Subject: Contract CQDA14000016/CLDA17000006
The Safe Center LI

This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. The Safe Center LI, Inc., exists as a result of the merger of two former non-profit agencies that separately served the victims of domestic abuse and child abuse, the Nassau County Coalition Against Domestic Violence (NCCADV) and the Coalition Against Child Abuse and Neglect (CACAN). Each of these organizations had provided services to victims of abuse for over thirty years. The Safe Center LI offers a broad spectrum of services including, but not limited to, group counseling, shelter and housing assistance, immigration services, individual therapy, medical referrals, entitlement assistance and adult basic education. These services are provided by a highly trained, nurturing, and compassionate staff of professionals well qualified to enhance the recovery of trauma victims and their non-offending family members.

No other organizational entity in this geographical area possesses the experience, staff, resources, facilities and affiliations to be able to provide the services called for in this agreement. Both NCCADV and CACAN had a long history of collaboration with the District Attorney's Office, the Nassau County Police Department and other local police agencies within Nassau County prior to their merger in 2014. For these reasons, no other alternative organizations were considered for this program.

Some of our services include Crisis Intervention provided through a 24 hour hotline (responding to over 6000 calls a year), emergency room advocacy, and outreach to victims after Police intervention. Our Safe Home for Abused Families provides safety and shelter for victims of domestic abuse, and our Transitional Housing Services provides case management and post shelter housing. The Child Advocacy Center houses a co-located multidisciplinary team including the NCPD Special Victims Squad, two Child Protective Services units, a NC Assistant District Attorney and an Article 28 Clinic of NUMC, working closely with The Safe Center Child Victim Advocates in navigating the forensic investigation, supporting prosecution of the offender, and minimizing the trauma to the child and family. Individual and group counseling are provided to adult victims and domestic and sexual assault and our Children's Mental Health Program provides services to child victims of domestic violence, teen dating violence, sexual assault and commercial exploitation. Our Adult Sex Trafficking Program works with the NC Trafficking Court to provide advocacy and counseling to victims. Our Legal Department provides civil legal assistance to Nassau County victims of domestic violence, dating violence, sexual assault and stalking. All of our client services are trauma informed and culturally sensitive, and particularly responsive to the needs of the un-served and underserved populations within the county. In addition to these direct client services, our Education Department, working closely with our many community partners, provides educational programs in schools and communities and training about the issues for professionals in such fields as education, law enforcement and medicine to increase awareness and prevent abuse.

The Safe Center LI is a successful merger of The Nassau County Coalition Against Domestic Violence and The Coalition Against Child Abuse & Neglect. The two agencies co-located an office space in Bethpage on February of 2010 to create comprehensive one-stop-center for victims of domestic violence, rape/sexual assault and child abuse, and were formally merged on January 3 of 2014. Both organizations and thus The Safe Center have long standing histories of providing services to the residents of Nassau County and are basically the sole providers of such services.

(The Coalition Against Child Abuse & Neglect was established in 1979, and The Nassau County Coalition Against Domestic Violence in 1978) Since the merger, the agency has continued to grow and has added several new initiatives including an Adult Victim Advocate program, an Adult Trafficking program and a Safe Harbor program for sexually commercially exploited children.

THE SAFE CENTER LI, INC.

Conflict of Interest Policy

Section 1. Purpose. The purpose of this "Conflicts of Interest Policy" (the "Policy") is to protect the interests of the Corporation when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Director, Officer, or Key Employee of the Corporation. The Corporation will not enter into any such transaction or arrangement unless it is determined by the Board in the manner described below to be fair, reasonable and in the best interests of the Corporation at the time of such determination.

This Policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to non-for-profit and charitable organizations. All capitalized terms not defined in this Policy shall have the meaning assigned to them in Appendix A, attached.

Section 2. Related Party Transactions and Duty to Disclose. A Related Party Transaction is not necessarily a prohibited transaction. Under this Policy, if the Corporation contemplates entering into a Related Party Transaction, the Independent Directors of the Board must determine if the transaction is fair, reasonable, and in the best interests of the Corporation at the time of such determination.

If at any time during his or her term of service a Related Party acquires any Financial Interest or when any matter for decision or approval comes before the Board in which a Related Party has a Financial Interest, that Financial Interest or potential Related Party Transaction must be promptly disclosed in writing to each member of the Board, the President, and to the Chair of any appropriate Board Committee, together with all material facts. The Board will then follow the procedures in Section 4 of this Policy.

Section 3. Disclosure and Voting.

Disclosure. Any Related Party shall disclose in good faith all material facts of his or her Financial Interest to the Board.

