Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

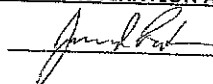

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

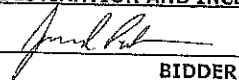

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

Data older than 12 months is archived and is available upon request. For gauges without the ability to dial from the site to the Insite360 Alarm server on an automated basis, the Insite360 Operations Center will poll each site once per day to retrieve the alarms. Increased polling frequency is as an additional service option.
10. Nassau County can choose Priority Alarms and Tank Alarm categories to receive in real-time and the balance will be available via reports and data archives.
11. Alarms generated shall be viewed by the technician at the 24 X 7 support center. 16. Basic Inventory Reconciliation Reporting shall be completed on Veeder-Root TLS ATG that automatically collect dispensing data, in-tank inventories and deliveries, and reconciles the totals at the end of each shift, day, and month. In order for Business Inventory Reconciliation (BIR) to function, TLS consoles must have BIR enabled and have the appropriate Dispenser Interface Modules. For Nassau County sites where BIR is enabled and properly functioning on ATG consoles, Insite360 will remotely poll the on-site console according to the County's defined reporting frequency to automatically access information needed to conduct the reconciliation. Nassau County will select from among the following options within the BIR module:
- a. Periodic Reconciliation
  - b. Monthly Reconciliation
17. Based on Nassau County's defined reconciliation period, Contractor shall schedule automated polling routines to remotely connect to the site and retrieve the data stored in the TLS consoles. To access the reports via Insite360, Nassau County can enter the start and end dates for each reconciliation period for the enrolled sites. Once Nassau County selects a date range, the report will show reconciliation for the range selected.
18. Insite360 Managed Services shall use the networked automated tank gauge systems (ATG) at the sites to provide the County with certain notice services and access to the Insite360 FMS Web Portal for visibility of various reports related to the service. Alarm Monitoring and Dispatch Notification will be managed by Insite360. The Insite 360 Alarm Management System shall remotely monitor alarm events generated by the on-site console for hardware, software, sensors and communication alarms. All alarms are automatically archived and the Nassau County designated contact shall be notified. This Managed Service will call out on the specific alarm as well as gauges that require the Insite360 Service Center to manually poll for alarm events. For gauges without the ability to dial from the site to the Insite360 System on an automated basis, the Insite360 Service Center shall poll each site once per day to retrieve the alarms. The Insite360 Operations Center shall monitor, remotely diagnose, troubleshoot and attempt to identify problems in order that appropriate responses can be initiated for the alarm conditions at a site. If the Insite360 Operations Center Technician is unable to resolve the problem remotely and determines that an on-site visit (a.k.a. dispatch) is required, the Technician will notify the designated County Fuel Program Manager.

It is further recommended that this service be added to Blanket order BPNC18000057 which was created from formal sealed bid number 10031-11227-172. As part of the specifications of formal sealed bid number 10031-11227-172 additional services, tanks, locations, maintenance and repairs can be added with written quote and amendment, formal sealed bid number 10031-11227-172 is believed to meet this requirement. There are a few additional reasons for this formal sealed bid 10031-11227-172 has already been approved by the Nassau County Rules Committee this would save time and money by eliminating the need to bring formal sealed bid 83070-04178-034 to the rules committee and would allow for faster implementation of this contract. The two are companion contracts to each other, there would be one contract instead of two and they would expire at the same time and would be able to be rebid at the same time again saving money and time.

Parts: the purchasing of parts will be allowed on this contract at:

Contractor further agrees that if any provision of Section 952 of the Omnibus Reconciliation Act of 1980 (PL-96-499) is found by a body of competent jurisdiction to be applicable to this contract, the Contractor agrees that it will make available upon written request by the Secretary of Health and Human Services, or the Comptroller General of the General Accounting Office, or any of their duly authorized representatives, a copy of this contract and any executed amendments thereto documents which relate to the calculation of the charges stated in the contract and copies of service reports documenting services performed. Such records will be available in accordance with the above for the period of six (6) years after the furnishing of any of the services described in this contract.

**TERMINATION PREROGATIVE:** The Director reserves the right to cancel the Blanket Order by giving not less than thirty (30) days written notice that, on or after a date therein specified, the contract shall be deemed terminated and cancelled.

**VENDOR RESPONSIBILITY CRITERIA:** The Director of Purchasing reserves the right before making an award to make investigations as to whether or not the qualifications, services, facilities or items offered by the bidder meet the requirements set forth herein and are ample and sufficient to ensure the proper performance in the event of an award. The bidder must be prepared, if requested by the Director of Purchasing, to present evidence of experience, ability, financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which the vendor is bidding. Upon request of the Director, the successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bid are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing, or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the forgoing shall mean or imply that it is obligatory upon the Director to make any examinations before an award; and it is further understood that, if such examination is made, it in no way relieves the bidder from fulfilling all requirements and conditions of the bid.

**IMPORTANT NOTE:** The Director reserves the right to accept or reject any and all bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Director determines the best interests of the County of Nassau will be served. The Director, in his sole discretion, may accept or reject illegible, incomplete or vague bids and his decision shall be final. A conditional or revocable bid which clearly communicates the terms or limitations of acceptance may be considered and contract award may be made in compliance with the bidder's conditional or revocable terms in the offer. Prior to award, the Director reserves the right to seek clarifications, request bid revisions, or to request any information deemed necessary for proper evaluation of bids from all bidders deemed to be eligible for contract award. Failure to provide requested information may result in rejection of the bid.

TITLE

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

a. "Public Works" and "Building Services" - Definitions

i. Public Works Labor Law Article 8 applies to county contracts for public improvements in which laborers, workers or mechanics are employed on a "public works" project (distinguished from public "procurement" or "service" contracts).

ii. Building Services Labor Law Article 9 applies to Contracts for building service work with the county, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

b. Prevailing Wage Rate Applicable to Bid Submissions *A copy of the applicable prevailing wage rates to be paid or provided are annexed to the Bid Documents.* Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified. Information indicating that prevailing wages are not being paid on a public works project will be forwarded to the New York State Department of Labor for investigation. Willful violations of the prevailing wage provisions of the Labor Law may result in debarment from the bidding and award of public contracts.

c. Wage Rate Payments / Changes During Contract Term the wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.

d. Public Posting & Certified Payroll Records In compliance with Article 8, Section 220 of the New York State Labor Law:

i. Posting the Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.

ii. Payroll Records Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over \$25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.

iii. Submission of Certified Payroll Transcripts for Public Works Contracts Only Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to the project manager for a public works project.

iv. Records Retention Contractors and Subcontractors must preserve copies of such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

If this contract is for Building Service Work as defined in Article 9 of the Labor Law, State law prohibits other political subdivisions and districts within the County from making purchases pursuant to this agreement.

