1  
2 As always, we start out with a  
3 presentation of our Top Cops for the  
4 month. I believe we are having a joint  
5 presentation this time by the PBA and the  
6 Superior Officers. Mr. Frasetti and Mr.  
7 Shevlin, if you would come to the podium,  
8 please.

9 MR. SHEVLIN: Good afternoon.

10 I just want to thank you once again  
11 for honoring our Top Cops and Top  
12 Supervisors, Top detectives. It's very  
13 important that we come here every month  
14 and recognize all of the hard work and  
15 dedication that our brave men and women  
16 in blue do on a daily basis.

17 On December 21, 2023, Sergeant  
18 Harracksingh and Police Officer  
19 DiGregorio were in the Fifth Precinct  
20 when a radio assignment came out for an  
21 armed robbery in West Hempstead. The  
22 suspects were four males who fled the  
23 scene in a black Kia. A separate radio  
24 notification was transmitted from  
25 Hempstead PD about an armed robbery that

1  
2 happened at the 7-Eleven in Hempstead,  
3 where four males were fleeing the scene  
4 in a Kia. Officer DiGregorio, while  
5 patrolling Elmont, observed the black Kia  
6 Soul and did attempt to pull the vehicle  
7 over. The vehicle refused. Officer  
8 DiGregorio transmitted over the radio a  
9 description of the vehicle. The sergeant,  
10 while canvassing the area, observed the  
11 vehicle. That vehicle intentionally  
12 collided into the sergeant's marked  
13 police vehicle.

14 The sergeant continued to follow the  
15 vehicle and then the vehicle collided  
16 into parked cars and four males exited  
17 the vehicle and ran away. They engaged  
18 into a foot pursuit where they  
19 apprehended one of the males, and the  
20 sergeant apprehended the other male.  
21 Other responding officers who were there  
22 to back them up apprehended the other two  
23 males.

24 Due to the circumstance of the  
25 incident, Sergeant Harracksingh is still

1  
2 out of work recovering from his injuries.  
3 This is a perfect example of how our  
4 brave men and women risk everything, we  
5 get hurt, and unfortunately, a lot of  
6 police officers get killed protecting our  
7 communities that we serve. We don't take  
8 this lightly, and we thank you for not.

9 Because of their bravery, the four  
10 subjects were taken off the street and  
11 charged with numerous felonies, which  
12 included possession of a weapon.

13 The PBA is proud to honor Sergeant  
14 Harracksingh and officer DiGregorio as  
15 Top Legislative Top Cops February 2024.

16 (Whereupon, applause.)

17 MR. FRASETTI: Good afternoon.

18 Before I begin, I wasn't here last  
19 month, so I want to congratulate everyone  
20 on their election and re-election, and  
21 the SOA forward to working with  
22 everybody.

23 And also, before I begin as well, I  
24 just want to congratulate one of our  
25 supervisors who's in the back protecting

1  
2 everyone every day, Sergeant Krukowski,  
3 who just had a baby girl. Him, his  
4 daughter and his other daughter, who was  
5 just born. Well, not him. His wife is two  
6 kids had the same birthday, so one in a  
7 billion odds. So congratulations.

8 (Whereupon, applause.)

9 MR. FRASETTI: Probably wants to  
10 kill me now, but that's all right.

11 A supervisor's job is just that; to  
12 supervise. In this circumstance, Sergeant  
13 Kerry Harracksingh -- I think I'm just  
14 going to go with Sergeant H after that,  
15 I'm going to repeat his name a few times.

16 Sergeant H only had been promoted  
17 three months prior to this incident, one  
18 of those months was in training, so he  
19 literally only had two months on the  
20 street. But as the incident folded,  
21 Sergeant H, without hesitation, jumped  
22 into supervisor mode and immediately took  
23 control of this hectic situation. I'm not  
24 going into all the details because Tommy  
25 already did that, so we all got that

1  
2 already.

3 So Sergeant H took control and  
4 coordinated the police officers, as well  
5 as strategically situating the units to  
6 ensure civilian and officer safety, as  
7 well as a safe apprehension of the armed  
8 subjects.

9 Sergeant H, while coordinating, also  
10 responded to assist and accounted the  
11 subject's vehicle who intentionally ram  
12 Sergeant H. This caused Sergeant H's  
13 vehicle to spin around. The hit was so  
14 hard Sergeant H broke his finger, tore  
15 his rotator cuff, has numerous herniated  
16 discs in his neck and back, and also has  
17 a concussion. He's really not supposed to  
18 be out today because he's on sick leave.  
19 But we got a little dispensation. Right,  
20 Commissioner?

21 COMMISSIONER RYDER: Sure.

22 (Whereupon, laughter.)

23 MR. FRASETTI: But as we were  
24 speaking before, he's still going to  
25 numerous doctors. He's getting constant

1  
2 headaches. This was a horrible incident.  
3 But Sergeant Harracksingh never lost his  
4 composure and continued coordinating the  
5 police officers as well as following the  
6 subject's vehicle. The subject's vehicle  
7 a short time later on crashed into a  
8 parked car and the four subjects ran from  
9 the scene. Sergeant H immediately exited  
10 his vehicle and began chasing one of the  
11 subjects, while all the time not knowing  
12 if this is the subject that was armed  
13 with a gun.

14 Sergeant H, along with one of the  
15 police officers were able to apprehend  
16 the subject and place him under arrest.  
17 The three other subjects were also  
18 arrested by the other responding  
19 officers.

20 Due to the great teamwork and effort  
21 of the police officers and Sergeant H's  
22 supervision, all the subjects that were  
23 involved were apprehended and numerous  
24 cases were closed out, as these subjects  
25 were wanted from multiple jurisdictions

1  
2 as well as different detective divisions  
3 throughout the county.

4 If it weren't for the great police  
5 work from the police officers and the  
6 leadership of Sergeant Harracksingh,  
7 these subjects most likely would have  
8 continued to wreak havoc in Nassau  
9 County, committing more crimes, hurting  
10 individuals, and possibly worse.

11 It is for these reasons the Superior  
12 Officers Association is proud to stand  
13 here with the PBA and honor the police  
14 officer and Sergeant Harracksingh.

15 COMMISSIONER RYDER: Good afternoon  
16 and thank you again for giving us this  
17 time.

18 Both presidents just spoke about  
19 this situation, what the cops go through.  
20 We just all saw a *Newsday* this weekend  
21 about what's happened in Suffolk County,  
22 where there are four suicides by members  
23 of law enforcement. Mental health is a  
24 real challenge, not only in a public  
25 today, but in law enforcement. Our

1  
2 officers not only have to go home at the  
3 end of their tour, but they're going home  
4 beaten, broken bones, torn rotator cuffs,  
5 concussions that will last their whole  
6 career. This is some stress that goes to  
7 this Department and every other  
8 department.

9 Our prayers are with Suffolk County.  
10 I spoke to the Commissioner this morning,  
11 offering any assistance that we can to to  
12 their agency.

13 Tommy Shevlin goes above and beyond  
14 when it comes to mental health. All of  
15 our presidents of a union have done the  
16 same. But it is this Board that has  
17 turned around and made it actual law. And  
18 it should be law that is duplicated  
19 throughout the country. Because what  
20 these cops, these men and women, go  
21 through every single day, nobody will  
22 ever understand until you walk in their  
23 shoes.

24 Unfortunately, we get judged harshly  
25 on our actions and our reactions, but we

1  
2 want you to know that we are thankful and  
3 grateful for the support across this  
4 entire county that backs the men and  
5 women in the Nassau County Police  
6 Department. And especially grateful today  
7 for both the sergeant and the officer for  
8 the acts that they've done, protecting  
9 the communities here in Nassau County.

10 Thank you.

11 PRESIDING OFFICER KOPEL: Sergeant,  
12 would you like to --

13 SERGEANT HARRACKSINGH: Good  
14 afternoon, folks.

15 I just wanted to say thank you to  
16 the legislature, to the PBA, the SOA, and  
17 especially the Commissioner Ryder for  
18 giving us this opportunity to be here  
19 today. Thank you for honoring us. It is  
20 my pleasure and honor to serve the people  
21 of Nassau County, and I'm very grateful  
22 that I'm able to do so on a daily basis.

23 PRESIDING OFFICER KOPEL: Officer,  
24 would you care to say a few words?

25 OFFICER DIGREGORIO: Thank you, all.

1  
2 I'm very proud to be here. Grateful to be  
3 a member of this Department. Thank you,  
4 PBA. Thank you, Commissioner,  
5 Legislature. Thank you.

6 PRESIDING OFFICER KOPEL: That was  
7 eloquent and moving. Thank you both.  
8 You've done a terrific job. All of us  
9 appreciate everything that all of you do  
10 for the public here everyday of our lives  
11 and for making this such a safe county to  
12 live and work in.

13 Mr. Solages.

14 LEGISLATOR SOLAGES: Thank you,  
15 Presiding Officer.

16 To the presidents of both unions and  
17 to the sergeant and the police officer,  
18 thank you very much for your heroic  
19 actions in which you protected the  
20 residents of Elmont and the Third  
21 Legislative District who truly appreciate  
22 your presence, your engagement, your  
23 involvement in helping our young people  
24 and our businesses, keeping them safe. We  
25 thank you. I pray for your speedy

1  
2 recovery. I thank you for always being  
3 present in our community and we need you  
4 there. Thank you very much.

5 PRESIDING OFFICER KOPEL: Mr.  
6 Giuffre and then Mr. Gaylor.

7 LEGISLATOR GIUFFRE: In this world,  
8 there are sheep, that's us civilians;  
9 wolves, those are the bad guys; and sheep  
10 dogs. You keep the sheep safe. God  
11 bless you.

12 LEGISLATOR GAYLOR: It's a world of  
13 chaos we live in. There's no doubt about  
14 that. The State has screwed up the  
15 criminal justice system. Governor has  
16 messed it up. The Legislature has messed  
17 it up. Criminal justice reforms, get out  
18 of jail free, all these programs that the  
19 State has imposed upon us create a  
20 problem.

21 You, as my fellow legislator said,  
22 are that fine line that keeps Nassau  
23 County safe from the craziness that wants  
24 to penetrate from the City and from other  
25 places into our county.

1  
2 In the face of unknown danger, our  
3 law enforcement officers stand as that  
4 thin line that separates order from  
5 chaos.

6 Sergeant H and Officer D, if I may,  
7 embody the very essence of this  
8 commitment and willingness to put  
9 themselves in harm's way to protect us.  
10 But not only you, the entire police  
11 force, the entire law enforcement  
12 agencies that make up everything within  
13 the county to keep us safe and protected  
14 does the same thing. And despite being  
15 injured, you're still able to apprehend a  
16 bad guy. Bad guys that came to our  
17 county to do bad things. They were riding  
18 dirty and you caught them. God bless you.

19 I challenge you to keep doing that.  
20 The small little things that you see tend  
21 to be bigger things. We find guns, we  
22 find drugs, we find paraphernalia. It's  
23 because you are looking at the little  
24 things and keeping the quality of life  
25 here at a very high standard. It really

1  
2 does set you apart from everyone else out  
3 there. And we can't overstate how  
4 appreciative we all are. And I want you  
5 to know that this Legislature, at least  
6 on this side of the table, will continue  
7 to support you and the Commissioner in  
8 all and every aspect that we can. If you  
9 need something, ask for it. We'll vote to  
10 get it for you. Promise that.

