RULES COMMITTEE

HOWARD KOPEL

A P P E A R A N C E S

CHAIRMAN HOWARD KOPEL

VICE CHAIRMAN THOMAS MCKEVITT

LEGISLATOR JAMES KENNEDY

LEGISLATOR JOHN GIUFFRE

MINORITY LEADER DELIA DERIGGI-WHITTON RANKING MEM.

LEGISLATOR ARNOLD DRUCKER

LEGISLATOR SCOTT DAVIS

MICHAEL PULITZER Clerk of the Legislature

1
2 CHAIRMAN KOPEL: Have one speaker
3 before we start. We have a comment, and
4 that would be Meda Mereday. Why don't you
5 come ahead and tell us which exact items
6 you would like to talk about

7 MS. MEREDAY: Good afternoon. It's
8 afternoon, a 1:00 meeting starting at
9 130. Okay.

10 The specific items would be A6, A11,
11 A12, and then 45-26 to 48-26. And since
12 this is comment I must stress again, I
13 feel that my rights as a taxpayer,
14 basically government is the company or
15 corporation that there's a lack of full
16 disclosure with regard to residents
17 having access to information that
18 determines where our tax dollars are
19 going. And only having the opportunity to
20 speak prior to the meetings where
21 discussions are held in depth and
22 information is shared, where many of you
23 asked the questions and you have it ahead
24 of time and we don't have it at all. So I
25 have a problem when I'm still seeing

1
2 these compromises and settlements when
3 we're not doing anything different. So if
4 somebody could speak to that, I would
5 appreciate that considering what was
6 recently in *Newsday* with regard to the
7 lawsuit challenging the credibility of a
8 number of the people on the militia that
9 many residents were in opposition to, and
10 a recent news conference or interview
11 where the county executive wants to share
12 the happiness across the state that many
13 of us in Nassau County have yet to
14 experience, including our veteran
15 seniors, young people, all those who are
16 fleeing the county or unfortunately
17 committing suicide. So if anyone would
18 wish to speak to that, or I just wanted
19 to make sure that that is on the record,
20 I would appreciate it. Because I know
21 this was a new concept so that residents,
22 largely myself, would not have the
23 opportunity to hear the debate and
24 discussion for these various items, and
25 then question where our tax dollars are

1
2 going, because they seem to be going to
3 the growing litigation fund versus to our
4 veterans, our communities. And, you know,
5 maybe Legislator Scott Davis can speak to
6 how many projects are addressed on this
7 side and the dearth of those that are
8 addressed on that side.

9 So that's pretty much what I needed
10 to say on my time since I was here at
11 1:00 for 1:00 meeting. And at some point,
12 maybe someday I will see an actual report
13 from the Veteran Affairs Committee to
14 question that ahead of time or the
15 Minority Affairs Committee to address
16 that at some other time, because as yet,
17 in the number of years that I've been
18 coming here, it's very rare that I
19 actually see any actionable items coming
20 out of the committees that are listed to
21 meet at 1:00 on these days. So I think
22 I've used up my time. I'm ready to go.
23 Thank you.

24 LEGISLATOR NUNEZ: Excuse me,
25 Presiding Officer. I just would like to

1
2 make a statement. Thank you. Thank you
3 for the time. I'd like to remind this
4 Legislature collectively, the entire
5 body, that when we have public comment
6 before we've had the conversation, we run
7 into the problem that we're seeing now
8 where constituents do not have an
9 opportunity to fully hear the debate
10 surrounding the issues that we're
11 discussing and or voting on. So I just
12 want to put that on the record that we
13 once again try to consider that, for
14 allowing public comment during the time
15 that we're addressing the issues. Thank
16 you.

17 CHAIRMAN KOPEL: Thank you,
18 Legislator Nunez.

19 Caprice Rines.

20 MS. RINES: Good afternoon. Good
21 afternoon. I know you all have manners,
22 right? One more time; good afternoon.
23 Now, I'm here, I always come at the right
24 time, don't I, Legislator Solages?