The County Living Wage Law, Title 57, Section 3(a)(i), states: employers who provide building services shall pay their employees no less than the living wage, as required by this section, or the prevailing wage, whichever is greater. In future bidding procedures, the requirement should be "vendor must pay the prevailing wage, or the County Living Wage, whichever is greater", or similar language.

- b. Wherever the term "Law" or "Living Wage Law" is used in this document, it shall mean Local Law 1-2006, otherwise known as the Nassau County Living Wage Law. Whenever the terms "Rule" or "Rules" are used in this document, it shall mean these Rules of the County Executive regarding the Nassau County Living Wage Law.

Section 2. Clarification of Terms

- a. Awarded. "Awarded" shall mean that time at which a contractor is selected by the County, or any department of the County, to receive county financial assistance, even if that time is before execution of a county financial assistance agreement by all parties or approval of such agreement by the County Legislature.

A contract for the sale of goods to the County, or a contract for the sale of goods where incidental services are being provided to the County, are not considered County Service Contracts. This definition shall not include contracts awarded pursuant to the county's emergency procurement procedure as set forth in section twenty-two hundred six of the county charter, inter-governmental agreements, agreements with state or local public authorities or agreements with local development corporations incorporated pursuant to section 1411 of the not-for-profit corporations law.

### 3. Amendments, Extensions and Renewals

a. Renewals and Extensions. Where an existing County Financial Assistance Agreement, County Service Contract, or County Lease is renewed or extended after the effective date of the Law, such agreement is a new County Financial Assistance Agreement, County Service Contract or County Lease, as the case may be, and is subject to the applicable provisions of the Law.

b. Determination of Applicability.

i. County Service Contracts.

A. Any renewal of a County Service Contract is subject to the Living Wage Law if the total expenditure by the County under the renewal is \$25,000 or greater.

B. If a County Service Contract is extended or otherwise amended, such extension or amendment will be subject to the provisions of the Law if such amendment increases the total expenditure under the original agreement to an amount \$25,000 or over, or if such amendment itself involves an expenditure of \$25,000 or over. In no event shall the Law apply in a situation where an amendment involves an expenditure of less than \$25,000 and the original agreement already involves an expenditure of \$25,000 or over.

ii. County Financial Assistance Agreements.

A. Any renewal of a County Financial Assistance Agreement is subject to the Living Wage Law if the total expenditure by the County under the renewal is greater than \$50,000.

B. If a Financial Assistance Agreement is extended or otherwise amended, such extension or amendment will be subject to the provisions of the Law if such amendment increases the total expenditure under the original agreement to an amount over \$50,000, or if such amendment itself involves an expenditure over \$50,000. In no event shall the Law apply in a situation where an amendment involves an expenditure of \$50,000 or less and the original agreement already involves an expenditure over \$50,000.

iii. County Leases. Any renewal, extension or modification of a County Lease is subject to the provisions of the Living Wage Law.

See Living Wage Law, §10(a) "Other Provisions"

### 4. Waiver of the Law

a. Application of the Provision

i. Any County Contractor may apply for a waiver of the provisions of the Law. In order to qualify as a County Contractor, the applying organization must have a County Service Contract with the County of Nassau. A County Service Contract is a contract which contemplates providing a service to the County (not goods or any service performed only to deliver goods) for which the County is paying \$25,000 or more. Both non-profit and for-profit County Contractors may apply for a waiver.

ii. At this time, the Living Wage Law does not allow a County Lessee or an entity receiving County Financial Assistance to apply for a waiver of the Law's provisions.

TITLE

i. Request for a waiver must be made to the Nassau County Office of Compliance. ii. A request for a waiver must be made on the approved form designated "Request for Waiver of the Provisions of the Nassau County Living Wage Law." This form is attached to these rules. Additional forms may be requested by contacting the agency with which the requesting organization has a contract.

A. In any budget breakdown submitted, the requesting organization must include only those employees who are included within the definition of "Employee" described above.

B. iv. A waiver request must contain the following information:

A. The name of the organization

B. The address of the organization

C. A brief description of the contract which the waiver pertains to.

D. The name and email address of the Chief Executive Officer of the requesting organization

E. The criteria (hereinafter, the "Criteria") for qualifying for a waiver under the provisions of the Law. Currently, a requesting organization must meet either Criteria 1, 2 or 3 below, and, if Criteria 1, 2 or 4 are cited, must meet Criterion 5 below:

1. The highest paid officer or employee of the requesting organization earns a salary which, when calculated on an hourly basis, is less than six times the lowest wage or salary paid by the requesting organization.

2. Compliance with the requirements of the Living Wage Law will directly increase the requesting organization's expected total annual budget in an amount greater than ten percent of the prior fiscal year's budget.

c. Waiver and Procurement

i. As a waiver may only be requested once a County Service Contract has been entered into, no waiver application may be submitted by any organization submitting a bid or proposal to the County for a County Service Contract.

ii. The fact that a waiver may be granted to an organization submitting a bid or proposal to the County for a County Service Contract will not be a consideration in evaluating such bid or proposal.

d. Review Procedures

i. Review of a request for a waiver must be made by the Office of Compliance.

ii. Approval of a request is dependent on the requestor satisfying either criteria (1), (2) or (3) in section 4(b)(iv)(E) above and, if citing criteria (1), (2) or (4), criterion (5) in section 4(b)(iv)(E) above. Applications not satisfying these criteria, or incomplete applications, will not be approved. However, complete applications that do meet these criteria shall be approved by the Office of Compliance.

