Question 10**NYCHA Roofing**

NYCHA Roofing: In December, 2013, LiRo Program and Construction Management, PE P.C. (LiRo) received a Civil Investigation Demand ("CID") pursuant to the False Claims Act from the United States Attorney's Office seeking information regarding a NYCHA roofing project. LiRo served as the construction manager for this project, which was completed in 2011. In April, 2014, LiRo was informed that the US Attorney closed its investigation and did not find any improper conduct on the part of LiRo. This matter is now closed.

High Tower

Accordingly, LiRo is the only viable party capable of satisfying High Tower's financial obligation as required by Labor Law Section 223 and agreed to pay \$45,595.51 to satisfy High Tower's underpayment obligation. LiRo acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LiRo's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3)(b) and LiRo was not responsible for the payment of any penalty. This matter is closed.

LiRo provided Construction Management Services in connection with the emergency response program at various public schools in all five boroughs. LiRo awarded subcontracts to Sukhmany Construction, Inc. Sukhmany Construction, Inc., misclassified its' employees and as a result failed to pay the prevailing rate of wages and benefits to several workers. Accordingly, LiRo agreed to pay \$8,846.50 to satisfy Sukhmany Construction, Inc., underpayment obligation. LiRo acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LiRo's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3)(b) and LiRo was not responsible for the payment of any penalty. Question 10**NYCHA Roofing**

NYCHA Roofing: In December, 2013, LiRo Program and Construction Management, PE P.C. (LiRo) received a Civil Investigation Demand ("CID") pursuant to the False Claims Act from the United States Attorney's Office seeking information regarding a NYCHA roofing project. LiRo served as the construction manager for this project, which was completed in 2011. In April, 2014, LiRo was informed that the US Attorney closed its investigation and did not find any improper conduct on the part of LiRo. This matter is now closed.

SA HVAC

LiRo Program & Construction Management, P.C. ("LIRO") and S.A. HVAC, Inc. ("S.A.") entered into a Stipulation of Settlement with the Office of the Comptroller of the City of New York on October 26, 2011. The settlement resolved prevailing wage violations pending against S.A. as a result of work that S.A. performed on New York City Department of Design & Construction ("DDC") contract #20030012929. LIRO provided Construction Management and Build Services for capital projects pertaining to DDC's Fire Department portfolio. LIRO hired S.A. through a NYC-sanctioned prequalified bidding process to perform heating ventilation and air conditioning work for the period from January 2008 to January 2009. S.A. failed to pay the prevailing rate of wages and benefits to four workers on this sub-contract. S.A. accepts the Comptroller's determination that its failure to pay steamfitter wages and benefits constituted a willful violation for the purposes of Labor Law Section 220-b (3) (b). Accordingly, S.A. agreed to pay the City and the employees a total of \$204,604.81, which includes the underpayments, interest, and a 10% civil penalty. To the extent that S.A. does not make full restitution, LIRO acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LIRO's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3) (b). Full restitution has been made by S.A. as required.

High Tower

On February 7, 2013, LiRo Program & Construction Management, P.C. ("LiRo") entered into a Stipulation of Settlement with the Office of the Comptroller of the City of New York to resolve prevailing wage violations against High Tower Construction Group, Inc. in connection with work performed by Hightower on a DDC project in 2005. LiRo provided Construction Management Services for capital projects pertaining to various EMS stations. LiRo hired THC Realty Development, L.P. who then subcontracted to High Tower to perform brickwork on the project in November 2005. High Tower misclassified its' employees and as a result failed to pay the prevailing rate of wages and benefits to several workers on this sub-contract. Efforts to locate THC Realty were unsuccessful and High Tower is no longer conducting any business activity. Accordingly, LiRo is the only viable party capable of satisfying High Tower's financial obligation as required by Labor Law Section 223 and agreed to pay \$45,595.51 to satisfy High Tower's underpayment obligation. LiRo acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LiRo's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3)(b) and LiRo was not responsible for the payment of any penalty. This matter is closed.

Sukhmany Construction

On or about March 29, 2016 LiRo Program and Construction Management, PE P.C. ("LiRo") entered into a Stipulation of Settlement with the Office of the Comptroller of the City of New York to resolve a prevailing wage violations against Sukhmany Construction, Inc., in connection with work performed by Sukhmany Construction, Inc., on a NYCSCA project from the period of December 2012 to December 2013. LiRo provided Construction Management Services in connection with the emergency response program at various public schools in all five boroughs. LiRo awarded subcontracts to Sukhmany Construction, Inc. Sukhmany Construction, Inc., misclassified its' employees and as a result failed to pay the prevailing rate of wages and benefits to several workers. Accordingly, LiRo agreed to pay \$8,846.50 to satisfy Sukhmany Construction, Inc., underpayment obligation. LiRo acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LiRo's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3)(b) and LiRo was not responsible for the payment of any penalty. Question 10**NYCHA Roofing**

NYCHA Roofing: In December, 2013, LiRo Program and Construction Management, PE P.C. (LiRo) received a Civil Investigation Demand ("CID") pursuant to the False Claims Act from the United States Attorney's Office seeking information regarding a NYCHA roofing project. LiRo served as the construction manager for this project, which was completed in 2011. In April, 2014, LiRo was informed that the US Attorney closed its investigation and did not find any improper conduct on the part of LiRo. This matter is now closed.

