

NASSAU COUNTY TOBACCO SETTLEMENT CORPORATION

2015 ANNUAL REPORT

NASSAU COUNTY TOBACCO SETTLEMENT CORPORATION

Dear Governor Cuomo and Distinguished Leaders,

I am pleased to present the 2015 Annual Report of the Nassau County Tobacco Settlement Corporation (the "Corporation") in accordance with Section 2800(2)(a) of the New York State (the "State") Public Authorities Law (the "PAL"). As required by the PAL, a description of the Corporation's operations and accomplishments in 2015 is set forth below. Additional information required by the PAL is included in accompanying appendices.

Operations and Accomplishments

On November 23, 1999, the Corporation, a local development corporation organized under the Not-For-Profit Corporation Law of the State, issued \$294,500,000 of its Tobacco Settlement Asset-Backed Bonds, Series A (the "1999 Tobacco Bonds") to finance its purchase pursuant to a Purchase and Sale Agreement (the "Sale Agreement") of all of the County of Nassau's (the "County") future right, title and interest under the Master Settlement Agreement (the "MSA") entered into by participating cigarette manufacturers (the "PMs"), the State, forty-five other states, the District of Columbia, Puerto Rico, Guam, the United States Virgin Islands, American Samoa and the Northern Marianas Islands (the "Settling States") in November 1998 in settlement of certain smoking-related litigation, and the Consent Decree and Final Judgment entered in State Supreme Court for New York County (the "Consent Decree"), including the right to receive certain initial and annual payments (the "tobacco settlement revenues" or "TSRs") to be made by the PMs under the MSA. The 1999 Tobacco Bonds were not a debt or liability of the County and were secured primarily by the TSRs to be received by the Corporation by virtue of the Sale Agreement.

Pursuant to the Sale Agreement, the County received \$247,500,000 from the Corporation on November 23, 1999 (the "1999 Sale Proceeds"), as partial consideration of the sale of its interests under the MSA and the Consent Decree, the balance of such consideration being received in the form of a 100% beneficial interest in a residual trust (the "Residual Trust") in the TSRs that were not required to pay various expenses, debt service or required reserves for the 1999 Tobacco Bonds or subsequent Corporation bonds.

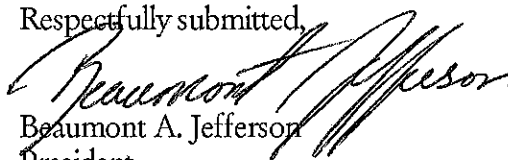

On April 5, 2006, the Corporation issued \$431,034,245.85 of its Tobacco Settlement Asset-Backed Bonds, Series 2006 (the "2006 Tobacco Bonds") a portion of the proceeds of which were used to defease the 1999 Tobacco Bonds and to generate approximately \$119.9 million in proceeds for the County from its beneficial interest in the Residual Trust. TSRs received by the County from April 5, 2006 through March 31, 2008 were not pledged to the holders of the 2006 Tobacco Bonds. The County has appropriated and is expected to continue to appropriate such 2006 Tobacco Bond proceeds to finance various capital projects or designated operating expenses of the County or the Nassau Health Care Corporation. The 2006 Tobacco Bonds are not a debt or liability of the County and are secured primarily by the TSRs pledged to and to be received by the Corporation.

The Corporation has no employees and has not issued debt subsequent to the 2006 Tobacco Bonds. Consequently, it had limited activity during 2015, consisting primarily of receiving TSRs and making debt service and related payments as required in connection with the 2006 Tobacco Bonds.

The board of directors of the Corporation is composed of three members (at least one of which must meet certain requirements of independence): (i) one appointed by a majority vote of the Nassau County Legislature, (ii) one who must be the Nassau County Treasurer, *ex officio*, and (iii) one selected by (i) and (ii). The current members of the board of directors are Daniel J. McCloy and Nassau County Treasurer Beaumont A. Jefferson. There is one vacancy on the board.

