2  
3 PRESIDING OFFICER KOPEL: Good  
4 morning, everyone. We should get started.

5 Legislator Nicks, would you lead us  
6 in the Pledge, please.

7 (Whereupon, the Pledge of  
8 Allegiance is said.)

9 PRESIDING OFFICER KOPEL: Okay. We  
10 will start out with our monthly honor of  
11 the Top Cops for this month. And we'll  
12 start with the with the PBA and the  
13 honoree is Police Officer Jack Castronova  
14 and his K9 partner, EJ.

15 MR. SHEVLIN: Good afternoon,  
16 everybody. Thank you once again for  
17 always honoring our Top Cops.

18 On December 21, 2025, at  
19 approximately 7:40 p.m., Police Officer  
20 Jack Castronova and his K9 partner, EJ,  
21 responded to a 911 call for a high risk  
22 missing person. The missing person was a  
23 female who was suffering from dementia  
24 and believed to be missing for  
25 approximately 1.5 hours in the freezing

1  
2 conditions of December. Officer  
3 Castronova deployed his K9 partner, EJ,  
4 and conducted a search in the surrounding  
5 area. EJ began to exhibit distinct  
6 behavior changes that indicated the scent  
7 trail continued off the property behind a  
8 fence line. This goes to the proper  
9 training that our K9 Officers and dogs go  
10 to and go through together. Knowing your  
11 canine dog is vital, and people need to  
12 realize that that is our Police Officer's  
13 partner. So they work together. This dog  
14 is not just a good looking dog, but this  
15 dog is a Police Officer. EJ led him to an  
16 unheated horse barn adjacent to the  
17 property where the missing person was  
18 located. After our Police Officer picked  
19 up the dog and put him over the fence to  
20 continue on the scent trail, then our  
21 Police Officer jumped over the fence  
22 himself to follow along with his partner.

23 The missing person was found cold,  
24 disoriented, and exhibited signs  
25 consistent with the onset of hypothermia.

1  
2 Obviously, if somebody is outside in the  
3 freezing cold for that long, hypothermia  
4 is a reality, especially at this missing  
5 person's age. Officer Castronova remained  
6 with the female reassuring her and  
7 maintaining her responsiveness until  
8 further EMS personnel arrived on scene  
9 and the female was evaluated and treated.

10 Thanks to Police Officer Jack  
11 Castronova and K9 EJ's quick action and  
12 experience, the missing person was  
13 located and treated.

14 This is a perfect example for  
15 everybody here, for our communities, to  
16 witness what Police Officers do every  
17 single day and night.

18 Everybody always thinks that we're  
19 just out there fighting crime. That we  
20 do. And that's why we are the safest  
21 county in the country. However, we do a  
22 lot more things that are very important  
23 to our health and safety of our  
24 communities, and they saved a life  
25 working together and using that training

1  
2 and utilizing our canines.

3 The PBA is proud to honor Police  
4 Officer Jack Castronova and K9 EJ as our  
5 Legislative Top Cops, February 2026.

6 COMMISSIONER RYDER: Good afternoon,  
7 everybody. First of all, I want to thank  
8 the Nassau County Police Department  
9 Foundation through our very gracious  
10 communities, donate our dogs. So the  
11 taxpayer doesn't pay for the ten dogs  
12 that we have. It's paid for by our  
13 Foundation. So we're very grateful. Ali  
14 Nagoli (phonetic) and Eric Blumencrantz,  
15 who do this -- along with all of our  
16 horses that sit in our stable and go out  
17 and do great work for us. I just told  
18 this to Channel 7 in the back, these  
19 missing kids, it's all about timing.  
20 We're working on a case right now up in  
21 the Second Precinct where we're trying to  
22 find a young lady, we probably get about  
23 ten cases a week that people don't  
24 realize because of the great work that  
25 our Missing Persons Squad does, along

1  
2 with the tools that we've been given by  
3 this body and makes us go out and find  
4 these people. Because a matter of  
5 minutes, hours, days, means the  
6 difference of life and death. And what  
7 the K9 unit does every single day for us  
8 is phenomenal.

9 They're also a great public  
10 relations tool. Everybody loves the dog.  
11 Just don't put your hand near the mouth  
12 too fast. We're very grateful for what  
13 you've given us here today. Thank you.

14 PRESIDING OFFICER KOPEL: Officer  
15 Castronova, would you like to say a few  
16 words, and we'd like to hear from EJ as  
17 well.

18 OFFICER CASTRANOVA: I'd just like to  
19 thank everyone here for the honor, tThe  
20 Legislature, Top Cop Committee the  
21 Department. It's a great day for me  
22 because we get to recognize EJ's hard  
23 work. We put in endless hours of training  
24 every day. And it might just seem to him  
25 like endless games of hide and seek where

1  
2 he's just excited to get the ball at the  
3 end. But we see that there's real value  
4 in what he does for the Department, for  
5 Nassau County and how amazing these dogs  
6 could be. And just want to thank  
7 everybody. Thank you.

8 PRESIDING OFFICER KOPEL: Legislator  
9 Goetz?

10 LEGISLATOR GOETZ: Good afternoon.  
11 Well, I want to say thank you, Police  
12 Officer Castronova and to EJ, and of  
13 course, to the PBA and our Police  
14 Department for this incredible work. Your  
15 training saved a life.

16 This area is Chicken Valley Road is  
17 all farms and grassland and this isn't  
18 just going up and down streets. This  
19 woman could have been anywhere. So the  
20 training and the expertise in your quick  
21 action, saved a life. And I know  
22 personally my grandmother has dementia  
23 and how easily they could just get lost.  
24 And it's very scary. So you really saved  
25 a family from tragedy.

1  
2                   So thank you for everything that you  
3                   do each and every day. Thank you, EJ;  
4                   he's very handsome. And I just want to  
5                   say thank you to our Police entirely for  
6                   all that you do each and every day for  
7                   all of us keeping us safe. So thank you  
8                   so much from the bottom of my heart.

9                   PRESIDING OFFICER KOPEL: Would you  
10                  like to come up for a quick photo?

11                  (Whereupon, photos were taken.)

1  
2 PRESIDING OFFICER KOPEL: Next we  
3 have the DAI Detectives.

4 DETECTIVE SICCARI: Good afternoon. I  
5 just want to thank everybody for having  
6 us.

7 In June of 2023, two unknown  
8 suspects entered a storefront in Hewlett.  
9 The suspects began assaulting multiple  
10 employees at the location, including one  
11 59-year-old woman who was punched in the  
12 face along with being struck with a  
13 chair. One of the suspects pulled out a  
14 handgun, placing multiple people within  
15 the storefront in fear for their lives.

16 With limited leads, Detective Sicari  
17 and Barbieri began working the case. The  
18 investigation lasted well over a year and  
19 the detectives used advanced  
20 investigation techniques, including cell  
21 phone warrants, cultivating CI's, and  
22 joint cooperation with the Nassau County  
23 Police Department, FBI Gang Task Force  
24 Officer Detective Selleck.

25 Thanks to the hard work of these

1  
2           detectives, two illegal firearms were  
3           recovered and taken off our streets.  
4           Multiple arrests were made.

5           The detectives also uncovered a  
6           large amount of valuable criminal  
7           intelligence on multiple gangs and  
8           organized crimes that affected our  
9           streets. These detectives worked for well  
10          over a year, multiple units within the  
11          department to close these cases. I just  
12          want to thank them for their hard work.  
13          Thank you for you guys.

14          COMMISSIONER RYDER: So as I think  
15          you all know, we got a lot of changes in  
16          the Police Department, promotions, a lot  
17          of new chiefs, lieutenants, sergeants.  
18          And in this case, this is a situation  
19          where one of our young detectives is now  
20          going to be a great sergeant for us, and  
21          we're very proud of him.

22          This work that gets done every  
23          single day with our detectives, they  
24          can't wave the flag. They can't come out  
25          and pat themselves on the back because of

1  
2 the sensitivity of the cases. This is one  
3 of those cases. There is ongoing  
4 investigations that's going on. They  
5 continue to do great work, and we  
6 continue to work together as both  
7 detective, supervisors, and cops to make  
8 sure that we serve the best in Nassau  
9 County.

10 So again, we thank you for this  
11 opportunity for them.

12 DETECTIVE SICARI: Thank you.  
13 Detective Sicari. I'll make this quick,  
14 I'm not a wordsmith.

15 Thank you to the Legislature for  
16 this award, DAI, and the board. But  
17 really, this this award really is  
18 deserved for Detective Barbieri. He did a  
19 fantastic job, in my humble opinion. He  
20 may not look it, but he's a very smart  
21 guy, a very talented guy -- I'm just  
22 joking (laughter). And detective Dezelic  
23 as well. He took me under his wing and  
24 showed me a lot of new tricks and old  
25 school tricks. I'm forever thankful for

1  
2 the both of them, and thank you very  
3 much. That's it.

4 PRESIDING OFFICER KOPEL: Anyone  
5 else? No. Okay.

6 Thank you, detective, and all of  
7 you, for the work that you do. I live  
8 close by where we're talking about, and  
9 being the safest county in Nassau, it  
10 doesn't come by accident. And where we  
11 live, that's pretty close to New York  
12 City. And that's got to make your job  
13 that much harder. Your dogged persistence  
14 in getting these things done over a great  
15 length of time, it just shows your  
16 dedication to duty, and I'm sure all of  
17 us here appreciate it.

18 So thank you very much. And that's  
19 it. Would you like to come up for a  
20 picture.

21 (Whereupon, photos were taken.)

22  
23 \*\*\*\*\*  
24  
25

1  
2 PRESIDING OFFICER KOPEL: Okay.

3 Finally, we have Top Responders, the  
4 Nassau County Probation Officers.

5 MR. KALENDAR: Good afternoon. So  
6 today we have our probation Officers and  
7 fire marshals.

8 On January 8th of 2026, Nassau  
9 County Probation Officers Alexandra  
10 Bufalo, Cindy Bonilla, and Robert  
11 Ciminelli conducted a routine and  
12 proactive home visit at a residence in  
13 Wantagh as a part of their ongoing  
14 supervision and community safety  
15 responsibilities.

16 During the visit, the Officer's keen  
17 observation, skills, training and  
18 attention to detail led to the discovery  
19 of a significant quantity of illegal  
20 narcotics, including methamphetamines,  
21 MDMA and ketamine, along with indicators  
22 consistent of a possible clandestine drug  
23 laboratory operating within the home.

24 Recognizing the serious public  
25 safety risks associated with the presence

1  
2 of hazardous chemicals and potential  
3 explosive materials, the probation  
4 officers immediately secured the scene  
5 and notified the appropriate authority.

6 The Nassau County Fire Marshal  
7 Hazardous Materials Unit was subsequently  
8 requested to respond to the location and  
9 conducted an assessment of the scene  
10 utilizing advanced chemical  
11 identification equipment to analyze and  
12 identify approximately 20 chemical  
13 samples.

14 The fire marshal members operating  
15 on scene included Assistant Chief Fire  
16 Marshal Andrew Schmidt, Captain Michael  
17 Menella, Lieutenant John Madden and fire  
18 marshals Martin Golden, Vincent Bitsko  
19 and Cristian Dambreville.

20 To date, the alleged perp is still  
21 in remand and is awaiting his court date.

22 Through their professionalism,  
23 dedication and vigilance, the Nassau  
24 County Probation Officers and Fire  
25 Marshals exemplified the highest

1  
2 standards of public service. Their  
3 coordinated actions highlighted the  
4 critical role these public safety  
5 professionals play in safeguarding  
6 neighborhoods, protecting residents, and  
7 ensuring that the overall well-being of  
8 the community and keeping Nassau County  
9 the safest in America. Thank you.

10 MR. PLAKIS: Hello, John Plakis,  
11 Probation Director. I just want to thank  
12 the Officers for doing a great job. This  
13 is what the Officers do every day, is  
14 keep the residents safe and work with the  
15 other departments. Thank you.

16 CHIEF UTTARO: Mike Uttaro, Chief  
17 Fire Marshal, to echo his sentiments  
18 exactly, is working with other agencies  
19 interoperability, making things happen  
20 together as a team.

21 Definitely, I would be remiss if I  
22 didn't thank all of you on the county  
23 legislature, our County Executive's  
24 Office, and OEM for securing grants and  
25 funding.

1  
2           Running a hazmat team takes a lot of  
3 training, endless training, and an awful  
4 lot of money. It takes a lot of funding  
5 for the what ifs, and what if this  
6 happens? And this was one of those events  
7 and all that came together and that  
8 training and the funding for the very  
9 expensive equipment and other things that  
10 we need to use to mitigate situations  
11 such as this.

