We have a quorum.

To start things off. I would like to
invite up James Shanahan, Financial
Secretary of the Nassau County PBA, for
the purposes of a presentation.

MR. SHANAHAN: I want to thank the
Legislature for having us here tonight to
honor these four heroes who've shown once
again what our officers will do for the
residents of Nassau County.

So on November 4th, 2022, at

1
2 approximately 8:45 a.m., First Precinct
3 police officers John Tucker, Andrew
4 Mirenda, Nicholas D'Attoma and Paul
5 Simonetti responded to a call for a house
6 fire in Roosevelt. Upon arrival, officers
7 observed the house to be fully engulfed.
8 A witness stated that someone was trapped
9 inside the house. The heavy smoke and
10 fast growing fire made it impossible for
11 them to enter the house.

12 The witness was able to provide them
13 with a location of the victim. Officer
14 Miranda got his department issued
15 breaching tool and started making entry
16 to the house through the exterior wall.
17 The officers switched off using the
18 breaching tool and an off duty fire
19 department volunteer who was there
20 working for the Town of Hempstead
21 Sanitation also helped break down the
22 exterior wall. They were able to locate
23 the victim, pulled her from the house.
24 She was unconscious and not breathing.
25 CPR was performed and she was transported

1
2 to a local hospital, Ambulance 2351, for
3 treatment.

4 These officers' quick responses and
5 quick action enabled them to get the
6 victim out of the house. This is why
7 Nassau County PBA is proud to announce
8 Police Officers John Tucker, Andrew
9 Mirenda, Nicholas D'Attoma and Paul
10 Simonetti as Legislative Top Cops for
11 February of 2023.

12 COMMISSIONER RYDER: Thank you. It's
13 nice to see you guys at nighttime. Maybe
14 you're not too happy being here tonight.

15 I got to watch this video. And I
16 know we gave the recognition to the fire
17 department and the fire department went
18 above and beyond, as they always do. But
19 many times we are the true first
20 responders. We're the first ones at that
21 scene when that happened. I watched
22 Officer Mirenda's video as he ran back
23 and forth, from his body cam, back to get
24 that breaching tool that you all
25 authorized for us to buy. And it went

1
2 into that car and he used it. Taking
3 turns, they pulled that victim out
4 through the wall. They went through
5 plywood. And anybody that has done
6 renovations at their home know, how hard
7 that is to bust plywood. They went
8 through plywood, they went through the
9 shingles, through the sheetrock, through
10 the insulation, broke the two by four,
11 and pulled that woman out through the
12 house, working together as a team with
13 our fire department, and then, of course,
14 our great police medics. They almost got
15 to save that woman's life, unfortunately,
16 it was tragic. But what they did that
17 night is heroic and that's why we're here
18 again, recognizing them.

19 But what I wanted to remind is that
20 the fire department and police medic,
21 everybody stepped in. That's what
22 responders do. They put their lives on
23 the line. They take the risk for all of
24 you. And again, very proud of the actions
25 that they did that night. Thank you.

1
2 OFFICER TUCKER: Thank you to the
3 Nassau County Legislature, Commissioner
4 Ryder and Secretary Shanahan for
5 recognizing and your ongoing support for
6 ensuring that we always have the training
7 and the tools needed to handle the
8 complexity of the various calls that we
9 handle on a daily basis in the Police
10 Department. So thank you again for your
11 support. My name is Police Officer
12 Tucker.

13 PRESIDING OFFICER NICOLELLO: I'd
14 like to introduce Minority Leader
15 Abrahams for some remarks.

16 LEGISLATOR ABRAHAMS: Thank you,
17 Presiding Officer. I think, Commissioner,
18 by the way, you look great, by the way,
19 and praying for you in your recovery
20 since your surgery.

21 What I was going to say was, is the
22 fact that, we can provide the tools and
23 the resources, such as the Commissioner
24 talked about, making sure you have the
25 proper apparatuses to make sure you do

1
2 the heroic things you do. But the one
3 thing we can't put in place for you is
4 your heart, your bravery and your
5 heroism. I mean, it goes without saying.
6 Obviously, the woman has passed in this
7 very tragic situation, this house fire.
8 And a couple of months ago, myself and
9 Legislator Mule recognized individuals
10 from the Freeport Roosevelt Fire
11 Department and Sanitation as well. And I
12 think the Commissioner said it best, it's
13 a collective effort. And without you,
14 that collection in those efforts would
15 not be there. So tremendous work and my
16 hat is tipped off to each and every one
17 of you for your heroism. You are
18 phenomenal.

19 And as I said before, and we don't
20 take it lightly, the one thing that we
21 can't test for or one thing we can't
22 provide is bravery. And each of you have
23 exemplified that in your actions in this
24 particular house Fire in Roosevelt.

25 Thank you again. I want to commend

1
2 each and every one of you for the job
3 well done. Thank you (applause).

4 PRESIDING OFFICER NICOLELLO: I just
5 wanted to add real quickly, briefly.
6 Each month we we get to honor the Top
7 Cops, and what strikes me is the
8 diversity of circumstances. I mean, it
9 changes every month. To see the skill and
10 experience and reactions to all sorts of
11 different circumstances. It is
12 extraordinary. And your representation of
13 what the job means is truly incredible.
14 So congratulations, guys (applause).

15 So we'll invite you up in a moment
16 or two to for a purpose of a
17 presentation.

18 We have two presentations this month
19 from the Detectives Association Inc. So
20 now I'll invite President Jeff Gross.

21 MR. GROSS: Good evening. My name is
22 Jeff Gross. I'm the president of the
23 Nassau Detectives Association. I'm
24 honored to be here tonight. I want to
25 thank the Majority Leader Rich Nicolello,

1
2 and the Minority Leader Kevan Abrahams,
3 and the full Legislative Body for having
4 us here today and having this program. It
5 means a lot to our detectives who do hard
6 work every day.

7 This first case I wanted to mention
8 was actually in January, and we were put
9 off because both the detectives from the
10 January were on line of duty sick, and
11 they were not able to be here. So it
12 means a lot that you're allowing me to do
13 two, and that not having to miss this
14 opportunity. So thank you for that.

15 This case was started on September
16 30th of 2022, is a report of shots fired
17 at a location. The officers responded and
18 it was negative results. The detectives
19 responded back the following day and they
20 recovered shell casings at an
21 intersection. They did a thorough
22 investigation, numerous interviews were
23 done. They recovered two videos of the
24 shooting. They were able to identify both
25 shooters.

1
2 Again, they did multiple canvasses
3 and interviews. The suspects were
4 eventually stopped in a car stop. They
5 were found to have weapons on them, and
6 the detectives responded. Detective
7 Barbieri went and secured oral interviews
8 and confessions from them. Detective
9 Rodriguez had the case from the beginning
10 on the onset and all the way through, the
11 guys did a terrific job. It's still an
12 active case, so they really can't comment
13 on it. But if you want to ask me any
14 questions, you're free to do that. Thank
15 you very much.

16 The February case is a case for Pete
17 Sikinger and the members of the gang
18 unit, and Joe Grasso is the prosecutor
19 from the ADA's office. This case happened
20 on April 25, 2022, around 3:43 a.m. at
21 the Park West Nightclub in Westbury. Two
22 rival gangs were involved in a shooting.
23 Over 40 rounds were fired. One suspect
24 was shot multiple times. Detective
25 Sikinger responded. He's got a great

1
2 knowledge of the gangs and the people
3 involved. He identified this as a gang
4 shooting through confidential informants
5 information he received, physical
6 evidence collected at the scene, and an
7 extensive criminal investigation of the
8 incident, they were able to get a
9 probable cause on five different
10 shooters.

11 Joe Grasso, the ADA, who was
12 assigned this case, extensive experience
13 being an ADA in the city. He's only been
14 out here for about ten months, but also
15 very knowledgeable on homicides and
16 gangs. And between the two of them and
17 their knowledge, they were able to indict
18 these five shooters on 57 different
19 charges. The case is still active, again,
20 but Detective Sikinger and ADA Grasso are
21 currently connecting these shooters, to
22 other shootings in Nassau County. These
23 guys are what we would consider career
24 criminals and they're responsible for a
25 crime wave just on their own.

1
2 But I'd like to congratulate them
3 for the hard work that they do. And if
4 there's any questions, I'd be happy to
5 answer them. Otherwise, I'll put the
6 Commissioner on.

7 COMMISSIONER RYDER: So as we all
8 know, the rules have changed and the
9 Nassau County Police Department has
10 adapted. The great work by these
11 detectives that can't speak about the
12 cases that they did because they're
13 ongoing, is why we're getting a chance to
14 recognize them and can't get up and take
15 any questions. They're ongoing
16 investigations.

17 This case working with our District
18 Attorney's office, our gang unit, going
19 after the worst of the worst, and then
20 our DA going out and moving forward to
21 prosecute.

22 Our district attorney, young ADA
23 here, his dad was also a hero, and was
24 legal counsel at one time for the
25 Commissioner's Office, NYPD. He's also

1
2 here. I'd like to recognize his dad here.
3 There he is, over there taking pictures.
4 But also a leader in his own way and
5 doing great work as a lawyer.

6 Partnering up with the District
7 Attorney, getting great cases gathered by
8 these detectives, getting the statements
9 that they've taken, putting the evidence
10 together and presenting a package to a
11 good young ADA is what gets the
12 prosecution, gets the ball across the
13 line. And when you get it across the
14 line, we put the bad guy where he belongs
15 in jail. And that's exactly what's going
16 to happen in these cases.

17 So I want to congratulate both of
18 them and thank the District Attorney's
19 for its continued cooperation with the
20 Police Department. Thank you.

21 PRESIDING OFFICER NICOLELLO:
22 Several legislators want to speak. So we
23 have Legislator Gaylor, Legislator Kopel,
24 and then Legislator Ford.

25 LEGISLATOR GAYLOR: Sure. Thank you,

1
2 Presiding Officer.

3 My remarks are directed to the
4 January incident, which we can't go into
5 too much details. But it's always a
6 privilege for me to hear stories of the
7 great work that all of our law
8 enforcement community and our District
9 Attorney's office, in combination with
10 the law enforcement community, are doing
11 to recognize those folks in a forum like
12 this.

13 So this month, I want to commend
14 Detectives Rodriguez and Barbieri for
15 their thorough investigation and
16 interviews with eyewitnesses culminating
17 in the arrest of at least two people,
18 maybe more, ongoing, the recovery of
19 loaded firearms and vehicles and whatnot.
20 Just testament to the great work that you
21 guys do and continue to do.

22 Fortunately, in this incident, there
23 was no injuries from the dangerous
24 exchange of gunfire, an incident that
25 started in Inwood, and I think it ended

1
2 up in Hempstead. But it's clear that
3 these individuals posed an ongoing threat
4 to the community. And since there's no
5 telling what kind of harm they may have
6 caused until they're apprehended and
7 taken off the street and we can put a
8 stop to this kind of activity.

9 So your hard work, as I said, is
10 testament to the fine training. All of
11 our men and women in blue receive that
12 allows them day to day to serve and
13 protect and keep our community safe. And
14 so this is another example why Nassau
15 County Police Department is the finest
16 law enforcement department, organization
17 found anywhere in this country.

18 So congratulations to Detective
19 Rodriguez and Detective Barbieri for
20 being January Top Cop. Appreciate it.

21 LEGISLATOR KOPEL: So let me start
22 with with Detectives Rodriguez and
23 Barbieri. I not only represent a good
24 part of the area that you that you serve,
25 I live there. I live there. I live not

1
2 far from where this incident happened in
3 Inwood. And I've got children and
4 grandchildren over there.

5 What you've done and your hard work
6 makes me feel safe. Makes me feel safe
7 for myself, not only for myself, but for
8 my family as well. And I appreciate
9 everything that you're doing.

10 And not to neglect the Detective
11 Sikinger, as well as ADA Grasso, we all
12 know that gangs are a terrible scourge,
13 not only here, but all over the country,
14 many, many large cities. And you do
15 dangerous work. And it's just it's just a
16 good feeling to know that you're on the
17 job.

18 And your work, all three of you, all
19 four of you, I should say, exemplify the
20 spirit and the courage, all of which
21 combine to make Nassau County the safest
22 large metropolitan area in the country.
23 So congratulations on this award and
24 thank you very much for your service.

25 LEGISLATOR FORD: Good evening. All

1
2 I can say is one can never underestimate
3 the courage and the level of
4 professionalism shown by our officers,
5 especially our detectives.

6 Detective Sikinger, your devotion
7 and dedication in working to solve this
8 crime, resulting in these dangerous gang
9 members being taken off our streets, I
10 have to say this success was the result
11 of your own dedication and your
12 determination to solve it, but also with
13 the partnership with ADA Grasso, who also
14 had a great knowledge of gangs which
15 helped in being able to solve this case.

16 I have to say congratulations to
17 both of you for making our neighborhoods
18 safer. It really is. I think that you
19 hear from the other legislators, we know
20 how dangerous your jobs are and having to
21 deal with these gangs. It really is, to
22 me, it goes one step above because we
23 know how dangerous they are and the
24 retaliation that they can show whether or
25 not to regular folk and even to our

1
2 police officers. It's extremely
3 dangerous.

4 But thank you, both of you. And I
5 think we also should have to say, well,
6 Commissioner Ryder, of course, you know,
7 you lead this fine Police Department and
8 we see it day in and day out. And as the
9 Presiding Officer said, every time we
10 have, we're honoring our Top Cops, it's
11 always for a different reason. Whether or
12 not it's going into burning buildings,
13 helping to keep somebody from committing
14 suicide. They could be on train tracks or
15 wherever. It's always a different
16 experience. And I have to say that it is
17 always something that will always stay
18 with us knowing the dangers that they
19 face.

20 And I guess we'll have to do a
21 special shout out to DA Donnelly for
22 bringing ADA Grasso here into Nassau
23 County. You know, find job for both of
24 you. For all of you. Thank you very much
25 (applause).

PRESIDING OFFICER NICOLELLO: Okay.
Let's invite the PBA up for the
presentation, then DA right behind.
(Whereupon, Citations
presented to Top Cops.)

1
2 PRESIDING OFFICER NICOLELLO: Thank
3 you very much, everyone. And we're going
4 to proceed with the Agenda. So if we
5 could just have your attention for a
6 little while longer.

7 The Nassau County Legislature is
8 proud and privileged to celebrate Black
9 History Month. Harriet Tubman said,
10 "Every great dream begins with a dreamer.
11 Always remember you have within you the
12 strength, the patience and the passion to
13 reach for the stars, to change the
14 world".

15 Today, we recognize African
16 Americans who have shown the strength,
17 the passion and the patience, often in a
18 struggle against extraordinary
19 circumstances and adversity, to triumph
20 in all walks of life. So we salute all
21 those who have changed our world and are
22 still changing our world.

23 I'd like to introduce Legislator
24 Giuffre for the purposes of presentation
25 and then Minority Leader Abrahams.

1
2 LEGISLATOR GIUFFRE: So at the West
3 Hempstead Chamber of Commerce meeting
4 last week, I had the pleasure of seeing
5 two young women who I recognized from the
6 cover of *Newsday*. And I said, Are you
7 the twins that are valedictorian and
8 salutatorian of West Hempstead High
9 School? And they answered in stereo,
10 "Yes". And it was a delight. They are as
11 nice as they are smart, and they are our
12 honorees for Black History Month.

13 I have the privilege to represent
14 them and their family in the County
15 Legislature. They are from West
16 Hempstead. And so we'd like to
17 acknowledge and honor Gloria Guerrier and
18 her sister, Victoria Guerrier, who at
19 West Hempstead High School have GPAs of
20 105.4 and 104.9, respectively. Did I get
21 that right, girls?

22 (Whereupon, Guerrier ladies
23 confirm.)

24 (Whereupon, applause.)

25 LEGISLATOR GIUFFRE: All right. And

1
2 there's got to be some record that they
3 broke. Twins. How many times could this
4 have happened?

5 So their first assignment for their
6 college was to look back and see --
7 they're going to Yale, by the way
8 (applause) -- To see how many twins in
9 Nassau County have met this this
10 achievement. And we have with them also
11 tonight, their mom, Marie (applause).
12 He's done a great job. And not only was
13 he their teacher at Chestnut Street
14 School, but he is now the superintendent
15 of the West Hempstead School District.
16 Dan Raymond (applause).

17 And I know before I bring you up,
18 their history with the Nassau County
19 Legislature goes all the way back to
20 kindergarten. Legislator Walker?

21 LEGISLATOR WALKER: I had the
22 privilege of reading to Victoria and
23 Gloria when they were in kindergarten.
24 Although that's not my district, Dan, the
25 superintendent, happens to be a

1
2 Hicksville student, and he and his sister
3 grew up with my kids and he was a
4 principal over in Chestnut Street and
5 asked me what I please come and read to
6 his class. And at the time, Vin
7 Muscarella was the legislator that
8 represented that area. And I reached out
9 to Vin and I said, I know it's not my
10 district. But, you know, I have a special
11 connection with the principal teacher
12 there. And so he said, Absolutely. And
13 although they were little girls at that
14 time, five years old in kindergarten, the
15 smiles they have today were the same
16 smiles they had when they were five years
17 old in kindergarten. And I will never
18 forget those smiles and sweet little
19 girls. And they've grown up to be sweet,
20 amazing young women who are now headed
21 off to Yale. And we could not be prouder.
22 And I'm going to have to go through all
23 my pictures and find that picture and
24 then compare the two today and back when
25 you were five years old in kindergarten.

1
2 So I'm very, very honored to be here
3 and share this special night with you.
4 God bless you all and the best of luck.

5 LEGISLATOR GIUFFRE: So if you'd like
6 to come up for photographs. Oh, please go
7 to the podium. Tell us a little bit about
8 yourselves and what you plan to do.

9 So who's older?

10 GLORIA GUERRIER: I am. So, hi, I'm
11 Gloria. Thank you, all, for inviting me
12 today. I'm so honored by this
13 recognition. I want to thank Nassau
14 County and all the administrators who
15 have supported me throughout my journey.
16 I couldn't have done or achieved this
17 much without you guys. The support I
18 received and all the aid and I really
19 appreciate it. And thank you so much.

20 VICTORIA GUERRIER: Hi, I'm Victoria
21 Guerrier. Yes, I'm the younger one. Twin
22 B, salutatorian. Always come after
23 Gloria. But honestly, I'm very happy for
24 my sister and for myself. I'm happy both
25 of us made it together as top two. Also,

1
2 I'm also very appreciative of the support
3 I've gotten from Nassau County, the
4 teachers, my coaches. I would never have
5 accomplished this if I was in another
6 county, I believe, personally. So thank
7 you guys so much. I'm very honored. And
8 yes, thank you.

9 LEGISLATOR GIUFFRE: So would you
10 like to come up? We'll do pictures with
11 everybody. You too, Mom. And yes,
12 Superintendent Raymond.

