3 PRESIDING OFFICER KOPEL: Good
4 morning, everyone. We should get started.

5 Legislator Strauss, would you lead
6 us in the Pledge, please.

7 (Whereupon, the Pledge of
8 Allegiance is said.)

9 PRESIDING OFFICER KOPEL: Okay. We
10 will start out with our monthly honor of
11 the Top Cops for this month and I'll
12 invite the DAI to come up.

13 DETECTIVE RAUSCH: So thank you
14 again for having us. I'm Detective Thomas
15 Rausch from the Nassau County Detective
16 Association. I'm a trustee. Thank you for
17 taking the time out of your day to
18 present two detective --

19 (Whereupon, technical
20 difficulties.)

21 DETECTIVE RAUSCH: On 04/02/26 Third
22 Squad Detective Kyle Fico became involved
23 in a Commercial Burglary Investigation in
24 the Westbury area. Detective Fico was
25 able to determine that the perpetrator

1
2 did enter a Smoke Shop and remove over
3 46k in currency from the location.

4 Subsequently, several days later and also
5 in the Westbury area, Detective Keane was
6 investigating a similar type of
7 Commercial Burglary of a Smoke Shop in
8 which an excess of 13k was stolen.

9 Detective Fico and Detective Keane,
10 realizing that both incidents were likely
11 connected, coordinated and conducted an
12 extensive video canvass of the area, and
13 were further able to determine that the
14 subject they were looking for was
15 involved in numerous burglaries as well
16 as stolen motor vehicles in the confines
17 of Nassau and Suffok Counties. Both
18 Detectives coordinated their
19 investigation with Detectives from the
20 First Squad, Glen Cove and Lynbrook
21 Police Depts., as well as the Suffolk
22 County PD Major Case Squad.

23 As Detective Fico and Detective
24 Keane worked tirelessly, even on their
25 regular days off, they were able to

1
2 ultimately ascertain a location in
3 Suffolk County where their target was
4 residing and through coordination with
5 the Nassau County District Attorney's
6 Office and our partners in the Suffolk
7 County Police Department conducted a
8 Search Warrant that yielded numerous
9 items of evidentiary value to their
10 investigation, as well as the arrest of
11 the perpetrator responsible for these
12 Burglaries and numerous other property
13 crimes.

14 Through their tireless efforts and
15 effective communication and partnership
16 with other law enforcement agencies, Det.
17 Fico and Det. Keane were able to solve
18 four Commercial Burglaries, as well as
19 four⁴ Grand Larceny of automobile cases
20 in the confines of Nassau County, as well
21 as assist in the Suffolk County PD in
22 solving two additional Commercial
23 Burglaries and one Grand Larceny of an
24 Automobile in their jurisdiction.

25 DETECTIVE DEAN: Good afternoon. My

1
2 name is Detective James Dean on behalf of
3 myself. And thank you to the Legislature
4 for taking the time to recognize us
5 today. We'd also like to thank
6 Commissioner Ryder, Command Staff, the
7 Police Department, including Chief
8 Farrell, Chief Stillman, Chief DeStefano,
9 and Chief Patrick, our commanding
10 officer, Detective Sergeant Harrison,
11 Detective Sergeant Crowley, and the
12 members of the board. We are truly
13 grateful for your for your support.

14 And if you'll indulge me for just a
15 moment. Kyle and I would also like to
16 take a moment to thank our family. My
17 wife is sitting behind us here, and while
18 I may be the one standing here accepting
19 this award, it's her and the families of
20 everyone in this room who make this work
21 possible. They are the ones who sacrifice
22 holidays, birthdays, late night dinners,
23 and the uncertainty that comes with this
24 profession. Their unwavering love and
25 support allow us to do what we do every

1
2 day, and this recognition belongs to them
3 just as much as it does to us. Thank you
4 all again. It's truly an honor to receive
5 this recognition.

6 LEGISLATOR STRAUSS: Good afternoon
7 gentlemen. Thank you. And
8 congratulations. It's hard enough to make
9 ends meet owning a business here without
10 having some low life break into it, wreck
11 the place and steal the money that
12 they're trying to feed their families and
13 pay their bills. And you just heard our
14 detectives identified a burglary pattern
15 and through painstaking surveillance
16 video acquisition review, arrested an
17 individual allegedly responsible for an
18 incredible crime spree, not only here in
19 Nassau County but also in Suffolk County.
20 This criminal not only allegedly
21 committed multiple burglaries, he also
22 allegedly stole cars throughout both
23 counties and multiple jurisdictions. This
24 arrest was not made in a moment, but
25 months ago against police when we took an

1
2 incredible level of dedication,
3 interagency collaboration and commitment
4 to the job, this is the hallmark of our
5 detectives. They take their jobs
6 seriously and to a fault personally.

7 They probably aren't watching this,
8 and I doubt they even read. So I most
9 likely wasting my breathm but I'll say it
10 anyway. To the scum that preys on our
11 business owners, homeowners, and our
12 residents, stay out of Nassau County.
13 Commit your crimes elsewhere. If you
14 don't, our police officers are
15 detectives. You call us of what it takes
16 will hunt you down. I thank all the men
17 and women in the Nassau County Police
18 Department are not just what they what
19 you just heard a few minutes ago, but for
20 everything they do each and every day.

