Vendor Code of Ethics

Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

Adverse Job-Related Action includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

Contact means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

Designated Point(s) of Contact means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

Nassau County Employee means any officer, official or employee of Nassau County.

Family Member means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

Gift means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

Vendor Code of Ethics

services, travel, gratuities of any kind, favors, money, meals, refreshments, entertainment, hospitality, admittance to private clubs, use of time-shares, personal use of the Vendor's facilities, promises, tickets to entertainment or sporting events, weekend trips, golf outings, loans of equipment, or other thing or benefit. A Gift need not be intended to influence or reward any individual or entity.

Nassau County Code of Ethics means Nassau County Charter Section 2218, and the rules and regulations promulgated thereunder as may be amended or modified.

Participating Employee means any Vendor employee who engages in any written or oral communication of a non-clerical or non-administrative nature with Nassau County or with a Nassau County Employee(s) as part of or in connection with the procurement.

Participating Nassau County Employee means any Nassau County Employee who the Vendor knows, has reason to know, or can reasonably anticipate is involved in a specific procurement, in either a direct or decision-making capacity, but not in a clerical capacity. This includes but is not limited to the Designated Point of Contact, the project manager, the project manager's staff to the extent that they are involved in the procurement, members of selection committees, technical experts and negotiating teams.

Primary Contracting Party means a Vendor who intends to directly enter into or has a contract with Nassau County.

Retaliatory Action is defined as any Adverse Job-Related Action taken by, or at the direction or request of, a Vendor or a Vendors' Employees as a result of any individual's (i) good-faith report with respect to a violation or potential violation of this Code or the law; or (ii) cooperation in any investigation of unlawful conduct or misconduct conducted by Nassau County or by federal, state, or local law enforcement officials.

State Procurement Lobbying Law means New York State Finance Law Sections 139-j and 139-k, and the rules and regulations promulgated thereunder as may be amended or modified.

Vendor means any individual or entity seeking to or doing business

Vendor Code of Ethics

with Nassau County within the scope of this Code, including, without limitation, contractors, consultants, suppliers, manufacturers seeking to act as the primary contracting party, officers and employees of the foregoing, as well as any subcontractors, subconsultants and suppliers at all lower tiers.

Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

Chapter 3: GIFTS OR CONTINGENT FEES

Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

Vendor Code of Ethics

not necessarily prohibited.

In determining whether the giving of an item was motivated by personal rather than business concerns, the following factors are considered:

- (a) the history of the relationship between the donor and the recipient, including but not limited to the mutuality of gift giving;
- (b) whether the item was paid for by the donor.

The giving of an item shall not be considered to be motivated by a family or personal relationship if the donor seeks to charge or deduct the value of the item as a business expense or seeks reimbursement from a client.

However, regardless of the family or personal relationship between a Vendor and an employee, a Gift is strictly forbidden where it is being given under circumstances where it can reasonably be inferred that it was intended to influence the employee in the performance of his or her official duties.

Section 3.03 Contingent Fees

The Vendor will not employ or retain any individual or entity for the purpose of soliciting or securing a Nassau County contract upon any agreement or understanding for a commission, percentage, brokerage, or fee that is contingent or dependent upon the outcome of the procurement.

Chapter 4: NEGOTIATIONS FOR FUTURE EMPLOYMENT

Section 4.01 Restrictions During the Procurement Process

Vendors shall not discuss future employment with Participating Nassau County Employees or their Family Members from the date the procurement is advertised or solicited through 30 days following the date that the procurement is awarded, even if a Participating Nassau County Employee contacts the Vendor regarding employment. Questions regarding whether a particular Nassau County employee is a Participating Nassau County Employee for a specific

Vendor Code of Ethics

procurement should be directed to the Designated Point of Contact for the procurement.

Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

- (i) 30 days from the time the matter before the Employee is closed, or
- (ii) 30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

Chapter 5: CONFLICT OF INTEREST

Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest, nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

The Vendor will not permit an employee having a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract to be employed in the performance of the Nassau County contract.

Section 5.02 Personal Business Dealings

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, may have a non-County business dealing with a

Vendor Code of Ethics

Participating Nassau County Employee where it can be reasonably inferred that the purpose of the business dealing, at least in part, is to influence the Participating Nassau County Employee's action on a pending County matter.

Section 5.03 Disclosure and Cooperation

The Vendor shall disclose immediately to the County any real or potential conflict of interest of which it becomes aware. This obligation is ongoing and shall last through the completion of performance of the contract. The Vendor shall provide to Nassau County, at the County's request and upon such forms as may be furnished by Nassau County, a disclosure of organizational, financial, contractual or other affiliations with any organization or entity that has interests that may be substantially affected by the procurement solicitation or award. The Vendor shall fully cooperate in any inquiry or investigation undertaken by Nassau County to determine whether any such affiliations present a conflict of interest, or whether any other provision of this Code has been violated. The Vendor shall fully cooperate with audits, investigations, examinations and reviews by the Nassau County Inspector General conducted pursuant to section 187 of the Nassau County Charter.

Section 5.04 Confidential Information

At no time shall any Vendor who obtains confidential or proprietary Nassau County information in the course of doing or seeking to do business with the County disclose any such information to any person not authorized by Nassau County to receive such information or use such information for any personal gain except as necessary to fulfill its contractual obligations to Nassau County.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. _____ (list # of persons on committee and their respective departments). The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

III. ☐ This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on _____[date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after _____

_____[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ **A.** The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ **B.** The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. - ☐ **B.** The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ **C.** Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

VIII. ☐ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. ☐ Vendor will not require any sub-contractors.

Dear Mr. Haney;

The Commissioner of Transportation, acting pursuant to N.J.S.A. 27:7-30, has awarded the project designated Maintenance Dredging and Channel Improvements for Lower Manasquan River, Crabtown Creek, Kings Bridge Channel, Wills Hole Thorofare and Wills Hole West Channel, Contract No. 041201504, Brielle Boro, Manasquan Boro, Point Pleasant Boro and Point Pleasant Beach Boro, Monmouth and Ocean Counties, 100% State, UPC No. 201504, PE No. 6110108, CE No. 6900328, DP No. 15445 to your firm on January 27, 2016. The Contract amount is (\$3,366,629.10). As stated in the Standard Specifications, this award is not binding upon the State until the contract has been executed by the Commissioner. Furthermore, no work shall be performed on account of the proposed contract until you have been notified that the contract has been executed by the Commissioner.

All payment obligations are subject to appropriations and the availability of funds

Consistent with the Specifications, this award is being made to your firm since you were the lowest responsible bidder whose proposal conformed in all respects to the requirements set forth in the contract documents. All the contract documents which formed the basis of your bid were in accordance with Department Specifications. In submitting your proposal to the Department of Transportation, you agreed to carry out and complete the project as specified and delineated in these contract documents at the price per unit of measure bid for each scheduled item of work.

The contract (Form DC-81) must be signed and witnessed. **PLEASE DO NOT DATE THE CONTRACT.** The contract will be dated at the time it is signed by the Commissioner or his/her designee. A properly signed and sealed corporate resolution verifying the authority of the officers to sign the contract for the corporation must be attached with the contract. AN ACCEPTABLE CORPORATE RESOLUTION TEMPLATE CAN BE FOUND FROM THE WEBSITE BELOW FOR YOUR USE.
<http://www.state.nj.us/transportation/business/procurement/ConstrServ/curradvproj.shtml>
USING THIS TEMPLATE WILL AVOID DELAYS ENCOUNTERED DURING CONTRACT EXECUTION.

Performance and payment bonds must be issued by surety companies listed in the current U.S. Treasury Circular 570 ("Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds"), and cannot exceed the amount of authority listed in U. S. Treasury Circular 570. All surety companies must be licensed to transact surety business in the State of New Jersey. In the event the penal sum of the bond exceeds the limitations prescribed in Circular 570, two or more listed surety companies may be accepted, jointly and severally, as co-sureties on the contract, as long as the penal sum of the bond does not exceed the prescribed limitations of their aggregate qualifying power.