2 PRESIDING OFFICER NICOLELLO: All
3 right. Minority Leader Abrahams.

4 LEGISLATOR ABRAHAMS: Thank you,
5 Presiding Officer.

6 So I think the Presiding Officer
7 started to talk a little bit about it.
8 Obviously, we're in Black History Month,
9 and during this time we try to celebrate
10 collectively on both sides, individuals
11 that have made their mark not just in the
12 last year, but have continued to make
13 their mark time and time again. And I
14 have the pleasure on behalf of the entire
15 Legislature of introducing Jeffrey and
16 Cheyenne Spencer. And at this time, I
17 would ask both of them to come to the
18 podium.

19 Jeffrey and Cheyenne are father and
20 daughter duo. They're lifelong residents
21 of Hempstead. Jeffrey is a firefighter
22 and his daughter Cheyenne is a ophthalmic
23 technician. Approximately eight years
24 ago, they began hosting events within the
25 community, starting with the safe

1
2 Halloween parties for kids, Thanksgiving
3 sit down dinners and turkey giveaways for
4 those that are less fortunate. What
5 started off small, grew to them to
6 hosting numerous events throughout the
7 year. The largest event of the year being
8 their annual Christmas Toy Giveaway
9 dinner, where they serve the dinner and
10 give toys to hundreds of kids and
11 community members every year.

12 Their duo has fueled the smiles and
13 joy, and they bring many more families
14 together each and every year. Obviously,
15 during those times, government can't do
16 it all. And it's very important that we
17 have community individuals like Jeff and
18 Cheyenne that are here to be able to do
19 their part. They don't do it for money.
20 They don't do it for anything else but
21 the warmth that it gives them in their
22 hearts. So it gives me great pleasure to
23 recognize them today as our Black History
24 Honorees for obviously, the month of
25 Black History. Thank you again to both of

1
2 you.

3 (Whereupon, applause.)

4 MS. SPENCER: Thank you.

5 LEGISLATOR ABRAHAMS: I have a
6 citation here, but before I introduce you
7 and have you come up for the
8 presentation, please, the floor is yours.

9 MS. SPENCER: I just want to thank
10 you all for even considering honoring us
11 tonight. Like you said, my dad and I have
12 been doing this about eight years. This
13 Christmas would be our ninth. And we're
14 just grateful. We appreciative of the
15 support. And also the support that we get
16 from these two gentlemen behind us,
17 Village of Hempstead Trustees Boone and
18 Burrows. And I see a few familiar faces
19 that have been to our events before.

20 So I just want to thank you. And
21 like you said, we don't do it for
22 anything but the joy that we're able to
23 see and feel, putting smiles on hundreds
24 of people in the communities faces. So
25 thank you for honoring us.

You good, Jeff? Trustees. You're
good. All right. Fair enough. Come on up.
(Whereupon, Citation

1
2 PRESIDING OFFICER NICOLELLO: Okay,
3 let's get started with public comment.

4 First speaker is Brian Sullivan,
5 president of Nassau COBA.

6 MR. SULLIVAN: Forgive me, folks. I
7 was outside talking to our new sheriff.

8 Brian Sullivan, President, Nassau
9 County Correction Officers Benevolent
10 Association.

11 I just wanted to say a couple of
12 quick words. Tonight is not my night to
13 be here. Tonight is Anthony LaRocco's
14 night to be appointed as the sheriff in
15 Nassau County.

16 Obviously, several weeks ago,
17 whatever it was a month and a half ago,
18 whatever, we were here for a Public
19 Safety hearing and a lot of warts came
20 out. A lot of stuff that I've been
21 talking about here for the longest time.
22 Out of that meeting, I want to thank
23 several of the legislators that went over
24 to the jail and had a meeting with the
25 Administration. Legislator Pilip,

1
2 Legislator Ferretti and Legislator Denise
3 Ford. Some things were rectified. Some of
4 the stuff that I talked about and I want
5 to thank you for getting involved in
6 this. There's been some increase in post
7 coverage in the perimeter outside, which
8 was definitely a bone of contention with
9 us.

10 The main thing that I just want to
11 stress here is, the last two sheriffs
12 that were appointed in Nassau County I
13 had high hopes of that there was going to
14 be a lot of cooperation, there was going
15 to be, whatever. One of them was a
16 captain on our job. The next one came
17 from outside, had a resumé that went down
18 the block and we didn't get anything
19 done. There was no cooperation with the
20 union. There was a lot of excuses why we
21 can't get things done; Money, this, that,
22 COVID, everything else.

23 I am not here to block or talk any
24 bad way about Anthony LaRocco. I know
25 Anthony LaRocco for probably 25 years. Do

1
2 I think he could be a very good sheriff
3 in Nassau County? Yes. My issue is not
4 with Anthony LaRocco, and I'm not going
5 to go off on any tangents here. But I
6 think everybody in this room and in this
7 county knows where my issues are with
8 management in the jail.

9 I hope that Anthony LaRocco, once
10 he's appointed as the sheriff, will be
11 able to control that situation and we
12 will have a fruitful and cooperative
13 relationship.

14 One thing I can can talk about,
15 obviously, until I'm blue in the face is
16 staffing here. We just had, Civil Service
17 certified a test back in January excuse
18 me, February 1st. Sorry, just trying to
19 get my brain together. I was having
20 conversations in the back.

21 February 1st of this year, this past
22 month, Civil Service certified a test. We
23 thought that was the test that was given
24 in June of 2022. That was the test that
25 was given in September of 2021. That was

1
2 just certified this past month. That's
3 not the fault of the Department. That's
4 not the fault of anybody else. I don't
5 even know if it's the fault of Civil
6 Service. I just don't understand why that
7 has to take so long.

8 It's my understanding now that the
9 test that was given in June of 2022, the
10 test results just hit the last several
11 days. People are calling me up saying
12 that there's people there.

13 The 2021 test that was certified
14 February 1st, amazingly had a list of 74
15 eligibles on it. I say this all the time
16 when I come here. I'm here 1000 years.
17 I'm like Methuselah. Thirty five years
18 ago, I took this test with 18,000 people.
19 This past test was given in 2021, they
20 have 74 eligibles on that test. We're
21 going to be in a bad way, if that's what
22 continues down the road.

23 This new test that just came out
24 today, I have it on good authority that
25 there is approximately 520 eligibles. And

1
2 when you think about the average, you're
3 lucky to get one out of seven, one out of
4 ten. We're going to run through that list
5 pretty quick, too.

6 It's also my understanding,
7 information and belief, to sound like a
8 lawyer, that there may be another test
9 given in June of this year. We have to do
10 something. And that's the stuff that I
11 need to implore with Anthony LaRocco as
12 the new sheriff, as everybody here with
13 the Public Safety Committee, in
14 particular, with the County Executive's
15 office, with all of our administrators.
16 We can't go down the same road that we've
17 gone down with all past administrations.
18 We can't just not do something different
19 to bring people in to this job. This is a
20 very good job. I know it's a different
21 world now. Millennials, everything else
22 they could they could yell at me for what
23 you want. People don't want jobs like
24 this. You give a test that maybe 1000,
25 maybe 600 people test. We have to come up

1
2 with a different plan.

3 We opened up the borders. We're
4 going into Queens or going into Suffolk.
5 There's other talk about possibly taking
6 people from other jobs and bringing them
7 here from different counties. I think we
8 need to explore all of this.

9 That's the main issue that I want to
10 talk about here is the staffing and the
11 cooperation between the County, the
12 Administration and the Union. We can't
13 all be compartmentalized in our own boxes
14 throwing dirt at each other. I've done
15 that a thousand times. It doesn't get
16 anywhere. We go through different
17 administrations. I'm here trying to
18 develop new relationships with new
19 administrations. Where does it get us? It
20 doesn't get us anywhere.

21 Perfect example that I could talk
22 about now. How many times did I talk in
23 front of this Legislative Body about our
24 academy. Our academy that we had on the
25 jail property was old, dilapidated inmate

1
2 housing trailers. The police left there
3 in, God, forgive me, I think it was 2003
4 the police left there. We were in there
5 just until this new academy opened up in
6 Garden City.

7 Now, unfortunately, because of some
8 people looking for time and space in
9 there, our department has actually
10 brought back onto the jail property part
11 time in another old inmate housing area
12 to set it up, kind of just jerry rig it
13 up and set it up to put in service
14 training back on jail property in old
15 inmate housing areas. To me, this is
16 absurd. We shouldn't be doing this. We're
17 in the new academy over there. There
18 should be plenty of room. It's my
19 understanding that it's a lot smaller
20 than it was initially anticipated to be.

21 But what are we telling correctional
22 officers here? This this far down the
23 road after that academy was built?
24 There's talk about doing something else
25 on on our property. What are you telling

1
2 the longstanding correctional officers
3 here whose morale is beneath the floor to
4 begin with, that now we're going to put
5 you in old inmate falling apart, housing
6 areas again, with roofs leaking, rusted
7 outdoors, old plumbing that hasn't been
8 used in probably 20 years?

9 This is pennywise and dollar
10 foolish, pennywise and dollar foolish.
11 It's just absurd. We have to figure out
12 another plan here, whether we get some
13 more space in that academy in Garden
14 City, we find another area in the county
15 to use. There's plenty of empty space and
16 county buildings. I just think that we
17 need to find a better plan here.

18 And as I said before, going forward,
19 I want to know exactly what the game plan
20 is with the new administration, with
21 Sheriff LaRocco, with everybody that's
22 there. I would like to know exactly what
23 the game plan is going forward about how
24 we're going to fix security in this
25 place, how we're going to address HALT,

1
2 how we're going to address training.

3 Obviously, I talked about here ad
4 nauseam about all the use of force
5 incidents that we have here with the
6 least amount of inmates we've had in 30
7 years. We've had 30 to 40% increase in
8 uses of force. This can't go on.

9 So I want to have a good cooperative
10 relationship with Anthony LaRocco as the
11 sheriff. I would like somebody else to
12 calm down a little bit and we'll just
13 leave it at that. Like I said, I'm not
14 going to beat that to death here. But we
15 need to have a constructive relationship.

16 I want to congratulate and
17 anticipate going forward that he's going
18 to be appointed tonight, congratulate
19 Anthony LaRocco on being the new county
20 sheriff. But what's the game plan going
21 forward? We need to get a new academy for
22 our people. We need to fix a lot of
23 things here. We just can't go on the way
24 it is.

25 Thank you.

1
2 PRESIDING OFFICER NICOLELLO: Thank
3 you, Brian.

4 I have a request from the
5 Administration to move up two
6 appointments, so we're going to quickly
7 present those two appointments.

8 Item 20, Resolution 39, a Resolution
9 to confirm the County Executive's
10 appointment of Arnold Pulaski to the
11 Nassau County Bridge Authority.

12 Motion by Legislator Walker,
13 seconded by Legislator Pilip. This
14 appointment is before us. Is Mr. Pulaski
15 here?

16 MR. PULASKI: Good evening. I'd like
17 to take this opportunity to thank the
18 County Executive and the Legislature for
19 giving me another opportunity to serve my
20 community. I've been here before. You
21 also approved me as Chair of the Nassau
22 County Water Resources Board several
23 years back.

24 Also I take the time to just say
25 thank you for your support, this is

1
2 unrelated, to the Nassau County Police
3 Activity League, which I am vice
4 president, been on the board for 25
5 years. And if it wasn't for you people
6 supporting us, we couldn't do the nice
7 things we do for the 40,000 children of
8 our community.

9 But at any rate, I am appreciative
10 of whatever I can do to to help on the
11 Bridge Authority. And if you have any
12 questions, I'm here.

13 PRESIDING OFFICER NICOLELLO:
14 Legislator Ford.

15 LEGISLATOR FORD: Good evening. How
16 are you?

17 MR. PULASKI: I'm good.

18 LEGISLATOR FORD: Okay. So I guess
19 you're familiar with the Bridge Authority
20 and the Atlantic Beach Bridge. Do you
21 live in the area?

22 MR. PULASKI: I've lived in the Five
23 Towns my whole life. So I'm familiar with
24 at least crossing the bridge.

25 LEGISLATOR FORD: Okay. Thank you

1
2 for being honest.

3 But my concern, of course, with the
4 changes that we had with the increase in
5 the fare, which you're not increasing
6 tolls. But I'm hoping that in the near
7 future we'll be able to meet with you to
8 discuss some of the increases, because
9 there are some that especially for our
10 trucks and everything, it has been very
11 egregious. The cost for trucks to be
12 going over the bridge like twice a day is
13 really cutting into the small business
14 owners because they're having to pay
15 these increased tolls. So I'm hoping that
16 we'll be able to work with you on that to
17 maybe take a fresh look with you, to be
18 able --

19 MR. PULASKI: I'd be glad to help in
20 any way I can.

21 LEGISLATOR FORD: Because. Yeah.

22 MR. PULASKI: I'm a little familiar
23 with increases in rates because I manage
24 the town of Hempstead Water Department.
25 And I had those similar problems trying

1
2 to increase rates in that area too.
3 Hopefully, I can bring some experience to
4 the table.

5 LEGISLATOR FORD: I'm sure you will,
6 sir. Thank you very much. And I know
7 we're undergoing a big change with this
8 eventually moving to E-ZPass. So God
9 bless you in wanting to help with that.

10 PRESIDING OFFICER NICOLELLO:
11 Legislator Solages.

12 LEGISLATOR SOLAGES: Okay. Thank
13 you. Good evening.

14 May you please discuss any plans for
15 the E-ZPass or cashless toll at the
16 Authority?

17 MR. PULASKI: Since I'm not on the
18 board at this point and I have really no
19 experience with them, it's very difficult
20 for me to answer any questions at this
21 point. Perhaps when I get on the board
22 and get familiarized with what they've
23 been doing, I might be better off to
24 help. But at this point --

25 LEGISLATOR SOLAGES: Why is that

1
2 bridge so special? Why is that the only
3 bridge in New York state that is a
4 cashless, that is only cash? Where's that
5 money going?

6 MR. PULASKI: I couldn't answer that
7 question. I've seen it my whole life and
8 crossed it many times. And I really don't
9 have an answer for that. I guess you'd
10 have to go back 70 or 80 years when they
11 established the bridge to find out how
12 the authority was created. I really don't
13 know.

14 LEGISLATOR SOLAGES: Thank you.

15 LEGISLATOR FORD: Legislator
16 Solages, E-ZPass should be up and running
17 probably by the summer.

18 PRESIDING OFFICER NICOLELLO: Any
19 other questions from Mr. Pulaski?

20 (Whereupon, no verbal
21 response.)

22 PRESIDING OFFICER NICOLELLO: Nope.
23 Thank you. Appreciate it. All in favor,
24 signify by saying, "Aye".

25 (Whereupon, all members of

1
2 the Nassau County Legislature
3 respond in favor with, "Aye".)

4 PRESIDING OFFICER NICOLELLO: Those
5 opposed?

6 (Whereupon, no verbal
7 response.)

8 PRESIDING OFFICER NICOLELLO:
9 Carries unanimously.

10 Item 23, Resolution 42 is a
11 resolution confirming the County
12 Executive's appointment of Dana Durso to
13 the Nassau County Planning Commission.
14 Motion by Legislator Walker. Seconded by
15 Legislator Kennedy. That's before us. Ms.
16 Durso.

17 MS. DURSO: Good evening, everyone.
18 Thank you for having me here today. I
19 would like to thank Nassau County
20 Executive Bruce Blakeman and everybody
21 here today on the Board.

22 My name is Dana Durso, and I want to
23 thank everybody for your consideration on
24 being appointed to the Nassau County
25 Planning Commission. I want you to

1
2 understand, I do not take this
3 consideration for this position lightly.
4 As I am ultimately selected, I will be
5 committed to this as I am with every
6 position that I hold.

7 Just to give you a little background
8 of myself, I, of course, live here in
9 Nassau County, Massapequa Park, to be
10 exact, where I serve as a trustee of the
11 Incorporated Village of Massapequa Park
12 since 2020. I'm currently serving my
13 second term, and I really enjoy serving
14 the community that I live in.

15 I am learning the understanding of
16 local government front and center. I also
17 have worked alongside Congressman Andrew
18 Garbarino as a community affairs
19 representative.

20 My career as a real estate agent for
21 the past eight years has really helped me
22 learn about communities all across across
23 Long Island, but also helping people
24 achieve a goal in finding their forever
25 homes.

1
2 Family is so important to me. I have
3 served as a PTA president for my
4 daughter's school for two years, which
5 was one of the most rewarding jobs I've
6 had. From planning events to raising
7 money for our children's school have been
8 the best experience possible.

9 Between my two children, PTA events,
10 village board meetings and showing homes,
11 I also help to manage a family business.
12 I grew up in the restaurant business
13 since I was 12. Learning the business
14 understands the struggles of small
15 business owners, but most of all serving
16 the public with a smile and treating
17 everyone like family.

18 I love people. I love to work, and
19 most of all, I love to learn. I may not
20 have all the answers, but I am willing. I
21 hope that not only the skills I've
22 learned throughout my various positions
23 helps me with this one, but my
24 willingness to learn, my passion for
25 people and commitment to public service

1
2 can be seen as a positive when deciding
3 if I am the correct person for this
4 position.

5 I thank you all for your time, and I
6 look forward to working with everyone.
7 Thank you.

8 PRESIDING OFFICER NICOLELLO: Any
9 questions?

10 MS. DURSO: Any questions?

11 LEGISLATOR WALKER: I don't really
12 have a question, but I really do feel
13 that your background and especially your
14 background dealing with real estate,
15 oftentimes when we have issues or
16 something from our districts that is gone
17 before the Planning Commission and we're
18 giving information, we're asking
19 questions, whatever, you know, you
20 understand a lot of that just from your
21 background in real estate. So hopefully
22 things will go well tonight, and I look
23 forward to working with you.

24 MS. DURSO: Thank you, Ms. Walker.

25 LEGISLATOR WALKER: Because I seem

to have a lot of things on that Planning
Commission. Thank you.

MS. DURSO: Thank you.

PRESIDING OFFICER NICOLELLO: Okay.
Any other questions? Comments?

(Whereupon, no verbal
response.)

PRESIDING OFFICER NICOLELLO: No.
All right. I'll call for a vote. All in
favor signify by saying, "Aye".

(Whereupon, all members of
the Nassau County Legislature
respond in favor with, "Aye".)

PRESIDING OFFICER NICOLELLO: Those
opposed?

(Whereupon, no verbal
response.)

PRESIDING OFFICER NICOLELLO:
Carries unanimously. Congratulations.

MS. DURSO: Thank you so much.

1
2 PRESIDING OFFICER NICOLELLO: I
3 apologize to the people for public
4 comment. We'll jump right back into that.
5 Bob Arciello, Nassau County CSEA and
6 Deputy Sheriffs.

