CHAIRMAN MCKEVITT: CHAIRMAN

MCKEVITT: Now today we have a very lengthy number of items which are done starting with the Finance Committee. And they are as follows. 129, 130, 131 136 137 139, 141, 143, 144, 145, 146, 148, 149, 150, 152, 157 and 161.

So the answer is with a motion made by Legislator Walker, seconded by Legislator Nicks.

As we begin discussing these items, I'm going to take a little bit out of order. I'm going to start with item number 139, which is going to be the annual budget for the Nassau Community College. So Dr, Conzatti. Good afternoon.

DR. CONZATTI: Good afternoon, sir. Good afternoon to all of you.

Once again it is budget time for Nassau Community College. As you can see from the budget, we are not raising tuition. We are very much aware and attuned to the fact that our families are

1
2 struggling with the high cost of gas,
3 food and other items. So the tuition is
4 untouched for this coming year.

5 We did make two operational
6 adjustments. As many of you are aware,
7 Higher Ed has been hit with what we call
8 these bot fake applications. They're
9 called ghost applications. That started
10 over a year ago. We got hit with a couple
11 of thousand of those, and we were trying
12 to deal with those manually. And then
13 talking to fellow institutions realized
14 that if we instituted some type of fee,
15 because these ghost applications
16 obviously are bots that are being driven
17 by foreign countries, they don't want to
18 lay out money. So we instituted what we
19 call a registration fee, which is a wash
20 for students. The minute they register,
21 it's \$100 fee. That money is then applied
22 to their tuition and fees.

23 The only other adjustment to the
24 budget is that of a raising of our
25 technology fee. As we all know,

1
2 technology is being used more and more by
3 our students in and out of the classroom.
4 We are continuing to upgrade not just
5 what you see on desks and in classrooms,
6 but underground. So we increase that fee.
7 When we looked at that fee, we looked at
8 the other community colleges and what
9 they were charging us. We're going to be
10 kind of in the middle of that. And we
11 also took a tiered approach for students
12 who are taking classes part time versus
13 full time. And those are the only
14 adjustments to the budget.

15 CHAIRMAN MCKEVITT: And of course,
16 we're having a full discussion on this at
17 the full legislature meeting in two
18 weeks. But that being said, any further
19 questions for Dr. Conzatti at this time?

20 (Whereupon, no response.)

21 CHAIRMAN MCKEVITT: If there's not,
22 we'll see you in two weeks.

23 DR. CONZATTI: Thank you, sir.

24 CHAIRMAN MCKEVITT: Thank you very
25 much.

1
2 All right. Going back to the rest of
3 the agenda again, there's a lot of budget
4 transfers a lot of matters. So I will
5 just begin with Item 129, which again I
6 think is just another transfer
7 appropriations.

8 Good afternoon, Mr. Persich. Before
9 we begin, I notice a lot of items that
10 are just general budget transfers, some
11 which are departmental. Do you just want
12 to give me a list of what you have at
13 this point, or how you want to proceed?
14 I'm just trying to, you know, save you
15 time. So you're not bopping, backing up
16 and forth and getting your squats and
17 steps in.

18 MR. PERSICH: I would welcome that.
19 Thank you.

20 Andy Persich. Office of Management
21 and Budget.

22 129 is just a transfer of
23 appropriations between a grant for the
24 legal aid in the amount of \$501,698.64.
25 It's just moving money around between

1
2 grant years for Legal Aid and 18 B. So.
3 Okay.

4 And the other item I do have before
5 you is 157. 157 is just a modifications
6 to the 2026 budget for the second
7 quarter. We try and do these quarterly.
8 It's just moving money around between
9 Department of Public Works, the Health
10 Department and Social Services and the
11 needs that we think to modify the budget
12 for. It's a net zero impact to the budget
13 with some movements of money that's
14 coming around.

15 CHAIRMAN MCKEVITT: Legislator Mule.

16 **LEGISLATOR MULE:** Yes. Hi, Andy Persich.
17 This is not necessarily to you, but we
18 received items number 157 through the end
19 which is approximately ten items plus a
20 contract after 5:44 on Friday. So we
21 haven't had the opportunity to fully vet
22 these items. So I'm just letting
23 everyone know that we will be abstaining
24 on everything from 157 on. And you know,
25 we, we strongly request that in the

1
2 future we get these items before end of
3 working day on Friday. It's just not fair
4 to, to any of us and our staff. Thank
5 you.

6 CHAIRMAN MCKEVITT: Any further
7 questions for Mr. Persich?

8 (Whereupon, no response.)