12           So we thank all of you for your  
13 support, and I'm definitely proud of the  
14 guys and the hard work that they put into  
15 this. Thank you.

16           PRESIDING OFFICER KOPEL: Legislator  
17 Knight?

18           LEGISLATOR KNIGHT: Thank you,  
19 Presiding Officer. I want to say thank  
20 you for the Nassau County Probation  
21 Officers and the hazmat unit working in  
22 conjunction, keeping our community safe.  
23 Your dedication to public safety and your  
24 swift response is the reason why Nassau  
25 County is the safest county in America.

1  
2 And I want to thank you as a Wantagh  
3 resident, for all that you do for keeping  
4 our Wantagh residents safe and our entire  
5 county safe. Thank you and keep up the  
6 great work.

7 PRESIDING OFFICER KOPEL: Yes, of  
8 course.

9 MINORITY LEADER DERIGGI-WHITTON: I  
10 also just want to recognize all of you.  
11 You guys are sort of our unsung heroes.  
12 So many things that you take care of  
13 don't get as much publicity as they  
14 should. And we just want to take this  
15 moment to thank you not only for this  
16 instance, but all those times that you  
17 put the extra effort in.

18 And our fire marshal has done so  
19 much. I'm so proud of you. Every time I  
20 told you, every time I see you in the  
21 news, you represent the County so well.  
22 And you speak to people in a way they  
23 understand and in a way that it really  
24 makes a difference. So we're lucky to  
25 have all of you.

1  
2 And Kris Kalender, you do an amazing  
3 job representing your team. I don't know  
4 if they realize how hard you work, so  
5 thank you.

6 PRESIDING OFFICER KOPEL: Okay. Would  
7 you guys want to come for a picture?

8 (Whereupon, photos were taken.)

1  
2 PRESIDING OFFICER KOPEL: Okay. I'm  
3 I'm told that we have a future legislator  
4 down in the audience.

5 Legislator Drucker?

6 LEGISLATOR DRUCKER: Thank you very  
7 much, Presiding Officer. We are being  
8 observed today by a very motivated and a  
9 future political leader who, for unclear  
10 reasons, has been a fan of mine for a few  
11 years and has this unsatiable thirst for  
12 Nassau politics, and has been dying to  
13 attend a legislative session, and his  
14 teacher is well aware of his passion and  
15 has actually given him permission to take  
16 the day off and attend. I just would like  
17 to take a second, thank you, Presiding  
18 Officer, to welcome our future leader,  
19 who's 10-years-old, Adam Cass in the  
20 fifth grade. Adam, why don't you just  
21 stand up for a second (applause).

22 PRESIDING OFFICER KOPEL: Good luck,  
23 Adam, but you want to do something better  
24 than this, right (laughter)?

25 LEGISLATOR DRUCKER: No. He doesn't.

Look at him. See? He's shaking his head.

\*\*\*\*\*

1  
2 PRESIDING OFFICER KOPEL: Okay, we  
3 now move on. We had Women's History  
4 Month, a little belated, but here we are,  
5 due to snowstorms. We'll start off with  
6 Legislator Goetz.

7 LEGISLATOR GOETZ: Hello again. So  
8 today we are recognizing a truly  
9 exceptional woman, Margaret Marchand, for  
10 this Women's History month.

11 Margaret is a renowned advocate for  
12 parental advocacy in education and a  
13 champion for schools that prepare  
14 students for success in the 21st century.  
15 As president of the Locust Valley School  
16 Board, she had kept families informed,  
17 involved and empowered, always putting  
18 students and parents first.

19 I know Margaret personally and her  
20 leadership has made a real difference for  
21 families like mine. In fact, her  
22 leadership in the district was a driving  
23 factor in our decision to make Locust  
24 Valley our forever home. Her advocacy  
25 gave many of us a voice and helped shape

1  
2 decisions that strengthen our community.  
3 She's a fierce advocate for our children,  
4 and that was never more clear than when  
5 she stood up in 2021, alone against her  
6 board, against Governor Hochul's mandate  
7 to reimpose masking mandates on students  
8 after all, those requirements had already  
9 been lifted at the state level. And while  
10 others stayed silent, Margaret spoke out  
11 forcefully, challenging the policy and  
12 standing her ground in defense of parents  
13 rights and children's well-being. She  
14 made it clear that decisions impacting  
15 our children should not come from Albany  
16 mandates, but from the families and  
17 communities that they directly affect.  
18 That leadership meant a great deal to  
19 families like mine as well.

20 Margaret is also a champion of civic  
21 education and patriotism. Through her  
22 operation, democracy and the Remembrance  
23 Bowl, she helps students connect with  
24 history in meaningful ways. She has also  
25 helped revive the spirit of Operation

1  
2 Democracy, a grassroots effort that began  
3 in 1947 when Locust Valley residents  
4 supported the people -- and forgive me  
5 because I do not speak well with French,  
6 but Saint-Mere-Eglise, in Normandy after  
7 World War II, turning that legacy into a  
8 living, hands-on lesson in service,  
9 gratitude and global connection for  
10 today's students.

11 She's a loving mother, a woman of  
12 deep faith. Recently her sons have been  
13 engaged -- I think one might even be  
14 here. So congratulations.

15 In Bayville and throughout the  
16 Locust Valley School District, Margaret  
17 is a force to be reckoned with. She is  
18 now head of school at Holy Holy Child  
19 Academy in Old Westbury, and she's  
20 already making an impact in many, many  
21 ways. But just recently we had a ribbon  
22 cutting and the incredible transformation  
23 of the library that she was a integral  
24 part of making happen.

25 Margaret stands up for what is

1  
2 right, even when it's not easy. She's  
3 been pivotal in empowering school boards  
4 across New York State to know their  
5 rights, making it clear that local boards  
6 know their communities best, and they are  
7 elected to serve the families in their  
8 communities.

9 She's been a leading voice in  
10 protecting local control and ensuring  
11 communities are not overrun by one size  
12 fits all policies.

13 Her impact is felt far and wide, and  
14 it is a privilege to recognize her today  
15 as a Woman of Distinction. Please join us  
16 if you have a few words to say at the  
17 podium.

18 MS. MERCHAND: How are you? Good  
19 afternoon. It is an absolute honor to be  
20 here. Samantha, thank you so much for  
21 nominating me.

22 It is something that, I'm sitting  
23 here watching the Police go before me and  
24 I'm saying, what am I doing next to them?  
25 Because basically what I do every day

1  
2 just comes from my heart. I believe that  
3 every child deserves the right for a free  
4 and fair education, and I believe that  
5 every child's parents have the right to  
6 rear those children the way that they see  
7 fit. Not according to the government.

8 I'm now in the private sector and  
9 I'm seeing a whole different perspective.  
10 But at the end of the day, children just  
11 deserve a really sound, rigorous academic  
12 foundation where they can find purpose  
13 and they can be future leaders like our  
14 little friend in the audience.

15 And I thank you for this honor, but  
16 I'm humbled, but thank you. Thank you so  
17 much.

18 PRESIDING OFFICER KOPEL: And  
19 Margaret, why don't you just come up and  
20 bring your family to come on up for a  
21 picture?

22 (Whereupon, photos were taken.)

1  
2 PRESIDING OFFICER KOPEL: Legislator  
3 Russell?

4 LEGISLATOR RUSSELL: So we have  
5 another honoree that I am so very proud  
6 to honor this afternoon. And her name is  
7 Mrs. Shirley Darkay. Mrs. Darkay is a  
8 wife, mother, artist, curator,  
9 entrepreneur, poet, and a lifelong  
10 community advocate whose work spans more  
11 than six decades of cultural leadership,  
12 innovation, and service. Her life  
13 reflects a deep commitment to preserving  
14 African American history, empowering  
15 future generations and strengthening  
16 community institutions across Long Island  
17 and beyond.

18 Shirley is a lifelong resident of  
19 the Village of Westbury. She and her  
20 husband George Kamala Darkay, now  
21 deceased, are the proud parents of three  
22 children and two grandchildren.

23 A trailblazer in both the corporate  
24 and public sectors, Mrs. Darkay was the  
25 first African American woman to work in

1  
2 the accounting department of the Federal  
3 Reserve Bank of New York, and later  
4 served as Comptroller for Reed Roberts  
5 Incorporated.

6 Her pioneering spirit continued in  
7 1966, when she became the founding  
8 director of Management Information at the  
9 Charles Drew Neighborhood Health Center,  
10 where she designed and implemented one of  
11 the nation's earliest computerized  
12 patient identification and billing  
13 systems, an achievement well ahead of its  
14 time. For more than 45 years, Mrs. Darkay  
15 has dedicated herself to cultural  
16 preservation, public service and  
17 educational outreach. She is a former  
18 director of the Nassau County African  
19 American Museum and a lifetime host of  
20 community news and views on WHLI radio  
21 platforms, which she amplified African  
22 American voices, history and civic  
23 engagement.

24 In 1990, she founded Project Pride,  
25 a cultural based self-development program

1  
2 for youth in the Nassau County Family  
3 Court system, serving as executive  
4 director and mentor to countless young  
5 people.

6 Her extensive board service reflects  
7 a sustained commitment to arts education  
8 and community development. Mrs. Darkay  
9 has served on boards of directors for  
10 Nassau County Girl Scouts; Nassau County  
11 Office of Cultural Development; Alliance  
12 for New York State Arts Council; African  
13 American Heritage Association; Newsday;  
14 Long Island Arts; 100 black women and  
15 others. She has held leadership roles,  
16 including board chair for Imani at Nassau  
17 Community College treasurer for Jack and  
18 Jill of America and member of Black Women  
19 Entrepreneurs.

20 Most recently, she served as a  
21 trustee of the Westbury Memorial Library  
22 from 2020 to 2023, continuing her  
23 lifelong advocacy for libraries as a  
24 vital center of learning, history and  
25 community connection.

1  
2           Though officially retired since  
3           2003, Mrs. Darkay remains deeply engaged  
4           in community life. She conducts African  
5           American history workshops for school  
6           districts and libraries across Long  
7           Island. Volunteers at the Westbury Senior  
8           Center, where she chaired its 60th  
9           anniversary celebration and produced a  
10          fashion show featuring her own original  
11          designs.

12          She is also a member of Sisters of  
13          the Arts, NSQ, supporting young people  
14          pursuing creative careers, and was a  
15          contestant in the 2016 New York, Miss  
16          Senior America.

17          Mrs. Darkay's lifelong service has  
18          been recognized with numerous honors and  
19          awards. Through her leadership and  
20          creativity and unwavering dedication,  
21          Mrs. Darkay has built a legacy rooted in  
22          service, cultural preservation, and  
23          community empowerment, one that continues  
24          to inspire across generations.

25          At the age of 91, and she doesn't

1  
2 mind me telling her age, at the age of  
3 91, she recently curated and created an  
4 exhibit embodying the spirit of Homegrown  
5 Heroes of Long Island, a woman whose  
6 legacy was not imported but cultivated,  
7 whose impact was not distant, but deeply  
8 rooted, and whose lifelong work continues  
9 to shape the cultural landscape of the  
10 community she calls home.

11 I present to everyone Mrs. Shirley  
12 Darkay (applause).

13 MS. DARKAY: Good afternoon. I want  
14 to give thanks to God first, and I  
15 appreciate all of the legislators who are  
16 here. Most of all, my legislator, Ms.  
17 Vivian Russell. And I want to say that no  
18 matter what stage of life you're in, you  
19 can still do something for your  
20 community.

21 Today, our history is being erased.  
22 And I happen to be an advocate for  
23 African American history. And as long as  
24 I have a voice, I will speak to that  
25 issue because our young people need to

1  
2 know their history. Without knowing your  
3 history, you don't know where you belong  
4 and where you can can achieve and where  
5 God will take you. Thank you very much  
6 for the opportunity.

7 LEGISLATOR RUSSELL: Mrs. Darkay, can  
8 you join us up here for a picture? And if  
9 you can, bring your family and friends  
10 that came along to support you today as  
11 well.

2 PRESIDING OFFICER KOPEL: All right.

3 We now proceed to a period of public  
4 comment, and that's a period during which  
5 members of the public -- you know  
6 something? We have a couple of points of  
7 personal privilege first.

8 Fine. Legislator Walker, why don't  
9 you go ahead?

10 LEGISLATOR WALKER: It is truly an  
11 honor for me to recognize a gentleman who  
12 has worked for 58.5 years in the Nassau  
13 County Department of Health, and his name  
14 is Michael Alarkin.

