SUBJECT: Recommendation of Firm for Design Services
Remedial Repairs for the 832 Building
Nassau County Correctional Center
East Meadow, NY

The Nassau County Department of Public Works (NCDPW) intends to procure a firm to provide Design Services in relation to proposed remedial repairs for the 832 Building at the Nassau County Correctional Center, East Meadow, NY. These repairs are extensive, involving significant architectural and engineering strategies, planning of work phasing, and complex construction document preparation. Work must be accomplished in an expeditious manner so that the project can be bid, awarded, and the repair work completed in a timely fashion.

The County received five (5) responses to the "Request For Proposals" (RFP).

The technical proposals were evaluated by professional staff within the Department by Elisa Picca, Chief Deputy Commissioner, Rakhal Maitra, Deputy Commissioner, Adrian Cavanagh, Mechanical Engineer III, and Robert LaBaw, Architect IV, Project Manager.

The results of the Technical Evaluation including Cost Proposals are indicated in the following table.

Firm Name	Proposal Score	Rank	Proposed Fee
LiRo Architects + Planners, P.C.	93.00	1	\$569,163.79
Cashin Associates	86.25	2	\$552,814.56*
Lizardos Engineering Associates, P.C.	84.25	3	\$550,000.00
Cameron Engineering & Associates, LLP	81.75	4	\$780,245.56
FPM Engineering Group, P.C.	78.25	5	\$601,520.00

*In our professional judgment, the fee proposed by Cashin Associates did not reflect adequate staffing hours to guarantee a successful outcome of the Construction Administration phase of the project.

LiRo Architects + Planners, P.C. (LiRo), having received the highest technical rating and proposing a reasonable fee, presents the best value to the County. Furthermore, it is the Department's recommendation that LiRo be retained to provide design services.

(d) Infringements of Patents, Trademarks, and Copyrights. The Firm shall indemnify and hold the County harmless against any claim for any infringement by the Firm of any copyright, trade secrets, trademark or patent rights of design, systems, drawings, graphs, charts, specifications or printed matter furnished or used by the Firm in the performance of this Agreement. The Firm shall indemnify and hold the County harmless regardless of whether or not the infringement arises out of compliance with the scope of services/scope of work.

(e) Antitrust. (b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Firm agrees as follows:

- (i) Firm shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, constitutes a material breach of this Agreement, such breach

being determined solely by the County. Firm has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

9. Indemnification; Defense; Cooperation.

(a) The Firm shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Firm or a Firm Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any

threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Firm shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of an indemnified party.

(b) The Firm shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Firm's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Firm is responsible under this Section, and, further to the Firm's indemnification obligations, the Firm shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Firm shall, and shall cause Firm Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Firm and/or a Firm Agent in connection with this Agreement.

(d) Limitation of Liability. In no event shall either party be liable to the other for any indirect, special, consequential, incidental, or punitive damages arising out of this Agreement or any Task Order issued hereunder.

(e) The provisions of this Section shall survive the termination of this Agreement.

10. Insurance.

(a) Types and Amounts. The Firm shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than two million dollars (\$2,000,000) per occurrence and four million dollars (\$4,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Firm's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

A copy of the notice given to the

Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Firm Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Firm shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Firm's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

13. Accounting Procedures; Records. The Firm shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Firm is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Firm shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Firm shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Firm shall allege that the above-described actions and inactions preceded the Firm's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Firm is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Firm is using a Firm Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Firm Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of law provisions thereof.

17. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Firm shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Firm, to the attention of the person who executed this Agreement on behalf of the Firm at the address specified above for the Firm, or in each case to such other persons or addresses as shall be designated by written notice.

18. All Legal Provisions Deemed Included; Severability; Supremacy and Construction.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

19. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

21. Administrative Service Charge. Each further acknowledges and agrees that all such entities, partners or joint venturers associated for the purposes of undertaking this Agreement shall be jointly and severally liable to third parties, including but not limited to the County, for the acts or omissions of the Firm or any other entity, partner or joint venturer hereunder.

(b) If the Firm is comprised of more than one legal entity or any group of partners or joint venturers associated for the purposes of undertaking this agreement, each such entity acknowledges and hereby affirmatively represents and agrees that the respective rights, duties and liabilities of each hereunder shall be governed by the laws of the State of New York, including but not limited to the New York Partnership Law.

23. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

EXHIBIT “A”

DETAILED SCOPE OF SERVICES

DIVISION “A” SERVICES – DETAILED DESIGN SERVICES

The Architect agrees to perform all the usual and necessary design services in connection with the preparation of detailed contract drawings, specification and estimates suitable for public bidding. It is anticipated that Construction Documents for the project will be prepared for multiple prime contracts unless/until it is determined by the County that this project is eligible for exemption from the multi-prime provisions of Wicks Law under the auspices of a Project Labor Agreement (PLA).

Construction Documents Phase

This Phase shall commence after written authorization for the Architect to proceed with the Construction Document Phase. This Phase will be completed in the prior agreed upon time period to the satisfaction of the County. The Architect in this Phase will perform the following services:

1. The Architect shall prepare for approval by the County, Construction Documents as defined below, consisting of detailed, complete and coordinated engineering and architectural drawings (including but not limited to plans, elevations, sections, details and schedules), specifications and such other bid documents in written or graphic form as may be required for the construction of the Project and to enable all necessary approvals to be obtained. Drawings and specifications will be prepared and packaged for multiple prime contracts as required by Wicks Law including but not limited to: General Construction, Electrical, HVAC and Plumbing work. The above described packages are the minimum and the Architect shall provide as many construction document packages as the County may reasonably require. Drawings shall include all required selective demolition work, and any hazardous materials abatement and/or remediation work as required to execute the project.
2. All of the bid packages must be complete and coordinated to the point that an integrated set of construction documents for the project is delivered. The Architect shall have an absolute duty to coordinate the work of its sub-consultants, insuring that the services required are performed in an efficient, timely and economic manner and that the design will be adequate and fit to accomplish the intended purpose of the Project. Such Construction Documents shall:
 - a) Include detailed drawings and specifications for such alternates as the County may request prior to the commencement of the preparation of the Construction Documents, or as the County and Architect may thereafter mutually agree in order to conform to the County’s budget for the Project.
 - b) Conform to the written requirements of the County, including preparation of drawings by computer using Auto CAD 2014 or newer software and/or Revit 2017 to prepare the 3D CAD model for this assignment.
 - c) Conform to all NYS Commission of Correction (SCOC) Standards and Requirements and those of other agencies having jurisdiction over this project.
 - d) Conform to the AIA national CAD standards for layering and formatting requirements.
 - e) Not specify any patented article, design or process, which requires payment by the County of royalties for its use or is otherwise of a proprietary nature.

3. In the form approved by the County, the working drawings, specifications and other bidding and construction documents are herein referred to as the "Construction Documents". Construction Documents are to be prepared in a form suitable to obtain competitive bids for the award of work. The Construction Documents shall be submitted to the County for review and approval at 75% percent completion, 90% percent (substantial) completion and 100% percent (final) completion of the Construction Documents. The Architect shall incorporate recommendations made by the County into the Construction Documents. The Construction Documents shall be considered accepted when approved in writing by the County.
4. The Architect will furnish such interior design services as may be required, including the selection, presentation, and design of built-in furniture and equipment and the layout of freestanding furniture and equipment to meet the County's budget for such furniture and equipment. The Architect will lay out and design plaques, inscriptions, signs, building names and graphics for the Project as may be required by the County. The Architect will also provide a signage plan and specifications adhering to the County's signage requirements and applicable ADA requirements.
5. During the preparation of the Construction Documents, continual consultation with the County's representative and/or program manager to identify and monitor the cost of each of the various building elements being incorporated into the Construction Documents which deviate from the Design Development drawings and which will increase the cost of the work.
6. Preparation and submission to the County of two fully detailed construction cost estimates, based on a quantity take-off of all work necessary for the complete construction of the project. Estimates shall be submitted at the time Construction Documents are 75% percent complete, and when Construction Documents are substantially 90% percent complete. Such construction cost estimate shall be the Architect's best professional judgment but not be a warranty as to actual construction costs. These estimates shall be reconciled with any estimates prepared by the County or its representatives. In the event that any estimate of probable construction cost should exceed the last previously approved cost estimate, the County may, at its option, either accept the new cost estimate, thereby establishing a new project budget, or it may require the Architect to revise the construction documents, at no additional cost to the County, so as to keep the construction cost of the project within the latest approved probable estimated cost of construction.
7. Coordinate with the County regarding the County's participation in the NY State Interagency "Green Building" initiative promoting the construction/reconstruction of buildings to help protect the environment and maximize the Project's eligibility for grants, loans, utility rebates and/or incentives. The County wishes to receive financial incentives and reduce energy costs by incorporating high-efficiency equipment. The Architect shall give consideration to the selection of various design components to support this initiative, including but not limited to: daylighting principles; efficient heating and cooling; high efficiency electrical and/or HVAC equipment; energy efficient lighting and computerized lighting controls. The Architect must coordinate their design with the various utilities and other agencies to assure that the County can benefit from these agencies' programs.
8. Provide the Construction Documents and any additional services to be provided by the Architect as expeditiously as is consistent with professional skill and care, with the orderly progress of the Project and with a schedule for the preparation of the Construction Documents approved by the County.
9. The County shall furnish the Architect with a copy of the front end of the Contract Documents, consisting of the Notice to Bidders, Instruction to Bidders, Proposal, Agreement and General Conditions for inclusion in the Construction Documents. The