Non-Participation and Review. All transactions, agreements or any other arrangements between the Corporation and a Related Party, and any other transactions which may involve a potential conflict of interest, shall be reviewed by the Independent Directors of the Board. All Related Parties with a Financial Interest shall leave the room in which such deliberations are conducted. The Independent Directors of the Board will then determine whether the contemplated Related Party Transaction is fair, reasonable, and in the best interests of the Corporation at the time of such determination. The Corporation will not enter into any Related Party Transaction unless it is determined to be fair, reasonable and in the best interest of the Corporation at the time of such determination.

Consideration of Alternate Transactions and Comparability Data.

If the contemplated Related Party Transaction pertains to compensation for services or the transfer of property or other economic benefit to a Related Party, the Independent Directors of

the Board must determine that the value of the economic benefit provided by the Corporation to the Related Party does not exceed the value of the consideration received in exchange by obtaining and reviewing appropriate comparable data prior to entering the transaction.

In those instances where the contemplated Related Party Transaction does not involve compensation, transfer of property or benefits to a Related Party, the Independent Directors of the Board must consider alternative transactions to the extent possible, prior to entering into such transaction.

Comparability Data. When considering the comparability of compensation, for example, the types of relevant Comparability Data that the Independent Directors of the Board may consider include, but are not limited to (1) compensation levels paid by similarly situated organizations, both exempt and non-exempt; (2) the availability of similar services within the same geographic area; (3) current compensation surveys compiled by independent firms; and (4) written offers from similar institutions competing for the same person's services. When the transaction involves the transfer of real property as consideration, the relevant factors include, but are not limited to (i) current independent appraisals of the property, and (ii) offers received in a competitive bidding process.

Voting. The Board shall, after considering alternate transactions and/or comparability data, determine in good faith by vote of the Independent Directors of the Board whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of such decision. The transaction shall be approved by not less than a majority vote of the Independent Directors or Committee members present at the meeting. In conformity with the above criteria, the Board shall make its decision as to whether to enter into the transaction or arrangement and shall document the meeting contemporaneously under Section 5 of this Policy.

All Related Parties with a Financial Interest must not be present for deliberations and voting on the transaction or arrangement in which he or she has a Financial Interest. However, Related Parties are not prohibited from providing information regarding the transaction to the Board prior to the Board's deliberations. Only Independent Directors of the Board shall vote on Related Party Transactions. No Director or Officer shall vote, act, or attempt to influence improperly the deliberations on any matter in which he or she has been determined by the Board to have a Financial Interest. Any attempt to vote, act, or improperly influence deliberations by a Related Party on any matter with which such person has a Financial Interest may be grounds for removal from the Board or termination from the Corporation.

Compensation.

A voting member of the Board of Directors or an Officer who receives compensation directly or indirectly from the Corporation for services or a Director serving as a voting member of any Committee whose jurisdiction includes compensation matters is precluded from voting or acting on matters pertaining to that Director's or Officer's compensation.

No voting member of the Board or any Committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation, either individually or collectively, is prohibited from providing information to any Committee

regarding compensation.

Section 4. Audit Committee Review. The Board may delegate to the Audit Committee, which shall be composed solely of Independent Directors, the adoption, implementation of and compliance with this policy. The Board may delegate to the Audit Committee review and approval of any Related Party Transaction involving a Related Party and the Corporation, as contained in this Policy; provided that if the Related Party Transaction is of a magnitude that would otherwise require full Board approval, the Committee shall submit the Related Party Transaction to the Board for consideration, providing its recommendation as to whether or not to approve it.

In the event the Board delegates the review and approval of Related Party transactions to a committee, all references to Board in this Policy shall be deemed to refer to such Committee and all references to a majority of the Board shall be deemed to refer to a majority of such Committee.

Section 5. Records of Proceedings. The minutes of all meetings of the Board and all Committee meetings at which a Related Party Transaction is considered shall contain:

- The names of the persons who disclosed or otherwise were determined to have a potential or actual Financial Interest and/or conflict of interest, the nature of the potential or actual Financial Interest and/or conflict of interest, any action taken to determine whether a Financial Interest or conflict of interest exists, and the Board's decision as to whether a Financial Interest and/or conflict of interest exists.
- The names of the persons who were present for discussions and votes relating to any determinations under Section 3 above, including whether the Related Party and any members not considered to be Independent Directors left the room during any such discussions, the content of such discussions, including discussion of alternative transactions, and whether or not the transaction with the Related Party was approved by the Board.
- The minutes shall be documented contemporaneously to the decision and discussion regarding the Financial Interest or conflict of interest.