21 Thank you all for an incredible
22 effort and yet another job well done.
23 Thank you.

24 LEGISLATOR RUSSELL: Good afternoon,
25 gentlemen. So I want to thank both of

1
2 you for the tremendous job that you have
3 done. I represent the Westbury, Newcastle
4 Incorporated community, and I want to say
5 thank you from our community. Thank you
6 for the work that you have done. Thank
7 you. So I thank you for your family,
8 your supplier, and all of those who
9 support you and your colleagues. So I
10 want to thank you all very much.

1
2 PRESIDING OFFICER KOPEL: Okay, we
3 now have a period of public comment that
4 lasts up to an hour. As always, we have a
5 three minute per person time limit and we
6 ask you to adhere to that. Don't ask for
7 an extension, please, because we don't go
8 over three minutes per person. Any item,
9 anything you want to talk about that
10 relates to the County.

11 We're going to start with Larry
12 Lamendola, who came here last time and
13 didn't get to speak. Go on, Sir.

14 MR. LAMENDOLA: Thank you. All right.
15 I got two topics today. First is the
16 opioid settlement money. For those that
17 don't know me, I lost my daughter on
18 September 19th, 2019 to fentanyl
19 overdose. So I'm with a group called the
20 New York State Opioid Settlement Watch.
21 We had a meeting, a Zoom meeting last
22 Thursday. When it came time for me to
23 speak, I spoke about best practices. We
24 can look no further than Suffolk County
25 for this best practice. In a couple of

1
2 days, on the 30th, Suffolk County
3 Executive put out a Facebook post asking
4 for constituents to actually come out.
5 And he wanted community input about the
6 opioid settlement money in his county.
7 And I think this is great. I got to meet
8 him last year. He is quite a fine
9 gentleman. Also, he has a mom who lost a
10 child due to fentanyl on the advisory
11 committee. So that's something, I think
12 that County Executive Blakeman should
13 take into consideration and this
14 legislative body should take into
15 consideration.

16 The other topic I have here today is
17 volunteerism in Nassau. We can look up
18 here and look at volunteers such as Olena
19 Nicks, she's a volunteer firefighter
20 since the age of 18.

21 James Kennedy, you're a fellow lion.
22 You're in the Massapequa Lions Club. You
23 celebrated ten years as a lion.
24 Congratulations. So did I. I'm sorry we
25 didn't see you at the Legacy Ceremony.

1
2 Kayla Knight is in the Italian
3 American Lions club. What I want to get
4 at, basically, is these clubs, the Lions,
5 the Kiwanians, the Rotarians, they're
6 literally dying on the vine. We need your
7 help as legislators as you have the
8 pulpit here. If you can enact laws. It's
9 not like just getting out of high school
10 and saying, hey, I get a check mark for
11 going to through high school and I do a
12 little volunteerism. It should be from
13 from K through 12. It should be ingrained
14 in our citizenry.

15 There was a woman who is from some
16 volunteer organization on Long Island
17 stating that volunteerism, it's not just
18 nice, it's necessary. It impacts the
19 arts, emergency services, education. We
20 need it to continue. I have so many
21 people that leave the lions and they go
22 elsewhere and they leave Nassau County.
23 So let's grow volunteerism here in Nassau
24 County. Thank you.

25 PRESIDING OFFICER KOPEL: Okay. Thank

1
2 you. Thomas Dowd.

3 MR. DOWD: Thank you. I'd just like
4 to report that when I voted, I left this
5 behind, and it was found in the trash at
6 the school. And I looked at the girl and
7 I said, what are you doing? That's my
8 mail. And she said, it's procedure. So I
9 wrote to the Board of Elections and I got
10 back, it was a piss poor response. But I
11 went online, I filed a complaint with the
12 postal police and the first thing they
13 tell you is called local police. Now,
14 being a retired cop, I said the girl said
15 procedure. And I was like, all right. I
16 felt, you know, where to take it. But I
17 just wanted to get it on the record that
18 it is a federal crime. And the it's U.S.
19 Code 1702 and 18, US code 1708.

20 The other thing I found out, it's
21 abandoned mail. It's what they use in
22 some type of abandoned mail that I left
23 it behind. Well, that's supposed to go to
24 Atlanta. Somebody leaves behind the mail.
25 You're supposed to make every attempt to

1
2 get it back to the recipient, me. If you
3 don't, it's supposed to go to Atlanta, to
4 the mail recovery center. And I thank
5 you. Have a good day, everyone. I'm done.

6 PRESIDING OFFICER KOPEL: Thank you.
7 Claire Li.

8 MS. LI: Hello. Good afternoon. So my
9 name is Claire, and I'm a high school
10 student with a passion for environmental
11 science. And over the past years, I've
12 spent countless hours researching PFAs or
13 infamously known the forever chemicals
14 because they represent one of the most
15 persistent environmental challenges
16 facing communities like ours.