11 Thank you again.

12 PRESIDING OFFICER KOPEL: Ms. Pilip?

13 LEGISLATOR PILIP: Thank you.

14 I also agree with my colleague,  
15 Legislator Gaylor. I cannot think about  
16 this county without you. The amount of  
17 time you put in outside, risking your  
18 life for us to have a safe county, it's  
19 amazing. And our job as a legislature in  
20 this county is to support you, to give  
21 you the support you need so you can do  
22 your job.

23 God bless you and thank you for  
24 everything you have done for us. Thank  
25 you.

1  
2                   LEGISLATOR DRUCKER: Thank you,  
3                   Presiding Officer.

4                   Just to comment on Legislator  
5                   Gaylor. You have the support of this side  
6                   of the aisle as much as they do. You'll  
7                   always have our support. You should  
8                   never worry about that. You know, we all  
9                   agree, all 19 of us. We are as certain  
10                  as the sky is blue that we are protected  
11                  on a day in and day out basis by the  
12                  finest and bravest men and women in the  
13                  law enforcement. We know that. We take  
14                  it for granted sometimes. But it's these  
15                  moments when you come before us with  
16                  these Top Cop awards that give us a dose  
17                  of cold water and say, really we need to  
18                  pay attention. And we do take notice of  
19                  it. Each and every day when we hear  
20                  incidents of the bravery and dedication  
21                  of your men and women, it warms my heart  
22                  and warms all of our hearts, and it makes  
23                  us feel proud that we are protected.  
24                  It's a testament to all of you and your  
25                  training and your dedication and

1  
2 commitment to serving.

3 As Commissioner Ryder has said many  
4 times, for you guys and gals, it's not a  
5 job. It's a calling. And I really believe  
6 that. And I think we all do believe that.  
7 So thank you on behalf of all of us  
8 today.

9 PRESIDING OFFICER KOPEL: Okay. We  
10 invite you all up to take a quick picture  
11 and presentation.

12 (Whereupon, citation  
13 presented. Photos taken.)

2 PRESIDING OFFICER KOPEL: This  
3 month, as all of you know, is Black  
4 History Month, and it is our custom to  
5 honor that. This year, we do have a  
6 particular person that we are going to  
7 honor, and that would be Ms. Lynette  
8 Carr-Hicks.

9 (Whereupon, applause.)

10 PRESIDING OFFICER KOPEL: It gives  
11 me gives me great pleasure to ask a  
12 Deputy Presiding Officer Tom McKevitt to,  
13 tell us all about it.

14 LEGISLATOR MCKEVITT: Sure. Thank  
15 you very much.

16 Obviously, February's Black History  
17 Month, and we always take an opportunity  
18 to go and salute a trailblazer from  
19 Nassau County who has contributed so much  
20 to the community. And this is a person  
21 who is certainly no stranger to this  
22 chamber and no stranger to any of us, but  
23 it is Lynette Carr-Hicks. She grew up in  
24 Westbury, went to college at the Berklee  
25 School of Music in Boston. She also

1  
2 received a master's degree in music  
3 education from LIU Post and Brookville.  
4 She started her career in Westbury High  
5 School in 2000 and then 2007 came over  
6 Uniondale High School in the music  
7 program, and then 2010 founded the  
8 Uniondale High School Show Choir. The  
9 name of it is The Rhythm of the Night,  
10 which again, is a great name which she's  
11 given to it.

12 Lynette has performed at our  
13 swearings in the past and they have  
14 performed throughout groups and through  
15 celebrations throughout the county. When  
16 you've seen them perform, you see a  
17 number of young people who are taught  
18 discipline, teamwork, performance arts.  
19 And this is not just simply singing, it's  
20 performing, and it's putting their whole  
21 heart and soul into the musical  
22 performance. And what we've seen here is  
23 simply breathtaking. Not only do we  
24 recognize this in Nassau County, but  
25 through a nation and the world. They've

1  
2 also performed on the Today show at CNN,  
3 The Steve Harvey Show, the Brooklyn Nets,  
4 the New York Mets, New York Giants, and  
5 even recently at Carnegie Hall.

6 So because, again, you have brought  
7 such great pride to Nassau County and  
8 instilling in these young people, not  
9 only these great skills, but skills they  
10 are going to learn the rest of their  
11 life, you have gone and improved hundreds  
12 and thousands of lives throughout your  
13 career.

14 So we just thought as a small token  
15 and show the community, we want to salute  
16 you as a trailblazer for Black History  
17 Month this year on our side. I do also  
18 know Legislator Bynoe, who represents  
19 Uniondale, would also like to add some  
20 words as well in her own.

21 LEGISLATOR BYNOE: Lynette. Lynette  
22 is a gem, a gem to many. A gem not only  
23 to the Westbury and Uniondale school  
24 districts, but she is a gem to the faith  
25 based community. She is rooted in her

1  
2 faith. She is a proud, proud member of  
3 the First Baptist Church of Westbury,  
4 where the pastor is Bishop Lionel Harvey,  
5 and that church is so blessed to have  
6 you. Because not only do you pour into  
7 the young people in our school districts,  
8 you embody them with a sense of purpose,  
9 even in the church. And I think that that  
10 is one of the most important  
11 contributions that you can make. And so I  
12 am indeed so incredibly proud to be not  
13 only in representation of our hometown,  
14 Westbury Dragons, but also to be in  
15 representation of Uniondale. So it's a  
16 double honor for me today.

17 So to mark that occasion, I went  
18 undercover and I had some help, and you  
19 might want to elbow your daughter sitting  
20 next to you (laughter). But I was able to  
21 speak, because our families are  
22 intertwined, I was able to get to Joy and  
23 talk a little bit about you and those who  
24 inspired you to take on this assignment,  
25 to be such a role model to our young

1  
2 people and to really birth out their  
3 gifts and their talents. She told me a  
4 few secrets about who has inspired you in  
5 the arts. And because this is the black  
6 history theme of this year, African  
7 Americans in Art, it is appropriate that  
8 you are our honoree.

9 And to mark that occasion, I wanted  
10 to do something very, very special  
11 because, Lynette, you know, our  
12 relationship transcends this place right  
13 here. I wanted to do something so that  
14 you would know that. And this caucus has  
15 joined together to put together a  
16 beautiful -- we commissioned someone to  
17 do something for you special. And so we  
18 have today a special award for you, where  
19 you're standing amongst those who have  
20 inspired you like Phyllis Hyman, Lalah  
21 Hathaway, Michael Jackson, Kirk Franklin  
22 and the like. I say you stand amongst  
23 giants because you are indeed a giant.  
24 Thank you for all that you do. May God  
25 bless you and keep you.

(Whereupon, applause.)

LEGISLATOR BYNOE: Many of you may not know her journey, and I'm not going to do it here today. But I'm going to say that perseverance is indeed a gift that God has given you, because you have been through your own challenges in this last year, and I've witnessed it with my own eyes, that God has more work for you to do. So keep striving and keep doing what you're doing, and it's never, ever lost on me at all. What you do for our community. God bless you.

PRESIDING OFFICER KOPEL: Would you like to come up to the podium and perhaps grace us with a few words?

MS. CARR-HICKS: Thank you so much. And I'm so honored. In 2022 and 2023, I had two brain surgeries, and I'm so blessed to be here and so blessed that you even thought of honoring me. And again, I thank you so much.

Thank you.

PRESIDING OFFICER KOPEL: You want

1  
2 to come up here and we'll take a --  
3 I'm sorry, did I interrupt you?

4 MS. CARR-HICKS: No, no, I am done.  
5 I'm done. Thank you.

6 PRESIDING OFFICER KOPEL: You want  
7 to come up? And Joy, you come too.

2 PRESIDING OFFICER KOPEL: We now  
3 have a period of public comment during  
4 which members of the public can address  
5 the Legislature as to pretty much  
6 anything you want.

7 For those of you who are not  
8 familiar with the rules, let me just go  
9 over them real quick. It is a one hour  
10 period, so we'll go to approximately 3:00  
11 today. If we don't finish during this  
12 one hour period, if we still have slips,  
13 we will go to the business of the  
14 Legislature and following that, those  
15 remaining people who have not yet had a  
16 chance to speak will be given a chance at  
17 that point.

18 Now, the public comment is limited  
19 to three minutes per speaker. It is not a  
20 period of debate with the legislators.  
21 It's not question and answer with the  
22 legislators. We are here to hear what you  
23 have to say. It's three minutes and we're  
24 done. Understand that those people who  
25 try to go beyond that, we will remind

1  
2 you. But if you try to go beyond that,  
3 what you're doing then is you're taking  
4 away time from other people. So please  
5 be fair and please be considerate of  
6 those other people.

7 We'll start off with David  
8 Dreishpoon.

9 MR. DREISHPOON: Thank you so much.  
10 My name is David Dreishspoon, and I am a  
11 recovering alcoholic. Opiates are a huge  
12 part of my story.

13 I live in Long Beach now, and I've  
14 lived on Long Island pretty much my whole  
15 life. I used to own a crazy catering  
16 business for movies and television, and  
17 we did the show Law and Order. And I  
18 learned a lot about the law, and I  
19 learned a lot about drugs, and I catered  
20 for that show for 14 years, but I drank  
21 and drugged for 40 years of my life.

22 I came into recovery. My brother  
23 brought me in because I asked for help  
24 four and a half years ago, and I remain  
25 sober. I'm in a recovery program.

(Whereupon, applause.)

MR. DREISHPOON: Thank you.

I'm in a 12 step recovery program.

Because of anonymity, I don't have to say the name of that program, but I have been involved in Opiates Anonymous. I'm in another fellowship now, but I sponsor guys who are pure opiates, pure heroin, pure pills, amphetamines. When I sponsor alcoholics, if they relapse, they have a good chance of getting to a car accident, hurting themselves or others. But if I sponsor a guy who is a pure heroin addict or absolutely does pills only, and if he goes out and relapses tonight, he has more than a 50% chance of dying because of fentanyl and all of the other things that they put in these drugs these days to kill people. I've sponsored men who have died. I have relatives who have died from alcohol poisoning, from opiate poisoning.

I stand before you because I know there's money that's there to be used for

1  
2 help. There is help. I wish that my  
3 family members and I wish that my friends  
4 and people that I sponsor would have  
5 asked for that help or would have got  
6 that help, but unfortunately, the  
7 resources just weren't there. But there  
8 are resources there, and I know that  
9 they're there and they can be used to  
10 help people. People like me. Just because  
11 I have a roof over my head and I have a  
12 job in a car, doesn't mean that I wasn't  
13 there struggling just like they are  
14 today. And with the help of rehab  
15 facilities, detoxes, transition centers,  
16 outpatient centers, these people can get  
17 the help that they need. Those places  
18 have to be open. Those places have to be  
19 funded.

20 So I ask you from the bottom of my  
21 heart, and I pray that you'll open up  
22 some of these funds and help these people  
23 for the rest of their lives, that they  
24 can get the help that I received.