The performance and payment bonds must be signed by the authorized officers of the corporation and the corporate seal must be affixed. They must be signed by each surety company, witnessed and accompanied by both a certification as to authorization of the Attorney-in-Fact to bind each surety company and a true and correct statement of the financial condition of each surety company. All names must be typed or printed below the signature on the bonds. The bonds must bear the dates on which they are issued and signed. In addition, the contractor must submit to the Department proof of valid business registration with the Division of Revenue in the New Jersey Department of Treasury in accordance with P.L. 2001, c. 134 (N.J.S.A. 52:32-44), and proof of registration with the New Jersey Department of Labor as a Public Works Contractor in accordance with N.J.S.A. 34:11-56.48 and P.L. 2003, c. 91, effective August 16, 2003.

FOR 100% STATE FUNDED PROJECTS ONLY, your firm must be in compliance with Public Law 2005, Chapter 51 Contractor Certification and Disclosure of Political Contributions (formerly Executive Order #134) and Executive Order # 117, effective November 15, 2008 prior to the Contract being executed by the Commissioner. You must complete the required Certification and Disclosure forms and submit them, together with a completed Ownership Disclosure form, to the Department. Instructions for completing these forms are at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>. IGNORE THIS REQUIREMENT FOR FEDERALLY FUNDED PROJECTS.

Your firm must return the fully executed contract, payment bond, performance bond and proof of valid business registration, etc. to this office **WITHIN FOURTEEN DAYS OF THE RECEIPT OF THE AWARD**. If you intend to escrow bid documents as per Section 103.05 of the Specifications, please phone this office to request the custody agreement form. If you do not intend to escrow bid documents, please indicate this by signing in the space provided and return this letter with the executed contract, corporate resolution, payment and performance bonds and proof of valid business registration.

The N.J.D.O.T. Insurance Certificate (DC 175) must be completed by your insurance agent in triplicate and submitted to the Regional Construction Engineer at the preconstruction conference. DC 175 form can be found from the website below.

<http://www.state.nj.us/transportation/business/procurement/ConstrServ/curradvproj.shtm>

(d) Reducing the Delinquent Member's Membership Interest and Sharing Ratio.

(e) Issuing new Membership Interests to Members who make Additional Contributions in place of the Delinquent Member; provided that such Membership Interests may be entitled to a priority return and such other rights as shall be determined by the Managing Member.

8.4 Capital Account. A separate capital account shall be maintained for each Member throughout the term of the Company in accordance with the rules of section 1.704-1(b)(2)(iv) of the Regulations as in effect from time to time, and, to the extent not inconsistent therewith, to which the following provisions apply:

(a) Each Member's Capital Account shall be credited with (i) such Member's Capital Contribution; and (ii) such Member's share of Profits and items of income and gain that are specially allocated to such Member pursuant to Article IX (other than any income or gain allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code.

(b) Each Member's Capital Account shall be debited with: (i) the amount of money distributed to such Member by the Company (including liabilities of such Member assumed by the Company as provided in section 1.704-1(b)(2)(iv)(c) of the Regulations) other than amounts which are in repayment of debt obligations of the Company to such Member; (ii) the Gross Asset Value of Property distributed to such Member (net of liabilities secured by such distributed Property that such Member is considered to assume or take subject to under section 752 of the Code); and (iii) such Member's share of Losses and items of loss and deduction that are specially allocated to such Member pursuant to Article IX (other than any deduction or loss allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code).

(c) All such contributions, allocations and Distributions shall be credited or charged, as the case may be, to the appropriate Capital Accounts of the respective Members to whom they apply, as of the time the contributions, allocations or Distributions are made.

(d) The Capital Account of a transferee Member shall include the appropriate portion of the Capital Account of the Member from whom the transferee Member's interest was obtained.

(e) In determining the amount of any liability, there shall be taken into account section 752(c) of the Code and any other applicable provisions of the Code and Regulations.

The foregoing provisions and the other provisions of this Company Agreement relating to the maintenance of Capital Accounts are intended to comply with section 1.704-1(b) of the Regulations, and shall be interpreted and applied in a manner consistent with such Regulations. Consistent with such intention, the value of any Property (other than cash) (i) contributed to the Company by a Member, (ii) distributed to a Member from the Company or (iii) owned by the Company and subject to a revaluation upon the occurrence of certain events shall be the Fair Market Value of such Property (net of liabilities secured by such Property that the Company or such Member, as the case may be, is considered to assume or take subject to under section 752 of the Code) on the date of contribution, Distribution or revaluation, as applicable.

8.5 No Obligation to Restore Deficit Balance. No Member shall be required to restore any deficit balance in its Capital Account.

8.6 Withdrawal; Successors. A Member shall not be entitled to withdraw any part of its Capital Account or to receive any Distribution from the Company, except as specifically provided in the Company Agreement, and no Member shall be entitled to make any capital contribution to the Company other than such Member's Commitment.

8.7 Interest. Except as otherwise provided in this Company Agreement, no Member shall be entitled to interest or other return on such Member's Capital Contribution or on any Profits retained by the Company.

8.8 Investment of Capital Contributions and Company Cash. ARTICLE IX ALLOCATIONS AND DISTRIBUTIONS

9.1 Profits and Losses. Profits and Losses, and each item of Company income, gain, loss, deduction, credit and tax preference with respect thereto, for each Fiscal Year (or shorter period in respect of which such items are to be allocated) shall be allocated among the Members as provided in this Article IX.

9.2 Profits. After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Profits for any Fiscal Year shall be allocated in the following order of priority:

(a) First, to the Members, if any, who received any allocation of Losses under Section 9.3(c), in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to such Members pursuant to Section 9.3(c) for all prior Fiscal Years, over (ii) the cumulative Profits allocated to such Members pursuant to this Section 9.2(a) for all prior Fiscal Years;

(b) Second, to the Members, in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to each Member pursuant to Section 9.3(a) hereof for all prior Fiscal Years, over (ii) the cumulative Profits allocated to each Member pursuant to this Section 9.2(b) for all prior Fiscal Years; and

(c) Third, the balance of the Profits remaining to the Members in accordance with their Sharing Ratios.

9.3 Losses. After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Losses shall be allocated as set forth in Section 9.3(a), subject to the limitation in Section 9.3(b) below and, if applicable, as provided in Section 9.3(c).

(a) Losses for any Fiscal Year shall be allocated in the following order of priority:

(i) First, to the Members in proportion to and to the extent of the excess, if any, of (A) the cumulative Profits allocated to each such Member pursuant to Section 9.2(c) hereof for all prior Fiscal Years, over (B) the cumulative Losses allocated to such Member pursuant to this Section 9.3(a)(i) for all prior Fiscal Years; and

(ii) The balance, if any, among the Members in proportion to their respective Sharing Ratios.

(b) (i) The Losses allocated according to Section 9.3(a) shall not exceed the maximum amount of Losses that may be allocated to such Member without causing such Member to have an Adjusted Capital Account Deficit.

(ii) If some, but not all of the Members would have Adjusted Capital Account Deficits as a consequence of the allocations of Losses pursuant to Section 9.3(a), the limitation set forth in this Section 9.3(b) shall be applied by allocating Losses pursuant to this Section 9.3(b)(ii) only to those Members (allocated pro rata if more than one), who would not have an Adjusted Capital Account Deficit as a consequence of receiving such an allocation of Losses.

(iii) If no other Member may receive an additional allocation of Losses pursuant to Section 9.3(b)(ii), such additional Losses not allocated shall be allocated solely to those Members who bear the economic risk of such Losses within the meaning of section 704(b) of the Code.