17 So today, I'm not here to tell you
18 that I found an amazing solution or
19 discovery. Instead, I want to ask a
20 question. Why did it take a high school
21 student with limited resources and
22 limited laboratory access to identify a
23 promising direction that appears
24 significant of further investigation?

25 So during my high school research, I

1
2 began studying PFAS degradation with
3 chitosan glutamate, a biodegradable
4 compound that has strong potential as a
5 low cost, environmentally friendly
6 reagent. Whether this approach ultimately
7 succeeds is something only continued
8 research can determine.

9 But that is not the most important
10 part. The real question is why ideas like
11 this aren't being explored more
12 aggressively here. I don't believe it's
13 because scientists lack creativity or
14 because businesses don't care. In fact,
15 the US EPA has put in millions of dollars
16 for New York alone just two months ago to
17 address PFAS issues. Instead, I believe
18 it's because the problem itself is still
19 not clearly defined in local communities.
20 Likewise, ours in Nassau County. PFAS
21 contamination often remains hidden, and
22 because our current testing
23 infrastructure is not focused enough to
24 fully detect -- measure the problem --
25 and it cannot see how widespread it is

1
2 over time. And when we cannot clearly
3 measure the problem, it becomes harder
4 for researchers to prioritize it, make it
5 harder for businesses to invest in new
6 technologies, and easier for the public
7 to assume someone else is already solving
8 it.

9 So my research didn't convince me
10 that I had the answers. It convinced me
11 that we are asking too few questions.
12 However, we as a community and
13 legislative government have the
14 opportunity to change that. By what I'm
15 proposing and investing in suggesting in
16 stronger PFAS monitoring, expanding
17 public access to data, supporting
18 partnerships with nearby universities and
19 nonprofits, and encouraging projects for
20 remediation technologies and increasing
21 public awareness we can help create an
22 environment where better solutions are
23 discovered faster.

24 So the question we should all be
25 asking is not what are my research

1
2 researchers to answer? It's this, what
3 other solutions are we missing? Because
4 we have not invested enough in
5 understanding the problem. Therefore, I
6 hope Nassau County continues to lead this
7 effort. Thank you for your time.

8 DEPUTY PRESIDING OFFICER MCKEVITT:
9 John Bartolotti.

10 MR. BARTOLOTTI: Hello, John
11 Bartolotti. I'm a resident, Glen head. I
12 I've been noticing some development going
13 on in the properties down along Shore
14 Road in Glenwood Landing. Okay. And I've
15 done an enormous amount of research.
16 There is also some construction with some
17 cabling. I believe the Utility hasn't
18 been paying the proper taxes on a
19 property. I have an enormous amount of
20 information and I'm glad that I can give
21 it to somebody that they can copy it down
22 to. To me, it looks like there's some tax
23 fraud going on down there. And I know I
24 was only going to have three minutes,
25 that's why I didn't even bring the stuff

1
2 up. I'd like to present it to my
3 representative and get some backing to
4 the AG. I've already wrote to the AG on
5 this. I was an employee of the company
6 who was defrauding the taxes. So I
7 believe I get some whistleblower rights
8 on that money that's going to be
9 recovered. Okay. So if you could direct
10 me.

11 PRESIDING OFFICER KOPEL: This isn't
12 a back and forth. You can call your
13 legislator if you need some help.

14 MR. BARTOLOTTI: My legislator's
15 right there. And I was told to come here.
16 I called the office. I made numerous
17 calls too.

18 PRESIDING OFFICER KOPEL: This is a
19 comment period when we listen to what you
20 have to say, it's not a back and forth
21 discussion.

22 Next is Lisa Ortiz.

23 MINORITY LEADER DERIGGI-WHITTON: All
24 right, just Howard, if it's okay.

25 Maybe you could just present what

1
2 you're here to talk about. Just to inform
3 everyone.

4 MR. BARTOLOTTI: I'm sorry, ma'am. I
5 worked in a powerhouse for 35 years, and
6 I've got a lot of hearing loss.

7 PRESIDING OFFICER KOPEL: Okay --

8 MINORITY LEADER DERIGGI-WHITTON: If
9 you want to present the ideas that you
10 have, go ahead and present them.

11 MR. BARTOLOTTI: I can present them
12 with documents, with Nassau County
13 documents. Okay. Where the somebody is
14 not paying the taxes. And I'd like to
15 give them to you, and I'd like to have it
16 enforced.

17 PRESIDING OFFICER KOPEL: Who is your
18 legislator? Please call your legislator's
19 office, sir.

20 MR. BARTOLOTTI: I have done that.
21 Okay. And I was --

22 PRESIDING OFFICER KOPEL: I'm sorry.
23 I'm sorry. We're not going to go into a
24 back and forth here. We are not going to
25 go into a back and forth. That's not the

1
2 format that this is for. So please call
3 your legislator's office. And I'm sure
4 she's very diligent. She'll help you take
5 care of it.