iii. The Office of Compliance shall inform the requestor of his or her decision to grant or deny a request in writing within thirty days of receipt of the request. A copy of the grant or denial shall be transmitted to the County Comptroller for the purposes of monitoring compliance with the Living Wage Law.

iv. During such thirty day period, the requestor must continue to abide by the provisions of the Living Wage Law. Failure to do so may result in action by the Office of the Nassau County Comptroller to enforce the provisions of the Law.

e. Post-Award Review

i. After the County grants a waiver, if at any time during the term of the County Service Contract the requesting organization alters its budget or wages such that the organization no longer qualifies for a waiver of the Living Wage Law, the requesting organization must contact the County department with which it contracts and inform such department of such alteration.

ii. If a County department is contacted in reference to such a change, the department must either:

Amend the County Service Contract in question to restore any funding subtracted from the contract as a result of a waiver of the Living Wage Law and receive from the Contractor a completed Certificate of Compliance; or

Terminate such Contract according to its terms.

See Living Wage Law, § 9 "Waiver"

5. Inter-Governmental Agreements

a. The Living Wage Law shall not apply to those County Service Contracts which are entered into with any municipal corporation located within the County, any school district located within the County, and any special district located within the County.

b. County Financial Assistance Agreements and County Leases. The Living Wage Law shall not apply to a County Financial Assistance Agreement or a County Lease in the event that application of the law would conflict with the application of a federal, state or local law, rule, regulation or ordinance. For the purposes of this Rule, the Living Wage Law would not apply to a County Financial Assistance Agreement or County Lease where funding for the Agreement or Lease is derived from a Federal or state grant where the distribution of such grant funds to certain subrecipients is mandatory and non-discretionary.

**FIRM PRICES:** Price shall remain firm for the first year of the Blanket Purchase Order and no upward escalation will be permitted. Thereafter, increases in labor and/or material(s) costs may be considered provided they are based on certified labor contracts, uncontrollable materials costs which can be verified in national publications or other increases auditable by the County of Nassau. The burden of proof for such increases shall be upon the Contractor and shall be formally directed to the Director of Purchasing. The decision as to whether or not such increases will be granted shall be made by the Director of Purchasing and shall be final. In the event an increase is not granted when requested, the Contractor may elect to continue at the bid prices or given written notice of termination, upon receipt of which the Blanket Purchase Order will be re-bid.

**EVALUATION:**

The Director of the Office of Purchasing (hereinafter known as the Director) reserves the right before making award to make investigations as to whether or not the items, qualifications, services or facilities offered by the Bidder meet the requirements set forth herein and are ample and sufficient to insure the proper performance in the event of an award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which he is bidding. Upon request of the Director of Purchasing, successful bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

**GOVERNING LAW:** Consent to Jurisdiction and Venue; Governing Law. - Sofia Schörling Högborg

In 2017, the Committee held one minuted meeting where remuneration and other employment terms and conditions for the President and CEO and other Group Management were discussed. The Remuneration Committee also monitored and evaluated the ongoing programmes for variable remuneration to senior executives as well as the application of the guidelines for remuneration to senior managers and the structure and levels of remuneration in the company.

## EXTERNAL AUDITORS

The 2017 AGM re-elected the accounting firm Ernst & Young AB as auditor for a one-year period of mandate. Ernst & Young AB has appointed authorised public accountant Rickard Andersson as auditor in charge. In addition to Hexagon, he conducts auditing assignments for such companies as Alimak Group AB, Nynas AB and Pricer AB.

Hexagon's auditors attended the first Board meeting of the year, at which they reported observations from their examination of Hexagon's internal controls and the annual financial statements. The auditors met with the Audit Committee on six occasions during 2017.

The address of the auditors is Ernst & Young AB, Box 7850, SE-103 99, Stockholm, Sweden.

## REMUNERATION PRINCIPLES

The following principles for remuneration to senior executives in Hexagon were adopted by the 2017 AGM.

Remuneration shall consist of a basic salary, variable remuneration, pension and other benefits and all remuneration shall be competitive and in accordance with market practice. The variable remuneration shall be maximized to up to 150 per cent in relation to the basic remuneration, related to the earnings trend which the relevant individual may influence and based on the outcome in relation to individual targets.

The Board annually considers whether a share or share-based incentive programme shall be proposed to the Annual General Meeting. The notice period shall normally be six months on the part of the employee. In case of notice of termination by the company, the notice period and the period during which severance payment is paid shall, all in all, not exceed 24 months. Pension benefits shall, as a main rule, be defined contribution. Deviation from this main rule may be permitted when appointing new senior executives whose previous employment agreement included a defined-benefit pension plan. The pension age for senior executives is individual, although not lower than 60 years.

It is proposed to the 2018 Annual General Meeting to resolve on substantially the same guidelines as above concerning the remuneration of senior executives.

## REMUNERATION OF GROUP MANAGEMENT

Remuneration of the President and CEO and other senior executives is presented in Note 30 on page 87.

There are no agreements between the company, directors or employees, other than as described in Note 30, which stipulate the right to compensation if such person voluntarily leaves the company, is dismissed with cause or if such person's employment is terminated as a result of a public offer for shares in the company.

## INCENTIVE PROGRAMMES

Details of the warrants programme are presented on page 30 (The Share section) and in Note 30 on page 87.

## REMUNERATION OF BOARD OF DIRECTORS

Remuneration of the Board of Directors is resolved by the AGM upon proposal from the Nomination Committee. During 2017, the Chairman of the Board and other Board Members received remuneration totaling 593.8 KEUR (427.1). Remuneration of the Board of Directors is presented in Note 30 on page 87.

## REMUNERATION OF EXTERNAL AUDITORS

Remuneration for services in addition to auditing services primarily refers to work related to acquisitions and tax. Remuneration of the external auditors is presented in Note 31 on page 87.