Respectfully submitted,

McKinney's N-PCL § 1411

§ 1411. Local development corporations

(a) Purposes. This section shall provide an additional and alternate method of incorporation or reincorporation of not-for-profit corporations for any of the purposes set forth in this paragraph and shall not be deemed to alter, impair or diminish the purposes, rights, powers or privileges of any corporation heretofore or hereafter incorporated under this section or under the stock or business corporation laws. Corporations may be incorporated or reincorporated under this section as not-for-profit local development corporations operated for the exclusively charitable or public purposes of relieving and reducing unemployment, promoting and providing for additional and maximum employment, bettering and maintaining job opportunities, instructing or training individuals to improve or develop their capabilities for such jobs, carrying on scientific research for the purpose of aiding a community or geographical area by attracting new industry to the community or area or by encouraging the development of, or retention of, an industry in the community or area, and lessening the burdens of government and acting in the public interest, and any one or more counties, cities, towns or villages of the state, or any combination thereof, or the New York job development authority in exercising its power under the public authorities law to encourage the organization of local development corporations, may cause such corporations to be incorporated by public officers or private individuals or reincorporated upon compliance with the requirements of this section, and it is hereby found, determined and declared that in carrying out said purposes and in exercising the powers conferred by paragraph (b) such corporations will be performing an essential governmental function.

(b) Type of corporation. A local development corporation is a charitable corporation under this chapter.

(c) Powers. In furtherance of its purposes set forth in paragraph (a) but not for any other purposes, a local development corporation incorporated or reincorporated under this section shall have the following powers: to construct, acquire, rehabilitate and improve for use by others industrial or manufacturing plants in the territory in which its operations are principally to be conducted, to assist financially in such construction, acquisition, rehabilitation and improvement, to maintain such plants for others in such territory, to disseminate information and furnish advice, technical assistance and liaison with federal, state and local authorities with respect thereto, to acquire by purchase, lease, gift, bequest, devise or otherwise real or personal property or interests therein, to borrow money and to issue negotiable bonds, notes and other obligations therefor, and notwithstanding section 510 (Disposition of all or substantially all assets) without leave of the court, to sell, lease, mortgage or otherwise dispose of or encumber any such plants or any of its real or personal property or any interest therein upon such terms as it may determine and, in connection

with loans from the New York job development authority, to enter into covenants and agreements and to comply with all the terms, conditions and provisions thereof, and otherwise to carry out its corporate purposes and to foster and encourage the location or expansion of industrial or manufacturing plants in the territory in which the operations of such corporation are principally to be conducted, provided, however, that no such corporation shall attempt to influence legislation by propaganda or otherwise, or participate or intervene, directly or indirectly, in any political campaign on behalf of or in opposition to any candidate for public office.

(d) Purchase or lease of real property owned by a county, city, town or village. (1) The local legislative body of a county, city, town or village or, if there is a board of estimate in a city, then the board of estimate, may by resolution determine that specifically described real property owned by the county, city, town or village is not required for use by such county, city, town or village and authorize the county, city, town or village to sell or lease such real property to a local development corporation incorporated or reincorporated under this article; provided, however, that title to such land be not declared inalienable as a forest preserve or a parkland.

(2) Notwithstanding the provisions of any general, special or local law, charter or ordinance to the contrary, such sale or lease may be made without appraisal, public notice, (except as provided in subparagraph (4)) or public bidding for such price or rental and upon such terms as may be agreed upon between the county, city, town or village and said local development corporation; provided, however, that in case of a lease the term may not exceed ninety-nine years and provided, further, that in cities having a population of one million or more, no such sale or lease shall be made without the approval of a majority of the members of the borough improvement board of the borough in which such real property is located.

(3) Before any sale or lease to a local development corporation incorporated or reincorporated under this article shall be authorized, a public hearing shall be held by the local legislative body, or by the board of estimate, as the case may be, to consider the proposed sale or lease.

(4) Notice of such hearing shall be published at least ten days before the date set for the hearing in such publication and in such manner as may be designated by the local legislative body, or the board of estimate as the case may be.