25 I'm against the public speaking

1
2 portion. That's ridiculous. Are you
3 putting something out before putting your
4 report out to the community? Before
5 something that we can read. Are you.
6 Because I mean, that's what school boards
7 Do you know, it makes no sense to me. And
8 it's ridiculous. It's ludicrous. And
9 you're making it. We're. No, we're not
10 dummies. You're over our tax dollars. We
11 voted you in. Now you want us to vote you
12 out for doing something? That's
13 ridiculous. Because I have a podcast and
14 I have over 100,000 viewers. And when I
15 leave here, I will go out and I will make
16 sure that I put this out. Now, you
17 Republicans, I'm a Republican and I'm
18 disappointed. First of all, who is you're
19 your PR person? Because I get more
20 Democrat releases. I don't get one
21 Democrat Republican released on what
22 you're doing. It makes no sense. You all
23 don't put anything. I don't get one one.
24 I didn't get anything from any of you.
25 And I'm not a Democrat. I'm a true

1
2 Republican. Does that make sense? Who
3 came up with this idea? Put your hand up.
4 Shame on you. Your mother would think you
5 were an idiot. You dropped on your head
6 when you were small? You give the report
7 first and then you let the community ask
8 questions. It's like you asked your kid.
9 It's like you're going shopping for your
10 kid for Christmas, and you buy them a
11 gift and they open it up and they say,
12 what the heck is this? Is Santa Claus
13 dumb? You make kids not want to believe
14 in Santa Claus. How are you going to get
15 your kid -- you ask your kid, what do you
16 want for Christmas? Isn't that what you
17 do? Yes or no? Don't you ask your kid
18 what you want for Christmas first. Mr.
19 Solages, don't you ask your kid what you
20 want for Christmas first, right? And then
21 you get information, right? It's like a
22 bad school -- Oh, good. I'm glad the
23 clock is getting messed up -- it's like
24 collecting data from a school district
25 and you're not doing anything with it.

1
2 It's just ridiculous. Don't do that.
3 Don't leave the community out. Don't
4 leave the taxpayers out. It's our right
5 to know what you're thinking, how you're
6 thinking, know what we're thinking, and
7 then we can collaborate together. It's a
8 collaboration.

9 We vote for you. We vote for you.
10 You heard what I said. You're accountable
11 to us. You're not accountable to
12 yourselves. The problem is, is that you
13 sit up there with your pompous attitude,
14 your arrogance. And that's why our
15 country is going to pot because
16 everybody's arrogant.

17 CHAIRMAN KOPEL: Thank you.

CHAIRMAN KOPEL: That item is

I didn't call this yet. Forgive me. We're
not. We're not doing this one quite yet.
We're going to go back to the contracts.

We'll come back to that later. All right.

Let's start off with A6 Cross island welding.

MR. NIMMO: Good afternoon, Bill Nimmo, Deputy Commissioner for Public Works, Nassau County, 1194 Prospect Avenue, Westbury.

I have a bunch of them. If you'd like me to do all the A's while I'm here.

CHAIRMAN KOPEL: Yes. Please go through each one of them separately.

12 MINORITY LEADER DERIGGI-WHITTON:
13 Just just to clarify the amount. I'm
14 sorry. Is that okay? Can you put the
15 amount on the record again?

16 MR. NIMMO: \$10,500,000.

This is the construction contract
for the rehabilitation of Whitney Creek

severe erosion, displaced concrete

downed trees, and provide improvements to
increase the resiliency of Whitney Drain.

CHAIRMAN KOPEL: All right. Anything
else?

MR. GEORGE: No, I don't have
anything else.

CHAIRMAN KOPEL: Okay. All right.
Thank you.

1
2 CHAIRMAN KOPEL: Now we'll do the E
3 items -- and I am told that E27 is back
4 on, so we'll get to that as well. All
5 right.

