller Electric have been included within our United States electrical construction and facilities services segment. For the period from February 3, 2025 to December 31, 2025, such acquisition contributed revenues of $1.09 billion and operating income of $21.3 million, net of amortization expense attributable to identifiable intangible assets of $40.5 million. In connection with this acquisition, we incurred $9.4 million of transaction related costs. These expenses were included in "Selling, general and administrative expenses" in the accompanying Consolidated Statement of Operations.

The following tables summarize the estimated fair values of the assets acquired and liabilities assumed as of the acquisition date (in thousands):

Assets:	
Cash and cash equivalents	$ 18,394
Accounts receivable [(1)]	222,355
Contract assets	23,120
Inventories	329
Prepaid expenses and other	7,284
Property, plant, and equipment	10,462
Operating lease right-of-use assets	30,345
Goodwill [(2)]	326,776
Identifiable intangible assets	475,000
Other assets	302
Total assets acquired	$ 1,114,367

(1) The fair value of accounts receivable acquired was $222.4 million, with the gross contractual amount being $224.4 million. We expect $2.0 million to be uncollectible.

(2) Goodwill is calculated as the excess of the consideration transferred over the fair value of the net assets acquired and represents the projected future economic benefits from this strategic acquisition.

Liabilities:	
Accounts payable	$ 68,147
Contract liabilities	104,595
Accrued payroll and benefits	9,838
Other accrued expenses and liabilities	22,746
Operating lease liabilities, current	2,573
Operating lease liabilities, long-term	27,771
Other long-term obligations	991
Total liabilities assumed	236,661
Noncontrolling interests	934
Net assets acquired	$ 876,772

NOTE 4 - ACQUISITIONS AND DISPOSITIONS OF BUSINESSES (Continued)

The following table summarizes the preliminary fair values of identifiable intangible assets (in thousands) and their estimated useful lives (in years). Refer to Note 10 - Fair Value Measurements of the notes to consolidated financial statements for additional information on the valuation methodologies utilized to determine fair value.

Miller Electric	Preliminary Fair Value	Estimated Useful Life
Customer relationships	$ 280,000	16.0
Contract backlog	40,000	1.5
Total intangible assets subject to amortization	320,000	14.2
Trade name	155,000	Indefinite
Total identifiable intangible assets	$ 475,000	

In addition to Miller Electric, during 2025, we acquired nine companies, for upfront consideration of $182.1 million, inclusive of customary working capital adjustments. These acquisitions are comprised of: (a) five companies that have been included in our United States mechanical construction and facilities services segment, including: (i) two companies in the Midwestern region of the United States that provide building automation controls and solutions to commercial, institutional, and industrial customers, (ii) a company that adds capabilities to our national fire protection offerings, (iii) a provider of mechanical construction and maintenance services in the Western region of the United States, and (iv) a full service mechanical contractor in the Northeast region of the United States, and (b) four companies that have been included in our United States building services segment, which enhance our building automation and controls or energy efficiency offerings. In connection with these acquisitions, we acquired working capital of $2.0 million and other net assets of $8.2 million and have preliminarily ascribed $67.2 million to goodwill and $104.7 million to identifiable intangible assets.

We expect that all of the goodwill and identifiable intangible assets acquired in connection with the acquisitions we completed during 2025 will be deductible for tax purposes. The purchase price allocations for three of the businesses acquired in 2025 are preliminary and subject to change during their respective measurement periods as we finalize asset valuations and certain tax matters, among other items. The finalization of these items may result in changes in the valuation of assets acquired or liabilities assumed.

During 2024, we acquired seven companies for upfront consideration of $231.1 million, inclusive of customary working capital adjustments. These acquisitions are comprised of: (a) an electrical contractor in the Southeast region of the United States, that has been included in our United States electrical construction and facilities services segment, (b) two companies that have been included within our United States mechanical construction and facilities services segment, including: (i) a leading plumbing services provider in the Southeast region of the United States and (ii) a full service provider of mechanical construction and maintenance services in Central Texas, (c) three companies that have been included in our United States building services segment, including: (i) a provider of building automation and controls solutions in the Northeast region of the United States, (ii) a mechanical services company in the Western region of the United States, and (iii) a mechanical services company in the Eastern region of the United States, and (d) an instrumentation and electrical contractor, that has been included in our United States industrial services segment, which provides electrical, automation, digital integration, and fabrication services to various energy sector and process equipment customers. In connection with these acquisitions, we acquired working capital of $29.0 million and other net assets of $1.1 million, and have ascribed $61.9 million to goodwill and $139.1 million to identifiable intangible assets. We expect that all of the goodwill and identifiable intangible assets acquired in connection with these 2024 acquisitions will be deductible for tax purposes.

During 2023, we acquired eight companies for total consideration of $99.6 million. Such acquisitions include: (a) a national energy efficiency specialty services firm, the results of operations of which have been included in our United States building services segment, and (b) seven companies, the results of operations of which were de minimis, consisting of: (i) three companies that have been included within our United States mechanical construction and facilities services segment, one of which provides mechanical and pipe fabrication services in the Midwestern region of the United States, and two of which add capabilities to our national fire protection services, and (ii) four mechanical services companies in the Western and Midwestern regions of the United States that have been included within our United States building services segment and enhance our presence in geographies where we have existing operations. In connection with these acquisitions, we acquired working capital of $9.1 million and other net liabilities of $6.1 million, including certain deferred tax liabilities, and have ascribed $37.4 million to goodwill and $59.2 million to identifiable intangible assets. We expect that $29.6 million of the goodwill and identifiable intangible assets acquired in connection with these 2023 acquisitions will be deductible for tax purposes.

NOTE 4 - ACQUISITIONS AND DISPOSITIONS OF BUSINESSES (Continued)

The purchase price allocations for the businesses acquired in 2024 and 2023 have been finalized during their respective measurement periods with an insignificant impact.

On December 1, 2025, we completed the sale of EMCOR (UK) Limited and EMCOR Group (UK) plc, which collectively represented our United Kingdom building services segment, for net proceeds of approximately $256.6 million. Such sale resulted in a pre-tax gain of $144.9 million, inclusive of the reclassification of $73.5 million from accumulated other comprehensive loss. Given the size of our United Kingdom operations, this transaction did not represent a strategic shift that had a major effect on the Company's operations and financial results and, therefore, is not presented as discontinued operations.

In connection with this sale, we incurred $10.7 million of transaction related costs. These expenses were included in "Selling, general and administrative expenses" in the accompanying Consolidated Statement of Operations.

NOTE 5 - EARNINGS PER SHARE

The following table summarizes our calculation of Basic and Diluted Earnings per Common Share ("EPS") for the years ended December 31, 2025, 2024, and 2023 (in thousands, except share and per share data):

	2025	2024	2023
Numerator:			
Net income attributable to EMCOR Group, Inc.	$ 1,272,817	$ 1,007,145	$ 632,994
Denominator:			
Weighted average shares outstanding used to compute basic earnings per common share	44,982,102	46,616,079	47,358,467
Effect of dilutive securities—Share-based awards	163,665	192,214	205,791
Shares used to compute diluted earnings per common share	45,145,767	46,808,293	47,564,258
Basic earnings per common share	$ 28.30	$ 21.61	$ 13.37
Diluted earnings per common share	$ 28.19	$ 21.52	$ 13.31

The number of outstanding share-based awards excluded from the computation of diluted EPS for the years ended December 31, 2025, 2024, and 2023 because they would be anti-dilutive were 7,393, 14,393, and 8,700, respectively.

NOTE 6 - INVENTORIES

Inventories in the accompanying Consolidated Balance Sheets consisted of the following amounts as of December 31, 2025 and 2024 (in thousands):

	December 31, 2025	December 31, 2024
Raw materials and construction materials	$ 119,789	$ 83,935
Work in process	6,463	11,732
Inventories	$ 126,252	$ 95,667

The increase in inventories as of December 31, 2025, compared to December 31, 2024, was a result of advanced purchases of materials and equipment for use on specific construction projects in an effort to mitigate the impact of long lead times.

NOTE 7 - PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying Consolidated Balance Sheets consisted of the following amounts as of December 31, 2025 and 2024 (in thousands):

	December 31, 2025	December 31, 2024
Machinery and equipment	$ 274,269	$ 243,354
Vehicles	73,208	83,422
Furniture and fixtures	32,363	29,150
Computer hardware/software	105,608	107,376
Land, buildings, and leasehold improvements	191,234	162,336
Construction in progress	24,796	13,059
Finance lease right-of-use assets [(1)]	6,111	6,009
	707,589	644,706
Accumulated depreciation and amortization	(454,312)	(437,217)
	$ 253,277	$ 207,489

(1) Finance lease right-of-use assets are recorded net of accumulated amortization.

Depreciation and amortization expense related to property, plant, and equipment, including finance leases, was $67.4 million, $56.7 million, and $51.8 million for the years ended December 31, 2025, 2024, and 2023, respectively.

NOTE 8 - GOODWILL, IDENTIFIABLE INTANGIBLE ASSETS, AND OTHER LONG-LIVED ASSETS

Goodwill

In connection with our acquisition of businesses, we have recorded goodwill, which represents the excess of the consideration transferred over the fair value of the net tangible and identifiable intangible assets acquired. Our goodwill balance at December 31, 2025 and 2024 was $1.41 billion and $1.02 billion, respectively, with goodwill attributable to companies acquired in 2025 and 2024 valued at $394.0 million and $61.9 million, respectively. Goodwill is not amortized but instead allocated to its respective reporting unit and evaluated for impairment annually, or more frequently if events or circumstances indicate that the carrying amount of goodwill may be impaired. We have determined that our reporting units are consistent with the reportable segments identified in Note 18 - Segment Information of the notes to consolidated financial statements. As of December 31, 2025, approximately 36.7% of our goodwill related to our United States electrical construction and facilities services segment, approximately 28.5% of our goodwill related to our United States mechanical construction and facilities services segment, approximately 26.0% of our goodwill related to our United States building services segment and approximately 8.8% of our goodwill related to our United States industrial services segment.

Absent any earlier identified impairment indicators, we perform our annual goodwill impairment assessment on October 1 each fiscal year. Qualitative indicators that may trigger the need for interim quantitative impairment testing include, among others, deterioration in macroeconomic conditions, declining financial performance, deterioration in the operational environment, or an expectation of selling or disposing of a portion of a reporting unit. Additionally, an interim impairment test may be triggered by a significant change in business climate, a loss of a significant customer, increased competition, or a sustained decrease in share price. In assessing whether our goodwill is impaired, we compare the fair value of the reporting unit to its carrying amount, including goodwill. If the fair value exceeds the carrying amount, no impairment is recognized. However, if the carrying amount of the reporting unit exceeds the fair value, the goodwill of the reporting unit is impaired and an impairment loss in the amount of the excess is recognized and charged to operations.

We performed our annual impairment assessment of all reporting units as of October 1, 2025 and determined there was no impairment of goodwill. In completing our annual impairment assessment, we determined the fair value of each of our reporting units using an income approach whereby fair value was calculated utilizing discounted estimated future cash flows, assuming a risk-adjusted industry weighted average cost of capital. The weighted average cost of capital used in our annual impairment testing was 10.4% for our United States construction segments, 11.0% for our United States building services segment, and 10.6% for our United States industrial services segment. These weighted average cost of capital estimates were developed with the assistance of an independent third-party valuation specialist and reflect the overall level of inherent risk within the respective reporting unit and the rate of return a market participant would expect to earn. Our cash flow projections were derived from our most recent internal forecasts of anticipated revenue growth rates and operating margins, with cash flows beyond the discrete forecast period estimated using a terminal value calculation which incorporated historical and forecasted trends, an estimate of long-term growth rates, and assumptions about the future demand for our services. The perpetual growth rate used for our annual testing was 2.5% for all of our reporting units.

NOTE 8 - GOODWILL, IDENTIFIABLE INTANGIBLE ASSETS, AND OTHER LONG-LIVED ASSETS (Continued)

For each of the years ended December 31, 2025, 2024 and 2023, no impairment of our goodwill was recognized.

Due to the inherent uncertainties involved in making estimates, our assumptions may change in future periods. Estimates and assumptions made for purposes of our goodwill impairment testing may prove to be inaccurate predictions of the future, and other factors used in assessing fair value, such as the weighted average cost of capital, are outside the control of management. Unfavorable changes in certain of these key assumptions may affect future testing results. For example, keeping all other assumptions constant, a 50 basis point increase in the weighted average cost of capital would cause the estimated fair values of our United States electrical construction and facilities services segment, our United States mechanical construction and facilities services segment, our United States building services segment, and our United States industrial services segment to decrease by approximately $445.2 million, $609.5 million, $99.5 million, and $25.3 million, respectively. In addition, keeping all other assumptions constant, a 50 basis point reduction in the perpetual growth rate would cause the estimated fair values of our United States electrical construction and facilities services segment, our United States mechanical construction and facilities services segment, our United States building services segment, and our United States industrial services segment to decrease by approximately $242.3 million, $342.4 million, $49.2 million, and $9.9 million, respectively. Given the amounts by which the fair value exceeds the carrying value for each of our reporting units, the decreases in estimated fair values described above would not have significantly impacted the results of our 2025 impairment tests. Further, for each of our reporting units, a 10% decline in the estimated fair value of such reporting unit, due to other changes in our assumptions, including forecasted future cash flows, would not have significantly impacted the results of our 2025 impairment tests.

The changes in the carrying amount of goodwill by reportable segment during the years ended December 31, 2025 and 2024 were as follows (in thousands):

	United States electrical construction and facilities services segment	United States mechanical construction and facilities services segment	United States building services segment	United States industrial services segment	Total
Balance at December 31, 2023	$ 178,013	$ 318,353	$ 346,095	$ 114,088	$ 956,549
Acquisitions	13,739	26,111	12,210	9,806	61,866
Balance at December 31, 2024	191,752	344,464	358,305	123,894	1,018,415
Acquisitions	326,810	58,022	9,167	—	393,999
Balance at December 31, 2025	$ 518,562	$ 402,486	$ 367,472	$ 123,894	$ 1,412,414

The aggregate goodwill balance as of December 31, 2023 included $493.6 million of accumulated impairment charges, which were comprised of $139.5 million within our United States building services segment and $354.1 million within our United States industrial services segment.

Identifiable Intangible Assets and Other Long-Lived Assets

Our identifiable intangible assets, arising out of the acquisition of businesses, include customer relationships, subsidiary trade names, contract backlog, and developed technology/vendor network, all of which are subject to amortization. In addition, our identifiable intangible assets include certain other subsidiary trade names, which are indefinite-lived and therefore not subject to amortization.

Absent earlier indicators of impairment, we test for impairment of subsidiary trade names that are not subject to amortization on an annual basis (October 1). In performing this test, we calculate the fair value of each trade name using the "relief from royalty payments" methodology. This approach involves two steps: (a) estimating reasonable royalty rates for each trade name and (b) applying these royalty rates to a net revenue stream and discounting the resulting cash flows to determine fair value. This fair value is then compared with the carrying value of each trade name. If the carrying amount of the trade name is greater than the implied fair value of the trade name, an impairment in the amount of the excess is recognized and charged to operations. For each of the years ended December 31, 2025, 2024, and 2023, no impairment of our indefinite-lived trade name intangible assets was recognized.

NOTE 8 - GOODWILL, IDENTIFIABLE INTANGIBLE ASSETS, AND OTHER LONG-LIVED ASSETS (Continued)

We review for impairment of identifiable intangible assets that are being amortized as well as other long-lived assets whenever facts and circumstances indicate that their carrying values may not be fully recoverable. This test compares their carrying values to the undiscounted pre-tax cash flows expected to result from the use of the assets. If the assets are impaired, the assets are written down to their fair values, generally determined based on their discounted estimated future cash flows. In 2023, we identified facts and circumstances that indicated the carrying values of certain long-lived assets within our United States mechanical construction and facilities services segment may not be fully recoverable. As a result, we determined that these assets were impaired, and recognized a $2.4 million impairment charge. For the years ended December 31, 2025, 2024, and 2023, there were no other indicators of impairment with respect to identifiable intangible assets that are being amortized as well as other long-lived assets.

Identifiable intangible assets as of December 31, 2025 and 2024 consisted of the following (in thousands):

	December 31, 2025			
	Gross Carrying Amount	Accumulated Amortization	Accumulated Impairment Charge	Total
Customer relationships	$ 1,255,279	$ (624,990)	$ (4,834)	$ 625,455
Trade names (indefinite-lived)	503,071	—	(58,933)	444,138
Contract backlog	147,595	(123,164)	—	24,431
Developed technology/Vendor network	95,661	(87,888)	—	7,773
Trade names (finite-lived)	40,491	(33,460)	—	7,031
Total	$ 2,042,097	$ (869,502)	$ (63,767)	$ 1,108,828

	December 31, 2024			
	Gross Carrying Amount	Accumulated Amortization	Accumulated Impairment Charge	Total
Customer relationships	$ 902,216	$ (543,913)	$ (4,834)	$ 353,469
Trade names (indefinite-lived)	330,271	—	(58,933)	271,338
Contract backlog	96,045	(93,460)	—	2,585
Developed technology/Vendor network	95,661	(83,338)	—	12,323
Trade names (finite-lived)	38,491	(30,026)	—	8,465
Total	$ 1,462,684	$ (750,737)	$ (63,767)	$ 648,180

Identifiable intangible assets attributable to businesses acquired in 2025 and 2024 have been valued at $579.7 million and $139.1 million, respectively, and consist of customer relationships, trade names, and contract backlog. See Note 4 - Acquisitions and Dispositions of Businesses of the notes to consolidated financial statements for additional information with respect to acquisitions.

Identifiable intangible assets are amortized in a manner that best approximates the pattern in which the economic benefits of such assets are consumed, which is generally on a straight-line basis. The weighted average amortization periods for the unamortized balances remaining are, in the aggregate, approximately 10.50 years, which are comprised of the following: 11.00 years for customer relationships, 4.50 years for trade names, 0.75 years for contract backlog, and 1.75 years for developed technology/vendor network.

Amortization expense related to identifiable intangible assets with finite lives was $119.1 million, $77.0 million, and $67.1 million for the years ended December 31, 2025, 2024, and 2023, respectively.

NOTE 8 - GOODWILL, IDENTIFIABLE INTANGIBLE ASSETS, AND OTHER LONG-LIVED ASSETS (Continued)

The following table presents the estimated future amortization expense of identifiable intangible assets in the following years (in thousands):

2026	$ 113,570
2027	75,612
2028	66,541
2029	60,660
2030	54,028
Thereafter	294,279
	$ 664,690

Other Considerations

As referenced above, impairment testing is based upon assumptions and estimates determined by management from a review of our operating results and business plans as well as forecasts of anticipated growth rates and margins, among other considerations. In addition, estimates of weighted average costs of capital are developed with the assistance of an independent third-party valuation specialist. These assumptions and estimates may change in future periods. Significant adverse changes to external market conditions or our internal forecasts, if any, could result in future impairment charges. It is not possible at this time to determine if any future impairment charge will result or, if it does, whether such a charge would be material to our results of operations.

NOTE 9 - DEBT

Excluding finance lease liabilities, we had no outstanding debt as of December 31, 2025 and 2024. Refer to Note 16 - Leases of the notes to consolidated financial statements for additional information regarding our finance leases, including outstanding balances.

Credit Agreement

We have a credit agreement dated December 20, 2023 (the "2023 Credit Agreement"), which provides for a $1.30 billion revolving credit facility (the "2023 Revolving Credit Facility") expiring December 20, 2028. If additional lenders are identified and/or existing lenders are willing to increase their current commitments, we may increase the 2023 Revolving Credit Facility by an amount equal to the greater of: (a) $900 million or (b) the Company's Adjusted EBITDA (as such term is defined in the 2023 Credit Agreement) for the twelve-month period ending immediately prior to the increase in commitment. We may allocate up to $600.0 million of available capacity under the 2023 Revolving Credit Facility to letters of credit for our account or for the account of any of our subsidiaries.

There were no direct borrowings outstanding under the 2023 Revolving Credit Facility as of December 31, 2025 and 2024. However, outstanding letters of credit reduce the available capacity under this facility and, as of December 31, 2025 and 2024, we had $73.1 million and $71.2 million of letters of credit outstanding, respectively.

At the Company's election, borrowings under the 2023 Revolving Credit Facility bear interest at either: (1) a base rate plus a margin of 0.125% to 0.875%, depending on the Company's Leverage Ratio (as such term is defined in the 2023 Credit Agreement), or (2) a rate equal to the secured overnight financing rate as administered by the Federal Reserve Bank of New York for the applicable tenor plus 0.10% ("Adjusted Term SOFR") plus a margin of 1.125% to 1.875%, depending on the Company's Leverage Ratio. The base rate is determined by the greater of: (a) the prime commercial lending rate announced by Bank of Montreal from time to time, (b) the federal funds effective rate, plus ½ of 1.00%, (c) Adjusted Term SOFR for a one-month tenor, plus 1.00%, or (d) 0.00%.

A commitment fee is payable on the average daily unused amount of the 2023 Revolving Credit Facility, which ranges from 0.125% to 0.25%, depending on the Company's Leverage Ratio. The fee was 0.125% of the unused amount as of December 31, 2025 and 2024. Fees for letters of credit issued under the 2023 Revolving Credit Facility range from 0.85% to 1.875% of the respective face amounts of outstanding letters of credit, depending on the nature of the letter of credit, and are computed depending on the Company's Leverage Ratio.

