Instructions: Please check the appropriate box ("☐") after one of the following roman numerals, and provide all the requested information.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

_____ [list members]. The proposals were scored and ranked. As a result of the scoring and ranking (attached), the highest-ranking proposer was selected.

III. ☒ This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on October 15, 2010 [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract, COPD10-000010, was made pursuant to Sealed Bid 9899-05269-038. [describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.
- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.
- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.
- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

WITNESSETH:

WHEREAS, pursuant to Section 8-22.0 of the Nassau County Administrative Code, the Police Department of Nassau County is under a direction to remove nuisances existing in public streets, roads, places and highways and to regulate the movement of vehicular traffic in streets, roads, places and highways; and

WHEREAS, from time to time vehicles as a result of mechanical breakdowns, accidents and abandonments become such nuisances and impede the movement of vehicular traffic in streets, roads, places and highways; and

WHEREAS, in order to remove such vehicles as become nuisances and impediments to movement of vehicular traffic, in streets, roads, places and highways, it is necessary to use services to tow cars; and

WHEREAS, from time to time, pursuant to the Nassau County Administrative Code and/or the New York State Vehicle and Traffic Law, the DEPARTMENT impounds motor vehicles and directs that they be towed from the scene of incident and stored pending further notice; and

WHEREAS, it is necessary to have such tow cars available at the direction of the DEPARTMENT on a twenty-four (24) hour a day, seven (7) day a week basis, to tow, store and release such vehicles; and

WHEREAS, the DEPARTMENT does not have sufficient tow cars and storage facilities of its own to provide such towing and storage services; and

WHEREAS, the COUNTY, pursuant to General Municipal Law Sec. 103, has, under Nassau County Bid No. 9899-05269-038, solicited bids from firms engaged in the business of operating tow vehicles; and

WHEREAS, CONTRACTOR has submitted the highest bid for the zone or zones hereinafter assigned to it and has been found qualified to perform the services required; and

WHEREAS, COUNTY desires to hire the CONTRACTOR to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter; and

WHEREAS, CONTRACTOR desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

1. (a) Term. This Agreement shall commence on March 1, 2010 and terminate on February 28, 2013, unless sooner terminated by the COUNTY in accordance with this agreement.

(b) Renewal. COUNTY has an option to extend this Agreement up to two (2) years upon the same terms and conditions as set forth in this Agreement. COUNTY shall, through the DEPARTMENT, give CONTRACTOR one (1) month prior notice in order to exercise this option.

2. Services. The services to be provided by the CONTRACTOR under this Agreement shall consist of:

(a) CONTRACTOR agrees to provide towing services and storage facilities in the zones numbered 1 and 4 as set forth in its bid proposal, which is annexed hereto and made a part hereof.

(b) CONTRACTOR agrees to provide towing services and storage to the zones adjacent to the assigned zones when the vendor servicing said adjacent zone is unavailable. CONTRACTOR shall report any damage to the impounded vehicle including damage to the equipment and miscellaneous items therein to the local precinct immediately. CONTRACTOR shall also report any missing items to the local precinct immediately. CONTRACTOR, in a timely fashion, will cause the damage to be fixed, the item to be replaced or reimburse the owner of the vehicle (or other authorized person claiming the possession of the vehicle) in order that the damage may be fixed or the item replaced. CONTRACTOR shall cause an insurance claim to be filed with their insurance company if necessary to pay a claim.

(r) CONTRACTOR shall allow and permit the owner of the impounded vehicle (or other authorized person claiming the possession of the vehicle) access to the impounded vehicle for the purpose of taking possession of any personal property found within the vehicle and obtaining proof of registration, financial security, title or documentation in support thereof, as required by section 511-b (7) of the New York State Vehicle and Traffic Law. CONTRACTOR shall notify the DEPARTMENT, by contacting the Precinct Impound Clerk ("Impound Clerk"), of a request by the owner (or other authorized person claiming the possession of the vehicle) for access to the impounded vehicle. CONTRACTOR

shall identify and document (i) name, address, and phone number of person accessing vehicle, (ii) date and time of access, (iii) vehicle being accessed, (iv) brief description of property removed from vehicle, and (v) signature of person accessing vehicle acknowledging the information documented. 3. Payment. (a) Amount of Consideration. The amount to be paid to the COUNTY as full consideration for the franchises herein granted to CONTRACTOR under this Agreement shall be payable as follows:
(i) CONTRACTOR agrees to pay for the franchises herein granted annually in twelve (12) equal installments monthly in advance to COUNTY for the following zone or zones:

Zone 1 & 4 – \$ 33,053.00 per annum

The check shall be made payable to the "Nassau County" in the amount of \$2,754.41 and delivered to the Commanding Officer, Personnel and Accounting Bureau, Nassau County Police Department, 1490 Franklin Avenue, Mineola, New York 11501 prior to the first of each month for the next ensuing month. If the franchise fee or any portion thereof is not received by the fifth day of the month, then CONTRACTOR agrees to pay a late payment penalty calculated as follows: dollar amount outstanding multiplied by twenty percent (20%) divided by three hundred sixty-five days and then multiplied by the number of days outstanding, beginning with the first day of the month (for example, the late payment penalty for a monthly payment amount of \$2,754.41 outstanding and not paid until the fifteenth day of the month would be figured as follows: $\$2754.41 \times 0.20 = \$550.88 / 365 = \$1.51 \times 15 = \22.64). If this Agreement commences after the first of the month then CONTRACTOR shall pay the pro-rata share of the franchise fee for the remaining portion of the first month of the Agreement within five (5) business days of the commencement of this Agreement.

(ii) CONTRACTOR agrees to obtain and keep in force at all times during the life of this Agreement and any renewals or extensions thereof, a performance

bond or equivalent to secure the faithful performance of this Agreement in the sum of \$33,053.00 with good and sufficient sureties acceptable to COUNTY. CONTRACTOR shall provide the performance bond or equivalent to COUNTY upon executing this Agreement.

(b) The amount to be paid to the CONTRACTOR as full consideration for the CONTRACTOR'S services under this Agreement shall be paid as follows: CONTRACTOR agrees that payment by COUNTY will be made in arrears with regard to paragraph two (2) subparagraph (o) and for vehicle towing charges pursuant to paragraph two (2) subparagraph (m), § IV.

(c) Vouchers; Voucher Review, Approval and Audit. Payments shall be made to the CONTRACTOR in arrears and shall be contingent upon (i) the CONTRACTOR submitting a claim voucher (the "Voucher") in a form satisfactory to the COUNTY, that (A) states with reasonable specificity the services provided and the payment requested as consideration for such services, (B) certifies that the services rendered and the payment requested are in accordance with the Agreement, and (C) is accompanied by documentation satisfactory to the COUNTY supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the POLICE DEPARTMENT and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Timing of Payment Claims. The CONTRACTOR shall submit claims no later than three (3) months following the COUNTY'S receipt of the services that are the subject of the claim and no more frequently than once a month.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the CONTRACTOR and any funding source including the COUNTY.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the CONTRACTOR following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the CONTRACTOR received notice that the COUNTY did not desire to receive such services.

The CONTRACTOR shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, and disclosure of information, in connection with its performance under this Agreement. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The CONTRACTOR acknowledges that CONTRACTOR Information in the COUNTY'S possession may be subject to disclosure under Section 87 of the New York State Public Officer's Law. In the event that such a request for disclosure is made, the COUNTY shall make reasonable efforts to notify the CONTRACTOR of such request prior to disclosure of the Information so that the CONTRACTOR may take such action as it deems appropriate.

(c) In connection with the termination or impending termination of this Agreement the CONTRACTOR shall, regardless of the reason for termination, take all actions reasonably requested by the COUNTY (including those set forth in other provisions of this Agreement) to assist the COUNTY in transitioning the CONTRACTOR'S responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

8. Indemnification; Defense; Cooperation. (a) The CONTRACTOR shall be solely responsible for and shall indemnify and hold harmless the COUNTY, the DEPARTMENT and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the CONTRACTOR or a CONTRACTOR Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the CONTRACTOR shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the COUNTY.

