If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. POLICE DEPARTMENT
COUNTY OF NASSAU, NEW YORK

INTERNAL CORRESPONDENCE

DATE: November 11, 2014 SNCC NO:
TO: Commanding Officer, Personnel and Accounting Bureau (Through Official Channels)
FROM: Deputy Commanding Officer, Administrative Inspection Section
SUBJECT: COUNTY IMPOUND GARAGE CONTRACT, POLICE DEPARTMENT INITIAL INSPECTIONS

1. The Administrative Inspection Section conducted Initial Police Inspections for the County of Nassau published R.F.P. bid number 9899-08144-171 dated July 31, 2014 entitled *County Impound Garage Contracts* (a copy of the bid is attached). The request for the Initial Police Inspections was requested by the Personnel and Accounting Bureau via e-mail, and initiated after notifying the Commissioner of Police for approval to conduct the inspection.

2. As specified in the bid, paragraph 13 subdivisions 2.0 through 2.3 (on page 20) the Police Initial Inspection included verifying:

- a) Required towing vehicles
- b) Required fenced and lighted premises
- c) Name and agreement required for heavy towing as specified in paragraph 7

3. The following list identifies: the zone, tentative bid awards, monthly average of tows for the years 2010 thru 2012, combined monthly average for the three years, the minimum number of tow vehicles and storage capacity necessary to service each zone. An accounting history of the monthly tows for new zones 21 (Long Island Expressway), 22 (Seaford Oyster Bay Expressway), and 23 (Heavy Duty Towing) were not specified in the bid request. After consulting with HPB, it was determined that the number of monthly tows for either the (zone 21) or the (zone 22) could exceed 25. In light of the fact that successful bidders for zones 1 thru 20 must have the ability to supply the equipment necessary to remove heavy vehicles from roadways, it was determined that the winning bidder responsible for removing heavy vehicles county wide (zone 23) should have the ability provide the services of at least one (1) heavy duty tow vehicle and the facilities necessary to store twelve (12) heavy vehicles.

4. **A-1 Grand Auto Body Inc.:** This vendor owns and or leases eight (8) fenced and lighted storage lots within the confines of zone 6. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 1&4 (bid as a unit), 6, 7, 10 and 11. However, the corporation presently owns and operates six (6) registered and insured tow vehicles which is less than the minimum of eight (8) required to service the six (6) zones described above. The next highest responsible bidder for zones 1&4 is North Shore Auto and Towing. They have the available tow vehicles and storage capacity to service zones 1 and 4. A-1 Grand Auto Body Inc. has contracted with Chester's Towing & recovery of Port Washington to service all tows involving heavy vehicles. Brian J. Hogan, a company principal and driver for A-1 Grand Auto Body Inc., currently has two (2) open violation warrants issued in 2000. He was made aware of their existence and understands that the contract may not be awarded to his firm if these issues are not resolved in a timely fashion.

5. **C & R Automotive Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots within the confines of zone 9. Their capacity to store vehicles far exceeds the mandated one hundred and eight (108) necessary to service zones 2&5 (bid as a unit), 8, 9, 12, 13, 16, 17 and 18. They currently own and operates seventeen (17) registered and insured tow vehicles which far exceeds the minimum of nine (9) required to service the nine (9) zones described above. However, this bidder does not own or lease a premise to store impounded vehicles within zone 16 or an adjacent zone. The next highest responsible bidder for zone 16 is All County Towing and Recovery Inc. They have the available tow vehicles and storage capacity to service zone 16. C&R Automotive Inc. is also the highest responsible bidder for the newly added zones of 22 (Seaford Oyster Bay Expressway) and 23 (Heavy Duty Towing – County Wide). They presently own and operate seven (7) tow vehicles having GVWR of 33000 pounds or more.

6. **All County Towing and Recovery Inc.:** This vendor owns and or leases two (2) fenced and lighted storage lots located within zones 16 and 19. Their capacity to store vehicles far exceeds the mandated thirty six (36) necessary to service zones 14, 19 and 20. They currently own and operate nine (9) registered and insured tow vehicles which far exceeds the minimum of three (3) required to service the three (3) zones described above. Three (3) of their tow vehicles have GVWR of 33000 pounds or more. All County Towing and Recovery Inc. has the ability to service zones 15 and 16 in addition to zones 14, 19 and 20.