15 Michael, could you stand?

16 Michael Alarkin, director of the  
17 Bureau of Environmental Engineering and  
18 Water Supply at the Nassau County  
19 Department of Health, has retired after  
20 58.5 years of extraordinary service. His  
21 tremendous dedication to Nassau County  
22 has helped safeguard the health, safety  
23 and environmental well-being of  
24 generations of families.

25 Upon his retirement, he concluded

1  
2 his career as the longest serving  
3 employee in Nassau County government.  
4 Michael joined the department in 1967.  
5 Over the decades, his work has helped  
6 protect Nassau County's most vital  
7 natural resource, our sole source  
8 aquifer, which provides drinking water to  
9 millions of Long Islanders. His  
10 leadership contributed to regional water  
11 protection planning efforts following the  
12 Federal Water Pollution Control Act  
13 amendments and helped shape long term  
14 groundwater protection strategies for our  
15 county.

16 He played a role in the Long Island  
17 Comprehensive Water Treatment Management  
18 Plan and later coauthored work addressing  
19 the protection of the Lloyd aquifer,  
20 reinforcing Nassau County's commitment to  
21 preserving groundwater for future  
22 generations.

23 Throughout his career, he oversaw  
24 critical environmental engineering  
25 functions including public supply

1  
2 oversight, toxic and hazardous chemical  
3 storage review, onsite sanitary disposal  
4 systems, and environmental assessments  
5 for residential development. He is  
6 nationally recognized for his expertise  
7 and leadership, earning two model  
8 practice awards from the National  
9 Association of City and County Health  
10 Officials for innovative environmental  
11 protection initiatives.

12 Michael's career reflects  
13 consistency, professionalism, integrity  
14 and an unwavering sense of  
15 responsibility. Beyond his individual  
16 accomplishments, he has provided  
17 stability, mentorship and institutional  
18 knowledge to this department for nearly  
19 six decades. His commitment has  
20 strengthened the Nassau County Department  
21 of Health and protected the well-being of  
22 our community for generations.

23 Fifty eight years of service is not  
24 simply a milestone, it is a legacy. On  
25 behalf of the Nassau County Legislature

1  
2 and the residents of Nassau County, we  
3 extend our deepest gratitude for your  
4 extraordinary commitment. We thank you  
5 for your service, your leadership, and  
6 the remarkable example you have set for  
7 all who follow.

8 After nearly six decades of service,  
9 may your retirement be as rewarding as  
10 the career you have given to Nassau  
11 County. God bless you, Michael, and thank  
12 you so very much.

13 MR. ALARKIN: Oh, wow. Thank you so  
14 much. This is a tremendous honor to be  
15 here. I loved your statement, and I  
16 can't -- was that me? Really? You were  
17 talking about? No. I know I look over  
18 100-years-old, but I'm actually just a  
19 little bit, maybe over 50; is that right?

20 But it has been a great honor to  
21 work for the department for these so many  
22 years and working with our water  
23 suppliers and other environmentalists to  
24 protect our water resources and our  
25 drinking water supply. So I just want to

1  
2           thank everybody for being here. And I'm  
3           not sure who's watching the store today,  
4           but thank you for all the staff that are  
5           here today. Thank you so much.

6           LEGISLATOR WALKER: Michael, if you  
7           would come up here and join us for a  
8           photo.

1  
2 PRESIDING OFFICER KOPEL: Legislator  
3 Nicks?

4 LEGISLATOR NICKS: All right. So on  
5 the afternoon of December 8, 2025, the  
6 Uniondale Fire Department was dispatched  
7 to reports of a working building fire at  
8 886 Jerusalem Avenue. As the tone  
9 sounded, firefighter Christopher Drummond  
10 assumed the role of Officer in charge of  
11 engine 7522, immediately stepping up to  
12 lead his crew. Upon arrival, Firefighter  
13 Drummond and the operating department  
14 members wasted no time. He moved swiftly  
15 to assist the first two engine, engine  
16 753 and establishing a hand line. And  
17 when conditions demanded more, he went  
18 above and beyond. Faced with a structure  
19 whose windows and doors were boarded and  
20 inaccessible, firefighter Drummond, under  
21 the direction of Chief Kevin Hicks and  
22 Assistant Chief Joseph Rodriguez, made  
23 the courageous decision to advance to the  
24 roof and gain entry from above to begin  
25 interior operations. What happens next

1  
2 speaks to the character of Mr. Drummond.  
3 Once inside the smoke filled structure  
4 presumed to be vacant, firefighter  
5 Drummond and Chief Rodriguez heard  
6 something that no one anticipated.  
7 Screams coming from deep within the  
8 interior. Without hesitation, they  
9 advance into the structure and located an  
10 adult male occupant who was conscious but  
11 severely disoriented and in desperate  
12 need of assistance. With decisive  
13 action, firefighter Drummond, along with  
14 Assistant Chief Rodriguez, guided the  
15 victim to safety and physically removed  
16 him from the building. But their work  
17 didn't stop there. With the coordination  
18 and professionalism of truck four engines  
19 two and three operating on the scene. The  
20 victim was transferred to the awaiting  
21 fast team for evacuation off of the roof.  
22 A seamless effort that was made possible  
23 by the dedication of every firefighter  
24 and EMS member that day. Once the victim  
25 was confirmed safe, Firefighter Drummond

1  
2 reentered the structure alongside his  
3 crew to knock down the remaining fire  
4 load. This outcome, a life saved, is a  
5 testament not only to Firefighter  
6 Drummond's bravery and instinct, but to  
7 the collective strength of the men and  
8 women of the Uniondale Fire Department  
9 who operated with excellence under  
10 pressure.

11 To everyone who responded that day,  
12 your service does not go unnoticed. And  
13 as we often say in the fire Mattyc world,  
14 the only thing predictable about  
15 firefighting is that it can become  
16 unpredictable.

17 It is my distinct honor, as your  
18 Legislator of Nassau County's Fifth  
19 District, to recognize the fire  
20 department and firefighter Christopher  
21 Drummond as this month's personal point  
22 of privilege.

23 MR. DRUMMOND: Good afternoon,  
24 everybody. I would like to take this  
25 moment to first and foremost, thank God.

1  
2 I'd also like to thank all the members of  
3 the legislature and then also thank my  
4 department for choosing to recognize me.  
5 This is a humbling experience as well as  
6 anything else.

7 My service to this country as a  
8 United States Army paratrooper in the  
9 82nd Airborne Division. I learned about  
10 two things. It's about adapting and  
11 overcoming. And this is one of those days  
12 that we did both. In the volunteer fire  
13 service we don't have the we don't have  
14 the luxury of having all the manpower  
15 that we need at all times. And in a  
16 situation that was unpredictable like  
17 this, when we went to a fire and didn't  
18 expect someone to be in there, we adapted  
19 and overcame. With this team behind us.  
20 We all trained together, we eat together,  
21 we laugh together, and we share the same  
22 pain, the same load together. That's what  
23 we do as firefighters.

24 So again, I'd like to thank  
25 everybody equally as anyone else. And

1  
2 again, we don't see ourselves as heroes.  
3 This is what we do. This is strictly  
4 business for all of us. But thank you,  
5 everyone.

6 LEGISLATOR NICKS: Chief, if you like  
7 to bring the members up quickly.

2                   PRESIDING OFFICER KOPEL: Now we  
3                   finally reach our period of public  
4                   comment. That's when the public can come  
5                   up and voice his or her concerns. Just  
6                   want to remind everyone of what the rules  
7                   are. In case you don't know. The comment  
8                   for each person is three minutes. Really  
9                   three minutes. It's timed. You can see  
10                  the clock here. Make sure that you adhere  
11                  to that. You cannot see your time to  
12                  someone else. Each person gets three  
13                  minutes. The public comment period will  
14                  stop at 3:15. It's one hour. If there are  
15                  people who have not yet had a chance to  
16                  speak at that point they will be given a  
17                  chance following the business of the  
18                  legislature. In other words, we'll go to  
19                  our regular calendar and then after we're  
20                  finished with that, we'll come back. And  
21                  hear anyone who's remaining.

22                  When I call your name, please come  
23                  right up. And remember, if you go longer  
24                  than that or you try to go longer than  
25                  that, you will not be granted additional

1  
2 time and you will be taking time from  
3 someone else. Let's start off with  
4 Paulette Orlando.

5 MS. ORLANDO: Good afternoon. My name  
6 is Paulette Orlando with Tobacco Action  
7 Coalition of Long Island. Although the  
8 Clean Indoor Air Act protects New Yorkers  
9 from exposure to second hand smoke in all  
10 indoor public spaces and work sites,  
11 millions of nonsmokers continue to be  
12 exposed to second hand smoke in areas not  
13 covered by smoke free laws or policies,  
14 including the very homes where they live.  
15 In fact, the home is the primary source  
16 of secondhand smoke exposure for children  
17 and a major source of exposure for  
18 nonsmoking adults. As a community  
19 engagement specialist working for the  
20 American Lung Association's Tobacco  
21 Action Coalition of Long Island, I've  
22 spoken to many tenants living in  
23 multi-unit housing that are experiencing  
24 these harmful effects of secondhand  
25 smoke. Older adults with chronic

1  
2 obstructive pulmonary disease, COPD, and  
3 other respiratory issues. Many tenants  
4 that call me in desperation are afraid to  
5 leave their name, or are afraid to speak  
6 out because of the repercussions they may  
7 experience. For residents of multi-unit  
8 housing in apartment buildings and  
9 condominiums, second hand smoke can be a  
10 major concern. Even if people don't smoke  
11 in your unit, as smoke can migrate from  
12 other units and common areas and travel  
13 through doorways, cracks and walls,  
14 electrical lines, plumbing and  
15 ventilation systems. In a study of  
16 multi-unit housing residents in New York  
17 state, 73% of residents did not allow  
18 smoking in their units, but 46%  
19 experienced secondhand smoke infiltration  
20 from other units during the past year.  
21 Essentially, if one person smokes in the  
22 building, everyone smokes. Secondhand  
23 smoke exposure poses serious health  
24 threats to both children and adults, such  
25 as heart disease, lung cancer,

1  
2 respiratory infections, stroke and  
3 asthma. More than 3,000 nonsmoking adults  
4 in New York state die from diseases  
5 including heart disease, lung cancer, and  
6 stroke caused by secondhand smoke every  
7 year. Children are especially vulnerable  
8 to the health effects of secondhand  
9 smoke, given their developing bodies and  
10 lungs. Children exposed to secondhand  
11 smoke are at increased risk of sudden  
12 infant death syndrome, ear infections,  
13 asthma and respiratory infections caused  
14 by second hand smoke every year.

15 Secondhand smoke exposure in  
16 multi-unit housing also contributes to  
17 disparities in health. This same  
18 population has a higher prevalence of  
19 asthma, COPD and other health conditions,  
20 worsened by exposure to secondhand smoke.  
21 More than two in five nonsmokers who live  
22 below the poverty level are exposed to  
23 secondhand smoke, and nearly 7 million  
24 multi-unit housing residents live in  
25 subsidized public housing.

1  
2 Approximately 65% of smokers say  
3 they would like to quit smoking. We know  
4 smoke-free housing helps to support  
5 adults that are trying to quit smoking or  
6 have quit smoking.

7 Lastly, everyone should be able to  
8 breathe freely in their homes. Thank you.

9 PRESIDING OFFICER KOPEL: Okay. Thank  
10 you. Larry Lamendola?

11 MR. LAMENDOLA: For the new members  
12 of the legislature that have not seen my  
13 daughter's picture. Ms Knight, we've met.  
14 This is my daughter, Ms. Russell. This is  
15 my daughter. I found her lifeless body in  
16 her room on September 19, 2019, just days  
17 after her 25th birthday. Gone. Fentanyl  
18 poisoning.

19 So today is the third time I'm  
20 speaking. I found out on this past  
21 Thursday, some rather disturbing news.  
22 I've been crying out for the opioid  
23 settlement money. All of it, to be put  
24 forth, used. Took a long time for the  
25 portal to be opened. It's open, I believe

1  
2 May of last year, those nonprofits that  
3 have been able to apply have applied.  
4 There should be more. In light of the  
5 fact that Medicaid has been decimated,  
6 there are those in recovery who need the  
7 money. This is a lifeboat. I've spoken  
8 about this since March of this year  
9 stating this has got to be done. The  
10 disturbing news I want to reveal today.

11 I was made aware that \$13.7 million  
12 of the interest from the opioid  
13 settlement, Nassau County, was put into  
14 the Nassau County General Fund. This is  
15 disturbing. This is beyond belief for me.  
16 I don't like it. That money should not be  
17 earmarked, not \$0.01, for anything else.  
18 For use, for the county.

