2. The Permittee shall notify the Department of Public Works of any entity that has failed to remove such plant and equipment within the required thirty (30) days of notification. Failure to remove any plant and equipment from the pole that is to be replaced pursuant to this section may result in penalties provided for in §14 of this Ordinance.
3. Any Permittee that submits proof to the Department of Public Works that its failure to remove its plant and equipment from the utility pole that is to be replaced was due to the failure of another entity to remove its plant and equipment from that pole shall not be liable for any penalty and such Permittee's thirty (30) day deadline to remove plant or equipment shall be tolled until the interfering plant and equipment is removed by such other entity. However, any entity that due to its placement of plant or equipment on the utility pole that is to be replaced prohibits or interferes with any other entity

from the removal of its plant and equipment or from the removal of the pole shall be liable for double the penalty provided for in §14 of this Ordinance.

- d. If the Permittee fails to remove all or any portion of abandoned plant or equipment as directed by the County within a reasonable time period as may be required by the County under the circumstances, the County may perform such removal and charge double the cost of the removal against the Permittee.
- e. Failure to notify the County of abandoned plant and equipment shall constitute a violation of this Ordinance and subject the Permittee to penalties as set forth in §14 of this Ordinance.

If no appeal is filed and if the violation is not cured within the thirty (30) day period, the County may assess all fines and penalties owed, beginning on the first day of the violation.
- c. Appeals to challenge a notice of violation issued by the Department of Public Works shall be made in writing and be directed to the Commissioner, who shall, after due deliberation, accept, reject or modify the notice of violation.
- d. If the Permittee fails to remedy an alleged violation within a reasonable time period as may be required by the Department of Public Works, the County may perform such remedial actions and charge the cost of the removal, including the cost of any administrative expenses incurred by the County, against the Permittee.
- e. Failure of the County to enforce any requirements of this Ordinance shall not constitute a waiver of the County's right to enforce that violation or subsequent violations of the same type or to seek appropriate enforcement remedies.

- a. In the event a Permittee's performance of or compliance with any of the provisions of this Ordinance is prevented by a cause or event not within the Permittee's control, such inability to perform or comply shall be deemed excused and no penalties or sanctions shall be imposed as a result, provided, however, that such Permittee uses all practicable means to expeditiously cure or correct any such inability to perform or comply. If any clause, sentence, paragraph, subdivision, section or part of this ordinance or the application thereof to any Permittee, individual, corporation, firm, partnership, entity or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law or in its application to the Permittee, individual, corporation, firm, partnership entity or circumstance directly involved in the controversy in which order or judgment shall be rendered.

The Gateway E-Newsletter Plus system, a program of which iConstituent is the developer and sole provider, is the only mass email application that meets Nassau County's needs for regular and instant online communication with its residents. Further, the cost of the system is reasonable in light of the benefits it provides.

Nearly 87% of American adults now use the Internet, according to a new report from the Pew Research Center, up from 14% in 1995 when the center first started conducting public opinion polling on the adoption of new communication technologies. Constituents expect government to take advantage of this growing medium to communicate important issues and initiatives. A proper mass emailing system should be rich text capable, come equipped with reporting functions, a capacity for vanity return email addresses, have a data import availability, and guarantee CAN-SPAM Act compliance.

iConstituent allows for mass email communication to hundreds of thousands of Nassau County residents. The system allows for both rich text and plain text emails which gives the County more options in terms of presenting information to the public which is in sharp contrast to the Swiftreach Email system which the County previously used which had no rich text capabilities. The system also allows for reports including, but not limited to, the number of emails delivered and what content was viewed therein so that the County can ensure that residents are receiving and reading emails. Nassau County was able to upload pre-existing email lists into the system and have the list made CAN-SPAM compliant thereby avoiding any financial penalties under the law. Mail Chimp and Constant Contact, two premier email services researched as alternatives to iConstituent, did not offer list uploading or data cleaning. iConstituent stands apart from any would-be competitor by offering email list targeting to ensure emails are content appropriate, user profiles so constituents can decide what information they wish to receive, regional mailing

to geo-target emails, design templates for a greater variety of methods to provide information and rotating IP addresses to avoid emails being blocked by SPAM filters.

Further, to avoid those SPAM filters iConstituent provided Nassau County with its own exclusive email server installed at its Albany Data center. These servers, known as Message Transfer Agents or MTAs, handle all of Nassau County's constituent email notifications. No other company was able or willing to provide MTAs to the County or to maintain and service them as iConstituent does.

Using the iConstituent system, Nassau County has been able to distribute important information to the public. The above features ensure that information is received during various weather events, road closures and emergency preparedness information is shared immediately. Also, during times of heightened security concerns, constituents are informed of various public safety initiatives.

iConstituent's Gateway E-Newsletter Plus system is the only program that meets Nassau County's standards for a mass email system and comes at reasonable cost. Further, iConstituent is the only vendor willing to provide dedicated MTAs to Nassau County for constituent email communications. iConstituent is the only program that meets the needs and expectations of Nassau County residents.

Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition,

## OUR MISSION PROTECT & STRENGTHEN

Family & Children's is dedicated to protecting and strengthening Long Island's most vulnerable children, youth, seniors, veterans, families and communities. We offer assistance to those who are experiencing social, emotional and economic challenges.

Dear Friends of FCA,

On behalf of our Board of Trustees, dedicated staff and loyal volunteers, we are proud to present you with our 2015 Annual Report. Though it's almost impossible to capture a year's worth of work in a few pages, paragraphs and pictures, we've included some highlights, client stories and key performance indicators that help tell our story.

We continued our agency re-organization in 2015, expanded our leadership team, launched several new programs and fulfilled a promise to Long Islanders we first made more than 130 years ago.

The nonprofit sector is in the midst of incredible turmoil and behavioral health, in particular, is undergoing significant changes in both its financing and service delivery. Here at FCA, we're embracing these changes, positioning ourselves for success and creating new partnerships that will produce measurable, sustained results for our region's most vulnerable populations.

With renewed financial stability, an incredibly gifted team and a laser-focused commitment to excellence we will soon unveil *FCA 2020*, a comprehensive blueprint for our continued progress as one of Long Island's largest nonprofits. We are thrilled that you've been part of our historic success and even happier to call you family.

Sincerely,

In 2015, Family and Children's Association (FCA) and The Long Island Council on Alcoholism and Drug Dependence (LICADD) entered into a strategic partnership that will consolidate administrative functions, reduce operating expenses and most importantly, create a seamless continuum of care for individuals and families struggling with addiction. Under the new arrangement, LICADD has become an affiliate of FCA.

Together, the agencies now offer a full array of addiction services ranging from school-based prevention programs, to mental health/substance abuse screenings, to brief interventions and NYS-licensed outpatient treatment, to recovery support and relapse prevention. Additional services offered by the agencies include: youth mentoring, services for military veterans, children's mental health services, transitional housing and professional continuing education programs.

Under the formal agreement, LICADD will retain its identity, its 501 (c) 3 nonprofit status and existing programs for the foreseeable future. FCA will help the agency manage staff, finances, existing grants and new opportunities in the rapidly evolving behavioral health marketplace.

*FCA President/CEO Dr. Jeffrey Reynolds and LICADD Executive Director Steve Chassman, along with Nassau County District Attorney Madeline Singas and NYS Assemblyman Joseph Saladiño, recently participated in a press conference hosted by Senator Kirsten Gillibrand discussing the need for stricter guidelines regarding opioid prescriptions.*

# MEETING OUR GREATEST CHALLENGES

For more than 130 years, FCA has offered help and hope to millions of Long Island's most vulnerable men, women and children by providing vital services such as career counseling, education, support services and housing, to name a few.

It's all over the news... Long Island has been plagued by a staggering number of deaths tied to substance use disorders. Latest estimates indicate a record 442 people died from opiate overdoses on Long Island in the past year.

Add to that the problems faced by an aging population. In Nassau County alone, there are about 300,000 people who are age 55-plus. Failing health is just one of the problems faced by our senior population. Other factors such as declining mental abilities, change in economic status, lack of transportation, financial scams, utility shut-offs, and possible homelessness create a bleak picture.

The good news is that FCA has streamlined its operations to better serve runaway teens, homeless youth, at-risk students, veterans, families in crisis, seniors, and the working poor. We offer a variety of life-changing programs that fall into one of our three main divisions: Preventive Services, Senior Services, and Behavioral Health.

**In 2015 FCA helped over 20,000 people, enough to fill Carnegie Hall 5 1/2 times!**

It is our hope that you will take a moment to learn more about the programs offered by FCA. You might even consider volunteering or making a financial contribution. After reading about the work we do, you might wish to help a friend or loved one take the first step towards recovery or renewal.

Our goal is to provide help and hope to those who need us the most...won't you join us? Please read on to learn more.

Here is a letter from a grateful mother who found care for her toddlers while caring for a sick infant through the Nursery Co-Op program within FCA's Behavioral Health Division:

*"After giving birth to my third child, my joy quickly turned to fear when I was told that my new baby would require multiple surgeries to correct a birth defect... Thankfully, the Nursery Co-op was there to care for my toddlers while I went back and forth to the hospital with my infant. I can't express how grateful I am for the help and knowing that they were being well cared for while my husband went to work and I navigated the frightening world of medicine. I'm happy to report that our baby had several surgeries and is doing much better. I don't know where we would be if it weren't for your help and support."*

*FCA's Preventive Services Division provides safety-net programs to children and families who are at risk, homeless or struggling with a host of difficulties including substance use disorder, mental health trauma, domestic violence or chronic poverty. As change agents, the staff of FCA empower our youth and families in their decision making abilities and help them develop the skills needed to live independently, often breaking multigenerational cycles of poverty and neglect.*

## Preventive Services Division

# EMPOWERING WITH HOPE AND PURPOSE

At FCA, we understand that the challenges placed on families may seem insurmountable...substance abuse, violence, financial instability and homelessness. That is why we have made it our sole mission to support children, young adults and families who are vulnerable, homeless, experimenting with drugs and alcohol and/or are at high-risk for developing behavioral health issues.

Although the programs and services of the Preventive Services Division are varied, the goals are the same—to empower disenfranchised youth and their families with a sense of hope and purpose and to help them on the road towards self-sufficiency and independence.

The Preventive Services Division consists of 8 programs, including 2 residential shelters for runaway and homeless youth.

### Programs Offered By the Preventive Division:

- **Family Support** protects at-risk children who face foster care by strengthening their parents' ability to care for them safely at home.
- **PACT** (Parents and Children Together) provides education to pregnant and parenting teens; many of whom speak English as second language.
- **STARS** (Safe Transitions and Reunification Services) helps unaccompanied minors who have fled life threatening circumstances from their countries of origin to re-unite with their parents or caregivers in the NY area.
- **Project Independence** provides independent living skills, training and services to young people with multiple traumas who are aging out of the foster care system.
- **SNUG** is an anti-violence program that works with area residents, businesses and community-based organizations to create strategies that will reduce gun violence in the Village of Hempstead.

- **Detention Diversion** provides family mediation and case management services to young people in an attempt to keep them from descending deeper into the juvenile justice system.

### Shelters:

- **Nassau Haven** is a 30-day emergency shelter for young people who are homeless or in crisis and in need of a place to live or rest.
- **Walkabout** is a transitional living program for formerly homeless youth (ages 16-20). It provides both residential and ongoing case management services in order to prepare them for independent living.

FCA is proud to report that this team provided services to 2,400 people and impacted an additional 460 people through direct community outreach and workshops in 2015. It is our hope that clients who participate in our programs will gain the skill sets necessary to become stronger and healthier.

Since education is key to breaking the cycle of poverty, FCA is proud of our career counselors whose mission is to help our clients obtain higher paying jobs. Walkabout residents earned a cumulative \$171,000 in 2015. Also in 2015, 59 young people were the recipients of FCA scholarships and are currently attending college or a vocational program.

The Preventive Division is especially proud of our **SNUG Program** (SNUG = guns backwards), which is dedicated to reducing and preventing shootings and killings in the Village of Hempstead. SNUG incorporates public education campaigns and cooperation with local law enforcement, including the Hempstead Police Department.

