## Contract Summary

<b>Purpose:</b> This contract is for CI/CM to monitor construction activities for traffic signal construction and supplement County staff for Traffic Signal Expansion Phase V - Middle Neck Road. This amendment is for an extension of time of 5 month to complete the project which was delayed for winter weather conditions, field conditions, and a delayed order of required fiber-optic cables necessary for the project. The consultant coordinated the work to be performed by the contractor, in conjunction with the project design and proposed work, which utilized much of the CM funds that were encumbered to manage the construction. During this period, there were more field changes which required design changes and Change Order approvals. Amendment #1 adds time to cover the completion of the project.
<b>Method of Procurement:</b> A formal Request For Proposals (RFP) process was conducted to procure the services
<b>Procurement History:</b> An Open RFP was released on September 22, 2015 and was advertised in Newsday and on the County web site. In reply to the RFP we received proposals from nine firms. A team of four professionals, including one professional engineer conducted the selection process and established a technical ranking based on the proposals.
<b>Description of General Provisions:</b> Contract is to provide CI/CM supervision and inspection for Traffic Signal Expansion Phase V - Middle Neck Road H62455, which needs a time extension of 5 months.
<b>Impact on Funding / Price Analysis:</b> This is a zero dollar amendment, therefore there is no impact to funding. It is for time only.
<b>Change in Contract from Prior Procurement:</b> Extension of time. No change in funding required.
<b>Recommendation: (approve as submitted)</b> Approve as submitted

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office for National Statistics 2000). The Department of Health (1999) has identified a number of key areas for action in order to achieve this paradigm, including: (1) promoting healthy living; (2) preventing illness and disability; (3) providing care and support; and (4) promoting social participation.

**COUNTY OF NASSAU**  
**DEPARTMENT OF PUBLIC WORKS**  
**Inter-Departmental Memo**

**TO:** Office of Procurement Compliance  
Att: Robert Cleary, Director

**FROM:** Department of Public Works

**DATE:** February 9, 2021

**SUBJECT:** Recommendation to Amend Retroactively Professional Services Agreement with **LiRo Engineer's Inc.** for the Construction Management and Inspection Services (CI/CM) for Middle Neck Road/Lakeville Road Traffic Signal Expansion Phase V Agreement H62455-01 CM  
CFPW16000001 Line 2 for an amount of \$0.00  
Capital Project H62455 Pin 0760.21

Introduction and Statement of Need:

The Department of Public Works procured LiRo Engineer's Inc to provide Construction Management and Inspection services for Traffic Signal Expansion Phase V of Middle Neck Road and Lakeville Road, through an open RFP. This agreement was signed on January 25, 2016 for a duration of three (3) years with a one (1) year extension at the Commissioner's discretion for an amount of \$1,271,040.00. This agreement expired on January 25, 2020 after the one-year extension. The construction project was delayed for winter weather conditions, field conditions, and a delayed order of required fiber-optic cables necessary for the project. The consultant coordinated the work to be performed by the contractor, in conjunction with the project design and proposed work, which utilized much of the CM funds that were encumbered to manage the construction. During this period, there were more field changes which required design changes and Change Order approvals.

Technical Necessity and Status of this CM Agreement:

This Consultant agreement was signed on January 25, 2016, for a duration of three (3) years with a one (1) year extension at the Commissioner's discretion. The construction project was delayed for almost two (2) years, due to delays in getting necessary agreements and funding from FHWA and NYSDOT. The Notice to Proceed for construction did not go out until November 2017, and field construction was then delayed by winter months. This CM Agreement was extended until the allowable January 25, 2020, and had a Maximum Amount payable to the Firm for Services shall not exceed One-Million-Two-Hundred-Seventy-One-Thousand-Forty Dollars (\$1,271,040.00) (the "Maximum Amount") and the expiration date was January 25, 2020. As previously explained, construction management services were needed during this time due to construction work continuing in the field. In order to complete this project, this agreement needs the expiration date extended. There are no additional funds required.