19 This is blood money. This is money  
20 that should be spent on people in  
21 recovery, education, and prevention.  
22 Period. Full stop.

23 I'm disturbed each time I think  
24 about this. When I found out about it on  
25 Thursday, I had a couple of sleepless

1  
2 nights, to tell you the God's honest  
3 truth. I went to my daughter's grave on  
4 Friday. I went to my daughter's grave on  
5 Saturday. I don't want one person to die  
6 from Fentanyl again. Please do the right  
7 thing. This is not political, ladies and  
8 gentlemen. Thank you very much.

9 PRESIDING OFFICER KOPEL: Susan  
10 Gottehrer.

11 MS. GOTTEHRER: I invite everybody to  
12 lay flowers, please.

13 Good afternoon. My name is Susan  
14 Gottehrer the director of the Nassau  
15 County, New York Civil Liberties Union in  
16 Nassau. I'm here today to mark the six  
17 months since Santos Banegas-Reyes died at  
18 the Nassau County Jail.

19 As a veteran advocate around the  
20 Nassau County Jail, I'm distressed and  
21 disturbed to report that when I heard the  
22 news, I was not surprised. Not exactly  
23 sure where to start. So I'll start with  
24 this county's wholesale and shameless  
25 adoption of Trump's inhumane immigration

1  
2 policies and the values they convey. Not  
3 just the policies, the values. A warm and  
4 willing embrace of the cruelty and lies  
5 that underpin those policies. And the  
6 most dangerous and insidious lie of all,  
7 that this is about public safety. It is  
8 not, and it never was. You have two 287-G  
9 agreements and an exam with the jail to  
10 lend out beds for ICE detainees.

11 Police commissioners know that  
12 crimes go down when their department can  
13 be trusted by the public. Well, right  
14 now, this entire government can't be  
15 trusted. Why? Because you've said loud  
16 and clear with these agreements that you  
17 are on board with the cruelty and  
18 arbitrary lawlessness of ICE and the  
19 Trump Administration. This is not about  
20 public safety. We have boots on the  
21 ground watching as people get taken off  
22 the streets every day in Hempstead,  
23 Freeport, Uniondale, Roosevelt, Westbury.  
24 This is not about public safety.

25 One of my neighbor's sons has a

1  
2 friend, an American citizen who has been  
3 stopped and detained twice in Hempstead.  
4 Walking to work. A citizen. This is not  
5 about public safety.

6 The truth is that immigrant  
7 communities have the lowest rates of  
8 crimes of all the demographics, and they  
9 contribute enormously to our society.  
10 This is not about public safety.

11 We want a full and truthful report  
12 about the death of Santos Banegas-Reyes.  
13 Raise your hand if anybody has called the  
14 family to wish them condolences. Anybody?  
15 Thank you.

16 And to bring it even further, the  
17 Public Safety Committee must exercise  
18 oversight of the jail. The air  
19 conditioning has been on at the Nassau  
20 County jail since November on and off.  
21 This is human rights violations. Please  
22 do your jobs and inspect the jail. Please  
23 issue a report. I am begging you.

24 And please stop colluding with ICE.  
25 They are lawless and cruel. And that

1  
2 means that you are, too. Immigrants are  
3 not the cause for concern regarding  
4 public safety. This government is. Thank  
5 you.

6 PRESIDING OFFICER KOPEL: Claudia  
7 Borecky.

8 MS. BORECKY: Hello. I'm executive  
9 Director of the South Shore Women's  
10 Alliance, and I am alarmed by County  
11 Executive Blakeman stealing millions from  
12 the Opioid Settlement Fund and his  
13 refusal to release nearly \$100 million  
14 that the County received in 2019. Funds  
15 to save lives from opioid addiction. What  
16 could be more despicable than siphoning  
17 money away from people fighting for their  
18 lives? The opioid fund is meant to  
19 prevent addiction, to treat those already  
20 struggling, and to reduce the deadly harm  
21 caused by substance use.

22 The New York State Mental Hygiene  
23 Law, Section 25.18, is explicit about how  
24 these funds are to be spent. These  
25 dollars were won through the suffering of

1  
2 families who buried loved ones through  
3 years of litigation meant to hold  
4 pharmaceutical giants accountable. They  
5 were never meant to become a slush fund  
6 to paper over budget failures. Yet,  
7 Blakeman has only managed to get 8.5% of  
8 these life saving funds to the agencies  
9 that actually prevent and treat opioid  
10 addiction.

11 Worse still, the allegation that  
12 millions were secretly diverted from the  
13 opioid fund to mask a budget  
14 mismanagement, it's not just a  
15 bureaucratic failure, it is a moral one.  
16 It violates state law and erodes the  
17 trust of every family shattered by  
18 addiction.

19 This pattern of neglect is not  
20 isolated. Blakeman withheld critical  
21 county funds from fire departments and  
22 EMS services. The very first responders  
23 who revive overdose victims and keep  
24 communities safe.

25 His refusal to fund the Safe Center

1  
2 forced the shutdown of Nassau's only  
3 domestic violence center and the  
4 legislature, you guys, refused to adopt  
5 the Families Against Fentanyl Act, which  
6 would have required Fentanyl Detecting  
7 test strips and Narcan kits is yet  
8 another failure to act to save lives.

9 Taken together, these decisions  
10 paint a devastating picture. Blakeman is  
11 failing to responsibly fund services that  
12 save lives and every delay, every stolen  
13 dollar, has a human cost. Families are  
14 losing loved ones. Communities are  
15 grieving losses that could have been  
16 prevented. This is not just  
17 mismanagement, it is a betrayal of the  
18 people these funds were meant to protect.

19 We demand the immediate return of  
20 all the monies taken from the opioid  
21 fund. We also call for full transparency  
22 into the opioid account and urge this  
23 legislature to establish a citizens  
24 advisory committee to ensure that these  
25 funds are allocated swiftly and

1  
2 appropriately. It is illegal to take  
3 money out of opioid accounts to use for  
4 other purposes. Blakeman must stop the  
5 steal. Thank you.

6 PRESIDING OFFICER KOPEL: Dimitrios  
7 Giouzepis, I hope I got that right.

8 MR. GIOUZEPIIS: I've had the  
9 opportunity of speaking before this panel  
10 on several occasions. Good afternoon,  
11 esteemed members of the legislature.

12 As you take a moment to remember, a  
13 year ago, I stood before you and shared a  
14 story set in the future. It was the story  
15 of a young child whose life was  
16 transformed because this body chose to  
17 invest in preschool special education and  
18 related services. I asked you then to  
19 imagine what becomes possible when we  
20 commit not just to beginning the work,  
21 but to finishing it. I am here to remind  
22 you of that story because we are now  
23 living right in the middle of it. In that  
24 story, I returned decades later as a  
25 representative of a generation that

1  
2 benefited directly from the decisions you  
3 made in this room. I spoke of Thomas, a  
4 little boy who faced early developmental  
5 challenges and received timely speech and  
6 occupational therapy through a preschool  
7 special education program supported by  
8 adequate sustainable funding, because  
9 providers were able to remain in the  
10 field and because new ones were drawn in,  
11 Thomas received consistent, high quality  
12 services at the most critical time in his  
13 development.

14 And as you follow that story  
15 forward, Thomas grew up. He built a  
16 career. He raised a family, he became a  
17 mentor and you can hear how his success  
18 was not accidental. It was the direct and  
19 predictable result of policy choices that  
20 recognized early preschool services as  
21 both a moral and fiscal imperative.

22 That future has not yet been fully  
23 secured, and at the same time, you can  
24 recognize that it is within reach.

25 Over the past year, you have taken

1  
2 meaningful and commendable steps by  
3 approving an increase to reimbursement  
4 rates. Those actions mattered. They began  
5 to address a decades old structural gap  
6 that had been steadily eroding the  
7 preschool special education system. They  
8 slowed the loss of experienced providers.  
9 They sent a clear message that this work  
10 the professionals who do it and the  
11 children for whom we work are valued. And  
12 yet, as we all know, beginning the work  
13 is different from completing it. We are  
14 still in the chapter where the outcome  
15 depends on consistency and follow  
16 through. Until reimbursement rates fully  
17 reflect the true cost of delivering high  
18 quality services, the field remains  
19 vulnerable. Providers will continue to  
20 struggle to recruit and retain staff.  
21 Programs will remain at risk in children  
22 whose developmental windows do not wait  
23 will feel the consequences, and it's  
24 useful to remember why the reimbursement  
25 increases were applied in the first place

1  
2 to attract new providers to the field, to  
3 stabilize and grow programs, to ensure  
4 access to services for every eligible  
5 child, and ultimately to preserve the  
6 system for future generations. That  
7 purpose has not changed. And as you  
8 consider it again now, you can clearly  
9 see that the goal has not yet been met.

10 So today, I ask you to remember the  
11 story you heard last year, not as a  
12 hypothetical future, but as a  
13 responsibility actively unfolding right  
14 now. We ask that you continue applying  
15 the increases until reimbursement rates  
16 fully reflect the true cost of delivering  
17 high quality services, a 10% increase  
18 over the next five years. Suffolk County  
19 has already done. Ensure that the story  
20 we tell our future is one of commitment  
21 and resolve, not merely unfinished  
22 intention. The children we serve today  
23 will never know the names of the budget  
24 lines or policy debates, and yet they  
25 will live with the results for the rest

1  
2 of their lives.

3 The future depends on what we do  
4 today. Thank you for your continued  
5 leadership, your commitment, and your  
6 willingness to finish what we so  
7 importantly began.

8 PRESIDING OFFICER KOPEL: Okay. Jodi  
9 Hawkins.

10 MS. HAWKINS: Good afternoon. My name  
11 is Jodi Hawkins and I've been a therapist  
12 providing services to preschool children  
13 for the past 20 years. I would first like  
14 to express my appreciation for the recent  
15 increase in reimbursement rates, which is  
16 an important and much needed first step.  
17 However, there is no current guarantee of  
18 future increases, leaving providers  
19 without long term financial stability.  
20 Living and working on Long Island, where  
21 the cost of living is exceptionally high,  
22 continues to place significant financial  
23 pressure on providers. While the demand  
24 for therapy services remains strong,  
25 current reimbursement rate makes it

1  
2 increasingly difficult to sustain a long  
3 term career in this field. Many of my  
4 colleagues have already left, or are in  
5 the process of leaving, due to the  
6 combination of excessive paperwork  
7 requirements, limited compensation, and  
8 the high cost of living. These growing  
9 workforce shortages directly impact the  
10 availability of services for children who  
11 need them the most. In addition, many  
12 preschool therapists are traveling  
13 providers who service multiple locations  
14 each day, incurring substantial  
15 out-of-pocket expenses for fuel, vehicle  
16 maintenance, and unpaid travel time.  
17 Reimbursement rates have not kept pace  
18 with the inflation or the true cost of  
19 delivering services.

20 Most therapists are reimbursed on a  
21 fee for service basis, which limits  
22 income stability and does not account for  
23 essential non-billable work, such as  
24 documentation, travel, administration  
25 responsibilities. As a result, providers

1  
2 routinely work far beyond their direct  
3 service hours without fair compensation.

4 Furthermore, under part 200 of New  
5 York State regulations, providers are  
6 required to attend meetings including  
7 initial eligibility meetings, annual  
8 review meetings, and program reviews  
9 without reimbursement. In order to  
10 comply, therapists often must cancel  
11 multiple paid sessions resulting in  
12 further financial loss.

13 Providing services at the preschool  
14 level not only improves outcome for  
15 children, but also reduces long term  
16 financial burdens on school districts.  
17 Research consistently shows that early  
18 intervention can prevent the need for  
19 more intensive and costly services later.  
20 In fact, every dollar invested in early  
21 childhood intervention yields significant  
22 savings in the future educational costs.  
23 Despite these well-documented benefits,  
24 it's becoming increasingly difficult to  
25 sustain preschool level services under

1  
2 the current reimbursement structure.

3 I respectfully urge you to consider  
4 implementing regular cost of living based  
5 reimbursement increases, as well as  
6 compensation for mandated non-billable  
7 responsibilities. These changes are  
8 essential to stabilizing the workforce  
9 and ensuring that children continue to  
10 receive timely, high quality services  
11 during these critical years. Thank you  
12 for your time.

