Department: Information Technology

Contract Summary

Description:
Supplemental staffing services for Nassau County's information technology projects that require additional staffing.

Purpose:
The Nassau County Department of Information Technology ("NCIT") may sometimes identify a need for individual or project related supplemental staffing services. To meet these needs NCIT has established a vehicle with twenty vendors who are qualified to provide one or more of the required supplemental staffing services to NCIT based on which of the twenty-nine (29) support service categories/levels the vendor provided rates. This Agreement will enable vendors to respond to any Statement of Work ("SOW") issued by NCIT for which the vendor is qualified to provide services.

This contract will provide flexibility for NCIT to meet the challenges and opportunities it encounters resulting from new government initiatives, increasing citizen expectations for better and more responsive services, and business and program requirements that are more demanding for economical operations and improved outcomes while allowing NCIT to procure supplemental staffing services quickly on an as-needed basis thus ensuring County Departments enjoy uninterrupted service.

The supplemental staffing contracts will create a maximum rate per support service category/level which vendors can charge for specific skillsets and will permit a vendor to offer less than the maximum rate per support service category/level when requested to respond to a specific SOW. The number of qualified vendors combined with the wide variety of support service categories and the flexibility for vendors to provide rates below the maximum rate will promote a competitive environment among vendors thus enabling a potential cost savings for Nassau County while retaining the best possible resources to perform the required services.

Method of Procurement: Request for Proposal.

Procurement History:

The contract was entered into after a written request for proposals was issued on January 20th, 2015. Potential proposers were made aware of the availability of the RFP by advertising in Newsday and on the LIST net, LIFT and LIA websites. Proposals were due on March 30, 2015. Twenty one proposals were received and evaluated. The evaluation committee consisted of: Donna Neiland, Ira Hill, Alex Demaio, Bill Doughty, Anthony Paganini, Steve Barry, Christine Levitsky, Patty Laskaris, Robert Mancino, Robert McClean, Erick Bautista, Douglas Rodriguez, Tence George, and Kathleen Dolan. The proposals were scored and ranked. As a result of the scoring and ranking, twenty vendors were selected.

Description of General Provisions:

- NCIT may identify a need for individual or project related supplemental staffing services and may issue SOWs on an as-needed basis to satisfy those needs.
- NCIT will send SOWs only to those vendors who provided rate(s) for the support service category(ies) and level(s) of work required under a specific SOW. These support service categories, levels and rates are listed in the cost proposal section of the contract.
- Upon receipt of an SOW, vendors should review the SOW requirements. If the vendor is able to provide resource(s) that match the requirements of an SOW, the vendor should submit offer(s) to provide the supplemental staffing services needed under the SOW by:
 - Indicating an hourly rate that is equal to or less than the rate listed in the contract.
 - Submitting resume(s) of the staff that will be providing supplemental staffing services for the SOW.
 - Submitting any forms that NCIT requires to be submitted with SOW responses.
- All SOW responses must be received by the deadline specified when the SOW is sent to the vendors.
- NCIT may select one or more qualified vendors to provide the supplemental staffing services requested in a SOW but is not obligated to select any of the qualified vendors to provide supplemental staffing services under a SOW.

Impact on Funding / Price Analysis:

The maximum amount for full consideration for all services under this Agreement shall not exceed \$7,500,000.00. However, no monies are being encumbered at this time. All monies will be encumbered on an as-needed basis, whenever services are required.

Change in Contract from Prior Procurement: N/A.

Recommendation: Approve as submitted.

A receiving party also may disclose Confidential Information to the extent required by an order of a court of competent jurisdiction, administrative agency or governmental body, or by any law, rule or regulation, or by court ordered subpoena, summons or other administrative or legal process, or by applicable regulatory or professional standards, or in connection with any judicial or other proceeding involving Contractor and County relating to Contractor's Services for County or this Agreement.

All data (including, without limitation, all content in any media or format entered into, stored in, and/or susceptible to retrieval from the County's computer systems) or other materials furnished by the County for use by the Contractor under this Agreement (such as records or information) shall remain the sole property of the County, will be deemed "Confidential Information" and will be held in confidence in accordance with this Agreement. The Contractor shall not use the data other than in connection with providing the Services pursuant to and in accordance with this Agreement. Such data and materials will be returned to the County upon completion of the Services. Access to Confidential Information shall be restricted to the Contractor's personnel with a need to know and engaged in a permitted use. (c) Staffing and Personnel. The County reserves the right to review and to request changes to the members of the Contractor's staff assigned to deliver Services under this Agreement. The Contractor may reassign staff in the event of a bona fide promotion, illness, family leave, disability, physical incapacitation, termination of employment, inability to perform duties, or other circumstances beyond the Contractor's reasonable control.