## Contract Summary

<p><b>Purpose:</b> New outside counsel contract for the firm, Dellaverson, P.C., to represent the County in at the table, collective bargaining negotiation, as well as collective bargaining support in its negotiations with the County's unions.</p>
<p><b>Method of Procurement:</b> The proposed contract results from a written RFQ that was issued on April 25, 2018. Potential proposers were made aware of the availability of the RFQ by advertisement in Newsday, via email to interested parties, and by publication on the County procurement website. Proposals were due on May 31, 2018. Forty-five (45) proposals were received. The evaluation committee is reviewing the proposals and is in the process of creating a panel of qualified firms in twenty-five (25) different areas of law, however, because of the immediate need for legal services in the area of Labor Negotiations, the evaluation committee qualified four firms in this area and conducted a mini-bid solicitation. The four firms that were solicited were: (1) Bee Ready Fishbein Hatter &amp; Donovan, LLP; (2) Dellaverson, P.C. (3) Jackson Lewis P.C.; and (4) Lamb &amp; Barnosky, LLP. All four firms responded. The committee has recommended that firms Dellaverson and Lamb &amp; Barnosky be retained to represent the County in connection with ongoing labor negotiations with the County's six unions. The six expired contracts will require intensive negotiating efforts.</p> <p>Dellaverson, P.C., and Lamb &amp; Barnosky have substantial public sector bargaining experience and will provide a strong "across the table" presence throughout collective bargaining.</p> <p>The contracts with Lamb &amp; Barnosky, LLP and Dellaverson, P.C. are being submitted to the Rules Committee at this time, as these are new vendors with no existing contracts with the County. Bee Ready Fishbein Hatter &amp; Donovan, LLP and Jackson Lewis P.C. have existing contracts for ongoing litigation and will continue to represent Nassau County. These contracts can be amended or replaced at a later time.</p>
<p><b>Procurement History:</b> New contract. See method of procurement above.</p>

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

Gary J. Dellaverson is a special counsel in the Labor & Employment Law Department.

Having served as Chief Labor Negotiator and, most recently, Chief Financial Officer to the MTA, the largest public transportation company in the U.S., Gary brings extensive public sector experience to the firm. Over the course of his 19-year career at the MTA, he led numerous high-profile negotiations, including the settlement of the illegal 2005 citywide transit strike and efforts to sell the West Side Rail Yards and Atlantic Yards, paving the way for among the largest redevelopment projects in New York City in more than a decade as well as hundreds of collective bargaining agreements, including dozens under the Railway Labor Act, a federal law that governs labor relations in the railway and airline industries. He also designed and led the MTA's efforts to secure stable funding, which resulted in a \$2 billion package enacted by the State of New York in 2010.

Prior to joining the MTA, Gary served as Deputy Fire Commissioner for the City of New York and, before that, as Assistant Labor Counsel in City Hall in the administration of Mayor Ed Koch. He began his career in private practice.

THIS AGREEMENT, (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Office of the Nassau County Attorney, having its principal office at One West Street, Mineola, New York 11501 (the "Department"), and (ii) Dellaverson, P.C., with an office located at 90 Hillside Avenue, Hastings-on-Hudson, New York 10706 ("Counsel" or "Contractor").

### WITNESSETH:

WHEREAS, the County is currently negotiating collective bargaining agreements with the County's six unions; and

WHEREAS, pursuant to Nassau County Charter Section 1101 and Nassau County Administrative Code Section 22-2.8, the County Attorney has determined the need for the employment of special counsel to assist in providing collective bargaining negotiation support; and

WHEREAS, the County desires to hire Counsel to perform the services described in this Agreement; and

WHEREAS, Counsel is eminently qualified and ready to provide the necessary services; and

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on August 1, 2018 and shall terminate on July 31, 2020, unless sooner terminated in accordance with the provisions of this Agreement, provided that the County may renew this Agreement under the same terms and conditions for two (2) additional one (1) year periods.

2. Services. (a) The services to be provided by Counsel under this Agreement (the "Services") shall consist of representing the County in "at the table" collective bargaining negotiation, as well as collective bargaining support in its negotiations with the following County unions (collectively, the "Unions"); Police Benevolent Association ("PBA"); Civil Service Employees Association ("CSEA"); Police Superior Officers Association ("SOA"); Police Detectives Association ("DAI"); Sheriff's Correction Officers Benevolent Association ("COBA"); and Investigators Police Benevolent Association ("IPBA"). The Services to be performed by Counsel under this Agreement shall include, but are not limited to, the following:

- (1) Introduce and familiarize themselves with County finances and personnel;
- (2) Identify and review management proposals;
- (3) Make informal introductions with the Union leaders;
- (4) Conduct collective bargaining with each certified Union representative;
- (5) Work with the County to formulate bargaining proposals and positions;
- (6) Work with the County to analyze hypothetical and proposed Union proposals and contract provisions;
- (7) Perform costing analysis based upon County's and Union's proposed bargaining points/proposals;
- (8) Identify target leadership at the Unions;
- (9) Frequently work with County leadership to design scenarios;
- (10) Perform routine, periodic status reviews with County leadership;
- (11) If settlements appear unlikely, commence preparation for impasse/fact finding resolution;

- (12) If litigation related to the collective bargaining negotiations commences, Counsel shall assist the County and/or County's outside counsel in initial preparation;
- (13) If negotiations continue, Counsel shall pursue more complex bargaining strategies, and prepare management for morale and possible disruption impacts.

(b) The Department may, in its sole discretion, authorize any changes or additions to the scope of Services set forth above.

(c) Counsel shall submit to the Department or Department designee monthly status reports detailing its progress throughout the term of this Agreement. At the Department's request, Counsel shall meet with County personnel to discuss the status of the negotiations and address any concerns raised by the Department.

(d) When providing the Services, Counsel must comply with Nassau County's Litigation Management Guidelines, as may be amended (the "Guidelines"), provided under separate cover and incorporated by reference herein.