6 MR. BARTOLOTTI: Okay. Ma'am, are you
7 going to answer the phone?

8 PRESIDING OFFICER KOPEL: Next is
9 Lisa Ortiz.

10 MR. BARTOLOTTI: Thank you.

11 PRESIDING OFFICER KOPEL: Go on,
12 Ma'am.

13 MS. ORTIZ: Good afternoon. My name
14 is Lisa Ortiz. I am a resident of the
15 Lakeview community. I came here today for
16 two things. First, I wanted to speak on
17 behalf of the Lakeview Public Library. We
18 were recently informed that we are going
19 to be receiving funding for the library
20 which has been requested and it is
21 extremely necessary. Many residents have
22 come into the library requesting for the
23 library to create and provide a quiet
24 study area for those who would like to
25 study within the library. And we were

1
2 notified by our legislator that we are
3 going to be receiving the funding. So I
4 wanted to thank you, Legislator Solages,
5 and all of the legislators for ensuring
6 that our library receives the funding
7 that we desperately need. Our library is
8 important to the community. We recently
9 received a historical landmark
10 designation by the Town of Hempstead for
11 the many contributions that the civic
12 contributions to the community. And so
13 again, I wanted to thank you for that.

14 Additionally, my second thing is
15 that I wanted to find out if there is any
16 updates on the traffic scape project on
17 Woodfield Road within the Lakeview
18 community. The funding was earmarked back
19 when now state senator, but back then,
20 Legislator Siela Bynoe was a legislator.
21 She secured a little under \$8 million.
22 And we have been waiting for the project
23 to actually begin. We would love to know
24 when this project will start and when
25 we'll be able to see some action. I know

1
2 we've been working with Legislator
3 Solages and prior to him, Legislator
4 Gaylor to maintain or to find out what's
5 currently happening. Just wanted to find
6 out if there's any updates at this time.
7 And thank you.

8 PRESIDING OFFICER KOPEL: Thank you,
9 Richard Clolery.

10 MR. CLOLERY: To the members of the
11 legislature, I think the time has come to
12 discuss how we as a county, is going to
13 have to deal with some really nasty
14 problems. The cost of living is rising
15 too fast. As a cashier, I am always asked
16 why food prices are more expensive now
17 than they have ever been. Because of
18 events around the world, gas prices also
19 have gone up. Everything has gone up. We
20 need to do something about cutting costs.
21 I know I've said this lots of times, but
22 I'm convinced more than ever of the
23 importance of public transportation as
24 part of a solution to help people. I know
25 there are those who don't and I respect

1
2 that. However, unless we come together,
3 Nassau County is going to be empty
4 because ordinary people have no reason to
5 stay in this county because of high
6 expenses. And the rich will have to
7 follow them because there's no one to
8 take care of them. Have a good day.

9 PRESIDING OFFICER KOPEL: Okay. That
10 concludes public comment.

Motion on all these items by Deputy
Presiding Officer McKevitt, seconded by
Minority Leader DeRiggie-Whitton.

All those in favor of these items
say aye.

(Whereupon, all members
respond in favor.)

PRESIDING OFFICER KOPEL: Any
opposed?

(Whereupon, no response.)

PRESIDING OFFICER KOPEL: Okay.
Those pass 18 to 0.

1
2 PRESIDING OFFICER KOPEL: Okay. Next
3 is a Calendar 29, which is a resolution
4 to establish a Blue Envelope Program in
5 Nassau County.

6 Motion by Legislator Giangregorio.
7 Seconded by Legislator Mullaney.

8 Would you like to speak on this?

9 LEGISLATOR GIANGREGORIO: Sure.
10 Thank you, Presiding officer.

11 As discussed previously, this
12 legislation will introduce a Blue
13 Envelope Program which will help not only
14 the police, but those in our community
15 that are neurodiverse. It will protect
16 our police. It will protect our drivers.
17 It will protect our passengers. As the
18 father of a son who's neurodiverse, it's
19 one of my biggest concerns; in the event
20 of a stop by a police officer, whether
21 it's a traffic infringement, a running a
22 light, or for whatever reason, or in the
23 event of a vehicular accident, my son
24 will not respond. He will be afraid. His
25 blue sash on his seatbelt will provide

1
2 information to the officers and the
3 rescue workers that my son will
4 understand differently, so he can be
5 worked with differently, protecting him
6 and also protecting the officers. It will
7 de-escalate a situation by not letting it
8 escalate in the first place. I thank my
9 colleagues for understanding this. This
10 is something that I am very proud of, and
11 this will take our county in a very
12 positive direction.

13 Legislator Mullaney.

14 LEGISLATOR MULLANEY: Thank you,
15 Legislator Giangregorio. I can't agree
16 more. This is a pretty common sense idea.
17 As a career first responder, and I'm sure
18 other first responders can agree with me
19 on this, these situations again, as
20 somebody who's coming at it from the
21 other end -- I don't have anybody
22 neurodivergent in my family -- but as a
23 first responder, when you respond to
24 these situations, they can unfold
25 quickly. And very often you have to make

1
2 split second decisions. One small piece
3 of information can change the dynamic of
4 any situation very quickly, and that
5 awareness would change how we
6 communicate, de-escalate a situation, and
7 ultimately ultimately lead to a safer
8 outcome for everyone involved, whether
9 it's the passenger, neurodivergent
10 person, or even the first responder.
11 Really, it's just another tool in the
12 toolbox for first responders. I believe
13 that this community is going to continue
14 to grow. This is going to make those
15 interactions that much more common. And
16 again, just much more common sense.