NOTE 9 - DEBT (Continued)

Obligations under the 2023 Credit Agreement are guaranteed by most of our direct and indirect subsidiaries and are secured by substantially all of our assets. The 2023 Credit Agreement contains customary covenants providing for, among other things, the maintenance of certain financial ratios and certain limitations on the payment of dividends, common stock repurchases, investments, acquisitions, indebtedness, and capital expenditures. We were in compliance with all such covenants as of December 31, 2025 and 2024.

NOTE 10 - FAIR VALUE MEASUREMENTS

For disclosure purposes, we utilize a fair value hierarchy to categorize qualifying assets and liabilities into three broad levels based on the priority of the inputs used to determine their fair values. The hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs, is comprised of the following three levels:

Level 1 – Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2 – Observable inputs, other than Level 1 inputs, that are directly or indirectly observable for the asset or liability, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 – Significant unobservable inputs that reflect the reporting entity's own assumptions.

Recurring Fair Value Measurements

The following tables summarize the assets and liabilities carried at fair value measured on a recurring basis as of December 31, 2025 and 2024 (in thousands):

	Assets at Fair Value as of December 31, 2025			
Asset Category	**Level 1**	**Level 2**	**Level 3**	**Total**
Cash and cash equivalents [1]	$1,111,968	$ —	$ —	$1,111,968
Deferred compensation plan assets [2]	75,627	—	—	75,627
Total	$1,187,595	$ —	$ —	$1,187,595

	Assets at Fair Value as of December 31, 2024			
Asset Category	**Level 1**	**Level 2**	**Level 3**	**Total**
Cash and cash equivalents [1]	$1,339,550	$ —	$ —	$1,339,550
Deferred compensation plan assets [2]	61,242	—	—	61,242
Restricted cash [3]	845	—	—	845
Total	$1,401,637	$ —	$ —	$1,401,637

(1) Cash and cash equivalents consist of deposit accounts and money market funds with original maturity dates of three months or less, which are Level 1 assets. At December 31, 2025 and 2024, we had $870.5 million and $1.09 billion, respectively, in money market funds. From time to time, we have cash balances in certain of our bank accounts that exceed federally insured limits.

(2) Deferred compensation plan assets are classified as "Other assets" in the Consolidated Balance Sheets.

(3) Restricted cash is classified as "Prepaid expenses and other" in the Consolidated Balance Sheet. Restricted cash represents cash held in account for use on customer contracts.

NOTE 10 - FAIR VALUE MEASUREMENTS (Continued)

Nonrecurring Fair Value Measurements

We have recorded goodwill and identifiable intangible assets in connection with our business acquisitions. Such assets are measured at fair value at the time of acquisition based on valuation techniques that appropriately represent the methods which would be used by other market participants in determining fair value. We determine the fair value of our trade name intangible assets by utilizing the relief from royalty payments methodology. This approach involves two steps: (a) estimating a reasonable royalty rate for the trade name and (b) applying this royalty rate to a net revenue stream and discounting the resulting cash flows to determine fair value. Key assumptions under this method are future revenues, royalty rate, and discount rate. The fair value of our intangible assets related to contract backlog and customer relationships is determined using the multi-period excess earnings method. Key assumptions in the valuation of customer relationship intangible assets are revenue growth, operating margin, customer attrition rate, and discount rate. Backlog intangible assets are based on future revenue from contracts already awarded at the time of acquisition. Key assumptions in the valuation of backlog intangible assets include operating margin and discount rate. Other assumptions utilized in these valuation techniques include tax rate and contributory asset charges. In addition, goodwill, intangible assets, and certain other long-lived assets are tested for impairment using similar valuation methodologies to determine the fair value of such assets. Periodically, we engage an independent third-party valuation specialist to assist with the valuation process, including the selection of appropriate methodologies and the development of market-based assumptions. The inputs used for these nonrecurring fair value measurements represent Level 3 inputs.

Fair Value of Financial Instruments

We believe that the carrying values of our financial instruments, which include accounts receivable and other financing commitments, approximate their fair values due primarily to their short-term maturities and low risk of counterparty default. Although there were no outstanding borrowings under our 2023 Credit Agreement as of December 31, 2025 and 2024, the carrying value of any debt associated with this agreement would approximate its fair value due to the variable rate on such debt.

NOTE 11 - INCOME TAXES

For the years ended December 31, 2025, 2024, and 2023, our income tax provision was calculated based on income before income taxes as follows (in thousands):

	2025	2024	2023
United States	$ 1,695,149	$ 1,349,469	$ 844,002
Foreign	26,475	27,913	28,851
	$ 1,721,624	$ 1,377,382	$ 872,853

Foreign income for each of the years presented was earned in the United Kingdom.

The income tax provision for the years ended December 31, 2025, 2024, and 2023 consisted of the following (in thousands):

	2025	2024	2023
Current provision:			
Federal	$ 356,795	$ 299,203	$ 187,463
State and local	102,560	94,647	62,316
Foreign	5,507	5,502	6,396
	464,862	399,352	256,175
Deferred provision (benefit):			
Federal	$ (11,596)	$ (24,024)	$ (13,764)
State and local	(5,604)	(6,483)	(3,190)
Foreign	1,145	1,392	303
	(16,055)	(29,115)	(16,651)
Income tax provision	$ 448,807	$ 370,237	$ 239,524

NOTE 11 - INCOME TAXES (Continued)

For the year ended December 31, 2025, our income tax provision was $448.8 million compared to $370.2 million for the year ended December 31, 2024 and $239.5 million for the year ended December 31, 2023. The increase in the income tax provision year-over-year was primarily due to increased income before income taxes, including a $144.9 million pre-tax gain on the sale of our United Kingdom operations, which resulted in $25.1 million of income taxes.

The income tax rates on income before income taxes for the years ended December 31, 2025, 2024, and 2023 were 26.1%, 26.9%, and 27.5%, respectively.

Items accounting for the differences between income taxes computed at the federal statutory rate and the income tax provision for the years ended December 31, 2025, 2024, and 2023 were as follows (in thousands, except for percentages):

	2025		2024		2023	
	Amount	%	Amount	%	Amount	%
U.S. federal statutory tax rate	$ 361,541	21.0 %	$ 289,250	21.0 %	$ 183,230	21.0 %
State and local income taxes, net of federal income tax effect [1]	75,588	4.4 %	69,202	5.0 %	46,752	5.4 %
Foreign tax effects [2]	1,092	0.1 %	1,032	0.1 %	640	0.1 %
Effect of cross-border tax laws:						
Global intangible low-taxed income [3]	22,088	1.3 %	—	— %	—	— %
Subpart F income inclusion	3,054	0.2 %	—	— %	—	— %
Nontaxable or nondeductible items:

Other permanent differences	17,122	1.0 %	12,221	0.9 %	9,513	1.1 %
Other adjustments	(1,254)	(0.1)%	(1,468)	(0.1)%	(611)	(0.1)%
Effective tax rate	$ 448,807	26.1 %	$ 370,237	26.9 %	$ 239,524	27.5 %

(1) For the years ended December 31, 2025, 2024, and 2023, the jurisdictions making up the majority of state and local income taxes were:
2025: California, Virginia, Indiana, Oregon, New York, Georgia, and Massachusetts.
2024: California, Virginia, New Jersey, New York, New York City, Georgia, and Oregon.
2023: California, New York, New York City, Indiana, Oregon, Illinois, Pennsylvania, and Virginia.

(2) Represents the statutory rate difference between the United Kingdom and United States.

(3) The Company's policy is to recognize the minimum tax on global intangible low-taxed income as an expense in the period incurred.

Income taxes paid (net of refunds received) for the years ended December 31, 2025, 2024, and 2023 were as follows (in thousands):

	2025	2024	2023
Federal	$ 358,800	$ 306,300	$ 167,600
State and local	119,404	97,681	55,981
Foreign	5,220	5,381	6,915
Total	$ 483,424	$ 409,362	$ 230,496

We file a consolidated federal income tax return including all of our U.S. subsidiaries with the Internal Revenue Service. We additionally file income tax returns with various state, local, and foreign tax agencies. Our income tax returns are subject to audit by various taxing authorities and are currently under examination for the years 2021 through 2024.

On March 11, 2021, the American Rescue Plan Act was signed into law. Such act includes certain tax provisions that could have an impact on the Company in future periods, including expanded limits on compensation deductions under Section 162(m) of the Internal Revenue Code for tax years beginning after December 31, 2026. We are currently evaluating the impact that this act may have on our financial position and/or results of operations; however, we anticipate that the expanded provisions of Section 162(m) will result in an increase in our effective income tax rate for years beginning after December 31, 2026.

NOTE 11 - INCOME TAXES (Continued)

On August 16, 2022, the Inflation Reduction Act of 2022 was signed into law. Such act created a 15% corporate alternative minimum tax on profits of corporations whose average annual adjusted financial statement income exceeds $1.0 billion for any consecutive three-tax-year period preceding the then current tax year. Based on our average annual adjusted financial statement income for the preceding three years, which was below the aforementioned $1.0 billion threshold, as well as the fact that our effective federal income tax rate is in excess of the 15% alternative minimum tax rate, this alternative minimum tax did not have an impact on our financial position and/or results of operations for the years ended December 31, 2025, 2024, and 2023.

On July 4, 2025, the U.S. government enacted The One Big Beautiful Bill Act of 2025 ("OBBBA"). The OBBBA makes permanent key elements of the Tax Cuts and Jobs Act, including accelerated bonus depreciation. The enactment of this legislation did not have a material impact on our annual effective tax rate for 2025.

Deferred income tax assets and liabilities are recognized for the expected future tax consequences of temporary differences between the financial statement and income tax bases of assets and liabilities. The deferred income tax assets and deferred income tax liabilities recorded as of December 31, 2025 and 2024 were as follows (in thousands):

	December 31, 2025	December 31, 2024
Deferred income tax assets:		
Excess of amounts expensed for financial statement purposes over amounts deducted for income tax purposes:		
Insurance liabilities	$ 69,064	$ 69,664
Operating lease liabilities	117,897	102,667
Deferred compensation	85,020	76,042
Other (including liabilities and reserves)	41,197	49,715
Total deferred income tax assets	313,178	298,088
Valuation allowance for deferred tax assets	(4,148)	(5,076)
Net deferred income tax assets	309,030	293,012
Deferred income tax liabilities:		
Costs capitalized for financial statement purposes and deducted for income tax purposes:		
Goodwill and identifiable intangible assets	(147,496)	(172,613)
Operating lease right-of-use assets	(110,550)	(94,800)
Depreciation of property, plant, and equipment	(42,532)	(33,284)
Pension asset	(202)	(6,082)
Other	(12,819)	(14,664)
Total deferred income tax liabilities	(313,599)	(321,443)
Net deferred income tax liabilities	$ (4,569)	$ (28,431)

Our net deferred income tax liabilities of $4.6 million and $28.4 million as of December 31, 2025 and 2024, respectively, were included in "Other long-term obligations" in the accompanying Consolidated Balance Sheets.

Valuation allowances are established when necessary to reduce deferred income tax assets when it is more likely than not that a tax benefit will not be realized. As of December 31, 2025 and 2024, the total valuation allowance on deferred income tax assets, related to state and local net operating losses, foreign net operating losses, and foreign income tax credit carryovers, was approximately $4.1 million and $5.1 million, respectively. The year-over-year decrease was a result of the release of valuation allowances on deferred tax assets for state net operating loss carryovers that we determined are now likely to be utilized.

Realization of our deferred income tax assets is dependent on our generating sufficient taxable income in the jurisdictions in which such deferred tax assets will reverse. Although realization is not assured, based on current projections of future taxable income, we believe it is more likely than not that the deferred income tax assets, net of the valuation allowances discussed above, will be realized. However, revisions to our forecasts or declining macroeconomic conditions could result in changes to our assessment of the realization of these deferred income tax assets.

NOTE 12 - COMMON STOCK

As of December 31, 2025 and 2024, there were 44,520,367 and 45,810,125 shares of our common stock outstanding, respectively.

We have paid quarterly dividends since October 25, 2011. During 2025, we paid a regular quarterly dividend of $0.25 per share. In December 2025, our Board of Directors (the "Board") announced its intention to increase the regular quarterly dividend to $0.40 per share commencing with the dividend to be paid in January 2026.

In September 2011, the Board authorized a share repurchase program allowing us to begin repurchasing shares of our outstanding common stock. Subsequently, the Board has from time to time increased the amount authorized for repurchases under such program. Since the inception of the repurchase program, through December 31, 2025, the Board has authorized us to repurchase up to $3.65 billion of our outstanding common stock. During the year ended December 31, 2025, we repurchased approximately 1.4 million shares of our common stock for approximately $578.9 million, inclusive of the applicable excise tax. Since the inception of the repurchase program through December 31, 2025, we have repurchased approximately 28.5 million shares of our common stock for approximately $2.97 billion. As of December 31, 2025, there remained authorization for us to repurchase approximately $680.6 million of our shares. The repurchase program has no expiration date, does not obligate the Company to acquire any particular amount of common stock, and may be suspended, recommenced, or discontinued at any time or from time to time without prior notice. We may repurchase our shares from time to time to the extent permitted by securities laws and other legal requirements, including provisions in our 2023 Credit Agreement placing limitations on such repurchases.

NOTE 13 - SHARE-BASED COMPENSATION PLANS

We have an incentive plan under which stock awards, stock units, and other share-based compensation may be granted to officers, non-employee directors, and key employees of the Company. Under the terms of this plan, 3,250,000 shares were authorized, and 555,142 shares remain available for grant or issuance as of December 31, 2025. Any issuances under this plan are valued at the fair market value of our common stock on the grant date. Forfeitures are recognized as they occur.

The following table summarizes activity regarding restricted stock units since December 31, 2022:

	Shares	Weighted Average Price
Balance, December 31, 2022	317,594	$ 100.83
Granted	103,024	$ 156.06
Forfeited	(3,018)	$ 118.59
Vested	(122,751)	$ 90.38
Balance, December 31, 2023	294,849	$ 124.30
Granted	93,636	$ 279.05
Forfeited	(409)	$ 185.51
Vested	(139,262)	$ 105.65
Balance, December 31, 2024	248,814	$ 192.87
Granted	48,150	$ 483.10
Forfeited	(3,799)	$ 227.60
Vested	(94,564)	$ 148.91
Balance, December 31, 2025	198,601	$ 283.51

An aggregate of 30,566 restricted stock units granted to current and former non-employee directors vested as of December 31, 2025, but, at the election of such directors, issuance has been deferred for up to 10 years from the date of vest. In addition, an aggregate of 5,269 restricted stock units granted to former employees vested as of December 31, 2025 but, in accordance with plan documents, were not issued until January 2026.

We recognized approximately $20.6 million, $20.0 million, and $13.7 million of compensation expense for stock units awarded to non-employee directors and employees pursuant to our incentive plan for the years ended December 31, 2025, 2024, and 2023, respectively. We have approximately $16.8 million of compensation expense, net of income taxes, which will be recognized over the remaining vesting periods of up to 3 years.

NOTE 13 - SHARE-BASED COMPENSATION PLANS (Continued)

The income tax benefit derived in 2025, 2024, and 2023 as a result of share-based compensation was approximately $7.0 million, $5.7 million, and $3.3 million, respectively, of which approximately $5.0 million, $4.0 million, and $1.7 million, respectively, represented excess tax benefits.

NOTE 14 - RETIREMENT PLANS

Defined Benefit Plans

The funded status of our defined benefit plans, which represents the difference between the fair value of plan assets and the projected benefit obligations, is recognized in the Consolidated Balance Sheets with a corresponding adjustment to accumulated other comprehensive income (loss). Gains and losses for the differences between actuarial assumptions and actual results are recognized through accumulated other comprehensive income (loss).

United Kingdom Retirement Plan

Prior to the sale of our United Kingdom operations on December 1, 2025, we sponsored a defined benefit pension plan in the United Kingdom (the "UK Plan"). In connection with such sale, all obligations, as well as the associated assets and liabilities of the UK Plan, transferred to the buyer. Refer to Note 4 - Acquisitions and Dispositions of Businesses of the notes to consolidated financial statements for additional information.

The change in the benefit obligation and plan assets of the UK Plan for the year ended December 31, 2024 consisted of the following components (in thousands):

	2024
Change in pension benefit obligation	
Benefit obligation at beginning of year	$ 204,097
Interest cost	9,569
Actuarial gain	(19,602)
Benefits paid	(11,522)
Foreign currency exchange rate changes	(3,075)
Benefit obligation at end of year	179,467
Change in pension plan assets	
Fair value of plan assets at beginning of year	223,077
Actual loss on plan assets	(5,240)
Employer contributions	816
Benefits paid	(11,522)
Foreign currency exchange rate changes	(3,514)
Fair value of plan assets at end of year	203,617
Funded status at end of year	$ 24,150

The funded status of the UK Plan of $24.2 million as of December 31, 2024, is included in "Other assets" in the accompanying Consolidated Balance Sheet.

The discount rate and rate of inflation used to determine the benefit obligation of the UK Plan as of December 31, 2024 was 5.5% and 2.9% respectively.

NOTE 14 - RETIREMENT PLANS (Continued)

The components of net periodic pension (income) cost of the UK Plan for the years ended December 31, 2025, 2024, and 2023 were as follows (in thousands):

	2025	2024	2023
Interest cost	$ 9,263	$ 9,569	$ 9,722
Expected return on plan assets	(11,862)	(13,010)	(11,417)
Amortization of unrecognized loss	2,502	2,625	2,611
Net periodic pension (income) cost	$ (97)	$ (816)	$ 916

The assumptions used to determine net periodic pension (income) cost of the UK Plan for the years ended December 31, 2025, 2024, and 2023 were as follows:

	2025	2024	2023
Discount rate	5.5 %	4.8 %	5.0 %
Annual rate of return on plan assets	6.5 %	6.3 %	5.7 %

The investment policies and strategies for the assets of the UK Plan were established by its trustees (who were independent of the Company) to achieve a reasonable balance between risk, likely return, and administration expense, as well as to maintain investment balances at a level to meet minimum funding requirements. The weighted average asset allocations and weighted average target allocations at December 31, 2024 were as follows:

Asset Category	Target Asset Allocation 2024	Actual December 31, 2024
Debt	91.0 %	82.6 %
Cash and cash equivalents	— %	7.7 %
Real estate	9.0 %	9.7 %
Total	100.0 %	100.0 %

Plan assets of our UK Plan were invested through third-party fund managers in various investments with underlying holdings which, as of December 31, 2024, consisted of: (a) cash and cash equivalents, primarily held as collateral for other financial instruments, (b) debt securities, which include: (i) United Kingdom government debt, (ii) United States, United Kingdom, other European, and emerging market corporate debt, and (iii) real estate debt, and (c) real estate assets, which represent trusts which invest directly or indirectly in various properties throughout the United Kingdom.

The following table sets forth the fair value of assets of the UK Plan as of December 31, 2024 (in thousands):

	Assets at Fair Value as of December 31, 2024			
Asset Category	Level 1	Level 2	Level 3	Total
Corporate debt funds	$ —	$ 39,972	$ —	$ 39,972
Government bond funds	—	48,959	—	48,959
Cash and cash equivalents	15,697	—	—	15,697
Total plan assets in fair value hierarchy	$ 15,697	$ 88,931	$ —	104,628
Plan assets measured using NAV as a practical expedient: (1)				
Debt funds				79,152
Real estate funds				19,837
Total plan assets at fair value				$ 203,617

(1) Certain investments measured using net asset value ("NAV") as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the total fair value of plan assets. NAV is determined by the respective fund manager based on the fair value of the underlying assets held by the fund, less its liabilities, divided by the number of units outstanding.

NOTE 14 - RETIREMENT PLANS (Continued)

Assets of the UK Plan were allocated within the fair value hierarchy discussed in Note 10 - Fair Value Measurements, based on the nature of the investment. Level 1 assets represented cash and cash equivalents. Level 2 assets consisted of corporate debt funds and government bond funds whose underlying investments were valued using observable marketplace inputs. The fair value of the Level 2 assets were generally determined under a market approach using valuation models that incorporated observable inputs such as interest rates, bond yields, and quoted prices.

Investments valued using NAV as a practical expedient were excluded from the fair value hierarchy. These investments included: (a) funds which invested predominantly in senior secured debt instruments, targeting diversity across regions and sectors, as well as funds which invested in diversified credit vehicles, primarily through U.S. corporate debt, global credit, and other structured debt instruments, and (b) funds which aimed to provide long-term income through investment in UK property assets. These investments were redeemable at NAV, generally determined on a quarterly basis, with redemption notice periods of up to 180 days.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes the valuation methodologies were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Other Retirement Plans

We also sponsor three domestic retirement plans in which participation by new individuals is frozen. Amounts related to such plans were de minimis for all periods presented.

Defined Contribution Plans

We have defined contribution retirement and savings plans that cover eligible employees in the United States. Contributions to these plans are based on a percentage of the employee's base compensation. The expenses recognized for employer contributions to these plans were approximately $48.9 million for the year ended December 31, 2025, $44.0 million for the year ended December 31, 2024, and $36.7 million for the year ended December 31, 2023. At our discretion and subject to applicable plan documents, we may make additional supplemental matching contributions to one of our defined contribution retirement and savings plans. The expenses recognized related to additional supplemental matching contributions for the years ended December 31, 2025, 2024, and 2023 were approximately $16.0 million, $13.2 million, and $10.2 million, respectively.