3. Payment. (a) Amount of Consideration. The amount to be paid to Counsel as full consideration for Counsel's Services under this Agreement, including disbursements, shall not exceed the sum of Five Hundred Eighty-five Thousand Dollars (\$585,000.00) ("Maximum Amount"). The Maximum Amount shall be payable as follows:

- (1) Payment Schedule. The County shall pay Counsel Twelve Thousand Five Hundred Dollars (\$12,500.00) per month for the first two months of this Agreement. Beginning in the third (3<sup>rd</sup>) month of this Agreement, and for each month thereafter, the County shall continue to pay Counsel Twelve Thousand Five Hundred Dollars (\$12,500.00) per month until collective bargaining sessions commence, whereupon the monthly rate payable to Counsel shall be increased to Twenty-five Thousand Dollars effective on the day of the first collective bargaining session. Collective bargaining sessions shall be deemed to have commenced on the day of the first official collective bargaining session under the New York State Labor Law, between the County, represented by Counsel, and one of the Unions, represented by a certified Union representative. If collective bargaining sessions begin in the first two (2) months of this Agreement, the County shall only pay Twelve Thousand Five Hundred Dollars (\$12,500.00) per month for these two (2) months and the monthly rate shall increase to Twenty-five Thousand Dollars (\$25,000.00) on day one (1) of the third (3<sup>rd</sup>) month. Payment for any month in which collective bargaining sessions commence after day one (1) of the month and after the first two (2) months of this Agreement, shall be prorated between Twelve Thousand Five Hundred Dollars (\$12,500.00) and Twenty-five Thousand Dollars (\$25,000.00) monthly rates, based on the actual number of days in the month. Once the Twenty-five Thousand Dollars (\$25,000.00) monthly rate first becomes effective, the County reserves the right to suspend Services upon email written notice with the suspension effective one (1) day after transmission of the email. Payment for any month in which Services are suspended shall be prorated between the current monthly rate and no charge, based on the actual number of days in the month. The County may request that Counsel resume Services following suspension upon email written notice, with the resumption of Services effective one (1) day after transmission of the email, or immediately if mutually agreed by the County and Counsel, at either the Twelve Thousand Five Hundred Dollars (\$12,500.00) monthly rate if collective bargaining sessions are not taking place at the time of resumption, or Twenty-five Thousand Dollars (\$25,000.00) monthly rate if collective bargaining sessions are

taking place at the time of resumption. If resumption does not involve collective bargaining session Services upon resumption, but collective bargaining session Services resume thereafter, then the County shall pay a rate of Twelve Thousand Five Hundred Dollars (\$12,500.00) per month until such time as collective bargaining sessions resume, whereupon the monthly rate payable by the County to Counsel shall increase to Twenty-five Thousand Dollars (\$25,000.00), effective on the first day that collective bargaining sessions resume. At all times, the County reserves the right to terminate this Agreement immediately, for any or no reason in accordance with Section 13 of this Agreement.

(2) Maximum Amount for Expenses and Disbursements. In addition to the fee described in Section 3(a)(1) above, Counsel shall be reimbursed for the actual cost of expenses and disbursements, which shall not exceed a maximum amount of Ten Thousand Dollars (\$10,000.00). Expenses and disbursements that are eligible for reimbursement by the County are more fully described in Section 3(d) below.

(3) Partial Encumbrance. Counsel acknowledges that the County will partially encumber funds to be applied toward the Maximum Amount throughout the term of this Agreement. Counsel further acknowledges that the first encumbrance shall be One Hundred Five Thousand Dollars (\$105,000.00). Thereafter, the Department shall notify Counsel of the availability of additional monies, which written notice shall include the amount encumbered. Such notification shall serve as notice to proceed.

(b) Vouchers; Voucher Review, Approval and Audit. Payment shall be made to Counsel in arrears and shall be contingent upon (i) Counsel submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) is accompanied by a record indicating with reasonable specificity the Services provided and the payment requested in consideration for such Services, or contains a detailed, itemized list of allowable expenses; (b) certifies that the Services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and upon (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(c) Timing of Payment Claims. Counsel shall submit its claim no later than three (3) months following the County's receipt of the services that are the subject of the claim, and no more frequently than once a month.

(d) Expenses and Disbursements. Counsel shall be compensated for reasonable and actual expenses and disbursements incurred within the maximum amount that is allocated for expenses and disbursements in Section 3(a)(2) above. The expenses and disbursements reimbursable to Counsel under this Agreement shall be limited to reasonable and actual travel costs allowable in accordance with the Guidelines. All other expenses and disbursements shall be borne by Counsel, unless the County Attorney or his designee gives their prior written approval and the expense or disbursement is authorized under the Guidelines.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of

this Agreement expressly states otherwise, payments to Counsel following the termination of this Agreement shall not exceed payments made as consideration for Services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after Counsel received notice that the County did not desire to receive such Services. Payments to Counsel for Services performed prior to termination for any partial month shall be prorated between the monthly rate currently in effect and no charge, based on the actual number of days in the month.

4. Independent Contractor. Counsel is an independent contractor of the County. Counsel shall not, nor shall any officer, director, employee, servant, agent or independent contractor of Counsel (a "Counsel Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. Counsel is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. Counsel shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

- (i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

(d) Prohibition of Gifts. In accordance with County Executive Order 2-2018, Counsel shall not offer, give, or agree to give anything of value to any County employee, agent, consultant, construction manager, or other person or firm representing the County (a "County Representative"), including members of a County Representative's immediate family, in connection with the performance by such County Representative of duties involving transactions with Counsel on behalf of the County, whether such duties are related to this Agreement or any other County contract or matter. As used herein, "anything of value" shall include, but not be limited to, meals, holiday gifts, holiday baskets, gift cards, tickets to golf outings, tickets to sporting events, currency of any kind, or any other gifts, gratuities, favorable opportunities or preferences. For purposes of this subsection, an immediate family member shall include a spouse, child, parent, or sibling. Counsel shall include the provisions of this subsection in each subcontract entered into under this Agreement.