(d) The County shall have the right, in its absolute discretion, to require the removal of the Contractor's personnel at any level assigned to the performance of the Services or Work, if the County considers such removal necessary or in the best interests of Nassau County. Such personnel shall be promptly removed from the project by the Contractor at no cost or expense to the County. Further, an employee who is removed from the project for any reason shall not be re-employed on the Project.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

(a) If the County provides consent, the Contractor must identify each subcontractor by name, business address and expertise, a full resume of the proposed person and must include the name(s) of the principal(s) of the subcontracting entity. The Contractor must provide a full description of the services to be provided by the Contractor.

11. Subcontracting.

(c) Nothing contained in this Agreement or otherwise shall create any

contractual relation between the County and any subcontractors. The Contractor agrees to be as fully responsible to the County for the direct and indirect acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor and shall indemnify and hold harmless the County for any and all acts and / or omissions of their Contractor Agents, subcontractors, independent contractors, consortiums, or partners.

(d) The Contractor's obligation to pay its subcontractors is an independent obligation from the County's obligation to make payments to the Contractor. As a result, the County shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

(e) The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(f) The Contractor Agents will be required to provide the County with an Owner and Management Disclosure.

12. Right to Works. (a) Upon execution of this Agreement, any reports, design systems, documents, data, designs, drawings, graphs, charts, specifications, manuals, photographs, source code and/or any other material produced by the Contractor for the County pursuant to this Agreement, and any and all drafts and/or other preliminary materials, in any format, to such items, shall become the exclusive property of the County.

(b) Works Made for Hire: The Contractor acknowledges that all of the Contractor's works of authorship, including but not limited to any reports, design systems, documents, data, designs, drawings, graphs, charts, specifications, manuals, photographs and/or any other materials produced or used by the Contractor for the County pursuant to this Agreement ("Copyrighted Materials") shall be considered and are "works-made-for-hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the County shall be the owner thereof, including any copyrights, patents, or other intellectual property rights pertaining thereto and of all aspects, elements, and components thereof in which copyright protection might exist. If it is determined that any such works are not works made for hire, the Contractor hereby assigns to the County all of the Contractor's right, title, and interest, including all rights of copyright, patent, and other intellectual property rights, to or in such Contractor works and hereby irrevocably transfers, assigns, and conveys all of the Contractor's right, title, and interest, including exclusive copyright, patent, and other intellectual property rights, ownership in and to the Copyrighted Materials to the County, free and clear of any liens, claims, or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Copyrighted Materials, and they shall be used by the Contractor for no other purpose without the prior written permission of the County.

(c) Contractor Property or Works. Unless otherwise agreed upon between the

parties in this Agreement, the Contractor retains all right, title and interest, including all copyrights, patent rights and trade secret rights, in any pre-existing Contractor property or works, including all pre-existing intellectual property interests held by Contractor (the "Contractor Works"). Contractor hereby grants to County a non-exclusive, non-transferable, royalty-free, perpetual internal use license to use such Contractor Works solely for the County's internal use. As used in this Agreement, the term "Contractor Works" means any of the following: (i) any software program, algorithm, process, methodology, documentation, report, data, flow diagram, document, or other material owned, generated, or distributed by the Contractor prior to or separately from this Agreement; or (ii) any tools or utilities developed by or on behalf of the Contractor or used by the Contractor.

(d) Upon payment of all amounts due therefore, the Contractor shall grant to the County a non-exclusive, United States license to use any such Contractor Works solely for the County's internal use. The County may make reasonable copies of such pre-existing material for backup and archival purposes in accordance with applicable law. The County shall reproduce such material accurately and include all original copyright and trademark notices, claims of confidentiality or trade secrets, and other proprietary rights notices on all back-up or archival copies. Subject to the other provisions in this subsection 8(b), any copies that the County makes of such Contractor Works shall remain the Contractor's sole property.

