WHEREAS, the Commissioner of Public Works, Department of Public Works (hereinafter, "Department") for the County of Nassau, New York, has determined that, as a result of the fire, the Precinct is unusable and in need of a complete replacement (see Exhibit A [email dated November 27, 2022 from Ken Arnold, Commissioner of the Department, detailing the damage caused by the fire to the Precinct] attached hereto); and

Subject: Second Precinct Emergency

CE/CDCE/DCE

As you are aware last night there was a significant fire at the above referenced facility. Fire/water and smoke damage extends throughout the building and it is the opinion of the Department that due to both the damage from the fire and the age of the facility the best course of action is to proceed with a complete replacement of the building. The Department has a model precinct that has been used at the 4th and 1st previously. It is the intent of the Department to utilize this model for the 2nd. This facility being a critical requires an emergency declaration for the department to expeditiously proceed.

Currently, the Department will utilize the declaration to proceed with the immediate cleanup needs in order to secure critical building contents utilizing our on call abatement contractor, utilizing LiRo Engineering for design services associated with the replacement building and procurement of the general contractor for the new facility. Under discussion is whether the current building should be immediately demolished. If determined yes that would also require the declaration. I am not sure if there are any services that PD will require under the emergency. The temporary trailer complex being considered we currently believe will be handled by existing contracts that have contract capacity.

Thankyou.

DPW Summary Finding

It is the Department's opinion that based on the information known to the Department and summarized in this memorandum, that the vendor is a responsible contractor for the purpose of being awarded the above-referenced contract.

NYS Standard for State and Municipal Contract Approval

Prior to the award of a contract, New York State agencies and political subdivisions, are required to make a determination of responsibility of the proposed vendor. State Finance Law §163 (9) (f); Highway Law §38; Public Building Law §8; General Municipal Law §103. General Municipal Law §103 requires the County to award contracts to a "responsible bidder" but does not define that term. However, the State Finance Law, which is the analogous law for contracting by New York State agencies, defines responsible as: "financial ability, legal capacity, integrity and past performance of a business entity and as such terms have been interpreted relative to public procurements." NY CLS St. Fin §163 (1) (c). This standard is equivalent to the standard applied to procurements pursuant to NYGML §103. *Matter of AAA Caring & Rubbish Removal, Inc. v. Town of Southeast* 17 N.Y. 3d 136 (2011)

The NY State Office of General Services employs the FLIP analysis -financial ability, legal capacity, integrity and past performance – to meet its obligation to make a responsibility determination.

Application of the FLIP test

As explained in this memorandum, the FLIP test, can be used to evaluate a vendor's responsibility.

1. Financial and Organizational Capacity

The Department has reviewed materials supplied by vendor as required by the bid documents and is satisfied that the vendor has met the financial and organizational capacity as required by the bid documents.

2. Legal Authority

Vendor is not debarred. Vendor possesses requisite licenses.

3. Integrity

Vendor possesses requisite business integrity-analysis of vendor information described in later portion of this memorandum.

4. Past Performance

Based upon the vendor's prior performance on County contracts, as well as a check of vendor's reference, vendor is qualified to perform the work for the above-referenced contract.

Nassau County Procurement Policy Requirements

Similarly, the Nassau County Procurement Policy states that, "a vendor is deemed responsible to be awarded a contract when it has demonstrated that it has the integrity and capacity to perform the required services on behalf of the County." Nassau County Procurement Policy at Appendix E. Appendix E goes on to state that factors to consider in determining the responsibility of a vendor include: financial resources, organizational capacity, a satisfactory record of performance and a satisfactory record of business integrity - an analysis identical to the FLIP test.

For purposes of its consideration of responsibility, the County requires potential vendors to submit vendor disclosure forms. Those forms are used by the Department as a tool when conducting a vendor responsibility review with the intent of determining "if there exists any material adverse information impacting the vendor's capacity or integrity." Quoting Appendix E.

The following is quoted from Appendix E:

For adverse information to be considered a factor in a vendor responsibility review, the information must be found to be material. Not all adverse information may be material. Materiality is greater for more recent events than for less recent ones, and materiality is greater for events concerning services more closely related to those required by the County than services that are less so. An event is considered most material when it concerns services equivalent or similar to those required by the County, has occurred recently, occurred in close geographic proximity to the County, and involves one or more individuals or organizational departments that may be involved in the conduct of the County contract. Also relevant in this assessment is whether the event involves a relatively large or small amount of money, services or product; whether the event involves a threat to life, health, safety, or property, whether criminality or possible criminality is involved; and the quantity of adverse information. In addition, any adverse information discovered by a department, which should have been, but was not disclosed by the vendor on the appropriate disclosure form(s) may be considered material.

