Re: Nassau County Priority Resurfacing of Various Roads - Phase 9
H61587-PR9 - General Contracting
Recommendation of Award

Dear Mr. Wong:

We have reviewed the bids received by the Nassau County Department of Public Works (NCDPW) on October 4, 2022 for the above-referenced project. A total of four bids were received. Following are the bidders' names and the amount bid:

Base Bid

<u>Rank</u>	<u>Bidder Name</u>	<u>Base Bid Amount</u>
1	H & L Contracting, LLC	\$9,450,678.00
2	Pratt Brothers, Inc.	\$9,571,845.44
3	Metro Paving LLC	\$9,690,226.00
4	Posillico Civil, Inc.	\$9,992,791.00

H & L Contracting, LLC (H&L) has submitted the lowest total bid of \$9,450,678.00, which is 11.3% lower than the Engineer's Estimate (EE) of \$10,654,255.00. A tabulation of the unit costs of the bidders is attached for reference and comparison.

In general, H&L unit bid prices appear to be reasonable in comparison with the Engineer's Estimate.

NV5, along with NCDPW, has previously worked with H&L and can confirm they have performed work of similar nature and magnitude, and we find them capable of satisfactorily performing the work for this project.

We conclude that H&L, based upon their performance on past jobs, is capable of completing the work and submitted a responsible bid for the project. Therefore, we have no objection to awarding the contract for this project to H & L Contracting, LLC.

Very Truly Yours,
NV5

Michael Borst, P. E.
Senior Engineer