25 Thank you so much.

(Whereupon, applause.)

PRESIDING OFFICER KOPEL: Thank you, sir.

Next is Kathryn DeSantis.

MS. DESANTIS: Thank you. My question is to the entire membership of the Legislature, I have not seen any real explanations of how the money that has been granted to our county by the federal government for the ARPA money, and also the opioid settlement money about what are the criteria that are used to dispense that money to organizations, and also how you decide how much money to go to each one of those organizations.

Also, what are the overall goals? What's your plan for using this money that is really such a gift from the federal government? So I would urge you, please, to take the opportunity to just put it out there with some really good interviews on news 12 or *Newsday* and explain it to people, because I'm not hearing it. And I think that's a real

1  
2 lost opportunity.

3 Thank you.

4 PRESIDING OFFICER KOPEL: Thank you.

5 Mr. Paul Gibson.

6 MR. GIBSON: Presiding Officer,  
7 members of the Legislature. Thank you  
8 very much.

9 I am this year celebrating my 40th  
10 year in Uniondale; 33 years of which I  
11 traveled to Manhattan and came back home  
12 every night. When I decided to retire ten  
13 years ago, there was an issue on the  
14 table that got me involved with the  
15 community. It was this issue of a divided  
16 Uniondale. That issue was resolved with  
17 the support of federal government  
18 representatives, New York State  
19 representatives, Town of Hempstead  
20 residents and others, and believe it or  
21 not, this Legislature. And it probably  
22 was comprised the way it looks now.  
23 Everyone agreed that Uniondale should be  
24 united, and steps were taken so that the  
25 district that was identified, other than

1  
2 Uniondale, was relabeled, and it was  
3 relabeled in the census. So it's here. So  
4 imagine my surprise that ten years later,  
5 we're still fighting this battle.

6 Now, a lot has happened in those ten  
7 years in terms of commercial development,  
8 residential development, and for a lot of  
9 reasons that, maybe economic, maybe  
10 social, as these things come into play,  
11 they assume areas that they're located in  
12 that even though they're in Uniondale,  
13 they called themselves something else.  
14 And you're going to hear from a lot of  
15 people tonight about the reasons why we  
16 won that fight before and why we need to  
17 win that fight again.

18 So I'm going to leave you with this.  
19 I'm not going to try and argue it. I'm  
20 going to leave you with this. I have two  
21 daughters. But suppose I have a son, and  
22 he goes to school and he sits down in  
23 class and his teacher says, Howard, I'm  
24 going to call you Gertrude, because quite  
25 frankly, we need to balance the class.

1  
2 Girls over here, boys over here. And  
3 Howard goes home -- no offense -- Howard  
4 goes home and he tells his mother and  
5 father, mama, that the teacher wants to  
6 call me Gertrude. And with righteous  
7 indignation, they run up to the school,  
8 and they figure it out that this teacher  
9 just made a mistake, and they get it  
10 corrected. But what happens six months  
11 later when the same teacher says, I'm  
12 tired of calling you Howard. I'm going to  
13 call you Gertrude again. Well, that's  
14 where we are. We have an identity. We are  
15 proud of our existence in Uniondale and  
16 we're going to fight again. And we're  
17 going to explain to you all individually,  
18 if you have to, why it makes sense.

19 Thank you for your time.

20 PRESIDING OFFICER KOPEL: Thank you.  
21 Dawn Tauster.

22 MS. TAUSTER: Good afternoon,  
23 Legislators.

24 It's been about a decade since I  
25 last had the privilege to address this

1  
2 Legislature. At the time, I wasn't  
3 advocating for myself or for my  
4 community. I was serving the County as a  
5 Deputy County Attorney. A few years  
6 later, after I left the office, my wife  
7 served as a Deputy County Attorney until  
8 she left last year. We worked hard for  
9 ourselves and for the County. We bought a  
10 home in Oceanside and we have two  
11 wonderful children.

12 In 2021, when I finally stopped  
13 fighting against myself and accepted that  
14 I was a woman and needed to transition,  
15 we felt fortunate to live in Nassau  
16 County. That feeling was shattered last  
17 week when Bruce Blakeman and Legislator  
18 Samantha Goetz held a press conference to  
19 demonize trans women and announce an  
20 unlawful executive order stripping our  
21 right to play sports. Blakeman and  
22 Goetz's press conference was a total  
23 repudiation of the humanity of trans  
24 people, implying that we are cheaters,  
25 liars and bullies. The message is

1  
2 obvious.

3 Having failed to win the  
4 congressional special election by  
5 fearmongering on immigration, the Nassau  
6 County GOP is going full bore on the  
7 anti-trans moral panic, and it is nothing  
8 but a moral panic. In the decades where  
9 trans women have been playing sports with  
10 other women, we haven't dominated or even  
11 generally been that competitive. Contrary  
12 to Legislator Goetz's claims, the  
13 biological process of transition serves  
14 to nullify the so-called advantages of  
15 birth. But even a dominant trans athlete  
16 doesn't deserve these restrictions. We  
17 deserve to be accepted for who we are,  
18 not treated with scorn or derision.

19 And for Blakeman and Goetz to call  
20 trans people bullies the very same week  
21 that news broke of the assault on and  
22 death of Nex Benedict, a non-binary teen  
23 in Oklahoma, it's clear that they want  
24 this county to be as hostile and harmful  
25 to trans people as any other. After all,

1  
2 if they think I'm a lying, cheating,  
3 dangerous bully, what other rights of  
4 mine will they seek to take away?

5 Well, Mr. Blakeman, Legislator Goetz  
6 and Mr. Cairo and everyone else in the  
7 Nassau GOP and elsewhere who wants to  
8 join in this moral panic, you will not  
9 take my rights without a fight. And that  
10 is a fight that you will lose.

11 PRESIDING OFFICER KOPEL: Judy  
12 Cataldo.

13 MS. CATALDO: Judy Cataldo,  
14 Bellmore, New York. And I'm also speaking  
15 on behalf of the Elmont Cultural Center,  
16 who happens to be a Haitian organized  
17 organization within Nassau County.

18 I'm just so disappointed. Every time  
19 I come here, I just hear some more  
20 rhetoric, and it's not what I grew up in.  
21 We came to Nassau County in 1953. I  
22 Listening to Mr. Grouper (PHONETIC). I  
23 mean, I'm sorry I mispronounced your  
24 name, but it seems like every time that  
25 there's a discussion here, it has to turn

1  
2 to politics and has to turn to rhetoric.  
3 It's like every moment that you have to  
4 speak, it's always disparaging. There's  
5 no unity here. What happened to Nassau  
6 County? We're supposed to be looking for  
7 the constituents. We get money from  
8 Covid, were directed to give it to the  
9 people. Everything is a battle. I don't  
10 understand what's wrong with you guys.  
11 It's not the way you were brought up.  
12 It's not the way you were raised. It's  
13 just a terrible situation. Do the right  
14 thing. You say you're here for the  
15 people, be here for the people. Show it.  
16 Stop with this political god -- I won't  
17 say it, but you know. Stop it, stop it!  
18 You're not working for the people of  
19 Nassau County. You're not working for the  
20 people of the United States. And it  
21 doesn't make a difference which political  
22 party you are. You're elected to do your  
23 duty. Do your duty.

24 PRESIDING OFFICER KOPEL: Lorraine  
25 Attias.

1  
2 MS. ATTIAS: Good afternoon. Thank  
3 you, members of the Legislature, for  
4 letting me speak. My name is Lorraine  
5 Attias. I'm an over 30 year resident of  
6 East Meadow, and I am a senior citizen.  
7 So what I want to say is that I know that  
8 the president allotted Covid money to  
9 Nassau County. That's our money. That's  
10 not your money. That's our money. That  
11 money was allotted so that we could help  
12 the people who live in Nassau County.  
13 You've been sitting on that money for the  
14 longest time.

15 Meanwhile, the gentleman that spoke  
16 about addiction, there are so many people  
17 that need help with addiction. There are  
18 so many seniors that need help with  
19 housing and many, many other issues.  
20 There are children in this county that  
21 need help. And what are you doing? You're  
22 sitting on that money. I don't know what  
23 you're sitting on it for. Is it building  
24 interest? I have no idea. This money is  
25 meant for us. We are the people who

1  
2 elected you to do work for us. Do it.  
3 Thank you.

4 PRESIDING OFFICER KOPEL: Lynn Krug.

5 MS. KRUG: Good afternoon, and thank  
6 you for the opportunity to speak.

7 I'm here today to express my grave  
8 concerns about how our county is being  
9 led, specifically in the way our county  
10 executive is failing to act in the  
11 interest of county residents.

12 For the fourth year running, tax  
13 assessments have been frozen despite his  
14 promises to fix the system. There's  
15 simply no excuse to keep kicking this can  
16 down the road. Residents should not have  
17 to continue overpaying or paying tax  
18 grievance firms. Get your act together.

19 In his blind quest to foist a giant  
20 casino on Nassau residents who don't want  
21 it, he is leading an effort to which  
22 rules are being bypassed and court  
23 rulings repeatedly ignored. The results  
24 are now a mess in which the Coliseum at  
25 this moment is not being run by anyone.

1  
2 The casino is not even built yet, and  
3 this could cost us bigly. He's deflected  
4 blame for the Coliseum mess onto the  
5 president of Hofstra University, Long  
6 Island's private university, it's the  
7 largest one, in a vendetta against a  
8 respected institution that dare to call  
9 him out for not following the county's  
10 own rules. These bullying tactics are  
11 clearly intended to send a message to  
12 anyone who dares get in the way of his  
13 goal of doing big things.

14 He is well known for his anti-mask  
15 and anti-vaccine mandate positions.  
16 Apparently, he's also anti hospital  
17 spending \$10 million of Covid relief  
18 funds on parades and golf tournaments,  
19 while UMC is on the brink of financial  
20 collapse.

21 Instead of attending our county's  
22 many needs, he's off fighting culture  
23 wars whenever he can get an audience.  
24 Just Google Bruce Blakeman, Fox News  
25 Bruce Blakeman, Newsmax. You'll lose

1  
2 count of the number of appearances. No  
3 wonder he has no time to run this county.

4 Our Culture Warrior executive  
5 recently pledged to protect girls by  
6 putting an anti-trans athlete ban in  
7 place, despite an inability to cite even  
8 one instance of this being a problem in  
9 our county. Could it be that he's just  
10 looking to trigger more Fox News and  
11 Newsmax appearances.

12 I could go on for three minutes and  
13 you'll know all about this. I do have to  
14 ask you, does this stuff make you proud?  
15 Does your conscience really allow you to  
16 stand by while this goes on? You do have  
17 a way to deal with this: New York State  
18 law, Article 4, Section 154(d), provides  
19 for the removal of the county executive  
20 for failure to perform the duties of his  
21 office in an honorable, competent, and  
22 reasonably efficient manner. I urge you  
23 to act on this with the same speed and  
24 urgency with which he has been working to  
25 secure casino license for his

1  
2 benefactors. Follow the rules.