(c) In the event that there are any remaining Losses in excess of the limitations set forth in Section 9.3(b), such remaining losses shall be allocated among the Members in proportion to their respective Sharing Ratios.

9.4 Special Allocations. The following special allocations shall be made:

(a) Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(f) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partnership Minimum Gain, determined in accordance with section 1.704-2(g) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(f)(6) and 1.704-2(j)(2) of the Regulations. This Section 9.4(a) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

(b) Partner Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Partner Nonrecourse Debt Minimum Gain as of the beginning of the Fiscal Year attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partner Nonrecourse Debt

Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(4) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section 9.4(b) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in section 1.704-1(b)(2)(ii)(d)(4), section 1.704-1(b)(2)(ii)(d)(5) or section 1.704-1(b)(2)(ii)(d)(6) of the Regulations which increase a Member's Adjusted Capital Account Deficit, items of Company income and gain shall be specially allocated to the Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 9.4(c) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been tentatively made as if this Section 9.4(c) were not in this Company Agreement.

(d) Gross Income Allocation. In the event any Member has an Adjusted Capital Account Deficit, such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 9.4(d) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been made as if Section 9.4(c) and this Section 9.4(d) were not in this Company Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated among the Members in proportion to their Sharing Ratios.

(f) Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with section 1.704-2(i)(1) of the Regulations.

(g) Certain Book-ups. To the extent an adjustment to (i) the adjusted tax basis of any Company asset pursuant to section 734(b) or 743(b) of the Code is required to be taken into account in determining Capital Accounts or (ii) pursuant to section 1.704-1(b)(2)(iv)(f) of the Regulations, the Gross Asset Value of any Company asset is permitted to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated, as provided in section 1.704-1(b)(2)(iv)(m) or 1.704-1(b)(2)(iv)(g) of the Regulations, respectively, as an item of Profit (if the adjustment increases such basis or Gross Asset Value of the asset) or Loss (if the adjustment decreases such basis or Gross Asset Value), and such Profit or Loss shall be specially allocated to the Members in a manner consistent with the manner in

which their Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

(h) Mandatory Allocations under Section 704(c) of the Code.

(i) In the event section 704(c) of the Code or the principles of section 704(c) of the Code applicable under section 1.704-1(b)(2)(iv) of the Regulations require allocations of income, gain, deduction or loss in a manner different than that set forth above, the provisions of section 704(c) of the Code and the Regulations thereunder shall control such allocations among the Members. Any item of Company income, gain, loss and deduction with respect to any Property (other than cash) that has been contributed by a Member to the capital of the Company and which is required or permitted to be allocated to such Member for income tax purposes under section 704(c) of the Code so as to take into account the variation between the tax basis of such Property and its Fair Market Value at the time of its contribution shall be allocated solely for income tax purposes in the manner so required or permitted under section 704(c) of the Code using the "traditional method" described in section 1.704-3(b) of the Regulations, provided, however, that any other method allowable under applicable Regulations may be used for any contribution of Property as to which there is agreement between the contributing Member and the Managing Member.

(ii) In the event the Gross Asset Value of any Company asset is adjusted pursuant to Section 9.4(g) in accordance with section 1.704-1(b)(2)(iv)(f) of the Regulations, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in a manner consistent with Section 9.4(h)(i).

(iii) Except as provided in Sections 9.4(h)(i) and (ii), for United States federal, state and local income tax purposes, the income, gains, losses and deductions of the Company shall, for each taxable period, be allocated among the Members in the same manner and in the same proportion that such items have been allocated among the Members' respective Capital Accounts.

9.5 Curative Allocations. The allocations set forth in Sections 9.3(b) and 9.4(a) through (f) (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction. Therefore, notwithstanding any other provision of this Article IX (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Company Agreement and all Company items were allocated pursuant to Sections 9.2 and 9.3(a). In exercising its discretion under this Section 9.5, the Managing Member (i) shall take into

account future Regulatory Allocations under Sections 9.4(a) and 9.4(b) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 9.4(e) and 9.4(f).

9.6 Section 754 Election. Upon a transfer by a Member of an interest in the Company, which transfer is permitted by the terms of this Company Agreement, or upon the death of a Member or the Distribution of any Company Property to one or more Members, the Managing Member, upon the request of one or more of the transferees or distributees, shall cause the Company to file an election on behalf of the Company, adjusted for federal income tax purposes in the manner prescribed in section 734 or 743 of the Code, as the case may be. The cost of preparing such election and any additional accounting expenses of the Company occasioned by such election, shall be borne by such transferees or distributees.

9.7 Other Allocation Rules.

(a) For purposes of determining the Profits, Losses or any other item allocable to any period (including allocations to take into account any changes in any Member's Sharing Ratio during a Fiscal Year and any transfer of any interest in the Company), Profits, Losses and any such other item shall be determined on a daily, monthly or other basis, as determined by the Managing Member using any permissible method under section 706 of the Code and the Regulations thereunder.

(b) The Members are aware of the income tax consequences of the allocations made by this Article IX and hereby agree to be bound by the provisions of this Article IX in reporting their shares of Company income and loss for income tax purposes.

(c) Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of section 1.752-3(a)(3) of the Regulations, the Members' interests in Company Profits are in proportion to their Sharing Ratios.

(d) To the extent permitted by section 1.704-2(h)(3) of the Regulations, the Managing Member shall endeavor to treat Distributions as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such Distributions would not cause or increase an Adjusted Capital Account Deficit for any Member.

(e) Except as otherwise provided in this Article IX, an allocation of Company Profits or Losses to a Member shall be treated as an allocation to such Member of the same share of each item of income, gain, loss and deduction taken into account in computing such Profits or Losses.

(f) For purposes of determining the character (as ordinary income or capital gain) of any Profits allocated to the Members pursuant to this Article IX, such portion of Profits that is treated as ordinary income attributable to the recapture of depreciation shall, to the extent possible, be allocated among the Members in the proportion which (i) the amount of depreciation previously allocated to each Member bears to (ii) the total of such depreciation allocated to all Members. This Section 9.7(f) shall not alter the amount

of allocations among the Members pursuant to this Article IX, but merely the character of income so allocated.

(g) Except for arrangements expressly described in this Company Agreement, no Member shall enter into (or permit any Person related to the Member to enter into) any arrangement with respect to any liability of the Company that would result in such Member (or a person related to such Member under section 1.752-4(b) of the Regulations) bearing the economic risk of loss (within the meaning of section 1.752-2 of the Regulations) with respect to such liability unless such arrangement has been approved by all Members. To the extent a Member is permitted to guarantee the repayment of any Company indebtedness under this Company Agreement, each of the other Members shall be afforded the opportunity to guarantee such Member's pro rata share of such indebtedness, determined in accordance with the Members' respective Sharing Ratios.

9.8 Distribution of Net Cash Flow.

(a) Amounts and Timing. Subject to the provisions of Section 13.3, Net Cash Flow for each Fiscal Year of the Company, to the extent not distributed previously under this Section 9.8, shall be distributed to the Members, at such time or times as may be designated by the Managing Member, in proportion to the amount of Profits allocated to each Member.

(b) Amounts Withheld. All amounts required to be withheld pursuant to the Code or any provision of any state or local tax law with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to this Section 9.8 for all purposes under this Company Agreement. The Managing Member is authorized to withhold from Distributions, or with respect to allocations, to the Members and to pay over to any federal, state or local government any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state or local law, and shall allocate any such amounts to the Members with respect to which such amount was withheld.

(c) Draws for Payment of Estimated Taxes. The Company shall pay to each Member a quarterly draw, not to exceed the amount reasonably necessary to provide for payment by the Members of any federal, state and local estimated taxes with respect to Profits allocated to the Members pursuant to this Article IX, and each such draw, if any, shall be treated as a loan from the Company to each Member receiving such draw and shall be deemed repaid by reducing the amount of each subsequent Distribution to the Member receiving such draw pursuant to this Section 9.8 by the lesser of (i) the entire amount otherwise distributable to the Member receiving such draw and (ii) the entire amount of any unrepaid draws pursuant to this Section 9.8(c).