Based on a program developed in Chicago in the 90's, the Cure Violence Health Model has shown statistically significant reductions in violence. Funding for the FCA SNUG initiative is provided by NYS Division of Criminal Justice Services. SNUG is a collaborative partnership between FCA, the Nassau County District Attorney and the Hempstead Village Police Department.

### Selected Preventive Division Services Division Outcomes:

- Successfully kept 99% of the families served in our Family Ties and Family Support program intact.
- SNUG saw a 60% reduction in shooting incidents over the course of the year.
- 100% of the youth served at Walkabout acquired the skills needed to live independently.
- 76% of our Project Independence youth showed an improvement in independent living skills.

*In 2015, FCA's Behavioral Health Division helped nearly 2,000 people cope with a variety of issues, including substance use disorders, homelessness, and psychiatric disorders. Each member of the Behavioral Health Division has received specialized training in dealing with the specific problems faced by people of all ages living with these devastating challenges.*

## Behavioral Health Division

# PROVIDING HOPE FOR PEOPLE BATTLING ADDICTION OR BEHAVIORAL HEALTH CONCERNS

FCA's Behavioral Health Division works with adults and youth who are suffering with substance use disorders and behavioral health issues. We have assembled a team of specially-trained substance abuse counselors, psychiatrists, social workers and nurse practitioners whose mission is to help individuals, couples and families find a path to recovery.

It is important to understand that people living with substance use and behavioral health disorders recover more quickly when they receive the support of family and friends. For that reason, FCA reaches out to our clients' loved ones to keep them actively involved in recovery efforts. In addition, we provide respite and childcare to parents who become exhausted from the unrest at home and desperately need enhanced support.

The primary goal of the Behavioral Health Division is to help people living with mental health issues return to their homes and communities. We understand that these individuals and the people who love them are often frightened and overwhelmed. FCA believes that each one of our clients is entitled to compassionate care in a warm and nurturing environment.

In 2015, the Behavioral Health Division provided treatment to 1,740 people. Our message is clear—"FCA is here to help and support you during treatment. You are not alone—and there is hope."

### Programs Offered By the Behavioral Health Division:

- **Hempstead Family Treatment and Recovery and Hicksville Counseling Centers** - licensed outpatient chemical dependency treatment programs offering the continuum of individual and group treatment to help clients abstain from drug and alcohol use.
- **Home and Community Based Services (HCBS)** - provides home and community-based case management and supportive services for children

between the ages of 5-18 who face hospitalization due to an emotional disturbance.

- **Family Center** - Nassau and Suffolk - provides support to families whose children (ages 5-18) have received a diagnosis of Serious Emotional Disturbance.
- **Children's Case Management** - provides support services to children who are at-risk for psychiatric hospitalization or placement.
- **PINS Diversion (Persons In Need of Supervision)** - helps young people avoid entry into the juvenile justice system.
- **Family Mediation** - offers short-term counseling to youngsters and families experiencing conflict in the home.
- **West Nassau** - a 24-hour supervised community residence that serves adult men and women who suffer from mental illness. The residential program helps clients learn the skills necessary to move on to a more independent living environment.
- **Lakeview House** - a community residence for adolescents with severe emotional impairment who require a structured setting in the community.

The landscape of behavioral health services is rapidly changing, including a move toward Medicaid Managed Care, Health Homes and DSRIP (the Delivery System Reform Incentive Payment program). FCA has been monitoring these changes and, in 2015, signed an agreement with the **Hudson River HealthCare** Children's Health Home to be a Care Management Agency (projected to begin enrolling children in October 2016).

In anticipation of our role with the Health Home, FCA was awarded a contract from Nassau County to be the sole provider of **Children's Case Management** services for children between the ages of 5 and 18 who are diagnosed with SED (serious emotional disturbance). The addition of case management services has enhanced the continuity of care we are able to provide to children and families. In addition to offering three different levels of care for intensive in-home mental health services (**HCBS, Intensive** and **Supported Case Management**) for children, FCA is now considered to be the primary provider for Nassau County, both in the number of programs and the number of clients served.

#### Select Behavioral Health Division Outcomes

- Successfully kept 100% of the residents served at West Nassau out of expensive institutional care.
- 96% of our PINS Diversion clients were successfully diverted from family court involvement and out-of-home placement.
- 100% of our Family Center children remained at home with their families upon discharge from the program.
- 87% of the youth in our Lakeview community acquired the skills needed to improve their communication and ability to interact positively with others.

*The services FCA provides allow seniors to live independently and safely in their homes. The funding associated with these programs represents a fraction of the cost of providing seniors with avoidable institutional, long-term care.*

## Senior Division

# STRENGTH IN NUMBERS

Over 10,000 seniors were assisted in 2015. Those benefiting from FCA services can fill 3 ocean liner cruise ships.

The numbers are in, and they are staggering. In 2015, Nassau County was home to more than 300,000 seniors age 55 plus. Thanks to the variety of programs and services offered by FCA's Senior Division, more than 10,000 members of this vulnerable population (including those who are able to live at home and those who currently reside in adult, nursing or assisted living facilities) were served by FCA.

What that means is that 3.3% of Nassau County's senior population has been helped through our network of

services specifically designed to ensure their safety while maximizing their independence and improving their overall quality of life.

At the heart of the Senior Division is the understanding that the majority of seniors want to age in place and remain at home. They wish to live out their remaining years in a dignified manner feeling respected and hopeful.

### Programs offered by the Senior Division include:

**Senior Financial Counseling** - provides financial assistance, guidance and advocacy to help resolve debt, mortgage and tax issues.

**HIICAP (Health Insurance Information Counseling & Assistance Program)** - provides the latest health care options to seniors at no cost.

**Bill Payer** - provides monthly assistance to help visually impaired or physically challenged seniors organize and pay their bills to prevent harassment from creditors or shut-offs by utilities.

**CHEC (Counseling for Home Equity Conversion)** - offers a HUD-certified counselor to help seniors understand the reverse mortgage process.

**Case Management and In-Home Assistance Program (EISEP)** - provides help to seniors by connecting them with in-home services so they can remain safely and independently at home.

**Ombudservice** - engages trained volunteers who work as resident advocates for seniors living in nursing, adult and assisted living homes.

**SAFE and HEAP** - provide heating fuel to low-income seniors.

**Veterans Residence** - Provides permanent housing for up to eight honorably discharged veterans seeking quality, affordable, and substance-free accommodations in the community.

**Friendly Visitors** - Implemented in 2015 through the generosity of the Manhasset Community Fund's Greentree Foundation, senior residents from the Town of North Hempstead can be connected with a friendly visitor who pays a social visit for at least one hour weekly to address feelings of isolation and hopelessness. The program began with 23 matches and provided over 600 hours of socialization to isolated seniors.

As we look towards the future, FCA is committed to addressing issues of most concern to seniors as the population grows and becomes increasingly frail. Adding to this imperative is the knowledge that three out of every four people age 50 and over lack the funds to pay for long-term care expenses. We understand that community, home-based services are the most cost-effective way for us to assist the growing number of frail and isolated seniors.

On behalf of the 10,000 seniors whose lives are impacted by the programs and services we offer, FCA continues to search for more creative ways of keeping this fragile population happy and healthy.

In 2015, Family & Children's provided 18,200 gallons of home heating oil & gas to seniors, fueling over 22 homes for a full year.

Based on 2011 average annual Long-Island fuel consumption which was 800 gallons of oil, [www.ohill.org/oilheatinfo.php](http://www.ohill.org/oilheatinfo.php)

#### Select Senior Division Outcomes:

- 98% of seniors served in our case management program were able to remain in their homes.
- Senior Financial Services provided 565 seniors with financial assistance, guidance and advocacy to help resolve debt, mortgage and tax crises.
- Over 600 hours of socialization were provided to the elderly by FCA's Friendly Visitor volunteers.

Here is a letter from a grateful daughter who found help, direction and support for her father from FCA's Senior Division:

*"Just wanted to let you know I contacted your office several months ago for help with my father. My sister and I were very overwhelmed with trying to help him. We contacted Eileen and she was a wonderful help to us. She pointed us in the right direction when we were totally lost on what to do. She was very knowledgeable and really helped us a lot. She checked in with us periodically to see how everything was going and to see if we needed any more help. She was a big help when we needed it and it is very much appreciated."*

*"I started attending Project Independence meetings and became involved in all the activities that you had to offer. The counselors enhanced my life by letting me know that I was worthy of love and support. They encouraged me to take advantage of every opportunity that was open to me and to give myself the chance to succeed. I attended meetings and parties and was even invited to speak at your Thanksgiving Ball in an effort to coax me out of my shell. "The system" that oversees children in foster care is very cold, but the counselors at Project Independence were warm, loving and turned out to be not a replacement of my foster family but an additional family that cared about me. Being in your program felt like a sigh of relief."*

The mission of Family and Children's Association (FCA) is to protect and strengthen Long Island's children, families and communities. We offer assistance to those who are experiencing social, emotional and/or economic difficulties through comprehensive and integrated services ranging from early childhood intervention and preventive care to services for senior citizens – all designed to encourage self-sufficiency whenever possible. FCA is committed to providing high quality, professional care through a continuum of in-home, residential, and community-based programs, which are individualized, strength-based and culturally competent. For over 130 years, we have served Long Island by rising to meet the needs and challenges of its most vulnerable population through an integrated network of services that care for children, youth, adults, seniors, and families. FCA is recognized as a model of excellence; fiscally sound, well-managed, and possessing an impeccable reputation for providing community-based social services. FCA programs touch the lives of more than 20,000 Long Island residents each year through the efforts of over 300 staff members, 200 individual volunteers, corporate groups, community groups and sponsors who join with us to become something bigger than themselves.

In a single year, as a result of the work of FCA more than 8,700 seniors remained safely in their homes, 1,100 individuals with drug or alcohol problems were helped to overcome their addictions, more than 3,000 families received services to protect and improve the safety and wellness of their children, nearly 1,000 children received educational support services to succeed in school, and 1,400 teenagers received counseling, independent living skills, counseling, case management or emergency housing. Wholly committed to continuous quality improvement, every one of FCA's programs measures outcomes to assess effectiveness, and solicits the input and opinions of the people who benefit from our services. These services are, client-focused and consumer-driven by design and community feedback is vital to our success.

Robert Cleary  
Director of Procurement Compliance  
Nassau County  
1550 Franklin Avenue, Room 225  
Mineola, NY 11501

Dear Mr. Cleary:

I understand you have been in touch with Dr. Reynolds regarding FCA's submission of Principal Questionnaires for board members, including myself, and that you have requested a letter from me detailing our rationale for submitting forms from agency management rather than volunteer Trustees.

FCA's board does not routinely review, accept, negotiate or reject contracts with Nassau County, nor do board members benefit financially in any way from their association with FCA. All contract decisions rest with management - specifically with Dr. Reynolds - who acts as both as President *and* CEO. While smaller nonprofits may ask their boards to vote on contracts, we do not do so here at FCA as our board meets quarterly and as you may know, we contract with multiple municipalities and we maintain dozens of contracts per year. Board approvals would be time-consuming, we couldn't do them in a timely way and our overall focus is on agency governance.

We have submitted updated forms for Dr. Reynolds, Mary Ann Vassallo, FCA's Chief Financial Officer and Lisa Burch, FCA's Chief Operating Officer, which gives you disclosure from an executive perspective, a financial perspective and in Ms. Burch's case, from a programmatic perspective. These are also the three highest compensated individuals within the organization and the team that has input into decisions about contracts. It's also important to note that FCA has been doing business with Nassau County for more than 40 years without incident and agency management is always the conduit with elected and appointed officials.

We are a little surprised that our board would be asked to submit these forms as we are community volunteers who ironically, are often called upon to donate funds to FCA to support chronically underfunded programs and to make contributions during the first quarter of the year when county payments are slow.

Our board has discussed this matter at length, directed Dr. Reynolds to respond accordingly and I hope the forms we have submitted on behalf of FCA will suffice. Please let me know if you have additional questions or require more information.