9 CHAIRMAN MCKEVITT: Okay. Thank you
10 very much.

11 MR. PERSICH: Thank you very much.

2 CHAIRMAN MCKEVITT: Next item I have
3 is number 130, which I believe is a
4 police transfer. Chief Palazzolo.

5 DEPUTY CHIEF PALAZZOLO: Good
6 afternoon, Deputy Chief Janine Palazzolo,
7 Police Department.

8 Item 130, this is for two board
9 transfers. The first is for 18,000,
10 moving it from general expenses to
11 equipment. And the second is for 13,000.
12 Moving from general expenses to
13 equipment.

14 These will reprogram funds to cover
15 additional equipment expenditures. These
16 transfers have no impact on the overall
17 budget, as it represents the transfer of
18 existing funds within the same department
19 fund.

20 CHAIRMAN MCKEVITT: Any questions for
21 Chief Palazzolo?

22 (Whereupon, no response.)

23 CHAIRMAN MCKEVITT: If not, thank
24 you very much.

25 DEPUTY CHIEF PALAZZOLO: Thank you.

1
2 CHAIRMAN MCKEVITT: Next we have Item
3 131, which I believe is Emergency
4 Management.

5 MR. BUTLER: Good afternoon, John
6 Butler, OEM.

7 Item before you is a board transfer
8 of funds from older grant year awards to
9 newer grant years. Our office is
10 continuing to close out older grants as
11 we prepare for the County's new financial
12 system, which is expected in the first
13 quarter of 2027, as per the Comptroller's
14 Office.

15 CHAIRMAN MCKEVITT: Any questions?

16 (Whereupon, no response.)

17 CHAIRMAN MCKEVITT: If not, thank
18 you.

19

21
22
23
24
25

CHAIRMAN MCKEVITT: Items number 136 and 137, I believe, for the Parks Department Commissioner.

COMMISSIONER BELYEA: Darcy, Parks Commissioner.

Item 136-26 is a hotel motel tax grant agreement between the County and the Agricultural Society of Queens, Nassau and Suffolk counties. The grant amount is not to exceed \$125,000. It will be used to provide management, sponsorship and professional services for this year's Long Island Fair, as requested by the County. The fair takes place on September 25th, 26th and 27th this year at Old Bethpage Village Restoration.

The grantee shall provide services in connection with the New York State Department of Agricultural and Market Standards. The term of this agreement is April 1st, 2026 to March 31st, 2027. And the funding source is the Hotel/Motel Tax Grant Fund.

1
2 And then in tandem to this is item
3 137-26, another Hotel/Motel Tax Grant
4 agreement between the County and the
5 Agricultural Society of Queens, Nassau
6 and Suffolk counties. The grant amount is
7 to is to not exceed \$100,000 and will be
8 used to fund programing and entertainment
9 for this year's Long Island Fair. Again,
10 the dates are September 25th, 26th and
11 27.

12 The grantee will contract with
13 performers, shows, aerialists, a petting
14 zoo and musical entertainers to enhance
15 the Long Island Fair offering.

16 This agreement term is April 1st,
17 2026, ending on March 31st, 2027. The
18 funding source is the Hotel/Motel tax
19 Grant fund.

20 And I also I also have 151.

21 CHAIRMAN MCKEVITT: Go right ahead.

22 COMMISSIONER BELYEA: Okay. This is
23 another Hotel/Motel Tax Grant Agreement
24 Between the County and Gold Coast Forum,
25 Inc. The requested amount of funding is

1
2 Thousand dollars. The purpose of the
3 agreement is to expand and enhance the
4 annual Gold Coast Book Forum and year
5 round programing to enhance tourism
6 opportunities in the County. The contract
7 term is April 1st, 2026 to March 31st,
8 2027. And again, the funding source is
9 the Hotel/Motel Tax Grant fund.

10 CHAIRMAN MCKEVITT: Before I begin, I
11 would have 151 either one of my
12 calendars. I was just going to say that.
13 So you got a little ahead of me there.
14 For once it wasn't me.

15 COMMISSIONER BELYEA: You called 151.

16 CHAIRMAN MCKEVITT: I thought it was
17 me, but it wasn't. But darn it.

18 COMMISSIONER BELYEA: Sorry. You
19 called 151 before I thought. My
20 apologies. Thank you. Any questions on
21 the other two?

22 CHAIRMAN MCKEVITT: Is 151 supposed
23 to be on or. I'm just curious because I
24 don't.

25 COMMISSIONER BELYEA: I'm sorry, I

1
2 was confused. Okay, I thought I heard you
3 call it, though. Sorry.

4 CHAIRMAN MCKEVITT: No problem.

5 CHAIRMAN MCKEVITT: Try to move too
6 fast ahead of ourselves these days. Okay.

CHAIRMAN MCKEVITT: Next item I have
is number 141, which is a Board of
Elections item, which I don't think we
need further discussion about. Just an
adjustment in the Board of Elections.
That's 141.

