**COUNTY OF NASSAU**  
**DEPARTMENT OF PUBLIC WORKS**  
**Inter-Departmental Memo**

**TO:** Office of Procurement Compliance  
Att: Robert Cleary, Director

**FROM:** Department of Public Works

**DATE:** February 8, 2021

**SUBJECT:** Recommendation to Amend Retroactively Professional Services Agreement with **Lockwood, Kessler & Bartlett (LKB) Inc.** for the Construction Management and Inspection Services (CI/CM) for Roslyn Road Traffic Signal Expansion Phase VI Agreement H62456-01 CM  
CFPW16000001 Line 2 for an amount of \$425,000.00  
Capital Project H62456 Pin 0759.96

Introduction and Statement of Need:

The Department of Public Works procured Lockwood, Kessler & Bartlett (LKB) to provide Construction Management and Inspection services for Traffic Signal Expansion Phase VI of Roslyn Road, through an open RFP. This agreement was signed on January 25, 2016 for a duration of three (3) years with a one (1) year extension at the Commissioner's discretion for an amount of \$1,364,519.00. This agreement expired on January 25, 2020 after the one-year extension. The construction project was delayed for winter weather conditions, field conditions, and scheduling issues. The consultant coordinated the work to be performed by the contractor, in conjunction with the project design and proposed work, which utilized much of the CM funds that were encumbered to manage the construction. During this period, there were more field changes which required design changes and Change Order approvals. Furthermore, the construction contractor had scheduling troubles with their subcontractor which delayed the construction work, claiming that the length of time the County had taken to put the contract in place cause price disagreements, and delays in performing the work. Some of the subcontractor's work needed correction in the field, and it could not be done over the winter months. Concrete sidewalk repairs could not be performed in certain temperatures causing delays.

Technical Necessity and Status of this CM Agreement:

This Consultant agreement was signed on January 25, 2016, for a duration of three (3) years with a one (1) year extension at the Commissioner's discretion. The construction project was delayed for almost two (2) years, due to delays in getting necessary agreements and funding from FHWA and NYSDOT. The Notice to Proceed for construction did not go out until November 2017, and field construction was then delayed by winter months. This CM Agreement was extended until the allowable January 25, 2020, and had a Maximum Amount payable to the Firm for Services to shall not exceed One-Million-Three-Hundred-Sixty-Four-Thousand-Five-Hundred-Nineteen Dollars (\$1,364,519.00) (the "Maximum Amount") and the expiration date was January 25, 2020. As previously explained, construction management services were needed during this time due to construction work continuing in the field. In order to complete this project, this agreement needs additional funds to be encumbered and the expiration date extended.

The Contract Requirements and the History of this Amendment:

LKB's Agreement, H62456CM was signed on January 25, 2016, for a duration of three (3) years for an amount of \$1,364,519.00, with a one (1) year extension at the Commissioner's discretion. This original agreement expired on January 25, 2020. In order to complete this project, this CM Agreement will need additional funds to be encumbered under this line and to extend this agreement beyond the current expiration date.

The Department of Public works is requesting to increase the cap for this agreement by four hundred twenty-five thousand dollars (\$425,000.00), as well as encumber the same and extend this agreement an additional one year, to complete the project. The total Maximum Amount that the County shall pay to the Firm as full consideration for services shall not exceed One-Million-Seven Hundred-Eighty-Nine-Thousand-Five-Hundred-Nineteen Dollars (\$1,789,519.00) (the "Amended Maximum Amount") and the new expiration date will be January 25, 2021.

SUBJECT: Recommendation to Amend Retroactively Professional Services Agreement with **Lockwood, Kessler & Bartlett (LKB) Inc.** for the Construction Management and Inspection Services (CI/CM) for Roslyn Road Traffic Signal Expansion Phase VI Agreement H62456-01 CM  
CFPW16000001 Line 2 for an amount of \$425,000.00  
Capital Project H62456 Pin 0759.96

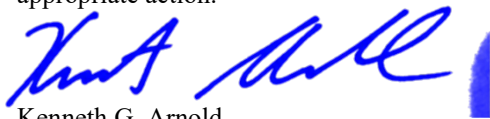

Reasons why the Amendment was not achieved before Expiration:

As explained above, due to conflicts with the contractor's subcontractor, winter weather, delays in getting the contracts put together, and then Covid delays in preparing the paperwork, this CM Agreement needed to be amended for both time and money to a Maximum Amount payable to the Firm for Services shall not exceed \$1,789,519.00 and the new expiration date will be January 25, 2021. The consultant coordinated the work to be performed by the contractor and prepared paperwork required by the Federal Aid process, in conjunction with the project design and proposed work, which utilized much of the CM funds that were encumbered to manage the construction. Construction was completed in June 2020, and the process to closeout the Federal Aid project continues. LKB has continued to provide construction management services for the project in the interest of the County, pending this proposed amendment.

Conclusion and Recommendations:

The Department would like to encumber additional funds and extend the time to allow LKB to complete the construction management services for this construction contract. It would be impractical to stop work and re-procure construction management services. Also, given their familiarity with the project, LKB is best placed to assist the County with managing this contract. It is therefore the Department's recommendation, that the agreement with Lockwood, Kessler and Bartlett be amended to increase the cap for this agreement by four hundred twenty-five thousand dollars (\$425,000.00), as well as encumber the same and extend this agreement an additional one year, to complete the project. The total Maximum Amount that the County shall pay to the Firm as full consideration for Services shall not One-Million-Seven Hundred-Eighty-Nine-Thousand-Five-Hundred-Nineteen Dollars (\$1,789,519.00) (the "Amended Maximum Amount") and the new expiration date will be January 25, 2021.

The Firm shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Firm to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Firm to maintain the other required coverages shall be deemed a material breach of

this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

11. Assignment; Amendment; Waiver; Subcontracting. 12. Termination.

(a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Firm, (ii) for "Cause" by the County immediately upon the receipt by the Firm of written notice of termination, (iii) upon mutual written Agreement of the County and the Firm, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Firm. This Agreement may be terminated by the Firm if performance becomes impracticable through no fault of the Firm, where the impracticability relates to the Firm's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Firm delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Firm is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Firm's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Firm's Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Firm shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Firm's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

13. Accounting Procedures; Records. The Firm shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this

Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Firm is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Firm shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Firm shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Firm shall allege that the above-described actions and inactions preceded the Firm's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Firm is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Firm is using a Firm's Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Firm's Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. Notices. ### Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.