3 Thank you.

4 PRESIDING OFFICER KOPEL: Chris  
5 Jacobs.

6 MR. C. JACOBS: Chris Jacobs,  
7 Uniondale.

8 To piggyback off what was said  
9 regarding the \$10 million of Covid money  
10 County Executive Blakeman wishes to spend  
11 in Nassau County 125th Anniversary  
12 Celebration. I find that to be a gross  
13 misuse of funds that can be used to help  
14 the residents of Nassau County with  
15 issues plaguing our community, such as  
16 mental health and homelessness.

17 I can cite examples such as, in  
18 Uniondale, we have a homeless man I see  
19 every day commandeering the sidewalks,  
20 and nothing's been done about him. I see  
21 homeless people all the time after they  
22 create encampments off of our highways  
23 and Meadowbrook, the Wantagh, all of  
24 them. So you can see that for yourselves.

25 I also see them when I go out to

1  
2 eat, I see them languish in our  
3 restaurants for extended periods of time.  
4 They to tell them to leave and they  
5 don't, and they smell up the restaurants.  
6 And that's not a good place to have  
7 people to eat.

8 I just feel that the money can be  
9 used -- it is your job is the legislators  
10 to be the checks and balances for County  
11 Executive. He's doing mismanagement with  
12 money and not governing correctly. It's  
13 your guys job to be the checks and  
14 balances. That's how government is  
15 formed.

16 Also I just want to touch on another  
17 topic. Legislator Bynoe, I know that you  
18 had attended the Uniondale PTA summit on  
19 February 2nd and you had mentioned  
20 something to be true, which is basically  
21 that a lot of times utilities do work and  
22 they don't seal the holes up correctly  
23 and stuff. And there's one right now. I  
24 just drove past it, coming here today in  
25 front of Turtle Hook. They did some work

1  
2 on it about three weeks ago. So if you  
3 can have that fixed they have two. Every  
4 day they swerve and hit the brakes,  
5 causes a traffic violations and it's  
6 dangerous for our residents. So please do  
7 handle that as soon as possible.

8 Thank you.

9 LEGISLATOR BYNOE: Mr. Kopel, may I  
10 address the speaker?

11 PRESIDING OFFICER KOPEL: You may  
12 dress quickly, but understand that when  
13 you do, you're taking away time from  
14 other people.

15 LEGISLATOR BYNOE: Sir, could you  
16 tell me which utility actually cut the  
17 road? If you know.

18 MR. C. JACOBS: I believe it was  
19 NatGrid, maybe. I know it was like three  
20 weeks ago. I had a lot going on, but I  
21 know by the time I would come home in the  
22 evening, on each end of Turtle Hook, they  
23 have one speed bump now that they didn't  
24 properly pave it, and the other ones like  
25 a dip hole. So every time you go to hit a

1  
2 people swerve in and out, hit the brakes.  
3 It's a traffic nightmare.

4 LEGISLATOR BYNOE: Okay.

5 Mr. Kopel, in the interest of doing  
6 our jobs, we should be able to speak to  
7 our residents when they come here to  
8 address us without it taking from their  
9 time.

10 MR. C. JACOBS: Yes, that's the  
11 definition of diplomacy.

12 LEGISLATOR BYNOE: Thank you.

13 PRESIDING OFFICER KOPEL: Jeanine  
14 Maynard.

15 MS. MAYNARD: Good afternoon. Thank  
16 you for this opportunity to speak.

17 I am here today to request and  
18 actually demand that legislation that was  
19 proposed by our legislator, Siela Bynoe,  
20 back in January called Title 20 (sic),  
21 get reintroduced to the Calendar and  
22 placed onto the Nassau County Legislative  
23 Calendar. That legislation addresses the  
24 community identity and name. And so I'm  
25 going to read the rest of the statement

1  
2 in the interest of time:

3 "Federal, state and town government  
4 recognized this issue with legally  
5 aligned decisions in our favor. Through  
6 decisive actions in history, the 2020 CDP  
7 process and updated map documented  
8 military history since 1917 of Mitchell  
9 Field, Uniondale. The New York State  
10 Resolution of 1984 all reinforced the  
11 community name of Uniondale and the Town  
12 of Hempstead resolution in 2015, with the  
13 2016 follow up that renamed a Special  
14 Protection Area for the fire coverage  
15 also reinforced the Uniondale naming  
16 throughout the entire district.

17 Nassau County government and  
18 departments are aware there are remaining  
19 consequences to safety and well-being of  
20 the Uniondale community, and where  
21 coordination of the community name and  
22 identity with other layers of government  
23 has stalled. This came to light in 2021,  
24 when the Nassau County Emergency  
25 Communications System, an upgrade, had

1  
2 problems with delays in real time site  
3 hazard information that was relayed with  
4 our Uniondale Fire Department.

5 So in January 2021, Congresswoman  
6 Kathleen Rice stepped into the  
7 discussions with Google and Google Maps  
8 to correct the problem so that we will  
9 get real time safety information".

10 This kind of danger to the community  
11 shows up periodically because of this  
12 mapping issue, and we're not content to  
13 sit here and do nothing about it. It's  
14 important that all areas be aligned,  
15 including Nassau County.

16 Now, in 2024, as Legislator Siela  
17 Bynoe is sworn in on January 4th, she's a  
18 legislator with the newly defined  
19 district boundaries and the new  
20 legislative office map that she's given  
21 is out of date for her area. So you, as  
22 the legislature, provided maps that are  
23 out of date, covering the boundaries of  
24 your own legislative body's area. You're  
25 asking us to trust you that you work with

1  
2 current information. So it  
3 disrespectfully showed the old  
4 controversial and locally retired naming.

5 These kinds of problems show that  
6 this is urgent, and we're asking that  
7 Title 20 (sic) be reintroduced to the  
8 Nassau County Calendar now.

9 Thank you.

10 PRESIDING OFFICER KOPEL: Patty  
11 Harris.

12 MS. HARRIS: She said it's Title  
13 90.

14 Good afternoon, everyone. In the  
15 headlines of *Newsday* on February 21,  
16 2024: "Small plane makes emergency  
17 landing on Southern State Parkway near  
18 Route 109, in East Farmingdale".

19 In *The New York Times*, April 15,  
20 2019: "A small plane crashed into the  
21 front of a home in Valley Stream, New  
22 York, into the power lines".

23 In the back of your minds, do you  
24 wonder why a plane is flying over your  
25 house so low? So your constituents have

1  
2 that same idea when they hear planes  
3 flying low over their homes. In  
4 Uniondale, the constituents hear many  
5 planes flying low between night and early  
6 morning.

7 Uniondale neighborhood is becoming a  
8 flight pathway. Each time we pray that  
9 the plane does not crash into our house,  
10 that's how low they are.

11 We ask that you call to redirect the  
12 flight path for our neighborhood homes.  
13 Do you know how scary it is to hear  
14 planes closely approaching your home? The  
15 image of how it would feel for veterans  
16 who are suffering from PTSD, a person  
17 with Alzheimer or dementia, senior  
18 citizens and heart patients waking up  
19 with the student pilots hovering over  
20 their homes.

21 The student pilots fly small engine  
22 planes and the big commercial planes,  
23 both are flying low over our homes. It  
24 takes me to wonder if these planes are  
25 supposed to be flying that low.

1  
2 I would like to know, have anyone on  
3 the legislative body made a comparison of  
4 the flight paths of the minority areas to  
5 areas of non-minority areas, because of  
6 the fact that why we have to have these  
7 planes so low over our house. These  
8 planes sometimes I have seen the legs  
9 come out, the landing gear come out and  
10 we was wondering, is that normal? Because  
11 sometimes I understand they have to go a  
12 different way, but constantly between the  
13 same time, in between the evening to the  
14 morning time. So have any of you ever  
15 compared that with the minority areas of  
16 non color areas?

17 PRESIDING OFFICER KOPEL: We're not  
18 doing question and answer. But I will  
19 tell you one thing. I live in Lawrence. I  
20 can practically shake hands with the  
21 pilots.

22 MS. HARRIS: I understand that.

23 PRESIDING OFFICER KOPEL: So that's  
24 not really an issue.

25 MS. HARRIS: It's not an issue?

1  
2 PRESIDING OFFICER KOPEL:. It's not a  
3 discrimination issue.

4 MS. HARRIS: Excuse me.

5 PRESIDING OFFICER KOPEL: We are not  
6 going to --

7 MS. HARRIS: You was talking for my  
8 last three seconds, so let me finish my  
9 last three seconds.

10 PRESIDING OFFICER KOPEL: Finish  
11 your last three seconds.

12 MS. HARRIS: Thank you.

13 I would like to tell you that  
14 Nostrand Gardens has written letters to  
15 the FAA, and I would like to know if you  
16 can find out why do we have to have these  
17 student planes flying over our house that  
18 low and why we have to have commercial  
19 planes flying that low over our homes.  
20 You may live in Lawrence, so maybe you  
21 should speak up on it.

22 PRESIDING OFFICER KOPEL: Monica  
23 Kiely.

24 MS. HARRIS: Have a nice evening,  
25 Mr. Kopel.

1  
2 PRESIDING OFFICER KOPEL: Yes. Thank  
3 you.

4 Monica Kiely.

5 MS KIELY: Hi, I'm Monica Kiely and  
6 I'm with "Say, No to the Casino".

7 Once again, I'm surprised that a  
8 Legislature that supports our Police  
9 Department so unanimously and so strongly  
10 also voted almost unanimously to usher in  
11 our country's second largest casino to a  
12 residential area and an area that's  
13 within walking distance of two colleges.  
14 So I want to remind you all that you  
15 cannot be tough on crime and usher in a  
16 casino. Those two things can live in  
17 your brain together. They're  
18 diametrically opposed. Casinos are well  
19 known to be crime magnets and crime  
20 incubation petri dishes. So you can't be  
21 tough on crime and say yes to a casino.

22 Now it looks like, thanks to the  
23 efforts of Hofstra University, that the  
24 process will come back to this  
25 Legislative Body. And I urge you all to

1  
2 listen to your constituents. We all know  
3 a lot more about what's going to happen.  
4 We all know a lot more about public  
5 opinion than we did a year ago. I urge  
6 you all to do it right this time.

7 There was a poll conducted by Siena  
8 College and *Newsday*, and that showed that  
9 more Nassau County residents don't want  
10 the casino than want the casino. I urge  
11 you to disregard the opinions of people  
12 who live in Suffolk. You represent  
13 Nassau.

14 Bruce Blakeman likes to talk about  
15 Long Island, Long Island, Long Island.  
16 He's not the executive of Nassau and  
17 Suffolk counties. He's the executive of  
18 Nassau County. More Nassau County  
19 residents don't want the casino than want  
20 it. And I urge you to remember who you  
21 represent. The people, the residents, the  
22 ones who don't want the casino. You don't  
23 represent the best interests of LV Sands,  
24 no matter where their political donations  
25 might be going. You don't represent them.

1  
2 You represent the people. And I want you  
3 to remember that.

4 And I want you to think about if  
5 this casino is allowed to be built, it  
6 will never be unbuilt. We will always  
7 have it. And I want you to think about  
8 the political landscape that will happen  
9 after the Sands is here. They are so rich  
10 and so powerful. You can see their power  
11 operating right now. What do you think's  
12 going to happen after they're here?