17 LEGISLATOR MULE: Thank you. Thank
18 you, Presiding Officer. Today is a good
19 day for Nassau County. I want to begin by
20 congratulating my colleagues who
21 sponsored this legislation, and by
22 thanking everyone on both sides of the
23 aisle who helped bring it before us. The
24 Blue Envelope program is a thoughtful,
25 compassionate proposal that will help

1
2 first responders better communicate with
3 neurodiverse residents and make
4 interactions between law enforcement and
5 our communities safer for everyone
6 involved. And that is how government is
7 supposed to work. A problem was
8 identified. We worked together, found a
9 practical solution that puts the
10 interests of our residents ahead of
11 politics. And that's something worth
12 celebrating. Because the truth is, no
13 political party has a monopoly on good
14 ideas. Not Democrats, not Republicans.
15 Good ideas belong to the people we serve,
16 and our responsibility is to recognize
17 them, improve them when necessary, and
18 give them a fair opportunity to succeed.
19 If we approached every piece of
20 legislation with that mindset, there's no
21 telling how much more we could accomplish
22 together for Nassau County.

23 Which brings me to one thought I'd
24 like to ask everyone to consider. Since
25 I've been elected to this legislature,

1
2 I'm in my fifth term, I've learned that
3 not every bill becomes law, and that's
4 okay. Debate is healthy. Disagreement is
5 part of representative government. But
6 there's a big difference between voting
7 against a bill after debating it and
8 never allowing it to enter the
9 legislative process in the first place.
10 Since I've been here, members of the
11 Democratic minority have introduced
12 common sense public safety legislation
13 with bipartisan support that has never
14 received a hearing or been assigned to a
15 committee. Take our legislation to place
16 EpiPens in Nassau County police vehicles.
17 Police officers are often the first to
18 arrive at medical emergencies when
19 someone is suffering a severe allergic
20 reaction. Every minute matters. Having an
21 EpiPen available before EMS arrives could
22 literally mean the difference between
23 life and death. This isn't a Partizan
24 idea because similar programs have been
25 adopted around the country, including

1
2 Suffolk County. After this legislation
3 later declined to move our proposal
4 forward, we shared the idea with
5 Congresswoman Laura Gillan. She
6 introduced legislation based on the same
7 concept in Congress, where it has been
8 referred to the House Judiciary
9 Committee. Maybe it becomes law, maybe it
10 doesn't, but at least it's part of the
11 legislative process. At least it has the
12 opportunity to be considered. And think
13 about that for a moment. A common sense
14 public safety proposal with bipartisan
15 support is at least receiving committee
16 consideration in what many would describe
17 as the most politically polarized
18 legislative body in America's history.
19 Yet, here in Nassau County, where the
20 idea originated beforehand, it wasn't
21 even given a hearing. How is that
22 possible?

23 Then there's legislation requiring
24 automated external defibrillator
25 defibrillators, AEDs in every Nassau

1
2 County park and court facility. Again,
3 every minute counts during sudden cardiac
4 arrest. Immediate access to an AED
5 dramatically increases a person's chance
6 of of survival. That's why they're
7 standard equipment in schools, airports
8 and so many public places. This proposal
9 simply says county facilities should meet
10 that same standard. Yet, it never
11 received a hearing.

12 Then there's legislation to include
13 fentanyl test strips in overdose
14 prevention kits, regardless of where you
15 stand politically. I think we can all
16 agree on one thing. If we can save
17 someone's life today, they have a chance
18 to recover tomorrow. Communities across
19 America red, blue, and purple have
20 embraced practical, practical tools like
21 fentanyl test strips as part of their
22 response to the opioid epidemic. Even
23 members of the Republican Majority have
24 publicly expressed support for
25 strengthening overdose prevention efforts

1
2 in the past with more fentanyl test
3 strips. Yet, this Legislation never
4 received a hearing either.

5 These aren't Partizan proposals.
6 They're public safety proposals. They're
7 proposals designed to save lives. And I
8 believe they deserve exactly what today's
9 legislation received a committee
10 assignment. A public hearing, an honest
11 debate, and then an up or down vote.
12 Maybe they pass, maybe they fail. That's
13 democracy. But no legislator and no
14 constituent should have their ideas
15 denied even the opportunity to be heard
16 simply because of the party affiliation
17 on the cover sheet.

18 Today's legislation reminds us
19 what's possible when we work together. My
20 hope is that today's vote isn't the
21 exception. My hope is that it becomes the
22 rule that every good idea, regardless of
23 whether it's introduced by a Republican
24 or a Democrat is judged on its own
25 merits. And there are quite a few new

1
2 people here over the last couple of
3 years. And so I just want to remind
4 everyone we are a co-equal member,
5 judicial legislative branch. We are equal
6 in terms of legislation with the county
7 executive. We have our own voice. We
8 should use it because at the end of the
9 day, our constituents don't ask whether
10 an idea came from the majority or the
11 minority. They ask whether it made their
12 family safer. They ask whether it made
13 their community better. And if we keep
14 that as a guiding principle, I have no
15 doubt that there are great things this
16 legislature can accomplish together.