6 E23 which is Long Island Veterinary
7 Specialists. And I think we have two of
8 them with this outfit. Right?

9 CAPTAIN DOYLE: Yes. That's correct.
10 E-23, Captain Brian Doyle, Nassau County
11 Sheriff's Department.

12 E23, is an amendment to an existing

23 contract maximum shall be \$508,000.

24 This term is retroactive to January
25 2025 through March 1st of 2026.

Any questions.

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Now the other one.

CAPTAIN DOYLE: E6 is --

CHAIRMAN KOPEL: Wait, wait, wait.

MINORITY LEADER DERIGGI-WHITTON: Can I just ask one quick question? So this already expired?

CAPTAIN DOYLE: Correct. This was an amendment to the existing. And then the next is the new contract moving forward.

MINORITY LEADER DERIGGI-WHITTON: So you have that in the works or --

CHAIRMAN KOPEL: No.

CAPTAIN DOYLE: It's the next item.

MINORITY LEADER DERIGGI-WHITTON: E6, I'm sorry.

CHAIRMAN KOPEL: You're going to do the next one now. Yep.

CAPTAIN DOYLE: E6 is the service contract for veterinary services, the Long Island Veterinary Specialists Ophthalmology for the Nassau County

1
2 Police Department, Nassau County
3 Sheriff's Department, Nassau County
4 Office of Fire Marshal to provide
5 veterinary services for canines assigned
6 to each of the respective departments and
7 for veterinary services needed for
8 animals impounded by the Nassau County
9 Society for the Prevention of Cruelty to
10 Animals as a result of law enforcement
11 investigations.

12 It is estimated that the three
13 departments will spend \$120,000 annually,
14 \$600,000 over the five year contract.

15 This contract is managed by Shared
16 Services.

17 CHAIRMAN KOPEL: Okay. Once again, do
18 you have anything else?

19 CAPTAIN DOYLE: I have the Item 37
20 and 53.

21 CHAIRMAN KOPEL: So let's do those;
22 37 we can do, 53 is not a contract.

23 CAPTAIN DOYLE: No, these are just
24 the --

25 CHAIRMAN KOPEL: 37 I'm sorry.

MR. LEIMONE: Neither are contracts.

CHAIRMAN KOPEL: Any other
contracts?

CAPTAIN DOYLE: No.

CHAIRMAN KOPEL: That's what I'm
asking you.

Thank you then.

the Police Department and --

CHAIRMAN KOPEL: Are we allowed to
listen to you when you're not in uniform.

INSPECTOR FIELD: It's up to you I
guess.

CHAIRMAN KOPEL: Yeah. Okay. Good to
see you. First time, right?

INSPECTOR FIELD: Yes.

E24-26, this is a contract between
the Police Department and Digitech
Computer LLC.

Digitech is our new contract for
ambulance billing services for the
Department's emergency Ambulance Bureau.
Services will include, but not limited
to, recording and transmission of
pre-hospital care reports, billing and
fee collection services, as well as
customer services and monitoring of

3 A request for proposals was issued
4 in October of 2024. The Department
5 received five proposals. A selection
6 committee was formed. Proposals were
7 scored and ranked, and the contract was
8 awarded to Digitech as the highest
9 scoring proposer.

10 This is a generating contract. And
11 we're covering \$1.2 million at this time.

12 CHAIRMAN KOPEL: Okay. All right.

CHAIRMAN KOPEL: E25, which is H2M Architects.

MR. TUMAN: Good afternoon. Douglas Tuman, deputy commissioner, Department of Public Works.

E25-26 is an amendment to an on call building design services contract for H2M Architects and Engineers to provide an extension of time to continue design services. This amendment is seeking to retroactively extend the term for one year until October 8th, 2026 and provide for an optional one year extension.

CHAIRMAN KOPEL: Questions?

(Whereupon, no response.)

CHAIRMAN KOPEL: Okay. Anything else?

MR. TUMAN: Yeah, I have a bunch more.

CHAIRMAN KOPEL: Sure. Go ahead. Please.

