In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. Sole Source Justification for Contract with the Center for Court Innovation

Organization Name: Fund for the City of New York, Center for Court Innovation

The Center for Court Innovation (the Center) is a unique public/private partnership between the New York State Unified Court System and the Fund for the City of New York. The Center has an ongoing, formal contractual relationship with the Unified Court System and functions as its research and development arm. The Center has a long history of developing and sustaining innovative court-related initiatives in New York, including the Midtown Community Court, the Brooklyn Treatment Court, and the Red Hook Community Justice Center. The Center has received both a Harvard University Innovations in American Government Award and the Peter Drucker Award for Innovation in honor of its unique role in fostering court innovation in New York State and nationally.

The Nassau County Adolescent Diversion Part is a groundbreaking partnership between the Office of Court Administration, the Nassau County District Attorney's Office, the Center for Court Innovation, as well as numerous service providers in Nassau County. This program ensures that adolescents ages 16 and 17 years old receive the benefit of appropriate services and reduces the likelihood that they will be trapped in a cycle of re-offending. Additionally, Nassau County pilots an initiative to divert trafficking victims from the criminal justice system and to ensure that they are linked with social services specifically designed to help lead them to safety. Both efforts require on-site coordination to ensure that appropriate defendants are identified and referred to effective services and that prosecutor, defense counsel and the court receive timely and accurate updates on their participation in those services. Additionally, an on-site coordinator allows project stakeholders to track outcomes and case resolutions. In order to achieve these goals, the Center for Court Innovation provides a trained staff to support these programs.

The Adolescent Diversion Part seeks to help teenage defendants avoid the legal and collateral consequences associated with criminal prosecution and receive the assistance they need to pursue law-abiding, productive futures. The initiative has fundamentally re-engineered how the cases of 16 and 17 year olds are dealt with in criminal court. The Adolescent Diversion Part has several primary elements:

1. All cases involving 16 and 17 year olds charged with misdemeanors and non-violent felonies are assigned to the Adolescent Diversion Part. Each defendant is then required to have a validated assessment by probation using the Youth Assessment Screening Instrument (YASI). Each is assessed and a collaborative meeting is held to make a recommendation to the Court regarding appropriate treatment or alternative program referrals.
2. Judges hearing cases involving 16 and 17 year olds receive training in topics such as adolescent brain development, trauma, substance abuse, mental health, co-occurring disorders, education, and family issues. The CCI staff organizes and coordinates these training programs.
3. With support from this program, participating judges have access to expanded sentencing options, generally consisting of short-term social service interventions – including sessions devoted to substance abuse treatment, conflict resolution, civic responsibility, and vocational and educational goal setting – as well as community service. Each sentencing decision is informed by the brief YASI assessment conducted prior to the defendant's court appearance that elicits factors contributing to offending, including substance abuse, mental health needs, trauma, cognitive behavioral challenges, educational deficits, and familial stress. Where mental health needs are identified, an in-depth assessment informs individualized plans for community-based treatment and family support services. Services are age-appropriate and address the unique emotional and developmental needs of adolescents. In general, the program seeks to use short-term interventions as a springboard to voluntary engagement in longer-term services.
4. The CCI staff recommends an appropriate therapeutic intervention and monitors compliance with treatment. The CCI staff is in regular contact with each of the treatment agencies and reports to the Court and each of the stakeholders if the adolescent fails to attend treatment or if an alternative level of care is required.

The Nassau County Youth Court is an educational diversion program for young offenders. This effort requires an on-site coordination staff to ensure that appropriate defendants are identified, referred to effective services and monitored appropriately. The prosecutor, defense counsel and the court must receive timely and accurate updates on their participation in those services in order to come up with an appropriate disposition.

1. For those defendants that are referred to the Nassau County Youth Court program, CCI staff assists the District Attorney's Office in conducting hearings staffed by high school students, making linkages to appropriate community service sites and pro-social activities. CCI staff also monitors compliance with the Youth Court dispositions and reports to the ADP stakeholders.