9.9 Allocation of Gain or Loss upon Winding Up.

(a) Gain Realized on Sale of Company Property. Upon the winding up of the Company, as provided in Article XIII, net gain realized on the sale or sales of Company

Property (each such sale a "Winding Up Sale") shall be allocated among the Members in accordance with Section 9.2.

(b) Loss Realized on Sale of Company Property. Net loss realized on any Winding Up Sale shall be allocated among the Members in accordance with Section 9.3.

(c) Distributions in Kind. In the event that, upon a winding up of the Company, pursuant to Section 13.3, either (i) any Company Property is required to be distributed in kind, or (ii) the Managing Member elects to distribute any Company Property in kind, the book value of such Property shall be adjusted to its Fair Market Value as of the date of such Distribution, and the amount of such adjustments shall be allocated to the Members' capital accounts in the manner and priorities provided in Sections 9.9(a) and (b) as though such Property had been sold at its Fair Market Value and gain or loss had been realized.

ARTICLE X TAXES

10.1 **Tax Matters Partner.** Managing Member shall be the Tax Matters Partner of the Company pursuant to section 6231(a)(7) of the Code. If the Managing Member shall cease to act as the Tax Matters Partner for any reason, the Members shall select another Member (subject to such Member's approval) to be the Tax Matters Partner. The Company has designated another Member as Tax Matters Partner and such Member has given its consent in writing to its appointment as Tax Matters Partner. The Tax Matters Partner shall receive no additional compensation from the Company for its services in that capacity, but all expenses incurred by the Tax Matters Partner in such capacity shall be borne by the Company. The Tax Matters Partner is authorized to employ such accountants, attorneys and agents as it, in its sole discretion, determines is necessary to or useful in the performance of its duties. The Tax Matters Partner is authorized to represent the Company before the Internal Revenue Service and any other governmental agency with jurisdiction, and to sign such consents and to enter into settlements and other agreements with such agencies as the Tax Matters Partner or its duly authorized officer deems necessary or advisable. Each Member shall give prompt notice to each other Member of any and all notices it receives from the Internal Revenue Service concerning the Company, including any notice of a 30 day appeal letter and any notice of deficiency in tax concerning the Company's federal income tax returns. The Tax Matters Partner shall give each Member periodic status reports regarding any negotiations between the Internal Revenue Service and the Company. The Tax Matters Partner shall serve in a similar capacity with respect to any similar tax related or other election provided by state or local laws.

ARTICLE XI TRANSFER OF MEMBERSHIP INTEREST

11.1 **Compliance with Securities Laws.** No Membership Interest has been registered under the Securities Act or under any applicable state securities laws. A Member may not transfer (a transfer, for purposes of this Company Agreement, shall be deemed to include, but not be limited to, any sale, transfer, assignment, pledge, creation of a security interest or other disposition) all or any part of such Member's Membership Interest, except upon compliance with

the applicable federal and state securities laws. The Managing Member shall have no obligation to register any Member's Membership Interest under the Securities Act or under any applicable state securities laws, or to make any exemption therefrom available to any Member.

11.2 Transfer of Economic Interest. The Economic Interest of any Member may not be transferred in whole or in part unless the following terms and conditions have been satisfied:

(a) The transferor shall have: (i) assumed all costs incurred by the Company in connection with the transfer, (ii) furnished the Company with a written opinion of counsel, satisfactory in form and substance to counsel for the Company, that such transfer complies with applicable federal and state securities laws and the Company Agreement and will not result in the Company being treated as a publicly traded partnership for purposes of section 7704 of the Code and (iii) complied with such other conditions as the Managing Member may reasonably require from time to time; and

(b) The transferee shall have assumed the obligations, if any, of the transferor to the Company, including the obligation to fulfill the pro rata portion of the transferor's then existing or subsequently arising Commitment related to the transferred Economic Interest or portion thereof.

Transfers of Economic Interests will be recognized by the Company as effective only upon the close of business on the last day of the calendar month following satisfaction of the above conditions. Any transfer in contravention of this Article XI and any transfer which if made would cause a termination of the Company for federal income tax purposes under section 708(b) of the Code shall be void when made and ineffectual and shall not bind the Company or the other Members.

11.3 Status of Transferee of Economic Interest. A transferee of an Economic Interest who is not admitted as a Substitute Member shall be entitled only to receive that share of Profits, Losses and Distributions, and the return of Capital Contribution and Distributions upon a dissolution of the Company, to which the transferor would otherwise be entitled with respect to the interest transferred, and shall not have any Management Rights of a Member of the Company under the NY LLC Law or this Company Agreement including, without limitation, the right to obtain any information on account of the Company's transactions, to inspect the Company's books or to vote with the Members on, or to grant or withhold consents or approvals to, any matter. The Company shall, if a transferee and transferor jointly advise the Company in writing of a transfer of the Economic Interest, furnish the transferee with pertinent tax information at the end of each Fiscal Year.

11.4 Transfer of Management Rights; Admission of Substitute Member. A Member may transfer Management Rights and give the transferee the right to become a Member only after the following terms and conditions have been satisfied:

(a) The transferee shall also be the transferee of all or part of the transferor's Economic Interest, or shall be the owner of an Economic Interest;

(b) The Members holding at least a majority of the Membership Interests shall have consented in writing to the admission of the Substitute Member, which consent may be arbitrarily withheld by any such Member; and

(c) The transferor and the transferee shall have complied with such other requirements as the non-transferring Members may reasonably impose, including the conditions that the transferee:

(i) Adopt and approve in writing all the terms and provisions of the Company Agreement then in effect; and

(ii) Pay such fees as the Managing Member may reasonably require to pay the costs of the Company in effecting such substitution.

11.5 Transfer to Surviving Spouse or Lineal Descendent. If, by reason of the death of a Member, all or part of such Member's Economic Interest is transferred to the surviving spouse or to a lineal descendent of such Member (a "Permitted Transferee"), pursuant to the last will and testament of, or inter vivos trust created by, such Member, or pursuant to the laws of descent and distribution applicable to such Member's estate, such Permitted Transferee shall be admitted as a Substitute Member upon satisfaction of the terms and conditions of Section 11.4(c), to the extent applicable.

11.6 Death, Dissolution, Bankruptcy or Incompetency of a Member. Upon the death, dissolution, adjudication of bankruptcy, insanity or incompetency of a Member, such Member's successors, executors, administrators or legal representatives shall have all the rights of a Member (except as provided by the last sentence of this Section 11.6) for the purpose of settling or managing such Member's estate, including such power as such Member possessed to substitute a successor as a transferee of such Member's interest in the Company and to join with such transferee in making the application to substitute such transferee as a Member. However, except as provided in Section 11.5, such successors, executors, administrators or legal representatives will not have the right to become a Substitute Member in the place of their predecessor in interest unless the other Members shall so consent as provided in Section 11.4(b) hereof.

11.7 Dispositions not in Compliance with this Article Void. Any attempted Disposition of a Membership Interest, or any part thereof, not in compliance with this Article shall be void when made and ineffectual and shall not bind the Company.

ARTICLE XII DISSOCIATION OF A MEMBER

12.1 Dissociation. A Person shall cease to be a Member upon the happening of any of the following events:

- (a) The resignation or withdrawal of a Member;
- (b) A Member becoming a Bankrupt Person;

(c) In the case of a Member who is a natural person, the death of the Member or the entry of an order by a court of competent jurisdiction adjudicating the Member incompetent to manage the Member's personal estate;

(d) In the case of a Member that is a trust or who is acting as a Member by virtue of being a trustee of a trust, the termination of the trust (but not merely the substitution of a new trustee);

(e) In the case of a Member that is a separate Organization other than a corporation, the dissolution and commencement of winding up of the separate Organization;

(f) In the case of a Member that is a corporation, the filing of a certificate of dissolution, or its equivalent, for the corporation or the revocation of its charter; or

(g) In the case of a Member that is an estate, the distribution by the fiduciary of the estate's entire interest in the Company.