13 Mr. McKeivitt, specifically, you  
14 think you can keep them out of Eisenhower  
15 Park once they're here? I don't think so.  
16 And that'll go for everything else as  
17 well. They want their own zone. They're  
18 going to do whatever they want. If they  
19 get here, don't let them come here.

20 PRESIDING OFFICER KOPEL: Meta  
21 Mereday.

22 MS. MEREDAY: Lifting every voice  
23 and singing. Since this is black history,  
24 African American History Month, the least  
25 numbered month of the year, we know this

1  
2 is a leap year, I will try to stay within  
3 those three minutes, since I'm sure that  
4 earlier comment was largely directed at  
5 me because I'm usually the one that's  
6 here most of the time.

7 Where do I begin? First of all,  
8 there about seven items on this current  
9 agenda that have to do with claims that  
10 will compromise and settle. My concern  
11 is, why don't we have a fully vested  
12 inspector general back on board with  
13 Nassau County? Since I do remember a time  
14 when the Republicans were so anti an  
15 inspector general until Laura Curran won  
16 as county executive, and then that next  
17 week it was hell fire to get an inspector  
18 general on board. Now you got Bruce  
19 Blakeman -- and stop the blank check for  
20 Blakeman by the way. He's on board and  
21 now all of a sudden you're dragging your  
22 feet with an inspector general. Maybe  
23 some of those contracts or those  
24 compromises would not be in the situation  
25 it is to begin with that's impacting

1  
2 taxpayers.

3 I've also asked, and I'm hoping it's  
4 on the record -- maybe some of the  
5 statements that I've made get diluted out  
6 of the record -- I've asked, and maybe  
7 Newsday can actually get the information  
8 about the number and the cost to county  
9 lives, the settlements over the course of  
10 the year that are impacting taxpayers and  
11 the resources. Maybe, again, Newsday can  
12 get that question answered; What's the  
13 total figure for 2023?

14 All right. Now let's get to the  
15 issue at hand. I was here at the  
16 committee meeting when Rules voted to  
17 allocate funding to an advertising  
18 campaign that I still don't quite  
19 understand. When I'm looking at the  
20 headlines the other day that says NUMC  
21 once again is in jeopardy. This is the  
22 same hospital, the single public hospital  
23 for this county, for thousands of  
24 residents, that continues to get thrown  
25 under the bus, unless you're hiring

1  
2 friends and relatives for the higher paid  
3 administrative positions. Why is that? We  
4 have a hard working, dedicated veteran  
5 services agency over there that operates  
6 in something that resembles a double wide  
7 if you were in the South; it's an  
8 embarrassment. It's an embarrassment.

9 I've brought to this Body -- for  
10 those who think I'm just here about  
11 complaints and accusations, I brought to  
12 this body information in my role in the  
13 White House Office of Public Engagement,  
14 about the PAC bill before it became law,  
15 about the millions of dollars that we  
16 could bring to this county to address the  
17 needs for our veterans and their families  
18 over three years ago. And today, what is  
19 happening? Zero. Zilch.

20 Our law enforcement officers -- the  
21 commissioner, talked about the mental  
22 health issues with our law enforcement  
23 officers. Forty plus veterans are  
24 committing suicide every doggone day. We  
25 can't brag about what we have if we're

1  
2 not doing what we have for the  
3 underserved. Get up off your ass and out  
4 of Bruce's paycheck and represent the  
5 County, the residents, and our veterans.  
6 Thank you. I'm done.

7 PRESIDING OFFICER KOPEL: York  
8 Roberson.

9 MR. ROBERSON: Good afternoon. I'll  
10 be very brief. I've been a Uniondale  
11 resident for 46 years, since January  
12 12th, 1978. There was no East Garden City  
13 in Uniondale when I moved to Uniondale. I  
14 am in support of the Uniondale community  
15 and the Legislator Bynoe position on the  
16 Title 90 proposal to be placed on the  
17 Calendar.

18 Thank you.

19 PRESIDING OFFICER KOPEL: Natalie  
20 Longworth.

21 MS. LONGSWORTH: Good afternoon,  
22 honorable legislators. My name is Natalie  
23 Longworth, and I'm the vice president of  
24 the Uniondale Union Free School District  
25 Board of Education.

1  
2           On behalf of the Board of Education  
3           and the entire Uniondale School District,  
4           we unequivocally agree with the  
5           legislation proposed by County Legislator  
6           Siela Bynoe that would eliminate the use  
7           of the term "East Garden City" in all  
8           official Nassau County documents. We  
9           believe that this legislation will  
10          enforce accurate representations of  
11          Uniondale, foster a greater sense of  
12          unity among all of our residents, and put  
13          an end to a term that for too long has  
14          been associated with anti inclusivity and  
15          division in our community.

16          The term East Garden City does not  
17          adequately depict our geographic reality,  
18          as no part of this area shares a boundary  
19          with Garden City. While there may be a  
20          desire by some to be called East Garden  
21          City for development or economic  
22          purposes, we do not wish to disconnect  
23          ourselves from our vibrant community of  
24          color, as that would be an affront to  
25          every one of us who choose to live in

1  
2 this truly diverse place. It is  
3 especially hurtful to our children who  
4 are being made to feel inferior.

5 The relationship between a community  
6 and its local public school district is  
7 sometimes challenging, but it's always  
8 vital. The prosperity of both depends on  
9 their mutual collaboration and respect.  
10 The Uniondale Union Free School District  
11 is for everyone we answer to and support  
12 every member of this community,  
13 regardless of whether a resident has  
14 children in the Uniondale School District  
15 facility.

16 To use the term East Garden City in  
17 official county documents, is to give  
18 legitimacy and credence to a hurtful and  
19 divisive term. It has no place in our  
20 inclusive community, nor in our county  
21 government. The Uniondale Union Free  
22 School District supports Legislator  
23 Bynoe's legislation that would ban this  
24 practice from all Nassau County  
25 government actions and all forms.

1  
2 Thank you.

3 PRESIDING OFFICER KOPEL: James  
4 Jacobs.

5 MR. J. JACOBS: Good afternoon,  
6 Legislators. Thank you for letting me  
7 speak.

8 I just want to make a couple of  
9 comments and it's just me speaking my  
10 truth.

11 Like Mr. York Roberson stated and  
12 Natalie Longworth stated, when I moved  
13 out here over 30 years ago, there's no  
14 such thing as East Garden City. It was  
15 just dirt land before the Children's  
16 Museum was built, before Cradle of  
17 Aviation was built. When this open  
18 landscaping was part of the Hempstead  
19 plane, nobody wanted it and was okay to  
20 be called Uniondale. But once they got  
21 open, which was on what they call Museum  
22 Row, and became profitable, then its name  
23 was changed.

24 Now Blakeman is supposed to  
25 represent all the Nassau County, and as a

1  
2 shareholder, I do support Title 90 of  
3 Siela Bynoe's proposition to be put on  
4 the table to be discussed amongst your  
5 people.

6 I also support Siela Bynoe and  
7 making sure that all of us are fairly  
8 represented. I don't believe in political  
9 parties, but unfortunately when you see  
10 how things are, as they always tell me,  
11 my neighborhood elections matter and how  
12 people vote for their politics, it seems  
13 that we don't count. This is me sharing  
14 my truth.

15 Also, I was looking at this thing  
16 here and I see there was something for  
17 housing homeless. It's supposed to be  
18 \$175 million to the Town of Hempstead. I  
19 was just curious. Hopefully, when that  
20 moneys get sent there's accountability.  
21 Because Ms. Meta Mereday all the time  
22 advocates for veterans and homeless, but  
23 yet when she goes to the Town, it's like  
24 the money do a Houdini trick. Just  
25 sharing my thoughts.

1  
2 But I appreciate you listening to us  
3 and let us speak our truth. But here's  
4 the thing I know to be true, I know  
5 elections do matter. I know people wish  
6 to be heard, even that they're not part  
7 of the political donor class. But in the  
8 same token, when I speak to people, at  
9 least they look me in the eye. It's okay  
10 to look at your phones, to look away, I  
11 get that. I am of the old school that  
12 you give respect, you supposed to receive  
13 respect in return.

14 And forgive me for my cadence,  
15 because sometimes I have to learn not to  
16 speak fast, but to speak in a certain  
17 tone so everybody can understand me. But  
18 then at the same token, I just want to  
19 make sure that Title 90 be on the table  
20 for us to discuss amongst yourselves. And  
21 hopefully you vote to keep Uniondale  
22 whole. Because here's the thing I know to  
23 be true, if certain things like the  
24 casino was put in your backyard, you'll  
25 raise a whole kind of heck about it.

1  
2 But I have a problem with that whole  
3 proposition that why that's going to be  
4 built first -- well, there's other  
5 issues, but the thing about it, they want  
6 to build that first. And then four years  
7 later they build all the other things  
8 that they promise. And that to me is  
9 basically bait and switch and a cat on a  
10 stick.

11 So just saying my truth to what I  
12 believe was going to happen, because when  
13 I moved to Nassau County over 30 years  
14 ago because of quality life, it was truly  
15 a suburb. And if you pay your fair taxes,  
16 you took care yourself first, make sure  
17 you live in a decent neighborhood and  
18 you've got excellent fire protection,  
19 police protection and so forth, people  
20 like coming out here. But now it looks  
21 like it's all about business and who's  
22 going to cut people checks.

23 Thank you for letting me share my  
24 truth.

25 PRESIDING OFFICER KOPEL: Thank you.

1  
2 Marie Reimers.

3 MRS. REIMERS: Good afternoon,  
4 everybody.

5 I don't even want to come here  
6 anymore. Not only that, I pay my taxes.  
7 Every time I come here, I have to take  
8 time from work to come here. And to me,  
9 it's like you sit down here and just  
10 making fun of people.

11 Well, today I ask that we put in the  
12 record about the casino. You guys are  
13 pretending that you don't know. You know  
14 very well, because Sands it's partnering  
15 with ACF for a \$200,000 grant to open two  
16 centers, one in Hempstead and one in  
17 Hicksville, because they already know  
18 when the casino come, there will be  
19 addiction and people will need treatment.  
20 So they're doing it. So you guys cannot  
21 say you don't know, you know very well.  
22 So I put it on the record. You guys  
23 cannot say you don't know anymore. Stop  
24 playing with people's life. Don't do it.  
25 Because when your time is finished,

1  
2           you're just going to go away. But the  
3           people that become addicted to the  
4           gambling, they will lose their home, they  
5           get divorced, they don't have  
6           relationship with their kids anymore. Why  
7           are you guys doing that for? Just because  
8           taxpayers are paying you to have a good  
9           life?

10           We understand this is not an easy  
11           job. We understand sometimes you guys get  
12           hurt. We appreciate what you do. But  
13           lately, I'm lost; completely lost. I  
14           don't have no clue what you're doing.