17 Thank you.

18 PRESIDING OFFICER KOPEL: All right,
19 Commissioner Ryder.

20 COMMISSIONER RYDER: Yes, sir.

21 PRESIDING OFFICER KOPEL: You want
22 to speak on this item.

23 COMMISSIONER RYDER: As many tools as
24 you heard from our legislators, many
25 tools that you give us are going to make

1
2 us better, to give us this opportunity
3 than we approach a car that some child is
4 suffering from some cognitive issue, and
5 that we can early identify that problem.
6 It always makes for a better situation.
7 It's part of that whole de-escalation
8 tools that we live with. We don't want to
9 raise things up. We want to make sure
10 that we keep everybody calm and keep it
11 down. So I think it's a little bit of
12 work for the Police Department, but we're
13 willing to take that work on and we'll
14 make sure it gets it done.

15 PRESIDING OFFICER KOPEL: Excellent.
16 Thank you.

17 All those in favor of this item,
18 please say aye.

19 (Whereupon, all members
20 respond in favor.)

21 PRESIDING OFFICER KOPEL: Opposed.
22 Okay. That's 18 to 0.

23 Thank you.

24
25 *****

1
2 PRESIDING OFFICER KOPEL: Okay. Now
3 we've got some emergency items related to
4 the capital plan as and other related
5 items we will consider today all by
6 emergency resolution.

7 We'll start with the emergency
8 resolution includes all filed items
9 including Capital Budget, Emergency
10 Capital Budget Ordinance and Capital Bond
11 ordinance, as well as a number of CRP's.

12 So we have a motion to establish the
13 emergency by Deputy Presiding Officer
14 McKevitt, seconded by Minority Leader
15 DeRiggi-Whitton.

16 All those in favor of establishing
17 the emergency say aye.

18 (Whereupon, all members
19 respond in favor.)

20 PRESIDING OFFICER KOPEL: Opposed?

21 (Whereupon, no response.)

22 PRESIDING OFFICER KOPEL: That is
23 established. The emergency is established
24 by a vote of 18 to 0.

25 Now, Clerk Item 216 declaring a

capital budget emergency pursuant to 310D
of the County Government law of Nassau
County.

Again, motion by Deputy Presiding
Officer McDevitt, seconded by Minority
Leader DeRiggi-Whitton.

All in favor, say aye.

(Whereupon, all members
respond in favor.)

PRESIDING OFFICER KOPEL: Opposed?

(Whereupon, no response.)

PRESIDING OFFICER KOPEL: Again,
that is 18 to 0.

1
2 PRESIDING OFFICER KOPEL: Now I'm
3 going to call the remaining emergency
4 items together with the agreement of
5 Minority.

6 Clerk Item 217, which is an
7 ordinance to amend Ordinance 69, which is
8 amended by Ordinance 69 of 2025, amended
9 by Ordinance 22 of '26. Adopting the
10 capital budget for Nassau County for the
11 first year of the four year plan to
12 commence on January 1st.

13 Clerk item 218, which is a bond
14 ordinance providing for a capital
15 expenditure to finance the capital
16 projects identified herein within the
17 County of Nassau and authorizing
18 \$593,035,778 of bonds of the County of
19 Nassau to finance these expenditures
20 pursuant to the local finance law of New
21 York and a county government. Law of
22 Nassau County.

23 Next items are Clerk items are 198,
24 199, 200, 201, 202, 203, 204, 205, 206,
25 207, 208, 209, 210, 211, 212, 213, 214,

1
2 215, 219, 220, 221, 222, 223, 224, 225,
3 226, 227, 228, 229, 230, 231, 232, 233,
4 234, 235, 236.

5 Motion on all of these items by
6 Deputy Presiding Officer McKevitt,
7 Seconded by Minority Leader
8 DeRiggi-Whitton.

9 Legislator Davis.

10 LEGISLATOR DAVIS: Thank you, Howard.

11 As anyone who's been paying
12 attention over the past two years knows
13 I've taken the time to indicate to the
14 public the disparity in the distribution
15 of economic resources for our community,
16 particularly through the distribution of
17 CRP. And when I saw the calendar today
18 and the agenda, I almost thought it was a
19 typo. Because apparently the minority is
20 now getting 33 CRP passed through, which
21 is unprecedented. At this rate, we may
22 actually catch up to our colleagues on
23 the other side. And to that end, I say
24 it's a good start. It's a good start to a
25 two and a half year backlog, and it's

1
2 something that's long overdue in terms of
3 an investment in our schools, our first
4 responders, our parks, our libraries, our
5 community centers, our sanitation
6 districts, and the 40% of Nassau County
7 that has not been getting those
8 resources. These investments in the
9 community have a lasting impact on the
10 quality of life in a community. And that
11 is precisely what CRPs are for. There's a
12 word -- there's two words for that. Those
13 words are good government. So I'm
14 certainly encouraged by this development.
15 And this has never been directed at my
16 colleagues who are here. We've always
17 been told that we would get the support
18 if it makes it this far, and I do
19 appreciate that. I can only hope that as
20 we move forward, this isn't a one shot in
21 a political election year, but that this
22 is a commitment toward working better
23 with all of the residents of Nassau
24 County, because we all pay taxes and we
25 all deserve the same quality of

1
2 commitment from the administration. Thank
3 you.