7 MR. ARCIELLO: Good evening,
8 Presiding Officer Nicoletto and
9 Legislators.

10 For those of you who don't know me,
11 my name is Bob Arciello. I'm the
12 executive vice president of CSEA Local
13 830 and president of the Deputy Sheriffs
14 Benevolent Association.

15 I'm here tonight just to give our
16 support from CSEA and from the Deputy
17 Sheriffs Benevolent Association for
18 Anthony LaRocco. I know Anthony, for --
19 I've been with the County over 33 years
20 and four years as a correction officer,
21 the rest in the enforcement division on
22 the other side. And I know Anthony about
23 30 years. He was a very dedicated public
24 servant for his time here before he
25 retired as a captain from the Enforcement

1
2 Division. Since the County Executive has
3 appointed him as undersheriff and then
4 acting sheriff now, he's done several
5 things to move the Enforcement Division
6 forward. He's a great guy, he's loyal,
7 trustworthy, and I just wanted to come up
8 and give my support for his appointment
9 tonight. Thank you.

10 PRESIDING OFFICER NICOLELLO: Thank
11 you very much, Bob.

12 Corrine Kaufman.

13 MS. KAUFMAN: Good evening. I'm
14 Corinne Kaufman, and I'd like to thank my
15 legislator, Delia DeRiggi-Whitton, for
16 inviting me here today. I thank all the
17 legislators for your time and for
18 welcoming me.

19 I'm here to speak with you about the
20 loss of our granddaughter, Paige Grace
21 Gibbons, who passed away from an
22 accidental fentanyl overdose on November
23 20, 2022.

24 On November 16th, I spoke with Paige
25 to wish you a happy birthday. She had

1
2 just turned 19. Four days later, she was
3 dead from fentanyl poisoning.

4 What happened? Paige and another
5 girl also named Paige, and a third girl
6 planned a sleepover with the parents
7 home. The girls had purchased what they
8 thought was Percocet. They took a nibble.
9 As my son in law, David described, it was
10 100% fentanyl. That's how powerful it
11 was. Our Paige passed away. The second
12 Paige survived after weeks in critical
13 care unit and also suffered two strokes.

14 That night, the third girl, a non
15 participant, ran upstairs to get the
16 parents who tried to perform CPR. You
17 might say the surviving Paige was lucky,
18 but I fear the lifetime emotional burden
19 will be unbearable.

20 These young souls were not drug
21 addicts. They wanted to relax. I really
22 think they were naive. I do think that
23 between the isolation of COVID, the pace
24 of society and the pressures that exist,
25 they sought something to alleviate this,

1
2 these stressors.

3 Our daughter, Kate, and son in law
4 David, were notified by two policemen at
5 their front door that Paige was gone.
6 They also learned that this case is now
7 considered a homicide. It is unimaginable
8 that this is us.

9 All about Page. I'd like to tell you
10 who Paige was. This Paige.

11 (Whereupon, photo of Paige
12 Gibbons is displayed.)

13 MS. KAUFMAN: She attended Our Lady
14 of Mercy in Pittsford, New York. She
15 graduated with a 4.0 plus average and a
16 national honor student. She used to get
17 upset when she received an A-minus. She
18 had a photographic memory and wanted to
19 be a doctor. Everything she did was about
20 life.

21 She volunteered for the Pittsford
22 EMT Department and drove the ambulance.
23 She gave swimming lessons to
24 underprivileged children at Healthy Hero
25 Camp. She demonstrated CPR instruction

1
2 for her senior project and also purchased
3 a female model for the demonstrations and
4 donated this to her school. She raised
5 funds for the American Foundation for
6 Suicide Prevention. I share this because
7 you because I want you to know that Paige
8 was all about life.

9 This brings me to the moral of the
10 story. It can happen to anyone. This
11 demon drug knows no boundaries, and it's
12 taking people all ages and all walks of
13 life.

14 The impact on our family. Our family
15 will never be the same. When this
16 happened, my pain centered on my
17 daughter, Kate. I recall all the
18 wonderful things she did, as any mother
19 would raising a child. Birth. Love. First
20 steps. First words. Camp. Sports. Braces,
21 plays. Prom. Graduation. Building a
22 wonderful human being.

23 This death is a terrible waste. Her
24 funeral was the day after Thanksgiving.
25 My son in law, a strong six foot four

1
2 former football player, is a man who is
3 very private. But he cried oceans of
4 tears as he hugged over 300 people at the
5 wake.

6 At the funeral, he delivered a
7 tribute to Paige, filled with love and
8 anecdotes that was live streamed on
9 YouTube. Paige's sister, Brooke, 15 years
10 old, spoke too. I realized that she grew
11 up overnight and she took on the role of
12 the surviving sister. Over 3000 people
13 have watched this video. The family wants
14 everyone to see it because it conveys
15 fentanyl awareness and the heartbreak
16 that it caused.

17 The lesson. Our family is now Narcan
18 trained, and we did this just days after
19 the funeral for education and family
20 solidarity. I ask myself what good can
21 come from this horrible tragedy? I
22 wondered, What can I do to get our
23 message out? Initially, I contacted
24 everyone I could think of. I wanted to do
25 it all, but I realized I needed to start

1
2 locally and focus on what I can actually
3 do. I could not change the issues with
4 the cartels, the borders, the gangs, etc.
5 Stopping them would be the solution.
6 Let's start with the schools, I thought.
7 Firstly, we have to start by getting
8 Narcan mandated in all the schools and
9 this is where we should begin. I learned
10 that Narcan is not mandated in the Nassau
11 County Schools Nurse's office. I reached
12 out to Dr. Dominick Palma, president of
13 the Nassau Superintendents Board, and he
14 kindly said he would be in touch with all
15 the Nassau County superintendents for me.
16 I quote, he called fentanyl "the scourge
17 of our time".

18 Secondly, we need to educate our
19 children in the schools all about drugs.
20 Our youngest daughter will be holding an
21 assembly in Oyster Bay High School in
22 March. She will appear with a substance
23 abuse expert, thus giving students both
24 the information they need to hear as well
25 as the emotional consequences firsthand.

1
2 I know we are not alone, but just think,
3 if everyone in this room could save just
4 one life.

5 This is my wish list:

6 1. Narcan in all Nassau County
7 middle schools and high schools with the
8 addition of fentanyl strips that are
9 being considered by the Legislature
10 again.

11 2. Drug education in the schools
12 starting in middle school. Creating a
13 model for all school assemblies to follow
14 county and statewide. Anti fentanyl
15 signage in every school.

16 3. Mental health screening in
17 schools to see who might be at risk.

18 4. Photos of the young victims
19 poisoned by fentanyl with the addition of
20 support from news media, very much like
21 we see the statistics on COVID in the
22 newspaper every single day.

23 5. A nationwide campaign to fight
24 fentanyl and stop fentanyl.

25 6. And lastly, the formation of a

1
2 coalition of all organizations against
3 fentanyl and all substance abuse so that
4 we can work together and share our
5 resources and not duplicate each other.

6 If any of you wish to see the
7 "Thanksgiving for the Life of Paige Grace
8 Gibbons", it is on YouTube. The tribute
9 begins at 36 minutes. And I think if you
10 have young people at home or
11 grandchildren, sharing this with them
12 would share the emotional side of this
13 terrible, terrible drug in our lives.

14 Thank you very much.

15 LEGISLATOR DERIGGI-WHITTON:

16 Corrine, I just want to commend both you
17 and your husband, Andrew, on the amount
18 of strength that takes with just only a
19 couple of months after this tragedy to be
20 able to walk in here and be so
21 knowledgeable and so impressive. You hit
22 all of our hearts for sure.

23 All I can say is we would love to
24 have a hearing on the fentanyl strip
25 legislation. It's not perfect, but it's

1
2 something. Especially for those
3 unsuspecting victims. And they've been
4 family friends of my husband for decades.
5 And I can tell you, if you haven't
6 figured it out, if it could happen to
7 this family, it could happen to any
8 family. This is a warm, loving family
9 that did all the right things.

10 And as a mom, I am shaken to the
11 bone from what you just said. And I just
12 appreciate you so much. And I appreciate
13 both of you for being here and you're in
14 our thoughts and prayers.

15 MS. KAUFMAN: Thank you for giving
16 me the opportunity.

17 LEGISLATOR DERIGGI-WHITTON: Well, I
18 appreciate it.

19 PRESIDING OFFICER NICOLELLO: Thank
20 you, Ms. Kaufman.

21 MS. KAUFMAN: Thank you.

22 PRESIDING OFFICER NICOLELLO:
23 Deborah Brooks.

24 MS. BROOKS: I was afraid you were
25 going to call me next. I just want to

1
2 wish my condolences. I'm a school board
3 member in Port Washington. I know that we
4 do educate the children, but I will
5 certainly raise this at our board
6 meeting.

7 Good evening, Presiding Officer, and
8 to the legislature. Thank you to
9 legislator DeRiggi-Whitton for inviting
10 me here. I'm Deborah Brooks, chair of the
11 Port Washington Board of Education
12 Legislative Task Force here to address
13 the zero emissions school vehicle
14 mandate.

15 Last year, the state legislature
16 mandated that school district
17 acquisitions of new vehicles for students
18 be zero emissions beginning July 2027,
19 with all vehicles being zero emissions by
20 2035. The goal of improving air quality
21 for our children by deploying cleaner
22 school vehicles is a noble one; however,
23 this is an unfunded mandate that is
24 fiscally and logistically burdensome to
25 school districts.

1
2 Accordingly, the Port Washington
3 Board of Education is urging you to sign
4 on to the assurances sought in the letter
5 presented to you by Legislator
6 DeRiggi-Whitton.

7 The program's long term viability
8 will depend upon the capacity of our
9 utilities and infrastructure. Full
10 deployment of electric school vehicles
11 with its demand for and on a sizable new
12 network of charging stations and related
13 infrastructure will greatly increase
14 demand on our grid. Is PSEG Long Island
15 ready for this?

16 We urge the State to study PSEG,
17 Long Island capacity limits and then fund
18 and operate a local PILOT program to
19 ensure local utilities and infrastructure
20 can handle the increased demand without
21 negatively impacting elements of our
22 daily utility services.

23 In addition to purchasing new
24 vehicles, school districts will need
25 charging stations, overhauled electrical

1
2 infrastructure and more. Since 2012, the
3 tax cap has constrained the property tax
4 revenue school districts can generate.
5 School districts should not have to
6 choose between funding academic
7 programming and complying with a costly
8 unfunded state mandate.

9 Numerous municipalities have
10 received state grants to support
11 transportation electrification. If the
12 state proceeds with this mandate, we urge
13 that similar opportunities be afforded to
14 all school districts.

15 Finally, we urge the State and the
16 State Education Department to provide
17 comprehensive guidance regarding how to
18 implement and sustain this initiative,
19 including, but not limited to, funding
20 opportunities, additional waivers,
21 avenues for cooperation with local
22 utilities, managing operational diesel
23 buses and more. Until such guidance is
24 provided, we urge the State to delay this
25 mandate.

1
2 Thank you for taking the letter
3 before you into consideration. As we
4 devise and implement initiatives to
5 protect our environment, we must be
6 mindful to prevent unintended negative
7 consequences, especially to our schools,
8 that could undermine the long term
9 success of our efforts.

10 We hope you will sign on to the
11 letter and partner with relevant entities
12 to achieve an outcome that is the best
13 interests of all New Yorkers, most
14 important are children. I thank you.

15 LEGISLATOR DERIGGI-WHITTON: All
16 right. This is my last witness.

17 There's a copy of the letter
18 everyone's been handed that I would love
19 to send this on a bipartisan fashion with
20 all of us, because it's going to affect
21 all of our school districts. So,
22 Presiding Officer, if you want to let me
23 know if that is a possibility, we would
24 like to do that.

25 And then I think Deborah is also

1
2 going to be reaching out or we're going
3 to figure out a way to reach out to many
4 different school districts as well, so we
5 can not only have Nassau County support
6 it, but other school districts and PSEG
7 and all these other utilities, which I've
8 had issues with in the past, I think
9 really need to hear that it's a
10 countywide issue and for them to pay
11 attention.

12 So thank you, Deborah, for taking
13 the time and making us aware of this
14 before it is implemented. Hopefully,
15 we'll have everything in place by then.
16 So thank you for coming down today.

17 MS. BROOKS: Thank you for inviting
18 me.

19 PRESIDING OFFICER NICOLELLO:
20 Richard Clolery.

21 (Whereupon, no verbal
22 response.)

23 PRESIDING OFFICER NICOLELLO: Brent
24 Hill.

25 MR. HILL: Good evening, Presiding

1
2 Officer, Deputy, and members. Thank you
3 for this opportunity.

4 My name is Brent Hill, and I've had
5 the honor of being the executive director
6 of the Five Towns Community Center for a
7 number of years now. For 116 years, 116
8 years, the community center has provided
9 vital and impactful services to a very
10 vibrant and very diverse community. It's
11 an understatement to say that we're woven
12 into the fabric of the community.

13 And with that being said, we have a
14 number of community members and
15 supporters here I'd like to ask them to
16 stand.

17 (Whereupon, Community

18 Members stand.)

19 MR. HILL: So after 66 years of
20 service, we entered into an agreement
21 with the County. The County built a
22 building just for us. We're very thankful
23 for the opportunity. The building is
24 amazing. We have a great basketball court
25 where our PAL program plays. The

1
2 Governor's Office of Storm Recovery also
3 just gave us a new HVAC and a generator
4 because during Hurricane Sandy, hundreds
5 of people literally slept in our building
6 because they were flooded out. So we're
7 thankful for that.

8 And we like our relationship to
9 continue with the County, even though it
10 RFP was released for a new lesser to come
11 to the building. But I don't want you to
12 hear from me how great the center is.
13 Members of the community would like to
14 share their views, so I'm going to
15 actually turn the microphone over to
16 them. Thank you for your time.

17 PRESIDING OFFICER NICOLELLO:

18 Legislator Kopel.

19 LEGISLATOR KOPEL: Brent, come on
20 back for a moment.

21 As you know, Brent, I'm very
22 familiar with the center I've been
23 working not only with current management,
24 but with previous management going back,
25 I'll say, about 10-12 years. Well aware

1
2 of what's going on, well aware of the
3 difficulties that are inherent with the
4 RFP, which require a significant cash
5 infusion. I understand that.

6 I'm working with with your Board, as
7 you know. I've met with you a number of
8 times. Can't announce anything yet,
9 unfortunately. But we are hopeful that
10 we'll be able to come to a solution that
11 is going to enable the community center
12 and its members to continue some of its
13 very good, very important work.

14 The kitchen is wonderful. I'm just
15 mentioning one or two of them. The work
16 that the center did during Sandy, it's
17 going back a ways, but I still remember
18 that. I still appreciate that.

19 So be patient. Hopefully, real soon,
20 maybe we come to a good solution that
21 preserves the benefits of the center and
22 hopefully makes it even better for the
23 entire community.

24 MR. HILL: Thank you for that.

25 PRESIDING OFFICER NICOLELLO:

1
2 Legislator Solages.

3 LEGISLATOR SOLAGES: Thank you. Hi,
4 Brent. Thank you for being here tonight.
5 Thank you so much. And thank you to
6 everyone who came here from the Five
7 Towns Community Center, Inwood, and the
8 Greater Five Towns community.

9 To be clear. Is it the capacity of
10 your organization, the nonprofit, to make
11 a significant capital contribution to the
12 County? Is that is that feasible?

13 MR. HILL: Not at this time, no.

14 LEGISLATOR SOLAGES: What are you
15 expected to raise?

16 MR. HILL: The RFP says \$5 million.

17 LEGISLATOR SOLAGES: Understood.

18 And is the Board contemplating or
19 preparing to submit a proposal?

20 MR. HILL: I can't speak for the
21 Board, but I believe they are looking at
22 all avenues for us to remain in the
23 space. Yes.

24 LEGISLATOR SOLAGES: Are there any
25 proposals that put it on paper in black

1
2 and white that the Five Towns Community
3 Center Board will have a future at the
4 Community Center?

5 MR. HILL: I think that is a
6 possibility, but I'm not sure. I'm not
7 able to speak about that. I'm not sure. I
8 would need my board president here to
9 speak on that.

10 LEGISLATOR SOLAGES: Understood. Has
11 it has there been efforts in the past to
12 bring a medical facility to the five
13 towns Community Center?

14 MR. HILL: So we operate one section
15 of the building. There was a section
16 there where there was a medical facility
17 at one time over a decade now. And I
18 believe there have been some interest
19 from different hospitals, but nothing has
20 panned out at this time.

21 LEGISLATOR SOLAGES: To your
22 understanding, are there any proposals
23 from any medical facilities to submit a
24 proposal in RFP?

25 MR. HILL: I'm not aware of who

1
2 submitted proposals. That information
3 hasn't been shared with us.

4 LEGISLATOR SOLAGES: Based on the
5 community interests that this has
6 garnered, there has been a lot of
7 community interest, is the community
8 asking for more time for the RFP? Are
9 they asking that the RFP process be
10 reconsidered?

11 MR. HILL: Yes, The Board of
12 Directors did send a letter to Mr.
13 Blakeman asking that the RFP be held at
14 this time.

15 LEGISLATOR SOLAGES: Understood.
16 Thank you.

17 PRESIDING OFFICER NICOLELLO: Angel
18 Bran.

19 MR. BRAN: Hi, my name is Angel
20 Bran. I'm a resident of Inwood, New York,
21 and I attend Lawrence High School. The
22 Five Towns Community Center has been a
23 very important piece of my life. When my
24 parents had just started their new life
25 in this country, they were looking for

1
2 more opportunity and the one place that
3 caught their attention was the Five
4 Towns.

5 My parents really wanted me and my
6 sister to excel and have opportunities
7 that they did not have growing up in a
8 third world country. My mom found the
9 community center. It was a warm,
10 affordable land of opportunity to jump
11 start the American dream they seeked
12 (sic).

13 I have experienced the services from
14 both points of view as the one receiving
15 and as the one giving. When I was a
16 child, I was enrolled in the Head Start
17 program and this is where I learned how
18 to speak, read and write English as a
19 second language. I was also able to get a
20 literal head start when it came to math,
21 science and enrichment.

22 And now jumping forward to when
23 COVID hit, all I wanted to do was get out
24 of my house. My mom told me one day that
25 she was going to volunteer at the food

1
2 pantry, Gammy's Pantry. I tagged along
3 with her, and to be honest, I kind of
4 wanted to go home the minute I got there.
5 I'm not very much a people person, and
6 when I first got there, there was a line
7 of, I'm not overexaggerating, hundreds of
8 people. And somehow we maintain COVID
9 protocols, which I really have respect
10 for the community and the Five Towns.