Examples of adverse information that may not be considered material include adverse social media posts or poor reviews of a company posted on the internet. In addition, adverse information that occurred and/or was resolved more than five years ago generally is not considered material, although once such information has been identified the department conducting the review should investigate whether any similar subsequent event(s) occurred that may be subject to further analysis or suggesting a concern regarding the vendor's corporate culture.

A finding of nonresponsibility has significant implications for the vendor, since subsequent to that determination the vendor must disclose it in future solicitation responses to public entities. Therefore, the finding must be based upon evidence of a sufficiently severe failure of capacity and/or integrity on the part of the vendor. Any adverse information which is not deemed to be sufficient for a finding of

LiRo Engineers, Inc.
Responsibility Determination Memo

nonresponsibility must be demonstrated by the vendor to have been addressed sufficiently through implementation of corrective actions and/or plans to ensure that the adverse event(s) shall not impact or recur during the conduct of the County contract under consideration. Corrective actions that may be considered in this regard include, but are not limited to, termination of the employee(s) involved, introduction of new policies and procedures, employee trainings, reorganization of the vendor's structure, introduction of new internal or external monitors, payment of all fines, satisfactory resolution of the matter by the investigating entity, etc.

Application of the Materiality Evaluation to Determine Vendor Integrity

As described in this memorandum, the Nassau County Procurement Policy at Appendix E identifies factors that should be considered when determining if the adverse information available about a vendor rises to level of materiality (vendor responsibility determination is dependent upon material information).

Adverse Information Review

The adverse information reported on the vendor's Business History form is not material. Vendor reports that it was delinquent in filing commercial rent tax returns related to its lower Manhattan office space for the years 2012-2020. Vendors reports it has hired a new accountant and has provided proof to the County that it has filed the returns and paid the taxes plus interest. The Department has concluded that the vendor is a responsible vendor for the performance of the scope of work in Contract B90406-01DL.

Ayad,

Please see attached, confirmation of electronic filing of returns for the periods 2015 - 2020 (last 5 years). For some reason, we are having trouble electronically filing the remaining 4 returns for the earlier years. Working diligently to resolve. Are the returns that have been filed sufficient to resolve the clearance issue today?

Please let me know and thank you again for your assistance.

Subject: Resolution of LiRo Delinquent Tax Payments

All, the purpose of this email is to provide status of this issue and related relevant information.

On July 30, 3030, LiRo Engineers Inc.,(LiRo) mailed via USPS our delinquent Commercial Rent Tax filings along with the required payments for the period 2012 to present to the NYC Department of Finance (DOF).

Numerous inquiries via Email and phone were made to the DOF to obtain acknowledgement of receipt of LiRo's tax return and payments on the dates noted below:

- 1.Voice mails were left on general mailbox at the DOF office on August 3rd through August 5th:
- 2.Email inquiry were sent via the DOF website on August 3rd through August 6th.

In addition, on July 30, 2020, LiRo notified senior staff at DDC to inform them that the tax filings and required payments had been made, as well as our efforts to contact DOF tax clearance in an attempt to promptly resolve the Pass Port non-compliance status. LiRo also contacted MOCS on August 4th in a further attempt to expedite resolution. Our request was referred to the help center at MOCS, but we have not heard from them as of today. A follow up request was sent today as well.

Furthermore, numerous emails were sent to Ranjitsinh Vaghela from DOF Tax Clearance on July 30th through August 3rd requesting assistance in obtaining acknowledgment of LiRo's taxes, payments and Tax Clearance approval on LiRo's Passport account. Via subsequent email correspondence, we were advised by Ranjitsinh that it takes two weeks for them to process both the tax filing and payment and that nothing more can be done until the processing was complete. We were advised to check back in 2 weeks with regards to DOF Tax Clearance approval on our Passport account. We were also advised that any associated penalties would be assessed by DOF at a later date. Subsequently, on August 4th, LiRo emailed Anthony Salta from DOF Tax Clearance requesting additional assistance in obtaining acknowledgment of LiRo's tax payments and Tax Clearance approval of LiRo's Passport account status as well. He has not responded to our request. **We have confirmed today, that all required tax and interest checks (9 checks in total) for all delinquent years cleared payment on August 3rd (copies of the cleared checks are attached).**

At this time, we have provided all necessary information and payments necessary to resolve this issue. Any assistance you can provide to finalize this issue with the DOF Tax Clearance department would be greatly appreciated.

DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo**

TO: Office of the County Executive
Att: Arthur T. Walsh, Chief Deputy County Executive

FROM: Department of Public Works

DATE: February 28, 2023

SUBJECT: Approval of Contract Amendment
To: ~~LiRo Architects & Planners, P.C.~~ LiRo Engineers, Inc. (R. LaBaw)

R. LaBaw 6/23/23

This amendment will amend the County's contract with ~~LiRo Architects & Planners, P.C.~~ LiRo Engineers, Inc. (LiRo), to modify the maximum amount to be paid to the Firm for the Firm's services under the terms of the original agreement permitting the Firm to continue performing On-Call Building Design work. LiRo is currently performing architectural/engineering services for the County in connection with the construction of a new precinct station house for the Nassau County Police Department's Second Precinct, as the former station house was damaged beyond repair by fire. LiRo, having developed the prototypical precinct station house, and having previously designed station house buildings for the First Precinct, Fourth Precinct, and Eighth Precinct, was retained on an emergency basis for their technical expertise and the ability for the County to realize significant A/E fee value associated with reprogramming, design development, and construction document preparation.

Project Cost for these Professional Services is One Million Eight Hundred One Thousand Two Hundred Eighty-Seven Dollars and Four Cents (\$1,801,287.04).

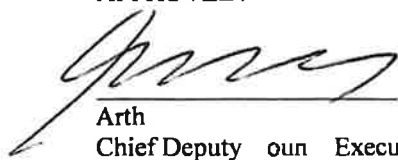

Funding for this amendment will be available from Capital Project 50680. Please sign this memorandum signifying your approval or disapproval of this contract amendment and return this memorandum to this office.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Firm agrees as follows:

- (i) Firm shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, constitutes a material breach of this Agreement, such breach

being determined solely by the County. Firm has the right to cure such breach within thirty days of receipt of notice of breach from the County. 9. Indemnification; Defense; Cooperation.

(a) The Firm shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Firm or a Firm Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any

threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Firm shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of an indemnified party.

(b) The Firm shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Firm's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Firm is responsible under this Section, and, further to the Firm's indemnification obligations, the Firm shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Firm shall, and shall cause Firm Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Firm and/or a Firm Agent in connection with this Agreement.

(b) By the Firm. This Agreement may be terminated by the Firm if performance becomes impracticable through no fault of the Firm, where the impracticability relates to the Firm's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Firm delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Firm is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Firm's right to terminate under this subsection. A copy of the notice given to the

Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Firm Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Firm shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Firm's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

13. Accounting Procedures; Records. The Firm shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Firm is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Firm shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Firm shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Firm shall allege that the above-described actions and inactions preceded the Firm's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Firm is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Firm is using a Firm Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Firm Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of law provisions thereof.

17. Notices. EXHIBIT "EE"

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Firm shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Firm shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, up-gradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Firm will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, up-gradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Firm shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Firm's obligations herein.

(c) The Firm shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Firm shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Firm shall, in its advertisements and solicitations for Sub-consultants, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Sub-consultants must be equal opportunity employers.

(f) Firms must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Firms for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Sub-consultants so that, to the greatest extent feasible, all Sub-consultants will be approved prior to commencement of work. Any additions or changes to the list of Sub-consultants under the utilization plan shall be approved by the Commissioner of the Department

of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Firm to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Sub-consultant approval has been requested and prior to being granted, the contracting agency may require the Firm to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Firm to submit such documentation at any time after Sub-consultant approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Firm must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Firm must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Firm's Subcontracts and Firm's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Firm shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Firm shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Firm has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations,

shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The Firm shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Sub-consultant and shall complete all forms provided by the Executive Director or the Department Head relating to Sub-consultant utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Firms or Sub-consultants in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Firm shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Sub-consultant as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Firm, listing the procedures it has undertaken to procure Sub-consultants in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term “County Firm” means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a Firm, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Sub-consultant.

As used in this Appendix EE the term “County Firm” shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE “Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises” shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Firm reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Firm welcomed bids and quotes from M/WBE Sub-consultants. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Firm’s affidavit with a notary’s signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Sub-consultants to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE Sub-consultants encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation.
- d. Proof or affidavit that M/WBE Sub-consultants were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Firm that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed

unqualified by the County Firm shall be included in the Best Effort Documentation

- g. If an M/WBE is rejected based on cost, the County Firm must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Sub-consultants by the County Firm must also be included with the Best Effort Documentation
- i. County Firms may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Firm.

As used in this Appendix EE, the term "Sub-consultant" shall mean a person or firm who performs part or parts of the contracted work of a prime Firm providing services, including construction services, to the County pursuant to a county contract. Sub-consultant shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime Firm that are necessary for the prime Firm to fulfill its obligations to provide services to the County pursuant to a county contract. Sub-consultant shall not include a supplier of materials to a Firm who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a Firm, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring Firms to retain or submit documentation of best efforts to utilize certified Sub-consultants and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.