(5) A local development corporation, incorporated or reincorporated under this section, which purchases or leases real property from a county, city, town or village, shall not, without the written approval of the county, city, town or village, use such real property for any purpose except the purposes set forth in the certificate of incorporation or reincorporation of said local development corporation. In the event such real property is used in violation of the restrictions of this paragraph, the attorney-general may bring an action or special proceeding to enjoin the unauthorized use.

(e) Certificate of incorporation. In addition to the requirements of section 402 (Certificate of incorporation; contents) the certificate of incorporation or reincorporation of a local development corporation incorporated or reincorporated under this article shall state (1) that all income and earnings of such corporation shall be used exclusively for its corporate purposes or accrue and be paid to the New York job development authority, (2) that no part of the income or earnings of such corporation shall inure to the benefit or profit of, nor shall any distribution of its property or assets

be made to any member or private person, corporate or individual, or any other private interest, except that the certificate of incorporation or reincorporation may authorize the repayment of loans and may also authorize the repayment of contributions (other than dues) to the local development corporation but only if and to the extent that any such contribution may not be allowable as a deduction in computing taxable income under the internal revenue code of nineteen hundred fifty-four, (3) that if such corporation accepts a mortgage loan or loans from the New York job development authority, such corporation shall be dissolved in accordance with the provisions of paragraph (g) upon the repayment or other discharge in full by such corporation of all such loans.

(f) Exemption of income from taxation. The income and operations of corporations incorporated or reincorporated under this section shall be exempt from taxation.

(g) Dissolution. Upon the dissolution of any local development corporation incorporated or reincorporated under this section no member or private person, corporate or individual, or other private interest, shall be entitled to any distribution or division of its remaining funds and other property and rights and interests in property, and the balance thereof, after the payment of all debts and liabilities of the corporation of whatsoever kind and nature, (including the payment of loans and contributions the repayment of which has been authorized in its certificate of incorporation or reincorporation) shall be distributed to one or more counties, cities, towns or villages within the territory designated in its certificate of incorporation or reincorporation as the territory in which its operations are principally to be conducted, for furtherance of the purposes set forth in paragraph (a), or to the New York job development authority, as shall be provided by said corporation or by order of the supreme court of the state of New York pursuant to section 1008 (Jurisdiction of supreme court to supervise dissolution and liquidation).

(h) Corporations heretofore incorporated. Any corporation heretofore incorporated under the membership corporations law or this chapter, or under the stock or business corporation law for any of the purposes set forth in paragraph (a) of this section may amend its certificate of incorporation and be reincorporated as a local development corporation organized under this section by making and filing in the office of the secretary of state a certificate, stating the name of such corporation, and, if it has been changed, the name under which it was originally incorporated, the date of its incorporation, the names and post-office addresses of its members or of the holders of record of all of the outstanding shares of such corporation entitled to vote with relation to the proceedings provided for in the certificate and that such corporation has elected to become and be a local development corporation organized and operated under and by virtue of this section. Such certificate shall be either (1) subscribed in person or by proxy by all of the members or the holders of record of all of the outstanding shares of such corporation entitled to vote with relation to such proceedings and shall have annexed an affidavit of the secretary or an assistant secretary that the persons who have executed the certificate, in person or by proxy, constitute all of the members or the holders of record of all of the outstanding shares of the corporation entitled to vote with relation to the proceedings provided for in the certificate, or (2) subscribed by the president or a vice president and the secretary or an assistant secretary and shall have annexed an affidavit of such officers stating that they have been authorized to execute and file such certificate by the votes, cast in person or by proxy, of all of the members or of the holders of record of all of the outstanding shares of such corporation entitled to vote with relation to such proceedings at the meeting at which such votes were cast, and that such votes were cast at a meeting of members or stockholders held on

a date specified, upon notice pursuant to section 605 (Notice of meeting of members) or to section 605 of the Business Corporation Law. Every certificate filed under this paragraph shall have endorsed thereon or annexed thereto the approval of a justice of the supreme court of the judicial district in which the office of the corporation is to be located. A reincorporation pursuant to this paragraph shall not effect a dissolution of the corporation, but shall be deemed a continuation of its corporate existence, without affecting its then existing property rights or liabilities, or the liabilities of its members or officers as such, but thereafter it shall have only such rights, powers and privileges, and be subject only to such other duties and liabilities, as a corporation created for the same purposes under this article.

