**V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Contract No: S35123-L33E  
Title: Bay Park Sewage Treatment Plant  
Phase E4 Electrical Utility Connections  
Engineer's Estimate: \$8,118,435.00  
Bids Received On: October 27, 2020

The bids received for the above referenced contract have been examined, and the bid submitted by Eldor Contracting Corporation in the amount of \$4,736,525.00 is acceptable as the lowest responsible bidder.

The apparent low bid of \$4,736,525.00 is 41.7% lower than the engineer's estimate and 22.2% below the average bid of \$6,087,996.24. The results of the bidding indicate a competitive bidding environment, with six (6) experienced contractors submitting bids. The Engineers Estimate accounted for potential COVID-19 impacts on material costs and the labor force productivity reduction like those seen in the Spring and Summer of 2020. This conservative assumption compounded by volatile bidding conditions in the construction industry are contributing factors to the difference in cost between the Engineer's Estimate, the low bid and the average of all bids submitted.

Attached herewith is the Design Engineer's analysis of Eldor Contracting Corporation in which is indicated the apparent low bidder has extensive experience on projects of similar scope and scale where Eldor Contracting Corporation was the prime electrical contractor. The Design Engineer confirmed, in the follow-up discussion, that the apparent low bidder provided confirmation of the project duration and responded favorably to questions regarding their qualifications to perform the work.

As a result of qualification statements submitted by Eldor Contracting Corporation that did not reflect any negative information regarding failure to complete work awarded, contract default, non-responsive bidding, and debarment, it is requested that the Recommendation of Award be prepared for the Commissioner's signature and be forwarded to the County Executive for action. Adequate funds are available in Capital Project No. 35123.

Pre-Solicitation Documents can be found within the Solicitation Tracking System. All other requisite documents including Firm and Principal Disclosures will be uploaded to the Solicitation Tracking & Contract Routing Systems.

Bay Park Sewage Treatment Plant  
Phase E4 Electrical Utility Connections - Contract No. S35123-L33E  
BID ANALYSIS AND AWARD RECOMMENDATION  
H2M Project No. NCDP 2001**

Dear Ms. Dioquino:

Six (6) bids were received on October 27, 2020 for the above referenced contract. H2M analyzed the corresponding documents provided by Nassau County (Proposal pages, Disclosure Statements) and conducted limited research of the apparent low bidder for the Contract, Eldor Contracting Corp. (Eldor).

The following is a summary of the bid proposal analysis, reference checks, and award recommendation.

Summary

The bids received are tabulated below, in order of lowest price to highest price, and reflect the summation of bid item numbers 1 thru 16. The summary table also provides the average of all bid prices received as well as the Engineer's Estimate (EE) that was provided prior to bid advertisement.

No.	Firm	Bid Amount
1	Eldor Contracting Corp.	\$4,736,525.00
2	Palace Electric Contractors, Inc.	\$4,844,000.00
3	Haugland Energy Group LLC	\$5,749,835.00*
4	L.E.B Electric	\$5,791,607.00
5	Bana Electric Corp.	\$6,223,125.45
6	E-J Electric Installation Co.	\$9,181,685.00
-	<i>Average Bid</i>	<i>\$6,087,796.24</i>

-	Engineer's Estimate (EE)	\$8,118,435.00
---	--------------------------	----------------

\*The summation of the bid items 1 thru 16 provide in the bid submission received from Haugland Energy Group LLC bid did not equal the total base bid written on their submitted bid form, which totaled \$5,749,565.00 (i.e. \$270 less than the summation of the bid items submitted). This discrepancy did not affect the ranking of Haugland Energy Group LLC in the bid order.

Following a review of the submitted bids, Eldor Contracting Corp. (Eldor) has been identified as the apparent low bidder with a bid amount that is approx. 41.7% below the Engineer's Estimate (EE) and approx. 22.2% below the Average Bid. If bidding, the EE would have been the 6<sup>th</sup> lowest bid; the EE is approx. 33.4% higher than the Average Bid.