11 I did not understand why my mom
12 wanted to help out the community so much,
13 as much as I wanted to go home. I
14 realized that I was fortunate enough to
15 have food in my fridge, fruits, fresh
16 bread and everything. And then one day my
17 mom was serving food with me, and I want
18 to say almost all the people here who
19 have shown their support, who have come
20 every day, spent their afternoons after
21 work coming to volunteer at the food
22 pantry, I saw a mother and two children.
23 That reminded me of my mother, my sister,
24 Natalie, and me when we were younger. I
25 then realized that the reason why my mom

1
2 had come every single day. She spent
3 hours, hours. My mom, honestly, she
4 wouldn't eat. This is because she didn't
5 want anybody to go through what she had
6 to go through. She saw people who came to
7 this country just like her and who needed
8 help.

9 Now that I'm entering college, I've
10 put everything that I've done with the
11 community centered on my college resume.
12 I've been offered many scholarships and
13 even in acceptance into my dream school.
14 And this is all just because I was able
15 to receive services from the Five Town
16 Community Center. And even though on
17 paper this seems like it's the best
18 possible thing for me to gain from my
19 experience, the real gift that I was
20 given from this experience was my voice.
21 If I hadn't experienced serving hundreds
22 of people, then I don't think I would be
23 able to be standing here right in front
24 of all of you.

25 The Community Center is really a

1
2 safe space for us teens, children, adult
3 and seniors. I do not think we can be
4 told to be patient when we don't know
5 what the future of our community is going
6 to look like.

7 Thank you (applause).

8 PRESIDING OFFICER NICOLELLO: Jayden
9 Emery.

10 MR. EMERY: My name is Jayden Emery.
11 I'm a student at Lawrence High School and
12 a resident of the Five Towns. It outrages
13 me that there has yet to be an offer for
14 the renewal of the lease of the Five
15 Towns Community Center, given it is such
16 a vital resource of our community.

17 Many within the Five Towns,
18 especially the town of Inwood, which is
19 the center located within, are below the
20 poverty line, are senior citizens and are
21 fighting to make ends meet on a
22 day-to-day basis.

23 However, it is not only the lease
24 renewal that outrages me, but the
25 perception our County Executive holds on

1
2 our center, and his statement his
3 assistant Chris Boyle made. As I quote,
4 that "the Center has failed to live up to
5 their obligations, which is problematic".
6 This statement has done nothing but left
7 me with confusion for the Center has
8 always held up with her obligations. If
9 saving citizens and the youth of the
10 community from starvation and giving many
11 employment opportunities throughout the
12 program ran in the Community Center isn't
13 living up to their obligations, then
14 please explain to me what it is your
15 county expects from the Community Center
16 more.

17 Bruce Blakeman also had made a
18 statement with Channel 12 News today that
19 he is worried about the youth colliding
20 with the people that come for AA and
21 whatnot to the Community Center. Yet
22 there has been nothing that he has done
23 to prevent this. And also, might I add
24 that children within the programs of the
25 Community Center are closely monitored

1
2 and remain on presence as long as they
3 are there. There is no collision between
4 the adults and the children.

5 Might I also add that the people
6 that attend these, AA and whatnot, are
7 also the aunts and uncles, fathers and
8 mothers of these children and with
9 without the help of the center, these
10 parents, these aunts, these uncles would
11 not be able to get the help that they
12 needed and the children would suffer.

13 I noticed that we are here today to
14 congratulate those who remove gangs off
15 the street, recognize diversity and
16 recognize those who started community
17 events. Might I add that that is what
18 exactly the Community Center does on a
19 daily basis.

20 We have been taken advantage of by a
21 few powerful lawmakers for too long,
22 leaving us in despair and desperate for
23 change. This is a sick game. I'd go as
24 far to say a game of life or death. If
25 not, the Center remains in place, the

1
2 people of the community will suffer. It
3 is truly sickening that us residents of
4 the Five Towns are subject to going
5 through such worries at this time.

6 Thank you (applause).

7 PRESIDING OFFICER NICOLELLO: Kita
8 Goldsby.

9 MS. STEELE: Good evening, everyone.
10 My name is Laquita Steele, born and
11 raised Inwood, New York. So are my
12 children. I'm just going to tell you a
13 bunch of things that the Community Center
14 has done for me.

15 I was a teen parent when I was 16.
16 They had a program called Lawrence 2000
17 where I would go once a week or once a
18 month and pretty much prepare me for
19 parenthood. Besides, you know, you have
20 your parents there to help you and your
21 grandparents, but they prepared me.

22 The Community Center has given me my
23 first job. When I finished school, I went
24 back and got a job there as well. I also
25 became a youth organizer as well as

1
2 gained my leadership skills.

3 My children have went to the daycare
4 center there. My youngest child was in
5 the day camp there with children like
6 Angel being amazing counselors, camp
7 counselors for them, which my son is
8 dying to go back. He doesn't want to go
9 to any other camp, but the Five Towns
10 Community Center.

11 Just to talk about little things, I
12 actually was as well, on the other end. I
13 was a child there. I went to the daycare,
14 I went to the Head Start, I went to the
15 camp as well. And without the Community
16 Center, I wouldn't be where I am today. I
17 have a bachelor's from Saint John's
18 University in business with a minor in
19 mass communications. I have a master's
20 degree from Full Sail University. And I
21 have one more year left for my doctoral
22 at Capella University for Human Services
23 with concentration and leadership and
24 organizational management. So without the
25 Community Center, I probably would be one

1
2 of these kids or gang bang members or
3 whatever in the streets without their
4 guidance and their help.

5 Thank you.

6 PRESIDING OFFICER NICOLELLO: Eloise
7 Thomas.

8 MS. THOMAS: Good evening. Thank you
9 all for having me here tonight. I'm going
10 to speak from the heart.

11 I do have something I've written in
12 2007 when this same attack on the
13 Community Center happened. And if I have
14 a chance, I will read it.

15 But I would like to address Bruce
16 Blakeman, who I believe in 2019, came to
17 the Inwood Buccaneers at the invitation
18 of Pete Sobel. And you came directly over
19 to me and shook my hand and said, so
20 wonderful to see you again, because I had
21 been a while.

22 Since I became a citizen of this
23 country, I always voted for you, Bruce.
24 I'm a registered Democrat. Most of you
25 here, Republicans, Democrat, I voted for.

1
2 And this last time I was conflicted
3 because it was a very tight race. And
4 you, Bruce, requested of our community to
5 support you in exchange that the
6 Community Center will be with the
7 community and its residents. Please don't
8 disappoint me. I voted for you. I always
9 voted for you.

10 I want to say that our hands have
11 been tied behind our backs for at least
12 the last 20-30 years with the lease. We
13 have been running the clock out and
14 playing this game, another lease is
15 coming. We have not had any meetings with
16 the community to tell us what is your
17 intentions? One hundred and sixteen years
18 cannot be discounted; 116 years cannot be
19 forgotten; 116 years cannot be written
20 off with 50 years in comparison.

21 I have the opportunity to work for
22 the Community Center for seven years. It
23 was the best job. I have an opportunity
24 to work for the Episcopal Diocese of New
25 York as an accountant, and I was lucky to

1
2 have two jobs that I love. But I was
3 seeing these people are the hardest
4 working people I've come across. They
5 make chicken salad out of chicken poop,
6 literally.

7 I work for an organization that had
8 hundreds of millions of dollars and they
9 have nothing. Our hands have been tied
10 behind our back. We, the residents,
11 deserve to put a bid in for this
12 community center. We can take care of our
13 future.

14 This was given to us as a gift by
15 Russell Sage at the request of Sylvia
16 Lord for his wife, Margaret Olivia Sage.
17 It belongs to the community. It cannot
18 be taken away. You can't run the clock
19 out.

20 I supported you, Bruce and most of
21 you on this on this panel, as a Democrat.
22 I do not vote down the party line. Please
23 do not disappoint me tonight. I have
24 faith in this Body that we will have a
25 chance to put in our bid for all \$5

1
2 million. We will find money. This belongs
3 to the community and we have the right to
4 make sure that our future can go for
5 another 2107. Our children deserve to
6 recognize us today, just like Sylvia
7 Lord, Margaret Sage and Russell Sage.
8 Thank you (applause).

9 PRESIDING OFFICER NICOLELLO:
10 Natalie Bran.

11 MS. BRAN: Good evening. I would
12 just like to thank everyone who is
13 present today for their time.

14 For those of you who do not know who
15 I am, I would like to briefly introduce
16 myself. My name is Natalie Bran and I've
17 lived in the Five Towns Community Center
18 essentially my entire life. I've seen how
19 much this community has done for me and
20 for others, and it truly saddens me that
21 there's a possibility that I may no
22 longer be here.

23 At three years old, I was able to
24 learn English and get the support that I
25 needed to start pre-K. People like Miss

1
2 Helen, who is present here today, at the
3 Head Start program, guided my path early
4 on for success.

5 The summer camp is also another
6 resource at the Five Towns community
7 Center that has given children an outlet
8 to blossom their creativity and learn new
9 skills. Fortunately, I was able to be a
10 camp counselor and see the goals and the
11 ambitions of these children at such a
12 young age.

13 Finally, Gammy's Pantry is a
14 resource where I spent seven days a week
15 packing fruits and vegetables and bread
16 to give to our local families. A place
17 where I was able to see the impact of our
18 work when the line for food went down the
19 street. Anyone is able to get help,
20 regardless of race, gender and religion.

21 One experience that really affected
22 me was when this man came outside of
23 pantry hours looking for food. He said
24 his daughters were crying at home because
25 they had no food or water. I will never

1
2 forget the desperation in his voice.

3 Without the tireless efforts of many in
4 the community, I would not be here today
5 standing before you as a sophomore with a
6 full ride at Columbia University
7 (applause). I used to believe that
8 someone like me could never accomplish
9 what I have. But now I realize that
10 anyone who has the ambitions and the
11 support, can live in the dreams that they
12 create for themselves.

13 My story is just one of many.
14 Politics aside, if I could leave you all
15 with at least one thought, it is that
16 closing the Community Center would would
17 cause disruption to what is the only
18 stable thing in people's lives. Many are
19 dependent on the various services and
20 programs offered. If the interests of the
21 community are truly at heart, then the
22 Center must stay.

23 Thank you all for your time.

24 PRESIDING OFFICER NICOLELLO: Thank
25 you, Natalie.

1
2 The Reverend Gregory Stanislaw.

3 REVEREND STANISLAUS: Good evening,
4 everyone. Thank you so much for this
5 opportunity.

6 You know, tonight -- Dr. Gregory K.
7 Stanislaus, pastor of the Saint John
8 Baptist Church in Inwood, Long Island, 26
9 years. And I'm going to say what we
10 witnessed here tonight is not just the
11 greatness of America, but Nassau County
12 in terms of what community really is. And
13 what we've seen is police officers being
14 honored for the great work that they do
15 in terms of keeping us safe. But then to
16 see these two young ladies go to Yale
17 because of the work that's done as
18 superintendents and teachers. But then
19 the heartbreaking story of a woman who
20 lost her granddaughter to fentanyl. So
21 community comes together.

22 I come to you and stand because of
23 the Five Towns Community Center where
24 many of my parishioners go and were able
25 to eat throughout the entire pandemic. I

1
2 saw police officers go into the Five
3 Towns Community Center and create that
4 organization called PAL and build
5 relationships with young men and young
6 women and give them hope for a new day.

7 My concern is that when you shut
8 something down such as that, where
9 there's no longer any access to a
10 community center like that, where are
11 they supposed to go? Then we complain
12 about them being on the streets and doing
13 things they should not be doing. They
14 need positive relationships that came
15 from the police officers and the staff of
16 the Five Towns Community Center.

17 Now, Mr. Blakeman has just inherited
18 the situation, but prior administration,
19 to be very honest, he had the
20 responsibility of taking care of the
21 community center, repairs and so forth,
22 which they have not done. And since they
23 have not done that, you can't really
24 bring certain programs in because the
25 building itself is in disrepair. And so

1
2 the narrative is now that the staff
3 didn't really do a great job. They did
4 the very best job that they could when
5 the other part of the partnership didn't
6 do their part.

7 And so now we come to this is a
8 possibility that we're asking him to
9 consider extending the lease so that they
10 can continue to do the work with an even
11 playing field. Now, even if the Board or
12 whoever is considering a partnership, I'm
13 concerned about the word partnership
14 because in my marriage, a partnership is
15 equal. But outside of that, I'm concerned
16 that they're going to relegate the Five
17 Towns to a certain center. And the
18 proposal, it may be -- I want you to look
19 at it because you're the bosses, you can
20 handle this -- they are considering a fee
21 to join the Community Center to take part
22 in some of the activities. This is a
23 community that is suffering with low
24 income families. People are just
25 struggling, trying to make ends meet. So

1
2 what's the difference if you take it away
3 and say, well, we're not taking it away,
4 but we're going to make it a community
5 center that's so grand that you have to
6 pay a fee to be part of it. It's the same
7 thing.

8 So I'm asking you whichever one of
9 those things are going, if you're not
10 going to extend the lease, then be
11 careful about who takes partnership,
12 because I believe the partnership is
13 about creating almost like a club for
14 certain people. And we already understand
15 the community is shrinking for people
16 like black and brown people. We need to
17 reconsider this stuff and understand that
18 Inwood is a beautiful community and it is
19 peaceful and that's exactly the way we
20 want to keep it.

21 Thank you.

22 PRESIDING OFFICER NICOLELLO: Thank
23 you, Reverend.

24 Don Giorgio.

25 MR. GIORGIO: Hi, Don Giorgio.

1
2 My topic is not as dire as a
3 Community Center or as somebody that is
4 in some kind of mental state because
5 their granddaughter died. But it is about
6 community. It's about a property that
7 Nassau County acquired a number of years
8 ago, and that property has yet to realize
9 its full potential to Nassau County and
10 to all those people that are trying to
11 support it.

12 I live in Nassau County. I am a
13 business owner in Nassau County. And I'm
14 looking for the county to to commit more
15 deeply to what they already have. What's
16 at stake is a property that is in
17 Brookville and Jericho that was leased
18 out. The lease ran out. I appeared here
19 about two years ago discussing the issues
20 of that particular property and what it
21 needs and what it means to the community.

22 Two years later, the person, the
23 lessee, has passed away and the county is
24 letting some unknown person manage a
25 property that is valuable to the

1
2 community as a resource to people that
3 are there in Nassau County. So what's at
4 stake? There are jobs at stake for this
5 particular property. It's an equestrian
6 center that involves horses and care and
7 the opportunity to serve a lot of
8 children. We hear stories about a
9 community center and kids that need a
10 function, need a program, need to do
11 things. This property could offer that.
12 You have adults that don't golf in Nassau
13 County, as many golf courses as there
14 are, they have other sports and
15 activities that they can participate in.
16 This property was purchased for that
17 particular purpose with a with a promise
18 to the person that sold it, Mrs.
19 Discount, that it would always be enjoyed
20 as an equestrian park to the benefit of
21 the public and serving Nassau County and
22 the people in that county. Right now it's
23 treated more a little bit like an
24 exclusive country club instead of
25 benefiting children, adults, lessons,

1
2 education, outreach to the community that
3 would benefit kids that need an activity.

4 And we're talking about people today
5 that have been starved by COVID for human
6 interaction and activity that they could
7 enjoy. And animals, if we look at mental
8 health and everything and what an animal
9 can do for people and their mental
10 health, is part of that. And having a
11 place like this that is a jewel that's
12 been underserved and underutilized for
13 one reason or another left in languish
14 because of a lack of direction, a lack of
15 vision, I as a county resident -- and I'm
16 an avid equestrian, I have three horses,
17 I compete, I have a national ranking -- I
18 have to drive 40 minutes to Suffolk
19 County to a state owned facility in order
20 to enjoy my hobby, when there's a center
21 right here that's 20 minutes away from me
22 in Massapequa. And for some reason it's
23 gotten languished and caught up in a
24 political quagmire that I have no idea
25 why or what for.

1
2 And I understand what everyone's
3 talking about and how important your
4 stuff is, and I appreciate it. Come ride
5 a horse. You'll have a good time with
6 that, and you'll enjoy it for your kids
7 because it's part of Nassau County that
8 we should all enjoy.

9 So thank you. I'm sorry (applause).

10 PRESIDING OFFICER NICOLELLO:

11 Jacqueline Pfiefer.

12 MS. PFIEFFER: I know some of you
13 from past meetings we've had over a good
14 number of years. I'm going to speak
15 briefly from myself and I and Robin
16 couldn't make it here, so if you don't
17 mind, I'll read her statement to you. The
18 National Equestrian Center was purchased
19 in 2008 for \$12 million for the purpose
20 of preserving open space and providing an
21 equestrian facility open to the public
22 with public events and offering
23 affordable boarding and lesson programs.

24 For the past five years, it has been
25 subleased to a high end private boarding

1
2 facility with no public riding lessons,
3 no public programs, and discourage public
4 access with an electric gate at the
5 entrance with no signage that this is a
6 county facility open to all.

7 In April of 2021, the Nassau County
8 Legislature rejected the proposed new ten
9 year contract awarded to the previous
10 leaser. He unexpectedly died in December
11 of 2021, and over the past year, the
12 facility has been managed on a temporary
13 extension to his son, Joe Rizzo.
14 Unfortunately, it is impossible to reach
15 Joe via phone, website or at the barn.

16 I recently paid a visit because a
17 friend told me there were several empty
18 stalls available. This is only partly
19 true. There are three empty stalls, but
20 they are unusable because the outside
21 wall is collapsing and it is unsafe to
22 put horses there. And since Joe is there
23 on a temporary basis, he is
24 understandably reluctant to invest in
25 extensive repairs. If a horse or a person

1
2 gets injured on the property now, under
3 this extension, if anybody gets hurt, Joe
4 is simply a caretaker. He was never on
5 any previous contract, or has he been
6 vetted by the County. Would the County be
7 liable for that lawsuit?

8 The three major barns on the
9 property were built in the thirties and
10 forties, and the termites have had over
11 80 years to do their damage. I have
12 previously boarded at Old Mill for over
13 25 years and know the facility well.
14 There's a lot of work that needs to be
15 done, but Nassau County has a golden
16 opportunity right now to ensure the
17 future of this property by crafting by
18 crafting a new RFP and requesting bids to
19 replace at least one of the barns with a
20 new structure.

21 This is a beautiful facility with an
22 indoor ring for year round, riding
23 several rings with all weather footing,
24 numerous paddocks to turn out, fields to
25 ride on, and a connection to the trail

1
2 system of the 500 acre Muttontown
3 preserve. Years ago, they held horse
4 shows here twice a year and hosted one of
5 the first European style Grand Prix in
6 the Big Ring.

7 Our equestrian group has offered
8 numerous times to assist the county in
9 formulating a comprehensive RFP and
10 contract that would reflect the intention
11 of the original purchase. This facility
12 is not an office or an apartment
13 building, and Nassau County should not be
14 expected to understand all the nuances of
15 managing an equestrian facility with live
16 animals and public programs. But through
17 our combined lifelong involvement in the
18 equestrian life of Long Island, we can
19 offer guidance in crafting an RFP and
20 contract that will ensure the future of
21 NEC.