(b) The CONTRACTOR shall, upon the COUNTY'S demand and at the COUNTY'S direction, promptly and diligently defend, at the CONTRACTOR'S

own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the CONTRACTOR is responsible under this Section, and, further to the CONTRACTOR'S indemnification obligations, the CONTRACTOR shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The CONTRACTOR shall, and shall cause CONTRACTOR'S agents to, cooperate with the COUNTY and the DEPARTMENT in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the CONTRACTOR and/or a CONTRACTOR'S agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The CONTRACTOR shall obtain and maintain throughout the term of this Agreement and any renewals or extensions thereof, at its own expense: (i) Garage Liability and Commercial General Liability Insurance, which policies shall name "Nassau County" as an additional insured and have a minimal single combined limit of THREE MILLION and 00/100 (\$3,000,000.00) DOLLARS for bodily injury and property damage per occurrence. Such insurance shall include but not be limited to the torts and negligence of CONTRACTOR'S personnel. CONTRACTOR, upon executing this Agreement, shall furnish COUNTY with a certificate of insurance evidencing such coverage, naming Nassau County as additional insured, and containing a provision against cancellation or material change without at least thirty (30) days written notice to COUNTY, (ii) Garage Keeper's Legal Liability Insurance with a minimal limit of TWO HUNDRED THOUSAND and 00/100 (\$200,000.00) DOLLARS, (iii) Compensation Insurance for the benefit of the CONTRACTOR'S employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and shall furnish to COUNTY a certificate of insurance evidencing such insurance, (iv) such additional insurance as the COUNTY may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by

one or more commercial insurance carriers licensed to do business in New York State and acceptable to the COUNTY, and (ii) in form and substance acceptable to the COUNTY. The CONTRACTOR shall be solely responsible for the payment of all deductibles to which such policies are subject. The CONTRACTOR shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the CONTRACTOR under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the POLICE DEPARTMENT. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the DEPARTMENT of the same and deliver to the DEPARTMENT renewal or replacement certificates of insurance. The CONTRACTOR shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the CONTRACTOR to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the COUNTY reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the COUNTY upon thirty (30) days' written notice to the CONTRACTOR, (ii) for "Cause" by the COUNTY immediately upon the receipt by the CONTRACTOR of written notice of termination, (iii) upon mutual written Agreement of the COUNTY and the CONTRACTOR, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

(b) Cause. As used in this Agreement the word "Cause" includes, but is not limited to: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all approvals, licenses, insurance and permits required for the services described in this Agreement to be legally and professionally rendered; (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement; (iv) overcharging; and (v) failure to satisfactorily resolve disputes.

(c) By the CONTRACTOR. This Agreement may be terminated by the CONTRACTOR if performance becomes impracticable through no fault of the CONTRACTOR, where the impracticability relates to the CONTRACTOR'S ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the CONTRACTOR delivering to the Commissioner or other head of the DEPARTMENT (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the CONTRACTOR is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the CONTRACTOR'S right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the DEPARTMENT (the "Applicable DCE") on the same day that notice is given to the Commissioner.

12. Accounting Procedures; Records. (a) The CONTRACTOR shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting

Principles and, if the CONTRACTOR is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the DEPARTMENT, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) CONTRACTOR shall be responsible for the accurate preparation and maintenance of these records in a ledger or binder in a neat and legible manner, arranged by precinct and impound number clearly denoting all details pertinent to the impound including but not limited to vehicle information including year, make, model, VIN number, date, time and location of impound, date of release, all fees and charges and any relevant communications with the DEPARTMENT or the vehicle owner. CONTRACTOR shall be responsible for the accurate preparation and maintenance of records consistent with acceptable bookkeeping procedures. CONTRACTOR shall provide copies of these records to the DEPARTMENT upon the expiration or termination of this Agreement.

(c) Once each month, but not later than the 10th of the month, CONTRACTOR shall provide by e-mail or fax a list of vehicles which they have on their premises. The notice shall include vehicle year, make, model, VIN number, date, time and location of impound. Failure to provide such notice may, in the County's sole discretion, result in CONTRACTOR'S waiving their right to any outstanding charges due for storage of said vehicles.