Sincerely,

Drew Crowley  
Chair, Board of Trustees

The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance Upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. a) The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) Reporting Requirements: The parties acknowledge that quarterly reports shall be submitted to the County and the Division within 30 calendar days of the end of the quarter for which they are due. A final cumulative program report, including both quarterly and year end cumulative program data, shall be submitted to the Division, within 30 calendar days following the ending term or termination of this agreement, whichever is sooner. These reports shall be progress reports and shall include cumulative quantitative and qualitative data relative to the outlined program objectives and the program's general operations.

In addition, the Contractor shall provide on Division supplied case monitoring forms client specific data as called for and delineated with these forms. Completed case monitoring forms shall be submitted for terminated clients with thirty calendar days after termination to the Division and the County.

Any delays, changes in the project status, staffing or program elements will be included with the progress reports. County and the Division reserve the right to request additional information in program reports whenever it deems appropriate or necessary.

The Contractor agrees to promptly notify the County and the Division of any unusual incidents involving the program, its clients or staff.

c) Provisions for Additional Reports. The above described reports shall not be construed as relieving the Contractor from any obligations to submit to the County any and all required Fiscal Cost reports. Further, County continues to reserve the right to request from the Contractor additional reporting material, both fiscal and programmatic, as it may deem necessary.

13. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

## Appendix EE

### Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Dear Mr. Cleary:

I understand you have been in touch with Dr. Reynolds regarding FCA's submission of Principal Questionnaires for board members, including myself, and that you have requested a letter from me detailing our rationale for submitting forms from agency management rather than volunteer Trustees.

FCA's board does not routinely review, accept, negotiate or reject contracts with Nassau County, nor do board members benefit financially in any way from their association with FCA. All contract decisions rest with management - specifically with Dr. Reynolds - who acts as both as President *and* CEO. While smaller nonprofits may ask their boards to vote on contracts, we do not do so here at FCA as our board meets quarterly and as you may know, we contract with multiple municipalities and we maintain dozens of contracts per year. Board approvals would be time-consuming, we couldn't do them in a timely way and our overall focus is on agency governance.

We have submitted updated forms for Dr. Reynolds, Mary Ann Vassallo, FCA's Chief Financial Officer and Lisa Burch, FCA's Chief Operating Officer, which gives you disclosure from an executive perspective, a financial perspective and in Ms. Burch's case, from a programmatic perspective. These are also the three highest compensated individuals within the organization and the team that has input into decisions about contracts. It's also important to note that FCA has been doing business with Nassau County for more than 40 years without incident and agency management is always the conduit with elected and appointed officials.

We are a little surprised that our board would be asked to submit these forms as we are community volunteers who ironically, are often called upon to donate funds to FCA to support chronically underfunded programs and to make contributions during the first quarter of the year when county payments are slow.

Our board has discussed this matter at length, directed Dr. Reynolds to respond accordingly and I hope the forms we have submitted on behalf of FCA will suffice. Please let me know if you have additional questions or require more information.

Sincerely,

Drew Crowley  
Chair, Board of Trustees

## OUR MISSION PROTECT & STRENGTHEN

Family & Children's is dedicated to protecting and strengthening Long Island's most vulnerable children, youth, seniors, veterans, families and communities. We offer assistance to those who are experiencing social, emotional and economic challenges.

Dear Friends of FCA,

On behalf of our Board of Trustees, dedicated staff and loyal volunteers, we are proud to present you with our 2015 Annual Report. Though it's almost impossible to capture a year's worth of work in a few pages, paragraphs and pictures, we've included some highlights, client stories and key performance indicators that help tell our story.

We continued our agency re-organization in 2015, expanded our leadership team, launched several new programs and fulfilled a promise to Long Islanders we first made more than 130 years ago.

The nonprofit sector is in the midst of incredible turmoil and behavioral health, in particular, is undergoing significant changes in both its financing and service delivery. Here at FCA, we're embracing these changes, positioning ourselves for success and creating new partnerships that will produce measurable, sustained results for our region's most vulnerable populations.

With renewed financial stability, an incredibly gifted team and a laser-focused commitment to excellence we will soon unveil *FCA 2020*, a comprehensive blueprint for our continued progress as one of Long Island's largest nonprofits. We are thrilled that you've been part of our historic success and even happier to call you family.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Reynolds", written over a light background.

In 2015, Family and Children's Association (FCA) and The Long Island Council on Alcoholism and Drug Dependence (LICADD) entered into a strategic partnership that will consolidate administrative functions, reduce operating expenses and most importantly, create a seamless continuum of care for individuals and families struggling with addiction. Under the new arrangement, LICADD has become an affiliate of FCA.

Together, the agencies now offer a full array of addiction services ranging from school-based prevention programs, to mental health/substance abuse screenings, to brief interventions and NYS-licensed outpatient treatment, to recovery support and relapse prevention. Additional services offered by the agencies include: youth mentoring, services for military veterans, children's mental health services, transitional housing and professional continuing education programs.

Under the formal agreement, LICADD will retain its identity, its 501 (c) 3 nonprofit status and existing programs for the foreseeable future. FCA will help the agency manage staff, finances, existing grants and new opportunities in the rapidly evolving behavioral health marketplace.

*FCA President/CEO Dr. Jeffrey Reynolds and LICADD Executive Director Steve Chassman, along with Nassau County District Attorney Madeline Singas and NYS Assemblyman Joseph Saladiño, recently participated in a press conference hosted by Senator Kirsten Gillibrand discussing the need for stricter guidelines regarding opioid prescriptions.*

# MEETING OUR GREATEST CHALLENGES

For more than 130 years, FCA has offered help and hope to millions of Long Island's most vulnerable men, women and children by providing vital services such as career counseling, education, support services and housing, to name a few.

It's all over the news... Long Island has been plagued by a staggering number of deaths tied to substance use disorders. Latest estimates indicate a record 442 people died from opiate overdoses on Long Island in the past year.

Add to that the problems faced by an aging population. In Nassau County alone, there are about 300,000 people who are age 55-plus. Failing health is just one of the problems faced by our senior population. Other factors such as declining mental abilities, change in economic status, lack of transportation, financial scams, utility shut-offs, and possible homelessness create a bleak picture.

The good news is that FCA has streamlined its operations to better serve runaway teens, homeless youth, at-risk students, veterans, families in crisis, seniors, and the working poor. We offer a variety of life-changing programs that fall into one of our three main divisions: Preventive Services, Senior Services, and Behavioral Health.

**In 2015 FCA helped over 20,000 people, enough to fill Carnegie Hall 5 1/2 times!**

It is our hope that you will take a moment to learn more about the programs offered by FCA. You might even consider volunteering or making a financial contribution. After reading about the work we do, you might wish to help a friend or loved one take the first step towards recovery or renewal.

Our goal is to provide help and hope to those who need us the most...won't you join us? Please read on to learn more...

Here is a letter from a grateful mother who found care for her toddlers while caring for a sick infant through the Nursery Co-Op program within FCA's Behavioral Health Division:

*"After giving birth to my third child, my joy quickly turned to fear when I was told that my new baby would require multiple surgeries to correct a birth defect. Thankfully, the Nursery Co-op was there to care for my toddlers while I went back and forth to the hospital with my infant. I can't express how grateful I am for the help and knowing that they were being well cared for while my husband went to work and I navigated the frightening world of medicine. I'm happy to report that our baby had several surgeries and is doing much better. I don't know where we would be if it weren't for your help and support."*

*FCA's Preventive Services Division provides safety-net programs to children and families who are at risk, homeless or struggling with a host of difficulties including substance use disorder, mental health trauma, domestic violence or chronic poverty. As change agents, the staff of FCA empower our youth and families in their decision-making abilities and help them develop the skills needed to live independently, often breaking multigenerational cycles of poverty and neglect.*

## Preventive Services Division

# EMPOWERING WITH HOPE AND PURPOSE

At FCA, we understand that the challenges placed on families may seem insurmountable....substance abuse, violence, financial instability and homelessness. That is why we have made it our sole mission to support children, young adults and families who are vulnerable, homeless, experimenting with drugs and alcohol and/or are at high-risk for developing behavioral health issues.

Although the programs and services of the Preventive Services Division are varied, the goals are the same—to empower disenfranchised youth and their families with a sense of hope and purpose and to help them on the road towards self-sufficiency and independence.

The Preventive Services Division consists of 8 programs, including 2 residential shelters for runaway and homeless youth.

### Programs Offered By the Preventive Division:

- **Family Support** protects at-risk children who face foster care by strengthening their parents' ability to care for them safely at home.
- **PACT** (Parents and Children Together) provides education to pregnant and parenting teens; many of whom speak English as second language.
- **STARS** (Safe Transitions and Reunification Services) helps unaccompanied minors who have fled life threatening circumstances from their countries of origin to re-unite with their parents or caregivers in the NY area.
- **Project Independence** provides independent living skills, training and services to young people with multiple traumas who are aging out of the foster care system.
- **SNUG** is an anti-violence program that works with area residents, businesses and community-based organizations to create strategies that will reduce gun violence in the Village of Hempstead.

- **Detention Diversion** provides family mediation and case management services to young people in an attempt to keep them from descending deeper into the juvenile justice system.

#### Shelters:

- **Nassau Haven** is a 30-day emergency shelter for young people who are homeless or in crisis and in need of a place to live or rest.
- **Walkabout** is a transitional living program for formerly homeless youth (ages 16-20). It provides both residential and ongoing case management services in order to prepare them for independent living.

FCA is proud to report that this team provided services to 2,400 people and impacted an additional 460 people through direct community outreach and workshops in 2015. It is our hope that clients who participate in our programs will gain the skill sets necessary to become stronger and healthier.

Since education is key to breaking the cycle of poverty, FCA is proud of our career counselors whose mission is to help our clients obtain higher paying jobs. Walkabout residents earned a cumulative \$171,000 in 2015. Also in 2015, 59 young people were the recipients of FCA scholarships and are currently attending college or a vocational program.

The Preventive Division is especially proud of our **SNUG Program** (SNUG = guns backwards), which is dedicated to reducing and preventing shootings and killings in the Village of Hempstead. SNUG incorporates public education campaigns and cooperation with local law enforcement, including the Hempstead Police Department.

Based on a program developed in Chicago in the 90's, the Cure Violence Health Model has shown statistically significant reductions in violence. Funding for the FCA SNUG initiative is provided by NYS Division of Criminal Justice Services. SNUG is a collaborative partnership between FCA, the Nassau County District Attorney and the Hempstead Village Police Department.

#### Select Preventive Services Division Outcomes:

- Successfully kept 99% of the families served in our Family Ties and Family Support program intact.
- SNUG saw a 60% reduction in shooting incidents over the course of the year.
- 100% of the youth served at Walkabout acquired the skills needed to live independently.
- 76% of our Project Independence youth showed an improvement in independent living skills.

*In 2015, FCA's Behavioral Health Division helped nearly 2,000 people cope with a variety of issues, including substance use disorders, homelessness, and psychiatric disorders. Each member of the Behavioral Health Division has received specialized training in dealing with the specific problems faced by people of all ages living with these devastating challenges.*

## **Behavioral Health Division**

# **PROVIDING HOPE FOR PEOPLE BATTLING ADDICTION OR BEHAVIORAL HEALTH CONCERNS**

FCA's Behavioral Health Division works with adults and youth who are suffering with substance use disorders and behavioral health issues. We have assembled a team of specially-trained substance abuse counselors, psychiatrists, social workers and nurse practitioners whose mission is to help individuals, couples and families find a path to recovery.

It is important to understand that people living with substance use and behavioral health disorders recover more quickly when they receive the support of family and friends. For that reason, FCA reaches out to our clients' loved ones to keep them actively involved in recovery efforts. In addition, we provide respite and childcare to parents who become exhausted from the unrest at home and desperately need enhanced support.

The primary goal of the Behavioral Health Division is to help people living with mental health issues return to their homes and communities. We understand that these individuals and the people who love them are often frightened and overwhelmed. FCA believes that each one of our clients is entitled to compassionate care in a warm and nurturing environment.

In 2015, the Behavioral Health Division provided treatment to 1,740 people. Our message is clear—"FCA is here to help and support you during treatment. You are not alone—and there is hope."