Section 6. Initial and Annual Written Disclosures. Prior to a Director's initial election to the Board, or an Officer or Key Employee's employment at the Corporation, and thereafter on an annual basis, all Directors, Officers, and Key Employees shall disclose in writing to the Secretary of the Corporation:

- (i) Any entity of which such person or a Relative of such person is an officer, director, trustee, member, owner, or employee and with which the Corporation has a relationship,
- (ii) Any Financial Interest such person may have in any corporation, organization, partnership or other entity which provides professional or other goods or services to Corporation for a fee or other compensation, and

(iii) Any position or other material relationship such Director, Officer, Key Employee, or Relative of such person, may have with any not-for-profit corporation with which the Corporation has a business relationship.

A copy of each disclosure statement shall be kept in Corporation's files and made available to any Director, Officer, or Key Employee upon request.

Section 7. Annual Statements. Each Director, Officer, and Key Employee shall annually sign and submit to the Secretary of the Corporation a statement which affirms such person: (a) has received a copy of this Policy, (b) has read and understands the Policy, and (c) has agreed to comply with the Policy.

I hereby confirm that I have read The Safe Center LI, Inc.'s Conflict of Interest Policy, and that my responses to the above questions are complete and correct to the best of my knowledge and belief. I will promptly report any information of which I become aware that may change this disclosure or require disclosure under this Policy.

Re: Sole Source Justification

The Safe Center LI, Inc. is a creation of two former non-profit agencies that separately served the victims of domestic abuse and child abuse, the Nassau County Coalition Against Domestic Violence (NCCADV) and the Coalition Against Child Abuse and Neglect (CACAN). Each of these organizational entities had been providing services for victims of abuse for over thirty years. The Safe Center LI offers a broad spectrum of services including, but not limited to group counseling, shelter and housing assistance, immigration services, individual therapy, medical referrals, entitlement assistance and adult basic education. These services are provided by a highly trained, nurturing and compassionate staff of professionals well qualified to enhance the recovery of trauma victims and their non-offending family members.

No other organization in this geographical area possesses the experience, staff, resources, facilities and affiliations to be able to provide the broad range of services called for in this agreement. In addition, The Safe Center LI already has programs in place to serve the target population of this program: victims of sex trafficking. Both NCCADV and CACAN have had a long history of collaboration with the Nassau County District Attorney's Office and the Nassau County Police Department prior to their merger in 2014. No other alternative organizations were considered for this program because none had a similar capacity to complete the requirements.

CONTRACT FOR SERVICES

THIS AGREEMENT, dated as of _____, 20____ (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the County Department of the District Attorney, having its principal office at 262 Old Country Road, Mineola, NY 11501 (the "Department"), and (ii) The Safe Center LI, Inc., a New York State not-for-profit corporation, having its principal office at 15 Grumman Road W., Suite 1000, Bethpage, New York 11714 (the "Contractor").

WITNESSETH:

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

WHEREAS, the Contractor desires to perform the services described in this Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

Section 1. Term. This Agreement shall commence on September 1, 2014 and terminate on August 31, 2015, unless sooner terminated in accordance with the provisions of this Agreement; provided, however, the County may renew this Agreement under the same terms and conditions for four (4) additional one (1) year terms.

Section 2. Services. The Contractor shall conduct the Positive Opportunities for Women's Empowerment and Renewal (POWER) program. The POWER program provides services, including but not limited to, group counseling, shelter and housing assistance, immigration services, individual therapy, medical referrals, entitlement assistance and adult basic education to female, male and transgender individuals who have been forced or coerced into doing sex work. The POWER program works to help victims of sex trafficking move towards escaping the life of forced servitude and the cycle of victimization, while addressing the effects of the physical, sexual and emotional violence they have experienced in their lives. These services are more fully described in the attached Appendix "A".

Section 3. Payment. (a) Amount of Consideration. The maximum amount that the County shall pay the Contractor as full consideration for all services provided under this Agreement shall not exceed Ninety-Five Thousand Dollars (\$95,000.00) (the "Maximum Amount"), as described in the budget in the attached Appendix "B".

(b) Vouchers; Voucher Review, Approval and Audit. (d) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

(f) Reallocation Among Line Items: The Contractor may reallocate monies among line items, provided however, that the Contractor shall not reallocate more than ten percent (10%) of the amount allocated to any line item to another line item without the prior written consent of the Department, Clause 10 notwithstanding.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance With Law.