Prior to the sale of our United Kingdom operations on December 1, 2025, we also had certain defined contribution retirement plans in the United Kingdom. The expenses recognized related to employer matching contributions were approximately $12.2 million for the year ended December 31, 2025 and $7.4 million for each of the years ended December 31, 2024 and 2023.

Multiemployer Plans

We participate in approximately 200 multiemployer pension plans ("MEPPs") that provide retirement benefits to certain union employees in accordance with various collective bargaining agreements ("CBAs"). As one of many participating employers in an MEPP, we are potentially liable with the other participating employers for any plan underfunding, either through an increase in our required contributions or, in the case of our withdrawal from the plan, a payment based upon our proportionate share of the plan's unfunded benefits, in each case, as described below. Our contributions to a particular MEPP are established by the applicable CBAs; however, our required contributions may increase based on the funded status of an MEPP and legal requirements of the Pension Protection Act of 2006 (the "PPA"), which requires substantially underfunded MEPPs to implement a funding improvement plan ("FIP") or a rehabilitation plan ("RP") to improve their funded status. Factors that could impact the funded status of an MEPP include, without limitation, investment performance, changes in the participant demographics, decline in the number of contributing employers, changes in actuarial assumptions, and the utilization of extended amortization provisions.

An FIP or RP requires a particular MEPP to adopt measures to correct its underfunding status. These measures may include, but are not limited to: (a) an increase in our contribution rate as a signatory to the applicable CBA, (b) a reallocation of the contributions already being made by participating employers for various benefits to individuals participating in the MEPP, and/or (c) a reduction in the benefits to be paid to future and/or current retirees. In addition, the PPA requires that a 5% surcharge be levied on employer contributions for the first year commencing after the date the employer receives notice that the MEPP is in critical status and a 10% surcharge on each succeeding year until a CBA is in place with terms and conditions consistent with the RP.

NOTE 14 - RETIREMENT PLANS (Continued)

We could also be obligated to make payments to MEPPs if we either cease to have an obligation to contribute to the MEPP or significantly reduce our contributions to the MEPP because we reduce our number of employees who are covered by the relevant MEPP for various reasons, including, but not limited to, layoffs or closure of a subsidiary assuming the MEPP has unfunded vested benefits. The amount of such payments (known as a complete or partial withdrawal liability) would equal our proportionate share of the MEPPs' unfunded vested benefits. We believe that certain of the MEPPs in which we participate may have unfunded vested benefits. Due to uncertainty regarding future factors that could trigger withdrawal liability, as well as the absence of specific information regarding the MEPP's current financial situation, we are unable to determine: (a) the amount and timing of a future withdrawal liability, if any, and (b) whether our participation in these MEPPs could have a material adverse impact on our financial position, results of operations, or liquidity. We did not record any material withdrawal liabilities for the years ended December 31, 2025, 2024, and 2023.

The following table lists all MEPPs to which our contributions exceeded $2.0 million in 2025. This table also lists all MEPPs to which we contributed in 2025 in excess of $0.5 million for MEPPs in the critical status, "red zone," and $1.0 million for MEPPs in the endangered status, "orange or yellow zones," as defined by the PPA (in thousands):

Pension Fund	EIN/ Pension Plan Number	PPA Zone Status [1]		FIP/RP Status	Contributions			Contributions greater than 5% of total plan contributions [2]	Expiration date or range of expiration dates of CBA(s)

(1) The zone status represents the most recent available information for the respective MEPP, which may be from 2024 or earlier for the 2025 year and from 2023 or earlier for the 2024 year. In general, plans with a "green" zone status have a funding ratio of at least 80%, plans with an "orange" or "yellow" zone status have a funding ratio of between 65% and less than 80%, and plans with a "red" zone status are less than 65% funded or are projected to have a funding deficiency in any of the next ten years.

(2) This information was obtained from the respective plan's Form 5500 ("Forms") for the most current available filing. These dates may not correspond with our fiscal year contributions. The percentages of contributions are based upon disclosures contained in the plans' Forms. Those Forms, among other things, disclose the names of individual participating employers whose annual contributions account for more than 5% of the aggregate annual amount contributed by all participating employers for a plan year. Accordingly, if the annual contribution of two or more of our subsidiaries each accounted for less than 5% of such contributions, but in the aggregate accounted for in excess of 5% of such contributions, that greater percentage is not available and therefore is not disclosed.

NOTE 14 - RETIREMENT PLANS (Continued)

The nature and diversity of our operations may result in volatility in the amount of our contributions to a particular MEPP for any given period. That is because, in any given market, a change in the mix, volume of, or size of our projects could result in a change in our direct labor force and a corresponding change in our contributions to the MEPP(s) dictated by the applicable CBA. Additionally, the amount of contributions to a particular MEPP could also be affected by the terms of the CBA, which could require at a particular time, an increase in the contribution rate and/or surcharges. Acquisitions made by us since 2023 have resulted in incremental contributions to various MEPPs of approximately $32.7 million.

Additionally, we contribute to certain multiemployer plans that provide post-retirement benefits such as health and welfare benefits and/or defined contribution/annuity plans, among others. Our contributions to these plans were approximately $383.8 million, $279.9 million, and $243.5 million for the years ended December 31, 2025, 2024, and 2023, respectively. Acquisitions made by us since 2023 have resulted in incremental contributions to such other post-retirement benefit plans of approximately $73.3 million. The amount of contributions to these plans is also subject, for the most part, to the factors discussed above in conjunction with the MEPPs.

NOTE 15 - COMMITMENTS AND CONTINGENCIES

Severance Agreements

We have agreements with our executive officers and certain other key management personnel providing for severance benefits for such employees upon termination of their employment under certain circumstances.

Guarantees

In the ordinary course of business, we, at times, guarantee obligations of our subsidiaries under certain contracts. Generally, we are liable under such an arrangement only if our subsidiary fails to perform its obligations under the contract. Historically, we have not incurred any substantial liabilities as a consequence of these guarantees.

Surety Bonds

The terms of our construction contracts frequently require that we obtain from surety companies, and provide to our customers, surety bonds as a condition to the award of such contracts. These surety bonds are issued in return for premiums, which vary depending on the size and type of the bond, and secure our payment and performance obligations under such contracts. We have agreed to indemnify the surety companies for amounts, if any, paid by them in respect of surety bonds issued on our behalf. As of December 31, 2025, based on the percentage-of-completion of our projects covered by surety bonds, our aggregate estimated exposure, assuming defaults on all our then existing contractual obligations, was approximately $3.03 billion, which represents approximately 23% of our total remaining performance obligations.

Surety bonds are sometimes provided to secure obligations for wages and benefits payable to or for certain of our employees, at the request of labor unions representing such employees. In addition, surety bonds may be issued as collateral for certain insurance obligations. As of December 31, 2025, we satisfied approximately $105.5 million of the collateral requirements of our insurance programs by utilizing surety bonds.

We are not aware of any losses in connection with surety bonds that have been posted on our behalf, and we do not expect to incur significant losses in the foreseeable future.

Hazardous Materials

We are subject to regulations with respect to the handling or disposal of certain materials used in the performance of our services, which are classified as hazardous or toxic by federal, state, and local agencies. Our practice is to avoid participation in projects principally involving the remediation or removal of such materials. However, when remediation is required as part of our contract performance, we believe we comply with all applicable regulations governing hazardous materials or otherwise relating to the protection of the environment.

Collective Bargaining Agreements

At December 31, 2025, we employed approximately 44,000 people, approximately 62% of whom are represented by various unions pursuant to approximately 450 collective bargaining agreements between our individual subsidiaries or trade associations and local unions, as well as two collective bargaining agreements that are national or regional in scope. We believe that our relations with our labor unions are generally positive.

NOTE 15 - COMMITMENTS AND CONTINGENCIES (Continued)

Government Contracts

When we perform work as a federal government contractor/subcontractor or when we perform work on a project that has received federal government funding, we are subject to U.S. government audits and investigations relating to our operations, which such audits may result in fines, penalties and compensatory and treble damages, and possible suspension or debarment from doing business with the government. Based on currently available information, we believe the outcome of ongoing government disputes and investigations will not have a material impact on our financial position, results of operations, or liquidity.

Legal Proceedings

We face potential exposure in several legal proceedings in which damages or claims (including, without limitation, indemnification claims by named defendants in legal proceedings in which we are not a party) have been asserted against us. We believe that we have valid defenses to such proceedings and claims, but litigation is inherently uncertain. We additionally maintain insurance coverage for certain of these matters, although these policies do not cover all possible claims and certain of the policies are subject to large deductibles and retentions. We do not believe that any such matters will have a material adverse effect on our financial position, results of operations, or liquidity. We record a loss contingency if we consider the potential loss from a proceeding or claim probable, and we are able to reasonably estimate the amount or can reasonably determine a range of loss. We provide disclosure when we believe a loss in excess of any recorded provision is reasonably possible.

Significant judgment is required in these determinations. As additional information becomes available, we reassess prior determinations and may change our estimates. Additional claims may be asserted against us in the future. Litigation is subject to many uncertainties, and the outcome of litigation is not predictable with assurance. A litigation matter for which liabilities have not been recorded could be decided unfavorably to us, and any such unfavorable decision could have a material adverse effect on our financial position, results of operations, or liquidity.

On October 10, 2024, a chemical release occurred at the PEMEX Deer Park Refinery in Deer Park, Texas. As a result of the release, two people were killed and approximately 200 others claim to have suffered bodily injuries. Several lawsuits were filed in Harris County, Texas on behalf of the various claimants. Those lawsuits were thereafter assigned the status of “multi-district litigation” and consolidated in the 281st District Court, Harris County. Repcon, Inc. (“Repcon”) and EMCOR Industrial Services, Inc. (“EIS”), indirect subsidiaries of the Company, have been named in several of the lawsuits, and Repcon has also been subject to contractual indemnification claims. Repcon expects to participate in mediations related to this matter. Based on currently available information, we believe insurance will cover much or all of any amounts required to be paid by Repcon or EIS in connection with these claims.

NOTE 16 - LEASES

We lease real estate, vehicles, and equipment under various arrangements which are classified as either operating or finance leases. A lease exists when a contract or part of a contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. In determining whether a lease exists, we consider whether a contract provides us with both: (a) the right to obtain substantially all of the economic benefits from the use of the identified asset and (b) the right to direct the use of the identified asset.

Many of our leases include base rental periods coupled with options to renew or terminate the lease, generally at our discretion. Certain leases additionally include options to purchase the leased asset. In evaluating the lease term, we consider whether we are reasonably certain to exercise such options. To the extent a significant economic incentive exists to exercise an option, that option is included within the lease term. However, based on the nature of our lease arrangements, options generally do not provide us with a significant economic incentive and are therefore excluded from the lease term for the majority of our arrangements.

Our leases typically include a combination of fixed and variable payments. Fixed payments are generally included when measuring the right-of-use asset and lease liability. Variable payments, which primarily represent payments based on usage of the underlying asset, are generally excluded from such measurement and expensed as incurred. In addition, certain of our lease arrangements may contain a lease coupled with an arrangement to provide other services, such as maintenance, or may require us to make other payments on behalf of the lessor related to the leased asset, such as payments for taxes or insurance. We account for these non-lease components together with the associated lease component for each of our asset classes.

NOTE 16 - LEASES (Continued)

The measurement of right-of-use assets and lease liabilities requires us to estimate appropriate discount rates. To the extent the rate implicit in the lease is readily determinable, such rate is utilized. However, based on information available at lease commencement for the majority of our leases, the rate implicit in the lease is not known. In these instances, we utilize an incremental borrowing rate, which represents the rate of interest that we would pay to borrow on a collateralized basis, over a similar term, an amount equal to the lease payments.

Our lease arrangements generally do not contain significant restrictions or covenants; however, certain of our vehicle and equipment leases include residual value guarantees, whereby we provide a guarantee to the lessor that the value of the underlying asset will be at least a specified amount at the end of the lease. Amounts probable of being owed under these guarantees are included within the measurement of the right-of-use asset and lease liability.

Lease Position

The following table presents our lease-related assets and liabilities as of December 31, 2025 and 2024 (in thousands):

	Classification on the Consolidated Balance Sheet	December 31, 2025	December 31, 2024
Assets			
Operating lease assets	Operating lease right-of-use assets	$ 439,029	$ 316,128
Finance lease assets	Property, plant, and equipment, net	6,111	6,009
Total lease assets		$ 445,140	$ 322,137
Liabilities			
Current			
Operating	Operating lease liabilities, current	$ 99,213	$ 81,247
Finance	Other accrued expenses and liabilities	2,399	2,246
Noncurrent			
Operating	Operating lease liabilities, long-term	368,996	261,575
Finance	Other long-term obligations	3,949	3,849
Total lease liabilities		$ 474,557	$ 348,917

Lease Costs

The following table presents information related to our lease expense for the years ended December 31, 2025, 2024, and 2023 (in thousands):

	2025	2024	2023
Finance lease expense:			
Amortization expense	$ 2,855	$ 2,604	$ 2,816
Interest expense	320	254	175
Operating lease expense	121,996	103,261	93,158
Short-term lease expense [(1)]	382,289	290,267	224,047
Variable lease expense	8,163	7,137	9,482
Total lease expense	$ 515,623	$ 403,523	$ 329,678

(1) Short-term lease expense includes both leases and rentals with initial terms of one year or less and predominantly represents equipment used on construction projects.

Sublease rental income was approximately $1.0 million, $4.6 million, and $6.7 million for the years ended December 31, 2025, 2024, and 2023, respectively.

NOTE 16 - LEASES (Continued)

Lease Term and Discount Rate

The following table presents certain information related to the lease terms and discount rates for our leases as of December 31, 2025 and 2024:

	December 31, 2025	December 31, 2024
Weighted-average remaining lease term:		
Operating leases	6.9 years	5.1 years
Finance leases	3.1 years	3.4 years
Weighted-average discount rate:		
Operating leases	5.01 %	4.43 %
Finance leases	5.10 %	4.67 %

Other Information

The following table presents supplemental cash flow information related to our leases for the years ended December 31, 2025, 2024, and 2023 (in thousands):

	2025	2024	2023
Cash paid for amounts included in the measurement of lease liabilities:			
Operating cash flows used for operating leases	$ 118,840	$ 101,611	$ 90,412
Operating cash flows used for finance leases	$ 320	$ 254	$ 175
Financing cash flows used for finance leases	$ 2,692	$ 2,855	$ 2,776
Right-of-use assets obtained in exchange for new operating lease liabilities	$ 219,965	$ 94,538	$ 125,417
Right-of-use assets obtained in exchange for new finance lease liabilities	$ 2,882	$ 3,412	$ 1,427

Maturity of Lease Liabilities

The following table reconciles our future minimum lease payments on an undiscounted cash flow basis to our lease liabilities reported in the Consolidated Balance Sheet as of December 31, 2025 (in thousands):

	Operating Leases	Finance Leases
2026	$ 119,602	$ 2,654
2027	96,345	2,051
2028	79,533	1,221
2029	65,874	633
2030	50,498	255
Thereafter	151,835	37
Total minimum lease payments	563,687	6,851
Less: Amount of lease payments representing interest	(95,478)	(503)
Present value of future minimum lease payments	$ 468,209	$ 6,348
Current portion of lease liabilities	$ 99,213	$ 2,399
Noncurrent portion of lease liabilities	368,996	3,949
Present value of future minimum lease payments	$ 468,209	$ 6,348

NOTE 17 - ADDITIONAL CASH FLOW INFORMATION

The following table presents cash paid for interest for the years ended December 31, 2025, 2024, and 2023 (in thousands):

	2025	2024	2023
Cash paid for interest	$ 11,130	$ 2,850	$ 16,246

NOTE 18 - SEGMENT INFORMATION

We are one of the largest specialty contractors in the United States and a leading provider of electrical and mechanical construction and facilities services, building services, and industrial services. Our services are provided to a broad range of commercial, technology, manufacturing, industrial, healthcare, utility, and institutional customers through approximately 100 operating subsidiaries. Such operating subsidiaries are organized into the following reportable segments, which additionally reflect the nature of the services offered and their geographical location:

- United States electrical construction and facilities services;
- United States mechanical construction and facilities services;
- United States building services; and
- United States industrial services.

On December 1, 2025, we sold our United Kingdom operations, the results of which are reported within our United Kingdom building services segment through the date of sale.

Our chief operating decision maker ("CODM") is our Chairman, President, and Chief Executive Officer. Our CODM is responsible for assessing the performance of the Company and each of our reportable segments as well as allocating resources, including personnel and capital resources. The measure of segment profit or loss utilized by our CODM is operating income. Our CODM evaluates segment performance by comparing historical, actual, and forecasted operating income on a regular basis. The accounting policies of our reportable segments are the same as those applied at the consolidated financial statement level as described in Note 2 - Summary of Significant Accounting Policies of the notes to consolidated financial statements.

The following tables present the revenues and operating income for each of our reportable segments for the years ended December 31, 2025, 2024, and 2023 (in thousands):

	2025	2024	2023
Revenues from unrelated entities:			
United States electrical construction and facilities services	$ 5,074,252	$ 3,342,927	$ 2,783,723
United States mechanical construction and facilities services	7,050,481	6,405,657	5,074,803
United States building services	3,122,242	3,114,817	3,120,134
United States industrial services	1,268,099	1,277,190	1,167,790
Total United States operations	16,515,074	14,140,591	12,146,450
United Kingdom building services	471,348	425,525	436,423
Consolidated revenues	$16,986,422	$14,566,116	$12,582,873

	2025	2024	2023
Total revenues:			
United States electrical construction and facilities services	$ 5,135,887	$ 3,370,506	$ 2,786,895
United States mechanical construction and facilities services	7,123,644	6,458,776	5,134,686
United States building services	3,171,057	3,166,680	3,228,056
United States industrial services	1,292,664	1,284,327	1,179,321
Less intersegment revenues	(208,178)	(139,698)	(182,508)
Total United States operations	16,515,074	14,140,591	12,146,450
United Kingdom building services	471,348	425,525	436,423
Consolidated revenues	$16,986,422	$14,566,116	$12,582,873

NOTE 18 - SEGMENT INFORMATION (Continued)

	2025	2024	2023
Operating income (loss):			
United States electrical construction and facilities services	$ 611,952	$ 447,186	$ 230,640
United States mechanical construction and facilities services	905,325	799,613	530,644
United States building services	187,192	176,720	182,995
United States industrial services	24,998	44,213	35,375

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of EMCOR Group, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of EMCOR Group, Inc. and subsidiaries (the Company) as of December 31, 2025 and 2024, the related consolidated statements of operations, comprehensive income, equity, and cash flows for each of the three years in the period ended December 31, 2025, and the related notes and financial statement schedule listed in the Index at Item 15(a)(2) (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2025, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated February 26, 2026 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing a separate opinion on the critical audit matters or on the accounts or disclosures to which they relate.

Revenue Recognition from Construction Contracts

Description of the Matter

As described in Note 3 to the consolidated financial statements, the Company generally recognizes revenue from construction contracts over time using a cost-to-cost input method in which the extent of progress is measured based on the ratio of costs incurred to date to the total estimated costs at completion. In addition, the revenue recognition process requires the Company to determine the transaction price that represents the amount of consideration to which the Company expects to be entitled. A significant portion of the Company's revenues for the year ended December 31, 2025 were derived from construction contracts.

The determination of revenue recognized from construction contracts commonly requires the Company to estimate variable consideration that arises from pending change orders, contract claims, contract bonuses, and penalties, as well as to prepare estimates of the costs to complete contracts. Factors inherent in the estimation processes include, among others, historical experience with customers, the potential long-term nature of dispute resolutions, actions of third parties as well as the Company's experience with similar types of contracts. Due to uncertainties attributed to such factors, auditing revenue recognized from construction contracts involved especially challenging, subjective, and complex judgments.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design, and tested the operating effectiveness of the Company's controls related to revenue recognition from construction contracts. For example, we tested controls over the Company's determination and review of estimates of variable consideration, costs to complete, and the completeness and accuracy of data utilized in conjunction with such estimation processes.

To test the amount of revenue recognized from construction contracts in the current period, we selected a sample of contracts and performed procedures to test the project revenue and cost forecasts. For example, we obtained and inspected the related contract agreements, amendments, and change orders to test the existence of customer arrangements and understand the scope and pricing of the related projects; performed inquiries of management and project personnel regarding facts and circumstances relevant to the accounting for such contracts; tested key components of the estimated costs to complete, including materials, labor, and subcontractors costs; agreed actual costs incurred to supporting documentation; and recalculated revenues recognized based on the project's percentage of completion and management's estimate of transaction price. In addition, we performed certain retrospective review procedures to assess management's historical ability to accurately estimate the transaction price and costs to complete contracts as well as to identify any significant or unusual changes in project revenue and cost forecasts during the period.

Valuation of the Customer Relationship Intangible Asset Acquired in a Business Combination

Description of the Matter

As described in Note 4 to the consolidated financial statements, during the year ended December 31, 2025, the Company completed the acquisition of Miller Electric Company ("Miller Electric") for total consideration of approximately $876.8 million. The preliminary purchase price was allocated to assets acquired and liabilities assumed based on the estimated fair value of such assets and liabilities.

Auditing the Company's accounting for the Miller Electric acquisition required complex auditor judgment due to the significant estimation uncertainty inherent in determining the fair value of the acquired customer relationship intangible asset. The significant estimation uncertainty was primarily due to the judgmental nature of the inputs to the valuation techniques used to measure the fair value of the customer relationship intangible asset as well as the sensitivity of the fair value to the underlying significant assumptions. The significant assumptions used to estimate the fair value of the acquired customer relationship intangible asset are revenue and the revenue growth rate. The significant assumptions are forward-looking and could be affected by future economic and market conditions.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of the Company's controls over the valuation of the customer relationship intangible asset. For example, we tested controls over management's review of the valuation model and the significant assumptions described above.

