This memorandum is submitted in response to your request for a delay memo to explain the retroactivity of the above-mentioned personal services contract. CQPK19000008 is a \$22,000 contract with Susan Maxwell to provide consultation of the Nassau County Empire State Games for the Physically Challenged held from May 30 – June 1, 2019. It is funded through the Hotel/Motel Tax Grant Program for the improvement and advancement of the marketability of the County. The terms of this contract are from April 1, 2019 through June 30, 2019.

After the draft of this contract was sent to the vendor for review and signature, the vendor had questions about some additional language. After clarification and information from the Department, the signed contract was received from the vendor in the final week of March.

Additionally, the vendor required assistance completing the disclosures forms online in the Vendor Portal, as well as navigating through the system, which was a new and unfamiliar process to them. The vendor subsequently had to make corrections once the disclosure forms had been submitted, causing further delay to timely submission of the contract for approval. As the vendor now has experience with the system and a vendor profile through which they can easily and regularly update the required disclosure forms, this type of delay will be avoidable in the future.