22 Nassau County has already written to
23 other RFPs and contracts since 2008, and
24 with a few corrections and additions,
25 could have these new documents ready in

1
2 just weeks.

3 We are available at your convenience
4 to get this done immediately and to begin
5 to realize a bright new future for Nassau
6 Equestrian Center.

7 And now I'm speaking for Robin.

8 PRESIDING OFFICER NICOLELLO: No,
9 no. That's not permitted. If she has a
10 statement, you can provide it to the
11 Clerk, and we'll make it part of the
12 record.

13 MS. PFIEFFER: Oh, I'm sorry. I
14 thought I could speak for her. No
15 problem. I have already given it to her.

16 PRESIDING OFFICER NICOLELLO: Okay.
17 Thank you. We'll make it part of the
18 record.

19 Christina Weber.

20 MS. TOBACCO: Hello, ladies and
21 gentlemen. Thank you for your time. It's
22 actually Christina Tobacco. That is my
23 last name. And I do not smoke.

24 I am here to speak about Nassau
25 Equestrian Center, and I'm going to speak

1
2 from a slightly different angle. I'm not
3 sure any of you guys go to Belmont Park
4 for the races ever. Yes. Awesome. If
5 you've ever gone on Triple Crown Day,
6 which is the last leg of the famous race,
7 if there's a Triple Crown contender like
8 there was several years ago, there was
9 100 -- and, I don't know, 120,000 people
10 in attendance that day. On a non Triple
11 Crown day, there's 89,000 people. They
12 come from out of state that come from
13 across the country and they spend money
14 in Nassau, and I know it's half Queens,
15 half Nassau County.

16 I just want you to understand the
17 impact that the equestrian industry
18 provides for New York and Nassau County.
19 A study was done in 2017 by the American
20 Horse Council. It doesn't break it down
21 by county, but it does break it down by
22 New York State. Just in racing alone,
23 there's 19,000 people employed in racing
24 in New York State. That's \$3 billion in
25 annual revenue. That's billion with a B.

1
2 Governor Hochul just announced two
3 days ago a \$455 Million plan to update
4 Belmont Park. There's a lot of money here
5 in horses. At the end of the day, the
6 race horses that leave Belmont Park and
7 can no longer race are often adopted or
8 purchased by people here on Long Island,
9 trainers and owners. Where do those
10 horses have to reside? Well, in Nassau
11 County, that is shrinking and shrinking
12 and shrinking. Nassau Equestrian Center
13 represents one of the last commercial
14 barns that is relatively affordable.

15 Now, I know you look at equestrian,
16 you think, Oh my God, they are rich
17 snobs. If I owned a boat or an RV, you
18 probably wouldn't say that where I choose
19 to spend my money -- and by the way, I
20 live in Huntington Station. I'm not rich.
21 I am like working class. Where people
22 choose to spend their money shouldn't
23 really matter.

24 Another thing to put in perspective,
25 and I mentioned this the last time I was

1
2 here two years ago, if you're familiar
3 with West Hills County Park, just over
4 the border in Huntington, there was the
5 former Sweet Hills Equestrian Center,
6 which was mismanaged for years to the
7 tune of multi million dollars in
8 remediation to remove poisonous dirt that
9 was dumped there illegally. It made
10 *Newsday*, I'm sure you guys remember it.
11 That was due to lack of oversight.

12 I am here representing the
13 Nassau/Suffolk Horseman's Association.
14 I'm the President. I'm also a director
15 for the New York State Horse Council. So
16 when I tell you that I'm here and I'm
17 passionate and I want to be involved in
18 the future of Nassau Equestrian Center.
19 The first RFP that was put out was
20 brilliant. There were so many things for
21 the community.

22 The last point I'm going to make,
23 I'm also a real estate agent and what I
24 focus on, one of the things we focus on,
25 are where people going and where people

1
2 are coming from. People are moving from
3 the city to Long Island. People are
4 fleeing the state because they can't keep
5 their horses on Long Island. Nassau
6 Equestrian Center needs to be one of
7 those places, and it should be. Thank you
8 for your time. Go to Belmont Park
9 (applause).

10 PRESIDING OFFICER NICOLELLO: Selene
11 Castrovilla?

12 (Whereupon, no verbal
13 response.)

14 PRESIDING OFFICER NICOLELLO: Nope.
15 Okay. Amil Virani.

16 MR. VARANI: Good evening. My name
17 is Emil Virani. I'm from Valley Stream. I
18 wanted to speak in regards to the latest
19 redistricting maps, but, beforehand, I
20 just wanted to thank people from the
21 Community Center for coming. As a
22 Lawrence High School graduate, and as
23 somebody who was a part of the community
24 center program in seventh grade, I deeply
25 support your efforts and I hope that

1
2 there's a resolution here. So thank you
3 so much (applause).

4 No problem. And thank you,
5 especially to Miss Sasha Young. I saw her
6 efforts, especially during COVID, helping
7 out with Gammy's Pantry. And personally,
8 I think the the Five Towns is really
9 lucky to have Sasha. So just on a
10 personal note, I just wanted to mention
11 that.

12 I wanted to speak in regards to the
13 latest redistricting maps and my concern
14 about the maps in its current form. When
15 I opened the Excel file, which glad the
16 files are now up there, I know that there
17 was an issue early on in the
18 redistricting process. I saw only four
19 Majority/Minority districts, and I find
20 this very concerning. Many speakers,
21 including myself, at previous hearings,
22 had voiced the need for at least five
23 Majority/Minority districts, and we don't
24 have that.

25 As well, I wanted to talk about the

1
2 division of Mill Brook and the division
3 of Valley Stream. Particularly in Mill
4 Brook's case, the lines don't really make
5 sense. And I think from a legislative
6 perspective, making sure that the lines
7 make sense to residents makes it very
8 easy for them to address any of the
9 issues that they're having. There's no
10 difference, even though I'm not from Mill
11 Brook, there's no difference. And I don't
12 know why Mill Brook was split up, as well
13 as the village of Valley Stream. And
14 villages such as Hempstead, which was
15 really noted in *Newsday*, is very
16 concerning.

17 And, overall, that in itself is
18 really just showing how this map in its
19 current form is just the County asking
20 for people to bring expensive litigation
21 as the current maps violate the Voting
22 Rights Act and the New York State John
23 Lewis Voting Rights Act.

24 So I ask the County to fix these
25 maps so that way we can avoid that

1
2 litigation and not have that because it's
3 not something the County should be
4 investing our money in, especially when a
5 solution is definitely attainable and we
6 can definitely avoid that litigation. So
7 thank you (applause).

8 PRESIDING OFFICER NICOLELLO:

9 Richard Libby.

10 MR. LIBBEY: Hi. I'm here to talk
11 about the Five Towns Community Center.
12 Originally, when the County got the
13 title, the property was donated by the
14 people from the Center to the County. In
15 order for the county to do tax exempt
16 bond financing and build a new building.
17 They then put in Nassau County Medical
18 Center, which was the healthcare center.
19 But somehow when it was switched over, it
20 was removed, which is a horrible thing.

21 The Center actually feeds, I
22 believe, like 5000 people. You know, the
23 thing I think they gave away a million
24 and a half pounds of food. It's a
25 horrible thing that they're coming up

1
2 with this idea of the \$5 million. The RFP
3 should either be postponed or canceled.
4 You should enter into a time period where
5 the Community Center can maintain and
6 raise money because under the County
7 lease, the money that they raised there
8 goes into the county general fund. So
9 they're always at a losing proposal. It
10 doesn't profit them to do anything. Every
11 time they try to work on something, if
12 they have all these things, they can go
13 out and get grants and stuff like that.
14 But if they could outsource part of the
15 property for themselves, they can make
16 money from the property.

17 As the former owners of it, the
18 County, when they took the title, they
19 signed the lease. And I guarantee you the
20 people who entered into the agreement
21 weren't as sophisticated as the County
22 people who were taking it in there. And
23 in good faith, they were two ministers
24 and they signed one sign of the lease in
25 1970, and then the second parcel was

1
2 signed in 1974. They were ministers. One
3 lived in a basically 385 Bayview Avenue,
4 which was the HAP project. So I don't
5 think that they were as attuned or as
6 cunning as the County people who were
7 negotiating with them, and they didn't
8 think 50 years would really end that
9 fast. So in their mind, when they set it
10 up, it was like such a long time period.

11 People since Jeff Toback was trying
12 to give the property or sell the property
13 to the JCC. Now I know that JCC is trying
14 to open up something in the Community
15 Center saying they want to put a pool in
16 there and everything else, but they just
17 actually did one on Central Avenue. So
18 why don't they open that facility up to
19 everyone from Inwood so they could use
20 it? They don't need to put another pool
21 or any other expansion of the money
22 there. I mean, the County at one time,
23 they put tennis courts in there when it's
24 basically a soccer playing area. They had
25 to rip out the tennis courts and put the

1
2 basically the soccer field back in there.

3 The County ripped off the roof of
4 the building prior to a hurricane, which
5 allowed water infiltration to come into
6 the building. They have been basically
7 neglecting the maintenance of it and then
8 turn around and blame the people for not
9 doing the proper procedure. If they came
10 out -- and as I said, the taxpayers paid
11 for the whole thing. It's not the
12 County's money, but the taxpayers money.

13 We need this center in here in order
14 to honor Black History Month because they
15 actually serve most of the black people
16 and Hispanic people, they're working on
17 that.

18 And Mrs. Ford, just in another
19 point, when the Atlantic Beach Bridge, my
20 grandfather in the thirties, went to
21 legalize it, 1938, when Nassau County
22 became a county, he went to legalize it
23 because they were going to sell it as a
24 profit center because it was a part of
25 the original part of Atlantic Beach. They

1
2 built it and then they came around and
3 turned it in. The County ended up buying
4 the bridge for three years of the gross
5 revenue. So that's how that came back in
6 there.

7 But I would like it if you guys
8 would extend either the RFP -- because
9 you only gave them a month and a half --
10 to put a proposal in there, remove the \$5
11 million and give them a new lease for
12 five years without the restriction of the
13 financial component that you guys make
14 all the money, go to the general fund. It
15 should go to the people in the Center
16 (applause).

17 PRESIDING OFFICER NICOLELLO: Thank
18 you, Mr. Libbey.

19 LEGISLATOR SOLAGES: Mr. Presiding
20 Officer, real brief.

21 As a point of clarification, Mr.
22 Libby, thank you very much for coming.
23 And thank you for everyone here from the
24 Community Center for all the work that
25 you do.

1
2 As a point of clarification, the RFP
3 was issued by the County Executive and
4 this Body just votes on the proposal,
5 their pick. So I when that comes before
6 this body, I will be supporting the
7 proposal that supports the community. And
8 if it doesn't support the community, then
9 I have grave concerns.

10 MR. LIBBEY: The County has gotten
11 3800 petitions to extend the lease or
12 cancel the RFP and there's just a new
13 effort on it.

14 PRESIDING OFFICER NICOLELLO: Thank
15 you, Mr. Libby. We appreciate it.

16 Charlene Thompson.

17 MS. THOMPSON: Good evening once
18 again. My name is Charlene Thompson. I'm
19 here to speak about redistricting.

20 So I did take a look at the report.
21 I got a chance to look through it. And I,
22 I do readily recognize four
23 Majority/Minority districts, for a point
24 of information, would you be able to
25 clarify what the fifth one that has been

1
2 identified? I have one, two, three and
3 six. I'm not sure which is the fifth.
4 Because it doesn't specify that in the
5 report.

6 Just to go on. You know, one of the
7 things that we we look at redistricting
8 every ten years, we talk about what
9 political legacy are we creating over the
10 next ten years? And we look back at the
11 last ten years, a lot of people who were
12 here ten years ago are not here anymore.
13 But the legacy that they created still
14 stands with us. Peter Smith, Judy Jacobs.

15 And so now today with this new map,
16 you've you've guys are shifting the
17 paradigm here. And one of the things that
18 I recognize is that you are redrawing
19 some of these traditional district lines
20 that have been in place since the
21 Legislature became 19 Legislative
22 Districts. And I, for one, think that's a
23 good thing, because what I believe it
24 will do is promote healthy political
25 competition and not allow incumbents that

1
2 have served for decades to get too
3 comfortable. Because when incumbents get
4 comfortable, then they stop necessarily
5 paying attention and serving the
6 community's interests.

7 So I'm not adverse to political
8 competition, and I look forward to -- one
9 of the things I would encourage both
10 sides is that, we need to groom some
11 young folks to step up and be ready to
12 take advantage of these opportunities as
13 they arrive. I don't see enough of that
14 being done on either side of the aisle.
15 So I would encourage that we do have some
16 young people who are interested in
17 stepping up, but they need the guidance
18 and support of the more senior
19 legislators to get them along the way and
20 make sure they're ready to get out there
21 and compete in a meaningful way that
22 they're involved and engaged in community
23 activism.

24 So I, for one, encourage healthy
25 political competition. Because choice,

1
2 political choices, are a great thing. I
3 look forward to see how this is all going
4 to shake out.

5 So thank you for putting -- I'm a
6 resident of Baldwin, so I know that that
7 was one of the great things that we
8 championed that we wanted for the most
9 part, Baldwin to be whole. I see that
10 Baldwin has been placed in Roosevelt with
11 Roosevelt. So that'll be interesting to
12 see how that paradigm shift is going to
13 evolve and promote political leadership.
14 I look forward to keeping an eye on that.

15 And so one just one point of
16 clarification, and I want to see where
17 the Fifth District is, because it's not
18 clear for me, but I'm looking forward to
19 see what's going to come over the next
20 ten years and what kind of legacy we
21 created.

22 Presiding Officer Nicoletto, I can
23 say what I've seen so far is that you've
24 governed fairly and inclusively, and for
25 that we appreciate it.

1
2 Thank you so much.

3 PRESIDING OFFICER NICOLELLO: Thank
4 you.

5 Jerry Kornbluth, Nassau Community
6 College.

7 MR. KORNBLUTH: Good evening,
8 everyone. My name is Jerry Kornbluth.

9 I'm the Vice president for Community and
10 Governmental Relations. I just want to
11 say a few words.

12 You guys have inspired me to what
13 you do in the community and your passion
14 is tremendous. And it's because of you,
15 The Nassau Community College has put the
16 "C" back into Nassau Community College.
17 We are committed to the community that we
18 serve. Our mission is to change lives, to
19 give students all the opportunities
20 possible. We work closely with the local
21 school districts, we work closely with
22 not for profit organizations, the
23 business community and all other
24 communities in the county.

25 One of the one of the departments at

1
2 Nassau Community College, the Sociology
3 Department, came to me with a proposal
4 about teaching some classes in the
5 Corrections facility. I went to see
6 Sheriff Anthony LaRocco. He embraced the
7 idea. And right now, I just want to share
8 with you, we're teaching a credit course
9 in the Corrections Facility as an
10 introduction to sociology class that is
11 an online class. Hopefully, it works out
12 well. We're looking to work out the kinks
13 in it right now, and hopefully we'll be
14 able to offer many more courses within
15 the in the correction facility.

16 And I just have to say that Anthony,
17 Sheriff LaRocco was fantastic in giving
18 us that opportunity and allowing us to
19 come in there and to work this program,
20 because the one institution that we want
21 to try to change is the criminal
22 institution. We want to be able to give
23 students the opportunity and open up
24 their eyes to see what it's like to be in
25 an institution of higher education. And I

1
2 think that this is the beginning and this
3 is what Nassau Community College does. So
4 I want to thank you for your time and I
5 just wanted to share that with you.

6 PRESIDING OFFICER NICOLELLO: Thank
7 you, Jerry.

8 Susan Gottehrer.

9 MS. GOTTEHRER: Good evening. My
10 name is Susan Gottehrer. I'm the director
11 of the Nassau County and New York Civil
12 Liberties Union. I'm not here to speak
13 about redistricting, but I am here to see
14 the vote. Mr. Ferretti, it was really
15 nice to see you show up at 3:00 this
16 afternoon and miss most of the public
17 comment. But I digress.

18 I would like to call attention to
19 all the pieces that have come together
20 here tonight. We've had a community
21 center asking for help. We had police
22 officers that were being highlighted for
23 their heroic behavior and doing their
24 jobs. I really just want to point out
25 that this is a moment of putting your

1
2 money where your mouth is on two
3 different fronts. If you talk about
4 public safety and you are concerned about
5 public safety, then you will do
6 everything you can to help that community
7 center, because front loading the system
8 with policing and incarceration has been
9 what we've been doing since the Nixon
10 years and it doesn't work and it has
11 nothing to do with community safety. So
12 if your campaigns talk about community
13 safety and you don't help this community
14 center, that's what helps community
15 safety. That's exactly what helps
16 community safety. That's number one.

17 Number two, if you're going to talk
18 about Black History Month and then you're
19 going to vote on these maps -- I think
20 that might be all I have to say on that.
21 I think you get it.

22 Number three, the jail. I have a lot
23 to say about the jail. I've said it all
24 before. I'm getting a little tired of
25 only hearing about caring about the

1
2 corrections officers at the jail. Again,
3 public safety. Public safety is about
4 using incarceration to prepare people
5 when they come out. If you care about
6 public safety and you put that in your
7 campaign ads, then put programs into that
8 jail. Number one.

9 As public safety Committee members,
10 I've asked you repeatedly look into the
11 medical provisions at the jail, look into
12 the records, look into all of those
13 things, because the conditions in those
14 jails that we hear the corrections
15 officers complaining about is where these
16 people live, 70% of them pretrial. And if
17 you think that putting people into an
18 atmosphere like that and then expecting
19 them to come out and act like regular
20 members of the community with no support,
21 then you don't care about community
22 safety.

23 So if you're going to put community
24 safety in your campaign ads, then put
25 your money where your mouth is. Tonight

has just shown the whole thing. The whole
thing, and it's going to end with the
vote on the maps.

1
2 PRESIDING OFFICER NICOLELLO: Item
3 18, Resolution 37, a resolution to
4 confirm the County Executive's
5 appointment of Anthony LaRocco to the
6 position of Sheriff of Nassau County.
7 Motion by Legislator Giuffre, seconded by
8 Legislator Ferretti. Motion is before the
9 Legislature. Mr. LaRocco.

10 SHERIFF LAROCCO: If I may, I'd like
11 to read something into the record,
12 please.

13 Good evening, honorable members of
14 the Legislature. My name is Anthony
15 LaRocco, and I am the acting sheriff.
16 Before returning to this position, I held
17 the position of Undersheriff from January
18 of last year and had a long career in
19 this very department.

20 I began my journey in 1986 in the
21 Enforcement Division as a deputy sheriff.
22 I was part of a recruit class to be the
23 very first deputy sheriffs to ever enter
24 into the Police Academy. In early summer
25 of 1990, our class of 20 were ordered

1
2 into the correctional center to cover
3 posts due to budget issues affecting many
4 departments at that time. We worked
5 alongside correctional officers in
6 various positions throughout the
7 correctional center.