(e) Disclosure of Conflicts of Interest. In accordance with County Executive Order 2-2018, Counsel has disclosed as part of its response to the County's Business History Form, or other disclosure form(s), any and all instances where Counsel employs any spouse, child, or parent of a County employee of the agency or department that contracted or procured the goods and/or services described under this Agreement. Counsel shall have a continuing obligation, as circumstances arise, to update this disclosure throughout the term of this Agreement.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any or no reason, with or without Cause, by the County immediately upon receipt by Counsel of written notice of termination, (ii) upon mutual written Agreement of the County and the Counsel, and (iii) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement, Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six (6) years following the later of termination or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles or such other standard accounting principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Except as provided in Section 3 of this Agreement, any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, and as further amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars (\$50,000.00) require the approval of the Nassau County Interim Finance Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than \$50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than \$50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars (\$50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars

(\$50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

- (A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars (\$50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar (\$50,000.00) cap.
- (B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar (\$50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

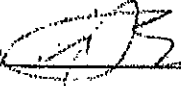

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

**23. Entire Agreement.** This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

**Appendix EE**  
**Equal Employment Opportunities for Minorities and Women**

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
  - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a

manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

**CONTRACTOR ADDRESS:** 534 Broadhollow Road, Suite 210, Melville, New York 11747

**FEDERAL TAX ID #:** [REDACTED]

**Instructions:** Please check the appropriate box ("☒") after one of the following roman numerals, and provide all the requested information.

**I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids.** The contract was awarded after a request for sealed bids was published in \_\_\_\_\_ [newspaper] on \_\_\_\_\_ [date]. The sealed bids were publicly opened on \_\_\_\_\_ [date]. \_\_\_\_\_ [#] of sealed bids were received and opened.

**II. ☒ The contractor was selected pursuant to a Request for Qualifications ("RFQ").**

The Contract was entered into after a written RFQ was issued on April 25, 2018. Potential proposers were made aware of the availability of the RFQ by advertisement in Newsday, via email to interested parties, and by publication on the County procurement website. Proposals were due on May 31, 2018. Forty-five (45) proposals were received. The evaluation committee is reviewing the proposals and is in the process of creating a panel of qualified firms in twenty-five (25) different areas of law, however, because of the immediate need for legal services in the area of "Labor Negotiations," the evaluation committee has made its selection in this area of law. Lamb & Barnosky, LLP has been qualified by the evaluation committee in the area of "Labor Negotiations," with potential additional area(s) of qualification(s) to be added later by the evaluation committee. The initial assignment to Lamb & Barnosky, LLP is to provide as needed support to the County in the labor negotiation process with the County's six unions. Lamb & Barnosky, LLP has been selected for this initial assignment after a mini-bid solicitation was conducted by the County Attorney's Office to select firm(s) to represent the County in collective bargaining negotiations and/or related litigation. The four firms that were solicited under this mini-bid solicitation were: (1) Bee Ready Fishbein Hatter & Donovan, LLP; (2) Dellaverson, P.C. (3) Jackson Lewis P.C.; and (4) Lamb & Barnosky, LLP. **III. ☐ This is a renewal, extension or amendment of an existing contract.**

The contract was originally executed by Nassau County on \_\_\_\_\_ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after \_\_\_\_\_

\_\_\_\_\_ [describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

**V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. \_\_\_\_\_, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

- ☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

**VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated.** Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

**VIII. ☐ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☐ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

**X. ☐ Vendor will not require any sub-contractors.**

**In addition, if this is a contract with an individual or with an entity that has only one or two employees:** ☐ a review of the criteria set forth by the Internal Revenue Service, Revenue Ruling No. 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

While client conflicts are an inevitable *possibility* for any outside counsel, we do not currently anticipate any conflicts between the County and our other clients. ## Appendix C -- Addendum

### A. Proposer's Professional Qualifications

The following summarizes our qualifications and experience in providing bargaining negotiating support to public employers, including the County of Nassau. Specific to Nassau County I, along with the then Directors of Labor Relations, engaged in collective bargaining and/or interest arbitration proceedings during the period 2002-2009, with the PBA, SOA, DAI, SHOA (now COBA) and IPBA both for new contracts and reopeners to then existing contracts. I continued on through 2014 as the County's advocate in IPBA-related negotiations and an interest arbitration proceeding, a role I also served in the other interest arbitration proceedings. Regarding the IPBA interest arbitration proceeding for that Unit's first contract, I successfully insisted upon requiring that the award include the award of an actual contract book which was, at the time, the first Nassau County Police Unit contract book in nearly two decades.

#### Richard Zuckerman

I would personally conduct or, if preferred, participate, in the negotiations. Before joining Lamb & Barnosky in 2004, I spent almost 20 years at Rains & Pogrebin, P.C., where I also concentrated in public sector labor and employment law matters, and provided all of the professional services mentioned below.

My approach to labor relations has resulted in notable achievements for my clients including, among other things, negotiating police union health insurance contributions on Long Island; negotiating increased retiree health insurance premium contributions for retirees who return to NYSHIP after being covered by a buyout; achieving the first ever in New York "double zero" (*i.e.*, two years of no wage increases) Interest Arbitration Award, which also did not include any additional monies to the covered employees; establishing that, despite a municipal practice of more than 40 years to the contrary, employees and retirees had not secured a contractual right to fully-paid health insurance benefits for life; and negotiating what is believed to be the first ever bargaining unit-wide reduction in salaries in New York State history.

Over the years, I have successfully represented our clients in many hundreds of rounds of collective bargaining, including mediations, fact findings and compulsory and voluntary interest arbitration proceedings and super-conciliations. In the context of interest arbitrations, I have served as both the employer advocate and the employer panel representative. I have also served as our clients' advocate in many hundreds of contract arbitration cases, PERB improper practice charge and bargaining unit decertification/certification and managerial/confidential proceedings, and National Labor Relations Board (NLRB) bargaining unit/decertification representation and unfair labor practice proceedings.

My experience includes representing our clients in hundreds of Federal and State court and administrative agency (*e.g.*, SDHR, EEOC, IBA, OCR, Workers' Compensation, State and local Civil Service Commissions and Personnel Officers) cases covering all labor and employment law-related issues including, without limitation, injunctive relief proceedings, "alphabet soup" claims (ADA, ADEA, FMLA, FLSA; *etc.*), discrimination claims, General

Municipal Law Section 207-a and 207-c proceedings, and even assisting PERB in defending a favorable determination issued by that Agency.

I presently represent dozens of municipalities, libraries and school districts. My clients' employees include police officers, firefighters, deputy sheriffs, correction officers, clericals and other non-instructional and support staff members, all types of other blue and white collar employees, sanitation workers, librarians, teachers, administrators and other pedagogical employees. These employers' bargaining unit sizes range from as few as three members to nearly 6,000 employees. In addition, I have served as a Hearing Officer in General Municipal Law Section 207-a cases in Westchester County and 207-c cases in Rockland County. I also represent private sector employers. Some of these entities are organized (unionized) and others are not.

