Re: Investigation of J Pizzirusso Landscaping Corp. and JPL Site Contractors LLC

Dear Mr. Joseph Pizzirusso and John Pizzirusso:

As you are aware, our office had an open investigation into your companies J. Pizzirusso Landscaping Corp. and JPL Site Contractors LLC regarding allegations of improper wage and benefit payments for public work performed in New York City between April 2013 and December 2014. Our Office is aware that a parallel investigation was also being conducted by the NYC Comptroller's Office Bureau of Labor Law. The Comptroller's Office investigation determined that there was no underpayment of prevailing wages or supplements. Our Office inquired of you about Local 175 Remittance Reports of union benefits which you provided to us on February 2, 2016.

After an extensive investigation as well as cooperation by you in providing records to our office, we have determined that the Comptroller's findings are controlling. Effective as of the date of this letter, our office will be closing the matter.

No further action is necessary on your part. We appreciate your cooperation and should you or your attorney have any questions, please feel free to contact me at (212) 416-8693. Thank you for giving this matter your kind attention.

Respectfully,

CONTRACTOR NAME: West Group Law PLLC

CONTRACTOR ADDRESS: 81 Main Street, Suite 510, White Plains, NY 10601

FEDERAL TAX ID #: 815255601

Instructions: Please check the appropriate box ("☑") after one of the following roman numerals and provide all the requested information.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

II. The contractor was selected pursuant to a Request for Proposals.

III. This is a renewal, extension or amendment of an existing contract.

IV. X Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; OR:

X B. In this streamlined solicitation, a total of eleven candidates were solicited from the 2018 and 2019 special counsel panel that were qualified in construction law litigation and general litigation. The request for proposals was issued in December 2019, March 2020 and, final solicitation was sent out on June 3 2020. Five firms responded and submitted proposals for consideration. The other firms declined or did not respond to solicitation. The five (5) responding firms solicited were:

1) Hoguet Newman 2) West Group 3) Morritt Hock 4) Smith Buss Jacobs, LLP 5) Lynn Gartner. Three of the firms possessed a municipal background in litigating faulty design and construction of structures for a municipality; those firms were Hoguet Newman, West Group and Morritt Hock. All firms possessed superior reputation in in state and federal courts handling complex litigations for municipalities. In review of the proposals set forth by the candidate law firms, the Committee gave substantial consideration to the experts that a successful law firm proposer would need to enlist to help evaluate potential causes of action, should the County bring an action to recover the substantial cost over runs caused by the faulty designs of Eastman. The expense for this type of litigation was an important factor in reviewing each proposal. Each firm provided hourly rates consistent with their original panel rate. The most complete budgets received were from West Group and Hoguet Newman. The Evaluation Committee determined that West Group's overall response to the proposal was most complete compared to the other submissions. Moreover, West Group's overall budget provided was complete. The proposed budget covered the life of the legal services required for this assignment, including the possibility of trial and appeals.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.
- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. OCTOBER 2020

About WGL

WGL is a boutique municipal law firm that provides responsive legal solutions with cost-effective results. We have offices in New York, Massachusetts, Rhode Island, and Pennsylvania, and we represent clients throughout the country.

Our attorneys have represented municipalities and other public entities for more than 25 years in connection with public-private partnerships, water and wastewater systems and projects, civic/municipal buildings, environmental and regulatory matters, solid waste issues, transportation, structuring requests for proposals (RFPs), contract negotiations, alternative project delivery methods, land use development, project-related litigation, and construction law.

Members of our firm have spent their careers serving state and local governments and agencies. We understand the challenges public entities face because our attorneys once worked in senior positions in state and local governments. This experience enables us to provide public entities with efficient, creative, and low-cost solutions across the country. We chose this platform for a reason – to utilize our extensive collective experience while allowing for nimble, efficient results for our public clients.

Nassau County

Since 2011, WGL attorneys have been privileged to represent the County in connection with some of its most successful, prominent, and biggest projects, including the redevelopment of the Nassau Veterans Memorial Coliseum and the private operation and maintenance agreement for the County's sewer system with SUEZ Water Long Island Inc. We have also represented the County in connection with an innovative co-generation energy project, as well as with respect to several litigation matters. Our attorneys have delivered results in short timeframes that have exceeded the County's goals, protected the interests of residents, and saved or generated millions of dollars for the County's taxpayers.