13. Patent/Copyright Claims.

(a) The Contractor shall indemnify, defend and hold the County harmless against any and all liabilities, losses, costs, expenses (including reasonable attorney's fees and disbursements) and damages ("Losses") arising out of or in connection with any claim for any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or arising out of or in connection with any breach of warranty by the Contractor. As a condition to the foregoing indemnity obligation, the County shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at the Contractor's sole expense, and (iii) assistance in the defense of any such action at the expense of the Contractor. The Contractor shall indemnify and hold the County harmless regardless of whether or not the infringement arises in the course of delivering Services under this Agreement.

(b) In addition to the foregoing, if the use of any Deliverable(s), item(s) or part(s) thereof shall be enjoined for any reason or if the Contractor believes that it may be enjoined, the Contractor shall have the right, at its own expense, to take action in the following order of precedence: (i) to procure for the County the right to continue using such Deliverable(s), item(s) or part(s) thereof, as applicable; (ii) to modify the Deliverable(s), item(s) or part(s) so that it becomes non-infringing and of at least equal quality and performance; or (iii) to replace said Deliverable(s), item(s) or part(s) thereof, as applicable, with non-infringing Deliverable(s), item(s) or part(s) of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable,

then provide monetary compensation to the County up to the dollar amount of the aggregate consideration paid to the Contractor under this Agreement; (v) the preceding remedies are in addition to and not in lieu of the Contractor's obligation to indemnify and defend the County; (vi) time is of the essence with respect to every provision of this Agreement in which time of performance is a factor.

(c) The foregoing provisions shall not apply to any infringement occasioned by modification by the County that is (i) not contemplated by the Contractor; or (ii) made without the Contractor's approval.

(d) In the event that an action at law or equity is commenced against the County arising out of a claim that the County's use of a deliverable, item or part under this Agreement infringes any patent, copyright or proprietary right and the Contractor is of the opinion that the allegations in such action in whole or in part are not covered by the indemnification and defense provisions set forth in this Agreement, the Contractor shall immediately notify the County in writing and shall specify to what extent the Contractor believes it is obligated to defend and indemnify under the terms and conditions of this Agreement. The Contractor shall in such event protect the interests of the County and secure a continuance to permit the County to appear and defend its interests in cooperation with the Contractor as is appropriate, including any jurisdictional defenses the County may have.

(e) The provisions of this Section shall survive termination of the Agreement.

14. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver Services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

15. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if

any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

16. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than Five Million Dollars (\$5,000,000) per occurrence and Five Million Dollars (\$5,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance and errors and omissions insurance, which policy(ies) shall have a minimum single combined limit liability of not less than Five Million Dollars (\$5,000,000.00) per occurrence; and (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and rated A- VIII or better by A.M. Best's or its equivalent, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder,

the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

17. Warranty. (a) Contractor warrants and represents full ownership, clear title free of all liens, and/or that Contractor has obtained on behalf of County perpetual license rights set forth herein to use the deliverable. Contractor shall indemnify County for any loss, damages or actions arising from a breach of this warranty. County may require Contractor to furnish appropriate written documentation establishing the above rights and interests as a condition of payment. County's request or failure to request such documentation shall not relieve Contractor of liability under this warranty.

(b) The Contractor shall provide a warranty for all Deliverable(s) or product(s) specified in and furnished by or through the Contractor under an SOW. All product(s) or Deliverable(s) provided under an SOW shall substantially conform to the specifications set forth in the SOW and shall do so for a period of six (6) months following the date of acceptance by the County of the final Deliverable (the "Product Warranty Period"), provided, that no modifications, other than modifications contemplated by or consented to by the Contractor are made to the Deliverable(s) or product(s) or their system environment by any party other than the Contractor.

(c) The Contractor further warrants and represents that product(s) or Deliverable(s) specified and furnished by or through the Contractor under an SOW shall individually, and where specified by the Contractor to perform as a system, perform as such and be substantially uninterrupted and error-free in operation and guaranteed against faulty material and workmanship during the Project Warranty Period, provided, that no modifications, other than modifications contemplated by or consented to by the Contractor, are made to the Deliverable(s) or product(s) or their system environment by any party other than the Contractor. During the Project Warranty Period, defects in the product(s) or Deliverable(s) specified and furnished by or through the Contractor shall be repaired or replaced by the Contractor at no cost or expense to the County.

