In fact, an increasing number of states, municipalities and sub-divisions have codified the determination that entertainers and artists are considered sole source. These include the New York City Department of Education, the States of Virginia and West Virginia, the District of Columbia, and several state universities, among others. After 29 years NY State could no longer host the games for the physically challenged. Nine years ago Nassau County rescued the event hosted at our facility. **V. ☒ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. SERVICE: Personal Services Contract for Consultant of the 2022 Nassau County Empire State Games for the Physically Challenged  
RAEMAX Consulting LLC

Susan Maxwell is the sole proprietor of RAEMAX Consulting LLC. She has been retained due to her extensive knowledge and experience on how to run the Nassau County Empire Games for the Physically Challenged.

Each artist and musical performer, or event planner possesses such individual skills that they cannot be evaluated through a competitive bidding process. In fact, an increasing number of states, municipalities and sub-divisions have codified the determination that entertainers and artists are considered sole source. These include the New York City Department of Education, the States of Virginia and West Virginia, the District of Columbia, and several state universities, among others.

After 29 years NY State could no longer host the games for the physically challenged. Seven years ago Nassau County rescued the event hosted at our facility. We retained the services of Susan Maxwell who previously worked for NY State and had a resume of 30 successful years of prior experience in implementing and facilitating the event for NY State. There is no one who holds these credentials.

Susan has earned this unique hands on knowledge of the required & specialized experience in coordinating the housing, scheduling the many programs; capability to access and evaluate the individuals' ability to participate and finally the placement of the participants in the most suitable events such as track and field, wheelchair basketball, swimming; obstacle course and familiarity and access to the volunteers to work the event.

Subject: Delay Memo – Raemax Consulting LLC - CQPK22000004

This memorandum is submitted in response to your request for a delay memo to explain the retroactivity of the above-mentioned Contract for Services - CQPK22000004 for Raemax Consulting LLC.

Raemax Consulting LLC is the consultant retained by the County that oversees and executes the Games for the Physically Challenged, which is being held again on June 2, 3 & 4, 2022, after a two-year hiatus due to the pandemic and related restrictions.

The delay in processing this Contract was primarily due to the change in administration and then uncertainty as to whether the event could be held safely, without fear of Covid surges. Planning for the Games is a months-long endeavor, so work needed to begin in April. This delay led to the retroactivity of this agreement.
