Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgrading, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgrading, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is

used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

COUNTY OF NASSAU
DEPARTMENT OF PARKS, RECREATION & MUSEUMS
Inter-Departmental Memo

TO: Civil Service Employees Association, Local 830
Att: Ronald Gurrieri, President

FROM: Department of Parks, Recreation & Museums

DATE: October 12, 2022

SUBJECT: CSEA Notification of the Department's Intent to issue a Notice to Proceed
For Protection & Security Services for Nassau County Parks – Maximus Associates Security
Services Inc. (RFP PK0104-2101)

The Department notified the CSEA on September 29th, 2022 in order to comply with the spirit and intent of Section 32 of the County/CSEA contract. That notification and subsequent discussions are not an admission by the Department that the work at issue is the "historical and exclusive" work of CSEA members. In fact, this same work has been contracted to private vendors for many years in the past.

That notice was followed by a meeting on October 6th, 2022 between both parties where the need for the contract and the ability of the County's workforce to perform the contract were discussed. During that meeting, the CSEA requested that before the Department assigns the work to the approved vendor, that the Department first exhausts all County resources available. It is understood between both parties that available resources would need to have proper certifications in order to provide the services required, and that the assisting County agencies have the funding to support said event.

The Department has previously had a procedure for informing in-house Public Safety Officers of the upcoming schedule of events, so that they have the opportunity to work overtime anytime the Department intends to utilize the services of this contract. With the new contract going forward, the Department intends to continue with this process of notifying Public Safety of scheduled events and offering the opportunity for in-house Public Safety Officers to work overtime for those events.

As such, I find it necessary to issue a Notice to Proceed for the award of the referenced above. If it's the intent of the CSEA to file a grievance associated with this item, the Department requests that it be expedited so that this important contract awarded in a timely fashion.

Thank you for your time and attention to this matter.

Re: Protection & Security Services for Nassau County Parks-Maximus Associates Security Services, Inc.

Dear Timothy Messner:

Please allow this letter to serve as a response to the Nassau County letter of April 8, 2021, regarding the above mentioned assignment of CSEA Unit work to persons not in the CSEA Unit.

Your notification of intent to subcontract fails to offer sufficient detail of the "County's needs" pursuant to Section 32-3 of the CSEA/County C.B.A.

Notwithstanding, the lack of sufficient detail provided by the County regarding said proposed subcontract and pursuant to Section 32-3(b) of the C.B.A., CSEA proposes as an "alternative to satisfy the County's needs", that current or anticipated County employees (who are or would be CSEA bargaining unit members), perform the duties requested in the proposed subcontract. Pursuant to Section 32-3, the County is required to provide notice to CSEA of its needs and in order to propose alternatives we need the following information: Proposed vendor; cost analysis for CSEA members to perform said duties for contracted service, anticipated start date and specific good faith efforts made to avoid the unnecessary assignment of CSEA unit work to said subcontractor.

Further, due to the fact that Class Specifications of the Nassau County Civil Service allow for civil servants and therefore *CSEA Bargaining Unit Employees* to perform said proposed tasks, it is only logical and in "Good Faith" that County employees be allowed to "satisfy the County's needs", thereby avoiding "the unnecessary assignment of CSEA unit work to persons not in the CSEA Unit", (section 32-1 of the C.B.A.).

Our contention, as always, is that this is our work and we refuse to accept a lack of staffing as a reason for subcontracting.

Finally, pursuant to Section 32-3, **I am ready, willing and able to meet with you at your earliest convenience to meet and confer with respect to CSEA's proposals.**

Please immediately advise as to your availability.

Thank you for your anticipated cooperation. If you have any questions, please feel free to contact me.

Very Truly Yours,

Richard Dopkin

Re. Request for Proposals (RFP) PK0104-2101 Protection & Security Services for Nassau County Parks – Maximus Associates Security Services Inc.

Dear Mr. Gurrieri:

Pursuant to section 32 of the Collective Bargaining Agreement and as a good faith effort to advise the CSEA of the County's needs, this letter is to advise you that the Department of Parks, Recreation and Museums is entering into contractual services via a competitive procurement (RFP) process. This notice should not read as a concession that this work is CSEA Unit work. The County maintains that the work described herein is outside of the historical and exclusive work performed by CSEA for the County. In fact, this same work has been contracted to private vendors for many years in the past. This notice is informational, to allow you to reach the same conclusion.

Pursuant to section 32-3(a), the County's needs are described as follows:

The Department of Parks as part of its mission to provide recreational and other cultural entertainment and programs to the public, hosts numerous events, concerts, and other performances and programs throughout the County each year. To enhance and promote these events, the Department utilizes various professional services. Some of the larger events the Department hosts annually attract thousands of attendees. As such, one of the most important services the Department relies upon is protection, security, and crowd control. As these events can sometimes have headlining acts who are well-known and popular, it is essential that the Department utilizes experts in event and concert/performance security, as these types of events can bring with them unique challenges. The Department annually hosts and organizes numerous large-scale events and concerts, the production of which requires specialized industry professionals to support the events to provide the best and safest experience to residents and the public.

The Department's analysis and consultation with the Commissioner of Police further indicates that the awarding of this work to an outside vendor will not result in any layoffs of CSEA personnel. Nor will the Department of Parks, Recreation & Museums or Department of Public Safety staff suffer any diminishment of overtime opportunities as a result of this work being performed by an outside vendor.