MR. TUMAN: So E26-26 is a professional service contract for asbestos and lead design and monitoring

1
2 services at various county facilities.
3 Federal and state law requires immediate
4 corrective measures in instances where
5 asbestos or lead containing building
6 materials are disturbed or requires
7 removal. The monitoring services covered
8 under this agreement is a component of
9 the County's asbestos abatement program,
10 which requires third party independent
11 project monitoring on asbestos abatement
12 projects.

13 There were 11 proposals received
14 from the bid. Based on the ratings and
15 the review of cost proposals from the top
16 four rated firms, JC Broderick and
17 Associates was selected based on the
18 highest technical ranking and lowest
19 cost.

20 CHAIRMAN KOPEL: Okay. What else?

21 MR. TUMAN: Item E27-26. This is
22 similar to the first one, but it's for
23 Cashin. It's an amendment to an on call
24 building design services contract for
25 Cashin & Associates PC to provide an

1
2 extension of time to continue design
3 services.

4 This amendment is seeking to
5 retroactively extend the term for one
6 year until August 28th, 2026 and provide
7 for an optional one year extension.

8 CHAIRMAN KOPEL: Any questions?

9 (Whereupon, no response.)

10 CHAIRMAN KOPEL: No. Okay.

11 MR. TUMAN: Item E28-26, also similar
12 to E25 and E27, is an amendment to an
13 on-call building design services contract
14 for Spector Group LLP to provide an
15 extension of time to continue design
16 services.

17 This amendment is seeking to
18 retroactively extend the term for one
19 year until August 28th, 2026, and provide
20 for an optional one year extension.

21 CHAIRMAN KOPEL: Okay.

22 MR. TUMAN: Item E30-26 is an
23 amendment to an on call construction
24 management services contract for LIRO
25 Program and Construction Management to

1
2 provide additional funds to complete
3 construction management services for the
4 Family Justice Center and the Matrimonial
5 Court contract completion.

6 Amendment number one is for \$1
7 million, which will increase the maximum
8 contract amount to \$2 million; funds are
9 available under capital project.

10 CHAIRMAN KOPEL: All right. Minority
11 Leader?

12 MINORITY LEADER DERIGGI-WHITTON:
13 Just because we have to, where -- how are
14 we doing with that court?

15 MR. TUMAN: We're doing well. So
16 obviously, you know the court has been
17 utilized now for quite some time, but it
18 is not 100% complete. It's the facade
19 work, which I'm sure you probably have
20 noticed if you've driven by, there's been
21 some delays with that. But currently the
22 remaining facade work at the family
23 matrimonial court is aiming to be
24 completed by May. But now the most recent
25 delays have been from the snow and the

1
2 weather, so that might get pushed back.

3 Additionally, the Family Justice
4 Center, which is inside, that's a
5 separate project inside the same
6 building, that's scheduled to be
7 completed in July. But there are some
8 delays with additions that have been
9 made, changes that have been made to
10 design. But we're foreseeing that not to
11 be pushed back too much further than
12 July.

13 MINORITY LEADER DERIGGI-WHITTON:

14 Okay. Thank you.

15 MR. TUMAN: Thank you.

16 CHAIRMAN KOPEL: Okay. Are you done?

17 MR. TUMAN: Yes.

CHAIRMAN KOPEL: All right. E 29,
which is LK McLean Associates.

MR. LUTZ: Good afternoon, Harold
Lutz, Nassau County Department of Public
Works.

Item E29-26 is an amendment for
professional services design contract in
the amount of \$40,000 to cover work that
was outside the original scope of the
project. There's available capital
funding under Capital Projects 62461.

CHAIRMAN KOPEL: Okay. Do you have
anything more?

MR. LUTZ: I do not.

CHAIRMAN KOPEL: You do not. Okay,
then. Thank you.

MR. LUTZ: Thank you.

1
2 CHAIRMAN KOPEL: 32, which is LAH Law
3 Firm; 32 and 33.