The Contractor shall advise NCIT immediately upon determining that any Deliverable(s) or product(s) will not, or may not, be delivered at the time or place specified. Together with such notice, the Contractor shall state the projected delivery time and date. In the event the delay projected by the Contractor is unsatisfactory, NCIT shall so advise the Contractor and may proceed to procure substitute Deliverable(s), product(s) or Services. NCIT will not unreasonably deem the delay unsatisfactory.

(d) Contractor shall extend the Project Warranty Period for individual product(s), or for the system as a whole, if applicable, by the cumulative period(s) of time, after notification, during which an individual product or the system requires servicing or replacement (down time), or is in the possession of the Contractor, its agents, officers, subcontractors, distributors, resellers or employees.

(e) In addition to Contractor's Project Warranty Period, the County shall have the benefit of all manufacturers' standard commercial warranties for individual deliverables, if any.

(f) Where the manufacturer's warranty term is longer than the Project Warranty Period, the Contractor shall notify the County and pass through the manufacturer's warranty to County. Contractor shall not be responsible for coordinating services under the manufacturer's warranty after expiration of the Project Warranty Period.

(g) The warranties set forth herein shall survive any termination of the Agreement with respect a SOW in accordance with the stated warranty term(s).

18. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

19. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. 21. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance with this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

22. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniense. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

24. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

25. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

26. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty Three and 00/100 Dollars \$533.00 for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Numbers 201-2001 and 128-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

27. Services for Other Municipal Entities. It is understood that the Services described in the Agreement may be purchased by any other municipal entities ("Municipal Entities") and the Contractor agrees to provide the Services to the Municipal Entities on the same terms and conditions as if they were to be supplied to the County. In order to coordinate such activity, the Contractor agrees to only perform such Services after obtaining the written permission of the County. To the extent that the Municipal Entities purchase Services, then the Municipal Entities, and not the County, shall be liable to the Contractor.

28. Financial Deterioration of Vendor. In the event the Contractor, its assignees or successor, at any point during the performance of Services and operation of the products acquired under this Agreement, becomes insolvent, ceases to exist as a business entity or for any reason fails to continue to support its deliverable(s) or product(s), the Contractor will (i) make provision for the continued support under the same terms and conditions or (ii) provide the County with the source code and all associated updates, modifications and other materials (including, but not limited to, schematics or flow charts, system documentation, program procedures, build procedures, descriptions of operation, programmer notes, testing data, custom or special compilers) required to understand the design, structure and implementation of the said deliverable(s) or product(s), at no expense to the County.

31. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

APPENDIX A

SUPPLEMENTAL STAFFING SERVICES SCOPE OF SERVICES & PROCEDURES

The purpose of this Agreement is to establish a vehicle with the Contractor to provide Supplemental Staffing Services to the County. This Agreement will enable the Contractor to respond to any Statement of Work ("SOW") issued by the Nassau County Department of Information Technology ("NCIT") for which that Contractor is eligible to provide Services as specified in Appendix B ("Cost Proposal").

Upon execution of this Agreement, from time to time, NCIT may identify a need for individual or project related Supplemental Staffing Services. NCIT may issue an SOW for a project requiring Supplemental Staffing Services. The SOW will describe in detail which of the twenty-nine (29) Support Service Categories and levels NCIT requires as well as a detailed description of the requirements. Support Service Categories are described in detail in Appendix C ("Supplemental Staffing Support Service Categories"). NCIT will send the SOW to those Contractors previously identified as able to provide the Supplemental Staffing Services required for the specific Support Service Category(ies) required for the SOW as identified in Appendix B.

Contractors shall review the SOW and submit offers to provide the Supplemental Staffing Services needed under the SOW and for the specific Supplemental Staffing Services, indicate an hourly rate that is equal to or less than the rate proposed in their original response to this RFP. Contractors must also submit resume(s) of the staff that will be providing Supplemental Staffing Services for the SOW. NCIT may, in its discretion, select one or more Contractors to provide the Supplemental Staffing Services requested in the SOW. NCIT will not be obligated to select any of the Contractors to provide Supplemental Staffing Services under the SOW.

Please be advised that Contractors are not guaranteed work under this Contract. Rather, the Contract provides a Contractor with the eligibility to bid on a particular SOW for which the Contractor can provide the necessary Supplemental Staffing Services.