To test the estimated fair value of the acquired customer relationship intangible asset, we performed audit procedures that included, among others, assessing the appropriateness of the valuation methodology, testing the significant assumptions discussed above, and testing the completeness and accuracy of the underlying data used by the Company to develop the assumptions. For example, we compared the revenue and revenue growth rates to historical results and to industry expectations. We further performed sensitivity analyses to evaluate the changes in the fair value of the acquired customer relationship intangible asset that would result from changes in the significant assumptions. In addition, we involved internal valuation specialists to assist us in our evaluation of the valuation methodology used by the Company.

/s/ Ernst & Young LLP

We have served as the Company's auditor since 2002.

February 26, 2026

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of EMCOR Group, Inc.

Opinion on Internal Control Over Financial Reporting

We have audited EMCOR Group, Inc. and subsidiaries' internal control over financial reporting as of December 31, 2025, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). In our opinion, EMCOR Group, Inc. and subsidiaries (the Company) maintained, in all material respects, effective internal control over financial reporting as of December 31, 2025, based on the COSO criteria.

As indicated in the accompanying Management's Report on Internal Control over Financial Reporting, management's assessment of and conclusion on the effectiveness of internal control over financial reporting did not include the internal controls of Miller Electric Company ("Miller Electric"), which is included in the 2025 consolidated financial statements of the Company and constituted 4.4% of total assets as of December 31, 2025 and 6.4% of revenues for the year then ended. Our audit of internal control over financial reporting of the Company also did not include an evaluation of the internal control over financial reporting of Miller Electric.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the 2025 consolidated financial statements of the Company and our report dated February 26, 2026 expressed an unqualified opinion thereon.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

/s/ Ernst & Young LLP

Stamford, Connecticut
February 26, 2026

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

Not applicable.

ITEM 9A. CONTROLS AND PROCEDURES

Based on an evaluation of our disclosure controls and procedures (as required by Rule 13a-15(b) of the Securities Exchange Act of 1934), our Chairman, President, and Chief Executive Officer, Anthony J. Guzzi, and our Senior Vice President, Chief Financial Officer and Chief Accounting Officer, Jason R. Nalbandian, have concluded that our disclosure controls and procedures (as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934) are effective as of the end of the period covered by this report.

Management's Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Securities Exchange Act of 1934). Our internal control over financial reporting is a process designed with the participation of our principal executive officer and principal financial officer or persons performing similar functions to provide reasonable assurance regarding the reliability of financial reporting and the preparation of our financial statements for external reporting purposes in accordance with U.S. generally accepted accounting principles.

Our internal control over financial reporting includes policies and procedures that: (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect our transactions and dispositions of assets, (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with U.S. generally accepted accounting principles, and that our receipts and expenditures are being made only in accordance with authorizations of our management and Board of Directors, and (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of our assets that could have a material effect on our financial statements.

Because of its inherent limitations, our disclosure controls and procedures may not prevent or detect misstatements. A control system, no matter how well conceived and operated, can only provide reasonable, not absolute, assurance that the objectives of the control system are met. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, have been detected. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

On February 3, 2025, we acquired Miller Electric Company ("Miller Electric"). As of December 31, 2025, we had not fully incorporated the internal controls and procedures of Miller Electric into EMCOR's internal control over financial reporting. As such, management excluded this business from our assessment of the effectiveness of internal control over financial reporting, as permitted by applicable regulations. Our internal control procedures surrounding the valuation of goodwill and identifiable intangible assets related to this acquisition were, however, included in management's assessment of the effectiveness of internal control over financial reporting. Excluding goodwill and identifiable intangible assets recorded in connection with this acquisition, Miller Electric accounted for $405.1 million, or 4.4%, of EMCOR's total assets as of December 31, 2025. Miller Electric accounted for approximately $1.09 billion, or 6.4%, of EMCOR's total revenues for the year then ended.

As of December 31, 2025, our management conducted an evaluation of the effectiveness of our internal control over financial reporting based on the framework established in *Internal Control-Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, management has determined that EMCOR's internal control over financial reporting was effective as of December 31, 2025.

The effectiveness of our internal control over financial reporting as of December 31, 2025 has been audited by Ernst & Young LLP, an independent registered public accounting firm, as stated in its report appearing in Item 8 of this Form 10-K, which such report expressed an unqualified opinion on the effectiveness of our internal control over financial reporting as of December 31, 2025.

Changes in Internal Control over Financial Reporting

In addition, our management with the participation of our principal executive officer and principal financial officer or persons performing similar functions has determined that no change in our internal control over financial reporting (as that term is defined in Rules 13(a)-15(f) and 15(d)-15(f) of the Securities Exchange Act of 1934) occurred during the fourth quarter of our fiscal year ended December 31, 2025 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

ITEM 9B. OTHER INFORMATION

On December 2, 2025, Anthony J. Guzzi, our Chairman, President, and Chief Executive Officer, adopted a Rule 10b5-1 trading arrangement providing for the potential sale of an aggregate amount of up to 36,000 shares of our common stock, with the exact number of shares to be sold to be determined based on market prices of our common stock. The trading arrangement is intended to satisfy the affirmative defense in Rule 10b5-1(c). The duration of the trading arrangement is from March 5, 2026 until May 28, 2027, or earlier if all transactions under the trading arrangement are completed.

During the quarter ended December 31, 2025, no other directors or executive officers of the Company adopted or terminated any: (a) contract, instruction, or written plan for the purchase or sale of Company securities intended to satisfy the affirmative defense conditions of Rule 10b5-1 or (b) non 10b5-1 trading arrangement, each as defined in Item 408(a) of Regulation S-K.

ITEM 9C. DISCLOSURE REGARDING FOREIGN JURISDICTIONS THAT PREVENT INSPECTIONS

Not applicable.

PART III

ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

The information required by this Item 10 with respect to directors is incorporated herein by reference to the section of our definitive Proxy Statement for the 2026 Annual Meeting of Stockholders entitled "Election of Directors," which Proxy Statement is to be filed with the Securities and Exchange Commission pursuant to Regulation 14A not later than 120 days after the end of the fiscal year to which this Form 10-K relates (the "Proxy Statement"). The information, if any, required by this Item 10 concerning compliance with Section 16(a) of the Securities Exchange Act of 1934 is incorporated herein by reference to the section of the Proxy Statement entitled "Delinquent Section 16(a) Reports." The information required by this Item 10 concerning the Audit Committee of our Board of Directors and Audit Committee financial experts is incorporated by reference to the section of the Proxy Statement entitled "Meetings and Committees of the Board of Directors" and "Corporate Governance." The information required by this Item 10 regarding stockholder recommendations for director candidates is incorporated by reference to the section of the Proxy Statement entitled "Recommendations for Director Candidates." The information required by this Item 10 with respect to insider trading policies and procedures is incorporated by reference to the section of the Proxy Statement entitled "Insider Trading Policies and Procedures." Information regarding our executive officers is contained in Part I of this Form 10-K following Item 4 under the heading "Executive Officers of the Registrant." We have adopted a Code of Ethics that applies to our Chief Executive Officer and our Senior Financial Officers, which is listed on the Exhibit Index.

ITEM 11. EXECUTIVE COMPENSATION

The information required by this Item 11 is incorporated herein by reference to the sections of the Proxy Statement entitled "Compensation Discussion and Analysis," "Executive Compensation and Related Information," "Potential Post Employment Payments," "Director Compensation," "Compensation Committee Interlocks and Insider Participation" and "Compensation Committee Report."

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The information required by this Item 12 (other than the information required by Section 201(d) of Regulation S-K, which is set forth below) is incorporated herein by reference to the sections of the Proxy Statement entitled "Security Ownership of Certain Beneficial Owners" and "Security Ownership of Management."

Securities Authorized for Issuance Under Equity Compensation Plans. The following table summarizes, as of December 31, 2025, certain information regarding equity compensation plans that were approved by stockholders and equity compensation plans that were not approved by stockholders.

	Equity Compensation Plan Information		
	A	B	C
Plan Category	Number of Securities to be Issued upon Exercise of Outstanding Options, Warrants and Rights	Weighted Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans (Excluding Securities Reflected in Column A)
Equity Compensation Plans Approved by Security Holders	234,436	$ —	555,142 (1)
Equity Compensation Plans Not Approved by Security Holders	—	—	—
Total	234,436	$ —	555,142 (1)

(1) Represents shares of our common stock available for future issuance under our 2010 Incentive Plan, which may be issued pursuant to the award of restricted stock, unrestricted stock and/or awards that are valued in whole or in part by reference to, or are otherwise based on the fair market value of, our common stock.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

The information required by this Item 13 is incorporated herein by reference to the sections of the Proxy Statement entitled "Compensation Committee Interlocks and Insider Participation" and "Corporate Governance."

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

The information required by this Item 14 is incorporated herein by reference to the section of the Proxy Statement entitled "Ratification of Appointment of Independent Auditors."

PART IV

ITEM 15. EXHIBITS AND FINANCIAL STATEMENT SCHEDULES

(a)(1) The following consolidated financial statements of EMCOR Group, Inc. and Subsidiaries are filed as part of this report under Part II, Item 8. Financial Statements and Supplementary Data:

Financial Statements:

Consolidated Balance Sheets - December 31, 2025 and 2024

Consolidated Statements of Operations - Years Ended December 31, 2025, 2024, and 2023

Consolidated Statements of Comprehensive Income - Years Ended December 31, 2025, 2024, and 2023

Consolidated Statements of Cash Flows - Years Ended December 31, 2025, 2024, and 2023

Consolidated Statements of Equity - Years Ended December 31, 2025, 2024, and 2023

Notes to Consolidated Financial Statements

Reports of Independent Registered Public Accounting Firm (PCAOB ID: 42)

(a)(2) The following financial statement schedule is included in this Form 10-K: Schedule II - Valuation and Qualifying Accounts

All other schedules are omitted because they are not required, are inapplicable, or the information is otherwise shown in the consolidated financial statements or notes thereto.

(a)(3) The exhibits filed in response to Item 601 of Regulation S-K are listed in the Exhibit Index.

EXHIBIT 31.1

CERTIFICATION

I, Anthony J. Guzzi, certify that:

1. I have reviewed this annual report on Form 10-K of EMCOR Group, Inc.;

2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;

3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;

4. The registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)), and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:

   a. Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;

   b. Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;

   c. Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and

   d. Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and

5. The registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):

   a. All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and

   b. Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

COMPARATIVE FIVE-YEAR CUMULATIVE TOTAL RETURNS

The graph assumes that $100 was invested on December 31, 2020 in common stock of EMCOR Group, Inc., and in each of the indices and assumes reinvestment of all dividends.

For fiscal year ended December 31, 2025, we changed our broad equity market index from the Russell 2000 Index to the S&P 500 Index and our industry reference group index from the S&P 400 Capital Goods Index to the S&P 500 Industrials Index. We believe these changes provide improved comparisons given the growth in our market capitalization and our inclusion in the S&P 500. We have included both the old and new indices in the graph above for comparative purposes as a transitional measure. The shareholder return set forth in the graph above is not necessarily indicative of future performance.

Business History Form

Referring to affirmative answer to
Question 13

13. In the past 5 years, has this business and/or any of its owners and/or officers and/or any affiliated business been the subject of an investigation by any government agency, including but not limited to federal, state and local regulatory agencies? And/or, in the past 5 years, has any owner and/or officer of an affiliated business been the subject of an investigation by any government agency, including but not limited to federal, state and local regulatory agencies, for matters pertaining to that individual's position at or relationship to an affiliated business.

The following is a schedule detailing same for the past five (5) years:

WELSBACH ELECTRIC CORP. (College Point)

Date	Agency	Complaint	Outcome
9/19/19	OSHA	Citation 1 Employees performing maintenance work on traffic lanterns from the bucket truck over an active traffic lane were exposed to struck-by-hazards from vehicles passing underneath. OSHA Citation and Notification Penalty No. 1430177 (the "Citation") was resolved upon the filing on October 2, 2020 of a Joint Notification of Settlement with the Occupational Safety and Health Review Commission under Docket No. 20-0511. A copy is attached. One violation was alleged in the Citation, which violation has been amended to an, other than serious violation of 29 C.F.R. 1926 200(g)(1). Welsbach has bolstered its safety program by (i) retraining all workers in the safe operation of vehicles used in the performance of work, which training shall again be conducted in October 2020, and (ii) augmenting its spot check of nighttime work locations. JOINT NOTIFICATION OF FULL SETTLEMENT

The parties respectfully notify the Court that the parties have fully settled the above captioned case and have executed a formal settlement agreement.

CERTIFICATION OF CITATION ITEMS FULLY SETTLED

The parties certify that all citation items in this case have been fully settled. All settled citation items are set forth, on a separate row, in the following chart. Commission Rule 100(b)(1)(i).[1]

Citation No.	Item No.	Resolution: Settled / Withdrawn
1	1	Settled

CERTIFICATION OF POSTING

The parties certify that the executed settlement agreement was posted to provide notice to the affected employees.[2] Commission Rules 7(g); 100(b)(1)(ii); 100(c). The parties certify that

[1] OSHRC's new Rules of Procedure were effective June 10, 2019 and all references contained herein refer to these revised Rules. Rules of Procedure, 84 Fed. Reg. 14554 (April 10, 2019) (to be codified at 29 C.F.R. pt. 2200). (https://www.federalregister.gov/documents/2019/04/10/2019-06581/rule s-of-procedure).

the settlement agreement was posted at a location prescribed by Commission Rule 7(g) on the following date: 10/1/2020.

The settlement agreement shall remain posted for fourteen (14) days.

CERTIFICATION OF SERVICE

The parties certify that the executed settlement agreement was served on the authorized employee representative of the affected employees[3] in a manner prescribed in Commission Rule 7(c) on the following date: 10/1/2020. Commission Rules 7(f); 100(b)(1)(ii); 100(c).

CERTIFICATION REGARDING PARTY WHO HAS ELECTED PARTY STATUS

The parties certify that any party who has elected party status, under Commission Rule 20, has been afforded an opportunity to provide input on all matters pertaining to the settlement before the settlement agreement was finalized. Commission Rule 100(b)(1)(iii).

CERTIFICATION WHETHER SETTLEMENT INCLUDES PLEADING WITHDRAWAL, AND WHETHER THE WITHDRAWAL IS WITH PREJUDICE

In the following chart, the parties certify the status of any citations, notifications, notices, or petitions, withdrawn in the settlement agreement, and certify whether the withdrawal was with or without prejudice. Each citation item and notification of proposed penalty withdrawn is included, on a separate row, in the chart. Commission Rule 100(b)(1)(iv).

List of Pleadings Withdrawn	**Withdrawal — With or Without Prejudice**

[2] In cases where *all* affected employees are represented by an authorized employee representative an alternative certification shall be included in the Joint Notification of Full Settlement, rather than the posting certification stated above. The alternative certification shall comply with Commission Rules 7(f); 100(b)(1)(ii); 100(c) and shall include the date of service.

[3] If *all* affected employees are not represented by an authorized employee representative, an additional certification of posting shall be included in the Joint Notification of Full Settlement. Commission Rules 7(g); 100(b)(1)(ii); 100(c). The settlement agreement shall remain posted for fourteen (14) days.
The parties certify that the settlement agreement was posted at a location prescribed by Commission Rule 7(g) on the following date: 10/1/2020

Notice of Contest	With Prejudice

ACKNOWLEDGEMENT THAT THE PARTIES HAVE NOT PROVIDED THE SETTLEMENT AGREEMENT WITH THIS JOINT NOTIFICATION.

The parties confirm that they have not incorporated the settlement agreement in, or append it to, this joint Notification of Settlement. See Commission Rule 100(b)(2).

DRAFT ORDER TERMINATING PROCEEDING.

The parties confirm that they have filed, for execution by the Judge, a draft Order Terminating Proceeding, acknowledging that the parties have resolved contested citation items and agreed to terminate the proceeding before the Commission, pursuant to Commission Rules 100(b)(3); 100(c).

CERTIFICATE OF SECRETARY OF WELSBACH ELECTRIC CORP. OF L.I.

The undersigned, Darlene Kummer, certifies that she is the duly elected, qualified and acting Secretary of Welsbach Electric Corp. of L.I., a corporation duly organized and existing under the laws of the State of New York, and that as such Secretary, she is the keeper of the corporate records and seal of said Corporation.

The undersigned further certifies:

1. Attached hereto as Exhibit A is a true, correct and complete copy of a resolution adopted upon written consent of the sole director of this Corporation dated as January 1, 2024; and said resolution does not contravene any provision of the certificate of incorporation or by-laws of said Corporation and has not been rescinded or modified in any respect but still remains in full force and effect.

IN WITNESS WHEREOF, I have hereunto set my hand this 1st day of January 2024.

Darlene Kummer, Secretary

EXHIBIT A

RESOLVED, that the following persons be, and hereby are, elected to hold the office of the Corporation set forth opposite his/her name until such time as his/her successor is elected and shall have qualified:

Chairman of Board		Shareholder	
Chief Exec. Officer		Secretary	
Chief Financial Officer		Partner	
Vice President	01/15/2022		
(Other)			

Type Other
Description Asst. Secretary
Start Date 01/15/2022

3. Do you have an equity interest in the business submitting the questionnaire?
YES [ ] NO [X] If Yes, provide details.

4. Are there any outstanding loans, guarantees or any other form of security or lease or any other type of contribution made in whole or in part between you and the business submitting the questionnaire?
YES [ ] NO [X] If Yes, provide details.

5. Within the past 3 years, have you been a principal owner or officer of any business or notfor-profit organization other than the one submitting the questionnaire?
YES [ ] NO [X] If Yes, provide details.

6. Has any governmental entity awarded any contracts to a business or organization listed in Section 5 in the past 3 years while you were a principal owner or officer?
YES [ ] NO [X] If Yes, provide details.

NOTE: An affirmative answer is required below whether the sanction arose automatically, by operation of law, or as a result of any action taken by a government agency. Provide a detailed response to all questions checked "YES". If you need more space, photocopy the appropriate page and attach it to the questionnaire.

7. In the past (5) years, have you and/or any affiliated businesses or not-for-profit organizations listed in Section 5 in which you have been a principal owner or officer:
   a. Been debarred by any government agency from entering into contracts with that agency?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   b. Been declared in default and/or terminated for cause on any contract, and/or had any contracts cancelled for cause?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   c. Been denied the award of a contract and/or the opportunity to bid on a contract, including, but not limited to, failure to meet pre-qualification standards?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   d. Been suspended by any government agency from entering into any contract with it; and/or is any action pending that could formally debar or otherwise affect such business's ability to bid or propose on contract?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

8. Have any of the businesses or organizations listed in response to Question 5 filed a bankruptcy petition and/or been the subject of involuntary bankruptcy proceedings during the past 7 years, and/or for any portion of the last 7 year period, been in a state of bankruptcy as a result of bankruptcy proceedings initiated more than 7 years ago and/or is any such business now the subject of any pending bankruptcy proceedings, whenever initiated?
YES [ ] NO [X] If 'Yes', provide details for each such instance. (Provide a detailed response to all questions check "Yes". If you need more space, photocopy the appropriate page and attached it to the questionnaire.)

9.

a. Is there any felony charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

b. Is there any misdemeanor charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

c. Is there any administrative charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

d. In the past 10 years, have you been convicted, after trial or by plea, of any felony, or of any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

e. In the past 5 years, have you been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

f. In the past 5 years, have you been found in violation of any administrative or statutory charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

10. In addition to the information provided in response to the previous questions, in the past 5 years, have you been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency and/or the subject of an investigation where such investigation was related to activities performed at, for, or on behalf of the submitting business entity and/or an affiliated business listed in response to Question 5?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

11. In addition to the information provided, in the past 5 years has any business or organization listed in response to Question 5, been the subject of a criminal investigation and/or a civil anti-trust investigation and/or any other type of investigation by any government agency, including but not limited to federal, state, and local regulatory agencies while you were a principal owner or officer?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

12. In the past 5 years, have you or this business, or any other affiliated business listed in response to Question 5 had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

13. For the past 5 tax years, have you failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?

YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

I, Daniel T. Piquette , hereby acknowledge that a materially false statement willfully or fraudulently made in connection with this form may result in rendering the submitting business entity and/or any affiliated entities non-responsible, and, in addition, may subject me to criminal charges.

I, Daniel T. Piquette , hereby certify that I have read and understand all the items contained in this form; that I supplied full and complete answers to each item therein to the best of my knowledge, information and belief; that I will notify the County in writing of any change in circumstances occurring after the submission of this form; and that all information supplied by me is true to the best of my knowledge, information and belief. I understand that the County will rely on the information supplied in this form as additional inducement to enter into a contract with the submitting business entity.

CERTIFICATION

A MATERIALLY FALSE STATEMENT WILLFULLY OR FRAUDULENTLY MADE IN CONNECTION WITH THIS QUESTIONNAIRE MAY RESULT IN RENDERING THE SUBMITTING BUSINESS ENTITY NOT RESPONSIBLE WITH RESPECT TO THE PRESENT BID OR FUTURE BIDS, AND, IN ADDITION, MAY SUBJECT THE PERSON MAKING THE FALSE STATEMENT TO CRIMINAL CHARGES.