13. Limitations on Actions and Special Proceedings Against the COUNTY. No action or special proceeding shall lie or be prosecuted or maintained against the COUNTY upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. Such notice shall further state that the person mailing said notice claims a lien on said motor vehicle and that said motor vehicle shall be released to the owner thereof or his or her lawfully designated representative upon full payment of all charges accrued to the date that said motor vehicle is released. A person who mails the foregoing notice within said five-day period shall be entitled to a lien for storage from and after the date of initial towing, but a person who fails to mail such notice within said five day period shall only be entitled to a lien for storage from and after the date that the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing. .

3. The provisions of this section shall not apply to a person who tows and stores a motor vehicle at the request of a law enforcement officer where such request is made pursuant to the provisions of a local law or ordinance regulating the towing and safekeeping of stolen or abandoned vehicles within such locality and which requires such motor vehicle to be turned over to the locality after a specified period of time.

4. The lien provided herein shall not inure to the benefit of any person required to be registered as a motor vehicle repair shop pursuant to article twelve-A of the vehicle and traffic law who is not so registered.

Such notice shall include the name of the

person providing storage of the motor vehicle, the amount being claimed for such storage, and address and times at which the motor vehicle may be recovered. The notice shall also state that the person providing such notice claims a lien on the motor vehicle and that such motor vehicle shall be released upon full payment of all storage charges accrued on the date the motor vehicle is released. A person who mails such notice within such twenty day period shall be entitled to a lien for storage from and after the first date of storage. A person who fails to mail such notice within such twenty day period shall only be entitled to a lien for the amount payable for storage from and after the date the notice was mailed. A failure to mail such notice in a timely fashion shall not affect a lien for towing.

§200. Sale of personal property to satisfy a lien. A lien against personal property, other than the lien of a warehouseman pursuant to section 7--209 of the uniform commercial code, the lien of a carrier pursuant to section 7--307 of the uniform commercial code, a security interest in goods and the lien of a keeper of a hotel, apartment hotel, inn, boarding-house or lodging-house, except an immigrant lodging-house, if in the legal possession of the lienor, may be satisfied by the sale of such property according to the provisions of this article.

§201. Notice of sale. Before such sale is held the lienor shall serve a notice upon the owner with due diligence within such county, if such owner can be found where such lien arose, if not then to the person for whose account the same is then held personally, provided such service can be made with due diligence within the county where such lien arose, but if such owner or person cannot with due diligence be found within such county, or if the property affected, other than a security, is of a value of less than one hundred dollars, then such notice shall be served by mailing it to the owner at his last known place of residence, or to his last known post-office address or if the owner's place of residence or post-office address is not known, then to the last known place of residence or last known post-office address of the person for whose account the same is then held personally. Any notice permitted herein to be served by mail shall be sent by certified mail, or by first-class

mail if the lienor has obtained from the United States post office department a certificate of mailing. A like notice shall be served in the same way upon any person who shall have given to the lienor notice of an interest in the property subject to the lien and upon any person who has perfected a security interest in the property by filing a financing statement pursuant to the provisions of the uniform commercial code or who is listed as lienholder upon the certificate of title of the property pursuant to the provisions of the vehicle and traffic law. Such notice shall contain a statement of the following facts:

1. The nature of the debt or the agreement under which the lien arose, with an itemized statement of the claim and the time when due;
2. A brief description of the personal property against which the lien exists;
3. The estimated value of such property;
4. The amount of such lien, at the date of the notice.

It shall also require such owner or any such person to pay the amount of such lien, on or before a day mentioned therein, not less than ten days from the service thereof, and shall state the time when and place where such property will be sold, if such amount is not paid; and it shall state that the owner or any such person is entitled to bring a proceeding under section two hundred one-a of this article within ten days of the service of notice if he disputes the validity of the lien or the amount claimed. If the agreement on which the lien is based provides for the continuous care of property the lienor is also entitled to receive all sums which may accrue under the agreement, subsequent to the notice and prior to payment or a sale of the property; and the notice shall contain a statement that such additional sum is demanded. Such notice shall be verified by the lienor to the effect that the lien upon such property is valid, that the debt upon which such lien is founded is due and has not been paid and that the facts stated in such notice are true to the best of his knowledge and belief.