The Contract Requirements and the History of this Amendment:

LiRo Engineer's Inc. Agreement, H62455CM was signed on January 25, 2016, for a duration of three (3) years for an amount of \$1,271,040.00, with a one (1) year extension at the Commissioner's discretion. This original agreement expired on January 25, 2020. In order to complete this project, this CM Agreement will need to be extended beyond the current expiration date.

The Department of Public works is requesting to extend this agreement an additional five (5) months, to complete the project. The total Maximum Amount that the County shall pay to the Firm as full consideration for services shall not exceed One-Million-Two Hundred-Seventy-One-Thousand-Forty Dollars (\$1,271,040.00) (the "Maximum Amount") and is not changing, and the new expiration date will be June 25, 2020.

SUBJECT: Recommendation to Amend Retroactively Professional Services Agreement with LiRo Engineer's Inc. for the Construction Management and Inspection Services (CI/CM) for Middle Neck Road/Lakeville Road Traffic Signal Expansion Phase V Agreement H62455-01 CM  
CFPW16000001 Line 2 for an amount of \$0.00  
Capital Project H62455 Pin 0760.21

Reasons why the Amendment was not achieved before Expiration:

As explained above, due to conflicts with winter weather, delays in getting the contracts put together, and equipment orders being delayed, then Covid delays in preparing the paperwork, this CM Agreement needed to be amended for time and the new expiration date will be June 25, 2020. The consultant coordinated the work to be performed by the contractor and prepared paperwork required by the Federal Aid process, in conjunction with the project design and proposed work, which utilized much of the CM funds that were encumbered to manage the construction. Construction was completed in May 2020, and the process to closeout the Federal Aid project is being finalized. LiRo Engineer's Inc had continued to provide construction management services for the project in the interest of the County, pending this proposed amendment.

Conclusion and Recommendations:

The Department would like to extend the time to allow LiRo Engineer's Inc. to complete the construction management services for this construction contract. It would be impractical to stop work and re-procure construction management services. Also, given their familiarity with the project, LiRo Engineer's Inc. is best placed to assist the County with managing this contract. It is therefore the Department's recommendation, that the agreement with LiRo Engineer's Inc. be amended to extend this agreement an additional five (5) months, to complete the project. The total Maximum Amount that the County shall pay to the Firm as full consideration for Services shall not exceed One-Million-Two Hundred-Seventy-One-Thousand-Forty Dollars (\$1,271,040.00) (the "Maximum Amount") and the new expiration date will be June 25, 2020.

**SUBJECT:** Increasing the Time of Construction Management and Inspection Services (CMI) for Expansion of Middle Neck Road and Lakeville Road, Phase V Agreement H6245501 CFPW16000002  
Line 2 for an amount of \$0.00

The Department of Public Works procured LiRo Engineer's Inc. to provide Construction Management and Inspection services for the Traffic Signal Expansion of Middle Neck Road and Lakeville Road, through an open RFP, issued on September 22, 2015. This agreement was signed on January 25, 2016 for a duration of three (3) years with a one-year extension at the Commissioner's discretion for an amount of \$1,271,040.00. This agreement was extended for the one (1) year and expired on January 25, 2020. The construction project was delayed for winter weather conditions, and the ordering of additional fiber optic cable that was necessary for the project.

- The contractor had requested an extension of time to May 31, 2020 due to an order of fiber optic cable being delayed at the manufacturer. Work is now complete.
- The RE needed time to close out the project using NYSDOT procedures for locally let projects.

Due to the issues mentioned above, this project needs more time for completion. The Resident Engineer on this project spent most of his time coordinating with the different agencies to expedite their respective work, in order to move forward with this project. In order to finish this project, this CM Agreement needed to be extended beyond the current expiration date for an additional five (5) months.

The Department of Public Works is requesting to extend this agreement an additional five more months, to reflect the completion of the project which was June 25, 2020.

All the terms and conditions of the original agreement shall remain in full force and effect and govern the relationship of the parties for the term of the amended agreement.

No additional funds are required for this Capital Project 62455.

If you approve or disapprove of the above request, please signify below and return this memo to this office for appropriate action.

In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.