12.2 Rights of Dissociating Member. In the event any Member dissociates prior to the expiration of the term of this Company Agreement:

(a) If the Dissociation causes a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to participate in the winding up of the Company to the same extent as any other Member except that, if such Dissociation results from a withdrawal of a Member in violation of this Company Agreement, any Distributions to which such Member would have been entitled shall be reduced by that portion of the damages, if any, sustained by the Company as a result of the Dissolution Event and winding up that is chargeable to the Capital Accounts of the other Members; or

(b) If the Dissociation does not cause a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to an amount equal to the value of the Member's Membership Interest in the Company, to be paid over a period not to exceed five years together with interest at the minimum rate necessary to avoid the imputation of interest under the Code. The value of the Member's Membership Interest shall include the amount of any Distributions to which the Member is entitled under the Company Agreement and the value of the Member's Membership Interest as of the date of Dissociation as determined by independent appraisal, reduced by an allocable portion of any damages sustained by the Company as a result of the Member's Dissociation.

ARTICLE XIII DISSOLUTION AND WINDING UP

13.1 Dissolution. The Company shall be dissolved without further action by the Members and its affairs wound up upon the first to occur of any of the following events (each of which shall constitute a Dissolution Event):

(a) The expiration of the term of the Company Agreement, unless the Company is continued with the consent of all of the Members;

(b) The written consent of the Members holding at least two-thirds of the Membership Interests; and

((c) At any time when there is but one Member.)

13.2 Effect of Dissolution. Upon dissolution, the Company shall not be terminated and shall continue until the winding up of the affairs of the Company is completed and articles of dissolution have been filed with the Department of State of New York.

13.3 Distribution of Assets on Dissolution. Upon the winding up of the Company, the Managing Member (or, if there is no Managing Member then remaining, such other Person(s) designated by the Members representing at least a majority of the Members' Membership Interests) shall take full account of the assets and liabilities of the Company, shall liquidate the assets (unless the Managing Member determines that a Distribution of any Company Property in-kind would be more advantageous to the Members than the sale thereof) as promptly as is consistent with obtaining the Fair Market Value thereof, and shall apply and distribute the proceeds therefrom in the following order:

(a) First, to the payment of the debts and liabilities of the Company to creditors, including Members who are creditors, to the extent permitted by law, in satisfaction of such debts and liabilities, and to the payment of necessary expenses of liquidation;

(b) Second, to the setting up of any reserves which the Managing Member may deem necessary or appropriate for any anticipated obligations or contingencies of the Company arising out of or in connection with the operation or business of the Company. Such reserves may be paid over by the Managing Member to an escrow agent or trustee selected by the Managing Member to be disbursed by such escrow agent or trustee in payment of any of the aforementioned obligations or contingencies and, if any balance remains at the expiration of such period as the Managing Member shall deem advisable, shall be distributed by such escrow agent or trustee in the manner hereinafter provided; and

(c) Then, to the Members in accordance with positive Capital Account balances taking into account all Capital Account adjustments for the Company's taxable year in which the liquidation occurs. 8.4 Capital Account. A separate capital account shall be maintained for each Member throughout the term of the Company in accordance with the rules of section 1.704-1(b)(2)(iv) of the Regulations as in effect from time to time, and, to the extent not inconsistent therewith, to which the following provisions apply:

(a) Each Member's Capital Account shall be credited with (i) such Member's Capital Contribution; and (ii) such Member's share of Profits and items of income and gain that are specially allocated to such Member pursuant to Article IX (other than any income or gain allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code.

(b) Each Member's Capital Account shall be debited with: (i) the amount of money distributed to such Member by the Company (including liabilities of such Member assumed by the Company as provided in section 1.704-1(b)(2)(iv)(c) of the Regulations) other than amounts which are in repayment of debt obligations of the Company to such Member; (ii) the Gross Asset Value of Property distributed to such Member (net of liabilities secured by such distributed Property that such Member is considered to assume or take subject to under section 752 of the Code); and (iii) such Member's share of Losses and items of loss and deduction that are specially allocated to such Member pursuant to Article IX (other than any deduction or loss allocated to such Member pursuant to Section 9.4(h) in accordance with section 704(c) of the Code).

(c) All such contributions, allocations and Distributions shall be credited or charged, as the case may be, to the appropriate Capital Accounts of the respective Members to whom they apply, as of the time the contributions, allocations or Distributions are made.

(d) The Capital Account of a transferee Member shall include the appropriate portion of the Capital Account of the Member from whom the transferee Member's interest was obtained.

(e) In determining the amount of any liability, there shall be taken into account section 752(c) of the Code and any other applicable provisions of the Code and Regulations.

The foregoing provisions and the other provisions of this Company Agreement relating to the maintenance of Capital Accounts are intended to comply with section 1.704-1(b) of the Regulations, and shall be interpreted and applied in a manner consistent with such Regulations. Consistent with such intention, the value of any Property (other than cash) (i) contributed to the Company by a Member, (ii) distributed to a Member from the Company or (iii) owned by the Company and subject to a revaluation upon the occurrence of certain events shall be the Fair Market Value of such Property (net of liabilities secured by such Property that the Company or such Member, as the case may be, is considered to assume or take subject to under section 752 of the Code) on the date of contribution, Distribution or revaluation, as applicable.

8.5 No Obligation to Restore Deficit Balance. No Member shall be required to restore any deficit balance in its Capital Account.

8.6 Withdrawal; Successors. A Member shall not be entitled to withdraw any part of its Capital Account or to receive any Distribution from the Company, except as specifically provided in the Company Agreement, and no Member shall be entitled to make any capital contribution to the Company other than such Member's Commitment.

8.7 Interest. Except as otherwise provided in this Company Agreement, no Member shall be entitled to interest or other return on such Member's Capital Contribution or on any Profits retained by the Company.

8.8 Investment of Capital Contributions and Company Cash. Such investments shall be made by the Managing Member for the benefit of the Company.

8.9 Repayment of Capital Contribution.

(a) The Managing Member shall have no personal liability for the repayment of any Capital Contributions of any Member, and no Member shall have liability for the repayment of any Capital Contributions of any other Member. The repayment of any

ARTICLE IX ALLOCATIONS AND DISTRIBUTIONS

9.1 **Profits and Losses.** Profits and Losses, and each item of Company income, gain, loss, deduction, credit and tax preference with respect thereto, for each Fiscal Year (or shorter period in respect of which such items are to be allocated) shall be allocated among the Members as provided in this Article IX.

9.2 **Profits.** After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Profits for any Fiscal Year shall be allocated in the following order of priority:

(a) First, to the Members, if any, who received any allocation of Losses under Section 9.3(c), in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to such Members pursuant to Section 9.3(c) for all prior Fiscal Years, over (ii) the cumulative Profits allocated to such Members pursuant to this Section 9.2(a) for all prior Fiscal Years;

(b) Second, to the Members, in proportion to (and to the extent of) the excess, if any, of (i) the cumulative Losses allocated to each Member pursuant to Section 9.3(a) hereof for all prior Fiscal Years, over (ii) the cumulative Profits allocated to each Member pursuant to this Section 9.2(b) for all prior Fiscal Years; and

(c) Third, the balance of the Profits remaining to the Members in accordance with their Sharing Ratios.

9.3 **Losses.** After giving effect to the special allocations set forth in Sections 9.4 and 9.5, Losses shall be allocated as set forth in Section 9.3(a), subject to the limitation in Section 9.3(b) below and, if applicable, as provided in Section 9.3(c).