I have been repeatedly named as a *Best Lawyer in America* and was named the *Best Lawyers in America's 2017-2018 Lawyer of the Year – Labor Law – Management – Long Island, NY* and the *2015-2016 Lawyer of the Year – Labor Law – Management – New York City*. I have also been repeatedly named a *New York Super Lawyer* in Labor and Employment Law, a *Who's Who in American Law* and a *Who's Who* in Labor Law by the Long Island Business News. I am also the recipient of the Global Awards 2016 and 2015 Corporate Livewire Awards for excellence in labor and employment law. I am a Fellow of the Governors of The College of Labor and Employment Lawyers and have also been repeatedly named as one of the 10 Top Leaders in Employment Law on Long Island.

I have been selected by my peers to positions of professional prominence. These include being only one of three people in the history of the NYSBA to serve as Chair of two substantive Sections. I now serve as the Chair of the New York State Bar Association's Local and State Government Law Section and previously served as Chair of NYSBA's Labor and Employment Law Section. I am is also a former President of the New York State Association of School Attorneys and was a member of the NYSBA's House of Delegates. I am a Fellow of the American and New York Bar Foundations and an Inaugural Member of the Board of Advisors for the St. John's University School of Law Center for Labor and Employment Law.

I am one of the three (and the sole management-side) co-editors for the New York State Bar Association's treatise (and "bible" for our field), *Lefkowitz on Public Sector Labor and Employment Law (4th Edition)*, as well as several of its preceding Supplements, and was an editor for the American Bar Association's treatise, *Discipline and Discharge in Arbitration*. I was a contributing author to the 6<sup>th</sup> edition of the ABA's contract arbitration treatise, *How Arbitration Works* (Elkouri & Elkouri). I have published several articles about, among other topics, the legal and practical issues of labor and employment law in tough economic times and romance in the workplace, and have had my written work published in, among other publications, the *New York Law Journal*, *New York State Bar Association Journal*, and the New York State Bar Association Municipal Law Section, New York State Bar Association Labor and Employment Law Section, and the New York State County Attorney Newsletters. I have also been featured in articles published in the *New York Times*, *Newsday*, and the *Long Island Business News*, among others.

I appeared on CBS2 T.V. as a labor and employment law authority discussing the MTA/TWU strike, and was solicited to provide telephone commentary about the strike for Fox 5 T.V. News. I have also appeared on *Geraldo At Large* on Fox T.V., as well as NBC and several local cable channels from Long Island to Orange County. I have lectured before the National Academy of Arbitrators, the New York State Public Employment Relations Board, the New York State Bar Association, the American Corporate Counsel Association, the Nassau and Suffolk County Bar Associations and Academies of Law, Cornell ILR, the New York State School Boards Association, IRRA, the NYS Association of School Personnel Administrators, Westchester County Clerks Treasurers Association, several municipal and school official organizations, and numerous student and lay person groups. The topics have included, among others; the Affordable Care Act ("ACA") privatizing and outsourcing public services; getting sick, injured and disabled employees back to work; romance in the workplace; ethics for attorneys practicing labor and employment law; communicating with the press and the public in times of crisis; drafting employment contracts; hiring, supervising and disciplining employees; anticipating and avoiding workplace violence; sexual and other prohibited forms of harassment; controlling sick leave; workers' compensation abuse; employee evaluations and privacy rights (email, voice mail, internet access); free speech in the workplace; First and Fourth Amendment rights; public access to employee and employer records; New York's Lawful Off-Duty Conduct Law; the Americans with Disabilities Act; the federal Family and Medical Leave Act; General Municipal Law § 207-c; and employment issues arising out of the September 11, 2001 tragedy.

I am admitted to the following courts: New York, U.S. District Courts for the Eastern and Southern Districts of New York, Second Circuit Court of Appeals, United States Supreme Court.

I am a *summa cum laude* graduate of Stony Brook University and a graduate of Columbia Law School.

As needed, particularly in the event of an interest arbitration or fact finding, I would be primarily assisted by my partners Sharon Berlin and Alyson Mathews or my associate, Alyssa Zuckerman, all of whose credentials are discussed below.

Sharon Berlin

Sharon joined Lamb & Barnosky, LLP in 2004 and prior to that was an associate and then a partner with me at Rains & Pogrebin. Her practice primarily includes the representation of public and private entities in all aspects of labor and employment law matters and the representation of school districts in general counsel matters. Sharon has successfully negotiated dozens of collective bargaining agreements with units ranging from three employees to more than 1,000 employees. She has conducted numerous employee disciplinary hearings pursuant to Civil Service Law § 75 and other statutory and contractual procedures. She provides day-to-day advice to our clients concerning a variety of labor relations and human resource issues including the Family and Medical Leave Act (FMLA), the accommodation of employees with disabilities, the Fair Labor Standards Act, the Civil Service Law, Taylor Law bargaining obligations, contract interpretation and grievance avoidance. She has also represented our clients in proceedings before the State Division of Human Rights, the Equal Employment Opportunity Commission, the

Department of Labor, the Public Employment Relations Board and arbitrators, as well as in federal and state court litigation.

Sharon has handled several cases where she has been able to shape the case law. For example, she won a case before the United States Court of Appeals for the Second Circuit, *Panse v. Middletown E.C.S.D.*, which held that school administrators may impose reasonably related limitations on the content of a teacher's speech in school. In a related case, *Middletown E.C.S.D. v. Douglas, et al.*, Sharon mounted a successful challenge to the decision of a hearing officer in a statutory teacher disciplinary proceeding, which would have required students to testify in a public hearing about matters involving their own education records. She convinced the court that the Regulations accompanying Education Law § 3020-a were at odds with the federal Family Education Rights and Privacy Act and that it would be unlawful to permit the student testimony to be given in public. To our knowledge, this was the first time in New York State history where a court vacated an arbitrator's evidentiary ruling mid-hearing.