6. Has any governmental entity awarded any contracts to a business or organization listed in Section 5 in the past 3 years while you were a principal owner or officer?
YES [ ] NO [X] If Yes, provide details.

NOTE: An affirmative answer is required below whether the sanction arose automatically, by operation of law, or as a result of any action taken by a government agency. Provide a detailed response to all questions checked "YES". If you need more space, photocopy the appropriate page and attach it to the questionnaire.

7. In the past (5) years, have you and/or any affiliated businesses or not-for-profit organizations listed in Section 5 in which you have been a principal owner or officer:
   a. Been debarred by any government agency from entering into contracts with that agency?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   b. Been declared in default and/or terminated for cause on any contract, and/or had any contracts cancelled for cause?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   c. Been denied the award of a contract and/or the opportunity to bid on a contract, including, but not limited to, failure to meet pre-qualification standards?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

   d. Been suspended by any government agency from entering into any contract with it; and/or is any action pending that could formally debar or otherwise affect such business's ability to bid or propose on contract?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

8. Have any of the businesses or organizations listed in response to Question 5 filed a bankruptcy petition and/or been the subject of involuntary bankruptcy proceedings during the past 7 years, and/or for any portion of the last 7 year period, been in a state of bankruptcy as a result of bankruptcy proceedings initiated more than 7 years ago and/or is any such business now the subject of any pending bankruptcy proceedings, whenever initiated?
YES [ ] NO [X] If 'Yes', provide details for each such instance. (Provide a detailed response to all questions check "Yes". If you need more space, photocopy the appropriate page and attached it to the questionnaire.)

9.
   a. Is there any felony charge pending against you?
   YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

b. Is there any misdemeanor charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

c. Is there any administrative charge pending against you?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

d. In the past 10 years, have you been convicted, after trial or by plea, of any felony, or of any other crime, an element of which relates to truthfulness or the underlying facts of which related to the conduct of business?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

e. In the past 5 years, have you been convicted, after trial or by plea, of a misdemeanor?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

f. In the past 5 years, have you been found in violation of any administrative or statutory charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

10. In addition to the information provided in response to the previous questions, in the past 5 years, have you been the subject of a criminal investigation and/or a civil anti-trust investigation by any federal, state or local prosecuting or investigative agency and/or the subject of an investigation where such investigation was related to activities performed at, for, or on behalf of the submitting business entity and/or an affiliated business listed in response to Question 5?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

11. In addition to the information provided, in the past 5 years has any business or organization listed in response to Question 5, been the subject of a criminal investigation and/or a civil anti-trust investigation and/or any other type of investigation by any government agency, including but not limited to federal, state, and local regulatory agencies while you were a principal owner or officer?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

12. In the past 5 years, have you or this business, or any other affiliated business listed in response to Question 5 had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

13. For the past 5 tax years, have you failed to file any required tax returns or failed to pay any applicable federal, state or local taxes or other assessed charges, including but not limited to water and sewer charges?
YES [ ] NO [X] If yes, provide an explanation of the circumstances and corrective action taken.

I, Darlene Kummer , hereby acknowledge that a materially false statement willfully or fraudulently made in connection with this form may result in rendering the submitting business entity and/or any affiliated entities non-responsible, and, in addition, may subject me to criminal charges.

I, Darlene Kummer , hereby certify that I have read and understand all the items contained in this form; that I supplied full and complete answers to each item therein to the best of my knowledge, information and belief; that I will notify the County in writing of any change in circumstances occurring after the submission of this form; and that all information supplied by me is true to the best of my knowledge, information and belief. I understand that the County will rely on the information supplied in this form as additional inducement to enter into a contract with the submitting business entity.

CERTIFICATION

A MATERIALLY FALSE STATEMENT WILLFULLY OR FRAUDULENTLY MADE IN CONNECTION WITH THIS QUESTIONNAIRE MAY RESULT IN RENDERING THE SUBMITTING BUSINESS ENTITY NOT RESPONSIBLE WITH RESPECT TO THE PRESENT BID OR FUTURE BIDS, AND, IN ADDITION, MAY SUBJECT THE PERSON MAKING THE FALSE STATEMENT TO CRIMINAL CHARGES.

COUNTY OF NASSAU

CONSULTANT'S, CONTRACTOR'S AND VENDOR'S DISCLOSURE FORM

1. Name of the Entity: Welsbach Electric Corp. of L.I.

Address: 300 Newtown Rd

City: Plainview State/Province/Territory: NY Zip/Postal Code: 11803

Country: US

2. Entity's Vendor Identification Number: [redacted]

3. Type of Business: Public Corp (specify)

4. List names and addresses of all principals; that is, all individuals serving on the Board of Directors or comparable body, all partners and limited partners, all corporate officers, all parties of Joint Ventures, and all members and officers of limited liability companies (attach additional sheets if necessary):

1 File(s) uploaded: WEC LI Officer Affidavit, 2024.pdf

5. List names and addresses of all shareholders, members, or partners of the firm. If the shareholder is not an individual, list the individual shareholders/partners/members. If a Publicly held Corporation, include a copy of the 10K in lieu of completing this section.
If none, explain.

See Emcor Group, Inc. 2025 Annual Report (10k) for Executive Officers (Page 109) and Board of Directors (Page 109) of Emcor Group, Inc.

1 File(s) uploaded: EMCOR_2025_AR_and_Form-10K.pdf

6. List all affiliated and related companies and their relationship to the firm entered on line 1. above (if none, enter "None"). Attach a separate disclosure form for each affiliated or subsidiary company that may take part in the performance of this contract. Such disclosure shall be updated to include affiliated or subsidiary companies not previously disclosed that participate in the performance of the contract.

See Emcor Group, Inc. 2025 Annual Report (Attached under Question 5) and Attachment 1 for a list of Affiliates. Welsbach Electric Corp. of L.I. is indirectly owned by Emcor Group Inc. and wholly owned by EMCOR Mechanical/Electrical Services East, Inc. Welsbach Electric Corp. of L.I. is the only Emcor Mechanical/Electrical Services East, Inc. subsidiary that will be taking part in the performance of any Nassau County contracts.

1 File(s) uploaded: Attachment 1, EMCOR East Affliates.pdf

7. List all lobbyists whose services were utilized at any stage in this matter (i.e., pre-bid, bid, post-bid, etc.). If none, enter "None." The term "lobbyist" means any and every person or organization retained, employed or designated by any client to influence - or promote a matter before - Nassau County, its agencies, boards, commissions, department heads, legislators or committees, including but not limited to the Open Space and Parks Advisory Committee and Planning Commission. Such matters include, but are not limited to, requests for proposals, development or improvement of real property subject to County regulation, procurements. The term "lobbyist" does not include any officer, director, trustee, employee, counsel or agent of the County of Nassau, or State of New York, when discharging his or her official duties.

Are there lobbyists involved in this matter?
YES [ ] NO [X]

(a) Name, title, business address and telephone number of lobbyist(s):

300 Newtown Rd

(b) Describe lobbying activity of each lobbyist. See below for a complete description of lobbying activities.

None.

(c) List whether and where the person/organization is registered as a lobbyist (e.g., Nassau County, New York State):

None.

8. VERIFICATION: This section must be signed by a principal of the consultant, contractor or Vendor authorized as a signatory of the firm for the purpose of executing Contracts.

The undersigned affirms and so swears that he/she has read and understood the foregoing statements and they are, to his/her knowledge, true and accurate.

Electronically signed and certified at the date and time indicated by:
Darlene Kummer [DKUMMER@EMCOR.NET]

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Office of the County Executive
Att: Arthur T. Walsh, Chief Deputy County Executive

FROM: Department of Public Works

DATE: August 26, 2026

SUBJECT: **RECOMMENDATION OF AWARD**

Contract Number: **T62250-07M**

Title: **Traffic Signal Maintenance Contract**

Engineer's Estimate: **$19,322,000.00**

Bids Received On: **June 30, 2026**

The bids received for the above referenced contract have been examined and the bid submitted by Welsbach Electric Corp. of L.I. in the amount of $19,422,440.00 is acceptable as the lowest responsible bidder. There was two (2) bids for this contract. Welsbach's bid was approximately 0.52% higher than the Engineer's estimate. Welsbach has shown to be a responsible bidder in the past for this type of work.

The actual bid amount in this contract is not the necessarily the amount that will be encumbered. This contract's funding is provided partly through operating and partly through Capital Funding. The operating costs have a rough known quantity but also have to take into account new signals that are put into operation during the course of this contract, while the T&M Capital Repairs are unknown, and include storms, vehicle accidents, repairs, and equipment deterioration but are based upon past experience in the Department. The contract is critical in order to keep the signals in good working order and so that the Department can respond to traffic safety concerns immediately. The contract must be in place by January 1, 2027, so that there is no break in service associated with maintenance of our signal infrastructure.

If you approve or disapprove of the above referenced request, please signify below and return this memo to this office for appropriate action.

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Michael Kwaschyn, Commissioner

FROM: Joseph G. Pecora, Deputy Commissioner

DATE: August 26, 2026

SUBJECT: Low Participation for Traffic Signal Maintenance Contract
Bid Contract No. T62250-07M

The Traffic Signal Maintenance contract was advertised in the New York Post, New York State Contract Reporter (NYSCR) and the County Solicitation Board on May 27, 2026, with the bid opening on June 30, 2026.

Fifty-Six (56) Vendors were notified of the solicitation. Four (4) vendors viewed the solicitation from the County Solicitation Board. Two (2) vendors purchased the Contract Documents, and two (2) bids were received.

Upon investigating the low participation via inquiry, it has been determined that the general response has been consistent. There are five (5) approved vendors currently to work on traffic signals due to their specialized nature. The general claim is that the maintenance contract was not in their general business model for the time being, that they prefer working on the construction end of the contract. One (1) vendor claimed that they had too much other work to be able to bid for this contract.

The following are the answers to anticipated questions:

1. Review the specification to ensure that it is not unduly restrictive so as to limit competition. Is any component of the solicitation so restrictive that only one (1) or a small number of vendors is capable of responding to the solicitation? If so, were those vendors notified of the solicitation? ***Response: The bid was not restrictive, however, there is a limited pool of qualified firms that have appropriate staff, experience and resources to maintain the level of labor, materials and equipment necessary to meet the requirements of the contract. All five eligible vendors were notified that the bid documents were available.***

2. Was the solicitation advertised and posted on the County website as required? ***Response: The bid was advertised in NYSCR, New York Post, and the County Solicitation Board.***
3. *Would we be likely to obtain greater vendor participation by advertising in other venues (e.g. New York State Contract Reporter, trade journals, other local media, etc.)?* ***Response: The RFP was advertised in NYSCR and New York Post.***
4. Was the NIGP commodity code used to conduct the solicitation appropriate? Were appropriate vendors registered with the County for that commodity code or otherwise notified? ***Response: The correct commodity codes were utilized in the County Solicitation Board. Accordingly, the vendors registered for that commodity code received an automatic notification.***

SUBJECT: Low Participation for Traffic Signal Maintenance Contract
Bid Contract No. T62250-07M

5. Is the market for the specified goods or services structurally limited (i.e. are there geographic, capital, vendor capacity, service schedule, or other requirements) such that the greater vendor participation is not possible? ***Response: Yes, there are five (5) approved contractors that could perform the type of work that is needed.***

6. Survey vendors that received notice of the solicitation but did not respond to determine why the vendor chose not to do so. Typical responses include but are not limited to:

   a. The vendor did not see the advertisement. ***Response: Fifty-Six (56) vendors were notified. Four (4) vendors viewed the solicitation on the County Solicitation Board, and two (2) vendors picked up the bid package.***

   b. The vendor does not offer the specified goods/services as a follow-up, ask if the specification is too specific to a competitor's product (is the specification "brand- specific" or written to one manufacturer's or service provider's offering?), ***Response: The work specification was not too specific so as to restrict participation. One vendor stated that the liability that they have to assume is too great.***

   c. The vendor is too busy with other work at this time. ***Response: One vendor contacted stated they were too busy to bid on the work.***

   d. The vendor is not interested in pursuing a County contract at this time-as a follow-up, as to why this is the case. ***Response: Vendors cited a concern about the amount of other work they had at the time of the contract offering.***

Outsourcing Questionnaire

Question	Answer
Does the County own the proper equipment to do the work?	
If the County does not own the proper equipment can it rent/lease the equipment?	
If the County does not own the proper equipment what is the time frame to buy the equipment?	
If the County does not own the proper equipment what is the cost of the equipment?	
If the Department, chooses to buy the equipment is the cost budgeted?	
If Yes and choosing to outsource, please explain why?	
What is the duration of the project if done inhouse? • Employee / Man Hours • Number of DaysShow calculations.	
What is the duration of the project if out sourced?	
What is the priority of the project? (Emergency, High, Medium, Low)	
Is the project subject to seasonality?	
What is the project cost of the project in done in-house? • Labor • MaterialsShow calculation if possible.	
What is the project cost of the project if outsourced?	
Does this require a specific skill set not currently within the County work force?	
Does the Title exist to perform the function?	
Does the skill set require specific training?	
Does the Skill set require certification certificates?	
Are continuing education credits required to maintain certification?	
Is this a task that must be performed often?	
If the task is not performed often would the employee remain proficient in the duties required?	
Is this project installing an operation system requiring a licensed installer from the manufacture?	
Are there any warranties that would be voided if not installed by a licensed person or company?	
Do County employees always perform this function?	
If County employees do not normally perform the function, please specify why?	
If County employees normally perform the function why is DPW choosing to outsource?	
Is there associated risk liability that would necessitate outsourcing?	
Is the project paid via outside funding?	
Does the outside funding require outsourcing for it to be reimbursed?

COUNTY OF NASSAU
DEPARTMENT OF PUBLIC WORKS C25-0061

Inter-Departmental Memo

TO: Civil Service Employees Association, Nassau Local 830
Att: Kris Kalender, President

FROM: Department of Public Works

DATE: February 6, 2026

SUBJECT: CSEA Notification of a Proposed DPW Contract
Traffic Signal Maintenance Contract
Proposed Contract Number: T6225007M

The following notification is to comply with the spirit and intent of Section 32 of the County/CSEA Contract. It should not be implied that the proposed DPW authorization is for work, which has "historically and exclusively been performed by the bargaining unit members."

1. DPW plans to recommend a contract/agreement for the following services: Traffic Signal Maintenance Contract.

2. The work involves the following: This contract will enable us to expedite and quickly repair any traffic signals, miscellaneous devices, and street lighting equipment owned and maintained by Nassau County. It involves twenty-four (24) hour a day service and maintenance, T&M repairs, modifications, device installations, and other related work. This work must be performed by properly trained, equipped, and experienced personnel with the proper vehicles in order to avoid legal liability, ensure public safety, move traffic efficiently and conform to current standards.

3. An estimate of the cost is $19,320,000.00

4. An estimate of the duration is Three (3) years.

5. Due to the nature and complexity of this work, historically, projects of this type have not been completed utilizing County work force.

Should you wish to propose an alternative to the proposed contract/agreement, please respond within ten (10) days to: Department of Public Works, Att: Sean McBride, Deputy Commissioner, telephone 1-6887, fax (516) 571-9657.

QUALIFICATION STATEMENT

Note: All blanks in the form are to be filled in. Where blanks are not applicable to your firm, so indicate in each instance.

1. How many years has your firm been in the business under your present business name? 71 years

2. How many years experience in the construction work of a similar type as this contract has your firm had;

   a. as a Prime Contractor 71 years

   b. as a Subcontractor 71 years

3. List below the construction projects your firm has under way as of this date:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer

See Attachment #2

(use additional blank sheets if additional space is necessary)

4. List the projects which your firm as a firm has performed in the past few years which you feel will qualify you for this work:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer	
[redacted]	TSL Maintenance	85%	NCDPW 1194 Prospect Ave	T62250-06M
	TSL Maintenance	100%	NCDPW 1194 Prospect Ave	T62250-05M
	TS Requirements	100%	NCDPW 1194 Prospect Ave	T62017-08E
	TS Ops, Phase VI	100%	NCDPW 1194 Prospect Ave	T62000-05ER

(use additional blank sheets if additional space is necessary)

5. Have you:
   a. ever failed to complete any work awarded to You? NO
      If so; identify the project, the owner, the contract amount, the circumstances and date of all such failures to complete.

   b. ever been defaulted on a contract? NO
      If so; identify the project, the owner, the contract amount, the circumstances and the date of all default actions

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 09/07/2025

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

Plainview, NY 11803
ATTN: MS. M. Valenti, President

RE: T62250-07M, NCDPW
Traffic Signal Maintenance

Dear: Ms. Valenti:

Please be advised that because you are signatory in good standing to the Collective Bargaining Agreement between Local Union No. 25, I.B.E.W. and the National Electrical Contractors Association you are entitled to hire apprentices through the Joint Apprenticeship and Training Committee electrical apprenticeship program.

Our apprenticeship program is registered with the New York State Department of Labor and is approved and recognized as such, we also comply with all provisions of Nassau and Suffolk County Law.

If you currently employ or have employed apprentices in the past and you need to provide proof that the apprentice(s) is, are or were a part of a New York State registered apprenticeship program, we will be happy to provide you with a copy of a current AT-401 (New York State Apprenticeship Agreement) or a New York State Department of Labor Certification of Completion of Apprenticeship Training.

Sincerely,

JOINT APPRENTICESHIP
AND TRAINING COMMITTEE

Jon Cleaver
Training Director

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions (Sub-Recipient)

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR Part 67, Section 67.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 *Federal Register* (pages 19160-19211).

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department of agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Darlene Kummer, VP of Transportation — 06/30/2026

Name and Title of Authorized Representative — m/d/yy

Signature — 06/30/2026 (Date)

Welsbach Electric Corp. of L.I.

Name of Organization

300 Newtown Rd, Plainview, NY 11803

Address of Organization

OJP FORM 4061/1 (REV. 2/89) Previous editions are obsolete

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Contract Summary

Purpose: This is a new contract to provide vehicle impound and towing services for the Nassau County Police Department. The Department requires these services to be available at the direction of the Department seven days a week/ 24 hours a day to tow, store and release vehicles as needed by the Department. This contract has been awarded pursuant to Bid Number 96890-06115-120.

Procurement History: Bid Number 96890-06115-120. Contactor was selected as the highest responsible bidder for Zones 7,8,9,12,13,17,21 and 22 (Nassau County Ordinance 175-14) meeting the specifications and qualifications contained in the bid.

Description of General Provisions: Contractor will provide towing and storage services for the Police Department. Vendor will charge the owners of vehicles towing and storage fees which are set pursuant to County Ordinance.

Impact on Funding / Price Analysis: Contractor agrees to pay for the franchises granted herein as outlined below:

Zone 7 Bid $43,873.11 per annum

Zone 8 Bid $37,873.11 per annum

Zone 9	Bid $39,873.11 per annum
Zone 12	Bid $34,873.11 per annum
Zone 13	Bid $37,873.11 per annum
Zone 17	Bid $28,873.11 per annum
Zone 21	Bid $44,873.11 per annum
Zone 22	Bid $24,873.11 per annum

TOTAL: $292,984.88 per annum to be paid in monthly installments to the County.

Although the contracts awarded pursuant to this bid are revenue contracts, the County is required to pay towing and storage when a vehicle is placed on a Departmental hold.

RULES RESOLUTION NO. – 2026

A RESOLUTION AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE A PERSONAL SERVICES AGREEMENT BETWEEN THE COUNTY OF NASSAU, ACTING ON BEHALF OF THE NASSAU COUNTY POLICE DEPARTMENT AND C&R AUTOMOTIVE

WHEREAS, the County has negotiated a personal services agreement with C&R Automotive, to provide professional towing services, a copy of which is on file with the Clerk of the Legislature; now, therefore, be it

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute an agreement with C&R Automotive.

CONTRACT FOR SERVICES

THIS AGREEMENT, made as of the date this agreement is last executed by the County (together with the schedules, appendices, attachments, and exhibits, if any, this "Agreement"), between **Nassau County**, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the Nassau County Police Department having its principal office at 1490 Franklin Avenue, Mineola, NY 11501 (the "Department"), and **C&R Automotive Inc., d/b/a AAAA1 Auto & Towing** (the "Contractor"), a New York State corporation having its principal place of business at 34 Charlotte Avenue, Hicksville, NY 11801 (the "Contractor").

WITNESSETH:

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement;

WHEREAS, the Contractor desires to perform the services described in this Agreement;

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

1) **Terms and Conditions.**
   All terms, conditions, and the parties' obligations under this Agreement are identified within **EXHIBIT A** ("C&R Automotive Inc. Formal Sealed Bid Proposal"), which is hereby incorporated by reference.
2) **Services.**
   The Services to be provided by the Contractor under this Agreement shall consist of the items listed within **EXHIBIT A**. Contractor shall provide these services within Zone Seven (7), Zone Eight (8), Zone Nine (9), Zone Twelve (12), Zone Thirteen (13), Zone Seventeen (17), Zone Twenty-One (21) and Zone Twenty-Two (22) as delineated on page 40 of **EXHIBIT A**.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

IN EXECUTING THIS BID, THE BIDDER WARRANTS THAT THE PRICES SUBMITTED HEREIN ARE NOT HIGHER THAN THOSE OFFERED TO ANY GOVERNMENTAL OR COMMERCIAL CONSUMER FOR LIKE DELIVERIES. THE PRICES HEREIN SHOULD NOT INCLUDE ANY FEDERAL EXCISE TAXES OR SALES TAXES IMPOSE BY ANY STATE OR MUNICIPAL GOVERNMENT. SUCH TAXES, IF INCLUDED, MUST BE DEDUCTED BY THE BIDDER WHEN SUBMITTING BID. BIDDERS ARE REQUESTED TO ALSO READ THE TERMS AND CONDITIONS.

