History of Adelphi University

See how Adelphi has transformed into a powerful institution.

Adelphi University's roots reach back to 1863 and the founding of the Adelphi Academy, a private preparatory school in Brooklyn, New York. The Academy was incorporated in 1869 and its Board of Trustees was charged with establishing a first class institution for the broadest and most thorough training, and to make its advantages as accessible as possible to the largest numbers of our population. The school quickly gained a reputation for its innovative curriculum, particularly in physical culture and early childhood education.

Adelphi Academy in Brooklyn, New York.

The appointment of Charles H. Levermore, Ph.D., as the head of the Academy in 1893 was an important moment in Adelphi's history. Realizing the city of Brooklyn was without a liberal arts college, Levermore seized the opportunity to establish Adelphi College. Through the efforts of Timothy Woodruff, former lieutenant governor of New York State and future president of Adelphi's Board of Trustees, Adelphi College, with 57 students and 16 instructors, was granted a charter—one of the earliest charters granted to a coeducational college by the Board of Regents of the State of New York—on June 24, 1896. Henceforth, degrees issued bore the seals of Adelphi College and of the University of the State of New York and were signed by the officers of the College and by the chancellor and the secretary of the University. For the next 25 years, the Academy remained intact yet separate from the College.

Adelphi University 1928 groundbreaking, Garden City NY.

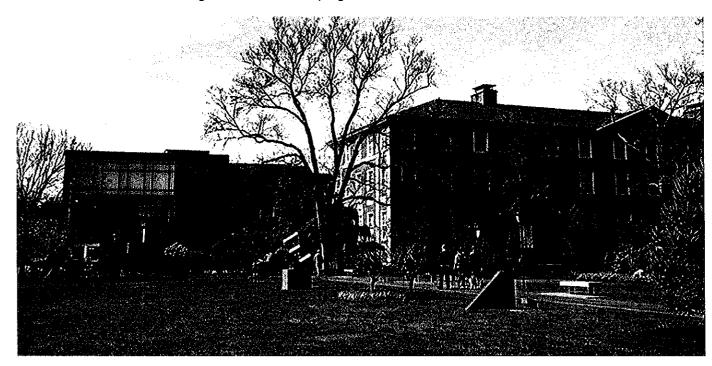

Over the course of the next 100 years Adelphi grew and changed significantly. In 1929, Adelphi University became the first private, coeducational institution of higher education on Long Island. Since that time, more than 100,000 students have passed through our doors, leaving their mark on the University and the world beyond.

Today, Adelphi is thriving. Our colleges and schools include the College of Arts and Sciences; the Gordon F. Derner School of Psychology; the Honors College; the Robert B. Willumstad School of Business; the Ruth S. Ammon School of Education; the School of Nursing; the School of Social Work; and the College of Professional and Continuing Studies. We have reinvigorated our academic community and invested in our future. Our faculty is leading the way to ensure that our students

receive the finest education in the region and that Adelphi continues to serve as a vital resource to our local communities. As we turn our strategic plan into a vision for our future, the campus community has come together to accomplish mutual goals centered on scholarship and student achievement.

While universities around the country have been eliminating faculty. Adelphi has hired more than 280 new professors since 2001. Current full- and part-time faculty total 956, with a student/faculty ratio of 10:1. To ensure that our scholars have the resources needed to reach their goals, we have invested millions of dollars in infrastructure. We have renovated our facilities; upgraded our technology and created smart classrooms; dramatically improved our libraries—both facilities and collections; and invested in new equipment, including state-of-the-art lasers for two new physics laboratories, an atomic scanning microscope and a nuclear magnetic resonance machine for the chemistry program, new pianos from Steinway & Sons, and enhanced digital music facilities to support our music and performing arts programs. An ambitious campus expansion project has, over the last decade, resulted in the completion and opening of the Adele and Herbert J. Klapper Center for Fine Arts with space for painting, printmaking, sculpture and ceramics; the Center for Recreation and Sports, containing gyms and an indoor track; the Performing Arts Center (AUPAC) includes a 500-seat Concert Hall and additional performance, rehearsal and classroom space for music, theatre and dance; an outdoor sports complex; a complete renovation of Woodruff Hall with a modern exercise room, pool, teaching gym and classroom; the Alice Brown Early Learning Center; and additional parking.