(a) Losses for any Fiscal Year shall be allocated in the following order of priority:

(i) First, to the Members in proportion to and to the extent of the excess, if any, of (A) the cumulative Profits allocated to each such Member pursuant to Section 9.2(c) hereof for all prior Fiscal Years, over (B) the cumulative Losses allocated to such Member pursuant to this Section 9.3(a)(i) for all prior Fiscal Years; and

(ii) The balance, if any, among the Members in proportion to their respective Sharing Ratios.

(b) (i) The Losses allocated according to Section 9.3(a) shall not exceed the maximum amount of Losses that may be allocated to such Member without causing such Member to have an Adjusted Capital Account Deficit.

(ii) If some, but not all of the Members would have Adjusted Capital Account Deficits as a consequence of the allocations of Losses pursuant to Section 9.3(a), the limitation set forth in this Section 9.3(b) shall be applied by allocating Losses pursuant to this Section 9.3(b)(ii) only to those Members (allocated pro rata if more than one), who would not have an Adjusted Capital Account Deficit as a consequence of receiving such an allocation of Losses.

(iii) If no other Member may receive an additional allocation of Losses pursuant to Section 9.3(b)(ii), such additional Losses not allocated shall be allocated solely to those Members who bear the economic risk of such Losses within the meaning of section 704(b) of the Code.

(c) In the event that there are any remaining Losses in excess of the limitations set forth in Section 9.3(b), such remaining losses shall be allocated among the Members in proportion to their respective Sharing Ratios.

9.4 Special Allocations. The following special allocations shall be made:

(a) Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(f) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partnership Minimum Gain, determined in accordance with section 1.704-2(g) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(f)(6) and 1.704-2(j)(2) of the Regulations. This Section 9.4(a) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

(b) Partner Minimum Gain Chargeback. Except as otherwise provided in section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Article IX, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Partner Nonrecourse Debt Minimum Gain as of the beginning of the Fiscal Year attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partner Nonrecourse Debt

Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with section 1.704-2(i)(4) of the Regulations. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section 9.4(b) is intended to comply with the minimum gain chargeback requirement in section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in section 1.704-1(b)(2)(ii)(d)(4), section 1.704-1(b)(2)(ii)(d)(5) or section 1.704-1(b)(2)(ii)(d)(6) of the Regulations which increase a Member's Adjusted Capital Account Deficit, items of Company income and gain shall be specially allocated to the Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 9.4(c) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been tentatively made as if this Section 9.4(c) were not in this Company Agreement.

(d) Gross Income Allocation. In the event any Member has an Adjusted Capital Account Deficit, such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 9.4(d) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been made as if Section 9.4(c) and this Section 9.4(d) were not in this Company Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated among the Members in proportion to their Sharing Ratios.

(f) Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with section 1.704-2(i)(1) of the Regulations.

(g) Certain Book-ups. To the extent an adjustment to (i) the adjusted tax basis of any Company asset pursuant to section 734(b) or 743(b) of the Code is required to be taken into account in determining Capital Accounts or (ii) pursuant to section 1.704-1(b)(2)(iv)(f) of the Regulations, the Gross Asset Value of any Company asset is permitted to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated, as provided in section 1.704-1(b)(2)(iv)(m) or 1.704-1(b)(2)(iv)(g) of the Regulations, respectively, as an item of Profit (if the adjustment increases such basis or Gross Asset Value of the asset) or Loss (if the adjustment decreases such basis or Gross Asset Value), and such Profit or Loss shall be specially allocated to the Members in a manner consistent with the manner in

which their Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

(h) Mandatory Allocations under Section 704(c) of the Code.

(i) In the event section 704(c) of the Code or the principles of section 704(c) of the Code applicable under section 1.704-1(b)(2)(iv) of the Regulations require allocations of income, gain, deduction or loss in a manner different than that set forth above, the provisions of section 704(c) of the Code and the Regulations thereunder shall control such allocations among the Members. Any item of Company income, gain, loss and deduction with respect to any Property (other than cash) that has been contributed by a Member to the capital of the Company and which is required or permitted to be allocated to such Member for income tax purposes under section 704(c) of the Code so as to take into account the variation between the tax basis of such Property and its Fair Market Value at the time of its contribution shall be allocated solely for income tax purposes in the manner so required or permitted under section 704(c) of the Code using the "traditional method" described in section 1.704-3(b) of the Regulations, provided, however, that any other method allowable under applicable Regulations may be used for any contribution of Property as to which there is agreement between the contributing Member and the Managing Member.

(ii) In the event the Gross Asset Value of any Company asset is adjusted pursuant to Section 9.4(g) in accordance with section 1.704-1(b)(2)(iv)(f) of the Regulations, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in a manner consistent with Section 9.4(h)(i).

(iii) Except as provided in Sections 9.4(h)(i) and (ii), for United States federal, state and local income tax purposes, the income, gains, losses and deductions of the Company shall, for each taxable period, be allocated among the Members in the same manner and in the same proportion that such items have been allocated among the Members' respective Capital Accounts.

9.5 Curative Allocations. The allocations set forth in Sections 9.3(b) and 9.4(a) through (f) (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction. Therefore, notwithstanding any other provision of this Article IX (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Company Agreement and all Company items were allocated pursuant to Sections 9.2 and 9.3(a). In exercising its discretion under this Section 9.5, the Managing Member (i) shall take into

account future Regulatory Allocations under Sections 9.4(a) and 9.4(b) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 9.4(e) and 9.4(f).

9.6 Section 754 Election. Upon a transfer by a Member of an interest in the Company, which transfer is permitted by the terms of this Company Agreement, or upon the death of a Member or the Distribution of any Company Property to one or more Members, the Managing Member, upon the request of one or more of the transferees or distributees, shall cause the Company to file an election on behalf of the Company, adjusted for federal income tax purposes in the manner prescribed in section 734 or 743 of the Code, as the case may be. The cost of preparing such election and any additional accounting expenses of the Company occasioned by such election, shall be borne by such transferees or distributees.

9.7 Other Allocation Rules.

(a) For purposes of determining the Profits, Losses or any other item allocable to any period (including allocations to take into account any changes in any Member's Sharing Ratio during a Fiscal Year and any transfer of any interest in the Company), Profits, Losses and any such other item shall be determined on a daily, monthly or other basis, as determined by the Managing Member using any permissible method under section 706 of the Code and the Regulations thereunder.

(b) The Members are aware of the income tax consequences of the allocations made by this Article IX and hereby agree to be bound by the provisions of this Article IX in reporting their shares of Company income and loss for income tax purposes.

(c) Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of section 1.752-3(a)(3) of the Regulations, the Members' interests in Company Profits are in proportion to their Sharing Ratios.

(d) To the extent permitted by section 1.704-2(h)(3) of the Regulations, the Managing Member shall endeavor to treat Distributions as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such Distributions would not cause or increase an Adjusted Capital Account Deficit for any Member.

(e) Except as otherwise provided in this Article IX, an allocation of Company Profits or Losses to a Member shall be treated as an allocation to such Member of the same share of each item of income, gain, loss and deduction taken into account in computing such Profits or Losses.

(f) For purposes of determining the character (as ordinary income or capital gain) of any Profits allocated to the Members pursuant to this Article IX, such portion of Profits that is treated as ordinary income attributable to the recapture of depreciation shall, to the extent possible, be allocated among the Members in the proportion which (i) the amount of depreciation previously allocated to each Member bears to (ii) the total of such depreciation allocated to all Members. This Section 9.7(f) shall not alter the amount

of allocations among the Members pursuant to this Article IX, but merely the character of income so allocated.