BID TERMS AND CONDITIONS

1. Bids on equipment must be on standard new equipment, latest model, except as otherwise specifically stated in proposal or detailed specification. Where any part of nominal appurtenances of equipment is not described, it shall be understood that all equipment and appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
2. Bids on materials and supplies must be for new items except as otherwise specifically stated in bid or detailed specifications.
3. Bidder declares that the bid is made without any connection with any other Bidder, submitting a bid for the same items, and is in all respects fair and without collusion or fraud.
4. PRICES The provisions of the New York State Fair Trade Law (Fed-Crawford Act) and the federal price discrimination law (Robinson-Patman Act) do not apply to purchases made by the County.
5. SURETY In the event that an award is made hereunder, The Director of Purchase reserves the right to require successful bidders to post, within one week, security for faithful performance, with the understanding that the whole or any part thereof may be used by the County of Nassau to supply any deficiency that may arise from any default on the part of the Bidder. Such security must meet all the requirements of the County Attorney and be approved by the County Attorney.

6. SAMPLES Samples, when required, must be submitted strictly in accordance with instructions; otherwise bid may not be considered. If samples are requested subsequent to bid opening they shall be delivered within five (5) days of the request for bid to have consideration. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating if the Bidder desires their return; also specifying the address to which they are to be returned, provided they have not been used or made useless by tests. Award samples may be held for comparison with deliveries. Samples will be returned at the Bidders risk and expense.

7. Award The Director, Office of Purchasing reserves the right before making award to make investigations as to whether or not the items, qualifications or facilities offered by the Bidder meet the requirements set forth herein and are sample and sufficient to insure the proper performance in the event of award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery and capacity of the manufacturer for the production and distribution of the material on which he is bidding. Upon request of the Director, successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that articles or equipment proposed to be furnished do not meet the requirements called for, or that the qualification, financial standing or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

8. Awards will be made to the highest responsible Bidder. Cash discounts will not be a factor in determining awards, except in tie bids. Consideration will be given to the reliability of the Bidder, the quantities of the materials, equipment or supplies to be furnished, their conformity with the specifications, the purpose for which required and the terms of delivery.

9. The Director reserves the right to reject and all bids in whole or in part and to waive technical defects, irregularities and omissions if in his judgment the best interests of the County will be served.

10. Unless otherwise indicated herein, the Director reserves the right to make award by items, by classes, by group of items, or as a whole.

11. DELIVERIES Upon failure of the Vendor to deliver within the time specified, or within reasonable time as interpreted by the Director, or failure to make replacement of rejected articles, when so requested immediately or as directed by the Director, the Director may purchase from other sources to take the place of the item rejected or not delivered. The Director reserves the right to authorize immediate purchase from other sources against rejections on any order when necessary. On all-such purchases the Vendor agrees to promptly reimburse the County for excess cost occasioned by such purchases. Should the cost be less, the Vendor shall have no claim to the difference. Such purchases will be deducted from order quantity.

12. An order may be canceled at the Vendors expense upon nonperfonnance. Failure of the Vendor to furnish additional surety within ten (10) days from date of requested shall be sufficient cause for the cancellation of the order.

13. When in the determination of the Director, the articles or equipment delivered fail to meet County specifications or, if in the determination of the Director, the Vendor consistently fails to deliver as ordered, the Director reserves the right, to cancel the order and purchase the balance from other sources at Vendor expense.

14. Delivery must be made as ordered and in accordance with the bid. If delivery instructions do not appear on order. It will be interpreted to mean prompt delivery. The decision of the Director as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of order shall rest with the Vendor.

15. The County Agencies will not schedule any deliveries for Saturdays, Sundays or Legal Holiday, except commodities required for daily consumption or where the delivery is an emergency, a replacement, or is overdue, in which event the convenience of the Agency will govern.

16. Supplies shall be securely and properly packed for shipment, according to accepted commercial practice, without extra charge for packing cases, reels, bailing or sacks, the containers to remain the property of the agency unless definitely stated otherwise in the bid.

17. The Vendor shall be responsible for delivery of supplies in good condition at point of destination. The Vendor shall file all claims with carrier for breakage, imperfections and other losses, which will be deducted from invoices. The receiving Agency will note for the benefit of Vendor when packages are not received in good conditions.

18. All supplies which are customarily labeled or identified must have securely affixed thereto the original un-mutilated label or marking of the manufacturer.

19. Billings for deliveries must be rendered on County claim forms.

20. Furniture, machines, and other equipment must be delivered, installed and set in place as directed, ready for use unless otherwise specified.

21. Deliveries are subject to reweighing at destination by the County and payment will be made on the basis of materials delivered. Normal shrinkage will be allowed in such instances where shrinkage is possible. Short weight shall be sufficient cause for cancellation of order at Vendors expense.

22. GUARANTEES BY BIDDER Bidder hereby guarantees: (a) To save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance hereof of which the Bidder is not the Patentee, assignee or licensee, and to defend any action brought against the County in the name of the County and under the direction of the County Attorney at the sole cost of the Bidder or in the sole option of the Director to pay the cost of such defense to the County. (b) His products against defective material or workmanship and to repair any damages or marring occasioned in transit.

(c) To furnish adequate protection from damage for all work and to repair damages of any kind, for which he or his workmen are responsible, to the building or equipment, to this own work or the work of other Vendors, or in the opinion of the Director to pay for the same by deductions in payments due under this contract.

(d) To pay for all permits, licenses and fees and give all notices and comply with all laws ordinances, rules and regulations of the city, village or town in which the installation his to be made, and of the County of Nassau and the State of New York.

(e) To carry proper insurance in the opinion of the Director, and approved by the County Attorney to protect the County from loss in case of accident, fire and theft.

(f) That he will keep himself fully informed, of all municipal ordinances and regulations, state and national laws in any manner affecting the work or goods herein specified, and any extra work contracted for by him, and shall at all times observe and comply with said ordinances, laws and regulations, including all provisions of the Workmen Compensation and Labor Laws, and shall indemnify and save harmless the County of Nassau and the Nassau County Legislature from loss and liability upon any and all Claims on account of any physical injury to persons, including death, or damage to property and from all cost and expenses in suits which may be brought against the same on account of such injuries irrespective of the actual cost of the same and irrespective of whether the same shall have been due to the negligence of the Bidder or his agents.

(g) That the items furnished shall conform to all the provisions of the bid and this warranty shall survive acceptance, or use of any material so furnished.

(h) That all deliveries will not be inferior to the accepted bid sample.

23. LABOR LAWS and ANTIDISCRIMINATION. Upon the vendor acceptance hereof, the vendor agrees to comply with Article IX, Section 2 C of the Constitution of the State of New York, Section 220 220a, 220b, 220d, 220e and 230 of the Labor Law, Section 5 and 12 of the Lien Law, Article 2 of the Uniform Commercial Code, Sections 108 and 109 as well as Article 18 of the General Municipal Law, Section 2218 of the County Government Law of Nassau County. Section 224.2 of the Nassau County Administrative Code, the provisions of the anti-Discrimination Order of Nassau County, and the vendor shall keep himself fully informed of all additional municipal ordinances and regulations, State and National Laws in any manner affecting this order and the goods or services delivered or rendered or to be delivered or rendered there under, and shall at all times observe and comply with said ordinances, laws and regulations at his sole cost and expense.

24. ASSIGNMENT. The contractor is hereby prohibited from assigned, transferring, conveying, subletting or otherwise disposing of this contract or his right, title, or interest therein, or his power to execute such contract, to any other person or corporation without the previous consent in writing of the officer, board or agency awarding the contract.

25. The County of Nassau will not be responsible nor liable for any shipment or delivery of any materials, supplies, or equipment without it's express written instructions or valid Purchase Order.

26. No agreements, changes, modifications or alterations shall be deemed effective nor shall the same be binding upon the County unless in writing and signed by the Director, Office of Purchasing or his duly/ designated representative.

Director. Office of Purchasing

2. PRICES: The provisions of the New York State Fair Trade Law (Fed-Crawford Act) and the federal price discrimination law (Robinson- Patman Act) do not apply to purchases made by the County.

3. SURETY: In the event that an award is made hereunder, The Department reserves the right to request successful bidders to post, within one week, security for faithful performance, with the understanding that the whole or any part thereof may be used by the County of Nassau to supply any deficiency that may arise from any default on the part of the Bidder. Such security must meet all the requirements of the County Attorney and be approved by the County Attorney.

4. AWARD: The Department reserves the right before making award to make investigations as to whether or not the items, qualifications facilities, services offered by the Bidder meet the requirements set forth herein and are sample and sufficient to ensure the proper performance in the event of awarded. The Bidder must be prepared, if requested by the Department, to present evidence of experience, ability and financial standing. If it is found that the conditions of the bids are not complied with or that articles, equipment or services proposed to be furnished do not meet the requirements called for, or that the qualification, financial standing or facilities are not satisfactory, the Department may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Department to make any examinations before award: and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all the requirements and conditions of the bid.

5. The Department reserves the right to accept or reject any and all bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Department determines the best interests of the County of Nassau will be served. The Department, in its sole discretion, may accept or reject illegible, incomplete or vague bids and that decision shall be final. A conditional or revocable bid which clearly communicates the terms or limitations of acceptance may be considered and contract award may be made in compliance with the bidder's conditional or revocable terms in the offer. Prior to award, the Department reserves the right to seek clarifications, request bid revisions, or to request any information deemed necessary for proper evaluation of bids from all bidders deemed to be eligible for contract award. Failure to provide requested information may result in rejection of the bid.

6. Awards will be made to the highest responsible Bidder. Consideration will be given to the reliability of the Bidder and ability to meet the specifications of this bid.

7. The Department reserves the right to reject all bids in whole or in part and to waive technical defects, irregularities and omissions if in its judgment the best interest of the County will be served.

8. All work/services performed by the Contractor pursuant to this contract are subject to inspection and approval by an authorized and designated member of the Department. The Contractor agrees that in the event any of the services provided for under the terms of this contract should in any way be omitted or unsatisfactorily performed by the Contractor and/or his employees, the County of Nassau shall so notify the Contractor verbally and follow with a written notification of the deficient services for immediate correction. In the event the Contractor does not correct the deficient services after receipt of written notification, and the Contractor continues to omit or unsatisfactorily perform the required services, the County of Nassau will terminate this contract for cause as set forth in paragraph 18 below.

9. The bidder warrants that he is not in arrears to the county of Nassau upon dept or contract, and that he is not in default as surety, contractor, or otherwise, upon any obligation to the county.

10. Billing for any fees owed by the County to the Contractor pursuant to Paragraph O (Scope of Services) below must be submitted by the Contractor to the County using County voucher forms. Vouchers; Voucher Review, Approval and Audit. All payments shall be made in arrear and in accordance with Section 3(a) above and shall be contingent upon (i) the Contractor

LL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

DDER SIGN HERE _____ Pres
BIDDER **TITLE**

a. submitting Vouchers in a form satisfactory to the County that: (a) states with reasonable specificity the services to be provided and the payment requested as consideration for such services, (b) certifies that the services to be rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").
b. Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.
c. No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the parties and any funding source including the county.
d. Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, and (ii) authorized by this Agreement to be performed. The Contractor will receive no payments respecting any services performed after the Contractor received notice of termination from the County.

11. GUARANTEES BY BIDDER: Bidder hereby guarantees:
    a. To save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance hereof of which the Bidder is not the Patentee, assignee or licensee, and to defend any action brought against the County In the name of the County and under the direction of the County Attorney at the sole cost of the Bidder or in the sole option of the Director to pay the cost of such defense to the County.
    b. His services against defective material or workmanship and to repair any damages or marring occasioned in transit.
    c. To furnish adequate protection from damage for all work and to repair damages of any kind, for which he or his workmen are responsible, to the building or equipment, to this own work or the work of other Vendors, or in the opinion of the Director to pay for the same by deductions in payments due under this contract.
    d. To pay for all permits, licenses and fees and give all notices and comply with all law ordinances, rules and regulations of the city, village or town, and of the County of Nassau and the State of New York relating to the performance of the specifications set forth in this bid.
    e. <u>To carry Insurance as described below:</u>
        i. Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense:
            1. One or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" its officials, employees, volunteers, agents, volunteers and representatives as an additional insured and have a minimum single combined limit of liability of not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) aggregate coverage.

2. If contracting in whole or part to provide personal services related to towing of automobiles, one or more policies for Automobile Liability Insurance for Any Auto, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) aggregate coverage.
3. Workers compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law,
4. Such additional insurance as the County may from time to time specify a waiver of subrogation is granted in favor of the County of Nassau.

ii. Acceptability; Deductibles; Sub-Contractors. All insurance obtained and maintained by the Contractors pursuant to this Agreement shall be:

1. Written by one or more commercial insurance carriers licensed to do business in New York State maintains an A.M. Best rating of at least A- and acceptable to the County and which is (2) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any sub-contractor hired in connection with the Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

iii. Delivery; Coverage Change: No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain required coverages shall be deemed a material reach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

That he will keep himself fully informed, of all municipal ordinances and regulations, state and national laws in any manner affecting the work or goods herein specified, and any extra work contracted for by him, and shall at all times observe and comply with said ordinances, laws and regulations, including all provisions of the Workmen Compensation and Labor Laws, and shall indemnify and save harmless the County of Nassau and the Nassau County Legislature from loss and liability upon any and all Claims on account of any physical injury to persons, including death, or damage to property and from all cost and expenses in suits which may be brought against the same on account of such injuries irrespective of the actual cost of the same and

BIDDER TITLE

a. irrespective of whether the same shall have been due to the negligence of the Bidder or his agents.
b. That the services furnished shall conform to all provisions of the bid and this warranty shall survive acceptance, or use of any material so furnished or services provided.

12. LABOR LAWS and ANTIDISCRIMINATION: Upon the vendor acceptance hereof, the vendor agrees to comply with Article IX, Section 2 C of the Constitution of the State of New York, Section 220, 220a, 220b, 220d, 220e, and 230 of the Labor Law, Section 5 and 12 of the Lien Law, Article 2 of the Uniform Commercial Code, Sections 108 and 109 as well as Article 18 of the General Municipal Law, Section 2218 of the County Government Law of Nassau County. Section 224.2 of the Nassau County Administrative Code, the provisions of the anti-Discrimination Order of Nassau County, and the vendor shall keep himself fully informed of all additional municipal ordinances and regulations, State and National Laws in any manner affecting this order and the goods or services delivered or rendered or to be delivered or rendered thereunder, and shall at all times observed and comply with said ordinances, laws and regulations at his sole cost and expense.

13. ASSIGNMENT: The Contractor is prohibited from assigning, transferring, conveying, subletting, or otherwise disposing of this agreement and the rights and obligations hereunder without the prior written consent of the County.

14. No agreements, changes, modifications or alterations shall be deemed effective nor shall the same be binding upon the County unless in writing and signed by the Director, Office of Purchasing or his duly/designated representative.

15. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, the County Inspector General, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

16. GOVERNING LAW: Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to conflict of laws provisions thereof.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ _____
BIDDER **TITLE**

17. All Contractor personnel assigned to any requirement of a contract established must be fully qualified to perform the services required as set forth herein and abide by all applicable laws.

18. TERMINATION: This Agreement may be terminated:
    a. i. For any reason by the County upon thirty (30) days' written notice to the Contractor ii. For "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination
        iii. Upon mutual written agreement of the County and the Contractor, and/or
        iv. In accordance with any other provisions of this Agreement expressly addressing termination,
    b. As used in this Agreement the word "Cause" includes:
        i. A breach of this Agreement,
        ii. The failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and
        iii. The termination or impending termination of federal or state funding for the services to be provided under this Agreement.
    c. By the Contractor: This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor' ability to perform its obligations and not to a judgement as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period of sixty days' notice is impossible), a notice stating:
        i. That the Contractor is terminating this Agreement in accordance with this subsection,
        ii. The date as of which this Agreement will terminate, and
        iii. The facts giving rise to the Contractor's right to terminate under the subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.
    d. Contractor Assistance Upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

19. CONFIDENTIALITY:

The Contractor agrees to hold confidential, both during and after the completion or termination of this Agreement, all of the reports, evidence, information, or data, furnished to or prepared, assembled or used by, the Contractor under this Agreement ("Confidential information"). The Contractor agrees to maintain the confidentiality of such Confidential Information by using a reasonable degree of care and using at least

a. the same degree of care that the Contractor uses to preserve the confidentiality of its own confidential information. The Contractor agrees that Confidential Information shall not be made available to any person or entity without the prior written approval of the County.
b. Required Disclosure: Notwithstanding any inconsistent provision in this Agreement, Contractor shall not be liable for disclosure of Confidential Information to the extent disclosure is required by virtue of court order, subpoena, other validly issued administrative or judicial notice or order, or pursuant to applicable law ("Required Disclosure"); provided that, in such event Contractor has given the County prompt notice in writing or by email of Required Disclosure;
c. If applicable, Vendor and/or vendors employees/agents, subcontractors, agree to execute the attached Non-Disclosure Agreement ("NDA") and/or Confidentiality Agreement.

20. LIMITATIONS ON ACTIONS AND SPECIAL PROCEEDINGS AGAINST THE COUNTY: No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:
    a. Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary 6 moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.
    b. Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

BIDDER **TITLE**

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

Definitions:

As used in this Appendix EE the term **"Executive Director"** shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term **"Subcontract"** shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term **"Subcontractor"** shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

As used in this Appendix EE the term **"Best Efforts Checklist"** shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term **"County Contract"** shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term **"County Contractor"** means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE **"Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises"** shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ _____
BIDDER TITLE

a. suggested to be included with the Best Effort Documentation

b. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

c. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

d. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

e. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.

f. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

g. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

h. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

Rule:

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from

Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best-Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any

County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

IRAN DIVESTMENT ACT COMPLIANCE CERTIFICATION

Pursuant to General Municipal Law Section 103-g, which generally prohibits the County from entering into contracts with persons engaged in investment activities in the energy sector of Iran, the Bidder submits the following certification:

PLEASE CHECK ONE:

☑ By submission of this Bid, I certify, and in the case of a joint Bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of my knowledge and belief, that the Bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law.

OR

☐ I am unable to certify that the Bidder does not appear on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. I have attached a signed statement setting forth in detail why I cannot so certify.

Procurement Lobbying Law

Pursuant to State Finance Law §§139-j and 139-k, this Bid includes and imposes certain restrictions on communications between a Governmental Entity and an Offeror/bidder during the procurement process. An Offeror is restricted from making contacts from the earliest posting, on a Governmental Entity's website, in a newspaper of general circulation, or in the procurement opportunities newsletter in accordance with article four-C of the economic development law of written notice, advertisement or solicitation of a request for proposal, invitation for bids, or solicitation of proposals, or any other method provided for by law or regulation for soliciting a response from Offerors intending to result in a Procurement Contract with a Governmental Entity through final award and approval of the Procurement Contract by the Governmental Entity and, if applicable, the Office of the State Comptroller ("Restricted Period") to other than the Designated Contacts for the Governmental Procurement unless it is a Contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). The Designated Contact(s) for this Governmental Procurement, as of the date hereof, are identified on the first page of this solicitation. County employees also are required to obtain certain information when Contacted during the Restricted Period and make a determination of the responsibility of the Offeror pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4-year period, the Offeror is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the County's website. All questions or concerns regarding this Bid must be directed to the designated contact person named on the first page of the bid.

child, parent, or sibling. The Contractor shall include the provisions of this subsection in each subcontract entered into under this Agreement.

Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, the Contractor has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where the Contractor employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. The Contractor shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

a) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended.
b) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
c) On a yearly basis, Contractor shall provide the County with any material changes to its Certificate of Compliance, attached to this Agreement as Appendix L.

Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

a) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;
b) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;
c) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;
d) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;
e) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement;
f) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any sub-contractors or other lower tier participants who have participated in procurements for work performed under this Agreement; and
g) The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. Including but not limited to, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," which governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts (See Appendix "EE" attached hereto.)

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER TITLE

INDEMNIFICATION:

Contractor agrees to indemnify and hold harmless County and its agents, officers and employees, from and against any and all losses, costs, expenses (including attorneys' fees and disbursements), damages and liabilities, arising out of or in connection with any acts or omissions of Contractor, its officers, agents or employees, provided, however, that Contractor shall not be responsible for that portion, if any, of a loss that is caused by the negligence of the County; and provided, further, that Contractor shall not be liable for consequential, indirect or special damages. Contractor shall, at County's demand and at County's direction, defend at its own risk and expense any and all suits, actions or legal proceedings which may be brought against County, its agents, officers or employees in connection with a loss for which Contractor is responsible under this paragraph.

DEFINITIONS:

- The term "County" as used herein, shall be deemed as reference to the County of Nassau, State of New York.
- The term "Contractor" as used herein, shall be deemed as reference to the successful bidder, vendor, proprietor, partnership, or corporation receiving an award to perform any or all of the services specified herein in accordance with the terms of this agreement.
- The term "agency" as used herein, shall be deemed as the department, division, bureau, office, agency or other Nassau County establishment authorized to receive the service specified herein.
- The term "Department" as used herein, shall be deemed as a reference to the Nassau County Police Department.
- The term "Director" as used herein, shall be deemed as reference to the Director of the Office of Purchasing.
- The term "Blanket Order" as used herein, shall be deemed as the multiple use pricing agreement as a result of this bid.
- The term "Purchase Order" as used herein, shall be deemed as the single use pricing agreement as a result of this bid.
- The term "complete" as written in this bid must include all equipment and services in its entirety, as listed in the contract documents, and is to include everything necessary and/or required to execute all the work as herein specified.