Uniqueness of the Contractor

The Center for Court Innovation is a one-of-a-kind public/private partnership that acts as the New York State Unified Court System's research and development arm and is uniquely suited to provide the necessary services. For the past sixteen years in New York, the Center has worked with the court system to create and operate demonstration projects that test new ideas to address local public safety problems, implement new solutions, and evaluate their effectiveness. The Center's projects include: alternative to detention programs, community courts, drug courts, reentry courts, domestic violence courts, and mental health courts. In each of these projects the Center has had a commitment to developing technology to collect and provide crucial information for project operations, as well as collecting data for rigorous evaluations to assess program impact and effectiveness. This includes a commitment to tracking outcomes and case resolutions. The Center's firsthand experience working with the New York State Unified Court System on various initiatives has given it one-of-a-kind expertise in implementing new approaches to societal problems such as drug abuse, mental illness and low level offending.

With its extensive experience in working with youth, piloting alternative to incarceration programs, problem-solving court development, and court technology, as well as its well-established relationship with the New York State Unified Court System's Office of Court Administration, the Center is uniquely suited to provide assistance with the numerous legal and technical initiatives necessary for these projects.

Adolescent Diversion Part

In 2011, then New York State Chief Judge Jonathan Lippman announced his support for legislation that would raise the age of criminal majority, bringing New York in step with the rest of the nation. As part of the Raise the Age initiative, in 2012 Judge Lippman and the Center for Court Innovation created the Adolescent Diversion Program (ADP), establishing pilot courts in selected counties throughout the state in which the cases of 16- and 17-year-olds are assigned to specially-trained judges who have access to an expanded array of dispositional options, including age-appropriate services. These specialized court parts allow teenage defendants to avoid the legal and collateral consequences associated with criminal prosecution – and receive the assistance they need to pursue law-abiding, productive futures.

The Center for Court Innovation (the Center) provides staffing at the five ADP sites (Manhattan, Brooklyn, the Bronx, and Staten Island) overseen by the Center, as well an evaluation of the ADP initiative conducted by Center research staff. Significant research findings included:

- In the Bronx, ADP participation significantly reduced jail sentences and consistently reduced both felony and violent felony re-arrests.
- ADP did not jeopardize public safety. The one-year re-arrest rate year was statistically identical between ADP and comparison cases, and the number of crime-free days prior to first re-arrest was statistically identical over an even longer tracking period.
- ADP participants were significantly less likely than individuals in the comparison group to have a felony re-arrest and a violent felony re-arrest over six months.
- Among the *highest-risk* defendants, ADP participants were re-arrested significantly *less* than individuals in the comparison group after one year.

The Center continues to help operate ADP parts – and to work with judges, attorneys, and others to improve the process on behalf of 16- and 17-year-olds.

Youth Court

The Center's youth courts train teenagers to serve as jurors, judges and advocates, handling real-life cases involving their peers. The goal of youth court is to use positive peer pressure to ensure that young people who have committed minor offenses learn accountability and repair the harm caused by their actions. Youth courts direct lower level cases from the formal justice system. A variety of justice agencies refer cases to youth courts with the goal of preventing further involvement in the juvenile or criminal justice systems. Youth courts can also be an integral part of a school's disciplinary process, serving as an alternative to traditional disciplinary measures such as suspension and detention. The Center launched its first youth court in 1998 as part of the Red Hook Community Justice Center.

The Center currently operates youth courts in the Brownsville and Red Hook neighborhoods of Brooklyn, in Harlem, Queens, Staten Island, and in Newark, New Jersey. In addition to operating several youth courts, the Center provides technical assistance to communities and schools that are interested in launching a new or improving an existing youth court program.

Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the

17. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

Project Description

The Nassau County Adolescent Diversion Program is a groundbreaking partnership spearheaded by the Nassau County District Attorney's Office in partnership with the Office of Court Administration, the Center for Court Innovation, and numerous service providers in Nassau County. This program consisting of the Adolescent Diversion Part (ADP) and the Nassau County Youth Court ensures that adolescents ages 16 and 17 years old receive the benefit of developmentally appropriate services and reduce the likelihood that they will be trapped in a cycle of re-offending. The on-site staff allows project stakeholders to track progress, outcomes and case resolutions. In order to achieve these goals, the Center for Court Innovation provides a trained staff to support these programs.

The Adolescent Diversion Part seeks to help teenage defendants avoid the legal and collateral consequences associated with criminal prosecution and receive the assistance they need to pursue law-abiding, productive futures. The initiative has fundamentally re-engineered how the cases of 16 and 17 year olds are dealt with in criminal court. The Adolescent Diversion Part has several primary elements:

1. All cases involving 16 and 17 year olds charged with misdemeanors and non-violent felonies are assigned to the Adolescent Diversion Part. Each defendant is then required to have a validated assessment by probation using the Youth Assessment Screening Instrument (YASI). Each is assessed and a collaborative meeting is held to make a recommendation to the Court regarding appropriate treatment or alternative program referrals.
2. Judges hearing cases involving 16 and 17 year olds receive training in topics such as adolescent brain development, trauma, substance abuse, mental health, co-occurring disorders, education, and family issues. The CCI staff organizes and coordinates these training programs.
3. With support from this program, participating judges have access to expanded sentencing options, generally consisting of short-term social service interventions – including sessions devoted to substance abuse treatment, conflict resolution, civic responsibility, and vocational and educational goal setting – as well as community service. Each sentencing decision is informed by the brief YASI assessment conducted prior to the defendant's court appearance that elicits factors contributing to offending, including substance abuse, mental health needs, trauma, cognitive behavioral challenges, educational deficits, and familial stress. Where mental health needs are identified, an in-depth assessment informs individualized plans for community-based treatment and family support services. Services are age-appropriate and address the unique emotional

and developmental needs of adolescents. In general, the program seeks to use short-term interventions as a springboard to voluntary engagement in longer-term services.

4. The CCI staff recommends an appropriate therapeutic intervention and monitors compliance with treatment. The CCI staff is in regular contact with each of the treatment agencies and reports to the Court and each of the stakeholders if the adolescent fails to attend treatment or if an alternative level of care is required.

The Nassau County Youth Court is an educational diversion program for young offenders. This effort requires an on-site coordination staff to ensure that appropriate defendants are identified, referred to effective services and monitored appropriately. The prosecutor, defense counsel and the court must receive timely and accurate updates on their participation in those services in order to come up with an appropriate disposition.

1. For those defendants that are referred to the Nassau County Youth Court program, CCI staff assists the District Attorney's Office in conducting hearings staffed by high school students, making linkages to appropriate community service sites and pro-social activities. CCI staff also monitors compliance with the Youth Court dispositions and reports to the ADP stakeholders.

b) inform the Contractor of any changes in, or withdrawal of, any relevant authorization provided to the County by Individuals pursuant to 45 C.F.R. §164.508, which impact the Contractor under the Agreement;

c) inform the Contractor of any applicable decisions made by any Individual to opt-out of allowing his or her PHI to be used for fundraising activities of the County pursuant to 45 C.F.R. §164.514(f), which impact the Contractor under the Agreement; and

d) notify the Contractor, in writing, of any arrangements permitted or required under 45 C.F.R. parts 160 and 164, which impact the use and/or disclosure of PHI by the Contractor under the Agreement, including, but not limited to, restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. §164.522 agreed to by the County.