§ 201-a. Proceeding to determine validity of liens. Within ten days after service of the notice of sale, the owner or any person entitled to notice pursuant to section two hundred one of this article may commence

a special proceeding to determine the validity of the lien. The special proceeding may be brought in any court which would have jurisdiction to render a judgment for a sum equal to the amount of the lien. If the owner or any such person shall show that the lienor is not entitled to claim a lien in the property, or that all or part of the amount claimed by the lienor has not been properly charged to the account of such owner or such person, or, as the case may be, that all or part of such amount exceeds the fair and reasonable value of the services performed by the lienor, the court shall direct the entry of judgment canceling the lien or reducing the amount claimed thereunder accordingly. If the lienor shall establish the validity of the lien, in whole or in part, the judgment shall fix the amount thereof, and shall provide that the sale may proceed upon the expiration of five days after service of a copy of the judgment together with notice of entry thereof upon the owner or such person, unless the property is redeemed prior thereto pursuant to section two hundred three of this article. If the lien is cancelled, the judgment shall provide that, upon service of a copy of the judgment together with notice of entry thereof upon the lienor, the owner or such person shall be entitled to possession of the property.

§ 202. Sale to be advertised; exception. 1. Each sale of personal property of a value of one hundred dollars or more, or of any security, to satisfy a lien thereon shall be at public auction to the highest bidder, and shall be held in the city or town where the lien was acquired. After the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article, notice of such sale shall be published once a week, for two consecutive weeks, in a newspaper published in the town or city where such sale is to be held, and such sale shall be held not less than fifteen days from the first publication; if there be no newspaper published in such town, such notice shall be posted at least ten days before such sale in not less than six conspicuous places therein. Such notice shall describe the property to be sold and shall state the name of the person for whose account the same is then held and the time and place of such sale,

provided, that if the property to be sold is a security, the description in such notice shall consist of a statement of the name of the issuer or obligor, the state of incorporation or organization of the issuer or obligor, the amount and class of the security and the address of the issuer or obligor last known to the lienor. For the purpose of this article, the term "security" shall include common and preferred stocks and bonds, debentures, notes and other obligations, corporate or otherwise, for the payment of money.

2. Each sale of personal property of a value of less than one hundred dollars, other than a security, to satisfy a lien thereon, shall be made pursuant to the provisions of subdivision one hereof, or at a bona fide private sale in the city or town where the lien was acquired. A bona fide private sale pursuant to this section shall not be made until the expiration of six months after the time for the payment of the amount of the lien specified in the notice required to be served by section two hundred one or two hundred one-a of this article. Notice of the bona fide private sale shall be posted at least twenty days before such sale in a conspicuous place on the premises where the personal property was left or delivered by the owner. Such notice shall either (a) contain the name and address of the owner and a brief description of the property, or (b) provide that all property left on or before a specified date will be subject to sale, and shall also specify the time and place of sale.

§ 202-a: Sale of a security. A description of a security, as such term is defined in section two hundred two, substantially similar to the description specified in said section shall, in the absence of agreement to the contrary and unless otherwise provided by statute, be deemed sufficient for the purposes of a notice of sale of such security at public auction to satisfy a lien thereon although such sale is not made pursuant to the provisions of this article. Nothing in this section or in section two hundred two or in section two hundred two-b shall be construed to invalidate any sale of such a security made in accordance with the provisions of an applicable agreement.

§202-b. Pledgee may buy at public sale. Unless the pledge agreement otherwise provides, in all cases where a pledgee may lawfully sell

pledged property and the property is sold at public sale, the pledgee, or his assignee or the legal representative of either, may fairly and in good faith purchase the pledged property or any part thereof at the sale. This section does not apply to a sale of property pawned or pledged with a collateral loan broker.