4 MR. SOLEYMANZADEH: Good afternoon,
5 Legislators. Richard Soleymanzadeh for
6 the County Attorney's Office.

7 E32 is an amendment to a contract
8 for outside legal services involving the
9 case Arasina (phonetic) versus Nassau
10 County. This amendment will increase the
11 maximum amount by \$70,000 to a total
12 maximum amount of \$98,500.

13 For this case, my understanding on
14 the status of this case is that it is on
15 trial and with a possible settlement in
16 the works.

17 CHAIRMAN KOPEL: Okay.

18 Mr. Drucker?

19 LEGISLATOR DRUCKER: Thank you,
20 Presiding Officer. Hi. How are you
21 today?

22 MR. SOLEYMANZADEH: Good, Legislator
23 Drucker; how are you? How's the family?

24 LEGISLATOR DRUCKER: Good to see you.

25 Our backup says that the term was

1
2 April 2024 to completion of services. And
3 I also had a question, this is a
4 basically a car accident case.

5 MR. SOLEYMANZADEH: Right. So this
6 is--

7 LEGISLATOR DRUCKER: What
8 necessitated outside counsel on this one?
9 I always thought this these type of cases
10 were the ones in your wheelhouse.

11 MR. SOLEYMANZADEH: Yes. Our
12 wheelhouse is very big in the County
13 Attorney's Office. My understanding on
14 the case is that this is a car accident
15 case involving multiple injuries. The
16 plaintiff underwent a lumbar surgery and
17 then a second surgery as well a week
18 later. So the damages are potential
19 there.

20 But regardless, this case was
21 litigated on behalf of the County
22 Attorney's Office initially for the first
23 two years, it looks like, three years of
24 the case discovery was handled by the
25 County Attorney's Office. Motion practice

1
2 was handled by The County Attorney's
3 Office. IMAs were handled by the County
4 Attorney's Office. And now as it's on the
5 eve of trial, we made a strategic
6 determination that we'd like to bring in
7 outside counsel to handle it.

8 LEGISLATOR DRUCKER: I didn't hear
9 you. On the eve of trial --

10 MR. SOLEYMANZADEH: On the eve of
11 trial, we've decided to make a strategic
12 determination to bring in outside
13 counsel.

14 LEGISLATOR DRUCKER: But why? Can you
15 tell us why?

16 MR. SOLEYMANZADEH: There's going to
17 be a number of reasons on any one of
18 these cases that you ask me, why are we
19 bringing in outside counsel. I'm going
20 to say this with as much respect as
21 possible, Legislator Drucker. Giving the
22 adversary an explanation on why we might
23 decide to use an outside counsel in a
24 particular case may specifically give
25 away a strategy. But nevertheless, we can

1
2 use outside counsel because a case might
3 be complicated, might have high damages.
4 We can decide to use outside counsel
5 because we want a firm that has a
6 specific know how within that courtroom,
7 within that judge, within that adversary
8 or plaintiff's counsel. We might decide
9 to use outside counsel based on the
10 resources within the County Attorney's
11 Office or based on the resources of that
12 outside counsel that might have the
13 availability of specific experts that we
14 don't have access to.

15 LEGISLATOR DRUCKER: Well, you know,
16 again, this points back to my complaint
17 that I've had for years here because, you
18 know, you finally explained a lot of
19 times why outside counsel is necessary on
20 some of these complex matters. But you
21 always fell back on, well, you know,
22 we're more inclined to handle some of the
23 accident cases, the tort claims. And on
24 the eve of trial, that just speaks to me
25 like, you know, you're afraid to go to

1
2 trial. And I feel that's the problem
3 here. I mean, you take it to trial, see
4 what happens here. I mean, on a car
5 accident case like this, this is what
6 attorneys can be trained to handle. And I
7 just feel like we spend taxpayer money
8 needlessly for outside counsel. On the
9 eve of trial, you've gone so far on this,
10 right?