### **Programs Offered By the Behavioral Health Division:**

- **Hempstead Family Treatment and Recovery and Hicksville Counseling Centers** - licensed outpatient chemical dependency treatment programs offering the continuum of individual and group treatment to help clients abstain from drug and alcohol use.
- **Home and Community Based Services (HCBS)** - provides home and community-based case management and supportive services for children

between the ages of 5-18 who face hospitalization due to an emotional disturbance.

- **Family Center** - Nassau and Suffolk - provides support to families whose children (ages 5-18) have received a diagnosis of Serious Emotional Disturbance.
- **Children's Case Management** - provides support services to children who are at-risk for psychiatric hospitalization or placement.
- **PINS Diversion (Persons in Need of Supervision)** - helps young people avoid entry into the juvenile justice system.
- **Family Mediation** - offers short-term counseling to youngsters and families experiencing conflict in the home.
- **West Nassau** - a 24-hour supervised community residence that serves adult men and women who suffer from mental illness. The residential program helps clients learn the skills necessary to move on to a more independent living environment.
- **Lakeview House** - a community residence for adolescents with severe emotional impairment who require a structured setting in the community.

The landscape of behavioral health services is rapidly changing, including a move toward Medicaid Managed Care, Health Homes and DSRIP (the Delivery System Reform Incentive Payment program). FCA has been monitoring these changes and, in 2015, signed an agreement with the **Hudson River HealthCare** Children's Health Home to be a Care Management Agency (projected to begin enrolling children in October 2016).

In anticipation of our role with the Health Home, FCA was awarded a contract from Nassau County to be the sole provider of **Children's Case Management** services for children between the ages of 5 and 18 who are diagnosed with SED (serious emotional disturbance). The addition of case management services has enhanced the continuity of care we are able to provide to children and families. In addition to offering three different levels of care for intensive in-home mental health services (**HCBS, Intensive** and **Supported Case Management**) for children, FCA is now considered to be the primary provider for Nassau County, both in the number of programs and the number of clients served.

#### Selected Behavioral Health Division Outcomes:

- Successfully kept 100% of the residents served at West Nassau out of expensive institutional care.
- 96% of our PINS Diversion clients were successfully diverted from family court involvement and out-of-home placement.
- 100% of our Family Center children remained at home with their families upon discharge from the program.
- 87% of the youth in our Lakeview community acquired the skills needed to improve their communication and ability to interact positively with others.

*The services FCA provides allow seniors to live independently and safely in their homes. The funding associated with these programs represents a fraction of the cost of providing seniors with avoidable institutional, long-term care.*

## Senior Division

# STRENGTH IN NUMBERS

Over 10,000 seniors were assisted in 2015. Those benefiting from FCA services can fill 3 ocean liner cruise ships.

The numbers are in, and they are staggering. In 2015, Nassau County was home to more than 300,000 seniors age 55 plus. Thanks to the variety of programs and services offered by FCA's Senior Division, more than 10,000 members of this vulnerable population (including those who are able to live at home and those who currently reside in adult, nursing or assisted living facilities) were served by FCA.

What that means is that 3.3% of Nassau County's senior population has been helped through our network of

services specifically designed to ensure their safety while maximizing their independence and improving their overall quality of life.

At the heart of the Senior Division is the understanding that the majority of seniors want to age in place and remain at home. They wish to live out their remaining years in a dignified manner feeling respected and hopeful.

### Programs offered by the Senior Division include:

**Senior Financial Counseling** - provides financial assistance, guidance and advocacy to help resolve debt, mortgage and tax issues.

**HIICAP (Health Insurance Information Counseling & Assistance Program)** - provides the latest health care options to seniors at no cost.

**Bill Payer** - provides monthly assistance to help visually impaired or physically challenged seniors organize and pay their bills to prevent harassment from creditors or shut-offs by utilities.

**CHEC (Counseling for Home Equity Conversion)** - offers a HUD-certified counselor to help seniors understand the reverse mortgage process.

**Case Management and In-Home Assistance Program (EISEP)** - provides help to seniors by connecting them with in-home services so they can remain safely and independently at home.

**Ombudservice** - engages trained volunteers who work as resident advocates for seniors living in nursing, adult and assisted living homes.

**SAFE and HEAP** - provide heating fuel to low-income seniors.

**Veterans Residence** - Provides permanent housing for up to eight honorably discharged veterans seeking quality, affordable, and substance-free accommodations in the community.

**Friendly Visitors** - Implemented in 2015 through the generosity of the Manhasset Community Fund's Greentree Foundation, senior residents from the Town of North Hempstead can be connected with a friendly visitor who pays a social visit for at least one hour weekly to address feelings of isolation and hopelessness. The program began with 23 matches and provided over 600 hours of socialization to isolated seniors.

As we look towards the future, FCA is committed to addressing issues of most concern to seniors as the population grows and becomes increasingly frail. Adding to this imperative is the knowledge that three out of every four people age 50 and over lack the funds to pay for long-term care expenses. We understand that community, home-based services are the most cost-effective way for us to assist the growing number of frail and isolated seniors.

On behalf of the 10,000 seniors whose lives are impacted by the programs and services we offer, FCA continues to search for more creative ways of keeping this fragile population happy and healthy.

Based on 2011 average annual Long-Island fuel consumption which was 800 gallons of oil. [www.ohill.org/oilheatinfo.php](http://www.ohill.org/oilheatinfo.php)

#### Select Senior Division Outcomes

- 98% of seniors served in our case management program were able to remain in their homes.
- Senior Financial Services provided 565 seniors with financial assistance, guidance and advocacy to help resolve debt, mortgage and tax crises.
- Over 600 hours of socialization were provided to the elderly by FCA's Friendly Visitor volunteers.

Here is a letter from a grateful daughter who found help, direction and support for her father from FCA's Senior Division:

*"Just wanted to let you know I contacted your office several months ago for help with my father. My sister and I were very overwhelmed with trying to help him. We contacted Eileen and she was a wonderful help to us. She pointed us in the right direction when we were totally lost as to what to do. She was very knowledgeable and really helped us a lot. She checked in with us periodically to see how everything was going and to see if we needed any more help. She was a big help when we needed it and it is very much appreciated."*

I attended meetings and parties and was even invited to speak at your Thanksgiving Ball in an effort to coax me out of my shell. The mission of Family and Children's Association (FCA) is to protect and strengthen Long Island's children, families and communities. We offer assistance to those who are experiencing social, emotional and/or economic difficulties through comprehensive and integrated services ranging from early childhood intervention and preventive care to services for senior citizens -- all designed to encourage self-sufficiency whenever possible. FCA is committed to providing high quality, professional care through a continuum of in-home, residential, and community-based programs, which are individualized, strength-based and culturally competent. (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance Upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. a) The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) Reporting Requirements: The parties acknowledge that quarterly reports shall be submitted to the County and the Division within 30 calendar days of the end of the quarter for which they are due. A final cumulative program report, including both quarterly and year end cumulative program data, shall be submitted to the Division, within 30 calendar days following the ending term or termination of this agreement, whichever is sooner. These reports shall be progress reports and shall include cumulative quantitative and qualitative data relative to the outlined program objectives and the program's general operations.

In addition, the Contractor shall provide on Division supplied case monitoring forms client specific data as called for and delineated with these forms. Completed case monitoring forms shall be submitted for terminated clients with thirty calendar days after termination to the Division and the County.

Any delays, changes in the project status, staffing or program elements will be included with the progress reports. County and the Division reserve the right to request additional information in program reports whenever it deems appropriate or necessary.

The Contractor agrees to promptly notify the County and the Division of any unusual incidents involving the program, its clients or staff.

c) Provisions for Additional Reports. The above described reports shall not be construed as relieving the Contractor from any obligations to submit to the County any and all required Fiscal Cost reports. Further, County continues to reserve the right to request from the Contractor additional reporting material, both fiscal and programmatic, as it may deem necessary.

13. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

## Appendix EE

### Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE

deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

14. **Work Performance Liability.** The Contractor is and shall remain primarily liable for the successful completion of all work in accordance with this Agreement irrespective of whether the Contractor uses a Contractor Agent to perform some or all of

If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable; the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. **Appendix EE**  
**Equal Employment Opportunities for Minorities and Women**

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is

used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

FEDERAL TAX ID #: 11-2215346

---

**Instructions:** Please check the appropriate box ("☑") after one of the following roman numerals, and provide all the requested information.

**I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids.** The contract was awarded after a request for sealed bids was published in Newsday [newspaper] on October 28, 2015 [date]. The sealed bids were publicly opened on December 1, 2015 [date]. Two (2) [#] of sealed bids were received and opened.

**II. ☐ The contractor was selected pursuant to a Request for Proposals.**

The Contract was entered into after a written request for proposals was issued on \_\_\_\_\_ [date]. Potential proposers were made aware of the availability of the RFP by advertisement in \_\_\_\_\_ [newspaper], posting on industry websites, via email to interested parties and by publication on the County procurement website. Proposals were due on \_\_\_\_\_ [date]. \_\_\_\_\_ [state #] proposals were received and evaluated. The evaluation committee consisted of: \_\_\_\_\_

\_\_\_\_\_ (list # of persons on committee and their respective departments). The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

**III. ☐ This is a renewal, extension or amendment of an existing contract.**

The contract was originally executed by Nassau County on \_\_\_\_\_ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after \_\_\_\_\_

\_\_\_\_\_[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

**V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. \_\_\_\_\_, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

- ☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

**VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated.** Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☒ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

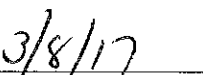

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☒ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

**X. ☐ Vendor will not require any sub-contractors.**

**In addition, if this is a contract with an individual or with an entity that has only one or two employees:** ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41*, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a

#### **B. Division B - Detailed Design Services**

Upon County approval of the technical design reports, the Firm agrees to perform all the usual and necessary design services in connection with the preparation of detailed contract drawings, specifications and estimates for the Glen Cove Wastewater Treatment Plant Preliminary Treatment Improvements suitable for public bidding as a single project.

The contract drawings shall be prepared in an AutoCAD release acceptable to the County. The Firm shall furnish the contract drawings on CD-ROM. In all circumstances, the hard copy of any such plans and drawings shall be relied on by the County, and shall control in the event of any conflict or discrepancies.

The Firm shall furnish bid plans and master specification book in \*.PDF format; as well as eight (8) hard copies of each full-size drawings and specification book, to the County in order that necessary reproductions and copies of the same may be prepared by the County.

During the preparation of these documents the Firm shall perform the following services:

1. Submit preliminary (40% design completion), draft bid (75% design completion) and pre-bid (100% design completion) plans and specifications for County review (maximum six [6] sets for each) and approval.
2. Attend review meetings on the average of twice per month in order to review job progress and to resolve design and other questions. A representative of the Firm will prepare draft and final minutes of each meeting and after County approval distribute final minutes to all attendees.
3. Submit three (3) copies of a draft detailed construction cost estimate (at 40% design completion) and three (3) copies of a final detailed construction cost estimate (at 75% and 100% design completion). The cost estimate will have a breakdown by CSI division for each cost item in the estimate.
4. Prepare and submit the necessary Environmental Impact Forms.
5. Prepare permit applications, reports or submittals required by other agencies having jurisdiction. This work task will not be considered complete until it culminates in a permit or pre/post design approval by the appropriate agency or agencies. The Firm must be aware of the latest applicable codes and agency procedural requirements in order to expeditiously complete this design task. Correspondence shall be submitted directly to the agency for review/approval with at least two copies to the County, unless otherwise directed.   - b. Nassau County agencies – Fire Marshall and/or Health Department
  - c. Other Local agencies (Towns, Villages...)
6. Submit written responses to all County review comments.
7. Review the County's Master Project Labor Agreement and undertake a feasibility study to determine whether it would be in the County's best interest to incorporate this project under the terms of the PLA, and if warranted, prepare the addendum to add the project to the PLA and subsequently oversee the execution of the same by the responsible parties.
8. Make periodic site visits as necessary for a complete understanding of the system operation.

The Firm is responsible for obtaining construction budget information from the County.

In preparing the contract specifications, the County shall furnish the Firm with a copy of the standard contract "Front End" consisting of the Notice to Bidders, Instructions to Bidders, Agreement and General Conditions. The Proposal Forms, Special Conditions (Division 1) and all other sections of the technical specifications shall be developed by the Firm. **D. Division D - Facility Operation and Maintenance Manual**

Under this division of work, the Firm shall update the pertinent sections of the existing sections of the Glen Cove WTP Operation and Maintenance Manual ("O&M Manual") using the EPA Publication, "Considerations for preparation of Operation and Maintenance Manuals (EPA-430/9-74001)" as a guideline.