The Engineers estimate accounted for potential COVID-19 impacts on material costs and the labor force productivity reduction like those seen throughout the spring and summer of 2020 as documented in Engineering News Record Article 49862 titled Union Specialty Contractors Urged to Seek Additional Pay for Pandemic Costs. This conservative assumption used in our construction cost estimating approach compounded by volatile bidding conditions in the construction industry are attributing factors to the difference in cost between the engineer's estimate and the average of all bids submitted.

#### Subcontracting

Eldor submitted the Wicks Exempt List of Subcontractors form indicating that American Electrical Testing will provide electrical testing services in the amount of \$136,000 on this project. There are no other subcontractors listed for this project.

#### References

H2M reviewed the Disclosure Statement provided by Eldor, which targeted the firm's present and past work experience as it relates to the type, size, and scope of work for the Bay Park Sewage Treatment Plant Phase E4 Electrical Utility Connections project. The findings are presented below.

Disclosure Statements submitted by Eldor Contracting Corp. did not reflect negative information regarding failure to complete work awarded, contract default, non-responsive bidding, and debarment.

Years in business under present business name as prime and subcontractor, as provided by the contractor, is 42 years.

All references contacted generally characterized the firm as qualified, diversified, professional, cooperative, and stable. The references regarded the firm as self-performers and the firm's work as good quality. H2M and Nassau County have had previous projects of similar scope and scale where Eldor Contracting Corp was the prime electrical contractor and can confirm the validity of the above noted referenced comments summary.

#### Subsequent Information

Pre-award questionnaire was submitted to Eldor by the County and all responses were received detailing additional financial and corporate compliance information. Additionally, a summary work approach schedule was submitted for review and comment. The Count will evaluate the financial and corporate compliance Information. H2M commented on the summary schedule and requested that is be revised for clarity and conformance to the contract period as stated in the bid contract documents. Eldor complied and resubmitted a satisfactory summary work schedule (See attached)

#### Award Recommendation

Based on the above, H2M recommends that the County proceeds with the award of the Contract to Eldor Contracting Corp. as the lowest responsive bidder. Our recommendation is predicated on confirmation by the County of the Contractor's compliance with the front-end requirements (bonding, insurance, legal, etc.) of the Contract and confirmation of the acceptability of the firm's financials.

**IRAN DIVESTMENT ACT – CERTIFICATION**

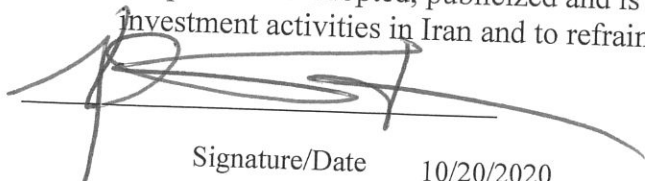

Pursuant to New York State Finance Law §165-a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

  X   a. Certification that the Bidder is not on the List: Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,

       b. Certification that the Bidder's investment in Iran is ceasing: The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.

## PROPOSAL

### Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

### Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

**Adverse Job-Related Action** includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

**Contact** means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

**Designated Point(s) of Contact** means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

**Nassau County Employee** means any officer, official or employee of Nassau County.

**Family Member** means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

**Gift** means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

**Nassau County Code of Ethics** means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

**Participating Employee** means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

**Participating Nassau County Employee** means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

**Primary Contracting Party** means a Vendor who intends to directly enter into or has a contract with Nassau County.

**Retaliatory Action** is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

**State Procurement Lobbying Law** means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

**Vendor** means any individual or entity seeking to or doing business

## Vendor Code of Ethics

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

### **Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY**

#### **Section 2.01 Designated Point(s) of Contact**

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

### **Chapter 3: GIFTS OR CONTINGENT FEES**

#### **Section 3.01 Zero Tolerance**

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

#### **Section 3.02 Personal Relationships**

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

## Vendor Code of Ethics

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

- (a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;
- (b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

### **Section 3.03 Contingent Fees**

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

## **Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT**

### **Section 4.01 Restrictions During the Procurement Process**

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

## Vendor Code of Ethics

procurement should be directed to the Designated Point of Contact for the procurement.