15           You guys are acting with Blakeman.  
16           You cannot tell him no. He's not a mafia  
17           boss. He's not. So you guys have to talk  
18           to him. The money comes through from the  
19           federal government to help the county. He  
20           hold the money. He's not using it. Which  
21           one of you is standing up to him besides  
22           Miss Delia? Who else is? There's 17  
23           people here. She cannot be by herself.  
24           That's not right. Have some shame. You  
25           can let her hanging, just her, only to

1  
2 fight him. So what does that supposed to  
3 mean? She's a lunatic? What does that  
4 supposed to mean? Are you guys her  
5 colleague? Where is the help you giving  
6 her?

7 You call Blakeman's office. He  
8 doesn't answer. People come here, talk to  
9 you. You sit down looking at people like  
10 they come from the Twilight Zone. Nobody  
11 here come from the Twilight Zone. What's  
12 going on? Tell me. You guys are not  
13 taking questions. When people call your  
14 office, you're not answering. What is  
15 that? A dictatorship? This is Russia?  
16 This is no longer America. Guys, wake up.  
17 Wake up. Miss Delia, thank you so much  
18 for your job.

19 PRESIDING OFFICER KOPEL: Fitzroy  
20 Morgan.

21 MR. MORGAN: Good afternoon. I'm  
22 here to speak on behalf of a united  
23 Uniondale. I'm asking for Title 90 to be  
24 placed on your next calendar meeting.

25 My name is Fitzroy Morgan. I'm a

1  
2 father of two. I live in Uniondale. I'm  
3 one of the fire commissioners in the  
4 Uniondale Fire District.

5 It's about doing the right thing.  
6 Myself as a commissioner who is elected,  
7 I swear to my the residents and  
8 constituents to do the right thing, to  
9 always do the right thing. I know  
10 sometimes it may be difficult because  
11 there's influence from outside, but  
12 there's nothing wrong with doing the  
13 right thing.

14 One of the things that I try to  
15 teach my kids, although they have  
16 influence from social media and other  
17 things: You know what's right, do the  
18 right thing. It's easy. You're not  
19 reinventing the wheel. The Federal  
20 Government already recognizes Uniondale.  
21 The State already recognized Uniondale.  
22 The Town of Hempstead already recognized  
23 Uniondale. We're asking that you join in  
24 recognizing Uniondale. Do the right  
25 thing.

1  
2 Most of you may not travel through  
3 Uniondale, or you may not know where the  
4 borders are in Uniondale. But you know  
5 what the right thing is to do. Do the  
6 right thing. It's easy. It's not that  
7 hard. Most of you are role models to  
8 young adults, and one of the things I'm  
9 sure that you guys preach to them is you  
10 know what's right from wrong. The right  
11 thing is easy to do. I'm asking you, do  
12 the right thing for the residents of  
13 Uniondale.

14 Thank you.

15 PRESIDING OFFICER KOPEL: Pearl  
16 Jacobs.

17 MS. JACOBS: Pearl Jacobs,  
18 Uniondale.

19 The Federal Government, New York  
20 State, and the Town of Hempstead have  
21 officially recognized a unified  
22 Uniondale. Residents of Uniondale request  
23 that proposed legislation, Title 90, be  
24 put on the Legislative Calendar. This  
25 issue has remained at a standstill way

1  
2 too long, and residents have been and  
3 continued to be disrespected. Thank you,  
4 Legislator Bynoe.

5 Next, stop the blank checks.  
6 Regarding the misappropriation of Covid  
7 relief monies, homeless people that are  
8 living on our streets and in encampments  
9 across our county can benefit, can  
10 benefit from the \$10 million that County  
11 Executive Blakeman wants to use to throw  
12 a party.

13 Yesterday, County Executive Blakeman  
14 was a guest on Channel 7 Up Close, where  
15 he spoke regarding fairness and equity in  
16 sports, referencing the transgender  
17 sports issue. For Blakeman to speak  
18 regarding fairness and equity is the  
19 height of hypocrisy when minority  
20 communities here in Nassau County have  
21 advocated for fairness and equity for  
22 decades. Yet, fairness and equity has yet  
23 to be realized by minority communities.

24 Referencing the recent court rulings  
25 regarding the proposed casino project and

1  
2 the lack of transparency and violation of  
3 open meetings rules. Where was the  
4 fairness and equity there? Where is the  
5 fairness and equity when the majority of  
6 this legislative body. And thank you,  
7 Presiding Officer (sic) DeRiggi-Whitton,  
8 you did not vote. Where was the fairness  
9 and equity there? Where's the fairness  
10 and equity when the majority of this  
11 legislative body demonstrated no concern  
12 for the health and safety of Nassau  
13 County students, residents and youth,  
14 when you voted yes to the lease transfer  
15 to move the casino project forward?

16 Where was the fairness and equity  
17 when knowing that the DEC, the New York  
18 State Department of Environmental  
19 Conservation, has identified Nassau  
20 County minority communities Hempstead,  
21 New Cassel, Roosevelt and Uniondale as  
22 minority communities that have been  
23 disproportionately disadvantaged by air  
24 pollution and high asthma rates among  
25 minority youth?

1  
2 Supporting a massive casino project  
3 that would further deteriorate the air  
4 quality of minority communities, where  
5 asthma rates among youth and Uniondale  
6 are currently at 17% and Hempstead at  
7 25%. Is this fair and equitable? Words  
8 are cheap when they are not backed up  
9 with integrity and moral action.

10 Say, no to hypocrisy; Say, no to the  
11 casino; Say, no to "Sandsa Claus", and do  
12 the right thing for Nassau County  
13 residents.

14 PRESIDING OFFICER KOPEL: Mary Ellen  
15 Cray.

16 MS. CRAY: Good afternoon. Thank you.

17 As reported in May of 1853, in *The*  
18 *New York Times*, during the turmoil  
19 pre-Civil War, some gentleman from Turtle  
20 Hook petitioned to change the name to  
21 Uniondale, supporting the Union in the  
22 times when there was issue in the country  
23 of secession.

24 In 1898, the Garden City School  
25 District did not wish to educate the

1  
2 transient children of the military at  
3 what became Mitchel Field. During its  
4 long career, Uniondale Community Council  
5 supported Mitchell Field is in Uniondale.  
6 There has been a constant assault on the  
7 integrity of the Uniondale community, so  
8 Nassau County is behind the times. It's  
9 time to catch up. I urge you to put the  
10 issue officially on the agenda.

11 Thank you.

12 PRESIDING OFFICER KOPEL: Thank you.  
13 This concludes our public comment period.  
14 We're now going to go to the to the  
15 Legislative Calendar.

1  
2 PRESIDING OFFICER KOPEL: The first  
3 several items that I'll call are our  
4 appointments and we'll start off with  
5 Calendar 15, which is Resolution 17 of 24  
6 and Calendar 17, which is Resolution 19.

7 Calendar 15 is a resolution to  
8 appoint Marissa Brown to the Board of  
9 Directors of the Nassau County Local  
10 Economic Assistance and Financing  
11 Corporation.

12 Calendar 17 is a resolution to  
13 confirm the County Executive appoint of  
14 Marissa Brown to the Nassau County  
15 Industrial Development Agency.

16 I have a motion from Mr. McKevitt  
17 and it is seconded by Mr. Koslow.

18 Do we have any debate and discussion  
19 on those motions on those appointments?

20 MINORITY LEADER DERIGGI-WHITTON: Are  
21 they here?

22 PRESIDING OFFICER KOPEL: Marissa,  
23 are you here?

24 MS. BROWN: Good afternoon. Thank  
25 you, County Legislature, for having me

1  
2 today.

3 My name is Marissa Brown, and thank  
4 you, County Executive Blakeman, for the  
5 recommendation.

6 I currently serve as a regional  
7 coordinator with the New York State  
8 Senate. Prior to that, I worked for the  
9 Town of North Hempstead. Both of these  
10 roles require me to stay informed on what  
11 local issues or legislations may impact  
12 the district or part of that district, be  
13 it positively or negatively, and of  
14 course, interact with the communities  
15 that I'm engaging with.

16 Before that, I was a soldier and  
17 family readiness group leader in Fort  
18 Carson. That role required me to  
19 collaborate with battalion commanders and  
20 battery commanders; so captains, majors  
21 and the lieutenant colonel in that unit,  
22 and increasing engagement and ensuring  
23 effective communications from over 280  
24 soldiers in that unit and the families  
25 that they were connected to.

1  
2 Working in a small group with other  
3 dedicated individuals is something I've  
4 done before. As I've already stated, it's  
5 something I've done as a TA and a special  
6 needs classroom; something I've done as a  
7 collegiate lacrosse player where I won  
8 three consecutive national championships;  
9 and something I did when I was a  
10 committee member on the Long Island  
11 Metropolitan Lacrosse Foundation  
12 Diversity, Equity and Inclusion  
13 Committee.

14 I'm excited and eager to work  
15 alongside some respected individuals who  
16 I've had a chance to meet and increasing  
17 and promoting the economic development  
18 here in Nassau. So thank you guys for  
19 your time.

20 (Whereupon, applause.)

21 PRESIDING OFFICER KOPEL: Well,  
22 thank you. Any the debate or discussion  
23 on this appointment?

24 MINORITY LEADER DERIGGI-WHITTON: I  
25 have a statement that we're going to

1  
2 make.

3 Ms. Brown, it's nothing personal at  
4 all. You seem extremely impressive. And  
5 we hope you do an incredible job.

6 But we've just been having an issue  
7 with the process lately. With many of our  
8 developments and proposals, we find as a  
9 Minority Caucus that we are reading about  
10 things in *Newsday*. That's how we're  
11 getting a lot of our information. I've  
12 been here for a long time, and it feels  
13 that now we are kept in the dark much  
14 more than we have in the past. And  
15 because we're upset with, again,  
16 different processes that we're now seeing  
17 come undone and other areas, at this  
18 point we are not going to support the new  
19 members. We really just feel that until  
20 we have some type of professional respect  
21 and professional inclusion, we cannot  
22 trust the process. So again, it's nothing  
23 personal at all. It's just that right  
24 now, and I hope maybe you can even help  
25 us bring this to the fruition, which is

1  
2 for us to be notified and included as  
3 well. But at this point, we cannot  
4 support the nomination.

5 PRESIDING OFFICER KOPEL: Legislator  
6 Pilip.

7 LEGISLATOR PILIP: Mrs. Brown, your  
8 background, your experience, absolutely  
9 incredible. I'm very proud of you. And  
10 you have my support. Congratulations.

11 Thank you.

12 PRESIDING OFFICER KOPEL: Legislator  
13 Gaylor.

14 LEGISLATOR GAYLOR: Ms. Brown, how  
15 are you?

16 First of all, I'd like to thank you  
17 for your support to the military. I saw  
18 2019 and prior you had a period where you  
19 worked as a readiness group leader. I  
20 myself am a retired military officer,  
21 having served 23 years. And I know the  
22 importance of our Family Support/Family  
23 Group Readiness Program that allows our  
24 soldiers to stay focused on mission while  
25 knowing that families are well taken care

1  
2 of in the community back home is well  
3 served.

4 Absolutely, a very distinguished  
5 resume that you have. I know you're  
6 going to do a great job and  
7 congratulations.