The O&M Manual provides a detailed description of the treatment facilities, process control strategies, start-up and shutdown procedures, laboratory test procedures, emergency response procedures, safety guidelines, troubleshooting procedures, equipment preventive maintenance schedules as well as process flow schematics, isometric figures, cross section and plan diagrams, valve schedules, single line diagrams, and miscellaneous tables.

The completion of the appropriate O&M Manual sections will coincide with each segment of construction. A draft version of the O&M manual sections will be submitted for county review and approval prior to payment for the 90% completion point in construction. A final version of the O&M manual sections will be submitted for County review and approval at the 100% construction completion point to incorporate issues learned during startup. The final O&M manual sections will be supplemented with cataloged and bound copies of the approved equipment manufacturers' O&M Manuals.

Six (6) copies of the draft O&M Manual Sections will be submitted for County review. Two (2) copies of the electronic files (both text and graphics) used to produce the manuals will be turned over to the County. In addition, two (2) hard copies (bound) of the final O&M Manual Sections will be submitted for County review and approval. The County requires compatibility of software as described in the subsequent paragraph.

Add/remove equipment associated with this project on the Plant's Equipment Asset Inventory database.

Two (2) additional copies of the SOP's shall be included in the appropriate O&M Manual. Copies of the electronic files (both text and graphics) used to produce the SOP's will be turned over to the County. The software is to be compatible with existing County software and if not, the Firm will supply additional copies to the County.

#### **E. Division E - Facility Start-Up, Staffing and Training Services**

Under this division of work the Firm shall provide the following services:

1. Start-Up Services.
  - a. The Firm shall conduct start-up services during construction and shall continue until initiation of the one (1) year project performance period. The following detailed breakdown delineates the specific elements of the services associated with the Preliminary Treatment Improvements Project.
  - b. Scheduling. The Firm, in conjunction with the County, shall develop an overall start-up sequencing schedule that will define in detail significant start-up activities. The overall start-up sequencing schedule shall be coordinated with the County and Construction Contractors and updated as necessary.
  - c. Start-Up Assistance. The Firm shall provide expert on-site start-up assistance prior to and during initial flow-through for the process units. Start-up assistance during the first year of operation will be provided on a reasonable "on-call" basis for troubleshooting, debugging, cost-effective process optimization, and general startup supervision. Services to be provided include:
    - i. Strategic Start-Up Plan. This plan is designed to delineate major and minor events expected when placing into operation equipment installed in connection with the Influent Screens Facility Improvements. The Start-up Plan shall identify specific plant components and unit processes that will affect each other and establish a network of related steps that will lead to a logical and smooth start-up. The strategic Start-up Plan shall also define the roles and responsibilities of the participants (County, Firm and construction Firms). This plan shall be reviewed with the County. Emphasis throughout the start-up will be on the O&M responsibilities of the plant staff to ensure protection of equipment warranties.
    - ii. Establish Process Parameters. The Firm shall review the process design and process operational parameters and establish start-up procedures for each unit process. Start-up procedures shall contain complete information pertaining to control of the equipment and process trains associated with the Preliminary Treatment Improvements Project.
    - iii. Checklists, Logs, Records and Reports. Although various checklists and plant operating logs are in use, the Firm shall, if necessary, upgrade the system by reviewing existing shift checklists, operating logs, records and reports for all processes affected by the inclusion of the Influent Screens Facility Improvements. The Firm shall provide recommendations for

upgrading existing record-keeping, checklists and logs for all components associated with these systems and develop new checklists and logs for new or modified plant processes.

- iv. Troubleshooting and Debugging. It is anticipated that equipment problems will arise during and following start-up. The Firm shall provide assistance to address problems encountered by the County during the project performance period, analyze these problems and develop solutions that will minimize the overall effects on plant personnel and processes.
- v. Process Optimization. The Firm shall provide operations start-up assistance to ensure that steps are taken to adjust and "fine tune" the processes and associated equipment once they have been started up and stabilized.

## 2. Training Services.

- a. The Firm, in conjunction with the County, shall assist in the coordination of manufacturer's training for all new components of the Preliminary Treatment Improvements Project. This training shall be geared toward the following areas:
  - i. Process theory/process control.
  - ii. Mechanical, electrical, instrumentation and HVAC component function and interface.
  - iii. Preventative/corrective maintenance.
  - iv. Safety.
  - v. Laboratory training.
  - vi. "Hands-on" training.
- b. This training shall be coordinated with the County's on-going training program. Any materials developed shall be turned over to the County for future use and reference.
- c. General training shall be given during the construction period prior to start-up. Supplemental training, if deemed necessary by the County as a result of process modifications during the one-year performance period, shall be provided by the Firm and given prior to the conclusion of the one-year performance period, and shall incorporate any adjustments in the process resulting from operational experience.

## 3. One (1) Year Project Operating Report.

- a. The Firm shall monitor the performance of the facilities installed for the first year of operation and provide documentation to report on the capability of the project of meeting the overall performance criteria. One (1) year after the initiation of operation of the systems, the Firm shall prepare an evaluation of the Preliminary Treatment Improvements Project for review and acceptance by the County, if required by the Commissioner. In the event that the improvements do not operate as planned, a report defining the problem and corrective work necessary will be prepared.

**EXHIBIT B**  
**PAYMENT SCHEDULE**  
**Glen Cove Wastewater Treatment Plant**  
**Preliminary Treatment Improvements**

Payment to the Firm for all services as outlined in "Exhibit A," including any extra services that may be authorized under this Agreement, shall be made as follows:

Technical Design Report (Division A) - The Firm shall be paid a total lump sum amount of \$66,000 to cover all costs associated with Division A work, as outlined in Section A of Exhibit A.

**Detailed Design (Division B) & Construction Related Services (Division C, D & E)**

Detailed Design (Division B) & Construction Related services (Division C, D & E) – The Contractor shall be paid a fee equal to a percentage of the net total cost of construction, exclusive of Extra Services and Reimbursable expenses, to cover all costs associated with all work to complete divisions B, C, D, and E as outlined in the appropriate sections of Exhibit A. The design percentage fee for each construction contract prepared will be determined by a straight line interpolation between the limits of the construction cost delineated as follows:

Net Construction Cost	Design Fee Percentage
\$9,000,000.00 and above	5.5 %
\$ 7,500,000.00	6.0%
\$ 6,000,000.00	6.5%
\$ 4,500,000.00	7.5 %
\$ 3,000,000.00 and below	8.0 %

An initial estimated construction cost of **\$6,000,000.00** will be used as the basis for progress payments. Interim adjustments to the estimated construction costs, as mutually agreed upon by the parties with the approval of the Commissioner, shall be used to determine the payments to the Firm.

Until the construction cost is established by the award of the construction contract(s), the Firm's design fee percentage shall be based upon the latest approved construction cost estimate. The design fee percentage shall be used as a basis of computing partial payments to the Firm during the progress of the work. When the actual cost of construction is determined, the total amount paid to the Firm under these Divisions of work shall be adjusted based upon such final cost of construction, and any overpayment or underpayment of design fees shall be adjusted accordingly.

For the remainder of the design and construction phases, including the construction administration phase (Sections B, C, D & E), the Firm's fee shall be payable as follows:

Phase of Work	% of Fee
B. Detailed Design	45%
C. General Inspection Services	35%
D. Facility Operation and Maintenance Manual	10%
E. Facility Start-Up, Staffing and Training Services	10%

**Partial Payments:** The Firm's fee for services shall be paid in monthly installments. The amount of each partial monthly payment shall be determined by the portion of the Firm's work completed for each Division, as approved by the Commissioner.

**Overtime:** Payment vouchers which include overtime shall not be approved by the Department without the Firm having obtained prior written approval of the Department for such overtime. The premium pay for

overtime, above the straight hourly rate shall not be subject to any multiplier. In computing the cost to the County for overtime work performed, the overtime period shall be paid at the straight hourly rate times the applicable multiplier, plus the overtime premium cost incurred.

**Construction Costs:** It is agreed that the total cost of construction shall be the final total cost of the construction contract, including extra change order amounts, except that, in computing the cost of construction the following items shall not be included:

- a. Fees paid to the Firm, subcontractors or construction engineers, cost of land acquisition or legal fees and the cost of equipment purchased outside of the construction contracts.
- b. The cost for the disposal, if required, of contaminated soils resulting from the construction work.
- c. The cost of any and all change orders required by reason of the failure of the Firm to include such change order items in the contract documents, or by reason of errors made by the Firm in the preparation of the contract documents.
- d. Moneys paid by the County to a contractor or subcontractor by way of settlement or satisfaction of any claims or legal actions for delay brought against the County.
- e. Work for which the Firm has already been paid such as "Extra Work."

In the event the Firm's services result in change order "Credits" to the County, such credit amounts shall not be deducted from the final cost of construction. It is the intention of the parties that the Firm shall be compensated for services rendered, notwithstanding that such services may result in a change order credit which reduces the final cost of construction.

If in the further event the credit change order requires the Firm to perform additional services, then, subject to the approval of the Commissioner, the Firm shall be paid for such services pursuant to the subsection entitled "Extra Services or Additional Costs," herein.

If the total amount of the lowest responsible construction bids should exceed the final approved estimated construction cost by more than fifteen (15) percent, the County may require the Firm to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of the construction.

If the award of the construction contract(s) is not made prior to the expiration or termination of this Agreement, then with respect to payment for the Division B, C, D and E services, instead of being paid based on the total cost of construction as outlined above, the Firm shall be paid a fair and reasonable amount based on services actually rendered as mutually agreed by the Department and the Firm.

**Extra Services or Additional Costs:** If the Firm is required to perform extra services, or incurs additional expenses due to substantial changes ordered by the Department, which changes are not due to the fault or negligence of the Firm; the Firm shall be compensated for such extra expense and services. Payment terms for any additional services shall be as mutually agreed by the Department and Firm, as either a lump sum or based on actual salaries of personnel as stipulated herein, and as further defined below. Such extra services are to be provided only after written authorization by the Department.

- a. For any additional services to be paid on actual salaries the Firm shall be compensated for such extra services by an amount equal to two and seventy-five hundredths (2.75) times the actual salaries or wages paid to the technical personnel engaged in this phase of the work, exclusive of payroll taxes, insurance, and any and all fringe benefits. The Firm shall be compensated for such services performed by principals while engaging in a technical capacity in the project, based on the principal's hourly rate, times two and seventy-five hundredths (2.75), exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable

rate, after application of the multiplier, shall not exceed **one hundred seventy five dollars (\$175)** per hour.

- b. In the event that the County shall direct the Firm to supply a resident engineer or full time site representative during construction, the Firm shall be paid for such extra services an amount equal to two and three tenths (2.3) times the direct salaries of personnel assigned to such tasks, exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier, shall not exceed **one hundred seventy five dollars (\$175)** per hour.

## Appendix "EE"

### Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term “Best Efforts Checklist” shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term “County Contract” shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. As used in this Appendix EE the term “County Contractor” means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term “County Contractor” shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE “Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises” shall include, but is not limited to the following:

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor’s affidavit with a notary’s signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any

M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

**COUNTY OF NASSAU**  
**DEPARTMENT OF PUBLIC WORKS**  
**Inter-Departmental Memo**

**TO:** Office of the County Executive  
Att: Richard R. Walker, Chief Deputy County Executive

**FROM:** Department of Public Works

**DATE:** April 7, 2016

**SUBJECT:** Proposed Personal Services Agreement with H2M Architects + Engineers  
Recommendation of Firm for Detailed Design Services  
Glen Cove Wastewater Treatment Plant  
Preliminary Treatment Improvements  
Proposed Agreement No. S35114-13C

This Department intends to procure detailed design services regarding Preliminary Treatment Improvements at the Glen Cove Wastewater Treatment Plant. Major components of the project include the evaluation and assessment of influent processing equipment and influent building ventilation, in addition to related ancillary items such as lighting, alarms and communication systems.