(g) Except for arrangements expressly described in this Company Agreement, no Member shall enter into (or permit any Person related to the Member to enter into) any arrangement with respect to any liability of the Company that would result in such Member (or a person related to such Member under section 1.752-4(b) of the Regulations) bearing the economic risk of loss (within the meaning of section 1.752-2 of the Regulations) with respect to such liability unless such arrangement has been approved by all Members. To the extent a Member is permitted to guarantee the repayment of any Company indebtedness under this Company Agreement, each of the other Members shall be afforded the opportunity to guarantee such Member's pro rata share of such indebtedness, determined in accordance with the Members' respective Sharing Ratios.

9.8 Distribution of Net Cash Flow.

(a) Amounts and Timing. Subject to the provisions of Section 13.3, Net Cash Flow for each Fiscal Year of the Company, to the extent not distributed previously under this Section 9.8, shall be distributed to the Members, at such time or times as may be designated by the Managing Member, in proportion to the amount of Profits allocated to each Member.

(b) Amounts Withheld. All amounts required to be withheld pursuant to the Code or any provision of any state or local tax law with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to this Section 9.8 for all purposes under this Company Agreement. The Managing Member is authorized to withhold from Distributions, or with respect to allocations, to the Members and to pay over to any federal, state or local government any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state or local law, and shall allocate any such amounts to the Members with respect to which such amount was withheld.

(c) Draws for Payment of Estimated Taxes. The Company shall pay to each Member a quarterly draw, not to exceed the amount reasonably necessary to provide for payment by the Members of any federal, state and local estimated taxes with respect to Profits allocated to the Members pursuant to this Article IX, and each such draw, if any, shall be treated as a loan from the Company to each Member receiving such draw and shall be deemed repaid by reducing the amount of each subsequent Distribution to the Member receiving such draw pursuant to this Section 9.8 by the lesser of (i) the entire amount otherwise distributable to the Member receiving such draw and (ii) the entire amount of any unrepaid draws pursuant to this Section 9.8(c).

9.9 Allocation of Gain or Loss upon Winding Up.

(a) Gain Realized on Sale of Company Property. Upon the winding up of the Company, as provided in Article XIII, net gain realized on the sale or sales of Company

Property (each such sale a "Winding Up Sale") shall be allocated among the Members in accordance with Section 9.2.

(b) Loss Realized on Sale of Company Property. Net loss realized on any Winding Up Sale shall be allocated among the Members in accordance with Section 9.3.

(c) Distributions in Kind. In the event that, upon a winding up of the Company, pursuant to Section 13.3, either (i) any Company Property is required to be distributed in kind, or (ii) the Managing Member elects to distribute any Company Property in kind, the book value of such Property shall be adjusted to its Fair Market Value as of the date of such Distribution, and the amount of such adjustments shall be allocated to the Members' capital accounts in the manner and priorities provided in Sections 9.9(a) and (b) as though such Property had been sold at its Fair Market Value and gain or loss had been realized.

ARTICLE X TAXES

10.1 **Tax Matters Partner.** Managing Member shall be the Tax Matters Partner of the Company pursuant to section 6231(a)(7) of the Code. If the Managing Member shall cease to act as the Tax Matters Partner for any reason, the Members shall select another Member (subject to such Member's approval) to be the Tax Matters Partner. The Company has designated another Member as Tax Matters Partner and such Member has given its consent in writing to its appointment as Tax Matters Partner. The Tax Matters Partner shall receive no additional compensation from the Company for its services in that capacity, but all expenses incurred by the Tax Matters Partner in such capacity shall be borne by the Company. The Tax Matters Partner is authorized to employ such accountants, attorneys and agents as it, in its sole discretion, determines is necessary to or useful in the performance of its duties. The Tax Matters Partner is authorized to represent the Company before the Internal Revenue Service and any other governmental agency with jurisdiction, and to sign such consents and to enter into settlements and other agreements with such agencies as the Tax Matters Partner or its duly authorized officer deems necessary or advisable. Each Member shall give prompt notice to each other Member of any and all notices it receives from the Internal Revenue Service concerning the Company, including any notice of a 30 day appeal letter and any notice of deficiency in tax concerning the Company's federal income tax returns. The Tax Matters Partner shall give each Member periodic status reports regarding any negotiations between the Internal Revenue Service and the Company. The Tax Matters Partner shall serve in a similar capacity with respect to any similar tax related or other election provided by state or local laws.

ARTICLE XI TRANSFER OF MEMBERSHIP INTEREST

11.1 **Compliance with Securities Laws.** No Membership Interest has been registered under the Securities Act or under any applicable state securities laws. A Member may not transfer (a transfer, for purposes of this Company Agreement, shall be deemed to include, but not be limited to, any sale, transfer, assignment, pledge, creation of a security interest or other disposition) all or any part of such Member's Membership Interest, except upon compliance with

the applicable federal and state securities laws. The Managing Member shall have no obligation to register any Member's Membership Interest under the Securities Act or under any applicable state securities laws, or to make any exemption therefrom available to any Member.

11.2 Transfer of Economic Interest. The Economic Interest of any Member may not be transferred in whole or in part unless the following terms and conditions have been satisfied:

(a) The transferor shall have: (i) assumed all costs incurred by the Company in connection with the transfer, (ii) furnished the Company with a written opinion of counsel, satisfactory in form and substance to counsel for the Company, that such transfer complies with applicable federal and state securities laws and the Company Agreement and will not result in the Company being treated as a publicly traded partnership for purposes of section 7704 of the Code and (iii) complied with such other conditions as the Managing Member may reasonably require from time to time; and

(b) The transferee shall have assumed the obligations, if any, of the transferor to the Company, including the obligation to fulfill the pro rata portion of the transferor's then existing or subsequently arising Commitment related to the transferred Economic Interest or portion thereof.

Transfers of Economic Interests will be recognized by the Company as effective only upon the close of business on the last day of the calendar month following satisfaction of the above conditions. Any transfer in contravention of this Article XI and any transfer which if made would cause a termination of the Company for federal income tax purposes under section 708(b) of the Code shall be void when made and ineffectual and shall not bind the Company or the other Members.

11.3 Status of Transferee of Economic Interest. A transferee of an Economic Interest who is not admitted as a Substitute Member shall be entitled only to receive that share of Profits, Losses and Distributions, and the return of Capital Contribution and Distributions upon a dissolution of the Company, to which the transferor would otherwise be entitled with respect to the interest transferred, and shall not have any Management Rights of a Member of the Company under the NY LLC Law or this Company Agreement including, without limitation, the right to obtain any information on account of the Company's transactions, to inspect the Company's books or to vote with the Members on, or to grant or withhold consents or approvals to, any matter. The Company shall, if a transferee and transferor jointly advise the Company in writing of a transfer of the Economic Interest, furnish the transferee with pertinent tax information at the end of each Fiscal Year.

11.4 Transfer of Management Rights; Admission of Substitute Member. A Member may transfer Management Rights and give the transferee the right to become a Member only after the following terms and conditions have been satisfied:

(a) The transferee shall also be the transferee of all or part of the transferor's Economic Interest, or shall be the owner of an Economic Interest;

(b) The Members holding at least a majority of the Membership Interests shall have consented in writing to the admission of the Substitute Member, which consent may be arbitrarily withheld by any such Member; and

(c) The transferor and the transferee shall have complied with such other requirements as the non-transferring Members may reasonably impose, including the conditions that the transferee:

(i) Adopt and approve in writing all the terms and provisions of the Company Agreement then in effect; and

(ii) Pay such fees as the Managing Member may reasonably require to pay the costs of the Company in effecting such substitution.

11.5 Transfer to Surviving Spouse or Lineal Descendent. If, by reason of the death of a Member, all or part of such Member's Economic Interest is transferred to the surviving spouse or to a lineal descendent of such Member (a "Permitted Transferee"), pursuant to the last will and testament of, or inter vivos trust created by, such Member, or pursuant to the laws of descent and distribution applicable to such Member's estate, such Permitted Transferee shall be admitted as a Substitute Member upon satisfaction of the terms and conditions of Section 11.4(c), to the extent applicable.