(i) Effect of section. Corporations incorporated or reincorporated under this section shall be organized and operated exclusively for the purposes set forth in paragraph (a), shall have, in addition to the powers otherwise conferred by law, the powers conferred by paragraph (c) and shall be subject to all the restrictions and limitations imposed by paragraph (e) and paragraph (g). Overview of the 2015 Budget and 2015 Actual

Revenue (Estimated Receipts)

The Corporation typically has two sources of revenues in its Budget: Tobacco Settlement Revenues and investment income.

Tobacco Settlement Revenues ("TSRs")

Pursuant to the Sale Agreement, the Corporation purchased all of the County's future right, title and interest under the Master Settlement Agreement ("MSA"), including the right to receive the TSRs. The amount of TSRs received is dependent on many factors, including future domestic cigarette consumption, the financial capability of the participating cigarette manufacturers (the "PMs"), litigation affecting the MSA and related legislation, enforcement of state legislation related to the MSA and the tobacco industry. Payments by the PMs under the MSA are subject to certain adjustments, which may be material. Total TSRs received in 2015 were \$18,598,237 versus a budgeted amount of \$19,094,953. The total amount for 2015 is lower than the budgeted amount due to a larger decline in consumption than budgeted, as well as additional amounts withheld in the disputed payments account. For 2017-2020, projected TSRs are based on a projected net decline in consumption of -0.5% in each year, based on the 2016 budget amount.

During 2015 New York (the "State") entered into a settlement agreement with all the MSA tobacco companies regarding the Non-Participating Manufacturers (the "NPM") adjustment dispute; the settlement resolves all past and future NPM adjustment disputes. As in the past, the funds will be disbursed to the State, New York City and the counties. The release of these funds are projected to be in April of 2016. At the time this report was issued, the total amount that the Corporation is to receive was undeterminable.

In addition, the tobacco companies will no longer be challenging the State's diligent enforcement of its escrow statute, so the State no longer faces the risk of losing its entire payment in any year and the companies will no longer place a portion of the State's annual payment into a disputed payments account. Further, the State will not have to participate in any future diligent enforcement arbitrations. As to all future MSA annual payments, the companies will receive a discount tied to the total in-state sales volume of cigarettes that are manufactured on Native American reservations and sold untaxed from smoke shops on those reservations to New York consumers. The discount will be for a fixed amount per pack, but with a modifier based on overall volume.

Investment Income

As of December 31, 2015, the Corporation's deposit balances were \$203,054, which were fully covered by the Federal Deposit Insurance Corporation. As of December 31, 2015, the Corporation's investments were \$22,398,983. Investments consisted of shares of an investment fund which invests (i) in short-term U.S. Treasury securities paying a fixed or variable rate and (ii) in repurchase agreements backed by U.S. Treasury securities. Investment income was \$3,066 in 2015 due to continued low investment rates, versus a budgeted amount of \$3,000.

Miscellaneous Income

There was no other income in 2015.

Expenditures

Contractual Expenses

The Corporation budgeted \$130,856 for contractual expenses in 2015, versus actual expenses of \$127,732.

Interest and Principal Payments

The Corporation budgeted \$19,231,375 for interest expenses in 2015, versus actual expenses of \$19,231,375. Any additional revenues received above the required debt service payments are required to fund sinking fund installments and/or Turbo Redemptions. The Corporation did not receive sufficient TSRs to fund the entire required debt service payment of \$20,090,375. Additionally, the Corporation withdrew from the Senior Liquidity Reserve Account \$1,611,006 to satisfy the required debt service payment on December 1, 2015.

Capital Construction in the Budget

The Corporation does not own physical assets and thus does not have a capital budget.