13 PRESIDING OFFICER KOPEL: Monica  
14 Nichols.

15 MS. NICHOLS: Good afternoon. I'm  
16 speaking today as a mother of a special  
17 needs child. Imagine being a parent who  
18 has just had their child diagnosed and  
19 evaluated and is told for the very first  
20 time that their son or daughter has a  
21 disability or developmental delay. It's  
22 overwhelming, emotional, and frightening.

23 Now imagine being told that your  
24 child needs therapy, but there are no  
25 providers available to begin services. No

1  
2 support, no start date. Just waiting.

3 That reality is unimaginable for  
4 families, and yet it happens every day.  
5 Preschool related services are not  
6 optional. They are time sensitive.  
7 They're critical and they are life  
8 changing. The earlier we intervene, the  
9 better the outcomes for children and  
10 family.

11 I want to thank Nassau County for  
12 helping to move the needle in increasing  
13 rates for related services providers.  
14 Raising rates will directly impact  
15 getting providers back and getting  
16 children the services that they need.  
17 Suffolk County has increased and is at  
18 the same rate as Nassau County. However,  
19 they have committed to a 10% increase  
20 each year for five years to bring us in  
21 line with the rates of other counties of  
22 New York. It is essential that Nassau  
23 does the same.

24 I want to acknowledge the progress  
25 that has been made. Families feel it. It

1  
2 matters. We still have work to do, but we  
3 are moving in the right direction and  
4 that gives parents hope. Thank you.

5 PRESIDING OFFICER KOPEL: David  
6 Tellerman.

7 MR. TELLERMAN: Hello, everybody. I  
8 am David Tellerman and I am the director  
9 at New York Therapy. So we are an agency  
10 that provides special education services  
11 to children throughout Nassau County. And  
12 I'm here today to speak specifically  
13 about preschool related services. So  
14 these services are speech therapy,  
15 occupational therapy, physical therapy  
16 for children ages three to five years  
17 old.

18 Many of you have heard us speak on  
19 this topic in previous meetings, and I  
20 have also had the pleasure of meeting  
21 with some of you individually. For those  
22 of you who may not be familiar with the  
23 work that we've done, I'd like to briefly  
24 provide some background for you. For  
25 several years, hundreds of children and

1  
2 their families have not received a  
3 legally mandated services to which they  
4 are entitled. The primary reason for this  
5 is that the reimbursement rates remained  
6 unchanged for 27 years. As a result, many  
7 therapists were forced to leave the field  
8 for positions such as hospitals, skilled  
9 nursing facilities or other settings  
10 where they can earn a sustainable salary  
11 to support their families. Because of the  
12 shortage, children either went without  
13 services entirely, or waited several  
14 months for services to begin. Imagine  
15 receiving the devastating news that your  
16 child has a disability and requires  
17 intervention, only to be told that no  
18 providers are available.

19 During this time, Nassau County had  
20 the lowest reimbursement rate in the  
21 state. Today, I'm here to thank all of  
22 you for your support because the tide is  
23 finally turning. With your help, we have  
24 increased the reimbursement rate from a  
25 low of \$40 per session to \$55 per

1  
2 session. This is a significant and  
3 important first step.

4 However, the average reimbursement  
5 rate across New York State is near \$65  
6 per session, with several counties paying  
7 over \$70 and some reaching as high as \$80  
8 reimbursement. The current rate of 55 is  
9 still near the bottom of the list of all  
10 62 counties.

11 As grateful as we are, 27 years of  
12 no rate movement is a lot to make up for.  
13 I would like to share with you that  
14 Suffolk County Executive's Office, has  
15 recognized this crisis and they have  
16 actually taken action. So we've been  
17 promised for a 10% increase each year for  
18 five years, which equates to  
19 approximately a \$5 increase per session  
20 annually. We are expecting our second  
21 increase of the five years this coming  
22 July 1st. This plan will bring Suffolk  
23 County in line with the reimbursement  
24 rates across the rest of the state. We're  
25 asking for Nassau County to implement the

1  
2 same future increases. With these future  
3 increases, there is no doubt that  
4 therapists will return to the field. This  
5 will allow us to achieve our shared goal,  
6 ensuring that all preschool children  
7 received a special education services  
8 that are so critical to their  
9 development.

10 It's widely understood that for the  
11 first few years of development that is  
12 essential for brain skill acquisition. So  
13 thank you again and we appreciate your  
14 time.

15 PRESIDING OFFICER KOPEL: Cheryl  
16 Keshner, please.

17 MS. KESHNER: Good afternoon. My name  
18 is Cheryl Kushner. I'm with the Long  
19 Island Immigrant Justice Alliance and the  
20 Long Island Language Advocates Coalition.  
21 I'm here today to call for justice for  
22 Santos Banegas-Reyes and for all the  
23 immigrants who are being demonized by  
24 this administration and terrorized.

25 It's been six months since Santos

1  
2 Banegas-Reyes died in the Nassau County  
3 Jail, and still we have not gotten a full  
4 report regarding what led to that death.  
5 What were the circumstances? The Nassau  
6 County Medical Examiner, as well as  
7 Homeland Security, owe that to the  
8 community and to especially to Santos'  
9 family. So we are calling for justice and  
10 a full investigation.

11 Secondly, we'd like you to  
12 investigate the conditions at the Nassau  
13 County Jail, as was stated before. We  
14 have heard from many people that the  
15 conditions there are deplorable, that it  
16 is freezing, that people are being denied  
17 food and water, or if they are given  
18 food, it is moldy. They are not given  
19 access to phones to contact legal counsel  
20 or their families, and they are kept in  
21 their cells 23 hours a day. This needs to  
22 be investigated. This needs to be  
23 stopped. This isn't Louisiana or Texas.  
24 This is here, right here in Nassau  
25 County. We need an end to Nassau's

1  
2 collusion with ICE.

3 As you know, there are 287-G  
4 agreements, which permit the Police to  
5 act as ICE agents and which allow the  
6 jail to be used to detain people for ICE.  
7 Nassau should not be playing any role in  
8 this horrible, terrible treatment of our  
9 neighbors, our brothers and sisters.

10 And I want to thank those of you,  
11 the legislators who have spoken up, who  
12 recently sent a letter. We saw it. We  
13 appreciate it, but more needs to be done.  
14 It's not enough. We don't need just a  
15 temporary end of 287-G agreements. We  
16 need it to be eliminated. And Nassau  
17 should not be colluding in any way.

18 We also know that probation is  
19 turning people over to ICE when they are  
20 reporting, as required by law, to comply  
21 with what's court mandated, and then  
22 probation is turning them over. They're  
23 being separated from their families when  
24 they're just trying to do the right  
25 thing.

1  
2           So when you say this is the safest  
3 county, I do take issue with that. I  
4 think many of us do. This is not the  
5 safest county in New York if you're  
6 black, if you're brown, if you're Latino,  
7 if you're an immigrant. It's not the  
8 safest county If you're a student in  
9 Roosevelt trying to get your diploma and  
10 you're torn away from your family. It's  
11 not the safest county if you're a father  
12 going out to buy baby formula, and then  
13 you're taken by the Nassau County Police  
14 Department and turned over by ICE. It's  
15 not the safest county if you're trying to  
16 take your kid to school, and then you  
17 find that you're taken and your kid is  
18 waiting for you to come and pick them up.

19           So please don't just spout rhetoric.  
20 Do something. We need a safe county for  
21 everybody who lives here, not just a  
22 select few. Thank you.

23           PRESIDING OFFICER KOPEL: Fred  
24 Brewington?

25           MR. BREWINGTON: So first of all, I

1  
2 greet you all and say thank you for  
3 giving honor to God.

4 First, I come with you with six  
5 points. One on September 18, 2025, six  
6 months ago, Mr. Reyes died. He died in  
7 our hands, the hands of each of you who  
8 legislate this county and have  
9 responsibility to speak and report to the  
10 public. He died in the hands of Nassau  
11 County. We need to take responsibility  
12 for that to him and to his family and to  
13 the community. When we don't, we fail  
14 each other. We turn our backs on each  
15 other, and that's not something that's  
16 acceptable.

17 Point two, question, any contact  
18 with the family? I know one of my  
19 brothers over here did. Reached out to  
20 the family to say, we send our  
21 condolences. And I'm asking now for  
22 legislation from this body, particularly  
23 from the Majority -- and I'm going to  
24 speak largely to this side of the room.  
25 So please excuse me -- that you put

1  
2 legislation on for Nassau County that one  
3 of you come up with a bill that says  
4 anybody that dies in custody at the  
5 Nassau County Jail gets a letter from you  
6 saying whether or not it's our  
7 responsibility or fault or not, we send  
8 our condolences and God be with you.  
9 That's the common and decent thing to do.  
10 You do it for a lot of other folks, but  
11 you don't do it for people that die in  
12 the jail when they could be falsely  
13 accused or inappropriately there, just  
14 like Mr. Reyes was.

15 Three, we sent to you on October 13,  
16 2025, a letter asking for each one of you  
17 to respond to us about his death and  
18 about what was going on in the jail. We  
19 got crickets, except for a Legislator  
20 Nicks, who wrote on behalf of several of  
21 her colleagues. I know you got it because  
22 we got the response that said that you  
23 got it. That's not acceptable. You turned  
24 your backs on many people from the  
25 organizations called TCC, Long Island

1  
2 advocates for Police accountability. Long  
3 Island United, and a number of people  
4 that are here for.

5 Fifth, majority you supplied -- we  
6 ask you that if no one likes being  
7 ignored, and particularly the family of  
8 this gentleman that is here. No one likes  
9 being ignored.

10 In my last 30s, let me say this.  
11 There are 13 people that died in Nassau  
12 County's jail. This is a report from the  
13 New York State Commission on Corrections.  
14 I'm going to give it to Ms. Nicks because  
15 she's been the most responsive.

16 But at this particular point, I'm  
17 just going to say we need to be  
18 responsive, because what you have done is  
19 a bad demonstration. This is the  
20 demonstration. I'll ask you to stand you  
21 and turn your backs on them.

22 PRESIDING OFFICER KOPEL: Okay. Thank  
23 you.

24 Frankie Lozada.

25 MR. LOZADA: Hello, everyone. My name

1  
2 is Frankie Lozada. I'm here because a  
3 member of my community is no longer with  
4 us. I'm here because politicians decided  
5 to blame the consequences of their  
6 mistakes and decisions and their mistakes  
7 of their governance on some of the most  
8 vulnerable communities in this country.

9 For months, we've watched from afar,  
10 while federal agents have ripped families  
11 apart and removed some of our hardest  
12 working community members, and now  
13 they're here in our backyard.

14 Santos Banegas-Reyes is just one  
15 name, but he represents all the lives  
16 that have lost at the hands of ICE. I  
17 spent nearly two years of my life working  
18 with families and unaccompanied minors at  
19 the Mexican border. I saw firsthand the  
20 treatment that these individuals  
21 received. But most importantly, I heard  
22 their stories. These are families that  
23 are escaping hardship and fear. Imagine  
24 that. They come here for safety. They  
25 come here for opportunity, and for a

1  
2 second chance at life, chasing the same  
3 American dream that was promised to us.

4 In 2021, I started advocating for  
5 New York for all. And now, five years  
6 later, everything that we've been warning  
7 about is coming true. Had we had been  
8 heard from our legislators, Santos  
9 Banegas-Reyes would still be here today.  
10 And I am asking for a full and  
11 transparent investigation of his case.

12 In the meantime, my question is how  
13 many more of my community members have to  
14 die? How many more before legislators  
15 take action? How many more families have  
16 to grieve? I'm tired of people who look  
17 like me and sound like me being targeted  
18 and attacked. All for the purpose of  
19 political division. We are human beings,  
20 not political pawns. And I'm asking for  
21 our legislators to have compassion, to  
22 have reason to honor righteousness and to  
23 pass New York for all. And for the New  
24 York, the Nassau County legislators to  
25 demand that law enforcement honor their

1  
2 role and commitments to protect and serve  
3 and stop collusion with ICE. Thank you.

4 PRESIDING OFFICER KOPEL: Richard  
5 Clolery.

6 MR. CLOLERY: Hello again, everyone.  
7 Here we go. To the members of the  
8 Legislature, there's going to be a TAC  
9 meeting this week. As a member, I will  
10 fight to increase funds so we can  
11 increase bus service here so people can  
12 get around Nassau County safely.

13 Before I go, there are two things I  
14 want to talk about. As I go along  
15 Hempstead Turnpike. I pass by a fenced  
16 off spot on Newbridge Road. It's just a  
17 little bit before Hempstead Turnpike,  
18 actually. That says no trespassing or  
19 litter because of state law. Let me tell  
20 you, it's an illegal junk yard right now.  
21 We need to do something about this  
22 because I am not sure what it's for, but  
23 people are illegally dumping their trash  
24 at these locations without fear of  
25 consequences because there's no one

1  
2 monitoring these spots. I mean, who wants  
3 to pass by a junkyard? Anyone? Thank you.