### **Section 4.02 Restrictions Post Award**

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

- (i) 30 days from the time the matter before the Employee is closed, or
- (ii) 30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

## **Chapter 5: CONFLICT OF INTEREST**

### **Section 5.01 Financial Interest**

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

### **Section 5.02 Personal Business Dealings**

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

## Vendor Code of Ethics

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

### **Section 5.03 Disclosure and Cooperation**

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

### **Section 5.04 Confidential Information**

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

If the Vendor receives from any source confidential or proprietary Nassau County information prior to the award of a resulting contract and, where applicable, approval by the County Legislature, without the explicit approval of the Designated Point of Contact, the Vendor shall immediately so notify the Designated Point of Contact.

Nassau County confidential or proprietary information includes, but is not limited to, internal cost estimates and proposals submitted by other Vendors.

## Vendor Code of Ethics

### **Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development**

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

## **Chapter 6: FORMER NASSAU COUNTY EMPLOYEES**

### **Section 6.01 Appearance Before Former Agency-Two Year Bar**

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear or practice before any Nassau County agency, either prior to award or in the performance of a Nassau County contract, for a period of two years after termination of the Nassau County Employee's services with the County.

### **Section 6.02 Appearance Before Former Agency-Life Time Bar**

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear, practice, communicate or otherwise render services before the agency that employed the officer or employee or any other agency of Nassau County, either prior to award or in the performance of an agency's contract in relation to any case, proceeding, application or transaction with respect to which such former officer or employee was directly concerned and in which he or she personally participated, or which was under his or her active consideration during the period of his or her employment. This provision is a lifetime bar on projects that the former Nassau County Employee previously worked on while employed by the County.

## Vendor Code of Ethics

### Chapter 7: NON-COLLUSION

#### Section 7.01 Independent Bid Assessment

The Vendor will calculate the price(s) contained in any bid or proposal independently, without collusion, consultation, communication, or agreement with any competing Vendor for the purpose of restricting competition.

#### Section 7.02 Non-Communication of Bid

Unless otherwise required by law, the price(s) which the Vendor quotes in its bid or proposal will not knowingly be disclosed by the Vendor, directly or indirectly, to any competing Vendor prior to the closing date for bids or proposals.

#### Section 7.03 Bid Submission

The Vendor will not make any attempt to induce any other individual or entity to submit or not to submit a bid or proposal.

### Chapter 8: DISTRIBUTION AND CERTIFICATION

#### Section 8.01 Distribution of Vendor Code of Ethics and Vendor's Participating Employee Acknowledgements

As a condition of being considered for the award of any contract above the County's small purchase threshold of \$10,000, the Vendor will be required to distribute copies of the Nassau County Vendor Code of Ethics to all Participating Employees prior to any of those employee's participation in the procurement. The Code may be distributed either in hard copy or electronically as a separate PDF.

Additionally, as a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will be required to obtain an acknowledgement from each of its Participating Employees ("Participating Employee Acknowledgements") that they have received, read, understand, and will comply with the Nassau County Vendor Code of Ethics.

## Vendor Code of Ethics

The Vendor's responsibility for distributing copies of the Nassau County Vendor Code of Ethics and obtaining such signed Participating Employee Acknowledgements is ongoing until completion of performance of the contract and shall be retained for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

Receipt and retention of Participating Employee Acknowledgments by the Vendor shall be subject to audit by Nassau County.