SA HVAC

LiRo Program & Construction Management, P.C. ("LIRO") and S.A. HVAC, Inc. ("S.A.") entered into a Stipulation of Settlement with the Office of the Comptroller of the City of New York on October 26, 2011. The settlement resolved prevailing wage violations pending against S.A. as a result of work that S.A. performed on New York City Department of Design & Construction ("DDC") contract #20030012929. LIRO provided Construction Management and Build Services for capital projects pertaining to DDC's Fire Department portfolio. LIRO hired S.A. through a NYC-sanctioned prequalified bidding process to perform heating ventilation and air conditioning work for the period from January 2008 to January 2009. S.A. failed to pay the prevailing rate of wages and benefits to four workers on this sub-contract. S.A. accepts the Comptroller's determination that its failure to pay steamfitter wages and benefits constituted a willful violation for the purposes of Labor Law Section 220-b (3) (b). Accordingly, S.A. agreed to pay the City and the employees a total of \$204,604.81, which includes the underpayments, interest, and a 10% civil penalty. To the extent that S.A. does not make full restitution, LIRO acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LIRO's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3) (b). Full restitution has been made by S.A. as required.

High Tower

violations against High Tower Construction Group, Inc. in connection with work performed by Hightower on a DDC project in 2005. LiRo provided Construction Management Services for capital projects pertaining to various EMS stations. LiRo hired THC Realty Development, L.P. who then subcontracted to High Tower to perform brickwork on the project in November 2005. High Tower misclassified its' employees and as a result failed to pay the prevailing rate of wages and benefits to several workers on this sub-contract. Efforts to locate THC Realty were unsuccessful and High Tower is no longer conducting any business activity. Accordingly, LiRo is the only viable party capable of satisfying High Tower's financial obligation as required by Labor Law Section 223 and agreed to pay \$45,595.51 to satisfy High Tower's underpayment obligation. LiRo acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LiRo's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3)(b) and LiRo was not responsible for the payment of any penalty. This matter is closed.

LiRo provided Construction Management Services in connection with the emergency response program at various public schools in all five boroughs. LiRo awarded subcontracts to Sukhmany Construction, Inc. Sukhmany Construction, Inc., misclassified its' employees and as a result failed to pay the prevailing rate of wages and benefits to several workers. Accordingly, LiRo agreed to pay \$8,846.50 to satisfy Sukhmany Construction, Inc., underpayment obligation. LiRo acknowledges that pursuant to Labor Law Section 223 it is financially responsible; however, LiRo's financial responsibility is not and shall not be considered a willful violation for the purposes of Labor Law Section 220-b (3)(b) and LiRo was not responsible for the payment of any penalty. Appendix EE

Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Reward of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no

charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

Agreement H61587 43; PIN 0760.53

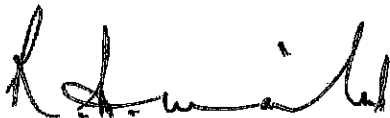

Recommendation of Firms

Construction Management/Inspection Services (CMI) for Proposed Resurfacing Various
Nassau County Roads Phase 43

In our professional judgment, **LiRo** received the highest technical ranking out of thirteen (13) proposers. Haider Engineering scored third in the technical ranking, but their technical score is significantly lower than LiRo, even though their proposed cost is less. Haider's proposed personnel did not fully meet the necessary project requirements as noted in the RFP. Therefore, based on the proposals, LiRo presents the best value to the County. LiRo's team represents a well-rounded combination of expertise and holds the proper licenses and certifications for this task. Furthermore, it is the Department's recommendation for **LiRo** to provide the *Resident Engineer, Office Engineer, two (2) Inspectors and one (1) Alternate Inspector*.

Funding for these professional services is available under Capital Projects 61587. There is potential for Federal reimbursement up to eighty percent (80%).

If you approve or disapprove of the above request, please signify below and return this memo to this office for appropriate action.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Named Insured: LIRO ENGINEERS, INC.

Address (including ZIP Code):

3 AERIAL WAY

SYOSSET, NY 11791

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

A. Section II – Who Is An Insured is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract or written agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. The following is added to Paragraph 2. Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section IV – **Commercial General Liability Conditions:**

The additional insured must see to it that:

1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
2. We receive written notice of a claim or "suit" as soon as practicable; and
3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.

D. For the purposes of the coverage provided by this endorsement:

1. The following is added to the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

Primary and Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured under such other insurance; and
- b. You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

- E. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.

- F. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – **Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the written contract or written agreement referenced in Paragraph A. of this endorsement; or
 2. Available under the applicable Limits of Insurance shown in the Declarations,
- whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

All other terms and conditions of this policy remain unchanged.