8 In the years that followed. I rose
9 through the ranks from deputy sheriff to
10 sergeant to lieutenant, and finally to
11 Captain, which were all civil service
12 tested positions. In 2000, I was
13 appointed to the title of Deputy
14 Undersheriff, which I held for one year.

15 During my career, I supervised every
16 aspect of the enforcement division, which
17 included the field unit, landlord/tenant
18 unit, warrant unit, and the Family Court
19 unit.

20 On September 6th of last year, I
21 became the acting sheriff. As acting
22 sheriff, I am tasked with the oversight
23 of two equally important divisions, being
24 the enforcement division and the Division
25 of Corrections. I must share my time

1
2 accordingly between both. Some of my
3 accomplishments in the short period of
4 time include the promotions of 56
5 individuals, which included six captains,
6 16 lieutenants, 15 sergeants and 20
7 corporals. This number of promotions made
8 at one time has never happened in the
9 history of the sheriff's department.

10 I am also glad to announce that we
11 have a class of 22 recruits join the
12 ranks of correctional officers and also
13 have an additional class of 17 that will
14 also be joining the ranks sometime in
15 April of this year. I am also in the
16 process of replacing the entire fleet of
17 vehicles for the Sheriff's Department.

18 These promotions and hirings have
19 had a positive effect on cutting overtime
20 costs. From January 1st through February
21 24th of this year, the overtime cost will
22 1.6 million as compared to this same time
23 last year, which were 4.2 million. This
24 is a realized savings of approximately
25 60%. And more importantly, in no way have

1
2 these savings had any adverse effects
3 regarding either the safety of the
4 offices or the inmates.

5 The care, custody, and control of
6 inmates is our number one objective, and
7 we take that task very seriously. We're
8 also in the process of adding additional
9 security cameras throughout the
10 Correctional Center to enhance safety for
11 all. Thank you.

12 PRESIDING OFFICER NICOLELLO: Thank
13 you. Any questions? Legislative Lafazan.

14 LEGISLATOR LAFAZAN: Thank you, Mr.
15 LaRocco, for your prior service and your
16 commitment to your future service.

17 SHERIFF LAROCCO: Thank you very
18 much.

19 LEGISLATOR LAFAZAN: Of course.

20 As legislators we wear different
21 hats. We wear legislative hats, fiscal
22 hats, investigatory hats, and, of course,
23 oversight hats. Though you will serve at
24 the pleasure of the County Executive,
25 this chamber maintains oversight over the

1
2 Executive Branch and over countywide
3 departments such as yours. So your
4 success as a leader is our success as
5 lawmakers. And I wish you the best.

6 But when it comes to the jail and
7 our law enforcement professionals in
8 COBA, I'm concerned. I'm concerned about
9 morale issues that come month after month
10 after month. I'm concerned about staffing
11 issues. I'm concerned about the academy
12 location. I'm concerned about the
13 infrastructure at the jail. And I'm very
14 concerned about an extremely questionable
15 appointment that was made recently. Given
16 this administration's decision making so
17 far when it comes to the jail, I have to
18 vote no.

19 But I wanted to wish you the best of
20 luck. Your success is our success. And I
21 hope you can work with President Sullivan
22 and COBA with urgency. And I hope you
23 have the courage to think differently and
24 make change. So I wish you the best.

25 LEGISLATOR LAFAZAN: Thank you very

1
2 much.

3 PRESIDING OFFICER NICOLELLO: Okay.
4 Anyone else? Legislator Ford.

5 LEGISLATOR FORD: Good evening,
6 Sheriff LaRocco. I want to thank you very
7 much for giving us a brief history of
8 your tenure at the jail already. And I
9 also want to thank you to hear that you
10 did put those outposts. You added the
11 security, I guess, in that rear, which we
12 had asked for.

13 And I thank you very much for
14 listening to some of the concerns that we
15 brought to you, not only for our
16 correctional officers, but also for the
17 inmates, the people that do reside at the
18 jail, and the concern for their safety
19 and also for their well being.

20 And I know that there's a number of
21 issues that we still need to work on, and
22 I'm hoping that we can continue with this
23 dialogue that we methodically go after
24 each issue so that we can make sure that
25 we follow it to its completion and to the

1
2 benefit of all, whether or not it's
3 somebody who works there or somebody who
4 is residing there.

5 And I do appreciate the fact that
6 you have responded, but I'm looking
7 forward to working with you to make sure
8 that we continue this dialogue and we
9 finally get this jail up to the jewel
10 that it was meant to be.

11 SHERIFF LAROCCO: Thank you.

12 LEGISLATOR FORD: And I have to say,
13 though, I also agree. Even with the
14 morale, and I know there was some issues
15 that we brought up in regard to maybe
16 wellness committee taking a look at maybe
17 bringing some other things, visitation
18 changes there. And I'm hoping that you
19 will seriously look at that and respond
20 and help us so that we can get those
21 things established.

22 Thank you. But I do intend to vote
23 for you.

24 PRESIDING OFFICER NICOLELLO:
25 Legislator DeRiggi-Whitton.

1
2 LEGISLATOR DERIGGI-WHITTON: Hi,
3 Sheriff. I also agree with Legislator
4 Lafazan, my coworker. We do want to see
5 you prove us wrong.

6 But what I want to do is say that
7 it's really important to have bipartisan
8 communication. I understand that you
9 recently met with the Majority members of
10 of the Public Safety Committee and being
11 Ranking for the Minority, I wasn't aware
12 that you were meeting. And having an open
13 dialogue -- I have no idea what you even
14 discussed. I don't know if you have any
15 updates. I don't know if you had any of
16 the answers that we asked you at the
17 hearing, but we were not included in
18 that. And I just don't think that's the
19 right way to go about garnishing our
20 support or working out situations.

21 It's not that we just have concerns
22 that are not grounded. I mean, I sat here
23 as a legislator for years hearing about
24 one death after another when we were
25 having the health, the health issues. We

1
2 were worried about different things as
3 far as disciplinarian subjects. And I
4 have no idea if you talked about it with
5 them, but if you did, we weren't granted
6 that privilege. So all I can say is, you
7 know, I don't know what else to say other
8 than, if you want our support and you
9 want us to work with you, we need to be
10 included in these meetings. I actually
11 just heard about it today for the first
12 time.

13 So I hope that you're doing a good
14 job as being sheriff. I hope that you're
15 using your own mind. I always hear you're
16 smart, man. You can depend on yourself.
17 And I hope you are. And I hope that you
18 are the sheriff in town.

19 And but again, we really have a lot
20 of concerns about the jail. You know,
21 fellow Legislator Siela Bynoe has been
22 the real the real back. Bone of the
23 effort to try to make improvements. And
24 the fact that we had no idea that you
25 were meeting is really just sending the

1
2 wrong message, in my opinion.

3 So I'm also not going to be able to
4 support your nomination, but I really. It
5 can only go up from here. So I hope that
6 you take this opportunity to work with us
7 and respond to us and hear our concerns.
8 Thank you.

9 PRESIDING OFFICER NICOLELLO: Any
10 other legislators?

11 (Whereupon, no verbal
12 response.)

13 PRESIDING OFFICER NICOLELLO:
14 Hearing None. All in favor signify by
15 saying, "Aye".

16 PRESIDING OFFICER NICOLELLO: Aye.

17 LEGISLATOR KOPEL: Aye.

18 LEGISLATOR FORD: Aye.

19 LEGISLATOR SCHAEFER: Aye.

20 LEGISLATOR GAYLOR: Aye.

21 LEGISLATOR KENNEDY: Aye.

22 LEGISLATOR PILIP: Aye.

23 LEGISLATOR MCKEVITT: Aye.

Congratulations, Sheriff.

SHERIFF LAROCCO: Thank you very
much.

(Whereupon, applause.)

PRESIDING OFFICER NICOLELLO: Next,
two items are 17 and 22, Resolutions
number 36 and 41, both of which are to
confirm the appointment of John DeGrace
as a member of the Nassau County
Community College Board of Trustees.
Moved by Legislator Walker, seconded by
Legislator Kopel. John?

1
2 MR. DEGRACE: Thank you very much,
3 Mr. Presiding Officer, Ladies and
4 gentlemen of the Legislature, it's a
5 pleasure to be here. I have served on the
6 board at the College for about eight
7 years. I took a brief hiatus and I'm
8 looking forward to getting back to
9 business at the Bard. I love the College.
10 My major concern is for the students of
11 the College and bringing in as many new
12 students as possible.

13 And I'd also like to say hello to my
14 former Trustee, Buddy, Arnie Drucker.
15 Nice to see you, Arnie. He moved up the
16 ladder. I didn't. I got a demotion. But
17 thank you very much.

18 Any questions?

19 PRESIDING OFFICER NICOLELLO:
20 Legislator Kopel then Legislator Drucker.

21 LEGISLATOR KOPEL: Yes. Thank you.
22 I've had the privilege of knowing John
23 now about 15 years; John and Barbara,
24 actually. And ever since I've known you,
25 you've been doing nothing but public

1
2 service. You've been devoted. And that's
3 a family that's devoted to public
4 service. Barbara, I served with you on
5 the on the the Valley Stream Chamber of
6 Commerce. You're a very active member. So
7 this is a family that has done nothing
8 but work for the betterment of the County
9 of Nassau and our people. So I think
10 that at this point, we're just lucky that
11 you're willing to still come back and do
12 more work for us and more work for the
13 for the wonderful students at the
14 College. College is lucky to have you.
15 We're lucky to have you.

16 And thank you for serving.

17 MR. DEGRACE: Thank you very much.
18 Thank you, Howard.

19 PRESIDING OFFICER NICOLELLO:
20 Legislator Drucker.

21 LEGISLATOR DRUCKER: Thank you,
22 Presiding Officer. John, welcome back.

23 MR. DEGRACE: Thank you, Mr.
24 Drucker.

25 LEGISLATOR DRUCKER: You know, it

1
2 really is a pleasure for me to have this
3 opportunity to to recognize and offer my
4 support for your appointment back on the
5 Board.

6 I met John about 2012, so about 11
7 years ago. We served on the board
8 together. And I'm not reticent to say
9 that John and I are of different
10 political persuasions, but I never found
11 a more endearing, friendly, good hearted
12 man that I consider a friend than John
13 DeGrace.

14 When it came to the college and the
15 students, there was no politics involved.
16 Your commitment was to the betterment of
17 the College and to the students
18 primarily. And I always recognize that,
19 and I think that's why you and I got
20 along so well. I think we also we loved
21 sharing quotes from The Godfather movies,
22 if you remember correctly, that was one
23 of our favorite pastimes. One of the
24 lines from one of the Godfather movies
25 comes to mind now. When Al Pacino said,

1
2 Just when you think you're out of this
3 life, they pull you back in, right?

4 MR. DEGRACE: That's right. Exactly.
5 Well, thank you very much. Thank you.

6 LEGISLATOR DRUCKER: I consider you
7 a friend. And I more importantly as as
8 Legislator Kopel said, the College is
9 lucky to have you. The students are lucky
10 to have you. And I think you're going to
11 continue in that work.

12 And I will ask you as a personal
13 favor, John, that you and the fellow
14 members of the board try to work with the
15 full time Faculty association.

16 MR. DEGRACE: Yes.

17 LEGISLATOR DRUCKER: I think I'm
18 speaking on behalf of all 19 of us. We
19 all share in that. We want you to work
20 together with them. And I hope that
21 you'll do that. I know you will.

22 MR. DEGRACE: I'll do my very best.

23 LEGISLATOR DRUCKER: And I want to
24 congratulate you in advance, John. I
25 think you're a great person, and I'm

1
2 proud to call you a friend.

3 MR. DEGRACE: Thank you very much.
4 It's reciprocal. Thank you very, very
5 much.

6 PRESIDING OFFICER NICOLELLO:
7 Legislator Walker.

8 LEGISLATOR WALKER: John, I, too, am
9 very excited to see you be part of this
10 board again. And I know how much you love
11 this county. I know how much you love the
12 residents of this county. I know how much
13 you love the College and certainly the
14 young people in the in this county that
15 can utilize our community college and
16 once again make it the jewel that it has
17 been for many, many years.

18 And I know enrollment has gone down,
19 but I know you're going to look to every
20 possible way that you can help build that
21 enrollment, whether it's other programs
22 that we can offer or whether it's looking
23 at something that we let go and we should
24 bring back. But I know you're going to do
25 the best and I look forward to working

1
2 with you and anything we can do to help
3 you and the College out.

4 MR. DEGRACE: Legislator Walker,
5 Thank you very much. I appreciate that.

6 PRESIDING OFFICER NICOLELLO: John,
7 I just wanted to add that you've always
8 been very passionate about the College.
9 And almost every time I've seen you, you
10 brought up an issue about the College for
11 our consideration. But it's great to have
12 somebody going back on with your
13 experience. We're going to need that
14 experience, that gravitas that you have
15 going forward with the issues the College
16 is facing and also your ability to work
17 with your board members and build
18 consensus, I think that's invaluable. So
19 we're very pleased that you'd want to
20 come back and do this.

21 MR. DEGRACE: Thank you. Legislator
22 Nicolello.

23 PRESIDING OFFICER NICOLELLO: Anyone
24 else? Legislator Lafazan.

25 LEGISLATOR LAFAZAN: Thank you,

1
2 Presiding Officer. Mr. DeGrace, I take
3 Arnie Drucker's recommendations very
4 seriously. He speaks the world of you,
5 and I believe you're a wonderful man. And
6 I wish you the best.

7 I just wanted to explain why I'm
8 abstaining. Like Sheriff LaRocco, you are
9 a person of immense character, and I
10 thank you for your prior service, and I
11 congratulate you on your future service.
12 But the teachers at Nassau Community, for
13 months, my alma mater, they've been
14 crying out for change. And I think a
15 statement needs to be made that the
16 direction of the College needs to change
17 and change quickly. So I wish you the
18 best. You're going to be approved and I
19 look forward to working with you. Your
20 success is our success and our students'
21 success. And I thank you for serving.

22 MR. DEGRACE: Well, thank you very
23 much. I appreciate that.

24 PRESIDING OFFICER NICOLELLO: All
25 right. Let's go to a vote. All in favor

signify by saying, "Aye".

PRESIDING OFFICER NICOLELLO: Aye.

LEGISLATOR KOPEL: Aye.

LEGISLATOR FORD: Aye.

LEGISLATOR SCHAEFER: Aye.

LEGISLATOR GAYLOR: Aye.

LEGISLATOR KENNEDY: Aye.

LEGISLATOR PILIP: Aye.

LEGISLATOR MCKEVITT: Aye.

LEGISLATOR FERRETTI: Aye.

LEGISLATOR WALKER: Aye.

LEGISLATOR GIUFFRE: Aye.

LEGISLATOR DRUCKER: Aye.

LEGISLATOR MULE: Aye.

PRESIDING OFFICER NICOLELLO: Those
opposed?

LEGISLATOR ABRAHAMS: No opposed.
Abstentions.

PRESIDING OFFICER NICOLELLO: So it's
13 yes votes and five abstentions.

Congratulations.

MR. DEGRACE: Thank you very much.
And have a great evening.

2
3 PRESIDING OFFICER NICOLELLO: Item
4 19, Resolution 38, a resolution to
5 confirm the county executive's
6 appointment of Gennaro Cesrano to the
7 Assessment Review Commission. Motion by
8 Legislator Ferretti, seconded by
9 Legislator McKevitt. Gennaro.

10 MR. CESARANO: Good evening. My name
11 is Gennaro Cesarano. I'd like to thank
12 the County Legislature for allowing me
13 this time. I want to thank the County
14 Executive for this appointment to the
15 Assessment Review Commission.

16 A little bit about me: Currently,
17 I'm serving my second appointment on the
18 Civil Service Commission for the Town of
19 Hempstead. I also own and operate a
20 business in the county for the past ten
21 years. I look forward to bringing my
22 business experience, my civil service
23 experience to the County, working with my
24 fellow board members to serve the people
25 in Nassau County.

1
2 Thank you.

3 PRESIDING OFFICER NICOLELLO: Thank
4 you very much.

5 Any questions?

6 LEGISLATOR ABRAHAMS: How are you,
7 Mr. Cesarano?

8 MR. CESARANO: Very good. How are
9 you?

10 LEGISLATOR ABRAHAMS: Good, good,
11 good. I guess following the tone of this
12 evening, just to make sure that you are
13 fully aware. We're not going to be able
14 to support your appointment, but it has
15 nothing to do with you personally. I'm
16 sure you're a good person. You stand up
17 for your community and looks like you're
18 a good business owner.

19 However, the County Executive has
20 not provided, and we've been asking now
21 for quite some time, an assessment plan
22 in terms of how we plan to go forward in
23 this county in regards to managing
24 assessments. As you may or may not know,
25 there's been some errors that have been

1
2 created, nothing of magnitude that would
3 that would rise to the level of the
4 Commission that you're going to be on to
5 a large degree. But there were some
6 errors in the last computation of
7 assessment that has been done, and still
8 we have not seen a plan.

9 So our objection to you or us not
10 supporting you is not directed at you.
11 It's more directed at the fact that the
12 County has not seen a plan. We have taken
13 this course before with other folks that
14 have been appointed to the Assessment
15 Review Commission as well.

16 So I just wanted to make sure you
17 were aware of that. But I wish you
18 nothing but the best and I wish you much
19 success. And to quote Legislator Lafazan,
20 "your success is our success". Seems like
21 a popular line tonight.

22 MR. CESARANO: Thank you.

23 LEGISLATOR ABRAHAMS: You're
24 welcome. Thank you.

25 PRESIDING OFFICER NICOLELLO:

1
2 Legislator Solages.

3 LEGISLATOR SOLAGES: Thank you.

4 Again, I have to vote along with my
5 colleagues. But I have to say that every
6 time I've been to your restaurant, you
7 treated me with the utmost respect.

8 You've introduced me to Italian food I
9 didn't know about. So, again, I really
10 appreciate you. It's nothing personal.
11 Just we have a certain agenda when it
12 comes to issues and Assessment
13 Department, the things that we have not
14 seen done by the County Executive or the
15 Republicans, but yet they complained
16 about it profusely when we had a
17 Democratic County Executive. The
18 assessment system has been frozen. We
19 recently advocated for the extension of
20 the deadline, which I'm happy the County
21 Executive granted. Again, nothing
22 personal. You're a complete, gentleman.

23 MR. CESARANO: Thank you.

24 LEGISLATOR SOLAGES: I think some of
25 the best Italian food in Nassau County.

1
2 But thank you.