7. **North Shore Auto & Towing Inc.:** This vendor owns and or leases two (2) fenced and lighted storage locations within the confines of zone 3. Their capacity to store vehicles far exceeds the mandated twelve (12) necessary to service zone 3. They currently own and operate four (4) registered and insured tow vehicles which exceed the minimum of one (1) necessary to service zone 3. North Shore Auto & Towing has the ability to service zone 1 & 4 in addition to servicing zone 3. North Shore Auto & Towing Inc. has contracted with AAAA-1 Auto and Towing to supply heavy duty equipment should the need arise.

8. **T & D Towing Corporation:** This vendor leases and or owns two (2) fenced and lighted storage locations located within the confines of Zone 2. These storage locations have the capacity to store in excess of 50 vehicles. They currently own and operate four (4) registered and insured tow vehicles and also have contracted with Bills Towing Service of Hicksville to supply heavy duty equipment should the need arise.

9. **JCB & Sons Inc.:** This vendor leases a storage building in the Village of Freeport within the confines of zone 16. The Village of Freeport Building Department has not approved this building for the storage of wrecked vehicles. JCB & Sons Inc. also leases a portion of a fenced and lighted storage lot located on Newbridge Road in Bellmore. This facility is located in zone 17. Although the storage capacity of this location exceeds the mandated twelve (12) necessary to service zone 15, zone 17 is not adjacent to zone 15. Additionally, it should be noted that zone 15 includes a portion of Brookside Avenue which is located within the Village of Freeport. The tow vehicles owned and or operated by JCB & Sons Inc. are not licensed by the Village of Freeport and therefore are precluded from towing any vehicles from a village roadway. Finally, the corporation does not possess a license to operate as a repair shop within the state of NY. The next highest responsible bidder for zone 15 is All County Towing and Recovery Inc. They have the available tow vehicles, storage capacity and licensing to service zone 15.

CONTRACTOR shall be entitled to charge the vehicle's owner for any storage after the next business day after the DEPARTMENT'S notification that the hold has been removed beginning with the rate for the first seven (7) days.

(p) CONTRACTOR shall not release, sell, purchase or in any manner dispose of any motor vehicle or motorcycle placed in such garage by the DEPARTMENT without written authorization of the DEPARTMENT. CONTRACTOR shall cause an insurance claim to be filed with their insurance company if necessary to pay a claim.

(r) CONTRACTOR shall allow and permit the owner of the impounded vehicle (or other authorized person claiming the possession of the vehicle) access to the impounded vehicle for the purpose of taking possession of any personal property found within the vehicle and obtaining proof of registration, financial security, title or documentation in support thereof, as required by section 511-b (7) of the New York State Vehicle and Traffic Law. CONTRACTOR shall notify the DEPARTMENT, by contacting the Precinct Impound Clerk ("Impound Clerk"), of a request by the owner (or other authorized person claiming the possession of the vehicle) for access to the impounded vehicle. CONTRACTOR shall identify and document (i) name, address, and phone number of person accessing vehicle, (ii) date and time of access, (iii) vehicle being accessed, (iv) brief description of property removed from vehicle, and (v) signature of person accessing vehicle acknowledging the information documented. If received after the first of the month the CONTRACTOR agrees to pay a late payment penalty calculated as follows: dollar amount outstanding multiplied by twenty percent (20%) divided by three hundred sixty-five days and then multiplied by the number of days outstanding, beginning with the first day of the month (for example, the late payment penalty for a monthly payment amount of \$100.00 outstanding and not paid until the fifteenth day of the month would be figured as follows: $\$100.00 \times 0.20 = \$ 20.00 / 365 = \$.05 \times 15 = \$.75$). If this Agreement commences after the first of the month then CONTRACTOR shall pay the pro-rata share of the franchise fee for the remaining portion of the first month of the Agreement within five (5) business days of the commencement of this Agreement.

All submitted claims must have all sufficient detail, including copy of the notification releasing the vehicles, dates, test performed etc.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the CONTRACTOR and any funding source including the COUNTY.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the CONTRACTOR following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the CONTRACTOR received notice that the COUNTY did not desire to receive such services.

The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, a living wage, disclosure of information, and vendor registration, in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's vendor registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

(i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;

(ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty (30) days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(c) In connection with the termination or impending termination of this Agreement the CONTRACTOR shall, regardless of the reason for termination, take all actions reasonably requested by the COUNTY (including those set forth in other provisions of this Agreement) to assist the COUNTY in transitioning the CONTRACTOR'S responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

8. Indemnification; Defense; Cooperation. (a) The CONTRACTOR shall be solely responsible for and shall indemnify and hold harmless the COUNTY, the DEPARTMENT and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the CONTRACTOR or a CONTRACTOR Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the CONTRACTOR shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the COUNTY.