### Section 8.02 Vendor Certifications

The vendor by signing the final contract thereby certifies and attests to the following:

- (a) The Vendor has been provided with a copy of the Nassau County Vendor Code of Ethics and will comply with all of the provisions of the Code;
- (b) All of its Participating Employees during the course of procurement or contract have been provided with a copy of the Nassau County Vendor Code of Ethics prior to any of those employees' participation in the procurement;
- (c) All Participating Employees have completed the acknowledgement required by Section 8.01 of this Code;
- (d) The Vendor will retain all of the signed Participating Employee Acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County;
- (e) The Vendor will continue to distribute the Nassau County Vendor Code of Ethics, obtain signed Participating Employee Acknowledgements as new Participating Employees are added or changed during the contract period, and retain all of the signed acknowledgements for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

## Vendor Code of Ethics

### Section 8.03 Subcontractor Certifications

As a condition of being considered for the award of any contract above the County's small purchase threshold, the Vendor will obtain certifications executed by authorized officials from all of its lower tier subcontractors, subconsultants and suppliers (as well as from any other subcontractors, subconsultants and suppliers from whom that Vendor is soliciting or has received proposals for work on a Nassau County contract) whose employees have communicated or may communicate with Nassau County Employees. This obligation is ongoing and shall last through the completion of performance of the contract. Receipt and retention of lower tier certifications by the Vendor shall be subject to audit by Nassau County.

## **Vendor Code of Ethics**

### **Chapter 9: PENALTIES**

#### **Section 9.01 Responsibility Determination**

For violation of any provision of the Nassau County Vendor Code of Ethics, Nassau County may avail itself of every remedy in law or equity, or as agreed to by parties in any contract, including but not limited to declaring the Vendor non-responsible or in material breach of the contract.

#### **Section 9.02 Civil/Criminal Penalties**

Additionally, violation of the Nassau County Vendor Code of Ethics or a provision thereof may subject the Vendor to criminal or civil penalties under State or Federal law.

### **Chapter 10: REPORTING OBLIGATION**

#### **Section 10.01 Reporting Gift Requests**

Notwithstanding the provisions of Chapter 4 above, the Vendor is obligated to immediately report to Nassau County's Inspector General and the County Chief Procurement Officer, any and all requests made to the Vendor by any Nassau County Employee for a Gift.

#### **Section 10.03 Reporting Violations and Overpayments**

### **Chapter 11: PROHIBITION ON RETALIATION**

**Instructions for Contractors & Service Providers:**

Contractors and Service Providers must complete Sections 2 and 3. **Submit the completed, signed (electronic signature box checked and dated) form in Microsoft Word format to the Recipient's designated Minority Business Officer (MBO) no later than the date of contract execution.** Incomplete forms will be found deficient. If more than 10 subcontractors are used, additional pages for Section 3 can be found on EFC's website.

**If the prime contract is being performed by the parties to a Joint Venture, Teaming Agreement, or Mentor-Protégé Agreement that includes a certified SDVOB, please contact EFC for assistance.**

The utilization of certified SDVOBs for non-commercially useful functions may not be counted towards utilization of certified SDVOBs in the Utilization Plan. SDVOB firms must be certified by NYS Office of General Services in order to be counted towards satisfaction of SDVOB participation goals.

See the Bid Packet at [www.efc.ny.gov](http://www.efc.ny.gov) or consult your designated MBO for further guidance.

**Instructions for Minority Business Officers (MBO):**

The MBO must complete Section 1. The MBO may designate an Authorized Representative to complete and submit quarterly payment reports on its behalf, and, if so designated, the MBO's Authorized Representative must also complete Section 1. The Authorized Representative may only submit quarterly payment reports on behalf of the MBO and may not submit any other required forms or reports for the MBO. The MBO must complete Section 1 even if designating an Authorized Representative. **Submit the completed, signed (electronic signature box checked and dated) form in Microsoft Word format via e-mail to your EFC MWBE-SDVOB Representative.**

The subject heading of the e-mail to the EFC MWBE-SDVOB Representative should follow the format "UP, Project Number, Contractor." EFC will review the Utilization Plan and notify the MBO via e-mail of its acceptance or denial.

Within 10 days of EFC's acceptance of a Utilization Plan, EFC will post the approved Utilization Plan on the EFC website.
