Exhibit A - Structure Tone Affiliate Regulatory Disclosure

LiRo Engineers, Inc is an independent operating company. LiRo Engineers, Inc shares common ownership and management with other legal operating companies, referred to informally as the Structure Tone Organization (STO).

Within the past five (5) years, neither LiRo Engineers, Inc, nor any of its officers, or managerial employees have been investigated by any government agency, including but not limited to federal, state and local regulatory agencies. Nevertheless, in the interests of full disclosure, LiRo Engineers, Inc discloses the following with respect to one STO company, specifically, Structure Tone, Inc. (subsequently reorganized under new ownership as Structure Tone, LLC) which entity is not an affiliate as defined herein:

An investigation by the New York County District Attorney's Office ("District Attorney") revealed that, on certain Construction Manager at Risk projects during the period of 2005 through 2009, a Structure Tone entity – Structure Tone, Inc. ("STI"), which was subsequently reorganized under new ownership as Structure Tone, LLC – did not maintain proper business records related to certain procurement practices, causing inconsistencies in its billing processes. The relevant conduct pertaining to the investigation ceased in 2009 after company record keeping and invoicing practices were improved. Specifically STI, as confirmed by the District Attorney, undertook a series of significant steps to enhance its corporate compliance program, increase transparency in its purchasing practices, and institute new measures to improve its business practices. On April 30, 2014, as a result of the prior conduct, STI reached a corporate settlement with the District Attorney and pleaded guilty to one count of Falsifying Business Records pursuant New York State Penal Law § 175.10. STI was sentenced to a conditional discharge that required the company (and a related entity) to make a collective payment to the New York State Asset Forfeiture Fund in the amount of \$55 million. No employees of STI, nor any key executives, were arrested, charged, pleaded guilty or otherwise convicted of criminal conduct as a result of the investigation. The District Attorney did not impose a monitor or mandate any changes to Structure Tone's now-existing Compliance Program.

Structure Tone is guided daily by a comprehensive corporate compliance program. The company takes matters of integrity and compliance seriously and, should information be brought to our attention that is pertinent to our business relationship with your firm, we will advise you accordingly. Should you have any further questions, please contact Structure Tone's General Counsel, David Cahill, at (212) 251-9240, or its Chief Ethics and Compliance Officer, Brian Fields, at (212) 251-9279. For more information on Structure Tone's global compliance program, please see <https://structuretone.com/compliance> or contact Brian Fields.

Ayad,

Please see attached, confirmation of electronic filing of returns for the periods 2015 - 2020 (last 5 years). For some reason, we are having trouble electronically filing the remaining 4 returns for the earlier years. Working diligently to resolve. Are the returns that have been filed sufficient to resolve the clearance issue today?

Please let me know and thank you again for your assistance.

Subject: Resolution of LiRo Delinquent Tax Payments

All, the purpose of this email is to provide status of this issue and related relevant information.

On July 30, 3030, LiRo Engineers Inc.,(LiRo) mailed via USPS our delinquent Commercial Rent Tax filings along with the required payments for the period 2012 to present to the NYC Department of Finance (DOF).

Numerous inquiries via Email and phone were made to the DOF to obtain acknowledgement of receipt of LiRo's tax return and payments on the dates noted below:

- 1.Voice mails were left on general mailbox at the DOF office on August 3rd through August 5th:
- 2.Email inquiry were sent via the DOF website on August 3rd through August 6th.

In addition, on July 30, 2020, LiRo notified senior staff at DDC to inform them that the tax filings and required payments had been made, as well as our efforts to contact DOF tax clearance in an attempt to promptly resolve the Pass Port non-compliance status. LiRo also contacted MOCS on August 4th in a further attempt to expedite resolution. Our request was referred to the help center at MOCS, but we have not heard from them as of today. A follow up request was sent today as well.

Furthermore, numerous emails were sent to Ranjitsinh Vaghela from DOF Tax Clearance on July 30th through August 3rd requesting assistance in obtaining acknowledgment of LiRo's taxes, payments and Tax Clearance approval on LiRo's Passport account. Via subsequent email correspondence, we were advised by Ranjitsinh that it takes two weeks for them to process both the tax filing and payment and that nothing more can be done until the processing was complete. We were advised to check back in 2 weeks with regards to DOF Tax Clearance approval on our Passport account. We were also advised that any associated penalties would be assessed by DOF at a later date. Subsequently, on August 4th, LiRo emailed Anthony Salta from DOF Tax Clearance requesting additional assistance in obtaining acknowledgment of LiRo's tax payments and Tax Clearance approval of LiRo's Passport account status as well. He has not responded to our request. **We have confirmed today, that all required tax and interest checks (9 checks in total) for all delinquent years cleared payment on August 3rd (copies of the cleared checks are attached).**

At this time, we have provided all necessary information and payments necessary to resolve this issue. Any assistance you can provide to finalize this issue with the DOF Tax Clearance department would be greatly appreciated.