4 Occasionally, I have to come here by  
5 AbleRide because it rains or snows. I was  
6 wondering if I could be dropped off in  
7 the back. I know it's for the staff, but  
8 there is no safe spot to drop me off or  
9 other disabled people to come here to  
10 speak.

11 I'm also worried about what's going  
12 on in this country due to the actions of  
13 President Trump and the Republican/MAGA  
14 Party. We need to come together this  
15 Saturday to protest against the evils  
16 caused by these people.

17 I look forward to the No Kings  
18 Protest this Saturday in Mineola.

19 PRESIDING OFFICER KOPEL: Susan  
20 Steinmann?

21 MS. STEINMANN: Hi. My name is Susan  
22 Steinmann. I wanted to respond to  
23 something that was said by one of the  
24 other speakers that the lowest community  
25 in terms of demographic and statistical

1  
2 research that has crime are immigrant  
3 communities. And yet, why do so many  
4 people associate immigrants with  
5 criminality? It's because if a lie is  
6 told over and over and over again, it  
7 will be believed. This is an old game. So  
8 because of this and because of the plans  
9 of division, in order to get elected,  
10 which is why this was done, to turn one  
11 part of our populace against the other  
12 for crass political reasons, large  
13 sections of our communities are being  
14 hunted by bounty hunters. They're being  
15 snatched. We have little children in  
16 Dilley Detention Center, two of whom have  
17 died already. Take a look. Go to your  
18 internet and take a look at the faces of  
19 these little children. These little  
20 children were writing letters outside as  
21 to what they were going through, and the  
22 answer of the Homeland Security people  
23 was to go into their cells, take their  
24 crowns, take their pencils, take their  
25 paper, rip their drawings off the walls

1  
2 so they could not communicate with  
3 anybody.

4 I mean, this is not the America that  
5 I grew up in at all. We know that our  
6 history has some really terrible things  
7 in it, regardless of the attempt to  
8 whitewash our history into a fantasy land  
9 that never existed. We know the history  
10 of how the indigenous people were  
11 treated. We know the history of slavery  
12 and no amount of taking things out of the  
13 Smithsonian Institute will erase that.  
14 But we have to look at our history if we  
15 want to do a better job being Americans.

16 I want to mention a poem at the base  
17 of the Statue of Liberty. Give me your  
18 tired, your poor, your huddled masses  
19 yearning to breathe free, the wretched  
20 refuse of your teeming shore. Send these,  
21 the homeless tempest tossed to me. I lift  
22 my lamp beside the golden door.

23 PRESIDING OFFICER KOPEL: Okay. Thank  
24 you. Mary Ann Ojeda.

25 MS. OJEDA: Good afternoon. That's a

1  
2 tough act to follow. My name is Mary Anne  
3 Ojeda. I'm the director of the Solidarity  
4 Group. We're a nonprofit based out of  
5 Freeport, New York.

6 To continue with today's theme for  
7 Nassau County to continue being the  
8 safest county in the United States, ICE  
9 needs to stop. It needs to get out of  
10 here. Harassing and using unlawful tax  
11 tactics aimed towards the Latino  
12 community. We are a tax paying community.  
13 We are small business owners and the  
14 immigrant workers that keeps everything  
15 rolling.

16 Safe? Victim of domestic violence  
17 cannot feel safe and is not safe. If he  
18 or she cannot call the Police for fear of  
19 being deported.

20 And I'm calling to all of you to  
21 please get ICE out of our communities is  
22 destroying our small business owners.  
23 Thank you.

24 PRESIDING OFFICER KOPEL: All right.  
25 This is Mother Marie Tatro.

1  
2 MS. TATRO: I'd like to use the first  
3 few moments of my time to observe a brief  
4 silence as we honor the life of Santos  
5 Banegas-Reyes. I will then pray some  
6 words from my tradition.

7 Into your hands, Oh, loving God, we  
8 commend your servant Santos. Acknowledge,  
9 we humbly beseech you, a sheep of your  
10 own fold, a lamb of your own flock, a  
11 sinner of your own redeeming. Receive him  
12 into the arms of your mercy, into the  
13 blessed rest of everlasting peace, and  
14 into the glorious company of the saints  
15 in light.

16 Almighty God, father of mercies and  
17 giver of comfort, deal graciously. We  
18 pray with all who mourn, especially the  
19 friends and loved ones of Santos. May  
20 they feel your love, knowing that they  
21 may cast all their care upon you, Oh,  
22 God, and may they know the consolation of  
23 your love.

24 And we pray for all who have died  
25 while in the custody of the state, for

1  
2 their loved ones and for all the  
3 disappeared. May they come to know that  
4 your love and grace is far more powerful  
5 than the Empire, and will outlast the  
6 evil that is in our midst, and let all of  
7 them know that they are not only loved by  
8 you, God, but by us, their fellow  
9 travelers in this life, and that we will  
10 never stop fighting for their freedom and  
11 their right to live in peace.

12 We commend to Almighty God our  
13 brother Santos, earth to earth, ashes to  
14 ashes, dust to dust. The Lord bless him  
15 and keep him. The Lord make his face to  
16 shine upon him and be gracious to him.  
17 The Lord lift up his countenance upon  
18 him, and give him peace.

19 And may we, the living, be to one  
20 another a comfort in our afflictions, and  
21 give each other the daily strength to  
22 continue to do the work that you have  
23 called us to do. Amen.

24 PRESIDING OFFICER KOPEL: Chris  
25 Jacobs?

1  
2 MR. JACOBS: Good afternoon. Chris  
3 Jacobs. Our Nassau County roads are  
4 plagued with potholes, which are creating  
5 hazardous driving conditions for our  
6 county's residents. County motorists have  
7 had to swerve in and out of other lanes,  
8 panic break and even backup traffic flow  
9 just to avoid them.

10 First, I want to thank Legislator  
11 Russell and Legislator Nicks for the  
12 expeditious response times and fixing  
13 road issues I have conveyed to them  
14 regarding roadways within their  
15 respective legislative districts. Thank  
16 you.

17 I understand that our county roads,  
18 along with most of the roadways  
19 throughout New York State, are  
20 experiencing higher than normal amounts  
21 of potholes due to the high volume of  
22 snow we received this winter. The melting  
23 and refreezing of snow due to fluctuating  
24 temperatures, as well as extending  
25 periods of subfreezing temperatures. My

1  
2 point of contention is with the  
3 inadequate repairs being done fixing the  
4 potholes on our county roads, I travel  
5 throughout the entirety of Nassau County  
6 on a weekly basis. Often times I have  
7 seen many potholes be filled in one day,  
8 only to reopen themselves a few days  
9 later. This is indicative of a  
10 substandard road base as well as improper  
11 road maintenance.

12 Another observation I witnessed is  
13 that many potholes are filled, but not  
14 compacted and leveled, leaving protruding  
15 bumps in place of potholes, which are  
16 just as dangerous for vehicles and  
17 pedestrians.

18 Going forward, I hope the county as  
19 a whole does a comprehensive look at the  
20 structural integrity of our county roads.  
21 Our county roads are heavily traveled by  
22 well over 100,000 motor vehicles per day,  
23 and are showing signs of wear and tear.  
24 Road safety is paramount for the  
25 residents of Nassau County and should be

1  
2 everyone's number one priority. Have a  
3 great afternoon.

4 PRESIDING OFFICER KOPEL: Nadia  
5 Molina.

6 MS. MOLINA: Good afternoon. I'm here  
7 on behalf of NDLO, which is the National  
8 Day Laborer Organizing Network.

9 We're here today also to remember  
10 and demand justice for Santos  
11 Banegas-Reyes. We stand with his family  
12 in Honduras and in Kentucky, and his ten  
13 year old daughter, Santos, lived and  
14 worked in Hempstead as a day laborer and  
15 construction worker. For day laborers,  
16 every day is a risky endeavor, with the  
17 possibility of getting a good job or a  
18 dangerous one, or a job where your  
19 employer is going to steal your wages.  
20 And meanwhile, day laborers are building  
21 the economy like Santos did renovating  
22 homes, repairing roofs, trimming trees  
23 all over Long Island.

24 In Hempstead, a black and brown  
25 community, ICE has been racially

1  
2           profiling, questioning and arresting  
3           people on the street.

4                   According to ICE's own report.  
5           Santos was arrested there on September  
6           17, 2025, and died in less than 24 hours  
7           by 6:30 a.m. on September 18th. ICE  
8           claims that this was due to alcohol  
9           withdrawal, but if that is true, or if  
10          that were true, there's no indication  
11          that he was checked every hour as would  
12          be done with somebody who is undergoing  
13          alcohol withdrawal. It would be required.  
14          It seems that Santos was denied needed  
15          medical care, which is why we are  
16          demanding the release of the Nassau  
17          County Medical Examiner's report and the  
18          New York State Attorney General's report.  
19          ICE also said in their report that Santos  
20          crossed the border multiple times as a  
21          way of making him sound like a bad guy, I  
22          think. But to me, this is an indication  
23          of deep familial love and sacrifice.

24                   I saw Father's Day graphic which  
25          said my father would cross 100 borders to

1  
2 give me a better life, and I think that  
3 Santos would have crossed the border 100  
4 more times to protect his family, to  
5 contribute to his family, to see his  
6 family or to visit or to be with them. I  
7 hope that each of us and each of you are  
8 lucky enough to know someone like Santos,  
9 someone who loves us enough to cross 100  
10 or 1,000 borders for us. Just like Santos  
11 loved his family.

12 We ask that you release the medical  
13 examiner's report and end all collusion  
14 with ICE. Protect your constituents.

15 PRESIDING OFFICER KOPEL: Pearl  
16 Jacobs?

17 MS. JACOBS: Pearl Jacobs, President  
18 of Civic Association, Uniondale.

19 All too frequently, as I open the  
20 morning paper, there are headlines  
21 reporting on vehicle accidents the day  
22 before, accidents that occurred  
23 overnight. Sadly, many of these accidents  
24 resulted in fatalities. As you are well  
25 aware, accidents in Long Island are of

1  
2 high concern. So much so that Newsday is  
3 doing a year long exposé on Long Island's  
4 dangerous roadways. Newsday found that  
5 traffic fatalities in Nassau County rose  
6 from 67 in 2024 to at least 78 last year,  
7 according to data from Newsday's Fatality  
8 Tracker. Long Island has had a higher  
9 traffic fatality rate than the state, in  
10 part due to heavy reliance on cars. A  
11 rise in aggressive driving and roadway  
12 designs that put pedestrians and cyclists  
13 at risk.

14 New York City recorded 205 traffic  
15 fatalities in 2025, marking the lowest  
16 number of traffic deaths since record  
17 keeping began in 1910. This total  
18 represents a 19% decrease from the 253  
19 deaths recorded in 2024, continuing a  
20 downward trend driven by Vision Zero  
21 initiatives in New York City.

22 I attended both of Newsday's  
23 Dangerous Drivers forums in Melville  
24 Melville last year. Both forms were very  
25 well attended by residents from Nassau

1  
2 County and Suffolk County. At these  
3 meetings, residents spoke up concerning  
4 the lack of action that is being  
5 demonstrated by our lawmakers making  
6 concerning Long Island's dangerous  
7 roadways. At these meetings, it was  
8 heartbreaking to listen to the stories  
9 shared by families that have lost loved  
10 ones as a result of reckless and drunk  
11 driving.

12 I have spoken before this  
13 legislative body twice before advocating  
14 for safer roadways in Nassau County. I  
15 spoke regarding the Vision Zero  
16 initiative in New York City that has  
17 proven to save lives. The data tells the  
18 story. More people are losing their lives  
19 to vehicle fatalities than to gun  
20 violence.

21 Our law enforcement Officers are  
22 losing their lives in record by reckless  
23 and inebricated drivers. We are fortunate  
24 to be protected by one of the best Police  
25 Departments in the nation. We can all

1  
2 agree that our Police risk their lives  
3 every day serving and protecting.

4 Residents of Nassau County Police have  
5 families to go home to.

6 Also, it is unjust not to assist our  
7 Police by utilizing technology that would  
8 make their jobs safer and save lives as  
9 well.