Individual Statements of Work

When NCIT has a project requiring Supplemental Staffing Services, an SOW describing in detail the project requiring Supplemental Staffing Services will be issued to each Contractor who is eligible to provide the specific type of Supplemental Staffing Service needed.

Notwithstanding the expiration of the Agreement between the Contractor and the County, an individual SOW may require the Contractor's personnel to work beyond the termination date of the Agreement to complete a specific project or activity in the SOW. In that event, the County, at its sole option and discretion, may choose to amend the Agreement to extend the term for the period the Contractor's personnel are needed to complete the project under the SOW. In addition, NCIT has the ability to modify each SOW to satisfy specific County needs.

Each SOW will provide details as to the required:

- Support Service Category(ies) required.
- Qualification Level of personnel needed to perform the Supplemental Staffing Services, including the years of work experience required of personnel within the specific Support Service Category(ies) requested and demonstrable expertise.

NCIT will allow Contractors a specific period of time from the time NCIT issues an SOW to submit an offer in response. Such period of time will be specified when the SOW is issued and will vary for each SOW. NCIT will determine this length of time in part by the complexity of the job description(s) and skill set requirements.

Contractor Reporting/Documentation

Upon selection to perform the Services specified in an SOW, the Contractor will be required to provide NCIT with a Weekly Status Report. The Weekly Status Report format and details will be provided to the Contractor by NCIT. All documentation must be in the format specified by and acceptable to NCIT.

The Contractor may also be required to provide NCIT with other documentation and/or reports as required by NCIT. All such documentation and reports must be in the format specified by and acceptable to NCIT.

Failure to provide NCIT with acceptable Weekly Status Reports, other documentation or reports may result in delay of payment to the Contractor and/or disqualification of the Contractor to perform work on the SOW. If a Contractor repeatedly fails to provide NCIT with acceptable documentation or reports, the Contractor may be disqualified from performing any Services under this Agreement. NCIT will be the final judge of whether documentation and reporting requirements are being met by the Contractor.

Other Considerations

All personnel utilized by the Contractor in connection with fulfilling its obligations pursuant to or arising from this Agreement shall be employees of the Contractor or, if applicable, the Contractor's Agents and shall be in compliance with all applicable state, federal, and local laws relating to employees generally, including, without limitation, immigration laws.

The Contractor must ensure that all employees assigned to work under an SOW have the training and are qualified to perform the task(s) and meet the skill set requirements of the job position under consideration. If NCIT determines that such personnel do not possess the requisite skills, the Contractor shall provide a replacement acceptable to the County.

NCIT will provide workspace and facilities for all Contractors performing Supplemental Staffing Services under an SOW, as appropriate.

NCIT will provide the necessary computer equipment and computer resources to meet the project requirements unless otherwise stated in the SOW.

Pricing Schedule (Total Firm Fixed Prices)

Rates for this Contract will remain firm for the life of the Contract. This does not preclude any Contractors from offering a Rate lower than the established Rate in the Agreement in response to any SOW. All Rates are to be inclusive of any travel, living, and related expenses. The County will not provide any extra compensation/reimbursement for this purpose.

Contractor Performance Criteria

NCIT has established specific Contractor performance criteria and shall monitor and measure performance to ensure compliance with contract standards. Contractors will be required to meet or exceed the following performance criteria:

1. **Certification of Employee Skill Sets and Capability to Perform Required Tasks.**

NCIT may disqualify, **for any reason**, personnel presented by the Contractor for assignment who prove incapable of performing specific tasks assigned as described in the SOW.

These issues may include, but are not limited to, the following:

- The individual represented by the Contractor and placed on assignment does not have the skill sets and experience required to meet the job description requirements.
- The resumes submitted by the Contractor in response to a posted SOW are not indicative of required skill sets.
- Upon interview of an employee based on the resume or other representation by the Contractor, NCIT determines that the employee does not have the required skill sets or experience.

Poor professional manner. This includes, but is not limited to the Minimum Service Standards outlined in Section 9 above.

If NCIT terminates personnel placed on assignment by the Contractor because the person's skill sets or experience are not as originally represented, NCIT shall not be responsible to pay the Contractor for that period. This also denotes Cause for termination of the Contract.

The Contractor **must** warrant that qualified personnel will provide services in a professional manner. "Professional manner" means that the personnel performing the services will possess the skill and competence consistent with the prevailing business standards in the Information Technology industry.