Architect shall develop Division 1 and all other sections of the technical specifications for the Contract Documents. The specifications shall be written in accordance with CSI format and as further described by the Nassau County Guide for Design Architects (latest edition), which includes an outline of administrative requirements of the County.

10. Design Progress meeting will be held at a minimum of twice per month. The focus of these meetings will be to resolve open design issues, review the project schedule and cost estimate and to ensure that all relevant design information is being disseminated to all involved parties.
11. The Architect will be responsible for assisting the County and/or its agents in obtaining all required approvals, permits, certificates and clearances from the appropriate Federal, State and local authorities, if any. Prepare permit applications, reports or submittals by utilities and agencies having jurisdiction. This work task will not be considered complete until it culminates in a permit or pre/post design approval by the appropriate agency or utility. The Architect must coordinate service connections with all utilities and will assist the County with any/all services applications including the preparation of load letters and the like. The Architect must be aware of the latest applicable codes and agency procedural requirements in order to expeditiously complete this design task. Correspondence shall be submitted directly to the agency for review/approval with at least two (2) copies to the County, unless otherwise directed. Typical regulatory agencies involved in the project may include but will not be limited to the following:
 - a) New York State Commission of Corrections
 - b) Nassau County agencies – Fire Marshall and/or Health Department
 - c) Other Local agencies (Towns, Villages...)
12. All the work designed by the Architect pursuant to any of the provisions of this Agreement shall be within the budget set for the Project by the County, which budget may be revised by the County. The construction budget for the project is estimated to be approximately **\$7.5 Million**. In the event that any cost estimate prepared by the Architect hereunder, or the construction manager, or construction proposal submitted by the lowest responsible bidder, is in excess of such budget, the Architect, to the extent necessary in the County's judgement to bring the cost of the project within such budget, will at no cost to the County, prepare alternatives and cost estimates for such alternative for consideration by the County to bring the project within the budget; and the Architect shall revise at their own cost and expense, to the satisfaction of the County, all or any part of the drawings and specifications of the Project that the County may deem advisable.

DIVISION "B" SERVICES – BID AND AWARD

Bidding and Award Phase

This Phase shall commence after written approval by the County of the Construction Document Phase submissions and services and only upon written authorization for the Architect to proceed with the Bidding/Negotiation/Award Phase. This phase will be completed in the prior agreed upon time period to the satisfaction of the County. The Architect in this phase will perform the following services:

1. Assist the County or its representative in obtaining and analyzing bids or negotiated proposals, in investigating bidders, in evaluating bidders and recommending award contracts for the construction of the project.

2. Provide recommendations to the County concerning packaging of bid contracts and awarding of contracts the lowest responsible bidder for each bid package.

If the total amount of the lowest responsible construction bids should exceed the final approved construction cost, which is based on the Architect's final construction cost estimate, by more than 15% percent, the County may/will require the Architect to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of construction. The Architect is responsible for obtaining construction budget information from the County.

DIVISION "C" SERVICES – CONSTRUCTION SUPPORT SERVICES

Construction Administration Phase

This phase shall commence only upon written authorization from the County to proceed and shall terminate upon final acceptance of the Project by the County. The Architect shall provide consulting and administrative supervision in connection with the work of the Project during the period of construction. Such services shall include the following:

1. Coordinating, facilitating and expediting the flow to the County and/or Program Manager, Construction Manager or Contractor of all information required to construct and complete the Project. The County is utilizing Prolog Converge, a web-based software program, to administer the flow of project information, such as submittals, RFIs, meeting minutes, etc. The Architect will be granted access to Prolog at no charge and is required to utilize Prolog to administer the flow of information.
2. Assist the County and its representatives in investigating the acceptability of each of the subcontractors and material suppliers submitted by the prime contractors.
3. Check and approve all samples, shop drawings, as-built drawings, schedules and other submissions to determine their acceptability under the intent and requirements of the contract documents and in an expeditious manner as described in the subparagraphs below. Shop drawings requiring the review and approval of a sub-consultant will be distributed to such sub-consultant by the Architect unless direct distribution to the sub-consultant is required to expedite the process.
 - a) Approval of submittals: samples; shop drawings; schedules; and other submissions are vital to the progress of the project. These reviews shall be taken with reasonable promptness while allowing sufficient time to permit adequate review without causing avoidable delay. The shop drawing schedule will include a maximum of ten (10) business days for the review of each shop drawing. Exceptions to the ten (10) day turnaround for specialty reviews require the County's prior approval. Changes, if any, shall be shown and flagged on the submittals, but the submittals shall not be used as a substitute for requests for approvals of substitutions or other procedures required by the Contract Documents.
 - b) This review shall not include the accuracy or completeness of details such as weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades or construction safety precautions, all of which are the sole responsibility of the Contractor. The Architect's review of a specific item shall not extend to review of an assembly of which the item is a component. Such review will be conducted where submittals are in accordance with the contract specifications and the approved Contractor's Shop Drawing Submittal Schedule and have been coordinated by the Contractor or Construction Manager to indicate field conditions, proposed contract deviations and other requirements which affect design intent and the submission indicate such coordination and are recommended for approval by

the Contractor or Construction Manager. Where required by the specifications, the Architect shall not be required to review partial submissions, or those for which submissions of corrected items have not been received. In these instances, the submittals are to be returned promptly to the contractor stating the reason they were not reviewed.

4. Review contractor's cost breakdowns for each contract. When requested by the County review, comment and approve, as appropriate, requisitions or applications for payment submitted by the trade contractors or Construction Manager.
5. Prepare supplementary drawings and texts to clarify or modify information shown on the drawings, however, the Architect shall receive no additional compensation, where this additional information is provided as a result of the Architect's error or omission. Assist the County in the preparation of all change orders required during the course of construction, including the preparation of detailed estimates. When requested by the County, its Program Manager and/or Construction Manager, interpret the requirements of the Construction Documents and judge the performance by all parties there under, and promptly render advice to the County for the proper execution of the work. When the County so requests, the Architect will promptly render written decisions on all claims, disputes and other matters in question between the County, its Program Manager, Construction Manager, or trade contractor relating to the execution or progress of the work or interpretation of the Construction Documents. Such decisions shall be consistent with the letter and intent of the Construction Documents and other contractual documents between the parties concerned. In rendering such decisions, the Architect shall advise the County whether, in their opinion, the County should reject work because it does not conform to the Construction Documents. The Architect shall advise the County if special inspection or testing of any element of the work is required to assure compliance thereof with the letter and intent of the Construction Documents, whether or not such work has been fabricated, installed or completed.
6. Prepare Supplementary Bulletins and cost estimates for proposed Change Order work.
7. Make periodic visits to the Project site during the course of construction to determine the progress and quality of the work being performed. Site visits shall be performed at intervals appropriate to the stage of construction, but at least once a week, or as otherwise agreed to by the County in writing. On the basis of on-site observations, the Architect will keep the County informed of the Architect's view of the progress and quality of the work in an endeavor to guard the County against defects and deficiencies in the work, except that the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the work unless authorized in writing to do so by the County. The Architect shall furnish to the County a report of observed discrepancies, deficiencies and incomplete items in the work.
8. The Architect shall attend, with sub-consultants as appropriate, all regularly scheduled job meetings throughout this project for the purpose of reviewing job progress with the County, the County's Program Manager, Construction Manager, Contractor and subcontractors, and address all questions within the Architect's purview as defined by this agreement.
9. Conduct field observations, interim and final, of the completed Project with its sub-consultants and prepare detailed punch lists (observed discrepancies, deficiencies and incomplete items of work), as required. The Architect shall not have control or charge of and shall not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work, for the acts or omissions of the Contractor, subcontractors or any other

persons performing any of the work, or for the failure of any of them to carry out the work in accordance with the contract documents.