4 PRESIDING OFFICER KOPEL: Legislator.

5 MINORITY LEADER DERIGGI-WHITTON:

6 Thank you, Presiding Officer. And this is
7 both on the capital plan and I just want
8 to make sure you guys knew that I agree
9 with my colleague, Legislator Davis, that
10 we appreciate the fact that that these
11 have finally come to fruition. I believe
12 we have 28 out of the 30 that we had
13 hoped to achieve. One is the Valley
14 Stream CRP is still not complete. I have
15 been told, and if it's okay with the
16 Presiding Officer, could I ask Chris
17 Leimone. He knows about this, but just to
18 put it on the record that they will be
19 trying to address this CRP as soon as
20 possible. We have another CRP with the
21 Village of Sands Point. It's for first
22 responders. I cannot understand. I don't
23 know what the holdup is for that one.
24 However, I am holding that money. I'm not
25 reallocating it.

1
2 So Mr. Leimone, thank you for your
3 statement.

4 MR. LEIMONE: Oh, you're welcome.

5 So just to clarify, I got a call as
6 you were addressing some of these matters
7 just to but just to clarify, there were
8 32 filed. With respect to the Minority
9 Caucus, you had mentioned a couple of
10 specific ones. Can you just repeat those,
11 please?

12 MINORITY LEADER DERIGGI-WHITTON:

13 Okay. So there are well, one is the
14 Freeport schools, which we are going to
15 be readdressing.

16 MR. LEIMONE: Yes, that's correct.

17 MINORITY LEADER DERIGGI-WHITTON:

18 That was a discussion we had.

19 MR. LEIMONE: Yes.

20 MINORITY LEADER DERIGGI-WHITTON: The
21 second one is the Valley Stream CRP.

22 MR. LEIMONE: Yes. That's correct.

23 MINORITY LEADER DERIGGI-WHITTON:

24 You're aware of that, we talked about
25 that the other day. That seems to be

1
2 going in the right direction. And we
3 really want to try to see that as soon as
4 possible come to fruition.

5 MR. LEIMONE: Yeah. I think the goal
6 for that one would be September at the
7 next meeting.

8 MINORITY LEADER DERIGGI-WHITTON:
9 Sands Point. God knows what's happening.
10 So maybe you do, I don't know, but I have
11 money available for their first
12 responders. They cover a big area. They
13 have a need for something that I would,
14 as a legislator would like to provide for
15 the first responders. I don't know how
16 we're holding up first responder money.
17 This is a I'm surprised. I really thought
18 this one was no problem. So maybe
19 hopefully we can get that on before any
20 other -- all three of the all four of
21 them on. Before there's any further
22 discussion of other bonding or any type
23 of transfers going forward, we really
24 need to have those addressed. Since we're
25 calling the capital plan as well. I would

1
2 also like to know that we need all these
3 projects to move forward, not just pass,
4 as, you know, as part of the capital
5 plan. Legislator Arnie Drucker, who could
6 not be here today, did send a letter
7 which we put on to the record, just
8 stating how many years we've been waiting
9 for many of his projects as well. We need
10 them to move forward, not just in the
11 capital plan, but also in the brick and
12 mortar end of it.

13 I would really like to request like
14 quarterly meetings with DPW as a caucus.
15 We really have tried to set up a few
16 meetings, but we also would love to have
17 another legislative liaison for the DPW
18 like we used to have. It was very
19 convenient for us to know who to contact,
20 to see where the status of different
21 projects were. It's good to know who to
22 follow up with. There's times that things
23 are moving forward that we don't even
24 know about.

25 And finally, another issue that

1
2 we've had a lot of issues with are with
3 the Comptroller and just making sure that
4 the claims, once they are received, that
5 they're processed. I know a number of our
6 first responders CRPs that were past due
7 to last capital plan have yet to receive
8 their funding and I hear it's stuck in
9 the Comptroller's Office. And if it's
10 not, she should let us know where they
11 are. But going forward with these, I
12 really hope we don't run into that same
13 issue with these municipalities receiving
14 their money.

15 So although I want to thank
16 Presiding Officer Howard Kopel for his
17 promise to call these when they were sent
18 down, which he has, I want all the other
19 legislators to know, we've always
20 supported your, your CRPs with the faith
21 that we could possibly get some of ours
22 done. So we appreciate your support with
23 our CRPs.

24 And presiding Officer, if it's okay,
25 I know Legislator Nunez just had a couple

1
2 of words.

3 PRESIDING OFFICER KOPEL: Of course.
4 Go on.

5 LEGISLATOR NUNEZ: Thank you. Thank
6 you, Presiding Officer. Mr. Leimone,
7 thank you very much for your assistance
8 in this process and facilitating what
9 some of us weren't able to get over the
10 finish line. And I want to specifically
11 thank you for putting people over
12 politics to help get us these resources.
13 It's my understanding that specifically
14 for the Village of Valley Stream Fire
15 Prevention trailer CRP that is
16 tentatively scheduled to be on their
17 village calendar for August 3rd, the next
18 hearing; is that correct?