NCIT will be the exclusive and final judge of whether there is misrepresentation

of a skill set, experience level, or professional manner lapses.

2. Personnel Substitution.

The Contractor shall not substitute personnel assigned to the performance of an SOW without the prior written consent of the County and/or NCIT. The Contractor shall provide notice to NCIT for any desired substitution accompanied by the names and references of the recommended substitute personnel. NCIT will approve or disapprove of the requested substitution in a timely manner. Upon such termination, NCIT may request acceptable substitute personnel or terminate the SOW services provided by such personnel.

Contractor Disqualification

A Contractor may be deemed unqualified by NCIT for repeatedly providing personnel who do not meet NCIT standards, failing to respond to NCIT requests, failing to promptly cure defects, continuing to omit or unsatisfactorily perform the required services, or for any other reason NCIT deems necessary.

Upon disqualification, the Vendor will no longer receive notification of SOWs released by NCIT.

NCIT reserves the right to remove from eligibility all Contractors that are inactive (have not responded to an SOW) for twelve (12) consecutive months during the Contract term.

Deliverables

Deliverables, as used herein, shall comprise all project materials, including goods, software, data, and documentation created during the performance or provision of services hereunder (the "Deliverables"). Deliverables are the property of the County and must be kept confidential, returned to NCIT, or destroyed as required by the County. Proprietary Contractor materials licensed to the County shall be identified to the County by the Contractor prior to use or provision of Services hereunder and shall remain the property of the Contractor. Embedded software or firmware shall not be a severable Deliverable. If the work performed by the Contractor requires the development of application or systems software, all software source and object code is the property of Nassau County.

Change Management Request

A Change Management Request shall be required to authorize an amendment of the SOW in scope and/or dollar value.

No work requested in the Change Management Request may be performed until the Change Management Request has been approved and signed by both NCIT and the Contractor. However, a Change Management Request may require an amendment or advisement of the Agreement. In the case where an amendment or advisement of the Agreement is required, no work may be performed until the amendment or advisement

have been fully approved and executed by Nassau County and certified by the Clerk of the Legislature. The Contractor will be responsible for making sure all required approvals have been obtained prior to proceeding with any work on an SOW.

Nassau County will not be liable for any work performed without all necessary Nassau County approvals.

The Change Management Request will state the scope of work requested, the rationale for the change, the responsible parties that will perform the work, a dollar amount of the costs of the request, net agreement impact including the impact on the project schedule and the appropriate approval signatures. The Change Management Request must also specify any changes to the completion deadlines specified in the SOW.

The Contractor shall be responsible for maintaining documentation denoting any changes agreed upon with the County.

APPENDIX B COST PROPOSAL

Support Service Categories

Within each Support Service Category, the County has defined three qualification levels (the "Qualification Level") listed below. Using the descriptions of each of the Support Service Categories listed in Appendix C ("Supplemental Staffing Support Service Categories"), the Contractor has provided their best rate which is listed in the column on this form based on the following:

Level 1 – Individuals with three (3) or more years but less than five (5) years of experience within the specific Support Service Category.

Level 2 – Individuals with five (5) or more years but less than ten (10) years of experience within the specific Support Service Category.

Level 3 – Individuals with ten (10) or more years of experience within the specific Support Service Category.

For each Qualification Level within a Support Service Category, the Contractor has provided rates under which the Contractor will provide personnel that meet the qualifications of the Support Service Category(ies) as described in Appendix C. The rate provided for each category will be the maximum rate that a Contractor can charge for services provided by personnel with that particular level of skill (the "Maximum Rate").

The Contractor's proposed personnel must have the requisite years of experience within the individual Support Service Category(ies). The Contractor cannot aggregate experience from different Support Service Categories.

Contractors, responding to an SOW, shall provide resumes that specify that the proposed personnel satisfy the qualifications required for the Qualification Level(s).

The Rates for this Agreement will remain firm for the life of the Agreement. This does not preclude any Contractor from offering a Rate lower than the established Rate in the Contract in response to any SOW. All Rates are to be inclusive of any travel and living expenses. The County will not provide any extra compensation for this purpose.

In the case where the personnel requested must perform multiple categories of work simultaneously, the Contractor may charge the highest rate between all required categories at the level of skill required.

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

i. The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan and any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- i. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- ii. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within

thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- iii. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide the contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.