11.6 Death, Dissolution, Bankruptcy or Incompetency of a Member. Upon the death, dissolution, adjudication of bankruptcy, insanity or incompetency of a Member, such Member's successors, executors, administrators or legal representatives shall have all the rights of a Member (except as provided by the last sentence of this Section 11.6) for the purpose of settling or managing such Member's estate, including such power as such Member possessed to substitute a successor as a transferee of such Member's interest in the Company and to join with such transferee in making the application to substitute such transferee as a Member. However, except as provided in Section 11.5, such successors, executors, administrators or legal representatives will not have the right to become a Substitute Member in the place of their predecessor in interest unless the other Members shall so consent as provided in Section 11.4(b) hereof.

11.7 Dispositions not in Compliance with this Article Void. Any attempted Disposition of a Membership Interest, or any part thereof, not in compliance with this Article shall be void when made and ineffectual and shall not bind the Company.

ARTICLE XII DISSOCIATION OF A MEMBER

12.1 Dissociation. A Person shall cease to be a Member upon the happening of any of the following events:

(a) The resignation or withdrawal of a Member;

(b) A Member becoming a Bankrupt Person;

(c) In the case of a Member who is a natural person, the death of the Member or the entry of an order by a court of competent jurisdiction adjudicating the Member incompetent to manage the Member's personal estate;

(d) In the case of a Member that is a trust or who is acting as a Member by virtue of being a trustee of a trust, the termination of the trust (but not merely the substitution of a new trustee);

(e) In the case of a Member that is a separate Organization other than a corporation, the dissolution and commencement of winding up of the separate Organization;

(f) In the case of a Member that is a corporation, the filing of a certificate of dissolution, or its equivalent, for the corporation or the revocation of its charter; or

(g) In the case of a Member that is an estate, the distribution by the fiduciary of the estate's entire interest in the Company.

12.2 Rights of Dissociating Member. In the event any Member dissociates prior to the expiration of the term of this Company Agreement:

(a) If the Dissociation causes a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to participate in the winding up of the Company to the same extent as any other Member except that, if such Dissociation results from a withdrawal of a Member in violation of this Company Agreement, any Distributions to which such Member would have been entitled shall be reduced by that portion of the damages, if any, sustained by the Company as a result of the Dissolution Event and winding up that is chargeable to the Capital Accounts of the other Members; or

(b) If the Dissociation does not cause a dissolution and winding up of the Company under Article XIII, the Member shall be entitled to an amount equal to the value of the Member's Membership Interest in the Company, to be paid over a period not to exceed five years together with interest at the minimum rate necessary to avoid the imputation of interest under the Code. The value of the Member's Membership Interest shall include the amount of any Distributions to which the Member is entitled under the Company Agreement and the value of the Member's Membership Interest as of the date of Dissociation as determined by independent appraisal, reduced by an allocable portion of any damages sustained by the Company as a result of the Member's Dissociation.

ARTICLE XIII DISSOLUTION AND WINDING UP

13.1 Dissolution. The Company shall be dissolved without further action by the Members and its affairs wound up upon the first to occur of any of the following events (each of which shall constitute a Dissolution Event):

(a) The expiration of the term of the Company Agreement, unless the Company is continued with the consent of all of the Members;

(b) The written consent of the Members holding at least two-thirds of the Membership Interests; and

((c) At any time when there is but one Member.)

13.2 Effect of Dissolution. Upon dissolution, the Company shall not be terminated and shall continue until the winding up of the affairs of the Company is completed and articles of dissolution have been filed with the Department of State of New York.

13.3 Distribution of Assets on Dissolution. Upon the winding up of the Company, the Managing Member (or, if there is no Managing Member then remaining, such other Person(s) designated by the Members representing at least a majority of the Members' Membership Interests) shall take full account of the assets and liabilities of the Company, shall liquidate the assets (unless the Managing Member determines that a Distribution of any Company Property in-kind would be more advantageous to the Members than the sale thereof) as promptly as is consistent with obtaining the Fair Market Value thereof, and shall apply and distribute the proceeds therefrom in the following order:

(a) First, to the payment of the debts and liabilities of the Company to creditors, including Members who are creditors, to the extent permitted by law, in satisfaction of such debts and liabilities, and to the payment of necessary expenses of liquidation;

(b) Second, to the setting up of any reserves which the Managing Member may deem necessary or appropriate for any anticipated obligations or contingencies of the Company arising out of or in connection with the operation or business of the Company. Such reserves may be paid over by the Managing Member to an escrow agent or trustee selected by the Managing Member to be disbursed by such escrow agent or trustee in payment of any of the aforementioned obligations or contingencies and, if any balance remains at the expiration of such period as the Managing Member shall deem advisable, shall be distributed by such escrow agent or trustee in the manner hereinafter provided; and

(c) Then, to the Members in accordance with positive Capital Account balances taking into account all Capital Account adjustments for the Company's taxable year in which the liquidation occurs. Liquidation proceeds shall be paid within 60 days of the end of the Company's taxable year in which the liquidation occurs. Such Distributions shall be in cash or Property (which need not be distributed proportionately) or partly in both, as determined by the Managing Member.

If at the time of liquidation the Managing Member shall determine that an immediate sale of some or all Company Property would cause undue loss to the Members, the Managing Member may, in order to avoid such loss, defer liquidation.

13.4 Winding Up and Articles of Dissolution. Re: Nassau County Priority Resurfacing Phase 6 - **DRAFT**
Contract No. H61587-PR6
Nelson + Pope No. 21256

Dear Mr. Smith:

Nassau County received bid proposals on November 9, 2021 in connection with the above referenced project. Bid proposals were submitted by the following firms:

CONTRACTOR	Bid Received	Corrected Bid Amount
H&L Contracting, LLC	\$8,251,761.00	\$8,251,761.00
Pratt Brothers, Inc.	\$8,399,796.35	\$8,399,796.35
Posillico Civil, Inc.	\$9,112,451.00	\$9,112,451.00
Metro Paving, LLC	\$9,127,250.00	\$9,127,250.00
JR Cruz Corp.	\$11,818,205.00	\$11,684,405.00

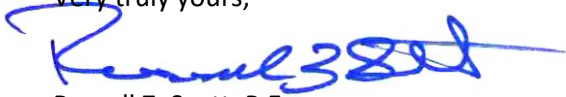

Nelson + Pope reviewed these proposals and prepared a comparison bid sheet which is attached for your information. This Analysis also provides a comparison of the Contractor's Unit Bid Prices to the Engineer's Estimate prepared by the County.

Nelson + Pope only found one mathematical error on JR Cruz's Bid Submission. This error does not impact this bid, as JR Cruz still remained submitting the highest proposed bid. The lowest bid submitted by H&L Contracting, LLC is for \$8,251,761.00 which is \$1,248,089.00 (13.14%) less than the Engineer's Estimate total of \$9,499,850.00.

N+P reviewed the bid prices submitted by each of the Contractors specifically the apparent low bidder. Due to the work entailed in a resurfacing project of this size and scope, N+P analyzed those items we feel which would be utilized during construction and have lower than anticipated bid prices. Particularly Items 102D, Flashing Arrow Board, Item 102X, Work Zone Traffic Control (Day), Item 102Y, Work Zone Traffic Control (Night). The County should review these unit prices with the Contractor prior to contract award. During this meeting the County shall also discuss all the unit prices that were bid at \$1.00.

Based on our review, it is Nelson + Pope's opinion that the Contract be awarded to **H&L Contracting, LLC**.
If you have any questions or require additional information, kindly contact this office.

Very truly yours,

Russell Z. Scott, P.E.
Senior Partner