NOTE: INSERT FEDERAL IDENTIFICATION NUMBER IN SPACE PROVIDED ON PAGE 1.

M/WBE, SDVOB and DBE Participation: The County encourages the participation of certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), Minority or Women-Owned Business Enterprises ("M/WBE"), and Disadvantaged Business Enterprises ("DBE") in the bidding process. A Contractor that is certified by New York State or the County as a SDVOB, M/WBE, and/or DBE should include this information in their bid. For more information regarding the County's DSVOB, M/WBE, or DBE programs, please visit the Nassau County Office of Minority Affairs website.

INTENT

SCOPE: It is the INTENT of the County of Nassau to properly describe by these specifications, terms and conditions an adequate method of providing TOW and MOTOR VEHICLE STORAGE services for the Nassau County Police Department in order that they may enjoy uninterrupted service in consideration for payment of the highest prices bid for each zone.

PURPOSE: The purpose of this bid is to establish a price structure on which items and/or services will be made under contracts.

PERIOD COVERED: Shall be for five (5) years from the effective date of the contract. The County of Nassau reserves the right to extend the contract up to an additional two (2) year(s), at up to one (1) year options. However, the termination of the contract may be further extended up to two (2) months beyond the stated termination date. The maximum period of any contract as a result of this bid with renewal options applied shall be five (5) year(s), and if the further extension is applied, five (5) years and two (2) months. The decision to renew the contract will be at the sole discretion of the County and may be exercised by written notice thereof to the Contractor.

AWARD: If any, will be made to the highest responsible bidder for each zone who in the judgment of the Police Department, meets the specifications and qualifications stated herein. The award(s) will be granted when approved by the Nassau County Legislature and executed by the County Executive. The awarding of a bid will enable the successful bidder to perform the services under the terms specified herein for the period indicated and at the prices bid upon.

******BID SECURITY:** Each bidder shall submit with their bid offer at the date and time scheduled for the bid opening, a **CERTIFIED CHECK OR BID BOND, payable** to the County of Nassau for: **ONE THOUSAND DOLLARS ($1,000.00).** Upon the issuance and consummation of any Purchase Order by the Office of Purchase issued hereunder, the bid security will be returned. The bid security of unsuccessful bidders will be returned after an award is made.

REQUIRED VENDOR DISCLOSURE FORMS

Prior to the bid opening, the following disclosure forms (the "Disclosure Forms") must be submitted in the Nassau County Vendor Portal at

https://apex5.nassaucountyny.gov/ords/f?p=312:LOGIN_DESKTOP:3445712403627:

a) A duly completed and verified Business History Form, together with a current certified or verified financial statement and/or other commercially reliable written evidence of the bidder's credit, financial standing and capacity to perform in accordance with the terms of the Contract.
b) All officers, and any individuals who hold a ten percent (10%) or greater ownership interest in the bidder, shall complete and verify the Principal Questionnaire.
c) The County of Nassau Consultant's, Contractor's and Vendor's Disclosure Form
d) Additionally, if the bidder utilizes the services of any individual or organization for the purposes of conducting lobbying activities and is awarded the contract, the successful proposer will be required to provide a copy of the Lobbyist Registration and Disclosure Form, completed and verified by that individual/organization.

PLEASE NOTE:

- If a bidder has previously submitted the Disclosure Forms in the Nassau County Vendor Portal, the bidder must ensure that the forms on file in the Portal are current, accurate, and have been recertified within three (3) months prior to the bid opening date. The bidder must also ensure that their response to question 7, and its subparts, on the Consultant's, Contractor's, and Vendor's Disclosure Form is provided in relation to the specific solicitation under consideration.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

REQUESTS FOR INFORMATION OR CLARIFICATION

Before bidding, bidders must examine all of the Contract documents, including the specifications, any drawings, and all instructions. If the bidder finds any inconsistency, ambiguity, omission or error in the specifications, drawings, instructions or any other Contract document, or if the bidder is in doubt as to the meaning of any term or condition of the Contract, the bidder must promptly so notify the Department in writing prior to the bid opening. The failure of the bidder to notify the Department, prior to the bid opening of any inconsistency, ambiguity, omission or error that the bidder actually found, or that should have been discovered by a reasonably prudent bidder, will preclude and negate acceptance of the bidder's claim.

If the Department **receives** a notification from a bidder of an inconsistency, ambiguity, omission or error in the Contract documents, the Department **will**, as it deems necessary or desirable, issue a written interpretation or correction to the Contract documents as an amendment to the Contract documents. Any such amendment will be made available electronically to each person that received a copy of the Contract documents as reflected in the records of the Department, and any such amendment will also be available at the place where the Contract documents are available for inspection by prospective bidders.

Upon such mailing or delivery, such amendment shall become part of the Contract documents and shall be binding on all bidders, whether or not they have had actual notice of such addendum.

Please note that all bidder requests for information or clarification must be received by the Department at least seven days prior to the bid opening. Any bidder requests for information or issues with the contract documents presented after that time may not be addressed by the Office of Purchasing.

Ordinance # 153-2018

Pursuant to Ordinance# 153-2018, a bidder that is awarded a contract under this bid is required to pay the County an administrative service charge in accordance with the following schedule:

Value of Contract	Administrative Fee
$0-$10,000	$0
Over $10,000-$50,000	$160
Over $50,000-$100,000	$266
Over $100,000	$533

After an award, the successful bidder(s) will be notified by the Police Department or their designee, when payment of the administrative charge is due. Please note, if you are a religious, charitable, nonprofit, or not-for-profit organization, please include this information in your bid for consideration by the Director of the Shared Services to waive the fee.

OFFICE OF PURCHASING
COUNTY OF NASSAU STATE OF NEW YORK

FORMAL SEALED BID PROPOSAL
96890-06115-120

NOTICE TO ALL BIDDERS:

Bids are hereby solicited for the services specified herein which are to be performed at the locations indicated, and in strict accordance with all specifications, terms and conditions as set forth herein and made part hereof.

SPECIFICATIONS/SCOPE OF SERVICES

The purpose of this bid is to establish a yearly price to be paid by the successful bidder for the designation as a County Tow and Impound Garage; and, who shall thereafter have the exclusive right within the specific geographic zone(s) awarded to the bidder to provide towing services and storage facilities within the specific geographic zone as described below in pages 30-35 at the direction of the Nassau County Police Department on a twenty-four (24) hour, seven (7) day a week, three hundred sixty-five (365) days a year basis; store motor vehicles on the Contractor's property for an unspecified period; and perform necessary work at the scene of an automobile accident and at storage facility when directed by the Department.

In submitting his/her bid, the bidder declares and affirms that he understands and agrees to the following:

A. To make services available on a twenty-four (24) hour, seven (7) day a week, three hundred sixty-five (365) days a year basis within the geographic area of the zone(s) awarded to the bidder
B. Contractor must provide towing services and storage to the zones adjacent to the assigned zones when the vendor servicing said adjacent zone is unavailable.
C. Contractor must agree to provide towing services at mutually convenient times from his/her premises to a COUNTY owned storage facility, or from one COUNTY owned storage facility to another COUNTY owned storage facility including circumstances when the COUNTY owned storage facility is outside his assigned zone or zones.
D. Contractor will be required to own or have at his immediate disposal at the time of the bid opening and continuously throughout the term of the CONTRACT the facilities, tow trucks and other equipment sufficient to serve the zone(s) for which he/she has bid based on the average number of impounds for that zone as set forth below in "MINIMUM REQUIREMENTS" Section, page 29.
E. Contractor shall own or lease premises within the boundaries of the zone assigned or an adjacent zone in the County of Nassau. The premises shall be fenced, secured and utilize security cameras, lighted and sufficient to store the number of vehicles set forth in the minimum requirements for the zone(s) awarded as set forth below in MINIMUM REQUIREMENTS Section, page 29, .
F. Successful bidder agrees to respond to calls from the DEPARTMENT immediately and to arrive at the scene as quickly as "time of day" traffic will permit and in no event longer than one (1) hour from the time of the call.
G. Contractor agrees to be available during regular business hours Mondays through Fridays for vehicle owners to pick up their vehicles, provided, however, that if Contractor is closed on weekends and a vehicle owner attempts to pick up their vehicle CONTRACTOR may not charge for storage for those days.
H. Contractor shall, at all times during the term of this Agreement, be licensed to operate tow car services in the municipalities within the zone or zones assigned.
I. The successful bidder shall not delegate towing services to any other agency without the express approval of the Office of Purchasing and the Nassau County Police Department.
J. In the event of an accident requiring the removal of large or extremely heavy vehicles, including but not limited to trailer trucks, vans, and tank trucks, from the streets, roads, places and highways of the zone or zones assigned, and the Contractor assigned Zone 23 (which encompasses the entirety of Nassau County for the purposes of heavy duty towing) is unable to perform such services, Contractor may in such cases, and only in such cases, call upon a tow company possessing equipment capable of doing such work. Contractor shall furnish to the DEPARTMENT the name of the company to be engaged for this purpose together with proof that such company has agreed to respond as called by the DEPARTMENT seven (7) days a week, twenty-four (24) hours a day. The tow company engaged for this purpose must be licensed to operate tow car services in the municipalities within the zone or zones. CONTRACTOR shall notify the DEPARTMENT of any change in the company CONTRACTOR engages for such work. CONTRACTOR agrees that the tow company engaged for this purpose shall maintain Workers' Compensation Insurance and Liability Insurance as set forth in above in Terms and Conditions Section, page 3, paragraph 11(e) of this Agreement, or such other insurance that the COUNTY may reasonably require. CONTRACTOR further agrees that the tow company engaged for this purpose shall provide insurance certificates to COUNTY as a condition precedent to undertaking any work for or on behalf of CONTRACTOR.
K. CONTRACTOR agrees to employ at his premises at all times during the life of the Agreement and any renewals or extensions thereto, a mechanic of sufficient ability and experience to make brake examinations of impounded vehicles during business hours and to give testimony as to the condition of the brakes of the impounded vehicles so examined when requested by the DEPARTMENT.
L. CONTRACTOR agrees to submit to an initial inspection by personnel of the Nassau County Office of Purchasing and the DEPARTMENT as well as to periodic inspections by authorized members of the DEPARTMENT to assure his continued ability to perform this Agreement as specified herein. CONTRACTOR further agrees to notify the DEPARTMENT when a new employee is hired and agrees to require that the new hire submit to a background investigation by the DEPARTMENT.
M. CONTRACTOR, upon removing a wrecked or damaged vehicle from the roadway and/or highway, agrees to remove any glass or other injurious substance dropped upon the highway from such vehicle as required by section 1219 of the New York State Vehicle and Traffic Law.
N. CONTRACTOR agrees to abide by all lawful instructions, directions and requests of the member of the DEPARTMENT at the scene or incident to which he is called to perform the services specified herein.
O. CONTRACTOR must abide by the following impound rates on fixed-sum basis as follows, provide however, if these fees are amended by county ordinance the Contractor upon thirty days' notice, must abide by any relevant amended ordinance:

Brake Test

i. Brake test
   a. Passenger cars, taxis and motorcycles $60.00
   b. Commercial vehicles $80.00

P. When a vehicle is impounded by the DEPARTMENT pursuant to its duties under the provisions of the Nassau County Administrative Code and the New York State Vehicle and Traffic Law and delivered to the custody of Contractor, Contractor will be authorized to charge the owner of the vehicle, or other authorized person claiming the vehicle, the applicable charges as indicated above in "Paragraph O". The DEPARTMENT will notify Contractor when the vehicle is released from impound. If the owner of said vehicle or other authorized person fails to claim the vehicle, the department will release the vehicle from impound to the Contractor and it shall be the responsibility of Contractor to proceed in accordance with NYS Lien Law to dispose of the vehicle and to obtain payment of its fees.

Contractor shall not charge (except as otherwise indicated in this paragraph) the owner of the vehicle, or other authorized person claiming the vehicle, as provided above in "Paragraph O", when the DEPARTMENT advises Contractor that the vehicle is being held for evidence or other reasons, and the DEPARTMENT advises Contractor that the County will be responsible for the applicable charges as follows. Upon release of the hold on the vehicle, County shall pay the towing charge, the brake test charge (if requested by the DEPARTMENT) and the County Storage Rate ($2.50 per day) covering the period from the date of impound to the date of the next business day after the DEPARTMENT'S notification that the hold has been removed. In cases where the vehicle owner or other authorized person fails to claim the vehicle or fails to obtain release and the County releases the vehicle directly

BIDDER **TITLE**

Q. to the Contractor for purpose of obtaining payment of its fees in accordance with the provisions of the Lien Law of the State of New York, the Contractor is not entitled to payment of any towing or storage fees from the County and Contractor agrees to accept such vehicle in lieu of any consideration and proceed under the Lien Law. When vehicle is held pending resolution of a criminal case which involves Section 511 of the Vehicle and Traffic Law, or, where pursuant to statute, the registered owner of the vehicle is responsible for such payment, upon resolution of said case, the vehicle owner and not the County, shall be liable for all towing and storage fees, regardless of the existence or non-existence of a hold on the vehicle. Contractor shall be entitled to charge the vehicle's owner for any storage after the next business day after the DEPARTMENT'S notification that the hold has been removed beginning with the rate for the first seven (7) days.

R. Contractor shall not release, sell, purchase or in any manner dispose of any motor vehicle or motorcycle placed in such garage by the DEPARTMENT without written authorization of the DEPARTMENT.

S. Contractor shall be responsible for any and all damage occurring to an impounded vehicle while the vehicle is in its possession. Contractor shall also be responsible for all equipment and miscellaneous items impounded with the vehicle as listed on the "Motor Vehicle Impound Worksheet/Invoice" which Contractor will sign to acknowledge (P.D.C.N. Form 94A). During the time Contractor is in possession of an impounded vehicle, Contractor shall report any damage to the impounded vehicle including damage to the equipment and miscellaneous items therein to the local precinct immediately. Contractor shall also report any missing items to the local precinct immediately. CONTRACTOR, in a timely fashion, will cause the damage to be fixed, the item to be replaced or reimburse the owner of the vehicle (or other authorized person claiming the possession of the vehicle) in order that the damage may be fixed or the item replaced. However, CONTRACTOR will not take any action regarding any vehicle which is being held as evidence by the DEPARTMENT without first contacting DEPARTMENT and getting approval for said action in writing from an authorized member of the DEPARTMENT. CONTRACTOR shall cause an insurance claim to be filed with their insurance company if necessary to pay a claim.

T. Contractor shall allow and permit the owner of the impounded vehicle (or other authorized person claiming the possession of the vehicle) access to the impounded vehicle for the purpose of taking possession of any personal property found within the vehicle and obtaining proof of registration, financial security, title or documentation in support thereof, as required by section 511-b (7) of the New York State Vehicle and Traffic Law. Contractor shall notify the DEPARTMENT, by contacting the Precinct Impound Clerk ("Impound Clerk"), of a request by the owner (or other authorized person claiming the possession of the vehicle) for access to the impounded vehicle. CONTRACTOR shall identify and document (i) name, address, and phone number of any person accessing vehicle, (ii) date and time of access, (iii) vehicle being accessed, (iv) brief description of property removed from vehicle, and (v) signature of person accessing vehicle acknowledging the information documented. CONTRACTOR shall keep and maintain all such records, information, and data obtained as set forth above, in a logbook and pursuant to Paragraph U below. Contractor will not permit access to any vehicle being held as evidence by the Department to any individual without written approval to do so by an authorized member of the Department.

U. Contractor shall be responsible for the accurate preparation and maintenance of records relating to this contract in a ledger or binder in a neat and legible manner, arranged by precinct and impound number clearly denoting all details pertinent to the impound including but not limited to vehicle information including year, make, model, VIN number, date, time and location of impound, date of release, all fees and charges and any relevant communications with the DEPARTMENT or the vehicle owner. Contractor shall be responsible for the accurate preparation and maintenance of records consistent with acceptable bookkeeping procedures. Contractor shall provide copies of these records to the DEPARTMENT upon the expiration or termination of this Agreement.

V. Once each month, but not later than the 10th of the month, Contractor shall provide by e-mail a list of vehicles which they have on their premises to the email address designated by the Department. The notice shall include vehicle year, make, model, VIN number, date, time and location of impound. Failure to provide such notice may, in the County's sole discretion, result in Contractor's waiving their right to any outstanding charges due for storage of said vehicles.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER **TITLE**

Pres

MINIMUM EQUIPMENT REQUIREMENT:

If the zone bid upon has an average number of impounds per month of twenty-five (25) or LESS, bidder must possess space for the storage of a minimum of twelve (12) vehicles and have a minimum of one (1) tow truck. The storage space must meet the specifications listed in Term and Conditions above.

If the zone bid upon has an average number of impounds per month of twenty-five (25) or MORE, bidder must possess space for the storage of a minimum of thirty (30) vehicles and have a minimum of two (2) tow trucks. The storage space must meet the specifications listed in the Terms and Conditions above

The minimum requirements to bid on Zone 23 (Heavy duty towing) are as follows: the minimum number of tow trucks required shall be – TWO (2) with such trucks having a capable of towing a vehicle with the gross vehicle weight of 10,001 pounds or more. The Nassau County Police Department will call upon the successful bidder for the zone which encompasses the entirety of Nassau County for the purpose of heavy duty towing to perform ALL the necessary work irrespective of which zone this work is located. Heavy duty towing shall mean towing any vehicle with a gross vehicle weight of 10,001 pounds or more.

NOTE: The historical number of impounds per month are attached to this bid and are based upon Police Department records.

Bid document must be signed by proprietor, partner or corporate officer.

Qualification statement must be completed and submitted with bid.

METHOD OF BIDDING: Bidders may bid on one or more zones as designated herein provided that the bidder owns or leases premises as described in the Terms and Conditions above in or adjacent to the zone bid, and as keyed on the map attached hereto and made part hereof. Moreover, a minimum number of required tow truck and storage spaces is required for each zone and is not to be deemed collective in nature.

METHOD OF AWARD: It is the intent of the County to award to the highest bidder meeting the requirements set forth in this bid. The County reserves the right to award by zone, by combination of zones, as a whole, or not at all, whichever the Deputy Director, Office of Purchasing, deems to be in the best interests of the County.

CHANGES IN ANNUAL PAYMENT: Should the County approve an increase or decrease in the maximum allowable charges as set forth in Paragraph 0 above (Specifications/Scope of Services) , the annual fee will be increased by the average percentage increase in the passenger towing and first seven days storage (using a 50/50 weighting). The percentage increase will be applied to the current monthly billing amount on the first day of the month following County approval of the increase on the maximum.

METHOD OF PAYMENT: Payment shall be made to the County of Nassau monthly in advance at the rate of 1/12 of the annual price as determined by the award of this bid.

CONTRACT ADMINISTRATION: The Fiscal Administration of any contracts resulting from this bid will be performed by the Personnel and Accounting Bureau of the Police Department; i.e., collection of monies, notices of amounts due, etc.

The Operational Administration will be performed by the Nassau County Police Department.

SPECIAL NOTICE TO BIDDERS:

Nothing in this bid, nor in any documents issued as a result of this bid, shall supersede or abridge the authority of the Police Departments of the several local governments, except by their own request.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

A criminal background investigation check will be conducted of all bidders and their employees. This investigation will be used to evaluate the bidders' qualifications to perform the services required.

This bid and any Contract awarded hereunder is subject to the provisions of Article 18 of the General Municipal Law of the State of New York, as amended, Section 22-42 of the Administrative Code of the County of Nassau and provisions of the Anti-Discrimination Order of the County of Nassau.

SECURITY: The Vendor shall obtain and file with the County of Nassau within seven (7) days, security in the minimum amount of ten thousand ($10,000) dollars, or in the event the annual contractual amount due exceeds ten thousand ($10,000) dollars, an amount equal to that annual sum, and shall be entrusted to the County of Nassau as reflected in the award. The security will guarantee the faithful performance of the contract, with the understanding that the whole, or any part hereof, may be used by the County of Nassau to supply any deficiency that may arise from the default of the vendor.

NOTICE TO BIDDERS:

Any contract awarded hereunder shall be subject to the Bid Terms and Conditions, Form No. PUR-4926D. 5/67. Rev. 2/83, to the extent not in conflict with the terms thereof.

ACCESS CLAUSE: If any provision of Section 952 of the Omnibus Reconciliation Act of 1980 (PL-96-499) is found by a body of competent jurisdiction to be applicable to this contract, the Contractor agrees that it will make available upon written request by the Secretary of Health & Human Services, or by the Controller General of the General Accounting Office, or any of their duly authorized representatives, a copy of this contract and any executed amendments thereto, documents which relate to the calculation of the charges stated in the contract and copies of service reports documenting services performed. Such records will be available in accordance with the above for the period of four (4) years after the furnishing of any of the services described in this contract

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

SPECIAL NOTICE TO BIDDERS

The bidders must submit copies of the following documents with their bid:

1. DMV Registration of tow vehicle(s).
2. Required Towing License(s).
3. Driver's License(s) of Operator(s).
4. Copy of Deed, or a Lease that covers the period of any contract that may be issued as a result of any award for this service.

Bidders must also be prepared to provide additional documents upon request, including but not limited to authorizations to conduct background investigations and site inspections.