4.2 Responsibilities of the County with Respect to Access, Amendment, Restrictions and Accounting of Disclosures of PHI. The County hereby agrees to do the following regarding access to PHI, amendments to inaccuracies contained in PHI, and restrictions regarding PHI in the Contractor's possession, to the extent material to the PHI held by the Contractor:

a) notify the Contractor, in writing, of any PHI that the County seeks to make available to an Individual pursuant to 45 C.F.R. § 164.524 and the time, manner, and form which the Contractor shall provide such access;

b) notify the Contractor, in writing, of any amendment(s) to PHI in the possession of the Contractor that the Contractor shall make and inform the Contractor of the time, form, and manner in which such amendment(s) shall be made; and

c) notify the Contractor, in writing, of any restrictions that the County has agreed to adhere to with regard to the use and disclosure of PHI of any Individual that materially affects and/or limits the uses and disclosures which are otherwise permitted.

5. RESPONSIBILITIES OF THE CONTRACTOR WITH RESPECT TO EPHI

5.1 The Contractor's Responsibilities. With respect to any use and/or disclosure of EPHI, Contractor agrees that it shall:

a) implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Contractor creates, receives, maintains, or transmits on behalf of the County. Contractor shall be responsible for ensuring that such safeguards are adequate to comply with the requirements of the Security Rule.

b) ensure that any agent to whom it provides EPHI, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect such EPHI.

c) report to the County, in writing, any Security Incident within three (3) business days of becoming aware of such Security Incident. Without limiting the foregoing, the Contractor shall report to the County regarding whether such Security Incident has resulted in a breach of the Security Rule.

d) upon the County's request, provide the County with immediate access to the Contractor's security systems and programs in order for the County to investigate any Security Incident or

to audit the Contractor's security systems and programs. The Contractor acknowledges that the County has the right, but not the obligation, to access and audit the Contractor's security systems and programs.

e) provide the Secretary of HHS with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for compliance investigations.

f) within ten (10) days of receipt of a written request, provide the County with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for purposes of enabling the County to determine the Contractor's compliance with the terms of this Agreement. Such access shall be at the Contractor's place of business during routine operating hours.

6. COMPLIANCE WITH STANDARD TRANSACTIONS

6.1 Compliance with Standard Transactions by the Contractor. If the Contractor conducts in whole or in part Standard Transactions for or on behalf of the County, the Contractor shall:

a) comply and require all subcontractors and agents of the Contractor to comply with each applicable requirement of 45 C.F.R. Part 162; and

b) not enter into, or permit its subcontractors or agents to enter into, any trading partner addendum or agreement in connection with the conduct of Standard Transactions for or on behalf of the County that:

i) alters the definition, data condition, or use of any data element or segment in any Standard Transaction;

ii) adds any elements or segments to the maximum defined data set;

iii) uses any code or data element that is marked "not used" in the Standard Transaction's specifications for execution or is not in the Standard Transaction's specifications for execution; or

iv) changes the meaning or intent of the Standard Transaction's specifications for implementation.

7. TERMS AND TERMINATION

7.1 Term. This Addendum shall become effective as of the date first indicated above, and shall continue in effect until all of the PHI provided by the County to the Contractor, or created or received by the Contractor on behalf of the County, is destroyed or returned to the County, and all other obligations of the parties have been met, unless terminated by the County as provided in Section 7.2. If it is infeasible to return or destroy such PHI, then such PHI shall continue to be protected as set forth in Section 7.4.

7.2 Termination by the County. As provided for under 45 C.F.R. §§ 164.504(e)(2)(iii) and 164.314(a)(2)(i), the County may (a) exercise its rights under Section 7.3 below or (b) immediately terminate the Agreement if the County, in its sole discretion, determines that the Contractor has breached a material term of this Addendum. The County may exercise such right to terminate the Agreement by providing the Contractor with written notice of its intent to terminate specifying the material breach of the Agreement that provides the basis for termination. Such termination will be effective immediately, unless another date is specified in such notice.

7.3 Opportunity to Cure. As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and

opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. If the County decides to provide an opportunity to cure in such case, it shall: (a) provide the Contractor with written notice of the existence of an alleged material breach; and (b) afford the Contractor an opportunity to cure the alleged material breach. Failure to cure within fourteen (14) days shall constitute grounds for the immediate termination of the Agreement by the County.