8 PRESIDING OFFICER KOPEL: Mr.  
9 Ferretti.

10 LEGISLATOR FERRETTI: Ms. Brown, if  
11 you could just come up one more second,  
12 please.

13 Preemptive congratulations. Very,  
14 very well qualified and very impressive  
15 resume.

16 In serving on the IDA, I would just  
17 ask that when projects come before you,  
18 you make sure that as a Legislative Body,  
19 we are made aware of these projects and  
20 just commit to that for me, because we  
21 want to know what's going on in our  
22 individual districts. If something's  
23 going on in my district, I'd like to  
24 know. Is that something you're amenable  
25 to?

LEGISLATOR FERRETTI: All right.  
Great. Thank you very much. And  
congratulations.

PRESIDING OFFICER KOPEL: Thank you.  
Anyone else?

Legislator Giuffre.

LEGISLATOR GIUFFRE: So, Ms. Brown,  
I got to know you a little bit over the  
last few months. I was pleased to see  
that you were nominated for this  
position. You're highly qualified. And I  
will be voting in the affirmative to  
support you in this position. So thank  
you.

MS. BROWN: Thank you.

PRESIDING OFFICER KOPEL: Anyone  
else?

(Whereupon, no verbal  
response.)

PRESIDING OFFICER KOPEL: All right,  
well, congratulations preemptively again,  
as was said. We'll get to the vote in a  
moment.

1  
2                   Legislator Walker.

3                   LEGISLATOR WALKER: I know it was  
4 mentioned before. Often it's members of  
5 the IDA that make sure the developer  
6 reaches out to the legislator who is  
7 involved in that district, because often  
8 we don't get that information. And we'd  
9 like to hear ask our questions to the  
10 developer firsthand. And so you did say  
11 that you would you would make sure that  
12 we were aware of that, that you would  
13 reach out and let us know. But even  
14 encouraging the developer to reach out to  
15 the legislator or often to the community  
16 to get the communities feeling for an  
17 input as to what they feel about that  
18 development.

19                   Thank you very much.

20                   MS. BROWN: Absolutely. Thank you  
21 for your time.

22                   PRESIDING OFFICER KOPEL: Anyone  
23 else?

24                   (Whereupon, no verbal  
25 response.)

1  
2 PRESIDING OFFICER KOPEL: Nope. You  
3 can sit safely.

4 Any public comment on this  
5 appointment? On this appointment,  
6 please.

7 MS. MEREDAY: Again, I'm saddened  
8 that you have to have the Minority Leader  
9 say that there is no representation, or  
10 let's just say, no illumination on their  
11 side with someone in a position that this  
12 is important. Not to take anything away  
13 from you, Miss Brown or Mr. Manzella.

14 Again, that this side here, this  
15 side there, this is a county with a \$4.1  
16 billion budget. We got no time for sides.  
17 Lives are being lost. Opioid crisis was  
18 brought up earlier. The gentleman stood  
19 up here and spoke and put his heart out  
20 about his addiction. I interned in  
21 Nassau County at the then Department of  
22 Drug and Alcohol Addiction. Where is  
23 that?

24 PRESIDING OFFICER KOPEL: Excuse me.  
25 Do you have any comments on this

1  
2 appointment?

3 MS. MEREDAY: Oh, don't worry, I'll  
4 go get it within my three minutes. Don't  
5 worry. You'll get it. Sometimes people  
6 need a lead in. But here we go.

7 The concern, because of the projects  
8 and the conversations, I believe there's  
9 a lawsuit with the courthouse right up  
10 the block with two developers. What's  
11 the resolution for that? What are these  
12 two young these two candidates going to  
13 bring to the table in terms of the  
14 representation, if their side doesn't  
15 even have the information about these  
16 candidates? Public is always left out  
17 until we hear about it in *Newsday* and  
18 *News12*.

19 What is going to be different now  
20 that's going to make this scenario more  
21 palpable for residents, particularly in  
22 communities where we don't have the  
23 benefit of public or private sector  
24 infrastructure investments, because your  
25 body, again, giving the County Executive

1  
2 that seems to be free reign on our money,  
3 lack of resources to educate, to elevate  
4 the variety of businesses and not for  
5 profit organizations and entities, to  
6 benefit community residents, to keep  
7 people here.

8 You're talking about this casino  
9 that's going to generate jobs when the  
10 county can't seem to generate jobs that  
11 have any kind of diversity, inclusion or  
12 equity.

13 So the question again is not, okay,  
14 this is great. You're coming to the table  
15 with a paper that says your resume speaks  
16 to this. What are you specifically going  
17 to do that's going to make a change, a  
18 positive and proactive change that's  
19 going to be inclusive, diverse and  
20 equitable?

21 So yes, that speaks to this, but it  
22 still goes back to why can't we have the  
23 functioning and paid and commissioned  
24 inspector general on board with 2024?

25 Thank you.

1  
2 PRESIDING OFFICER KOPEL: Legislator  
3 Ferretti.

4 LEGISLATOR FERRETTI: The goal of  
5 the Industrial Development Agency is to  
6 create jobs. That's what the IDA does. It  
7 gives out PILOTS to stimulate  
8 development, and the developer has to  
9 guarantee a certain amount of jobs.  
10 That's what this vote is about, putting  
11 somebody on the board to create jobs.  
12 Quite frankly, I'm disappointed it's not  
13 going to be unanimous in support of that.  
14 But that's what this is exactly about.

15 Thank you. Okay.

16 PRESIDING OFFICER KOPEL: All those  
17 in favor of this appointment?

18 (Whereupon, off the record  
19 discussion.)

20 MS. HARRIS: Patty Harris,  
21 Uniondale.

22 I would like to know, you said that  
23 the IDA is to create jobs and give  
24 PILOTs. Since that is the case, the PILOT  
25 comes on to the rest of the taxpayers. So

1  
2 if you have a company that is a \$4  
3 billion making, what kind of PILOT should  
4 they get? And we want to know if she gets  
5 on here or I'm sure you're going to vote  
6 yes or you already voted yes. Is everyone  
7 on the idea for having a \$4 billion,  
8 maybe, possibly, company coming into  
9 Uniondale and giving them a PILOT. Are  
10 you comfortable with that? Because we are  
11 not comfortable with it.

12 PRESIDING OFFICER KOPEL: All those  
13 in favor of this appointment, please so  
14 signify by saying, "Aye".

15 PRESIDING OFFICER KOPEL: Aye.

16 LEGISLATOR MULLANEY: Aye.

17 LEGISLATOR GIUFFRE: Aye.

18 LEGISLATOR STRAUSS: Aye.

19 LEGISLATOR PILIP: Aye.

20 LEGISLATOR GIANREGORIO: Aye.

21 LEGISLATOR MCKEVITT: Aye.

22 LEGISLATOR GAYLOR: Aye.

23 LEGISLATOR FERRETTI: Aye.

24 LEGISLATOR WALKER: Aye.

25 LEGISLATOR GOETZ: Aye.

LEGISLATOR SOLAGES: Nay.

MINORITY LEADER DERIGGI-WHITTON: Nay.

LEGISLATOR DRUCKER: Nay.

LEGISLATOR MULE: Nay.

LEGISLATOR DAVIS: Nay.

LEGISLATOR KOSLOW: Nay.

PRESIDING OFFICER KOPEL: So the  
vote is 12 to 7.

I will confess, being new here at  
this particular job, I understand that,  
public comment on legislative days is  
restricted to hearings. Let's move on.

Calendar 16 is a resolution to  
appoint Joseph M. Manzella to the board  
of directors of the Nassau County Local  
Economic Assistance and Financing  
Corporation, and Calendar 20, which is  
Resolution 22 of 24, is a resolution to  
appoint the County Executive's  
appointment of Joseph Manzella to Nassau

1  
2 County Industrial Development Agency.

3 We have a motion by Ms. Walker and  
4 seconded by Ms. Goetz.

5 Mr. Manzella, are you here? You  
6 want to come up, please.

7 MR. MANZELLA: Good afternoon,  
8 ladies and gentlemen. I would like to  
9 first start off by saying thank you to  
10 County Executive Blakeman and members of  
11 the Nassau County Legislature for giving  
12 me this opportunity.

13 A little over a year ago, I was  
14 serving the residents of New York City as  
15 a police detective, and I can honestly  
16 say that I did not see myself here today.

17 In March 2023, I retired from the  
18 New York City Police Department and  
19 started my new career as a business  
20 representative with the Eastern States  
21 Joint Board. Eastern States Joint Board  
22 is a labor union organization that  
23 consists of six local unions, with the  
24 membership of approximately 15,000  
25 members.

1  
2           You may ask yourselves how a retired  
3           detective and a business representative  
4           for a union organization would benefit  
5           the county being part of the Nassau  
6           County IDA board. Well, for years, I made  
7           countless split second decisions in  
8           numerous situations. I was also a problem  
9           solver. I worked alongside a variety of  
10          people to help them find solutions.

11          In my current career, I am part of a  
12          labor organization that represents  
13          approximately 15,000 members. It requires  
14          me to work together with businesses to  
15          find solutions to challenges that may  
16          surface and handle contract negotiations  
17          with employers.

18          This organization is always working  
19          alongside businesses, remaining fair and  
20          looking for ways for the business to stay  
21          competitive and have retention for their  
22          employee employees. I always wanted to  
23          see a business continue to grow,  
24          strengthen the economy and create job  
25          opportunities. As a Nassau County

1  
2 resident myself, I always make an effort  
3 to support our local small businesses.

4 If I'm given the opportunity to sit  
5 alongside the other board members, I will  
6 always keep an open mind for new business  
7 opportunities in Nassau County that will  
8 bring economic growth and elevate the  
9 County's competitiveness in New York  
10 State. So thank you for your  
11 consideration.

12 PRESIDING OFFICER KOPEL: Mr.  
13 Manzella, we look forward to having you  
14 serve.

15 Do we have any debate or discussion?

16 MINORITY LEADER DERIGGI-WHITTON: I  
17 want to say this basically the same  
18 statement, which is nothing personal, and  
19 we hope that the two of you bring good  
20 new insight to this board, especially  
21 like my colleague, Legislator Ferretti  
22 mentioned, when a PILOT is being  
23 discussed in a one of our districts, it  
24 would really help if we're notified  
25 before it comes to us for a vote. We

1  
2 really need to understand. And honestly,  
3 we could even help if we are aware and  
4 it's something that we feel would help  
5 the community. But unfortunately, like we  
6 said many times, you know, we get our  
7 information via *Newsday* or right before  
8 and, it's just not the way -- I believe  
9 in what the IDA is supposed to do. Do I  
10 think that they've given out too many  
11 PILOTs lately? Yes. Do I think that we  
12 should really look at some of the PILOTs?  
13 And I hope maybe you would, you know,  
14 really consider whether or not PILOTs are  
15 doing what they're supposed to do or if  
16 it's basically, I think what it's become  
17 is the image is just helping wealthy  
18 developers.

19 So again, I support PILOTs when  
20 they're necessary, but I think it's just  
21 become almost expected from anyone who's  
22 doing business. And I hope that you use  
23 your skills from your prior job, as well  
24 as your current occupation, to really  
25 make the best decisions for Nassau

1  
2 County.

3 Again, our statements here today are  
4 not directed at you at all. It's just  
5 that we want to see a change in the  
6 process. Thank you.

