Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate , or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the

The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

d. Employee and Employer.

i. Under Section 1 of the Living Wage Law, an "Employee" for the purposes of a county service contract is an employee of a county contractor "pursuant to one or more service contracts and who expends any of his or her time thereon." Thus, an Employee may be:

A. Any person hired by a County contractor specifically to work on the County Service Contract at issue

B. Any person employed by the County Contractor who works on the specific services contemplated by the County Service Contract

ii. An Employee is not:

A. An employee who provides services which are only incidental to the services specified in the County Service Contract.

An employee who does not provide any services contemplated under the County Service Contract in Question

iii. For the purposes of the Living Wage Law, Nassau Community College is not an employer as defined in the Law. See Living Wage Law, § 1 "Employee," "Employer"

\$25,000 or over, or if such amendment itself involves an expenditure of \$25,000 or over. In no event shall the Law apply in a situation where an amendment involves an expenditure of less than \$25,000 and the original agreement already involves an expenditure of \$25,000 or over.

ii. County Financial Assistance Agreements.

A. Any renewal of a County Financial Assistance Agreement is subject to the Living Wage Law if the total expenditure by the County under the renewal is greater than \$50,000.

B. If a Financial Assistance Agreement is extended or otherwise amended, such extension or amendment will be subject to the provisions of the Law if such amendment increases the total expenditure under the original agreement to an amount over \$50,000, or if such amendment itself involves an expenditure over \$50,000. In no event shall the Law apply in a situation where an amendment involves an expenditure of \$50,000 or less and the original agreement already involves an expenditure over \$50,000.

iii. County Leases. Any renewal, extension or modification of a County Lease is subject to the provisions of the Living Wage Law.

See Living Wage Law, §10(a) "Other Provisions"

4. Waiver of the Law

a. Application of the Provision

i. Any County Contractor may apply for a waiver of the provisions of the Law. In order to qualify as a County Contractor, the applying organization must have a County Service Contract with the County of Nassau. A County Service Contract is a contract which contemplates providing a service to the County (not goods or any service performed only to deliver goods) for which the County is paying \$25,000 or more. Both non-profit and for-profit County Contractors may apply for a waiver.

ii. At this time, the Living Wage Law does not allow a County Lessee or an entity receiving County Financial Assistance to apply for a waiver of the Law's provisions.

b. Request for a Waiver The following procedures have been established by the County Executive for requesting a waiver of the provisions of the Living Wage Law:

i. Request for a waiver must be made to the Nassau County Office of Compliance. Since a waiver request must be made by a County Contractor who already has a contract with the County to provide services, a request for a waiver may only be made after the contract in question is entered into with the County.

ii. A request for a waiver must be made on the approved form designated "Request for Waiver of the Provisions of the Nassau County Living Wage Law." This form is attached to these rules. Additional forms may be requested by contacting the agency with which the requesting organization has a contract.

iii. Except for those requesting organizations with County Service Contracts listed in section 4(b)(iv)(E)(3) below, those requesting organizations which plan to request a waiver once a County Service Contract has been entered into must include, in their bid or proposal for the specific County Service Contract, a budget breakdown stating the amount of the budget allocated to wages (*assuming the Living Wage Law applies*), and the amount of the budget allocated to services and other contract expenses.

A. In any budget breakdown submitted, the requesting organization must include only those employees who are included within the definition of "Employee" described above.

c. Waiver and Procurement

i. As a waiver may only be requested once a County Service Contract has been entered into, no waiver application may be submitted by any organization submitting a bid or proposal to the County for a County Service Contract.

e. Post-Award Review

i. After the County grants a waiver, if at any time during the term of the County Service Contract the requesting organization alters its budget or wages such that the organization no longer qualifies for a waiver of the Living Wage Law, the requesting organization must contact the County department with which it contracts and inform such department of such alteration.

ii. If a County department is contacted in reference to such a change, the department must either:

Amend the County Service Contract in question to restore any funding subtracted from the contract as a result of a waiver of the Living Wage Law and receive from the Contractor a completed Certificate of Compliance; or

Terminate such Contract according to its terms.

5. Inter-Governmental Agreements
