SEAN SALLEY . . . . . 5  
EILEEN KRIEB . . . . . 7

1                   Public Works and Parks/7-15-19

2                   CHAIRMAN MUSCARELLA: I call the  
3 Public Works and Parks Committee to order.  
4 I will serve as the clerk and call the roll.  
5 I am here. Vice Chairman Bill Gaylor?

6                   LEGISLATOR GAYLOR: Present.

7                   CHAIRMAN MUSCARELLA: Legislator  
8 Schaefer?

9                   LEGISLATOR SCHAEFER: Here.

10                  CHAIRMAN MUSCARELLA: Legislator  
11 Kennedy?

12                  LEGISLATOR KENNEDY: Here.

13                  CHAIRMAN MUSCARELLA: Ranking  
14 Member Siela Bynoe?

15                  LEGISLATOR BYNOE: Here.

16                  CHAIRMAN MUSCARELLA: Legislator  
17 Drucker?

18                  LEGISLATOR DRUCKER: Here.

19                  CHAIRMAN MUSCARELLA: Legislator  
20 Solages?

21                  LEGISLATOR SOLAGES: Here.

22                  CHAIRMAN MUSCARELLA: We have a  
23 quorum.

24                   The first item is Item 237 of  
25 '19, an ordinance supplemental to the annual

1                   Public Works and Parks/7-15-19  
2   appropriations ordinance in connection with  
3   the Department of Public Works.

4                   May I have a motion, please?

5                   LEGISLATOR SCHAEFER:   So moved.

6                   LEGISLATOR KENNEDY:   Second.

7                   CHAIRMAN MUSCARELLA:   Motion by  
8   Ms. Schaefer, seconded by Mr. Kennedy.   The  
9   item is before us.

10                  MR. SALLEY:   Sean Salley, Nassau  
11   County Department of Public Works.   This is  
12   a supplemental appropriation in the amount  
13   of \$476,334 for the Unified Planning Work  
14   Program funded by the FTA as part of the  
15   New York Metropolitan Transportation  
16   Planning Council federal transportation  
17   planning and infrastructure work.

18                  This money is essentially used to  
19   provide funding support for Nassau County to  
20   conduct transportation planning related  
21   work.   It also funds what they call core  
22   activities which include the preparing the  
23   transportation improvement program which  
24   essentially earmarks federal funding for  
25   projects like resurfacing.

1                   Public Works and Parks/7-15-19

2                   So all of the staff time that is  
3 charged to that work is essentially  
4 reimbursed or some of it which is reimbursed  
5 by this funding.

6                   Traffic studies are partially  
7 funded through this funding. The planning  
8 work program is required by the FTA and FHWA  
9 to receive the implementation funds, the  
10 construction funds that we receive.

11                   This is an annual program. This  
12 money would be eligible April 2019 through  
13 March 2020.

14                   CHAIRMAN MUSCARELLA: Any  
15 questions?

16                   (No verbal response.)

17                   Is there any public comment?

18                   (No verbal response.)

19                   Hearing none, all those in favor  
20 signify by saying aye.

21                   (Aye.)

22                   Those opposed?

23                   (No verbal response.)

24                   That item carries.

25                   Next up I will call the next

1                   Public Works and Parks/7-15-19  
2   three items together since they are all  
3   Department of Parks, Recreation and Museums;  
4   Item 242 of '19, supplemental to the annual  
5   appropriation ordinance in connection with  
6   the Department of Public Works and Museums.  
7   As is item 243, an ordinance supplemental to  
8   the annual appropriation in connection with  
9   the Department of Parks, Recreation and  
10   Museums, and Item 244, supplemental to the  
11   annual appropriation ordinance in connection  
12   with the Department of Public Works,  
13   Recreation and Museums. Motion, please.  
14                   LEGISLATOR BYNOE: So moved.  
15                   LEGISLATOR SCHAEFER: Second.  
16                   CHAIRMAN MUSCARELLA: Motion by  
17   Ms. Bynoe, seconded by Ms. Schaefer. That  
18   is before us.  
19                   MS. KRIEB: Good afternoon.  
20   Eileen Krieb, Commissioner of Parks.  
21                   The first is 242 of '19. This is  
22   a \$1.7 million anticipated revenue for  
23   Mitchell Field. Their funds for 2019 to be  
24   appropriated and credited to the department  
25   code as indicated.

1                   Public Works and Parks/7-15-19

2                   243-19 is a supplemental  
3   appropriation for Hotel Motel for 2019's  
4   fiscal year. That represents eight percent  
5   of the total funds to be received for  
6   historic building restoration.

7                   244-'19 is a supplemental  
8   appropriation for fiscal year 2019. This  
9   item appropriates an additional amount of  
10   funds for year end. Again it's allocated to  
11   the department codes as described.

12                  CHAIRMAN MUSCARELLA: Any  
13   questions? Legislator Bynoe.

14                  LEGISLATOR BYNOE: Thank you,  
15   Chair. I'm sorry, could you give us a  
16   little more details about those department  
17   numbers?

18                  I can see them and I know they  
19   are GRT, PK89, but can you specifically tell  
20   me what those accounts are?

21                  MS. KRIEB: 89 is Mitchell Field,  
22   PK89. Those are the funds, the revenue  
23   generated at Mitchell Field. Per the  
24   agreement with the Navy, all those revenues  
25   that are generated stay with the property.

1                   Public Works and Parks/7-15-19

2       That's what the \$1.7 million is.

3                   Then attached to that, we have  
4       allocated to it specific departments, AA is  
5       salaries. AB is benefits. BB and DD are,  
6       one is general services and the other is  
7       equipment and DD is contractual services.  
8       They are divided out into how the expenses  
9       are generated within the Mitchell complex.

10                  LEGISLATOR BYNOE:   Very good.  
11       The last item 244-19.

12                  MS. KRIEB:   This number,  
13       \$2,266,931 represents 75 percent of the  
14       money generated from the total amount  
15       received for Hotel Motel. And, again, I'm  
16       not sure what document you are seeing, but  
17       AA is salaries, AB is benefits, and DE is  
18       programs.

19                  LEGISLATOR BYNOE:   That's for  
20       parks?

21                  MS. KRIEB:   For parks. Large  
22       amounts of money used by the parks  
23       department and by the legislation is  
24       dictated how it's used.

25                  CHAIRMAN MUSCARELLA:   Any other

1                   Public Works and Parks/7-15-19  
2       questions?  
3                   (No verbal response.)  
4                   Is there any public comment?  
5                   (No verbal response.)  
6                   Hearing none, all those in favor  
7       of reporting this item signify by saying  
8       aye.  
9                   (Aye.)  
10                  Those opposed?  
11                  (No verbal response.)  
12                  The item passes and is reported.  
13       Motion to adjourn?  
14                  LEGISLATOR SCHAEFER:    So moved.  
15                  LEGISLATOR BYNOE:    Second.  
16                  CHAIRMAN MUSCARELLA:   Motion by  
17       Ms. Schaefer, seconded by Ms. Bynoe.  
18                  All those in favor of adjourning  
19       say aye.  
20                  (Aye.)  
21                  Those opposed?  
22                  (No verbal response.)  
23                  We are adjourned.  
24                  (Whereupon, the Public Works  
25       Committee adjourned at 3:39 p.m.)