7 MR. MANZELLA: Understood. Thank  
8 you.

9 PRESIDING OFFICER KOPEL: Deputy  
10 Presiding Officer McKevitt.

11 LEGISLATOR MCKEVITT: Mr. Menzella,  
12 I do look at your experience and you are  
13 working with a number of unions which,  
14 work on some hospital organizations,  
15 manufacturing, airports. So when you see  
16 applications come before you with the  
17 IDA, are you going to try taking  
18 consideration as to how those affect  
19 union employment and whether these  
20 applicants are going to be indeed using  
21 project labor agreements and employing  
22 union wages and union labor as far as  
23 these projects are concerned?

24 MR. MANZELLA: Yes. I'll always keep  
25 an open mind and take into consideration

many things. Yes.

LEGISLATOR MCKEVITT: Thank you.

PRESIDING OFFICER KOPEL: Anyone  
else?

(Whereupon, no verbal

1  
2                   PRESIDING OFFICER KOPEL: We now  
3                   move to the Consent Calendar items. These  
4                   are items that have previously gone  
5                   through Committees and have the agreement  
6                   of the Majority and Minority that they  
7                   require no further debate or discussion.  
8                   I will call them all together. That would  
9                   be:

10                   Item 1, Ordinance 5-24; Item 2,  
11                   Ordinance 6-24, Item 3; Ordinance 7-24;  
12                   Item 4, Ordinance 8; Item 5, Resolution  
13                   7; Item 6, Resolution 8; Item 8,  
14                   Resolution 10; Item 10, Resolution 12;  
15                   Item 11, Resolution 13; Item 13,  
16                   Resolution 15; Item 14, Resolution 16;  
17                   Item 18, Resolution 20; Item 19,  
18                   Resolution 21; Item 21, Resolution 23;  
19                   Item 22, Resolution 24; Item 23,

22                   Resolution 28; Item 27, Resolution 29.

23                   We have a motion by Mr. Kennedy and  
24                   seconded by Ms. Mule. All those in favor  
25                   of these?

1  
2 (Whereupon, interruption by  
3 public.)

4 PRESIDING OFFICER KOPEL: I will  
5 clarify this for you. The rules of the  
6 legislature provide for public comment  
7 before the Legislature. Before we discuss  
8 our items. And if there is not enough  
9 time for those things, there will be  
10 additional public comment following the  
11 business of the Legislature. There is no  
12 public comment during the Full  
13 Legislature meeting on items. There is  
14 public comment, of course, when we  
15 schedule hearings. There is also public  
16 comment during Committee meetings. These  
17 are the rules of the Legislature that had  
18 been passed by all parties.

19 MS. CRAY: Is it appropriate to have  
20 a public comment relating to an  
21 appointment?

22 PRESIDING OFFICER KOPEL: Whether or  
23 not it's appropriate or not is not  
24 something that we're prepared to discuss  
25 now. We're not going to have a debate on

1  
2 that. But you should feel free, ma'am, to  
3 speak to your legislator, because all the  
4 legislators here unanimously voted on  
5 these rules.

6 LEGISLATOR BYNOE: I'm sorry, just  
7 for a point of clarification, if you  
8 would. You may have that comment at the  
9 end of the meeting. Okay. Yeah, she can  
10 speak on anything anything in public  
11 session after the meeting is concluded.

12 PRESIDING OFFICER KOPEL: Okay.

13 All those in favor of these items,  
14 please so indicate by saying, "Aye".

15 (Whereupon, all members of  
16 the Full Legislature respond in  
17 favor with, "Aye".)

18 PRESIDING OFFICER KOPEL: Any  
19 opposed?

20 (Whereupon, no verbal  
21 response.)

22 PRESIDING OFFICER KOPEL: Those  
23 items are unanimous.

24 \*\*\*\*\*  
25

1  
2  
3 PRESIDING OFFICER KOPEL: We have a  
4 few more items. These are, for the most  
5 part settlements.

6 First one is Item 7, Resolution 9. I  
7 will note that Legislator Goetz has  
8 recused herself from this item. She's  
9 left the chamber and will take no part in  
10 the debate and discussion.

11 (Whereupon, Legislator Goetz  
12 leaves the Chamber.)

13 PRESIDING OFFICER KOPEL: This  
14 resolution is authorizes the County  
15 Attorney to compromise and settle the  
16 claims of plaintiff and the action  
17 entitled Jakiel Fields v. County of  
18 Nassau.

19 We have a motion on that by Mr.  
20 Gaylor, and it is seconded by Mr. Koslow.

21 Any debate or discussion?

22 (Whereupon, no verbal  
23 response.)

24 PRESIDING OFFICER KOPEL: All those  
25 in favor of Item 7, please so signify by

saying, "Aye".

PRESIDING OFFICER KOPEL: Aye.

LEGISLATOR MULLANEY: Aye.

LEGISLATOR GIUFFRE: Aye.

LEGISLATOR STRAUSS: Aye.

LEGISLATOR PILIP: Aye.

LEGISLATOR GIANREGORIO: Aye.

LEGISLATOR MCKEVITT: Aye.

LEGISLATOR GAYLOR: Aye.

LEGISLATOR FERRETTI: Aye.

LEGISLATOR WALKER: Aye.

LEGISLATOR KENNEDY: Aye.

LEGISLATOR BYNOE: Aye.

LEGISLATOR SOLAGES: Aye.

MINORITY LEADER DERIGGI-WHITTON: Aye.

LEGISLATOR DRUCKER: Aye.

LEGISLATOR MULE: Aye.

LEGISLATOR DAVIS: Aye.

LEGISLATOR KOSLOW: Aye.

PRESIDING OFFICER KOPEL: Those  
opposed?

(Whereupon, no verbal  
response.)

PRESIDING OFFICER KOPEL: That item

passes 18 to 0.

Would you please invite Legislator  
Goetz back.

(Whereupon, Legislator Goetz  
returns to Chamber.)

\*\*\*\*

1  
2 PRESIDING OFFICER KOPEL: Item 9,  
3 Resolution 11, which is authorizes the  
4 County Attorney to settle the action  
5 entitled Thomas Smith versus the County  
6 of Nassau.

7 We have a motion on that on Mr.  
8 Giangregorio and seconded by Mr. Davis.

9 Any debate a discussion on this one?

10 (Whereupon, off the record  
11 discussion.)

12 PRESIDING OFFICER KOPEL: We have to  
13 amend this.

14 We have an amendment in the nature  
15 of the substitution, which merely  
16 corrects the index numbers set forth in  
17 the resolution title. So we have to vote  
18 on the amendment. So the motion on the  
19 amendment is by Mr. Ferretti and seconded  
20 by Ms. Bynoe.

21 All those in favor of the amendment,  
22 please so indicate by saying, "Aye".

23 (Whereupon, all members of  
24 the Full Legislature respond in  
25 favor with, "Aye".)

PRESIDING OFFICER KOPEL: Those  
opposed.

(Whereupon, no verbal  
response.)

PRESIDING OFFICER KOPEL: That is 19  
to 0.

Now a motion on the item as amended.  
And that is a motion by by Legislator  
Giangregorio and seconded by Legislator  
Davis.

All those in favor as amended,  
please so indicate by saying, "Aye".

(Whereupon, all members of  
the Full Legislature respond in  
favor with, "Aye".)

PRESIDING OFFICER KOPEL: Those  
opposed.

(Whereupon, no verbal  
response.)

PRESIDING OFFICER KOPEL: That is 19  
to 0.

\*\*\*\*\*

1  
2 PRESIDING OFFICER KOPEL: Number 12,  
3 Resolution 14 is a settlement on the item  
4 entitled AJ Richard and Sons versus the  
5 County of Nassau. And there's a motion by  
6 Mr. Giuffre and seconded by Mr. Solages.

7 (Whereupon, off the record  
8 discussion.)

9 PRESIDING OFFICER KOPEL: Those  
10 motions are made an amendment to that  
11 item, which is a nature of the  
12 substitution correcting the index number.  
13 All those in favor of the amendment,  
14 please so indicate by saying, "Aye".

15 (Whereupon, all members of  
16 the Full Legislature respond in  
17 favor with, "Aye".)

18 PRESIDING OFFICER KOPEL: Any  
19 opposed?

20 (Whereupon, no verbal  
21 response.)

22 PRESIDING OFFICER KOPEL: The  
23 amendment pass is now a vote on the item  
24 as amended, and that was a motion Ms.  
25 Goetz and seconded by Minority Leader.

1  
2 All those in favor of the item as  
3 amended, please say, "Aye".

4 (Whereupon, all members of  
5 the Full Legislature respond in  
6 favor with, "Aye".)

7 PRESIDING OFFICER KOPEL: Any  
8 opposed?

9 (Whereupon, no verbal  
10 response.)

11 PRESIDING OFFICER KOPEL: That is 19  
12 to 0.

13 I I will take a motion to adjourn.  
14 And that is Legislator Giuffre and  
15 Legislator Davis is231.

16 Anybody opposed to adjourn?

17 All those in favor of adjourning,  
18 please "Aye".

19 (Whereupon, all members of  
20 the Full Legislature respond in  
21 favor with, "Aye".)

22 PRESIDING OFFICER KOPEL: Those  
23 opposed?

24 (Whereupon, no verbal  
25 response.)

PRESIDING OFFICER KOPEL: Okay. We  
are adjourned.

\*\*\*\*\*

1  
2 PRESIDING OFFICER KOPEL: And I  
3 understand we have a public comment or  
4 two.

5 MS. CRAY: Maryellen Cray, Uniondale.

6 Apropos the appointments to the IDA.  
7 I would like to state that when Sands  
8 first came to the Uniondale community,  
9 they categorically stated that they would  
10 not ask for PILOT; and, yet, I understand  
11 they've made an about face. I think this  
12 is really inappropriate. And the  
13 communities are the ones that suffer. The  
14 school districts are the ones that suffer  
15 when these PILOTs are given to them. And  
16 not only that, there is also a feeling  
17 later on when the PILOTs are over, that  
18 the communities have punished them in  
19 some way because the taxes went up. So  
20 this is a really a lose lose for the  
21 Uniondale community and the other  
22 communities, especially the hamlets,  
23 because you and our towns are our only  
24 source of dealing with these people.

25 So I strongly urge you to be very

1  
2 scarce with giving the PILOTs.

3 Thank you.

4 MS. HARRIS: My name is Mrs. Melvin  
5 Harris, Jr.

6 I would like to say to you. Is there  
7 a reason why we wasn't able to speak  
8 about your other appointment that came up  
9 here to make a presentation? Because you  
10 had you let us speak.

11 PRESIDING OFFICER KOPEL: You are  
12 correct. I did that, and that was an  
13 error on my part that that was contrary  
14 to the rules of the Legislature. So that  
15 was an error in my on my part. But you  
16 did speak on that. Yes. And I corrected  
17 it right after that.

18 MS. HARRIS: Thank you.

19 PRESIDING OFFICER KOPEL: Okay,  
20 sure. Anyone else?

21 (Whereupon, no verbal  
22 response.)

23 (Whereupon, the Full  
24 Legislature meeting is  
25 adjourned, 3:19 p.m.)