10 Legislator Nicks, thank you for  
11 taking time to speak with me last week  
12 concerning the speeding, reckless driving  
13 and noise from the racing vehicles that  
14 occur overnight on Jerusalem Avenue, a  
15 roadway of death where camera technology  
16 is desperately needed. And I would like  
17 to thank state Assemblywoman Solages. She  
18 has introduced a bill to designate the  
19 Southern State Parkway, a highway safety  
20 corridor, a concept used in other states  
21 allowing for increased fines, more  
22 patrolling, signage and speed cameras  
23 which are otherwise allowed to --

24 PRESIDING OFFICER KOPEL: Meredith  
25 Mereday.

1  
2 MS. MEREDAY: During my moment of  
3 silence before the clock ticks for Robert  
4 Mueller, who was a Bronze Star awardee  
5 and a decorated veteran with a Purple  
6 Heart.

7 I stand before you today beyond  
8 disgusted. With regard to the conduct in  
9 general and the fact that again, our  
10 freedom of speech is continually  
11 curtailed, particularly in this body. And  
12 largely I feel it's directed at me. The  
13 fact that I'm one of the few who attends  
14 these meetings, whether it's the  
15 committee meetings or it's the full  
16 legislator meeting. And to now this year,  
17 not be able to comment on issues that are  
18 brought before this body except prior to  
19 a public comment. It smacks in the face  
20 of the precedents that were established  
21 and the fact that we have an open  
22 meetings law. How can the public be fully  
23 advised to address the issues that we pay  
24 \$4.4 billion in taxes if we're not  
25 allowed to get the information, but we

1  
2 have to speak about it ahead of time?

3 I do have intuitive properties, but  
4 not to the extent of how despicable some  
5 of the decisions and the distribution of  
6 our funds as addressed earlier today,  
7 Opioid being one of them. I know on my  
8 paper, so I'm not chastised about not  
9 addressing the issue that was on the  
10 agenda, the stop DWI fund, since Long  
11 Island has the largest number of stop DWI  
12 traffic ticket infractions, Suffolk  
13 County only beats us with the number of  
14 fatalities, but we have the largest  
15 number. But we're funding a stop DWI  
16 Program that when I was here two weeks  
17 ago, when the funds were allocated, did  
18 not know what department it was going to  
19 because the public comment session was  
20 before the actual hearing, not one of you  
21 asked a question about where exactly  
22 those stop DWI funds are going. Where's  
23 the reporting? What is actually  
24 happening? That's a disgrace.

25 Lastly, we pay more money in a \$300

1  
2 million litigation unit that we pay for  
3 veteran services, for minority affairs.  
4 For social systems that are helping our  
5 seniors, our veterans, our seniors and  
6 our young people are the highest in the  
7 suicide rates as we speak. This is  
8 despicable. This is disgusting. And the  
9 fact that you want to take your pictures  
10 earlier and make sure you want to update  
11 your websites to get reelected. At this  
12 point, all of you should be voted out.  
13 Those of you who say nothing and those of  
14 you who don't have the capacity to do  
15 anything. Now, I have to leave now and  
16 get back to addressing the issues of  
17 veterans who are losing their lives and  
18 losing their homes, as well as losing  
19 their health care and have to pay more  
20 for prescription medication every week. I  
21 am working with a critical care physician  
22 in Queens to try to keep a senior citizen  
23 from having to pay \$1,400 to just have  
24 diabetes his medication. I'm disgusted.  
25 And I'm done.

PRESIDING OFFICER KOPEL: Okay. This  
concludes our public comment.

23 I'm going to call them all together.

24 LEGISLATOR MULE: Presiding Officer?  
25 Before we do that, can I just because I'm

6 LEGISLATOR MULE: Is there a  
7 representative from the county executive  
8 here?

9 PRESIDING OFFICER KOPEL: I'm sorry.  
10 What is it that you're?

11 LEGISLATOR MULE: We have asked on  
12 the record for projections and real  
13 numbers regarding the VSIP. And we  
14 haven't gotten any of it. And so I'm  
15 requesting, again, to know how many  
16 people have left? How many people are  
17 being on hold? And what the plan for  
18 backfill is? Chris is not here.

19 PRESIDING OFFICER KOPEL: I assume  
20 that the administration definitely has  
21 represented here, and they've heard that.  
22 And I guess you'll you'll take that back  
23 and see what you can do.

24 LEGISLATOR MULE: Yeah. We need that  
25 information. Thank you.

1  
2 PRESIDING OFFICER KOPEL: Now we  
3 have two hearings on the calendar today.

4 First hearing is calendar Item 1,  
5 which is Clerk Item 34-26, which is a  
6 local law to establish a partial  
7 exemption from taxation for the surviving  
8 spouses of volunteer firefighters and  
9 volunteer ambulance workers killed in the  
10 line of duty.

11 Motion to open the hearing by Deputy  
12 Presiding Officer McKevitt. Seconded by  
13 Minority Leader Deriggi-Whitton.

14 All those in favor of opening the  
15 hearing say aye.

16 (Whereupon, all members  
17 respond in favor.)

18 PRESIDING OFFICER KOPEL: Opposed?

19 (Whereupon, no response.)

20 PRESIDING OFFICER KOPEL: The hearing  
21 is now open. Do we have anyone who wishes  
22 to speak on this matter?

23 Legislator Strauss?

24 LEGISLATOR STRAUSS: Thank you,  
25 Presiding Officer. This relief is for our

1  
2 volunteer firefighters and EMS workers  
3 who are killed in the line of duty. I  
4 hope you notice that one very important  
5 word, 'volunteer'. Our communities are  
6 predominantly protected by volunteer  
7 firefighters. The men and women of our  
8 volunteer fire departments and ambulance  
9 companies go through a tremendous amount  
10 of training year round, and they  
11 literally risk their lives each and every  
12 day for us. We've all seen the pictures  
13 and the videos of horrific fires and  
14 vehicle crashes. The brave men and women  
15 in those pictures and videos are  
16 volunteers. We watched as they fight  
17 their way into a house or building that  
18 is fully engulfed in fire, with  
19 temperatures reaching 1,000 degrees or  
20 more. They're volunteers. They don't  
21 receive a paycheck, yet they risk their  
22 lives for us for free, just as the  
23 firefighters did from Uniondale Fire  
24 Department who were recognized here  
25 earlier this afternoon. This relief will

1  
2 honor their lives, their dedication,  
3 their commitment, and their sacrifice.

4 Although this incredibly small  
5 gesture will never make up for their  
6 loss, it will make the lives of their  
7 loved ones left behind a little easier.

8 As the an ex chief and still a very  
9 active volunteer firefighter in my  
10 community, I am extremely honored and  
11 proud to support this piece of  
12 legislation.

13 Thank you, Presiding Officer.

14 PRESIDING OFFICER KOPEL: Thank you.  
15 Is there anyone else? Minority leader?

16 MINORITY LEADER DERIGGI-WHITTON: Of  
17 course, we fully support this, but there  
18 were a couple technical questions that  
19 we've already received in our Offices,  
20 such as how to apply if there's a form,  
21 and things like that.

22 PRESIDING OFFICER KOPEL: Should  
23 someone qualify?

24 MINORITY LEADER DERIGGI-WHITTON:  
25 Should someone qualify, like what steps

1  
2 should be taken and what if there's a  
3 form that's already provided. I think  
4 that we need to update the website with  
5 this information, also. I guess the  
6 administration's not here today, but we  
7 could use some guidance about that.

8 PRESIDING OFFICER KOPEL: Yes. I  
9 think those are all interesting and valid  
10 points. And once we pass this item, which  
11 hopefully will right away, presumably the  
12 administration will go ahead and address  
13 those things.

14 Is there anyone here from  
15 assessment? Mr. Ross?

16 MR. ROSS: Good afternoon, Daniel  
17 Ross, Department of Assessment. In  
18 relation to your questions, we are  
19 awaiting guidance from New York State and  
20 as soon as applications are available,  
21 they will be updated on our website and  
22 made available to the public. But right  
23 now, we don't have anything from New York  
24 State.

25 MINORITY LEADER DERIGGI-WHITTON: As

1  
2 always, we just ask that you keep us  
3 advised, which sure would be nice. Thank  
4 you.

5 MR. ROSS: You're welcome.

6 PRESIDING OFFICER KOPEL: Any members  
7 of the public wish to be heard on this  
8 item?

9 (Whereupon, no response.)

10 PRESIDING OFFICER KOPEL: Okay.  
11 Deputy Presiding Officer McKevitt moves  
12 to close the hearing. And Minority Leader  
13 Deriggi-Whitton seconds the motion.

14 All those in favor of closing the  
15 hearing say Aye.

16 (Whereupon, all members  
17 respond in favor by saying  
18 Aye.)

19 PRESIDING OFFICER KOPEL: Opposed?

20 (Whereupon, no response.)

21 PRESIDING OFFICER KOPEL: The hearing  
22 is now closed.

23 Now, we're going to take a vote on  
24 this item, which is calendar item three,  
25 Clerk item 34 of '26.

Once again, motion made by Deputy  
McKevitt, seconded by Minority Leader  
Deriggi-Whitton.

All those in favor of this item say  
Aye.

(Whereupon, all members  
respond in favor by saying  
Aye.)

PRESIDING OFFICER KOPEL: Opposed?

(Whereupon, no response.)

PRESIDING OFFICER KOPEL: Okay. The  
item passes unanimously.

Thank you, everyone.

1  
2                   PRESIDING OFFICER KOPEL: We have  
3                   one another hearing, which is Calendar  
4                   Item 2, Clerk Item 44, which is to  
5                   prohibit the sale of nitrous oxide  
6                   whipped cream chargers in Nassau County,  
7                   except for businesses with appropriate  
8                   food sale permits or licenses.

9                   Motion to open the hearing by Deputy  
10                  Presiding Officer McKevitt, seconded by  
11                  Minority Leader Deriggi-Whitton.

12                  All those in favor of opening this  
13                  hearing say Aye.

14                  (Whereupon, all members  
15                  respond in favor.)

16                  PRESIDING OFFICER KOPEL: Opposed?

17                  (Whereupon, no response.)

18                  PRESIDING OFFICER KOPEL: All right.  
19                  The hearing is now open.

20                  We'll start out with a statement by  
21                  Legislator Walker.

22                  LEGISLATOR WALKER: Thank you,  
23                  Presiding Officer. I had provided a  
24                  rather lengthy statement at committees  
25                  and will not take up a great deal of time

1  
2 here because we have a few speakers on  
3 this item, but I did want to reiterate a  
4 few points for the record. The motivation  
5 for this proposed local law was the  
6 result of a meeting that I had with  
7 Central Nassau Guidance Center and the  
8 mother of a young man, now passed, that  
9 was able to obtain and abuse nitrous  
10 oxide gas. The current New York state law  
11 makes it illegal to use nitrous oxide gas  
12 for the purposes of intoxication. State  
13 law also prohibits its sale at retail to  
14 the public and its use to limited  
15 industrial, medical, and dental  
16 applications. Nitrous oxide does have  
17 another legitimate use that New York  
18 State has recognized it is a culinary  
19 use; whereby, the gas is used to create a  
20 whipped cream. Recognizing that nitrous  
21 oxide is used in this fashion, there is  
22 an exception in state law that allows the  
23 sale of nitrous oxide gas containers in  
24 the form of whipped cream chargers.

25 As we discussed in committees, these

1  
2           pressurized containers can be sold to  
3           anyone over the age of 21 and are being  
4           sold in various flavors like cotton  
5           candy, strawberry, mango, raspberry and  
6           many others. Retailers are not even  
7           required to check ID if the purchaser  
8           looks over age 25.

9           In addition, nitrous oxide is also  
10          being sold in larger volume containers  
11          that far exceed what would reasonably be  
12          used to make whipped cream. What really  
13          got my attention is how and where these  
14          items are being sold. In my own district,  
15          these canisters, supposedly to be sold to  
16          chefs, restaurants, and bakeries, are  
17          used to make whipped cream, are being  
18          sold at smoke shops. I am not a home  
19          chef, but if I were, I would not be going  
20          to a smoke shop to obtain ingredients.

21          The FDA has issued a public health  
22          advisory warning about nitrous oxide  
23          abuse, and specifically on whipped cream  
24          chargers, and has been educating on the  
25          potential negative health impacts that

1  
2 include abnormal blood counts, vitamin  
3 B12 deficiency, loss of consciousness,  
4 palpitations, psychiatric psychiatric  
5 disturbances, including paranoia,  
6 hallucinations, and depression. For some,  
7 abuse can lead to prolonged neurological  
8 effects, including spinal cord or brain  
9 damage, even after stopping use. In some  
10 cases, abuse will lead to death. We have  
11 with us here today the mother of a young  
12 man that unfortunately slipped into  
13 addiction and nitrous oxide abuse. We  
14 also have representatives of CNN guidance  
15 who helped bring this problem to our  
16 attention and for which we are grateful.