§203. Redemption before sale. At any time before such property is so sold, the owner thereof or any person entitled to notice of sale pursuant to section two hundred one of this article may redeem the property by paying to the lienor the amount due on account of the lien, and whatever legitimate expenses have been incurred at the time of such payment in serving the notice and advertising the sale as required in this article. Upon making such payment, any of such persons are entitled to the possession thereof.

§204. Disposition of proceeds. Of the proceeds of such sale, the lienor shall retain an amount sufficient to satisfy his lien, and the expenses of advertisement and sale. The balance of such proceeds, if any, shall be held by the lienor subject to the demand of the owner, or his assignee or legal representative, or any person entitled to notice of sale pursuant to section two hundred one of this article. A notice that such balance is so held shall be served personally or by mail upon all such persons. If such balance is not claimed by any of such persons within thirty days from the day of sale, such balance shall be deposited with the treasurer or chamberlain of the city or village, or the commissioner of finance in the city of New York, or the supervisor of the town, where such sale was held. There shall be filed with such deposit, the affidavit of the lienor, stating the name and place of business or residence of such persons, if known, the articles sold, the prices obtained therefor, that the notice required by this article was duly served and how served upon such persons, and that such sale was legally and how advertised. There shall also be filed therewith a copy of the notice or judgment served upon such persons and the notice of sale published or posted as required by this article. The officer with whom such balance is deposited shall credit the same to such persons,

and pay the same to such persons on demand and satisfactory evidence of identity. If such balance remains in the possession of such officer for a period of five years, unclaimed by a person legally entitled thereto, it shall be transferred to the general funds of the town, village or city, and be applied and used as other moneys belonging to such town, village or city.

§ 205. Remedy not exclusive. The preceding provisions of this article do not preclude any other remedy by action or otherwise, now existing, for the enforcement of a lien against personal property, or bar the right to recover so much of the debt as shall not be paid by the proceeds of the sale of the property.

§ 206. Enforcement by action; when and in what courts; procedure in action to foreclose real property mortgage applicable in actions to foreclose a mortgage or other lien. An action may be maintained to foreclose a lien upon a chattel, for a sum of money, in any case where such a lien exists at the commencement of the action. The action may be brought in any court, of record or not of record, which would have jurisdiction to render a judgment, in an action founded upon a contract, for a sum equal to the amount of the lien. For the purposes of this section and of sections two hundred seven to two hundred ten inclusive a chattel mortgage to secure the payment of a loan of money or other debt, or the purchase price of chattels, a contract of conditional sale of personal property, a hiring of personal property where title is not to vest in the person hiring until payment of a certain sum and a security interest created by a security agreement in personal property, shall be deemed a lien upon a chattel. The procedure in an action to foreclose a mortgage on real property, in so far as it may be applicable, shall apply in actions to foreclose a mortgage or other lien on chattels or other personal property.

§ 207. Warrant to seize chattel; proceedings thereupon. If the plaintiff is not in possession of the chattel, a warrant may be granted by the court, or a judge thereof, commanding the sheriff, or such enforcement officer as is provided by law to execute the mandates of the

particular court, to seize the chattel and safely keep it to abide the final judgment in the action. The provisions of the civil practice law and rules, and the provisions of the court act of the particular court, relating to an order of attachment shall apply to such warrant of seizure, and to the proceedings to procure it, and after it has been issued, except as otherwise expressly prescribed in this article.

§ 208. Judgment. In an action brought in a court specified in the last section, final judgment, in favor of the plaintiff, must specify the amount of the lien or the monetary obligation secured by the security interest, and direct a sale of the chattel to satisfy the same and the costs, if any, by a referee appointed thereby, or an officer designated therein, in like manner as where a sheriff sells personal property by virtue of an execution; and the application by him of the proceeds of the sale, less his fees and expenses, to the payment of the amount of the lien or the monetary obligation secured by the security interest, and the costs of the action. It must also provide for the payment of the surplus to the owner of the chattel, and for the safe keeping of the surplus, if necessary, until it is claimed by him. If a defendant, upon whom the summons is personally served, is liable for the amount of the lien or the monetary obligation secured by the security interest, or for any part thereof, it may also award payment accordingly.