1
2 CHAIRMAN MCKEVITT: Item 143, I
3 believe, is a Health Department item. Mr.
4 Zahrabian, we get to see you again.

5 And you also have number 145 as
6 well.

7 MS. ZOHRABIAN: I do, I have 143 and
8 145.

9 CHAIRMAN MCKEVITT: Let's have them.

10 MS. ZOHRABIAN: Good afternoon
11 again. Alyssa Zohrabian Nassau County
12 Department of Health.

13 Item 143 is three board transfers.
14 The first number 27 is in the amount of
15 \$2,830. That's for the drinking water
16 enhancement grant. Savings and salary
17 will be used to cover fringe.

18 The second board transfer, 28, is in
19 the amount of \$100,000. It is for the
20 Board of Health, opioid settlement
21 funding and savings and contractual
22 services will be used for equipment and
23 supplies for the Medical Examiner's
24 Office.

25 The third number, 29, is in the

1
2 amount of \$9,000, also for the Medical
3 Examiner's Office for the Suitors Grant
4 savings and general expenses will be used
5 for equipment. And these are to maximize
6 grant or settlement funds and will have
7 no impact on the budget.

8 CHAIRMAN MCKEVITT: Any questions for
9 Health? Legislator Nicks.

10 LEGISLATOR NICKS: Hi. For the
11 opioid settlement, is that because it's
12 going to a program that's receiving this
13 money or.

14 MS. ZOHRABIAN: So they are
15 purchasing some for the Medical
16 Examiner's Office. I'll answer the best I
17 can. From what I understand, it's to
18 purchase supplies, equipment, testing
19 equipment, stuff like that. It's to
20 enhance testing and especially for
21 emerging drugs.

22 LEGISLATOR NICKS: Okay. But that,
23 and then that's separate from whatever's
24 going to the Medical Examiner's under the
25 general fund. Right?

1
2 MS. ZOHRABIAN: I would imagine. I
3 don't know the answer to that.

4 LEGISLATOR NICKS: Okay. Thank you.

5 CHAIRMAN MCKEVITT: Any further
6 questions?

7 (Whereupon, no response.)

8 CHAIRMAN MCKEVITT: If not, thank
9 you.

10 Next, Item 144.

11 MS. ZOHRABIAN: Okay. 145.

12 CHAIRMAN MCKEVITT: Oh. Sorry. My
13 mistake, 145.

14 MS. ZOHRABIAN: 145 has four board
15 transfers. The first number 36 in the
16 amount of \$24,644. That's for the
17 tuberculosis grant. Savings and salary
18 will be used to cover fringe and general
19 expenses.

20 The second number, 37, is in the
21 amount of \$8,500. That's for the Ryan
22 White grant. Savings and salary will be
23 used to cover fringe and general
24 expenses.

25 The third board transfer, 39, is in

1
2 the amount of \$2,500, which is also for
3 the Ryan White grant.

4 And the fourth board transfer 40,
5 the amount of \$1,921, that is for the
6 article six Performance Incentive Awards.

7 Again, all these are grant funds and
8 is to maximize their the funding and will
9 have no impact on the budget.

10 CHAIRMAN MCKEVITT: Any further
11 questions for Health Department?

12 Yes, Legislator Nicks.

13 LEGISLATOR NICKS: What's a
14 performance incentive award?

15 MS. ZOHRABIAN: So every year we get
16 reimbursed money from New York State
17 Department of Health, and that's Article
18 6. And every year they make a project,
19 kind of, let's say that we want to focus
20 on this topic. And if you do that work,
21 then you can submit for more money. And
22 that's, that's what that incentive award
23 is. So it comes in as an additional
24 grant. So this particular one was about
25 work that we did last year in relation to

public health emergency preparedness.

LEGISLATOR NICKS: Okay.

MS. ZOHRABIAN: And every year it changes. So this year is actually about oral health and we're doing work on that.

LEGISLATOR NICKS: Sounds good. Thank you.

MS. ZOHRABIAN: Yeah. You're welcome.

CHAIRMAN MCKEVITT: Any more questions?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: Thank you.

1
2 CHAIRMAN MCKEVITT: Item 144 from
3 the DA's office.

4 ADA MCDERMOTT: Good afternoon,
5 Chairman, legislators. Dennis McDermott,
6 assistant district attorney.

7 Item 144-26 is a board transfer
8 request in the amount of \$18,000
9 regarding the New York State Office of
10 Victim Services Grant. The \$18,000 will
11 be transferred from wages to equipment in
12 order for us to completely utilize the
13 grant.

