Commissioner. Just to reiterate,

Cornell's already had a long term

agreement with the County, and this is

just take over that additional corner

parcel at the corner of Merrick Avenue

and Ludington, where there used to be an

old house there where there's a fire a

couple of years ago, correct?

COMMISSIONER ARNOLD: That is correct. Used to be a house on the property that was part of the Smith & Degroat's portfolio. With the fire we did not put it back into service. We demolished the house probably last year and Cornell's utilizing that property for this educational center.

LEGISLATOR MCKEVITT: I just want to thank your department. Because I know it was quite an eyesore for quite a while.

I know the County went out and demolished it. There's a lot of work involved with that. But again, a lot of residents of East Meadow asked me for quite some time to do that. I just want to thank your