§ 209. Action in inferior court. Where the action is brought in a court, other than one of those specified in section two hundred and seven, if the plaintiff is not in possession of the chattel, a warrant, commanding the proper officer to seize the chattel, and safely keep it to abide the judgment, may be issued, in like manner as a warrant of attachment may be issued in an action founded upon a contract, brought in the same court; and the provisions of law, applicable to a warrant of attachment, issued out of that court, apply to a warrant, issued as prescribed in this section, and to the proceedings to procure it, and after it has been issued; except as otherwise specified in the judgment. A judgment in favor of the plaintiff, in such an action, must correspond

to a judgment, rendered as prescribed in the last section, except that it must direct the sale of the chattel by an officer to whom an execution, issued out of the court, may be directed; and the payment of the surplus, if its safekeeping is necessary, to the county treasurer, for the benefit of the owner.

§ 210. Application. Sections two hundred and six to two hundred nine inclusive do not affect any existing right or remedy to foreclose or satisfy a lien upon, or a security interest in a chattel, without action; and they do not apply to a case, where another mode of enforcing a lien upon a chattel is specially prescribed by law.

§ 211. Arrears/past due support. 1. The New York state office of temporary and disability assistance, or a local social services district, or its authorized representative on behalf of persons receiving services under title six-A of article three of the social services law shall have a lien against personal property owned by a support obligor when such support obligor is or was under a court order to pay child support or combined child and spousal support to a support collection unit and such support obligor has accumulated support arrears/past due support in an amount equal to or greater than the amount of support due pursuant to such order for a period of four months. Such lien shall be in an amount sufficient to satisfy such support arrears/past due support. Said lien shall be perfected in the case of a vehicle as that term is defined in section two thousand one hundred one of the vehicle and traffic law with the department of motor vehicles. The filing of a notice of lien or of a release of lien shall be completed without payment of a fee. The filing of notice of lien or release of lien may be done by electronic means.

2. The state shall accord full faith and credit to liens which arise in another state when such state agency, party or other entity seeking to enforce such a lien complies with the procedural rules relating to such liens as provided for in section one hundred eleven-u of the social services law, article forty-six of the vehicle and traffic law or article nine of this chapter as is appropriate. Such rules may not require judicial notice or hearing prior to enforcement of such a lien

and enforcement shall be governed by article nine of this chapter.

3. For the purposes of determining whether a support obligor has accumulated support arrears/past due support for a period of four months, the amount of any retroactive support, other than periodic payments of retroactive support which are past due, shall not be included in the calculation of arrears/past due support pursuant to this section; however, if at least four months of support arrears/past due support have accumulated subsequent to the date of the court order, the entire amount of any retroactive support may be collected pursuant to the provision of this section or as otherwise authorized by law.

RE: ON-LINE VENDOR REGISTRATION

Dear Vendor:

Nassau County is pleased to once again remind all vendors that it has implemented an On-Line Vendor Registration initiative whereby all vendors may register via the Internet to submit their new vendor profile information. To do so, simply go to the Nassau County NY Homepage at: www.nassaucountyny.gov and select "*eServices for Business*" located in the middle of the page, then "*Vendor Registration*", then enter your User ID and Password. Some vendors may have already done so from the County's previous announcements. In either case we ask that you read the message below to address a critical element on your behalf of the Vendor Registration / eProcurement initiative.

"CATEGORY SELECTION"

SELECTING YOUR COMMODITY(IES), PRODUCT(S) AND/OR SERVICE(S)

Please be advised that it is extremely important that your on-line registration includes the following:

- 1) Category selections for the product(s) and/or service(s) that you can provide. The category(s) and/or service(s) you select will allow the system to match your product(s) and/or service(s) contained in the bid requests and/or Service Proposal that the Office of Purchasing posts to the Nassau County website Bid Solicitation Board.
- 2) Subscription Service - If you select the "Premium Subscription" optional service, our system will be able to locate you as a provider of the particular product and/or service by the category code you selected. You will be notified via e-mail that a Bid or Request for Proposal is available for your review on the Bid Solicitation Board. However, if you fail to indicate your category code, the system will not be able to notify you even if you have chosen the Premium Subscription option.