Scholars throughout the University are making significant contributions to their disciplines. In recent years, Adelphi faculty members have been recognized as Fulbright and Hartford Scholars, and have received funding from the National Endowment for the Humanities, the National Institutes of Health and the National Science Foundation. The School of Social Work is accredited for the maximum time that the accrediting agency grants. In fact, our School of Social Work was reaccredited with no recommendations for improvement by the Council on Social Work Education's site evaluation committee, and the School's self-study document so impressed the council that it is now used as a model in reaccreditation training sessions for other programs.

Currently, nearly 8,000 students are thriving in our classrooms, in our programs, on our sports fields at the main <u>Garden City campus</u> and at centers in <u>Manhattan</u>, <u>Hauppauge</u>, and <u>Poughkeepsie</u>. Our students have gone on to achieve awards and national recognition for their scholarship, service and leadership.

Adelphi also seeks to serve its locality, state and nation through the research and practice of its faculty; the strengthening of ties between the professional schools and community; the staging of distinguished cultural events at its campuses; and most essentially, the education of a generation of future leaders and informed citizens, professionals, and community members.

Adelphi University Mission and Vision

Mission Statement

Our University transforms the lives of all students by creating a distinctive environment of intellectual rigor, research, creativity and deep community engagement across four core areas of focus: arts and humanities, STEM and social sciences, the professions, and health and wellness.

Vision

We will become a nationally respected leader—a standard bearer—for redefining the practical and personal value of education for students, helping them define their success in the classroom, on campus, in careers and communities, and beyond.

Values

We are guided by six core values that exemplify the type of community we seek to create:

- 1. Academic excellence
- 2. Creativity and Innovation
- 3. Community and collaboration
- 4. Global awareness and diversity
- 5. Respect for the individual
- 6. Truth and integrity

WHEREAS, the Contractor desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

- 1. <u>Term.</u> This Agreement shall commence on August 1, 2016, and terminate on July 31, 2017, unless sooner terminated in accordance with the provisions of this Agreement. The County at its sole discretion may renew this Agreement under the same terms and conditions for four (4) additional one (1) year terms (each one-year term a "Renewal Period"),

The services provided by the Contractor under the Agreement shall consist of comprehensive assessment, case management, referrals, and evidence-based treatment oversight for the Closer to the Crib program conducted by the Department. These services are more fully described in the attached Appendix A.

The program is intended to support the healthy development of the brain in 0-3 year old children by establishing a solid foundation for positive relationships leading to improved short and long term physical and psychological health and well-being, improved school readiness and increased learning ability. The goal of the program is to create healthier individuals, stronger families and safer communities.

3. <u>Payment</u>. (a) <u>Amount of Consideration</u>. The maximum amount ("Maximum Amount") to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement shall not exceed Two Hundred and Thirty-Four Thousand and Five 00/100 Dollars (\$234,005.00), payable in accordance with the attached budget, Appendix B.

- (b) <u>Vouchers</u>; <u>Voucher Review</u>, <u>Approval and Audit</u>. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.
- (f) Reimbursement by the Contractor upon Loss of Funding. In addition to any other remedies available to the County, in the event that the County loses funding, including reimbursement, from the State or federal government for any Services arising out of or in connection with any act or omission of the Contractor or a Contractor Agent (i) the County will have no further obligations to the Contractor under this Agreement and (ii) the Contractor shall pay the County the full amount of lost funds on demand, but not in excess of the amount paid to the Contractor under this Agreement.
- (g) Reallocation Among Line Items. The Contractor may reallocate monies within the budget, provided however, that the Contractor shall not reallocate more than ten percent (10%) of the amount allocated to any line item to another line item nor add or subtract a line item, without the prior written consent of the Department, Clause 10 notwithstanding.

 - (i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;
 - (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

- (b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

- (b) By the Contractor. Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. - 15. <u>Work Performance Liability</u>. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.
- 16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.
- (b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
- (c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.
- (d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.