A "Request for Proposals" was prepared in conformance with the Department's policy for assessing technical understanding, statement of qualification, and a proposed project schedule. The Request for Proposals was posted on the County's website and advertised in *Newsday*.

Technical and Cost Proposals were received from three (3) firms (listed below) on February 16, 2016. The Technical Proposals were evaluated by professionals from within the Department of Public Works. Following the review, the technical rank was established and the cost proposals were reviewed. The results of the technical evaluation are summarized below, along with each firm's total proposed design fee (based upon an estimated construction budget of \$6,000,000.00).

Firm Name	Tech Rank	Tech Rating	Proposed Design Fee Percentage	Total Design Fee (Div. A through E)	Total Design Fee with 30% Contingency
H2M	1	93.2	6.50%	\$456,000.00	\$592,800.00
D&B	2	89.6	6.95%	\$452,000.00	\$587,600.00
Cameron Engineering	3	88.6	7.90%	\$509,000.00	\$661,700.00

As evidenced by the table above, the proposal from H2M received the highest technical rating while submitting a fractionally higher proposed design fee than the firm technically ranked second. Accordingly, in our professional judgment, the proposal submitted by H2M, having the highest technical rating and proposing a reasonable cost, represents the best value to the County. Therefore, we recommend proceeding with a Personal Services Agreement with H2M for \$456,000.00 (\$592,800.00 with contingency) to provide detailed design services for this project.

The funding for these professional services is available under Capital Project 35114.

**Re: Glen Cove Wastewater Treatment Plant Preliminary Treatment Improvements  
M/WBE Subcontracting  
RFP No.: PW-S35114-13C**

Dear Commissioner Shah-Gavnoudias:

In line with our proposal for this above referenced project, H2M intends to self-perform the majority of the design and construction services work with our in house design professionals. As stated in our proposal, the necessary subcontract work anticipated to date is limited to: printing and reproduction, site survey/laser scanning of existing conditions, and hazardous materials (lead and asbestos) sampling and testing. This limited need for subcontracted work allows for approximately 10% M/WBE participation for this project. As the project progresses if other conditions arise that require the use of a subcontractor to meet the job design and construction services requirements, H2M will perform our due diligence search and consideration for the use of additional M/WBE subcontractors for this work in an effort to rise closer to the County desired 20% goal.

Thank you for considering H2M for this very important project. Please call me at (631) 756-8000 ext. 1012, should you have any questions or require additional information.

Very truly yours,

H2M architects + engineers

## Appendix EE

### Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term “County Contractor” means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor’s affidavit with a notary’s signature and stamp shall be required as part of the documentation.

- chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
  - d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
  - e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
  - f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
  - g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
  - h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
  - i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime

contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

**Instructions:** Please check the appropriate box ("X") after one of the following roman numerals, and provide all the requested information.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in \_\_\_\_\_ [newspaper] on \_\_\_\_\_ [date]. The sealed bids were publicly opened on \_\_\_\_\_ [date]. \_\_\_\_\_ [#] of sealed bids were received and opened.

**II. X The contractor was selected pursuant to a Request for Proposals.**

The Contract was entered into after a written request for proposals was issued on January 27, 2016. Potential proposers were made aware of the availability of the RFP by advertisement in the Legal Notices in Newsday, posting on industry websites, via email to interested parties and by publication on the County procurement website. Sixty-eight (68) of potential proposers were sent notice of the RFP, Nine (9) of potential proposers opened the documents and Two (2) accepted and requested copies of the RFP on the Nassau County website. Proposals were due on Wednesday, February 10, 2016. One (1) Proposal was submitted and evaluated for RFP. The evaluation committee consisted of: three (3) members of the Department of Parks, Recreation & Museums. The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected. NY TRAVEL MEDIA, LCC was awarded.

**III. ☐ This is a renewal, extension or amendment of an existing contract.**

The contract was originally executed by Nassau County on \_\_\_\_\_ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after \_\_\_\_\_

\_\_\_\_\_  
[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; OR:
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

**V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. \_\_\_\_\_, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

Instructions with respect to Sections VII, VIII and IX: All Departments must check the box for VII. Then, check either box Section VIII or IX, as applicable.

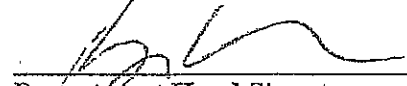

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. ☒ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☒ a review of the criteria set forth by the Internal Revenue Service, Revenue Ruling No. 87-41, 1987-1 CB. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

## Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is

used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

**STIPULATION OF SETTLEMENT AND DISCONTINUANCE**

1. This Stipulation of Settlement and Discontinuance (the "Agreement") of the above-entitled proceeding ("this Litigation") is entered into by and between the Petitioner, the People of the State of New York by Eric T. Schneiderman, Attorney General of the State of New York ("NYAG"), and Respondents Armor Correctional Health Medical Services of New York, Inc., P.C. and Armor Correctional Health Services of New York, Inc. (collectively, "Armor"), and, except to the extent limited by Paragraph 15, extends as well to anyone acting on Armor's behalf, including but not limited to Armor's principals, employees, agents, and/or assignees who are involved in the conduct of the business that is the subject of this Litigation, and to any parent, affiliate or successor corporation or other corporation purchasing Armor's assets, company, business entity or other entity that Armor may now or hereafter act or conduct business through that is the subject of this Litigation.

2. "Parties" means the NYAG and Armor, collectively and as defined herein.
3. This Court has jurisdiction over the subject matter of this Litigation and over all Parties. The Parties agree, for purposes of this Agreement, that venue is proper in New York County.
4. The terms of this Agreement shall be governed by the laws of the State of New York.
5. On or about July 12, 2016 the NYAG filed a Verified Petition (the "Petition") in the Supreme Court for the County of New York, naming Armor as Respondents, alleging violations of the New York State False Claims Act, N.Y. State Finance Law § 187 *et seq.*, N.Y. Executive Law § 63(12), and N.Y. Executive Law § 63-c.
6. Armor has denied these allegations and asserts that it has not violated any applicable laws, regulations, ordinances or legal or contractual obligations.
7. This Agreement reflects a negotiated agreement among the Parties.
8. The Parties have agreed to resolve the issues, claims and matters raised in the Petition and occurring through the date of the filing of the Litigation, by entering into this Agreement.
9. Neither Armor's performance of this Agreement nor the negotiations between the Parties surrounding the Agreement shall be considered an admission by Armor of any wrongdoing or liability of any kind.
10. This Agreement is not intended for use by any third party in any other action or proceeding and is not intended, and should not be construed as, an admission of wrongdoing or liability by Armor. The NYAG will not cite the Agreement in any action or proceeding as an admission of Armor's wrongdoing or liability.
11. This Agreement does not constitute an approval by the NYAG of Armor's

business practices, and Armor shall make no representation or claim to the contrary.

12. Armor has demonstrated and represented that it no longer intends to seek new contracts in New York during at least the three-year period following the Effective Date.

13. By entering into this Agreement, Armor agrees to the following:

A. For a period of three years from the Effective Date, Armor agrees not to bid on or enter into any contract with any municipality in New York State for the provision of jail health services; and

B. Within ten days of the Effective Date, and in full and final settlement of this Litigation, Armor agrees to pay and the NYAG agrees to accept the sum of Three Hundred and Fifty Thousand dollars (\$350,000.00) by check payable to the State of New York.

14. Solely for the NYAG's purposes and without any admission by Armor, upon receiving the payment from Armor, the NYAG intends to designate Two Hundred and Fifty Thousand dollars (\$250,000.00) of that payment to Nassau County as reimbursement related to Armor's performance of certain contractual obligations to the County during the time period covered by the Litigation, with the balance as penalties to the State of New York.

15. For purposes of this Agreement, Paragraph 13(a) above shall not apply to any successor or future purchaser of Armor's stock or assets, or any successor entity that results from a merger, that as of the date of this Agreement or in the future is a party to contracts with municipalities in New York State, provided that, for a period of three years following the Effective Date, such successor or purchaser does not engage any of Armor's senior management officials to supervise the provision of services in, or work at, any New York jail, except as approved by the NYAG. "Senior management officials" as used in this paragraph includes (i) all management at Armor's corporate headquarters who had direct responsibility for

overseeing the provision of services at the Nassau County Correctional Services and (ii) management, including directors, working directly at Nassau County Correctional Center. This includes all individuals employed in such positions at any point in the twelve months prior to the Effective Date.

16. The Court shall retain jurisdiction for the purpose of enforcing and modifying this Agreement.

17. It is hereby stipulated and agreed, by and between the Parties, that the Petition and this Litigation is dismissed with prejudice, and without costs to any party as against another.

18. Nothing herein shall limit either the NYAG's or Respondents' right to seek other remedies provided by law for a violation of this Agreement, including remedies for contempt of court and for enforcement of the Agreement. The NYAG has the right to seek injunctive relief, and all other appropriate and necessary relief, to enforce this Agreement. If a court of competent jurisdiction determines that Armor has breached this Agreement, Armor shall pay to the NYAG the cost, if any, of enforcing this Agreement, including, without limitation, legal fees, expenses, and court costs.

19. This Agreement constitutes the entire, complete, and only agreement and understanding by and between the Parties with respect to the subject matter hereof.

20. This Agreement may not be modified orally, but may be modified only by a writing signed by each Party.

21. The Effective Date for this Agreement is the date that it is fully executed by the Parties.

22. This Agreement may be signed in any number of counterparts, each of which is an original and all of which taken together form one single document. Signatures provided

by facsimile transmission or in Adobe Portable Format (PDF) sent by electronic mail shall be deemed to be in original signatures.

## Contract Summary

**Description:** Amendment #3 to a contract for comprehensive inmate health care services.

**Purpose:** This is an amendment to an existing contract for the provision of medical, mental health, dental and ancillary services to inmates in the custody of the Nassau County Sheriff's Department and/or incarcerated at the Nassau County Correctional Center, pursuant to Section 14 (c) of the base contract. The term of the contract expires on May 31, 2017, and the County is in the process of transitioning the inmate medical services to the Nassau Health Care Corporation ("NuHealth"). This amendment is to (i) extend the term of the contract for an additional three-month period, to August 31, 2017; (ii) increase the base monthly compensation to be paid to Armor; and (iii) modify the offsite services and pharmacy services provisions, all in order to facilitate and enable the orderly transition of inmate medical services to NuHealth without the interruption of services. As part of the amendment, and in consideration of the County's receipt of \$250,000 from the settlement of the NYS Attorney General Offices' lawsuit against Armor, the County releases Armor for performance indicator penalties.

Armor has brought a lawsuit against the County in Nassau County Supreme Court for a judicial declaration that Armor is not required to provide inmate health services beyond the scheduled termination date in the contract of May 31, 2017. The proposed amendment is anticipated to settle the litigation.

**Method of Procurement:** Please see procurement history below. The addition of three months to the term and the increase in compensation has been determined necessary for the transition of services to new vendor NuHealth.

**Procurement History:** With respect to the base contract, an RFP was published on July 30, 2009, with proposals due on Oct. 13, 2009. Six proposals were considered. The Contractor was found to be the most responsible and qualified bidder with the most reasonable costs by an evaluation committee consisting of representatives from County OMB, County DOH, County OMH, the Sheriff's Department, and the County Attorney's Office.

**Description of General Provisions:** As described above.

**Impact on Funding / Price Analysis:** \$4,800,000 (\$1,500,000 for June; \$1,600,000 for July; and \$1,700,000 for August, over the three-month period of 6/1/17-8/31/17)

**Change in Contract from Prior Procurement:** Contract term will be extended, and base monthly compensation will be increased for a three-month transition period, as further detailed in Amendment 3.

**Recommendation:** Approve as submitted.

**FEDERAL TAX ID #:** 61-1642662

---

**Instructions:** Please check the appropriate box ("☑") after one of the following roman numerals, and provide all the requested information.

**I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids.** The contract was awarded after a request for sealed bids was published in \_\_\_\_\_ [newspaper] on \_\_\_\_\_ [date]. The sealed bids were publicly opened on \_\_\_\_\_ [date]. \_\_\_\_\_ [#] of sealed bids were received and opened.