11 MR. SOLEYMANZADEH: Respectfully,
12 Legislator, the County Attorney's Office
13 does an incredibly diligent job handling
14 their files, taking them to trial, and
15 getting defense verdicts on their trials.
16 And that's happened repeatedly in this
17 County Attorney's Office in the past,
18 and --

19 LEGISLATOR DRUCKER: I would love to
20 see it --

21 MR. SOLEYMANZADEH: It is also nice
22 though, coming from private practice, to
23 see that a government entity is willing
24 to use a blend of in-house counsel and
25 outside counsel to handle files, because

1
2 insurance carriers do it all the time.
3 Fortune 500 companies do it all the time.
4 They've used their in-house counsel, and
5 then they use their outside counsel.

6 LEGISLATOR DRUCKER: Big differences
7 here. The taxpayers are paying the bill
8 for it. That's a big difference. And
9 that's what bothers me.

10 MR. SOLEYMANZADEH: Respectfully
11 again, except in this case, the result
12 speaks for itself because our exposure to
13 litigation liability has decreased.

14 LEGISLATOR DRUCKER: We should have
15 made that decision early on. If the
16 exposure to liability was something we
17 could have recognized earlier on, why
18 now? The eve of trial, it just doesn't
19 sit well, I think. And I don't think. Did
20 you really answer my question about why
21 the. The services were supposed to be
22 completed by April 1st of 2024.

23 MR. SOLEYMANZADEH: I'm assuming the
24 original contract had a date on it, and
25 now the trial is a little ambiguous on

1
2 when to start, when it'll finish, based
3 on the Court's calendar that it'll be
4 open ended.

5 LEGISLATOR DRUCKER: So they've
6 they've gone on two years longer than
7 when their services were supposed to
8 terminate.

9 MR. SOLEYMANZADEH: Our court system
10 can answer that very clearly.

11 LEGISLATOR DRUCKER: Yeah. Again, you
12 know, again, with all due respect and
13 just this one, I have a hard time
14 swallowing. I just think it's a situation
15 that's ripe for our very, very competent,
16 diligent county attorneys to take it all
17 the way. They've gone so far on the eve
18 of trial, for God's sakes. I understand
19 I'm a lawyer. You know that well. When
20 you recognize early on that it's a case
21 that you may be better serving your
22 client by having an outside firm or an
23 outside counsel or an expert handle it. I
24 understand that, but this is one of those
25 I feel you guys should be able to handle.

1
2 And I'm disappointed. I don't want to see
3 taxpayers have to foot the bill on this
4 one.

5 CHAIRMAN KOPEL: Okay, Mr.
6 Soleymanzadeh, you have --

7 MR. SOLEYMANZADEH: Yes, we have four
8 more.

9 E33 is with the law firm of LAH.
10 This is a new contract, and the
11 litigation matter, Balbi (phonetic)
12 versus Nassau County and PD. This appears
13 to also be a motor vehicle situation as
14 well, involving a police vehicle in the
15 matter.

16 My understanding is that this case
17 is on trial and is actually being
18 settled. Whereas, the prior case was in
19 the process, I think this case is going
20 to be settled.

21 CHAIRMAN KOPEL: What is this? What
22 does this do for us now? This, what are
23 we voting on?

24 MR. SOLEYMANZADEH: You're voting on
25 a new contract to pay for this law firm's

1
2 outside counsel services in the trial
3 preparation and whatever negotiations
4 took place to try and settle the case.

5 The maximum amount is \$42,000 and
6 \$5,000 --

7 CHAIRMAN KOPEL: Are they already
8 working.

9 MR. SOLEYMANZADEH: Yes.

10 CHAIRMAN KOPEL: Okay. Okay. Are you
11 doing the other four?

12 MR. SOLEYMANZADEH: I am, Presiding
13 Officer.

14 E34 is a new contract with Bond
15 Schoeneck & King. This is this is for
16 outside legal services that our bureau
17 actually used to prepare affirmative
18 litigation in a potential eminent domain
19 condemnation case involving the Nassau
20 County Salt Dome located on Franklin
21 Avenue and Franklin Square.

