Professional Qualifications & Experience

My name is Brad Seibold, and I am a co-founder and President of Heliwagon, Inc. I have been an integral part of this company since its founding in 2009, giving me over 17 years of hands-on experience in the design, manufacturing, and sales of helicopter ground support equipment.

As the face of Heliwagon, I oversee all aspects of the business, including but not limited to: sales and business development, customer service, product knowledge and training, manufacturing operations, quality control, and new product design and innovation. This comprehensive involvement ensures that every Heliwagon product meets the highest standards of quality and functionality before it reaches the customer.

Throughout my tenure, I have worked directly with a wide range of clients across the public safety, government, medical, and private sectors. Our reach spans nearly every U.S. state, including Hawaii and Alaska, and we have proudly delivered equipment to customers in 17 countries worldwide. To date, Heliwagon has delivered over 500 units, a testament to the reliability, quality, and reputation we have built over the past 17 years.

Prior Similar Experience & Notable Clients:

Our experience serving government and public safety aviation operations is extensive and well-documented. Notable clients and deliveries include:

- **Texas Department of Public Safety (DPS) Aircraft Division** — ongoing supplier of Heliwagon ground support equipment
- **U.S. Department of Homeland Security, CBP Air and Marine Operations** — delivered nearly 30 Heliwagons to support federal law enforcement aviation operations
- **Flight for Life Texas** — providing ground support solutions for critical medical transport operations

- **Massachusetts State Police** — supplying equipment to support state law enforcement aviation
- **Hundreds of private and corporate helicopter owners** across the United States and internationally

These relationships reflect our ability to meet the rigorous standards required by federal and state government agencies, as well as the flexibility to serve the unique needs of private and corporate clients.

Industry Memberships & Affiliations:

- **Helicopter Association International (HAI)** — rotor.org
- **Airborne Public Safety Association (APSA)** — publicsafetyaviation.org

Active membership in these organizations keeps Heliwagon connected to the latest developments in aviation safety, industry standards, and the public safety aviation community we are proud to serve.

My direct involvement in every phase of operations — from the first customer conversation to final product delivery — combined with Heliwagon's proven 17-year track record serving federal agencies, state law enforcement, medical operators, and private clients worldwide, makes us exceptionally well-suited to meet the requirements outlined in this proposal.

Repairing Line-X:

THE SCIENCE BEHIND LINE-X

LINE-X combines specialized equipment with extensive product developments to yield the right materials, products, and procedures to meet virtually any demand. After decades of research, LINE-X has created a comprehensive coatings portfolio that includes polyurethanes, polyureas, aliphatic, and hybrid coatings. Each coating differs at a molecular level resulting in distinct physical characteristics that are ideal for certain applications and industries. Tensile strength, elongation, hardness, and UV stability are all factors that influence pro

CORROSION PREVENTION & IMPACT PROTECTION

LINE-X coatings are designed to create an impenetrable barrier between valuable equipment and nature's harshest elements, such as high humidity, saltwater, or extreme temperature changes. Laboratory tests demonstrate excellent levels of abrasion and impact resistance under just about any severe-use condition. LINE-X outperformed other leading materials, including carbon and stainless steel. duct performance and durability.

RE: Sole Source Justification — Heliwagon, Inc.

To Whom It May Concern:

This letter serves as a sole source justification confirming that the Heliwagon is a product manufactured and sold exclusively by Heliwagon, Inc. Heliwagon, Inc. is the sole creator, manufacturer, and seller of this product. We stand fully prepared to answer all questions regarding this product and to support any procurement or approval process as necessary.

The Heliwagon is unique for the following reasons:

- It is the only 100% electric, wireless remote-controlled landing dolly designed for skid-type helicopters.
- The Heliwagon features a proprietary electric locking wheel system that eliminates the need for traditional wheel chocks, providing a safer and more efficient ground handling solution.
- Heliwagon, Inc. is the only manufacturer in the world offering a 14×14, 14×16, and 16×16 remote-controlled helicopter landing dolly, providing operators with size options to match a wide range of rotary-wing aircraft.

Please feel free to contact me directly if you have any questions or require additional information regarding Heliwagon, Inc. or its products. We appreciate the opportunity to support your mission.

Sincerely,

Brad Seibold | President

From: Lieutenant Joseph L. Grella, Serial No. 8280, Shield No. 390, Commanding Officer, Aviation Unit.

Subject: SOLE SOURCE JUSTIFICATION, RQPD26000190

The Nassau County Police Department requests sole source approval for the purchase of two (2) Heliwagon Helicopter Landing Dollies as well as the repair of the two (2) current Heliwagons in use.

Heliwagon is the sole manufacturer of this helicopter landing dolly which is 100% electric, self-propelled, wheel braking system that does not require chocks, and wirelessly controlled. These dollies serve a vital role to ensure departmental helicopters are readily available for emergency calls.

The NCPD Aviation Unit have been unable to identify a comparable substitute that offers the specifications and features required to perform this crucial task.

Thank you for your consideration.

Respectfully,