FAILURE TO SUBMIT THESE DOCUMENTS MAY RESULT IN THE REJECTION OF THIS BID.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

BIDDER SIGN HERE _____ _____
BIDDER **TITLE**

In addition to the above prerequisites, bidders must cooperate with the Inspection Team, at the time specified by the Nassau County Police Department, as provided in the Terms and Conditions and Specifications/Scope of Services above, and be prepared to show the Inspection Team the following:

1. The required Towing Vehicles.
2. The required fenced, secured and lighted premises.

FAILURE TO COOPERATE WITH THE INSPECTION TEAM MAY RESULT IN DISQUALIFICATION.

BIDDERS SHALL ENTER THEIR BID OFFER IN THE SPACE PROVIDED AFTER EACH ZONE DESCRIPTION. PLEASE READ THE ZONE DESCRIPTION CAREFULLY AND REFER TO THE MAP FOR GENERAL LOCATION. IF BIDDING ON MORE THAN ONE ZONE, PLEASE BEAR IN MIND THAT YOU MUST DEMONSTRATE YOUR ABILITY TO MEET STORAGE AND TOWING REQUIREMENTS FOR THE TOTAL AREA BID. A CONTRACT WILL BE AWARDED TO ONLY ONE (1) CONTRACTOR PER ZONE.

REQUESTS FOR INFORMATION CONCERNING THIS BID MUST BE MADE TO THE DEPARTMENT

BIDDER **TITLE**

COUNTY TOW ZONES

For the purpose of towing and/or storage of vehicles, the territory within the County of Nassau has been divided into twenty-three (23) zones. For each zone a competent and responsible garage owner will be selected and designated the County Franchise Tow and Impound Garage Contractor for that zone whereby such Contractor will be the exclusive franchisee and have the exclusive right to tow and store vehicles on behalf of the Department within the specified geographic zone. Each Contractor must have the necessary equipment to tow motor vehicles and motorcycles, have adequate space for storage as specified in "Minimum Equipment Requirements Section" above, page 29 and be able to provide such services on a twenty-four (24) hour-a-day, seven (7) day a week basis. Each Contractor must agree that the charges for towing an impounded vehicle are to be on a fixed-sum basis as listed above in "Paragraph O"

NOTE: PROSPECTIVE BIDDERS ARE HEREBY NOTIFIED THAT BID OFFERS WILL ONLY BE CONSIDERED IF YOUR MAIN PLACE OF BUSINESS IS LOCATED IN THE ZONE BEING BID OR THAT OF AN ADJOINING ZONE PER THE ENCLOSED NASSAU COUNTY IMPOUND ZONE MAP/DESCRIPTION.

NOTE: ZONES 1 & 4 MUST BE BID AS A UNIT.

Non-Disclosure Agreement (NDA)
(If Applicable)

THIS NON-DISCLOSURE AGREEMENT ("Agreement") is made effective as of this 9 day of June, 2025 by and between the County of Nassau acting by and through its Department of Nassau County Police ("Disclosing Party" or "County") and C2C Automotive ("Recipient" or "Contractor"), including each of their subsidiaries, successors and assigns.

WHEREAS, County and Contractor have entered into Nassau County contract number _____, for 7yrs ("Agreement"); and

WHEREAS, County require that the Contractor assigned to work on County projects acknowledges the obligations of confidentiality and non-disclosure applicable to the Contractor pursuant to the Agreement.

NOW, THEREFORE, the Contractor acknowledges the following:

Term.
The confidentiality obligations set forth herein shall survive (i) termination of the Agreement.

Confidential Information.
(a) The Contractor acknowledges and understand that all records, reports, information, and data as further identified below ("Information") acquired in connection with performance or administration of the Agreement shall be used and disclosed solely for the purpose of performance and administration of the Contract or as required by Law.
(b) The Contractor acknowledges and understand that in connection with performance under Agreement Contractor may have access to and/or be in possession of confidential information of County ("Confidential Information"). Confidential Information shall mean all information both tangible and intangible information and materials belonging to the County or in the County's possession that are of a confidential or proprietary nature, whether or not marked or identified as such, and are disclosed or made accessible to the Contractor, including, but not limited to:
(i) trade secrets, processes, business, financial information and technical information and data, disclosed orally, visually, in writing, electronic media or by any other means;
(ii) all non-public information concerning the programs, processes, statistics, research, development, strategic plans, or the like with respect to the operations and activities of the County;
(ii) all information concerning the County's computer systems and technology, including, but not limited to, information concerning current and future hardware, software, configurations, operations, networks, computing facilities and locations, processes, research, projects, designs, and specifications;

(iv) all non-public information concerning current and/or former County employees, contractors and/or vendors, and members of the public;
(v) all information that the County receives from third parties if the County is subject to a duty to keep such information confidential;
(vi) all original and copied notes, memoranda, or other records and documentation of the Contractor to the extent relating to, derived from, and/or incorporating any County Confidential Information;
(viii) all information marked or identified as "confidential" or "proprietary" in written or electronic form when disclosed and/or made accessible to the Contractor or its designee.

Non-Disclosure

(a) The Contractor shall maintain all County Confidential Information in strict confidence and cause Contractor employees, agents, and subcontractors to maintain County Confidential Information in strict confidence. The Contractor acknowledges and understand that Contractor is obligated to hold in confidence, in the same manner as Contractor holds Contractor's own confidential information of like kind, all Confidential Information to which Contractor may have access under the Agreement; provided that in no event shall the Contractor exercise less than reasonable care to protect the Confidential Information. If necessary to provide services under the Agreement, Contractor may disclose Confidential Information received under this Agreement to employees, subcontractors or agents with a need to know, provided that any Contractor employee, subcontractor or agent is bound to protect such Confidential Information from unauthorized use and disclosure under the terms of a written agreement that is at least as stringent as those of the Contractor's obligations under the Agreement. Confidential Information shall not otherwise be disclosed to any third party without the prior written consent of the County.

(b) The Contractor acknowledges and understand that Contractor shall not use the Confidential Information for Contractor's own benefit or for the benefit of any third party, except as expressly permitted or directed by authorized County management.

(c) Except as specifically agreed in writing by the County or agency head, the Contractor shall not disclose any County Confidential Information to any entity outside the United States, or store or transmit any County Confidential Information outside the United States, other than County Confidential Information that is in electronic form and is transmitted or stored on a momentary basis as may be inherent in electronic transmission between locations within the United States.

Compliance with Laws

The Contractor shall comply with all applicable Federal, State and local Laws governing the confidentiality and privacy of Information. As used in this Non-Disclosure Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted. In the event of any inconsistency or conflict between the provisions of this NDA and the provisions of applicable Laws governing the confidentiality and privacy of Information (e.g. personal information of County employees), the provisions of applicable Laws shall take precedence.

Exclusions

Excluding that information required by law to be protected, the foregoing shall not prohibit or limit Contractor's use of information (including but not limited to ideas, concepts, know-how, techniques and methodologies) (i) previously known to it, (ii) independently developed by it, (iii) acquired by it from a

third party without continuing restriction on use, or (iv) which is, or becomes, publicly available through no breach by it of the Agreement.

Reporting
Contractor shall notify the County of any request for Information or access to Information that is unrelated to the performance or administration of the Agreement.

Ownership
All Information, except the Contractor's proprietary information, to which the Contractor has access is at all times the sole property of the County. The Contractor shall not have any right, title or interest to such material and shall not sell, transfer or otherwise make available to third parties except as provided in this NDA or the Agreement. All reports, notes, memoranda, notebooks, drawings and any other Information developed, received, compiled or delivered to the Contractor, regardless of the source of Information, shall be maintained only for the time necessary to provide services under the Agreement and shall be returned to the County at the termination of the Agreement or destroyed at the direction of the County. Destruction shall be deemed to include the purging of all Information from all equipment and media storage created or used in performance of the Agreement.

Performance
(a) Except to the extent necessary to provide services under the Agreement and with the consent of the County, the Contractor shall attach or load any additional hardware or software to County equipment. The Contractor shall use only those access rights and shall access only Information authorized by the County.

(b) The Contractor acknowledges and understand that Contractor shall comply with County's published computer and information security policies and practices which are made available to Contractor.

Assignment.
The Contractor shall not assign or subcontract its obligations under this NDA.

Breach.

The Contractor acknowledges that breach of this NDA shall give rise to irreparable injury that may not adequately be compensable in damages or at law. Accordingly, the Contractor agrees that injunctive relief may be an appropriate remedy in addition to any other remedies that may lie in equity or at law. Additionally, the Contractor shall indemnify and hold harmless the County and its officers, agents and employees from all suits, actions, damages and costs of every name and description arising out of the acts or omissions of the Contractor and/or Contractor's employees, agents or subcontractors in violation of the terms and conditions of this NDA.

Mark an *X* in the appropriate box: ☒ Single-use certificate ☐ Blanket certificate

Temporary vendors must issue a single-use certificate.

To the purchaser:

You may not use this certificate to purchase items or services that are not for resale. If you purchase tangible personal property or services for resale, but use or consume the tangible personal property or services yourself in New York State, you must report and pay the unpaid tax directly to New York State. Any misuse of this certificate will result in tax liabilities and substantial penalty and interest.

Purchaser information – *please type or print*

I am engaged in the business of AUTO and principally sell VEHICLES

(Contractors may not use this certificate to purchase materials and supplies.)

Part 1 – To be completed by registered New York State sales tax vendors

I certify that I am:

☐ a New York State vendor (including a hotel operator or a dues or admissions recipient), show vendor or entertainment vendor. My valid *Certificate of Authority* number is _____

☐ a New York State temporary vendor. My valid *Certificate of Authority* number is _____ and expires on _____

I am purchasing:

☒ **A.** Tangible personal property (other than motor fuel or diesel motor fuel)
- for resale in its present form or for resale as a physical component part of tangible personal property;
- for use in performing taxable services where the property will become a physical component part of the property upon which the services will be performed, or the property will actually be transferred to the purchaser of the taxable service in conjunction with the performance of the service; or

☐ **B.** A service for resale, including the servicing of tangible personal property held for sale.

☐ **C.** Restaurant-type food, heated food, or heated drink for resale.

Part 2 – To be completed by non-New York State purchasers

I certify that I am not registered nor am I required to be registered as a New York State sales tax vendor. I am registered to collect sales tax or value added tax (VAT) in the following state/jurisdiction _____ and have been issued the following registration number [redacted] (If sales tax or VAT registration is not required and a registration number is not issued by your home jurisdiction, indicate the location of your business and write ***not applicable*** on the line requesting the registration number.)

I am purchasing:

☐ **D.** Tangible personal property (other than motor fuel or diesel motor fuel) for resale, and it is being delivered directly by the seller to my customer or to an unaffiliated fulfillment services provider in New York State.

☐ **E.** Tangible personal property for resale that will be resold from a business located outside New York State.

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to, the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.

Type or print name and title of owner, partner, or authorized person of purchaser	
MICHAEL SCHMELTZER	
Signature of owner, partner, or authorized person of purchaser	Date prepared: 6/3/25

Substantial penalties will result from misuse of this certificate.

Commercial Gross Lease

1. Names. This lease is made by 34 Charlotte Ave LLC, Landlord, and AAAA 1 Towing, Tenant.

2. Premises Being Leased. Landlord is leasing to Tenant and Tenant is leasing from Landlord the following premises:
34 Charlotte Ave Hicksville NY 11801.

3. Term of Lease. This lease begins on 1/1/19 and ends on 12/31/29.

4. Rent. Tenant will pay rent in advance on the 1 day of each month. Tenant's first rent payment will be on 1/1/19 in the amount of $5000.00. Tenant will pay rent of $5000.00 per month thereafter.

☐ Tenant will pay this rental amount for the entire term of the lease.

☐ Rent will increase each year, on the anniversary of the starting date in paragraph 3, as follows: _____.

5. Option to Extend Lease

☑ First Option. Landlord grants Tenant the option to extend this lease for an additional 10 years. To exercise this option, Tenant must give Landlord written notice on or before _____. Tenant may exercise this option only if Tenant is in substantial compliance with the terms of this lease. Tenant will lease the premises on the same terms as in this lease except as follows: _____.

☐ Second Option. If Tenant exercises the option granted above, Tenant will then have the option to extend this lease for _____ years beyond the first option period. To exercise this option, Tenant must give Landlord written notice on or before _____. Tenant may exercise this option only if Tenant is in substantial compliance with the terms of this lease. Tenant will lease the premises on the same terms as in this lease except as follows: _____.

6. Security Deposit. Tenant has deposited $10000 with Landlord as security for Tenant's performance of this lease. Landlord will refund the full security deposit to Tenant within 14 days following the end of the lease if Tenant returns the premises to Landlord in good condition (except for reasonable wear and tear) and Tenant has paid Landlord all sums due under this lease. Otherwise, Landlord may deduct any amounts required to place the premises in good condition and to pay for any money owed to Landlord under the lease.

7. Improvements by Landlord

☐ Before the lease term begins, Landlord (at Landlord's expense) will make the repairs and improvements listed in Attachment 1 to this contract.

☑ Tenant accepts the premises in "as is" condition. Landlord need not provide any repairs or improvements before the lease term begins.

8. Improvements by Tenant. Tenant may make alterations and improvements to the premises after obtaining the Landlord's written consent, which will not be unreasonably withheld. At any time before this lease ends, Tenant may remove any of Tenant's alterations and improvements, as long as Tenant repairs any damage

caused by attaching the items to or removing them from the premises.

9. Tenant's Use of Premises. Tenant will use the premises for the following business purposes: Towing & Storage Facility.
Tenant may also use the premises for purposes reasonably related to the main use.

10. Landlord's Representations. Landlord represents that:
A. At the beginning of the lease term, the premises will be properly zoned for Tenant's stated use and will be in compliance with all applicable laws and regulations.
B. The premises have not been used for the storage or disposal of any toxic or hazardous substance, and Landlord has received no notice from any governmental authority concerning removal of any toxic or hazardous substance from the property.

11. Utilities and Services. Landlord will pay for the following utilities and services:
☐ Water
☐ Electricity
☐ Gas
☐ Heat
☐ Air-Conditioning
Any items not checked will be the responsibility of Tenant.

12. Maintenance and Repairs
A. Landlord will maintain and make all necessary repairs to: (1) the roof, structural components, exterior walls, and interior common walls of the premises, and (2) the plumbing, electrical, heating, ventilating, and air-conditioning systems.
B. Landlord will regularly clean and maintain (including snow removal) the parking areas, yards, common areas, and exterior of the building and remove all litter so that the premises will be kept in an attractive condition.
C. Tenant will clean and maintain Tenant's portion of the building so that it will be kept in an attractive condition.

13. Insurance
A. Landlord will carry fire and extended coverage insurance on the building.
B. Tenant will carry public liability insurance; this insurance will include Landlord as an insured party and will be primary to any liability insurance maintained by landlord. The public liability coverage for personal injury will be in at least the following amounts:
- $_____ per occurrence.
- $_____ in any one year.

C. Landlord and Tenant release each other from any liability to the other for any property loss, property damage, or personal injury to the extent covered by insurance carried by the party suffering the loss, damage, or injury.
D. Tenant will give Landlord a copy of all insurance policies that this lease requires Tenant to obtain.

14. Taxes
A. Landlord will pay all real property taxes levied and assessed against the premises.
B. Tenant will pay all personal property taxes levied and assessed against Tenant's personal property.

15. Subletting and Assignment. Tenant will not assign this lease or sublet any part of the premises without the written consent of Landlord. Landlord will not unreasonably withhold such consent.

16. Damage to Premises

A. If the premises are damaged through fire or other cause not the fault of Tenant, Tenant will owe no rent for any period during which Tenant is substantially deprived of the use of the premises.

B. If Tenant is substantially deprived of the use of the premises for more than 90 days because of such damage, Tenant may terminate this lease by delivering written notice of termination to Landlord.

17. Notice of Default. Before starting a legal action to recover possession of the premises based on Tenant's default, Landlord will notify Tenant in writing of the default. Landlord will take legal action only if Tenant does not correct the default within ten days after written notice is given or mailed to Tenant.

18. Quiet Enjoyment. As long as Tenant is not in default under the terms of this lease, Tenant will have the right to occupy the premises peacefully and without interference.

19. Eminent Domain. This lease will become void if any part of the leased premises or the building in which the leased premises are located are taken by eminent domain. Tenant has the right to receive and keep any amount of money that the agency taking the premises by eminent domain pays for the value of Tenant's lease, its loss of business, and for moving and relocation expenses.

20. Holding Over. If Tenant remains in possession after this lease ends, the continuing tenancy will be from month to month.

22. Disputes

☐ Litigation. If a dispute arises, either party may take the matter to court.

☐ Mediation and Possible Litigation. If a dispute arises, the parties will try in good faith to settle it through mediation conducted by

☐ _____.

☐ a mediator to be mutually selected.

The parties will share the costs of the mediator equally. Each party will cooperate fully and fairly with the mediator and will attempt to reach a mutually satisfactory compromise to the dispute. If the dispute is not resolved within 30 days after it is referred to the mediator, either party may take the matter to court.

☐ Mediation and Possible Arbitration. If a dispute arises, the parties will try in good faith to settle it through mediation conducted by

☐ _____.

☐ a mediator to be mutually selected.

The parties will share the costs of the mediator equally. Each party will cooperate fully and fairly with the mediator and will attempt to reach a mutually satisfactory compromise to the dispute. If the dispute is not resolved within 30 days after it is referred to the mediator, it will be arbitrated by

☐ _____.

☐ an arbitrator to be mutually selected.

Judgment on the arbitration award may be entered in any court that has jurisdiction over the matter. Costs of arbitration, including lawyers' fees, will be allocated by the arbitrator.

Landlord need not participate in mediation or arbitration of a dispute unless Tenant has paid the rent called for by this lease or has placed any unpaid rent in escrow with an agreed upon mediator or arbitrator.

22. Additional Agreements. Landlord and Tenant additionally agree that: _____

_____.

23. Entire Agreement. This is the entire agreement between the parties. It replaces and supersedes any and

all oral agreements between the parties, as well as any prior writings.

24. Successors and Assignees. This lease binds and benefits the heirs, successors, and assignees of the parties.

25. Notices. All notices must be in writing. A notice may be delivered to a party at the address that follows a party's signature or to a new address that a party designates in writing. A notice may be delivered:

- ☐ in person
- ☐ via email, at the addresses provided below
- ☑ by certified mail, or
- ☐ by overnight courier.

26. Governing Law. This lease will be governed by and construed in accordance with the laws of the state of New York.

27. Counterparts. The parties may sign several identical counterparts of this lease. Any fully signed counterpart shall be treated as an original.

28. Modification. This lease may be modified only by a writing signed by the party against whom such modification is sought to be enforced.

29. Waiver. If one party waives any term or provision of this lease at any time, that waiver will be effective only for the specific instance and specific purpose for which the waiver was given. If either party fails to exercise or delays exercising any of its rights or remedies under this lease, that party retains the right to enforce that term or provision at a later time.

30. Severability. If any court determines that any provision of this lease is invalid or unenforceable, any invalidity or unenforceability will affect only that provision and will not make any other provision of this lease invalid or unenforceable, and shall be modified, amended, or limited only to the extent necessary to render it valid and enforceable.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

Definitions:

As used in this Appendix EE the term **"Executive Director"** shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term **"Subcontract"** shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term **"Subcontractor"** shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

As used in this Appendix EE the term **"Best Efforts Checklist"** shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term **"County Contract"** shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars ($25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars ($100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term **"County Contractor"** means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not

include any Subcontractor.

As used in this Appendix EE **"Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises"** shall include, but is not limited to the following:

a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County

Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

Rule:

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(b) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(c) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(d) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(e) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(f) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(g) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best-Efforts Checklist.

(h) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(i) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best-Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(j) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(k) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(l) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(m) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal

government is not required.

Appendix L
Certificate of Compliance

In compliance with Local Law 1-2006, as amended (the "Law"), the Contractor hereby certifies the following:

1. The chief executive officer of the Contractor is:

Thomas Schmeltzer (Name)

[redacted] (Address)

_____ (Telephone Number)

2. The Contractor agrees to either (1) comply with the requirements of the Nassau County Living Wage Law or (2) as applicable, obtain a waiver of the requirements of the Law pursuant to section 9 of the Law. In the event that the contractor does not comply with the requirements of the Law or obtain a waiver of the requirements of the Law, and such contractor establishes to the satisfaction of the Department that at the time of execution of this agreement, it had a reasonable certainty that it would receive such waiver based on the Law and Rules pertaining to waivers, the County will agree to terminate the contract without imposing costs or seeking damages against the Contractor

3. In the past five years, Contractor _____ (HAS) ✓ (HAS NOT) not been found by a court or a government agency to have violated federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If a violation has been assessed against the Contractor, describe below:

_____
_____
_____
_____
_____

4. In the past five years, an administrative proceeding, investigation, or government body-initiated judicial action _____ (HAS) ✓ (HAS NOT) been commenced against or relating to the Contractor in connection with federal, state, or local laws regulating payment of wages or benefits, labor relations, or occupational safety and health. If such a proceeding, action, or investigation has been commenced, describe below:

_____
_____
_____
_____

5. Contractor agrees to permit access to work sites and relevant payroll records by authorized County representatives for the purpose of monitoring compliance with the Living Wage Law and investigating employee complaints of noncompliance.

I hereby certify that I have read the foregoing statement and, to the best of my knowledge and belief, it is true, correct and complete. Any statement or representation made herein shall be accurate and true as of the date stated below.
