ESTABLISHMENT OF VARIOUS FEES OF THE DEPARTMENT OF PUBLIC WORKS

WHEREAS, the not-for-profit sector plays an important role in providing economic, social and cultural benefits and resources to Nassau County; and,

WHEREAS, it is deemed to be in the County's interest that revenues of not-for-profit institutions should be invested back into the core mission of the not-for-profit institution; and,

WHEREAS, it is deemed to be in the County's interest to provide a waiver of certain fees related to review of building applications under section 239-f of the General Municipal Law to not-for-profit institutions for development projects that allow them to further their core mission; now, therefore

BE IT ORDAINED, by the County Legislature of the County of Nassau as follows:

Section 1: Section 8 of Ordinance No. 76-2000, relating to the establishment of various fees for the Department of Public Works, as last amended by Ordinance No. 49-2016, is amended as follows:

8. The Commissioner of Public Works is hereby authorized to charge a fee of One Thousand Five Hundred dollars (\$1,500) to review applications for building permits pursuant to Section 239-f of the General Municipal Law that are forwarded by the various towns, cities and incorporated villages. The fee shall be waived for an application filed where the anticipated cost of construction is less than twenty five thousand dollars (\$25,000). A fee of Seven Hundred and Forty dollars (\$740) shall be charged for a re-review of a previously rejected application for which a fee was required.

If an application is made for a parcel that differs from the prior proposed use, a fee of seven hundred and fifty dollars (\$750) shall be charged. If the value of construction estimate is greater than two hundred and fifty thousand dollars (\$250,000) and is not a major subdivision defined by §334a of the Real Property Law in addition to the base initial fee of One Thousand Five Hundred dollars (\$1,500) the applicant will be required to pay three quarters of a percent (.75%) of the estimated construction value. If the applicant is a not-for-profit institution that owns the subject property, the applicant will not be required to pay the additional three quarters of a percent (.75%) of the estimated construction value.

§ 2. It is hereby determined, pursuant to the provisions of the State Environmental Quality Review Act, 8 N.Y.E.C.L. section 0101 et seq. and its implementing regulations, Part 617 of 6 N.Y.C.R.R., and Section 1611 of the County Government Law of Nassau County, that the adoption of this local law is a “Type II” Action within the meaning of Section 617.5(c)(20) and (27) of 6 N.Y.C.R.R., and, accordingly, is of a class of actions which do not have a significant effect on the environment; and no further review is required.