(b) The CONTRACTOR shall, upon the COUNTY'S demand and at the COUNTY'S direction, promptly and diligently defend, at the CONTRACTOR'S own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the CONTRACTOR is responsible under this Section, and, further to the CONTRACTOR'S indemnification

obligations, the CONTRACTOR shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The CONTRACTOR shall, and shall cause CONTRACTOR'S agents to, cooperate with the COUNTY and the DEPARTMENT in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the CONTRACTOR and/or a CONTRACTOR'S agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The CONTRACTOR shall obtain and maintain throughout the term of this Agreement and any renewals or extensions thereof, at its own expense: (i) Garage Liability and Commercial General Liability Insurance, which policies shall name "Nassau County" as an additional insured and have a minimal single combined limit of THREE MILLION and 00/100 (\$3,000,000.00) DOLLARS for bodily injury and property damage per occurrence. Such insurance shall include but not be limited to the torts and negligence of CONTRACTOR'S personnel. CONTRACTOR, upon executing this Agreement, shall furnish COUNTY with a certificate of insurance evidencing such coverage, naming Nassau County as additional insured, and containing a provision against cancellation or material change without at least thirty (30) days written notice to COUNTY, (ii) Garage Keeper's Legal Liability Insurance with a minimal limit of TWO HUNDRED THOUSAND and 00/100 (\$200,000.00) DOLLARS, (iii) Compensation Insurance for the benefit of the CONTRACTOR'S employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and shall furnish to COUNTY a certificate of insurance evidencing such insurance, (iv) such additional insurance as the COUNTY may from time to time specify.

The CONTRACTOR shall be solely responsible for the payment of all deductibles to

which such policies are subject. The CONTRACTOR shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the CONTRACTOR under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the POLICE DEPARTMENT. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the DEPARTMENT of the same and deliver to the DEPARTMENT renewal or replacement certificates of insurance. The CONTRACTOR shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the CONTRACTOR to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the COUNTY reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the COUNTY upon thirty (30) days' written notice to the CONTRACTOR, (ii) for "Cause" by the COUNTY immediately upon the receipt by the CONTRACTOR of

written notice of termination, (iii) upon mutual written Agreement of the COUNTY and the CONTRACTOR, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

(b) Cause. As used in this Agreement the word "Cause" includes, but is not limited to: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all approvals, licenses, insurance and permits required for the services described in this Agreement to be legally and professionally rendered; (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement; (iv) overcharging; and (v) failure to satisfactorily resolve disputes.

(c) By the CONTRACTOR. This Agreement may be terminated by the CONTRACTOR if performance becomes impracticable through no fault of the CONTRACTOR, where the impracticability relates to the CONTRACTOR'S ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the CONTRACTOR delivering to the Commissioner or other head of the DEPARTMENT (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the CONTRACTOR is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the CONTRACTOR'S right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the DEPARTMENT (the "Applicable DCE") on the same day that notice is given to the Commissioner.

12. Accounting Procedures; Records. (a) The CONTRACTOR shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the CONTRACTOR is a non-profit entity, must comply with the accounting guidelines set forth in the federal

Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the DEPARTMENT, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) CONTRACTOR shall be responsible for the accurate preparation and maintenance of these records in a ledger or binder in a neat and legible manner, arranged by precinct and impound number clearly denoting all details pertinent to the impound including but not limited to vehicle information including year, make, model, VIN number, date, time and location of impound, date of release, all fees and charges and any relevant communications with the DEPARTMENT or the vehicle owner. CONTRACTOR shall be responsible for the accurate preparation and maintenance of records consistent with acceptable bookkeeping procedures. CONTRACTOR shall provide copies of these records to the DEPARTMENT upon the expiration or termination of this Agreement.

(c) Once each month, but not later than the 10th of the month, CONTRACTOR shall provide by e-mail or fax a list of vehicles which they have on their premises. The notice shall include vehicle year, make, model, VIN number, date, time and location of impound. Failure to provide such notice may, in the County's sole discretion, result in CONTRACTOR'S waiving their right to any outstanding charges due for storage of said vehicles.