14 CHAIRMAN MCKEVITT: Any questions?
15 Yes. Legislator Nicks.

16 LEGISLATOR NICKS: So we're
17 transferring from wages to?

18 ADA MCDERMOTT: Equipment.

19 LEGISLATOR NICKS: What kind of
20 equipment is being bought?

21 ADA MCDERMOTT: Ten computers are
22 going to be purchased for Crime Victim
23 Advocates.

24 LEGISLATOR NICKS: Okay. Thank you.

25 CHAIRMAN MCKEVITT: Anything else?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: Thank you.

ADA MCDERMOTT: Thank you.

1
2 CHAIRMAN MCKEVITT: Number 146,
3 which I think is Department of Human
4 Services.

5 MS. ZAKI: Good afternoon,
6 Legislators. Seema Zaki, Fiscal
7 Director, Department of Human Services.

8 Item number 146-2026 is a board
9 transfer for \$325,000, it's 100% state
10 funded for the Methadone services grant.
11 We are reallocating this amount from the
12 general expenses to cover the contractual
13 services for the LabCorp expenditure, and
14 this transfer will have no impact on the
15 overall budget.

16 CHAIRMAN MCKEVITT: Any questions
17 from legislators?

2 CHAIRMAN MCKEVITT: So next we have
3 items 148, 149, 150 and 152 on the
4 Addendum, and I believe they all have to
5 deal with various appropriations for the
6 Community Development Block Grant and Mr.
7 Clark will enlighten us on that.

8 MR. CLARK: Good afternoon. Jeff
9 Clark, Office of Community Development.

10 This is the annual approval of the
11 OCD's Action Plan and budget to be filed
12 with HUD. So in order to file it, we need
13 approval from your Committee, from the
14 Legislature.

15 CHAIRMAN MCKEVITT: Any questions? We
16 do this every single year pro forma, if
17 I'm correct.

18 MR. CLARK: That's correct.

19 CHAIRMAN MCKEVITT: Yes. Any other
20 questions? Yes.

21 LEGISLATOR MULE: Yes. What are the
22 allocations for other municipalities.
23 Does that come in --

24 MR. CLARK: That's combined in our
25 block grant program, and it's \$13 million

1
2 in that program. And it's broken out to
3 each municipality. I'd have to look at
4 it, but the total for that is 13.

5 LEGISLATOR MULE: So that's separate.
6 Is that what you're saying?

7 MR. CLARK: Yes. So this block grant
8 program, home funds and emergency grant
9 money.

10 LEGISLATOR MULE: Yeah. Is it
11 possible to get the information to us
12 about the funds that go to different
13 municipalities?

14 MR. CLARK: Sure.

15 LEGISLATOR MULE: Thank you.

16 CHAIRMAN MCKEVITT: Any further
17 questions for Mr. Clark?

18 Legislator Nicks.

19 LEGISLATOR NICKS: And just a follow
20 up on that, not just to the
21 municipalities, but how how it's chosen,
22 how they're chosen and what those
23 criterias are.

24 MR. CLARK: We've been dealing with
25 the three towns and two cities from for

1
2 many years, probably the 49 years of the
3 program. And they just come and apply
4 each year renewing their funding for the
5 year before. So there's, it's not a very
6 detailed process. They simply fill out
7 the application and we process it.

8 LEGISLATOR NICKS: Okay. And so has
9 there been any reduction in funding?

10 MR. CLARK: No.

11 LEGISLATOR NICKS: Okay. Thank you.

12 MR. CLARK: Okay.

13 CHAIRMAN MCKEVITT: Any further
14 questions?

15 (Whereupon, no response.)

2 CHAIRMAN MCKEVITT: The last I have,
3 at least as far as this group, will be
4 Item 161, which deals with funding to the
5 South Nassau Water Authority.

6 MR. NOLAN: Good afternoon,
7 Christopher Nolan, Office of Management
8 and Budget. You called this before, I
9 should let Andy speak to it.

10 But this item before you is an
11 agreement with the South Nassau Water
12 Authority. The Water Authority is an
13 entity created under New York's public
14 authorities law as a public benefit
15 corporation to oversee and potentially
16 acquire water service operations within
17 the South Nassau region.

18 The enabling legislation empowered
19 South Nassau Water Authority to purchase,
20 acquire or condemn via eminent domain the
21 assets of the New York American Water.
22 The IMA provides up to \$500,000 to
23 reimburse the authority for costs
24 incurred or will incur as they examine
25 costs to acquire the system assets.

CHAIRMAN MCKEVITT: Any questions
from legislators?

(Whereupon, no response.)

CHAIRMAN MCKEVITT: If not, thank
you.

MR. NOLAN: You're welcome.

1
2 CHAIRMAN MCKEVITT: All right. So
3 that's all the items I have on those
4 following items, which were the numbers I
5 called beforehand.

6 Minority, you're not going to be
7 voting on 157 forward, is that correct?
8 Okay. So I'll now take a vote on the