10. Systems Turnover/Startup shall be attended by a principal of the Architect, other members of the Project Team, and other consultants as appropriate, to witness demonstration testing and acceptance of the Project or elements of the Project prior to the County's acceptance, use, occupancy or operation of the Project or any of the Project. System start-up includes reviewing all contractors' Testing & Balancing (T&B) detailed reports and commenting, accepting Final T&B reports and field visits to observe, review operation of M/E/P/F systems. Prepare final punch list of the M/E/P/F systems. Additionally, all of the detailed phasing and testing of "commissioning" must be specified in the MEP specifications as a service the contractor will provide.
11. Review and comment on record drawings prepared by the trade contractors. The Architect shall collect and compile and transmit to the County the modified digital files to reflect as-built conditions.
12. At the completion of the construction, the Architect shall submit to the County one full set of sepia mylars containing the latest revision of each drawing; and three (3) sets of electronic files (CD or other specified electronic media) containing all contract documents. The cost of reproductions beyond what is called for in this section is a reimbursable expense in accordance with the Agreement. Prior to the final completion of the project, the Architect shall revise and update the working drawings to incorporate all revisions and changes for which sketches or other types of informational drawings were prepared during construction so that these working drawings reflect the final design of the Project. The Architect shall not be entitled to any extra compensation for this service.

Further Obligations and Responsibilities

Community Relations

In addition to regular project communications, the Architect will assist with community/public relation efforts and communicate with policy makers, regulatory agencies and utilities as needed for expeditious completion of the project.

Grants

In the event that the County is a recipient of or applicant for a grant or loan for the Project from any source, at the request of the County, the Architect shall attend conferences held with the party making the grant or loan as requested by the County. The Architect will assist in development and submission of grant and loan applications and other programs (state, utility, etc.), which may provide financial benefits to the County.

Records

The Architect shall provide copies of any and all sample/test reports, design calculations, etc. to the County. Copies of all drawings and specifications must also be provided to the County in electronic format. The Contract Drawings are to be prepared in a computerized format suitable for incorporation into the County's GIS system. Currently, County standards require that the drawings be developed utilizing Auto CAD 2014 or newer software and/or Revit 2017 and shall be in conformance with the layering standards developed by the AIA and NYSDOT. The 3D model will be prepared using Revit 2017 software.

Changes and Revisions

Upon the County's request, at any time during the term of this Agreement, the Architect will change or revise any or all drawings and specifications for the Project. Architect will evaluate potential changes for budget and schedule impacts.

Maintenance Documents

The Architect will obtain, file and, upon completion of the Project, deliver to the County all written guarantees, operation and maintenance manuals, notes on paint colors and maintenance procedures as shall be appropriate to operate and preserve the Project in good order after completion.

Architectural Renderings and Prints

The Architect shall prepare renderings and prints of the 3D model to illustrate typical and/or key program spaces and features. The renderings will show building features and associated furniture, furnishings and finishes.

EXHIBIT "EE"

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Firm shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Firm shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, up-gradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Firm will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, up-gradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Firm shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Firm's obligations herein.

(c) The Firm shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Firm shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Firm shall, in its advertisements and solicitations for Sub-consultants, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Sub-consultants must be equal opportunity employers.

(f) Firms must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Firms for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Sub-consultants so that, to the greatest extent feasible, all Sub-consultants will be approved prior to commencement of work. Any additions or changes to the list of Sub-consultants under the utilization plan shall be approved by the Commissioner of the Department

of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Firm to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Sub-consultant approval has been requested and prior to being granted, the contracting agency may require the Firm to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Firm to submit such documentation at any time after Sub-consultant approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Firm must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Firm must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Firm's Subcontracts and Firm's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Firm shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Firm shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Firm has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations,

shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The Firm shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Sub-consultant and shall complete all forms provided by the Executive Director or the Department Head relating to Sub-consultant utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Firms or Sub-consultants in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Firm shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Sub-consultant as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Firm, listing the procedures it has undertaken to procure Sub-consultants in accordance with this Appendix EE.

As used in this Appendix EE the term “County Firm” means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a Firm, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Sub-consultant.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Firm welcomed bids and quotes from M/WBE Sub-consultants. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Firm’s affidavit with a notary’s signature and stamp shall be required as part of the documentation.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed

unqualified by the County Firm shall be included in the Best Effort Documentation

- g. If an M/WBE is rejected based on cost, the County Firm must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

As used in this Appendix EE, the term "Sub-consultant" shall mean a person or firm who performs part or parts of the contracted work of a prime Firm providing services, including construction services, to the County pursuant to a county contract. Sub-consultant shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime Firm that are necessary for the prime Firm to fulfill its obligations to provide services to the County pursuant to a county contract. Sub-consultant shall not include a supplier of materials to a Firm who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a Firm, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring Firms to retain or submit documentation of best efforts to utilize certified Sub-consultants and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. 3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