**II. ☐ The contractor was selected pursuant to a Request for Proposals.**

The Contract was entered into after a written request for proposals was issued on \_\_\_\_\_ [date]. Potential proposers were made aware of the availability of the RFP by advertisement in \_\_\_\_\_ [newspaper], posting on industry websites, via email to interested parties and by publication on the County procurement website. Proposals were due on \_\_\_\_\_ [date]. \_\_\_\_\_ [state #] proposals were received and evaluated. The evaluation committee consisted of: \_\_\_\_\_

\_\_\_\_\_ (list # of persons on committee and their respective departments). The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

**III. X This is a renewal, extension or amendment of an existing contract.**

The contract was originally executed by Nassau County on May 5, 2011, and amended thereafter. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after a Request for Proposals was issued on July 30, 2009. Seven proposals were received and six evaluated (one proposer was disqualified). The evaluation committee consisted of representatives from OMB, DOH, OMH, the Sheriff's Department, and the County Attorney's Office. The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

**V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. \_\_\_\_\_, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.
- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

**VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated.** Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☐ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

**X. ☒ Vendor will not require any sub-contractors.**

**In addition, if this is a contract with an individual or with an entity that has only one or two employees:** ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

**STIPULATION OF SETTLEMENT AND DISCONTINUANCE**

1. This Stipulation of Settlement and Discontinuance (the "Agreement") of the above-entitled proceeding ("this Litigation") is entered into by and between the Petitioner, the People of the State of New York by Eric T. Schneiderman, Attorney General of the State of New York ("NYAG"), and Respondents Armor Correctional Health Medical Services of New York, Inc., P.C. and Armor Correctional Health Services of New York, Inc. (collectively, "Armor"), and, except to the extent limited by Paragraph 15, extends as well to anyone acting on Armor's behalf, including but not limited to Armor's principals, employees, agents, and/or assignees who are involved in the conduct of the business that is the subject of this Litigation, and to any parent, affiliate or successor corporation or other corporation purchasing Armor's assets, company, business entity or other entity that Armor may now or hereafter act or conduct business through that is the subject of this Litigation.

2. "Parties" means the NYAG and Armor, collectively and as defined herein.
3. This Court has jurisdiction over the subject matter of this Litigation and over all Parties. The Parties agree, for purposes of this Agreement, that venue is proper in New York County.
4. The terms of this Agreement shall be governed by the laws of the State of New York.
5. On or about July 12, 2016 the NYAG filed a Verified Petition (the "Petition") in the Supreme Court for the County of New York, naming Armor as Respondents, alleging violations of the New York State False Claims Act, N.Y. State Finance Law § 187 *et seq.*, N.Y. Executive Law § 63(12), and N.Y. Executive Law § 63-c.
6. Armor has denied these allegations and asserts that it has not violated any applicable laws, regulations, ordinances or legal or contractual obligations.
7. This Agreement reflects a negotiated agreement among the Parties.
8. The Parties have agreed to resolve the issues, claims and matters raised in the Petition and occurring through the date of the filing of the Litigation, by entering into this Agreement.
9. Neither Armor's performance of this Agreement nor the negotiations between the Parties surrounding the Agreement shall be considered an admission by Armor of any wrongdoing or liability of any kind.
10. This Agreement is not intended for use by any third party in any other action or proceeding and is not intended, and should not be construed as, an admission of wrongdoing or liability by Armor. The NYAG will not cite the Agreement in any action or proceeding as an admission of Armor's wrongdoing or liability.
11. This Agreement does not constitute an approval by the NYAG of Armor's

business practices, and Armor shall make no representation or claim to the contrary.

12. Armor has demonstrated and represented that it no longer intends to seek new contracts in New York during at least the three-year period following the Effective Date.

13. By entering into this Agreement, Armor agrees to the following:

A. For a period of three years from the Effective Date, Armor agrees not to bid on or enter into any contract with any municipality in New York State for the provision of jail health services; and

B. Within ten days of the Effective Date, and in full and final settlement of this Litigation, Armor agrees to pay and the NYAG agrees to accept the sum of Three Hundred and Fifty Thousand dollars (\$350,000.00) by check payable to the State of New York.

14. Solely for the NYAG's purposes and without any admission by Armor, upon receiving the payment from Armor, the NYAG intends to designate Two Hundred and Fifty Thousand dollars (\$250,000.00) of that payment to Nassau County as reimbursement related to Armor's performance of certain contractual obligations to the County during the time period covered by the Litigation, with the balance as penalties to the State of New York.

15. For purposes of this Agreement, Paragraph 13(a) above shall not apply to any successor or future purchaser of Armor's stock or assets, or any successor entity that results from a merger, that as of the date of this Agreement or in the future is a party to contracts with municipalities in New York State, provided that, for a period of three years following the Effective Date, such successor or purchaser does not engage any of Armor's senior management officials to supervise the provision of services in, or work at, any New York jail, except as approved by the NYAG. "Senior management officials" as used in this paragraph includes (i) all management at Armor's corporate headquarters who had direct responsibility for

overseeing the provision of services at the Nassau County Correctional Services and (ii) management, including directors, working directly at Nassau County Correctional Center. This includes all individuals employed in such positions at any point in the twelve months prior to the Effective Date.

16. The Court shall retain jurisdiction for the purpose of enforcing and modifying this Agreement.

17. It is hereby stipulated and agreed, by and between the Parties, that the Petition and this Litigation is dismissed with prejudice, and without costs to any party as against another.

18. Nothing herein shall limit either the NYAG's or Respondents' right to seek other remedies provided by law for a violation of this Agreement, including remedies for contempt of court and for enforcement of the Agreement. The NYAG has the right to seek injunctive relief, and all other appropriate and necessary relief, to enforce this Agreement. If a court of competent jurisdiction determines that Armor has breached this Agreement, Armor shall pay to the NYAG the cost, if any, of enforcing this Agreement, including, without limitation, legal fees, expenses, and court costs.

19. This Agreement constitutes the entire, complete, and only agreement and understanding by and between the Parties with respect to the subject matter hereof.

20. This Agreement may not be modified orally, but may be modified only by a writing signed by each Party.

21. The Effective Date for this Agreement is the date that it is fully executed by the Parties.

22. This Agreement may be signed in any number of counterparts, each of which is an original and all of which taken together form one single document. Signatures provided

by facsimile transmission or in Adobe Portable Format (PDF) sent by electronic mail shall be deemed to be in original signatures.

### AMENDMENT NO. 3

**THIRD AMENDMENT TO CONTRACT FOR SERVICES**, (this "Third Amendment"), made as of the date on which this Third Amendment is executed by Nassau County (the "Effective Date"), by and between **NASSAU COUNTY** (the "County"), a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501, acting for and on behalf of the Nassau County Sheriff's Department (the "Department"), having its principal office at 100 Carman Avenue, East Meadow, New York 11554, and **ARMOR CORRECTIONAL MEDICAL & HEALTH SERVICES OF NEW YORK, INC.** ("Armor"), a Florida corporation having its principal corporate offices at 4960 S.W. 72 Avenue, Ste. 400, Miami, Florida 33155 (each a "Party," collectively, the "Parties").

#### WITNESSETH:

WHEREAS, the County and Armor executed a Health Services Agreement effective May 5, 2011 (the "Agreement"), by which Armor contracted to perform certain services for the County as the provider of medical, mental health, dental and ancillary services (the "Inmate Medical Services") to inmates in the custody of the Department and/or incarcerated at the Nassau County Correctional Center to be delivered to detainees housed by the Sheriff;

WHEREAS, the term of the Agreement was from June 1, 2011 through May 31, 2013, with an option to renew the term of the Agreement for up to two additional one (1) year periods under the same terms and conditions;

WHEREAS, in June 2013, the County and Armor entered into the First Amendment (the "First Amendment"), which renewed the terms of the Agreement for an additional two (2) years, commencing June 1, 2013, so that the termination date of the Agreement as amended by the First Amendment was May 31, 2015;

WHEREAS, in June 2015, the County and Armor entered into the Second Amendment (the "Second Amendment"), which renewed the terms of the Agreement, as amended, for an additional two (2) years, commencing June 1, 2015, so that the termination date of the Agreement as amended by the First Amendment was May 31, 2017;

WHEREAS, notwithstanding the May 31, 2017 termination date of the Agreement, as amended, the County is in the process of transferring the Inmate Medical Services to the Nassau Health Care Corporation ("NuHealth") and, in connection therewith, has requested that Armor continue to provide Inmate Medical Services; and

WHEREAS, the County and Armor desire to further extend the term of the Agreement and to modify certain terms thereof.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, it is agreed upon as follows:

1. Term Extension. The Agreement is hereby extended for an additional three (3) months (such three-month period, the "Transfer Period"), commencing June 1, 2017, so that the termination date of the Agreement, as amended by this Third Amendment, is now August 31, 2017, provided, however, that the County shall have the right to terminate the Transfer Period, and, by extension, the Agreement, at such sooner date as the County may deem to be in the best interests of the County, upon thirty (30) days prior written notice or such shorter notice as may be mutually agreed upon by the Parties. It is the intention of the Parties that there will be no further extensions of the Agreement or the Transfer Period, and the County waives any rights it may have to seek a further extension. Under no circumstance shall Armor be required to provide any services, including transition services, after the expiration of the Transfer Period, provided, however, that Armor will respond to reasonable requests for information and consultation via telephone or e-mail.

2. Payment. (a) Amount of Consideration.

(i) Base Monthly Compensation. The base compensation amount to be paid to Armor by the County during the Transfer Period as full consideration for Armor's onsite services pursuant to the Agreement shall be as follows: June 2017--\$1.5 million; July 2017--\$1.6 million; and August 2017--\$1.7 million. Such amount(s) shall not be payable if the Third Amendment is terminated prior to the month in which services are to be provided. To be paid no later than 15 days after the invoice is received, subject to prompt review and approval by the County Comptroller.

(ii) Offsite Services. The Cost-Sharing provisions contained in paragraph 6 of the Agreement, as amended by paragraph 2 of the First Amendment, are hereby deleted in their entirety. Effective throughout the Transfer Period, the County shall bear 100% of the cost of Offsite Services. In connection with utilization of Offsite Services, Armor will continue to follow the policies and procedures governing Offsite Services that are now in effect.

(iii) Pharmacy Services. Effective throughout the Transfer Period, the County and the Contractor shall share the cost of Pharmacy Services. For the Transfer Period, the Contractor shall pay all Pharmacy Services costs up to \$250,000 for the three-month period. If Pharmacy Services exceed \$250,000 during the Transfer Period, then Armor will pay such amounts and be reimbursed 100% of such overage. If Pharmacy Services are less than \$250,000 during the Transfer Period, then Armor will refund 100% of such underage. The \$250,000 limit will be pro-rated if the contract is terminated early. Nothing in this Third Agreement shall affect the County's responsibility for the cost of blood products and medicines necessary to treat hemophiliacs solely for the condition of hemophilia, or required to be utilized due to the inmate's condition of hemophilia, as provided for in Paragraph 3(v) of the Agreement. In connection with utilization of Pharmacy Services,

Armor will continue to follow the policies and procedures governing Pharmacy Services that are now in effect.

- (iv) \$155,000 Payment. Within twenty (20) days of the execution of this Third Amendment, the County shall pay to Armor the sum of One Hundred Fifty-Five Thousand (\$155,000.00) Dollars representing a release of the money deducted by the Nassau County Comptroller's Office from the County's payment of Armor's July Claim #VDCC16000137. The Comptroller's Office had deducted the \$155,000 pending further review as to whether there should be imposed a financial penalty under the National Commission on Correctional Health Care accreditation provisions of the Agreement, which review has determined that the penalty is not due and owing from Armor.