17 Thank you, Howard.

18 PRESIDING OFFICER KOPEL: Okay. Thank  
19 you. Commissioner Gelman?

20 MS. GELMAN: Good afternoon,  
21 Presiding Officer, and members of the  
22 legislature. I am here today in my  
23 capacity as Commissioner of Health to  
24 address a matter of significant public  
25 health concern, the unregulated sale of

1  
2 nitrous oxide canisters within Nassau  
3 County. Thank you for the opportunity to  
4 speak before you here today.

5 Nassau County Department of Health  
6 primary mandate is to protect the health  
7 and well-being of nearly 1.4 million of  
8 our residents. With that said, the Nassau  
9 County Department of Health strongly  
10 supports this proposed legislation, which  
11 takes a targeted and practical approach  
12 to limiting access to nitrous oxide  
13 canisters. While nitrous oxide has  
14 legitimate uses, as you've heard  
15 Legislator Walker mentioned, including  
16 food preparation, this law appropriately  
17 restricts sales to businesses that hold  
18 valid food sale permits, helping ensure  
19 these products are used as intended and  
20 not diverted for misuse.

21 Nitrous oxide N2O, commonly known as  
22 laughing gas, is a dissociative  
23 anesthetic widely used in medical and  
24 dental applications for sedation and pain  
25 relief. It is legally used in industrial

1  
2 settings primarily as an aerosol  
3 propellant for food products such as  
4 whipped cream. However, when inhaled  
5 recreationally, a practice known as  
6 huffing or whippets, it displaces oxygen  
7 in the lungs and bloodstream and may lead  
8 to severe complications and even death.  
9 The high is intense, nearly  
10 instantaneous, and dangerously brief,  
11 which can lead individuals to repeatedly  
12 inhale the gas in a short period of time,  
13 increasing the risk of rapid oxygen  
14 depletion and serious harm.  
15 The misuse of nitrous oxide presents  
16 serious and well-documented health risks.  
17 Sudden displacement of oxygen can cause  
18 immediate loss of consciousness,  
19 seizures, and fatal cardiac arrhythmia  
20 even in first time users. Repeated use  
21 has been associated with significant  
22 neurological damage, including nerve  
23 injury and long term impairment.  
24 As outlined in the legislation,  
25 these health impacts are not theoretical.

1  
2 They are already being observed and are  
3 growing concern, particularly among  
4 adolescents and young adults.

5 In recent years, we have also seen a  
6 shift from traditional small chargers, as  
7 was mentioned, about eight grams or so,  
8 to larger canisters about 40 times the  
9 usual culinary application size, further  
10 increasing concern around accessibility  
11 and misuse. This legislation closes a  
12 critical gap by focusing on point of sale  
13 and purchaser eligibility, by requiring  
14 verification of a valid food sale permit  
15 prior to purchase. It ensures that  
16 nitrous oxide canisters are not sold in  
17 settings or to individuals where there is  
18 no legitimate purpose.

19 The Nassau County Department of  
20 Health fully supports this measure as a  
21 meaningful step to protect the health and  
22 safety of Nassau County residents. Thank  
23 you.

24 PRESIDING OFFICER KOPEL: Thank you.  
25 Let's see. We have two members of the

1  
2 public, Jeffrey Friedman.

3 MR. FREIDMAN: Good afternoon, and  
4 thank you for the opportunity to speak  
5 with you. My name is Jeffrey Friedman,  
6 CEO of CN Guidance and Counseling  
7 services, a behavioral health provider  
8 serving individuals and families across  
9 Nassau County.

10 We strongly support Local Law 4426,  
11 the Nitrous Oxide Consumer Protection  
12 Act. I'm not going to repeat some of the  
13 things that we've heard already, but this  
14 Consumer Protection Act closes the  
15 loopholes that allows easy casual access  
16 and gives the county stronger enforcement  
17 tools so retailers are held accountable  
18 when products are diverted for misuse. At  
19 CN guidance, we see this issue not as an  
20 abstract policy problem, but as a problem  
21 that's ravaging our young adults, our  
22 clinicians, crisis team, and emergency  
23 partners are increasingly encountering  
24 individuals who present in acute  
25 psychotic states or medical crises using

1  
2 nitrous oxide products, products that  
3 were never intended for inhalation. These  
4 are not recreational side effects. They  
5 are neurological symptoms, loss of  
6 consciousness, severe anxiety, paranoia,  
7 cognitive impairment, and they place  
8 people and families in immediate danger.  
9 The consequences of misuse are not  
10 theoretical. Symptoms can mimic  
11 psychosis, intense depression, or worsen  
12 existing mental health conditions, often  
13 making nitric oxide use go undetected. It  
14 makes stabilization harder and recovery  
15 longer. Families are frightened.  
16 Emergency services are strained, and  
17 clinicians are forced to respond after  
18 harm has already occurred.

19 Local Law 4426 addresses the problem  
20 of ease of access by ensuring they are  
21 sold only to legitimate permitted food  
22 businesses. Fewer people reach crisis  
23 means, fewer emergency interventions,  
24 fewer hospitalizations and fewer long  
25 term neurologic and psychiatric

1  
2 consequences. The legislation this  
3 legislation will directly affect hundreds  
4 of lives throughout Nassau County, not  
5 the ones that who might just misuse the  
6 products, but the parents, siblings, and  
7 caregivers who end up navigating a crisis  
8 that could be prevented.

9 We commend Legislative Walker and  
10 the co-sponsors for acting decisively and  
11 responsibly. This bill will save lives,  
12 reduce suffering and make Nassau County  
13 safer and healthier for everyone. Thank  
14 you.

15 PRESIDING OFFICER KOPEL: Thank you.

16 Hayley Brown?

17 MS. BROWN: Good afternoon, and thank  
18 you for allowing me to speak today about  
19 the dangers of nitrous oxide and to share  
20 my story of my son, Nima.

21 Nima was a wonderful soul, athletic,  
22 artistic, and full of kindness. His  
23 struggle with addiction began at age 14,  
24 starting with marijuana and progressed to  
25 harder substances. For years, he fought

1  
2 to get well, going in and out of rehab.  
3 But in March of 2024, I finally saw a  
4 change in him. He was holding a job and  
5 starting small aquarium business, and he  
6 was going to his meeting and heading  
7 towards sobriety. But sometime between  
8 spring and early fall of 2024, Nima  
9 discovered nitrous oxide. It's often  
10 referred to as sober drug because it  
11 doesn't show up in any of the drug  
12 panels. In October 2024, Nima's behavior  
13 changed rapidly. He became moody, then  
14 deeply depressed, even while taking his  
15 medication responsibly. He grew confused,  
16 emotional and increasingly disconnected  
17 from reality. He told me more than once  
18 that life felt too overwhelming because  
19 his drug tests were clean. We had no idea  
20 Nitrous Oxide was harming him.

21 Physical symptoms soon followed sore  
22 throat, headaches, nausea, vomiting,  
23 numbness in hands and feet, and complete  
24 loss of appetite. His condition worsened  
25 into hallucinations and severe cognitive

1  
2 decline. He began sharing stories that  
3 never happened. Lost his sense of time  
4 and place, and argued with therapists  
5 that he cared for deeply. His skin grew  
6 pale, his hands and feet were ice cold,  
7 and he stopped showering and changing his  
8 clothes. Eventually, he couldn't respond  
9 to even simple questions. Nitrous oxide  
10 depletes the body from vitamin B12 and  
11 oxygen, causing nerve damage and  
12 dangerous blood clots. This damage  
13 progresses quickly and can be fatal.

14 On November 29, 2024, Nima lost that  
15 battle. He died in his car right in front  
16 of the smoke shop where he had purchased  
17 the gas. He was just 34 years old. The  
18 canisters were still beside him in the  
19 car.

20 No parents should ever have to  
21 experience that heartbreak. My mission  
22 now is to make sure Nima's story protects  
23 others. To ensure that his life, his  
24 struggle, lead to greater awareness and  
25 stronger safeguards around nitrous oxide.

1  
2 By placing reasonable limits on sale and  
3 use, we can prevent more families from  
4 suffering the same tragedy.

5 Thank you again for taking up this  
6 important legislation and for listening  
7 to Nima's story.

8 PRESIDING OFFICER KOPEL: Condolences  
9 from all of us here, certainly. And we  
10 admire you stepping forward, it must be  
11 very difficult for you to come forward  
12 and talk about this. And we're going to  
13 do what we can. Thank you.

14 MS. BROWN: Thank you very much.

15 PRESIDING OFFICER KOPEL: Any other  
16 members of the public? Legislator Mulé.

17 LEGISLATOR MULE: Yeah. Thank you,  
18 Presiding Officer.

19 During this discussion, I decided to  
20 see if this was available easily, like  
21 through Amazon. And sure enough, it is.  
22 So how do we stop that? How do we stop  
23 people from being able to purchase it?

24 PRESIDING OFFICER KOPEL: You can't  
25 stop it even if it's coming from Queens

or from --

LEGISLATOR MULE: I understand that.  
Is this just to stop --

PRESIDING OFFICER KOPEL: We do what  
we can.

LEGISLATOR MULE: Point of sale?

PRESIDING OFFICER KOPEL: In other  
words, we're limited. I mean, there are  
many things like that. I've spoken about  
it in our caucus. We have firecrackers,  
illegal. They've been illegal forever.  
You know any kids who can't get any?

LEGISLATOR MULE: Yeah. No, this is  
not a criticism. It was a question. I was  
wondering if this might address that in  
some way.

PRESIDING OFFICER KOPEL: Wish it  
could. It's something that perhaps we,  
everyone, should lobby the state and  
federal government to regulate that.  
That's where it needs to be done.

Okay. Any further debate or  
discussion?

LEGISLATOR WALKER: I just wanted to

1  
2           thank Dr. Freidman and Nima's mom for  
3           coming here today. And thank you for all  
4           you're doing to the other legislators. If  
5           you have the opportunity, reach out to  
6           Dr. Friedman and go see the Central  
7           Nassau Crisis Center. It is totally  
8           unbelievable. Legislator Drucker could  
9           tell you.

10                 LEGISLATOR DRUCKER: I will echo  
11           Legislator Walker's comments. Jeff  
12           Friedman, you do such an amazing job  
13           there. It's the gold standard of  
14           treatment and recovery. And all of us  
15           here in the Legislature are so supportive  
16           of everything CN and Guidance does, and  
17           we'll continue to be that way.

18                 LEGISLATOR WALKER: Thank you.

19                 PRESIDING OFFICER KOPEL: Legislator  
20           Pilip?

21                 LEGISLATOR PILIP: Thank you,  
22           Presiding Officer. All the people who's  
23           involved are really trying to help our  
24           community. Thank you. And especially  
25           thank you for Nima's mom. It's

1  
2 heartbreaking to hear your story, your  
3 son's story. I mean, all of us feel the  
4 pain. And I wish just to relate to  
5 legislator if it was dependent on us, we  
6 should stop any kind of drugs in our  
7 country. Any type of drugs, including  
8 marijuana and all this nonsense garbage  
9 that we are selling in our state and  
10 killing our children. I wish we can have  
11 a power together. We'll do something to  
12 stop this.

13 PRESIDING OFFICER KOPEL: Thank you.  
14 Legislator Pilip.

15 A motion to close the hearing, made  
16 by Deputy Presiding Officer McKevitt.  
17 Seconded by Minority Leader  
18 Deriggi-Whitton.

19 All in favor of closing the hearing  
20 say Aye.

21 (Whereupon, all members  
22 respond in favor.)

23 PRESIDING OFFICER KOPEL: Opposed?

24 (Whereupon, no response.)

25 PRESIDING OFFICER KOPEL: The hearing

1  
2 is closed now on the item itself.

3 Calendar item for clerk item 44,  
4 motion by Deputy Presiding Officer  
5 McKevitt, seconded by Minority Leader  
6 Deriggi-Whitton.

7 All those in favor of all those in  
8 favor of this item say Aye.

9 (Whereupon, all members  
10 respond in favor.)

11 PRESIDING OFFICER KOPEL: Opposed?

12 (Whereupon, no one responded.)

13 PRESIDING OFFICER KOPEL: Okay. That  
14 item passes unanimously.

15 Thank you.

16 Now there is no further business. We  
17 are done.

18 Motion to adjourn made by Deputy  
19 Presiding Officer McKevitt. Seconded by  
20 Minority Leader Deriggi-Whitton.