19 MR. LEIMONE: That's my
20 understanding. That's what your staff had
21 indicated to me. Yes.

22 LEGISLATOR NUNEZ: Thank you, I
23 appreciate that. And I'm looking forward
24 to seeing this on the September calendar.
25 Thank you, Presiding Officer, for

1
2 calendaring these items. Thank you.

3 MR. LEIMONE: Just, if I could, just
4 one quick clarification with respect to
5 the claim vouchers being submitted to the
6 Comptroller's Office, it's my
7 understanding that once claim voucher
8 documentation is submitted and everything
9 is there, the Comptroller is very prompt
10 in terms of payment. So you know, I just
11 wanted to put that on the record. Thank
12 you.

13 MINORITY LEADER DERIGGI-WHITTON: Can
14 I just say Chris, we have a whole bunch
15 of first responders here that have never
16 received their money. And it's so
17 embarrassing every time we go to these
18 events and we can send you another list,
19 but we've been asking for it for, God,
20 almost a year.

21 MR. LEIMONE: Please send me that
22 list. Because again, once a claim voucher
23 submitted, provided it has all the
24 documentation, it gets paid. So I just
25 wanted to put that on the record.

MINORITY LEADER DERIGGI-WHITTON:

That used to be the case with these and with a few others. It's been years and honestly years. I had one where we were trying to get a school paid and everything's done. We're waiting for the claim to be paid. And it's unbelievable because it's very embarrassing to show up to these events, especially after they were presented big checks by the County Executive and the Comptroller. And they still haven't received their money almost a year later. It's just a bad look for all of us. So I'll get you the list again. It's something that I think could be resolved quickly, and I hope that at least we have everyone's promise that with these crops, that every effort will be made. And if they're not, we'll bring them to your attention again.

MR. LEIMONE: Thank you. Again, once all documentation is submitted, it'll be processed. Thank you.

PRESIDING OFFICER KOPEL: Okay. Over

1
2 the objections of minority, I'm going to
3 call this one our one big, beautiful bill
4 (laughter).

5 All those in favor of all these
6 items, please say aye.

7 (Whereupon, all members
8 respond in favor.)

9 PRESIDING OFFICER KOPEL: Opposed?

10 (Whereupon, no response.)

11 PRESIDING OFFICER KOPEL: All right,
12 18 to 0.

13 Thank you.

14 Now, we do have one more item that
15 we're waiting for.

16 Chris, where are we on this?

17 MR. LEIMONE: Yes. Chris Leimone from
18 the Administration.

19 Sorry. There's just one item with
20 respect to a treasure tax warrant that we
21 need to submit an emergency for. If you I
22 apologize about five minutes. If you
23 wouldn't mind, I apologize.

24 PRESIDING OFFICER KOPEL: All right,
25 everyone, sit tight. Well, all right,

1
2 we're recessed for five. We'll recess
3 until we get the items.

4 (Whereupon, a brief recess
5 is taken.)

6 PRESIDING OFFICER KOPEL: Let's
7 reconvene.

8 We need to do a another emergency
9 resolution declaring an emergency for
10 immediate action upon resolution
11 providing for the issuance of a warrant
12 directing the Treasurer of Nassau County
13 to pay the supervisors of various towns
14 and villages and cities within Nassau,
15 the sums apportioned by the Nassau
16 Legislature, based on a report filed by
17 the County Treasurer, County Clerk with
18 respect to mortgage taxes for the quarter
19 beginning April 1st through June 30th.

20 All those in favor of establishing
21 this emergency, please say aye.

22 (Whereupon, all members
23 respond in favor.)

24 PRESIDING OFFICER KOPEL: Opposed?

25 (Whereupon, no response.)

1
2 PRESIDING OFFICER KOPEL: The
3 emergency is established by 18 to 0.

4 And now the item itself, which is
5 197 of 26, which goes ahead and directs
6 the payment of these these amounts.

7 Motion by Deputy Presiding Officer
8 McKevitt, seconded by Minority Leader
9 DeRiggi-Whitton.

10 All those in favor of the item,
11 please say aye.

12 (Whereupon, all members
13 respond in favor.)

14 PRESIDING OFFICER KOPEL: Opposed?

15 (Whereupon, no response.)

16 PRESIDING OFFICER KOPEL: That item
17 passes unanimously.

18 And this does conclude our business
19 for the afternoon. Motion by Deputy
20 Presiding Officer McKevitt to adjourn.
21 Seconded by Minority Leader DeRiggi-
22 Whitton.

23 All those in favor of adjourning,
24 say aye.

25 (Whereupon, all members

respond in favor.)

PRESIDING OFFICER KOPEL: Opposed?

(Whereupon, no response.)

PRESIDING OFFICER KOPEL: We are
adjourned.

Thank you, everyone.

(Whereupon, above matter concludes.)