22 The firm provided consultations to
23 us. Handled, I believe the matter to an
24 extent, but an access agreement was
25 entered into with the entity, and we

1
2 don't believe that an actual affirmative
3 litigation will be needed in the case. So
4 this is a contract to be able to pay the
5 outside law firm of Bond Schoeneck for
6 that period of time and have them
7 available in case the condemnation does
8 need to move forward.

9 CHAIRMAN KOPEL: All right.

10 MR. SOLEYMANZADEH: E35 --

11 CHAIRMAN KOPEL: Hold on.

12 MINORITY LEADER DERIGGI-WHITTON: I
13 just want to put on the record that these
14 are a lot of these are retroactive, which
15 is the word I don't like. Including this
16 one from November 21st. So if we could
17 just try to because they really risk the
18 fact that it doesn't get passed, they
19 don't get paid.

20 MR. SOLEYMANZADEH: The firms that
21 that provide services to us are fully
22 aware of that risk. It's disclosed to
23 them in the contract situation.

24 MINORITY LEADER DERIGGI-WHITTON: So
25 yeah. Thank you.

1
2 MR. SOLEYMANZADEH: We try and avoid
3 it as much as possible.

4 E35 is with the law firm of Sullivan
5 and Cromwell. This is an amendment to a
6 prior contract, which is increasing the
7 maximum amount of that contract by \$2.3
8 million. As well as providing a partial
9 encumbrance of \$250,000.

10 This is litigation resulting from
11 initially Hofstra's lawsuit against
12 Nassau County, which is ongoing. And
13 then has now also included two separate
14 litigations from the Village of Garden
15 City, in which Village of Garden City
16 chose to sue Nassau County in two
17 separate captions regarding the lease and
18 the rezoning issues.

19 CHAIRMAN KOPEL: All right, Greenberg
20 Traurig, E36.

21 MR. SOLEYMANZADEH: E36 is also an
22 amendment with the law firm of Greenberg
23 Traurig regarding a litigation matter,
24 Myers versus the County of Nassau.

25 There's an amendment to increase the

1
2 maximum amount by \$875,000. And this has
3 been ongoing litigation on that on this
4 matter.

5 CHAIRMAN KOPEL: 37 -- yes,
6 Legislator Davis.

7 LEGISLATOR DAVIS: Good afternoon.

8 MR. SOLEYMANZADEH: How are you,
9 Legislator?

10 LEGISLATOR DAVIS: I'm fine. Thanks.
11 Just with respect to this contract,
12 do you have information regarding the
13 original contract and the date of the
14 original contract?

15 MR. SOLEYMANZADEH: It looks like the
16 original amendment --

17 LEGISLATOR DAVIS: Not amendment, the
18 original.

19 MR. SOLEYMANZADEH: The original
20 amendment was in 2023. So I would say
21 that the original contract --

22 LEGISLATOR DAVIS: Would it have been
23 sometime in February of '23?

24 MR. SOLEYMANZADEH: I'm not 100%
25 sure. It may have been in July of '23

1
2 (perusing). Oh, yes; the original
3 agreement was from February 1st, 2023.

4 LEGISLATOR DAVIS: And that original
5 contract was for \$300,000; is that right?

6 MR. SOLEYMANZADEH: I don't have
7 that. No, I think that -- I don't have
8 that amount. The initial maximum amount
9 it looks like was 4.3 million.

10 LEGISLATOR DAVIS: The original
11 contract was for 4.3 million.

12 MR. SOLEYMANZADEH: If I'm reading
13 the citation in this amendment number six
14 correctly, that's --

15 LEGISLATOR DAVIS: No, no, no, that
16 that's -- if you could just take a moment
17 again to to refer to your notes.

18 MR. SOLEYMANZADEH: No. According to
19 the maximum amount clause, the maximum
20 amount in the original agreement was
21 \$875,000. And it's increased since then.
22 This is litigation that has multiple
23 different complaints, apparently. And
24 plaintiff's counsel apparently tried to
25 get recertifications on different,

1
2 different classes of plaintiff's, which
3 were denied in Eastern Federal court, and
4 then the plaintiff's counsel --

5 LEGISLATOR DAVIS: Apparently you
6 picked this firm because of their
7 specialty in this area presumably. Yes?

8 MR. SOLEYMANZADEH: Right.

9 LEGISLATOR DAVIS: And so presumably
10 they would have a fair idea of the
11 complexity of litigation or fair. Fairly
12 so. Right.