13. Limitations on Actions and Special Proceedings Against the COUNTY. No action or special proceeding shall lie or be prosecuted or maintained against the COUNTY upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the COUNTY shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the

documents presented to the Applicable DCE under this Section to each of (i) the DEPARTMENT and the (ii) the County Attorney (at the address specified above for the COUNTY) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the COUNTY.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau COUNTY in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

15. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a COUNTY employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the DEPARTMENT, to the attention of the Commissioner at the address specified above for the DEPARTMENT, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the DEPARTMENT) at the address specified above for the COUNTY, (iii) if to the Comptroller, to the attention of the

Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

16. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

17. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

18. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement. In the event of a conflict between the

terms of this Agreement and the terms of the bid proposal, the terms of this Agreement shall control.

19. Administrative Service Charge. The Contractor agrees to pay the COUNTY an administrative service charge of Five Hundred Thirty Three (\$533.00) DOLLARS for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001, as amended by Ordinance No.128-2006. § 184. Lien of bailee of motor vehicles, motor boats or aircraft.

1. A person keeping a garage, hangar or place for the storage, maintenance, keeping or repair of motor vehicles as defined by the vehicle and traffic law, or of motor boats as defined by article seven of the navigation law, or of aircraft as defined by article fourteen of the general business law, and who in connection therewith tows, stores, maintains, keeps or repairs any motor vehicle, motor boat, or aircraft or furnishes gasoline or other supplies therefor at the request or with the consent of the owner or, subject to the provisions of subdivision two of this section, tows and stores any motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, whether or not such motor vehicle, motor boat or aircraft is subject to a security interest, has a lien upon such motor vehicle, motor boat or aircraft for the sum due for such towing, storing, maintaining, keeping or repairing of such motor vehicle, motor boat or aircraft or for furnishing gasoline or other supplies therefor and may detain such motor vehicle, motor boat or aircraft at any time it may be lawfully in his possession until such sum is paid, except that if the lienor, subsequent to thirty days from the accrual of such lien, allows the motor vehicle, motor boat or aircraft out of his actual possession the lien provided for in this section shall thereupon become void as against all security interests, whether or not perfected, in such motor vehicles, motor boat or aircraft and executed prior to the accrual of such lien, notwithstanding possession of such motor vehicle, motor boat or aircraft is thereafter acquired by such lienor. However, if the bailee of a motor vehicle, motor boat or aircraft has furnished a written estimate of the cost of towing, storage, maintenance, repair or any other service on such motor vehicle, motor boat or aircraft, any lien sought by such bailee for such service may not be in an amount in excess of the written estimate.

2. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle shall be entitled to a lien for the reasonable costs of such towing and storage, provided that such person, within five working days from the initial towing, mails to the owner of said motor vehicle a notice by certified mail return receipt requested that contains the name of the person who towed and is storing said motor vehicle, the amount that is being claimed for such towing and storage, and the address and times at which said motor vehicle may be recovered. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

5. A person who tows and stores a motor vehicle at the request of a law enforcement officer authorized to remove such motor vehicle, and who seeks to assert a lien for the storage of such motor vehicle pursuant to subdivision two of this section shall mail by certified mail, return receipt requested, a notice pursuant to this subdivision to every person who has perfected a security interest in such motor vehicle or who is listed as a lienholder upon the certificate of title of such motor vehicle pursuant to the vehicle and traffic law within twenty days of the first day of storage. Such notice shall include the name of the person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is a motor vehicle that is to be sold pursuant to subdivision three of section two hundred two of this article of a value of less than five hundred dollars or other property that is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, return receipt requested, and by first-class mail. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens

Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment cancelling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception

1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is then held and the time and place of such sale, provided, that if the property to be sold is

a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

3. Notwithstanding subdivisions one and two of this section, sale of a motor vehicle having a wholesale value, taking into consideration the condition of the vehicle, of less than five hundred dollars to satisfy a lien for towing and storage under section one hundred eighty-four of this chapter, may be made directly to a registered vehicle dismantler or licensed scrap processor, both as defined in section four hundred fifteen-a of the vehicle and traffic law, on the condition that the motor vehicle shall never be titled again and must be dismantled or scrapped. Such sale shall not occur prior to thirty days after notice is mailed pursuant to section two hundred one of this article or sixty days after the date of the initial tow, whichever is later.

§ 202-a. Sale of a security

A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§ 202-b. Pledgee may buy at public sale

Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§ 203. Redemption before sale

At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and

advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§ 204. Disposition of proceeds

Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons, and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive

The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien

An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon

If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment

In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court

Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application

Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support

1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property

owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded

equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be

inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other

activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract.

Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

TITLE

Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.
