## **Flooding**

Anywhere it rains, it can flood. Just because you have not experienced a flood in the past does not mean you will not experience one in the future. Flooding can happen any time of year and for a number of different reasons including Heavy Rain, Spring Thaw, Hurricanes, and Flash Flood. Nassau County participates in the Nation Flood Insurance Program. Visit [www.FloodSmart.gov](http://www.FloodSmart.gov) or call the Office of Emergency Management at (516) 573-0636.