Please contact me at 516-408-8199 if there are any questions. Thank you

Amending Cap “On Call” Agreement
“On Call” Construction Management/Inspection Services for Civil/Site

The Department of Public Works procured LiRo Engineers, Inc., to provide “On Call” Construction Management and Inspection services through an open RFP. This agreement was signed on May 27, 2019, for a duration of three (3) years with two (2) one- year extensions at the Commissioner’s discretion having a one million five hundred thousand-dollar (\$1,500,000.00) cap. Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

(e) **Antitrust.** The Contractor hereby assigns, sells, and transfers to the County all right, title and interest in and to any claims and causes of action arising under the antitrust laws of the State of New York or of the United States relating to the particular goods or services procured by the County under this Agreement.

5. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. - (i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. 9. Indemnification; Defense; Cooperation.

(a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, reasonable attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether taken pursuant to or authorized by this Agreement and regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section and the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement.

Such Records shall at all times be available for audit and inspection by the County Comptroller, the County Attorney's Office, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. All Legal Provisions Deemed Included; Severability; Supremacy; Construction.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) In the event of a conflict between the terms and conditions of the contract, including any and all attachments thereto and amendments thereof, and the terms of this Appendix A, the terms of this Appendix A shall control.

(d) Each party has cooperated in the negotiation and preparation of this Agreement, so if any construction is made of the Agreement it shall not be construed against either party as drafter.

18. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-Three dollars (\$533) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The scope of services required for a particular project will be identified, described in writing and distributed to the successful firms for consideration under separate task orders. Each firm will submit a task proposal for review/evaluation by the Department. The proposal shall include proposed staffing resumes. The selected firm shall abide by all aspects of the response provided in the Task proposal. After review of the proposals, selection of a firm to provide the requested services and encumbrance of project funds, the firm selected will be directed in writing to commence Task Orders under this agreement. Work may be subsidized with Federal Aid money and therefore the appropriate NYSDOT inspection forms (MURK) and NYSDOT record keeping software (CEES, EBO) shall be utilized. All project documentation, policies and procedures shall follow the New York State Procedures for Locally Administered Federal Aid Projects Manual (PLAFAP), as applicable.

The scope of services to be performed in the respective phases (which may overlap) is summarized below.

1. Construction Phase Services

- 1.1 **Commencement and Duration** – The Construction Phase will commence with the award of a construction contract for the project, in which the task order is being issued to provide CM services. The contract award package is then submitted to NYSDOT Construction for their review and concurrence, as applicable for Federal Aid projects. The Construction Phase will terminate upon final acceptance of the project in its entirety by the County. However, the contract will also require final inspection by NYSDOT Construction, as applicable for Federal Aid Projects. A punch list of items to be completed will be established, if necessary, and resolved. After punch list work is completed, the CM should submit all necessary Close-out Documents to the project manager as per Chapter 17 of the PLAFAP manual to send to NYSDOT for their review and concurrence, as applicable for Federal Aid projects. Contract closeout is generally scheduled to be completed in 3 months following the completion of this project.
- 1.2 **Pre & Post Construction Phase** – The pre-construction phase shall include all the required documentation, insurance, safety and DBE/MBE/WBE/SDVOB utilization paperwork as well as the tracking, review and approval of proposed materials for the project. The post construction phase shall include all supporting documentation and close out paperwork in accordance with Federal Aid policies and procedures. This includes Chapter 17 of the PLAFAP manual for State Local Agreement Close Out, as applicable for Federal Aid projects.

- 1.3 General Construction Administration – The CM shall provide administration of the Projects and shall administer all construction contracts on the County's behalf. The CM will be provided a copy of "the Procedure Manual for Project Management" prepared by the Nassau County Department of Public Works, as a guide to the County's standard administrative procedures. Administer the construction of the project, including scheduling of the Work and coordination of the Construction Contractor (CC), and any other persons/entities on the site, so that the Work may be accomplished timely and efficiently, and with minimum inconvenience to the users. The CM shall maintain competent full-time staff at the project site to administer the project, at all times work is being performed by CC. The CM shall furnish his staff with personal equipment required for project administration, including, but not limited to personal protective equipment, digital cameras, cellular telephones, smart levels etc.
- 1.4 Site Conditions – As portions of the work become accessible, CM shall promptly and diligently investigate existing conditions and report to the County and the Engineer those conditions which differ substantially from the information contained in the Construction Documents. Special attention shall be paid to the Contractor's conformance with the various permits applicable to these projects.