3 MR. CESARANO: Thank you.

4 PRESIDING OFFICER NICOLELLO:
5 Legislator Ferretti.

6 LEGISLATOR FERRETTI: Thank you,
7 Presiding officer. And I do want to speak
8 highly of my friend Jerry, but before I
9 do, I do think it's important just to
10 point out and I'm not questioning the
11 vote of the Minority, but Jerry's being
12 appointed to the Assessment Review
13 Commission, which is independent of the
14 Assessment Department.

15 But nevertheless, you know, Jerry,
16 we've known each other for a very long
17 time. I'm looking at your resume and I
18 see all the way back to 2003 when we
19 worked together in the Town of Hempstead
20 for a couple of years. And it's 20 years
21 ago now, which is insane. Well, you look
22 the same. I look 30 years older. So
23 something something's going on.

24 MR. CESARANO: It's that life in
25 politics for you (laughter).

1
2 MR. CESARANO: No comment.

3 But no, you're extremely qualified
4 for the position. You have many years in
5 public service. And I can personally
6 attest to your character, your work
7 ethic. And I know you're going to succeed
8 at this position with flying colors. So
9 preemptive congratulations. Good luck and
10 glad we're working together again.

11 MR. CESARANO: Thank you.

12 PRESIDING OFFICER NICOLELLO: Anyone
13 else?

14 (Whereupon, no verbal
15 response.)

16 PRESIDING OFFICER NICOLELLO:
17 Calling for a vote. All in favor signify
18 by saying, "Aye".

19 PRESIDING OFFICER NICOLELLO: Aye.

20 LEGISLATOR KOPEL: Aye.

21 LEGISLATOR FORD: Aye.

22 LEGISLATOR SCHAEFER: Aye.

23 LEGISLATOR GAYLOR: Aye.

24 LEGISLATOR KENNEDY: Aye.

25 LEGISLATOR PILIP: Aye.

LEGISLATOR MCKEVITT: Aye.

LEGISLATOR FERRETTI: Aye.

LEGISLATOR WALKER: Aye.

LEGISLATOR GIUFFRE: Aye.

PRESIDING OFFICER NICOLELLO: Those
opposed?

(Whereupon, no verbal
response.)

PRESIDING OFFICER NICOLELLO:
Abstentions?

LEGISLATOR SOLAGES: Abstained.

LEGISLATOR MULE: Abstained.

LEGISLATOR DERIGGI-WHITTON:
Abstained.

LEGISLATOR DRUCKER: Abstained.

LEGISLATOR ABRAHAMS: Abstained.

LEGISLATOR BYNOE: Abstained.

LEGISLATOR LAFAZAN: Abstained.

PRESIDING OFFICER NICOLELLO: All
right. It passes by a vote of 11 votes
for and with 7 abstentions.
Congratulations, Gennaro.

MR. CESARANO: Thank you.

1
2 PRESIDING OFFICER NICOLELLO: Item
3 21, Resolution 40, a resolution to
4 confirm the County Executive's
5 appointment of Louis DiGrazia to the
6 Sewer and Storm Water Finance Authority.
7 Moved by Legislator McKevitt, seconded by
8 Legislator Giuffre.

9 MR. DIGRAZIA: Good evening. I'd
10 like to thank County Executive Blakeman
11 for selecting me for this appointment and
12 for the Legislative review and time they
13 spent in helping out the county
14 residents.

15 I've been doing public works work
16 for 30 years for the Village of Freeport,
17 Town of Hempstead. I know the Board very
18 well. I've worked with Commissioner
19 Arnold for 20 years on various projects.
20 And I think I bring a perspective to this
21 authority which is needed on this board
22 right now.

23 Thank you.

24 PRESIDING OFFICER NICOLELLO: Okay.
25 Thank you very much. Legislator Mule.

LEGISLATOR MULE: Hi, Lou. How are
you?

MR. DIGRAZIA: Hi.

LEGISLATOR MULE: It's wonderful to
see that you're going to be here helping
out the County. He was always the go to
person if we needed to know something. Is
this being done correctly? You always
told it to us straight. So I know that
you'll do a great job.

MR. DIGRAZIA: Thank you.

PRESIDING OFFICER NICOLELLO: Okay.
Anyone else? All in favor signify by
saying, "Aye".

(Whereupon, all members of
the Nassau County Legislature
respond in favor with, "Aye".)

PRESIDING OFFICER NICOLELLO: Those
opposed?

(Whereupon, no verbal
response.)

PRESIDING OFFICER NICOLELLO: Passes
unanimously. Congratulations.

MR. DIGRAZIA: Thank you.

1
2 PRESIDING OFFICER NICOLELLO: We
3 will go to the Consent Calendar now.
4 These are items that went through
5 Committees a couple of weeks ago, and
6 it's been agreed by the Majority and
7 Minority that no further debate or
8 discussion are needed at this time"

9 Item 5, Ordinance 11;

10 Item 7, Resolution 26;

11 Item 8, Resolution 27;

12 Item 9, Resolution 28;

13 Item 10, Resolution 29

14 Item 11, Resolution 30;

15 Item 12, Resolution 31;

16 Item 13, Resolution 32;

17 Item 14, Resolution 33;

18 Item 25, Resolution 44;

19 Item 26, Resolution 45;

20 Item 27, Resolution 46;

21 Item 28, Resolution 47;

22 Item 29, Resolution 48;

23 Item 30, Resolution 49;

24 Item 31, Resolution 50;

25 Item 32, Resolution 51;

Item 33, Resolution 52;

Item 34, Resolution 53;

Item 35, Resolution 54;

Item 36, Resolution 55;

Item 37, Resolution 56;

Item 38, Resolution 57;

Item 39, Resolution 58.

Moved by Deputy Presiding Officer
Kopel, seconded by Legislator Ford. All
in favor of those items, signify by
saying, "Aye".

(Whereupon, all members of
the Nassau County Legislature
respond in favor with, "Aye".)

PRESIDING OFFICER NICOLELLO: Those
opposed?

(Whereupon, no verbal
response.)

PRESIDING OFFICER NICOLELLO: They
all unanimously.

Now we are going back to Item 1,
that's a Local Law to Amend Annex A of
the County Government Law of Nassau
County to describe the 19 Legislative

1
2 Districts based upon the 2020 Federal
3 Census data. Motion by Deputy Presiding
4 Officer Kopel, seconded by Legislator
5 Ford. That puts the item before us.

6 However, we need an amendment
7 inasmuch as a amended map was filed on
8 February 21st, 2023, which incorporates
9 the comments by legislators and public
10 during the redistricting process. So
11 basically I need a motion to amend.

12 Move by the Deputy Presiding Officer
13 Kopel, seconded by Legislator Ford.

14 Now, this is going to be a vote just
15 on the amendment. It's not on the Item,
16 the item as amended. All in favor of the
17 amendment, signify by saying, "Aye".

18 PRESIDING OFFICER NICOLELLO: Aye.

19 LEGISLATOR KOPEL: Aye.

20 LEGISLATOR FORD: Aye.

21 LEGISLATOR SCHAEFER: Aye.

22 LEGISLATOR GAYLOR: Aye.

23 LEGISLATOR KENNEDY: Aye.

24 LEGISLATOR PILIP: Aye.

25 LEGISLATOR MCKEVITT: Aye.

1
2 LEGISLATOR FERRETTI: Aye.

3 LEGISLATOR WALKER: Aye.

4 LEGISLATOR GIUFFRE: Aye.

5 PRESIDING OFFICER NICOLELLO: Those
6 opposed?

7 LEGISLATOR SOLAGES: Nay.

8 LEGISLATOR MULE: Nay.

9 LEGISLATOR DERIGGI-WHITTON: Nay.

10 LEGISLATOR DRUCKER: Nay.

11 LEGISLATOR ABRAHAMS: Nay.

12 LEGISLATOR BYNOE: Nay.

13 LEGISLATOR LAFAZAN: Nay.

14 PRESIDING OFFICER NICOLELLO: The
15 amendment passes by a vote of 11 to 7.

16 I would ask at this time that the
17 transcripts of the hearings of the Rules
18 Committee on January 17th and the Full
19 Legislature from February 16th and today
20 be incorporated by reference into the
21 record.

22 Any legislator wants to speak? Sure.
23 Minority Leader Abrahams.

24 LEGISLATOR ABRAHAMS: Thank you,
25 Presiding Officer. Thank you for

1
2 incorporating the record from the
3 previous hearing into this particular
4 vote.

5 I do have a question probably for
6 you, Presiding Officer, as it pertains to
7 Mr. Trende's analysis, was that analysis,
8 was that analysis paid for with
9 Legislative TDAC money or Legislative
10 Majority contractual money? I'm just
11 trying to make sure I understand, is this
12 something that's privileged or is it
13 something that this entire Body should be
14 able to obtain?

15 PRESIDING OFFICER NICOLELLO: I'll
16 answer that by saying that we retained
17 Mr. Tseytlin's firm, Troutman Pepper,
18 which retained Mr. Trende, which uses Mr.
19 Trende. So it was it flows through the
20 counsel that we retained.

21 LEGISLATOR ABRAHAMS: And the counsel
22 that you retain was paid for with TDAC
23 commission resources?

24 PRESIDING OFFICER NICOLELLO: No. As
25 as authorized by the Charter and Laws of

1
2 the County, I, as Presiding Officer,
3 retained Troutman Pepper.

4 LEGISLATOR ABRAHAMS: So the
5 resources come out of the Legislative
6 Majority budget.

7 PRESIDING OFFICER NICOLELLO: I
8 don't believe they're coming out of the
9 majority budget. I believe they come out
10 of the County Budget as a whole. This
11 through the County Attorney's Office.

12 LEGISLATOR ABRAHAMS: The general
13 fund?

14 PRESIDING OFFICER NICOLELLO: Yes.

15 LEGISLATOR ABRAHAMS: I'm just
16 trying to figure out --

17 PRESIDING OFFICER NICOLELLO: It's
18 out of the County Attorney's budget.

19 LEGISLATOR ABRAHAMS: How do we get
20 a copy of the analysis? If the analysis
21 is privileged, then it's privileged. Then
22 we shouldn't get it. But if the analysis
23 is something that's been paid for out of
24 some type of Redistricting Fund, I think
25 we would like to get it. I think we

1
2 should be able to put it up on the County
3 website and it should be something that
4 the entire public should have an
5 opportunity to see. Unless I'm mistaken.

6 PRESIDING OFFICER NICOLELLO: It was
7 done through the offices of Troutman
8 Pepper. So I am not sure what the
9 legalities of that is. But as we
10 discussed before, we have what we have
11 offered and we are ready to move forward
12 in the process.

13 LEGISLATOR ABRAHAMS: I'm sorry,
14 Presiding Officer. Let me just try again.
15 I'm not trying to be argumentative or
16 competitive.

17 How is Troutman Pepper paid?

18 PRESIDING OFFICER NICOLELLO: It was
19 paid out of the County Attorney's budget.

20 LEGISLATOR ABRAHAMS: So it's been
21 paid out of the County Attorney's budget?

22 PRESIDING OFFICER NICOLELLO: Yes,
23 the County Attorney's budget. The
24 Presiding Officer has the power, as
25 granted by the Charter, to retain

1
2 counsel, which I have done.

3 Mr. Tseytlin, Troutman Pepper, is an
4 attorney that I retained for the purpose
5 of this process. And I would say that his
6 services and his communications with me
7 would be something that would be subject
8 to attorney client privilege.

9 LEGISLATOR ABRAHAMS: That's
10 interesting. I really have a comeback for
11 that one. Well, I have a comeback, but I
12 can't believe what we're doing. All
13 right.

14 I mean, I think it begs the question
15 that the County Attorney did not make
16 known to the Legislative Minority that he
17 was taking on Troutman Pepper on behalf
18 of the Majority. I would think the
19 Legislative Minority is also privileged
20 to that counsel, since the County
21 Attorney does represent us as well, and
22 we were never made aware that Troutman
23 Pepper was being hired, nor have we been
24 privileged to the opportunity of seeing
25 what Troutman Pepper had put together in

1
2 regards to requesting Mr. Trende to be a
3 part of his analysis.

4 So, I'm just saying and I'll wrap up
5 by saying this. You mentioned before,
6 earlier during the hearing, that we in
7 the Legislative Minority have been
8 provided all the information that your
9 side has, and obviously we have not. And
10 this is a clear example of how we have
11 not received any information and we're
12 actually a part of this Body. I had no
13 idea, there's been no memo, that the
14 County Attorney, who apparently is only
15 representing half of the Legislature or
16 12/19 of it -- or 11/19, Mr. Rhoads is
17 not here anymore -- 11/19 of the
18 Legislature has chosen to not include the
19 Legislative Minority. I wonder why.

20 So from that standpoint, Presiding
21 Officer, I understand the way that it
22 went down. We're prepared to take the
23 vote. I would just kindly ask that you
24 allow the folks that are here that maybe
25 didn't get a chance to speak earlier to

1
2 incorporate them into the record. But to
3 me, it's disheartening that we are at
4 this point where we have not been
5 included in this process. But thank you.

6 PRESIDING OFFICER NICOLELLO: As I
7 said, this is a power that's given to the
8 Presiding Officer to retain counsel.

9 There's two points I'd like to make,
10 and the Legislator Ferretti made this
11 point earlier. It was announced by one of
12 the Democratic Commissioners to the TDAC
13 at the very beginning that this is going
14 to the courts. So that was a
15 consideration that we took.

16 Secondly, with the changes in the
17 laws in New York State, with the new
18 Court of Appeals decision in Harkenrider,
19 the law is not what it was ten years ago.
20 So we wanted to make sure, as we looked
21 at the TDAC process, that the process
22 that was followed, the maps that were
23 produced, would comply with those laws.
24 So I, as Presiding Officer, retained the
25 counsel that won the case of the Court of

1
2 Appeals last year for obvious reasons,
3 because that counsel has experience in
4 litigating this issue and has been
5 successful with the New York State Court
6 of Appeals. That counsel has been
7 advising me and developing this map for
8 the Legislature. The information that has
9 been provided, the memos that have been
10 provided to us, have been made part of
11 the record. And we're at the point, I
12 believe, where we can vote.

13 LEGISLATOR ABRAHAMS: Just this is a
14 point of clarification, Presiding
15 Officer, the memos that have been
16 provided to the Legislature, you have
17 shared with us. But the analysis that was
18 done by Mr. Trende that's been hired at
19 your direction to the County Attorney's
20 office, has only been provided to your
21 side.

22 PRESIDING OFFICER NICOLELLO: Just
23 to be clear, I hired Troutman Pepper. Mr.
24 Trende works with Troutman Pepper. So I
25 hired Troutman Pepper and his office

1
2 works with Mr. Trende, who has, again,
3 provided analysis that was accepted by
4 the Court of Appeals.

5 LEGISLATOR ABRAHAMS: Nobody's
6 disputing what Mr. Trende has done. What
7 I'm saying is Mr. Trende has provided an
8 analysis, I guess, to Troutman Pepper, to
9 Mr. Tseytlin. I'm assuming he's provided
10 it to your side. However, the County
11 Attorney, which represents all of us,
12 basically that analysis should be
13 provided to all of us, shouldn't it?

14 PRESIDING OFFICER NICOLELLO: Well,
15 you have. Those memos or what we have.

16 LEGISLATOR ABRAHAMS: I'm not
17 talking about the memos, Presiding
18 Officer. I think you know exactly what
19 I'm talking about. There is a Sean Trende
20 analysis, which basically he has
21 conducted, which is an ensemble approach,
22 which he did 50,000 iterations of the map
23 to determine based on his expertise -- we
24 disagree with his expertise, but it's
25 hard for me to publicly disagree with it

1
2 because all I'm going based off is the
3 description -- but we disagree with his
4 analysis based on what Dr. Magleby has
5 testified a few weeks ago.

6 That being said, that analysis is
7 mentioned in the Troutman pepper report,
8 an analysis that has been paid for by the
9 County Attorney's office. However, that
10 analysis, I haven't seen it. I'm asking
11 the question to you, have you seen it?
12 Has your side seen it?

13 PRESIDING OFFICER NICOLELLO: We
14 have been provided what you have been
15 provided, which is the conclusions of Mr.
16 Trende. Other than that, I've had
17 conversations with with my counsel, which
18 I'm not going to disclose. But other than
19 that, we've been provided with the
20 conclusions Mr. Trende provided, it's in
21 the memos, you have what we have.

22 LEGISLATOR ABRAHAMS: Okay, So,
23 basically the County Attorney's Office
24 authorized yourself and your side to pay
25 for something, and you have not seen the

1
2 analysis that you're paying for?

3 PRESIDING OFFICER NICOLELLO: I have
4 seen the summary, which is in the memo.
5 The summary of the findings of Mr.
6 Trende. When I'm not a demographer, I'm
7 not someone who can read and understand
8 the data that's being used by somebody
9 who is analyzing 50,000 variations of
10 possible maps in Nassau County. No, I did
11 not get into the into the weeds. I did
12 not see all 50,000 of the ensemble. No, I
13 didn't. What I got was the conclusions
14 after he reviewed the maps that were
15 drafted. What we received is his
16 conclusions. And those conclusions, as a
17 matter of the record, fit well within the
18 acceptable parameters and perform much
19 better than those maps that were put
20 forward by the Democratic members and
21 Republican members of the Commission.

22 LEGISLATOR ABRAHAMS: So just to be
23 -- I just want to make sure --

24 PRESIDING OFFICER NICOLELLO: I
25 am --

1
2 LEGISLATOR ABRAHAMS: I'm sorry. I
3 thought I was I thought you were done. Go
4 ahead.

5 PRESIDING OFFICER NICOLELLO: I am
6 done answering questions. I've said
7 everything I'm going to say. If you want
8 to make a statement, you're welcome to do
9 it.

10 LEGISLATOR ABRAHAMS: Well, I
11 apologize, Presiding Officer, but I have
12 to ask questions because you just brought
13 to my attention that you basically use
14 resources from the County Attorney. As
15 far as I'm concerned, the County Attorney
16 represents everyone in the Legislature,
17 not just 11/19 of it.

18 So from that standpoint, all of that
19 information should have been provided to
20 this Legislative Body immediately, not
21 five minutes before a meeting. We should
22 have been at the table discussions. I was
23 under the impression for weeks, if not
24 months, that your side was paying for
25 this out of the TDAC Commission money,

1
2 the leftover money that was unused by the
3 Commissioners, which would give you the
4 authority to hire and bring in whoever
5 you want. But for some reason, that
6 wasn't the case. And now we're learning
7 that the analysis that was done by Mr.
8 Trend, no one has seen. We've only seen a
9 descriptive response put together by
10 Troutman Pepper, who, as far as I'm
11 concerned, was the litigator in the case
12 in Harkenrider versus Hochul. But they
13 were not actually the map drawers.

14 So I just have to ask a question:
15 How much was the Troutman Pepper analysis
16 since the County Attorney is paying for
17 it and we should be represented by it?
18 How much did the what was our portion?
19 What was our 7/19 portion of that?