Sharon has also provided counsel and advice to our municipal and school district clients on ethics matters for the last several years and provided training for elected and appointed officials, ethics board, supervisors, attorneys, and rank and file employees regarding the municipal Codes of Ethics and General Municipal Law requirements. She also recommended revisions to one of our client's municipal Code of Ethics, many of which were adopted by its legislative body.

Sharon is a member of the Executive Committee of the NYSBA's Local and State Government Law Section currently serving as its Chair-elect. She previously co-chaired that Section's Employment Relations Committee and a task force which prepared comments to the Legislature about the then proposed property tax levy cap. She is a member of the NYSBA's Labor and Employment Law Section and was co-editor-in-chief of the Third Edition of the Section's *Public Sector Labor and Employment Law* treatise. She has served as co-chair of the Suffolk County Bar Association's Labor and Employment Law Committee, chair of the Nassau County Bar Association's Education Law Committee and chair of the Nassau County Bar Association's Labor and Employment Law Committee.

Sharon serves on the Advisory Board to the Nassau Academy of Law. For many years she co-chaired the Honorary Board for L.I. Against Domestic Violence. She has also served on the Board of Directors for the Long Island Chapter of the National Association of Women Business Owners.

Sharon has been repeatedly named as a *Best Lawyer in America* and as a New York *Super Lawyer* in Labor and Employment Law as well as for Women in the Law. She was honored by Hofstra University Law School's Center for Children, Families and the Law during its first annual Outstanding Women in Law reception. She has been featured in the *Long Island Business News' Who's Who in Women in Professional Services*, *Who's Who in Employment Law on Long Island* and *Who's Who in Intellectual Property & Labor Law*. She was awarded the "Public Private Partnership Award" by ASIS International, Long Island Chapter, the Business Leader of the Year Award from the Suffolk County Coalition Against Domestic Violence, and has been named as one of the 10 leaders in employment law on Long Island. She received the

Nassau County Bar Association's Directors' Award for her outstanding service as chair of the Labor and Employment Law Committee. She also received *Long Island Business News'* 40 Under 40 Award.

In January 2018, Sharon co-authored with me an article that appeared in the New York Law Journal, entitled "Five Steps Government Should Take to Address Workplace Harassment." She has also authored, "Social Media and Litigation," published in the *Suffolk Lawyer*, and has written numerous articles for the New York State Bar Association's *Municipal Lawyer*. She co-authored an article entitled *Romance in the Workplace: Employers Can Make Rules if They Serve Legitimate Needs*, which appeared in the New York State Bar Journal, and an article entitled *Romance in the Workplace: To What Extent Can Employers Dictate the Rules?*, which appeared in the New York State Bar Association's Labor and Employment Law Section Newsletter. She also edited a chapter of the original edition of the American Bar Association treatise, *Discipline & Discharge in Arbitration* and a supplement to that treatise.

Sharon has lectured at programs sponsored by the New York State Bar Association, the New York State School Boards Association, the Nassau/Suffolk Academy of Law, the National Association of Women Business Owners, the Society for Human Resource Management, New York State Association of School Business Officials, and others.

Sharon is admitted to the following courts: New York, U.S. District Courts for the Eastern and Southern Districts of New York, Second Circuit Court of Appeals, United States Supreme Court, and the State of Connecticut Superior Court.

Sharon is an honors graduate of both Cornell University's School of Industrial and Labor Relations and the George Washington University National Law Center.

During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date

of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained

in accordance with Generally Accepted Accounting Principles or such other standard accounting principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name Counsel shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to Counsel, to the attention of the person who executed this Agreement on behalf of Counsel at

the address specified above for Counsel, or in each case to such other persons or addresses as shall be designated by written notice.

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Administrative Service Charge. Counsel agrees to pay the County an administrative service charge of Five Hundred Thirty-three Dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, and as further amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by Counsel upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all requisite County and other governmental approvals have been obtained, including, if required, approval by the County Legislature and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

(c) NIFA Approval. County contracts with a Maximum Amount equal to or greater than Fifty Thousand Dollars (\$50,000.00) require the approval of the Nassau County Interim Finance

Authority ("NIFA") during the control period declared by NIFA on January 26, 2011, with limited exceptions. NIFA also requires that when the aggregate of contracts issued to a particular vendor for the provision of similar services is equal to or greater than \$50,000 in any 12-month period they be subject to NIFA approval even if each individual contract is less than \$50,000. NIFA has advised the County that NIFA's approval is subject, among other things, to the following limitation: payment to Counsel under this Agreement for Services, including related expenses and disbursements, rendered prior to the later of (i) the date of NIFA approval or (ii) full execution of the Agreement (such date, the "Approval Date") shall not exceed the sum of Fifty Thousand Dollars (\$50,000.00). Counsel therefore acknowledges that charges incurred over Fifty Thousand Dollars (\$50,000.00) prior to the Approval Date shall not be approved by NIFA, and shall not be paid by the County, unless NIFA makes an exception to its policy. Accordingly, to mitigate against exposure, Counsel shall provide the following notice to the Department:

- (A) If Counsel anticipates incurring costs in excess of Fifty Thousand Dollars (\$50,000.00) prior to the Approval Date, Counsel shall provide written notice to the Department at least Forty-five (45) days prior to the date on which Counsel anticipates reaching the Fifty Thousand Dollar (\$50,000.00) cap.
- (B) If Counsel has reached or anticipates reaching the Fifty Thousand Dollar (\$50,000.00) cap prior to the Approval Date, and in less than Forty-five (45) days, Counsel shall provide the Department with immediate written notice.

Upon receipt of such notice, the Department will review and advise Counsel of the Department's intended course of action, which, in appropriate cases as determined by the Department, may include seeking a waiver from NIFA.

23. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, Counsel and the County have executed this Agreement as of the Effective Date.

## **Appendix A**

Cases and/or matters may be assigned by the County Attorney, or their designee, to Counsel throughout the term of this Agreement in the following area of law in which Counsel has been determined to be qualified by the Department:

1. Labor Negotiations

The Department may qualify Counsel in additional areas of law.

## **Appendix EE**

### **Equal Employment Opportunities for Minorities and Women**

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works,
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
  - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a

manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction

services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.