7.4 Effect of Termination. Upon the termination, cancellation, or any other conclusion of the Agreement, the Contractor shall, if feasible, return to the County or destroy all PHI, in whatever form or medium, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), including, but not limited to, PHI in the possession of its subcontractors and/or agents, within thirty (30) days of the effective date of the termination, cancellation, or other conclusion of the Agreement.

a) Once all PHI in the Contractor's possession or control, including, but not limited to, PHI in the possession or control of its subcontractors and/or agents, has been returned to the County or destroyed, the Contractor shall provide a written certification to the County regarding the return or destruction of such PHI within such thirty (30) day period. Such certification shall be relied upon by the County as a binding representation; and

b) if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. Said notification shall include, but not be limited to: (i) a statement that the Contractor has, in good faith, determined that it is infeasible to return or destroy the PHI in its possession and/or in the possession of its subcontractors or agents, as applicable, (ii) identification of the PHI that the Contractor believes it is infeasible to return or destroy, and (iii) the specific reasons for such determination. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

8. INDEMNIFICATION

8.1 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor's control.

8.2 Control of Defense. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or any subcontractor, agent, Individual, or organization under the Contractor's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent its interests, in which case the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

8.3 Control of Resolution. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such

resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 Survival. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. In addition, Section 9 shall survive termination of this Addendum indefinitely, notwithstanding whether the Contractor retains PHI in accordance with Section 7.4 hereto.

10.2 Amendments. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. Notwithstanding anything in the Agreement to the contrary, to the extent that the Privacy Rule or Security Rule, or any other applicable law related to the privacy or security of health information is materially amended, updated, or revised following the execution of this Addendum, the parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the County to comply with the requirements of HIPAA.

10.3 No Third Party Beneficiaries. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

10.4 Cooperation and Disputes. Each party will reasonably cooperate with the other in the performance of the mutual obligations under this Addendum. If any controversy, dispute, or claim arises between the parties with respect to the Agreement (including, but not limited to, this Addendum), the parties shall make reasonable good faith efforts to resolve such matters informally.

10.5 Regulatory References. Any reference to any part or section of the CFR shall include such part or section as drafted upon the effective date of this Addendum and as it is subsequently updated, amended, supplemented, superceded, or revised.

10.6 Conflicts. Any conflicts or inconsistencies between the terms in this Addendum and terms in other parts of the Agreement shall be resolved in favor of the terms in this Addendum.

10.7 Interpretation. Any ambiguity in the Agreement (including, but not limited to, this Addendum) shall be resolved in favor of a meaning that permits the County to comply to the greatest extent possible with the Privacy Rule, the Security Rule and Other Legal Requirements.

11. HITECH ACT

11.1

- a) Contractor will comply with the requirements of Title XII, Subtitle D of the Health Information Technology for Economic and Clinical Health (hereinafter "HITECH") Act, codified at 42 U.S.C. Sections 17921 – 17954, which are applicable to business associates, and will comply with all regulations issued by the Department of Health and Human Services (hereinafter "HHS") to implement these referenced statutes, as of the date by which business associates are required to comply with such referenced statutes and HHS regulations; and
- b) Contractor will make a report to the County of any breach of unsecured protected health information, as required by 42 U.S.C. Section 17932(b), within five business days of Contractor's discovery of the breach, and
- c) Contractor will indemnify County for any reasonable expenses County incurs in notifying individuals of a breach caused by Contractor or its subcontractors or agents.
- d) Contractor understands it is not in compliance with the HIPAA standards set forth in Sections 164.502(e) and 164.504(e) if the Contractor knows of a pattern of activity or practice that the County engages in which constitutes a material breach or violation of the County's obligation under a contract or other business arrangement, unless the Contractor takes reasonable steps to cure the breach or end the violation, as applicable, and if in taking steps to cure or end the breach it is unsuccessful, the Contractor must terminate the contract or arrangement if feasible, and if not feasible, the Contractor must report the problem to the Secretary.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only

be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.