20 PRESIDING OFFICER NICOLELLO: I am
21 done answering your questions. I can tell
22 you that again, that the Charter gives
23 the Presiding Officer the power to retain
24 counsel, which is what I did. And perhaps
25 if Democrat Commissioners at the

1
2 beginning of the process weren't
3 announcing that this is going to the
4 courts, I wouldn't have needed to hire
5 outside counsel, but the Commissioners
6 did, and others did, who are Democrat
7 leaders, have said matter of factly, It
8 doesn't matter what you do, it's going to
9 the court. So I did the prudent thing. As
10 been mentioned time and time again, the
11 expense of potentially paying prevailing
12 wages is something that should be taken
13 into consideration. So I went out and
14 hired the counsel who successfully argued
15 the case before the Court of Appeals.

16 Shockingly, a Democrat appointed
17 bench who sided with counsel in finding
18 last year that the maps prepared by the
19 Democratic Legislature was so egregiously
20 gerrymandered that they had to be thrown
21 out. Yes, I went and got that counsel
22 because your side has announced in every
23 way that you could possibly announce that
24 you're bringing this to litigation. So I
25 did that to protect the County's

1
2 taxpayers.

3 LEGISLATOR ABRAHAMS: I'm not too
4 sure I understand. What's my side?

5 PRESIDING OFFICER NICOLELLO: Did
6 you? I don't know.

7 LEGISLATOR ABRAHAMS: I appointed
8 members to a TDAC commission, and that
9 was it. Right?

10 PRESIDING OFFICER NICOLELLO: All
11 right. So look, all right. I don't mean
12 any pejoratives there. I mean, it was a
13 member of the the Temporary District
14 Advisory Committee, so I withdraw the
15 word, "your side".

16 LEGISLATOR ABRAHAMS: Thank you.

17 PRESIDING OFFICER NICOLELLO: Do you
18 have a statement or anything else?

19 LEGISLATOR ABRAHAMS: No, no. I
20 didn't get answer to the question. How
21 much did the contract cost for Troutman
22 Pepper and the analysis that was done by
23 Mr. Trende?

24 PRESIDING OFFICER NICOLELLO:
25 Legislator Mule, you raised your hand.

1
2 LEGISLATOR ABRAHAMS: We're not
3 going to get an idea of how much you
4 cost? I mean, we can get you guys an
5 audit of every single cost of Dr.
6 Magleby, Dr. Gall. The experts have been
7 provided, every single one.

8 So again, folks, this is the
9 secrecy. They say they're transparent,
10 but they can't even tell you how much
11 they paid for something that the County
12 Attorney paid for, which is the people's
13 attorney. The entire Legislature and the
14 people's attorney, but can't even tell
15 you how much it is, but it's transparent.

16 PRESIDING OFFICER NICOLELLO:
17 Legislator Mule.

18 LEGISLATOR MULE: Thank you,
19 Presiding Officer. I just wanted to talk
20 a little bit about my thinking just prior
21 to the vote. Like Legislator Ferretti, I
22 have found this process fascinating. I
23 learned a tremendous amount. Very
24 fascinating. I went to several of the
25 TDAC hearings, particularly there was one

1
2 in my hometown. I attended that one as
3 well as a couple of others.

4 I want to thank the Presiding
5 Officer for taking into account several
6 things that I said at the Rules Committee
7 Hearing, which had to do with South
8 Hempstead and putting that back together
9 that needed to happen and thank you for
10 doing that.

11 Freeport now is divided into two as
12 opposed to four, and you don't have to
13 put on your bathing suit in order to get
14 to the one side to make it contiguous.
15 You took that into account, and I very
16 much appreciate that.

17 But I do have some serious problems
18 which were brought up perhaps by several
19 other people. But I'd just like to give
20 my take on it. The fact that most of
21 Freeport has been moved into a district
22 with Merrick and North Bellmore, and to
23 say that because they share Sandy or
24 flood-related issues that that makes them
25 alike. I am not in that district. I'm in

1
2 a different district. That portion of
3 Freeport really is where the majority of
4 the flooding, the Sandy-related flooding
5 happened. So to say that that's a real
6 reason, it just doesn't make any sense to
7 me.

8 And then to LD6, if you look at the
9 map, in order to get Roosevelt to add to
10 it, you have to come around and up and
11 over Freeport and then it's kind of over
12 there (indicating). And I that that one
13 doesn't make sense to me either. It makes
14 much more sense to keep it with North
15 Freeport. By putting Freeport, most of
16 Freeport now, with with Merrick and North
17 Bellmore, I think that that is just very,
18 very clearly diluting the minority vote.
19 And so I believe that the residents of
20 Freeport will no longer have real
21 representation as a result of that.

22 So that's all I have to say. Thank
23 you.

24 PRESIDING OFFICER NICOLELLO: Okay.
25 Any other legislators?

1
2 Legislator Lafazan.

3 LEGISLATOR LAFAZAN: Sure. So I
4 think the theme of this evening, in my
5 opinion, is disagreement doesn't always
6 have to be personal, and politics can be
7 disagreeable without being personal. So,
8 Rich, you've been a gentleman to me
9 always, and I thank you as always.

10 Ten years ago, as a young student, I
11 sat in this auditorium and I watched this
12 Body carve up a gerrymandered map. Ten
13 years later, sitting here as a
14 Legislator, it's sad that we haven't
15 grown.

16 I'm an eternal optimist, and I think
17 this County's best days are ahead of us.
18 But I'm also practical. And there's
19 nothing I can say. There's nothing anyone
20 on this side can say that will change
21 this vote in a few minutes. It doesn't
22 mean that we have to just be silent and
23 not put on the record that it's
24 outrageous that legislator Drucker and I,
25 two Democrats who represent two very

1
2 large and distinct school districts and
3 communities, Syosset and Plainview, are
4 now in one district. And if this map
5 passes, Arnie, who's been a friend and a
6 mentor and a big brother to me, is now in
7 my district. This doesn't have to be this
8 way. And I know we'll hear from those who
9 drew the map, "We don't know where
10 incumbents live". But how many
11 Republicans have been put in a district
12 with another Republican? The answer is
13 zero. And so if you do an ensemble
14 analysis, tens of thousands of
15 simulations, what is the statistical
16 probability that we'll end up with a map
17 with two Democrats in the same district,
18 but no Republicans in the district if
19 another Republican?

20 Tomorrow morning, students in Nassau
21 County are going to wake up to a snow
22 day. This Body is going to wake up to a
23 lawsuit. When the courts kick it back, I
24 hope that we can work together to make a
25 fair map. This County is not served by

1
2 the political competition foisted upon
3 Legislator Drucker and I. We've been
4 singled out, it's unfair and it's quite
5 frankly, egregious.

6 So, again, when the courts kick this
7 back to us and we have an opportunity
8 directed by the courts to draw a new fair
9 map, right. When all the rhetoric is done
10 and we finally lose in court, I hope you
11 work with us. I love serving here.
12 Legislator Drucker loves serving here.
13 Our constituents lose tonight and nobody
14 wins.

15 Thank you.

16 PRESIDING OFFICER NICOLELLO: Anyone
17 else?

18 LEGISLATOR ABRAHAMS: For the
19 record, Presiding Officer.

20 PRESIDING OFFICER NICOLELLO: Yes.

21 LEGISLATOR ABRAHAMS: Just for the
22 record, I talked about transparency and I
23 talked about costs. And it wouldn't be
24 fair if I wasn't transparent, nor was I
25 being true with public. The Legislature,

1
2 the TDAC members on the Democratic side,
3 in extension, obviously going into 2022,
4 we spent \$22,000 to Dr. Magleby, who
5 provided expertise in regards to the map,
6 and we spent \$74,800 on the map ability
7 drawing capabilities of Dr. Gall. Just to
8 be fair. So I would like to hear the
9 number again, but obviously we may not
10 hear that number.

11 But the bottom line is from our
12 standpoint, and just to piggyback on what
13 Legislator Lafazan has said, we have the
14 power and the authority tonight to
15 basically do the right thing.
16 Unfortunately, this map is going to go
17 forward. And this Body is choosing to
18 vote on a map that is going to be
19 illegal. It's illegal for multiple
20 reasons that I indicated at the hearing.

21 But most importantly, Mrs. Thompson,
22 to answer your question, the reason why
23 you didn't get an answer to the five
24 Majority/Minority districts is because it
25 does not exist. There's only four. There

1
2 is not five.

3 This map also violates multiple
4 Federal Voter Rights Act clauses. It also
5 violates the John Lewis Provision as it
6 pertains to Minority/Majority. It dilutes
7 minority votes in the areas of Freeport
8 that Legislator Mule talked about. And it
9 also dilutes votes in the area of
10 Lakeview. That is very clear.

11 What is also clear is that the legal
12 fees that are presented by the
13 petitioner, or the plaintiff in this
14 particular matter, whatever may be the
15 case, those legal fees are going to be
16 paid for by taxpayers, not the County
17 Attorney taxpayers. The County will have
18 to foot that bill to pay if those
19 petitions and those litigation cases are
20 successful, that's it. So it would be it
21 would be proper and appropriate for this
22 Legislative Body to do everything it can
23 to kick over, to turn over every single
24 issue, to ensure that we are passing a
25 legal map. We're not doing that.

1
2 We have chosen to do things in
3 secrecy. We've told things not to be
4 transparent. We've asked pointed
5 questions in regards to Lakeview, to
6 Freeport, no answer. We've asked pointed
7 questions in regards to a fifth
8 Minority/Majority district. We're told by
9 Mr. Tseytlin, who was here a couple of
10 weeks ago, that he did not look at race,
11 which to me sounds to be a little bit --
12 I'm not too sure of what to say about
13 that because the whole Legislative Body
14 was created because Judge Arthur Spatt
15 created two Minority/Majority districts
16 because of race. So I'm not too sure what
17 Mr. Tseytlin is talking about.

18 But that being said, unfortunately,
19 none of us want this. None of us want to
20 see a lawsuit. I rather things get worked
21 out, because ultimately the lawsuit is
22 going to cost taxpayer money. That being
23 said, I don't see how there's going to be
24 any path for residents not to join a
25 lawsuit to be able to get some type of

1
2 legal recourse.

3 We have the opportunity to do the
4 right thing tonight. I'm going to implore
5 my colleagues one more time to do the
6 right thing. To be aware of what is going
7 on from the residents that have come down
8 and do the right thing tonight.

9 Thank you.

10 PRESIDING OFFICER NICOLELLO:

11 Today's vote is the culmination of many
12 months of hearings, including the TDAC,
13 as well as the County Legislature. We
14 have heard from numerous residents as
15 well as legislators. And as was stated
16 earlier, we have made numerous changes to
17 the map based on the input of legislators
18 and residents. Did we make every
19 requested change? No. Is this map
20 perfect? No. But perfection is impossible
21 in redistricting.

22 This map is a fair map. It provides
23 for equal representation for all of our
24 residents and protects communities of
25 interests as much as possible, and it

1
2 does so while complying with all
3 applicable federal and state laws and
4 legal requirements.

5 I urge all of my colleagues to vote
6 yes to approve this map. I'd like to have
7 a vote.

8 This is actually the amended item.
9 All those in favor of the amended item
10 signify by saying, "Aye".

11 PRESIDING OFFICER NICOLELLO: Aye.

12 LEGISLATOR KOPEL: Aye.

13 LEGISLATOR FORD: Aye.

14 LEGISLATOR SCHAEFER: Aye.

15 LEGISLATOR GAYLOR: Aye.

16 LEGISLATOR KENNEDY: Aye.

17 LEGISLATOR PILIP: Aye.

18 LEGISLATOR MCKEVITT: Aye.

19 LEGISLATOR FERRETTI: Aye.

20 LEGISLATOR WALKER: Aye.

21 LEGISLATOR GIUFFRE: Aye.

LEGISLATOR BYNOE: Nay.

LEGISLATOR LAFAZAN: Nay.

PRESIDING OFFICER NICOLELLO: Okay.

It passes by a vote of 11 to 7.

LEGISLATOR ABRAHAMS: Presiding Officer, I hate to be a nitpick, but I want the record reflect that it is passed with 11 votes of the Republican Majority with seven votes against from the Democrat Minority.

PRESIDING OFFICER NICOLELLO: You're right. You're right.

LEGISLATOR ABRAHAMS: Thank you.

PRESIDING OFFICER NICOLELLO: Moving on to the next item, which is a hearing on proposed local law. It's a Local Law to amend Section 6-2.6 of Title A of Chapter six of the Administrative Code of Nassau County in relation to reducing the number of years volunteers need to serve to receive the partial exemption from

1
2 taxation for volunteer firefighters and
3 volunteer ambulance workers pursuant to
4 Chapter 670.

5 Moved by Legislator Walker, seconded
6 by Legislator Ford that is a motion to
7 open the hearing. Any debate or
8 discussion?

9 Essentially what this does is it
10 changes the number of years that
11 volunteer firefighters and ambulance
12 workers have to serve before they're
13 eligible for the partial real property
14 tax exemption from five to two. Once they
15 reach that two years of service, they
16 will be eligible. This partial exemption
17 will relate to their County portion of
18 the taxes because the County cannot pass
19 this for other municipalities, but we
20 encourage them to do so.

21 Any discussion?

22 (Whereupon, no verbal
23 response.)

24 PRESIDING OFFICER NICOLELLO: Motion
25 to close the hearing by Legislator Ford,

1
2 seconded by Legislator Pilip.

3 All in favor of closing the hearing
4 signify by saying, "Aye".

5 (Whereupon, all members of
6 the Nassau County Legislature
7 respond in favor with, "Aye".)

8 PRESIDING OFFICER NICOLELLO: Those
9 opposed.

10 (Whereupon, no verbal
11 response.)

12 PRESIDING OFFICER NICOLELLO:
13 Carries unanimously.

14 Now as to the vote on the proposed
15 Local Law, again, it is Item 3, a local
16 law to amend Section 6-2.6 of Title A of
17 Chapter six of the Administrative Code of
18 Nassau County in relation to reduce the
19 number of years volunteers needed to
20 serve to receive the partial exemption
21 from taxation.

22 Motion by Legislator Giuffre,
23 seconded by Legislator Ferretti.

24 Any debate or discussion?

25 (Whereupon, no verbal

1
2 response.)

3 PRESIDING OFFICER NICOLELLO:

4 Hearing none. All in favor signify by
5 saying, "Aye".

6 (Whereupon, all members of
7 the Nassau County Legislature

9 PRESIDING OFFICER NICOLELLO: Those
10 opposed.

11 (Whereupon, no verbal

13 PRESIDING OFFICER NICOLELLO:

14 Carries unanimously.

15 Item 4, Ordinance 10 an ordinance
16 making certain determinations pursuant to
17 the State Environmental Quality Review
18 Act regarding an amendment to a license
19 and or operating agreement between the
20 County and Cornell Cooperative Extension
21 of Nassau County and authorizing the
22 County Executive of the County to execute
23 said amendment and all pertinent
24 documents.

25 Motion by Legislator Drucker,

1
2 seconded by Legislator McKeivitt.

3 MR. WALSH: Good evening,
4 Legislators. Kevin Walsh from the Office
5 of Real Estate Services. This is an
6 amendment to a license agreement for
7 Cornell Cooperative Extension. They have
8 a current agreement that expires in 2030
9 to operate East Meadow Farm. This
10 amendment is going to allow a further
11 extension of that license agreement so
12 they continue to serve the East Meadow
13 community and the County with various
14 Cornell Cooperative programs.

15 They're going to also going to be
16 receiving a grant from Covanta, and the
17 county is committing to provide a
18 matching grant of \$400,000 or a maximum
19 \$400,000 to build a new dynamic learning
20 center which is going to serve schools
21 and the community in the area. So any
22 questions?

23 PRESIDING OFFICER NICOLELLO: Any
24 questions?

25 LEGISLATOR GAYLOR: Hey, Mr. Walsh.

1
2 MR. WALSH: Good evening,
3 Legislator.

4 MR. WALSH: So I know this is East
5 Meadow Farm, but since I have you here, I
6 want to ask you about the Malverne farm
7 and the Land Trust. Their lease is
8 expired. They've been operating without a
9 lease now for two years or so.

10 MR. WALSH: Yes, I know. During the
11 pandemic, they continue to operate. We've
12 been talking. That's kind of our next
13 farm we're really going to be focusing
14 on.

15 LEGISLATOR GAYLOR: What kind of
16 timeline are we talking about?

17 MR. WALSH: They've made a proposal
18 of some changes and some capital, so I'm
19 hoping I'm going to have it here, you
20 know, hopefully by the summer.

21 LEGISLATOR GAYLOR: All right. Thank
22 you.

23 MR. WALSH: Thank you.

24 PRESIDING OFFICER NICOLELLO: Yes.

25 LEGISLATOR WALKER: I don't know if

1
2 the two I should ask either, but this is
3 Cornell Cooperative still involved with
4 the Four H camp out in Suffolk that I
5 know they were trying to have a few more
6 involved in.

7 MR. WALSH: Yes.

8 LEGISLATOR WALKER: Where are we
9 with that?

10 MR. WALSH: Yes. And we're also
11 working with them on the Four H farm out
12 in Riverhead. You're correct. Another
13 item that likely will be before this Body
14 in the future.

15 LEGISLATOR WALKER: Okay. Thank
16 you.

17 MR. WALSH: Thank you.

18 PRESIDING OFFICER NICOLELLO: Any
19 other questions?

20 (Whereupon, no verbal

22 PRESIDING OFFICER NICOLELLO: No.
23 Thank you. Appreciate it.

24 Okay. All in favor of the item

9 PRESIDING OFFICER NICOLELLO:
10 Carries unanimously. Thank you.

11 MR. WALSH: Thank you.

12 PRESIDING OFFICER NICOLELLO: Items
13 15 and 16, Resolutions 34 and 35. These
14 are resolutions authorizing the County
15 Executive to execute inter-municipal
16 agreements with the Village of Sea Cliff
17 and the City of Glen Cove, in relation to
18 to a project to procure and install
19 playground equipment and in relation to
20 improvements to the Veterans Memorial
21 Monument Park.

22 Motion by Legislator
23 DeRiggi-Whitton, seconded by Legislator
24 Schaefer.

25 These two items need amendments to

1
2 update the Deputy County Attorney
3 information to reflect current staffing
4 in the office. Its amendment is for is
5 the same for both items.

6 Motion to amend by Legislator
7 DeRiggi-Whitton, seconded by Legislator
8 Schaefer. Any debate or discussion on
9 the motion to amend?

10 (Whereupon, no verbal
11 response.)

12 PRESIDING OFFICER NICOLELLO: All in
13 favor of closing the hearing signify by
14 saying, "Aye".

15 (Whereupon, all members of
16 the Nassau County Legislature
17 respond in favor with, "Aye".)

18 PRESIDING OFFICER NICOLELLO: Those
19 items are amended. On the items as
20 amended, any debate or discussion?