3. Extension of Services.

(a) During the Transfer Period, Armor will continue to provide the Inmate Health Services in accordance with the terms and conditions of the Agreement, as amended by this Agreement. In addition to the provision of Inmate Health Services, and in consideration of the Base Monthly Compensation set forth above in paragraph 2, Armor hereby agrees that during the Transfer Period Armor and its representatives will cooperate in all reasonable respects with NuHealth and its representatives, and will take such actions as are reasonably necessary, all in connection with and so as to facilitate a smooth and orderly transfer of the Inmate Medical Services to NuHealth. Without limiting the generality of the foregoing, Armor will: (i) make its staff available to meet with NuHealth staff at mutually acceptable times; (ii) share and provide access to reports, records, documents and other operational information; (iii) allow NuHealth staff to "shadow" Armor staff with respect to performance of Inmate Medical Services; and (iv) take such other actions as are reasonably requested by NuHealth or the County to facilitate a smooth and orderly transfer. NuHealth will assume operational control no later than September 1, 2017.

(b) Armor's provision of the Inmate Health Services and the other services described in this Paragraph 3 during the Transfer Period shall be in satisfaction of the "Contractor Assistance upon Termination" provisions set forth in paragraph 14 (c) of the Agreement to the extent such paragraph is applicable.

- 4. No Performance Indicator Penalties or Payment Adjustments; Mutual Limited Release. The County hereby agrees that in consideration of the Two Hundred Fifty Thousand (\$250,000.00) Dollar payment made to the County by Armor pursuant to Paragraph 14 of that certain Stipulation of Settlement and Discontinuance by and between The People of the State of New York and Armor (Supreme Court: New York County; Index No. 450835/2016), and in consideration of Armor's agreement to provide the Inmate Health Services during the Transfer Period in accordance with the terms and conditions of this Amendment, the County hereby waives any claim to past, present or future performance indicator penalties under the Agreement, or to payment

adjustments therefore, and hereby releases Armor for any such past, present or future claims for performance indicator penalties under the Agreement. In addition, each Party hereby releases the other Party with respect to claims for payments that may be due and owing under Paragraphs 3(c) and 6 of the Agreement, as amended by the First Amendment and/or the Second Amendment, as of the Effective Date. No other claims are waived or released, including, without limitation, indemnification and defense claims under Paragraph 11 of the Agreement. The County reserves all other rights.

5. Full Force and Effect. Except as expressly amended by this Amendment, all terms and conditions of the Agreement, the First Amendment, and the Second Amendment are unchanged, and remain in full force and effect.

**Appendix EE**  
**Equal Employment Opportunities for Minorities and Women**

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public

Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days

(10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (I) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (II) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement,

major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation.
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (i) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

FEDERAL TAX ID #: 131809283

**Instructions:** Please check the appropriate box ("☑") after one of the following roman numerals, and provide all the requested information.

**I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids.** The contract was awarded after a request for sealed bids was published in \_\_\_\_\_ [newspaper] on \_\_\_\_\_ [date]. The sealed bids were publicly opened on \_\_\_\_\_ [date]. \_\_\_\_\_ [#] of sealed bids were received and opened.

**II. ☐ The contractor was selected pursuant to a Request for Proposals.**

The Contract was entered into after a written request for proposals was issued on \_\_\_\_\_ [date]. Potential proposers were made aware of the availability of the RFP by advertisement in \_\_\_\_\_ [newspaper], posting on industry websites, via email to interested parties and by publication on the County procurement website. Proposals were due on \_\_\_\_\_ [date]. \_\_\_\_\_ [state #] proposals were received and evaluated. The evaluation committee consisted of: \_\_\_\_\_

**III. ☐ This is a renewal, extension or amendment of an existing contract.**

The contract was originally executed by Nassau County on \_\_\_\_\_ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after \_\_\_\_\_

\_\_\_\_\_  
[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

**V. ☒ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☒ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. \_\_\_\_\_, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

- ☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

**VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated.** Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☐ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

**X. ☒ Vendor will not require any sub-contractors.**

**In addition, if this is a contract with an individual or with an entity that has only one or two employees:** ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41*, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

## **CONFLICT OF INTEREST POLICY**

### **Article I: Purpose**

This conflict of interest policy is designed to foster public confidence in the integrity of the New York Board of Rabbis (the "Organization") and to protect the Organization's interest when it is contemplating entering a transaction (defined below) that might benefit the private interest of a director, a corporate officer, the top management or top financial official, or a key employee (defined below).

### **Article II: Definitions**

The following are considered *insiders* for the purposes of this policy:

1. Each member of the Board of Directors or other governing body.
2. The president, chief executive officer, chief operating officer, treasurer and chief financial officer, executive director, or any person with the responsibilities of any of these positions (whether or not the person is an officer of the Organization under the Organization's by-laws).
3. Any *key employee*, meaning an employee whose total annual compensation (including benefits) from the organization and its affiliates is more than \$100,000 and who (a) has responsibilities or influence over the organization similar to that of officers, directors, or trustees; or (b) manages a program that represents 10% or more of the activities, assets, income, or expenses of the organization; or (c) has or shares authority to control 10% or more of the organization's capital expenditures, operating budget, or compensation for employees.

*Interest* means any commitment, investment, relationship, obligation, or involvement, financial or otherwise, direct or indirect, that may influence a person's judgment, including receipt of compensation from the Organization, a sale, loan, or exchange transaction with the Organization.

A *conflict of interest* is present when, in the judgment of the Board of Directors, an insider's stake in the transaction is such that it reduces the likelihood that an insider's influence can be exercised impartially in the best interests of the Organization.

*Transaction* means any transaction, agreement, or arrangement between an insider and the Organization, or between the Organization and any third party where an insider has an interest in the transaction or any party to it.

---

### **Article III: Procedures**

#### **1. *Duty to Disclose***

Each insider shall disclose to the Board all material facts regarding his or her interest in the transaction, promptly upon learning of the proposed transaction.

## **2. *Determining Whether a Conflict of Interest Exists***

With regard to an insider, the Board shall determine if a conflict of interest exists. The insider(s) and any other interested person(s) involved with the transaction shall not be present during the Board's discussion or determination of whether a conflict of interest exists, except as provided in Article IV below.

## **3. *Procedures for Addressing a Conflict of Interest***

The Board shall follow the procedures set forth in Article IV in order to decide what measures are needed to protect the Organization's interests in light of the nature and seriousness of the conflict, to decide whether to enter into the transaction and, if so, to ensure that the terms of the transaction are appropriate.

### **Article IV: Review by the Board**

The Board may ask questions of and receive presentation(s) from the insider(s) and any other interested person(s), but shall deliberate and vote on the transaction in their absence. The Board shall ascertain that all material facts regarding the transaction and the insider's conflict of interest have been disclosed to the Board and shall compile appropriate data, such as comparability studies, to determine fair market value for the transaction.

After exercising due diligence, which may include investigating alternatives that present no conflict, the Board shall determine whether the transaction is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable to the Organization; the majority of disinterested members of the Board then in office may approve the transaction.

### **Article V: Records of Proceedings**

The minutes of any meeting of the Board pursuant to this policy shall contain the name of each insider who disclosed or was otherwise determined to have an interest in a transaction; the nature of the interest and whether it was determined to constitute a conflict of interest; any alternative transactions considered; the members of the Board who were present during the deliberations on the transaction, those who voted on it, and to what extent interested persons were excluded from the deliberations; any comparability data or other information obtained and relied upon by the Board and how the information was obtained; and the result of the vote, including, if applicable, the terms of the transaction that was approved and the date it was approved.

### **Article VI: Annual Disclosure and Compliance Statements**

Each director, each corporate officer, the top management official, the top financial official, and each key employee of the Organization, shall annually sign a statement on the form attached, that:

- affirms that the person has received a copy of this conflict of interest policy, has read and understood the policy, and has agreed to comply with the policy; and
- discloses the person's financial interests and family relationships that could give rise to conflicts of interest.

#### **Article VII: Violations**

If the Board has reasonable cause to believe that an insider of the Organization has failed to disclose actual or possible conflicts of interest, including those arising from a transaction with a related interested person, it shall inform such insider of the basis for this belief and afford the insider an opportunity to explain the alleged failure to disclose. If, after hearing the insider's response and making further investigation as warranted by the circumstances, the Board determines that the insider has failed to disclose an actual or possible conflict of interest, the Board shall take appropriate disciplinary and corrective action.

#### **Article VIII: Annual Reviews**

To ensure that the Organization operates in a manner consistent with its status as an organization exempt from federal income tax, the Board shall authorize and oversee an annual review of the administration of this conflict of interest policy. The review may be written or oral. The review shall consider the level of compliance with the policy, the continuing suitability of the policy, and whether the policy should be modified and improved.

Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. - a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is

based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentation. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

- b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16) All Legal Provisions Deemed Included; Severability; Supremacy.

- a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall

be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

- b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
- c) Unless the application of this subsection will cause a provision required by law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17) Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18) Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

19) Administrative Service Charge. Inasmuch as the Contractor is a not-for-profit religious or charitable organization, the County waives imposition of the administrative charge.

20) Executory Clause. Notwithstanding any other provision of this Agreement:

- a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any person unless (i) all County approvals have been obtained, including, if required, approval by the County legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

**V. ☒ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

Instructions with respect to Sections VII, VIII and IX: All Departments must check the box for VII. Then, check either box Section VIII or IX, as applicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☐ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon eighteen (18) days' written notice to the Contractor (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Performer. This Agreement may be terminated by the Performer if performance becomes impracticable through no fault of the Performer where the impracticability relates to the Performer ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Performer delivering to the commissioner or other head of the Department (the "Commissioner"), at least thirty (30) days prior to the termination date (or a shorter period if thirty days' notice is impossible), a notice stating (i) that the party is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the party's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

12. Accounting Procedures; Records. The Performer shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, the Performer shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Performer shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of

the Performer shall allege that the above-described actions and inactions preceded the Performer's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Performer is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Performer use a Performer Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Performer Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Performer shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Performer, to the attention of the person who executed this Agreement on behalf of the Performer at the address specified above for the Performer, or in each case to such other persons or addresses as shall be designated by written notice.

If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

Dear Denise,

As discussed this afternoon, the Certificate of Insurance submitted with your contract and related documents shows an expiration date of July 10, 2017, which would not cover your performance on August 25, 2017. Please advise when you will be able to provide a COI whose effective dates cover your performance date. Thanks.

The contract was originally executed by Nassau County on \_\_\_\_\_ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after \_\_\_\_\_

\_\_\_\_\_  
[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; OR:
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

**V. ☒ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☒ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. - ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**Instructions with respect to Sections VII, VIII and IX:** All Departments must check the box for VII. Then, check either box Section VIII or IX, as applicable.

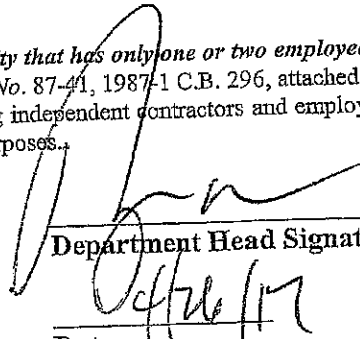

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☐ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

**X. ☒ Vendor will not require any sub-contractors.**

SERVICE: Personal Services Contract for Lakeside Theatre Programming:  
Leftfield Productions, Inc.  
Re: August 12, 2017 - "Neil Berg's 100 Years of Broadway"

The above contractor will provide a professional musical performance for the residents of Nassau County for the above mentioned concert. The compensation to this presenter is consistent with fees for unique artistic presentations of this kind. It was engaged directly without the assistance (or fee) of an agent, broker or producer.

This contractor has a significant industry reputation for presenting a Broadway music revue performance of the highest quality. All of the cast members are professional trained and seasoned veterans of the Broadway stage. Unique to this Broadway revue is Mr. Berg's appearance as master of ceremonies at the piano, interacting with the performers and escorting the audience through the history of each individual performance and the Broadway show from which it was derived. Neil Berg's 100 years of Broadway has appeared at the Lakeside Theatre for over 20 years and attracts an audience in excess of 6000 every year. These services cannot be provided by any staff currently employed by the County.

Performances at Lakeside Theatre in Eisenhower Park have been presented free to the Nassau County public since the Theater's creation in the late 1960's. These services cannot be provided by any staff currently employed by the County.

Each artist and musical performer, possesses such individual skills that they cannot be evaluated through a competitive bidding process. In fact, an increasing number of states, municipalities and sub-divisions have codified the determination that entertainers and artists are considered sole source. These include the New York City Department of Education, the States of Virginia and West Virginia, the District of Columbia, and several state universities, among others.

Chief Deputy Commissioner