We have realized this success based on our deep understanding of the County stakeholders, processes and needs. We have developed a strong relationship and worked closely with members of each of the following:

- County Legislature
- Nassau County Interim Finance Authority
- Nassau Hub Advisory Committee
- Office of Legislative Budget Review
- Comptroller's Office

- Sewer and Storm Water Finance Authority
- Nassau County Planning Commission
- Nassau County Open Space and Parks Advisory Committee
- County Executive's Office
- County Attorney's Office
- Office of Management and Budget
- Department of Public Works

We understand the role and responsibilities of each of these bodies and have successfully addressed their concerns through written and oral briefings and earned their trust. Although we are lawyers, we understand the importance of facilitating public communications for the success of any large project.

Experience

Construction Litigation

WGL lawyers have successfully represented clients in high-profile litigation and appellate matters in state, federal and circuit courts throughout the United States. We routinely defend our public clients in connection with challenges to procurements; construction and service contract disputes; litigation related to low-bid specifications; and change order disputes. We also represent our public clients in connection with challenges to legislation, and we are experienced in the prosecution and defense of various types of construction claims, including delay, disruption, labor inefficiency and work suspension. We routinely assist clients in avoiding disputes and developing strategies that avoid litigation which are often encountered in project administration and project scheduling.

Our construction litigation experience includes representing clients on a dispute relating to the recovery of construction and demolition costs related to a catastrophic roof collapse at a co-composting facility; a breach of contract action stemming from the construction and failure of a new cover to a secondary digester for a wastewater treatment plant; a dispute regarding alleged sustained physical damage to a gas line due to the blasting associated with construction of the sewers as performed by a public entity's general contractor; and an action against a public entity's contractors, designers, and engineers to recover cost overruns relating to a public pool construction project.

As it informs our construction litigation experience, WGL advises on both vertical and horizontal construction, from design through final construction, including the procurement and administration of architectural, engineering, and testing and inspection services. We also routinely prepare and negotiate complex design and construction agreements using

traditional and alternative project delivery methods, including low-bid, fast-track, fixed price, cost plus, design-build, design-build-operate, build-to-suit, and public and private venture contracts. We have advised on the development of model procurement and contract forms, resolution of bidding disputes, contract administration, and bond and insurance issues.

We have significant experience with traditional low-bid construction projects implemented pursuant to General Municipal Law § 103 and other related statutes, such as the Wicks Law. We are very familiar with the issues associated with such projects, including the possibility of disputes over contract awards and other procurement challenges, as set forth above.

WGL attorneys successfully negotiated a redevelopment and lease agreement between the County and Nassau Events Center, LLC, an affiliate of Forest City Enterprises, Inc. The project will result in zero tax liability to the residents of Nassau County and will generate more than \$300 million in direct revenue to the County over the full 49-year term of the lease.
- **Nassau County, New York** (*Wastewater System*) in connection with the development and negotiation of a contract to privatize operations, maintenance and management of the County’s sewer system, which includes three major wastewater treatment plants, 53 sewage pump stations and approximately 3,000 miles of sewers. The sewer system is responsible for the collection, treatment and disposal of sewage in a large area of the County, with a current customer base of approximately one million. This operation and maintenance agreement is the

largest water-related public-private partnership to date in the United States, with a value of more than \$1.2 billion.

- **Rockland County, New York** (*Construction Litigation*) in connection with a breach of contract action stemming from the construction and failure of a new cover to a secondary digester. WGL attorneys successfully argued that the case should be remanded to State Court from United States District Court for the Southern District of New York.
- **Nassau County, New York** (*Clean Water Act Defense*) in connection with an action in the United States District Court for the Eastern District of New York alleging violations of the Clean Water Act stemming from alleged illegal discharges.
- **Rockland County Solid Waste Management Authority, New York** (*Solid Waste Management*) with the development and management of its county-wide solid waste disposal system. In such capacity, we serve as special counsel to the Authority and provide legal representation in connection with the Authority's various contractual arrangements.
- **Rockland County Solid Waste Management Authority, New York** (*Procurement Litigation*) in connection with a challenge to an RFP issued for recyclables collection. The Authority received three proposals in response to the RFP and based upon evaluation of the factors listed in the RFP, the lowest proposer was not selected. The proposer subsequently commenced an Article 78 proceeding, claiming that the Authority was subject to General Municipal Law § 103, which would have required the Authority to choose the lowest responsible bidder. Both the Supreme Court and the Second Department agreed with WGL's compelling legal argument that General Municipal Law § 103 is only applicable to political subdivisions, and that public benefit corporations, such as the Authority, are not political subdivisions.
- **Broome County, New York** (*Solid Waste System*) in analyzing legal alternatives and options available to the County concerning flow control.
- **County of Sullivan, New York** (*Solid Waste System*) with respect to whether to form a County solid waste disposal district, a solid waste management authority or