(a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, a living wage, disclosure of information, and vendor registration, in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's vendor registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

- (i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

The Contractor acknowledges and agrees that all information that the Contractor acquires in connection with performance under this Agreement is strictly confidential, shall be held in the strictest confidence and shall be used solely for the purpose of performing services for or on behalf of the County. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. **Indemnification; Defense; Cooperation.** (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverage. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverage shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

20. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

APPENDIX A

THE SAFE CENTER'S POWER PROGRAM

The Safe Center's POWER (Positive Opportunities for Women's Empowerment and Renewal Program) is open to female, male, and transgender individuals who have been forced or coerced to do sex work. The POWER program provides services to individuals arrested for prostitution and referred to the program by the Nassau County District Court's Human Trafficking Part. While participants are mandated to short term groups, other services are available to them, including longer term counseling and legal assistance with immigration and family law issues. The program works to help victims of sex trafficking move towards escaping the life of forced servitude and the cycle of victimization, while addressing the effects of the physical, sexual and emotional violence they have experienced in their lives.

The POWER program uses a survivor centered, strengths based approach. Drawing on psycho-educational and therapeutic interventions, the trauma-informed curriculum works to aid participants in establishing safety within their environment, diminishing their isolation by connecting them to a positive group experience, and beginning to recognize the victimization and its impact on their lives.

Upon being mandated to the POWER program, our professional staff will assess each defendant for criminogenic needs and past/current victimization. Trauma informed groups or individual counseling are designed to begin to address those issues. Staff will work with each individual to assess their additional needs, and link them with the appropriate available services. This includes addressing their concrete needs (access to benefits, housing, etc.), and legal assistance with civil issues such as immigration and custody.

Initially each client will have an individual assessment, followed by either a 5 or 10 group or individual counseling sessions. The counseling sessions will be up to 1 ½ hours in length which includes group/individual counseling and case management as needed. Upon the client's completion of the program, the client may continue beyond the mandate on a voluntary basis.

Participants of the POWER program have access to many support services which include:

- Group counseling
- Shelter and housing assistance
- Immigration services
- Individual therapy
- Medical referrals
- Entitlement assistance
- Adult basic education

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand

dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the

M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Although The Safe Center LI is not certain whether this falls within the information request, during the past 5 years, 2 former employees had filed complaints with the New York State Division of Human Rights (NYSDHR). The complaints were not initiated by any governmental agency. However, once someone files a complaint with the NYSDHR, this automatically triggers an investigation by the NYSDHR. These matters have since been dismissed by the NYSDHR.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand

dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the

~~M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.~~

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Although The Safe Center LI is not certain whether this falls within the information request, during the past 5 years, 2 former employees had filed complaints with the New York State Division of Human Rights (NYSDHR). The complaints were not initiated by any governmental agency. However, once someone files a complaint with the NYSDHR, this automatically triggers an investigation by the NYSDHR. These matters have since been dismissed by the NYSDHR.

Subject: Contract CQDA15000009
The Safe Center LI

This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. The Safe Center LI, Inc., exists as a result of the merger of two former non-profit agencies that separately served the victims of domestic abuse and child abuse, the Nassau County Coalition Against Domestic Violence (NCCADV) and the Coalition Against Child Abuse and Neglect (CACAN). Each of these organizations had provided services to victims of abuse for over thirty years. The Safe Center LI offers a broad spectrum of services including, but not limited to, group counseling, shelter and housing assistance, immigration services, individual therapy, medical referrals, entitlement assistance and adult basic education. These services are provided by a highly trained, nurturing, and compassionate staff of professionals well qualified to enhance the recovery of trauma victims and their non-offending family members.

No other organizational entity in this geographical area possesses the experience, staff, resources, facilities and affiliations to be able to provide the services called for in this agreement. Both NCCADV and CACAN had a long history of collaboration with the District Attorney's Office, the Nassau County Police Department and other local police agencies within Nassau County prior to their merger in 2014. For these reasons, no other alternative organizations were considered for this program.

CONTRACTOR NAME: The Safe Center LI, Inc.

CONTRACTOR ADDRESS: 15 Grumman Road West, Suite 1000
Bethpage, NY 11714

FEDERAL TAX ID #: 11-2442377

Instructions: Please check the appropriate box ("☐") after one of the following roman numerals, and provide all the requested information.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

II. ☐ The contractor was selected pursuant to a Request for Proposals. The Contract was entered into after a written request for proposals was issued on March 20, 2009. Potential proposers were made aware of the availability of the RFP by advertisement in Newsday, posting on industry websites, via email to interested parties and by publication on the County procurement website. Proposals were due on April 28, 2009. Five (5) proposals were received and evaluated. The evaluation committee consisted of three members of the Comptroller's Office and one member of the County Executive's Office. The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

III. ☐ This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on _____ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after _____

[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; OR:
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.
- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the service required through an inter-municipal agreement.