13 MR. SOLEYMANZADEH: Correct.

14 LEGISLATOR DAVIS: And so with
15 regard to this contract, it seems like
16 the initial contract, let's just say with
17 \$800,000 in the period of about three
18 years, this contract has been amended six
19 times; is that right?

20 MR. SOLEYMANZADEH: That's right.

21 LEGISLATOR DAVIS: And the amendments
22 add an additional total. I mean the new
23 maximum now is about \$5.2 million. And
24 those so the reason that they're coming
25 here as an amendment is because these are

1
2 unanticipated complexities and
3 litigation.

4 MR. SOLEYMANZADEH: So, Legislator
5 Davis, I'll tell you the same thing I've
6 told my clients for the last 25 years, I
7 can estimate how hard I'm going to fight
8 for you as your attorney and how much
9 effort I'm going to put into the file. I
10 can't estimate how much of a fight the
11 counsel is going to put into it. I can't
12 estimate how much the plaintiff's counsel
13 is going to put motions.

14 LEGISLATOR DAVIS: I appreciate that,
15 and believe it or not, I'm an attorney
16 too, and I understand. I understand
17 complexities of litigation. But I'm also
18 saying to you that when we see something
19 like in three years, It's it goes from
20 \$800,000 to \$5.2 million. Like where's
21 the end here. And that's one part of it.

22 And the other part of it is quite
23 often, and this is just a recurring issue
24 that we have here. You're -- not you
25 specifically -- but it's generally there

1
2 is a request for an additional
3 supplemental appropriation on an issue.
4 And we're doing this blindly, and I
5 appreciate that. Certainly, there are
6 privileged information and legal
7 strategies involved, but there's this
8 thing that we can do and we can go into
9 executive session, or we can have a
10 confidential memo so that when I'm in my
11 community and my constituents say, well,
12 why in the world are you appropriating
13 four point or \$5.8 million for something?
14 And I can just say, I don't know, that's
15 that's really not good government.

16 We've made this request on any
17 number of occasions. And and I'm asking
18 you to not only do it, but if you don't,
19 then could you please explain to us why
20 you won't do it? Like, even if it is like
21 a confidential memorandum or an executive
22 session and I will make myself available
23 and I'm sure my colleagues will as well,
24 so that we can be informed about the
25 justification for this. And if it's

1
2 justified, that's wonderful. I can as
3 much as I can have a conversation with my
4 constituents and provide as much
5 information as I can on that. But that's
6 much better than me holding my hands and
7 saying, I just don't know.

8 MR. SOLEYMANZADEH: I understand,
9 Legislator, and I'll take your suggestion
10 back.

11 CHAIRMAN KOPEL: Finally, we have 37,
12 which is JAS Legal.

13 MR. SOLEYMANZADEH: JAS Legal, E37.
14 This is an amendment as well with the
15 firm of Jonathan A. Sorkowitz; JAS Legal.

16 This is involving the litigation
17 stemming from the Disputed Assessment
18 Fund, DAF, that has been ongoing for some
19 time. The matter, currently, I believe we
20 were successful in the appellate court
21 and this is ongoing litigation involving
22 multiple different entities that are
23 suing Nassau County for the DAF funds.

24 There's no increase in max amount.
25 This is an increase in the hourly rate

1
2 for the attorneys in this firm. The max
3 amount stays at 1.5 million.

4 CHAIRMAN KOPEL: Okay. All right.
5 Thank you. All right.

6 We'll vote on two groups separately.
7 Thank you, Mr. Soleymenzadeh.