a resource recovery agency pursuant to New York law. Our representation also included advising the County on whether to update and enforce the County's flow control law to aid the operation of the solid waste management system for a district, an authority, or an agency. WGL attorneys also assisted the County with determining the most effective financing options for the expansion of the solid waste management system and construction of a transfer station based on the closure of its landfill.

- **Orange County, New York** (*Wastewater System*) in connection with advising the County in collaboration with Delaware Engineering to develop a study to find ways to increase treatment capacity for the County's only sewer district by at least three million gallons a day without significantly raising costs. We analyzed numerous existing agreements between affected municipalities, and we summarized a comprehensive legal framework through which the County could proceed with the study's practical recommendations.
- **Rockland County Sewer District No. 1, New York** (*Clean Water Act Defense*) in an action in the United States District Court for the Southern District of New York against allegations of violations of the Clean Water Act stemming from alleged sewage discharges into the Saddle River resulting in the dismissal of several of the causes of action against the District.
- **Nassau County, New York** (*Co-Generation Project*) in connection with a P3 transaction involving the lease and private operation of the County's District Energy System (DES), that would provide thermal and electrical energy to a number of private and public entities, including the Nassau County Correctional System, the Long Island Marriot, the Nassau Coliseum, and Nassau University Medical Center. The County is planning to enter into a P3 transaction with a selected entity who will operate, maintain and manage the DES, providing thermal energy to existing, and potentially new, users.
- **Rockland County Sewer District No. 1, New York** (*Public- Private Partnership Wastewater Plant*) in its procurement of a contractor for the operation and maintenance of its Advanced Wastewater Treatment Plant. We represented the Sewer District in the development of the facility on a DBO basis, which was the first municipal wastewater DB or DBO project in New York. We were responsible for reviewing New York law to determine whether the wastewater treatment plant could be developed pursuant to a DBO approach under the existing statutory framework. WGL assisted the Sewer District with the drafting of the procurement documents (including the RFP), the evaluation of proposals, and served as lead

negotiator and principal drafter of the DBO agreement. We continue to serve as full-time outside counsel to the Sewer District, providing contract oversight and administration assistance.

Real Property/Land Use

Our lawyers have extensive experience representing public entities, with a particular emphasis on land use, zoning, environmental, and redevelopment matters from planning, regulatory, and financing perspectives. We also serve as special counsel for redevelopment activities for many cities, counties, and redevelopment agencies, and our team has developed and drafted portions of comprehensive plans in municipalities, negotiated and drafted community benefit agreements.

Our extensive experience includes advising on:

- Condemnation proceedings and challenges
- Redevelopment agency projects
- Urban renewal projects
- Affordable/below-market housing projects
- Parkland issues, including alienation issues
- Acquisition of municipal assets
- Zoning issues

A notable example of our real property experience involves advising **Nassau County** in connection with the redevelopment of the Nassau Veterans Memorial Coliseum and its surrounding area, commonly referred to as the “Hub.” Our representation includes advising on real estate and land use issues in connection with the Coliseum redevelopment, the development of a \$140 million research and treatment facility with Memorial Sloan Kettering, the lease and private operation of the County’s District Energy System and an \$85 million parking structure involving a grant from the Empire State Development Corporation.

Transactions

We have extensive experience addressing all aspects of procurement and contracting matters, including negotiating and drafting contracts, public bidding processes, and prosecuting and defending contract claims. Our work includes development of model procurement and contract forms, resolution of bidding disputes, contract administration, and bond and insurance issues. We routinely interpret New York statutes, rules and

regulations, and guidance unique to public entities, such as General Municipal Law §§ 103 and 120-w, and opinions of the State Comptroller and Attorney General.

