Re: Low Vendor Response
Staff Summary A-05-2022 Door Repair Service

The Nassau County Purchasing Office addresses low vendor response for contracts valued at \$100,000.00 and greater in the following manner:

- All contracts valued at \$100,000.00 and greater must be bid for no less than three weeks.
- The contracts are advertised on the Nassau County Bid Board, New York Newsday and NYS Contract Reporter.
- If it is determined by the Buyer that it is likely there will be zero or only one vendor response on the first bid opening date the bid opening will be postponed for two weeks after receiving supervisory approval. The Buyer will review the Call Log and reach out to vendors that viewed the solicitation in WebProcure to ascertain their intention to bid or not. The Buyer will also make a subsequent call or e-mail to the sponsoring County agency seeking their assistance in reaching out to potential vendors.
- If on the first day scheduled bid opening day the Buyer finds that there will be no interest or just one bidder participating an automatic postponement of two weeks will be imposed in order to glean more vendor participation.
- After the first postponement the bid will open if at least one bidder has submitted a bid and it is determined that due to the nature/history of the procurement no further vendor participation can be expected.

Joseph,

This is in regard to formal sealed bid number 91014-11190-182 Title Door Repair Services. I have reviewed the forms they look good I need them to be recertified with a current date in order for me to proceed and get this approved. Please go into the vendor portal and recertify all five forms so I can proceed.