VI. ☒ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to the contract being submitted to the Comptroller.

X. ☒ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

Although The Safe Center LI is not certain whether this falls within the information request, during the past 5 years, 2 former employees had filed complaints with the New York State Division of Human Rights (NYSDHR). The complaints were not initiated by any governmental agency. However, once someone files a complaint with the NYSDHR, this automatically triggers an investigation by the NYSDHR. These matters have since been dismissed by the NYSDHR.

A & B: The mission of The Safe Center LI is to protect, assist and empower victims of family violence and sexual assault while challenging and changing social systems that tolerate and perpetuate abuse. The Safe Center is the only organization in Nassau County providing free comprehensive services to child and adult victims of family violence and sexual assault. Some of our services include Crisis Intervention provided through a 24 hour hotline (responding to over 6000 calls a year), emergency room advocacy, and outreach to victims after police intervention. Our Safe Home for Abused Families provides safety and shelter for victims of domestic abuse, and our transitional housing services provides case management and post-shelter housing. The Child Advocacy Center houses a co-located multidisciplinary team including the NCPD Special Victims Squad, two Child Protective Services units, a NC Assistant District Attorney and an Article 28 Clinic of NUMC, working closely with Safe center Child Victim Advocates in navigating the forensic investigation, supporting prosecution of the offender, and minimizing the trauma to the child and family. Individual and group counseling are provided to adult victims of domestic violence and sexual assault and our Children's mental Health Program provides services to child victims of domestic violence, teen dating violence, sexual assault and commercial exploitation. Our adult Sex Trafficking Program works with the NC Trafficking Court to provide advocacy and counseling to victims. Our Legal Department provides civil legal assistance to Nassau County victims of domestic violence, dating violence, sexual assault and stalking. All of our client services are trauma informed and culturally sensitive, and particularly responsive to the needs of the unserved and underserved populations within the county. In addition to these direct client services, our Education Department, working closely with our many community partners, provides educational programs in schools and communities and training about the issues for professionals in such fields as education, law enforcement and medicine to increase awareness and prevent abuse.

The Safe Center LI is a successful merger of the Nassau County Coalition Against Domestic Violence and The Coalition Against Child Abuse & Neglect. The two agencies collocated in office space in Bethpage in February of 2010 to create comprehensive one-stop-center for victims of Domestic Violence, Rape/Sexual Assault and Child Abuse and were formally merged January 3, 2014. Both organizations and thus The Safe Center have long standing histories of providing services to the residents of Nassau County and are basically the sole providers of such services.

(The Coalition Against Child Abuse was established in 1979 and The Nassau county Coalition Against Domestic Violence in 1978.) Since merger, the agency has continued to grow and has added several new initiatives including an Adult Victim Advocate program, an Adult Trafficking program and a Safe Harbor program for sexually commercially exploited children.

Subject: Contract CQDA14000016/CLDA16000008
The Safe Center LI

This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. The Safe Center LI, Inc., exists as a result of the merger of two former non-profit agencies that separately served the victims of domestic abuse and child abuse, the Nassau County Coalition Against Domestic Violence (NCCADV) and the Coalition Against Child Abuse and Neglect (CACAN). Each of these organizations had provided services to victims of abuse for over thirty years. The Safe Center LI offers a broad spectrum of services including, but not limited to, group counseling, shelter and housing assistance, immigration services, individual therapy, medical referrals, entitlement assistance and adult basic education. These services are provided by a highly trained, nurturing, and compassionate staff of professionals well qualified to enhance the recovery of trauma victims and their non-offending family members.

No other organizational entity in this geographical area possesses the experience, staff, resources, facilities and affiliations to be able to provide the services called for in this agreement. Both NCCADV and CACAN had a long history of collaboration with the District Attorney's Office, the Nassau County Police Department and other local police agencies within Nassau County prior to their merger in 2014. For these reasons, no other alternative organizations were considered for this program.

From: Jeffrey M. Stein
Chief Administrative Officer

Date: 05/25/16

Subject: Contractor Evaluation: Safe Center LI, Inc.

The Safe Center LI is a creation of two former non-profit agencies that separately served the victims of domestic abuse and child abuse. Located in a historic Grumman building in Bethpage, it was created in 2014 through the merger of the Nassau County Coalition Against Domestic Violence (CADV) and the Coalition Against Child Abuse & Neglect (CCAN). Each had been providing services for victims of abuse for over 30 years.

The merger into one unified non-profit provides a fast and easy path to resources that assist in saving and changing the lives of the victims of domestic or dating abuse, child abuse, and rape and sexual assault.

Please be advised that the services heretofore performed by this vendor under several prior agreements has been extremely satisfactory and positive.