As indicated above with respect to our municipal law practice, transactional work constitutes the vast majority of matters we handle, ranging from construction agreements to public-private partnership agreements to operations and maintenance agreements. Other than regulatory and litigation work, our firm is fundamentally focused on transactional matters.

In one notable project, as discussed above, we advised **Nassau County** in connection with the redevelopment of the Nassau Veterans Memorial Coliseum site. Our representation included assisting the County with obtaining private financing; drafting an RFQ and an RFP seeking private developers for the redevelopment of the Nassau Hub; negotiating the contract documents, including simultaneous lease negotiations with the selected RFP finalists; and shepherding the selected lease through the County's approval process. The project will result in zero tax liability to the residents of Nassau County and will generate more than \$300 million in direct revenue to the County.

Our attorneys, both while in public and private practice, have advised on the following types of contracts, among others:

- Concessions
- Construction
- Design-Build
- Design-Build-Operate
- Employment separation agreements
- Energy savings performance contracts
- Federal and state grant assistance
- Inter- and intra-municipal agreements for shared services
- Operation and maintenance
- Water/sewer/solid waste

Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under

Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

(f) Vendor Code of Ethics. By executing this Agreement, the Contractor hereby certifies and covenants that:

- (i) The Contractor has been provided a copy of the Nassau County Vendor Code of Ethics issued on June 5, 2019, as may be amended from time to time (the "Vendor Code of Ethics"), and will comply with all of its provisions;
- (ii) All of the Contractor's Participating Employees, as such term is defined in the Vendor Code of Ethics (the "Participating Employees"), have been provided a copy of the Vendor Code of Ethics prior to their participation in the underlying procurement;
- (iii) All Participating Employees have completed the acknowledgment required by the Vendor Code of Ethics;
- (iv) The Contractor will retain all of the signed Participating Employee acknowledgements for the period it is required to retain other records pertinent to performance under this Agreement;
- (v) The Contractor will continue to distribute the Vendor Code of Ethics, obtain signed Participating Employee acknowledgments as new Participating Employees are added or changed during the term of this Agreement, and retain such signed acknowledgments for the period the Contractor is required to retain other records pertinent to performance under this Agreement; and
- (vi) The Contractor has obtained the certifications required by the Vendor Code of Ethics from any subcontractors or other lower tier participants who have participated in procurements for work performed under this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request,

completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by

Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the applicable provisions of the Code of Federal Regulations, 2 C.F.R. Part 200, as may be amended. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand

delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001, 128-2006, and 153-2018. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars (\$50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than \$50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than \$50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars (\$50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars (\$50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

- (A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars (\$50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar (\$50,000.00) cap.
- (B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar (\$50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a

manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a

contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

COUNTY OF NASSAU
OFFICE OF THE COUNTY ATTORNEY

DATE: January 5, 2021

SUBJECT: Delay Memo – West Group Law PLLC

The purpose of this memo is to explain any delay with the new contracts between the County and **West Group Law PLLC** ("Counsel" or "West Group"), special counsel firm chosen to affirmatively represent Nassau County and the Department of Public Works ("County" or "DPW") in the construction of the Nassau County Family Court building; as well as for West Group to represent the County in litigation known as: Sunil Joseph v. County of Nassau – USDC EDNY Case Number 2:20-cv-01907-SJF-ARL ("Sunil Joseph").

Initially it was the Department's intention to proceed with one Agreement between West Group and the County to cover their representation of the County in both the affirmative litigation involving the new Family Court building, and their representation of the County in the Sunil Joseph litigation. One contract was prepared and sent to Counsel for review and signature. Subsequently it was determined that it would be beneficial to split the two matters into two (2) different Agreements with Counsel. West Group was contacted and notified of this change. New agreements were prepared by my office and sent to Counsel. This change, and Counsel's delay in executing their disclosure forms via the vendor portal, unfortunately caused delay in routing both agreements.

I trust this sufficiently explains the reason for the delay. Please do not hesitate to contact me if you have any questions.
