

# **Changing the Name of Your Company**

For a corporation you must first amend the name of the corporation with The New York State Bureau of Corporations (518) 473-2492.

For a DBA or Partnership, you must amend the name with the Nassau County Clerk's office by filing an Amended Business Certificate (Blumberg form T224) (516) 571-2270.

Please be advised, ANY name change MUST be accompanied by a fully completed application in proper form.

NOTE: If you form a new corporation or business, you cannot change the name; you will receive a new license number. A name change can only be issued for an AMENDMENT OF NAME.
